Shave legs

Jimmy Lisle and Greg Melton didn't get their hair cut last Thursday, but they did the next best thing by shaving their legs in a show of spirit for the Indian football team.

### Indians to host Hamlin in home finale Friday

They're talented. They're big.

They're fast.

They're well coached. And, not surprisingly, they're

"They" are the Hamlin Pied Pipers who furnish the opposition Friday night for the Indians in Haskell's final home game of the

It will be a battle between two teams which have been going in opposite directions. Hamlin has steamrollered past eight straight opponents, including five district foes, while the Indians, 3-3-2 (1-3-1 in district) have struggled since opening the season with two straight wins.

Hamlin can wrap up a playoff spot with a win here Friday, while a victory by the Indians would add a little lustre to an otherwise disappointing season.

The Indians played one of their better games last Friday in a 26-9 losing effort at Jim Ned.

The game was much closer than indicated by the score, as Jim Ned scored twice in the final three minutes to break open what had been a very close contest.

A lost fumble at the Jim Ned 1yard line in the first period and some costly penalties slowed down Haskell's momentum.

Haskell struck first when Casey Larned booted a 27-yard field goal in the first quarter. In the second period, Mart Guess threw a 24-yard scoring pass to Larned to stake the Indians to a 9-0 lead.

Jim Ned got its first score just 46 seconds before halftime when Larry Trevino scored from a yard out, leaving the Indians on top, 9-6, at intermission.

Jim Ned took a 12-9 lead in the third period when Trevino scored on a 5-yard run.

That was all the scoring until late in the game when Trevino scored again on a 2-yard run with just 3:12 to play. Jim Ned's final touchdown came with just 22 seconds left as Jake Pemberton ran 11 yards for the score.

Haskell came out in a wishbone with Justin Lisle and Robert Huff in the halfback slots and Chris Silvas at fullback. Huff responded with 81 yards in 16 carries to lead all rushers.

Coach Walter Hargrove praised the offensive line which he said controlled the line of scrimmage all night. Playing there were Deon Walker, Bucky Harvey, Jamie Hodgin, Brandon McFadden, Stacy Walker, Matt Perry, Cody Cooley and Brian Brzozowski.

Also coming in for praise was the defensive crew which also controlled the line, Walker, Perry, Brzozowski, Harvey and Cooley

Perry was the leading tackler for the Indians, getting 11 tackles, one more than Walker and Ryan Olson. Brzozowski had 9 tackles, Harvey had 8 and Martin Limones had 7.

Perry recovered two Jim Ned fumbles. Jonathan Tatum was credited with forcing one of the fumbles, while Harvey and Olson collaborated to cause the other.

### Spook house Saturday

The Halloween Carnival opens at 6 p.m. and will continue until 9. There will be games, prizes, cake walks and other fun for children of all ages. There is no charge to enter; games will be 50 cents. The association is a non-profit organization. All proceeds will be used for scholarships.

Anyone wishing to work with the organization or donate money may call 864-3703 or 864-3340.

### County voters to help decide amendments

Haskell County voters will join those from throughout Texas next Tuesday in determining the fate of 16 proposed constitutional amendments.

Voting in Haskell County's seven precincts will be from 7 a.m.

Early voting (absentee) opened Oct. 13 and will remain open through this Friday. As of Monday afternoon, only 16 persons had voted early, said County Clerk Rhonda Moeller.

Locations of polling places will

Precinct 1: St. George Catholic Church in Haskell.

Precinct 2: Haskell County Library in Haskell.

Precinct 3: Extension Building in Haskell. Precinct 4: Experienced Citizens

Center in Haskell. Precinct 5: Lions Club Building

in Rule. Precinct 6: Home State Bank in

Rochester. Precinct 7: Gin office in

O'Brien. Precinct 8: Weinert School in

Precinct 9: Ag Building in Paint

Precinct 10: Community Building in Sagerton.

The proposed amendments will be the only items appearing on the ballot. Voters will simply cast "for" or "against" votes on the amendments.

Brief descriptions of the proposed amendments follow:

No. 1 would authorize the legislature to provide for \$50 million of general obligation bonds for the recovery and further development of the state's economy and for increasing job opportunities and other benefits for Texas residents through state financing of the start-up costs of historically under-utilized businesses.

No. 2 would promote the reduction of pollution and encourage the preservation of jobs by authorizing the exemption from ad valorem taxation of real and personal property used for the control of air, water, or land pollution.

No. 3 would provide for the clearing of land titles by the release of a state claim in a fractional interest, arising out of the voiding of an interest under a Mexican land grant, to the owners of certain property in Fort Bend and Austin counties.

No. 4 prohibit a personal income tax without voter approval and, if an income tax is enacted, dedicate the revenue to education and limit the rate of local school

No. 5 would allow the legislature to prescribe the qualifications of sheriffs. No. 6 would abolish the office

of county surveyor in Jackson

No. 7 would repeal certain restrictions on the ability of corporations to raise capital.

