

EXCITED FANS WATCH AND ANTICIPATE the results of a race Sunday during the second day of the Sonora Spring Race Meet. Another weekend of racing has been planned with the 330-Yard West Texas Quarter Horse Futurity

being run on Saturday, May 1. The Thoroughbred Futurity, Sutton County Derby, 220-Yard Futurity, and the 330-Futurity Consolation will highlight the program Sunday, May 2.

—Staff Photo

'Quite a Horse Race' Slated For 2nd Weekend of Racing

"We should have quite a horse race," said L. P. Bloodworth, announcer at the Spring Race Meet, commenting on the West Texas Quarter Horse Futurity to be held Saturday, May 1. Bloodworth noted that the winning times in the futurity trials held April 24 were exceptionally close and that several had graded AAA, which is "very good for two year olds." Qualifying times ranged from 17.24 for Reber to 17.72.

Better than average crowds watched Saturday as the ten fastest horses were chosen in trial races for the futurity and on Sunday as a mixture of races were run.

A highlight of Sunday's races was the West Texas Quarter Horse Derby run for a \$2,300

purse. Winner was Lock Bars owned by Joe Moody Evans and trained by W. W. Williams. Second was Evant's Gravey, followed by Fly Trap Fly and Am I Glad. First place received \$920; second, \$690; third, \$460; and fourth, \$230.

330 FUTURITY
The West Texas Quarter Horse Futurity is a 330-yard dash for two-year-old horses sponsored by the Quarter Horse Association of West Texas for a purse of \$11,470.

One Sutton County colt has qualified for the race. Work of Art owned by James Hunt earned a place at the starting gate with a time of 17.65.

Colts qualifying are as follows: Reber, owned by Taylor and Marburger; Wagon Hy, P. E.

Davis and V. L. Willis; Heart Flush, Dreabon Copeland; Mr. Sunshine Bars, Luther Harnes; Hubba Bars, Goddard Ranch; Mas O Menas, Alvin and Perry Walker; Work of Art, Hunt; Miss Hy Midget, Louis Herndon; and Midget Chick, T. M. Phipps.

CONSOLATION
The second ten fastest horses in the trials qualified for places in the Consolation, which will be run Sunday for a purse of \$790. Another Hunt horse, Barbravo, received a spot in this contest with a time of 17.9.

Qualifying colts are as follows: Pecos Banker, Austin Millspaugh; No Sin, Louis Brooks; Lightening Jane, Noble J. Taylor; Crickett Spring, John A. Bauch-

man; Clabber Kay Kay, Dreabon Copeland; Miss Folly Cash, John A. Bauchman; Hy Dee Dandy, Dude Biggs; Barbravo, Hunt; Higgy Bar, Noble J. Taylor; and Rebel Tris, E. M. Jones.

Also eligible are Obay, Louis Brooks; Melee, Brooks; Comp O Leta, Louis Zwahr; Leo's Power, Nicky Jane Wolfe; and Miss Truckle Bar, Harrell Cattle Co.

A new feature this year is the 220-yard futurity for three-year-olds and up. Eligible for the race to be run Sunday for a purse of \$1,500 are Talent Bar, owned by P. C. Perner; Bar Ringo, L. H. Von Dohlen; Bonnie Lou Whiz, Albert Plattner; Co Chick, Blaxton DuBose; Sisy Charge, Wm. Sigle Wolfe; Top Day, W. W. Williams; Static Bars, R. R. Kennedy; Cee Chick, Charlie Black Jr.; Dandy Kimpai, Dude Biggs; and Tidy Bracket, Ray Baldwin.

Also eligible are Chicaro Patty, John R. Anderson; Witch's Jo, W. D. Pace; and South Texas Lady, Anderson.

The Race Meet is sponsored annually by the Sonora Park and Horse Show Association at the Sonora Park on Highway 290 west of Sonora. Post time will be 2 p.m. on May 1 and 2, the two days of the final weekend of this year's meet.

Other featured attractions of the program, which will include six to eight races each day, will include the Sonora Thoroughbred Futurity and the Sutton County Derby to be run Sunday. The thoroughbred race for registered two-year-olds will be run over a half-mile and 70-yard course, and the derby for horses three years old and older will be a longer contest, a mile and 70 yards.

Adolph Hofner will play for a dance Saturday night at the 4-H Club Center.

SATURDAY'S RESULTS
Results of the five 330-yard futurity trials held Saturday afternoon were as follows:

Race 1—Wagon Hy, 1; Miss Folly Cash, 2; Clabber Kay Kay, 3. Time—17.3

Race 2—Heart Flush, 1; Mas O Menas, 2; Work of Art, 3. Time—17.3

Race 3—Mr. Sunshine Bar, 1; Hubba Bar, 2; Like Go Man, 3. Time—17.4

Race 4—Pecos Banker, 1; Lightening Jane, 2; Leo's Power, 3. Time—17.75

Race 5—Reber, 1; No Sin, 2; Crickett String, 3. Time—17.2

In the 220-yard futurity trials results were as follows:

Race 6—Talent Bar, 1; Bar Ringo, 2; Bonnie Lou Whiz, 3. Time—12.3

Race 7—Sisy Charge, 1; Top Day, 2; Cee Chick, 3. Time—12.8

SUNDAY'S RESULTS

Results of races run Sunday afternoon were as follows:

Race 1 (440-yard West Texas Quarter Horse Derby)—Lock Bars, Evans, 1; Evant's Gravey, V. H. Cole, 2; Fly Trap Fly, Sloan Pool, 3. Time—22.54

Race 2, 350 yards for three year olds and over—Bubbles Bars, Noble Taylor, 1; Finishes Fast, L. H. Von Dohlen, 2; Count Zero, J. Pate, 3. Time—18.07

Race 3, 400 yards for three year olds and over—Running Man, Z. A. Sloan, 1; Moon Top, T. M. Phipps, 2; Jana Faye, Bill See Quite, page 8

CINDERS

By John King
1965 marks the 75th anniversary of Sutton County and the Devil's River News. The county is planning big things; so is the newspaper. We're speeding up the production of our 75th edition (originally set for October) to coincide with the giant celebration to take place in Sonora August 20 and 21.

Since the beginning of the year we've been plowing through back issues, squinting at old engravings (that must be anywhere from 5 to 75 years old), collecting and engraving early-day pictures (of you and your friends), and getting everything into one big stack of work to make you the finest record of Sutton County short of a complete set of the 3,900 issues published (come October) since Mike Murphy put the first page to bed 75 years ago.

And as Mike himself might say, one with wares to sell would do well to have his name included among our advertisers in the Diamond Anniversary Edition.

You, as a reader, have a chance to participate in this unique publishing effort by contributing pictures and stories of early-day events. Many people have already helped; their pictures are already engraved and are being returned. Their stories are already in our files ready to be set into type.

But you who have thus far had only good intentions need to get information or pictures to us or simply tell us that you'd like for us to come by—that you think you might have something of value for us. Give us a call soon and we'll do the rest.

We heard the other day about the preacher that kept a glass of water handy to drink as he preached.

One Sunday morning some of the youth of the church filled the glass with gin instead of water. The pastor drank and preached, and as the drink in the glass receded, his enthusiasm grew.

At the close of the service he stood at the door enjoying the compliments of the congregation on the morning sermon.

The last person to leave, an elderly gentleman, shook the good minister's hand, then pulled him aside.

"I sure enjoyed your sermon," said the old man, "but I do believe they stoned Paul—instead of 'Beatin' hell out of him'."

