Cunningham awarded three Texas Tech Univ. academic scholarships

Amy Lynnette Cunningham, daughter of Donald and Denia Cunningham of Haskell, has been awarded three academic scholarships from Texas Tech University in Lubbock in recognition for her ability and scholarly performance.

Cunningham has been awarded the Presidential Endowed Scholarship, Texas Tech's most prestigious scholarship. This scholarship is worth \$2000 per year for five years. She also has been awarded an Honors scholarship of \$500 per year for five years. Also awarded to Cunningham from the Department of Mathematics is a \$1000 scholarship for up to four years. The scholarship package will total \$16,500 over the next five years.

To be considered for a Presidential Endowed Scholarship, a student must have demonstrated

academic achievement, leadership in school or community activities, be in the top ten percent of their graduating class, have maintained at least a B-plus average during the junior and senior years of high school and scored a minimum of 31 on their ACT or 1350 or better on the SAT.

Presidential Scholars are required to maintain a cumulative grade point average of 3.5 and carry a minimum load of 12 hours a semester. They are also required to attend various events throughout the year, at which time, they will be recognized as a member of an outstanding group of scholars at Texas Tech University.

Cunningham has also received six hours of English credit by scoring a 36 on the English portion of the ACT. The minimum requirement is a 28.

All-Night Party, Friday night

It's time again for the Alcohol-Free All Night Party. The fun begins at 9 p.m. on Friday, May 26, and continues until 5 a.m. Games, movies, dancing, good food, and the big "Casino Night" are just some of the exciting activities planned.

Early deadlines

The Haskell Free Press will be closed Monday, May 29, in observance of Memorial Day. The normal Monday evening at 5 p.m. deadline for news copy and display advertising will be moved up to Friday evening at 5 p.m., so that our employees can enjoy the holiday with their families. Classified ad deadlines will remain the same, at noon on Tuesday. Thank you for your cooperation and support.

All Haskell County high school and college students are invited to attend.

There will be lots of prizes given away and an auction will be held after the "Casino" closes. Students will use their "winnings" of the night, to buy items at the auction. So, if you aren't sure your luck will hold, stick a couple of extra dollars in your pocket and you can buy more casino money.

T-shirts will be given away for all those who can make it until 5 a.m.

All freshmen attending need to bring homemade snacks, sophomores are to bring chips and dip, juniors should bring 3 liter drinks, and college students will pay \$1 at the door.

Don't miss out on this fun-filled night!

County seniors to graduate Friday night

The county's four high schools will all be conducting graduation ceremonies Friday evening and a total of 68 seniors will be bidding farewell to their alma mater, their teachers, their principals and other classmates. Many of them will be getting prepared to attend college in the fall, some of them will go directly to college this summer and some of them will make their debut into the business world of work careers. Whatever path they choose to follow, we wish them happiness, good fortune and success on their journey through life. Congratulations to all the seniors in Haskell County upon their graduation from high school.

Haskell has 48 seniors this year, the total of actual graduates will not

Letters

Dear Editor:

The Haskell Chamber of Commerce would like to say a big Texas "THANK YOU," to everyone for making Sunday in the Park so successful this year. A special thank you to the people who provided the fine entertainment: Clark Richardson, Frank Summers, the Haskell County Squares, Mr. Copeland the 6th, 7th and 8th grade bands. All of you were great.

To all of the service clubs, organizations and clubs, churches, and school organizations that participated in Sunday in the Park, thanks for helping out and for making the day so fun and festive.

The Chamber would like to thank the City, Administrator Sam

Watson, and his staff and crew for making our park look so nice and for the hard work in getting the park ready for this community occasion.

Thanks go out to all the media for the publicity about Sunday in the Park. We could not have such an event without the good ink and air. To all of the citizens who supported this event and the organizations that were there...THANK YOU again and see you next year.

Haskell Chamber of Commerce
David Middleton

Thank You!

We would like to take this opportunity to thank all of the

Haskell Elementary faculty and staff, Mr. Gilly's Pals, Mrs. Thigpen's Pals, parents and anyone else that helped make Field Day '95 a big success. The children had a great time because of your help and involvement in the day's events.

Every year is an improvement on the year before, this year is no exception. The Pals were a major source of our success this year. We really appreciate all of your help and look forward to your involvement next year.

As always we appreciate all of you in the community, parents and friends, for your support and encouragement throughout the year.

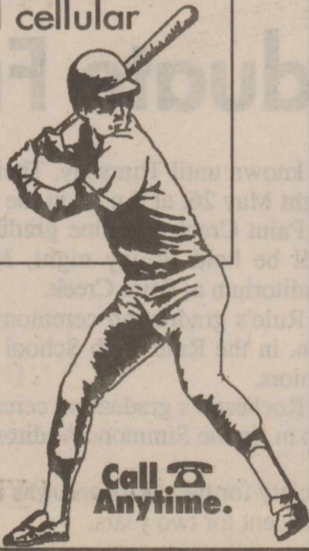

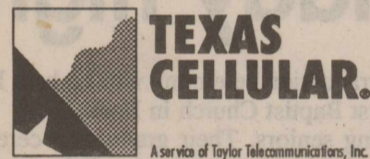

Sincerely yours,
Mischelle Howard and
Deana Hargrove

Happenings

By Lois Redwine

Correction: Last week, I mistakenly reported that Emily SoRelle graduated from Texas Tech. Wrong—it was her mother, Beverly SoRelle, who graduated. Sorry.

