

Indians, Maidens qualify for state

Three individuals and three relay teams will represent Haskell in the state track meet in Austin Saturday, May 13.

For the Indians, Derrick Billington in the 100-meter dash, Dusty Meeks in the high jump and the 400- and 1600-meter relay teams will carry the team's hopes of retaining the state 2A championship won last spring.

And for the Maidens, Joy McKeever in the 100-meter hurdles will be going to the state meet for the third time in her brilliant career. The

Maidens' 800-meter relay team also will be going.

Spots in the state meet were won last weekend in the regional track meet in Abilene. The Indians repeated as team champions of the region, while the Maidens came in fifth.

Billington ran the 100 in 11-flat to take first place in the regional. Meeks also took a first place with a 6-4 high jump. The 1600 relay team of Jonathan Dever, Rodney Johnson, Josh Reid and Billington added another first place to the Indian total

by winning with a time of 3:27.0. And the 400 relay team of Dever, Johnson and Johnie and Derrick Billington qualified for state by coming in second with a time of 43.5, just two-tenths of a second behind Idalou's 43.3.

McKeever of the Maidens clicked off the 100 hurdles in 14.5 to easily take first place in that event. The 800 relay team of McKeever, Teresa and Sheila Unger and Regina Dever earned a state meet berth by coming in second in regional with a time of

1:48.6.

Field events for 2A schools in the state track meet will be Saturday morning (May 13) and running events will be Saturday night, along with those of 5A schools.

Meeks' high jump event is scheduled to begin at 9 a.m. The Indians' 400 relay team will run at 7 p.m. McKeever's hurdle event is at 7:40 p.m. and Billington's 100-meter dash is set for 8 p.m. The girls' 800 relay is at 8:20 p.m., and the boys' 1600 relay at 10 p.m.

Other performers did well in the regional meet. Josh Reid was fourth in the 300-meter hurdles (40.2), Johnie Billington fourth in the 200 (22.6) and Dever was sixth in the 400 (55.1). The Maidens' 1600 relay team came in third (4:05.1).

This Friday, both the Indians and Maidens will tune up for the state meet by competing in a state qualifiers track meet at Abilene Christian University. Field events will begin at 4 p.m. and running events at 5:30.

The public is invited to attend any and all events.

Three Boy Scouts earn Eagle rank

An Eagle Scout Court of Honor will be held Sunday (May 7), at the First United Methodist Church, beginning at 3 p.m. for three members of Troop 136.

First Baptist plans workshop

All parents in the area interested in learning new communications skills are invited to a workshop to be conducted by the Parent Ministry of the First Baptist Church of Haskell.

The workshop will begin at 7 p.m. Sunday in the First Baptist Church Family Activity Center. Those wishing to attend are being asked to contact the First Baptist Church office (864-2581) by Friday afternoon so that enough material will be available for each participant. There is no charge for the workshop.

Sponsors of the program point out that one of the biggest and most apparent problems between youth and parents is the lack of ability to communicate. They also note that adults sometimes have difficulty in communicating with other adults.

Lou Gilly, county agent/home demonstration, will conduct the program.

There is no charge for the workshop.

TV to feature Haskell students

Joy McKeever and Loutina Hadaway are among 34 Big Country graduating seniors being saluted on an Abilene television station.

The series began Monday on KTAB-TV and will continue through May 9, airing daily during newscasts at 6 and 10 p.m. Title of the series is "Dr. Pepper/KTAB Senior Salutes."

Miss McKeever is valedictorian of this year's Haskell graduating class and Miss Hadaway is salutatorian.

The annual parent/member banquet of the Haskell FFA will be tonight at the Civic Center.

It will begin at 7 o'clock.

Among the performers at "Sunday in the Park" will be the Fly By Night Cattle Company band from Stamford. Members are, front row from left, Chad Coleman, lead singer; Alvin Sconce, sound; Bryan Sconce, drums; back row, Gary Miller, lead guitar; Dennis Huffaker, bass; and Gary Wimberly, lead guitar.

City and school elections Saturday

Two important elections take place in Haskell Saturday, one for three members to the City Council and another for two members of the School Board.

