

Woman's experience featured

A Haskell woman's experience with a raging buck is the subject of a "This Happened to Me" feature in Outdoor Life magazine.

Ruby Butler's account of the experience is illustrated in a series of panel drawings, accompanied by a first-person report, in the magazine.

It reads:
"My husband, Albert, and I were headed home from vacation and had decided to stop to stretch our legs. I walked down to a nearby creek, and on my way back, I spotted a buck. We stood looking at each other for a minute or so, then I continued back to our camper where Albert was preparing a couple of cold drinks.

"I had walked just a short distance when I was hit from behind and knocked to the ground by the charging buck. I fell hard on my right shoulder. The buck tried to gore me and stomp me with his hoofs. Screaming for my husband, I tried to fend the deer off.

"Albert ran toward us with a stick in his hand. The deer ran a few yards then stopped. Albert helped me into the safety of the camper. I was shaken up, scraped and bruised. The buck managed to cut me twice--once with his antlers and once with his hoofs. I was lucky that Albert came when he did."

Voter registration cards to be mailed

New voter registration cards for 1990-91 will be mailed out the first part of December.

Any registered voter who does not receive a card should notify the county tax office. Or a person who receives a card for someone who no longer lives at the address to where it is mailed should notify the tax office.

"This is very important as it is the only way of cancelling a person who has moved or who is deceased," said Bobby Collins.

The telephone number of the Haskell County tax office is 864-2181.

Early deadlines for next week

News and classified deadlines for next week's Free Press will be noon Monday.

Next week's edition will be the annual pre-Christmas shopper edition and will be distributed throughout the area. It will be printed Tuesday.

Blood collection drive here Tuesday

A Red Cross community blood drive will be held from 1 to 5 p.m. Tuesday, Nov. 28, at the First Baptist Church Family Activity Center.

"We're inviting all area residents to take time to donate," said Brian Burgess, blood drive chairman. "Our goal is to collect 50 units of blood. During our last drive, 32 units were collected."

This year, 24,990 units of blood must be collected to meet patient blood needs in the Red River region. This number includes a percentage built in to account for units lost through the testing process and is an average of 100 units every working day. Red River region covers 42 hospitals in a 35-county area of North Central Texas and Southern Oklahoma.

"If you you are between the ages

of 17 and 70, weigh at least 110 pounds and are in good health, you are probably eligible to donate blood," Burgess said.

The upper age limit was extended some time ago and allows individuals who have been regular donors to continue the donation tradition. Donors can donate every 56 days.

For more information concerning the next bloodmobile visit, call 864-3250.

City sales taxes fall behind last year

The City of Haskell saw its November check for sales taxes drop to \$19,998.55, down sharply from last November's check for \$24,005.97.

For the first 11 months of the year, Haskell has received \$148,451.01, or 2.81 percent less than the \$152,747.84 received during the same period last year.

Other Haskell County cities receiving checks this month included Rule, \$2,642.79; Weinert, \$577.70; and O'Brien, \$233.17.

For the year to date, Rochester has received \$24,507.97; Rule,

\$18,212.18; Weinert, \$17,177.51; and O'Brien, \$1,565.31.

This month's checks reflect local sales taxes collected in September by businesses that file monthly tax returns and taxes collected in July, August and September by businesses that file quarterly returns.

Businesses collect the state and local tax and send it to the state comptroller's office. The state keeps its 6-percent share and returns the local sales taxes (1 percent) to the cities.

Indians open with big victory

Haskell Indian and Maiden basketball teams were scheduled to play Wylie here Tuesday. On Friday, they will be in Seymour.

Next weekend, the Maidens will participate in the Graham tournament, scheduled Nov. 30-Dec. 1-2. The Indians will host Merkel Dec. 1 and travel to Olney Dec. 2.

The Haskell Indians opened their 1989-90 basketball campaign Friday night with a smashing 92-51 victory over the visiting Seymour Panthers.

Five Indian performers scored in double figures as the Indians jumped to a 16-point first-quarter cushion and then coasted home.

James Rike's 27 points paced the Indian attack. Rusty Stocks had 16 points, while Shane Osborne, Harper Stewart and Chad Gibson each scored 10.

Haskell 26 25 16 25 -- 92
Seymour 10 18 10 13 -- 51

The Haskell Maidens lost their basketball season opener Friday night when they bowed to Seymour, 55-41. The same two teams will meet again next Tuesday in Seymour.

Seymour outscored the Maidens in every quarter, leading 13-11 after the first period, 31-23 at the half and 45-33 at the three-quarter mark.

Missy Davis led the Maiden scoring with 14 points. Tonya Isbell had 10

Rule vs. Jayton

Regional playoff Thanksgiving night

The Rule Bobcats will meet the Jayton Jaybirds in a six-man regional playoff game in Stamford Thanksgiving night.

The game begins at 7:30. Rule advanced to the regional with a smashing 59-14 victory last Friday over the No. 2 rated May Tigers.

