

Bass Rites Held Today At Enochs

Funeral services for William M. Bass were conducted in the Methodist Church at Enochs at 3 p. m. today, Thursday, December 27. Ben Richardson Post, American Legion, of Muleshoe conducted military rites. Mr. Bass was a veteran of World War II.

Mr. Bass, a long time resident of Enochs community, has been living at Hermston, Wash., and was employed by the Union Pacific Railway. He died December 15, at Tacoma, Wash.

Interment was in Enochs cemetery with Muleshoe Funeral Home in charge of arrangements.

Mr. Bass' parents, Mr. and Mrs. E. A. Bass reside at Enochs. Other survivors are four brothers, E. W. Claude and Mart Bass, of Enochs, and E. A. Bass, Jr., in the U. S. Army, now en route home from Korea; and a son, Billy Bass, 9, who lives with his mother.

Mr. Bass, who was 40, had resided most of his life in Bailey County.

Peugh Member Of Angus Breeders

Joe W. Peugh of Muleshoe, has been elected to membership in the American Aberdeen-Angus Breeders' Association at Chicago, announces Secretary Frank Richards.

Mr. Peugh was one of the twenty-one purebred Aberdeen-Angus breeders elected from Texas during the past month to membership in the organization.

Eight Counties Are Added To Globe-News Spelling Bee

Eight new counties have been added to the district for the Amarillo Globe-News Spelling Bee.

They are four eastern counties of New Mexico and the four southwestern counties of Kansas, bringing the total participation to 49 counties in Texas, Oklahoma, New Mexico, and Kansas.

County superintendents of schools were guests of the Globe-News at the luncheon yesterday in the XIT Room of the Herring Hotel. Plans were made for the 1952 Bee in which a champion speller from the four-state area will be selected. This school boy or girl will be sent to Washington, D. C., for the National Spelling Bee in May with all expenses paid by the Globe-News.

The superintendents were greeted by Mason King, director of public relations for the paper; and H. Grady Wilson, superintendent of Potter County schools, who has been regional director for all of the Bees, presided over the discussion.

It was agreed to hold the 1952 Globe-News Bee in mid-April. This will mean that county eliminations must be held before April. These county Bees are under the directions of county superintendents of schools in counties where such superintendents hold office. In other counties, newspapers sponsor the competition.

The educators voted heavily for the Junior Bees, which have been held in many counties in an effort to arouse interest in the Bee among children of lower grades.

Dean W. L. Stangel Of Tech Named "Man Of The Year" In Agriculture

LUBBOCK, Dec. 26 — Texas Tech's dean of agriculture, W. L. Stangel, has been named by Progressive Farmers magazine as "Man of the Year in Texas Agriculture."

In its Dec. 26 edition, the southern farm publication honors Dean Stangel with his new title, pointing to his many years of service to Texas agriculture at Texas Tech and Texas A & M, his leadership in livestock feeding and marketing, and his aid to young agriculturists.

The publication's 12th man of the year, Dean Stangel headed the animal husbandry department at Tech when the school opened in 1925. He became dean of agriculture in 1945.

More Farm Sales Are Scheduled

Two more farm sales in this vicinity are advertised in this week's paper and the farm sale season continues in full swing. The Albert McBride sale has been rescheduled and will be held Wednesday, January 2 beginning at 10 a. m. Mr. McBride lives 5 miles north of Muleshoe on the farm to market road and 1/2 mile west.

Col. Dick Doshier is the auctioneer for this sale and Orval Francis and Hugh Freeman will be the clerks.

Ted Haber, northeast of Muleshoe has scheduled his farm sale for Tuesday, January 8. He will sell a big list of farm machinery and tools, and in addition will offer 4 registered Hereford bulls for sale at auction. Mr. Haber lives 3 miles north and 1 mile west of Earth.

Kenneth and Corky Bozeman will be the auctioneers for this sale and Tom Morgan and Hugh Freeman will be the clerks. The sale is to begin at 11 a. m. and lunch will be served on the grounds.

Electric Cooperative Meeting Set For Friday, January 18, In Muleshoe

The annual membership meeting of the Bailey County Electric Cooperative Association is to be held in Muleshoe on Friday, January 18, according to announcement of R. D. Lancaster, manager, this week.

The meeting will be in the high school auditorium, beginning at 1 o'clock in the afternoon. Purpose of the meeting is to give a report of the condition of the Cooperative to the members; elect two new directors; and consider other matters that might come before the meeting.

There will be prizes to be given away at the meeting. All members are invited to attend and hear the various reports to be given and take a part in the business of the association.

The Cooperative serves members in Bailey, Cochran, Lamb, Castro, and Parmer Counties.

Eugene Broyles In Armored Div.

FORT LEONARD WOOD, Mo.—Pvt. Eugene Broyles, son of Mr. and Mrs. Owen Broyles, Rural Route 1, Muleshoe, is nearing completion of a 16-week training cycle here with a unit of the 6th Armored Division.

As a trainee, he received eight weeks basic training in the fundamentals of Army life and the use of infantry weapons. He is now completing an additional eight weeks engineer training.

Competent instructors are teaching him the use of pioneer and power tools, construction of fixed and floating bridges and related subjects besides additional combat skills.

At the end of the 16-week training cycle with the famed "Super Sixth" the men completing training here will be sent to either a specialist school or sent as replacements to other units.

Ashfords Lease Gerald's Cafe

Mr. and Mrs. A. F. Ashford have leased Gerald's Cafe here in Muleshoe. It was announced this week. They have assumed management of the business and in an advertisement in this paper they invited the public to visit them and said they expected to continue to give the fine service and serve the fine food that Gerald's has already provided.

Gerald Priboth, owner of the cafe, has been assisting the new operators in getting started. He founded the cafe three and one half years ago. He has a message in this week's paper also, thanking the people for their patronage during the time he has been operating the cafe.