Year's 1st Auction Sells 5,512 Goats

Receipts totaled 5,512 goats with sheared yearling muttons bringing \$7 to \$10.40 per head at the Sonora Livestock Exchange Company's first sale of the year April 23.

Market and demand were good at the special Angora sale that saw one group of yearling muttons in the hair bring up to \$13.20 per head. Yearling nannies sold from \$5.60 to \$8.50 per head out of the hair. Good quality weighing nannies brought \$6.60 to \$7.40 per hundredweight.

Cinco de Mayo Fiesta Slated Here Wednesday

In 1862 General Ignacio Zaragoza, leader of the Mexican army, successfully repelled the French attempt to take the country in a battle on the hill at Guadalupe and Loreta. The victory was announced on May 5, and it is this day that has become a traditional Mexican holiday—Cinco de Mayo.

Plans have been made for the annual Cinco de Mayo celebration in Sonora. Raul D. Martinez, master of ceremonies for the celebration program, explained that the purpose of celebrating the holiday was "to make youngsters as well as adults more conscious of their heritage" and he added that the holiday was "a patriotic, democratic, and social event."

Beginning at 6 a.m. with an American and Mexican flag raising ceremony at Liberty Park, holiday activities will continue all through the day. The military band from Piedras Negras will take part in the flag ceremony.

At 10 a.m. there will be races and games for adults and children. Prizes will be presented to the winners by the Roping Club

Good quality weighing mutton goats sold at \$7.50 to \$8.90 per hundred.

Sears Sentell said that the exchange already has 1,300 head of good muttons consigned for the special goat sale to be held May 14. A stocker and breeder sheep sale will follow on May 31 with breeder sales and special lamb sales planned for the future.

Friday's sale brought goats from surrounding towns including Sanderson, Marfa, Rocksprings, Brady, Menard, Junction, Eldorado, Christoval, and Barksdale.

Sentell said that the exchange was striving to get local consignments of quality livestock for special sales and that clean-up sales planned later in the year would help ranchers get rid of culls and cut-backs. "Lots of quality buyers left empty handed Friday, but I think they'll find more and more of Sutton County's quality goats offered at the sales as local ranchers become more accustomed to the convenience of a nearby auction," Sentell said.

Queen, Gloria Zapata, and the Cinco de Mayo Queen.

The military band, authorized to take part in Sonora's celebration activities by Daniel Hernandez Medrano, mayor of Piedras Negras, will be in a parade which will start at 3:30 p.m. and travel through Sonora on the main streets. The Roping Club, Boy Scouts, L. W. Elliott band, and many civic organizations and clubs will participate in the parade, Martinez says.

There will be a civic program at 5:30 p.m. at Liberty Park with Martinez giving the welcoming talk. At this time the Cinco de Mayo Queen will be crowned by A. E. Prugel, mayor of Sonora. Contestants for the queen's title are Bertha Castilleja and Gloria Sanchez. The civic program will consist of a speech by Pablo Favela and many traditional Mexican songs and dances.

A variety of concessions will be at the park and the funds will go to the Roping Club. Martinez says that "the Roping Club has been largely responsible for planning and putting on the celebration."

BUYERS, RANCHERS, AND SPECTATORS turned out Friday to watch Odus Wittenburg chant 5,512 goats through Sonora Livestock Exchange Company's first goat sale of the year. One partner explained that most buyers and sellers were happy with prices, but some quality buyers left empty handed.

Mrs. Fawcett Cops Prize

Mrs. Ida Mae Powell of San Angelo, Mrs. Lee Fawcett, and Mrs. Ernestine Hext of Eldorado were the top three winners in the championship flight of the Sonora Golf Club Ladies Invitational Golf and Bridge Tournament April 21.

Mrs. Powell won the low gross score of the 18-hole golf tournament, while Mrs. Fawcett had the low net score. Mrs. Hext had the low putt score of the championship flight.

Winners of the first flight were low gross score, Mrs. Dot Buster; low net score, Mrs. Milton Cavanaugh; and low putt score, Mrs. Johnnie Webster of San Angelo.

Second flight winners were Mrs. Janelle Burnett of McCamey, low gross score; Mrs. Bill Stewart, low net score; Mrs. Raymond Morgan, low putt score.

Mrs. Marjorie Baker of Del Rio had gross low score for the third flight, Mrs. L. P. Bloodworth took net low score, and Mrs. Gladys Mittel had low putt score.

Mrs. Twila Webster of San Angelo won the over-all low putt score for the tournament. Mrs. Muriel Kile, also of San Angelo, won a \$25 savings bond, a special prize, presented by the First National Bank of Sonora to the woman nearest the hole on the ninth green with her tee shot.

Golfers who won door prizes were Mrs. Maida McCulloch of Brady and Mrs. Daisey Smith of McCamey.

Mrs. Tommy Smith was over-all high score winner for bridge as well as being high-score win-

NO SHAVING BEGINS SAT. FOR DIAMOND JUBILEE

Saturday, May 1, marks the official opening date of activities preparing for the celebration of Sutton County's diamond jubilee August 20 and 21. Many of the county's men are expected to begin on this date growing beards for the celebration, although several already have a noticeable growth.

Men not having "sufficient stubble" by July 15 will be required to buy shaving permits.

Elliott To Go to State

By Gary McGilvray
Bill Elliott of the Sonora Bronco track team matched his last year's performance in the regional track and field meet held at Lubbock last week.

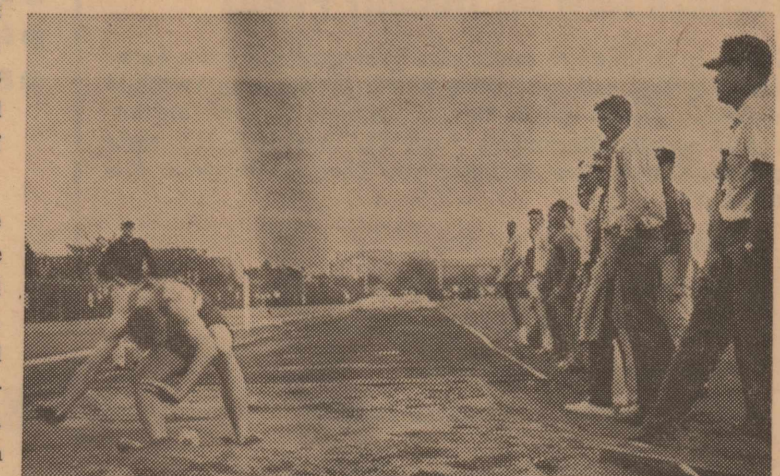

Elliott easily took the broad jump with a leap of 23 feet, 2 1/4 inches. His record jump was over a foot past the old mark and a foot and a half past that of his nearest opponent.

Taking a second place in the high jump, Elliott cleared the bar at 6 feet, 2 1/2 inches but failed on three attempts at 6 feet, 3 3/4 inches. He also took a second place in the 120-yard high hurdles with a time of 14.9 seconds. David Childress of Ozona won first.

Elliott is now eligible to go to the state meet in Austin and enter all three events, as first and

second places are both qualifiers.

The Ozona boys won the overall title of the regional track meet as they racked up 56 points—well ahead of second place Sanderson with 39.

BILL ELLIOTT comes back to earth after a record broad jump of 23 feet, 2 1/4 inches. Elliott set this record on his third and final jump at the regional track meet in Lubbock last week. The new mark was over a foot past the old record of 22 feet.

NORTHERN ROUTE BEST

Soon the route for the Interstate 10 highway will be announced. The question in the minds of many Sonorans is will it bypass us to the north or to the south. Let's hope it goes north of town.

