The Crawford-Conoco scholarships were awarded to Sam Beakey and Teresa Unger. Making the presentation was Wallace Cox.

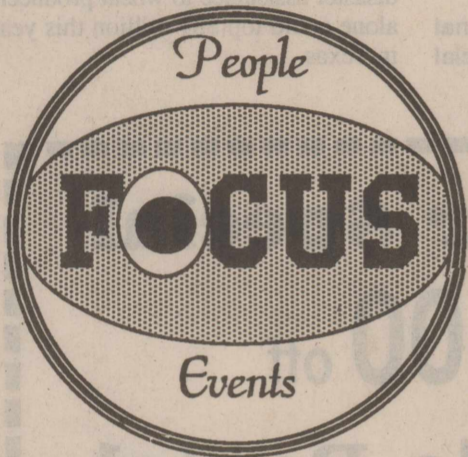

Bobby Medford received a scholarship from McMurry College and also one of the three Elmer McKenney scholarships.

Loutina Hadaway received scholarships from the Independent Colleges and Universities, the Haskell-Mattson Homecoming Association and the Elmer McKenney trust. John Fouts presented the award from the homecoming group.

Dalyn Gilly was presented scholarships from the Lions Club, First National Bank and the Kiwanis Club.

Maidens had another winner

Debbie Young of Haskell won the state 60-yard dash championship in 1975, tying the state record with a time of 7.1 seconds. She also placed second that year in the triple jump.

The Free Press reported two weeks ago that Joy McKeever's title in the hurdles was the first state track championship ever by a Haskell girl.

Mickler takes post as coach at Sinton

Paint Creek coach Jim Bob Mickler has accepted a position as defensive coordinator at Sinton High School.

He said he will be leaving Haskell for Sinton about the middle of June.

Sinton is a 3A school with a high school enrollment of 675. The athletic director is Gary Davenport, who was a coach in Haskell in the early 70s. Mickler also will be a physical science teacher.

Mickler has been at Paint Creek for the past two years. From 1981 to 1986, he was a coach and teacher at Haskell. A native of Haskell, he graduated from Haskell High School and Texas A&M University.

Two on honor roll at Angelo State

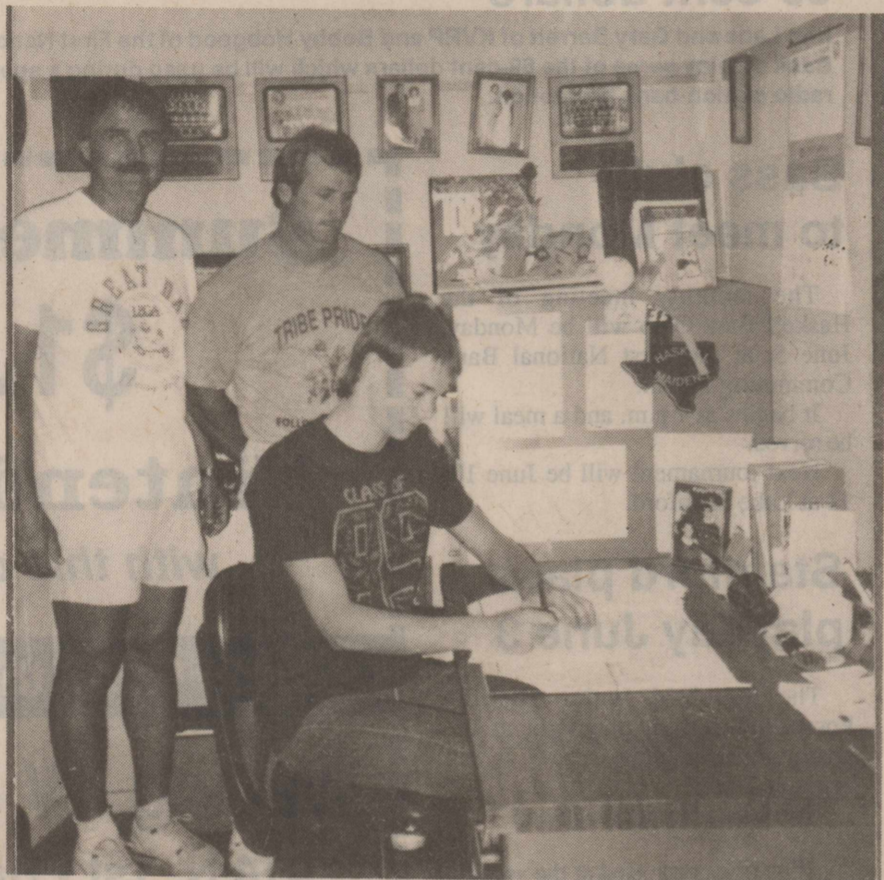

Two Haskell area students attending Angelo State University in San Angelo are listed on the honor roll for the spring semester.

Those listed on the 3.50 to 4.00 honor roll include Jerry Shane Hadaway, a finance major, and Dianah Kay Fischer, a health and physical ed major.

Retail merchants

Members of the Haskell Retail Merchants Association will have their monthly meeting Friday morning at Country Kookin'.

The meeting will begin at 7, and all members are urged to be present.

Signs with Midwestern

Dusty Meeks signed a letter of intent last week to attend Midwestern State University where he will compete in both basketball and track. Looking on are track coach Walter Hargrove and basketball coach Randy Stone.

Dusty Meeks signs with Midwestern

Dusty Meeks signed a letter of intent last week to attend Midwestern State University.

