Muleshoe

Visitors in the home of Mrs. Mae Loyd last weekend were Mr. and Mrs. Alton Macon and children, Kristi and Steven from Chicago.

 Another county bicentennial baby was Reese Hillin, born to Mr. and Mrs. Terry Hillin of Muleshoe on July 4. The seven pound, two ounce boy was born at Methodist Hospital in Lubbock.

Grandparents are Mr. and Mrs. Carl Bamert, Muleshoe and Mr. and Mrs. Hylton Hillin, Nacogdoches.

 On July 18, the descendants of the late Frank Sinnacher Sr. and the Minnie Bruggeman family will hold their annual family reunion, in the Pep Parish Hall at Pep from 10:30 to 5 p.m.

Relatives and friends planning to attend the reunion are asked to bring a basket lunch, drinks will be furnished.

 Biographical sketches in the newest issue of the SPAG Regional Forum feature Board members from this County, Clarence Christian, City Council Member and Matt Dudley, County Commissioner.

 Mrs. Paul Hindelang returned home Sunday evening from a 23 days tour of ten European countries.

HEADING UP CAPSULE PROGRAM . . . Pointing with pride at the time capsule as it is ready to be lowered into the ground at the Bula cemetery last Monday morning are three women who did much work in getting the program ready. They are from left, Betty Harlan, Nonnie Blackman and Fay Jones. The capsule is scheduled to be opened in the year 2026.

According to figures released by Terry Hill, County Executive Director of the ASC office, 788 of the approximately 1300 farmers in the county have applied for prevented planting in cotton and milo.

The major part of the applications filed have been from the southern part of the county which is predominantly dryland farming and remains bone dry and parched by mid-July.

"We still need a good steady rain," said Hill, "a tenth of an inch here and a tenth of an inch there just isn't enough to plant down south."

Hill added that the corn that is up looks real good, and most of the cotton is in real good shape, with some cotton not quite up to standards in the dryer parts of the county.

Hill said, "If, due to natural

disaster, you were prevented from planting cotton acreage at least equal to the allotment, payment is made on underplanted acres times payment yield times 14.4 cents. Prevented cotton acres may subsequently be planted to another crop, such as sunflowers, without loss of payment."

He also said that for prevented wheat and feed grain planting, total acreage of non-conserving crops were at least equal to the wheat-feed grain allotments, payment is made on the underplanted acreage times payment yield times 76 cents for wheat and 50 cents for milo. Prevented planted grain sorghum - and any non-conserving crop planted will void that prevented planting application and the planted

Celebration Termed Success Despite Small Problems

From daylight until after dark, Monday, July 5, 1976 was proclaimed a "fantastic success" in Muleshoe, with multitudes being given by the Muleshoe Chamber of Commerce Board of Directors and Executive Director, Tommy Black.

A full-house crowd was on hand all day for the activities, which started with the annual Pony Relay Race, under direction of Mrs. Leon Spears. Delia Shaw, a rider for the West Camp team, took a spill, but was unhurt in the early morning race which started in Needmore and ended just south of the Muleshoe city limits.

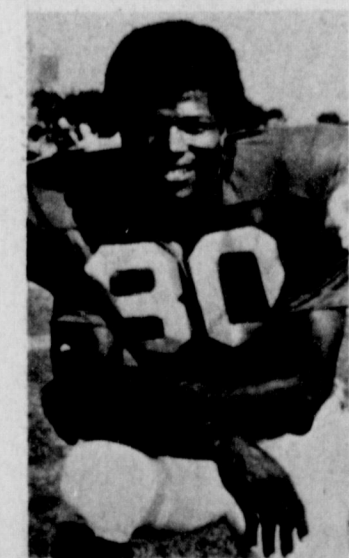

This was followed by the Jaycee Pancake breakfast, with the Muleshoe Jaycees feeding hungry people bacon, pancakes, coffee and orange juice until 11 a.m.

Former Athlete Guest Speaker In Muleshoe

Today (Sunday) at 10:30 a.m., Willie Franklin will be speaking at the Muleshoe Church of Christ on American Blvd. during regular morning worship hours.

He was recognized in football and track as a Junior College All American. He holds the Junior College National Javelin record. Following two years at O.U., he played for the Baltimore Colts and the Philadelphia Bells. He is a student at Harding Preaching School.

