Deadline nears for contributions to fountain fund

One week remains to collect donations for the water fountain to be built in honor of the Boneheads, founders of the City Park.

"We have about \$3,800 of the \$4,000 needed for the project," said Jill Druesedow.

"Citizens have expressed a desire to light the fountain and upgrade the dedication sign. To do that, an additional \$1,000 will be needed," Mrs. Druesedow said.

Information on how to make a donation can be found in the ad on page 3.

"The response from the community has been so positive about this project," said parks and recreation chairman Ruby Turner. "We're looking forward to its completion."

Dance planned after game Friday

Parents of Haskell High School juniors will sponsor a dance Friday night following the Haskell-Anson football game.

It will be at the American Legion Hall, beginning after the game and continuing until 1 a.m.

The dance is for high school and college students and admission will be \$3 per student. All students will be required to sign in and will not be allowed to re-enter after leaving.

Cokes will be sold for 50 cents each and junior class parents will serve sandwiches and brownies.

There will be a dance contest every hour with cash prizes awarded.

All students are encouraged to come and join in the fun following the football game.

Cancer Society to meet Monday

Anyone interested in serving as a volunteer with the American Cancer Society is invited to a meeting of the county unit of the ASC.

The first meeting of the new fiscal year will be held at noon Monday at Country Affair restaurant.

Country Club luncheon Sunday

The September luncheon at the Haskell Country Club will be this Sunday.

All members are encouraged to attend and to bring a covered dish.

Hostesses are Doyle and Roberta High.

Shana McKenzie is Gold Star winner

An 18-year-old Haskell High School senior received the county's highest 4-H Club award Saturday night during the annual Haskell County 4-H Awards program.

Shana McKenzie is recipient of the 1992 Gold Star award, which goes annually to one or two deserving Haskell County 4-H members. She is the daughter of Doy and Gene McKenzie.

To be considered for the honor, a member must possess excellent leadership and citizenship abilities, have outstanding academic credentials and have church and community affairs responsibilities outside 4-H work.

Shana received a U.S. Savings Bond and a 4-H jacket, both courtesy of the First National Bank of Haskell.

She and her parents will be special guests at the Haskell

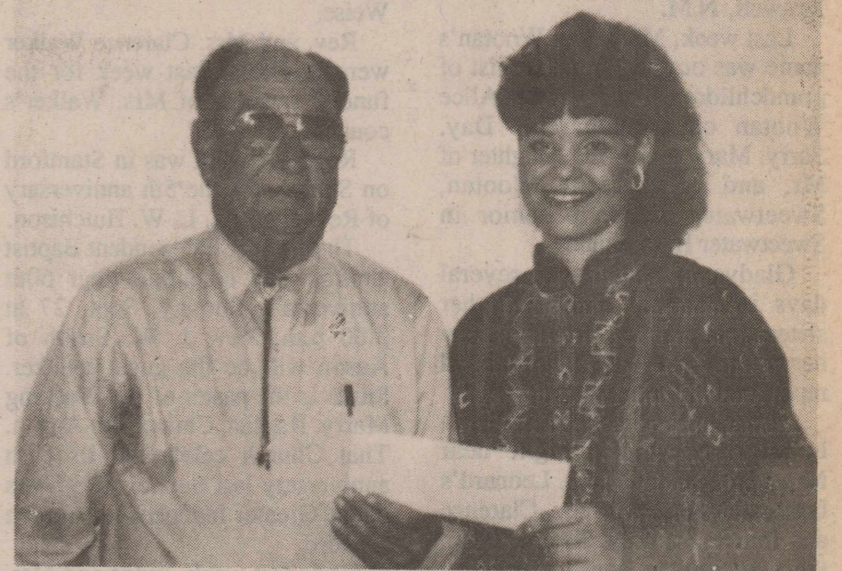

County Extension Homemakers Information Day Oct. 17 and also at the District 4-H Gold Star banquet in Haskell Nov. 16.

Shana has been a member of 4-H for nine years. She began her 4-H career in Jones County and then transferred her membership to the Haskell Community 4-H Club when she moved to Haskell County.

In her local club, she has served as treasurer, vice president, secretary-treasurer and county 4-H delegate. She has served as county council vice president and is currently serving as one of Haskell County's delegates to the District 4-H Council. She also is a member of the Haskell County 4-H and Youth Committee. She serves as a junior leader and shares her knowledge and 4-H experience with younger 4-H'ers.

Shana has always had a genuine interest in all aspects of the 4-H organization. During her 4-H career, she has carried five main projectings, including clothing, foods and nutrition, horse, sheep and swine. As a result of involvement in these projects, she has participated in local, county, district and state contests. She also participates in major livestock shows.

Shana also is active in school activities. She plays varsity basketball and is a member of the Haskell school's Fellowship of Christian Athletes. She is the school's mascot and is treasurer of both the senior class and the FFA. In FFA, she is participating in a PAL's project which will combine her school, FFA and 4-H involvements. She is vice president of the National Honor Society.

Top award

Shana McKenzie receives the Haskell County 4-H Gold Star award from County Judge B. O. Roberson.

Bonfire

Haskell Indian fans gathered Monday night at the home of Danny Josselet for a huge bonfire and pep rally to build up spirit for the Haskell-Anson football game Friday night.

SWCD to elect Zone 4 director

An election of a director to serve in Zone 4 of the Haskell Soil and Water Conservation District is scheduled for Monday, Oct. 5. Voting will be at 7:30 p.m. in the Sagerton Community Center.

To be eligible to vote in a soil and water conservation district election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be at least 18 years old.

A candidate for the office of director must own land in the zone he wishes to represent, be at least 18 years old and be actively engaged in farming or ranching. He also must live in a county all or part of which is in the district. Directors serve four-year terms.

Zone 4 includes the southwest portion of Haskell County. Generally, the area covers the area

south of Farm Road 1225 and west of US 277, and south of US 380 west of Rule and west of SH 6.