At the Wichita Falls school, the Haskell athlete will compete in both basketball and track. He excelled in both sports at Haskell High School.

Meeks high jumped 6-6 in the recent state track meet in Austin to

place fourth in the state.

In basketball, he was all-district, all-regional, all-area and second-team all-state. He was voted district 7-2A's most valuable player last season and was chosen for the Texas Association of Basketball Coaches' all-star game.

As a senior, Meeks averaged 20.5 points and 9.9 rebounds per game.

Two from here to take part in 1989 State 4-H Roundup

Two 4-H'ers from Haskell County will be taking part in the 1989 State 4-H Roundup June 5-8 at Texas A&M University.

Kim Gilly and Emily SoRelle will be among some 1,600 4-H'ers from across Texas participating in a host of activities. They will be competing in the Natural Resource division with their illustrated talk entitled, "Water Conservation Hits Home."

The State 4-H Food Show will be held the first two days of the roundup.

An opening assembly the second evening (June 6) will feature the presentation of numerous

scholarships and special awards. More than 90 outstanding 4-H members will receive scholarships through the Texas 4-H Youth Development Foundation that total more than a half-million dollars. Also, special awards will be presented to businesses and individuals that have been long-time supporters of the 4-H program. And several outstanding individuals will be presented the Texas 4-H Alumni award.

After the opening assembly, there will be a reunion of those 4-H members who attended the 1988

Students get scholarships

Haskell High School's 1989 graduates were awarded numerous academic scholarships during graduation exercises Friday, May 26.

Bo Watson, Bobby Medford, Gina Turnbow, Loutina Hadaway and Joy McKeever received \$1,000 awards from the Elmer McKenney Scholarship Trust.

Johnny Fouts presented Haskell-Mattson Homecoming Association scholarships of \$1,000 to Loutina Hadaway and Chan Guess.

Kenny Kirk from First United Methodist Church announced that Bobby Medford would receive his tuition to McMurry College. This scholarship is valued at \$4,350 a year or over \$17,000 for a four-year period.

Bob Acree awarded two \$500 scholarships from the Rotary Club to Bo Watson and Gena Decker.

Dalyn Gilly and Paul Harvey were presented \$500 scholarships by Conrad Roewe from the Kiwanis Club.

The Hazel and Robert Reynolds Memorial Scholarships were announced by Randy McLelland. These \$500 awards went to Derrick Billington, Gena Decker and Teresa Unger.

Bobby Hobgood presented the First National Bank Scholarships of \$500 to Dalyn Gilly and Cole Larned.

The Crawford-Conoco Scholarships went to Teresa Unger and to Sam Beakey. These scholarships of \$600 were announced by Wallace Cox.

Bob Cass awarded Dalyn Gilly a \$250 scholarship from the Haskell Lions Club.

Christi Bartley and Brad Bevel were given \$250 scholarships from the Progressive Study Club by Pat Quattlebaum.

The Indian Band Alumni and Friends scholarship of \$250 was

awarded to Wendy Smith.

Dr. and Mrs. Cliff Ray honored five graduates with certificates for their textbooks for the fall semester. These went to Penny Peden, Paul Harvey, Chan Guess, Gina Turnbow and Bo Watson.

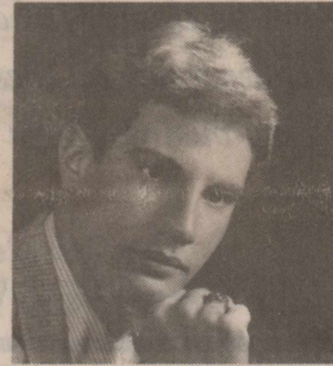

The Independent Colleges and Universities Award for \$250 a semester (up to \$2,000) was accepted

by Loutina Hadaway, class salutatorian.

Class valedictorian, Joy McKeever, received an award from the State of Texas for her tuition for the fall and spring semester.

Greg Melton also recognized Kacye Nemir whose McMurry Presidential Scholarship had been previously announced.

Methodists have youth minister

Shawn Brue

Shawn Brue has taken over duties as youth minister of the First United Methodist Church.

He said he hopes to get several programs going to make it a "fun summer" for the youth of the church.

A senior at McMurry College, Brue is a physical education and psychology major and is a member of the McMurry Chanter's Choir.

He grew up and graduated from high school at Vega in the Texas Panhandle.

Group discusses merits of prison

By K. B. Lane

A \$64 million state funded maximum security prison would boost the area's economy with the creation of new jobs if landed in Jones County, members of the Rolling Plains Industrial Foundation said at a Haskell town hall meeting, May 25.

Four cities, Anson, Hamlin, Haskell and Stamford have combined efforts in preparing a proposal to submit to the Texas Department of Corrections to locate a prison in the area.

A maximum security prison offers 800 jobs with an average salary of \$21,000 or a monthly payroll of \$1.4 million.

Jobs would be scattered throughout the area eliminating the impact of such an industry to one city.

Explaining how a state prison would affect Haskell, City Administrator Bob Baker said new jobs would be created when residents leave their existing positions and become employed at the prison.

Other advantages include the possibility of attracting additional industry, larger school enrollment,

additional construction and increased real estate values.

Stamford City Manager Rick Holden presented facts concerning the proposed site, Arledge Field, located six miles southeast of Stamford.

The City of Stamford has agreed to donate 400 acres at Arledge Field to the project and will be responsible for the utilities made available to the site.

