School halts student deliveries

Haskell secondary schools will no longer accept deliveries of any type of merchandise for students.

Principal Greg Melton said time shortages and a reduction of office personnel have forced the school to abandon the practice.

"We hope this necessary change of policy will not unduly inconvenience anyone," the principal said.

Hunter safety course at P. Creek

Stephen Green will teach a hunter safety course Aug. 31-Sept. 3 in the Paint Creek ag building.

Classes will be from 6 to 9 p.m. daily. A \$5 fee is required by the state.

For more information, call Green at 864-2505 (home) or a 864-2471 (Paint Creek school).

Junior class to serve burgers

The junior class will serve hamburgers at the high school cafeteria prior to the Haskell-Munday football game Sept. 4.

Serving will begin at 5:30 and continue until 7:30. Carryouts will be available.

Tickets, priced at \$4 each, are available from any member of the junior class.

Lions announce hamburger date

The Haskell Lions Club will host a hamburger supper in the school cafeteria on Sept. 18 from 5:30 to 7:30 p.m., prior to the Haskell-Knox City football game.

Meal tickets will be \$4 in advance, or \$4.50 at the door. Advance tickets are available from any Lions Club member, and also will be available at The Drug Store, Boggs & Johnson, Western Auto, Haskell National Bank, State Farm Insurance, Fieldan Inn and West Texas Utilities.

Softball

A men's softball tournament is scheduled this weekend in Haskell as a benefit for the St. George queen candidate.

Games will be played Friday and Saturday.

Entry fee is \$100 per team. Contact Conrad Roewe, 864-3891, to enter.

Honored

Mrs. W. A. Lyles receives a plaque from Chamber of Commerce president Conrad Roewe last Thursday in recognition of her longtime membership in the Chamber.

Chamber honors charter member

The Haskell Chamber of Commerce paid tribute last Thursday to its longest continuing member.

Mrs. W. A. Lyles was presented a plaque from the Chamber by president Conrad Roewe in recognition of her 58 years as a member of the organization.

Mrs. Lyles and her late husband were charter members of the Chamber, joining in 1936 when the Chamber was organized, a year after they established W. A. Lyles Jewelry.

Wanda Dulaney, Chamber manager, noted that other businesses in Haskell are charter members, but no other member firm has remained under the same ownership and management throughout the 58 years.

Mr. and Mrs. Lyles moved to Haskell from Lubbock and established the store on Sept. 3, 1935. They had purchased the fixtures in the store from R. A.

Crowell. Although Crowell had operated a jewelry store, Mrs. Lyles said he had liquidated his stock.

The Lyles had lived in Lubbock for seven years where he was a watchmaker for Anderson Brothers. Originally, they were from Greenville where he owned a watch repair business. She went to work there in 1927.

Mr. Lyles died in 1964.

In recent weeks, Mrs. Lyles has been conducting a stock liquidation sale in preparation of closing the business. Practically all merchandise has now been sold. Although very few items remain, Mrs. Lyles is keeping the business open until she can sort through the mountains of paper and other accumulations of the past 59 years.

When this is done, she says she's "going home."

"I'll be 85 in October," she said. "Don't you think it's time I went home?"

Parents invited to school nights

Haskell elementary will have a "Back to School Night" Thursday and Monday (Aug. 27 and Aug. 31) for parents of students and the community.

Teachers will explain what they expect from their students this school year and what parents can do at home to help the students. Parents will be given the opportunity to ask questions.

Principal Jim Lisle said the faculty feels that communication between teachers and parents will play a vital part in the students'

education.

The schedule:

Thursday, Aug. 27: Kindergarten from 5:30 to 6 p.m. in the students' homeroom, first grade from 6 to 6:30 in the students' homeroom; second grade from 6:30 to 7 in the students' homeroom; third grade from 7 to 7:30 in the cafeteria.

Monday, Aug. 31: Fourth grade from 5:30 to 6 in Mrs. Everett's room; fifth grade from 6 to 6:30 in the students' homeroom; sixth grade from 6:30 to 7 in Mrs. Earles' room.

Haskell, Quanah scrimmage Friday

Haskell's Indians head north Friday to scrimmage the Quanah Indians in a final tuneup before launching the 1992 season Sept. 4 against Munday.

Junior varsity squads of the two schools will begin their scrimmage at 6 p.m., with varsity teams following at about 7.

Last Friday, the Indians outscored Roscoe, 2-1, in a scrimmage that left the coaching staff encouraged by their performance.

"We made some mistakes," Coach Walter Hargrove said, "but overall we looked pretty good."

"We're definitely ahead of last year as we showed more aggressiveness and quickness," the coach said.