F. A. Ulmer of Sagerton is currently serving in the Zone 4 area.

Purpose of the Haskell SWCD is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with the governmental agencies and private concerns to carry out its purpose.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

Indians open district play against Anson

Excitement is running high in Indian country this week as Haskell prepares to host the Anson Tigers Friday in the first district 7-2A game of the season. Kickoff is at 7:30 p.m.

Both teams were victorious last weekend in their final tuneups before the district race begins. Anson outscored Seymour, 35-25, while the Indians were shutting out Knox City, 25-0. Each team stands 2-1.

The Indians, who finally found their offense last week, have allowed only 7 points to be scored against them in the first three games, that coming on a rather cheap touchdown by Seymour following a fumble recovery.

But Coach Walter Hargrove is warning that the Indians will find out just how good their defense is this week. He points out that Anson scored 35 points against a Seymour team which kept the Indians from scoring, save for a safety in the 7-2 loss.

Anson, picked in the preseason for a second-place finish in district 7-2A, opened its season with a 6-0 victory over Olney and then lost 28-14 to Coleman before regrouping last week for the win over Seymour.

"They're a sound team, both offensively and defensively," Hargrove said.

Tailback Cody Hestand rushed for more than 200 yards against Seymour. Quarterback Jimmy Garcia is another outstanding Tiger back.

Although the Tigers allowed four touchdowns to Seymour, one of them came on a runback of an intercepted pass and another on a kickoff return.

A host of Indians have contributed to their stingy defense

during the young season. Haskell calls on Deon Walker, Matt Perry, Edgar Nava and Kevin Conner to man the defensive tackle positions. Cody Josselet and Tommie Isbell have been outstanding from the defensive ends.

Inside linebackers are Brent Breeden, Brandon McFadden and Martin Limones, while outside linebackers are Jason Torres, Matthew McFadden, Leon McBee and Keiland Riley. Cornerbacks are Robert Huff and Joseph Rodriguez

and safety is Casey Larned. Jonathan Tatum has filled in at both safety and corner.

The Indian offense is improving. Running back Justin Lisle has come along fast, gaining 140 yards against Knox City. Quarterback Mart Guess has pleased coaches with his performances. The blocking of Torres, Josselet and Tatum has been instrumental in Lisle's success.

But most important, Hargrove said team morale is high.

Everyone invited to Rule Jubilee

All area residents are invited to bring their lawn chairs and join their friends and neighbors Saturday at Slim Sorrells Park in Rule for the annual Rule Jubilee.

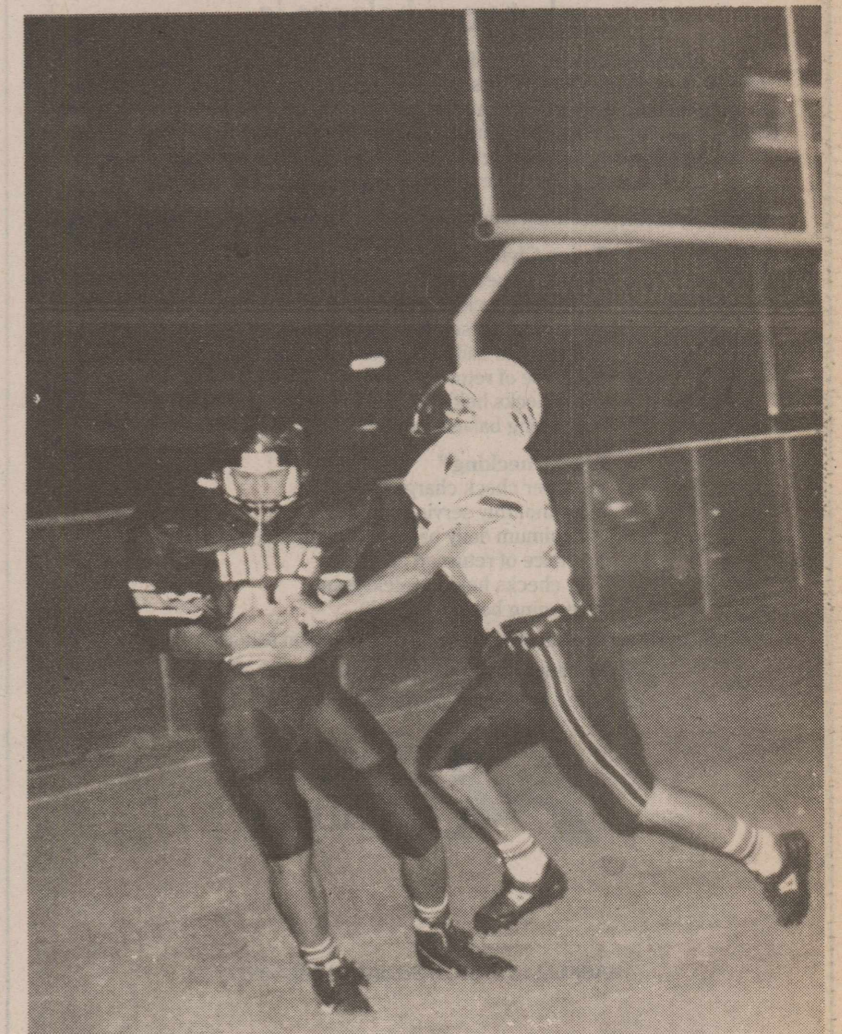

Arts and crafts booths will be in the park all day. Locals do not pay a fee, while out-of-towners will be charged \$10. Those entering are responsible for their own display tables.

The schedule:
2:00: Parade.
2:45: Cub Scouts flag-raising ceremony at the park.
3:00: Program begins with Bonnie Workman's band.
3:30: John Pike and Lou Landes will sing.

4:00: Games.
4:30: Sweethome Singers.
5:00: Bonnie Workman's band.
5:30: Begin serving supper (\$5 for adults, \$3.50 for children). Men's skits and Faith Singers.
6:30: Cheerleaders and games.
7:00: Theatre arts classes.

Prizes will be given after each performance as time allows. Grand prizes will be awarded at approximately 7:30. The Rule Chamber of Commerce will give a half beef, a 19-inch television and a VCR. Merchants also will give prizes.

