The Grass Is Greener: **Bronco Stadium Field Renovations Completed**

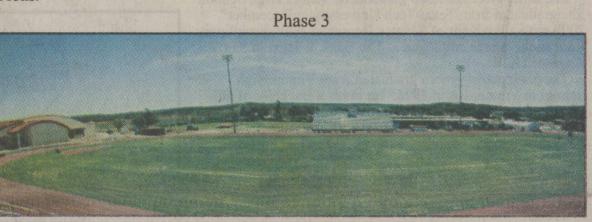

Texas MultiChem (contractor in charge of field renovations) first killed the grass on the existing field over a period of several weeks. The above picture shows the removal of that dead grass in preparation for phase 2.

Phase 2

After the old grass was removed, the field was levelled with a laser and sand was mixed into the soil. The grass was installed (above) in one day, and was transported to Bronco Stadium in rolls.

The completed field (above) is made up of a new kind of grass hybrid which stands up to more traffic, and actually increases its thickness the more it is mowed.

Broncos 7 on 7 Advance to State Submitted

The Sonora Bronco 7-on-7 team traveled to Alpine last Saturday to compete in their first SQT of the year. The Broncos opened pool play against Andrews and turned the ball over four times and took an opening game loss by the score of 30-21. The Broncos then bounced back to defeat Crane 47-24. The third game against Pecos would decide if the Broncos would advance to the afternoon semi-finals. The Broncos prevailed and won 46-34. Andrews and Sonora advanced from Pool B and Fort Stockton and Iraan advanced from Pool A. Sonora being the runner up faced Iraan with the winner qualifying for the 2010 7-on-7 State Tourney. The Broncos fell behind 26-25 but came back to win 43-33. After Andrews destroyed Fort Stockton the Broncos would get a shot at a rematch. The Broncos were down at the half 22-20 and rallied to win the championship 36-28. This is the first time in Sonora Bronco Football history to win a State Qualifying Meet and the first trip to the state tourney in College Station. Coach Cades Pope and Coach Keith Hudson will lead the Broncos to Aggieland as they have all year. The Broncos travel to Brownwood this Saturday June 26th to play in a 16 team SQT tourney. Tuesday June 29th will be the last regular league games in San Angelo as the Broncos prepare for the 2010 State 7-on-7 Tourney in College Station July 8th and 9th. The Broncos are one of fifty-two teams to qualify after week four. The Broncos are in Division II and will play 1A-3A high schools from across the state. Special thanks to the parents for assisting the Broncos in 7-on-7. If you are interested in helping sponsor the trip to College Station, please contact Coach Pope or Coach Hudson!!!!

Falcon and Jennings Selected As Big Country FCA All Stars

Submitted

The Big Country Fellowship of Christian Athletes All Star week was held in Abilene on June 9-12. Jalen Falcon and Cash Jennings were selected to participate, Jalen as an FCA cheerleader for the South, and Cash on the FCA South football team. Both Sonora graduates travelled to Abilene on Wednesday to begin practices for the game on Saturday, staying with FCA host families during these three days. Jalen cheered at the FCA All Star girls' basketball game on Saturday and the football game that same evening. She actually got to be a "flyer" (cheerleader on the top of the formation) in the stunts performed by the all star cheerleaders. Cash played center on offense and also played defensive end during the game nearly forcing two sacks, one for an intentional grounding penalty.

None of this would have been possible without the sponsorship of First National Bank of Sonora, The Bank and Trust, JMC, Chacho and Dawn Cahill, Walsh Welding, and Devils River Auto Parts. Thank you for giving these athletes the opportunity of a lifetime.

Mon.	June 28 - Bingo
Tues.	June 29 - Happy Birthday Pedro Virgen
Wed.	June 30 - Work on puzzle

Senior Center Menu

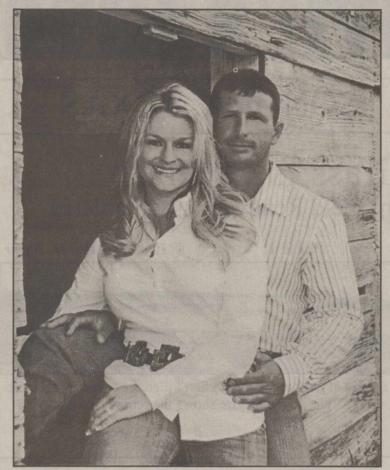

Thur.	June 24 - Catfish, spinach, tator tots, hush puppies, apple pie, milk
Fri.	June 25 - Beef & cheese enchiladas, pinto beans, coleslaw, fruit salad, crackers, milk
Mon.	June 28 - Chicken salad sandwich, tomato soup, milk carrots, celery sticks, potato chips, bananas
Tues.	June 29 - Chopped Steak w/gravy, parsley potatoes, glazed carrots, cuke/tomato salad, pineapple cake, milk
Wed.	June 30 - Chicken & rice casserole, broccoli, rolls, peach halves, chocolate cake, milk