USDA requests comments

The U.S. Department of Agriculture's Commodity Credit Corporation has asked for public comment on whether the 1993 corn, grain sorghum and barley acreage reduction program, percentages should be 0, 5, 7, 5, 12.5 or some other percent within the range. The oats ARP is zero percent as set by the 1990 farm bill.

The 1993 ARP percentages must be announced by Sept. 30.

Options will be posted which will include estimated planted acreage, production, domestic and export use, ending stocks, season average producer price, program participation rate and cost to the federal government. Details appear in the Aug. 3 Federal Register.

Comments must be received by Sept. 14 to be considered and may be FAXED to (201) 690-1346 or sent to: Deputy Administrator, Policy Analysis, USDA/ASCS, Room 3090-S, P.O. Box 2415, Washington, D.C. 20013-2415.

The comments will be available for public inspection at the USDA in Washington during business hours.

For more information or to obtain a copy of the regulatory impact analysis, contact Philip Sronce, director, Grains Analysis Division, at (202) 720-4417.

Woman jailed in stab death

A 23-year-old Haskell woman is in Haskell County jail, accused of killing her live-in boyfriend Saturday night.

Stacy Eddington was arrested after Eric Charles Whitaker, 37, was fatally stabbed in the street at North 14th and Avenue A about 10:30 p.m. Saturday.

Eddington had not been formally charged as of late Tuesday morning but was expected to be arraigned later that day or Wednesday.

Whitaker was killed by a single

knife wound to the upper chest, inflicted with a steak knife, the sheriff's office reported.

Officers said witnesses told them the couple had been arguing throughout the day. The stabbing occurred as the couple was going to or from a party.

Whitaker was a native of Haskell, a graduate of Haskell High School and a 12-year veteran of the U.S. Army. He was employed as a mechanic at Bill Wilson Motor Co.

JV twirlers

Junior varsity twirlers for 1992-93 at Haskell High School are Tara Moeller, front; Jessica Bridwell and Brandi Briles.

First Christian has new minister

The First Christian Church is pleased to announce the arrival of the Frank Summers family in Haskell to begin ministering to their congregation. They began their work here Aug. 23.

They moved here from Linden, Pa., where he was working with the Cogan Station Christian Church and with Hope Interprises, a human services agency.

The family includes Frank, his wife Dottie, son Caleb, 10, and daughter Caithlin, 2.

Mr. Summers has been in the ministry since 1981 and they have lived in Colorado, Oklahoma and Texas. Both Frank and Dottie are from the Dallas area and are pleased

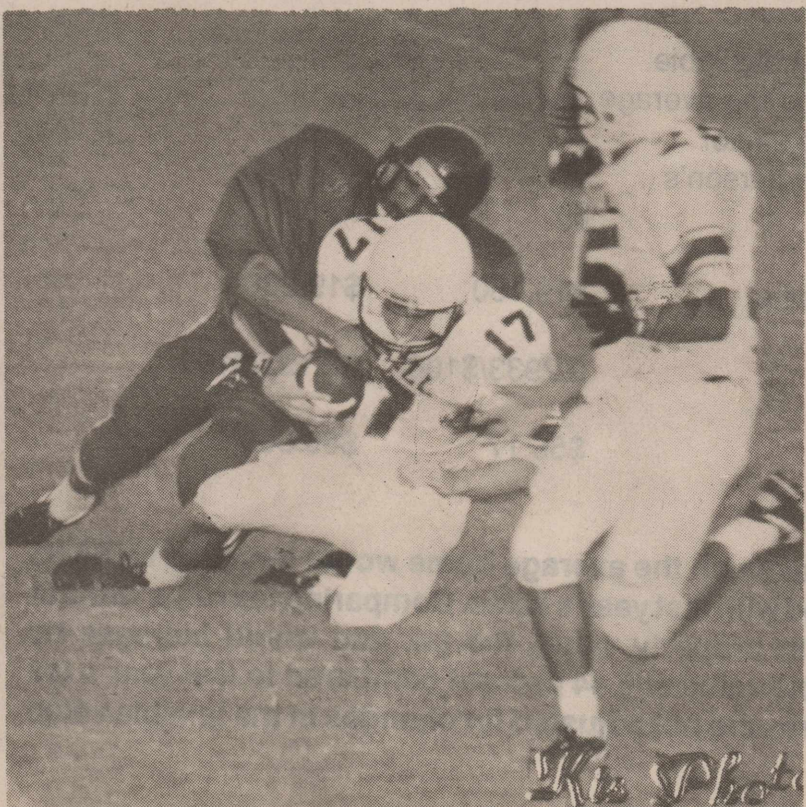

to be back in Texas.

In addition to preaching, Mr. Summers has worked with Big Brothers of America, Lions Club and Little League baseball. He served in the U.S. Marines from 1974-77.

He will be a part time student at Abilene Christian University to further his education.