During the afternoon there will be homemade ice cream, cake walks and other events.

Scores

The Indians' Tommie Isbell latches on to a 15-yard touchdown pass from Mart Guess Friday night to help Haskell defeat the Greyhounds, 25-0.

Touchdown

Cody Josselet is about to score on a 10-yard run for Haskell's first touchdown against Knox City Friday night. Josselet had two touchdowns.

Fire destroys mobile home

An early morning fire Tuesday destroyed an unoccupied mobile home behind Elsie's Hi Lander. It

was owned by Jack Rueffer.

Firemen answered the call at 12:36 a.m.

Sales taxes up nearly 50 percent

Haskell received \$17,387.01 last week as its share of sales taxes collected in July and reported to the state comptroller in August. The rebate is based on the city's 1.5 city sales tax rate.

It reflects an 82.97-percent increase over the amount of rebate for the same period last year when the tax rate was 1 percent.

This month's tax receipts brought the total for the first nine months of 1992 to \$165,512.66. This is 45.63 percent more than the \$113,654.79 received last year

during the January-to-September period under the 1-percent rate.

Rule received \$1,560.20 this week as its share based on the 1-percent city tax rate in that city. Although this is more than 50 percent more than the \$1,024.43 received for the same period last year, Rule's nine-month 1992 total of \$14,183.80 is down by 10.44 percent from last year.

O'Brien, Rochester and Weinert did not receive rebate checks this month.

Happenings...

Richard and Mozelle Riley attended the Amoco Pipeline Co. North Texas Assn. annuitants meeting Saturday in Bowie. Fifty-two attended. They renewed old friendships.

P.C. club meets with Mrs. Overton

The Paint Creek Homemaking Club met Sept. 14 in the home of Mabel Overton.

The meeting was called to order by Mrs. Overton, president. Four members read the TEHA prayer and answered roll call by answering "Something I learn while listening."

Minutes were read by Dolores Medford, secretary-treasurer, and approved as read, and the treasurer's report was given.

The Council report was given and a committee report about the Paint Creek 4-H Club and how the club members did at the Abilene Fair.

Members voted secretly for the club woman of the year and then elected the following officers for the 1993 year:

Dorthay Wells, president; Mabel Overton, vice president; Dolores Medford, secretary-treasurer-reporter; Frances Fischer, Council delegate; and Peggy Burnett, alternate Council delegate.

Information Day was discussed. It will be Oct. 17 at the Community Bank building in Haskell and will be a pot luck lunch, as Paint Creek club is doing the program. Club members also discussed the programs the club would like to have next year.

ASCS conference

Representing Haskell county at the Texas ASCS conference in Lubbock recently were, front row from left, Margery Hitt, Terri Jenkins, (with Clayton Yeutter), Susie McLellan, Mollie Moeller; top row, Cole Turner, Glenn Brzozowski, Randall Frierson, Kenny Thompson, Kim Howard, Sherri Morren and Joe B. Cloud.

Local ASCS staff meets with official

Local employees of the Agricultural Stabilization and Conservation Service met recently in Lubbock with Clayton Yeutter, counselor to the President for Domestic Policy.

Yeutter coordinates all domestic policy activities for the President through the operations of a new Policy Coordinating Group (PCG). Prior to coming the PCG, Yeutter served as Secretary of Agriculture, where he was actively involved in farm legislation and in negotiations to open export markets for American farm products throughout the world.

Yeutter met with agriculture leaders at the state conference of the ASCS. The training conference was designed to train local employees in program administration and to improve the effectiveness of the farmer-elected County Committee system.

Jerry D. Harris, chairman of the Texas state ASC Committee, said Yeutter has consistently worked to expand the role of U.S. agriculture in the world. "His visit with ASCS committees and employees demonstrates the place farm programs have in our domestic policy," Harris said.

The ASCS is the federal agency that administers farm programs passed by Congress, including programs that affect many local

farmers and ranchers.

The meeting brought together the local agriculture leaders and administration policymakers for training and evaluation of the effectiveness of current programs. The conference helped find ways to improve the service provided through policy decisions and improve the knowledge of ASCS employees.

Ulmer reunion to be Sunday

Descendants of Phillip Pinkney and Katie Estelle Ulmer will have a family reunion Sunday at the Sagerton Community Center.

All friends and relatives are invited attend.

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

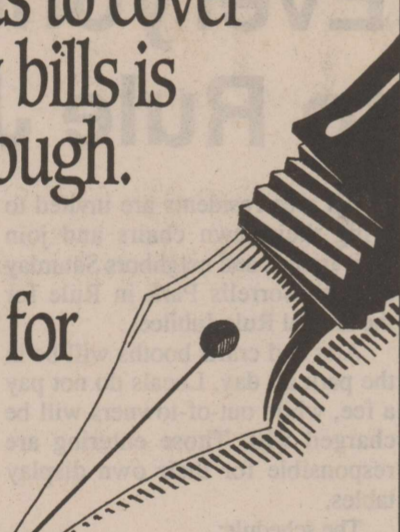

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Offense comes alive as Indians blank 'Hounds

Haskell took its offense out of mothballs and slung it at the Knox City Friday night, and the result was a 25-0 victory over the visiting Greyhounds.

It was the second victory in three outings for the Indians, and their second shutout. The Indian defense has yielded only 7 points in three games.

The Indians wasted little time getting on the scoreboard. They marched 40 yards in five plays the first time they got their hands on the ball. Cody Josselet scored the touchdown with a 10-yard run as the Indians went up 6-0 with 7:28 to go in the initial period. Josselet had runs of 10 yards and 1 yard and Justin Lisle had runs of 13 yards and 1 yard in the drive.

Next time the Indians got the ball, they were halted by a penalty and had to surrender the ball on downs at the Greyhound 10.

The Greyhounds netted 7 yards on two running plays, lost 5 yards on a penalty and threw an incomplete pass before Armando Rodriguez punted to Jason Torres on the Knox City 40.

