Serving Sutton County Since 1890

Volume 127 • Issue 41

SONORA, TEXAS

Thursday, October 15, 2015

Please be aware that on Halloween night, beginning at 6:30pm and ending at 8:30pm, the 500 Block of East 2nd Street will be **ONE-WAY ONLY** with traffic flowing eastward. This is to ensure the safety of all those, including Goblins and Ghosts, who will be Trick-or-Treating in this area.

Thank you,
Sonora Police Department

Officer Involved Shooting

Mid-morning on Thursday, October 8th an officer with the Sonora Police Department was dispatched to the parking lot of Everetts Pharmacy, whereupon the officer discharged his weapon at a suspect. As part of regular policy, the incident is currently under investigation, and at the time of press the Sonora Police Department was unable to comment on an ongoing investigation.

Broncos Roll To Record

Liam Yourgalite (#59) causes a fumble to help the Broncos to victory.

By Ray Glasscock, Photo By Nancy Glasscock

Bronco history and records have always been a passion for me. I'll admit that I have not had as much time to research the most offensive yards in a game as I would have liked, but with the time that I had before starting this article, I am almost 100% certain that 692 offensive yards is a new Bronco record! The Broncos ran the ball 50 times for 453 yards. They added another 239 yards via the passing game. The defense gained 92 yards on a fumble recovery touchdown return.

The first series for the Broncos reminded me of trying to climb a steep, muddy hill: up two slide down two. Kevin Martinez (AKA KMart) gained 15 yards on the first carry of the game, but a holding play brought it back. On the fifth play, Michael Solis gained 22 yards on a pass from Kaden Cordell. This play was completely wiped out by a major penalty. The radio announcers wondered what play the Broncos would call on third and 16. Cordell answered by dropping back and throwing long to Noah

SanMiguel who streaked down the field for a 61-yard touchdown. Octavio Mendez missed his second PAT of the year when a motion penalty had caused him to try a 25 yard extra point. Sonora had the lead at 6 to 0 with 9:30 on the Bronco Nation Scoreboard.

Grape Creek responded with the Eagles' best drive of the game. The Eagles gained big yardage on a quarterback keeper and a double reverse. MC Fry caught a 37-yard touchdown pass thrown by Austin Barron. Barron also kicked the extra point giving the Grape Creek its only lead of the game with 8:07 left in the first.

The Broncos easily moved the ball toward another score. Luke James caught a long pass from Cordell moving the ball inside the red zone. Cordell executed a perfect play action fake and threw an easy touchdown pass to Solis. The Broncos were flagged for holding. The drive ended when Mendez failed to convert a 33-yard field goal.

On the Eagles' first play of the next drive, the snap sailed

over the quarterback's head and rolled into the end zone. The Eagles recovered in the end zone, giving the Broncos a two-point safety.

They chose to punt. When the first Bronco muffed the catch, Abel Cruz scrambled for and recovered the pigskin. The Broncos started on their 49-yard line. Cordell threw to a wide-open SanMiguel who made the catch at the 16-yard line. Louie Castro took a double reverse pitch and was run out of bounds at the one-yard line. K Mart got the score on a one yard run. Mendez kicked the extra point and the Broncos led 15 to 7 with 1:50 left in the first quarter.

The Eagles made it to the Broncos' eight-yard line on a screen pass and two major penalties against the Broncos. Liam Yourgalite blitzed from his left end position and caused Barron to fumble. Jose Hernandez scooped the ball up and ran the length of the field for a 92 yard fumble return touchdown. Mendez

78th Sonora Downtown Lions Club Auction

The auction and free dinner will be held on October 20, 2015 at the Sutton County Civic Center. This community activity is a Sonora tradition that remains "alive and well." Sutton County Steakhouse will provide a wonderful meal which will be served at 6:00 PM. Prior to the meal, attendees will be able to purchase \$1 raffle tickets for a large number of donated items. The drawing for these items will continue throughout the live auction. Also of interest, there will be another selection of items displayed in the silent auction. Bidding on these items will continue until 7:00 PM. Bid numbers will be registered to buyers as they arrive at the event. This should make payout at the conclusion of the live auction much more efficient and timely.

This year as in each of the past years since 1948, the spotlight will be on bidding for the infamous "Mystery Package". A partial list of donated items has been included

with this article in order to pique your interest. This list is sure to continue to grow between now and auction day. If you have an item that you would like to donate, please call Janalyn Jones at 226-0067.

