Cub Scouts to sell donuts

Cub Scout Pack 136 of Haskell will have a fund-raising donut sale on the square early Saturday, as a part of Super 2nd Saturday.

The Jack 'N Jill donuts will be picked up early Saturday morning and selling in Haskell will begin about 6:30 a.m.

Funds will be used for immediate needs of the pack.

Talent show at Rochester

The Rochester Volunteer Fire Department's annual Country Music Talent Show will be Saturday, Sept. 25, beginning at 8 p.m.

The fire department extends an invitation to anyone who wants to participate in the event. There is no entry fee. To enter, call 743-3282.

First- and second-place trophies will be awarded.

Seniors, parents invited to program

Seniors and their parents are invited to a senior-parent night Tuesday, Sept. 14, at the school library. It begins at 7:30 p.m.

Christye Gannaway will be talking about college admission requirements, ACT, SAT and TAST tests, guidelines and timetables for completion of necessary paper work.

Senior handbooks also will be distributed.

Juniors to have potato bar Friday

The junior class will have a potato bar from 5 to 7:30 p.m. Friday, before the Seymour football game. Serving will be in the secondary school cafeteria.

Tickets, priced at \$4 for adults and \$2 for children under 12, may be purchased from any junior, or bought at the door.

Each meal will include a baked potato with several choices of toppings, dessert and iced tea. Take out trays will be available.

A&M award

Brooke Baker of Haskell has been named a "Distinguished Student" during the summer semester at Texas A&M University.

Twirlers

Haskell High School twirlers for 1993-94 are, from left, Andrea Bridwell, Kelly Nanny, Manuel Ibarra Jr., (drum major), Jessica Bridwell and Brandi Briles.

Honored

An office party Friday at Lone Star Gas Co. was given in honor of Roy Washburn, left. Here, he is presented with a letter from the company thanking him for 35 years of service with the company. Willard Townsend, regional manager from Wichita Falls, makes the presentation. Washburn has been local manager for the past eight years.

Lone Star Gas to close its office

Lone Star Gas Co. will close its office in Haskell, effective Dec. 1.

A pay station at a local business will be established for those customers who pay their monthly bills in person. Location of the station will be announced later.

Lone Star will continue to operate its local service department.

Service may be obtained by calling the 800 number as in the past. Mike Cook will continue as service technician.

Roy Washburn, local manager, said this arrangement is being implemented everywhere Lone Star has company-operated collection facilities.

Games on tap for 2nd Saturday

A special feature of this week's Super 2nd Saturday activities in Haskell will be a series of games, for all ages of people.

Games will be going on all day around the square, with prizes in the form of gift certificates going to winners in each of three divisions---children, youth and adult.

Randy McLelland said the games being planned are horse shoes,

washers, wet sponge throws, pie throws "and other fun and crazy events."

Also featured Saturday will be various food booths, including a donut sale beginning at 6:30 a.m. by Cub Scout Pack 136.

Five drawings, during which \$500 in gift certificates will be awarded, will begin at 3 p.m.

Cub Scout Rally scheduled Tuesday

Haskell Cub Scout Pack 136 will have a Cub Scout Rally at 7 p.m. Tuesday, Sept. 14, in the elementary school cafeteria.

Boys in first grade are eligible to sign up for the Tiger Cub program. Tiger Cubs is a program for a boy and his adult partner to enjoy.

Boys in second and third grades

are encouraged to sign up for the Cub Scout (Wolf and Bear ranks) program.

Those in fourth and fifth grades are eligible to join in the Cub Scout Webelos program.

All interested boys and their parents are encouraged to attend the rally.

Indians open season with win at Munday

It took the Haskell Indians almost three quarters to record their first 1993 touchdown, but once they got the hang of it, they scored virtually at will enroute to a 27-0 victory over the Munday Moguls in Friday night's opener at Munday.

The two teams were engaged in a scoreless standoff when Bucky Harvey scooped up a Mogul fumble at the Munday 33 with less than three minutes remaining in the third period. That turned out to be just what the Indians needed to gain the momentum.

Five plays later, Mart Guess threw a 3-yard scoring strike to Robert Huff. Casey Larned's extra point boot gave the Indians a 7-0 lead with 1:50 to go in the period.

Next time the Indians got the ball, they moved from their own 35 to the Munday 20 before the drive fizzled out. But on their next possession, they scored in two plays. After Larned picked up 11 yards, Guess threw a 46-yard scoring strike to Jason Torres. This time, Cody Cypert booted the extra point and Haskell held a 14-0 lead with 4:20 to go in the game.

On Munday's first play following the ensuing kickoff, Matt Perry and Brian Brzozowski hit Munday passer Dustin Kiser, forcing the errant pass into the hands of Torres, who hauled it in at the Munday 40 and raced unmolested for the Indians' third touchdown. Cypert's extra point attempt was blocked, but the Indians led, 20-0.

Two plays later, Perry pounced on Aaron Kiser's fumble at the Haskell 30 and the Indians scored in four plays. Riley got the touchdown from 19 yards out and Larned booted the bonus point to make it 27-0 with 1:07 to play.

The game ended when Larned intercepted Kole Sanders' pass.

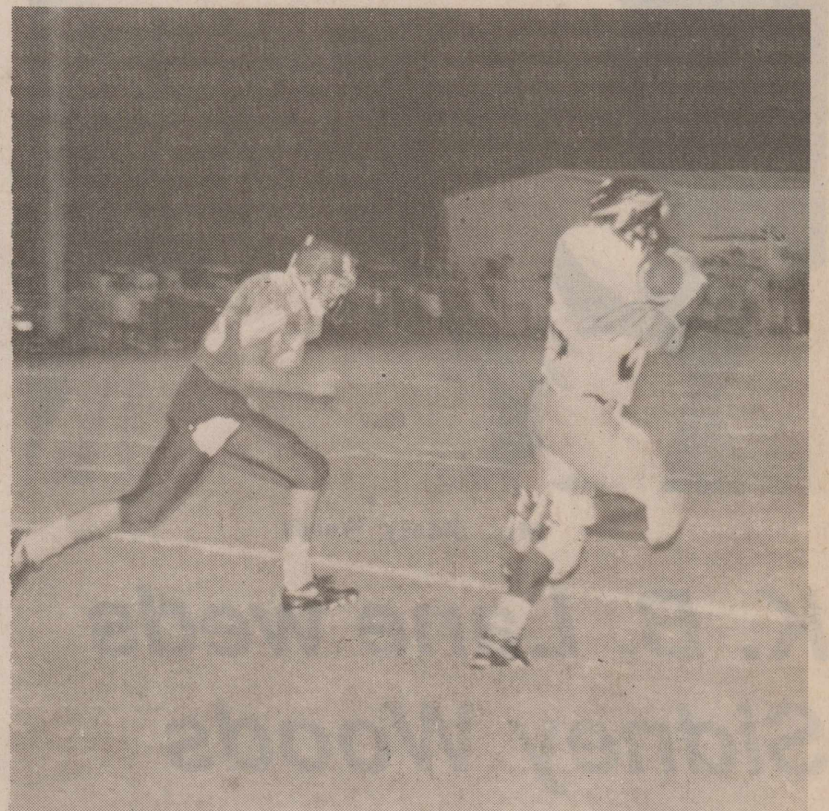

Riley was Haskell's leading groundgainer, netting 68 yards on 11 carries. Justin Lisle had 67 yards in 16 carries. Guess was 7 of 16 in passing, including two touchdowns.