Mr. and Mrs. J. W. Terrell entertained guests in their home in Portales, N. M., with a Christmas dinner on Sunday, Dec. 23. There were twenty one visitors.

A buffet dinner was served to guests, Mr. and Mrs. J. C. Terrell, Mrs. H. E. Reeder and children, Mr. and Mrs. A. O. Terrell and Bobbie, and Mr. and Mrs. J. U. Dawson and children, all of Muleshoe, Mrs. R. C. McCormick and daughter of Clovis, and Mr. and Mrs. B. C. West and daughter of Floyd, N. M.

Gifts were exchanged in the afternoon.

CHRISTMAS AT SUDAN
Mr. and Mrs. Russell Bearden and Keith spent Christmas with the Bearden's daughter and her family, Mr. and Mrs. B. W. Yearly and daughters of Sudan.

HOOTENS VISIT HERE
Cpl. and Mrs. Robert Hooten of El Paso visited her parents, Mr. and Mrs. Mervin Wilterding, and other relatives for the Christmas holidays.

Cub Scouts Receive Pins

MULESHOE'S NEWEST ORGANIZATION starts functioning as members, Den Mothers, Cub Masters, and committeemen receive their pins. Above is a picture of the ceremony which inaugurated the Muleshoe Cub Pack, held in junior high auditorium. Thirty-three boys are members. (Photo by Cline Studio).

Electric Cooperative Meeting Set For Friday, January 18, In Muleshoe

The annual membership meeting of the Bailey County Electric Cooperative Association is to be held in Muleshoe on Friday, January 18, according to announcement of R. D. Lancaster, manager, this week.

The meeting will be in the high school auditorium, beginning at 1 o'clock in the afternoon.

Purpose of the meeting is to give a report of the condition of the Cooperative to the members; elect two new directors; and consider other matters that might come before the meeting.

There will be prizes to be given away at the meeting. All members are invited to attend and hear the various reports to be given and take a part in the business of the association.

The Cooperative serves members in Bailey, Cochran, Lamb, Castro, and Parmer Counties.

MRS. WILTERDING HAS VISITORS

Sgt. Jack Wilterding arrived Saturday, Dec. 22, from Edwards Air Force Base, Edwards, Calif., to visit his mother, Mrs. Leota Wilterding, and other relatives through the Christmas holidays.

Sunday Mr. and Mrs. E. A. Wilterding and David of Amarillo also visited Mrs. Wilterding. Also visiting her was Mr. and Mrs. Paul Jones of Clovis who visited other relatives while here.

TRIP TO LUBBOCK

Mrs. Woodrow Burratt went to Lubbock Saturday, Dec. 22, to be with her sister's 3 month old baby who is in the hospital with pneumonia. Her sister is Mrs. Raymond Scott of Anton.

1 Excluding defense orders, the total business volume in 1952 will be less than that for 1951. However, National Income in 1952 will be very high, as war orders take the place of peace production.

2. The outstanding feature of 1952—barring all-out-war—will be the Presidential Election on November 4, 1952. I comment further upon this under paragraph 48.

3. The Administration and its economic advisors appear firmly convinced that radical inflation is about to break out next year. But the "brain trusters" are overlooking the fact that the boom is already old and that it was cracking badly when the Korean War broke out. The date of the slide has only moved ahead.

4. Farm income will continue high in 1952.

5. As 1952 wears on, the effect of controls, increased taxes, and high prices will cause a decline in legitimate business. If civilian production declines too much, the public may then cry, "This is a government-made

slump; let's change the Administration."

6. If in 1952 it becomes evident that business is declining too much as a result of government curbs, the planners at Washington will rush their patient into an oxygen tent.

LABOR OUTLOOK
7. Many labor groups will be successful in getting another round of wages increases in 1952. Although there may be more important strikes in the first part of 1952, there should be a decline in work stoppages in the last half year.

8. Tightness in the labor supply will continue through 1952, particularly of highly skilled workers. Wages of such workers will be advanced voluntarily in order to hold them.

9. The Taft-Hartley Law will not be repealed during 1952, but may be amended. The Administrators of the Law will continue to wink at some of its clauses.

COMMODITY PRICES WILL REMAIN FIRM
10. Wholesale prices of many commodities will suffer a mild decline in 1952 when compared with the price level for December 31, 1951. In some lines the drop

M-M Calendars Now Available

One of the most widely circulated calendars in the world is now being distributed by Minneapolis-Moline dealers and distributors, not only in the United States and Canada but in many foreign countries as well.

Over two million of these calendars will be distributed this year. The colorful illustration on this year's cover is a tribute to Farmers Sportsman cooperation and conservation. The cover shows friends from the city hunting with farmer's son after obtaining permission to do so. The title of the cover picture is "Farmer Sportsman Cooperation Benefits All."

The Minneapolis-Moline calendar serves also as a catalog illustrating modern farm machinery manufactured by the company and includes features on soil conservation and safety.

Farm homes in this community will receive their copy in the mail from Fry & Cox Bros. The Minneapolis-Moline dealer in Muleshoe, Texas. Extra copies may also be obtained from this dealer.

GUESTS IN KISTLER HOME

Guests in the home of Mr. and Mrs. W. H. Kistler at Christmas were Mr. and Mrs. Gene Kistler and sons, Billy and Johnny, of Rogers, Ark.; Mr. and Mrs. James Hobbs and children, Wally and Camille, of Lovington, N. M.; Mrs. Ethel Thomas and son, Warlick, of Abilene, Texas; and Mrs. Snow Davis and daughter, Mildred, of Muleshoe.

CHRISTMAS IN ABILENE

Mr. and Mrs. Bill Booth and LaNell spent the Christmas holidays visiting in Abilene.

Irrigation School Is Announced To Be Held February 6 In Muleshoe

TO ATTEND FUNERAL IN CALIFORNIA

Mr. and Mrs. L. A. Green left Wednesday morning, Dec. 26, to attend the funeral of Mr. Green's mother, Mrs. Cleora Green, in California.