Please consider attending this year's auction and plan to participate in the bidding. Proceeds from the auction help support the club's wide array of projects. Sonora Downtown Lions Club generously supports local programs such as Project Graduation, Relay for Life, Sutton County 4-H, Boy Scouts and Girl Scouts programs, Sutton County Game Dinner, Keep Sonora Beautiful, Back to School Teacher Dinner, West Texas Lions Eye Bank, Texas Lions Camp, and Senior Scholarships. This list of beneficiaries is not all inclusive so it should be apparent to everyone that your support is much needed and appreciated.

Please join us for good food and fun on October 20th.

SONORA DEFEATS WALL!!!!

Your Sonora Lady Broncos took on the Wall Hawks last Tuesday night. They came out knowing it was going to be a hard battle. None the less, they came out fearless. Never once did I see fear or doubt in these girls eyes, even when we would be down a few points or even when we lost one of the matches. They knew what they had to do and they stuck to the plan. Wall didn't know what hit them when our offense started. Shelby Aschenbeck had one of her best hitting nights so far this season with 8 kills hitting hard on the floor, one of which crushed Walls hope for a victory in the 4th game. She also came out defensively with 4 perfect serve receive passes and 3 digs. Carly Brown also having one of her best games of the season. She was smashing the ball as well following Shelby with 6 kills pounding the floor. She lead the team with 8 perfect serve receive passes, she too had 3 digs in the night. Savannah Castro came in for Mary Kyle in the back row making the perfect passes that Sky likes. This girl has come such a long way this season she keeps on amazing me with the things she accomplishes and her determination to get her passes perfect each time. Tyler Hampton was a power house last night with 14 kills 5 perfect serve receive passes, 3 digs, and two blocks. Walls

defense didn't know what hit them when Tyler came out swinging. They moved two blockers on her to try and stop her, but you know that didn't work! Sky Jennings had 29 recorded assists, meaning she set 29 perfect sets that were slammed on the floor. Our little lefty also had 3 kills and 2 digs, which is an impressive thing for a setter! Mary Kyle Johnson, our little freshmen definitely did not play like one, she had a total of 14 hits, 5 of which were smashed to the floor. Just like Tyler and Delaney Ramsdell, Mary Kyle had 2 blocks. Delaney was our all-around player last night. She had 3 kills, 3 perfect serve receive passes, 3 digs, and 2 blocks. It is not very often that you can find players that can do everything in volleyball, yet we have a whole team that can! Riley Walker was just released not too long ago. She didn't get to play but she is the glue that holds our team together. She will get her chance to show y'all her amazing skills here soon!! So come and watch! We play Grape Creek this Friday at 5:30 and 4:30. The Varsity and JV red will play at 4:30 and JV White will play at 5:30. So please come out and support! To everyone who came last night, that you so much!! The louder it is, the more pumped our girls get!

Lions Club Auction List

Wellness Ministry

Do you ever have a craving so intense that it's all you can think about? That chocolate brownie in the kitchen is practically screaming at you to come'n get it. You resist and resist, feel yourself start to weaken, and before you know it, you're shoving the brownie in your mouth. And, then, the short moment of pleasure is over, you hate yourself for it, and spend the rest of the day feeling guilt and remorse. How much brain space did that brownie occupy for you today? How much brain space did God occupy for you today? Too often, we give power to something as innocuous as a brownie or a bag of chips. We give it more time and energy than we give to the Lord. This is why it's so important to fill your body what it needs in the first place. Cravings are often your body's way of telling you that it needs certain nutrients. Chocolate cravings often mean you need magnesium. Hamburger cravings may mean you need iron. Pasta cravings could be for chromium. When we satisfy the nutrient requirements that our body needs, those food urgencies will quiet down. Having a temple that is in a state of quiet and peace frees up brain space for us to crave God, not food.

Those conflicts and disputes among you, where do they come from? Do they not come from your cravings that are at war within you? James 4:1

Engagement

Paul and Jan Stephens are pleased to announce the engagement of their son, Michael Andrew Stephens, to Cathleen Nichole Mosley, daughter of Pat and Mary Mosley of Waco, Texas.

Michael, a graduate of Sonora High School, received his Bachelor of Science degree in Nuclear Engineering from Texas A&M, and is currently employed as an engineer with Time Manufacturing in Waco, TX. Cathleen received her Bachelor of Arts degree in Psychology from Baylor University, and is currently employed as Assistant Director of The Grace House; a women's recovery home and ministry of Antioch Community Church in Waco, TX. The Wedding will be held on January 9, 2016 in Waco, TX.