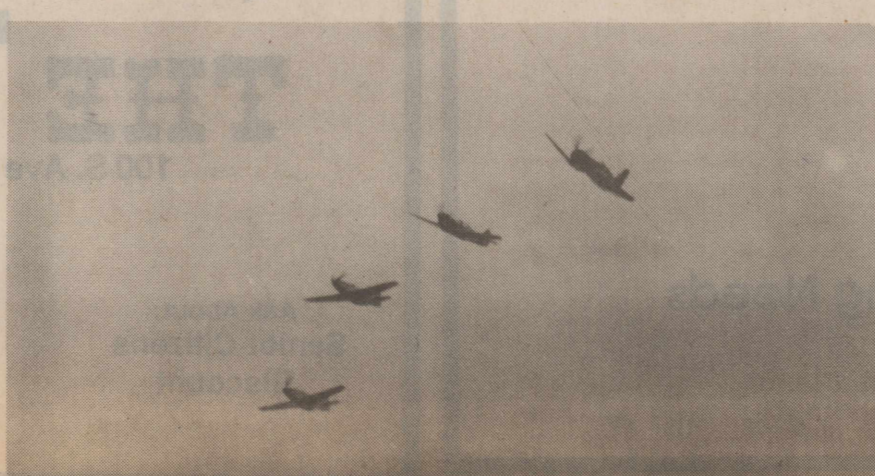

Holden said engineers were reviewing the accessibility of water and sewer facilities to the site.

Rolling Plains Industrial Foundation has hired lawyer Henry Wade, a former Dallas County District Attorney for 38 years, to prepare the proposal. Deadline is July 31.

In September, the Texas Legislature will grant two maximum security prisons. Construction will begin in January 1990 and take approximately two years for completion.

If the TDC does not select Jones County as a site in September, chances are still favorable as the legislature will grant several more prisons in January 1990.

350 at school reunion

By Bobbie Wood
Haskell County Rural School Reunion was held at the Civic Center Saturday, May 27.

Three hundred and eight name cards were issued and there were many who didn't register or wear a name card. The estimate was that 350 attended.

Thanks to Kountry Kookin, a delicious meal was served at 6 p.m.

The schools were recognized. Out of 68 schools, 46 were represented. Midway was first with 30, Sayles was second with 13. Lone Star and Roberts tied with 12 each.

Other schools represented were Ballew, Jud, Brushy, Vernon, McConnell, Lake Creek, Irby, Cliff, Pleasant Valley, Post, Sayles,

Plainview, Gauntt, New Cook, Weaver, Cottonwood, Idella, Center Point, Rose, Howard, Cook Springs, Flattop, Foster, Tanner Paint, Gilliam, Roberts, Dennis Chapel, Myres, Bunker Hill, Tonk Creek, Douglas, Powell, Vontress, College Hill, Four Corners, Gray Mare, Corinth, Whitman, Pinkerton, Weinert, Carney, Sagerton, Mattson and Rhody.

The oldest one attending was Mrs. Iva Huckabee Reddel, 93 years old, ex-student of Lone Star.

Ex-student who traveled the farthest distance was Mr. and Mrs. Leon Mapes of Medford, Ore.

The visitors who traveled the farthest were Mr. and Mrs. John

Linburner of Miami, Fla.

A free will offering was taken to help with expenses, as the reunion is run on donations only. Thanks to each who gave to keep the reunion going.

Two years ago the reunion voted it in to have the reunion every other year on the last Saturday in May. Thanks to Tom Watson, who set it up for us to use the Civic Center on the last Saturday in May of every other year.

A beautiful plaque was presented to Garland and Bobbie Wood which reads: "In appreciation to Garland and Bobbie Wood in their time and effort organizing the Rural School Reunion of Haskell County."

(A personal note from Garland and Bobbie Wood:)

"Dear Friends: When we see the happiness and joy on your faces and feel the love that surrounds all of you, we know our time and effort has been worthwhile.

Our heartfelt love goes with you until we meet again the last Saturday in May of 1991."

Rule students honor parents

Rule FHA-FFA hosted a fish fry to honor their parents and friends Tuesday evening, May 23, in the school cafeteria.

FHA president Larressa LeFevre introduced the present officers who are Kathleen Kutch, vice-president; Kimberly Diers, secretary; Tori Jenkins, power of one vice-president; and Traci Landes, typist.

Senior members Yolanda Garcia, Connie Perez, Kathleen Kutch and Kimberly Diers were recognized and given FHA thimbles.

FHAers Connie Perez and Yolanda Garcia were presented with Service Awards to the chapter.

Scholar Awards were given to Christy Mathis for Exploratory Homemaking; Melissa Carreon for Comprehensive Homemaking; and Tori Jenkins for Clothing Apparel and Family Living.

Kevin Saffel was recognized as FHA Beau.

Certificates of appreciation were presented to Tom and Myrtle Kutch and Buddy McKeever.

The Friend of FHA Award was presented to Kenny Tanner of Rule for his assistance to the chapter.

69-cent dollars

Ken Lane and Gary Barrett of KVRP and Bobby Hobgood of the First National Bank display some of the 69-cent dollars which will be used during a special radio station-bank promotion.

Bass club to meet Monday

The monthly meeting of the Haskell Bass Club will be Monday, June 5, at the First National Bank Community Room.

It begins at 7 p.m. and a meal will be served.

Next tournament will be June 10-11 at Lake Stamford.

Stamford plans playday June 3

The Stamford Junior Sheriff's Posse will host a playnight at the posse arena Saturday, June 3. It will begin at 7 p.m.

Everyone is invited to attend.