Keith Vanderbilt scored eight touchdowns as the Bobcats brought their record to 8-3. The game was called with 7:17 to go in the fourth quarter under the 45-point rule.

Vanderbilt had seven touchdowns from scrimmage and one on a punt return. Rule's other touchdown came on a run by Joey Mathis.

It was the first loss of the year for May.

Meanwhile, Jayton was advancing with a 60-12 victory over Harrold. Mark Morales scored three touchdowns for the Jaybirds.

Jayton is the No. 5-rated six-man team in Texas.

New garbage truck purchased by City

The City Council of Haskell has accepted a bid of \$69,336.53 from R. L. Anderson Inc. of Wichita Falls for a new garbage truck.

The International diesel truck with 30-yard container is expected to be delivered within 90 days.

Only one other firm submitted a bid--Southwest Equipment of Argyle which bid \$70,870.

Action came during last Tuesday's regular council meeting.

In other action, the council approved the purchase of a television and VCR for the fire department for training purposes, was informed of the circus being sponsored by the chamber of commerce, discussed the two vacancies on the Housing Board and set Dec. 2 as the date for the annual Christmas party for city employees.

The city also changed the dates for regular council meetings during the basketball season. Meetings will be on the second and fourth Thursdays of the month instead of the second and fourth Tuesdays to avoid conflict with high school basketball games.

At its next meeting Nov. 30, the city will consider a new ordinance on solid waste management and collection and other procedures concerning the landfill.

Big winner

Jennifer Comedy showed the champion finewool and also won the junior showmanship trophy at the Erath County Lamb Jackpot in Dublin Saturday.

Registration set for college classes

Registration for spring semester classes at the Haskell extension center of Western Texas College will be Jan. 8. Textbooks may be purchased at registration.

Classes will begin Jan. 15, and end May 9.

Courses on the spring schedule include Criminal Justice 233 and 235, U.S. History 132 and English 132.

A student must be present for registration and must have a Social

Security number and current driver's license. ACT or SAT scores should be presented if available. High school seniors who plan to enroll under the early admissions program must present their completed early admissions forms.

Information about the Haskell center may be obtained by contacting Bill Blakley at 864-2891 or the WTC Extension Service offices in Snyder at (915) 573-8511, extension 390.

Indian action

The Indians' Rusty Stocks comes up with the ball in last week's action against Seymour. The Indians won, 92-51.

Maiden action

The Maidens Shelia Unger gets off this shot against Seymour as the Maidens opened the basketball season last week.

Ag surveys beginning this month

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1989 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Adverse weather conditions this year have certainly had an impact on Texas agriculture, and these surveys should help us summarize where the industry stands at the end of 1989," explained Dennis Findley, state statistician.

"Information from these confidential surveys conducted by mail, telephone or in person will also help producers make their plans for the coming year.

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

As always, the Texas service will be trying to keep survey costs at a minimum, so Findley is urging producers to return their mailed

questionnaires as soon as possible to avoid followup contacts.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information since one producer represents similar operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the survey will be published in early 1990. Anyone wanting a copy of the results can write Information Section, Texas Agricultural Statistics Service, P.O. Box 70, Austin 78767.

Cotton provisions outlined

A 12.5-percent acreage reduction and other provisions of the 1990 upland cotton program has been announced by the secretary of agriculture.

Clayton Yeutter, the secretary, said the announcement strikes a balance between the needs of the marketplace, budget considerations and producer concerns about surpluses.

The established target price will

be 72.9 cents per pound.

The loan level will be 50.27 cents per pound for the base quality of upland cotton, strict low middling (SLM), 1 1/16-inch, micronaire 3.5 through 4.9, at average U.S. location.

Plan B of the marketing loan program will be implemented. Under Plan B, 1990 cotton crop pledged as collateral for a price support loan may be repaid at the lower of the adjusted world price (AWP) or the loan level.

The AWP is determined for the base quality. It will be adjusted on the basis of quality and location using the 1990-crop price support program scheduled of premiums and discounts for grade and staple, discounts for micronaire, location differential and any coarse count adjustment in effect for the week in which the loan payment occurs.

Eastern Star to meet Tuesday

Members of Haskell County chapter 829 of the Order of the Eastern Star will meet at 6:30 p.m. Tuesday (Nov. 28) for a pot luck.

This will be followed, at 7:30, by a visit by the deputy grand matron, Mrs. Patty Neepor of Roby.

charges determined necessary to permit the loan collateral to be redeemed with cash at the AWP.

Women firearms class at Rule

A firearms class for women will be conducted on the first two Saturdays in December by the Rule Police Department.

The eight-hour course will be from 1 to 5 p.m. on Dec. 2 and Dec. 9. Cost will be \$25 with a limit of 20 persons (a second class will be organized if demand is great enough).

Lesson topics will include: (1) How to load and unload, (2) Safety, (3) Legal aspect of self defense, and (4) Qualification for self defense.

Students will be required to furnish their own weapons and 100 rounds of ammunition. Instructors will be Gerald Saffel and Ricki Russell, state certified instructors.