TEXAS PRESS ASSOCIATION

Chronic Wasting Disease Webinar October 12 and October 16, 2015

In July, Chronic Wasting Disease was detected in a white-tailed deer in Medina County, Texas. This disease, first discovered in 1967 in Colorado, affects the nervous systems of white-tailed and mule deer, elk, moose, and red deer. For the first time, the disease was seen in white-tails in Texas, creating significant concern among wildlife professionals, deer breeders, and hunting industry professionals. Although there is no evidence of transmissibility of the disease to humans or livestock, the seriousness of the disease for wild animals demanded a quick response.

While much effort has been spent on the part of various organizations to address the concerns and needs of landowners, we would like to reach out more specifically to the hunting public regarding education on this disease.

Although there is no indication yet that CWD has infected deer outside of the closed, high-fenced facilities in Medina and Lavaca counties, Texas Parks and Wildlife Department and the Texas Animal Health Commission are working to assess the scale of the situation, including potential infection of wild white-tails. Hunters are the critical piece in the puzzle for monitoring and managing CWD: hunters can contribute tissue samples from harvested deer, and maintain-

ing healthy deer densities, as Texas wildlife managers have done for years, is the best tool to prevent the spread of CWD.

Texas A&M AgriLife Extension and Texas Wildlife Association will be hosting a two-part information webinar for hunters to educate them about the disease, its history, symptoms, and transmission, as well as informing hunters how they can participate in monitoring efforts and reminding hunters of safe carcass handling practices.

These two webinars will take place on Tuesday, October 13th and Friday, October 16th, 2015. These FREE online webinars will be held during the lunch hour (noon - 1 p.m., CST) so that anyone interested may tune in during the work day. To sign up, on the day of the webinar, simply point your browser to <https://texas-wildlife.webex.com> and click to join the CWD program. (Please note: WebEx webinars are not supported on handheld devices such as iPads or iPhones.) At the end of each presentation, participants will be able to ask questions to the presenters to get further information.

If you cannot make the live webinar each part will be condensed and archived for viewing following the initial air date at the Texas Wildlife Association website: www.texas-wildlife.org.

AgriLife To Offer Wildlife Recovery Workshop

The wet spring created good growing conditions for our pastures. As the summer got dry, it became fuel for fire, and our area saw its share of fires.

In response to those wildfires from earlier this summer, the Texas A&M AgriLife Extension Service will offer a Wildfire Recovery Workshop on October 23, 2015. The event will be hosted by Edwards County, and will take

place at the Edwards County Park Building, located 2 miles out of Rocksprings on Highway 377 North. Onsite Registration begins at 9:00 a.m. and the programs starts at 9:30.

The educational program is being offered by Extension Offices in Edwards and Sutton Counties. It is meant to provide information on tools for recovering from a wildfire, as well as preparing for the event of future fires.

Topics for the day include: Rehabilitation of Firelines and Firebreaks; Slope Erosion Management, Road Maintenance, Temporary Fencing & Evaluating Grass Recovery; Vegetation Recovery After Fire; Benefits of Prescribed Fire; Timeline For Incident Command Control.

The line-up of speakers includes Dr. Butch Taylor—Sonora Research Station Superintendent, Bill Ne-

man—Owner of Native American Seed Company, Kendall Smith—NRCS District Conservationist, and Lori Hazel—Staff Forester, Texas A&M Forest Service.

There is no cost to attend, but those interested in participating are asked to RSVP by October 15th to adequately prepare. Call the Edwards County Extension Office at 830-683-4310 or Sutton County at 387-3101 for registration.

Texas Game Wardens Destroy \$6 Million Marijuana Farm on Cooper WMA

Public Hunters Discover Illegal Camp, 6,500 Pot Plants during Opening Weekend of Teal Season

AUSTIN—Public hunters pursuing feral hogs at Cooper Wildlife Management Area in northeast Texas over the weekend stumbled upon a sophisticated marijuana growing encampment having more than 6,500 mature plants with a street value estimated at more than \$6 million.

Alerted by the public hunters, Texas game wardens led a multi-agency investigation of the well-established site tucked away in a remote swampy area of the 14,480-acre WMA about 70 miles northeast of Dallas. Wardens found a campsite with tents, farming tools, fertilizer, a generator

and water pump irrigation equipment indicating the operation had been ongoing for some time.

"This was not someone playing around and experimenting," said Texas Game Warden Captain Steve Stapleton. "The camp was at least a mile from any road in some harsh conditions. They picked this spot on purpose and spent day and night out there for some time. There was a lot of trash to clean up."

An extensive search of the area from the air and on the ground by game wardens, Delta and Hopkins County Sheriff's Offices, Texas Department of Criminal Justice tracking dogs and Texas Department of Public Safety troopers netted no arrests. Officials destroyed

all the marijuana on site and seized the property and equipment.