If an object traveled at the speed of sound it would take 14 years to reach the sun.

Farmers eligible for aid

Farmers and ranchers in Haskell County are eligible for more help to survive the drought that has scorched much of Texas' agricultural land since last year, U.S. Sen. Phil Gramm reports.

"The Department of Agriculture has approved almost half of the counties in Texas for at least one of the several drought aid programs that are available," Gramm said.

"The primary program will allow farmers and ranchers in these counties to harvest hay for feed on set-aside land or to graze livestock directly on this land," he said. "Also, many counties are eligible for the department's emergency livestock feed program in which USDA shares the cost of buying feed."

On a related front, Texas Agricultural Stabilization and Conservation Committee chairman Jerry Harris told a House subcommittee hearing in Lubbock last week that disaster assistance to wheat producers alone could top \$81 million this year in Texas.

Teams all set for charity golf

Team members have been selected for the "Longest Day of Golf" to be played here Saturday as a benefit for the American Cancer Society.

On the women's team will be Donna Markey, Marian Frierson, Mary Kennedy and Emily SoRelle. Men participants will be Dr. Bob Colbert, Dr. Troy Culpepper, Dusty Burson and D. K. (Speedy) Smith.

Tee time will be 8 a.m.

Pledges now are being taken from the public. Friends, or others interested in supporting the cancer campaign, may pledge what they wish for each hole completed.

More sponsors are needed to make the first "Longest Day of Golf" event

a successful fund-raiser. Those desiring to make pledges and have not been contacted may call Nancy Plunkett, who is serving as chairman of the event.

Several local businesses are cooperating with the golf tournament. Markey's Place will give a free meal to all players. The Sweet Shoppe is donating donuts and rolls and The Drug Store and Johnson Pharmacy are donating sun tan lotion. Modern Way and M System also are participating.

In addition, prizes are being furnished by Heidenheimer's, The Hayloft, Sport About, Hassen's and Lane Felker.

To the customers and friends of
Pat's Head Quarters

It is with regret that I have to inform you that as of June 2, the beauty shop will be closed. It has been an honor and a pleasure to serve you all these years. Thank you for making my business such a success. May God bless you all.

Graduation party is huge success

Haskell County Party '89 was a huge success Friday night with attendance of approximately 300 young people from the countywide graduation celebration.

Around \$5,000 in cash and an estimated \$2,000 in prizes were doanted by generous churches, civic groups, businesses and individuals to provide the all-night substance-free event.

The evening began with bingo where about 30 to 40 gifts were given away to winners of the games. During this time the Kiwanis Club served hamburgers.

At midnight, the first round of larger prizes were drawn with a similar drawing taking place every 30 minutes until 3 a.m.

Prizes given at the drawings were each valued at a minimum of \$50 and included stereos, TVs, microwaves, mini-refrigerators, telephones, typewriters and two \$250 scholarships.

Between 3 and 4 a.m., the Haskell

Young Homemakers served breakfast and then each weary party-goer was given a T-shirt stating "I Survived Party '89" as they left.

This annual event could never be the success that it is without the support of the merchants, interested individuals, civic clubs and volunteer workers throughout the county. For Party '89 organizers and the students attending we thank everyone who had a part in making it such a success.

Girl Scouts offer teen mothers camp

The Girl Scout Council is offering a program for teen-aged mothers and their babies July 23-29 at Camp Boothe Oaks, near Sweetwater.

This is the first time in the state of Texas a Girl Scout camp has offered such a program.

Twenty-four teen mothers and their babies will participate in some of the camp's traditional activities as well as programs designed to meet the needs of younger parents.

The purpose of the project is to help increase young mothers' self-esteem and self-worth and hopefully help prevent repeat pregnancies, said Maxine Cockrell, membership director for the West Texas Girl Scout Council.

The program is modeled after a program at the Michigan Metro Girl Scout Council that started in 1986, Cockrell said.

During the week at camp, young mothers will get to participate in fun activities such as canoeing, swimming and making arts and crafts. The camp will provide child care.

The children will be included in some of the activities, while others will be geared specifically for the mothers.

Classes such as parenting/nurturing, cooking with commodities, career counseling, goal-setting and small group workshops will be taught by a pool of volunteers from Abilene's three colleges, Cisco Junior College, the Abilene school system and its high schools, both hospitals, Texas Department of Human Services, Abilene Intercollegiate School of Nursing, WIC Administration and others.

Offering the help of outside professionals to the girls will help them enhance their parenting and nurturing skills, as well as restore

their mental health and improve their self-image, Cockrell said.

The Girl Scout Council doesn't plan for the program to end when the girls' six days at camp are up.

"We hope to develop a peer leadership program where we have girls come back and teach at the camp as a reward for not getting pregnant again," explained Nancy Henderson, executive director of the council.

Working with the Abilene Independent School District, the plan is to have girls with leadership qualities make talks to their peers about being a teen mother.

The council also plans to track each girl for two years to determine the effects of the program may have.

The camp is available to any young mother between the ages of 13 and 19, and their child, between the ages of three months and three years. For information on registration or more details about the camp, call the West Texas Girl Scout Council, 915-698-1738.

We're #1 Again!

