## County rates No. 86 in liquor sales

When it comes to eating and drinking, Haskell County appears to score a lot higher in the latter.

Figures released by the Texas Comptroller of Public Accounts for 1993 reveal that Haskell County ranked No. 86 among the state's 254 counties in liquor sales, 182nd in food store sales and 206th in restaurant sales.

County liquor stores reported 1993 sales of \$1,434,996. While the No. 86 rating may sound quite high, it drops in importance when it is noted that the comptroller's findings list liquor sales in only 125 counties. Many Texas counties are dry and have no liquor sales. Also, in compiling the statistics the comptroller included only those counties with four or more reporting outlets.

Aside from liquor, Haskell County scored highest in clothing sales. The 1993 sales of \$1,704,808 placed the county in 110th place, not bad for a county which ranks No. 186 in population.

Also rating high in Haskell County were automotive sales of \$16,007,947, a figure which put the county in 139th place.

The county ranked above its population rank in five other categories:

Home furnishings, \$880,136 (No. 163); general merchandise, \$1,269,962 (No. 165); total retail trade, \$41,059,388 (169th); building materials, \$2,288,006 (176th); and food stores, \$11,016,466 (182nd).

In two other sales areas, Haskell County equaled its population rank, being No. 186 in both transportation and utilities (\$1,108,509) and total wholesale trade (\$8,833,816).

Total gross sales in the county came to \$55,595,141, good enough for 191st place among the state's counties; construction sales were \$535,728 (200th place), and restaurant sales were \$1,632,282 (206th place).

## Church plans praise service

An informal praise service will be held Saturday night at the First Baptist Church of Haskell as a prelude to the Fall Revival which begins Sunday morning.

The public is invited to the event, which begins at 7 p.m. in the church auditorium.

## Junior auxiliary to be organized

A junior auxiliary will be organized as part of the Haskell County Hospital Auxiliary.

An organizational meeting is scheduled for Monday, Oct. 17, at the Haskell hospital.

All Haskell County young people between 15 and 18 are invited to be a part of the junior auxiliary.

## Auction crowd

A good crowd was on hand Saturday for the auction on the courthouse square. The event was sponsored by the Haskell Business Association of the Haskell Chamber of Commerce.

## Indians hit the road Friday in search of victory at Baird

After compiling a 3-1 record in four consecutive home games, the Haskell Indians take to the road this Friday to battle the Baird Bears in Baird.

Baird, also boasting a 3-1 record, will be out to get back on the

winning track after suffering its first loss last week at the hands of state-ranked Roscoe, 21-14. The Bears won their first three games over Gorman, Bangs and Hawley.

Donny Boyd got the Bears off to a 14-0 lead by returning an

interception 32 yards for one touchdown and returning a punt 65 yards for another. Roscoe had to score twice in the final period to get the victory.

While Baird was losing to Roscoe, the Indians were blanking Albany, 25-0, in their best showing of the year.

"We're showing improvement," said Indian coach Dwayne Gray. "Our defense is coming through. We consistently stopped Albany ball carriers before they could get into the secondary."

The Indians never allowed Albany to mount a serious scoring threat. Gray said Ryan Olson had a big night, playing his best game for the Indians.

The coach said the Indians' blocking was also much better than it has been in previous games, and the wishbone offense is beginning to click.

The Indians hope to have the services of starting guard Stacy Walker this Friday. Walker was injured before the season began and has not yet seen action.

Friday's game will be the Indians' last non-district contest. They open the district 7-2A season next Friday at Stamford.

## Coming Oct. 14

The Progressive Study Club's annual "chicken and spaghetti supper" will be held Friday, Oct. 14, prior to the Haskell-Hamlin football game.

## Grazing period extended on CRP

The Texas Stabilization and Conservation Service has announced an extension of the CRP grazing period in counties that are currently approved for grazing of CRP.

The extension is announced for the period from Oct. 1 through Nov. 30.

Those CRP participants who began grazing prior to these dates will be eligible to continue grazing until Nov. 30 without further penalty, but are requested to certify the CRP acreage grazed by Sept.