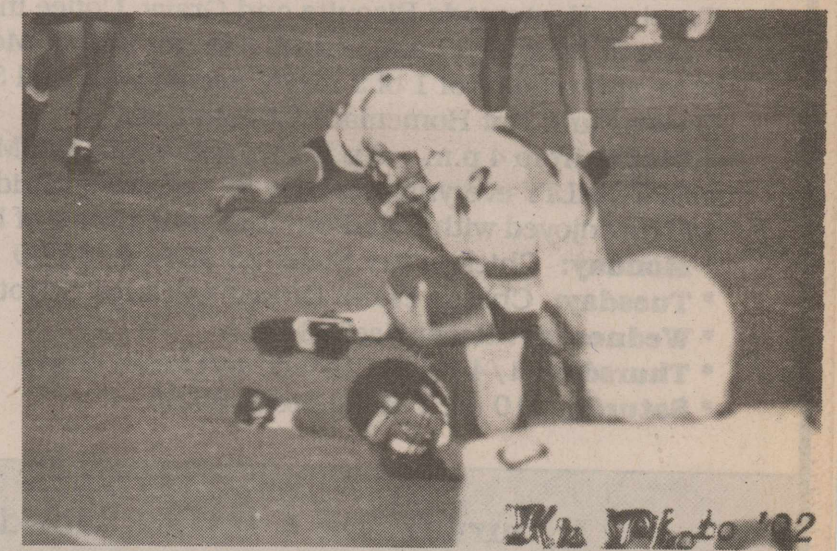

They are happy to be here and are looking forward to being a part of the community, and excited about serving this congregation.

Everyone is invited to come and worship at First Christian Church for all the services and to welcome this family to town.

Stacy McGhee

The Rochester Steers defeated Chillicothe Friday night in their first pre-season scrimmage of the year.

Scoring touchdowns for the Steers were Mark Brown, Arnold Delacruz, Shannon King and Robby Strickland.

This Friday night, the Steers will host Newcastle in another scrimmage.

Paint Creek club meets

The Paint Creek Homemakers Club met for its monthly meeting in the home of Frances Fischer.

After the meeting was called to order by Ann Sinclair, chairman, the hostess gave a reading, "Nice thing about grandparent is--" The club then repeated the prayer.

Six members answered roll call by answering "Was I too strict, or too lenient, as a parent?"

Minutes of the previous meeting were read and approved and the treasurer's report was given. Mrs. Fischer gave the council report. Members discussed what they would serve at the council on Aug. 19.

Program for the day was "Dare to Discipline," given by Ann Sinclair and Dolores Medford.

Refreshments were served to Dorothy Wells, Mabel Overton, Lena Petrick and Ann Sinclair by Frances Fischer and Dolores Medford.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Haskell Memorial Hospital District will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 7.99 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to change in taxable value of all other property.

The public hearing will be held on Sept. 3, 1992 at 7:00 p.m. in the Hospital Board Room at Haskell Memorial Hospital, 1. N Avenue N., Haskell, Texas.

FOR the proposal: Charles McCauley, Dale Carroll, Bob Earles, Wilton Weise, Modelle Barton

AGAINST the proposal: None

PRESENT and not voting: Weldon Norman

ABSENT : None

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 13, 1992. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year	This Year
Average home value	\$19,150	\$19,380
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$0	\$0
Average taxable value	\$19,150	\$19,380
Tax rate	0.2933/\$100	0.3122/\$100
Tax	\$56.17	\$60.50

Under this proposal taxes on the average home would increase by \$4.33 or 7.70 percent compared with last year's taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.0189 per \$100 of taxable value or 6.44 percent compared to last year's tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

At Mount Rushmore

Mr. and Mrs. Alvin Dornor of Haskell, far right, pose with others at Mount Rushmore, just one stop on a senior citizens' tour they took out of Cameron. The group toured New Mexico, Colorado, Yellowstone and Mount Rushmore from Aug. 8-21.

Agent participates in annual session

Lou Gilly of Haskell participated in the annual conference of the Texas Association of Extension Home Economists held Aug. 5-7 in Lubbock.

Wallene Dockery Barzizza of Memphis, Tenn., the keynote speaker, emphasized the importance of dealing with stress, and balancing personal life and career.

Other workshop topics included "Addictive Disorders and Recovery Programs," "Food Technology and Hospitality for the Future," "Neurology of Aging," and "Your Money, Your Job, Your Future."

Extension home economists are professional staff members of the Texas Agricultural Extension Service and the Texas A&M

University system. They are employed in the county extension offices in most of the 254 counties in Texas.

These professionals provide research based on information on child and family development, nutrition and health, clothing and textiles, housing and family financial management.

Fringe benefit

Having a college or university in the community can be a financial boom to public schools.