#1 - In Individual Life Insurance Protection Placed In Force

- \$92.3 billion in 1988
- More than the #2 and #3 companies combined
- #1 for the fifth consecutive year

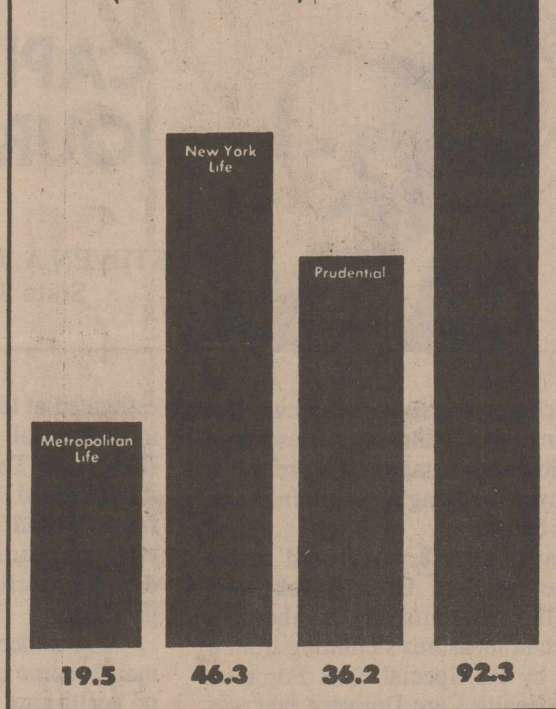

Why is A.L. Williams winning? Because we answer the needs of families today. With "Buy Term and Invest the Difference," we offer a simple philosophy that people can understand — maximum protection for minimum dollars.

Competing companies might not like our phenomenal growth, but our clients sure do — all 1.8 million of them. They like what we stand for. They like what we do. They buy.

And they keep making us number one. Again and again and again.

TAX PLANNING

Written By
James E. Rodgers, CPA

Itemized Deductions
 (Should You Bother Keeping Track?)

Even under the new tax laws, you can reduce your tax bill by planning carefully for your itemized deductions. But sometimes it isn't worth your time to track them. If your overall itemized deductions are far below the standard deduction, \$5,000 for married and \$3,000 for single, then don't bother. Chances are that without a home mortgage interest deduction in a \$3,000.00 to \$4,000.00 range you won't find more in deductions than the standard amount (which you're entitled to take without any substantiating record-keeping).

If your total itemized deductions normally hover around the standard deduction amount, you can actually deduct more in two years than you spend. "Bunch" two years of payments into a year that you itemize and take the standard deduction the next year. For example, double up on your charitable giving in an "itemizing" year, and skip it in a "standard" year.

The "bunching" strategy can also help you use deductions that would otherwise be lost due to the 2% floor for miscellaneous itemized deductions and the 7 1/2 % floor for medical expenses. Alternate the years in which you pay for such things as accountant's fees, business dues and subscriptions, and work uniforms.

If your insurance covers most of your medical expenses, you may not have enough medical costs to deduct unless you have an unusual or catastrophic event. But don't overlook unusual medical deductions which can bring you over the minimum. Some examples: nursing home costs if medical care is the primary reason for being in the home, travel and lodging when away from home for essential medical care for you and a necessary companion, and special equipment for a handicap, if doctor-prescribed.

Also, in a year when your taxable income is partially low due to business losses or tax-exempt income, it still may be worth your while to carefully monitor your medical outlay since you could get over the minimum.

AT&T MultiQuestSM Service

AT&T Communications of the Southwest, Inc., (AT&T) announces its intent to introduce within Texas on July 14, 1989, AT&T MultiQuest Service, a new interactive 900-type telephone service. Since February 19, 1989, this innovative service has been available to Texas businesses only on an interstate basis. With AT&T MultiQuest Service, Texas business customers (otherwise known as sponsors) may offer value-added information services to callers originating long distance calls from Texas or elsewhere in the United States over AT&T's public switched network. A Texas caller, accessing the service by dialing the sponsor's 1-900 plus seven-digit number, can obtain recorded and/or live information by communicating with attendants, voice messaging equipment and computer data bases. Flat-rate, time sensitive usage charges will be billed to the caller for the sponsor's service.

AT&T is offering AT&T MultiQuest Service within Texas in response to requests by its business customers for a service that offers intrastate as well as nationwide interactive voice & data transport capability. Potential sponsors include entrepreneurial companies entering into new ventures that are information intensive, local mass announcement sponsors who want statewide as well as national coverage coupled with interactive capability and other information service providers.

The Texas intrastate AT&T MultiQuest Service will be tariffed as an "add-on" offering to a sponsor's existing interstate AT&T MultiQuest Service. The intrastate AT&T MultiQuest Service costs will be recovered from sponsor usage charges set forth in AT&T's intrastate tariffs. The usage charges billed to the caller are determined by the sponsor as appropriate to the service being offered and are not tariffed charges.

For more information about AT&T MultiQuest Service please call your AT&T Account Executive or AT&T's business consultants toll free on 1 (800) 552-0212. They can answer your questions regarding this service and how it can be of benefit to you.

AT&T intends to file a tariff to offer this service with the Public Utility Commission of Texas on June 13, 1989, effective July 14, 1989. Persons who have questions regarding this tariff filing may contact the Public Utility Commission's Public Information Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf, or write to them at 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Intrastate AT&T MultiQuest Service is projected to generate \$1.1 million in the first year of its offering or .1% of AT&T's total gross service revenues in Texas.

Granddaughter is valedictorian

Marla Phillips has been named valedictorian of the 1989 graduating class at Lampasas High School.

Her parents are John and Jo Helen (Elliott) Phillips. She is the granddaughter of Helen Elliott and the great-granddaughter of Mrs. Naomi Cutright, both of Haskell.