Aaron Kiser topped the Munday rushers with 115 yards on 24 totes. The Moguls failed to complete a pass, and had two intercepted.

Perry, who played an outstanding game, was the top tackler for the Indians, being in on 14 tackles. Martin Limones was in on 13, Cypert and Torres 11 each, and Ryan Olson 8. Larned, Deon Walker and Brzozowski were in on 7 each.

The Indians, who were held to two first downs in the first half, could have gone into intermission with a lead, except for a penalty. A 46-yard scoring pass from Guess to Torres as time expired in the first half, was negated by a holding penalty.

Munday's deepest penetration was to the Haskell 38 on the Moguls' first possession of the game, their own visit to Indian territory.

Touchdown

Jason Torres heads for the end zone for Haskell's second touchdown against Munday. He was on the receiving end of a 46-yard pass from Mart Guess.

Indians to host Seymour Friday

The Indians have another old score to settle this Friday.

They will host the Seymour Panthers, seeking revenge for a 7-2 loss to the Panthers last year.

Both teams will enter the 8 p.m. kickoff after opening victories last week. While the Indians defeated Munday, 27-0, the Panthers were measuring Knox City by a 16-0 score.

Coach Walter Hargrove said Seymour will have an improved team this year. The Panthers have a new coaching staff and renewed interest in a program which has had its problems in recent years.

The senior-dominated Seymour team boasts a lot of experience, along with good size and speed.

Hargrove said the Panther's Frank Emsoff, defensive and offensive tackle, is an outstanding football player. He's a 180-pound senior. Another top two-way performer is B. J. Murray, tight end and linebacker.

Joe Hardin, 165-pound

quarterback, directs the Seymour offense and is a good passer. Top runners are Jason Brown, 170, and Donte Marks, 135, who alternate at tailback.

Hargrove hopes the Indians will retain the momentum which they had in the second half against Munday. "We were a little tight in the first half, but after we adjusted at the half, we came back to play a good game," the coach said.

The Indian defense, which gave up considerable yardage to Munday in the first half, came on strong after intermission. Hargrove said he thought Matt Perry played an exceptional game. He also praised the efforts of Ryan Olson, Martin Limones, Torres, Cypert and Larned, as well as Harvey, Brzozowski and Cody Cooley.

And the coach said the Indian offensive line of Blake Henshaw, Harvey, Perry, Limones and Brandon McFadden took control of the line of scrimmage in the second half.

Top gainer

Kelland Riley, Indian fullback, was Haskell's leading rusher against Munday. He gained 68 yards on 11 carries, including a 19-yard touchdown run.

Game Stats

Haskell		Munday
13	First Downs	8
35-160	Yards Rushing	40-166
115	Yards Passing	0
7-16-1	Pass Comp./Attm./Int.	0-4-2

1	Fumbles Lost	4
11-80	Penalties	14-94

Haskell	0	0	7	20--27
Munday	0	0	0	0--0

Rushing---Haskell: Riley 11-68, Lisle 16-66, Larned 2-14, Cypert 2-13, Guess 4-minus 1; Munday: A. Kiser 24-115, Flye 7-51, D. Kiser 9-0.

Passing---Haskell: Guess 7-16-1, 115 yards, 2 TD; Munday: D. Kiser 0-3-1, Sanders 0-1-1.

Receiving---Haskell: Tatum 3-46, Torres 2-61, Cooley 1-5, Huff 1-3.

Mrs. Sidney Woods

K. B. Lane weds Sidney Woods

Kennie Beth (K. B.) Lane of Lubbock became the bride of Sidney Dale Woods of Early in a ceremony performed Aug. 14 at the First United Methodist Church in Haskell. Randy McLelland, youth minister of the First Baptist Church, officiated.

The bride is the daughter of B. K. and Jo Nored Lane of Haskell. The bridegroom's parents are Danny and Vera Woods of Eastland.

Maid of honor was Melissa

Eckles Burson of Haskell. Bridesmaids were Shelly Drennan of Lubbock and Jennice Faubus of Spur. Marti Lowe of Munday, cousin of the bride, was flower girl.

Best man was James Wood of Stephenville and groomsmen were Loyd Holley of Hico and Mike Blackney of Lubbock. Lándan Smith of Eastland, nephew of the groom, was junior groomsman. Ushers and candlelighters were Nored Lane, brother of the bride,

and Monty Samford.

Nelda Lane of Haskell was organist and soloists were Mark Briles ("Look Heart No Hands"), Jerry Webb ("Born to Love You"), Ken Jordan ("Like a River to the Sea"), and McLelland ("The Lord's Prayer").

The rails in front of the church were draped with ivory iridescent tulle and lined with grape ivy and ivory roses. The altar was decorated with an arch candelabra and two spiral candelabras covered in grape ivy. They were flanked with Dallas ferns on brass plant stands.

Aisle decorations were arrangements of stargazer lilies, fire and ice roses, bridal white roses, ivory spiders, burgundy pixie carnations, ivory cushion poms, baby's breath and sprengeri fern. The aisle was draped between the arrangements with ivory iridescent tulle and hunter green bows.

Given in marriage by her father, the bride wore an ivory slipper satin gown beaded with Alencon lace and sprinkled with iridescent sequins designed for her by Niori Lee Bridals of New York. The Queen Anne neckline was set in a basque bodice with a lace bib tapering to the pointed waistline. The back featured a sheer lace yoke.

Full tapered sleeves were topped with sheer lace to the elbow. Lace cutouts highlighted the wrist which was accented with wedding band points. The full bell satin skirt featured large pyramid lace cutouts in front and diagonal windows of lace encircled the train. The delicate satin rosette wreath headpiece was surrounded by a halo of filamented pearls with a waltz length pencil edge veil.