The possibilities for a northern route are many. Amistad Dam, located between the point of intersection of the Devil's River and the Rio Grande and Del Rio will soon be completed. The dam will provide a lake that perhaps may extend as far as Comstock.

No doubt this lake will become a major tourist attraction, a view which is shared by many including Cecil Westerman, president of the Chamber of Commerce, and Bob Johnson, Chamber manager.

Many people will come to this portion of the state for two basic reasons. First, there will be carloads of Texans traveling to Amistad to enjoy fishing and other water sports. Second, Interstate 10 east-west travelers, upon coming to Sonora will realize that they are closer to the Mexican border than at any other point

other than El Paso. Numbers of these travelers will want to take advantage of this opportunity and travel to Del Rio to cross the border to view the sights of Old Mexico.

If Interstate 10 bypasses Sonora to the south, the Texans as well as out-of-state travelers turning south will also bypass Sonora. However, if the highway is routed to the north, all these travelers will come through Sonora to arrive at their destinations. And Sonora will be the last stop for 90 miles for a meal and gas.

In summing it up, it's a matter of what is best for Sonora economically. A southern route might mean a drastic decrease in present traffic.

Johnson, of the Chamber of Commerce, aptly simplifies the question when he says, "Interstate 10 should bypass Sonora on the north so more people will come through here. And if they come through, we can expect them to spend money."

And that is, after all, very important to Sonora's livelihood.

Marine Recruiter Due Here Tuesday

Sgt. Otis Milligan of the United States Marines will be in Sonora at the Post Office from 3 to 5 p.m. Tuesday, May 4, to counsel anyone wishing to join the Marines.

Bank Group Holds 9th Annual Meeting

More than 400 bank, association, and discounting company directors, officers, and friends attended the ninth annual Federal Intermediate Credit Bank of Houston stockholder meeting.

The meeting was held in the Gunter Hotel in San Antonio April 25-27. W. N. Stokes Jr., president of the bank, presided and delivered a report on the bank to the delegates.

The report showed that during 1964 the bank made significant progress. Total assets increased \$12,743,524 and total net worth increased \$1,109,893 from 1963 figures. Net gain for the period was \$1,864,542.83.

Production Credit Associations are capital stockholders in the bank, and other agricultural credit corporations hold participating certificates. Combined, their interests total nearly six million dollars. Both have their loans discounted by the bank.

APRIL 29, 1955

The Hamilton Grocery, continuously in business at the same location since January 12, 1909, was sold last week to the First National Bank.

Mr. and Mrs. Joe Brown Ross were in Brownwood last week attending the regional track meet.

65 YEARS AGO

B. M. Halbert returned from Brownwood Thursday where he had been delivering some cattle.

Lea Aldwell, who has been laid up for about a week with rheumatism, is able to be about again and left on Wednesday for Ozona.

A. P. Belcher was in from the ranch on the Llano Sunday to attend church.

Bob Martin was in from the

ranch Sunday and says the water was within three feet of the school house near his place last week. Bob is busy putting up fences.

G. W. Morris was in San Angelo Sunday to meet Mrs. Morris and the children who have been on a visit to friends and relatives in the east.

Miss Della Carlton, daughter of Mrs. William Adams, was in from the ranch for a few days this week the guest of her friend Miss Willie Hemphill.

Leo Merrill, E. B. Keng, and George Brockman and his son Bob traveled to the Fort Davis area Sunday to see the results of the recent fire there.

SUTTON COUNTY—Capital of the Stockman's Paradise

Mrs. Smith Awarded English Fellowship

Mrs. Emerald Smith, Sonora junior high school English teacher, recently has been awarded a fellowship or appointment to study English at Austin College in Sherman.

Mrs. Smith was one out of 30 to have received this award. The fellowship, which enables her to study at Austin College from June 7-July 16, was presented to her by the General English Institute for Advanced Study under the National Defense Education Act.

To qualify for the appointment, Mrs. Smith sent a record of her schooling and previous positions to NDEA officials.

Mrs. Smith, who has studied at San Antonio College and has done advanced studies at the University of Texas, graduated from East Texas State College with a bachelor of science degree. She has a double major, history and English.

She first taught in Sonora for eight years, then went to Comstock where she taught the seventh grade for a year. Mrs. Smith then taught the sixth grade in San Antonio for a year, and she has been teaching here for the last two years.

Sonorans Attend Lions Convention

Messrs. and Mmes. A. E. Prugel, Jimmy Harris, Herbert Fields, Ed Grobe, and Miss Peggy Lynn Grobe attended the District 2-A Lions convention in Sweetwater, April 23-24.

They were representing the Downtown Lions Club at the convention, and Miss Grobe was competing for the district queen's title.

Attending from the West Side Lions Club were Mr. and Mrs. Claude Flores and Mr. and Mrs. David Shurley.

Miss Irene Perez, representing the West Side Lions Club for the queen's title, also attended the convention and was accompanied by her mother, Mrs. Richard Perez.

Miss Janice Kay Herman of Brownwood was chosen queen and was crowned by Miss Becky Bigby of Ballinger, 1964-65 queen.

The convention program included two young men from Midland who spoke about the Lions Crippled Children's Camp at Kerrville.

Moffitt, Galindo McGilvray Nominated for Award Program To Receive Degrees

Alfred Franklin Moffitt III and Samuel Morales Galindo have filed as candidates for baccalaureate degrees to be conferred at the May 22 commencement at Texas A&M University.

Filing as a degree candidate is among the requirements for graduation. The students are completing requirements for bachelor degrees, Moffitt in business administration with a degree in marketing, and Galindo in science with a degree in civil engineering.

Moffitt is the son of Lt. Col. and Mrs. A. F. Moffitt. Galindo is the son of Mr. and Mrs. Pedro Galindo.

Gary McGilvray, Sonora High School junior, has been nominated for the annual Achievement Awards Program, sponsored by the National Council of Teachers of English.

For the eighth year NCTE is conducting the national awards competition to grant recognition to outstanding high school seniors for excellence in English. The writing abilities and literary awareness of each nominee will be judged by local and state committees, and NCTE will announce the winners in December.

The winners' names will be sent to every U.S. college and university director of admissions and English department chairman with the recommendation that these students be considered for

scholarship assistance. Most awards finalists report that they have been admitted to the college of their choice, and many have been given direct scholarship assistance.

According to James R. Squire executive secretary of NCTE, the awards program is part of a comprehensive program undertaken by the council in cooperation with American high schools to encourage improvement in English language and literature at all grade levels. By stimulating interest in English studies and by supporting the improved instruction in English, the NCTE seeks to contribute to an educational program of excellence.

New GROWTH and DIVERSIFICATION reported by El Paso Natural Gas Company

EARNINGS SUMMARY		
	1964	1963
Earned per common share (a) \$	1.41	1.21
Operating revenues	512,848,271	512,251,974
Net income from operations (b)	38,797,031	34,526,959

(a) After preferred dividend requirements and based on net income before non-recurring items.
(b) Before non-recurring items involving a loss in 1964 of \$5,115,343 principally from write-down of book value of certain oil and gas properties of El Paso Natural Gas Products Company; and a gain in 1963 of \$10,353,415 from sale of other disposition of certain non-utility properties and securities.

The substantial financial progress indicated in accompanying charts tells only part of El Paso Natural Gas Company's 1964 growth story.

El Paso Natural marketed a record 1.36 trillion cubic feet of gas last year. But we added 1.7 trillion cubic feet to reserves, bringing the total reserve to 35.6 trillion cubic feet by the end of 1964—a 26 year supply at the present rate of sales.