No. 8 would abolish the office of county surveyor in McLennan

No. 9 would modify the provisions for the redemption of real property sold at a tax sale.

No. 10 would authorize issuance of \$750 million in general obligation bonds to augment the Veterans' Land Fund and the Veterans' Housing Assistance Fund and to fund the Veterans' Assistance

No. 11 would provide that the trustees of a local public pension system must administer the system

### **Therapist** joins staff at center

Aimee Bowman has joined Haskell Nursing Center as a full time physical therapist. Originally from Childress where

she graduated from high school, Mrs. Bowman is a 1987 graduate of Texas Tech University. She formerly was associated

with the Mercy Regional Medical Center in Laredo, a nursing home in Beeville and an out-patient clinic in Alice. She and her husband, Greg

Bowman, have lived in Old Glory since June. He is with the Soil Conservation Service in Aspermont. Mrs. Bowman is the first

resident physical therapist at the Haskell Nursing Center. Previously, physical therapy was contracted.

As therapist, Mrs. Bowman will help restore patients to the normal functions after suffering fractured hips and knees, strokes, or other illnesses and injuries.

### Former Haskell woman part of thriving business

Corpus Christi Caller-Times

SINTON--The Country Cornerstone Co-Op is bulging at the walls---something neither Pat Mickler nor Teri Mayo thought possible a couple of years ago.

"My husband, Jim, is the head football coach here," Mickler said. "When we moved here from Haskell in 1989, I didn't know anybody. I had operated my own beauty shop in Haskell for nine years. I know I can't work for anyone else. I began looking for something to do."

Mickler had seen Mayo, who Tives in Taft, at the Sinton First Baptist Church, where both are members. The co-op venture drew them together.

"I had been in business for myself, working out of my house and four years in a Corpus Christi co-op," Mayo said. "The Sinton coop was Pat's idea, and I wanted to be part of it."

Mayo's 10 years' experience operating her own business has been invaluable, Mickler said.

Mickler wasn't sure what type of

business would succeed in Sinton.

"I prayed a lot. We both are Christians. I put it in God's hands. He gave me the idea of starting the co-op. I was advised by some people that it wouldn't work in a small town. I talked to Teri, and we decided to go ahead," Mickler said. "We had 10 ladies in three weeks join the co-op. We opened for business three weeks later."

Sinton, the county seat of San Patricio County, has about 5,000 The co-op now offers a variety

of goods and services. Mickler has a beauty shop.

Mayo sells her homemade fudge, jewelry of her own creation and Other booths include art lessons,

homemade foods, antiques, artwork, clothing, collectibles, gift baskets, hand-painted accessories, handmade jewelry, belts, seasonal gifts, a small farmers' market stocking specialty foods, novelty gifts and housewares.

"Each vendor has a room they can decorate to suit their own taste," Mickler said. "We rent space

by the square foot and pay all the operating expenses. We operate the co-op like a business."

Mickler said the co-op opened in 1990 in a 1,500-square-foot building. "It looked very large. I was afraid we wouldn't be able to fill the space," Mickler said.

The co-op stayed in the first location until October 1991 when it moved a couple of blocks to 207 W. Sinton St., near the courthouse.

"We outgrew that building and moved here. This building has 10,000 square feet, and we are full," Mickler said. "We started with 10 dealers. We now have 52 shops. We never dreamed it would get this

Space is rented to vendors from Sinton, Taft, Victoria, Three Rivers, Refugio, Beeville, Mathis, Ingleside, Calallen, Sinton and

"We have customers from all over, mainly through word-ofmouth advertising," Mickler said. "We were the first new shop downtown in quite a while, More stores now have opened, helping draw customers to Sinton."

### **Short haircuts**

Parents, coaches and school officials got short haircuts last Thursday in an effort to create spirit for the Haskell-Jim Ned game. Shown with the cheerleaders are, front row from left, Trey Burson, Bob Aycock, Richard Cooley, Buddy Cypert, Phil Henshaw, Tom Hairgrove; back row, Walter Hargrove, Alan Phillips, Mike Guess, John Foster, Bill Stewart, Sammy Larned and Dale Huff.

# Club program features arrangements

The Haskell National Bank community building was the setting for the October meeting of the Haskell Garden Club. Mrs. Mona Gibson presided, with roll call, and order of business. The District VIII fall meeting will be held in Abilene Nov. 5-6.

"Autumn Leaves" was the theme of the program. "Sensational Centerpieces" was presented by Mrs. Florence Peden, and Mrs. Martha Bruns. Dried and fresh arrangements were featured. Seasonal arrangements included Halloween, Thanksgiving and Christmas centerpieces. Mums were used extensively along with carved pumpkins, candles and figurines.

An evergreen arrangement in a grapevine basket with ceramic angel served the Christmas theme.