The bride carried a cascading bouquet of ivory gardenias, bridal white roses, stephanotis, English ivy and ivory seed pearls accented with hunter green ivory satin streamers.

For something old, she carried her great-grandmother's lace handkerchief which was worked into the bouquet, and she wore a diamond drop necklace belonging to a great-great-aunt. Something new

was her wedding dress and something borrowed were diamond earrings from her mother and a diamond and emerald ring from her grandmother. Her blue garter was made by the groom's mother. She wore a sixpence in her shoe.

The bridal attendants wore princess seamed iridescent emerald green taffeta dresses with sweetheart necklines and pleated puffed sleeves.

They carried stems of stargazer lilies, sprengeri fern and ivory seed pearls, accented with hunter green, burgundy and ivory satin ribbons.

Mothers of the couple wore corsages of gardenias and English ivy, accented with ivory lace leaves and hunter green ribbon.

The bridegroom wore a boutonniere of bridal white roses, stephanotis and baby's breath. The groomsmen's boutonnieres were of fire and ice roses, baby's breath and greenery.

A reception in the Haskell National Bank community room followed the ceremony. The wedding cake was topped with a bouquet of stargazer lilies, fire and ice roses, bridal white roses, stephanotis, ivory and burgundy pixie carnations, ivory cushion poms and baby's breath. Flowers cascaded down each layer.

Following a wedding trip to Puerto Vallarta, Mexico, the newlyweds are making their home in Early.

The bride graduated from Spur High School and Texas Tech University. The bridegroom is a graduate of Eastland High School and Tarleton State University. He is employed with the Farmers Home Administration in Comanche.

Benjamin drops football program

Benjamin High School will not field a varsity six-man football team this year.

After two players were injured and two more dropped out, the team was left with only five players.

The school hopes to resume play next year.

Shanna Murphy & Kevin White

Murphy-White engagement told

Mr. and Mrs. Ed Murphy of Weinert announce the engagement of their daughter, Shanna Gail, to Kevin Michael White, son of Mr. and Mrs. Rick White of Stamford.

The bride-elect is a 1992 graduate of Munday High School.

The prospective bridegroom is a 1992 graduate of Stamford High School. Both attended Tarleton State University in Stephenville.

A Jan. 8 wedding is planned at the First Baptist Church in Weinert.

Junior class elects officers

Officers of the Haskell High School junior class are:

Jennifer Comedy, president; Katy Martin, vice president; Amy Cunningham, secretary-reporter; and Christy Cadenhead, treasurer.

Sponsors are Bill Blakely, Mark Coffman, Mr. and Mrs. Walter Hargrove and Wanda Thompson.

Marriage Licenses

Two marriage licenses were issued last month by County Clerk Rhonda Moeller:

Valeriano Gonzales and Alicia Hernandez Reayes, both of Haskell, and

Steven Garcia Diaz and Christina Frlipa Morena, both of O'Brien.

Mike and I would like to say thank you to everyone who called, sent cards and visited while he was in the hospital. Our small town friends can sure brighten your day. We also want to give a special thank you to our families. They are the best and we couldn't make it without you. Continue to keep us in your prayers.
Mike, Kathy, Tracie and John Rea

Lodge's annual auction Sunday

Haskell Sons of Hermann Lodge 241 will hold its regular monthly meeting at 3:30 p.m. Sunday, Sept. 12.

It's that time of the year again for the annual "auction." This is always a fun month, everyone is asked to bring homemade food, crafts, or white elephants for the auction. The club's famous auctioneer, Alton Middleton, and his "side kick" will do the honors and entertaining. Money raised from the auction will go toward the building fund.

Members are urged to come out, bring a friend, enjoy the beautiful fall weather and fellowship.

Word has been received that Daniel Barth and his wife Connie of San Antonio will be visiting the meeting. Barth is the newly elected district supervisor for this area.

Sandwiches, chips, dips and trimmings will be the evening meal, which will follow the meeting and auction.

Dances at Irby Hall will be Sept. 10 and Sept. 24. "West Bound" will play Sept. 10. Dancing will be from 8 p.m. to midnight.

Tomahawks add to school spirit

Sam Toliver and Bailey Toliver Chevrolet will donate 200 tomahawks as a spirit builder for Haskell Indian athletic teams.

Indian mascot Tréci Burson will pass out numbered tomahawks to the first 200 adult fans who attend the Seymour-Haskell football game Friday. They will be limited to one per family.

Bailey Toliver Chevrolet will award \$50 at a drawing at halftime of each home football game and each home district basketball game. The winner must be present and must show a tomahawk with the winning number.

Donna LaKay Quarles & Keith Allen Parrott

Quarles, Parrott set wedding date

Mr. and Mrs. Jack Conner of Lubbock and Mrs. Lujan Conner of Colorado Springs, Colo., have announced the engagement and approaching marriage of their daughter, Donna LaKay Quarles of Lubbock, to Keith Allen Parrott, also of Lubbock.

The prospective bridegroom is the son of Mr. and Mrs. Bobby Parrott of Lubbock, formerly of Haskell.

The couple will be married Nov. 6 at The Hodges Chapel of the First

Christian Church.

The bride-to-be is a graduate of Texas Tech University and is employed by Lubbock ISD.

Mr. Parrott graduated from Haskell High School and Tarleton State University. He is self-employed.

Life was meant to be lived, and curiosity must be kept alive. One must never, for whatever reason, turn his back on life.

Children need foster parents

A Child Protective Services specialist was in Haskell this week, talking to groups about the need for foster families for abused and neglected children.

Sara Gamble, with the Texas Department of Protective and Regulatory Services in Wichita Falls, spoke to the Kiwanis Club Tuesday morning and to the Lions Club at noon Tuesday.

She stressed the need to recruit families to care for children. Children range in age from newborn to 17 years old, although most are elementary school age and younger.

Volunteers for foster parents are interviewed and screened by Children's Protective Services.

Those chosen will receive financial help to care for the children from the state. Children are covered by insurance.

Anyone interested in becoming a foster parent may call 864-2682 and ask for Children's Protective Services.