Franklin and Ron Fletcher, minister from Clinton, Okla. were speakers at the Youth Advance held Saturday at the Church of Christ.

WILLIE FRANKLIN

At the same time, Muleshoe's first county fair was getting underway on the easy courthouse lawn, with many booths set up. Winning the top three places for their booths were Boy Scouts, first for their old fashioned lemonade stand; Laz-buddie FHA second for a bake sale booth and the Rainbow Girls third for an old fashioned homemade ice cream booth.

All around the courthouse were activities, with the Kids' Day activities taking a spotlight for fast action and varied activities. At the same time, the Muleshoe pitching contest was underway on the northeast corner of the courthouse square, with 14-year-old Russell Magby of Muleshoe unseating Ed Neutzler to win the National Muleshoe Pitching title.

Black praised Pat Shafer, Chamber of Commerce Director who coordinated the county fair, and said the board of directors of the Chamber of Commerce were more cooperative than he has known board members to be in the past.

He also praised other organizations and individuals who made all the arrangements and worked hard to make the celebration a big success.

"I just don't know how to thank R.A. Bradley enough," commented Black. "He is really to be commended for all his work, especially for the parade. His work is partially due to the reason he was awarded 'Citizen of the Year' a few years ago. He is always active in all civic events. If something is going on, Brad is there."

Also, Black gave a special thanks to the Muleshoe Volunteer Fire Department who "don't get the thanks they deserve or the deserved publicity. They not only always handle

the fireworks for our celebrations, efficiently, but they also work on fires not only in this county, but also Parmer and Lamb Counties, they are active at sports events and save the public money by making all their own equipment. They are also trained ambulance drivers."

According to Black, the County Commissioners thanked the Chamber of Commerce for scheduling the celebration on Monday instead of Sunday, as it allowed the people to go to church and enabled a better celebration for the following day.

Thanks were also expressed for the general public, who were

Church Slates Special Services All This Week

Elder H.O. Ballard of Duncan, Okla. will conduct a series of meetings during this week, starting Monday, July 12, at the Muleshoe Primitive Baptist Church. The meetings will be conducted each evening at 7:30 p.m. and at the regular Sunday morning service on Sunday, July 18, at 10:00 a.m.

Harvey Bass said some of the discussions will be "One Church", "The Blood of Christ", "Not By Works, But By Grace We Are Saved", "Security of the Saints" and many other subjects from the King James Bible.

Bass said visitors are always welcomed at the Muleshoe Primitive Baptist Church, and the church has invited anyone to the services who would like to attend.

Bailey County Commissioners Court

AGENDA

The Bailey County Commissioner's Court will meet in regular session at their regular meeting place in the courthouse Monday, July 12, 1976.

The meeting will begin at 10:00 o'clock a.m., and will continue until 5:00 o'clock p.m., with the following items on the Agenda:

1. Approve minutes of previous meeting.
2. Define boundaries for the Election Precincts.
3. Open bids for purchase of Sheriff's Car 1:00 o'clock p.m.
4. Discuss postage scale and meter.
5. Fix tax rates.
6. Consider Resolution relative to membership in the State Library System for the High Plains Library Bookmobile.
7. Payment of County bills.
8. Other minor items.

The public is cordially invited to attend the meeting, and to be heard.

outstanding in picking up their litter in the parks; to the city and the Parks Dept. for having the park in a good shape for the picnic and fireworks; to the Kiwanis Club for allowing the Chamber of Commerce to purchase the fireworks at a cost which allowed a greater display and to everyone who had a part in making the day successful.

Local businessmen expressed deep disappointment that no band from Muleshoe participated in the parade, and were asking questions this week about the lack of participation by the high school or junior high school bands. According to one businessman, "When they need help, who do they come to? I for one, do not feel we should help them (the band) unless they participate sometimes in community activities."

One band member said 24 members of the Muleshoe High School band showed up, so Bandmaster Tony Clines refused to allow them to march in the parade.

Unfortunately, the greased pig contest did not work out quite as planned. This was a first time event for the Muleshoe Chamber of Commerce although it is a common event nationwide for other celebrations.