Halloween arrangements included a hollowed-out pumpkin with outdoor dried plants, bronze mums, okra pods, Indian corn, gourds and canna leaves. A cut-out cat pumpkin arrangement featured mums, "China Doll" greenery and "Indian Corn".

A Thanksgiving arrangement of a wooden brown turkey with a beige straw cornucopia with gourds and autumnal fruits and vegetables was displayed. A colorful fresh vegetable basket coordinated various groupings.

An aqua-blue, beige and red Mexican centerpiece featured cactus, rocks, votive candles and a colorful mission. A miniature arrangement of carnations, mums and periwinkles for home and gift giving, Victorian centerpieces incorporating pearls, handkerchief, family picture and a grapevine wreath with scarlet cardinals, dried flowers and dark green candles were

arrangements presented by these

Mrs. Peden noted that now is a good time to go into the woods or pastures to collect dried materials. The materials need to be bunched together, tied with a heavy string, hung upside down, and hung in a cool, dry, safe place for drying for future use.

Mrs. Bruns added that when hollowing out and de-seeding a pumpkin, to use petroleum jelly on the inside surface to keep the pumpkin from drying too quickly. Certain cardinal rules of flower arranging and structure were stressed. In designing, color, texture, size, shape, character and placement are key ingredients to lovely arrangements.

Mrs. Helen Cox spoke on "Winterizing Your Pot Plants," stressing that now is the time to bring outdoor plants inside for the winter. Mulch outdoor flower beds, especially fragile flower and bulb beds. Leaves, hay and debris from compost piles work very well. Moldy composts are useful because they contain certain plant enzymes useful to the soil and to established plants.

"Insects in Plants and Garden" was given by Mrs. Earnestine Dickson. A solution of dish detergent and water should be placed on all insect-laden plants, especially before bringing them indoors, for proper care of houseplants. Prune and shape plants; discard damaged leaves, stems and wood. Check all foliage on outdoor plants, and preferably use organic insecticides to kill harmful insects. Use chemicals only when necessary.

Also, some members brought floral arrangements, bouganvilla, accenting plants, sedum, a floral of

cattail, cockscomb and driftwood, and told about each.

Hostesses were Mrs. Neat Bevel and Mrs. Peggy Burnett. Cake, party crackers and dip, and hot tea were enjoyed by the ladies.

A reminder that for those wishing to plant potatoes, turnips, onions, carrots, beets or other root crops, that early November is the proper planting time.

Evergreens and other conifers need lots of water in the fall; these plants grow roots in the dormant months of winter. Don't allow them to get too dry.

Current research at the University of Kentucky indicates that termites are seldom, if ever, found in bark mulch, so it can be used near the foundation of a home.

As winter nears, stockpile firewood ahead of time. Firewood should not be stacked near the house or other buildings. Cut wood attracts mice, rats, insects and snakes. Termites and carpenter ants love cut wood, and use it to enter your home through cracks next to the wood pile.

### **Child Welfare Board**

The Haskell County Child Welfare Board met Oct. 19 in the Department of Protective and Regulatory Services.

Chairman Julian Estrada called the meeting to order. Four other members were present; also Linda Haynes, DPR supervisor, and Sharla Jetton, children's protective services specialist. Miss Jetton has been added to the staff recently.

Treasurer Sue Miller was happy to report that \$50 had been received from the voluntary jury fees. This was the first time the board had received fees and the board wishes to express thanks to Sheriff Johnny Mills for his cooperation. A number of surrounding counties had had this plan for several years. The board would like to thank those who donated their fees. At the September meeting, the board donated to a family who has a foster child of school age.

The remainder of the meeting concerned plans for Christmas. There is a need for a place large enough to sort clothing and toys according to sizes and ages and can be locked up. Tom Long

volunteered to contact those who have buildings that could be used.

The resignation of Nancy Toliver was accepted with regrets. Several names were presented as potential members. Mrs. Haynes will prepare a flyer with help from Sue Miller to be passed out to various groups.

The board again will be taking pictures of children with Santa Claus on Super Saturday, Dec. 11.

Harold J. Cloud, and her son, Lt.
Merle M. Cloud, USAC, was
missing in action during World War

Two children survive her, Joe B. Cloud of Rule and Helen Cloud Westbrook of Tulsa, Okla.

Mrs. Cloud was a past president and life member of the Philadelphian Club. She also was a longtime member of the Garden Club.

Mrs. Cloud was lovingly known as "Nana" to her five grandchildren: Joe Harold Cloud, Cynthia Westbrook Greer, Caron Cloud Thornbury, Clyvia Westbrook and Celia Westbrook Scoggins. "Nonnie" was great-grandmother to Jason Jack Greer, Jared A. Greer, Angela Thornbury, Scott Thornbury, Somer Scoggins, Jacqueline Scoggins and Jack Dillon Scoggins.

Her Christian influence, strength in character and genuineness were a source of joy and strength to all who knew her. Nana's precious smile and strong spirit were with her until her peaceful death.