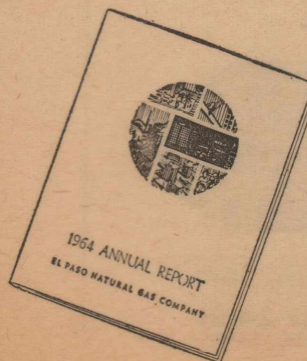

And demands for gas continue to rise. We are presently seeking Federal Power Commission authorization to supply substantial additional quantities of gas to Southern California, a major market.

Rapid diversification continued in 1964, through subsidiary companies, in such growth fields as petrochemicals, fertilizers and oil and gas production.

Highlights:

- Construction began on plants to produce raw materials for 40 million pounds per year of Nylon 66 yarn, in a joint venture with Beaunit Corporation. Through a subsidiary, we acquired more than 30 per cent of Beaunit stock.
- A plant owned jointly with Rexall Drug and Chemical Company went on stream at rated capacity of 27.5 million pounds per year of polypropylene.
- Production capacity of polyethylene in a plant owned jointly with Rexall was upped to 165 million pounds per year and is being further increased 45 per cent.
- Construction began on a new plant to process 100,000 tons per year of phosphate fertilizers.
- Other important diversification projects have been undertaken.

How Are Things in Upper Volta?

Editor's note: The Devil's River Philosopher on his bitter-weed ranch on Devil's River reports on his geographical ignorance on this week.

Dear editor:

I was talking with a man in town who keeps up with such things as geography and the impending crisis in foreign countries, listening to him explain just what the situation in Viet Nam is, what North Viet Nam has done, what South Viet Nam has done, what our foreign policy there is and what it ought to be, etc., and to tell you the truth I was getting bored to death, so I broke in on the flow.

"Say," I said, "I see that Upper Volta is still on our side."

"What're you talking about?" he asked.

"Nothing, especially. It's just good to know that Upper Volta is still on our side."

"Upper Volta? What's that?"

I knew I had him, but I didn't press the point, and came on home and hunted up the newspaper I'd read the name in, to make sure I hadn't imagined it.

It's true. There is a country named Upper Volta, and its president, Maurice Yameogo, has made a visit to Washington and been given the full red carpet treatment, with a 21-gun salute and a parade.

Now I haven't taken a survey, but I'll bet a subscription to The Devil's River News against a subscription to the New York Times that until Mr. Yameogo showed up in Washington and got his name in the papers and on television, there weren't 100 people in the United States, including teachers, professors, editors, politicians and owners of encyclopedias, who'd ever heard of Upper Volta.

What this proves is that regardless of how well posted a man is on world affairs, he can't know it all, there has to be a good part of the world he's ignorant of. In fact I doubt if there are a

Fort Worth Editor Wins PCA Award

James E. "Monk" Vance, farm and ranch editor of the Fort Worth Star-Telegram, received the fifth annual Production Credit Association award for the journalist contributing the most to agriculture and the Production Credit System for the past year. Vance was presented the award by J. L. Hill, vice-chairman of the PCA Public Relations Committee at the ninth annual meeting of the Federal Intermediate Credit Bank of Houston. The meeting was held at the Gunter Hotel in San Antonio April 25, 26 and 27.

Phil H. Lane, manager of the Texas Production Credit Association, was chairman of the meeting in which the Vance presentation was made. The Texas Production Credit Association serves this area for livestock loans and many local stockmen are stockholder-members of the association.

dozen people in the world who can sit down right now without any preparation and name all the countries on earth, and even among those who can it's about like memorizing the names of all the counties in the 50 states in the U.S. and knowing something

about the internal politics of each.

Where geography got out of control was when we didn't stop with 13 colonies, and here we are about to take on outer space.

Yours faithfully,
J.A.

25 Million Americans Are Overweight

By Elizabeth Stewart
Women's Medical News Service
Avoid Overweight—Eat to Live
An old saw maintains that the only certainties we all face are death and taxes. Now a third can be added for many of us: Overweight.

According to some estimates, about 25 million Americans—more than one in eight of us—are overweight. We weigh between 10 and 20 percent more than is healthy.

Apart from being an aesthetic problem, overweight can lead to serious medical problems. Heart trouble, high blood pressure, hardening of the arteries, diabetes—all seem to be related in some way to overweight, although scientists are not certain why.

According to Dr. Michael H. K. Irwin, Medical Officer of the United Nations and author of a Public Affairs pamphlet on overweight, people who are overweight may have a shorter life span than those their age who

are not. The mortality rate, he says, is 8 percent higher for a middle-aged person 10 pounds above the normal weight for his height, 18 percent higher if he is 20 pounds overweight.

If you want to remain a long-stemmed American beauty—and live longer—watch your weight. Eat sensibly, exercise, and if you gain weight for no apparent cause, see your doctor.

A Rhythm Story

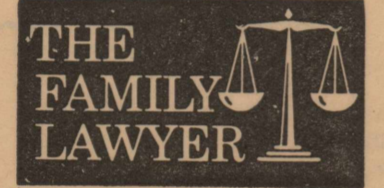

A study of the relationship between the rate at which infants suck pacifiers and the rate at which their hearts beat has been made by Dr. John J. Boehm of Lexington, Ky. Dr. Boehm studied the sucking rate of 30 babies ranging in age from a few days to two months. He found that many infants suck in exact time with the beat of their hearts!

Syphilis on Rise

Most of us think of syphilis as exclusively an adult's disease but, alas, it is not. Adults can and do pass it on to infants at an alarming rate. Between 1960 and 1963 syphilis among the newborn-to-one year age group jumped nearly 180 percent, according to the U.S. Public Health Service Communicable Disease Center, reflecting the rise in syphilis in the adult population.

To protect babies and mothers, Dr. William J. Brown, director of the center's Venereal Disease Branch, urges the following:

All pregnant women should be blood tested for the disease both early and late in pregnancy so prompt treatment can be started if necessary. Treatment during the first 18 weeks of pregnancy will prevent infection of the baby. Proper treatment even later may cure the baby although it can't prevent possible damage to bones and teeth.

Circumstantial Evidence

Like spinach, puns, and women drivers, circumstantial evidence has a worse reputation than it deserves. Many people, reading that a defendant was "convicted on circumstantial evidence," jump to the conclusion that the case against him was flimsy.

Yet, all of us rely constantly on circumstantial evidence in our everyday routine.

Suppose you see steam billowing out of your morning cup of coffee. You don't seek direct evidence of its heat by dipping your finger into it. Instead you rely on circumstantial evidence—fact plus logic—to decide that the coffee is very hot.

Nor would many readers doubt Robinson Crusoe's conclusion, from the circumstantial evidence of a strange footprint in the sand, that another human being had come to his island.

Of course, circumstantial evidence can be weak. One court gave this example: a country doctor, upon seeing a saddle under his patient's bed, deduced that the patient had eaten a horse.

But circumstantial evidence, when strong, is what sends most criminals to jail. How many burglars have been caught by tell-tale fingerprints, how many hit-run drivers by dented fenders, how many embezzlers by sudden and unexplained wealth?

For crime is usually committed under the mask of darkness or the shelter of solitude. The murderer, the forger, and the thief seldom acts in the presence of an audience.

In one celebrated case, a woman seeking a divorce was trying to prove her husband guilty of adultery. She could offer no witness who had seen him commit such a sin. But she did have evidence that he and a girl friend had spent the night together in a hotel bedroom, after signing in as husband and wife.