Throughout her high school career, Marla was involved in many extra curricular activities. She played varsity basketball three years and during her junior and senior years she was named to the all-district first team (25-3A) and honorable mention on the All-Central Texas team. She also has been a member of the track team for three years and was a regional qualifier in UIL ready writing for four years.

Marla served her senior class as secretary. She has been a member of the National Honor Society (treasurer), Student Council, Spirit Club (vice president), Junior Pierian Club (secretary), yearbook staff, Science Club, Spanish Club, American Heritage, 4-H Club, FCA (Fellowship of Christian Athletes), SADD and Who's Who.

She received many awards during her high school years. In February

Marla Phillips

1988 she was selected as the Exchange Club's Student of the Month. Additionally, she was the state winner of the Garden Club Essay contest in 1988. She was selected to attend the Farm Bureau Youth Citizenship seminar last June and is returning this year as a junior counselor.

She is senior class favorite, was homecoming queen in 1988 and was Miss Lampasas High School. She also is the reigning Miss Lampasas 1988-89.

Last Tuesday, Marla was awarded the American Legion Citizenship award for Lampasas High School.

She will attend Texas A&M University where she plans to major in biochemistry and eventually enter the field of genetical research in medicine.

A fighting fish will even attack its own image in a mirror.

Alcohol takes heavy toll on highways

Because two out of every five Americans will be involved in an alcohol-related, police-reported traffic crash in their lifetimes, the following statistics are worth knowing:

--Over the last 10 years, about 250,000 Americans lost their lives in alcohol-related traffic crashes. This is 25,000 deaths each year; 500 every week; 71 every day; and one every 20 minutes.

--Approximately 560,000 people are injured each year in alcohol-related crashes, about 43,000 of them seriously.

--Between midnight and 4 a.m. on any night of the week, about 80 percent of all fatally injured drivers have been drinking prior to the crash.

Thanks to attempts to reduce drinking and driving, the number of intoxicated drivers killed in traffic crashes decreased 22 percent between 1980 and 1986.

Fort Worth plans celebration

The West of the cowboy and American Indian is celebrated as Cowtown marks its place in history during the Chisholm Trail Roundup June 9-11 in the Fort Worth Stockyards National Historic District.

In music, dance and native crafts, remembrances of the West will line the Stockyards' brick-paved Exchange Avenue and recall the rough-and-tumble years of Texas' legendary cattle drives.

Fort Concho schedules 100th anniversary event

In June of 1889, the United States Army left Fort Concho to area civilians. The military had accomplished its mission of pacifying the wild frontier of West Texas. To mark that century of civilian care and preservation of Fort Concho, a major living history camp and display will take place on the grounds of the Fort Concho National Historic Landmark on Thursday, Friday and Saturday, June 8-10.

Over 100 volunteers portraying the infantry, cavalry and artillery of the 1870s and 1880s will make camp on the historic site, dressed and equipped in authentic uniforms and gear. During the three-day event, the infantry will perform marching and firearms demonstrations; the cavalry will display its riding and saber skills; and the artillery will show why its weaponry was feared and respected by the enemy. Throughout each day, period activity of inspections, meals, guard and fatigue duty, and general camp life will transform Fort Concho into a living history setting of the 1870s.

Units and individuals from across the state and nation will converge on the post for this "once in a century" event. The 4th Memorial Cavalry from San Antonio will join members of the Fort Davis National Historic Site at the fort. Also, the event will host the uniformed and civilian members of the National Indian Wars Association (NIWA) as they hold their encampment and convention. The NIWA represents late 19th century military and civilian living

history programs across the west. Members of Fort Concho's four reenactment groups, 4th and 10th Cavalry and 11th and 16th Infantry, will serve as the local coordinators and hosts for the event. In addition to the soldiers, there will be individuals portraying the civilian roles whose work was vital to the military of the western frontier.

All activity will peak on Saturday with a special ceremony and parade at noon, as the soldiers of the various units prepare themselves for a grand inspection and assembly. Area and regional dignitaries will review the troops and the flag will be symbolically lowered for the last time, recreating that moment of a century ago when the soldiers left the post. However, unlike 1889, when the troops marched to San Antonio, this year's complement of soldiers will remain behind after the ceremonies to perform drills and activities for the visiting public.

Fort Concho is one of the best preserved frontier forts in the nation, and its superbly restored and preserved structures and exhibits will be open to the public on all three days. Visitors may visit soldiers' camps, inspect the barracks, watch exciting military drills, experience a ride with

two army mules pulling the wagon, and witness an 1880s style baseball game in the evening as the local and visiting soldiers challenge each other with a game that is as timeless as Fort Concho itself.

The grounds and exhibit buildings will be open without charge, but contributions will be gratefully accepted at various locations.

For more information about Fort Concho and this event, contact Fort Concho, 213 East Ave. D, San Angelo 76903, (915) 657-4441. The site is located just south of downtown San Angelo, accessible by US 67, 87, 277 and 83.

Paying their own way

In Rwanda, Africa, foreign tourists are going ape over a unique sightseeing safari. They are paying more than 100 dollars per person for the privilege of trekking deep into the bush to spend an hour with the world's last tribe of wild mountain gorillas.

International Wildlife magazine reports the monies raised by these excursions help preserve the gorilla's fragile habitat and protect the big primates from poachers.

ELECTRIC BILL
REDUCE THE PAIN

Cut your energy bills with propane.

You can save a lot of energy and money by using propane gas. Compared to electricity, propane is a much more efficient fuel for heating your home, cooking, clothes drying, and water heating.

