Forehand named Rochester coach

A veteran Haskell County football coach will coach the Rochester Steers next fall.

Chet Forehand, whose 70-33 record with the Weinert Bulldogs is one of the best records of any sixman coach in Texas, has been named coach and athletic director by the Rochester School Board.

A graduate of Weinert High School and Abilene Christian University, Forehand has been at Weinert since 1967 where he has coached football, basketball and track and taught science, computer literacy and driver education and served as principal.

His 1984 Weinert football team lost in the playoffs to eventual state finalist Marathon and the 1985 Bulldogs bowed in the playoffs to eventual state champion Jayton.

In 1980, he was coach of the West team in the annual all-star football game.

Fly-in

Dozens of planes expected for Saturday show

The skies over Haskell will begin buzzing at 7 o'clock Saturday morning as dozens of airplanes start landing at the Haskell Municipal Airport for the third annual Haskell Fly-In and Pilots' Breakfast.

About 50 visiting airplanes, including numerous military aircraft, are expected to participate in the show which will continue until 11 a.m.

Pilots and their guests arriving by air will receive a complimentary breakfast. Local visitors showing up the view the visiting aircraft will be admitted to the grounds for \$2 per person, a charge which includes breakfast.

The fly-in was initiated in 1988 as a means of attracting pilots and airplanes from the area, especailly those enroute to the annual Breckenridge Air Show which is held during Memorial Day weekend.

A special feature of the show, as in the past, will be the appearance of a number of old military planes called "warbirds."

As an incentive, the City of

Haskell will sell aviation gasoline for \$1 per gallon. The price applies only for transient aircraft and only during the hours of the show.

The Haskell Chamber of Commerce will present trophies to the oldest pilot, the youngest pilot and to the pilot making the longest flight. Previous fly-ins have attracted pilots from as far away as Canada, New Hampshire and

Joseph Thigpen is this year's fly-in chairman. Bud Lane is president of the sponsoring Chamber of Commerce. Wanda Dulaney, Chamber manager, and Bob Baker, city administrator, have assisted in the arrangements.

The breakfast will be cooked by members of the Haskell Volunteer Fire Department and the American Legion is furnishing the tables and chairs. Legionnairés also will be in charge of parking.

Thigpen also expressed the committee's thanks to Jim Bridwell for use of his hangar.

Last year's show

These Haskell students pose for a photo at last year's fly-in in Haskell after inspecting this BT-13, a World War Il basic trainer. Similar planes are expected for this week's air show.

FLASHBACK

From The Free Press May 28, 1910

By the time this issue of the Free Press reaches our subscribers the street car line will be in operation over this part of its line.

This one enterprise has caused more discussion of Haskell than any other undertaking. The drummers on the trains, travelers, investors, all classes of people, are becoming interested in Haskell and

the progress she is making. Mr. Hemphill has several cars of

steel and ties. He has five miles of steel here now. He says if the people will get behind him like they do when a visiting promoter comes to Haskell, he will build the road to Rule right away.

In this conversation, the Free Press wishes to say that Mr. Hemphill has already demonstrated that he can build more railroad mileage in three months than a well-known promoter can build in two decades. Let's do honor the "prophet" in his home town.

Demos to help host Bensen

Haskell County Democrats will help host "An Evening With the Honorable Lloyd Bentsen" Friday. The program begins at 7:30 p.m. in the Abilene Civic Center.

In addition to Sen. Bentsen, gubernatorial candidate Ann Richards and other Democratic leaders will attend.

Tickets, priced at \$50, are available form Sharon Mullino (phone 743-3559). Half of the proceeds from ticket sales will be retained by the county organization.

College students to register

Registration for summer classes at the Haskell extension center of Western Texas College will be from 6:30 to 8 p.m. Tuesday (May 29) in the high school library.

Classes begin June 4 and end on Aug. 2. Textbooks will be sold on the night of registration.