## John Medford to read poetry

Haskell poet John Allen Medford will read a selection of his poems Sunday evening at the Haskell National Bank community room.

The public is invited to attend the informal program, which begins at 7:15.

All livestock producers who will graze CRP acreage for the first time after Sept. 30 are required to submit production information to the Haskell County ASCS office prior to grazing. They will be allowed to participate in the program only if they meet the 40 percent or greater loss requirement on hay and pasture production.

Livestock producers who met the 40 percent loss requirement for the original grazing period are not required to re-establish a 40 percent loss.

CRP participants who request grazing for the first time after Sept. 30 must meet all the provisions required for those who requested grazing for the original period, except that they must pay in advance eight percent of the CRP-1 annual per acre rental rate, multiplied by the acres to be grazed.

## County 4-H group plans big event

What is 4-H?  
Who can be a 4-H club member?  
How do I get my kids involved in 4-H?

Anyone interested in answers to these questions, plus a lot more, is invited to take part in a fun and informative evening of activities sponsored by the Haskell County 4-H organization.

Activities will take place Saturday, Oct. 8, in the American Legion building in Haskell. Beginning with a chuckwagon supper at 7:30 p.m., the night of fun will conclude at midnight.

Sharee Gardner, 4-H volunteer leader from Haskell, is in charge of organizing and hosting the activities, which will include the chuckwagon supper, a short

program about the Haskell County 4-H organization, question and answer session and recreation, including country-western dancing.

Haskell County senior 4-H'ers learned to do several of the popular line dances during the district Teen Leader Retreat this summer and will be on hand to teach the steps to these popular dances.

Families and individuals interested in attending are asked to bring "vittles" of their choice to spread with everyone else's goodies for a good old-fashioned chuckwagon type meal, a 2-liter bottle of soft drink, and \$1 to help cover expenses.

For more information, contact the county extension office at 864-2546 or 2658.

## Homecoming Saturday at Weinert

"Good Ole Daze" will be the theme Saturday when Weinert exes gather for their homecoming.

Registration begins at 9 a.m., and a parade is scheduled at 11 a.m.

The parade will form at the Paymaster Gin.

At noon, sandwiches and desserts will be served by the Weinert Family Community and Education club in the old homemaking room of the school. Other food booths will be in operation on the lawn in front of the building.

During the afternoon program, which begins at 1:30, the classes of 1943 and 1944 will be recognized.

Rooms will be available for class meetings. There will be a memorabilia room to display old school items. Anyone with items to display (jackets, programs, uniforms, medals, books, etc.) should contact Roberta Raynes Jenkins (864-2184) or Alice Cypert Yates (673-8247).

The evening meal, beginning at 5:30, will be catered by Dairyland of Jacksboro. The evening program, beginning at 7, will feature a talent contest. Anyone wishing to participate should contact Barry Walker (673-8220) on the day of the homecoming.

The day's activities will conclude with a dance at 9 p.m. at a location to be announced later.

At 10:30 on Sunday morning there will be a community worship service, with the message being delivered by the Rev. Max Copeland, class of 1947.

Homecoming officers are Truman Therwanger, Alice Cypert Yates and Amy Castillo Walker.

"It has been our goal to provide an opportunity for visiting old friends, sharing memories, swapping lies, and seeing the old school that has been a part of your lives," they said. "We sincerely hope everyone will try to be here. Everyone wants to see you again."

## Hamlin woman dies in wreck

A 73-year-old Hamlin woman was killed Monday afternoon in a two-vehicle collision in Sagerton.

Gladys Vanderworth Branscum was pronounced dead at the Stamford hospital shortly after the 5:16 p.m. accident.

She was driver of a southbound 1991 Buick which was struck on the driver's side by a west bound 1993 Mazda pickup pulling a trailer at the intersection of Highways 283 and 1661. The pickup driver, Willie Arness Ford of Abilene was treated for minor injuries and released.

the women of Weinert have pieced and quilted a beautiful quilt to be given away during the talent contest. Tickets are being sold for \$1 each. Proceeds will be used to help cover expenses of this and future homecomings.