Interested persons should contact Rule Police Chief Jack Whorton at 997-2172.

Receives award

The annual H&R Block convention was held Oct. 18-21 in San Antonio. Theme of the meeting, "Changing Tymes," proved helpful as well as entertaining to satellite owner Evelyn Cobb and her husband, Virgil. At the awards banquet, Mrs. Cobb received an award for Outstanding Satellite Office for the Abilene district, as well as an award of excellence in public relations. The Abilene district director, Gary Jay, presented the awards. The Abilene district is composed of Anson, Brownwood, Breckenridge, Eastland, Comanche, Ranger, Stamford, Hamlin and Sweetwater, as well as Haskell.

Margaret Bruton completes conservation improvements

By David Sikes
SCS Conservationist
Margaret Bruton, owner of 132 acres of mostly prime farmland located north of Weinert in Haskell County, successfully completed conservation improvements to her farm through the Great Plains Conservation Program. She completed construction of 4 acres of grassed waterway and over 17,000 feet of parallel terraces during a five-year program.

Mrs. Yates hostess to homemaker

By Faye Jetton
The Weinert Extension Homemakers Club met Nov. 8 in the home of Alice Yates with Thanksgiving decorations in lovely fall colors throughout the house.

The house was called to order by Betty Sanders, president. The hostess gave a reading: "Cherish the Little Things," by Edward Young. Roll call was answered by nine members and one guest by telling "what I buy every time I go to the grocery store."

The club welcomed a new member, Alta McGuire.

Minutes were read by Alice Yates, secretary-treasurer, and were approved as read. Henrietta Rueffer gave the council report.

Plans were made for Information Day that will be Nov 15 at Wright's Restaurant in Haskell. Registration will be at 9:30 a.m. by the Weinert club, with Faye Jetton and Jimmie Weinert will register guests. Myrtle Phemister will make decorations for the table and make name tags.

The Christmas party was planned for Dec. 12 at 6 p.m. at the Shamrock Restaurant in Munday. Betty Sanders will present the program. Gifts will be exchanged by the men and women. This will be the last meeting of the year.

Lou Gilly, agent, brought an interesting program on "Understanding Marketplace Fraud and Misrepresentation."

Refreshments were served to Betty Sanders, Faye Jetton, Jimmie Weinert, Myrtle Phemister, Cordie Cunningham, Agnes Winchester, Alta McGuire, Henrietta Rueffer, Lou Gilly and the hostess.

Rochester season concluded

Rochester's 1989 football season came to a close Friday night when the Steers went down, 45-0, at the hands of unbeaten Guthrie.

Guthrie, 10-0 for the season and 6-0 in district, scored 20 points in the first quarter, 18 in the second and then added 7 in the third to end the game under the 45-point rule.

Rochester wound up the season with a 3-7 overall record and a 2-4 district mark.

Friday's game was the final contest for four Rochester sneiders, Kevin Conner, Stephen Andrada, Corky Speck and Todd Landis.

Her renter, Johnny Earp III of Weinert, has been farming her land for more than 20 years and believes the conservation improvements will help keep her land productive for years to come.

"The improvements have made a better farm out of it," Earp said.

The grassed waterway and terraces that Margaret constructed were necessary to stop soil erosion. Over the years the land had started to wash in several places which made the fields harder to work. This erosion was also robbing the farm of its valuable topsoil. Realizing that something had to be done, Earp began discussing the Great Plains

Conservation Program with Margaret. She then contacted the Soil Conservation Service about the program.

Mrs. Bruton started a five-year plan in 1983 through the Great Plains Conservation Program that enabled her to install the needed conservation practices to her farm. Assistance with the technical planning and design of the practices and cost share payments were provided by the Soil Conservation Service.

Assistance through the Soil Conservation Service is available to anyone regardless of race, sex or national origin.

--Letters to the Editor--

Lonely

Editor: It is in desperation that I write this letter to you in hopes that you can help me. I'm a 33-year-old inmate in the Indiana Department of Corrections. Since my father died, I don't have any family. The "friends" I once had only stayed around while the times were good, so I don't have anyone writing or visiting me.

I've been incarcerated since February 1983. In the past seven years, I've written to different people, anyone who I felt might remember some bond of friendship, but night after night passes without any response. I've been forgotten and it really hurts.

Quite honestly, this is a terrible and lonely place. Seeing other men around me getting letters or visits from family and friends makes it even lonelier for me. At times it's really depressing to be so alone. I am so lonely and it would mean so much if I had someone to correspond with and share things with.

I am a white male, 6 feet, 180 pounds and divorced. I am fair complected with light brown hair and blue eyes. I'm slim, muscular built and I'm easy going with a pleasant personality. I enjoy dancing, swimming, music, camping and playing the guitar. To fight stress and stay in shape, I lift weights and jog as time allows.

Since I've been here, I have completed welding school at the vocational college here. Now I'm enrolled in the industrial maintenance associates degree program. I also take courses through Indiana University by correspondence.