Torres returned the punt to the 32, and six plays later Josselet went

over from a yard out for his second touchdown and a 12-0 Haskell lead. Big gainers in the drive had been a 15-yard keeper by Mart Guess and 7-yard runs by Josselet and Lisle.

Knox City's only serious threat came following the Haskell kickoff. The versatile Rodriguez returned the kickoff 36 yards from his own 23 to the Haskell 41. Highlighted by his own 21-yard run, Rodriguez engineered the Greyhounds to a first down at the 4. But here, the Indian defense slammed the door, stopping Rodriguez four straight times.

In the third quarter, Keith McDonald recovered a Rodriguez fumble at the Knox City 49-yard line. After Lisle picked up 13 yards and the Indians were penalized 10 yards to the 48, Guess connected with Jonathan Tatum on a 48-yard scoring pass and the Indians went out front, 18-0.

Haskell got its fourth touchdown midway through the fourth period when Guess passed 15 yards to Tommie Isbell. Casey Larned converted to complete the scoring for the night. The touchdown pass climaxed a 9-play, 65-yard drive which featured runs of 11 and 20 yards by Lisle, a 25-yard gain on a

reverse by Tatum and a 10-yard pass from Tatum to Josselet.

The Indians played the game without a turnover. The previous week against Seymour, they had a single turnover. In their opener against Munday, they had two.

Knox City's Armando Rodriguez was just as versatile as Coach Walter Hargrove had warned beforehand.

The Greyhound quarterback carried the ball 25 times, passed 14 times and punted six times, thus being involved in 45 of the Knox City's 53 snaps. He also returned kickoffs, one of them for 36 yards.

Justin Lisle is racking up some impressive statistics for the Indians. He carried 21 times for 140 yards Friday night.

After three games, the Haskell freshman shows 307 yards in 57 carries. That's 5.4 yards per attempt.

Jonathan Tatum put on quite an offensive show against Knox City.

He caught a 48-yard scoring pass from Mart Guess, clicked off a 25-yard run on a reverse and passed to Cody Josselet for a 10-yard gain.

And wasn't that fine defense the Indians played when Knox City threatened to score following the Indians' second-quarter touchdown?

After Rodriguez returned a kickoff to the Indian 41, he completed an 8-yard pass to Billy Curd and then ran for 8 yards and again for 21 for a first down at the Haskell 4.

He then made 2 yards, was stopped by Cody Josselet after a 1-yard gain, was stopped for no gain by Deon Walker and Matt Perry and then threw incomplete.

The Indians had only three first-half possessions. They scored twice and surrendered the ball on downs at the Knox City 10 on the other occasion.

In the second half, the Indians had the ball five times. They scored twice, punted twice and had possession when the game ended.

Booster Club

The Haskell Booster Club met Monday for the introduction of the seventh-grade football team. The club's next meeting, Sept. 28, will be at the regular time, and the cross-country team will be introduced.

The hamburger supper scheduled for later this month has been cancelled.

Fans are reminded of the items for sale at the Trading Post: license, plate frames, T-shirts, caps, earrings and clickers.

The club voted to form spirit lines at away games. And fans need to bring their clickers.

Coach Hargrove told the club that the Indians had a very good offensive game against Knox City. He expects Anson to be very tough. They have a very quick tailback and a good passing game.

Steers make it 3-0 with Woodson win

Rochester's Steers brought their record to 3-0 Friday night with a 55-6 victory over Woodson.

Mark Brown scored four touchdowns to pace the Steer offense in a game called in the second half under the 45-point rule.

Brown started scoring in the first period when he went over from 2 yards. After Robbie Strickland scored on a 1-yard run, Brown got the Steer's third first-period touchdown with an 11-yard run.

Chris Carver passed 17 yards to Kyle Hollingsworth for a second-period touchdown and then Brown

added two more touchdowns on runs of 45 and 18 yards to give the Steers a five-touchdown lead at halftime.

Charles Helms scored on a 6-yard run and Hollingsworth scored again on an 11-yard pass from Shannon King to complete the scoring.

Kurt Sloan was the leading tackler for the Steers with 15, followed by Hollingsworth with 13.

This week, Rochester will host the Miami Warriors.

Haskell Parks and Recreation Water Fountain

To honor the Boneheads--a group of young men who established the park in 1931--a water fountain will be built on the north bank of the main park. It will be visible from both directions on Highway 277. A plaque bearing the names of these *men of vision* will be affixed to the concrete holding pool.

Water is symbolic of life and rejuvenation and certainly a very precious commodity in West Texas. The cascading water, re-circulated through a pump, will represent the community spirit that has enabled Haskell to survive the changes of the last sixty years and to continue to meet the challenges of the 21st century. Haskell is a good place to visit, but a better place to call home.

These young men knew the intrinsic value of recreation, especially needed in tough economic times. Their vision is now a beautiful place of multi-purpose activity, clean, lighted, and accessible to all citizens.

Boneheads:

Dr. Ben Ammons	Oscar Harcrow	Dave H. Persons	Clay Smith
Hollis Atkeison	Bill Holden	Clyde A. Railey	Jason W. Smith
Ben T. Bagwell	Eugene C. Hunter	Dennis Ratliff	Gene Tonn
Harry Bettis	Hill Oates	Bill Richey	John L. Tubbs
R.L. Burton	Kenneth Oates	Virgil Reynolds	Joe C. Williams
Lloyd Campbell	J. Mack Martin	Sam A. Roberts	George V. Wimbish
John V. Davis	Alonzo Pate	Sam L. Robertson	

The Haskell Parks and Recreation Committee will build the water fountain through private donations. We would be most appreciative of any support. Your donation is tax deductible, and checks can be made to the City of Haskell. (Mailing address is P.O. Box 1003, Haskell, TX 79521.) Designate that the money is for the water fountain fund. After all donations are made, we'd like to publish a list of donors (not amounts). Please let us know your preference.

--Letters to the Editor--

Editor: We received our first Haskell Free Press today here in Glendive, Montana. It was the Sept. 10 issue so it seems we'll be getting it almost a week late, but better late than never.