Some classes and groups are getting together on Friday night to work on their parade entries. Contact your classmates and friends.

## FRIDAY DINNER

Classes of 1943 and 1944 will have a "dutch treat" dinner Friday at 7 p.m. at the Brazos Inn, North US 277 in Munday. For information, contact Leona Havran Partridge, 422-4288.

## Auditorium renovation is underway

Work began last week on the renovation of the auditorium at Haskell secondary school.

Electra Construction Co. of Electra is contractor for the project. It is expected to be completed in mid-February.

Plans call for a 270-seat auditorium, expandable to accommodate 450 with the removal of participations enclosing two classrooms which will be housed in the building. The classrooms will be located in the west end of the building.

The building, which now measures 44 by 80 feet will be enlarged by 27 feet on the east side, making a total area of 44 by 107 feet. Restrooms, dressing rooms and storage will be located in the enlarged portion of the building.

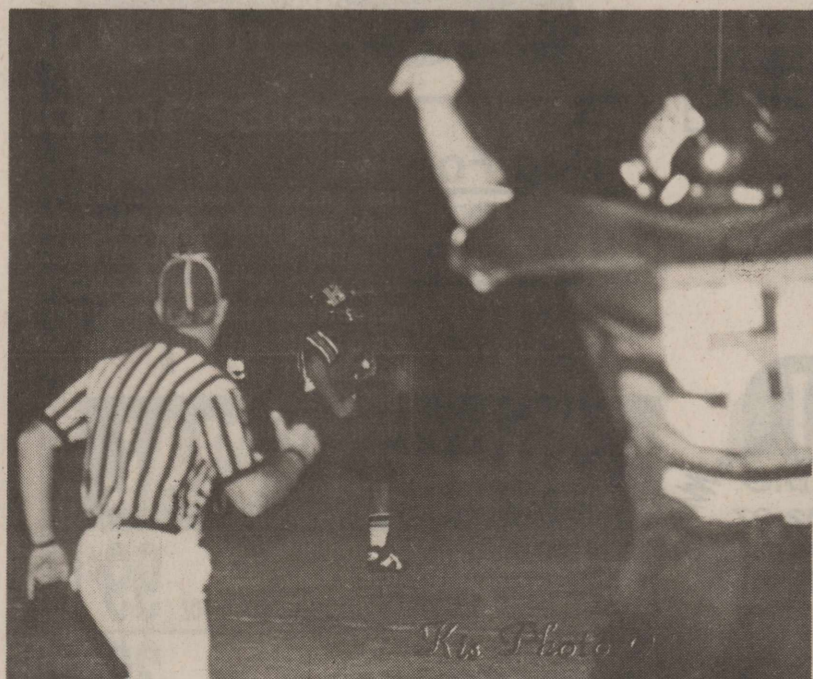

The auditorium will be virtually all new, Superintendent Bill Stewart said Monday. It will contain new heating and cooling, new carpeting, a new stage, new seats, new lights and a new stage curtain.

The existing auditorium has been used very little in recent years. Mass assemblies, including graduation exercises, have been held off campus.

Stewart said the renovated auditorium will give Haskell first-class facilities for its drama and speech departments.