Information about registration, placement testing and courses on the schedule may be obtained by contacting Bill Blakely, coordinator, at 864-2949, or the extension services office at WTC in Snyder, (915) 573-8511.

Students who have completed their junior year in high school may enroll for these classes under the early admissions program. They will need permission from their parents and high school principal. Permission forms are available from Blakely or the admissions office on the WTC campus in

Without question, Texas has more geographically designated locations than any state.

We've all heard of the Big Country, Big Bend, Panhandle, Permian Basin etal. But the state comptroller's monthly publication, "Fiscal Notes," contains a map giving the agricultural landscape of Texas, which contains the following designated areas:

Northern High Plains, Southern High Plains, Northern Low Plains, Southern Low Plains (which includes Haskell County), Trans Pecos, Cross Timbers, Edwards Plateau, Blacklands, South Central, South Texas, Lower Valley, Coastal Bend, Upper Coast, East Texas/South and East Texas/North.

Most people probably know that California leads the nation in agriculture sales (\$16.6 billion) and Texas is second (\$10.2 billion).

Some might even know that Iowa ranks third (\$9.1 billion).

But not many probably know that the Nos. 4 and 5 states are Nebraska (\$8.0 billion) and Kansas (\$6.6 billion).

Rounding out the top 10 are Illinois (\$6.5), Minnesota (\$6.1), Florida (\$5.8), Wisconsin (\$5.0) and North Carolina (\$4.2).

So you don't like either Ann Richards or Clayton Williams? How about:

The patrons of the Weinert school will host a community "pot luck" luncheon at the school cafeteria on Sunday, May 27 at 12:30 noon, to honor the school faculty, staff, school board and the 8th grade graduating class.

A program is planned for 2 p.m. in the school gym, where recognitions will be made and the demise of the Weinert school will be recognized. (Bring your own crying towel.)

This is a sad time for our community, but the spirit of our town should not die. Though our children will receive their education elsewhere, they will still reside here in Weinert, and only we adults can make it a place they can be proud to be from. See you Sunday!

Most of our sick are recovering well, but Bennie Horan continues to be very ill in the Humana Hospital in Abilene. We continue our prayers on her behalf.

Andrea Estrada and Angie Castello request our prayers for their father, Jose Gonzales of

Public Notice

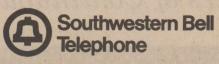

Southwestern Bell Telephone Company has filed an application with the Public Utility Commission (PUC) of Texas to add a new optional service for business customers called Departmentalized Customer Billing Reports. The proposed effective date for this service is June 25, 1990.

Departmentalized Customer Billing Reports will enable the business customer to facilitate rapid verification and approval of complex bills. These detailed Departmentalized Customer Billing Reports will show charges specifically related to each customer-specified name or identifier on a separate, easily identifiable report page. Business customers may choose from seven different formats for the reports. Departmentalized Customer Billing Reports are designed to serve as a categorized supplement to the business customer's regular bill, and are in addition to the customer's regular bill.

There will be a \$20.00 monthly charge for this service. In addition, a charge ranging from \$10.00 to \$50.00 per month will also apply for each of the seven supplemental reports. A \$1.00 non-recurring charge, per billing number, will apply to establish the service.

Departmentalized Customer Billing Reports have been forecasted to generate first-year revenues of \$848,812.

Persons who wish to comment on this application should notify the Commission by June 15, 1990. Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or you may call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 450-0227, or (512) 450-0221, teletypewriter for the deaf.

Today's freedom was earned by their sacrifices.

On Memorial Day, we as a nation pause to honor a special group of citizens. They did not shirk from duty. And we, as a nation, are forever in their debt.

The deeds and sacrifices of its citizens is the stuff nations are made of. Great nations are born out of great sacrifices.

Memorial Day we will remember those who made the ultimate sacrifice. We will be thanking them for the freedom we cherish today.