There was no cruelty intended, assured Black, and a Muleshoe veterinarian was on the field during the contest. It was thought that perhaps the pig was too small for the race. Although a larger pig had been sought, none was made available at a price in the range of what funds the Chamber of Commerce had to spend on the event.

It is the decision of the Chamber of Commerce that if the event is offensive to the local and area citizenry, it will not be planned for future celebrations. Black asks that you please express your feelings to the Chamber office or Board of Directors.

Judged best dressed at the annual Sidewalk Sale on Saturday was Anna Gonzales, dressed in a gown made for her 12 years ago by her mother, Mrs. Aurelia Cuevas.

Winners in the parade division included ESA, first in float; YL 4-H, second and Llano Estacado, third in the float division. A white truck was first in the antique care; 1932 Ford second and 47 Packard, third.

Following a bicentennial and patriotic program by Glenda Jennings at the Old Settler's Reunion, Mrs. Lula Kistler was presented as the oldest person present, at the age of 96;

Local Health Office Now At New Location

On Thursday, the local Texas Department of Health Resources, formerly located on West Avenue C, started moving into newly renovated offices at 206 West Second Street.

For the past several months, work has been underway to complete renovation of the new location, complete with individual offices, a reception and bookkeeping area, examining rooms and a lab room.

The office, which is not a welfare office, explained the Texas Dept. of Health Resources, is a public service office the same as the highway department, schools and other offices. Their services are free to the public and not limited to welfare recipients.

JC Project Aids Elderly In Muleshoe

Just in case you think the Jaycees are in the money-making business through various projects - it just ain't so, at least in Muleshoe with the local Jaycees.

One of their philanthropic projects was much in evidence this week when several Jaycees borrowed a Church bus Monday evening and went to the Muleshoe Nursing Home to take residents who wanted to go to the Bicentennial singing and fireworks.

Of the people who took advantage of the Jaycees offer, one of the elderly gentlemen said, "I have lived around here for years, and this will be the first time I have ever been to the fireworks."

Those who attended were well pleased with the brief trip as they joined in the community singing and watched the brilliant display of fireworks light up the early night sky.

This is just one of the many projects for the Muleshoe Jaycees, and one of their prouder accomplishments, to do something for Older Americans.

RECEIVES AWARD . . . Mrs. Jess (Laverne) Winn is presented a "Certificate of Service" for 15 years at the County ASC office. Making the presentation is Terry Hill Bailey County Executive Director.

Muleshoe Youth Win Trophies At Tri-State Rodeo Finals

Members of the Muleshoe Tri-State Rodeo team who qualified for the finals competing in Lubbock last week included team members Debbie Polvado, Karen Mixon, Kelly Mixon, Wayland Barker, Dan Ellis and Eddy Mardis.

Debbie Polvado, daughter of Mr. and Mrs. Bob Polvado of Morton, won second in the average in barrel racing and received a belt buckle.

Wayland Barker, son of Mr. and Mrs. Buster Kittrell, made the highest score in bare-back bronc riding. He won second in the average, also receiving a belt buckle.

Team roping partners for the year were Dan Ellis, son of Mr. and Mrs. Frank Ellis and Eddy

Mardis, son of Mr. and Mrs. Clifford Mardis. Dan and Eddy won champion team-ropers, each receiving a trophy saddle and a belt buckle. Dan and Eddy won second in the average in team roping, each receiving a belt buckle. Dan also won reserve champion ribbon roper for the year and was awarded a belt buckle.

Eddy won champion calf roper for the year and was presented a trophy saddle and a belt buckle. Third in average in ribbon roping also won another belt buckle for Eddy.

The Muleshoe boys totaled the most points of all teams for the year and brought home the year end team trophy.

JAYCEE PROJECT . . . As a local Jaycee project, Muleshoe Jaycees borrowed a church bus to take people from the Muleshoe Nursing Home to watch the fireworks and hear the singing last Monday evening. Pictured here from left are Timeto Cantu, Arthur Perkins and Muleshoe Jaycee, Leon Logsdon.

DUAL WINNER . . . Winner of two saddles and several buckles is Eddy Mardis, son of Mr. and Mrs. Clifford Mardis, as a member of the Tri-State Rodeo Team.