Participants in the senior nutrition program must be 60 or older. Meals are served Monday - Friday at 12:00 p.m. **Donations are accepted** (suggested donation for Seniors is \$2.00; \$5.00 for under 60 and all other meals-to-go).

ngagement Announceme

Caruthers and Dennis Plan October Wedding

Courtney Blaire Caruthers and Dan Abel Dennis

Bob Caruthers and Janice Caruthers are pleased to announce to engagement and approaching marriage of their daughter, Courtney Blaire Caruthers, to Dan Abel Dennis, son of Gerald Dennis of Winnie, TX and Rhonda Rougeau of Austin, TX.

Grandparents of the bride-to-be are Mr. and Mrs. Don Grider of Sonora, TX and Great-Grandmother Mrs. Blanche Grider of Abilene, TX. The prospective groom is the grandson of Mr. and Mrs. Joseph Cleo Rougeau of Vinton, LA.

The bride-elect is a 2005 graduate of Sonora High School. She graduated from Texas Tech University in December 2009 with a Bachelor of Science Degree in Multidisciplinary Education. She is employed at The Bank & Trust in San Angelo, TX.

The prospective groom graduated from Vinton High School in Vinton, LA in 1996. He holds a Bachelor of Science Degree with a Concentration in Animal Science from McNeese State University, graduating in 2001. He is employed by the USDA in Del Rio, TX.

The couple plan to exchange outdoor wedding vows Saturday, October 9, 2010 at 6:30 PM at the home of the brideelect.

Love one another and you will be happy. It's as simple and as difficult as that.

Thank You Note

We would like to thank everyone for their donations and their help benefiting our dad, Ubaldo Luna Sr. We have been very blessed to live in such a supportive community. "A friend is always loyal, and a brother is born to help in time of need." PROVERBS 17:17 Our words will never be enough to express how much we appreciate all of your prayers, help, encouragement, hugs, understanding, compassion, and even your warm smile showing us you care. "All praise to the God and Father of our Lord Jesus Christ. He is the source of every mercy and the God who comforts us. He comforts us in all our troubles so that we can comfort others. When others are troubled, we will be able to give them the same comfort God has given us."2 CORINTHIANS 1:3-4. I want to give a BIG thank you to our mom, Linda Luna. The history between my parents is amazing and all a part of God's plan. They have raised 4 children and have had a huge loss in their live our big brother Ubaldo Luna Jr., and now another obstacle in life fighting lung cancer. The loss and heartache for the past year is unimaginable. Through all this our mom has stayed strong and I thank our God for that. "He is your God, the one who is worthy of your praise, the one who has done mighty miracles that you yourself have seen."DEUTERONOMY 10:21. Blessings to our family, and her friends for showing their support, when she has needed it the most! We will be forever grateful!

The Bantay and Luna Family

Your Lions are at the end of our fiscal year. We completed a very successful effort in support of Sonora's National Wool Show last week. Pictured above are the Lions and their able supporters from the youth of the community preparing to feed the 200 show participants. The brisket was to die for... prepared by the superb team of Lynn and Ronnie Wipff. Our thanks are offered to Pam Crenwelge, Dana Leamon, Principal Duncan and students of our Middle School for their partnership with the Lions this past year. This teamwork permitted the Lions to accomplish our expanded "service mission" in a more effective manner. We all benefited from the experiences. Thanks, Middle School volunteers! See ya'll next year (JULY).

Early in June, I reported about FOOTBALL and the 7 on 7 Program. Coach Pope presented the program and the team's goals. The goal was to assemble Sonora's football players and compete against all comers, irrespective of school classification (5A thru 1A), to earn a birth in the State Championship at Texas A&M JULY 8-9. Coaches Pope and Hudson's job was to accomplish this mission without any support from the School District since any type support would violate UIL rules. MISSION ACCOMPLISHED !! Sonora qualified by defeating Andrews HS, a 3A school, and winning the Alpine Qualifying Tournament. Since no school support is possible FUND RAISING will be the only way our team can afford to participate in the tournament to be held at Texas A & M in College Station. Please join with your LIONS in support of this FUND RAISING effort. To provide support contact any Lion or either coach or Suzanne Badeaux (phone number 206-0779) with a donation.

The Lions Club's will elect new officers on June 29, 2010. Next week we will have LMH Hospital CEO Keith Butler and Peggy Hodges Angelo State Business Consultant. GO BRON-COS and SHOP SONORA !!