Lawyers honor **Bob Smith**

The Midland County Young Lawyers Association has named the late Bob Smith the 1990 recipient of the Liberty Bell award.

Smith, a native of Rule and a graduate of Rule High School and Texas A&M University, died Feb. 14 in a plane crash. The son of Mr. and Mrs. Joe B. Smith of Rule, he was a prominent Midland businessman.

"His contributions to the community include the founding of Innovation Solutions, Inc., a nonprofit organization established to teach threat awareness and antivictimization techniques to potential victims of crime, particularly of violent crime," according to a press release announcing the award.

"Mr. Smith, himself a victim of armed robbery, sensed a need in our community to both assist victims and to seek out causes and solutions," the press release said. "To this end he was also extremely active in NAB'D (Neighbors Against Burglary and Drugs), an organization whose purpose is to address root causes of crime in our community and to formulate solutions.'

Smith also was a charter member of the 200 Club of Midland. The purpose of the 200

Club is to show appreciation of local law enforcement officials by providing an annual honor's banquet and by providing an assistance fund for officers injured or slain in the line of duty.

The Liberty Bell award is presented annually to an outstanding lay person who has made "the most selfless contribution to the community which strengthens the effectiveness of the American system of justice," the press release said.

Smith was vice president of ClayDesta Corporation of Midland. He was a member or former member of several local entities. including Physicians and Surgeons Hospital, ClayDesta, Inc., the Plaza Club of Midland and Innovative Solutions, Inc. He also was a member of the Permian Basin Landman's Association.

Paint Creek Homemakers have program

Six members attended the monthly meeting May 7 of the Paint Creek Extension Homemakers, held in the homemaking room.

Dolores Medford, president, called the meeting to order.

Ann Sinclair, hostess, opened the program with a reading, "Dieting Under Stress." The TEHA prayer was read by all members. Roll call was anwered with "How I am improving my health."

Minutes were read and approved and the treasurer's report was given. Ann Sinclair gave the council

Club members are to give a donation to West Texas Rehab

The program was given by Lou Gilly on "Focusing on Fish in the Diet." Club members enjoyed the informative program.

Refreshments were served to Frances Fischer, Lorene Harris, Dolores Medford, Mabel Overton, Ann Sinclair, Dorothy Wells and guest, Lou Gilly.

Next meeting will be July 2. Visitors are always welcome.

Rule student wins at state

Rule Junior High School sixth grader Denise Wilson competed at the 1990 Texas Math and Science Coaches Association (TMSCA) Middle School Meet at Azle April

The meet was one of 12 state meets conducted around the state. The top papers from each of the meets competed for state level awards with 1A, 2A and 3A schools competing in the same division.

Denise won first place at Azle in

Dance June 2 at Benjamin

The Knox County Vegetable Festival benefit dance is scheduled for Saturday night, June 2, in the Benjamin Memorial Building.

"Cowboys and Outlaws" will play for the dance, which begins at 9 and continues until 1 a.m.

A second dance is scheduled for June 23 at Rhineland when the music will be by "Country Gold."

I would like to express my "Thanks" to everyone at the hospital, also the doctors for making my stay in the hospital a pleasant one. Also a big thank-you to all my neighbors and friends for the concern in my recovery. The food, flowers, card, gifts and phone calls meant so much to me. Thank You All.

All air conditioning systems may look similar when you're shopping for a new one, but before you purchase, be sure you know about the Seasonal Energy Efficiency Ratio. **S.E.E.R.** is a system that rates air conditioning equipment usually from 5 to 15 so shoppers will know how energy efficient a unit is.

WTU recommends selecting a unit with a rating of 9 or higher to insure lower operating costs.

Plus a S.E.E.R. of 9 or above can qualify you for a rebate under WTU's Energy Saving Plan. Ask for details.

To find out more about the S.E.E.R. rating of cooling equipment, call your cooling and heating dealer or West Texas Utilities.