SADDLE WINNER . . . Dan Ellis, son of Mr. and Mrs. Frank Ellis, won a saddle and several buckles for his efforts in roping for the Muleshoe Tri-State Rodeo team.

POLE SITTER

SAN JOSE, CALIF. -- Frank Perkins has broken the record by staying atop a 50-foot pole 274 days. Now he says he'll stay atop the pole until the 4th of July.

ON FOOD STAMPS

The Agriculture Department has proposed new regulations for the food stamp program designed to save \$1.2 billion annually and cut the rolls by at least 5.3 million persons.

700 Exposed To Hepatitis

At Sudan Fete

Some 700 persons in Sudan have been accidentally exposed to hepatitis this week and have been advised to see their doctor for preventative inoculation, according to information from that town about 17 miles east of Muleshoe on Highway 84. Although he did not realize it at the time, a Sudan Lions Club member who helped serve the barbecue at Sudan's Fourth of July Celebration had infectious hepatitis. He has since been hospitalized with the jaundice stage of the disease.

According to the doctor treating the hepatitis victim, all persons who ate or drank at the Sudan barbecue dinner should see their doctor for gamma globulin injections. The doctor said hepatitis can cause permanent damage to the liver.

Symptoms of hepatitis are nausea and other symptoms that accompany flu or virus infections. The incubation period for the disease is between 15 and 35 days.

Around 700 tickets for the barbecue dinner had been sold by the Sudan Lions Club.

State Taxes Are Collected By Auditing

Comptroller Bob Bullock said the enforcement officers of his Lubbock district office revealed through audits \$46,087 in additional taxes owed the state and collected another \$90,395 in taxes during the month of June. The Lubbock office, headed by Donald F. Paxton, is located in Suite 400, 4902 34th Street, in the Terrace Shopping Center, telephone 795-0691.

The Lubbock office covers Lubbock, Bailey, Borden, Cochran, Cottle, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Hockley, Kent, King, Lamb, Lynn, Motley, Terry and Yoakum Counties.

Bullock said the office conducted 22 audits during June, yielding an average \$195.25 in additional taxes owed per audit hour.

Of the \$90,395 collected by the office during the month, the Comptroller noted, \$71,400 had become delinquent.

Statewide field collections by the Comptroller's 36 district offices totaled \$4.6 million during June, including \$2.3 million in delinquent taxes, Bullock said. He said the combined audit efforts of the field offices turned up a total \$3.6 million in additional revenue owed the state.

Bullock also announced that the Lubbock office will be open from 7:30 a.m. to 5:30 p.m. for the convenience of taxpayers.

ners in the Young Homemakers Fire Plug painting contest were Mark Northcutt, first; Rebecca Barber, second and Toni Beversdorf, third.

In the beard contest, Joe Costen won double honors for the longest and the ugliest beard; Ted Barnhill, prettiest; Royce Harris, baby face award and Hugh Young, most outstanding mustache.

An additional award was presented Eddie Black as being the best all-around in the youth events.

Tired, sore and pleased, the Muleshoe Chamber of Commerce and its board of directors concluded a successful Bicentennial and July 4th Celebration, with plans already underway for next year, and another celebration.

program crop will still be covered by the low-yield provisions.

The Executive Director of ASC said that some producers may be eligible for low yield wheat payment, and if that is the case, it will be necessary to bring in a copy of the warehouse ledger sheet as production evidence. He added that any wheat stored on the farm must be reported.

Final date for certifying cotton, grain sorghum, corn, peanuts and soybeans is August 2, and failure to report by that date will make the producers ineligible for all program benefits.

Hill, who grew up in Dimmitt and graduated from Dimmitt High School, has been Executive Director of the local ASC office since April, moving here from Granbury.

He is a second generation ASC, as his father has been director of the Castro County ASC office for more than 30 years. Hill graduated from Dimmitt High School in 1966 and received an AB from Levelland Junior College and his BA from Angelo University.

He and his wife, Kathy, also a Dimmitt native, are the parents of Brent, a second grader and Clint, seven months old.