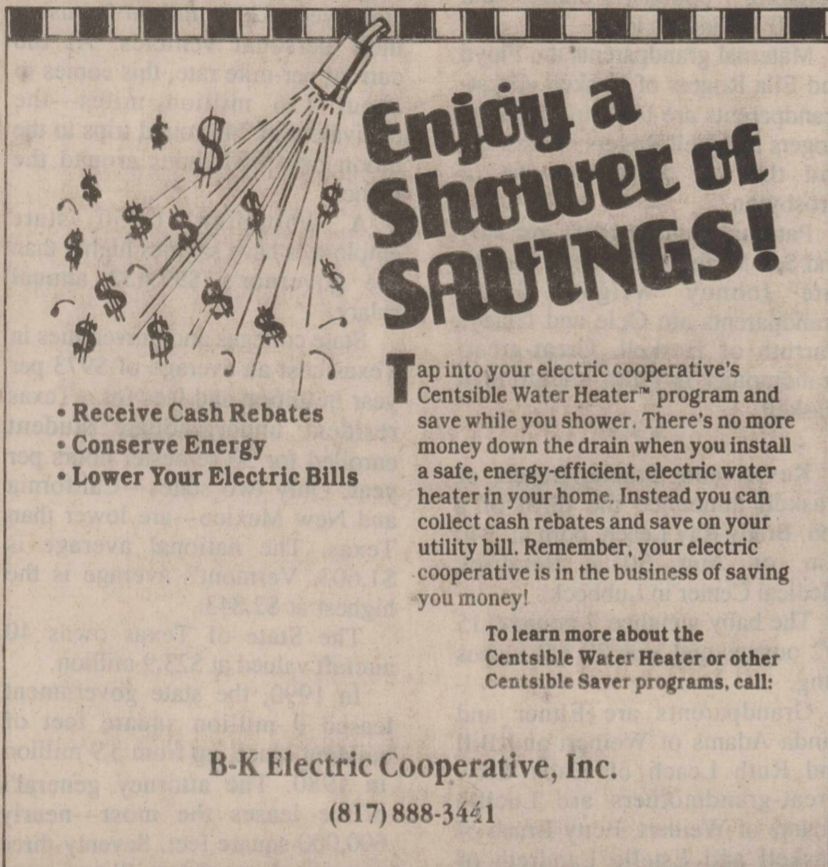

Think heart disease only affects the elderly? Think again. Each year about one sixth of all Americans killed by cardiovascular diseases are under age 65, says the American Heart Association.

Public Notice

Southwestern Bell Telephone Company (SWBT) is asking the Public Utility Commission of Texas (PUC) for approval to offer Caller ID service in Texas. This service includes Calling Number Delivery, Calling Name Delivery and Anonymous Call Rejection (ACR). This service will be deployed statewide on a staggered, city-by-city basis, over a period of years in Texas in association with residence, business single and multiline services, but not PBX, Centrex or Plexar services, where facilities are available. Caller ID is an optional service which allows a subscriber to see date, time, and the phone number (Calling Number Delivery) and/or name associated with the number (Calling Name Delivery) of most direct dialed local calls and some select long distance calls before the telephone is answered. Anonymous Call Rejection is a Caller ID service which permits a subscriber to automatically reject calls from callers who have blocked their number/name. Per-call and per-line blocking will be available when the service is deployed. Detailed information on Caller ID service and how to block will be sent to each customer in their telephone bill during the next few weeks.

Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC before October 6, 1993. Other parties may seek to also obtain Caller ID service in association with PBX, Centrex and Plexar service. A request to intervene, participate or receive further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf. For information regarding Caller ID service, residence customers should call 1-800-464-7928, and business customers should call 1-800-499-7928.

Explanation of Conversion from County Education District Taxes

County Education Districts have been abolished. In order to compare school tax rates from last year to this year, it is necessary to compare the combined school tax rate below to the school district's proposed tax rate for this year.

Last year the Haskell Consolidated Independent School District's tax rate was \$.3027.

Last year the Haskell County Education District's tax rate was .9241.

The combined School District and County Education District tax rate was 1.2268.

The proposed tax rate for Haskell Consolidated Independent School District for this year is \$1.2268, a -0- rate increase.

This notice is required by the Texas Legislature.

*The percentage increase shown in the first paragraph below may appear unusually high because it does not reflect 1992 taxes levied by the now-abolished county education district (CED). In 1992, the CED levied a portion of the taxes used for school purposes, and the school district levied the remainder of school taxes. In 1993, school districts will levy all school taxes. For an explanation of the increase, attend the public hearing scheduled below or call your school district.

NOTICE OF PUBLIC HEARING ON TAX INCREASE

The Haskell C. I. S. D. will hold a public hearing on a proposal to increase total tax revenues from properties on the tax roll in 1992 by 292 percent. Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to change in taxable value of all other property.

The public hearing will be held on September 17, 1993 at 12:00 noon in the administration building--605 N. Avenue E Haskell, Texas.

FOR the proposal: Mike Guess, Roger Moeller, Danny Josselet, Tiffen Mayfield, Bob Aycok
AGAINST: None
PRESENT and not voting: None
ABSENT: Tom Hairgrove, Bill Perry

The statement above shows the percentage increase the proposed rate represents over the effective tax rate that the unit published on August 26, 1993. The following table compares taxes on an average home in this taxing unit last year to taxes proposed on the average home this year. Again, your individual taxes may be higher or lower, depending on the taxable value of your property.

	Last Year County Education District	Last Year School District	This Year School District
Average home value	\$26,053	\$29,236	\$29,000
General exemptions available (amount available on the average home, not including senior citizen's or disabled person's exemptions)	\$ 10,210	\$ 5,000	\$ 5,000
Average taxable value	\$15,843	\$24,236	\$24,000
Tax rate	.9241	.3027/\$100	1.2268/\$100 (Proposed)
Tax	\$ 146.41	\$ 73.36	\$294.43 (Proposed)
• (Optional) Total 1992 School Taxes	\$ 219.77	(Optional) Total 1993 School Taxes	\$294.43 (Proposed)

(School districts publishing optional information must publish the following:)

This paragraph compares last year's CED and school district taxes with this year's proposed school district taxes:
Under this proposal taxes on the average home would increase by \$74.66 or 34 percent compared with last year's total school taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$-0- per \$100 of taxable value or -0- percent compared to last year's total school tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

(All school districts must publish the following:)

This paragraph compares last year's school district tax with this year's proposed school district taxes:
Under this proposal taxes on the average home would increase by \$221.07 or 301 percent compared with last year's school district taxes. Comparing tax rates without adjusting for changes in property value, the tax rate would increase by \$.9241 per \$100 of taxable value or 305 percent compared to last year's school district tax rate. These tax rate figures are not adjusted for changes in the taxable value of property.

Sidelines

The Indians had only two first downs the first half, while Munday had 5.

In the second half, Haskell got 11, and Munday had only 3.

Munday's Aaron Kiser, the game's leading rusher with 115 yards, got 92 of them in the first half. He gained only 23 in the second half.