According to the American Cancer Society, one out of ten women will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as a result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate. The cost is only \$60.00. A mammogram can detect a cancer this small, ● even before it can be felt.

50th anniversary

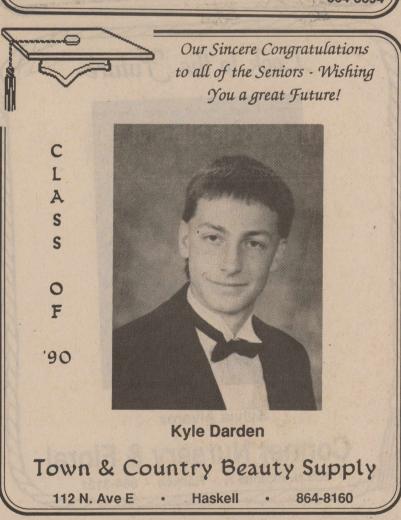

Friends and relatives of D. I. and Mattie White are invited to a reception in honor of their 50th wedding anniversary. It will be from 2 to 4 p.m. Saturday, June 2, in the Haskell National Bank Community Room. Children and grandchildren of the couple will host the celebration.

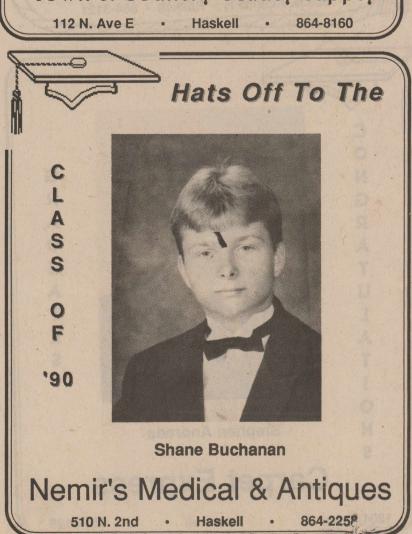

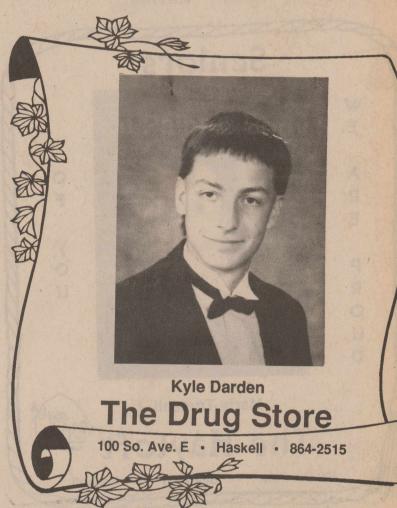

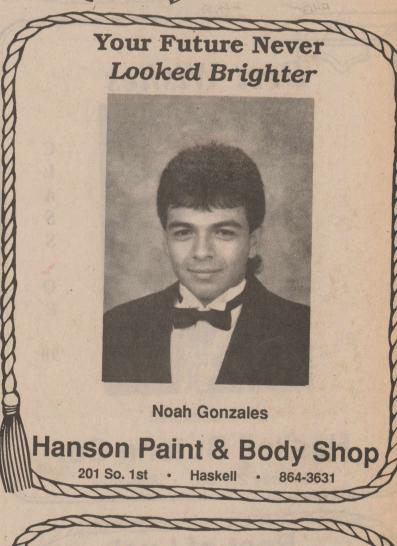

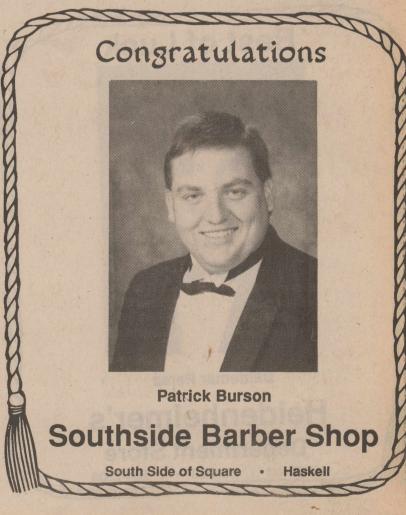

Haskell native ends long teaching career

Dr. Ross E. Lowe, a 1942 graduate of Haskell High School, was recently honored at a farewell luncheon at Western Illinois University in Macomb, Ill.

