VOL. 103--NO. 19

HASKELL, TEXAS 79521, May 11, 1989

16 PAGES-TWO SECTIONS-PLUS ONE INSERT

Kindergarteners register May 19

Registration for kindergarten will be Friday of next week, May 19.

Students whose last names begin with the letters A through L will register at 9 a.m. The children will be screened between 9 and 11 and then there will be a short parent meeting in Mrs. Sloan's room. Children may be picked up at that time.

Those with last names beginning with the letters M through Z will register at 1 p.m. Screening will be between 1 and 3 p.m. followed by the parent meeting in Mrs. Sloan's room.

Each child must have a birth certificate, immunization record and social security number. A child will have to have received immunizations for polio, diphtheria, pertussis, tetanus (DPT), mumps, measles and rubella. Also, a booster shot for polio and DPT since the fourth birthday is required.

A child must be 5 years old on or before Sept. 1 of this year to be eligible for kindergarten.

Pre-kindergarten may be offered

Haskell ISD may offer a half-day pre-kindergarten program next fall.

To be eligible for enrollment, a child must be 4 on or before Sept. 1 of this year, and either not speak or understand the English language or come from a family whose economic condition would qualify him or her for free or reduced lunches.

Parents who have qualified children should come by the elementary school office for registration forms. Deadline for registration will be Friday, May 12.

Questions concerning the program may be answered by calling the elementary principal's office at 864-2891.

Legion to elect officers Tuesday

The American Legion will nominate and elect officers during its meeting Tuesday at the Legion building.

The meeting will begin at 7:30 p.m. and all members are urged to attend.

College students register May 23

Registration for summer classes at the Haskell Extension of West Texas College will be Tuesday, May 23, between 7:30 and 8:30 p.m.

To register, students must bring their final ACT scores if they have not taken any college courses before. If an ACT score is not available, a placement test will be given before anyone can take English classes.

Only graduating seniors and students who will be classified as seniors for next year may take courses. A valid driver's license and social security number are required for registration, along with registration fees.

"Students need to enroll the night of the registration due to high enrollments caused by the chance of exemption from the TASP," reminded Billie McKeever, counselor. To be exempt from taking the TASP, students must have taken college courses.

Little League to sell candy

The Haskell Little League will sell candy for the next two weeks as a fund-raising project.

Money raised through the candy sales will help defray the cost of equipment, insurance and field maintenance.

Cost per bar of candy will be \$1.

Earn Eagle rank

These three members of Boy Scout Troop 136 received the Eagle Scout rank at a Court of Honor Sunday. From left, they are Rusty Stocks, Jimmy Johnston and Stacey Martin.

Three get Eagle rank

Scouting's highest rank was bestowed Sunday upon three members of Haskell Boy Scout Troop 136.

Rusty Stocks, Jimmy Johnston and Stacey Martin were presented their Eagle Scout badges at a court of honor held at the First United Methodist Church.

To earn this coveted rank, a Scout must meet strict qualifications set by the Boy Scouts of America. Only two of every 100 boys will ever reach the Eagle rank.

Rusty, 16, is the son of Jerry and Betty Stocks and is a sophomore at Haskell High School. He serves as senior patrol leader and is a member of the Leadership Corp. He has earned 24 merit badges. His Eagle Scout project is one that can be seen all over town. He planned, developed, and with the help of a couple of fellow scouts, carried out the project of placing reflectors on Haskell's city streets indicating each fire hydrant in town.

Jimmy, 15, is the son of Jim and Ann Johnston and is a freshman at Haskell High School. He is a senior patrol leader and is a member of the

Leadership Corp. He has earned 35 merit badges on his way to Eagle rank. His Eagle project consisted of planning, developing and carrying out the painting of playground equipment at the Haskell City Park. Several fellow Scouts earned their service project time by helping with this project.

Stacey, 14, is the son of George and Terri Martin and is an eighth-grade student. He serves as scribe of Troop 136 and also is a member of the Leadership Corp. He has earned 28 merit badges. With the help of two other members of his troop, Stacey planned, developed and carried out the project of planting eight trees around the elementary school grounds.

All three Scouts are Brotherhood members of the Order of the Arrow, Kotso Lodge 330. Rusty and Jimmy completed their junior leaders' training at Camp Tonkawa in 1987, and Stacey completed his in 1988. All earned the Camp Tonkawa Conservation award and received Honor Unit badges for 1986, 1987 and 1988.

The Eagle rank was bestowed upon the three Scouts by Bill Perry, scoutmaster; Marvin McFadden, assistant scoutmaster; and their parents.

The new Eagle Scouts expressed their appreciation to their troop and their leaders, along with others who helped make Sunday's ceremony special. These included the Rev. Kenny Kirk, Ed Walling, Abe Turner, Greg Melton, Tom Hairgrove, Nelson Coulter and Sam Ferguson, unit commissioner from Hamlin.

Banquet speaker named

Haskell High School athletes will be honored Friday, May 19, at the annual all-sports banquet. It begins at 7 p.m. at the Civic Center.

Guest speaker will be Larry Nabors of De Leon. He is a graduate of De Leon High School, Cisco Junior College and Tarleton State University. He has an impressive coaching record in basketball and football at De Leon, McCamey, Whitney and Alnorado.

Nabors and his wife Paulette have one son. They soon will be associated with the Gorman school district where he has accepted a coaching position.

Tickets to be banquet may be purchased at \$6 each from The Drug Store, Sport About, Haskell High School and Haskell Elementary School. Tickets will not be sold at the door and the last day to buy will be May 17.

Parents and other community members are invited and encouraged to attend the banquet

Haskell rodeo is this weekend

The annual Haskell Open Rodeo opens its two-night stand Friday. Performances will begin at 8 o'clock on both Friday and Saturday nights. Admission will be \$4 for adults, and \$2 for children under 12.

Sponsored by the Haskell Horse Club, the TCA-approved rodeo is being produced by the T-N-T Rodeo Co. of Anson.

Rodeo events will include bull riding, saddle bronc riding, bareback

riding, calf roping, steer wrestling, team roping, girls' breakaway roping, girls' barrel racing and junior barrels (14 and under).

Friday night's performance will feature a stick horse barrel race for youngsters 5 and under. On Saturday night, there will be a calf scramble for youngsters 8 and under.

Friday's rodeo will be followed by a dance at the Corral building, beginning at 9:30.

After world record

Glider pilot stops here

BY WENDELL FAUGHT
Haskell was an unscheduled stop Monday afternoon for a young Czech in quest of a new world record in a hang glider.

Joe Bostik, 25, plans to spend the next several days flying out of Lubbock, hoping to get as far away as Kansas during that period. That distance of 300 miles, would establish a new distance record, he said.

Bostik set down his glider near Cecil's Market on the east end of Haskell shortly after 5 o'clock in the afternoon. "I was thirsty and I needed a drink," he laughed.

An hour or so later he was met by a fellow glider pilot, Larry Tudor, who had ended his flight several miles

earlier, and a car whose driver was keeping up with the glider pilots. They returned to Lubbock Monday night.

Bostik currently is ranked No. 1 in the world in hang glider competition. He was national hang glider champion in 1987 and 1988. He set a distance record of 227 miles over Owens Valley in California a couple of years ago, but his friend Tudor bested that with a 245-mile effort last year. Now, both he and his friend are attempting to beat that mark.

"And when we do that," Bostik said, "we're going to team up and go after the world record for a tandem flight." He said the record for a two-man flight is 110 miles.

Bostik said he became interested in

gliders in his native Czechoslovakia. As a student in 1983, he went with a group on vacation to Yugoslavia and decided not to return to his native country. He managed to escape to Italy. He spent some time in Austria and then a year in Munich, Germany. He was granted political asylum in 1984 and went to San Juan Capistrano, Calif., to live with an aunt.

During their flights, Bostik and Tudor keep in contact with each other by radio. When on the ground they can phone a place in Lubbock where their messages can be relayed.

Their hang glider adventures are being sponsored by the Wells Wing Co. of Santa Ana, Calif., a manufacturer of gliders.

Elections

Burson, Trammell join council

Tony Burson and Bill Trammell won seats on the City Council in Saturday's school election, and incumbent Jerry Stocks was re-elected to another term. They were the top three vote getters.

Burson led all vote getters with

181 votes, while Stocks had 156 and Trammell 154.

A second incumbent, Darrell Smith, received 140 votes, thereby losing his seat. Kip Nemir finished fifth in the six-man race with 119 votes. Johnny Campbell had 60.

Guess, Aycock school winners

Mike Guess was re-elected and Bob Aycock won a seat on the School Board in Saturday's school election. Pat Henry was defeated in his bid for

re-election.

Guess topped the vote getters with 250 votes. Aycock had 194 votes and Henry polled 150.

Cardinal coach

Phoenix Cardinals football coach Gene Stallings gives an autograph to Brad Bevel of Haskell in Abilene Friday night. Following the track meet in Abilene Friday, the Haskell team and a number of fans went to eat at the Towne Crier where the Cardinal coach also was dining. After Bevel asked him for his signature, Stallings came over and talked to the Haskell team and posed for pictures with the local athletes.

Prizes adding up for big Party '89

Preparations for Party '89 are in full swing as volunteers work to collect donations and organize the activities for the night of fun for Haskell County high school and college students.

At least \$2,000 in cash and prizes already has been collected in Haskell with the promise of much more still to come. Volunteers have been asked to try to have all donations collected by May 12 so that prizes may be labeled and sorted and other gifts purchased with the money collected.

Party '89 organizers are making a pledge that all money donated by Haskell County merchants will be spent in Haskell County businesses to purchase gifts and supplies for the party.

Anyone interested in making a

contribution to Party '89 should contact Billie McKeever at 864-8123 or Susan Pope at 864-2092. Or for convenience, an account has been opened at Haskell National Bank and money may be donated to that account.

Party '89 will be May 26 at the Haskell Memorial Civic Center. It will start at approximately 10 p.m., and breakfast will be served between 3:30 and 4 a.m. by the Young Homemakers. The Kiwanis Club will serve hamburgers at the beginning of the night.