Funeral services were held Tuesday, Oct. 26, at the First Baptist Church in Rule with the Rev. J. R. Williams officiating. Interment was in Rule Cemetery, directed by McCauley-Robison Funeral Home.

Pallbearers were L. W. Jones Jr., Lee Roy Wilson, Pete Kittley, James A. Lisle Jr., R. C. Pool and Jerry Saffel.

### -- Haskell Nursing Center-

Haskell Nursing Center is still in the middle of redecorating. It is beginning to look very nice.

We lost Mrs. Ora Johnston last week. She passed away last Monday. We will really miss her.

Rita Mooney was surprised last week on Boss' Day. Rita has recently moved from Stamford to Seymour to be nearer their farm, but she will have a longer drive to Haskell.

Diane Anderson's birthday was celebrated with a chocolate cherry birthday cake, homemade by Kathryn Matysiak. Thanks, Kathryn.

Rochester's FHA girls came

recently to bring pumpkin and witch cups filled with popcorn. Thank you girls. The residents like popcorn.

Mamie Huntsman's son-in-law, Cracker Ballard, and grandson, Lanny Ballard, visited Friday and helped her play bingo.

Fanny Wilson was in the hospital over the weekend but is back this week.

Snooks Townsend had his three sisters and a brother visit last week: Mr. and Mrs. Merworth, Johnnie Holland and Buck Townsend, also a niece, Deffie Fairchild.

Grace Bishop visited with Johnnie Love Friday.

Mr. Koonce and Mr. Kreger went with Cindy Guess to the football game Thursday night to watch Cindy's son play. It was cold up in the bleachers, but they bundled up.

Several residents and Betty Hearn went to East Side Baptist services and luncheon Thursday. Haskell Nursing Center really appreciates your time and the care you provide every month for our residents.

### Recalls Haskell

Editor: I have a clipping from your newspaper from 1974 regarding the preparation and start up (and training of employees) for a company named Herman Marcus.

I was the training specialist and production manager, and resided in Haskell for a few months before moving on to start up some operations for another company.

On Wednesday, Nov. 3, my wife and I will be on our way to the Texas Beekeepers meeting in Odessa. We plan to come by Haskell.

I have pleasant memories of living there, and knowing many fine people. I remember a special day at the golf course and country club where many good friends had a field day and picnic.

As every citizen has become painfully aware, far too many violent criminals are released from prison prematurely because we have too few prison cells. Lesser offenders frequently spend little or no actual time in prison for the same reason. Local property taxpayers are paying thousands of dollars a day to keep state prisoners in county jails, again for the same

Proposition 14 will provide the State of Texas with the resources to carry out new, more effective criminal justice initiatives. We cannot only assure that violent criminals will spend more time behind bars, but that thugs and thieves will actually be incarcerated for determinate sentences thanks to the new "state jail" concept.

In addition, Proposition 14 will help get effective treatment for those with mental illness and mental retardation so that they do not become a part of our permanent prison population. Proposition 14 will give us an opportunity to break the cycle of crime by funding effective drug intervention.

I truly believe Proposition 14 may be the single most important issue to the future and security of our state and I strongly believe it is every citizen's duty to make the effort to go the polls next Tuesday and assure passage of Proposition

## --Sagerton--

by Alice Bredthauer Guests in the home of Mr. and Mrs. Charles Clark Wednesday night of last week were Mr. and Mrs. J. B. Toney, Mr. and Mrs. F. A. Ulmer, Joe Clark, Mr. and Mrs. Delbert LeFevre, Aline Summers and Carl Hunt. They enjoyed a sandwich supper and viewed the video tape that the LeFevres made on their trip to Great Britain this summer.

Mr. and Mrs. F. A. Ulmer were in Katy, Tx. last weekend for the wedding of their granddaughter, Paige Ulmer.

Our community was saddened last week to hear of the death of one of our former residents. Mildred Jordan of Tahoka. Mildred was well respected in our community. She was always willing to help with community projects, and she did it with a smile. She was treasurer of the Sagerton Methodist Church for many years. She and her late husband, Harvie, managed the Sagerton Gin.

She is survived by two sons, Larry of Lubbock and Harvie Lee of Austin, five grandchildren.

Things of interest in our community coming up soon are: Oct. 28: Friendship dinner at

noon at Faith Lutheran Church. Oct. 30: 25th anniversary celebration at Faith Lutheran Church with lunch at the Sagerton Community Center.

Nov. 2: The Community Center get together pot luck supper will be at the Community Center following the election. Eat at 7:30. Everyone invited!

Nov. 11: Community Friendship Luncheon at 12 noon at Faith Lutheran Church. This is our Thanksgiving meal for our community. The turkeys will be furnished by C. E. Stegemoeller and everyone is asked to bring the trimmings. Everyone welcome.

Nov. 13: Sagerton Hobby Club Bazaar at the Community Center from 9 til 2:30. For booths, call 915-773-2801 or 817-997-2545.