City balloting will be from 7 a.m. to 7 p.m. in the City Hall annex. The school voting will be from 7 a.m. to 7 p.m. at the Haskell National Bank Community Room.

The names of six men, including those of two incumbents, appear on the city ballot. They include

incumbents Jerry Stocks and Darrell Smith, and Bill Trammell, Kip Nemir, Tony Burson and Johnny Campbell. The three receiving the greatest number of votes will be elected. (Robert Kramp, whose council term is expiring, did not file for re-election.)

In the school election, incumbents Pat Henry and Mike Guess are both candidates for reelection. The third candidate is Bob Avcock.

Duck races

Checking out the ducks at the city park in anticipation of Sunday's duck races are Rotarians Mark Wallace, Bob Baker and Charles Thornhill.

'Sunday in the Park' offers entertainment

Five hours of entertainment, including music, food, games and contests, are on tap for Haskell's "Sunday in the Park". It all begins at 12:30 Sunday afternoon, and continues until 5:30.

Entry fee for the races will be \$10, which includes a T-shirt. T-shirts also will be available to the public for \$10. The Rotary club will present trophies to race winners.

Awards assembly planned by school

The second annual awards assembly at the Haskell Secondary School has been set for May 18. It will begin at 12:50 p.m. in the high school auditorium.

Students in grades 7 through 12 will receive certificates of achievement in various areas of endeavor.

Parents and other residents of the community are invited to attend the special occasion. Parents also are invited to join students for lunch in the cafeteria at 12:05 p.m. (cost \$1.55).

The assembly will follow lunch.

Immediately following the assembly, the Student Council will sponsor a reception for students and guests in the central lobby of the high school building.

When sixth-period class schedules resume, parents and guests are invited to sit with the students in a class of their choice for the rest of the afternoon.

"The faculty and administration sincerely hope that the community will take this opportunity to visit the secondary school and take pride in the accomplishments of its students," said principal Gerald McCoy.

Mindy Ballard

Mindy Ballard named district FFA sweetheart

Mindy Ballard, Rochester FFA sweetheart, was named Double Mountain district FFA sweetheart at a contest held April 25 in Hamlin.

She competed against 10 other girls.

She will compete in the area contest May 12-13 in San Angelo.

Mindy is the daughter of Mr. and Mrs. Lon Ballard of Rochester.

Balloon liftoff

The sixth grade's fourth annual Balloon Liftoff will be today (Thursday) from the elementary school grounds. It will begin shortly after 2 p.m.

Students of Debbie Earles and Letha Newton receive helium-filled balloons as rewards for accomplishments in a reading contest. One balloon is given for every 300 pages read during the contest period.

Fry qualifies for state in golf

Trina Fry, daughter of Mr. and Mrs. Keith Fry of Rochester, shot a 36-hole 191 at the regional UIL golf tournament in Abilene last week. She was second medalist out of 72 girls from the region and will play in the state UIL golf tournament in Austin May 11. This will be her second year to go.

Trina and her tennis doubles partner, Kim Bateman, took first place for the second year in row at the regional UIL tennis tournament held at Cooper High School. They advance to state competition for the third straight year. They won third in state in 1988. The tennis tournament will be May 12-13.

Benefit game to be Saturday

A benefit basketball game between seniors on this year's high school team and their coaches is scheduled for Saturday night, beginning at 7:30 in the Indian gym.

The game is being sponsored by the Haskell High School Student Council. Proceeds will be used to help with Party '89, the graduation party for the county's graduating seniors.

Tax News For Seniors

Older Americans may have special tax rules that apply only to them. To find out how to make your taxes less taxing, call 1-800-424-3676, and order free IRS Publication 931, "New Tax Law Guide for Older Americans."

Winners

Joy McKeever was voted "Best Hobo Girl" and Bobby Medford Jr. "Best Hobo Boy" at a recent Hobo Supper party in the home of Sammy and Gerre Larned honoring this year's Haskell High School seniors.

Seniors treated to 'Hobo Supper'

On April 16, sponsors and members of the 1989 senior class of Haskell High School were invited to the home of Sammy and Gerre Larned for a "Hobo Supper."