Other activities will include bingo, volleyball, movies and music by the "Music Machine."

All Haskell County students in grades 9-12 are being encouraged to attend Party '89 and join the fun.

Joe Bostik stands beside his folded-up hang glider as he takes a break in Haskell Monday afternoon.

June 24 wedding date set

Mr. and Mrs. Giles M. Kemp wish to announce the engagement and approaching marriage of their daughter, Kathy Elaine Kemp, to Kelly Wade Copeland, son of Mr. and Mrs. R. G. Copeland of Slaton. A June 24 wedding is planned at the First United Methodist Church in Haskell.

Gena Rene' Peel and Matthew Scott Muehlstein

Peel, Muehlstein set wedding date

A June 17 wedding is planned for Gena Rene' Peel and Matthew Scott Muehlstein. The couple will exchange wedding vows at 6 o'clock in the Pioneer Drive Baptist Church of Abilene.

The bride-elect is the daughter of Mr. and Mrs. Jerry Saffel of Rule and Ray Peel of Abilene. A graduate of Rule High School, she also was graduated from Angelo State University with a bachelor of science

degree in elementary education. She is employed by Merkel Independent School District.

The prospective bridegroom is the son of Mr. and Mrs. Hollis Muehlstein of Stamford. He is a graduate of Stamford High School and Texas Tech University with a bachelor of science degree in agricultural economics. He is employed by Farmers Home Administration in Seminole.

Engaged

Mr. and Mrs. Kenneth Jarred wish to announce the engagement and approaching marriage of their daughter, Diane Michelle, to Mark Hoover, son of Mr. and Mrs. Jerry Hoover of Hobbs, N.M. Diana is a senior at Wayland Baptist University where she is majoring in psychology. Mark also attended Wayland and is currently serving in the U.S. Marine Corps. A June wedding is planned.

The "broad stripes and bright stars" Francis Scott Key wrote of in the Star Spangled Banner each numbered 15 for the original 13 states plus Vermont and Kentucky.

Daughters Ceremony unites host party Allen, Brandenburg for father

Ernest Peiser celebrated his 75th birthday in Abilene Saturday.

His daughters, Sandra McGary and her family, and Cynthia Hudson and her family hosted a birthday dinner with relatives and friends attending in the home of Sandra and Bobby McGary.

Those attending from Haskell were Willie and Erna Peiser, Frances Fischer, Ann Druessedow, Herbert and Henrietta Fischer, Frank and Evelyn Moeller, Henry Druessedow, Adilene Glass and Dale Fischer.

Others attending were Johnny and Cynthia Hudson, Heath Hudson and Nancy Salsman of Pilot Point; Burlee Peiser and Stephan Peiser of Sweetwater; Clara and Darrel Richards of Lueders-Avoca; Danny Hudson and Joan Williams of Knox City; Bob and Barbara Druessedow, Twyla Powers, Ben and Delores Nanny, Benjamin Nanny, Brad and Robin McGary, Brandon McGary and hosts Sandra and Bobby McGary of Abilene.

Turkey and dressing, ham and brisket were served with salads and desserts. Ping pong, dominoes and horse shoe pitching were enjoyed in the McGarys' spacious yard.

Clever?

A little boy came home from school and announced to his mother: "I'm in a fine fix at school. The teacher says I have to write more legibly and if I do, she'll find out that I can't spell."

Marla Allen and Mike Brandenburg, both of North Richland Hills, were married March 4 in the Towne Lake Baptist Church of Irving. The Rev. Roger Phillips officiated at the double ring ceremony.

Parents of the bride are Frank and Nell Allen of Euless. The groom's parents are Charles and Mary Brandenburg of Keller and the late Grace Stocker. Grandparents of the bride are Eulice and Margaret Rainey of Kress, formerly of Weinert, and Lester and Marjie Allen of Houston.

Given in marriage by her parents, the bride wore her mother's wedding dress of ivory satin with fitted bodice, long bell skirt accented with pearls, crystal beads and iridescent sequins. She wore a finger tip veil and carried a bouquet of silk spring blossoms.

Attendants wore rose pink lace-over-satin dresses and carried bouquets matching the bride's. Attendants were Jennifer Gooch and Laura Gerluch, both college roommates, and Deniece Hazard, cousin of the bride.

The groom and his attendants wore black tuxedos and silk boutonnières. Groomsmen were Jerry Blackmon and Tom Tearney, friends of the groom, and Eric Allen, brother of the bride. Ushers were Gary Rainey, uncle of the bride, and Bobby Hill, cousin of the bride.

Carla Rainey registered the guests and Rachel Rainey handed out the birdseed bags. Both are cousins of the bride.

Following the ceremony, a

reception was held at the church. Servers were Kathy Mobley and Debbie Dowerspike, cousins of the bride, and Terry Baird, sister of the groom.

Following a wedding trip to Puerto Vallarta, Mexico, the couple will be at home in North Richland Hills.

The bride graduated from Conroe High School and Texas A&M University. The groom is a graduate of Keller High School and attended a university in Kansas. Both are employed in management with Wal Mart Stores.

The bride is the niece of Mr. and Mrs. Russel Rainey of Weinert and Mrs. Ruby Wooten and Willie Swales of Haskell.

Mrs. Mike Brandenburg

Students attend conference

Representatives from Haskell Future Homemakers of America chapter attended the 1989 state leadership conference April 21-23 along with other members and advisors from Texas.

"FHA/HERO: The Greatest Show on Earth" was the theme for the conference at the George R. Brown Conference Center in Houston.

Presentations by keynote speakers and members highlighted the two-day conference. Sessions were offered on leadership skills, employability, self-improvement, AIDS, drunk drivers and other critical teen issues.

Attending from the Haskell chapter were Mindy McGee, Jo Ann Villa, Deneice Rogers and advisor Wanda Thompson.

They rode a chartered bus with members and advisors from Knox City, Munday, Stamford, Anson and Lueders-Avoca. The Haskell girls expressed their appreciation to Mrs. Newton, advisor from Knox City, and Mrs. Winchester, advisor from Munday, for organizing the chartered bus trip.

If all front seat occupants wore safety belts, about 15,000 lives would have been saved in 1987.

Kola not a bear

Kolas are not really bears. They aren't even distantly related.

Kolas are marsupials, which makes them cousins of kangaroos and opossums.

Kolas, which are native to Australia, live only in eucalyptus trees. Their name comes from an Aborigine word which means "the one that does not drink." They receive all the moisture they need from succulent eucalyptus leaves.

Most Major Credit Cards Welcome

Track teams at state

The eyes of Haskell will be focused on Austin Saturday as the Indians and Maidens send their best athletes to the 1989 UIL Track and Field Championship Meet in Memorial Stadium.

For the Indians, one individual and two relay teams face the huge task of bringing the state championship back to Haskell where it has rested for the past 12 months.

Derrick Billington, who won the regional meet two weeks ago with an 11-flat in the 100-meter run and whose best time of the year is 10.82, will be the Indians' only multi-performer. In addition to the sprint, he will run on the regional champion 1600-meter relay team and the regional runnerup 400-meter relay.

Joining Billington on the mile relay will be Jonathan Dever, Rodney Johnson and Josh Reid. The team's best time of the year was a 3:23.8, posted in the regional preliminaries. That's more than three seconds slower than the 3:20.1 run by the 1988 team of Billington, Johnson, Fred Shaw and Stephon Brockington while coming in second in the state meet.

The Indians' sprint relay team of Dever, Johnson and Johnnie and Derrick Billington has a season-best time of 42.3, the exact time the 1988 team posted in the state meet last year while winning second place. (Last year's team was composed of Johnson, Derrick Billington, Brockington and Shaw.)

Haskell's other entry will be Dusty Meeks in the high jump. He tied his season best 6-4 while winning first place in the regional.

Haskell's best hope for an individual state championship probably rests on Joy McKeever in the 100-meter hurdles. She won the regional meet in 14.5 Her 14.3 timing earlier this year is one of the best in the state in any classification. It will be her third trip to the state meet, having qualified as a freshman and a junior on previous occasions (illness denied her an opportunity to qualify as a sophomore).

Also representing the Maidens will be the 800-meter relay team of

McKeever, Teresa and Sheila Unger and Regina Dever. That team came in second in the regional with a time of 1:48.63.

Field events in most divisions, including 2A, will be Saturday morning and afternoon. Running events for 2A and 5A schools will be Saturday night.

Here is the state track meet schedule for Saturday's events involving Haskell athletes:

- 9 a.m.: High jump (Meeks).
- 7 p.m.: 400-meter relay (Dever, Johnson, J. Billington, D. Billington).
- 7:40 p.m.: 100-meter hurdles (McKeever).
- 8 p.m.: 100-meter dash (D. Billington).
- 8:20 p.m.: 800-meter relay (McKeever, T. Unger, S. Unger, Dever).
- 10 p.m.: 1600-meter relay (Dever, Johnson, Reid, D. Billington).

Last year, the Indians edged Mart for the 2A title, on the strength of first-place finishes by Brockington in the 200 and Young in the 800, and the second-place finishes by the two relay teams.

Also last year, the Maiden 1600 relay team of Sheree Dumas, Leiza Morales, Teresa Unger and Dever came in third in the state and Dever finished fifth in the 400. (McKeever fell down in her hurdle event.)

Maiden coach gives thanks for assistance

Ailing Haskell Maiden coach George Martin expressed his appreciation this week to Maiden team members, parents, fans and to the coaches who have filled in for him while he is recuperating from back surgery.

He said coaches Nelson Coulter, Walter Hargrove, Richard Holloway and Randy Stone have "taken care of the girls' track program" real well and he is extremely pleased with the accomplishments of the team.

"I'm real proud of this team, and I know the other coaches are too," said Martin.

He also said the support from parents and fans has been superb.

Martin, who underwent back surgery early in the track season, was able to attend last Friday's meet in Abilene. He said Tuesday of this week that he hoped he could get permission from his doctor to attend the state meet in Austin, but he didn't know if he could.