The Sagerton Hobby Club met at the Community Center Oct. 14 with Mrs. J. B. Toney as the nostess.

The ladies worked on items for their upcoming bazaar, Nov. 13, and planned their Christmas party which will be Dec. 9. The hostesses will be Margaret Wendeborn, Dorothy Lee Clark and Aline Summers.

Those present were: Jo Brown, Dorothy Lee Clark, Frieda Knipling, Joyce LeFevre, Christine Stremmel, Wilma Teichelman, Margaret Wendeborn and the hostess.

Mr. and Mrs. Delbert LeFevre went to Tuscola Sunday to visit with Mr. and Mrs. Kent LeFevre and Kit and to attend the "Faith of the Cowboy" concert given by Dickie Greenwood and Larry LeFevre at the First Baptist Church in Lawn Sunday night.

Carl Hunt and Aline Summers attended the Texas Oklahoma Wolf and Fox hunt in Eldorado, Ok. last week. Carl's dogs won 5 ribbons and 3 trophies at the show.

Joe and Dorothy Clark were recent visitors of the Don Bivins family in Valley View. While there

Last week Joe and Dorothy Clark visited in the home of David and Peggy Adler, Anna and Christopher of The Woodlands. They were joined by Don and Patsy Bivins of Valley View on Saturday and the group enjoyed the Cajun Catfish Festival in Conroe. On Saturday night they attended the football game between Concordia Lutheran High School of Tomball and Catholic High of Shiner. Anna Adler is a senior cheerleader for the Concordia team and helped cheer her team on to a victory.

Gerald Olson of Lake Dallas and Tom Bivins of Valley View visited in the home of Joe and Dorothy Clark Sunday night.

On Sunday afternoon, Mrs. Joe Clark, Mr. and Mrs. Leon Stegemoeller of Sagerton and Mrs. Emma Raphelt of Stamford attended the fall rally of the Mesquite Zone of the Lutheran Women's Missionary League and the Lutheran Laymen's League at Trinity Lutheran Church in Albany. Mae Stegemoeller serves' as president of Faith Circle LWML at Zion Lutheran in Abilene.

Those who were at the Friendship Club which meets in the Fellowship Hall of Faith Lutheran Church last Thursday were Glyn and Ethel Quade, J. ### WTU supports Red Ribbon Week

October is Drug Awareness Month and the week of Oct. 23-31 is Red Ribbon Week.

West Texas Utilities Company employees will be observing this week by wearing red ribbons, and encouraging others to join with their support.

The red ribbon is symbolic of the individual and community efforts for drug prevention education and the elimination of alcohol and drug abuse.

### Haskell Soil and Water Conservation District 1993 Annual Report

The Haskell Soil and Water Conservation District was formed to help and serve producers and landowners with technical assistance. The current directors are: Burnell Gilleland, Haskell; M.W. Phemister, Weinert; F.A. Ulmer, Sagerton; Dan Wadzeck, Rochester; and Steve Alsabrook, Haskell. The Board of Directors meet monthly on the third Friday of each month at 9:00 a.m. in the Soil Conservation Service Office at 1203A South Avenue E in Haskell. All regular meetings are open to the public in accordance with the Texas State open meeting law.

12 regular board meetings were held during the year: 3 meetings were attended by 5 members, 5 meetings were attended by 4 members, 4 meetings were attended by 3 members. One special called meeting was attended by all members. 4 members attended the Rolling Plains Association of SWCD's meeting; 3 members attended the State Association Meeting; 1 member served on the Brazos River Authority Upper Brazos Sub-committee; 5 members attended the local awards program; 3 members attended the Area V Awards Program.

All programs administered by the District are on a voluntary basis and are provided without regard to race, color, sex, or national origin, or disability.

James Bevel and Charles Taylor

### Texas Section, Society for Range Management County Level Award Vocational Agriculture Teacher Category - James Bevel

Each year all vocational agriculture students are taught 30 classroom periods of range management by James Bevel. Each year, he trains two Range and Pasture Judging teams consisting of 8-10 students. These teams are entered in the local and area wide contests. He enters a range and pasture judging team in district and area contests each year. James has had several state qualifying teams and in 1988, his team qualified to attend the national competition in Oklahoma.

During the past school year, his range and pasture judging teams entered the Haskell-California Creek SWCD contest and placed second. At the Double Mountain District contest, his team placed third; and at the Area II contest, they placed seventh.

James is one of the founders of the Clear Fork Range Camp held each summer on the banks of the Clear Fork of the Brazos River in Jones or Haskell County. Approximately 30 students attend each year. The camp is in its fourth year of existence. Rangeland ecology and management is the main focus of this 3 day camp.

Approximately six weeks of each school year is devoted to teaching range management principles and practices. Students learn to identify plants and their value. This is done through collecting and mounting plants. Other principles and practices, such as proper grazing use, grazing systems, cross fencing, and water development are also stressed. Management of rangeland for multiple uses is emphasized, such as recreation, wildlife, and livestock production.