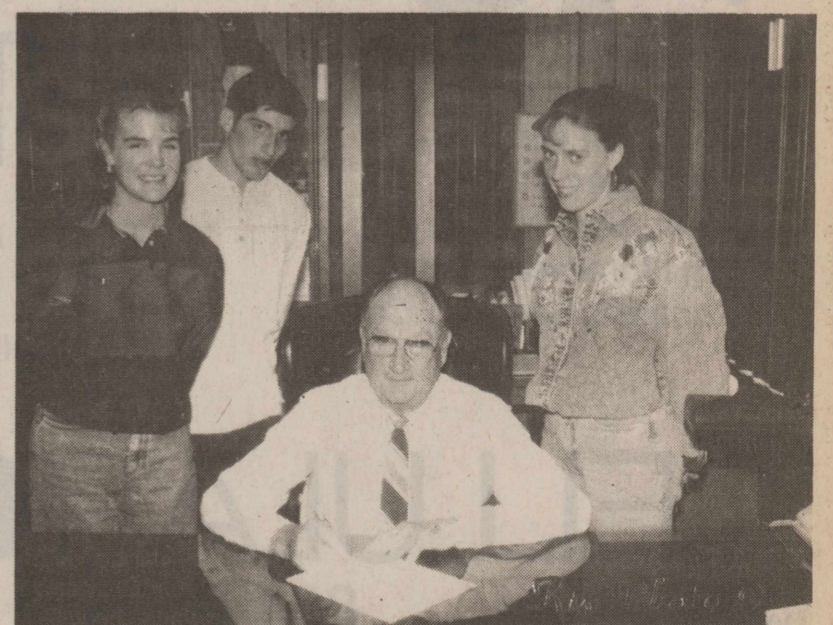

The cost of \$445,000 is part of a \$467,000 package which also includes a \$22,000 enlargement of the elementary cafeteria to provide for freezers and food storage.

Construction costs will be paid for from surplus funds, Stewart said.

## Six points!

## Haskell twirlers win in Lubbock

Two Haskell twirlers participated Sunday in the West Texas Twirling Festival in Lubbock.

Robbyn Tribbey, daughter of Robert and Lynette Tribbey, and junior high twirler Amber Futch, daughter of Terry and Kathy Futch, earned awards in each of the events they entered in the contest.

Robbyn earned second place in the beginner basic division and first place in the novice solo category. Although this was her first contest, it was not her first twirling performance. She performed a dance number in the Spring Twirling Recital in May.

Amber earned third place in the novice solo competition and a "I" in the ratings division. She competed against 10 other

Robbyn Tribbey and Amber Futch

contestants in her age group. Her other twirling credits include last year's West Texas Twirling Festival, the Spring Twirling Recital and the Haskell Junior High football games.

The nationally sanctioned West Texas Twirling Festival is the longest running twirling contest in Texas. Held in conjunction with the South Plains Fair, it attracts twirlers from all over the state to compete in events ranging from modeling to baton routines.

Twirlers are judged on difficulty, poise and grace, appearance and diversity of their routines.

Amber and Robbyn are under the instruction of Debbie Richardson.

At the reunion, he saw all four old buddies with whom he shared a

tent on Iwo Jima, Ramey, Albert Sudetic of Parma, Ohio; Bill Thomas of Royal Oaks, Mich., and Wayne Young of Farmersville, Ohio.

# Sidelines Indians romp past Albany 25-0

## Cheerleaders to sell pom poms

Mechanically, it was about as close to perfect as you'll see the Indians, or anyone else, play.

There was not one turnover by the Indians. There were only 2 penalties, for 15 yards.

Twice, Cody Cypert buried the Lions near the goal line with his pin-point punting. The blocking in the line, as well as by the Indian backs, left nothing to be desired.

And the defense was superb. The Lions could get no closer than the Haskell 24, and then they were thrown back to the 30.

Only three other times did the Lions cross midfield, reaching the Haskell 43 twice and the Indian 48 once.

And for the second week in a row, the Indians used eight ball carriers.

\*\*\*

The Indians got off a number of good runs. Justin Lisle, who ran 73 yards on the game's second play, also had runs of 19 and 10 yards. Cody Cypert had runs of 17, 16 and 12 yards and Casey Larned clicked off a 16-yard beauty.

\*\*\*

The Indians converted 6 of 12 third-down situations and 1 of 2 fourth downs.

\*\*\*

Haskell's lone loss, to Quannah, is cushioned somewhat by the fact that the 4-0 Q-Indians are on a rampage. They've scored 182 points, 45.5 per outing.

Quannah has yielded only three touchdowns, two of them to Haskell.

\*\*\*

Coach Dwayne Gray was pleased with a lot of things.

For one thing, the Indians had only two penalties for 15 yards, compared with 9 for 75 yards the previous week.

