Birthday balloons will fly this week for Heather Guess, Kristi Earle, Joe Frazier, Betty Sanders, Amy Castillo, Helen Turnbow, Kim Stewart and Cristi Herricks. Happy birthday, all!

Congratulations to Buck and Helen Turnbow who will celebrate a wedding anniversary.

Baby Jane Walker, daughter of Mr. and Mrs. Bill Walker spent a few days in the hospital last week, giving her parents an uneasy time as the doctors tested to find her problems. What was suspected to be meningitis was diagnosed as seizures, caused by extremely high fever from a cold, sore throat and teething. She is home and doing well.

The Lester Hutchinsons have spent several days in Abilene at the Hendricks hospital with their daughter-in-law, Leisa Hutchinson, who is home now and recovering, and also with Bobby Hutchinson, who suffered a heart attack, and underwent balloon surgery on Friday. He is in a stable condition in Humana but not out of danger. Our prayers continue for our sick ones.

Sympathy is extended to the Brockett family upon the tragic death of a nephew, Ray Thomas, of Dallas, who was killed in a freak accident near Grapevine on Saturday night.

Mr. and Mrs. Donnie Harbers were in attendance at the three day

Texas Baptist Evangelism Convention held at Ft. Worth last week. Donnie is pastor of the First Baptist Church, and was enthusiastic about the good speakers who presented their encouragement to all the preachers

"Our Hope-Press On" was the theme of the program, and Tom Landry was guest speaker on Monday night. Other speakers on the roster included John Bisagno and Tom Ellif as two of the outstanding ones.

Johnny Earp, IV was a guest in the home of his parents, John III, and Marilyn Earp, and attended worship services at the Baptist church for Men's Day, with his dad in charge of the program.

Hal Guess and Joe Yates were pulpit speakers and H. L. Guess was at the piano. Special music was a quartet composed of Joe Yates and his sons, T. J., Dusty and Jace.

Cindy Therwhanger with Lauren and Tyler, have returned to their home in Baltimore, Md., after several days visit in our area, and with her husband's grandmother, Mabel Derr.

last week with her aunt, Alma Pack, and a sister-in-law, Juanita Davis.

On Tuesday Mildred, with her son, Wayne and Shirley Offutt of Wichita Falls were in Wylie for a visit with her daughter, Judy and R. W. Anderson, Valarie and Mellissa.

Mildred and Alton Sanders were in Munday to join a group of relatives in the home of her mother, Jewel Havaran.

Others in attendance were two aunts, Aline Cross, of Seymour and Annie Mayer of Vernon and a cousin Tony and Sammie Mayer also of Vernon.

## Social Security statements due

If you're a Social Security beneficiary, you have received or should receive a Social Security benefit statement (Form SSA-1099) in the mail.

The form shows the amount of Social Security benefits you received or repaid in 1989. You should use the form to help you figure whether any of your Social Security benefits are subject to Federal income tax.

**"DECISIONS MADE EARLY"**

Many people plan for what might happen—fire, burglary, injury, and accidents. Now more and more people are planning for what will inevitably happen. It simply makes good sense to prepare for that which we can not avoid.

Pre-need funeral arranging allows one to control the type of service they would prefer, select a means of financing it, freeze the prices at today's price, and save loved ones the anguish of deciding these matters at a later date. Really it is the loving thing to do for your family.

Simply come by or call and we will come by to see you.

**If you worked as hard as a heat pump you wouldn't last 10 years either.**

Electric heat pumps overwork themselves trying to do two different jobs. Pumping all summer, trying to keep the house cool. Then pumping all winter, trying to keep the house warm. No wonder heat pumps wear out at an early age (usually 7 to 10 years).

An efficient, economical propane gas furnace will last twice as long. That means long term comfort and savings.

**TAX PLANNING**

Written By  
**James E. Rodgers, CPA**

**FINANCIAL RESOLUTIONS FOR 1990**

If you make just one resolution for 1990, let it be this: Simplify your tax and financial position. The following suggestions should help you keep this resolution.

1. Review your will. Tax law changes in recent years have outdated many estate plans. If you don't have a will, get one. Even singles should control the disposition of their estate.
2. Eliminate consumer debt. Only 10% of the interest is deductible in 1990. If you can't eliminate it, replace it with lower cost debt. Cut out credit cards, or pay the outstanding balance every month to avoid interest charges.
3. Improve your recordkeeping. Pull all your financial records together in one place. Have separate files for investments, insurance policies, will and estate documents, deeds, and your home (cost and improvements).
4. Establish a savings plan. Begin building a savings reserve to cover unexpected expenses and provide funds for new opportunities.
5. Reassess your insurance needs. Meet with your insurance agent to determine if you are overinsured in some areas, underinsured in others.
6. Investigate before you invest. Develop an investment plan and stick to it. Resolve never to buy penny stocks, "hot tips," or any product sold by telephone pitchmen.
7. Plan for your retirement. The earlier you plan, the less financial pain. Take full advantage of plans offered by your employer, and supplement them as appropriate with a plan of your own.
8. Review your record of earnings with the Social Security Administration (SSA). Your benefits are based on these records, and the SSA cannot correct errors that are more than three years old.