Circumstantial? Yes, but the court found it convincing anyhow.

"What did they register in a hotel as man and wife and retire to a bedroom for?" reasoned the judge. "We have it of old that 'it is presumed he saith not a pater noster' there."

Lone Star Records Net Income Growth

Lone Star Gas Company's net income increased an estimated \$1,360,000 for the 12-month period ending March 31, 1965, over the comparable period in 1964, L. T. Potter, president, told shareholders at the company's annual meeting April 20.

"This March was the second coldest March in the company's history and the first time March has been the coldest month of the winter," Potter said. The cold March weather will favorably affect the company's April revenues.

Potter pointed out that dividend on the common stock was increased for the first time in four years from 26 cents to 28 cents a share for the first quarter of 1965.

During that four year period, gross additions to property were made at a cost of \$152 million, and net additions were \$111.2 million, for an increase of 25 percent in property account. Potter said equity capital was retained and secured in the amount of \$40.3 million. Lone Star borrowed \$150 million and paid \$116 million on the principal of existing debt, with a net increase in debt of \$34 million.

Marbling of Beef Influenced by Amount of Light Cattle Receive Before Slaughter

The amount of light to which beef cattle are exposed prior to slaughter appears to have a significant influence on the degree of marbling in the carcass, says Dr. Jan C. Bonsma, visiting professor at Texas A&M University.

Dr. Bonsma, a famed animal scientist and head of the Department of Animal Science at the University of Pretoria, Republic of South Africa, came to this conclusion as the result of experiments conducted with two-year-old Hereford steers in his native country.

"I kept 14 animals in total darkness for a period of 2½ months before slaughter," says Dr. Bonsma. "Fourteen other steers were kept under normal light conditions and another 14 were subjected to more light than they would normally receive."

The effects of the light were clearly visible when the cuts were graded by a meat specialist after slaughter.

"The meat from those steers kept in total darkness had a

higher percentage of marbling than the meat from the others."

The calves with highly marbled cuts were kept in barns most of the time. They were occasionally put in a small pen outside at night to exercise.

"There was no fly problem. The calves were calmer than under ordinary circumstances," Dr. Bonsma said.

The calves kept in darkness had much longer hair growth and had a lower gonadotropin content in the blood. The feed conversion ratio was about the same, said Dr. Bonsma.

Dr. Bonsma was brought to Texas A&M for one year by a Wortham Foundation grant.

The mamba of the African forests is a snake that lurks in trees and bites its victims in the face or shoulder

In 1854 the State of Texas purchased 1,280 acres of East Texas Big Thicket at \$2 per acre and set it aside as an Indian Reservation.

Man in the Mews	Joy Packer

Teen Scene

By Carol Hopf

We've had a pretty hectic time around Sonora, but what did we do? Well, there were the University Interscholastic League Regional events in Lubbock. Carla Whitworth placed first in girls extemporaneous speaking, and Cindy Galbreath won first in girls' poetry interpretation. These two girls along with Bill Elliott, who took honors in the track events, will go to the State Meet, May 6-8.

Also in the competition at the regional meet were Carol Hopf, who was entered in girls' prose, and Laney Cook, entered in the track events. Gary McGilvray was not entered in any event, but he went along, too, for moral support and as a member of the press. Gary entertained us well during dull moments.

Peggy Grobe and Irene Perez represented the Sonora Lions clubs at Sweetwater in the district queen's contest. The girls were under an emotional strain because the judging period took such a long time, but they did well in their modeling and personality tests.

Graduation invitations got here at last. Seniors will be busy preparing them for mailing, and because it is so hard to get the cards into the French folds, some

of us may have to recruit helpers. Upstairs in the SHS Library, assistant librarians are happy to get rid of other seniors who are working on their research papers. Now, just as they get "knee deep" in the book inventory, a herd of juniors march up and roar for service.

Yes, these juniors want material for their research papers—people like Grady Roe, Mickey Hardegree, Eddie Sawyer, Stan Bundy, Susan Allison, Jerry Shurley Jr., Ray Glasscock, Eddie Howell, Robert Kelley, Bill Glasscock, Libb Wallace, and Mike Wuest. Of course, there are many more of the breed, and librarians have to be on the look out for all of them.

The Spring Race Meet has started, which means that fun and dances are in store. To Jo Ann Lowe, this time of the year especially means a lot.

Mrs. C. Nance Hosts Twice Tuesday Club

Mrs. George Wallace won high score among club members and Mrs. Jerry Hopkins received high score among guests when the Twice Tuesday Club met this week in the home of Mrs. Cleveland Nance.

Winning second high score among club members was Mrs. Louis Wardlaw, and Mrs. Norman Rousselot and Mrs. Joe Nance binged.

Others attending the party included Mmes. James Hunt, D. C. Langford, Jamie Parker, Jerry Shurley, Nolan Johnson, Jack Kerbow, and W. T. Black.

Mrs. Nance served ice cream and cake.

Brownies, Scouts To Have Day Camp

A district Girl Scout day camp will be held near Ozona May 24 through 28 from 8:30 a.m. until 2:30 p.m. for Brownies and junior Girl Scouts.

Sonora girls, who will be out of school after May 25, may attend the camp May 26-28.

A qualified camp director, business manager, and registered nurse will be on duty at the camp, which will be held at the Bill Baggett ranch about five miles west of Ozona.

On Thursday, May 27, parents will be invited to the camp for an open house beginning at 6 p.m. and a campfire program at 8 p.m. The girls will break camp on Friday.

Cost will be \$2.50 per week, or \$5.00 per day. Interested persons may obtain application blanks, permission slips, or further information from Mrs. Vernon Cook.

Mrs. O. L. Richardson Jr. asks that girls wishing to attend apply as soon as possible so that their names may be sent to Ozona.

42 Fun Club Meets In R. G. Nance Home

The 42 Fun Club met in the home of Mr. and Mrs. R. G. Flippin, and Mr. and Mrs. Arch Nance, Thursday, April 22. Mrs. M. C. Scott won high score for women, and Scott won high score for men.

For guests, Mr. and Mrs. Joe Lane won high score. Mrs. A. W. Awalt won the traveling prize, while Roy Coker won the bingo for men. A guest, Mrs. Howard Flippin of San Angelo, won the ladies' bingo prize.

Other members who were present included Messrs. and Mmes. Pete Thompson, Leon Neely, Louin Martin, W. O. Crites, and A. W. Awalt.

Guests also present at the party were Mrs. Roy Coker, Howard Flippin, and Mr. and Mrs. Arch Crosby of Eldorado.

Local Students Go To Dance Workshop In Uvalde Apr. 24

Beginning, intermediate, and advanced dance students from Sonora, Junction, San Antonio, Mason, Del Rio, Brackettville, Brownwood, Uvalde, and San Angelo attended a dance workshop in Uvalde April 24.

Teachers at the all-day session included Gerri Cloud of San Antonio, a member of the National Dance Artists staff who taught tap dancing; Edwina Edwards, graduate of the Royal Academy of Dance of London, classical ballet; Lydia Topperwein, associated with the Cloud-Johnson School of Dance in San Antonio, modern rhythm and jazz; Karen Stewart of North Texas State College, baton; and Mrs. T. R. Glimp, dance dramatic interpretation.

A student review was presented by Lesa Whitehead, Deborah Wardlaw, Ronda Hopkins, and Evelyn Jane Lowe. Carol Adamson performed a toe-acrobatic number which she choreographed, and Mrs. Louis Wardlaw demonstrated the application of makeup.