Dustin Kiser broke even in the rushing department. He gained 11 yards and lost 11 yards on nine carries.

The game's longest run was Aaron Kiser's 41-yard sprint in the first quarter, but he fumbled at the end of the run and Kelland Riley recovered for the Indians.

The 25 penalties against the two teams may have been some kind of a record. The Moguls were whistled down 14 times for 94 yards, while the Indians were assessed 80 yards on 11 infractions.

Costliest penalty came at the end of the first half when a 46-yard touchdown pass from Matt Guess to Jason Torres was called back on a holding penalty.

Haskell clearly had the upper hand in turnovers. The Indians had one lost fumble and one intercepted pass. Munday lost four fumbles and had two passes intercepted.

Haskell's lost fumble came on a fourth down play on which the Indians would have surrendered the ball anyway.

Terrance Guess earned had the most interceptions, four. Kelland Riley, Brian Brzozowski, Bucky Harvey and Matt Perry got the recoveries.

Munday didn't complete a pass. The Moguls attempted only 4, and had 2 intercepted.

Munday has not scored on the Indians since 1991.

Jim Ned, Hamlin and Stamford, the three district 7-2A teams picked above the Indians in the pre-season, are the last three teams on the Indian schedule.

District 7-2A teams did quite well in openers last week.

Stamford and Hamlin won over 3A schools, Clyde and Merkel, Anson clobbered Olney and Jim Ned bested Baird. Along with Haskell's victory, this gave the district 5 wins. Only losers were...

Marla Phillips

Phillips accepted to med school

Marla Phillips, a 1989 graduate of Lampasas High School, has been accepted into the College of Medicine at the Texas A&M University Health Science Center. She began classes there Aug. 9.

She is the daughter of John and Jo Helen Phillips of Lampasas and the granddaughter of Helen Elliot of Haskell. She is the great-granddaughter of Jessie Cutright of Haskell.

Miss Phillips graduated cum laude from Texas A&M last May with a bachelor of science degree in zoology. In addition, she completed the qualifications to be a "University Honors Graduate" after having completed 32 hours of University Honor's classes.

As an undergraduate at A&M, she was active in many organizations, including the Delta Delta Delta sorority and the student government, where she served on the Class of 1993 Council and was a member of the Traditions Council.

After graduation, Miss Phillips plans to return to a rural community and begin a practice, perhaps in family medicine or pediatrics.

Shot clinic

The Texas Department of Health will conduct an immunization clinic from 9 a.m. to 3 p.m. next Thursday (Sept. 16) at the American Legion Hall.

A parent or legal guardian must accompany minor children.

Vaccinations will be held at the courthouse from 10 a.m. to 3 p.m. on Sept. 28.

The Haskell Indians downed a favored Eastland Maverick team 31-12 in a season opener Friday night at Indian Field.

Lanny Beauchamp of Pecos was appointed the new Haskell County court reporter and took over his duties Aug. 22.

The Rev. Joe Aalbue, pastor of the Faith Lutheran Church in Sagerton, has been named the Texas Rural Minister of the Year.

Mrs. Janice Medford Wilde, daughter of Mr. and Mrs. Jack Medford of Haskell, graduated from Texas Tech University with a bachelor's degree in accounting.

The ordination and installation of Harvey Friedel as pastor of the churches in the Haskell, Rule and Throckmorton Presbyterian Parishes was held Sunday in the First Presbyterian Church.

Mrs. Tom Yates of Weinert, Mrs. Clarence Teichelman of Sagerton and Mrs. J. I. Trussell of Haskell will attend the Texas Home Demonstration Association's 47th annual state meeting Sept. 18-20 in the Waco Convention Center at College Station.

40 Years Ago
Sept. 10, 1953

Capt. Sam Hugh Smith, USAF jet bomber pilot, has returned to the States after a three months routine assignment in England, his parents, Mr. and Mrs. Clay Smith, learned this week.

Haskell public schools began their 1953-54 session Tuesday morning with a total enrollment of 997, an increase of 62 over opening day last year.

Keith Wheatley, freshman from Haskell, is on the football roster of Western State College of Colorado in Gunnison, Colo.

First bale of cotton from the 1953 crop was ginned in Haskell today, forerunner of what is expected to be one of the largest crops in years. The bale was brought in by O. J. Tibbetts, who lives several miles northwest of town, and was ginned at the Haskell Co-op Gin.

50 Years Ago
Aug. 27, 1943

Pvt. Elbert Scheets, who has been stationed at Las Vegas, Nev., for several months, has been transferred to Indiana Springs, Nev., where he has been assigned to a motor repair unit of the Army.

Pvt. Glendon Ray Yarbrough of Rochester and Pvt. Orman Yarbrough of Rule left Aug. 17 for San Diego, Calif., where they entered a Marine training camp. The young men are cousins.

Mrs. Roy A. Sanders is in San Marcos to attend the presentation of wings of the AAF to her brother, 1st Lt. Hal Pendleton.

Dr. and Mrs. J. B. Parmelley returned Sunday from Ruidoso, N.M., where they spent several days.

Mrs. Harris Robertson and son, James Douglas, are in Fort Worth

for a visit with her parents, Mr. and Mrs. John Oldham.

60 Years Ago
Sept. 14, 1933

The first 142 checks to pay for cotton plowed up in the government's acreage control program arrived Monday, amounting to \$31,116.

State Rep. Dennis P. Ratliff left yesterday for Austin where he will attend the called session of the Legislature.

Mrs. Frank Williams returned Sunday from Wichita Falls where she spent the past week in the home of her sister, Mrs. Roy Watson.

The county tax rate was set this week by the Commissioners Court at 80 cents on the \$100 valuation, an increase of five cents over last year. The rate was based on a valuation of approximately \$8 million.

Mrs. D. Scott left Monday to visit her mother at Coleman.

The front and entrance of the Texas Theatre is being remodeled this week to make it one of the most attractive in this section.

70 Years Ago
Sept. 14, 1923

The many friends of Chas. Fouts will be glad to learn that he is improving from a serious illness with typhoid fever. He expects to be back on the job at Spencer Lumber Yard before too long.

Hackberry Slim Johnson, in charge of plans for the rodeo to be held in connection with the Haskell County Fair Sept. 27-29, said this week he had completed arrangements for a band of 50 Indians to take part in the rodeo program.

County Treasurer J. E. Walling and family have returned home from Barry, Texas, where they spent a three weeks vacation with relatives and friends.

J. E. Red of Conroe visited in the home of his daughter, Mrs. T. D. Strickland, this week. He was accompanied by his brother, H. Red of Lamesa.