Elizabeth Lopez and Shanna Mueller pose with karate trophies they have won.

Local girls win karate competition

On April 22, the American Black Belt Association held a tournament at McKenzie Gym in Lubbock. Judges were Charles Bouton and Richard Jenkins.

Shanna Mueller and Elizabeth Lopez, members of the United Academies of Self Defense, competed in the tournament. The style they train in is Tang Soo Doo.

Shanna was orange eighth gup belt (1 stripe). She received first in sparring and first in form. She also received grand champion.

Elizabeth was orange eighth gup belt. She received second in sparring and second in form.

'Old Folks' edge youth in benefit tilt

After the smoke had cleared and the dust settled, the scoreboard read 62-59 in favor of the Old Folks over the Prime Youth.

Last Saturday night the Haskell coaches and an odd assortment of helpers donned basketball attire to take on the senior members of the Haskell High School Indian basketball team (minus Dusty Meeks and Derrick Billington who were sidelined to avoid injury before their upcoming appearances at the state track meet in Austin this weekend).

The Old Folks, led by the quickness of Coach Richard "Racehorse" Holloway, along with the 3-point shooting of Coach Randy "We Be Jammin" Stone and Alan "Attila the Hun" Atchison, used tactics similar to the Detroit Pistons of the NBA (the bad boys of the

league) to perplex their young opponents.

The Old Folks used their big men to push the youngsters around. Jimmy "Jumpshot" Lisle, Coach Walter "Brick" Hargrove, Coach Nelson "Pinky" Coulter, John "Slammin" Sam Rike and Bill "Secret Weapon" Stewart could be seen throwing numerous elbows into the ribs of their younger opponents.

The Youth, who were led by Sam "Beaver" Beakey with 21 points, trailed most of the game until the final three minutes when they took a 2-point lead. After a turnover, the Old Folks tied the game at 59.

After two missed free throws the Old Folks took the ball to midcourt and called time. On the in-bounds play the ball was passed to "Attila" Atchison, and he launched a 3-pointer to defeat the Youth in the final seconds.

The Old Folks were led by Holloway with 22 points. He was followed by Stone and Atchison with 10 each. Behind Beakey for the Youth, came Brad "Goose" Bevel with 12 points and Chan "Booger" Guess with 11. Other contributors to the losing cause were Paul "Big H" Harvey, Bobby "Hedda" Medford and Cole "Wall" Lamed.

Referees for the game were James "TSO" Bevel and Conrad "Homer" Roewe. The event was sponsored by the Student Council with proceeds from the gate going to Party '89.

P. C. Boy Scouts win a blue ribbon

Paint Creek Boy Scout Troop 148 returned from "the wars" at Camp Barkley Sunday with a blue ribbon from the Chisholm Trail Council Spring Camporee.

Winning the blue ribbon was particularly exciting to the boys since six of the nine members competing in the Camporee have been in the troop less than two months.

The Scouts arrived at Camp Barkley Friday night with other competing Boy Scout and Webelos units and found that they would be sharing the camp with Dyess AFB personnel for their field training exercises. Friday night was filled with machine gun fire and air bursts, but Dyess could not compete with the scouting fireworks that began Saturday.

On Saturday, the Scouts competed with 31 other Boy Scout units in various scouting skills including the Scout uniform contest where the Scouts were tested individually on the location of the various insignia on the uniform, rope whipping, lashing and knots; string burning with fire made by flint and steel, a compass course, knowledge of knife and axe, a blindfolded maze, Indian trail signs, first aid, an atomic bomb carry, tug of war and tying a giant clove hitch with a 40-foot rope.

In the afternoon, the Scouts were

treated to a training exercise conducted by Dyess personnel and a repelling demonstration on a nearby cliff.

Troop 148 was pleased to share their campsite with Webelos Den 2, Pack 136, in Haskell. Jim Mickler, a former member of the troop and den, shared equipment, food and a couple of cobbles during the weekend.

The troop also wishes to thank another former member of the troop, Mike Brazell, for joining them on the camporee. Both Mickler and Brazell spent Saturday judging the rope whipping, lashing and knot tying contest.

Scouts from Troop 148 attending this year's Spring Camporee were Hans Overton, Mathew Morton, Ray Morton, Marcus Overton, Casey Thompson, Jay Mickler, Jeremy Futch, Anthony Gonzales and Cody Ender. Adults attending were Wallar Overton, scoutmaster; Kenny Thompson, assistant scoutmaster; and Richard Gonzales.

Church plans senior banquet

St. George Catholic Church will host a Mexican-style banquet Monday night for this year's graduating seniors.

It will begin at 7 o'clock

FHA installs officers

The Haskell chapter of FHA had its annual installation banquet May 1 to install officers for the 1989-90 school year.

FHA members and their mothers attended the meeting. Members made and brought the food for a salad dinner. Also attending were FHA beau Dusty Meeks and his friend, Brad Bevel.

The following officers were installed:

Tonya Isbell, president; JoAnn Villa, vice president; Wendi Watson, secretary; Denice Rogers, treasurer; Deanna Scheets, reporter; and April Isbell, vice president of recreation.

Officers expressed their thanks to the outgoing officers for their accomplishments, leadership and knowledge. They also thanked Wanda Thompson, advisor, for the work she has done for FHA.

Granddaughters to get degrees

Two granddaughters of Mr. and Mrs. Rucker Adams will graduate from college this month.

Rebecca Arelene Honea will receive a bachelor of science degree in mechanical engineering May 13 from Texas A&M University. She will begin her professional career as a manufacturing engineer with Frito Lay of Dallas. She is the daughter of David and Janice Honea of Rockwall.

Kimberly Dawn Ivy will graduate with honors May 19 from Dallas Baptist University with a BS in nursing. She will begin her nursing career in the medical and surgery unit of Presbyterian Hospital in Dallas. She is the daughter of Volly Ivy of Rockwall and Ron and Lela Gilleland of Rockwall. Her paternal grandmother is Ardella Ivy of Haskell.

Thank you for reading THE HASKELL FREE PRESS.

Singer Wanda Jackson to appear here May 21

Vivacious, versatile, talented and terrific Wanda Jackson will make an appearance at the Haskell Memorial Civic Center on Sunday, May 21. Her performance will begin at 7 p.m.

Sponsored by the East Side Baptist Church of Haskell, the concert is free and all residents of the area are invited to attend.

Wanda has been singing and entertaining fans throughout the United States, Canada and around the world since her early teens.

A native of Oklahoma, her talents were discovered by another entertainer from the Southwest, Hank Thompson. In the early years Wanda worked with another young entertainer who was just getting started by the name of Elvis Presley. Elvis encouraged Wanda to try her hand at rock and roll and her first national hit was a rockin' song entitled "Let's Have a Party." She is now recognized as one of the truly great "rockabilly" singers in the world.

For many years Wanda had her own band, "The Party Timers." Some very famous musicians and singers have evolved from her band through the years, including Rodney Lay, Big Al Downing and Roy Clark.

Wanda is one of the few country music artists who has been so talented as to record in foreign languages. She has recorded in German, Dutch and Japanese. Several times she has been voted "Favorite Female Country Music Singer" and "Favorite Female Rockabilly Singer" of the Scandinavian countries of Norway, Sweden, Denmark, etc. Her album, "Rockabilly Fever," was voted the best produced album in Sweden in 1986.

She was chosen as one of the country music stars to make the first UN/CMA sponsored tour of Australia, New Zealand and Japan where a triumphant reception was received. She has 60 albums to her credit and has been nominated twice for the Grammy award for "Best Female Performance."

In real life, Wanda is a devoted Christian and lives happily with her

husband/manager, Wendell Goodman, in Oklahoma City. In June 1971, they were saved and they turned over their lives to serving the Lord full time. Now, instead of filling night clubs with her popularity, Wanda is filling churches and auditoriums with her fans and singing for her Lord.

A unique ministry has developed for them. Wanda's popularity draws large crowds to their services. In their concert-testimony services, she interlaces a clear-cut testimony of her salvation between songs which are inspirational as well as entertaining. Wendell then shares his dynamic and soul stirring testimony of the changes that Christ has made in his life, their marriage and their work. His gift in extending the invitation is evident in that they have had 7,000 decisions for Christ in the past six years.

Wanda Jackson

Cooperative Extension System Week

-Obituaries-

Child care costs big budget outlay

Child care costs consume about 10 percent of the average family's income. The cost of child care outside the home has changed little over the past decade, but still is a major budget outlay for many American families.

Parents should pay close attention to how they spend their money. They need to be aware of how much of the family budget goes to child-care services and of the level of quality and convenience of those services.

King Louis XVI popularized the cultivation of potatoes in France by wearing potato flowers in his buttonhole.