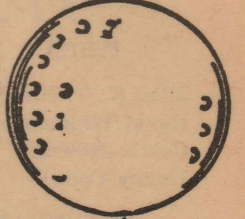

Presenting four numbers in dance exhibitions were several San Antonio students.

Several of the students stayed for a ballroom cotillion directed by Joanne Caddel.

Students attending from Sonora were Patricia Carroll, Jane Polk, Janet Mathis, Lesa Whitehead, Deborah Wardlaw, Suzanne Shurley, Suzanne Renfro, Dottie Hollmig, Evelyn Jane Lowe, Marsha Finklea, Martha Elliott, Selma Nelle Stubblefield, Sarah Allison, Gayle Glimp, Sandra and Carol Adamson, and Ronda and Cindy Hopkins.

Accompanying the students were Mmes. Lawrence Finklea, Marion Elliott, Jerry Hopkins, Louis Wardlaw, Bill Whitehead, Wallas Renfro, Ray Mathis, and Pat Carroll.

GREEN NEWS

By Wanda Cahill
We feel like our Ladies One Day Play Invitational was a big success. We had 48 golfers from San Angelo, Brady, Kerrville, Fawcett, John Bell, Milton Cav-Ozona, McCamey, Del Rio, El-dorado and Sonora. They all dragged on our greens, but didn't have much to say about our rocks! We had 16 bridge players . . . all from Sonora, but we feel like next year we'll have some from other towns. This is our first time at a bridge tournament and it takes time to build it up.

Everybody raved over our wonderful food. It was good, and we want to thank all of you ladies for it and all of the work that went into making it so successful!

We also want to thank the men who were kind enough to help (and brave). They were a big help. We had 48 golfers from San Angelo, Brady, Kerrville, Fawcett, John Bell, Milton Cav-Ozona, McCamey, Del Rio, El-dorado and Sonora. They all dragged on our greens, but didn't have much to say about our rocks! We had 16 bridge players . . . all from Sonora, but we feel like next year we'll have some from other towns. This is our first time at a bridge tournament and it takes time to build it up.

FHA Members Tour Shannon Hospital

The Sonora FHA girls, accompanied by Mrs. A. E. Prugel, took a field trip to the San Angelo Shannon Hospital and Nursing School Monday, April 12.

The supervisor of nurses conducted a complete tour of the kitchen, laboratories, nursery, and X-ray rooms, as well as the LVN school.

She explained the workings of all the new machines and disposable medical equipment including the electro-circular bed, electro-cardiograph machine, new oxygen extensions, and other new equipment made of plastic.

She explained to the girls how they could enter LVN (licensed vocational nurse) school.

Miss Cooper Listed as House Chairman

A sophomore majoring in bal-

let, Betty Jack is a member of Corps-Dettes and the Presbyterian Student Association.

The Devil's Workshop
 An Idle Mind Column

By Della King

It is exciting to see plans for the Diamond Jubilee moving along, and the more we hear about the committee's ideas, the more fun the celebration sounds.

And we in Sutton County are not the only ones looking forward to the event. Mrs. H. R. Pace, formerly of Sonora and now of Nash, Texas, writes that her family is "especially interested now in following the plans for the Diamond Jubilee Celebration. Our little Dolph will be one year old August 21; so if we're able to be home he will really have a bang up birthday party with the whole town celebrating."

Persons who have traveled north of Sonora say that the bluebonnets are absolutely breathtaking. There are sections where the flowers blanket the countryside on both sides of the highway.

It seems to me they have been especially pretty in town also. We have certainly enjoyed those in the Joe Brown Ross and the Auther Simmon's yards.

And other yards are beginning to show an abundance of flowers. The J. F. Howell's flower garden has been a real delight all spring, and Dr. Howell says he believes he will have an unusual number of roses this year.

STRONG COMMUNITIES

Make STRONG COMMUNITIES

Ever thought about that word — its deep, stirring meaning? We start out as part of a family. And even though we know we are "little" it doesn't matter. We are part of the family—that's important. And what we will become—the family is looking out for that!

Then one day we are grownups. And again we are part of a family. But now we are "big." Oh so big! For what the rest of the family will become—that depends on us!

How important a part did the Church play in your transition from being little to being big? Well, in this free land, the chances are good that you grew up spiritually as well as physically.

But, even if you didn't—it's not too late! Not only can you see your children off to a free and fine education, but you can come with them to church... where the "little" and the "big" learn of GOD... where the truth of Christ's teaching guides the destiny of THE FAMILY.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Credit Conference Slated May 22-25

A large number of merchants, credit and collection executives, and staff members are expected to attend the 65th annual Texas Credit Conference in Corpus Christi May 22-25, said Mrs. Hubert Baker, owner of the Sonora and Ozona Retail Merchants Associations.

Focal point of all discussions during the convention, Mrs. Baker said, will be changes that are taking place in business methods, and the necessity of the credit industry to adopt new working structures and offer more and different types of services.

Mrs. Baker added that this year's conference would be one of the most important in recent years in view of the rapid changes that are taking place in the business world.

She says that it is important for all retailers with credit departments to send as many members as possible of their credit staff to the Corpus Christi meeting.

Lodge Officers Go To Training Meet

Officers of Dee Ora Lodge No. 715 attended a training workshop at Eldorado last Friday night. Lodge customs and problems were discussed.

Officers attending included Jerry N. Shurley, worshipful master; Cullen Luttrell, senior warden; Rex W. Lowe, junior warden; E. B. Keng, secretary; W. F. Berger, senior deacon; Turney Friess, tiler; L. P. Bloodworth, senior steward; and Joe Nance, chaplain. Harold and Joe Friess also attended, as well as officers of Ozona No. 747 and the host Lodge, Eldorado No. 890.

Pastime 42 Meets With Mrs. Kelley

Mrs. Karen Peterson and Mrs. B. W. Hutcherson tied for high score when the Pastime 42 Club met Thursday, April 22, in the home of Mrs. R. B. Kelley.

Winner of the traveling prize was Mrs. Rose Thorp.

Others attending the party included Mmes. J. E. Eldridge, John Reiley, Auther Simmons, Lee Labenske, T. W. Sandherr, Dona Stites, Jim Cauthorn, O. G. Babcock, and Maysie Brown.

Mrs. Kelley served lemon pie and coffee. She decorated the party room with pot plants.

J. Kerbow, Mrs. Renfro Elected Patron, Matron

Mrs. Wallas Renfro was elected worthy matron and Jack Kerbow was chosen worthy patron when officers were elected by the Sonora Chapter of the Order of the Eastern Star at a meeting Monday night, April 19.

Selected associate patron and matron were Mr. and Mrs. David Shurley. Other officers named were Mrs. Joe Hull, secretary; Mrs. Dorothy Baker, treasurer; Mrs. J. L. Steed, conductress; and Mrs. Francis Archer, associate conductress.

The election was conducted by S. M. Loeffler, worthy patron, and Mrs. Loeffler, worthy matron, presided.

Mrs. J. L. Steed and several officers presented an Easter program. A vocal selection was given by Mrs. David Shurley and Mrs. James Wilson, accompanied by Mrs. Loeffler.

After the program a social period was held in the recreation room with Mrs. Melvin Hearn, Mrs. Earl Smith, Mrs. B. W. Hutcherson, Mrs. O. G. Babcock, and Mrs. Loeffler serving as Auxiliaries.

hostesses. A spring theme was used featuring umbrellas and geraniums. Mrs. Loeffler served the decorated cake, and Mrs. Hearn served punch.