The hosts, several sponsors and many of the seniors dressed as modern day hoboes, wearing an amusing variety of ragged jeans, torn slacks, tacky shirts and weird hats and ties. Bobby Medford Jr. was voted "Best Hobo Boy" and Joy McKeever "Best Hobo Girl."

After eating a hobo-style meal in pie tins and jars, the seniors played several unusual games. One of the

most popular involved answering questions that dealt with the student's adventures in education and experiences in life.

Plans were made for a tenth-year reunion during homecoming activities in 1999. Predictions about fellow classmates were made, and these will be reviewed at the 1999 "get-together."

Examples of these predictions included: "Which boy and which girl will change the most during the next 10 years?" and "Which boy and which girl will become the most famous?"

"DECISIONS MADE EARLY"

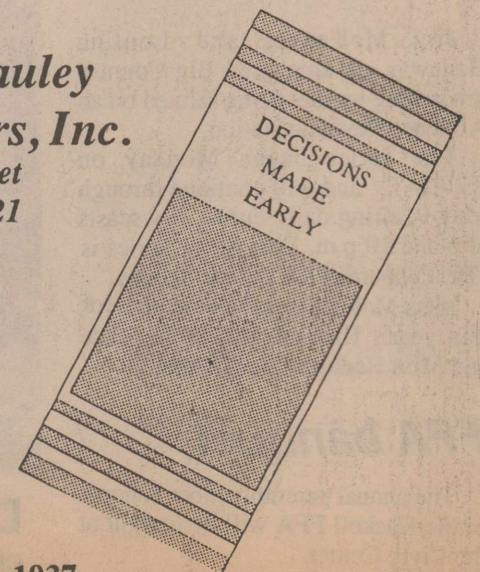

Simply come by or call and we will come by to see you.

Many people plan for what might happen-fire, burglary, injury, and accidents. Now more and more people are planning for what will inevitably happen. It simply makes good sense to prepare for that which we can not avoid.

Pre-need funeral arranging allows one to control the type of service they would prefer, select a means of financing it, freeze the prices at to-days price, and save loved ones the anguish of deciding these matters at a later date. Really it is the loving thing to do for your family.

--Haskell Nursing Center--

By Mary Beth Hunt
Activites Coordinator

Spring is in the air at the Center. Residents and staff alike are beginning to show symptoms of "spring fever." Everyone, it seems, wants to spend time out of doors. In the near future we hope to form a group for "nature walks." As usual, we are in need of volunteers to help us out in this endeavor.

The residents and staff would like to extend a warm welcome to our newest residents: Mrs. Elsie McGee of Haskell, Mrs. Lupe Granado of Haskell and Mr. George Goble of Rule. Mrs. Jessie Parmely of Rochester also joins us. Any family or friends of these residents are invited to stop by any time and visit. Elvis Shipman also joins us.

April 16 through 22 was "National Volunteer Week." We do not want this to pass without letting all of our volunteers know just how much we appreciate, enjoy, look forward to and cherish them. You all help brighten up the lives of some very grateful folks. We simply say "Thank you so

much, and may God bless each and every one of you."

Our volunteers are:
Mrs. Vivian Shaw, who comes every day to fill our pitchers with ice water and every Tuesday morning to do everyone's nails, who also plays dominos or bingo or whatever we're playing, who always has a kind word for everyone.

Mrs. Louise Chambers, who comes every day to visit her mother, Mrs. Tommie Anders, and also visits with Mrs. Ruby Clemmer and does her hair and nails, who usually accompanies us on our monthly luncheon at the East Side Baptist Church and who is always willing to lend a helping hand wherever she is needed.

Brother Hodge, who comes without fail every Wednesday afternoon to offer his comfort and guidance with his spiritual message.

The Assembly of God ladies who come every month to fill our hearts with their music and special message.

The First Baptist ladies who host our monthly birthday parties to which

we all look forward.

Brother Dale Huff from the Church of Christ who enriches our lives every Thursday morning with his wonderful gospel music. Then the Church of Christ comes again every Sunday afternoon to bring us a message from God.

Bonnie Workman and her country band who come monthly to lift us up with their wonderful old country music.

The East Side Baptist Church which has a wonderful luncheon and service for us each month.

The Sunshine Ladies who bring us their friendship and companionship.