TO PERFORM HERE . . . The "Enthusiastics", a youth choral group from First Assembly of God, Aurora, Colo., will be singing at the First Assembly of God Church in Muleshoe on July 14 at 7:30 p.m., according to the Rev. H.D. Hunter Jr., host pastor. The Enthusiastics, under the direction of Jim Johnson, youth pastor, will present a program of sacred, gospel, and contemporary music. The concert is open to the public at no charge, according to Rev. Hunter.

Bula News By Mrs. J. Blackman

We say "congratulations" to Oralia Davila as the recipient of a \$400 scholarship, given by the Five Area Telephone Cooperative. Oralia is the daughter of Mr. and Mrs. Bernie Davila of Bula, and was a graduate of Three Way High School this year.

She had been a student of Bula Schools her entire 12 years of schooling, until this year, when Bula consolidated with Three Way. She was active in all sports of the school, as well as literary participation of her classes. She attends the Enochs Baptist Church and plans to attend South Plains College and study Vocational Nursing Training.

Mr. and Mrs. Lloyd Pollard have their grandsons this week. They are Wade and Brian Pollard, children of Mr. and Mrs. Lamar Pollard of Whitharral. They took them to the activities of the Time Capsule, at Bula. They also took in several of the children events, in Muleshoe, and stayed for the fire works display that night.

Miss LaVon Kunselman of Spearman, is here waiting in the home of her sister and husband, Mr. and Mrs. Larry Clawson.

Mr. and Mrs. Jerry Cox had a visit Tuesday from a friend and a member of their school graduating class of '62. The visitor was Freddie Piaz, from Denver, Colo. Piaz works for the county he lives in, doing welfare work.

Cliff and Chris DeSautell of Slaton and grandsons of Mr. and Mrs. John Latham, were participants in the Junior Rodeo in Muleshoe Saturday night. Chris won third in cow riding and Cliff won a first and third in cow riding. Cliff won third in rescue race and third in flag race.

Mr. and Mrs. Tom Bogard had with them over the Fourth holidays a daughter, Mrs. Delbert Roberts and boys, Rance and Kendon, from Junction and a grandson, Mr. and Mrs. Bo Gaston and girls, Karen and Jodi, from Granbury. Sunday, Mr. and Mrs. Ray Kennison and girls, Kim and Dusty, of Olton came over to be with them.

Patti Cash of Portales, N.M., spent the Fourth of July holidays with her grandparents, Mr. and Mrs. John Blackman. She came to witness the burying of Bula's time capsule, and also enjoyed several of the activities at Muleshoe.

They also got to see the new grandbaby of Mr. and Mrs. Buddy Blackman, Meredith Lashell Douglas, daughter of Mr. and Mrs. Eddie Douglas, of Richardson. They made a short visit with Patti's grandmother, Mrs. Blanche Cash, and ate hamburgers with her before going to see the fire works. This was the closing activity for the fourth in Muleshoe.

Jarrod Withrow, son of Mr. and Mrs. Jack Withrow is in Haskell for a two week singing school, held at the Church of Christ there. The school is an annual affair, and has a staff of five teachers.

They are Holland Boring Sr., Holland Boring, Jr., Tom Chapin, Billie Bob Shaw, and Bob Connel. They are trained in the field of song leading, courses in rudiments of music, song reading and writing.

On the last day of school, July 16, a special program will be given, to the public.

Paul Young continues making good recovery from surgery. He underwent surgery last week, at Methodist Hospital in Lubbock.

Mr. and Mrs. Eugene Bryan enjoyed having visit with them the fourth, their daughter and family, Mr. and Mrs. Art Foley and boys, Danny, Feris and Steve. Steve is just home from Panama, where he is with Uncle Sam's army stationed there. Also their great grandchildren, Deana and Bryan Foley were with them.

The Bula Baptist Church will be observing their 50th Anniversary of the church on Sunday, August 22. They are trying to find the residences of all the past pastors of the church. They would appreciate any information.

Mr. and Mrs. Rodney Marshall of Whitharral spent Sunday night and Monday with her parents, the Nolan Harlans.

Mr. and Mrs. P.R. Pierce had as their guests this week, her

..... sister and husband, Mr. and Mrs. J.D. McNew, from Fort Davis. They will also visit with other relatives in the area.

..... Stewart Sibitzky and son, David, from Air Force Base Keesler, Michigan spent Sunday night and Monday, in the home of Mr. and Mrs. F.L. Simmons.