Midland-Odessa taxpayers discovered that recently when the number of minority students exceeded the number of Anglos. The school districts weren't prepared to meet the educational needs of this changing student population.

The University of Texas of the Permian Basin in Odessa was prepared, however. It created a special program to provide bilingual teachers to the area schools.

A grant from the U.S. Department of Education enabled the university to subsidize tuition, fees and books for undergraduate Hispanic students seeking training in English as a second language. These students are helping out as teachers in local schools.

Happenings... by Lola Redwine

I didn't find out the exact date school buses started running in Haskell, but I heard some interesting stories, Sonny Reynolds remembers Nig Bartlett taking Boy Scout Troop #36 to Carlsbad Caverns in 1935 on a school bus. Had one problem, the fan belt broke.

Joe and Mary Lou Escobedo of McAllen have been visiting Mrs. Escobedo's parents, Mr. and Mrs. Jesse Arrellano. She teaches second grade in McAllen and Mr. Escobedo is a lawyer.

Jeff Brown of Tucson, Az. visited Fred and Dorothy Brown.

Recent visitors in the Bud and Peggy Lane home were their son and wife, Lee and Darla Lane from Austin and their daughter and son-in-law, Lori and Tracey Kitten and new baby, Blane from Slaton.

Spending the night last week with Jeffie Adams were her son, Sam Adams from Lamesa and her son and daughter-in-law, Charles and Lora Adams from Tyler.

Neat Bevel celebrated her 80th birthday on Sat., Aug. 15, with family and friends. An old fashioned cook out was held in the City Park. The pavilion was decorated with balloons and her cake was decorated in white, green and yellow. Mrs. Bevel received many gifts. Games were played and the highlight of the occasion was looking at photo albums depicting the life of Mrs. Bevel, her late husband, Norman, their children and grandchildren. All of her children were present. These included, James and Lela Bevel, Haskell; Jack and Roylene Bevel, Kenedy; Pat Kidney, El Paso; Joy and Jackie Harvey, Odessa and Darlene Cummings, Merkel. Other guests included Mrs. Willie Whitworth, D. J. and Jo Kenson and grandson, D. S. of Tolar; Bernice and Jack Chambers, Knox City; James and Gladys Turner, Edinburg; James and Gwyn Turner, Lewisville; Scott Turner, Ft. Worth; Shirlene, Jessica and Jonathan Hackney and Laurie McCorley, Kenedy; Wendy Cummings and Linda Bingham, Merkel; Mary and B. J. Mathis,

Ranger, Paul, Sandra and Jodie Chambers, O'Brien; Leone Strickland and Joel Bevel, Rochester; and from Haskell, Jo Ann Carroll, Donnie Tibbets, Joe and Flo Holder, Jack and Alta Faye Harvey, Brad Bevel, Joy McKeever and Kaycie and Stacie Sorrells.

Frankie and Beverly SoRelle of Lubbock were in Haskell last weekend visiting with Beverly's parents, Jimmy and Helen Owens. daughter Sarah had spent the week with the Owens and returned home with them.

A word of warning from the powers that be, especially to those who live alone. Keep your doors and windows locked. Do not let a stranger in to your house for any reason.

Pat Jordan and daughter, Angela, of Stamford, were in Sweetwater on Saturday for Angela to attend a Girl Scout Silver Award training session.

On Saturday, Susie Jackson and Mae Lou Yeldell attended a musical at the Church of God in Christ in Rule.

Members of the Greater Independent Baptist Church were in Rule last weekend attending the 66th anniversary and homecoming of the West Bethel Church.

Mae Lou Yeldell was in Rhineland last Saturday visiting Mrs. Theresa Claus and Georgeen Meadors. Also visiting were Mrs. Meadors' daughter, Mary and her two children from Austin.

Mr. and Mrs. Robert Earl Johnson, Dallas, visited with his parents, Mr. and Mrs. L. C. Johnson, Sr. The elder Mr. Johnson preached at the Greater Independent Church Sunday night. He received his license from Rev. Clarence Walker. The congregation presented him with a Bible, a hymn book and a love offering. All of his children and grandchildren attended the services except Ollie Johnson and family, Ca.

There must be, not a balance of power, but a community of power; not organized rivalries, but an organized common peace. Woodrow Wilson.

East Side WMU meets for study

Neat Bevel and Jewel Baggett were hostesses Aug. 18 for the East Side Baptist WMU.

Cards were signed to send those in need and a card and gift were given to Zilla Baker who has been visiting her sister, Dorothy Bowers, and helping us but will be going home soon.

Dee Sprayberry opened the meeting in prayer and Acts 1:8, the watchword, was said in unison.

Wilma Bartley led the devotional, assisted by Jewel who read I John 5:1-12 and Acts 26:29.