I'm not incarcerated for any hideous crime. I had a problem with drugs but with counseling, I've overcome that and realize my foolish mistake. I'm just trying my best to put my life in order again.

I hope you can find it in your heart to publish my letter somewhere in your paper. Perhaps it would spark an interest in

someone, anyone who may have known the pain of loneliness. I regret I cannot afford to pay for publishing because I only earn \$10 a month while going to school.

I want to thank you for your time and consideration. This is my only hope of reaching anyone, and I promise to promptly answer any and all who respond to my plea.

Joe McCreary is having a large repair shop erected just east of the Simmons Livery Stable, and tells us he is going to put in a lathe to turn iron and manufacture parts for machinery.

In the city election Friday, T. B. Russell was elected alderman, J. W. French, city marshal, and W. W. Murphy, city tax assessor and collector.

Master Fred Alexander left Monday night for Stamford where he will attend the Collegiate Institute in that city.

Capt. R. H. Hunter of Carney was a visitor in the city a few days ago. Capt. Hunter was among the first farmers to make a success of farming in Haskell County.

Rev. C. B. Meadors has been returned by the General Conference as pastor of the Methodist Church.

Mrs. Wisdom is now general delivery clerk at the post office.

J. S. Keister got in Monday with 104 head of cattle from Arkansas.

B. J. Glover, one of the Circle Ranch boys, was down trading with our merchants this week.

Miss Una Foster is filling the position of assistant county clerk this week.

Will Hills came in from a trip to Stonewall County the first of the week and he says he saw a party from Kansas City prospecting in the copper region and they thought they had found both copper and silver in paying quantities.

-Green Thumb-

By Gladys O'Neal

The chrysanthemums are not yet fully blooming, but they will soon set fall gardens ablaze with color. All they require is adequate water to prolong their majestic blooming period.

It's time to start thinking about planting spring flowering bulbs when available. Mass the colors for effective display in a large area. If you plant tulips, a good combination is lavender "Cum Laude" and pink "Perry Como."

Some favorite small bulbs are the various colors of crocus. Be sure and follow the instructions carefully concerning depth of planting and refrigeration before planting.

Prepare the soil thoroughly; add liberal quantities of bone meal and peat moss. If possible, plant bulbs on a cushion of sand for best drainage.

It's time to dig, divide and replant perennials. They need time to get established and develop roots for early spring growth. Poppies, larkspur and cornflower seeds need sufficient cold, usually freezing, to break the rest period. Pulverize and moisten the seed bed; cover the seeds lightly and press around them with a board or hoe back. Water well with a light mist. Keep your beds well watered, for plants need to enter winter dormancy in top physical condition.

GOD'S GARDEN

*The kiss of the sun for pardon,
The song of the birds for mirth,
One is nearer God's Heart in a garden,*

Than anywhere else on earth.

Dorothy F. Gurney

This is a trite little poem found in many gardens on bronze or iron, but it is so true. I just wanted to share it with you this month.

If you're interested in planting bluebonnets and Texas phlox, now is the time. They grow best in sunny locations and you can broadcast them together. Both do better when sown where they are to grow because they dislike being transplanted. They bloom about the same time, reseed themselves and are winter hardy. They add much beauty to your landscape, small or large places.

-BIRTHS-

Billy and Connie Stone of Abilene are proud to announce the birth of their daughter, Lacy Beth, weighing 9 pounds, 11 ounces, 22 inches long, on Nov. 12 at Hendrick Medical Center.

She was welcomed home by big brother, Toby.

Grandparents are Mr. and Mrs. M. R. Stone of Haskell and Mr. and Mrs. Bobby Graham of Tuscola.

Great-grandparents are Mr. and Mrs. Ben Wheeler of Trent, Mrs. Elsie Graham of Tuscola and Mrs. Wilma Bartley of Haskell.

The Rule Jr. High football boys, the drill team and cheerleaders had their annual after-the-season party on Nov. 2. All the coaches and players were in attendance. The students all enjoyed sandwiches, cookies and cokes. The Kittens were undefeated in conference play with their only loss being a non-conference game with Rochester.

The annual "sweetheart" game was held at half-time of the Luaders-Avoca game. Bobbie Jones, who is drill team manager this year and was in the line her sixth grade year was chosen sweetheart by the football team. Bryan Manske was chosen hero by the drill team and cheerleaders. Bryan is an eighth grader and also participated in basketball. Traci Sanders was runner-up for sweetheart and John Cannon and Saul Garcia were runner-up for hero.

The Jr. High basketball teams are now playing. They began their season last Tues., Nov. 14 when the Jr. High girls played Guthrie. They were soundly defeated 35-6. This week they are in a tournament at Paint Creek. The girls played Throckmorton Thurs., and won 30-13. Christy Mathis and Bridgett Butler led the Kittens with 12 points each. Bobbie Jones, Jana Saffel and Tomika Griffin each added 2 points. High point for Throckmorton was Gilmore with 9 points.