90 Years Ago
Sept. 12, 1903

Walter Maloney and Frank Simmons have taken jobs on the Swenson Ranch in Throckmorton County.

Miss Myrtle Baldwin entertained a crowd of her young friends at her hospitable home Monday night.

The County Clerk reports the filing of 10 birth certificates during the month of August, four boys and six girls.

Harry Daugherty and wife of Jackboro are visiting Mrs. Daugherty's parents, Mr. and Mrs. T. D. Isbell. Mr. Daugherty was president of the Texas Cowboy Reunion when the big reunion was held here in 1898.

Our public school, or rather the pupils, are experiencing an awkward situation and many of them are suffering a loss of time from their studies on account of the absence of the proper books. They were not

ordered until school opened and may not be here for two weeks yet.

Pierre Bivins of the north side has come to town to attend our excellent schools.

James Shrum returned Tuesday and resumed his position with Terrell's Drug Store. He has been visiting his parents near Munday.

J. W. Johnson has sold his residence in the west part of town to J. L. Odell of Parker County for a cash consideration of \$1200. Mr. Odell also purchased the J. D. Roberts farm and ranch of 738 acres in the northeast part of the county for \$5100.

-BIRTHS-

Perry and Darlia Wright of Haskell are pleased to announce the arrival of their daughter, Lora Deneice. She was born Aug. 23, weighing 7 pounds, 5 ounces, and was 20 1/2 inches long.

Maternal grandparents are Floyd and Ella Rogers of Haskell. Great-grandparents are the late Floyd M. Rogers and Nell Rogers of Haskell, and the late Lora Gowens of Crosbyton.

Paternal grandparents are Roy and Sue Wright of Abilene and the late Johnny Wright. Great-grandparents are Ocie and Gladys Carruth of Haskell. Great-great-grandmother is Edith Langford of Haskell.

Kevin and Stacia Leach of Haskell announce the birth of a son, Brady Ray Leach, born at 7:40 a.m. on Aug. 30 at Hendrick Medical Center in Lubbock.

The baby weighed 7 pounds, 15 1/2 ounces and was 20 1/2 inches long.

Grandparents are Elmer and Linda Adams of Weinert and Bill and Ruth Leach of Knox City. Great-grandmothers are Lucille Adams of Weinert, Betty Bruce of Haskell and Estelle Landreth of Knox City.

Cross country team takes 5th

A Haskell High School cross country team came in fifth in a 45-team field in a meet Saturday in Abilene with a time of 27:24.

Team members were Tréci Burson, Charissa Huff, Tonya Burson and Jennifer Comedy. All four teams finishing ahead of the Haskell team were from 5A schools, two from San Angelo Central, and one each from Abilene High and Abilene Cooper.

A second Haskell team placed 31st with a time of 31:53. On this team were Heather Hobgood, Dacia Phemister, Heather Guess and Rebecca Unger.

This Saturday, Haskell will compete in a meet at Abilene Christian University.

Smokers have more than twice the risk of heart attack as nonsmokers, and smokers have a greater risk of stroke, too, according to the American Heart Association. Chronic exposure to environmental tobacco smoke (passive smoking) also contributes to the risk of heart disease in nonsmokers.

BY WENDELL FAUGHT

Some things you'd never know if you didn't clean off your desk every now and then.

Like these gems from a mailing from state comptroller John Sharp:

As of Feb. 28 of this year, Texas had the equivalent of 226,000 full-time state employees--125 per 10,000 residents. The national average is 149.

Texas ranks 50th in per capita spending for environmental protection.

In 1990, Texas received \$5.9 billion in federal funding, putting us 47th among the states in the amount of federal money received per capita.

The State of Texas owns more than 25,000 vehicles, which are maintained and repaired by 167 state-run shops. The vehicles include 7,861 pickups, 5,572 trucks, 5,178 sedans, 2,433 vans, 1,566 station wagons, 372 buses, 154 motorcycles and 62 ambulances.

In FY1990, the state reimbursed employees \$29.1 million for using their personal vehicles. At the current per-mile rate, this comes to about 116 million miles--the equivalent of 243 round trips to the moon or 4,640 times around the planet.

A whopping 1,950 state employees have salaries higher than the governor's \$93,432 annual salary.

State colleges and universities in Texas cost an average of \$973 per year in tuition and fees for a Texas resident undergraduate student enrolled for 30 semester hours per year. Only two states--California and New Mexico--are lower than Texas. The national average is \$1,603. Vermont's average is the highest at \$2,843.

The State of Texas owns 40 aircraft valued at \$23.9 million.

In 1990, the state government leased 9 million square feet of building space, up from 5.9 million in 1980. The attorney general's office leases the most--nearly 600,000 square feet. Seventy-three agencies lease 2.6 million square feet in Travis County alone.

The state spends about \$49 million a year for legal services, all but \$3 million of it for in-house attorneys.

The state government has 14 primary agencies providing health and human services through 303 different programs in 12 broad function areas. (Eleven other agencies are involved in at least some activities that overlap the primary agencies.) There are never fewer than four agencies involved in providing any major human service program; 12 of the 14 primary agencies, for example, are involved in job training and placement programs.

During FY 1990, the State of Texas spent \$630,000 for employees traveling to foreign countries.

It costs the Texas Department of Highways and Public Transportation \$1.09 to make on license plate.

In 1990, state agencies spent \$50.5 million for postage services. First-class mail from Austin accounted for 48.6 percent of the total. Between 1988 and 1990, the volume of mail processed by Austin-area state agencies increased from 74.6 million pieces to 95.4 million.

--Letters to the Editor--

School tax rate

Editor: A required tax notice published today may leave many local taxpayers totally confused and alarmed.

The notice incorrectly states that school tax revenues will grow by 292 percent.

School officials are required by state law to publish this notice. Although this state law makes no sense, the school district is required to comply.

Due to a drafting oversight in the new school finance law, the notice significantly understates the tax rate for last year, producing a misleading comparison between last year's and this year's school taxes. Under the previous school finance law, the county education district (CED) levied part of the taxes used for operating schools, and the school district levied the rest. Under the new law, CEDs are eliminated and all school taxes are levied by the school district.

Last year, the CED imposed a tax rate of 92.41 cents per \$100 valuation, and the Haskell CISD imposed a rate of 30.27 cents for a combined rate of \$1.2268. This year the Haskell CISD is proposing a tax rate of \$1.2268---a 0 percent

increase in the tax rate.

Because of the oversight in the new law, the district is required to report that tax revenues will increase by 292 percent, when in reality the rate will not increase.

To help taxpayers understand this misleading information, the Haskell CISD is publishing an advertisement that more clearly compares last year's combined tax rate with this year's proposed rate.