A recent study by the Department of Energy (DOE) reveals that a home using propane for heating, cooking, and clothes drying, costs half as much as a home with the same electric features.

Propane gas is clearly a cut above the other energy sources — for efficiency, comfort, and economy. Call your nearby propane gas dealer to find out how to cut into your energy expenses.

"DECISIONS MADE EARLY"

Many people plan for what might happen—fire, burglary, injury, and accidents. Now more and more people are planning for what will inevitably happen. It simply makes good sense to prepare for that which we can not avoid.

Pre-need funeral arranging allows one to control the type of service they would prefer, select a means of financing it, freeze the prices at to-days price, and save loved ones the anguish of deciding these matters at a later date. Really it is the loving thing to do for your family.

Simply come by or call and we will come by to see you.

DECISIONS MADE EARLY

Earning your trust since 1937

--Weinert--

By Myrtle Phemister
The graduations are history, Memorial Day has come and gone, wheat harvest and cotton planting have been completed and now we settle in for a period of vacations, V.B.S., and company.

We grieved with Munday last week at the terrible devastation the hail storm left them and this week we grieve together at the untimely death of one of our young men, Perry Patton.

Patton was killed as he attempted to arrest a young man he knew well, after a robbery of Allsup's store. Patton has been deputy only a few months.

Our sincere sympathy to the Floyd Patton family, to Perry's wife and child and also to the family of the one who took Perry's life, the family of Gary Adams.

Visitors to town: Nell Veda Nix of Abernathy and her mother, Jewel Claborn of Friona were here on Wednesday and visited in the home of Mildred Offutt.

They reminisced about the times they spent together as girls and as they "double-dated" during their teen years.

Glenn and Maggie Merchant, Victor and Deen Lowery of Haskell were dinner guests of Ted and Faye Jetton on Sunday.

Leatha Holloway of Dallas is spending a few days in Weinert with her sisters, Faye Brian and Myrnie Sanders and other relatives.

They all attended the graduation exercises at Munday, where their nephew, Kent Sanders, was the

valedictorian (he is Myrnie's grandson).

Others who came for the event are Capt. Keith Sanders of Del Rio; Gregg Sanders of Denton, sons of Kenneth and Brenda Sanders, and brothers of Kent.

Shirley and Wayne Offutt of Wichita Falls came for the graduation and spent the night with her parents, Eddie and Myrnie Sanders.

Jeff and Stacia Robertson were here to visit Jeff's parents, Bill and Joyce Robertson. They are moving to Stamford where Jeff will begin his work with PCA June 1.

Coy and Retith Keakey of Rule were guests of her sister, Helen Boykin on Wednesday. Other guests were another sister, Edith Davis and Richard of Haskell.

Scooney Vojkufka suffered a broken jaw (two places) last week as he was attempting to fix a flat tire and the jack slipped and knocked him out.

He managed to drive himself to town where he was attended to and taken to the hospital. He is up and at 'em! Can't keep a good man down!

Bunt Herricks remains in the Stamford Hospital, scarcely aware of where she is. We continue our prayers for her and her family.

Word has been received that Max Copeland, formerly of Weinert, underwent triple by-pass heart surgery last week and is improving daily.

His address is 501 12th St., Marble Falls, TX., 78654. Our prayers are for a quick and complete recovery.

The Phemisters appreciate your prayers and concerns for their great-granddaughter, six-month old Marissa Walker, who is recovering from a siege of malaria and pneumonia. Marissa is the daughter of Linda Kay and Wimon Walker, Church of Christ missionaries in Botswana, Africa.

Helen Boykin is in Houston this week for a physical check-up and will attend graduation exercises for her grandson, Tommy Boykin in Texas City on Friday.

Sympathy is extended to Mrs. Doyle Boykin, whose father, Cecil Bennett, was interred in the New Hope cemetery after suffering a fatal heart attack on Monday.

Mr. and Mrs. Toby Yates were in Anson on Saturday to visit his aunt, Mrs. Lucile Smith, who resides in the nursing home there.

Faye Brian, Leatha Holloway and Myrnie Sanders visited their aunt, Mrs. Adeline Johnson, in Vernon on Monday. She is very aged, but alert.

Weinert City Council has sent word to all residents that they plan to adopt a policy concerning dogs and cats in the town. All must be vaccinated, wear identification tags and collars and be penned or leashed by June 10.

The city also will have a trash pick-up twice monthly and they hope this will lead to a city-wide clean-up. We commend the council on their decisions.

The ladies of the Church of Christ have organized a visitation, study and charitable group, with plans to set with the sick when needed or do any other tasks that are required. They hope those needing help will call and ask. Meeting each week is on Tuesday at 2 p.m.

The awards meeting at the Weinert School was held on Thursday afternoon, May 25, with perfect attendance certificates being handed out to 40 percent of the students.

Mrs. Janet Frazier handed certificates to her pre-kindergarten students and later hosted a get

acquainted tea for visiting parents. Each teacher gave a citizenship award to her most outstanding student and they are chosen in several fields of activity.

Receiving the awards were Bryce Hudgens, son of Jerry and Doneta Hudgens; Heath Guess, son of Hal and Cindy Guess; Timmy Perez, son of Pete and Adelphia Perez; Heather Guess, daughter of Cindy and Hal Guess; Christy Horan, daughter of Daisy and Fred Horan; and Donald Mahan, son of Leonard and Linda Mahan.

A bicycle parade and rodeo was presented by the elementary grades and was led by the Weinert fire truck.