And there were no turnovers.

He also was highly pleased with the kicking game. Cody Cypert's boots twice pinned the Lions back to their own goal and one of his kickoffs went into the end zone.

"We were concerned about their returns, but Cody took care of that," said Gray.

\*\*\*

Coach Gray doesn't feel that Baird, this week's foe, lost any of its reputation last week in its narrow loss to Roscoe.

The Indians scrimmaged Roscoe in the pre-season and Gray was impressed with the Plowboys.

\*\*\*

Jim Ned and Winters, who moved this year from 7-2A to 6-2A are both unbeaten. Jim Ned is averaging 7 touchdowns per game, while Winters has yielded only 6 points in four games.

In 1848, New York became the first state to allow married women to own real estate.

Haskell's Indians didn't waste any time letting Albany know who had the better team here Friday night.

Only 53 seconds of the game had elapsed when Justin Lisle crossed the goal line following a 73-yard scamper on the second play of the game, and the Indians went on to blank the Lions, 25-0, to boost their record to 3-1.

Lisle hit a hole created on the right side by Wesley Alsabrook, Martin Limones and Jamie Hodgins, broke into the clear when he reached the secondary and outran the Lion defenders to the end zone.

The Indians added a touchdown in each of the next three quarters while the Haskell defense held the visitors at bay, allowing the Lions to penetrate no farther than the Indian 24.

The Indians' second touchdown came at the 2:02 mark of the second period when Cody Cypert danced over from the 16 to cap a 66-yard, 10-play drive.

The first time the Indians got the ball in the second half they marched 60 yards in 9 plays for another score. A 16-yard run by Casey Larned, a 12-yard run by Cypert and a 19-yard run by Lisle were the big gainers as the Indians moved to the

## Indians district's only winner

Haskell was the only district 7-2A team to post a victory last week as the Indians thumped Albany of district 8-2A, 25-0.

Rotan managed a 19-19 tie with Munday and Hamlin enjoyed an open date.

Jim Ned ran over winless Anson, 53-8; Ranger edged winless Hawley, 21-14; and Winters blanked Stamford, 32-0.

All 7-2A teams will be in action this Friday in the final week of action before beginning the district race Oct. 7.

Haskell will play at Baird, Winters at Anson, Hamlin at Childress, Coahoma at Hawley, Rotan at Cisco and Stamford at Jim Ned.

4, from where Larned took it over for the touchdown.

Albany's only threat followed the Indians' kickoff after their third touchdown. The Lions' Jeff Farmer broke loose from his own 15 and ran to the Indian 48 before Frankie Masias nailed him after a 37-yard run. After picking up another first down at the 31, the Lions drove to the 24 but the Indian defense turned them back and Albany surrendered the ball on downs at the 30.

Keiland Riley had runs of 6 and 7 yards as the Indians moved out to the 44, but could go no farther. Cypert got off a 37-yard kick which died on the Albany 19. On Albany's first play from that point, Matt Birkla fumbled after being hit by Limones and Chris Silvas recovered for the Indians on the 16. Larned ran 7 yards to the 9, and then Riley ran in for the touchdown as the Indians completed the night's

## Warriors host Baird today

Haskell junior high and junior varsity football teams will host Baird today (Thursday) in games beginning at 4:30 p.m.

In games last week against Albany, the 7th grade won, 14-0, the eighth-grade tied, 6-6, and the JVs lost, 28-0.

## Rochester gets first victory

Rochester won its first game of the season Friday as the Steers ran over Benjamin, 61-14.

Rule lost to Moran in a close one, 38-34.

scoring with 9:51 to go.

With the Indian lineup sprinkled liberally with reserves, the Lions picked up a couple of first downs while moving to a first down at the Indian 43. After an incomplete pass, Limones nailed Farmer for a 7-yard loss back to midfield and then Larned intercepted Birkla's pass at the Haskell 19.