Mr. and Mrs. Jess Leonard spent the weekend in Gunter with their son and family, Roger and Candy Leonard, Russell, Landon and Justin. On Friday night, they attended grandson, Landon's, graduating exercises at Gunter High School.

D. N. Lewis of Dallas spent Mother's Day with his mother, Katherine Whitaker and James Whitaker.

Wayne Clayton of Dallas visited the I. V. Claytons on Mother's Day.

"Another Chance" revival will be held at the Greater Independent Baptist Church May 29 through June 2. Rev. James W. (Pee Wee) Webb, pastor of the New Fellowship Baptist Church, Abilene, will be the evangelist. Rev. Webb grew up in Haskell.

Lorene Adams spent Mother's Day weekend in Abilene with daughters and their families Aubrey and Ina Mae Altum and Lacey and Louise Hooks. On Sunday morning, they attended services at the Pioneer Drive Baptist Church.

Joyce Turner and Faye Dunnam of Rule and Anita Herren attended a china painting workshop held in Concan, between Leakey and Uvalde. They attended demonstrations, workshops and renewed old friendships.

Stopping by Sunday for a short visit with George and Faye Gray were Mr. and Mrs. Leo Freeby and sons, Sean, of Houston. They were enroute home after visiting relatives in Knox City.

David and Darlene Burson and Jerry and Jerry Ann Harris spent a few days in Ruidoso.

Dusty Burson, Texas Tech,

Lubbock, is visiting the David Bursons, the Leon Bursons, other relatives and friends.

Albert Burson of Abilene spent the weekend with Mr. and Mrs. Leon Burson.

Rev. LaVoid and Geneva Roberson of Taylorsville, Utah are on a three weeks vacation and have been visiting Curt and Doris Reeves Jordan, Mike and Julia Harrell and the Burl Darnells. They also attended a Southern Baptist conference in Hugo, Ok. The Robertsons will be in San Antonio on May 27 to attend the graduating exercises of grandson, Chad Robertson at James Madison High School. The Robertsons will visit other relatives and friends in the Big Country before returning home.

Visiting with Rev. L. C. Johnson, Sr. were Mr. and Mrs. Otis Johnson and Mrs. Johnson's mother, Fealo, from Arlington and Mr. and Mrs. Robert Earl Johnson from Dallas. They also visited aunts, Susie Jackson, Birdie Benford and Mae Lou Yeldell. All had dinner with Mrs. Susie Jackson.

The Elmer Hilliards danced with the Haskell Country Squares at the Haskell celebration "Sunday in the Park". Leon and Maxine Ivey, Munday, called the square and country line dances.

Spending the weekend with the Flint Nanny family were Flint's long time friend, Brent Irving and sons, Brandon and Eric from Odessa.

Henrietta Sego was in Abilene last weekend and on Sunday attended Cooper High School's baccalaureate services in Behrens Chapel at HSU. Grandson, David Berry, is a member of the graduating class. He is the son of Jay and Judy Berry.

Wilbert and Dwanna Klose and Pauline Couch were in Abilene

Sunday at St. Paul Methodist Church to attend the celebration honoring Dr. and Mrs. David Hamblin for nine years of service.

On May 20, Juanita King Rhea was honored with a surprise 87th birthday party in the home of her son and daughter-in-law, Joe and Linda King. Attending the celebration were daughters, Nelle Brown, Bedford; Jane With, Hurst; sister, Margaret Darden, brother and sister-in-law, Jack and Joan Denson, sister-in-law, Vera Mae Denson, nephew, Randy Denson, all fo Stamford; sister, Lonell McCandless, Rule; granddaughter, Cheryl Brown, Grapevine; grandson, Gary Brown, Midlothian; granddaughter, Shirley Harvey and great granddaughter, Leanda, Ft. Worth. Mrs. Rhea received many gifts but says the best gift of all was being with her family.

On Sunday night, May 21, the Childrens Choir of the First Baptist Church presented "Down By the Creek Bank" by Dottie Rambo. The script was revised by Brian Burgess, who was also drama director. Choir members included children from grades 2nd through 6th. Choir directors were Karen Lehmann and Melodee Christian, accompanists, Robbie McLelland and Ellen Rieger, assistants, Tammi Pannell, Tammie Wallace, Debbie Miller and Janet Thane. Others assisting in the production were Ford Cole, Jane Harvey, Mike McGuire, Ramon Nava, Donnie Rieger, Debbie Skiles and Vergil and Vera Smith.

Nick and Melissa Long and Molly of Floydada spent the weekend with Melissa's parents, Judge and Mrs. B. O. Roberson. Molly remained for a few days visit with her grandparents.

Janice Hill of Abilene and Sudie Mae Doerr spent Mother's Day with Leon and Ella Belle Burson.