"The destruction to the habitat and the damage these people did to the environment is probably the worst part," said Texas Game Warden Chris Fried. "They cut mature hardwood trees, including a pin oak that was at least five foot in diameter, and cleared parts of a levee that will take many years to recover. The chemicals they sprayed, insecticides and pesticides that contaminated the soil and eventually run off into the streams will have lasting impacts."

Fried said illegal marijuana growing operations are not unheard of in remote areas, both on public and private lands, but it is un-

common to catch the illegal farmers in the act.

"It's something we keep our ears open to, but this is the first one I've seen on Cooper," he said.

In all probability, the growers would have harvested their crops and left prior to the archery deer season opener in early October.

"They would've folded up shop by October 1 ahead of archery deer season opening, but obviously didn't figure in the opening of teal and feral hog hunting season in mid-September," Stapleton noted.

Instead, they got an early season wakeup as their efforts to grow marijuana crops valued at \$6 million went up in smoke.

Notice of Tax Revenue Increase

The Sutton County conducted public hearings on September 3, 2015 and September 14, 2015 on a proposal to increase the total tax revenues of the Sutton County from properties on the tax roll in the preceding year by 2.000112 percent.

The total tax revenue raised last year at last year's tax rate of 0.529804 for each \$100 of taxable value was \$3,319,639.06.

The total tax revenue proposed to be raised this year at the proposed tax rate of 0.565355 for each \$100 of taxable value, excluding tax revenue to be raised from new property added to the tax roll this year, is \$3,382,090.92.

The total tax revenue proposed to be raised this year at the proposed tax rate of 0.565355 for each \$100 of taxable value, including tax revenue to be raised from new property added to the tax roll this year, is \$3,411,229.04.

The Sutton County Commissioners' Court is scheduled to vote on the tax rate that will result in that tax increase at a public meeting to be held on September 28, 2015 at Sutton County Annex Meeting Room, 300 East Oak St, Sonora, TX - Texas 76950 at 9:00 AM

Broncos: Continued from Front Page

made the PAT, and the Broncos were on their way to a record setting night. Broncos 22 - Eagles 7 with 0:11 seconds left in quarter one.

Grape Creek went three and out and punted. The Broncos started at their own ten-yard line. After one first down, Cordell threw a quick pass to Solis who raced down the field for a 78-yard touchdown. Unfortunately, a Bronco penalty negated the play. Four plays later, Jarrett Jackson (AKA JJ) ran wide for a 66-yard touchdown. The PAT failed when SanMiguel had his two point pass intercepted. Broncos 28 -Eagles 7 with 8:25 left in first half.

Each team then had drives that ended with "turn over on downs."

With time running out in the first half, Yourgalite got his

second forced fumble. This time Bryndon Robles covered for the Broncos. SanMiguel gained 29 yards on the flanker sweep. JJ got two carries in a row with the last one being a 12-yard touchdown run. Mendez made his kick. Sonora 35 - Grape Creek 7 with 3:09 left in first half.

Grape Creek opened the second half with an eleven play drive that ended when they failed to make a fourth down at the Broncos' 33-yard line. The Broncos mixed runs by JJ and SanMiguel with passes to Jonathan Martinez caught a perfectly executed tight end reception from Cordell setting up a first and goal from the nine-yard line. K Mart got his second rushing touchdown of the game on a nine-yard run. Mendez kicked the PAT.

Sonora 42 - Grape Creek 7 with 6:33 left in third.

The lights on the east side went out. A conspiracy theorist called me and claimed that he saw a man dressed in dark green running from the northern switch box. After thirty minutes, the officials and coaches decided to finish the game with only the west side lights working.

With 36 seconds left in the third quarter, JJ scored his third touchdown on a 34-yard run. Mendez kicked, the official signaled good, and the extra point went onto the Bronco Nation scoreboard showing that Sonora had scored 49 points to Grape Creek's 7.

The Eagles scored late in the third quarter. Juan Bernrostro scored a 41-yard touchdown on an option pitch. Barron completed a pass to Fry for

the two-point conversion. Sonora 49 - Grape Creek 15.

Sonora's last score of the game was Walker Sine's first varsity touchdown. Sine scored on a five-yard quarterback keeper. Mendez kicked the point after and Sonora led 56 to 15 with 7:36 left.

The Eagles were able to score one more touchdown. Cameron Bishop caught a 14-yard pass from Barron. Barron finished the scoring when he passed to Jakob Porter for the two-point conversion. Final Score: Sonora 56 - Grape Creek 23.

This week, the 3-3, 1-0 Broncos travel to Crane to take on 2-4, 1-0 Golden Cranes. Last year the Broncos defeated the Cranes at home 48-29.
