Broncos Dominate Llano

Ethan Morriss outdistances defenders during the Llano scrimmage.

By Ray Glasscock

The Sonora Broncos dominated the scrimmage with the 3A Llano Yellow Jackets last Saturday in Bronco Stadium. The coaches use a scrimmage to evaluate the players, introduce new plays, and answer any questions that they may have as players move up from JV to the Varsity. I am sure there were many questions answered, but there was one really big one that went unanswered.

There should be no doubt that Coach Sine and his coaches were pleased with how their Broncos performed. In fact,

this was the best scrimmage that I have witnessed since the 2000 scrimmage against Kermit and Ingram. The varsity scored seven touchdowns and only allowed two!

The JV and Freshman Broncos hit hard, tackled well, and intercepted several passes. Chance Campbell scored the only touchdown for the sub-varsity on a run of about 40 yards.

On Llano's first varsity offensive series, they used several plays to score their first touchdown. Preston Rabb, Llano's 6'5" quarterback, moved the

ball by passing and scrambling. Their touchdown came on a pass to the left corner of the end zone. After the touchdown, they were unable to score again during their first offensive series.

During the Broncos' first 20 play offensive series, Sonora scored three touchdowns. The first came on a 43 yard run by Ethan Morriss. A couple of plays later, Zach Badeaux sprinted for a 69 yard run to the one-yard line. He scored on the next play. Morriss

37th Annual Sutton County Days!

"Step into the Real Texas" Boots Optional...Fun Mandatory!!

By Donna Garrett

The 37th Annual Sutton County Days was definitely action packed. The Sonora Outlaw Pro Rodeo started the fun filled weekend with the Friday night performance of the rodeo. The little Muton busters stole the attention of the crowd! Boyd Polhamus scores the children's ride and this year Cuatro Wardlaw came in 1st, Victoria Klebold 2nd and Gavin Boggs 3rd. Congratulations to all the contestants! Saturday morning started the day with the parade. Parade announcers, Virgil Burge and Stacy Fisher did a fantastic job announcing the parade. This year's judges selected Sutton County 4-H Grand Marshall float 1st place for "Best Theme", First National Bank took 1st place for "Best Local" and the US Army Humvee took 1st place for "Best Out of Town". Fol-

lowing the parade at 10:00 a.m. Mrs. Joy Galbreath sang the National Anthem while the Boy Scouts raised the flag. Jody Luttrell was the Master of Ceremonies for the Little Miss Sutton County and Little Mr. Sutton County contest. Little Miss Sutton County for 2010-2011 is Sicily Gutierrez and Little Mr. Sutton County for 2010-2011 is Brian Mendoza. Congratulations to our winners and we look forward to working with you during the next year! We had approximately 20 food vendors Saturday morning and there was plenty of wonderful food for everyone to enjoy, from turkey legs, Cajun chicken, fried alligator, armadillo eggs, hamburgers, fajitas, and many more delicious items. The arts and crafts vendors covered the park with all their wonderful items from jewelry to wooden

furniture, yard art, t-shirts, purses and anything else you could imagine. The children had a great time climbing the rock wall furnished by the US Army recruiters (at no charge), they bounced on the bungee jump, rode the ponies, had fun spinning the apple, and playing all the wonderful games. Meanwhile at the entertainment tent (which was the coolest place to be with the air-cooled fans), the Miss Sutton County Queen contestants were interviewed by Jody Luttrell, and he even managed to get one of them to sing for the crowd! The West Texas Cloggers took the stage and entertained the crowd followed by Sonora Academy of Arts Folklorico dancers. The Twisted Road Band out of Lubbock rocked

The Legacy of La Elliott School

U.S. District Court Closes Mexican School in Sonora, Texas June 16, 1970: 40 Years Later A Ceremony Placing A Historical Marker In Honor Of La Elliott School Alumni Is Unveiled

A request for public information related to Sonora's "Mexican School" dated November 30, 2009 to the Superintendent of the Sonora Independent School District in Sonora, Texas shows that as early as 1924 references were made to the existence of the "Mexican School." On July 3, 1934, a petition signed by sixty four taxpayers sought a special bond election for the sole purpose of constructing a new "Mexican School." None of the petition signers calling for the bond election were from the Mexican-American community.

The bond election held on August 4, 1934 revealed that 126 people participated in the election. The election results certified that 107 voted in favor of the bond and 19 voted against it. A majority consisting of 88 voters was required for approval. It is highly doubtful that Mexican-American "taxpayers" participated in the bond election. On January 22, 1935, the school board voted to officially name the new "Mexican School" the L.W. Elliott School in honor of the President of the Board of Education. Since the re-naming of the school, the Mexican-American community refers to the school as "La Elliott." The school opened on January 26, 1936 and operated for thirty years until it was ordered closed by the U.S. District Court, Northern District of Texas, San Angelo, Texas.