In the second game the Rule girls played Paint Creek. The game also counted as a district game. The Rule girls won the game 29-21 in a wild run and gun battle. Bobbie

Jones led the scoring with 10 points. Tomika Griffin had 8 points, Christy Mathis had 5 points, Bridgett Butler had 4 points, and Jana Saffel had 2 points.

The Junior Hi. boys played Throckmorton and defeated them in their first game of the season.

Both teams will play again on Sat. The girls play Throckmorton for the championship, and the boys play Paint Creek.

Our sincere sympathy is extended to the family of Etta Faye Williams, who died in St. Joseph hospital in Ft. Worth on Nov. 15 after suffering another massive heart attack. She was the daughter of Lucy Fulbright and the sister of Polly Cox, both of Rule.

We wish a speedy recovery to Sallie Whittemore, who is a patient in Haskell Memorial Hospital at the time of this writing.

Cheryl Butler received notification last week that she has been named to the Texas Girls Coaches Association Academic all-state team in basketball for 1988-89. She received a certificate acknowledging the achievement. In order to qualify for academic all-state, a girl has to be a senior who maintains a 90 or above average, and is a starter in the sport for which she is chosen. Cheryl is currently attending McMurry College in Abilene.

Congratulations to Patricia Daniel and Aylois Cook, both of Stamford, who graduated Friday night from the Texas Law Enforcement Academy in Abilene.

Scout news:

The Webelos and Tiger Cub scouts participated in the Cub Olympics held in the Rotan football stadium on Nov. 12. They returned with an impressive amount of ribbons, and had a day of fun and exercise. The Webelos won: 3rd place in javelin throw, 3rd place in leap frog, 1st place in shot put and 1st place in softball throw. The Tigers won: 3rd place in softball throw, 2nd place in shuttle relay, 2nd place in shot put, 2nd place in leap frog, 1st place in broad jump, 1st place in javelin throw, and 1st place in hurdles. The scouts who went were Chris Boger, Brad Simpson, Michael Murray, Grant Hisey, Jonathan Allison and Jeffrey Murray. Others that went were Larry, Marsha and Heather Simpson, Celinda and Kayla Allison, and Charlene and Jennifer Murray.

The Webelos Scouts took a tour of the Rule waste water facility and the City Water system on Mon., Nov. 13. Jim Slayton was very helpful in showing the boys the various aspects of the City's water supply and waste water disposal. Scouts attending were Brad Simpson, Kalith Trussel, Chris Boger, Michael Murray. Also, Charlene Murray, leader and Jennifer Murray as well as Marsha Simpson, assistant leader.

On Wed., Nov. 15, the Tiger Cubs visited the Sweet Shop in Haskell. Donna Martin and Martha Ozuna showed the boys how doughnuts, pies and cakes are made. They saw some fruit cakes baking. Then, each boy got to put frosting on several cupcakes and decorate them with little turkeys and pilgrims. This was lots of fun for the boys. Then, Each boy got to take his cupcakes home. Those attending were Charlotte and Justin Coker, Celinda and Jonathan Allison, and Charlene, Jeffrey and Jennifer Murray.

Eric Barbee, son of Donnie and Diane Barbee of Sundown, formerly of Rule, is a member of the Sundown High School marching band that won third consecutive Class 1-A state UIL championship on Nov. 13th in Austin. The win was the first time a Class 1-A band had won state for three consecutive years. The band consists of 127 students from a high school enrollment of 142. Eric is an eighth grade student and plays in the percussion section. Eric's parents and sister, Mitzi traveled to Austin for the performance at the University of Texas Memorial Stadium. Eric is the grandson of J. R. and Ruby Barbee of Rule and of Jack and Lois Monse of Sagerton.

Congratulations to the Rule Bobcats who defeated May Tigers by a score of 59 to 14 Fri. night in Tuscola. May Tigers had a record of 10-0 going into the game and were ranked #2 in the state. This fact did not intimidate the Bobcats in the least. Led by Keith Vanderbilt's eight touchdowns, Rule sent the Tigers into basketball season with an easy 59-14 six-man playoff victory. The bi-district game was called with 7:17 left in the fourth quarter on the 45-point rule. Vanderbilt accounted for all but eight of Rule's points-two of those coming on a safety when Calvin Benevides tackled a May runner in the end zone. In addition to scoring the eight touchdowns, Vanderbilt kicked two PATs and ran for another. One of his TDs came on a punt return, the other seven on runs from scrimmage. The only other Rule touchdown came on a run by Joey Mathis. The May touchdowns came on a run by Dale Greenrock and a pass from Scotty Ford to Cody Chambers. May winds up with a season record of 10-1, while Rule advances in the state playoffs with an 8-3 season record. The Rule Bobcats will meet the Jayton Jaybirds on Thanksgiving Day at the Stamford High School stadium. Game time is 7:30 (Most of this information came from the Abilene Reporter-New.)

Bobby Robinson took a busload of his junior high theatre arts

students to Abilene last week to see a play at McMurry entitled: "She Stoops to Conquer." Also, accompanying the group were Debbie Rawlins and Jason Halliburton. One of the actresses in the play was Tempa Wofford Toney, a 1985 graduate of Rule High School. The students reported an enjoyable evening.