William H. Stewart, Jr.
Superintendent
Haskell CISD

No answer

Editor: Why can't we dial 911 and get an answer?

A plane was spraying cotton next to our farm (3 1/2 miles northeast of Rochester) and developed engine trouble. In trying to land, the plane flipped over. We found later the pilot only had minor injuries.

We called 911 seeking help, but go no answer. Is this not why 911 was established---to call for help when needed?

Who do we need to contact about this problem?
Edwin and Frieda Fly

TAX PLANNING

Written By
Richard E. Rodgers, CPA

WHO WILL PAY MORE INCOME TAX?

Based on a 1993 taxable income of less than \$140,000, you will not be affected by the new tax law's higher income tax rates. Here is the before and after impact on three couples with different tax status incomes. (Tax is income after taking all exemptions and deductions)

Income tax payable before the new tax law		Couple #1	Couple #2	Couple #3
Income	Tax			
\$0-\$20,000	0%	\$0	\$0	\$0
\$20,000-\$30,000	15%	\$5,535	\$ 5,535	\$ 5,535
\$30,000-\$40,000	28%	\$3,667	\$14,630	\$ 14,630
\$40,000-\$50,000	31%	0	\$84,364	\$ 86,364
Total tax		\$9,203	\$54,529	\$116,529

Income tax payable after the new tax law		Couple #1	Couple #2	Couple #3
Income	Tax			
\$0-\$20,000	0%	\$0	\$0	\$0
\$20,000-\$30,000	15%	\$5,535	\$ 5,535	\$ 5,535
\$30,000-\$40,000	28%	\$3,667	\$14,630	\$ 14,630
\$40,000-\$50,000	31%	0	\$15,764	\$ 15,764
\$50,000-\$60,000	36%	0	\$21,600	\$ 39,600
\$60,000-\$70,000	41%	0	\$59,400	\$ 59,400
Total tax		\$9,203	\$57,529	\$134,929

As you can see, the new tax law will affect everyone, about \$30 a year more per couple. However, the new tax law will benefit from the expansion of the new 31% rate. Those who take deductions for business expenses will benefit from the new law.

Rochester downs Paint Creek 51-37

Rochester's Steers opened the 1993 football season Friday night with a 51-37 come-from-behind victory over the Paint Creek Pirates.

The Pirates led 8-6 at the end of the first quarter, and 23-12 at halftime, before the Steers pushed across three third-period touchdowns.

Paint Creek scored first on a 26-yard run by Tony Martinez. John Waters kicked the extra point to put the Pirates out front 8-0.

Rochester countered on a 33-yard scoring pass from Mark Brown to Shannon King, but a failed extra point attempt left the score at 8-6.

The Pirates made it 16-6 on Martinez' 14-yard run and Waters' kick in the second period. The Steers narrowed it to 16-12 on Brown's 22-yard touchdown run, but the Pirates came right back when George Mayan scored from the 5 and Waters ran over the extra point to make it 23-12, where the score remained at halftime.

The Steers scored three unanswered touchdowns in the third period, with Brown involved in all three. He passed 18 yards to Kyle Hollingsworth for one score and then had touchdown runs of 1 and

36 yards as the Steers took the lead, 32-23.

Brown continued his rampage in the fourth quarter, running 27 yards for another score, but Martinez returned the ensuing kickoff 72 yards for a Paint Creek score. Brown scored again on a 6-yard run and Martinez countered with a 7-run touchdown run, before Rochester closed out the scoring on a 53-yard pass from King to Brown.

Brown gained 150 yards rushing on 18 carries and completed 11 of 14 passes for 274 yards. King caught five passes for 127 yards.

Brown also was the leading tackler with 17. Arnold DeleCruz had 11 tackles and a fumble recovery. King recovered a fumble and intercepted a pass.

This Friday, the Steers will play at Moran.

Pay the grocer

Austin Community College fund that 15 to 20 percent of those registering for classes with touch-tone phones failed to pay their fees.

To make payment more simple, ACC has contracted with the HEB grocery chain to provide 18 payment stations throughout the area.

Simmons family gathers

The Simmons family enjoyed a family reunion Sept. 4-5 in Knox City.

Attending were:

Delma Lee Howell, Lottie Wells of Brownfield, Wayne, Sissy and Jessica Jackson of Breckenridge; Faye Scheets of Haskell, Ina Jean Aycock of Haskell, Corky Murdock and children of Gainesville, Janice Smith and Brandon Isbell of Haskell.

Wallace Aycock of Haskell, Ray Howell of Abilene, Stella Story of Haskell, Lola Park of Knox City, Roy D. Simmons of Houston, Linda, Guy, Crystal and Amber Pack of Kilgore.

Barbara, Jackie, Chelsey and Clarissa Ingle of Plainview, Ark., Carol and Sherman Tippy of Plainview, Ark., Hobert Story of Haskell, Larry, Donna, Derek, Dawn and Stephen Billingsley of Brownfield.

Milton Simmons of Knox City, Wayne Jackson of Breckenridge, W. C. Scheets of Haskell, Delton, Janice, Clay and Mary Frances of Perrin, Linda Burks of Lancaster, and Alice and Larry Aycock and Paula Courtney of San Antonio.

--Haskell Nursing Center--

By Betty Hearn
Activity Director

Haskell Nursing Center recently surprised the Gospel Singers with home-made ice cream.

After the singing on Aug. 17, residents and employees had ice cream. Also, thanks to Rita Moony Laela Martin and Janis Payne.

We lost three of our residents in August--Bruce McCain, T. W. Free and Eleanore Wheeler. We will miss them very much.

Our most recent residents are Velma Hatfield of Abilene and Sharon Grissom of Knox City. We welcome them to our facility.

Callie Robison has been in Hendrick Medical Center having knee surgery and we have missed her very much. She will be back

with us soon. She will be taking therapy, which is offered in our nursing facility.

We want to thank Bertie Fischer for demonstrating and helping the residents in making "bead bracelets" in our craft activity. We dropped a lot of beads but we came up with pretty bracelets.

We would like to welcome the "Special Life Kids" and their teachers, Donita Hudgens and Roberta Jenkins back from summer vacation. We missed them coming to see us. They will be helping us in crafts and bingo, also visiting in the rooms on Tuesday mornings.

Haskell Nursing Center appreciates all who volunteer at our facility.

MILES OF SMILES

When it comes to our assets, our customers are #1 with us.

That's why we make customer service our top priority. That's why we treat our customers with courtesy and respect. That's why we make banking as hassle-free as possible.