Mrs. Green had an attack of pneumonia while she was visiting her daughters in San Jose with the intent of spending Christmas with them. She suffered a heart attack and because of her weakened condition, she died Monday.

TO VISIT IN CALIFORNIA

Leo Wollard left Thursday morning, Dec. 27, to visit his father, Lee Wollard, in Burbank, Calif.

An irrigation school will be sponsored in Muleshoe by the Bailey County Electric Cooperative Association, with the assistance of the various agricultural agencies in the county. The program will be held February 6, in the Muleshoe high school auditorium.

All irrigators, or those who expect to be irrigating crops in the future and anyone else who is interested are invited to attend. The purpose of this program will be to assist in answering questions and problems that irrigations in this area have.

Plans fall for the foremost authorities over the United States to be on the program. Names of the people to appear on the program will be given sometime in January.

Chairmen Named For Annual March Of Dimes Campaign In Bailey Co.

AIR FORCE SWEETHEART

Miss Beverly Brandt, Pampa co-ed at Texas Tech, has that certain appeal that members of the Air Force ROTC wing at Tech found tops among the college co-eds. She was named sweetheart of the wing and presented Dec. 15 at the Air Force Ball. A sophomore speech major, Beverly is program manager of KITC, campus radio station.

HALEYS HAVE VISITORS

Mr. and Mrs. W. E. Young had as Christmas guests Mr. and Mrs. Lowell Young of Oklahoma City, W. S. Barlow of Plainview, and Mr. and Mrs. Jim A. Williams and Jimmy of Clovis.

This group then had Christmas dinner with Mr. and Mrs. Tommy Haley.

Preparations for the Bailey Co. March of Dimes Campaign during January were made when the committee recently met to appoint a drive chairman throughout the county and to make their plans for the box collections and the annual dance.

J. V. Peeler, county chairman, announced that the campaign chairman this year will be W. Q. Casey of the Muleshoe State Bank. City chairman for Muleshoe is Randy Johnson. Community chairman are:

Mrs. Lewis Shafer for Clovis; back, Needmore, and Baileyboro; Mrs. Virgil Webb for West Camp; Rev. Carroll M. Jones, for Progress; Charlie Speed and Mrs. Cecil Cole for Three Way, Goodland, and Stegall;

Mrs. R. P. McCall and Mrs. F. L. Simmons for Enochs and Bula; Mrs. Bill Millen for Y. L. community.

Jerry Kirk, high school principal, and Troy Perkins, grade school principal in Muleshoe and other school people of the county have pledged their closest cooperation for the drive for funds to fight infantile paralysis. Likewise, Mrs. R. F. Wright, high school PTA president, and Loyd Roberts, Elementary PTA president have pledged the support of their organizations in the campaign to raise at least \$2,800.

SMITHS HAVE VISITORS

Mr. and Mrs. Tom L. Smith had their daughters and their families, Mr. and Mrs. Dalton Murah and family of Almosa, Colo.; Slaton, Mr. and Mrs. W. B. family of Clovis, and Mr. and Mrs. Jesse Winn and Bobby and their son, Mr. and Mrs. Joe Smith and family, for a Christmas dinner on Monday.

Babson Forecasts 1952..

By ROBER W. BABSON

1 Excluding defense orders, the total business volume in 1952 will be less than that for 1951. However, National Income in 1952 will be very high, as war orders take the place of peace production.

2. The outstanding feature of 1952—barring all-out-war—will be the Presidential Election on November 4, 1952. I comment further upon this under paragraph 48.

3. The Administration and its economic advisors appear firmly convinced that radical inflation is about to break out next year. But the "brain trusters" are overlooking the fact that the boom is already old and that it was cracking badly when the Korean War broke out. The date of the slide has only moved ahead.

4. Farm income will continue high in 1952.

5. As 1952 wears on, the effect of controls, increased taxes, and high prices will cause a decline in legitimate business. If civilian production declines too much, the public may then cry, "This is a government-made

slump; let's change the Administration."

6. If in 1952 it becomes evident that business is declining too much as a result of government curbs, the planners at Washington will rush their patient into an oxygen tent.

LABOR OUTLOOK
7. Many labor groups will be successful in getting another round of wages increases in 1952. Although there may be more important strikes in the first part of 1952, there should be a decline in work stoppages in the last half year.

8. Tightness in the labor supply will continue through 1952, particularly of highly skilled workers. Wages of such workers will be advanced voluntarily in order to hold them.

9. The Taft-Hartley Law will not be repealed during 1952, but may be amended. The Administrators of the Law will continue to wink at some of its clauses.

COMMODITY PRICES WILL REMAIN FIRM
10. Wholesale prices of many commodities will suffer a mild decline in 1952 when compared with the price level for December 31, 1951. In some lines the drop

may be quite steep from the high levels of 1951. Retail prices for 1952 will hold steady.

11. Commodity speculations for a rise will not pay in 1952. Furthermore, our expanding stockpiles of strategic materials present a real price threat in the event of a peace scare. Such stockpiles could then act strongly as a depressant on prices. Wise merchants will operate with only a conservative inventory.

12. The cost of living will remain high during 1952. This prediction recognizes that living costs next year may continue above the lower levels that existed during the first half of the year now closing. I also predict further rise in freight and passenger rates.

13. Congress will not take any action during 1952 legally bolster so-called Fair Trade price maintenance. It's too risky politically when consumers are complaining about the cost of living. But, some manufacturers will tighten up on distributors, eliminating those who won't sign Fair Trade contracts.

14. Barring crop failures, the total supply of food available should be larger in 1952 than for 1951, since the government will raise planting quotas as part of its attack on inflation. If the weather is extremely favorable, the government will be asked to give away surplus crops.

15. With prospects good for a rising supply of feed grains, most meat should be more plentiful next year than in 1951. Prices for beef, however, will be held up by high wages and military needs.