Hosted by the Department of Management Information Resources (MRI) at WIU, the occasion marked the end of a 40-year teaching career for the Haskell native.

After leaving Haskell, Lowe served in the Navy during World War II and went on to receive BS and MA degrees from George Peabody College for Teachers and the Ph.D. degree from the University of North Dakota. He also is a certified public accountant.

Lowe taught in high schools and colleges in Arizona, Kentucky and Alabama before coming to WIU as professor in the MRI department in 1966. During his tenure, he received the University President's Merit Award, the Faculty Excellence Award and was named

the outstanding teacher in the College of Business. He also was named by consumer education teachers in Illinois to receive the Gladys Bahr Award for contributions to their field.

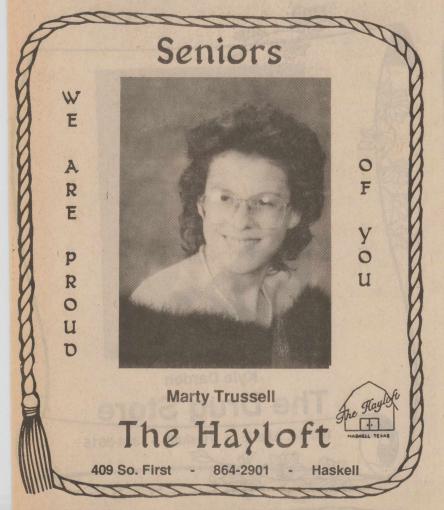

Lowe has co-authored three popular high school textbooks published in several professional journals, including the Accounting Review, the Balance Sheet and the Business Education Forum. He also has written and edited a number of curriculum guides.

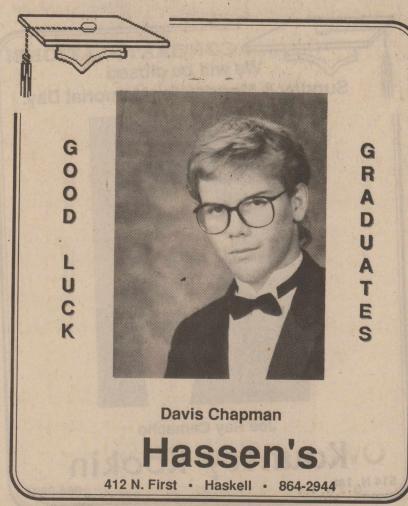

Dr. Lowe is the son of the late Mr. and Mrs. R. C. Lowe of Haskell. He and Sue, his wife of 40 years, will continue to make their home at 707 S. Ward St. in Macomb. They have a son, Robert, who lives in Alabama.