Sonora Minor League All-Stars Win 1st place in Ozona Tournament

The Minor all stars played a total of 5 games to take 1st place vs the Ozona Lions. All of the boys played an outstand-ing 5 games. They all fielded well and hit the ball the best they had all season long. The boys ended their all star season with 2 1st place wins and 1 2nd place over all. The Minor League All Star Parents would like to thank

James Talamantez for cooking food for the boys to eat after their game. Thanks to all that brought drinks, snacks, and food for the boys during and after their very very hot baseball games. Also a special thanks to Tommy, Blayze, Brady, and John for coaching our boys.

American Red Cross:

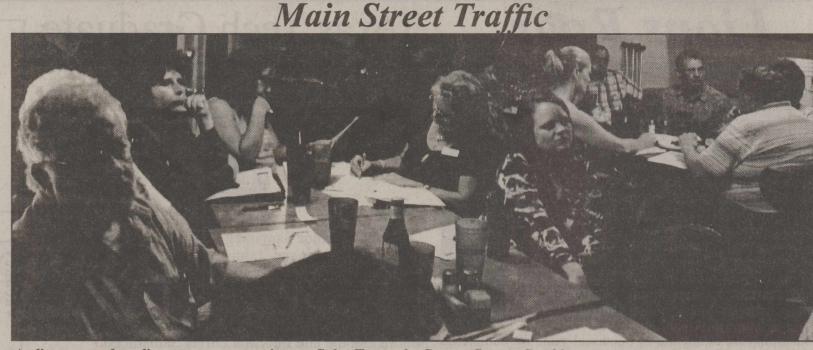

Recognizes Sonora Athletes for their Contribution

Dear Sonora ISD Students Athletes,

In the aftermath of the catastrophic earthquakes in Haiti, the American Red Cross stands with our Red Cross and Red Crescent partners around the globe to transform your donation into relief and recovery. Our combined efforts represent the largest single country relief operation in Red Cross history. Thank you for being a part of this monumental response effort.

Your contribution of \$2,500 on 6/7/10 to the Hill Country Chapter has put aid directly into the hands of more than 1.3 million people affected by these earthquakes. Your support translates into critical relief supplies like blankets, hygiene kits and mosquito nets. Since the earthquake struck, your gift has empowered the Red Cross to distribute more than 60 million liters of safe drinking water, treat tens of thousands of people in Red Cross field hospitals and mobile clinics, and provide critical financial assistance that will help families meet their immediate needs and restart their businesses. In the coming days, the Red Cross will begin constructing stronger, transitional shelters to protect those left homeless from the upcoming hurricane season.

American Red Cross volunteers have joined more than 900 Red Cross and Red Crescent workers from around the world in a coordinated effort to meet both the immediate and longterm challenges that stand between chaos and recovery for the people of Haiti. For victims of this unprecedented disaster,

America: The Land of Plenty

An American, traveling on a train in Europe, met a Cuban tobacco grower, a Russian vodka distiller and a lawyer.

While they were talking business, the Cuban took out four cigars and passed them around. After lighting his own cigar, the Cuban took one drag and then threw it out the window, explaining that cigars were of no consequence in his country since there was such an abundance of them.

After dinner, the Russian passed out bottles of vodka. After taking just one swig, he threw the bottle out the window, explaining that vodka was of no consequence since, in Russia, it was so plentiful.

The American businessman sat in quiet contemplation for several minutes then arose and threw the lawyer out the window.

As a small businessperson, you have no greater leverage than the truth. John Greenleaf Whittier

season.

Under the animal response plan, this team will deploy with TAHC field personnel in a large-scale disaster and will work under the same incident command structure.

The Texas Animal Health Commission works to protect the health of all Texas livestock, including: cattle, swine, poultry, sheep, goats, equine animals, and exotic livestock.

Better Beverage Plan **Choose Calories** Carefully

Adapted By: Kelly L Thorp County Extension Agent -FCS Texas AgriLife Extension-Sutton County

Did you know that the beverages you drink make you feel full and add lots more calories? Many people just do not know this. Eating extra calories every day can add up over time and cause weight gain. People with type 2 diabetes should work to lose or maintain weight and avoid adding on extra pounds. "Know the 3 "C's" when it comes to beverages— Choosing Calories Carefully can help people cut out calories to achieve their health goals."