We are proud to say the closing of the L.W. Elliott School was

the result of legal action filed by the Mexican American Legal Defense & Education (MALDEF) CA No. 6-224 Marcos Perez, et al Plaintiffs Isael Perez, Victoriano Chavez, Santos Hernandez and Eugenio Gonzalez on behalf of their minor children. Coordination of community concerns and communication for the filing of legal action is reflected in the work of Maria Perez Chavez and most notably, the gathering of petition signers for MALDEF organized by the Sonora American G.I. Forum members led by Pedro (Pete) Gomez, Past District Chairman of the G.I. Forum.

Since the closing of La Elliott much has changed in Sonora during the last forty years. The public swimming pool is now opened to the entire community as are residential neighborhoods, restaurants and equally as important, social interface among Sonora residents, young and old, is progressing.

We invite all communities to attend our public ceremony where the unveiling of a La Elliott Historical Marker will be formally presented to the community. The event will be held on Saturday, September 11, 2010. A special Thank You and fuerte abrazo is given to all, especially members of VIVA SONORA, who have helped organize this historical event. We encourage other communities who faced similar conditions to take the time to celebrate and honor our history. For additional information, please open the attached flyer. The Lion's Roar

Last weeks program at your Sonora Lions Club was heartwarming as well as, informative to the membership. As you are aware, the Lions Club runs a camp in Kerrville, Texas for children with physical disabilities. Children with severe Diabetes are also eligible. The Sonora Lions sponsor the child free of charge. For years we were unable to find even one child willing to attend.

Thanks to Reverend Jim Stephen we had our first area participant, Miss Dacey Roubison from Eldorado Texas. And by golly this beautiful 9 year old was our program. With poise and confidence she addressed the membership about her experience at the 1

week Lions Camp she attended. She is eager to return next year and one day to be a counselor. She also volunteered to call a Sonora disabled child to convince him to go next year. This boy was nominated but was reluctant to leave Sonora. Thanks, Dacey and Grampa for providing a very informative program.

Dacey's mother sent us the following note. "I want to thank everyone for sending Dacey to this camp. She had a wonderful time. It was awesome for me in that, I was able to let her go to an event like this and not have to worry about her the whole time. She had a super staff there who knew how to take care of her and she was able to get away

from "mom" for a few days... ..I am sure she gained a little sense of freedom out of this (experience.)

Again, thank you so much. She is looking forward to going again next year!

American in Paris

Harvey, an elderly American absentmindedly arrived at French immigration at Charles de Gaulle airport, Paris and fumbled for his passport.

'You have been to France before Monsieur?' the official asked in an aggressive tone.

Harvey, smiled and admitted that he had been to France before.

'In that case you should know enough to have your passport ready for inspection,' barked the bad-tempered officer.

Harvey gently informed the man that the last time he came to France he did not have to show his passport or any other documents.

'Pas possible, old man. You Americans always have to show your passports on arrival in 'la belle France.'

Harvey gave the Frenchman a long hard look. 'I assure you, young man, that when I came ashore on Omaha Beach in Normandy on D-Day in 1944, there was no Frenchman on the beach asking for passports.'

They were having such a great time they played until 5:45 p.m. I would like to thank Eddie Arteaga for lining up such great entertainment for this wonderful event. During the day the Sutton County Historical Society sponsored a fiddlers contest at the Old Sonora Ice House Ranch Museum and Wack Shack Catering was available with their wonderful barbeque. Every year there are class reunions going on and this year was no different with the class of 1980 and 1990 hosting their reunions. The Dee Ora Masonic Lodge had their annual scholarship dinner from 5:00-7:00 at the Sutton County Civic Center. Saturday evening at the rodeo performance was the crowning of the new Miss Sutton County for 2010-2011. Miss Rose Karnes was crowned our new Miss Sutton County with Marissa Prieto 1st Runner up. Congratulations to all the girls on a wonderful job representing our town. We look forward to working with Rose throughout the next year. Sutton County Days and the Sonora Outlaw Pro Rodeo is one of the biggest events for Sonora to put together. As you know it takes many hours of hard work and a lot of volunteers, so thank you Sonora for coming to bat once again. We would like to thank everyone who helped us make this festival possible and we appreciate your support!

A Mind is a Terrible Thing to Waste

Doreen, aged 79, finished all the shopping on her weekly list at Walmart supermarket. She walked determinedly towards her car which she had left in the car park. There she saw four youths about to drive away in her car. Doreen became agitated and dropping her shopping to the ground, she drew a handgun from her bag and screamed as loud as her lungs would allow at the four miscreants, 'I have a gun and I know how to use it. Get out of the car

you horrible little men.'