Also, the First Christian and the Methodist churches who bring us their special blessings.

There are probably others whom I've failed to mention, but who know themselves, what they do for us. We love you all.

Our visitors for the month of April have been:

Bradley and Jean Buford of Weatherford, Alta Davis, Juanita Grimes of Weinert, Frieda Fly of Rochester to see Mrs. Claribelle Cathey.

Mr. and Mrs. Art Cameron of Tyler and their daughters, Melanie Cameron and Jeannie Duke of Fort Worth, Mr. and Mrs. Arthur Cameron of O'Brien, Mrs. Dorothy Pike of Rule to see Mrs. Ruby Clemmer.

Claude and Mac Harrison of Lubbock to see Mrs. Vannah Carmack; Beatrice Curd, Jack and Leta Sellers, Dora Dixon to see Garth Garrett; Lois and Bill Engles of Jacksboro to see Mrs. Rose Shipman. Mrs. Mable Witt spent her birthday in the home of Charles and Merry Harvey.

Aleta Harvey to see Alvin Koonce, Bernard Phelps of Muleshoe to see E. W. Cox, Karen and Marcus Johnson to see Fannie Wilson, Erma Santey

and friend to see Colene Moody, Mindy Wilcox of Rule to see Stephen Ezell.

Headstream Center

The month of May has been designated as National Mental Health and Chemical Abuse month.

In conjunction with this proclamation, now is an ideal time to call attention to the tri-county mental health facility located in Haskell.

The Headstream Memorial Center, located at 1301 N. 1st, opened in 1970 as the first outreach center affiliated with Vernon State Hospital. Aubrey Headstream served as its first director. Aubrey and his wife, Marjorie, were instrumental in the center's success.

In September 1987, the Vernon State Hospital programs merged with the Wichita Falls State Hospital programs and the Headstream Memorial Center became one of 13 outreach centers covering a 20-county area. The center has a concerned, qualified staff consisting of three full-time and four part-time personnel. In the past 19 years it has served more than 2,000 people from Haskell, Knox and Stonewall counties. Currently there are 80 cases from these three counties. In addition, there

are an average of 25 monthly screenings and referrals to other resources.

The goal of Headstream Memorial Center is to provide mental health services close to home and to prevent, when possible, psychiatric hospitalization. The charge for these services is figured on a sliding income scale. However, no one will be turned away because they are unable to pay.

The Headstream Memorial Center provides the following services to the people in Haskell, Knox and Stonewall counties: psychological testing, state hospital screening, alcohol and chemical abuse counseling, behavioral, relationship, family and marriage counseling. Group therapy programs, case management and psychiatric consultation are also available.

This facility's services are offered for all ages, ranging from children to the elderly. Anyone with a problem or a concern about any of the above areas may request help or information by calling 864-2472 in Haskell.

Meet the candidate

(All candidates in the city and school elections were invited to submit articles for publication in The Free Press.)

PAT HENRY School Board

My interests and those of my family are deeply rooted in the Haskell Independent School District. My father, H. K. Henry, taught agriculture and coached football and basketball here in the late 1920s and early 1930s. My mother, Nettie Henry, taught math and history for many years and reluctantly retired from teaching in 1973.

I had the privilege of attending all 12 of my public school years here at Haskell, graduating in 1957. I taught high school math for five years here and have now served on the school board for 10 years. My three children have attended Haskell schools. Two have graduated, in 1985 and 1987, and one is now in the eighth grade.

I feel that there have been improvements made in our school system over the past few years, but I see the need for additional improvements. I would like to see our high school and junior high air conditioned and heated, new classrooms built at the elementary school, a track added to our athletic facilities, and more teachers hired to take care of our increased enrollment.

Therefore, I would ask for your continued support of our schools and for your vote in the upcoming trustee election.

BOB AYCOCK School Board

Bob Aycock, 36, is a farmer and rancher, a graduate of Haskell High School and Tarleton State University with a degree in agriculture. He is a lifelong resident of Haskell County.

Aycock is president of the Haskell County Farm Bureau and also serves on the Texas Farm Bureau Resolutions Committee and Cotton Committee. He is county chairman for the Texas Beef Industry Council and is a member of the Haskell County Extension Service Agricultural Committee. He is vice president of the Haskell Horse Club.