We are sorry to report that Chick Norwood's condition has worsened, and he has been transferred from Stamford's Skilled Nursing Facility back to Humana hospital. We wish for him a return to his health.

Jerry Cannon went to Ft. Worth on Sunday to be with his daughter, Stephanie Cannon who is to undergo surgery on Monday. We hope that all goes well for Stephanie, and that she has a speedy recovery.

Little Keith Wilcox, infant son of Jackie and Paula Wilcox, is under the treatment of a Lubbock doctor. We hope that he will soon be feeling better.

Delanie Camp of Rule, her grandson, Jerry Ray Hatfield of Stamford, Denny Hatfield and wife, Jane with children: Jennifer and David of Abilene, and Marvin Bergan of Hawley were all guests of Odessa Hatfield of Abilene on Sat. night for an early Thanksgiving dinner. Mrs. Camp is Odessa's mother, Jerry and Denny are her sons. Odessa's other children were

unable to be present at this time. Homer and Bonnie Gann of Lubbock surprised Homer's mother, Velma Gann, by bringing an already-prepared birthday dinner to her on Sun, Nov. 19.

Congratulations to former Rule residents: Art Briles, coach at Stephenville High School and Leon Greeson, an assistant coach, upon their football team winning the district championship; thus ending a 37 year drought (as the Stephenville Paper phrased it.) While playing football at Rule High School, Briles was all-state guard. He later played split-end for the University of Houston Cougars from 1974-77. He lettered as a sophomore on the 1976 Cougar team that won the Southwest Conference Championship in its first season of league play and beat Maryland in the Cotton Bowl. Art's father, the late Dennis Briles, was coach at Rule and took the 1973 team to state.

If you have news next week, please call Mrs. C. W. (Faye) Dunnam, as she will write the news for the week following Thanksgiving as your writer plans to be out of town for a few days.

Here is wishing that all of you have a nice Thanksgiving!

Please remember: "Friendship is sharing in a time of need." Also, "The brook loses its song when the rocks are removed."

"This Christmas, Give Her Peace of Mind"

A mammogram is the last minute gift that could last a lifetime.

Clothes. Jewelry. Perfume. You've spent so much time searching for that perfect gift for her. How about peace of mind? The peace of mind that she'll have in knowing she's taken the first step toward safeguarding herself against breast cancer. Mammography is a safe, low-dose X-ray exam that can detect breast tumors up to two full years before a physical exam. And if detected early enough, 90 percent of all breast cancers are curable.

The American Cancer Society advises that women age 35-40 should receive a base line mammogram; women age 40-49 should receive a follow-up mammogram every one to two years; and women over age 50 should receive an annual mammogram.

If she's precious to you, don't ignore these recommendations. Buy her a gift she would never think of buying herself. During this busy holiday season, buying a mammogram for her has been made easy. Simply purchase a certificate which can be redeemed for a free mammogram anytime during 1990. A mammogram... for her peace of mind.

Haskell man heads national company

Bill D. Stewart has been named president of Thompson & Formby Inc. of Memphis, Tenn. He is the son of Ernest Stewart of Haskell.

He replaces Ken Evans, who was promoted to group vice president of Thompson & Formby's parent company, Lehn & Fink. Lehn & Fink is the consumer products division of Sterling Drug Inc.

Thompson & Formby manufactures Thompson-brand weatherproofing products and Formby-brand wood-refinishing products. The company employs about 300 people at its plant in Olive Branch, Miss., and at the Memphis corporate office.

Stewart, 47, has been vice president of sales for Thompson & Formby for the past four years. He previously spent 16 years with Richardson-Vicks, manufacturer of such consumer brands as NyQuil, Oil of Olay and the Vicks line of cough and cold products.

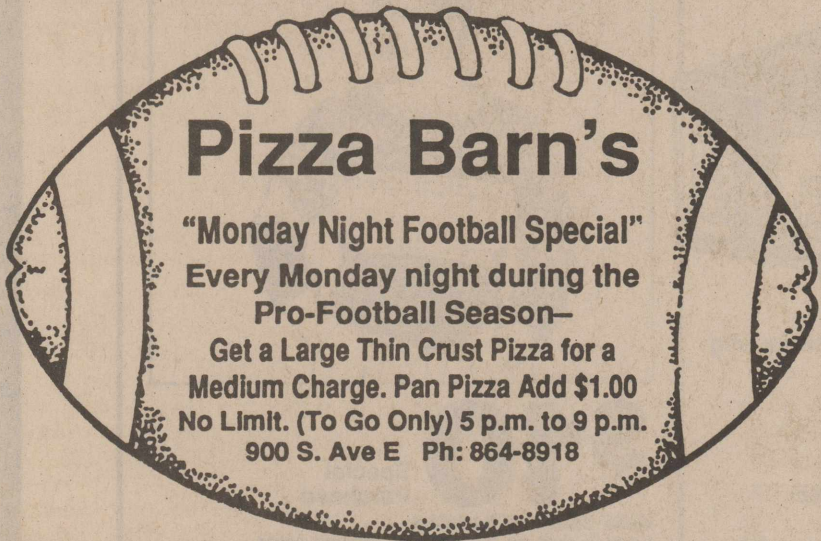

Thompson & Formby is in the middle of two expansion projects.