The four lads didn't wait around for a second invitation but got out and ran helter-skelter as far away as they could, whereupon Doreen, somewhat shaken, proceeded to load her shopping bags into the back of the car and get into the driver's seat. As hard as Doreen tried she could not get her key into the ignition. Then it began to dawn on her why.

She came across her own car a few moments later in another row near by. Putting her bags

now, into her own car, she drove hesitantly to the nearest Police Station. As Patricia was recounting the tale to the Duty Sergeant she wondered why he kept giggling and smiling. Eventually he pointed to the end of the counter where dear old dizzy Doreen saw four young lads, faces extremely pale, who were describing how a little old lady, some 5 foot tall, wearing glasses and with grey hair had stolen their car by waving a gun at them.

Continued from Front Page : City Acts on Proposed LCRA Route

transmission lines. LCRA and a number of other entities have been awarded contracts through the Public Utilities Commission for the development and construction of transmission lines. LCRA developed a "Preferred Route" along with a number of alternatives, one of which involves paralleling Hwy 277 from North of Eldorado to within 1.5 miles of Sonora and crossing over to meet I-10 1.5 miles east of Sonora and proceeding adjacent to I-10 to Comfort. Early on, the Sonora option seemed impractical because it is substantially longer and thus more expensive than the preferred or other alternate routes. However, considerable opposition from landowners, municipalities and others throughout the Texas Hill Country in response to the various route options has brought Sutton County and Sonora into the arena of real possibility.

A summary of concerns that surfaced Monday are:

1. Interference with the

Ports to Plains Trade Corridor, a Congressionally Designated High Priority Transportation Corridor which includes plans to upgrade Hwy 277 to a four-lane-divided highway with a truck relief route around Sonora, according to the Tx-DOT Corridor Development and Management Plan.

2. Proximity to the Sonora Municipal Airport

3. Economic impact - placement of CREZ Lines in or adjacent to Hwy 277 and the Interstate 10 Right-of-Way will have a significant and detrimental impact on property values, economic development, and aesthetics of this area.

4. Method of land acquisition - Fair market value is determined - should a landowner be unable to reach an agreement, Imminent Domain will be invoked. In this process, local landowners assist in determining fair market value.

5. Mono-poles are preferable aesthetically to lattice type structures.

The Sonora City Council voted to initiate a formal "intervention" which is the necessary

process to make PUC aware of the concerns of this community. Citizens who are directly effected by the route may also intervene. The process is simple but does carry some procedural responsibility.

NOTE: Deadline for filing with the PUC to intervene is August 27th.

Additionally, PUC will be conducting an Open Meeting on August 19th in response to a request to re-evaluate the need. The meeting can be viewed on the internet.

Both LCRA and PUC have extensive information, maps, and forms available online at www.lcra.org.

editors note-If you have any concerns regarding the proposed route I encourage you to contact your state and federal representatives. Democracy is a two sided conversation.

A Spiny Beauty?

Submitted By
Pascual Hernandez,
Sutton County Agricultural
Extension Agent

This week, we'll feature another local plant which falls under the "beauty-is-the-eye-of-the-beholder" category. I received a request to identify this plant, and found it interesting enough to share. At first glance, this plant resembles a thistle, but it is actually a member of the parsley family. The plant is Leavenworth's Eryngo, named for its discoverer, Melines Conklin Leavenworth (1796-1862), an explorer, army surgeon, and botanist.

Leavenworth's Eryngo is native to the central United States. It reaches heights of up to 3 feet and inhabits dry rocky prairies, roadside fields, open woodlands and waste areas. It is mostly seen flowering between July to September, however in some areas it has been seen blooming as late as November. The flowers are atop spiked leaves and elongated stems and form cones of purple, tightly clustered blossoms that resemble fuzzy pineapples. Thus this

plant has also been called "Pineapple Thistle".

The eryngos are not true thistles, but are often confused with thistles, due to similarity in both appearance and habitat preference. When in bloom, this plant paints landscapes a brilliant purple, and provides an excellent source for late summer and early fall color. For this reason, in some parts of the country, this plant is sought for xeriscape areas.

Almost the entire plant has some shade of purple. Flowers are minute, purple, and mingled with small, spiny bracts in an elongated, terminal, head-like cluster. Below these are spiny-tipped bracts. The leaves are deeply lobed, each segment edged and tipped with stiff spines. A tuft of small, rigid, spiny leaves grows out of the top of the flower head. It is desirable to wear a thick pair of gloves if one cuts the flowers.

Due to its spiny nature, however, it can inhibit livestock grazing in areas where it is

abundant. Because of that, it is an undesirable plant to livestock and range managers. As the plant is an annual, it should be controlled before it produces seed. Recommended herbicides are usually picloram or 2,4-D products, but call the local County Extension Office for specific details.