Aycock is an active member of the First Baptist Church where he serves as director of Adult I Sunday School class and as chairman of the ushers. He and his wife, Pam, have a son,

Jason Davis, a Haskell High School sophomore, and twin daughters, Amy and Angela, second graders.

KIP NEMIR City Council

As a Council member I will work to increase communication between the citizens of Haskell and the city government. Communication is a vital link between a government and its people, and I want to be your representative for that communication.

Besides being a good listener and communicator, I will bring to the Council knowledge of purchase, maintenance and operation of heavy equipment.

I have a degree in applied science/golf course design and worked for one year as the golf course superintendent at the Brownfield Country Club.

As a six-year resident of Haskell, I currently work in the family business, Nemir Medical, Inc., and Nemir Antiques.

I am a past president of the Texas Greens Association and currently serve as president of Texas Chiefs Remote Control Flying Club.

I was born in Corsicana, Texas, and I'm 26 years old. My age is an advantage because it enables me to move among several general groups. My age also reflects my energy to work tirelessly for community improvement and communication.

I would appreciate your vote on May 6.

Haskell SWCD hands out awards

By Myrtle Phemister

The Haskell Soil and Water Conservation District sponsored its fifth annual awards banquet at the Haskell Civic Center last Tuesday evening, April 25, with a full house in attendance for the "chuckwagon" meal and awards presentations.

Dub Crumley of Graham, who serves this area as a state SWCD board field representative, served as master of ceremonies. He meets with the Haskell board once each month to bring news, advice and reports, and delighted everyone present with the news that Haskell County won first place in the region, with its programs, activities and public affairs cooperation, and will receive an award at the regional awards banquet to be held in Stephenville May 2.

Marvin Phemister, vice president of Haskell SWCD, gave the invocation and Johnny Wheatley, board members, led the pledge of allegiance. Dan Wachzeck, board member of the Rochester area, introduced guests, and the businesses in the county which co-sponsor the annual event. They are Federal Land Bank, First National Bank of Haskell, Farmers National Bank of Rule, Haskell National Bank, Home State Bank of Rochester, Olney Savings and Rolling Plains PCA.

F. A. Ulmer, secretary-treasurer, brought greetings and told the story of the Haskell SWCD and some of the projects and activities they sponsor. He reported over 240 students in the county made conservation posters, assisted by some 20 or more teachers, many of whom were present for the program.

The posters were displayed on each wall of the center, and some of them were sent on to the regional contest for judging. Carri Martin of Paint Creek won first overall, with Laura Barbour, also of Paint Creek, second, and Tara Moeller of Haskell, third.

The Outstanding Conservation Farmer is another SWCD award and it went to Tiffen Mayfield of Weinert who was judged most outstanding. He and his wife, Erlinda, were presented a plaque.

The Outstanding Conservation Rancher chosen from all entries was Robert Free of Haskell. He and his

Outstanding Teacher of the Year was Deena Hecker, fifth- and sixth-grade teacher of Weinert school. She was unable to be present for the program.

In the Land Judging Contest sponsored by Jones and Haskell SWCD, Rochester FFA won second place and the Haskell FFA was fourth. Due to a conflict in social obligations, none of the FFA students were in attendance. Dalyn Gilly was second high-point individual.

In the Range and Pasture Judging Contest, Haskell FFA placed second, and also fourth.

R. V. Earles, president of Haskell SWCD, was in charge of the awards who had a part in making each one an outstanding occasion and in helping Haskell SWCD reach the coveted award of first place in the region, an area composed of 38 counties.

Mrs. Ann Sinclair of Paint Creek presented a medley of dinner music for the assembled guests and staff.

Mrs. James Robert Crawford is secretary for the Haskell SWCD.

Friends who were there were Denise Wilson, Susan Saffel, Jennifer Morton, Stephanie Stegemoller, Laura Tibbitts, Jodi Penman and Lisa Macias.

Ruth Wampler spent last week in Lubbock visiting her son, Cecil, and family.

Mrs. Gerry Townsend of Rule and Roy Lee Franklin of Abilene wish to

Our congratulations are extended to Rule native Wes Kittley, track coach at Abilene Christian University, whose Lady Wildcats won their seventh straight Lone Star Conference title at San Angelo this past week.