Ruby Green read the missionaries' birthdays and led in prayer for them. Our prayer is that these missionaries will be able to see a response to the words they speak today, that people will come to know the Lord as they hear His word proclaimed.

Bible study was from Romans 15, led by our teacher Dee with scripture and discussion by many others.

From this lesson we learned we are called and accountable to God and His call equips us to spread the gospel to all nations.

We are called to live righteously in our neighborhoods, likemindedness, tell all nations about Jesus, goodness through grace, lead all nations to salvation and power. We are accountable to spread the gospel in new work areas and to support missions.

"God's grace rules by means of righteousness, leading us to eternal life through Jesus Christ our Lord." (Romans 5:21.)

Diet Changes In Response to Chemotherapy: A common side effect of chemotherapy is nausea and vomiting, which can lead to nutritional deficiencies. Researchers tested the hypothesis that bland-looking and -smelling foods might be better tolerated by these patients. Patients in the study group received meals consisting of low-fat cottage cheese, unsweetened apple sauce, hot cream soup, vanilla ice cream, gelatin, and cola, while those in the control group chose items from the conventional hospital menu. Those eating the study diet had significantly less nausea and vomiting, particularly the first day after chemotherapy, and ate more of their meals.

--Paint Creek--

by Mabel Overton

The Paint Creek Baptist Church had a revival last week from Aug. 23-26. Leading the services was Bro. Bill Murphy evangelist from Anson and his wife, Vicky. Bro. Murphy preached, and his wife was at the keyboard. Both sing, and provided the special music. I am sorry I didn't get the news in last week, so more of you would have known and been able to attend these services.

Lorene Harris spent several weeks visiting her son, Gordon Don in Victoria. She is at home now, and busy canning pear preserves.

James and Ann Sinclair wish to announce the birth of their beautiful great granddaughter born Aug. 13 at Lubbock. Her name is Lauren Elizabeth Bartlett and she weighed 5 pounds and 12 ounces. Her parents are Tod and Ashley Bartlett and she has an older brother, Christopher. Her uncle is Tanner Childress.

George Mayan and his wife, left Monday for Texas A&M where he is going to major in engineering.

Rodney Tsoodle left for Texas Tech Sunday where he will major in mechanical engineering. Both George and Rodney are on scholarships. Rodney was valedictorian of the 1992 graduating class of Paint Creek and George was salutatorian.

Cindy Howard celebrated her birthday Aug. 24, and Capella Tsoodle will celebrate hers Thursday the 27th. They are the daughters of Mr. and Mrs. Vernay Howard.

Rev. and Mrs. Sinclair's son Joel and his family from Muleshoe spent last week here visiting his parents, and fishing. His son, Mason, caught a 15 pound striper. Mason could hardly wait to get home and tell his friends about it.

The Carl Davis family had guests last weekend from Levelland, Plainview, and Oklahoma. All attended church at the Paint Creek Baptist Church Sunday.

Maple Watson spent last week in Seymour with her daughter, Sue and son-in-law, John Lee Holcomb.

Dr. Arvie Bergstrom of Los Angeles, visited his mother, Dora Bergstrom week before last, and they flew to Florida for a few days before he returned home.

Noah volunteers to meet today

Noah Project-North crisis line volunteers will have their monthly meeting at noon today (Thursday) in the Haskell County courthouse.

All volunteers are urged to attend.

Heather Watson receives degree

Heather Marie Watson was one of 450 students who received degrees this month at Texas Woman's University in Denton.

Miss Watson received a BA degree with a major in music and a minor in psychology. She had a cumulative grade-point average of 3.97 as she graduated magna cum laude.

Miss Watson is the daughter of the Rev. and Mrs. John R. Watson III of Thermopolis, Wyo.

Turkey shoot to be Saturday

The Rule Lions Club turkey shoot will get underway at 9 a.m. Saturday on US 380 just west of the Rule city limits. It will continue until dark.

Only shotguns will be allowed. Cash, and other prizes, will be given and refreshments will be available.

Jeffrey Baker earns degree

Jeffrey N. Baker has completed requirements for a BS degree in electrical engineering technology at Texas Tech University.

While at Tech, he was a member of Tau Alpha Pi (engineering technology National Honor Society), was on the president's list three semesters and the dean's list four semesters.

He is the son of Bob and Lowell Ann Baker.

Trading post to be run by Boosters

The Haskell Indian Booster Club will build an "Indian Trading Post" on the north end of the concession stand at Indian Field.

Club members will sell caps, license plate frames, seat cushions and other items at the Trading Post during football games.

The decision to build the Trading Post came during Monday night's meeting of the organization, at which time the club also began preparations for the community bonfire to be held on Monday, Sept. 21.

Coach Walter Hargrove told Boosters that he was pleased with Friday's scrimmage against Roscoe. Both Indians and Plowboys have strong teams this year. The JV team tied Roscoe at 2-2, while the Indian varsity prevailed, 2-1.