PROCLAMATION
Whereas, The United States Congress established the Cooperative Extension Service in 1914 with the passage of the Smith-Lever Act to help farmers and ranchers, rural and urban communities and families with a multitude of problems, and the Texas Legislature created the Texas Agricultural Extension Service the following year; and
Whereas, the Texas Agricultural Extension Service was assigned administratively as the educational agency of The Texas A&M University System to conduct informal educational programs in agriculture, home economics, youth leadership development, community resource development and related areas as a part of the nationwide system pursuant to the cooperative agreement between the federal government, the state government; and
Whereas, the Texas Agricultural

Extension Service has programs for all Texans--young and old, rural and urban; and
Whereas, the Texas Agricultural Extension Service has demonstrated a positive force during the past 75 years, improving the quality of life for all citizens of Texas; and
Whereas, the Texas Agricultural Extension Service has continued to stay abreast of the needs and concerns of the state's citizens and is helping rural and urban citizens to become more knowledgeable about issues and to make informed decisions; and
Whereas, the Texas Agricultural Extension Service of The Texas A&M University System is observing the 75th Anniversary of this partnership in education as part of a national celebration; and
Now, therefore, we, Alton Byrd, Mayor of the City of Rochester, and Greg Melton, mayor of the City of Haskell, do proclaim the week of

May 8, 1989 as National 75th Anniversary of Cooperative Extension System Week and call upon all citizens of these cities to join in this observance for this unique educational partnership. We direct that a copy of this Proclamation be sent to the Texas Agricultural Extension Service as an expression of highest esteem and respect from the Cities.
s/ALTON L. BYRD
Mayor of Rochester
s/GREG MELTON
Mayor of Haskell

RESOLUTION

Whereas, the United States Congress established the Cooperative Extension Service in 1914 with the passage of the Smith-Lever Act to help farmers and ranchers, rural communities and families with a multitude of problems, and the Texas Legislature created the Texas Agricultural Extension Service the following year; and
Whereas, the Texas Agricultural Extension Service was assigned administratively as the educational agency of The Texas A&M University System to conduct informal educational programs in agriculture, home economics, youth leadership development, community resource development and related areas as part of the nationwide system pursuant to the cooperative agreement between the federal government, the state government and county government; and
Whereas, the Texas Agricultural Extension Service has a cooperative relationship with county commissioners courts through its network of county offices which enables rapid response to citizens' needs; and
Whereas, the Texas Agricultural Extension Service has demonstrated a positive force during the past 75 years, improving the quality of life

for all citizens of Texas; and
Whereas, the Texas Agricultural Extension Service has continued to stay abreast of the needs and concerns of the state's citizens and is helping rural and urban citizens of this county to become more knowledgeable about issues and to make informed decisions; and
Whereas, the Texas Agricultural Extension Service of The Texas A&M University System is observing the 75th Anniversary of the initiation of this partnership in education as part of a national celebration;
Now, therefore, be it resolved by the Commissioners Court of Haskell County, Texas that the members of this Court hereby officially recognize and commend the Texas Agricultural Extension Service for its timely and in-depth educational programs aimed at helping the citizens of this county to solve everyday problems and thereby improving their overall quality of life.
Resolved that the week of May 8, 1989, be proclaimed as National 75th Anniversary of Cooperative Extension System Week in this county.
s/B. O. Roberson
County Judge

Ben Lynn Jackson

Ben Lynn (Buddy) Jackson, 51, died May 2 in the VA hospital in Reno, Nev.

A memorial service was held Saturday afternoon with the Rev. C. T. Jackson of Haskell officiating. The body was interred with military honors in Cedar Point, Ore.

Jackson was born Oct. 10, 1937, in Lubbock. He was a member of the United Methodist Church.

Survivors include his wife, Bobi; a daughter, Rebecca Lynn Jackson; a son, Charles Benjamin Jackson; his mother, Joyce Spurk of Oxnard, Calif.; his father, the Rev. C. T. Jackson of Haskell; two sisters, Jan Schneider of Oxnard, Calif., and Sheri Beth Redwine of Anson; his step-mother, Mrs. C. T. (Nita) Jackson of Haskell; four step-sisters; a step-brother; two nieces and two nephews.

Softball meeting next Wednesday

There will be a softball league meeting next Wednesday (May 17) at the First National Bank, beginning at 8 p.m.

Anyone interested in having a team in the league is requested to be there.

Spray dates

First spray dates for the pecan nut casebearer will be May 26 through June 3.

Did you know?

The 45th anniversary of their participation in the "Battle of the Bulge" will be remembered at the 40th annual reunion of the 87th (Golden Acorn) Infantry Division of World Wars I and II to be held Sept. 20-24 in Arlington Heights, Ill.

FFA gives awards

The Haskell FFA chapter held its annual parent/member banquet last Thursday evening at Haskell Memorial Civic Center.

The Star Greenhand award was presented to Jeff Brister for his outstanding achievements in FFA.

The Star Chapter Farmer award went to Rod Jeter.

The Honorary Chapter Farmer award was given to Dale Bullinger. Bullinger graduated from Henrietta High in 1976, attended Tarleton State University and served as president of the Collegiate FFA chapter there.

He is now president of the Federal Land Bank Association of Haskell, president of the Haskell County Junior Livestock Association, beef superintendent for the Haskell County Fair, a member of the Methodist Church and a member of the Haskell Lions Club. His support of the youth of Haskell County was noted in the award presentation.

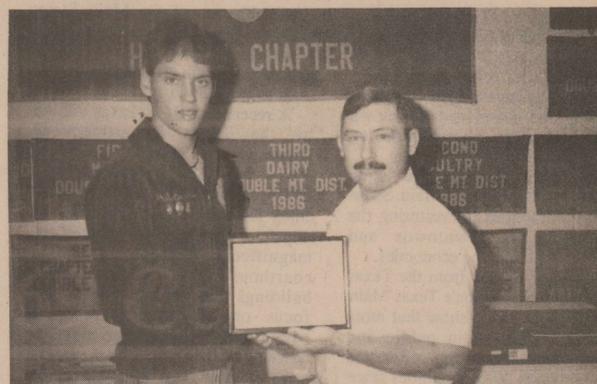

Greenhand pins were awarded to:

Misti Bartley, Jonathan Dever, Kim Gilly, Jeremy Jordan, Heath McMeans, Isaac Swann, Kendi Williams, Deanna Scheets, Denise Collins, Jeff Brister, Dusty Burson, Lee Decker, Bernie Gonzales, Jimmy Johnston, Aaron McFadden, Chris Tanner, Cody Stocks, Relandus Swann, Joe Ray Comacho and Michael Rogers.

Receiving Chapter Farmer pins were:

Adam Coleman, Chad Gibson, Jason Hall, Craig Hanson, Rod Jeter, Jay Miller, Heidi Mullen, Rusty Stocks, Tiffany Williams, Johnie Billington, Cole Calloway, Jason Davis, Rene Garcia, Mitch Mayfield, Steve Quattlebaum and Nored Lane.

Thank you for reading THE HASKELL FREE PRESS.

Dale Bullinger receives the Honorary Chapter Farmer award from Brad Bevel of the Haskell FFA.

Recipient of the Star Greenhand award was Jeff Brister.

Rod Jeter received the Star Chapter Farmer award from Brad Bevel.

Main Street Project revitalizing towns

The heart of Texas is beating strongly in many downtowns. Small and medium size Texas cities have succeeded in revitalizing their economies by investing in the repair of aging and abandoned downtown buildings, landscaping and marketing techniques.

More towns than ever are taking advantage of the Texas Main Street Project's strategies for restoring the confidence in downtowns and reversing their lagging economies.

The latest figures from the Texas Historical Commission's Texas Main Street Project office show that more than \$175 million in public and private funds have been reinvested into more than 30 communities since the program began in 1981.

Since the program's inception, Texas Main Street cities have seen 2,356 downtown buildings rehabilitated, a net gain of 1,162 new businesses and 3,536 new jobs created.

In 1988, for example, Daingerfield, with a population about the same as Haskell's, reported new construction and rehabilitation projects at nearly \$3 million, creating 75 new jobs. Temple (population 45,000) also reported a \$3 million reinvestment figure, \$2 million of which was in new construction. In addition, 118 new jobs were created.

A key to the success of the Texas Main Street Project is the combination of historic preservation and economic development.

"People enjoy traveling and visiting historic sites," says Anice

Read, director of the Main Street project. "Historic Texas downtowns, with their charm and character, have a natural attraction that makes people want to stop and visit."

A recent survey of Texas tourists by the Texas Department of Highways and Public Transportation shows that historic attractions rank among the top three things travelers enjoy most in Texas. With old train depots, historical museums, magnificent 19th-century county courthouses and other historic buildings located downtown, the focus on historic structures in revitalizing the economies of downtowns is in step with the state's recent thrust toward developing tourism.

Five cities are selected to participate in the Main Street project each year. Official designation entitles these communities to join a growing network of cities striving to revitalize their downtowns. Under the project, each participating city receives architectural assistance from the THC for three years, as well as guidance on interior design, marketing and business development. In addition, each city is required to hire a Main Street manager to coordinate the project for a three-year period.

Texas Main Street cities for 1989 are Denison, Fort Stockton, Mineola, Sulphur Springs and Yoakum. Currently, there are 15 active Main Street cities across the state, and 16 former Main Street cities still participate in the program.

Develop landscape to conserve water

With hot, dry weather looming ahead, homeowners and others involved in landscape development should focus on water conservation.

Water conservation can be practiced in all areas of landscape development and maintenance, including plant selection, irrigation practices and equipment, and soil preparations. These practices can be as aesthetic as well as practical, said Max Stapleton, Haskell County agent.

Homeowners can lower their landscape water usage in several ways:

--Using native and adapted plants. native plants often thrive on existing growth conditions and reduce the need for extra irrigation. Many plants have been introduced that show adaptability to soil, rainfall and temperature conditions.

--Taking advantage of innovations in irrigation practices and equipment. The landscape irrigation business is experiencing a revolution, with new timing devices, low pressure systems, drip irrigation and other highly specialized water devices focusing on more efficient water usage. Irrigation systems and small ponds and fountains also can effectively use water as an aesthetic addition to a landscape.