Jackie and Charlotte Westbrook of Abilene are the proud parents of a son, Johnny Ike, born April 21 at Hendrick Medical Center. The baby has an older sister, Christy Porter. Bertha McQuinn of Rule is the baby's grandmother.

The Rule High School one-act play cast and crew will present "Johnny Belinda" for the last time on Thursday, May 4, at 7 p.m. in the high school auditorium.

This play advanced to the regional contest at McMurry College on April 22 but lost out to Ira and Crowell.

Admission will be \$1 for everyone.

This will be the final performance

for seniors Kathleen Kutch, Wes Pierce, Kevin Saffel and Chad Stulir and new member Yolanda Garcia.

The Twin Cities Little League begins its season Monday night, May 8, at 6 when the Dodgers meet the Yankees at Rule's field.

Don't forget! City election this coming Saturday, May 6 at City Hall from 8 a.m. to 7 p.m. at which time three council members will be elected from the following candidates: Danny Langford, Mary Lou Landes, A. B. Arnett and David Halliburton.

Rural schools reunion coming up

Garland Wood was nominated president of Pinkerton Whitman Old Settlers Reunion in May of 1986. He talked to some of the members about having one large reunion. He thought it would be nice to combine all Haskell County rural (country) schools for one reunion so people who had not seen each other for years could once more be reunited.

The reunion was a success and at the time the people voted to have this reunion every two years.

This year, Garland and wife,

Bobbie (who is secretary and treasurer) have mailed out between 750 and 800 registration forms for those who wish to attend the 6 p.m. meal May 27.

Those who bought meal tickets may pick them up at the Civic Center between noon and 6 p.m. on May 27.

Registration books will be available and everyone is encouraged to sign.

Visiting starts at noon.

After the 6 p.m. meal there will be a short business meeting, and then

schools will be recognized.

Meal tickets cannot be purchased at the Center, as this is a catered affair and April 30 was the deadline for meals.

But those who do not have meal tickets may still come and visit and are encouraged to do so.

Art association plans installation

Last meeting of the club year for the Brazos West Art Association will be Monday evening, beginning at 7. New officers for the 1989-90 year will be installed.

Members are reminded to bring any art book, article or idea which has benefited their art work.

A salad supper will follow the program. Retiring officers will serve as hostesses.

With May coming in so are all the pretty flowers. Many of the family members have been bringing beautiful cut flowers to the nursing home.

We regret the move of Anna Roberts to Sears in Abilene. She'll be missed by all.

The Mother's Day party will be at 2:30 on May 13.

We are asking if anyone has some western stories or books, we are in need of some for a resident whose activities are limited.

Birthdays for May are few in number. Only two this month: Hilah Swinson's was the 1st and Henry King's the 9th.

Visitors have been Ken and Nan Stegemoeller from De Soto with Henrietta Stegemoeller; J. C. and Mary Wendeborn with John and Tillie Wendeborn; Erma Reed of Mineral Wells with O. W. and Stella Tooley; Bobbie Meestee of Dublin with Maye Holcombe; Irene Aschen of Freeport, Ill, and Gertrude Wittenborn with Laura Parker and Georgia Fouts; Randolph and Nan Wilson with everyone.

If you worked as hard as a heat pump you wouldn't last 10 years either.

Electric heat pumps overwork themselves trying to do two different jobs. Pumping all summer, trying to keep the house cool. Then pumping all winter, trying to keep the house warm. No wonder heat pumps wear out at an early age (usually 7 to 10 years).

An efficient, economical propane gas furnace will last twice as long. That means long term comfort and savings.

TAX PLANNING

Written By
Gerald Rodgers, CPA

PLANNING FOR THE MEDICARE TAX

Effective January 1, 1989, a new charge has been imposed on Medicare beneficiaries. This new charge, technically labeled a supplemental premium, applies to anyone eligible for more than six months of Medicare Part A hospital benefits. The surcharge is based on the beneficiary's federal income tax. For 1989, the surtax will be 15% of the federal tax liability, with a maximum surtax of \$800 (\$1,600 for joint returns where both spouses are eligible for benefits). This rate increases to a maximum 28% by 1993 with a ceiling of \$1,050 (\$2,100 joint). For 1989, the surcharge will be paid when the 1989 tax return is filed. Beginning in 1990, it must be included in quarterly estimate calculations.