Sibitzky is a grandson of the Simmons, and David a great grandson. They were enroute to San Antonio, for six weeks of schooling.

You can BANK on It!

Bill Loyd, President Muleshoe State Bank

Thomas Jefferson is back with us again -- it is his visage that appears on the face of the new \$2 bills that returned to the monetary scene after an absence of some 10 years.

Some people at the Federal Reserve say that one of the reasons the \$2 bill never gained popularity is that there never were enough issued, and thus they were not circulated as widely as other denominations.

With their scarcity came suspicion, some Treasury officials say, and along with the suspicion came old wives' tales about the bill bringing bad luck. Old timers can recall when people tore the corners of a \$2 bill before they cashed them to break the spell.

Issued first in 1918, the Treasury is going to make sure this time there are enough of the bills available. They plan to issue at least 400,000,000 each year from now on. The Treasury says it expects to save \$30 million over the next five years in printing and handling costs with the new bill in circulation.

FARMERS

if you have received adequate rainfall for planting . . . here's information you need to know.

Miss Ramm, Mechlin Married In Missouri

Miss Rebecca Ann Ramm, daughter of Mr. and Mrs. Fred Ramm, Route 3, Carthage, Missouri, and William Ross Mechlin, son of Mr. and Mrs. Paul Mechlin, Mexico, Missouri, were married June 5, at Faith Lutheran Church, Carthage, Mo.

Given in marriage by her parents and escorted by her father, the bride wore a white formal dacron polyester organza gown with an attached chapel length train. The high neck and long sleeves were made of sheer organza and trimmed with Venice lace. The bodice and empire waistline were trimmed with matching lace. Two rows of lace trimmed the front and trailed into the back of the gown. Two rows of lace trimmed the front and trailed into the back of the gown. Here two tiered imported illusion veil fell from a Camelot cap, detailed with Venice lace and seed pearls. She carried a cascade of cymbidium orchids, stephanotis, lovers knots and streamers of blue lace ribbon.

The double-ring ceremony was performed by the Reverend William J. MacGregor before an altar decorated with arrangements of white gladioli, with blue and deep coral carnations, jade greenery, and candelabra. Family pews were marked with white picot satin bows entwined with peach and blue pom poms. The traditional wedding music was provided by Mrs. Ben Zeckser, organist. Robert Campbell, Pittsburg, Kansas, was soloist, and Bryan Haubein, guitarist. The songs were the "Wedding Prayer" and "1 Corinthians: 13".

Mrs. Gaye Dally, sister of the bride, was matron of honor, and Mrs. Gwen Campbell, Pittsburg, Kansas, was bridesmaid. They wore identical formal dresses of voile with blue roses on a peach background accented by the collar forming a cape which dipped to the waistline in back and a flounce ruffle at the

hemline. They carried nosegays of cornflowers, blue pom poms, deep coral carnations with baby's breath and blue butterflies with blue trim and streamers.

Serving as best man was Mike Freissner, Lake Ozark, Missouri. Curt Mechlin, Mexico, Mo., brother of the bridegroom, was groomsmen. Ushers were Ronald Ramm, brother of the bride and David Dally, brother-in-law of the bride. Todd Fremant served as candlelighter.

Miss Deanna Denney presided at the guest book. Assisting with the reception in the church parish hall were Mrs. Debbie Ramm, sister-in-law of the bride, Mrs. Pam Turner, Columbia, Mo., and Mrs. Patty Adams, Centralia, Mo., sisters of the bridegroom.

Distributing rice bags were Chris Ramm and Heather Dally, nephew and niece of the bride.

For traveling the bride chose a mint green pantsuit. Following a wedding trip the couple will make their home in Mexico, Mo. Out of town guests included Mr. and Mrs. Eddie Ramm, Muleshoe, grandparents of the bride, and Mrs. Elnora Kube, Farwell.

THIS SIGN... ON A NEW HOUSE MEANS 40% OR MORE SAVINGS ON HEATING & COOLING COSTS

It has been known for some time that methods existed to insure the building of ENERGY EFFICIENT HOMES. But inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY EFFICIENT HOME has construction features which result in savings of 40% or more on heating and cooling costs when compared to previously accepted standards for total electric construction. You'll be hearing more about the ENERGY EFFICIENT HOME. If

you're considering a newly constructed home, let us work with you and your builder to assure that your new home is designed for maximum comfort and energy savings — THE TOTAL ELECTRIC — ENERGY EFFICIENT HOME.