HIGHER
16. The burden of Federal taxes, both corporate and personal, will not be increased again during 1952 above the advance late in 1951. State and Municipal taxes, however, will go higher again.

17. The above forecast is based on the assumption that unless Stalin starts World War III during the early months of 1952, he has made up his mind to forget World War III until the United States and our Allies again "Go to Sleep", which may be some definite prediction as to the outlook for World War III.

Babson's Predictions —

Continued From Page 1

18. There are three ways of preventing inflation: (1) increased production; (2) decreased spending; and (3) as a last resort, increased taxes. I forecast that the current exploitation and accompanying fear of inflation are yet at their peaks for this business cycle.

19. States and Municipalities will again be under pressure to find adequate sources of revenue. Further increases in sales taxes by States and Municipalities can be looked for next year.

20. There will be increases in "luxury taxes" during 1952.

DOMESTIC TRADE UNCERTAIN

21. Credit curbs will continue to hold down the demand for automobiles and certain household equipment. Completions of fewer dwellings will also act as a damper on furniture sales.

22. Falling demand for hard goods should stimulate the public's spending for food and lower-priced soft goods.

23. The above trend forecast will mean a decline in department store volume. I predict a rise in the sales of variety and drug chains.

FOREIGN TRADE OUTLOOK

24. I believe that armament is to become a new and permanent industry, at least for many years to come. Airplanes, tanks, artillery, guns, and munitions will constantly be replaced as they become obsolete. This new activity will operate much as the automobile industry has operated. I forecast that this will be more and more recognized throughout 1952.

25. Barring new war developments, I see a general shrinkage in our civilian exports during 1952. Imports, however, may rise further. Exports to South America will be off. Total foreign trade should not be changed much, but the exporters will be on the short end of this business with the important gain.

26. Except for war supplies, it will become more difficult to convince Congress that additional heavy credits should be granted abroad.

27. Many domestic manufacturers will feel increasing competition from foreign merchandise. A cry for increased tariff protection will be heard; but no radical tariff legislation will result.

MORE DEFICIT FINANCING

28. The first quarter of 1952 may actually see a budget surplus as a result of high National Income and increased taxation. But, a Federal deficit will surely arise during the balance of the year.

29. Government loans will gradually increase during 1952 and there will be some strengthening of basic interest rates.

30. Government bonds will continue to be held tightly between the floor of Federal Reserve support purchases and the ceiling of Federal Reserve anti-inflation sales. Under such conditions, price changes should be negligible during 1952.

31. While Canada and South Africa have permitted a "free market" or revaluation of gold because of increases in costs of production, the Administration is still opposed. The Gold Stock of the United States is, however, likely to be revalued upward when the nation, in the opinion of government economists, "needs another shot of inflation." This will not be in 1952.

STOCK MARKETS AND BOND OUTLOOK

32. Until the danger of war is past, wise people who can easily do so will move out of large bomb-vulnerable cities and avoid having investments in such areas.

33. Sometime during 1952 stocks will sell lower than current quotations. This applies especially to oils and certain "blue chips."

34. Stocks now in the best position for 1952 should be many of those that have not been popular as inflation hedges in the past months. I like good chain variety store stocks, certain movie stocks and possibly the air-transportation issues.

35. Investments Trust funds, companies may provide an expansion funds, and insurance companies may provide an excellent backlog of demand for sound Income Stocks where good values can be demonstrated.

36. Successful investors of 1952 will be those who have the patience to follow a carefully planned investment program. Such a program will emphasize diversification, not only by company and industry, but also by quality and cash.

37. Highest grade taxable corporate bonds should hold in a narrow price range during 1952, but I see no reason for individual investors to buy them unless they are CONVERTIBLES.

38. With present high income taxes, tax-exempt bonds should continue in good demand. Investors should see to it that their bond maturities are carefully diversified, with some part of their bond tax-exempts when an estate is liquidated, it is wise to hold only such bonds as will mature near the time of one's probable death.

REAL ESTATE ACTIVITY

39. Much of the recent real estate boom was the result of easy credit, almost nothing down and small payments for years hence. Under the recent legislation there will be fewer small homes built in 1952; but some credit restrictions will be modified. Mortgage money should soon be had on more liberal terms.

40. Nonessential commercial building will be hit in 1952, but, barring World War III, controls will be lessened rather than increased.

41. The decline in new building will continue to throw a wet blanket over speculation on vacant suburban lots during 1952.

42. The scare caused by the Korean-China war and fears of an early outbreak in other sections will adversely affect the demand for big city real estate. This fear, however, is declining and many who had put their city property up for sale are withdrawing them.

43. Small sustenance farms should hold up well in price as

these continue to be valuable inflation hedges. Demand for large commercial farms, however, should weaken as the year progresses.

44. Any swing back toward rent control will act as a further damper on new apartment house building. There is as yet no incentive to build homes for rental income, although rent control is gradually lessening.

45. Tighter credit controls will make it more difficult to improve older residential properties. Hence, the prices of these should weaken even though these are now the best buys.

46. Volume of money and credit in circulation will continue to increase to about the peak of a few years back. The big rise has been in credit. Much of the credit increases is "secured" by commodity and property values that can shrink greatly when defense spending ends.

DEFENSE ORDERS AND POLITICS

47. Those who can do so should

attempt to get defense orders if needed to hold up production volumes and reduce overhead. Not too much profit from such war business should be expected. These contracts will be subject to tightfisted renegotiations.

48. The political outlook for 1952 will be completely dominated by jockeying for position in the Presidential race for 1952. Barring World War III, Congress will pass very little new legislation except some sops to labor and the veterans.

49. Congress will still be dominated by a conservative coalition of Northern Republicans and Southern Democrats. This North-South coalition will still be able to curb onslaughts by New Deal.

50. Democrats, as well as Republicans, in Congress are making every effort to avoid antagonizing farmers. Again, in 1952, as in 1948, the farmers will hold the balance of power in the Presidential and many dental candidates. The labor vote is overrated.