I wanted to take the opportunity to say that we thoroughly enjoyed living at Paint Creek and the friendship of many, many great people in the Haskell area.

We enjoyed every minute.

I would like to make one change in Mrs. Overton's column. The youth at the Baptist church were challenged to have 25 teenagers present and they had 27 in attendance, plus about 10 younger than that, and we did have a great time. Also, we moved to Montana, not Wyoming.

Thank you Haskell County for seven very good years.

Thanks

Editor: The Haskell Indian Band Booster Club would like to give a very big "Thank You" to the American Legion Auxiliary for the generous contribution to help purchase new uniforms.

No fair

Editor: Imagine for a minute what this world would be like if:

... children had no parents to provide for them,

... automobiles had no fuel to propel them,

... our county had no government to keep society in order,

... Haskell County had no fair each year.

Wait a minute! The last one--about no Haskell County Fair--won't quite require any imagination this year. Perhaps the others still require quite a bit of imagination and seem far-fetched, but we are about to experience what it's like not to have a fair.

Some in the community may be indifferent on the issue, but I personally can't understand why anyone would just sit back and allow this to become a tradition. Let's take a peek at what the fair has to offer to the community, and decide whether or not it's worth giving up.

First of all, the fair is a learning experience for the young people of the county. From sewing projects to educational posters to animal projects, children and teenagers have the opportunity to complete or devote more effort to a project that encourages creativity and responsibility, and allows the youngster to receive some sort of recognition for his or her efforts.

The simple placement of a blue ribbon on little Mary's sketch of her dog could be enough to motivate her to continue her artistic efforts, eventually developing them professionally and basing her career upon her talents.

Or perhaps Billy Bob is showing a lamb for the first time this year.

He has never had the experience of caring for, grooming or showing any sort of animal, and needs to learn the basics of what his responsibilities include. The fair gives him the opportunity to learn how much to feed his lamb, how to shear and prepare his animal for the show ring, and how to behave out in the ring before the judge.

The judge will also give Billy Bob a few tips on how to improve the quality of his lamb, as well as on how to show the good qualities of his animal to future judges. When January rolls around and stock show season is in full swing, the child will not be completely inexperienced and intimidated by all he has to learn.

The learning experiences provided by the fair should be enough by themselves to insure its continuation.

Senior citizens make up a large portion of the community around Haskell, and therefore are a very important group to consider. There aren't many activities locally for senior citizens, and the fair gives them a chance to show off their hobbies or talents.

It gives them something to work toward--a goal. None of us would find a reason to continue to put forth any sort of effort if we had no reason to do so. Without goals or deadlines, this world could not function. The fair provides a chance for our senior citizens to work toward finishing several projects, which is an incentive to stay active.

Of course, the fair offers endless advantages for the county, but this letter is becoming lengthy and I should make this as brief as I can.

One final point I must make is the fact that the fair brings the whole community together. People work together, play together and learn together. Local organizations have the opportunity to earn money with concession stands and other booths, local youngsters have the chance to do something other than waste gas driving up and down the "drag", and everyone has the chance to participate in friendly competition.

The last letters in community spell "unity."

So, everyone who reads this--young, older, employed, married, single, whatever--there is a way you can help to bring the fair back next year. It is understandable that many of you work and have very active lives, but if everyone pitches in just a little for just a while, we could make sure we don't lose sight of what our priorities should be.

Consider calling the county extension office or someone on the fair committee now and volunteering to help out "just a little" next year.

Legion Auxiliary donates to groups

The American Legion Auxiliary voted last week to make cash donations to a number of local organizations.

Recipients are the Haskell High School band (for uniforms), the Heart Fund, Girl Scouts and MDA.

The money comes from funds the auxiliary has made at its concession stand during the weekly bingo games.

Sunday School classes install new officers

The Fidelis and Ruth Sunday School classes of the First Baptist Church installed officers for the coming year Sept. 15 in their classrooms in the church.

Iva Lee Gipson installed the following officers:

Fidelis: Billie Cadenhead, teacher; Lois Redwine, president; Violet Earles, vice president; Clariss Jones, secretary; Ozelle Frierson, assistant secretary; Lorene Adams, treasurer.

Ruth: Mary Martin, teacher; Mildred Robertson, president; Emma Franklin, vice president; Sarah Hodge, secretary-treasurer; Gladys O'Neal, recording secretary; Annie Mae Davis, outreach director.

Department officers: Susie Kreger, director; Violet Earles, assistant; Ozelle Frierson, secretary; Iola Henshaw, song leader; Faye Gray, assistant; Linda Burson, assistant teacher for both classes.

Music for the evening was provided by Ellen Rieger.

Sandwiches, chips, cookies and punch were served to:

Claudia Mae Bland, Ethel Lou Shelton, Pauline Derr, Juanita Rhea, Clariss Jones, Mary Martin, Alice Wootan, Susie Kreger, Lois Sherman, Lorene Adams, Helen Oates, Ozelle Frierson.

Mae Herren, Annie Mae Davis, Leone Pearsey, Ardieth Reynolds, Frances Lane, Hortense Lees, Billie Cadenhead, Mildred Robertson, Allene Wheatley, Emma Franklin, Pauline Norman, Emma Bland, Violet Earles, Jerrene Couch, Lois Redwine and two special guests, Iva Lee Gipson and Ellen Rieger.

Teachers honor Mary Martin

The Haskell County Retired Teachers Association held its first meeting of the year at noon Sept. 16 at Kountry Kookin' in Haskell.

David Middleton, president, presided at a short business meeting following the luncheon.

Highlight of the meeting was the presentation of a Distinguished Merit certificate for outstanding volunteer services to Mrs. Mary Martin of Haskell.

Mrs. Weldon Norman of Rule reminded all members to keep a record of all volunteer hours which will be reported to the state association in the spring.

Nineteen members were present. All retired school personnel in the county, as well as retired teachers, are urged to become members and to attend meetings. Guests are always welcome.