Haskell High School graduates of 1940

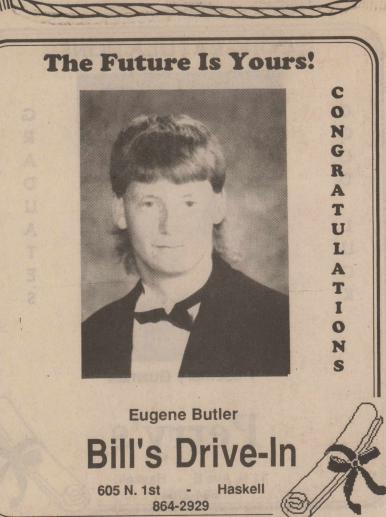

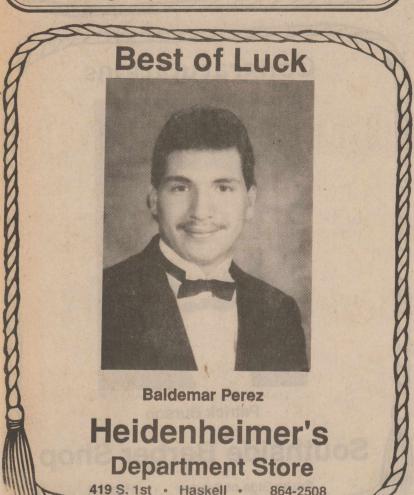

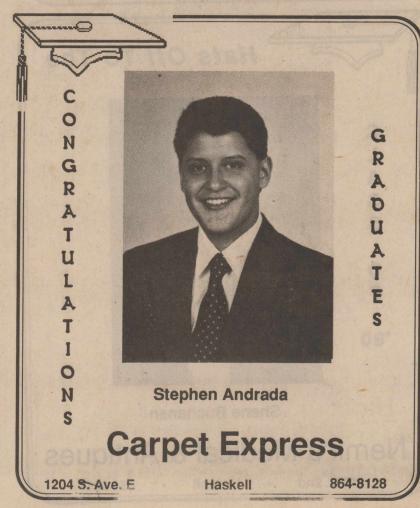

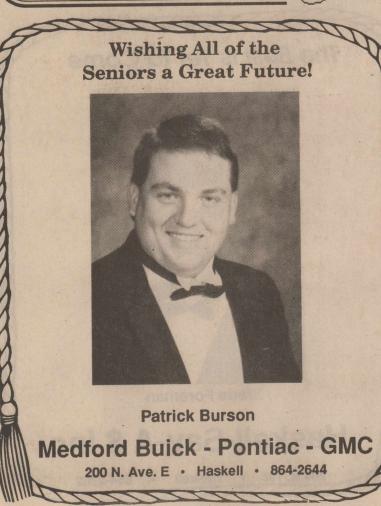

Class of 1940 to mark 50th anniversary

Members of the Haskell High School graduating class of 1940 will convene Saturday, Sunday and Monday at the Haskell National Bank Community Room to celebrate the 50th anniversary of their graduation. Some 75 classmates and spouses are expected to attend.

The Memorial Day weekend dates correspond with their graduation and baccalaureate exercises in 1940, said Wanda Dulaney, chairman of the three-day celebration.

Plans include a banquet on Saturday night, a picnic in the park on Sunday night and a brunch Monday morning, with music from the Big Band era, drawings, slides, movies, special presentations, games, visitation, sharing photographs of families, etc.

Valedictorian of the class was Leatrice Wheeler Swinson. Jean Conner Buford was salutatorian.

Officers were Paul Kuenstler, president; Wanda Dulaney, vice

president; Margaret McClintock, secretary; and Leatrice Wheeler Swinson, treasurer.

Connie Morris Altomus was class queen.

Class favorites were Paul Kuenstler, most outstanding boy; Jean Conner Buford, most outstanding girl; Mary Lou Johnson Josselet, most beautiful girl; Wayne Laird, most handsome boy; Zeldon Thomason, most athletic boy; Margaret McClintock, most athletic girl; Wanda Dulaney, most popular girl; Eulis Hays, most popular boy.

Named to Who's Who in Texas Schools were Hassell Hunter, Paul Kuenstler, Buster Gholson, Leatrice Wheeler, Jean Conner and Wanda Dulaney.

Football captains were Wayne Laird and Curtis Jordan. Senior pep squad leaders were Gerry Akins Watson and Wanda Dulaney. Marticia Bledsoe McDonald was junior cheerleader.

Some of the class members

spent their first six years of school at South Ward, joining other classmates in the seventh grade at North Ward before entering high school. Some merged from rural schools in the area and a few from other towns.