Pictured is engineering model of gigantic new Public Service Power Plant being erected in Lamb County, Texas.

WORK TO DO IN 1952

Plant X, the new power plant we are building in Lamb County, Texas, is the symbol for the work we must do in 1952 to continue to meet your electric service demands.

The first unit of Plant X, which by mid-1953 will have 200,000 horsepower of electric generating capacity, will go into service this year. Also this year, a 25,000 horsepower addition will be made to the generating capacity of our Carlsbad, New Mexico power plant.

Altogether in 1952, it will be necessary to spend more than \$21,000,000 on new construction alone, to meet your needs for dependable electric service.

But, necessary as it is, new construction is only part of the work we must do in 1952. The 24 hours a day job of providing you with dependable electric service will go on and 1800 men and women will see that you get the best possible electric service each day of the year.

Your electric service is in good hands — the capable hands of the 1800 men and women — your friends and neighbors — who are the business-managed, tax-paying electric company which serves you.

philosophy and yours a peaceful Christmas and successful year ahead.

Mrs. Leon Smith

ATTEND FUNERAL AT STEPHENVILLE

Mrs. J. S. Prather, Mrs. C. A. Hensley, and Charlie and Elmer Prather attended the funeral of Mrs. O. W. Stone of Stephenville, sister-in-law of Mrs. Prather last week.

CLEMENTS' HAVE VISITORS

Mr. and Mrs. D. Clements had Mrs. Clements' sister and family, Mr. and Mrs. R. D. Stinnett and Charles, her brother and family, Mr. and Mrs. T. O. Chaney, and the Clements' son and family, Mr. and Mrs. Olan D. Clements and Vicky Lynn of Albuquerque, and a niece and her family, Mr. and Mrs. Joe Degge and baby of Hart, Texas as Christmas visitors.

PLAINVIEW

Mrs. Fred Horn and Mr. Horn's mother, M. Horn, his sister, Mrs. Mecklenburg, and his bro-in-law, Mr. and Mrs. in Horn, all of Plainview over the Christmas holidays.

HOOVERS HAVE VISITORS

Mr. and Mrs. Jim Bickel, Mr. and Mrs. Don Marlow, Mr. and Mrs. James Moore, Juanita Hoover and Reyford Winters met in the home of Mr. and Mrs. Gail Hoover Sunday night, Dec. 23, for a reunion of classmates with Mrs. Hoover as hostess and Mrs. Bickel as co-hostess.

After a bountiful dinner, games of canasta and forty-two were played.

GATLINS VISIT IN LUBBOCK AND HEREFORD

Mr. and Mrs. I. H. Gatlin, Mr. and Mrs. James Moore enjoyed a Sunday Christmas dinner with Mr. and Mrs. Jess Jones of Lubbock, Sunday night they visited with Mrs. E. H. Gatlin's mother, Mrs. Florence J. Parr, of Hereford.

Christmas night Mr. and Mrs. I. H. Gatlin gave a Christmas dinner for all their children. All children were present.

MAKE YOURS AN ORANGE MINCE PIE

By NANCY COOK—ANS Features

RING OUT THE OLD by bringing in the new . . . mince pie with a touch of orange in its flavor. Use frozen orange juice concentrate in your mince pie, and watch the warm welcome given this newest version of the season's traditional dessert.

There's nothing like mince pie this time of year, especially one with an orange tang in its flavor. For a festive note, decorate it with pastry flowers, made with a cookie cutter, and dotted with red and green sugar. To make colored sugar, add a little red and green vegetable coloring to white granulated sugar. This recipe from the Snow Crop Test Kitchen, has new eye and taste appeal.

- 1 9-oz. package dehydrated mince meat
- 1 3/4 cups water
- 3 tablespoons sugar
- 1/2 6-oz. can (5 tablespoons) frozen orange juice concentrate
- 1 package pastry mix
- 2 tablespoons butter
- Red and green colored sugar

Combine mince meat, water and sugar in sauce pan. Break up mince meat with fork. Place over high heat and bring to a boil. Boil one minute. Remove from heat and add orange juice. Cool while mixing pastry.

Prepare pastry as directed on package. Roll one half pastry to fit 8-inch pie plate. Flute edges. Add mince meat mixture and dot with butter. Bake in hot oven (425°F.) 35-40 minutes.

To make flower top: Roll remaining pastry and cut into 6 flower shapes with cookie cutter. Make stems from small pieces of pastry and attach to flowers. Sprinkle flowers with red sugar and stems with green sugar. Bake in hot oven (425°F.) 10 minutes. Place on baked pie.

Pie may also be baked with top crust.

A Message of Importance

★ ★ ★ *To Every Automobile Driver* ★ ★ ★
In The State of Texas

HERE'S WHAT YOU SHOULD KNOW ABOUT THE NEW TEXAS "SAFETY RESPONSIBILITY LAW"

- 1** **Enforcement Begins January 1, 1952.** On this date, the new Safety Responsibility Law, as passed by the Legislature, goes into effect. This law was designed to protect you against financially irresponsible drivers and owners of motor vehicles involved in accidents. It affects all drivers and motor vehicle owners (except Federal, State, County and City-owned cars).
- 2** **What Must You Do After An Accident?** Under existing laws, you must file a written report to the Department of Public Safety if your car is involved in an accident where there is a death, an injury or property damage in excess of \$25. Under the new law, a written report must be filed *within ten days* if your car is in an accident resulting in death, injury or property damage in excess of \$100.
- 3** **You Don't Have to Carry Liability Insurance, But . . .** If you are not insured against bodily injury and property damage liability, you must be able to deposit with the Department of Public Safety security equal to the estimated damage, not exceeding \$15,000.00, to cover all claims growing out of an accident anywhere in Texas in which you or your motor vehicle were involved. If you cannot establish financial responsibility for the future, your driver's license and your motor vehicle license plates are automatically suspended.
- 4** **It's Easy to Establish Financial Responsibility** with a motor vehicle liability insurance policy. If you do not now have such a policy, call your local insurance agent today. He is a qualified insurance counselor who will be happy to advise you concerning your needs.
- 5** **What is the Minimum of Your Liability?** The law permits each driver to establish the following minimum limits of liability: up to \$5,000.00 for injuries sustained by one person; up to \$10,000.00 for all personal injuries resulting from one accident, and up to \$5,000.00 for property damage. You do not have to establish such liability but it is the easiest way.