Next meeting will be at noon on Oct. 21 at Kountry Kookin'.

Rule homecoming to be Oct. 16-17

Rule's 1992 homecoming will be Friday and Saturday, Oct. 16-17.

The Rule-Rochester football game, beginning at 7:30 p.m. on Oct. 16, will kick off the homecoming.

Saturday's activities will begin at 9:30 a.m. with coffee and registration at the high school.

Lunch will be served in the school cafeteria at 1:30 a.m., followed by the general assembly in the auditorium at 1:30 p.m., during which there will be faculty recognitions and entertainment.

For class addresses, contact Pam Bowles, 997-2361, or Nova Smith, 997-2138.

East Side WMU meets

The East Side Baptist WMU met at the church Sept. 15 to emphasize a week of prayer for state missions. Dorothy Bowers opened the meeting with prayer.

Nell Rogers read the devotional and Ezekiel 22:23-30.

Neat Bevel read the names of the 23 missionaries who had birthdays on the meeting date.

Many scriptures were read to emphasize the week before the group stopped for lunch. A reading from the Baptist Standard was read: "Press On and Run the Race."

The WMU gave \$509 for state missions and over \$60 was collected that day to send with it. There will be more.

Thank you for reading The Haskell Free Press.

Haskell, Anson only 7-2A winners

District 7-2A teams didn't fare too well last week in the last round of games before opening the district season.

Only Haskell and Anson were victorious. Haskell defeated Knox City, 25-0, and Anson outscored Seymour, 35-25.

State-ranked Hamlin suffered its second consecutive defeat, bowing to Floydada, 34-12.

Former district member Albany defeated Stamford, 23-12.

In other games involving 7-2A teams, Hawley fell to Baird, 39-8; Olney edged Rotan, 21-13; Wall outscored Jim Ned, 34-21; and Winters took it on the chin from Goldthwaite, 35-6.

Going into district play this weekend, Haskell, Anson and Stamford have 2-1 records. Hamlin and Jim Ned each stands 1-2, while Hawley, Rotan and Winters are 0-3.

Pirates defeat Strawn

The Paint Creek Pirates got on the winning track Friday by defeating the Greyhounds of Strawn, 30-21.

After going out front 8-0 in the first period, Strawn returned the next kickoff to make it 8-6 and then scored again to take the lead at 14-8.

With 2 minutes to go in the first half, the Pirates scored again, making it 16-14 and then recovered an on-side kick which enabled them to try a 35-yard field goal before the half ended.

The Pirates scored once in the third period and once in the fourth to bring the score to 30-14 with under a minute and a half to play. The Greyhounds got loose against the Paint Creek freshmen for their final score.

Leaders for the Pirates were Will Duniven who rushed for 167 yards and two touchdowns. Donnie Waters and Tony Martinez each rushed for one touchdown and Waters kicked 3 of 4 extra points.

Leaders on defense were Cody Blair, Geovanny Mayen, Shawn Barbour, Lolo Martinez and Robbie Payne.

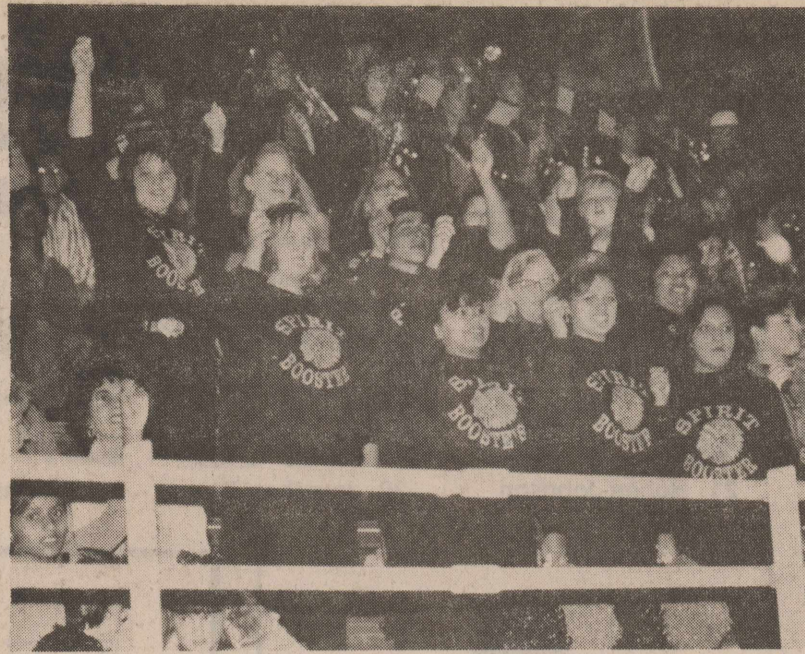

The Pirates travel to Blackwell Saturday for the Hornets' homecoming. Kickoff is 7:30 p.m.

Click, Click

The Haskell Pep Squad, and other fans, helped boost the Indians to victory Friday night with the spirited clicks from their "clickers."

Mystery uncovered

What was a mystery last week has now been uncovered.

The "click" referred to in the Free Press was revealed at Friday's pep rally as the "third-down click."

To motivate the Indian team, fans are asked to click their clickers to show support on every kickoff and every third-down attempt when the Indians meet Anson Friday.

With this kind of support, fans are hoping the Indians will return kickoffs farther and convert more third-down plays.

Can you still get in on the "third-down click"?

You bet! Clickers will be sold at the Booster Club's Trading Post during each home game. They also are available from cheerleaders.

Weinert group 'adopts' highway

By Myrtle Plemister

Weinert may be small in size, but they proved that are "large" in civic pride and loyalty Saturday when 26 people showed up at 8 a.m. for the initial "Adopt-a-Highway" project cleanup.

Katie Roysdon of the Highway Department, gave a safety talk and handed out the colorful vests and garbage bags. Selected areas of the two-mile, seven-exit and three-access roads were assigned to 13 teams, and Ms. Roysdon remarked it was the best organized effort she had ever served.