Sonora Ram Test starts Sept. 13-14

SONORA – The annual ram performance test conducted at the Texas AgriLife Research Station at Sonora will begin Sept.13-14 with delivery of rams to the station. The station is located on State Highway 55 between Sonora and Rocksprings.

An annual field day and sale highlighting the end of the test is scheduled for March 18 of next year.

Dr. Dan Waldron, San Angelo-based AgriLife Research geneticist and the program's coordinator, said the performance test involves some of the best Rambouillet genetics in the world.

"The test has long been used as a tool for Rambouillet sheep breeders to improve their flocks," Waldron said.

"Since its start in 1948, the Sonora Ram Performance Test has never strayed from its main goal of identifying and documenting superior rams," he said. "Rams are evaluated on several important economic traits, so producers can use their own rams to improve their flocks or buy from others."

Test animals may be registered or non-registered. Only registered rams born between Oct. 1, 2009 and April 30, 2010 will be eligible for the American Rambouillet Sheep Breeders' Association Registry of Merit program. Waldron said any animal showing

yearling teeth will not be accepted.

Cooperators wishing to enter more than 20 animals are asked to give Waldron advance notice.

Complete animal information – including sire, type of birth, age of dam and birth date – is required by the first weigh day. Animals without this information will be considered commercial rams.

Rams also should be individually identified by ear tag or tattoo, and tagged with the mandated scrapie tag. They should have at least one-half inch of wool at delivery.

Waldron recommends test animals be taught to eat from a feed trough before delivery. Rams will be treated against internal parasites and vaccinated against enterotoxemia immediately after arrival.

A deposit of \$350 per ram is due upon arrival. Any unused funds will be returned when the test is over.

Rams will be shorn Sept. 28 before going on the test. The initial weigh-day is set for Sept. 29. Other weigh-days are Nov.17 and Jan. 5, 2011 with the final weigh-day on Feb.16, 2011. The final shearing is set for Feb. 17, 2011.

Royalty abounds during Sutton County Days.

Ashton Bryant entertains the crowd during the Little Mr/Miss Sutton County talent competition.

Chelsea Lou Campbell rides high during the rodeo.

Even the horses were excited about Sutton County Days.

The Parade Grand Marshals (Sutton County 4-H) were front and center showing their community pride.

Another candy bandit cashes in!

Sonora Bronco Cheerleaders take a ride on the Volunteer Fire Truck.

Out of the chute and into a rope! Cowboys from across the world showed their salt during this year's rodeo.

Music, culture, fun, and sun is what Sutton County Days is all about.

Stay Tuned Next Week for More Rodeo/Sutton County Days Coverage

The Sutton County Days and Sonora Outlaw Pro Rodeo Officers would like to take this time to send out a great big West Texas Thank You to all of the tremendous support from our sponsors and very dedicated volunteers. Despite popular belief, an event such as the rodeo does not happen magically. We would not be able to put on such a "Class Act" and hire the PRCA Rodeo Stock Contractor of the Year, Smith Pro Rodeos without the generosity of our sponsors and volunteers. This

is what makes Sutton County such a great community and a great place to live. We would also like to thank our families for being as patient with all of us as we work so hard on getting the rodeo ready. For several weeks we all let families & other things set on idle.

Thank you Sonora for supporting the Sonora Outlaw Pro Rodeo in 2010. See you next year!

Johnny, Steve, Robert Sol, and Ann

Contd. From Front Page: Broncos Dominate Llano

set up the next touchdown with another long run to inside the five-yard line. Imoni Cross scored his first Bronco touchdown from there. On the next offensive series, Clayton Parks led the Broncos to two more scores. Eric

Santana scored on a run, and Word Hudson caught a pass from Parks for the other. The Broncos had one more offensive series and were not done. Badeaux took the direct snap from Coyler Dermody and sprinted untouched for

a 70-yard touchdown. Parks scrambled to his right and threw a touchdown pass to Ryan San Miguel. So what question went unanswered? After the 2000 scrimmage, Bill Renfro asked his father the following ques-

tion: "Were we that good or were they that bad?" We KNOW the answer to that question! Now we need for the 2010 Broncos to give us the answer to that same question!

Photo By Ray Glasscock

Clayton Parks throws a short pass to Eric Santana during the Bronco's first scrimmage against Llano.

I'll put you through hell, but at the end of it all we'll be champions.

2010 PROPERTY TAX RATES IN SUTTON COUNTY, SUTTON COUNTY HOSPITAL DISTRICT AND CITY OF SONORA

This notice concerns 2010 property tax rates for Sutton County. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.