Legumes, Fertilizers Play Big Part As 4-H Boy Sets New Corn Record

Foreword by
J. K. Adams, County Agent

The Harold Watkins record of Red River County brought out three very significant facts:

1. The state winner grew a legume preceding the corn.
2. He applied a heavy rate of high analysis fertilizer before planting and 100 pounds of anhydrous ammonia when the corn was knee high.
3. \$23.50 worth of fertilizer was applied per acre and the

yield was \$246. more corn than the state average—over 10 or 1.

COLLEGE STATION, Dec. 26—Texas farmers will perhaps remember 1951 as a year of adverse weather and generally, not a good year for the production of high yields. Results of the 1951 Texas corn hybrid production contest, however, are a striking exception to the states' generally low yields of field crops. Harold Watkins, Red River County 4-H club member, made the states' highest yield of corn with 165.4 bushels an acre. This contest program is sponsored by the Texas Certified Hybrid Seed Corn Growers Association, John B. Wells of Plano, president. Extension Agronomist E. A. Miller, Texas A. & M. College, supervised the program.

Harold grew his corn on land that previously had been planted to a winter legume and 300 pounds of 12-24-12 fertilizer per acre was applied before planting. A side dressing of 100 pounds an acre of anhydrous ammonia was used when the corn was knee high. He planted Texas Hybrid no. 28. His crop was planted in 40 inch rows and the plants were spaced at 15 inches in the row. This yield compares with the 1951 state corn average of 19.5 bushels per acre. His fertilizer cost per bushel of corn produced was 14.2 cents.

For contest purposes the state was divided into three areas, and Harold was tops in the East Texas Area. Other top winners in this area, according to Miller, were Carl Loyd, Upshur county, with a yield of 145.5 bushels per acre. He planted Texas Hybrid 24. Third was Dee Williams, Camp county, with 144 bushels per acre. Fourth was M. O. Robinson, Rains county, with 142.6 bushels per acre and he used Texas Hybrid 24. Fifth was another 4-H boy, Charles Watkins, a brother of Harold, and his production was 140 bushels per acre.

Fifteen other farmers in the area produced an excess of 100 bushels per acre. All used liberal amounts of fertilizer before planting as well as a side dressing with nitrogenous or in a few cases a balanced fertilizer.

In the Blackland Area, the top yield was made by Luther Guy, Kaufman county and his production was 120 bushels per acre. His corn followed alfalfa. He planted Texas Hybrid 26 in 38 inch rows with a 12 inch spacing in the row. Second was John Bible, Grayson county, with 110 bushels; third was Cauther Wimberley, Hill county, 107.9 bushels; fourth, William M. Pate, Kaufman county, 107.1 bushels; and fifth in the area was C. D.

Hughes, Jr., Rockwall county, 104.9 bushels per acre.

In the Gulf and South Texas area, Louis Smesny, Liberty county, reported the top yield of 104.3 bushels per acre. T. H. Witt, Live Oak county, was second with 93.2 bushels per acre. The next three award winners for the area were Negro farmers. Clarence Brooks, Jr., Liberty county, produced 87.5 bushels for third place; Joe Arnworth, Montgomery county was fourth with 79 bushels and Chester Trahan, Liberty county 4-H boy, fifth with 68 bushels per acre.

Five cash awards were made to the winners in each area and the grand prize was an appropriately engraved plaque. Awards were provided by the sponsoring organization.

Now for a few of the secrets back of the high yields. According to Miller, nine of the 15 award winners used a legume in their crop rotation program for the farm. All made use of before planting applications of balanced fertilizers and side dressed their crops with a nitrogen fertilizer when the corn was approximately knee high. All winners except one planted either Texas Hybrid 24, 26 or 28. The one exception was Texas Hybrid 9W planted by Brooks of Liberty county. This hybrid is well adapted to this area. These corn hybrids were developed by the Texas Agricultural Experiment Station and the three yellow hybrids are recent introductions. Research has made pos-

sible the development of these adapted hybrids by the Texas Station.

Plant spacing in the row varied from five to 24 inches with 12 to 18 inches most commonly used. The increased soil fertility permits closer spacing and more plants to the acre. The value of the latest approved cultural practices, plus the use of the Texas hybrids, the liberal use of fertilizers and thorough soil preparation have been demonstrated throughout the state by farmers and 4-H club boys working in cooperation with local county agents.

The first corn hybrid seed became available in 1941. That year, less than one per cent of the corn acreage was planted to hybrids, but in 1951 the percentage was 65 and raising steadily.

VISITORS FROM COLORADO

Mr. and Mrs. S. B. Gaede and Charles of Limon, Colo., spent Christmas with relatives and friends here.

READ YOUR BIBLE
 Don't be hoo-dooed!
 Jesus said, "No man can come unto me, except my Father which sent me draw him. St. John 6:44. Do you believe that? Will you argue with Jesus?"
 If you have ever had a divine inclination; Jesus made satisfaction between you and God and Calvary; and that fact is now revealed you by the Holy Spirit. Hebrews, Chap. 10, Verse 12-18. Hear Elder Merrian West proclaim the redeeming work of God the Father, God the Son, and God the Holy Spirit, this Friday, Saturday and Sunday at Frenship, 8 mi. south of Sudan.

Progress HD Club Christmas Party

Christmas party Progress Club... The Progress Home Demonstration Club met Wednesday, Dec. 26, in the home of Mrs. Richard Smith for the Christmas party.