By 11 o'clock, a truck load of litter had been bagged and left for the Highway Department to pick up. Cokes and ice-water were furnished by Brenda Sanders, and distributed by Marvin Plemister,

and next spring when the wild flowers start blooming we will all thank Brenda for initiating the program. (The Highway department only seeds in the areas that are cleaned by volunteer labor.)

By coincidence, the Ex-Students Association had set the same day for the school cleanup, and many of the highway cleaners reported to the school to assist in that cleanup, also.

The Homemakers Club expressed their gratitude for all who worked on the highway cleanup, and has plans for a pot-luck dinner for the next one in December, when workers will have an opportunity to share their "finds."

Out-of-town workers included Estalyn Liles of Haskell and Jim and Barbara Pratt of Benjamin.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Did you know that water heating makes up 25% of your utility bill? That's why it pays to install an energy-efficient water heater in your home. Check with your local electric cooperative for details on the Centsible Water Heater Program*. By installing a safe, energy-efficient electric water heater in your home, you can collect cash rebates and save on your utility bill, too.

- Install an insulating water heater jacket
- Set the thermostat to medium or low (120 degrees)
- Repair leaky faucets
- Insulate hot water pipes
- Check the tank and elements for sediment build-up

--Library Notes--

By Joan Strickland
Hank has arrived at the library. He has been there before but when he was checked out no one ever brought him back. We now have all 19 copies of *Hank the Cow Dog* and John Erickson was kind enough to autograph each one so this time when Hank is checked out I do expect him to be returned in good condition or you will be responsible for the cost plus processing fee to replace any book that is not returned.

If you missed seeing John Erickson at the school last week you really missed an experience. He is an extremely talented Texan from Perryton and I expect the whole world will have come to love *Hank the Cow Dog* and John Erickson in the very near future. If you are not familiar with Hank you must come by and check out a book about him. He is a delight to young and old alike.

We still have a number of books out from the summer reading program. There is no fine on summer reading program books so please, please check and see if you still have books out and return them as soon as possible. Abilene is generous enough to provide extra books for our summer program and we really need to get their books back to them soon.

I have a number of reading certificates that have not been picked up. If you participated in the summer program and did not attend the party, please come in and pick up your certificates.

I received notice from the Big Country Library System that we have kept our standards up and have qualified for our extra money from the state so I am now in the process of ordering some new non-fiction books and a great deal of them will be on Texas as our Texas section is in dire need of a facelift and update.

Truman, Gem Stones, Mushrooms and Snakes are on the list of books coming. Also, *What Every Teenager Should Know About Texas Law* is a book that comes highly recommended and we hope to have that book soon also.

If you have any ideas as to what books you think would benefit our non-fiction collection, please feel free to let me know and your request will be considered when books are ordered.

Memorial donation are as follows: Genola Parker (mother of

Margie Dorner), Art Halliburton, Hoyt Perry, Janet Quade and Wm. H. Henry.

We are in the process of getting enough money together to purchase a copy machine. If you would like to make a donation toward this endeavor, please feel free to do so.

Now I have to add just a small personal note of my own. Every now and then one meets someone that you know your life has been better for having known them. Such as the case with Mr. Wm. H. Henry. His quick wit, laughing eyes and special treats will be missed at the library. He was a very special library patron and friend. Good-Bye Bill. Thanks for having come my way.

See you at the library.

WTU honors workers

Nine employees from Paint Creek, two from Haskell and one from Rule were among 45 WTU employees honored Monday night during the company's annual service and safety awards dinner in the Abilene Civic Center.

Receiving awards were:
Haskell: Mary Louetta Davis, 5 year service award; Gene Rhoads, 35 year service award.

Rule: Melinda Hisey, 5 year service award.

Paint Creek: Monnie Hise, 5 years service and safety award; David Mathias, 5 years service and safety.

Billy (Dale) Carroll, 10 years service and safety; Ralph Hernandez, 10 years service and safety; Jesse Medford, 10 years service and safety; Larry Trotter, 10 years service and safety.

Alvin Sammons, 15 years service and safety; Kenneth Jarred, 25 years service and safety; Audie Stocks, 35 years service and safety.

The awards were presented by Glenn Files of Abilene, president and chief executive officer.

The dinner was one of six WTU is conducting throughout its 52,000-square-mile service area.

Donation

The Experienced Citizens Center will raffle off this set of ironstone dishes, donated by Mrs. W. A. Lyles, to raise money to help buy new carpet for the center. The bittersweet pattern by Nikko will be given away Oct. 30. Chances are being sold for \$1 each. Shown with the dishes are, from left, Olevia Leonard, Annie Pearl Lusk and Rene Vojkufka.

Classes scheduled for square dance

Tired of just sitting around on Tuesday night, wishing for a football game to come on? Wishing your spouse would get up and get some exercise with you before he/she grows old just sitting around?

The Haskell Country Squares have the answer for you.

On Tuesday, Sept. 29, and Tuesday, Oct. 6, the Haskell Country Squares will be starting square dance lessons and would like to help you with these personal

problems. The time is 7:30 p.m. and the place is on the square in Haskell above Hassen's. The first lesson is free.

"We will be looking forward to seeing you there and showing you how to have fun while getting some exercise," said Leon Jones, club president.

For more information, call Jones at 864-2512; Kim Crawford, secretary, at 864-2010; or Carolyn Reynolds at 864-2960.

--Paint Creek--

by Mabel Overton

Monday night the parents of Paint Creek students were asked to be at the school, the Elementary student's parents at 6:30 and the High School parents at 7:30. Carol Burson, from the Region 14 Service Center told the parents about the plans for grades 5 to 12 to attend (T-Bar M) Team challenge in New Braunfels, Oct. 19, 20, 21. She had visited the entire student body of our Paint Creek school during the day, and was so impressed with the politeness, and the interest of the students.

Team Challenge helps students see their own potential and realize the effect they have on others. It develops self-confidence, communicating and decision-making skills through various outdoor and group sessions. The Region will pay all expenses except for transportation. The students will live in dorms and their meals are provided.