A \$3.9 million, 100,000-square-foot addition to the Olive Branch plant is partially complete, and construction has begun on a \$5.3 million plant and warehouse on the Olive Branch site that will produce Red Devil enamel coatings and wood finishings.

Thompson & Formby acquired Red Devil last May from Insilco Co. The plant should be completed by June, Stewart said, and will employ up to 100 additional people.

Thompson & Formby has annual sales of between \$150 million and \$200 million. Stewart said the company has grown at a 35-percent annual rate during the past four years in an industry market that has grown just 5 percent.

Thanksgiving Day, sharing and giving thanks for over 300 years.

Ever since the Pilgrims, Thanksgiving Day has been just that, a day to give thanks. In the 1620's they were thankful just to survive and have something put away for the winter.

Today we have so much more reason to give thanks. Of course we still appreciate a good harvest. But let us give thanks for what we as a nation have become over the past 300 years.

We became a democracy. We survived a civil war and two world wars. We prospered as a nation. We were as generous to our neighbors as we were to our own. We can be proud of our past.

And we can be thankful for the good life we enjoy today, and for the legacy we will leave our children.

Thanksgiving truly is a day of thanks.

4.1 percent not working in county

The unemployment rate in Haskell County in August was 4.1 percent, well below the state rate of 7.2 percent and the "Abilene area" rate of 7.4.

Figures released by the Texas Employment Commission showed 138 from Haskell County out of work from a labor force of 3,357, meaning that 3,219 are employed.

The total number of unemployed Texans was 607,700. The state lost more than 5,000 nonfarm salaried jobs in the past year, primarily because of their nature.

Unemployment rates in neighboring counties included:

Jones, 6.5; Baylor, 3.4; Knox, 3.5; Throckmorton, 1.7; Stonewall, 2.8; Shackelford, 3.6.

Of the state's 27 major metropolitan areas, Bryan-College Station had the lowest rate at 4.9 percent; followed by Lubbock at 5.6, Amarillo and Sherman-Denison each at 5.8 and Austin and San Angelo each with 6.0.

Highest rates were recorded in McAllen-Edinburg-Mission, 17.7; Brownsville-Harlingen, 13.2; Laredo, 11.3; El Paso, 10.5; and Beaumont-Port Arthur, 9.3.

We have no precipitation to report...and we need it so desperately that we welcomed the big "dew" we had last week!

The milo harvest is completed, and made a fair crop. The cotton is still "hurryng" to be completed before the "rains come". For Thanksgiving, we'd love a slow, gentle, sod-crumbling five inches of it, to help us save the wheat crop and the pastures.

We sang the birthday song to Melvin Brueggeman, Crystalla Raynes, Keith Sanders, Stacy Hester, Tiffen Mayfield, John Castorena, Melanie Wood and Floyd Patton last week, and this week we will wish Kent Sanders, Lane Murphy and Lupe Gonzales a "Happy Birthday!"

Congratulations to J. T. and Florence Alexander and to Stanley and Brenda Hager who will celebrate their anniversaries this week.

Congratulations to the Mogul Band upon their winning 2nd place in the state competition! Also congratulations to the Mogul football team who will compete for the regional title in a playoff game to be held in Graham, Fri., Nov. 24 at 7:30 p.m. against the Era team. Good luck, Moguls!

Congratulations to Cory Wood and the Webelos Den 5 for their many awards won at the recent fall camporee of the Chisholm Trail Council.

The Community Thanksgiving worship service hosted by the Foursquare Church on Sunday night brought a record crowd together to hear Donny Harbers deliver the Thanksgiving sermon.

Jerry and Judy Underwood, with daughter Terrie, formerly of Weinert, now of Throckmorton, presented a program of songs. Others who sang included Erlinda

Mayfield with Doris Walker, accompanied by Karen Harlan at the piano; Betty Sanders with Shelia Harbers, also accompanied by Karen; Cindy Guess with her own accompaniment, and Donna Byrd.

After the service, a bountiful array of food was shared by the group in the fellowship hall of the church.

Crystella Raynes was in Graham on Sunday to attend the wedding shower honoring her granddaughter, Jamie Jetton, of Brownwood, bride-elect of Brent Gough.

She was accompanied by Delores Stewart and Mindie Hendrix of Munday.

Francis Mahan attended the memorial services for Charles Baker, of Rochester, on Sunday afternoon, and renewed acquaintances with many of her school classmates.

Georgia and Woody Turnbow with Greg, visited in the home of their daughter in Weatherford the past weekend and enjoyed a romp with grandchildren Lucas, Levi and Tabitha.