With the surcharge based on federal tax, the only way to reduce it is to lower your federal tax. Brokers are pushing tax-free instruments as a means of avoiding the surtax. However, if tax-free instruments were not good investments for you prior to this surtax, the outlook will not change merely because of it. The higher yields of taxable investments may provide a better after-tax return than tax-free investments, even considering the new surtax. If you decide tax-free investments are worthwhile, consider no-load mutual funds. Such funds provide professional management, reduced risk, and liquidity. Otherwise, commissions and investment charges may substantially outweigh the additional tax you are trying to avoid. As always, tax considerations should not be the sole determinant of investment selection.

A study by the American Association of Retired People indicates over 80% of Medicare-eligible recipients will owe less than \$250 of surtax, and less than 6% will pay the maximum \$800 surcharge. Your 1988 tax liability will help you gauge the impact the 1989 surcharge may have on you and enable you to discuss options with your advisors.

To all customers of Southwestern Bell Telephone Company:

Public Notice

On March 14, 1989, Southwestern Bell Telephone Company filed with the Public Utility Commission of Texas an application which proposes to revise its Toll Restriction Tariff in Section 21 of the General Exchange Tariff. The Commission received the application as Docket No. 8700.

The application proposes to reduce the monthly rate for Toll Restriction residence service from the current \$15 a month to \$5 a month per residence access line. This proposed application will affect approximately 2,487 residence customers who presently subscribe to toll restriction. It is estimated that the proposed rate schedule will reduce the Company's annual revenues from this service by approximately \$298,000, which is less than one percent of the Company's total intrastate revenues. If the application is approved, the effective date of the rate reduction will be set according to the Commission's Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A deadline to file motions to intervene has been set for May 30, 1989. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Information Office at (512) 458-0223 or (512) 458-0221, teletypewriter for the deaf.

We have enjoyed the most beautiful, delightful spring many of us can remember. We still need rain, but the weather has been perfect! The wild flowers are abundant, and the brown-eyed susans seem to be trying, with their brilliant yellow color, to out-do the dainty, pink primroses. Let it stay like this forever!

Congratulations are due Tiffen and Erlinda Mayfield for his being selected as Haskell County's Outstanding Conservation Farmer for 1989. They were recognized at the recent SWCD awards program.

Congratulations to Deena Hacker, for being honored as the Outstanding Conservation Teacher for 1989. She teaches at Weinert Elementary School and received an award at the recent program.

Weinert had many conservation poster winners in the poster contest. They are: First place, David Pena, Jr., Heath Guess, and Alisa Garza. In

second place, Lane Murphy, and David Crump were winners. Third place winners were Lucas Castillo and Timmy Perez. Congratulations young people!

We are in our annual Soil Stewardship Week, with the theme "Renewing the Living Earth."

Our birthday people for this week includes Ed Murphy (our Mayor), Gus Rueffer (our oldest active farmer), Ricky Harlan, (our golf champion), and Donald Griffis (our lucky ginner.) Happy birthday, celebrities!

Congratulations to David and Sandra Pena, who are celebrating their 8th anniversary this week.

Kenneth and Brenda Sanders, with Kole, were in Denton for the first scrimmage game of the spring season as the Alumni returned to North Texas State University for Homecoming and a football game with this year's Eagle team. Gregg

Sanders, Kenneth and Brenda's son is one of the outstanding players.

Kent was involved in UIL and was unable to accompany his parents.

Adelphia Perez returned safely from a trip to South Texas where she returned her mother, Mary Pena, to her home in Pawnee, after several days visit in Weinert. Sandra Pena's grandmother returned to Pawnee at the same time.

Floyd and Hellen Stout returned this week after a 3-week trip to Las Vegas, Nevada, and other points of interest in the northwest, as they celebrated their wedding anniversary.

They were guests in the home of their daughter, Mr. and Mrs. Farrow Smith in Las Vegas, and were joined by another daughter, Mr. and Mrs. Loren Smith of Los Angeles, California; a son, Garry, of Maryland, and grandchildren, Natalie and Wayne for a family reunion.