The meeting was called to order by the president, Mrs. Fern Davis. Mrs. Davis read an article on the Birth of Christ for the opening of the meeting. The yearbooks were distributed to those wanting them.

Mrs. Odell Logan and Mrs. L. E. Bratcher presented a Christmas program with the reading

of how the first Christmas song was written, a poem, "Mumme's Hands", and the group singing of "Silent Night" and "Joy to the World."

Pollyana names were revealed and gifts were exchanged.

Refreshments of fruit cake, spiced tea and candy were served to Mesdames L. E. Bratcher, Fern Davis, L. L. Gosdin, Arnold Gross, Davis Gulley, T. Haley, G. O. Maltby, Gordon Murrah, Alfred Patterson, Joe Simnacher, George Stotts, Odell Logan, Maxine Murrah, Manuel Self, and the hostess, Mrs. Richard Smith.

The next meeting will be Tuesday, Jan. 1, in the home of Mrs. L. L. Gosdin. Everyone is to meet at the home of Mrs. Fern Davis, then go to the Gosdin home. Everyone is urged to be present as some important business is to be discussed.

Pleasant Valley Social Club Has Christmas Party

The Pleasant Valley Social Club met in the home of Mrs. Jerry Angeley Wednesday, Dec. 19.

The former president, Mrs. Mary Andreas, installed the new officers and presented the new president, Mrs. Hazel West, with a lovely carnation corsage.

The meeting was called to order by the president, Mrs. Hazel West.

Roll call was answered with Christmas customs kept in their families.

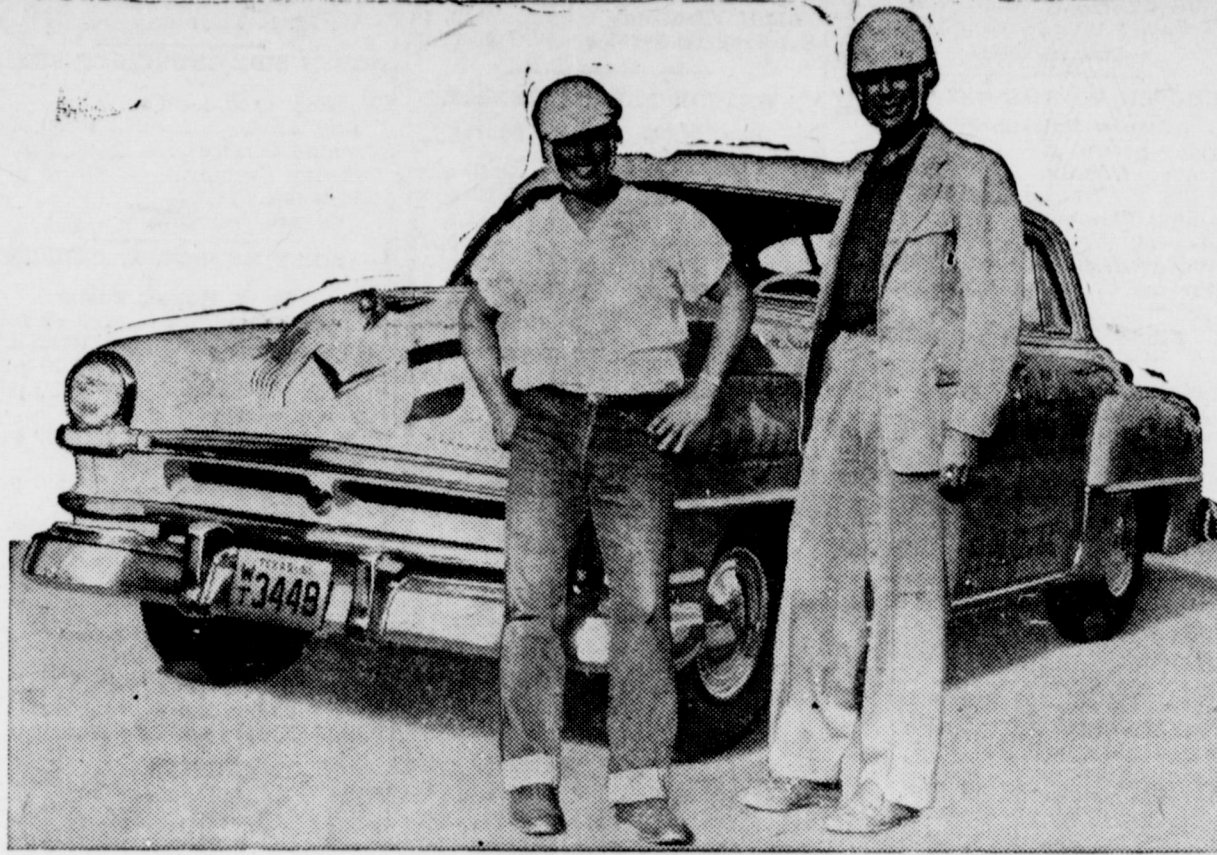

Bingo was played and a very pretty corsage was given to the winner, Mrs. Leona Hicks, by the program director, Mrs. Alice Angeley.

After the meeting gifts were exchanged.

Delicious refreshments were served to Mesdames Hazel West, Leona Hicks, Sammy Allison, Katie Roubinek, Mary Andreas, Hazel Reeder, Alice Angeley, and the hostess, Ethel Allison.

LEGAL FORMS, deeds, chattel Mortgage and other forms at The Journal office.

CHRYSLER BEST U. S. CAR IN MEXICAN RACE

Bill Sterling (right), of El Paso, Texas, and co-pilot Bob Sandige are shown with the Chrysler Saratoga which they drove to victory over all other American cars in the 1,933-mile Pan American Race. Sterling drove his unmodified Chrysler, powered by the 180-horsepower FirePower V-8 engine, the length of Mexico in an elapsed time of 22 hours and 6 minutes in what is conceded to be the longest and roughest road race in the world. So tough was the grind that of 91 cars starting only 33 completed the race. Tony Bettenhausen, driving a Chrysler V-8, lost time in the early stretches, but set a new world's record for stock cars, averaging better than 114 miles per hour in the final 230-mile stretch.