Howells To Attend Medical Meeting

Dr. and Mrs. J. F. Howell Jr. and Jack, Clem, and Lesley arrived here Wednesday on their way to the Texas Medical Association meeting to be held in San Antonio this weekend.

Mrs. J. F. Howell Sr. will accompany them on the San Antonio trip, and Dr. Howell will join them Saturday.

The couples will attend the Tulane Alumni Banquet Saturday night. It will be the first meeting of this nature that Dr. Howell Jr. has been eligible to attend since his graduation from Tulane.

Both women are members of the Texas Medical Association and Mrs. Loeffler serving as Auxiliary.

Fast Moving Front Drops Light Rains

By E. B. Keng

A fast-moving front dropped light showers in the Sonora area late Sunday afternoon. The city recorded less than half an inch of rainfall, but heavier rains fell further east. John I. King received 1.2 inches; Dick Street 1.0; John Fields .90; Bryan Hunt (Hdq.) 1.0; Collier Shurley 1.1; Herbert Fields .57; Cleve Jones 2.0; Owensville Community 2.6; and Alvis Johnson .90-1.1.

A violent thunderstorm, accompanied by light hail and heavy winds, struck the Sonora area late Monday evening, but again most areas received only light showers. Sonora received about .8 inch, and areas south and west recorded only a trace. George Wallace reported 1.4 to 1.75; Joe Logan 1.1; Frank Bond 2.0; and Herbert Fields .49.

General rains are badly needed to prolong weed growth and to start grass production.

Save the margarine wrappers! They're grand for greasing cookie sheets and biscuit tins. The metalized ones can be wrapped around potatoes for better baking.

IT SEEMED LIKE A MUSICAL NIGHT IN MEXICO Sunday night when these performers gathered on the stage of the L. W. Elliott auditorium to render some traditional Mexican songs. "A Musical Night in Mexico" was part of the talent show presented by the L. W. Elliott P-TA April 25. Participating in this part of the program were (from left to right) Mrs. Florentino Gandar, Mrs. Ernest Perez, Miss Gloria Gonzales, Gloria Zapata (behind the guitar player), Santiago Gonzales, Amparo Mendez, Bobby Castillo, Irma Jimenez, Ruben Castillo, Frank Gallegos, and Robert Zapata. —Staff Photo

Home Hardware Joins Wholesaler Group

Home Hardware and Furniture Store has recently joined with over 1,500 other hardware stores as an owner-member of Cotter and Company, one of the largest dealer-owned wholesalers in America, announced Jack Mackey recently.

Mackey added that he is still owner and operator of Home Hardware and Furniture Store, a True Value Store, but as an owner-member of this buying group, he now will be able to buy and sell for less.

He said that he could assure his customers of top quality merchandise at the lowest possible prices, because Cotter and Company buys its goods by the carload lot. The company keeps over 22,000 items in stock in its warehouse, and even develops its own brand lines of merchandise, Mackey added.

Friday, May 14 Special GOAT SALE

Texan and Californian Show Original Fashions

By Lee Ann West
At the opening of the El Dorado Woolen Mills recently, people were delighted but not too surprised to see Miss Wool of California modeling a de Risi of Italy original. But most were taken back, at least at first, to see a cute little pekingese, Sejon Smooch Yat-Sen of Texas, modeling a jacket which is a Sejon original designed by Holman and Jones.

Miss California and Sejon Smooch combined talents at the Woolen Mills opening to show off wool and mohair fashions to the best advantage. The Woolen Mills fashions are designed by de Risi of Italy.

Smooch is owned by Mrs. Sam E. Jones, and he has, for a fact, been to various places in Texas modeling the woolen dog jacket manufactured by El Dorado Woolens Inc. Mrs. Jones, who accompanies him on these trips, has also modeled a good many Woolen Mills fashions.

Sejon Smooch is not only a model, but also a pretty good salesman. One Dallas designer placed an order for fabrics after seeing Smooch model the wool and mohair dog jacket and after talking to Mrs. Jones.

Mrs. Jones and Smooch have appeared in many cities modeling El Dorado Woolen fashions. After modeling for members of the Seven Oaks Country Club in San Antonio, Smooch was invited back to model in a "Back To School Fashions Style Show" next July. This show will be held in the Terrace Room of El Antonio Motor Inn and Resort.

Smooch's popularity as a model and salesman seem to be paralleled by the rising interest in dog fashions. As dog fashions become increasingly popular and wool and mohair add a new twist to

the dog apparel field, Sejon Smooch Yat-Sen will most likely be a very busy dog in the future. After all, he does have his own line of fashions, Sejon originals, to promote.

More Plants Added To Sunken Garden

A redbud, a senecio, and a climbing rose are the latest additions to the sunken garden as Mrs. A. W. Awalt and Mrs. J. T. Sellman continue the project of improving the corner lot north of Sonora Men's Store.

The new plants were purchased from funds donated to the project from the treasury balance of the disbanded Sonora Garden Club. Also contributing to the project recently were Mr. and Mrs. R. L. Hardgrave, and Mr. and Mrs. Jo Hardgrave gave flowers to be planted.

Boy Scouts helping beautify the sunken garden have been Mike Richardson, Monte Dillard, and Howard Minyard.

Firemen Put Out Two Grass Fires

Two small fires, one Friday and one Saturday, were extinguished by the Sonora Fire Department.

Lee Patrick, fire chief, said there was a small grass fire near the Texas-Arizona Motor Freight office, and Saturday there was a grass fire in the bar ditch on the Ozona highway. Patrick reported no damage at either fire.

Monday afternoon the alarm sounded when there was an electrical short caused by the rain and storm.

SMOOCH OF TEXAS and Miss Wool of California show off the qualities of wool and mohair fabrics at the open house held at El Dorado Woolen Mills recently. Smooch, who is an experienced model, found the mouton rug so soft that he could not resist resting on it instead of standing to display his Sejon original jacket.

Woman's Club Sets Mexican Luncheon

The theme of the final Sonora Woman's Club program for the club year will be Passport To Mexico.

The meeting will be held May 6, 12:30 p.m. at the club house. A luncheon, "La Marcarena," will be served, and Mrs. Albert Ward will conduct the installation of officers.

Hostesses for the meeting will be Mmes. George Barrow, Carl Cahill, Cleve Jones Jr., John Bell, Darcy Carroll, Rex Lowe, Billy Frank Turney, and Bill Wade.

Portion of Robbery Money Recovered

Charges have not been filed in the Henry Greenhill Texaco Service Station robbery, but a major portion of the stolen money was recovered, Henry Greenhill said recently.

Tony Fay, service station attendant at Greenhill's, said that Monday morning, April 19, while he was on duty, two men accosted him, demanded the money from the cash register, and knocked him unconscious.

After a search for the two men that Fay said committed the robbery of approximately \$900, the

San Angelo Standard Times announced Saturday, April 24, that the offense report had been cancelled.

Mrs. Robert Kelley Jr. and son, Robert, returned April 19 from Beaumont, where they had been visiting her mother, Mrs. Harry Pearson, over the Easter holidays. Mr. and Mrs. Kelley returned to Beaumont Thursday to be with Mrs. Pearson during an operation, and Mrs. Kelley plans to return to Beaumont when Mrs. Pearson leaves the hospital.

New Hall To Be Blessed

The newly completed parish hall of St. Ann's Catholic Church will be blessed by Bishop Thomas A. Drury of the San Angelo Diocese on Sunday, May 2. The blessing will be held after the benediction of the blessed sacrament planned for 5 p.m.