Farmers and ranchers in Haskell County have learned to value James Bevel's judgement concerning agriculture. At the school farm, 54 varieties of plants are maintained for use by farmers and ranchers, as well as, the general public to help identify plants common to this area. James is always available to assist producers with plant identification.

James has worked extensively throughout his career with other agencies and businesses. His leadership in the Clear Fork Range Camp has helped make it a success. Four Soil and Water Conservation Districts, Soil Conservation Service personnel from five field offices, Extension personnel from four counties, as well as, vocational agricultural teachers from as many as 10-12 schools are involved in the project. James is one of the personnel in charge of planning and coordinating the camp and serves as one of the instructors.

James works closely with the Haskell SWCD and the local SCS office in conducting the Haskell-California Creeek SWCD's Annual Range and Pasture Judging Contest and the Land Judging Contest.

Due to his dedication in the education of future landusers in rangeland ecology and management principles, James Bevel has made a positive impact on our rangeland and related natural resources. James Bevel is a deserving recipient of this award.

The Major Francis Grice Chapter, Daughters of the American Revolution, Wichita Falls, TX presented the Conservation Medal to Mrs. Mayre Wiseman at its meeting September 1993. Mrs. Wiseman is a former resident in Haskell County.

An advertisement in McLennan County newspapers attracted Mayre's grandparents, John W. and Mary Richardson Tubbs to land on the Wild Horse Prairie in Haskell County in 1907. It was they who first tilled the grass lands and their son John L. Tubbs and his wife, Mayre Churchwell, and then Roy and Maryre Wiseman who carried on. After Roy's untimely death in 1977 Mayre farmed for 7 years. Since 1984 she has

leased the lands, always careful in her selection of tenants.

For 86 years Mrs. Wiseman and her family have cared for lands in Hskell County.

This family loved and appreciated the land, cared for it and conserved it with terraces, good tilling practices and establishment of grassed waterways. Mrs. Wiseman realizes that conservation is an ongoing process because rain, cultivation and wind are always

working to destroy the terraces and erode the land.

Mayre's conservation practices were recognized in letters from the Haskell Soil and Water Conservation District, Rolling Plains PCA, and the Haskell County ASCS.

Major Francis Grice Chapter was pleased to join with the Conservation Chairman of NSDAR to present this special recognition medal to Mayre Wiseman for being a conscientious steward to her land.

Presenting the award to Mayre was Mrs. Lita Watson. Receiving the award with her was her son, Randy Wiseman.

### Director Election

Steve Alsabrook from Haskell was recently re-elected to the Haskell Soil and Water Conservation District Board of Directors on October 15th. Mr. Alsabrook represents Zone 5, the Central portion of Haskell County.

Steve, has served as a district director for the past 4 years. He is currently serving as the vice-chairman of the District. He also serves on the Brazos River Authority Upper Brazos Sub-committee.

Steve and his wife, Laura have two children, Wesley and Stephanie, students in Haskell High School.

Steve and his family live on the family farm just north of Haskell. He has been in the farming business all of his life.

The purpose of the Haskell SWCD is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Steve will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

### ADDITIONAL ACTIVITIES OF THE HASKELL SWCD TO PROMOTE CONSERVATION

Through the Technical Assistance Grant Fund Program the District was able to hire 1 full time technician and 2 part time technical assistants. These technical assistants assisted operation in implementing engineering practices such as terraces, waterways, irrigation systems, brush management, developing and revising Conservation Reserve Contracts, Great Plains Contracts, Long Term Agreements, and Food Security Act Plans.

1 program was presented on conservation.

9 news articles and an annual report was published reporting district activities.

Promoted Soil Stewardship week April 25 thru May 2, 1993 by publishing a special edition in the Haskell Free Press containing 12 news articles, supplying church bulletin inserts, reference booklets for ministers, and workbooks for kindergarten students.

Distributed 3,000 book covers to the schools in the county.

Co-sponsored with California Creek, Lower Clear Fork and Andrew Kent SWCDs the Annual Clear Fork Range Camp for students from grades 7-12.

Co-sponsored with California Creek SWCD a land, range, and pasture judging contests.

Conducted a poster contest for elementary students.

Conducted a district awards program with the assistance of Federal Land Bank, First National Bank, Farmers National Bank, Haskell National Bank, Home State Bank, and Rolling Plains PCA.

-Hobby Club-

Attending quilting at Rochester Hobby Club were Florence Larned, Catheryne Whitaker, Susie Mae Jackson, Helen Cox, Annie Marshall, Ida Pack, Edafay Pounds, Tinnie Mae Short, Myrtle Townsend, Stella Carver, Truitt and Lavern Kuenstler.

A nice lunch was served. It rained some, but the ladies finished quilting one quilt and put another in the frames for Helen Cox (A Texas Star).