--Using mulches for insulation. By providing an insulating layer between the sun and soil, mulches prevent rapid drying and lower soil temperature in hot weather, which keeps the top soil from crusting or hardening. Low-cost materials such as hay, grass clippings, bark and pine

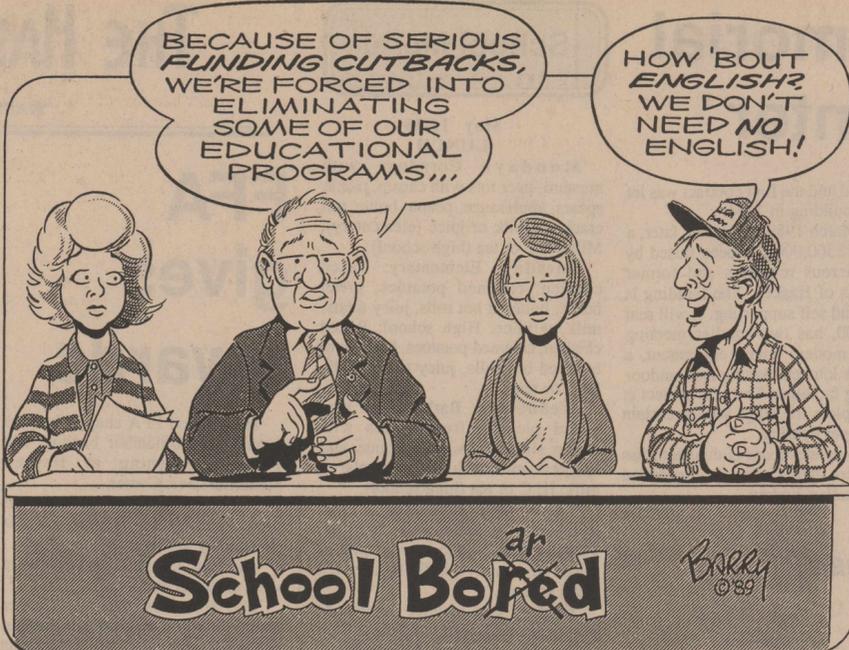

needles are excellent for mulching and can add appeal with texture and color.

--Properly preparing the soil. When soil has been loosened and improved with plenty of organic material, such as peat, pine bark or compost, it will hold significantly more moisture and release it over a longer period of time. However, organic materials break down over time and need to be supplemented. A compost pile can be a good source of these materials, allowing the homeowner to recycle leaves, grass clippings and other waste to improve the soil.

These are just a few practices that homeowners can use to significantly reduce water usage in their outdoor environment.

James Bevel, left, and Conrad Roewe were referees for the benefit basketball game Saturday night between the Indian seniors and the coaches.

BY WENDELL FAUGHT

A cheerful heart is good medicine, but a crushed spirit dries up the bones. Proverbs 17:22.

Cheerfulness, mirth, humor. As King Solomon's statement from 950 BC reflects, the value of mirth has long been recognized, though perhaps not fully understood or utilized. Humor should not be viewed merely as foolish entertainment.

In recent history, some have begun to tap Solomon's age-old wisdom to apply it to physical and emotional healing. Norman Cousins, in his best seller *Anatomy of an Illness*, has documented his application of laughter to relieve pain and promote sleep while suffering from a life-threatening illness.

"The pathways which register pain are quite complicated, but laughter is both a physical and emotional response," says psychiatrist Dr. Robert R. Rynearson. "Therefore, laughter can at times, distract the brain from pain, offering temporary relief."

According to Dr. Rynearson, chairman of the Department of Psychiatry/Psychology at Scott and White in Temple and professor and head of the Department of Psychiatry and Behavioral Science at Texas A&M College of Medicine, the effect of laughter is similar to that of hypnosis. He cites the occasional use of hypnosis in place of anesthesia for surgery. "We don't really understand how it works, but somehow, through hypnosis the brain is distracted from the pain through the power of suggestion. Laughter seems to work in the same sort of way."

Some people suggest the use of forced laughter, simply making the diaphragm move, imitating the force of laughter. Dr. Rynearson agrees that might work, but believes that a natural response to funny stimuli is probably better. Cousins chose to watch episodes of "Candid Camera" and listen to humorous stories which nurses read to him from books. Some researchers have suggested that laughter prompts the release of natural, pain-relieving chemicals called endorphins, though that has not been proven.

Perhaps Solomon understood the importance of laughter to our emotional well-being, as well. Dr. Rynearson believes that the ability to laugh about even the most tragic situation, often called "gallows humor," signals a healthy outlook. "When a person is told that he or a loved one is suffering from a terminal illness, there are various emotional stages that he must experience. When the person has passed through these stages and come to an acceptance of the situation, he usually begins to laugh and make light of it," he says.

The development of a sense of humor is a milestone in the life of a child, as it signals the ability to think in abstract terms. "The sense of humor usually emerges about the time that a child begins to understand that life is a complicated series of problems to be negotiated and managed," says Dr. Rynearson. The ability to laugh at one's self or one's situation is part of a healthy emotional awareness, something that our society is lacking. "We Americans have become insulated from everything--from discomfort, from pain, from death, from emotion of any kind," states Dr. Rynearson.

In his experience, he has discovered that "those who handle stress and life's difficulties best are those who have experienced life, both its pain and its pleasures. And that means allowing ourselves to experience emotion; to laugh and to cry." Dr. Rynearson attributes our separation from emotion largely to the disintegration of the family and to the influence of television which allows us to be spectators, to observe rather than participate. "We have become too sophisticated. We have bought the John Wayne/Clint Eastwood myth." In the process, we have sacrificed a piece of our humanity, the ability to feel.

So, how do we overcome our sophistication? How do we get beyond the myth and in touch with our humanity? Dr. Rynearson suggests simply, "Get involved. Experience life instead of sitting on the sidelines. Find outlets for your creativity. Learn to recognize and negotiate the challenges life offers."

"What you're really talking about when you discuss laughter is pain," points out Dr. Rynearson, "because much of humor is based on painful or embarrassing situations. Illness can be terribly threatening because it represents a loss of control. Humor simply puts that loss of control into perspective and helps us cope."

Jim Kemp, son of Dr. and Mrs. Wm. J. Kemp, was named first-place winner in poetry reading in the Class AA State University Interscholastic League Literary contest in Austin last Friday. Jackie Beauchamp, daughter of Mr. and Mrs. Bob Beauchamp, took third place in the AA girls' poetry reading.

Von Marr was elected president of the Haskell Jaycees at a meeting held Tuesday night at the Corral Building.

Representatives of North Texas cities appeared before the Texas Highway Commission Monday to appeal for US 380 to be re-routed to follow Texas 24. Representing Haskell County were Mayor H. V. Woodard, chamber of commerce manager Rex Telker and commissioner Ray Perry.

A hard-driving rain which began falling early Tuesday morning and continued through mid-afternoon dumped 5.01 inches in Haskell, according to Sam Herren. Another .04 fell Wednesday and coupled with 2.31 inches which fell Saturday, Sunday and Monday, brought the overall total for the five-day period to 7.35 inches.

Honor graduates this year include Judy Jeter, valedictorian; Janet Follstaedt, salutatorian; and J. F. Cadenhead, highest ranking boy.

T. C. Walker announced this week he had purchased the Fieldan Motel from L. L. Sawyer effective May 1.

Piano students of Mrs. Kenneth Lane will be presented in recital Sunday afternoon at the First United Methodist Church.

T. J. Ratliff of DeQuincy, La, a former resident and teacher in Haskell County, will retire on May 26 after teaching in Texas and Louisiana a total of 48 years. He began his career as a teacher at Sagerton in 1921.

50 Years Ago

One residence and two business houses in Sagerton were destroyed by fire last Friday night. The fire started in the residence of Reagan Bell which fronted the main street beside his cafe and in spite of the effort of a volunteer bunch of fire fighters the flames spread to the Bell Cafe and the Floyd Smith Filling Station and all were consumed.

Mr. and Mrs. R. J. Paxton of this city spent the weekend with friends in San Angelo.

Rev. and Mrs. E. Gaston Foote visited her parents, Judge and Mrs. Prentiss Young of Stephenville, the early part of last week.

Shelby Johnson and Jim Doolen returned home last week from a trip to several different states.

Hugh C. Ratliff, son of Judge and Mrs. L. D. Ratliff, has been accepted by the U.S. Government as a cadet in the Aviation Corps, USA, and is now stationed at Brook Field, San Antonio, for training and will be sent with other cadets to the Panama Canal Zone about August.

Miss Lucy Cummings, who is teaching in the Quannah schools this year, spent last weekend with her parents, Dr. and Mrs. D. L. Cummings.

May 8, 1909

On Wednesday afternoon, the Symphony Club met at the home of Mrs. H. R. Jones.

J. B. Clark of the south side was here Tuesday. He had a bale of cotton ginned.

Mr. J. B. Tompkins and son, J. F. Tompkins, have returned from a trip to Fort Stockton. Mr. Tompkins said he saw some good country but it was very dry. He said that Haskell County still looked to him like the garden spot of all the west.

Mayor T. E. Matthews made a

business trip to Stamford Saturday.

On last Saturday night, Dr. and Mrs. R. A. Pinkerton entertained a party of their friends at their farm west of Haskell. Among those present were Mr. and Mrs. C. M. Hunt, Mr. and Mrs. H. E. Fields and Mr. and Mrs. D. W. Pitchford.

Mr. C. E. Bowes, accompanied by Miss Cora Lemmon and Mr. Allen went to Sagerton Monday to put on a big dry goods sale.

Misses Phency and Rudella Newberry were entertained by a host of friends Sunday evening.

All can help in environment

Although severe crises face the global environment as the 1990s dawn, every individual can help insure a decent quality of life for future generations, an international expert says.

Dr. Russell W. Peterson, leading conservationist and president emeritus of the National Audubon Society, says each person has a big stake in helping provide a sustainable quality of life for succeeding generations.

Thank you for reading THE HASKELL FREE PRESS.

--Letters to the Editor--

At the park

Editor: Haskell's first "Sunday in the Park" observance was an outstanding success due to the 20 participating organizations, the excellent entertainment and the more than a thousand spectators who enjoyed the event.

It would be impossible to thank every person who contributed their time and efforts but we would like to name a few who deserve special recognition.

The Haskell High School band kicked off the festivities under the direction of Ron Chapman; Randy McLelland entertained children and adults alike with his magic tricks and music; one of the liveliest groups was the "Fly By Night Cattle Co." from Stamford whose appearance was sponsored by Jim Haas and Edward D. Jones Investments; a variety of songs was presented by the Faith Singers of Rule, Lou and Ronnie Landes and Delbert and Susan LeFevre, a piano furnished by Bob McKinney; the popular Rochester Stage Band was led by Cindy Fryley. Climaxing the entertainment was a square dance demonstration by the Haskell County Squares, Slim Ivy caller.