The Rev. Joel Byrne, O.F.M., pastor, says that the Bishop will take this opportunity also to address the faithful of the parish and friends.

A barbecue supper will be served in the new hall to guests, Bishop Drury, priests from surrounding parishes, and Sonora parishioners. Reservations for the

supper at 6 p.m. are now closed. Evening activities will consist of a movie and games.

The hall, 40 by 80 feet, has kitchen facilities, an auditorium which seats 300, a small meeting room, rest rooms, and storage space. It is constructed of prefabricated steel panels arranged in a red, white, and blue pattern.

The building was made possible by financial support of parishioners and other interested persons in Sonora. Much labor was donated by parishioners, and the plumbing and electrical fixtures were contributed by friends of the pastor in his home area.

Rites Held Thursday for Mrs. A. A. Glover

Funeral services for Mrs. A. A. Glover were held Thursday, April 22, at 3 p.m. in the First Methodist Church in San Angelo. Rites were conducted by the Rev. Dr. John Donaho, pastor, and the Rev. Fred Hamner, chaplain of West Texas Boys Ranch.

Mrs. Glover died at her home at 4:20 p.m. Tuesday after an extended illness.

She was born Maude Bowman May 20, 1880, in Brown County.

On August 21, 1901, she was married to Albert Arthur Glover in San Angelo. Her husband was in the wholesale grocery business in San Angelo and was associated with the Martin-Glover Co. until his death in 1931. He had served as mayor of San Angelo from 1929 until his death.

Mrs. Glover had lived in San Angelo most of her life, and she was a member of the First Methodist Church and the Fred K. Little Bible Class.

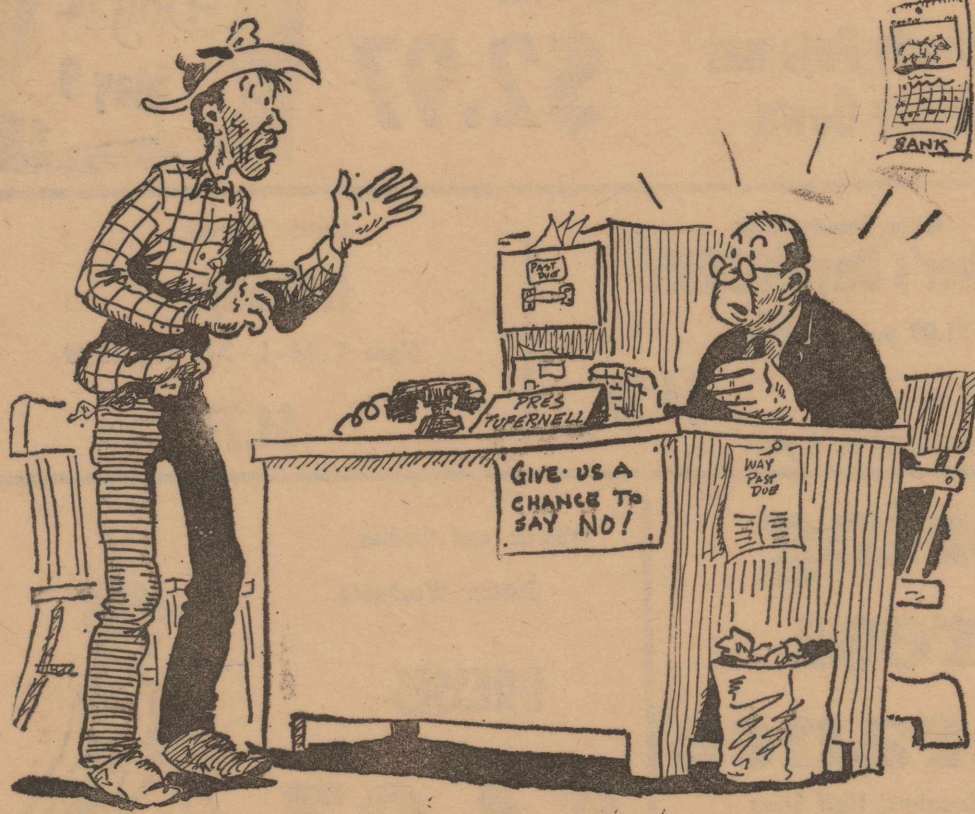

She is survived by a daughter, Mrs. Herschel Bankston of San Angelo; two sons, E. G. Glover of San Angelo and Clinton Glover of Abilene; six grandchildren, Mrs. Lewis Gardner of Orlando, Florida, Mrs. H. J. Strauss of Abilene, Mrs. John King of Sonora, and Tom and Joyce Bankston and Marilyn Glover, all of

Handling Texas' Finest Wool and Mohair

CEDAR HILL NEWS

By Mrs. L. D. Hollmig and sons visited recently in Odessa. Mr. and Mrs. Estes Adams spent several days in Dryden visiting Mr. Adam's brother and his wife, Mr. and Mrs. Leo Adams.

Mr. and Mrs. Fred Maxey visited recently in Dallas. Try shaping your next meat loaf into individual loaves, then proceed as usual except that it does not take as long for them to bake. Your family will like the crusty little loaves, too.

Also at the party were Mrs. Margurite Turney, Mrs. Lester Garrett, Mrs. D. Q. Adams and Viola, and Maurice Sorrells.

Mrs. Vance Eubank entertained the 42 Club in her home April 14.

Mrs. D. Q. Adams won high score, while Mrs. Elba Adams won the low score prize. The traveling prize was won by Mrs. Wendell McWilliams.

Those members present at the party included Meses. Maurice Sorrells, Lester Garrett, Wendell McWilliams, M. E. Joy, D. Q. Adams, Elba Adams, and Estes Adams.

Guests present included Mrs. Dave Joy and Mrs. Edna Eubank.

The hostess served cookies, cake, tea, and coffee.

Mrs. Maurice Sorrells and Debbie spent several days recently in Fort Stockton visiting Mrs. Sorrell's parents, Mr. and Mrs. James Lauterbach. Mrs. Lauterbach is recovering from surgery.

Mr. and Mrs. Lester Shroyer feted their daughter, Miss Melva Shroyer, with an ice cream supper Friday, April 23.

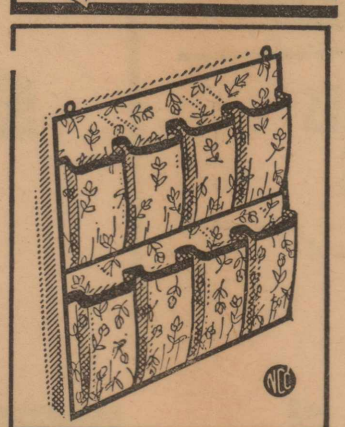

Guests at the party included Messrs. and Meses. Alvin Shroyer, Bud Greenage, Benny Allison, and Victor Laponack.

Also attending the party were John Paul Henderson and Larry Shroyer.

Visiting Mrs. D. Q. Adams and Oscar recently was Mrs. Leroy Russell and daughters of San Angelo, Mr. and Mrs. Ray Dixon and Kenneth of San Antonio, and Mrs. Blanche Crawford and grandson, Jackie Bode of Kerrville.

Mr. and Mrs. Jamie Parker

BAG TRICKS

SHOE CADDY—Use heavy cotton bags or double fabric for strength. Cut strip (may piece) 32" by 22" for back of case. For pockets cut two strips 9" by 36". Bind top edges with bright bias tape. Lay lower edges into four box pleats and bind. Attach to back by sewing across bottoms and down pleats at 4" apart. Bind all around case. Add loops to corners and across top for hanging.