The coach said several players

need to recover from minor injuries in order to be at full strength against Quanah. This week's scrimmage will begin at 6 p.m. at Quanah.

At next Monday's meeting, varsity football players and cheerleaders will be introduced. A work session will begin immediately following the meeting.

A meeting of mothers of football players will be at 5 p.m. on Sept. 1 at Discovery World.

Indian Boosters to meet Monday

Haskell Indian Booster Club members will meet at 7:30 Monday in the ag building.

Varsity football players and cheerleaders will be introduced.

Hotter 'N Hell this weekend in Wichita Falls

More than 10,000 entries are expected this weekend for the 11th annual Hotter 'N Hell Hundred in Wichita Falls.

The largest sanctioned century ride in the U.S., the annual event gets underway today (Thursday) and continues through Sunday.

-BIRTHS-

Evan and Peyton Harris announce the birth of their brother, Colin Ryan. Colin was born Aug. 13. He weighed 8 pounds and one-half ounce and measured 20 inches in length.

Proud parents are Ed and Jill Harris of Abilene. Elated grandparents are Leon and Delight Jones of Haskell and Bill and Imogene Bleiker of Hereford.

Tami and Rob Bird of Stanton announce the birth of a daughter, Kyli Jordan, born Aug. 22 at Midland Memorial Hospital. She weighed 6 pounds, 8 ounces and was 19 inches long.

Grandparents are Rikke James of Mineral Wells, Patsy and Perry Putman of Abilene and Carla and Robert Bird of Stamford.

Great-grandparents are Diane Long of Mineral Wells, Zelma and Buddy Putman of Mineral Wells, Mr. and Mrs. Ditto of Stephenville, Ruth and Carl Carlton of Stamford and Frances and Alvis Bird of Haskell.

Concrete College

Concrete College was built of stone, not cement.

It got its name from the town where it was founded in 1865--Concrete, in DeWitt County. It provided dormitories for men and women and was the largest boarding school in Texas.

It closed in 1881. The town (population 41) survives.

The Noah Project - North Wants To Know...

Are You A Victim Of Domestic Violence?

Have You Ever Been Assaulted by your mate in a current or past relationship? Abuse includes: being hit, kicked, slapped, stabbed, shot, beaten, burned, sexually assaulted, or any kind of physical assault.

Have You Ever Been Verbally Assaulted by your mate? Verbal abuse includes: constant yelling, cursing, blaming, threats, or accusations outside the normal argument.

A Service of
Transamerican Diagnostic Services
(Providing Mammography Services for over 5 years)

According to the American Cancer Society, one out of five women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

I. 35-40 years of age - One baseline mammogram.

II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.

III. 50 years of age and over - An annual physical examination and annual mammogram.

IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.

V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$70.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Get well wishes are sent to Marie Brigham, who had recent ear surgery; also, to Hoyt and Erlene Whitworth as they recuperate following surgery; Maudie Dunklin, and to Weldon Hansen in his upcoming surgery. In addition, we wish a speedy recovery to Alta Carothers and Howard Brass, who were patients in Haskell Memorial Hospital this past week when your correspondent was in Haskell to take that week's news.

Charlene and Jennifer Murray were coffee and Coke guests at the Drug Store Cafe of "yours truly" this past week.

On Monday, the 17th, Anita Weaver attended a beautician's seminar in Wichita Falls. Going as far as Seymour with her was Vicky Anderson, who spent the day with Inez Jaco, who was a patient at the Red River Hospital in Wichita Falls when Mrs. Anderson was there about the middle of 1991.

It was a very enjoyable and restful day. The ladies walked, ate sandwiches, talked, slept and ate again before leaving around 6 p.m. Mrs. Jaco and Mrs. Anderson were the only two patients at the time who could play 42. Guess we must have not been good teachers for we were never able to teach anyone else to play. However, we did get to play dominoes with some of the other patients.

Rule's Secret Pal group from the Church of Christ held their "revealing" party on the 17th in the Fellowship Room. Snacks were eaten, and a game from the Chinese people was played with much hilarity. It seems that when a number was called and your gift given, then the next person had the right to ask for your gift, if they so desired. As it turned out, most everyone kept the gift they were first given. Jeri Kittley did exchange hers as she first drew the gift she had made in her craft shop.

A visit at Rice Springs on Tuesday the 18th found that many of the residents, who had been asleep last week, were awake, i.e.: Belle Turner, Lois Speck, Lois Rogers, Gladys Dyches. Then, the following were revisited: Katie Doyle, Joe Teague, Ruby McCafferty, Dee Kirkland, Oleta Bailey, and Delanie Camp.