Public Notice

Muleshoe Independent School District is now accepting applications for male and/or female qualified bus drivers for the coming school year. Applicants must be able to obtain, prior to employment, a Texas Chauffeur's License, pass a Physical Examination provided for by the School, and have a safe driving record from the Texas Department of Public Safety.

The salary is \$50 to \$65 per week, with driving time being two to three hours per day. Application forms may be picked up from Homer Long at the bus garage or at the School Business Office. 27s-6tc

On Wall Street

"Americans buy cars by the pound," says the executive director of the American Imported Automobile Association. His statement reflects the sad but true fact that foreign car sales are lagging way behind the surge in U.S. car sales. Total car sales jumped 27 percent in the first six months of this year but the market share of the imports dropped from 20 percent to 14 percent. The big two reasons are the continuing love affair that Americans have with big cars, and the higher prices of the foreign cars. Three years ago European cars had 60 percent of the import market. Today, Japan has 60 percent and the Europeans have 40 percent. Volkswagen, the

leader in previous years has been hurt the most, falling well behind Datsun and Toyota. The VW Rabbit, designed to replace the Beetle, starts at \$3499. Sale of VWs in this country in June were almost 50 percent behind last year. Out of 1124 dealerships in the U.S., more than 40 have closed in 1976.

Although other European car manufacturers are not trying to introduce a new car to replace a well established model, such as the Beetle, they do have to compete with the lower priced Japanese imports and against the lower priced American compacts. Toyota, Datsun, and Honda all offer models in the \$2,800 price bracket. The Japanese also offer more model choices than the European cars but with perhaps less flashy engineering. The Europeans car makers, in an attempt to blunt the lower

priced Japanese cars, are emphasizing the prestige aspects of owning one of their cars. Volvo is appealing to the \$6,400 to \$10,000 car buyer, after feeling the competition from Chrysler's Volare and Ford's Granada.

It's the lower priced European cars that are suffering the most. Fiat, with a total sales drop of 30 percent is having trouble dealing its \$2,988 Model 128, but the Fiat sports car which sells for above \$5,000 is sold out. BMW and Mercedes-Benz with very high priced cars are setting sales records.

Foreign car dealers have not given up on U.S. sales, however. Mazda, Japanese rotary-engine car maker is trying to counter two years of sharply dropping sales by offering a two-year or 25,000 mile free

service package, including oil and tuneups along with the regular warranty coverage of parts and labor.

A&M COTTON FIRST IN VALLEY

TAMCOT SP 37, an early-maturing variety of cotton developed by Dr. Luther Bird, a Texas A&M University scientist, has produced the first bale of the new season. The 498-pound bale was produced by Oscar Mayfield & Sons in Cameron County and was ginned June 22 by the Rio Hondo Co-Op Gin. Dr. Bird, a cotton breeder for the Texas Agricultural Experiment Station, developed the variety about five years ago. The variety has produced the first bale in three of the last four years.