Everyone who attended school with the group anywhere along the way has been invited to attend the reunion, along with the 54 who graduated together from Haskell High School. Classes were held in the Christian Church and First Methodist Church when the high school burned.

Deceased classmates are Fred Barnett, Edwin Jeter, Joe Thompson, Zeldon Thomason, Sam Henshaw, Margie Busby, Flossie Hester Walker and Emma Pearl Graham Anderson.

Class colors were rosemary and silver; the class motto: "A quitter never wins and a winner never quits."

Senior extra curricular activities included a trip to Craterville, Okla.,

attending the premiere of "Gone With the Wind" in Abilene, a western party breakfast in the park, the junior-senior banquet and several banquets and receptions hosted by various churches.

The senior class play was

entitled "Young April."

Living teachers include C. B.
Ramsey of Arkansas and Mrs.
George V. Wimbish of Fort Worth,
who were the class sponsors, and
Miss Jessie Vick of Rule, English
teacher. None can attend the 50th
anniversary celebration, but all
wrote letters to the class for the

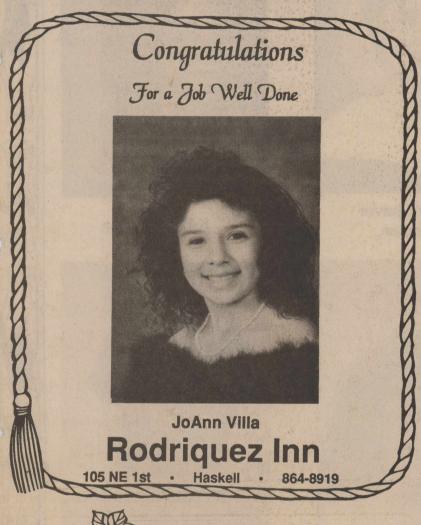

Special recognition will be made to the classmate who has traveled the longest distance to attend the reunion, to the one present who has the most children, to the one who has the most grandchildren and the one with the most great-grandchildren.

Amanda Martin married to Jerry Shane Hadaway

Amanda Leigh Martin of Lubbock was married to Jerry Shane Hadaway in a ceremony performed Saturday at Ericksdahl Bethel Lutheran Church in Ericksdahl. Stan Leaf, pastor,

The bride is the daughter of Mr. and Mrs. Milton H. Martin of Stamford and the bridegroom is the son of Mr. and Mrs. David Davis of Haskell and Mr. and Mrs. Jerry Hadaway of Midland.

Organist was Becky Nauert of Stamford. Adria Wendeborn, Adam Probst and Amy Probst sang "Jesus Loves Me" and "Into My Heart. Jenny McClendon and Taimi Wendeborn sang "The Lord's Prayer." Misty Kohout and Alan Shelhammer sang "All My Life" and Taimi Wendeborn and Brian Burgess sang "Don't Know Much." Pianist was Jenny McClendon. A special reading of "The Wedding Prayer" was given by Robbye Probst.

Escorted by her father, the bride wore a gown of white bridal satin. The fitted bodice of embroidered lace and pearls had an off-theshoulder scalloped neckline with leg-o-mutton sleeves complemented to the hand with a Victorian tip of lace and pearls. The bouffant skirt, ending in a cathedral train, was enhanced with lace appliques of roses to the scalloped edges.

The train was caught at the V waist with braided lace. The fingertip length veil was held by a band of beaded lace flowers across the forehead accented at the ear with pearl motif. The back of the headband was complemented with a gathered bouffant mini veil.

She carried an all-white cascade bouquet of silk gardenias, roses, peruvian lillies and stephanotis enhanced with seed pearls.