Food booths were provided by the Kiwanis club, Lions club, St. George Catholic Church, Paint Creek Cheerleaders, Young Homemakers, Young Adult Class of the First Methodist Church, Haskell Bass Club, Texas Chiefs Model Airplane club and the Noah Project.

Activities included the Rotary club duck races, American Legion horseshoe pitching and Bass club fishing.

The city employees are to be commended for readying the park for the special day as their hard work paid off, showing the facilities in finest form.

Speaking for the three sponsoring organizations and in behalf of the entire community, we anticipate that the tremendous success will probably be the start of an annual "Sunday in the Park."

Greg Melton, Mayor of Haskell
Bud Lane, Chamber President
Conrad Roewe, Chairman,
Retail Merchants Assn.

Editor: Thank you from St. George Catholic Church to all who helped make the Jamaica Fiesta such a success Saturday.

Drawing winners were Ricky Guadalcazar of Haskell, Justin Comacho of Haskell, Bessie Villa of Haskell, Gloria Lerma of Goree and Ponciano Lopez Sr. of Haskell.

Field Day

Editor: We would like to take this opportunity to thank the high school personnel, bus drivers, lunch room workers and parents who helped to make our Field Day last Friday a success.

We appreciate all the hard work and support that went into this day. It was a great experience for our students.

Haskell Elementary Faculty

Thanks voters

Editor: I would like to take this opportunity to thank all the voters who placed their confidence in me for the Haskell School Board.

I am looking forward to working with the school board, Mr. Stewart, and all employees of the Haskell ISD for excellence in all areas of the school system.

Bob Aycock

--Obituaries--

Rosie L. Shipman

Funeral services were held Thursday afternoon (May 4) at East Side Baptist Church for Rosie Lee Shipman, 85.

She died Tuesday, May 2, at Haskell Nursing Center.

The Rev. Paul Cheatam officiated. Burial was in Highland Cemetery in Stamford. Pallbearers were Vernay Andress, Travis Riddle, E. R. Robinson, H. V. Woodard, Jimmy Owens and Pete Phillips.

Born Sept. 21, 1902, in Chilton, Texas, she was married to Elvis Earl Shipman in January 1942 in Lueders. They came to Haskell County in 1957 when they moved here from Stamford to operate Shipman Motor Repair at Lake Stamford. She was a member of East Side Baptist Church.

She is survived by her husband; a son, William B. Engler of Jacksboro; three sisters, Sue Kelley of Snyder, Lucille Hrrison of Llano and Katie Johnson of Hale Center; a granddaughter, Carolyn Furnace of Houston; two great-grandchildren, David Furnace of Eddy and Tammy Furnace of Houston; and two great-great-grandchildren, Bryan Furnace and Kristen Furnace of Eddy.

Mrs. Clyde Grissom

Mrs. Clyde Grissom, 88, died May 5 at her home in Eastland.

A native of Haskell County, she was the widow of Clyde Grissom, a one-time Haskell attorney.

Funeral services were Saturday afternoon at Holy Trinity Episcopal Church in Eastland. Burial was in the Eastland Cemetery under direction of Bakker Funeral Home. Father Steven Smith officiated.

Pallbearers were Virgil Seaberry, Joe Housson, C. W. Hoffman Jr., Bob Perkins, Cyrus Frost, Tom Paul Frizzell, Ken Frizzell and Howard Thomas. Honorary pallbearers were Jack Frost, W. H. Cooper, A. C. Yeager and Nasario Soto.

Mrs. Grissom was the daughter of the late Mr. and Mrs. M. S. Shook, pioneer ranching family of Haskell County. She was a graduate of Haskell High School and attended Texas Christian University. She married Clyde Grissom in 1924, and in 1935 the couple and their three children moved to Eastland.

ACCIDENTAL DISCOVERY MAY END OBESITY

WASHINGTON - Obesity may be controlled naturally with a new type of pill, discovered by accident, a research scientist confirmed recently.

In studies with potential cholesterol-lowering agents, scientists noted an unusual side effect. Patients receiving an ingredient in what is now being called FS-1 all lost weight, in spite of being instructed not to alter normal eating patterns, while body weight in control groups remained constant.

Scientists say the mechanism behind the weight reduction is not clear, but suggest it is partially due to a decrease in the intestinal absorption of calorie-rich dietary fats. Although scientists for some time have known of substances with the capability of producing this effect, the dramatic impact on weight reduction was not known until recently. Substances with a greater potential to block absorption will produce greater weight loss results.

The director of research and development at National Dietary Research, an organization committed to the investigation and research of nutritional solutions to world-wide health problems, stated "The mechanism by which FS-1 works to decrease body weight is actually a more complex and sophisticated process called nutri-bonding. When chewed and swallowed immediately before meals, FS-1 releases nutrients with low calorie content into the body, while high calorie fats are eliminated, thus providing optimum nutrition and a minimum number of calories."

Studies with FS-1 indicate weight loss results clearly superior to products currently available for the treatment of obesity. In a comparative study by NDR, whose research topics have been the subject of articles published in recent medical and nutritional journals, FS-1 was found to be the most effective treatment for obesity and the most acceptable to patients.

The discovery comes as welcome news for thousands of obesity sufferers waiting years for this type of breakthrough. According to a spokesperson at NDR, "FS-1 can be made available to the public immediately, because it is not a drug and contains only natural ingredients recognized as safe. A drug with essentially the same weight loss capabilities might take as long as eight years to be available, due to lengthy delays encountered in the approval process." FS-1 is currently available on a limited basis through physicians and pharmacies, but may also be obtained directly from National Dietary Research, Suite 553, 1377 K St., Washington, DC 20005 for \$24.98 plus \$3 postage & handling. An instruction sheet for proper use and optimum results is provided with each bottle of 100 tablets.

FS-1 is available in Haskell at: **JOHNSON PHARMACY**
418 North 1st St. 864-3331

seven grandchildren; and six great-grandchildren.

Child program to be offered

Haskell ISD and the Haskell-Knox Consortium will offer an early childhood program for children ages 3 and 4.

This year, there were two and a half hour morning and afternoon sessions. Mrs. Tanner, speech therapist, came two days a week to help with speech and language.

Parents who think they have a child or know of a child who would benefit from the early childhood program should contact the elementary school at 864-2891 by Friday, May 12.

--Market Report--

Haskell Livestock Auction

The market at Haskell Livestock Auction Saturday was on a run of 1,682 head of cattle.

Prices of fleshy, larger cattle were \$1 to \$2 lower. Canners and stockers were \$1 higher while packer cows were \$1 to \$2 lower. Pairs and springers were steady.

Cows: fat 45-49.50; cutters 46-55; cannors 39-46.

Bulls: bologna 58-67; feeder 70-80; utility 50-58.

Steers: 200-300 lbs. 120-145; 300-400 lbs. 100-120; 400-500 lbs.

90-110; 500-600 lbs. 80-95; 600-700 lbs. 73-81; 700-800 lbs. 69-75; 800 lbs. up 64-70.

Heifers: 200-300 lbs. 110-115; 300-400 lbs. 90-105; 400-500 lbs. 80-95; 500-600 lbs. 73-83; 600 lbs. up 63-70.

Bred heifers: medium frame 450-550.

Bred cows: young to middle age 550-670; aged or small 400-500.

Cows with calves: young and middle aged 650-840; small or aged 450-550.

Volunteers needed by Noah Project

The Noah Project-North is accepting applications for volunteers. Caring individuals are needed to help in the program.

The Noah project is a shelter for victims of family violence and their children. The local unit serves Haskell, Knox, Stonewall and Throckmorton counties, as well as Stamford.

Persons interested in volunteering their help should call 864-3972, or write Box 52, Haskell. (The telephone has a diverter. A caller will hear a short beep tone if no one is in the office and should hold the line and the phone will divert to a volunteer.)

Happy Mother's Day!

--Weinert--

by Myrtle Phemister

We were spared any major damage from the storms we had last week. There was some damage from lightning; some trees uprooted, with others having limbs broken off; there was a bit of hail, and some frightened people. But the 1 and 6 tenths inches of rain we received was welcomed with grateful hearts.

Our visitors
Mr. and Mrs. Pete Tanner of Truby were guests of Francis Mahan on Monday.

Mr. and Mrs. John Hall of California, former pastor of the Foursquare Church, were recently in Weinert, and spent some time with the Roy Herricks and other members and friends.

Lois and Doug Anderson of West, with Karen and Doug Partaisa, were here for a visit with Lois's mother and brother, Lucinda and Calvin Davis.

Other relatives visiting the Davis home were Cara and Billie Dutton of Abilene with David and Michael; Donnie Ray Davis, of Newcastle; Mary Davis of Clovis, N.M.; Frank Davis of Graham; and Mr. and Mrs. Leroy Westerman and children of Abilene.

Mrs. Davis reports the birth of her first great-granddaughter, Joyce Ivy Betts, who arrived on March 30th in Portales, N.M. to bless the home of Iva Lou and Roy Don Betts. Mrs. Davis has four great-grandsons. Congratulations!

Mr. and Mrs. Floyd Bailey, and Mr. and Mrs. Floyd Bailey, Jr., all of

Dallas, spent the weekend in Weinert, and Floyd, Jr. was guest speaker at both worship services at the Foursquare Gospel Church of which his parents pastored years ago.

Mr. and Mrs. Larry Grimsley of Abernathy were guests in the home of classmate Lester Hutchinson and Kathi, last week. They both have cabins at Lake Stamford and were unaware of each other living nearby.

Larry reports his mother is well and stays busy.

Mr. and Mrs. Bob Schindler of Abilene were in town and took her mother, Bertie Alexander for a physical check-up.

While here they completed plans for the family reunion which will be held on Saturday, May 13th, at the Western Motel in Munday, with plans for the delegation to attend worship services at the Weinert Foursquare Church on Sunday. They will be celebrating Bertie's 87th birthday.