Always enjoy visiting with the temporary postmaster at Rule, Jerry Stocks of Haskell as he began working at the Haskell P. O. when the late Harold Russell Spain was there. Jerry said that Mr. Spain was really a big help to him. We agreed that Mr. Spain was one nice gentleman.

Guess that your correspondent was the last to know that the BPW float on which we rode during the TCR parade won second place. Just hadn't seen anyone to ask. Did see both Barbara McGaughey and Betty McDonald within a couple of days, so that is where we heard about the win.

Belated birthday greetings are sent to Greg Teichelman, who was eighteen on the 18th and Luis Sr., who was 65 the same day.

At the Country Kitchen cafe in Rule this past week, a conversation behind us was a political one. Was not paying much attention to what they were saying until someone referred to "Slick Willie", which prompted your writer to warn them: "Careful what you say for a staunch, dyed-in-the-wool Democrat is sitting behind you!" Seems that these days half of my time is spent in apologizing for my impulsive behavior; that is to say: that "Fools rush in where angels fear to tread"...Actually, the men in the other booth took it quite good-naturedly.

An irate Haskell woman called a few months ago to "dress me down" for my not mentioning a Republican when I was listing all

of the famous people native to this area in different walks of life, which certainly was unintentional as the party affiliation of the men named was the furthestest thing from my mind. My two brothers are turncoat (Republicans) as are other relatives, but I still love them! Being lucky enough to live in this great USA, I feel that freedom of speech, choice, etc. is still in effect--right?

May a appreciative person take this opportunity to publicly thank my family and friends, who so readily gave me their love and support at a time of crisis when it was so badly needed? It feels as if a great weight has been lifted from my back. Love all of you! Not only have you been supportive, you are all good listeners as well, although I know it got rather boring to you at times, or perhaps all of the time.

Are you old enough to remember when: a quarter would buy a movie ticket for 10¢, a sack of popcorn for 5¢, a bar of candy for 5¢ and a coke for 5¢? Coffee remained at 5¢ a cup for many years, too. How many of you ever rode in a rumble seat? Sure did mess up your hair, from the wind, that is. In those days all soft drinks were called: "soda pops".

Some quite amusing sayings were noticed in the Aug. 20 issues of the Abilene Reporter-News. One in particular that this writer liked was: "God first created man, then he decided that he could do better!" (Nuff said).

This past Sunday ran by to see Bobbye and Andy Anderson. Their daughter, Joyce Reynolds of Wichita Falls, was also there. It was good to see all of them.

Have long suspected that probably I am in my "second childhood: when I bought myself a stuffed animal a few months ago; now, I have a pen-pal in Idaho, a state that I hope someday to visit. This lady has bi-planar chemical imbalance as does your writer, so feel that I already know her.

Think about it: "Forgiveness is the fragrance the violet sheds on the heel that has crushed it." (Mark Twain quoted in "Habits of A Loving Heart" by Willard Tate of Abilene. Borrowed from the August 20th issue of "Reaching Out", the bulletin of the Hamlin Church of Christ.)

Until next week, adios...

A message from the ABILENE EYE INSTITUTE & CATARACT SURGERY CENTER DEDICATED TO EXCELLENCE

We specialize in cataract surgery with intraocular lens implant and routinely use the small incision phacoemulsification technique. We have 2 modern, fully equipped operating rooms each with its own Zeiss operating microscope and Phacoemulsifier. We also have an observation room so that family and friends may view the surgery while it is happening. Our ambulatory surgery center is State licensed and Medicare approved. We have performed over 3,000 cataract implant operations since 1987. Our doctors accept Medicare Assignment and we think you will find our fees very competitive with most hospitals. Our friendly, dedicated staff is available to answer any of your questions. If you need transportation, we can help.

Lackey family gathers

Descendants of John and Rube Lackey held their reunion Aug. 22-23 at the Haskell Civic Center with 124 present.

A lot of visiting, bingo, 42 and other games took place Saturday morning and afternoon. Sandwiches and other food were served Saturday evening, along with a contest for best desserts.

Everyone enjoyed a program presented by members of the family. The "Country Bumkins" of the Big Country area played beautiful music. Cameras were busy taking pictures and movies.

Brunch was served Sunday morning by Flo Pace. Later, everyone gathered for a devotional, followed by a business meeting and then the auction.

The next reunion will be July 31-Aug. 1 of next year.

The long frontier (between the U.S. and Canada) from the Atlantic to the Pacific Oceans, guarded only by neighborly respect and honorable obligations, is an example to every country and a pattern for the future of the world. . . Winston Churchill.

Millionaire drawings to continue

"The Texas lottery's million-dollar grand prize drawings have become so popular, we're going to keep them going---with a slightly different twist," lottery director Nora Linares said last week.