Later, the Stouts traveled to Utah, to Zion National Park, and Bryce National Park, then to Vail, Colorado, and they drove over Loveland Pass to Denver and Walsenburg, before heading home from the 3,000 mile scenic tour. Welcome home, Stouts, you have many memories "laid up."

Edna Haynes of Abilene was in town for a visit with her parents, Edward and Zella Alexander and attended the Baptist revival with them on Tuesday.

Mr. and Mrs. Dale Huff, of Haskell with Charissa, Robert, Philip and Jimmy were guests of Ted and Faye Jetton on Sunday.

Spending the weekend in Weinert were Joseph and Geoffry Plemister,

children of Randy and Lisa Plemister of Haskell. Justin and Rance Parrott of Wichita Falls, grandchildren of Doris and Jerry Walker, were also in town.

Douglas and Christy Boling, and Shannon Stephens all of Haskell, were guests in the Mahan home on Sunday.

Sandra Stafford, of Montana was in Wichita Falls last week where her daughter, Dee Dee, underwent surgery. Her parents, Ted and Faye Jetton met here there and heard firsthand the details of Montana's lovely, cold country.

Chet and Jeanie Forehand, with Kenny, were in Abilene for the track meet, and remained overnight in the home of her sister.

Kathi and Lester Hutchinson spent the weekend in Junction with their daughter, Debbie.

Donna and Darla Griffis of Lubbock were here for the weekend and to check on the health of their grandmother. They are studying for finals at Texas Tech.

The Weinert school children were bussed to Abilene on Friday for a day in the zoo, and a picnic in the park.

Making the trip were children in pre-kindergarten through eighth grade, with teachers Janet Frazier, Mary Murphy, Karen Yates, Deena Hacker and Doneta Hudgens. Brenda Hager, as volunteer mother and Bill Briscoe, bus driver and "trouble-shooter" completed the tour group. The school had a holiday on Friday which gave everyone a day to recuperate from the

fun trip.

Ed and Mary Murphy with Shanna and Lane were in Garland for the weekend for a visit with Ed's mother, Norene Murphy.

On Saturday, the Murphys attended the world famous flea market in Canton, where they were surprised to run into W.R. and Joyce Hager and H. L. and Sarah Guess of Weinert and Bob and Ann Therwanger of Munday with their daughter, Teresa of Abilene. At such a well attended event, there could have been many more acquaintances.

The descendants of J. O. and Ida Jones met in the home of D. I. and Mattie White on Saturday for a family reunion, with 42 in attendance, representing Midland, Spring Branch, Ft. Worth, Sonora, Olton, Knox City, Odessa, Rochester and Weinert. The children are Ruth Sellers, Annie Marshal, Lorene Wood, Donald Ray Jones, and Callie Baby. Callie was unable to attend.

Mr. and Mrs. Donald Griffis were in New Braunfels last week for a visit in the home of their daughter, Mr. and Mrs. Johnny Larned, and they all made the trip to Neuva Lareda, Mexico for the weekend.

They were accompanied by Mr. and Mrs. Boyd Lynn Meers of Munday.

We are grateful for the improved health of our residents.

Tinka Herricks arrived home safely in her son, Todd's plane, after undergoing back surgery in Dallas last week. She is much improved.

Mrs. Lenora Griffis spent a few days in the Haskell Hospital with heart problems. She is improved and is at home.

Mrs. Bunt Herricks is home after an extended stay in the Stamford Hospital.

Florence Alexander remains on the ailing list, but refuses to call it "sick".

Rene Vojkufka took Ima Stewart to Abilene for an appointment with her eye doctor on Tuesday.

Glenn Caddell has improved so much he hopes to be home from Humana very soon.

Remember to vote on May 6th! If you do not prefer those who are listed, get satisfaction from crossing out their names! But vote!

It is true that the more of Heaven in our lives the less of Earth we covet!

Legion to elect new officers

Nomination and election of officers will top the agenda at the next meeting of the American Legion.

The meeting will begin at 7:30 p.m. on May 16 at the Legion building. All members are urged to attend.