Something old was a beaded

Bible belonging to the bride's mother. Something new was her dress and something borrowed was a pair of diamond earrings belonging to to Bobbye Walsh. Something blue was a garter which had been worn by the bride's mother in her

The family of Lucile Foote Gannaway honored her May 12 with a surpirse birthday reception in the Andy Gannaway home. Birthday cake and punch were served by her

grandchildren. Approximately 80 persons attended. Lucile is the oldest and only

surviving child of Robert Foote and Lochie Sprowls Foote, a pioneer Haskell family. Her siblings included Eleanor, who died at age 27; Garvin Foote, longtime Haskell resident until his death in 1987; and Hazel Foote Linn, who died in 1980. Lucile's mother died shortly after Hazel's birth, and at age 10, Lucile became the mother--cooking, cleaning and even having to learn how to drive a Model T. Her father often plowed while holding Hazel in his lap.

Lucile graduated from the Haskell Public Schools, attended the University of Texas and taught for 10 years in rural communities such as Grasshopper and Gilliam.

One of the stories she has entertained her grandchildren with over the years went thusly:

"Neighboring schools were to play a game of softball one afternoon and a certain student, not wanting to play, threw the bat down the well. (Notice it was the bat). Explaining rather sternly to the young man, 'Just because you don't want to play you will not be allowed to ruin everyone else's fun,' she made him crawl into the bucket and lowered him into the well to retrieve the bat. She confesses that this was probably not one of her wisest decisions, but the game was played."

In 1939 she married John Maurice Gannaway. The next 20 years or so were spent farming, raising sheep and cattle and rearing their three sons, John, David and Andy. The family was active in 4-H work, showing cattle for many

With the cooperation and direction of the late Frank Martin, Haskell County extension agent, the boys garnered numerous honors. Each boy earned a portion of his college expenses in this fashion. When their first son, John, went to A&M, Maurice loved to tell how Lucile cried the entire return trip until around Abilene where he threatened to "put her on the side of

the road" unless she stopped.

Mrs. Gannaway re-entered the teaching profession in 1962, or the year of the tornado, when as Maurice put it, "the tornado hit everything that wasn't insured." She taught private kindergarten for nine years. Many of Haskell's youth have fond memories of Mrs. Gannaway, their first teacher, and still send her Christmas cards and birth announcements. An interesting sidenote: Lucile's daughter-in-law, Christye, teaches kindergarten in the same room; the tradition lives on.

The family has expanded from that nuclear one of five. John married Jan Herren of Haskell; they have two children, Julie, 21, and Jim, 13, and live in Lubbock. David is married to Cene' Shaw of El Paso and they have three children, Laura, 24; Shannon, 21; and Amanda, 15. They live in Roswell, N.M. Andy is married to

Family honors Mrs. Gannaway Christye Greenwood McCord of Goree. They have two children, Kurt, 13, and Matthew, 11. They live just down the road from

"Granny" in Haskell. Since Maurice's death in 1982, Lucile has busied herself with the Progressive Study Club, the Garden Club and the Naomi Bible Class of the First Baptist Church. She's helped rear those grandchildren with her sage advice as well as attending all the functions of the Haskell

grandsons. The family wishes to thank all friends and relatives who attended the celebration and helped them honor a truly great lady. She's taught her family many valuable lessons, the foremost perhaps is how to love completely without interfering.

Mrs. Jetton recognized at Pampa

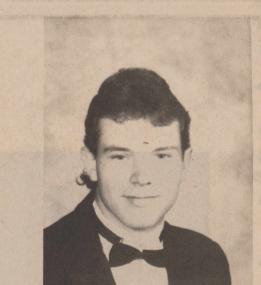

(From The Pampa News)

Special recognition was given to Mrs. Alma Jetton (formerly of Rochester) for her help in making the band dolls each year for the band graduating seniors and for the banquet table decorations.

Mrs. Jetton was presented an orchid corsage and a framed "Certificate of Honor" for special recognition for excellence in "Helping Hands" from the Pride of Pampa band at their annual banquet. There were 234 people in attendance, including the senior graduating band members, their dates and parents, on the night of May 11.