Names drawn for the two quilts quilted by the club were those of Mary Helen Jenkins and James Reid, both of Rochester. This was done during the Rochester homecoming.

Open house was held and many exes came by and had refreshments and viewed the quilts.

Annie Marshall, Emile Wilson, Stella Carver and Tinnie Mae Short were named to the nominating committee.

A good report on finances was given. A bake sale will be held Nov. 23. If someone would like a special order, call 743-3404. This will be in Rochester Hobby Club just before Thanksgiving.

Members quilt each Tuesday.

### **Progressive Study** club visits school

The Progressive Study Club "went to school" on Oct. 14 in the new Haskell Elementary School Library which also marked the beginning of homecoming.

Robbie McLelland, chairman of the education department, was director of the program.

After an informal period of refreshments of cookies and punch. of getting assignments and tickets to sell for the chicken spaghetti supper on Oct. 29, and a chart showing duties for the year, Mrs. McLelland invited members to the computer room where Pam Thigpen, high school computer instructor, with the help of a student to move the "mouse," showed some of the work which 40 students had done in a recent summer workshop.

Each child chose a picture or drew an original and added colors and sounds. It was clearly shown how the older students could add more details and colors. It made members realize that "past oneroom schools have little in common with today's technology--driven curriculum that meets the challenges for tomorrow's children

of the 21st century." Several of the children who had Harris, Judy Patterson, Jan Blair,

produced the computer pictures were present. Mrs. Thigpen informed members that the computer lab is far superior to those in much larger schools where she has gone for

Typing is no longer taught---it is keyboard, word processing and data base. There is educational software for producing visual reports. Computer literacy for one semester for eighth grade is mandated. Students are tested at the end of the eighth grade for computer

Members also were invited to see the early childhood room. That was a reminder that one of the goals for club women is to help their communities by the year 2000 to have "all children in American start to school ready to learn."

President Oleta Cornelius called the meeting to order in the library. Dana Winn, Yuvi Cadenhead and Usha Patel were guests. Three members had received recognition recently by the Haskell County Retired teachers: Nelda Lane. Jimmie Weinert and Mary Martin.

Elected to active membership were Eva Dunnam, Kathleen Parsley, Debbie Earles, Jerry Ann Dorothy Hartsfield, Dana Winn, Yuvi Cadenhead and Usha Patel.

Nelda Lane addressed the club about extending contributions to scholarship funds. Points can be made by contributions. Treasurer Doris Reeves Jordan gave the financial report. Joseph Rodriguez, a scholarship recipient, has enrolled in school. The reading of the club constitution by several members concluded the business session.

President Cornelius will represent the club at the Mesquite District Fall Board Meeting in Albany on Oct. 16.

Hostesses were Helen Fouts. Mary Holden, Jimmie Weinert and Reatha Mullins.

### Noah to raffle shopping spree

Noah Project-North will sell tickets on a \$100 shopping spree at Wal Mart in Stamford at the Wal mart store for the next two weekends.

The drawing will be Sunday, Nov. 7, at 5:30 p.m.

The public is encouraged to buy tickets and help support the Noah Project.

### **Gary Barnett** now working at SCS office

Gary Barnett is now working in the Haskell Soil Conservation Service field office.

Previously he was with SCS field offices in McKinney and Paducah.

Barnett said he is looking forward to meeting and working with Haskell County farmers and ranchers. He will be assisting in the planning and implementation of Food Security Act farm plans, the Great Plains program, the Long-Term Agreement Conservation Program, Conservation Reserve Program and Integrated Farm Management.

He also will assist with conservation practices such as terraces, waterways, irrigation systems, pasture planning and management.

Barnett grew up in Clifton. He graduated from Tarleton State University with a degree in ag ed.

He and his wife, Kelly, are expecting their first child later this year. They attend church at the Assembly of God.

### Spirit night set by Booster club

The Haskell Booster Club will host an Indian Spirit Night at Indian Field Friday.

Students are encouraged to wear costumes and make spirit slogans to go with them, or students can make signs, paint their faces, etc.

"Our objective is to have fun and boost spirit," said Rhonda Lisle,

Prizes will be given for participating individuals and groups.

Students in sixth grade and younger will get treats at the gate. Drawings for food, gas or video certificates will be held for junior

### **Great Plains** applications being accepted

The Soil Conservation office in Haskell is taking applications for the Great Plains Conservation Program (GPCP) for Haskell County. At present, there are no applications on file.

The program is designed to aid farmers in implementing needed conservation practices.

"The most common practices needed in this county are terraces, waterways, brush management, livestock pipelines and pasture planning," said Bob Waddell.

GPCP is an incentive program that provides cost share for structural practices, while requiring certain management obligations high and high school students. A special prize will be given to the winning group.

Booster club members will inflate balloons after the pep rally, then give them to fans at 6 p.m. at the Trading Post.