Double Ring Ceremony Unites Miss Janice Jordan And Mr. Bill Gaede

In a double ring ceremony performed by Rev. Wilber Gaede, of Denver City, at the First Methodist Church Saturday evening at 6 o'clock, Miss Roy Janice Jordan, daughter of Mr. and Mrs. Roy Jordan, became the bride of Bill Gaede, son of Mr. and Mrs. R. C. Gaede.

The altar was decorated with white gladioli and Christmas arrangement of holly and candles.

Preceding the ceremony, Miss Gwyneth Bigham played several organ selections. Keith Gaede sang "Because" and "I Love You Truly." "If" was played as Ginger Gaede and Barbara Douglass lighted the candles.

"Claire DeLune" was played during the ceremony.

Given in marriage by her father, the bride wore a two piece dress of ice blue faille with a matching hat. She carried three gardenias on a white Bible.

The matron of honor, Mrs. W. M. Pool, II, sister of the bride, wore a two piece dress of champagne with pink gladioli.

Jim Gaede, brother of the groom, was best man. Ed Nickels and Richard Barnett were ushers.

For traveling Mrs. Gaede chose a burgandy gabardine suit with black accessories and a gardenia corsage.

After a short trip, the couple will be at home in Lubbock.

Sunshine Club Has Christmas Party

The Sunshine Club met in the home of Mrs. M. M. Simmons December 20 with ten members and one visitor. Roll call was answered by reading the Christmas story from the Bible.

The club sent Mrs. McPike a Christmas card. Mrs. McPike is a former club member.

Mrs. Simmons sent Martha Apperson a Christmas box for the club. It included a doll, ribbons and material for doll clothes, needles and thread, and cand and chewing gum for all the children in Martha's room.

Mrs. Nash read the "G. I.'s Version of The Night Before Christmas." Several of James J. Metcalf's poems were also read.

The club sent 24 gifts for the children in the Potter County Tuberculosis Center in Amarillo.

The evening was spent visiting. Christmas gifts were passed from a beautifully decorated tree.

Refreshments of jello, carmel date cake, coffee, and cocoa were served to Mesdames Lewis, Chambless, Nash, Harvey, Odom, Coulter, Browder, Kirk, Johnson, the hostess, Mrs. Simmons, and one visitor, Mrs. Sanders. Favors were little red Santa Clause boots filled with candy.

The next meeting will be held in the home of Mrs. Lillie Barnhouse on January 3. Secret pals will be revealed and club officers will be elected. The quilt pattern will also be drawn.

BILL ALSUP IMPROVED

Improvement is noted in the condition of Bill Alsup, 3½ year old son of Mr. and Mrs. Joe E. Alsup, who now reside in Levelland. The little fellow was stricken with polio Tuesday of last week and is under treatment in the West Texas Polio Center in Plainview. He is a grandson of Mr. and Mrs. J. L. Alsup of Muleshoe.

Members of the Dorcas Class of the First Baptist Church met in the auditorium of the Old Church Tuesday night, Dec. 18, for their first Christmas dinner and party.

After a traditional Christmas dinner of baked chicken and dressing and all the trimmings, Mrs. Lee Pool entertained the group with the story of "The Other Man."

Gifts were passed from a beautifully lighted tree.

Members and guests attending were Mr. and Mrs. Earl Humphrey, Mr. and Mrs. Howard Cox, Mr. and Mrs. Vernon Jamison, Mr. and Mrs. Red Johnson, Mr. and Mrs. A. P. Lambert, Mr. and Mrs. T. R. White, Mr. and Mrs. John W. West, Mr. and Mrs. W. E. English, Rev. and Mrs. A. W. Blaine, Mr. and Mrs. Wiley Bowers, Mr. and Mrs. E. F. Eason, Mr. and Mrs. Lee Pool, Mr. and Mrs. S. W. Inman, Mrs. Woodrow Surratt, and D. E. Cox of Happy, Texas.

Vota Vita Class Elects Officers

The class of the "Kings Daughters" of the First Baptist Church of Muleshoe met Friday night for a Christmas party in the home of Barbara Bowers.

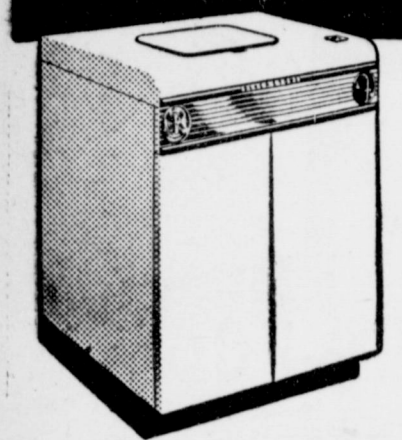

After opening the Christmas gifts a class meeting was held to elect officers. The officers elected were: president, Barbara Bowers; vice president, Betty Lynn Shook; secretary, Charlene Cox; social chairman, Betty Dalton; and group captain, Jacques Bovell.

Following a discussion the name of the class was changed to "Vota Vita", a Latin word meaning "Devoted Life." The class motto is, "God First, others second, and self last", the aim is "To show our love by our life."

Those present were Mrs. Fowler, teacher, Barbara Bowers, Betty Dalton, Mona Wilhite, and Charlene Cox.

Water level dropping?
Go after it with a Berkeley Dual-Purpose Deep-Well Turbine

For farms of 3 to 30 acres, this remarkable pump will supply both irrigation water and high pressure needs—efficiently. For larger farms, it adds to your irrigation source and gives excellent pressure service.

Capacity up to 275 gallons per minute: open discharge.
Water levels 20 feet and deeper.
See us today. Let us help you select the turbine for your needs.