Staying hydrated is essential for life, but not all beverages are created equal. Some fluids contain calories while others do not. When someone follows a healthy eating plan, he/she does not need to rely on drinks for energy needs. Non-caloric drinks include: water, tea, coffee and/or some diet drinks. Drinking sugar-sweetened beverages is on the rise in the US. Any drink with added calorie-containing sweeteners is labeled sugarsweetened. Sugar-sweetened drinks include: soft drinks, fruit drinks, sweetened- coffee drinks, smoothies, flavored teas and other contain sugar in ingredients listing on the label. If sugar is listed first through third or fourth on the label, then means sugar is the most prominent ingredient in that drink.

Why don't I feel as full when I am drinking beverages that have calories (liquid calories)? Studies show that people feel fuller when they eat solid foods. People may not feel full after drinking fluids for the following reasons:

1. Fluids empty from the stomach faster than solid foods causing you to feel hungry shortly after drinking a beverage.

2. Carbohydrates add most of the calories to drinks-especially sugar-sweetened drinks. Since protein- or fat- rich foods/ drinks can add calories to drinks, these nutrients are less quickly absorbed due to the protein and fat content leaving you feeling fuller longer than carbohydrate-rich foods and drinks.

3. More effort is made to eat solid foods resulting in more time to feel full. Taking time to chew and talk during meals gives the stomach time to "tell" the brain that it is full. People drink beverages more quickly. Since fluids empty quickly from the stomach, less time exists for the stomach to "tell" the brain that it is full. Research shows that people who drink more sugar-sweetened beverages before a meal tend to eat more calories than those who drink much less sugar-sweetened beverages both before and during the meal. So, what's the big concern? Most people—unaware that they may need to eat less—can drink more calories during their meals, ultimately leading to weight gain. Another good research example of the effects of sugar-sweetened beverages is that people who cut out calories from drinks lost more weight than those who cut out the same amount of calories from solid foods. When someone is trying to lose weight, cutting back on soft drinks and specialty drinks such as lattes and smoothies could be the best way to go. FISHTALES

Bryan Brown, age 12, from Sonora TX., caught this nice large mouth bass on the banks of Spring Creek River in Mertzon, TX. on July 12,2010. After the photo, the bass was released back into to river unharmed.

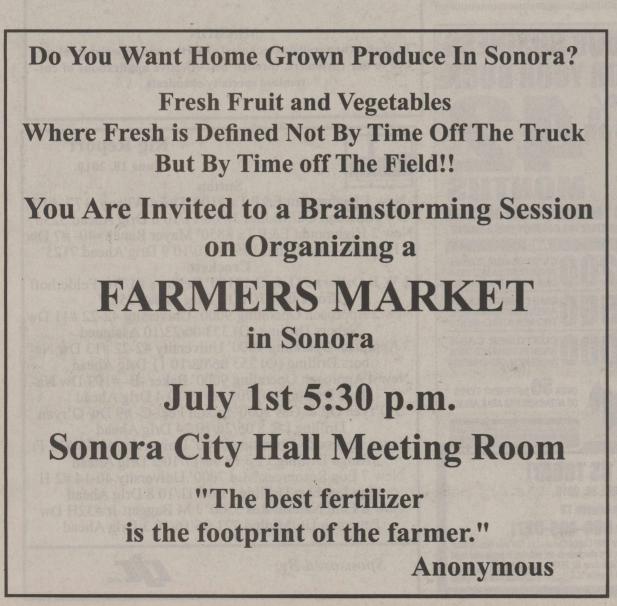

TPWD Fishing Report

Amistad: Water clear; 81 degrees; 1.56' low. Black bass are good on topwaters, small and medium crankbaits, and soft plastics. Striped bass are fair on crankbaits, Rat-L-Traps, and big Red Fins. White bass are fair on crankbaits and Rat-L-Traps. Crappie are slow. Catfish are fair on cheesebait, shrimp, and nightcrawlers over baited holes. Yellow catfish are fair on droplines and throwlines baited with live perch. Everyone in the boat must have a Mexico fishing license (if fishing the Mexico side) whether fishing or not.

LBJ: Water stained; 80 degrees; 0.42' low. Black bass are fair on JDC Skip-N-Pop topwaters, weightless watermelon red Whacky Sticks, and Bleeding Shad Rat-L-Traps along riprap on seawalls, docks, and water willows in 3 - 12 feet at daylight. White bass are slow. Crappie are fair on minnows and white Curb's crappie jigs over brush piles in 12 feet. Channel catfish are slow. Yellow and blue catfish are fair on trotlines baited with goldfish and perch.

This brings me to another

project the Chamber is working on along with the Sonora Economic Development Corporation; Customer Service Champion of the Month. Every month a committee meets and selects from a list of candidates and honors them with a \$100 gift card and an announcement in the Devils River News. The recipient also gets a chance to be the Customer Service Champion of the Year at the annual Chamber of Commerce Banquet and receive a \$250 gift card. If you see someone going above