An investment in Your Future

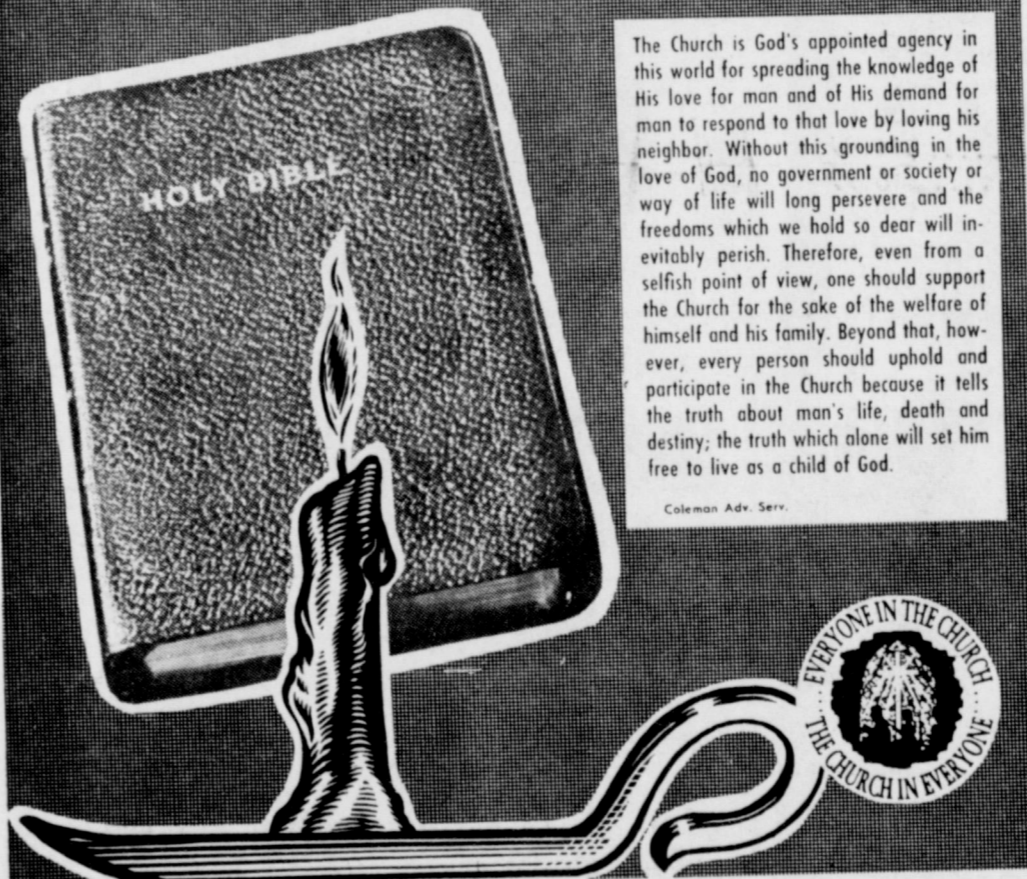

ATTEND CHURCH

"For where your treasure is, there will your heart be also"

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."
The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.
"The entrance of thy words giveth light, it giveth understanding..."
Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Spider Mites Bad News For Gardens

Spider mites, or red spiders as they are sometimes called, spell bad news for a garden.

"There's no way to keep spider mites out of your garden, but it's a good idea to be able to recognize the pests and what type of damage they do," says Spencer Tanksley, county agent for the Texas Agricultural Extension Service.

Spider mites are quite small, about 1/60 of an inch long, and can be white, red or green in color. They lay eggs on the undersides of leaves and the eggs hatch in about five days. The life cycle of a spider mite lasts three weeks. Hot dry weather is particularly favorable for their development.

Spider mites prefer beans, tomatoes and peas but will attack almost any plant. The bugs feed by sticking their mouthparts into leaf tissue and sucking out the juice while injecting a toxic substance into

the leaf at the same time.

"When a plant is infected with mites," says Tanksley, "it shows up as tiny spots on the undersides of leaves. Heavy infestations of mites cause bleaching and yellowing along the main leaf veins at first and later the whole leaf is affected." After a while, the leaf's edges curl up, turn brown and eventually drop off the plant. If not controlled, spider mites can completely defoliate a plant. Tanksley recommends using only pesticide compounds specifically intended to control mites. These may have to be applied from two to four times

A cat may have nine lives but, when you're on the highway, remember you're not a cat.

What this country needs is good people, and you can do your part along this line.

and used once every five days. "Use pesticides only as directed and inspect your plants frequently to check for signs of spider mites," Tanksley says. "Some good insecticides to use include diazinon, kelthane, malathion, ethion and sulfur."

TEXAS 4-H CONGRESS

4-H youth from throughout the state who will be participating in the Texas 4-H Congress July 27-30 in Austin will have an opportunity to get involved in the law-making process. The youth will actually take part in the process of presenting a bill before the Texas Legislature, points out a state 4-H and youth leader for the Texas Agricultural Extension Service. The Congress will be headquartered at the Stephen F. Austin Hotel. This year's theme is "We the People..." 4-Hers will hear from a number of key government officials and will also elect members to the Texas 4-H Council for 1976-77.