And that's also why you'll prefer banking with us.

Famed pastry chef to present program

Haskell Progressive Study Club will begin the 1993-94 club year with a gala buffet tonight (Thursday) in the Haskell National Bank community room. It begins at 7.

The program will be presented by Douglas Ray, head pastry chef for the six Harvey Hotels in Dallas.

The 32-year-old former Knox City resident, won three individual medals--two gold and one silver--at last year's Culinary Olympics in Frankfurt, Germany.

The Olympics, held every four years, is "The Show" for top-notch cooks with "egos the size of 747s," Douglas said.

After leaving Knox City in 1979, Douglas went to Southwest Texas State University in San Marcos where he said he "changed majors about 10 times." While in school, Douglas said he liked working in restaurants better than he liked college so he left San Marcos and headed for Hyde Park, N.Y., to attend the Culinary

Institute of America.

Graduating 26 months later, he went to Dallas where he has been employed by the Harvey Hotels ever since.

Douglas' contributions to his team's Olympic dreams are distinctly western, perhaps an inheritance from his Knox County roots.

One of his entries was a 3-foot tall chocolate cowboy sculpture. Bracing his body against the West Texas wind, the cowboy holds a cup of coffee in one hand and uses the other to keep his hat on his head. Another chocolate sculpture was of the cowboy's wife, holding a baby and also fighting the ubiquitous wind.

Every man's work, whether it be literature or music or pictures or architecture or anything else, is always a portrait of himself.

Samuel Butler

Haskell School Menu

Sept. 13-17

Note: Milk and tea offered daily.

Menus subject to change

FHA elects new officers

Katy Martin was elected president of the Haskell chapter of Future Homemakers of America when the organization held its first official meeting last Friday.

Other officers are Melanie Michaels, vice president; Sarah Cothron, treasurer; Amy Cunningham, secretary/reporter; Tonya Burson, recreation director; and Joyce Wallis and Mike Hild, publicity chairmen.

Eighth-grade representatives are Amanda Cothron, Cristal Mendoza and Katie Camp.

"We are looking forward to a busy, but productive and exciting school year," said Wanda Thompson, sponsor.

Retired teachers meet Wednesday

The Haskell County unit of the Texas Retired Teachers Association will have its first meeting of the school year at noon next Wednesday (Sept. 15) at Kountry Kookin'.

A dutch-treat luncheon will precede a business meeting to be conducted by David Middleton, president. Several awards from the state association will be presented at that time.

All retired teachers, including those newly retired, and all other retired school personnel are urged to attend.

Used air filters save state money

Since September 1990, the Texas Department of Transportation's Dallas district has contracted with a private company that cleans used air filters from their vehicle fleet and heavy equipment.

The filters are returned to "like new" condition and reused, reducing the agency's need to buy new ones.

Since the program began, the cleaning process has saved the state some \$5,800 and eliminated 3.3 tons of solid waste that would otherwise have been buried in Texas landfills.

PHARMACY NEWS

By Elbert Johnson,
Registered Pharmacist

For Choc-aholics Only: Although chocolate contains a substance that occurs naturally in the brain and is associated with feelings of happiness or love, chocolate will not increase its levels in people's brains. While chocolate does contain caffeine, it is not nearly as much as in coffee. Scientific studies have shown that chocolate does not cause or aggravate acne, although it does contain a large amount of fat. Unprocessed carob flour contains less fat than chocolate, but a carob bar may have more saturated fat than a chocolate bar.

Notice

of Vote on Tax Rate

The North Central Texas Municipal Water Authority conducted a public hearing on a proposal to increase your property taxes by 11.2 percent on September 2, 1993.

The North Central Texas Municipal Water Authority Board of Directors is scheduled to vote on the tax rate at a public meeting to be held on September 14, 1993, at 7:00 p.m. in the Water Authority offices located at 145 North Munday Avenue, Munday, Texas 76371.

Chairmen named for rehab Roundup

Bob Aycock, Gary Tate and Robert Weaver are among 250 area ranchers and community leaders who will serve as chairmen for the 34th annual Cattlemen's Round-Up for the benefit of the West Texas Rehabilitation Center.

These Haskell County supporters will be asking neighbors in the area to donate livestock to be sold at a series of special auctions during September and October.

Proceeds from these sales help WTRC provide out-patient rehabilitation services, through facilities in Abilene and San Angelo, to more than 13,000 children and adults with disabilities.

Schedule sales and dates for the 1993 Round-Up include:

Sept. 23: Cattle sale, Producer's Livestock Auction, San Angelo.

Sept. 28: Cattle sale, Abilene Auction.

Oct. 4: Pig sale, Wylie High School FFA Barn.

Oct. 6: Special sale, Stephenville Cattle Co.

Oct. 9: Horse Sale, Abilene Auction.

Oct. 13: Special sale, Coleman Auction; Oct. 14: Special sale, Jordan Auction, San Saba; Oct. 19: Special sale, Eastland Livestock Auction; Oct. 23: Special sale, Colorado City Auction.

Oct. 15: Sheep and goat sale, Junction Stockyards.

"Every day West Texas Rehabilitation Center treats more

than 600 of our friends and neighbors," said James (Jim) Alexander, CRR general chairman. "Donating one or more animals is a good way to help the Rehab Center provide this care. I hope that folks will respond generously when a volunteer CRR chairman calls on them to help."

Now in its 40th year of operation, West Texas Rehabilitation Center has always provided its services to individuals without regard for age, race, origin or financial circumstances. A staff of 185 trained professionals delivers quality care in physical therapy, occupational therapy, speech pathology, audiology, orthotics, work evaluation/work hardening and support services.

Not only is the Cattlemen's Round-Up the center's oldest annual fund-raising event, it captures the neighbor-helping-neighbor spirit that enabled settlers who came to this country more than a century ago to survive.

New hope for prostate cancer

An improved surgical technique is giving new hope for patients with locally advanced prostate cancer at The University of Texas M.D. Anderson Cancer Center in Houston.

The technique is called cryosurgery--a minimally invasive treatment that uses a device to freeze and destroy cancerous tumors. M.D. Anderson uses cryosurgery to treat prostate cancer patients who failed radiation therapy and whose disease has not spread.

Conventional therapies for prostate cancer include surgery, radiation and sometimes chemotherapy. For some patients, the potential complications of a prostatectomy followed by 4-5 weeks' hospitalization outweigh its effectiveness. With cryosurgery, most patients resume normal activities within 48 hours.

The whole difference between construction and creation is exactly this: that a thing constructed can only be loved after it is constructed; but a thing created is loved before it exists.

--Gilbert Keith Chesterton