### Sport About team wins tournament

Visiting the Haskell Fire Department recently were these pre-kindergarten and early childhood students. They are, bottom row from left, Robert Crain, Angela Pena, Tanisha Dever, Adreanne Mayes, Leslie Tonche, David Cossabone, Chastity Alvarez, Sarah Garcia, Santos Escobedo, Larry Arebaios, Jeremy Delacruz, Brittany Jordan, Daniela Payan; top row, Carrie Siegfried, Matthew Brown, Bridgett Billington, Eliseo Casiano and Cassandra Reynolds.

We would like to express our appreciation to our many friends for your kindness, expressions of sympathy, flowers, food and prayers in the loss of our mother and grandmother. We feel that a special thanks should be extended to Doctor Wayne Cadenhead for his kindness and professionalism in his service to Mrs. Johnston and also to the staff of the Haskell Nursing Center for their care and concern for her the past two years. It is nice to know that we have friends like you. May God bless each one of you.

We would like to say thank you to all the churches, people and friends that sent cards, called and visited me while in the hospital. Thanks a million.

By Elbert Johnson, Registered Pharmacist

**Treating Pain Limits Pain:** Scientists at the National Institute of Dental Research have shown that not treating pain can lead to an increased sensitivity and pain persistence. Amino acids also may increase, which can cause cells to dysfunction, adding to the increased sensitivity and persistently excited nerve endings.

### **Brown leads Steers** to seventh victory

Rochester's Mark Brown, who already had scored seven touchdowns, threw a 40-yard scoring pass to Brandon Kelly in the end zone as time ran out to lift the unbeaten Steers to a dramatic 54-51 victory over the Jayton Jaybirds Friday night.

Only one second remained on the clock when Brown took the snap

Jayton had gone ahead, 51-48, with 8 seconds to go. An onside kickoff by Jayton gave the Steers possession at the 40 (midfield in 6man football). Brown, unable to get off a pass, ran out of bounds with a second remaining to set up his lastsecond heroics.

The victory was the seventh straight for the fourth-ranked Steers and set up their showdown with once-beaten Aspermont this Friday in Aspermont.

The two teams combined for five

touchdowns in the first quarter and seven in the final period.

Jayton drew first blood when Cody Doss ran 5 yards for a touchdown in the opening minutes. Brown then scored on a 4-yard run for Rochester to tie the score at 8all. Doss scored again on a 4-yard run and Brown responded with a 48yard scoring jaunt to tie the score at 14 before Jayton's Randy Martinez passed 60 yards to George Baeza to stake the Jaybirds to a 20-14 lead at the end of the first period.

Brown's 16-yard TD run in the second quarter tied the score at 20-20 and his 3-yard scoring run gave the Steers 26-20 halftime lead. Jayton was knocking on the door when time ran out.

Rochester scored again in the second period when Brown went over from the 1-yard line to make it 34-20, but Jayton struck back with Samuel Smith's 1-yard TD run to make it 34-27 by the end of the period.

Jayton re-took the lead, 35-34, after Doss' 23-yard touchdown run in the opening minutes of the fourth quarter, but Brown answered with a 45-yard TD run to put the Steers out front, 40-35. The lead was short lived, however, as Smith clicked off a 21-yard scoring run to put Jayton out front, 43-40, before Brown answered with a 33-yard scoring scamper to make it 48-43.

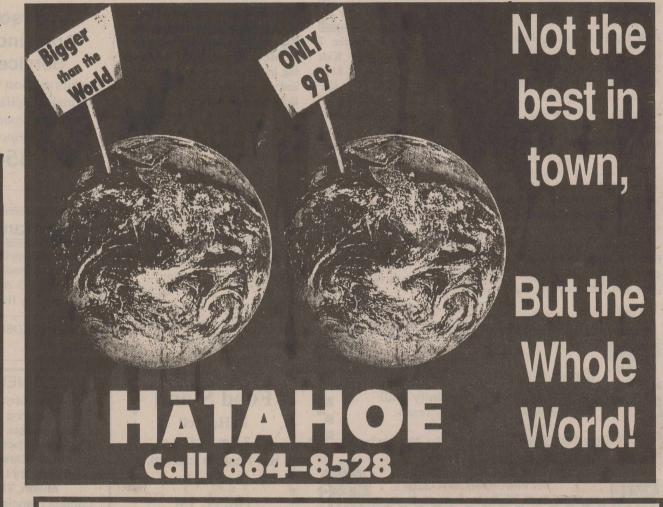

A 7-yard touchdown run by Smith with 8 seconds left put Jayton back on top 51-48, The onside kickoff paved the way for Rochester's winning score.

While running for seven touchdowns and passing for the other, Brown gained 330 yards in 27 carries. Kyle Hollingsworth picked up 100 yards in 11 totes.

Brandon King was Rochester's leading tackler with 25 tackles, followed by Brown with 19.

After this Friday's game at Aspermont, the Steers will have only unbeaten Guthrie left on their regular-season schedule.