Next, Julie Peel and Cherry Pitcock told about joining math and home economics, and showed projects their students had made using both subjects. Then Julie and Launa Medford showed projects using English and math with dolls made by the students, and a personality profile of the doll written by the student.

Gerre Larned described the Norm-Referenced Assessment exams, and she distributed the students results.

Mrs. Monique Morgan's father, Mr. Vernay Address, of Abilene is in the hospital with a serious heart condition. His heart beats entirely too fast, and they are making him

stay perfectly still, which must be hard to do.

Jerry Kainer from San Antonio spent Monday night with his aunt, Frances Fischer. He was here for the funeral of his aunt, Mrs. Everett Kainer of Stamford.

The Paint Creek boys played a good game last Friday against Strawn. The score was Paint Creek 30-Strawn 21. Our boys are getting better. I think Coach is putting a write-up in the paper about it.

I am sorry there is no more news. We are going to have to get someone who goes more that I do to write our news. I am asking for volunteers.

McCullough receives 50 years

Darnell McCullough was sentenced to 50 years in prison last Wednesday after a 39th District Court jury found him guilty of selling cocaine to an undercover agent.

The 33-year-old Haskell man was one of 44 people named in 84 drug trafficking indictments returned in January in Haskell, Jones and Knox counties.

The indictments were the result of a 10-month investigation by the West Central Texas Interlocal Crime Task Force.

Child Welfare Board

The Haskell County Child Welfare Board ended the summer recession by meeting Sept. 14 in the Department of Protective and Regulatory Services offices.

Due to illness and a change in the schedules of two members, only four were present---Nancy Toliver, Julian Estrada, Sue Miller and Mary Martin. Also present were Cindy Ashbury, Haskell County caseworker, and Linda Haynes, regional supervisor.

The minutes of the April 21 meeting were read and approved. Sue Miller, treasurer, reported that two people had been provided with medical expenses which will be refunded. Both cases have needed

this temporary assistance before.

A motion was made, seconded and carried that medication be supplied for a school child for the next two months. The request had come from a teacher.

Several names were mentioned as prospective board members. Mrs. Haynes will contact the people. One board member has moved away.

Mrs. Asbury reported that three children who had been with relatives had been returned. Two other children are still in temporary care.

There was a discussion about preparing for Christmas as a space will be needed to store and wrap gifts.

PHARMACY NEWS

By Elbert Johnson, Registered Pharmacist

Survival Differences in Ovarian Cancer: The incidence of ovarian cancer is much higher in women older than age 65, and their survival is much lower than younger women who have the same diagnosis. A small study suggests that this may be due to the older women not receiving treatment that is as aggressive as the younger women do. The question remains whether these women are not being offered these treatment options or more of them are turning it down.

Sarah Cortez gets master's

Sarah Ann Cortez, daughter of Mr. and Mrs. Joe Cortez, received a master of science degree in Counseling Psychology Aug. 14 from the Angelo State University graduate school.

Her parents and daughters, Brigitte and Ginger, hosted a reception after the commencement ceremony.

Ms. Cortez is employed as a psychotherapist in the mental health outpatient division at Concho Valley Mental Health and Mental Retardation.

She is working on certification as a licensed professional counselor and plans to go into part time private practice while employed at MHMR. Her future plans call for Ph.D studies in psychology at the University of Texas in Austin.

Ms. Cortez received a bachelor of arts degree in psychology from McMurry University in 1989.

NOTICE OF SALE
Whereas, Hartland Bank, N.A. formerly known as Guaranty National Bank ("Bank") is the legal owner and holder of a Promissory Note ("Note") which is secured by real and personal property including the following:
Oil, gas and other minerals lease dated July 19, 1977, recorded in Volume 366, Page 49 of the Deed Records of Haskell County, Texas, executed by T. N. Gillespie and Lillie Gillespie, as Lessors, to J. D. Gillespie, Doyle Gillespie, and Stanley McKeever, as Lessees, which collateral includes (i) all oil and gas and other hydrocarbons produced from the lease and lands described below, (ii) accounts, contracts, instruments and general intangibles arising in connection with such hydrocarbons or

lease, and (iii) all equipment, fixtures, materials, tanks, pipelines, casing and other tangible personal property now or hereafter located on or about, or used in connection with, the lease and lands described as the North one-half (1/2) of Section Five (5), Block Three (3), H.&T.C. Ry. Co. survey in Haskell County, Texas, containing 320 acres of land, more or less;

Whereas, pursuant to authority granted in the Deed of Trust on the Real Property, the Bank did on September 14, 1992, appoint the undersigned as Substitute Trustee to act under the Deed of Trust and said real Property has been posted for a non-judicial foreclosure sale on October 6, 1992 between 10:00 a.m. and 1:00 p.m.

Whereas, the Note is in default and the balance is due and payable and the Bank has demanded payment from the Mortgagor;

At the request of the Bank the collateral described above shall also be sold at public auction in conjunction with the Real Property described above all in accordance with Security Agreements dated August 16, 1989 and June 21, 1991, executed by Mortgagor in favor of the Bank. Said collateral may be sold as one parcel with the Real Property or in lots or separate parcels as the Bank or its agent may elect. The Substitute Trustee conducting the sale of the Real Property shall also be authorized to act as the Bank's agent to conduct the sale of the additional collateral.

The sale shall be commenced at 10:00 a.m. or twenty minutes after

such time (but in any event not before 10:00 a.m. nor after 10:20 a.m.).

The sale shall be conducted at the south entrance to the Haskell County Courthouse, Haskell, Haskell County, Texas. The Property and collateral shall be sold as is and subject to all outstanding taxes and assessments.

If the undersigned is unable to conduct the sale an alternate agent as appointed by the Bank shall conduct the sale.

A more complete description of the collateral can be obtained from the undersigned or by reviewing the Notice of Substitute Trustee's Sale currently on file with the County Clerk of Haskell County, Texas

Charles J. Young, Agent for Hartland Bank, N.A., 6850 Austin Center Boulevard #200, Austin, Texas 78731. 512-343-9141. 39c