Lisle, who had only three carries in the second half, was the Indians' top ground gainer, rushing 16 times for 140 yards. Larned was 13 for 49, Cypert 8 for 47 and Riley 7 for 30, as the Indians piled up 278

The Rev. Kenneth Blair, pastor of Trinity Baptist Church, shows off the plaque presented to him by church members in recognition of his 30 years of service with the church.

## Trinity Baptist honors its pastor

Members of Trinity Baptist Church and friends paid tribute Aug. 28 to the Rev. Kenneth Blair in recognition of his 30 years as pastor of the church.

Blair accepted the call to pastor Trinity Baptist in August 1964. An ordained minister for 39 years, he pastored two churches in the Fort Worth area before coming to Haskell.

A special luncheon following morning worship service began the day-long activities. Guest speakers included the Rev. Bobby Isbell of Liberty Baptist Church in Abilene, the Rev. J. C. Amburn of the First Assembly of God in Haskell, and Randy McLelland of the First Baptist Church of Haskell.

Special music was provided by McLelland, Tommy Pannell, Isbell, Peggy Darden, Lori Hill, Charles Blair and Lewis Wilson.

A special plaque was presented to Blair for his faithful service for the past 30 years.

The following poem was written by his daughter, Peggy Darden, in honor of her father on this day:

#### Daddy Is A Preacher

My daddy is a preacher—growing up was sometimes hard; People expect you to be perfect—so you're always on guard.

We always had to say our prayers, and ma'am and sir and thank you.

We had to respect our elders and obey the golden rule.

We never had to worry whether we'd go to church or not,

'cause as long as we were breathing, we were expected in our

spot. I've watched my dad for 40 years, faithfully serving his Holy God.

He's preached, visited, married and buried, while working a full time job.

I've seen him give away his clothes, not old ones but brand new; and there have been times I've seen him give his last dollar too.

He's never received great accolades, great riches or rewards,

Just the love and thanks of his small flock

And the pleasure of serving his Lord.

Yes, daddy is a preacher, and I'm so very glad

The Lord taught me about a Christian life,

Through the example of my dad.

## Trisha Parks weds Sam Beakey

Standing under a columned portico and lattice canopy adorned by an expanse of roses, lilies, asters and other fresh flowers, Trisha Lee Parks of Durant, Okla., became the bride of Samuel Lawrence Beakey of Haskell.

The ceremony, conducted by the Rev. Ross Kirven, pastor of Durant's First Presbyterian Church, commenced at 7:30 on the evening of July 16 in Wynne Chapel on the campus of Austin College in Sherman.

Mr. and Mrs. C. Larry Parks of Durant are the bride's parents. Parents of the groom are Mr. and Mrs. Mike Cook of Munday and Mr. and Mrs. Larry Beakey of McAllen.

As guests entered the church, Jennifer Roberts of Sherman presided at the registry table. The table, which held the couple's engagement picture and wedding programs, was covered in the bride's grandmother's antique Irish linen cloth accented with inlays of crocheted lace.

Given in marriage by her father, Trisha approached the altar on a white aisle runner past pews decorated with tulle and English ivy. The altar was decorated with varied fresh flowers in the bride's chosen colors of pale pink, hunter green and ivory. Brass candelabras lit a path to the columned portico where the couple recited their vows.

Miss Parks' gown was a formal sheath of ivory satin fashioned with a dropped neckline edged with a border of seed pearls, and long sleeves of beaded and sequined applique lace. The fitted bodice was decorated with matching imported lace, beaded with seed pearls, iridescent sequins and silver bugle beads tapering into a long, slim skirt with detachable full skirting. Scalloped hem lace, scattered lace appliques and beaded lace graced the cathedral-length train.

Trisha carried a crescent-shaped bouquet of white and bridal white roses laced with English ivy.

Leah Taylor of Durant served as maid of honor, Sisters of the bride, Terrie Parks and Amie Parks of Durant, and friends, Beth Carroll of Sherman and Cami Wood of Durant, served as bridesmaids. Junior bridesmaids were Lindsey Vance of Kansas City, Mo., cousin of the bride, and Tracie Beakey of McAllen, sister of the groom.