Out of town:

Mr. and Mrs. David Sikes, with Nathan and Andrew, were in Vernon for the weekend with friends. The Sikes formerly lived in Vernon before moving to Weinert, where David, is employed with Haskell SWCD and Mrs. Sikes is on the school faculty of Munday ISD.

Eddie and Myrnie Sanders were in Wichita Falls to visit their daughter's family, the Wayne Offutts.

Sandra Nichols, with son T, and friend Heath Guess, were in San Antonio and other points of interest.

Francis Mahan attended the wedding of a grandson, Michael Allen, son of Mr. and Mrs. Jim Allen, which was held in Greenville, S.C. on Sunday, May 7th. Francis flew to Greenville.

The bride is Linda Lazar, daughter of Mr. and Mrs. Jack Lazar of Greenville.

Michael will graduate on May 12 from Furman University in Phoenix, Ariz. and will begin his internship at the Dallas Childrens Hospital in July. Congratulations, to all.

Lester and Kathi Hutchinson were

in Wichita Falls on Saturday (instead of Junction, as reported) where Lester's sister, Christine Meers, underwent surgery at Bethania hospital.

Christine is home and doing well at this time.

Buck and Helen Turnbow spent a few days in San Angelo with members of Helen's family. The doctors have diagnosed Helen's problem as being a calcium deficiency, which caused her bones to become brittle, and split. She is wearing a cast on her leg, and is much improved in health and attitude.

Tinka Herricks is doing well, and was able to be at worship services on Sunday. She underwent back surgery in Dallas recently.

The Weinert Church of Christ enjoyed a monthly fellowship dinner together on Sunday, and later went in a group to Knox City for the First Sunday singing.

Mr. and Mrs. Marvin Phemister hosted the dinner in their home.

Helen Boykin attended the graduation exercises at Abilene Christian University on Saturday, where her grandson, Michael Boykin, son of Mr. and Mrs. Doyle Boykin, graduated Cum Laude, with a degree in accounting.

The Haskell SWCD was well represented at the Region V Conservation Awards Banquet held at Stephenville on Tuesday, May 2nd, as they received the first place award in the region, consisting of 38 counties.

The Haskell SWCD was recognized for its outstanding work on many projects.

Another home-town winner was Jo Helen Elliot Phillips, formerly of Haskell, who received the first place conservation teacher award.

She teaches at Kline White's Elementary school in Lampasas. She sent warm regards to all her friends in Haskell, by Marvin and Myrtle Phemister. She had an outstanding conservation resume.

Our birthday people this week includes Bennie Horan, Bertie Alexander, Donita Hudgens, Myrle

Alexander, Dora Brueggeman and Cindy Guess. Happy birthday, all!

Congratulations to Jimmie and Harlan Weinert and to Brian and Vicki Adams, who are celebrating wedding anniversaries.

We regret that Lenora Griffis had to return to the Haskell hospital suffering from pneumonia. Our prayers are for her quick recovery.

Lucile Adams is spending some time in Kingsville, as they all eagerly await the "stork's arrival" at the home of her daughter, Linda and Scott Moody. Everyone is well.

Angie Costello and family were in Garland for the weekend for a visit with her son, Reuben who has recently found employment there.

Molly Estrada and Denise Carroll were participants in the Purple Cloud Musicade that was presented by the junior high and senior high Mogul band in the Munday Gym on Tuesday night, May 9th. The girls are both Freshmen students at Munday. Congratulations!

Have a nice day!

-Marriage Licenses-

Six couples applied for marriage licenses during the month of April, County Clerk Woodrow Frazier announced.

Licenses were issued to:
Ben Melvin Benton of Haskell and Connie Jo Hamilton of Breckenridge; Clarence Dewayne Meier and Maria Adelina Rodriguez, both of Haskell; Elmo Dumont Bridge and Maxine Smith Flynn, both of Afton; Gregorio Esquivel Sepeda of Munday and Sara Navarrette of Rule; Leonard Alvin Mahan III of Weinert and Catherine Lea Rowan of Haskell; and Andrew Jackson Correll III of Knox City and Patricia Ann Andrada of Rochester.

-BIRTHS-

Mr. and Mrs. Paul Wayne Stovall of Munday announce the birth of a son, Sean Michael Stovall, born April 12, 1989 at Haskell Memorial Hospital weighing 8 lbs. 12 1/2 oz.

Mr. and Mrs. Ricky Eugene Tidrow of Haskell announce the birth of a daughter, Kayla Jo Tidrow, born May 1, 1989 at Haskell Memorial Hospital weighing 6 lbs. 12 oz.

Unselfishness is a rare virtue not to be expected too often.

TANDYFAX™ 1000 Lowers the Cost of Communicating Vital Information Fast

New for '89 \$899⁰⁰

Eliminate Costly Courier and Express Charges—Send Documents Across Town or Worldwide for the Price of a Phone Call!

TANDYFAX 1000. The features, speed and performance you need—at a breakthrough low price! Simply connect the TANDYFAX 1000 to a rotary or long phone line, and you're ready to send and receive letters, contracts, spreadsheets and other data—instantly! Even lineart graphics and photos can be sent using the halftone setting. Multifunction LCD provides time, date, ID number of corresponding fax unit, operation settings, and phone number dialed. The TANDYFAX 1000 features SuperFine, Fine, Standard and Halftone Resolution Modes to ensure that the smallest of text and the faintest of photos are reproduced with clarity and sharpness during transmission. A built-in 24-hour timer lets you schedule operation after hours, when long-distance rates are lowest. Other quality features include 70-station Auto-Dialer, Automatic Document Feeder and "turnaround" polling which lets you send and receive documents on the same call, minimizing long distance charges. There's a telephone handset so you can talk to the other party without having to make a separate call. A journal of transaction data is printed out automatically after every 32 transmissions or you can get a printout of all relevant data such as date, time, number of pages, ID number, etc. following each transmission to provide proof that a document was sent and received. The TANDYFAX 1000 is the money-saving way to send documents anywhere in the world—instantly! Come into Radio Shack and find out how your business can enjoy the benefits of facsimile communications!

- Send and Receive Crisp, Legible Copies in Just Seconds Per Page
- Maintains and Prints a Record Of All Transaction Data
- Also Makes Copies—Doubles as a Convenient, Personal Copier
- Compact Size Utilizes Little Space on a Desktop or Cabinet
- Programmable Security Password Assures Confidentiality Of Your Polled Transmissions
- Ideal for Small Businesses, Departments and Branches of Large Businesses

IT'S SOME OFFER. Your John Deere dealer stands behind the new 1989 walk-behind with this promise: Buy it and test drive it for a full month. If you don't agree it's the best mower you've ever used, you can bring it back for a full refund.

IT'S SOME MOWER. We're making this offer because we're completely confident you'll be happy. If its durable, quick start engine, 5-speed shift-on-the-go transmission, and easy, lift-off rear bagger don't make you completely happy, we'll be happy to take it back.

--Rule--

By Vicky Anderson
 Congratulations to Denise Burris Turner, wife of Tom Turner of Rule, and daughter of Dale and Linda Burris of Childress (formerly of Haskell), who received her bachelor of business administration in accounting from Abilene Christian University May 6. Her grandparents, Mr. and Mrs. Johnny Moore of Goree as well as her parents, sister and in-laws Joyce and Sam Turner, attended the graduation exercises.

-o-

The mothers of the juniors and seniors had a meeting recently to plan the junior-senior prom, which will be at the Sons of Hermann Hall May 19. More details will be given at a later date.

-o-

The final performance of "Johnny Belinda," Rule's OAP, was well attended by the public Thursday night, May 4, but the party at the conclusion was interrupted by the tornado warning that nite. At the conclusion of the play, the crowd gave them a standing ovation.

-o-

Your writer had a brief visit Wednesday with her friend, Mildred Smith in Stamford. Mrs. Smith had recently returned from Amarillo where she stayed with her sister, Martha Green, who had sustained an impacted fracture of her arm.

-o-

According to a spokesman in Senator Steve Carriker's office in Austin, the people in this area have nothing to worry about in regard to House Bill 18, which pertains to rural health care and small hospitals.

Your writer has a brother who is an employee of the State of Texas, and he was the one who contacted the senator's office on Friday morning and they assured him that both he and Senator Brooks are behind this 100 percent. In fact, the spokesman said he is afraid that people in this area are badly misinformed about the support of this bill and a companion bill.

-o-

Here is the Rule school honor roll for the fifth six weeks:

12th grade: A: Cheryl Butler, Wes Pierce, Angela Rhoads, Shanna Tibbets; A&B: Kim Diers, Kathleen

Kutch, Kevin Saffel.

11th grade: A&B: Mary Hatley, Traci Landes, Larressa LeFevre, Philip Manske, Jason Tanner.

10th grade: A: Jason Halliburton, Paul Leonard, Rusty White, Kody Wilson; A&B: Tori Jenkins, John Leonard, Tammy Sanders, Shelly Williams.

9th grade: A: Joseph Pace; A&B: Shane LeFevre.

8th grade: A: Angela Hisey, Craig New, Kenna Tanner; A&B: Laurie Boger.

7th grade: A&B: Bobbie Jones, April Ledbetter, Christy Mathis, Jana Saffel.

6th grade: A: Allison Pike; A&B: Tomika Griffin, Nicole Holcomb, Jennifer Milliman, Justin Sanders, Heather Simpson.

5th grade: A: Kacy Baitz, Cory Robinson, Julie Saffel, Susan Saffel, Chad Teichelman, Denise Wilson; A&B: Bruce Kennedy, Scott Landreth, Lisa Macias, Arthur Mendoza, Matt Pace, Chance Williams.

4th grade: A: Michael Murray, Stephanie Stegemoeller, Kalith Trussell; A&B: Isabell Baez, Sara Kitley, Hollie Smith.

3rd grade: A: Kayla Allison, Angie Guadalczar, Amy Hisey, Megan Jones, Jennifer Lehmann, Maria Martinez; A&B: Jimmy Bilbrey, Justin Foil, Justin Halliburton, Khalilah Mason, Matthew Ramirez, Jenni Slayton, Brad Simpson.