Best decorated awards given to Ezekiel Estrada, Dusty Yates, T. Nichols and Cory Wood.

The children of Mr. and Mrs. Cleve Garrett will gather at the Weinert Community Center on June 2 and 3 for their annual family reunion.

The Weinert Baptist Church will host a Vacation Bible School June 5 through 9 and visitors are welcome.

Pleasant Valley School reunion will be Saturday June 24 at the Weinert Community Center, with Mr. and Mrs. Ida Farrell as chairmen.

Several from Weinert attended the Haskell County rural schools reunion held at Haskell on May 22. Among them were Erma Liles, Rene Vojkufka, Alice Yates, Myrnie Sanders, Faye Brian, Myrtle and Marvin Phemister.

Birthday balloons will fly this week for Gregg Sanders, Bryce Hudgens and Samson Castorena. Happy Birthday all!

Beautiful cities finalists named

The race for the coveted Governor's Community Achievement awards and the accompanying \$700,000 of highway landscape projects divided among the nine winners is coming into the final stretch. The finalist cities in each of the nine population categories were announced by Keep Texas Beautiful Inc., the awards sponsor, in Austin last week.

"Keep Texas Beautiful received a record 80 entries this year, 36 of which were selected as finalists," said Ed Davis, president of the sponsoring organization. "Many of the finalist cities are vying for the award for the third consecutive year."

Finalists in the 2,501 to 5,000 population category in which Haskell competed last year are Electra, Gun Barrel City, Pittsburg, Richwood and Smithville.

The next scheduled meeting of the Rule City Council will be Monday June 5 at 7 p.m.

The public is cordially invited and even encouraged to attend this meeting. This was moved forward one night due to the Gin Supper being on the 6th.

The community was saddened by the sudden death of Don Davis, age 71, on May 22. Our sympathy is extended to his wife, Frances and family.

Twenty month old Luke Kittley has been ill with pneumonia. He is the son of Nikki and Danny Kittley. Luckily, his pediatrician detected the problem in the early stages, thereby avoiding hospitalization.

Mr. and Mrs. Parnell Anderson were in Dallas the 24th and 25th to visit their oldest daughter and her family.

Congressman Charles Stenholm will be the guest speaker at Rule's Commencement Exercises this Friday night at 8 p.m.

Rule residents were shocked to learn of the sudden death on Friday morning, May 26 of Norris Anders,

prominent businessman and owner of Rule Gin.

Our condolences are extended to Mary and family. No other details are available at this time.

As it had previously been scheduled, the annual Gin Supper will be held at the high school cafeteria the night of June 6.

The Philadelphain Club of Rule is having a "Chicken Curry Luncheon" Thursday, June 8, beginning at 11:30 a.m. Tickets may be obtained from Frances Campbell for \$4.

Notice to pet owners: Warren Dozier, DVM, of Stamford will be giving vaccinations to dogs and cats at the fire station on June 7 from 6 to 8 p.m. Other vaccinations will also be available, if desired. His charge will be \$8.50 plus \$1 for the tag for your pet.

The FFA annual fish fry had about 90 guests and 32 members present. This was held at the cafeteria on May 23. Awards were presented to FFA members.

Star Greenhand was Joseph Pace. Receiving Greenhand Degrees were Tommy Casey, Shannon Langford, Shane LeFevre, Michael Manske, Joseph Pace, Brad Stulir and Greg

Teichelman.

Chapter Farmer Degrees were awarded to Kody Wilson, Rusty White, John Leonard, Paul Leonard, Jason Halliburton and Chris Brown. Star Chapter Farmer was Chris Brown.

Certificates of Merit went to Kevin Saffel, Chad Stulir, John Leonard, Paul Leonard, Jason Halliburton, Chris Brown, Donald Kreger, Ruben Lopez, Philip Manske, Joey Mathis, Kyle Wilson, Jason Tanner and Kody Wilson.

Certificates of Appreciation were presented to E. L. and Venice Elmore, J. D. Kupatt, Tom Kutch, Marshall Brown, Jimmy New, Cecil Lewis, Bobby Lusk, Vernon Mahler, Tommy Manske, Leon and June Biffle, R. C. Langford, Rudy Casey, Patrick Pace, Kenny Tanner, Roy Don Wilson and Danny Langford.

Danny Hisey was awarded the Honorary Chapter Farmer Degree.

The Rule Garden Club in conjunction with the National Council of State Garden Clubs, Inc., will be promoting Garden Week, June 4-10.

The Honorable Mayor R. C. Langford has issued a proclamation declaring the first week in June as Garden Week.

Leona Townsend, president, states that very few people realize how important gardening is and what it means to every living soul. All of the food we eat comes either directly or indirectly from gardening. Much of the beauty in the world is generated by the flowers, vegetables, shrubs and trees we grow.

Letters of appreciation are being sent to the City of Rule for their Community Clean-up Project and to Mr. A. B. Arnett, who has beautified the city with his work in the City

Park and for establishing the Mini Park.

New members are welcome and are urged to call the president at 997-2163.

A thought to ponder: "I know you think you understood what you thought I said, but I'm not sure you realize that what you heard was not what I meant." (Taken from above the desk of a former Navy enlistee).

City park

Mr. Melton and City Council: Thank you. It is so nice to visit the city park. It was a drag last year, but this year it's fantastic.

You can watch the ducks. They do a lot of tricks. I am certainly glad there is a fence now. The ducks won't mess up the park.

We are especially glad that we have bathrooms in the park now. We really enjoy what you and your council members have done for the town of Haskell.