Katie Lee of Durant served as a candlelighter and trainbearer. Flower girls were Nora Parker of Oklahoma City, cousin of the bride, and Andrea Lee of Durant.

Miss Parks' attendants wore

floor-length hunter green, silk shantung suits featuring dropped necklines with braided trim. Each attendant wore a pearl drop necklace and carried an inverted arm bouquet of calla lilies, pink roses and astilbe. Junior bridesmaids, as well as the trainbearer and flower girls, wore ivory dresses with smocked bodices and basted front collars accented with rosettes, elbow-length sleeves and fullskirts.

Serving Sam as best man was Pete Terbeek of Chicago. Groomsmen were Jason Pickelman of Galveston, Jason Certain of Plano and Troy Schiermeyer of Lubbock. Junior groomsmen were the groom's brothers, Colby Cook of Munday and Neal Beakey of McAllen.

Ushers were Sam Burke of Krum, Keith Strickland of Daingerfield, Randy Watson of New Braunfels, Lee Raley of Austin and Brian Truehaft of San Antonio. Brian Lee of Durant served as an acolyte.

Attire for the groom and fathers of the bridal couple were double-breasted designer suits in black with black paisley vests and single white rose boutonnieres.

Groomsmen and ushers wore double-breasted designer suits in black with black cummerbunds and pink rose boutonnieres.

Music was provided by organist, Dr. Richard Tappa, a professor at Austin College, and pianist Margaret Taylor of Durant. Solos were sung by Mike Cook of Haskell and Jocelyn Taylor of Durant. A duet was sung by the maid of honor, Leah Taylor, and the best man, Pete Terbeek. A biblical reading was given by Larry Beakey.

For her daughter's wedding, Mrs. Parks chose an ecru silk brocade suit with braided trim. The groom's mother chose a pale green tea-length silk suit and ivory blouse; his stepmother, a pale pink chiffon, with an overlay lace bodice dress.

Following the marriage ceremony, a reception hosted by the bride's parents was held at Benjamin's in Denison. Servers included Chris Curtis of Kansas City, Mo., an aunt of the bride, and Diane Worrell of Bonner Springs, Kans., and Linda Healy of Carrollton, aunts of the groom.

The banquet room was decorated as a formal English garden and featured large bouquets of fresh flowers in creams and shades of pink. Hanging ferns, blooming begonias and twinkling tree lights decorated the patio gazebo. Dance music was provided as the guests were offered various foods and beverages at a buffet table decorated

by ice sculpture.

The bride's table featured a silver punch bowl and coffee service; a six-layer white Paris cake decorated with handmade porcelain-like flowers and accented with sprigs of pearls and net streamers. The groom's table was decorated with cream colored candles in brass candelabras. Strawberry cheesecake and the groom's cake of chocolate with chocolate dipped strawberries and flowers matching the bride's cake were offered.

As a special surprise for the bride, Sam's fraternity brothers serenaded her. Trisha gave crystal vases of wedding flowers to the mothers at the end of the evening.

The groom's parents hosted a rehearsal dinner party at Tanglewood Resort on Lake Texoma.

The bride's grandparents are Mr. and Mrs. W. J. Poggi of Orlando, Fla., and Mr. and Mrs. Cleo Parks of Centerville, Mo. Sam's grandparents are Mr. and Mrs. James Worrell of Falcon, Mo., Mrs. Jane Beakey and the late Allen Beakey of McAllen, Mr. and Mrs. Bill Comedy of Haskell and Mrs. Annalee Cook of Rule and the late M. L. Cook.

After a honeymoon trip to Hawaii, the couple is residing in Tulsa, Okla., where the bride is attending medical school and the groom is in business.

Recent statistics from the Department of Labor show that telephone service is one of America's best values. In the past five years, the cost of many consumer goods has skyrocketed. Medical costs alone have gone up by 45 percent.

During this same period, the cost of telephone service increased by little more than 3 percent nationwide. GTE has not increased rates since 1983. In fact, the company has reduced rates in Texas.

Our customers are the most important part of GTE operations. We feel we can provide you with the best that telecommunications has to offer.