2nd grade: A: Deborah Wilson, Erika Sanders, Eric Robinson, Lindsay Pike, Cinda Martinez, Lezli Jenkins, Bobbie Jo Alaniz; A&B: Brandon Williams, Jace Manske, Joshua Ledbetter, Michael Hertel, Austin Boger, Adam Boger.

1st grade: A: Christina Baez, Jazmin Garcia, Jeremy Hertel, Grant Hisey, Stephen Kitley, Brian Lehmann, Kara Pierce, Gena Robinson, Michelle Stegemoeller, Jesse Threet, Latisha Trussell; A&B:

Mike Casey, Allen Puebla, Tiffany Ramirez, Michael Slayton, Marisol Rodriguez.

-o-

Faye and Ennis Webb, along with their daughter, Melinda Hisey, and her children, Angela, Amy and Jonathon, were in Midland last weekend to visit the Webbs' son, Paul, his wife, Lynn, and son, Christopher.

-o-

The Haskell County unit of the Retired Teachers Association will have its final meeting of the year at the Bluebonnet Cafe in Rule on Wednesday, May 17.

-o-

Wes Pierce and Rusty White participated in the UIL state meet in Austin over the weekend. Wes won third in headline writing in Class A, defeating nine other participants. Rusty did not finish in the top 6, but scored well in his number sense category. While in Austin they attended the state one-act play contest. They were accompanied by Jerry Cannon, Bobby Robinson and Cory Robinson.

-HOSPITAL-

Medical Patients

Lenora Griffis, Weinert Frances Perez, Sagerton Nola Parker, Aspermont Willie Petrich, Haskell Beverly Williams, Haskell Oma Cummings, Haskell

Dismissals

James Stewart, Ted Hines, Eula Arend, Janie Casarez, Frances Perez, Fred Jones, Santos Gonzales, Annie Nash, Thurman Medford, Brian Williams.

Tigers decline

Tiger populations have dropped dramatically in the last few years.

In 1920, there were approximately 100,000 animals in the wild. Today, the figure has dropped to only 3,000.

--Sagerton--

by Alice Bredthauer

Bill Tabor of Dallas visited in the home of his mother, Mrs. John L. Brooks over the weekend.

G. W. and Ophelia LeFevre have returned from Hawaii. They went with Larry and Jean Gibson and had a great time.

G. W. was honored with seven stewardesses giving him a bottle of champagne, certificate and wings for that was his first flight.

Mrs. Zenor Summers and Pam Baitz went to Abilene Sunday afternoon to do some shopping.

Mr. and Mrs. Herbert Lammert, Mr. and Mrs. Alvin Ulmer played 84 in the home of Mr. and Mrs. G. W. LeFevre Sunday night.

Mr. and Mrs. Alvin Bredthauer, Clarence Stegemoeller played pinochle in the home of Mrs. Lena Schaaqe Sunday night.

Mrs. Jimmy Teichelman went with Mrs. Billie Wendeborn Monday morning to the dentist to have some dental work done.

Mr. and Mrs. Jimmy Teichelman, Chad and Greg ate lunch in the home of Mr. and Mrs. Herbert Teichelman on Sunday.

Mr. and Mrs. Arthur Knippling ate lunch in the home of Erna and Walter Schaaqe Sunday in Stamford.

Mr. and Mrs. Alvin Bredthauer, Mrs. Adela Niedieck, Herbert Rinn, Mr. and Mrs. Herbert Williams, Mr. and Mrs. Fred Teichelman, Mr. and Mrs. Marchel Nauret, Mr. and Mrs. Gene Teichelman bowled on Thursday in Abilene.

Those who are celebrating birthdays this week are Mrs. Lillie Lehmann, Susan Kitley, Bernice Vahlenkamp, Marchel Nauret, Kalie Yarborough, Diane Barbee, Hilda Kieke.

The mother and daughter banquet will be Saturday at 6 p.m. at the Faith Lutheran fellowship hall.

Mr. and Mrs. G. W. LeFevre, Larry Cornelison, Mrs. Mary Neinast played 84 in the home of Mr. and Mrs. Herbert Lammert in Rule.

Mr. and Mrs. Herbert Williams, Herbert Rinn, Mr. and Mrs. Fred Teichelman played 84 in the home of Mrs. Adela Niedieck Thursday night.

Mr. and Mrs. Joe Clark visited in the home of Mr. and Mrs. Don Bivins, Tom and Emmalee of Argyle. They went especially to help Emmalee celebrate her sixteenth birthday. Also visiting in the Bivins home during the weekend were Mr. and Mrs. Lee Bivins of Lake Stamford and Mr. and Mrs. Lonnie King of Granbury.

On Sunday Mr. and Mrs. Joe Clark were in Richardson where they attended the spring concert of the Handbell Choir of Messiah Lutheran Church. This was the final performance of the choir under the direction of Mrs. Virgil Meyer. Rev. and Mrs. Meyer are retiring after serving many years in the preaching and teaching ministry of the Lutheran Church Missouri Synod. The Meyers first church to serve after his ordination was Zion Lutheran in Sagerton. Clyde Stegemoeller is a member of Meyer's Church in Richardson and a member of the handbell choir. Mr. and Mrs. Leon Stegemoeller also attended the concert.

Fast growers

Ostriches mature so fast after hatching that you can almost watch them grow.

Counting their wobby necks, they measure about 12 inches tall at birth. By the time they are six months old, they are approximately six feet tall.

Those who smile often have more friends than those who frown.

To all customers of Southwestern Bell Telephone Company:

Public Notice

On March 14, 1989, Southwestern Bell Telephone Company filed with the Public Utility Commission of Texas an application which proposes to revise its Toll Restriction Tariff in Section 21 of the General Exchange Tariff. The Commission received the application as Docket No. 8700.

The application proposes to reduce the monthly rate for Toll Restriction residence service from the current \$15 a month to \$5 a month per residence access line. This proposed application will affect approximately 2,487 residence customers who presently subscribe to toll restriction. It is estimated that the proposed rate schedule will reduce the Company's annual revenues from this service by approximately \$298,000, which is less than one percent of the Company's total intrastate revenues. If the application is approved, the effective date of the rate reduction will be set according to the Commission's Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A deadline to file motions to intervene has been set for May 30, 1989. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas at 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Information Office at (512) 458-0223 or (512) 458-0221, teletypewriter for the deaf.

AT&T MultiQuest™ Service

AT&T Communications of the Southwest, Inc., (AT&T) announces its intent to introduce within Texas on July 14, 1989, AT&T Multi-Quest Service, a new interactive 900-type telephone service. Since February 19, 1989, this innovative service has been available to Texas businesses only on an interstate basis. With AT&T MultiQuest Service, Texas business customers (otherwise known as sponsors) may offer value-added information services to callers originating long distance calls from Texas or elsewhere in the United States over AT&T's public switched network. A Texas caller, accessing the service by dialing the sponsor's 1-900 plus seven-digit number, can obtain recorded and/or live information by communicating with attendants, voice messaging equipment and computer data bases. Flat-rate, time sensitive usage charges will be billed to the caller for the sponsor's service.

AT&T is offering AT&T MultiQuest Service within Texas in response to requests by its business customers for a service that offers intrastate as well as nationwide interactive voice & data transport capability. Potential sponsors include entrepreneurial companies entering into new ventures that are information intensive, local mass announcement sponsors who want statewide as well as national coverage coupled with interactive capability and other information service providers.

The Texas intrastate AT&T MultiQuest Service will be tariffed as an "add-on" offering to a sponsor's existing interstate AT&T MultiQuest Service. The intrastate AT&T MultiQuest Service costs will be recovered from sponsor usage charges set forth in AT&T's intrastate tariffs. The usage charges billed to the caller are determined by the sponsor as appropriate to the service being offered and are not tariffed charges.

For more information about AT&T MultiQuest Service please call your AT&T Account Executive or AT&T's business consultants toll free on 1 (800) 552-0212. They can answer your questions regarding this service and how it can be of benefit to you.

AT&T intends to file a tariff to offer this service with the Public Utility Commission of Texas on June 13, 1989, effective July 14, 1989. Persons who have questions regarding this tariff filing may contact the Public Utility Commission's Public Information Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf, or write to them at 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Intrastate AT&T MultiQuest Service is projected to generate \$1.1 million in the first year of its offering or .1% of AT&T's total gross service revenues in Texas.

SM Service Mark of AT&T

We cannot begin to express our deepest appreciation to each of you for all the many cards, calls, and gifts of remembrance that we have received from our Haskell friends and church family during my recent illness. We continue to covet your love and prayers. Please know that every card and gift has been carefully read and deeply appreciated.

Faithfully yours,
 James and Elaine Densman

TAX PLANNING

Written By
 James E. Rodgers, CPA

Your \$125,000 Tax Exclusion

You're probably aware of the general rule permitting homeowners who are at least age 55 to exclude from taxation up to \$125,000 of gain from the sale of their personal residence. But how do you decide whether or not to claim the exclusion? And are there any special rules that one should know to ensure getting this exclusion?

To qualify, you or your spouse must meet age, ownership, and use tests. At least one of you must be age 55 at the date of sale, the property must have been used as your principal residence for at least three of the previous five years (special one year rule for those incapable of self-care and residing in a licensed facility), and neither you nor your spouse can have previously used the \$125,000 exclusion.

The following general guidelines may help you decide when to make your election.

- A married couple is considered one taxpayer for purposes of the election. So if you're planning to get married, each spouse should consider selling his or her residence while still single. That way, each of you will be allowed to exclude up to \$125,000 of gain.

- If you plan to buy a new house and can rollover the gain, you should save your election for the future.

- If this is the last home you plan to own, your election should be used.

- If you have a small amount of gain now, and you think you may have a larger gain in the future, you should probably save your exclusion. It's a one-time election; you forfeit the whole \$125,000 even if you have a smaller gain to offset.

- Generally, it's advantageous to defer paying tax for as long as possible.

Get professional advice in deciding whether or not to use the election on a given home sale.