Woody made a friend by taking a grocery bag of cotton hulls (or burrs) to a Korean service station attendant, who requested it, and who plans to use them to make "medicine". Who knows, perhaps a cure for allergies, or arthritis—even alcoholism?

Ted and Faye Jetton were in Dallas for an early Thanksgiving with the Frantz family and welcomed grandchildren Brett and Tiny Frantz with Amanda, from Seary, Arkansas, and Jana and Paul Maturi from Memphis, Tennessee.

Willie and Ida Farrell spent last weekend in Olney with her sister, Maxine and Roy Bolin, and enjoyed a visit also with brother Joe Garrett of Abilene.

Helen Boykin was in Vernon on Sat. and accompanied her son, Raymon's family to Wichita for another football victory. Shelly Boykin is in the band.

Becky Fry of Bowie is spending a week of her vacation time with her parents, Louise and Ernest McGuire, and they will all be in Keller for a Thanksgiving dinner with the Budge McGuire family.

On Sunday, Tommy and Selina McGuire, with Brooke and Brandon joined, the family for lunch at the grandparents home in Weinert.

Captain Keith Sanders of Del

Rio was in town for a visit with his parents, Kenneth and Brenda Sanders and Kole.

David and Peggy Phemister spent a few days in the home of his parents, before going on to Oklahoma for Thanksgiving with Peggy's parents.

David Brockett, with Brandon and Jason of Alamogorda, N.M. came for a visit with grandparents, Susie and Pud Brockett and other relatives in our area.

David is the son of Junior Brockett and helps his dad in the restaurant in Alamogordo while his wife manages a grocery store there. He decided three years was "too long a time to be away, hence the visit this week. Come again!"

Junior and Margie Stewart plan to be home for this weekend and we are happy he continues in good spirits despite the treatments he undergoes at M. D. Anderson.

They are staying at the Holiday Inn Medical Service Center at 6701 S. Maine, Houston 77030 and would appreciate a card from friends.

We will welcome Angie Castello home from the Stamford hospital on Wed. She underwent surgery there last week and we pray for a speedy and complete recovery for her.

Weinert Extension Club was well represented at the annual achievement day program hosted in the Wright's cafe on Wed., Nov. 15.

Jimmie Weinert registered guests, assisted by Henrietta Rueffer, Myrtle Phemister and Alice Yates gave their delegates reports of the state convention held

in Corpus Christi this year; Betty Sanders gave the clubs annual achievements report, and later did the installation service for the incoming officers for council of Haskell Co. Extension Clubs.

The outstanding club woman was Mrs. Margaret Jones of Josselet Club.

The Weinert school will dismiss at 2:30 p.m. on Wed. for the Thanksgiving holidays.

Many of our residents will be out of town for a few days vacation, while others will be entertaining friends and family here.

Whatever the case, drive carefully and have a safe holiday, and a "thankful" Thanksgiving.

Have a nice day!

County has 24 students at WTC

Haskell County ranks No. 6 in the number of students enrolled at Western Texas College in Snyder.

Twenty-four of the school's 1,144 students from 99 counties hail from Haskell County.

Scurry County accounts for one-third of the total with 427 students. Mitchell County is represented by 101 students and Nolan County has 98. Fisher County has 50 and Jones County 34.

Other area counties and their numbers include Taylor, 22; Stonewall, 19; Tom Green, 17; Runnels, 16; Garza and Lubbock, 15 each; Kent, 11; and Dickens and Shackelford, 10 each.

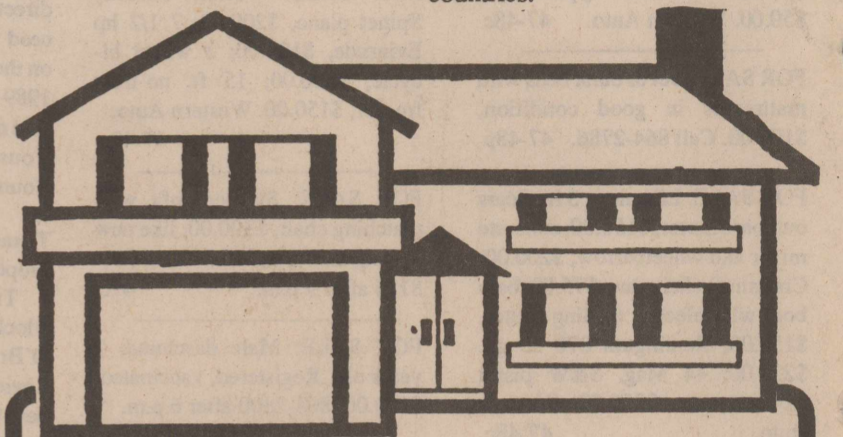

Most of the students come from the West Texas area although the count by county shows students from the top of the Panhandle to the Rio Grande.

Thirty-seven students come from other states and five from foreign countries.

Farm Bureau gains members

Texas Farm Bureau membership increased by 1,422 member families during the past year.

Tabulations for the year ending Oct. 31 showed the organization has 327,589 member families in 214 organized counties.