"The fourth scratch-off game from the Texas lottery, 'Lone Star Millionaire,' has officially begun," Linares said. "And like our historic first games, 'Lone Star Million' and 'Texas Match Up,' the new tickets offer players a chance to win \$1 million---in cash.

"Even better, we've decided to make this our 'base game,' which means the tickets---and the grand prize drawings---will reappear regularly at least through April 1993," Linares said.

The television, radio and print advertising campaign that accompanies the new game features six of the state's newest lottery millionaires, all of whom won their fortunes at the grand prize drawings.

"Lone Star Millionaire" also introduces a new feature, giving players a chance to win a free ticket instantly.

Scratch-off cash prizes in the new game range from \$2 to \$5,000. One in every 4.67 of the 125 million "Lone Star Millionaire" tickets is a winner. "That's the best odds we've offered so far," Linares said. "Obviously, we'll have a lot more prizes and a lot more winners."

As with the earlier games, players scratch the latex covering off the entire play area to reveal six prize amounts or symbols. Any ticket with three matching prize amounts, in any configuration, is a winner.

"If the word TICKET appears three times, players can return to their retailer immediately and trade it for another 'Lone Star Millionaire' ticket," Linares said. "Then they have a free chance to win a bigger prize."

Tickets containing a single Lucky Lone Star---not the word ENTRY---are eligible for the new, monthly, \$1 million grand prize drawings.

"We're going to continue the excitement of our million-dollar drawings," Linares said. "We'll continue to move the drawings around the state so we can share the fun with all the people of Texas."

The odds of finding a Lucky Lone Star are one in 125. Eligible tickets should be mailed to: Grand Drawing, P.O. Box 149777, Austin, TX 78714-9777.

"For our customers'

convenience, all retailers and lottery claim centers will have pre-addressed envelopes available for those lucky lottery players who win a chance at a million dollars," Linares said.

The next 140,000 "ENTRY" tickets received by Sept. 4 from the "Lone Star Millions" and "Texas Match Up" games will be used to select the seven finalists for the remaining weekly drawings. "ENTRY" tickets received after Sept. 4---and all Lucky Lone Star tickets from "Lone Star Millionaire"---will be eligible for the new monthly drawings.

Linares reminded lottery players that the back of the "Lone Star Millionaire" tickets also lists the address to which prize winning tickets---not ENTRY or Lucky Lone Star tickets---may be mailed to claim cash prizes. The address is Texas Lottery, P.O. Box 16600, Austin, TX 78752-6600.

"These are two different addresses with different post office box numbers and different ZIP codes," Linares said. "Do not send tickets that win scratch-off cash prizes to the grand prize drawing address, because we will not be able to redeem them."

"The Lone Star Millionaire" tickets began arriving at the 16,000 Texas lottery retailers last week. Players may redeem the free tickets and cash prizes of \$2, \$5, \$10, \$20 and \$100 at any of the licensed lottery retailers. The \$5,000 prizes are paid at any of the 24 convenient regional lottery claim centers across the state.

The total instant-win cash prizes to be awarded in "Lone Star Millionaire" is \$48.1 million.

Nail technology class offered

A nail technology class will be offered through West Texas College's Cosmetology Department beginning Sept. 14 through Oct. 8.

Interviews for prospective students will be Aug. 31 and those interested should complete a nail technology packet prior to the interview. The packets may be obtained through the Student Services office located in the Learning Resource Center.

The class will involve 250 hours of instruction at an estimated cost of \$400.

Students will learn the basic skills to be a manicurist in addition to completing nail extensions.

For more information, contact Judy Border at 915-573-8511, extension 267.

Candles once cost so much that only wealthy people could afford to use them.

Seniors can attend Brownwood outing

The "Center" of attention. That's what mature adults 55 and over will be at the Texas 4-H Center on Lake Brownwood when hundreds will enthusiastically participate in the 11th annual Octoberfest during September and October, says Lou Gilly, Haskell County extension agent-home economics.

Sponsored by the Texas Agricultural Extension Service, the Octoberfest offers five weeks from which men and women may choose: Sept. 29-Oct. 2; Oct. 6-9; Oct. 13-16; Oct. 20-23; and Oct. 27-30.

Featured educational programs and "hands on" learning centers offer a wide variety of topics to fulfill the highest expectations of all who attend. Energizing and

relaxing recreational opportunities will stimulate enthusiasm while all will welcome great fellowship and new friends.

Boat rides and fishing on Lake Brownwood add popularity to the stay. Lighted tennis courts, horseshoes, billiards, volleyball, shuffleboard, dominoes and card and table games round out the event.

A special "Let's Make a Deal" theme will provide a festive atmosphere to the facilities. Thursday's theme party will feature unusual events and activities.

Each weekly event is limited to the first 165 participants at a nominal fee. Interested persons should call the county extension office.