Young, Mills engagement

Kenneth and Ann Young of Haskell announce the engagement and forthcoming marriage of their daughter, Sharon Denice, to John Christopher Mills, son of Johnny and Polly Mills of Haskell.

The couple will be married on June 10, in the home of the bride's parents.

The bride-elect is a graduate of Haskell High School and is now employed by Dollar General.

The prospective bridegroom is a graduate of Wylie High School and is now employed at the O'Hare Airport in Chicago by United Express Airlines.

Sagerton News

by Alice Bredthauer

Joe and Dorothy Clark were dinner guests on Mother's Day in the home of their granddaughter, Emmalee Bivins of Rule. Others enjoying the day included Ray and Nancy Clark of Stamford and Patsy and Don Bivins of Valleyview. The Bivins had spent the weekend here visiting relatives and friends.

HYH installs new officers for 1995-96

By Michelle Dunnam
The Haskell Young Homemakers final meeting of the year was held at the Haskell City Park. Hostesses for the meeting were the

outgoing officers, Tracy Frierson, Laurie Irby, Tina Adams, Michelle Dunnam and Mickey Holloway. Coke floats were enjoyed by all.

The business meeting began

with the installation of the new officers for 1995-96. The motion was made and seconded to donate \$100 to the All Night Graduation Party. For the 1994-95 year, the Haskell Young Homemakers have contributed \$1850 to organizations and individuals in our community. Way to go HYH.

Outgoing president Tracy Frierson was named Outstanding Young Homemaker of the Year. Also, Mickey Holloway won the Embassy Suites prize and the door prize was won by Michele Copeland.

The club has had a great year and is looking forward to being back together in September.

War Situation in Europe
Another week has passed, and the fighting daily between the German army in Belgium, and the allied forces, has taken a death toll of many thousand lives. The French and English have captured more than two hundred German vessels, aggregating a tonnage of more than a million tons. Several minor sea fights have taken place and the Germans have lost a few cruisers. Japan has given German order to get out of China, Germany won't do a thing, so she has more war on her hands.

Any attempt to audit or analyze the mathematics of the war is bound to prove futile and unsatisfactory. The computation of the cost cannot be expressed in the number of lives or the amount of money. The second anniversary of the beginning of the war calls forth some appalling figures.

As the year 1918 passed us along to a new season, most of us find ourselves possessed of different viewpoints from those entertained a year ago. We are in war fighting lest civilization itself pass beyond humanity's grasp. One by one our boys by the million have started on the road to the battle line in France, lost to home and friends for a time and perhaps for good. But they are not gone, there is the home tie that goes out to them, making a connecting link between the old fireside and France.

American troops sent overseas numbered 1,019,115 July 1. This was made known Thursday night by President Wilson who gave the public a letter from Secretary Baker disclosing a record of achievement which the President said "must cause universal satisfaction" and which "will give additional zest to our national celebration of the Fourth of July." The first units, noncombatant, left American shores on May 8, 1917. General Pershing following 12 days

World War ends as Germany signs Armistice terms of allies.
According to unofficial reports received here as we go to press, the world war has come to an end. The following telegram was received from A.H. Belo and Co., publishers of the Evening Journal and the Dallas News by John W. Pace and Co, their local representatives in this city at 2:30 this afternoon:
"About 11:30 today, the Evening Journal issued an extra saying that the war is over, that Germany had signed an armistice. Second extra said the greatest war of all time came to an end at 2:00 p.m. today. The Allies and Germany signed an armistice three hours earlier on the field of battle. The Americans took Sudan that morning."

Haskell County's first casualty in the present World War was reported this week, when Mr. and Mrs. Owen Cox who live several miles southeast of this city were notified Wednesday that their son, Orville J. Cox, was killed in action in defense of his country on Sunday, Feb. 8, in the Philippine Islands. Young Cox, graduate of the Paint Creek Rural High School with the class of '40, presumably was killed while fighting with General McArthur's forces on the beleaguered island.

Mr. and Mrs. W.P. Everitt of the Rochester section were notified recently that their son, Kral who is in the U.S. Navy, had been awarded the Purple Heart decoration for wounds received in action several months ago in the North Africa war zone. The Rochester sailor also received a promotion recently and now has the rating of Boatswain Mate, first class.

Aug. 20, 1943

Parents of two Haskell Co. soldiers who are prisoners of war of the Japanese, received their first messages from their sons since the fall of the Philippines, last week, when Dale Anderson of this city and Mr. and Mrs. J.L. Tidwell of the Vernon community southwest of Haskell received almost identical messages from their sons, Pfc. Alton L. Anderson and Pfc. James T. Tidwell. The messages were composed from printed sentences on postcard forms which afforded multiple choices in composing messages passed by enemy censors.

Mr. and Mrs. I.P. LeFevre of Sagerton received a message from the War Dept. Jan. 29, advising them that their son, Sgt. Elma (Bud) LeFevre had been wounded in action in Italy on Jan. 6. No other details were given but a letter from the Sergeant himself arrived a day later. He wrote: "I am in the hospital, lost my right foot but am getting the best of care. Don't worry, because I am okay. May be home soon." The letter was dated Jan. 15.

May 5, 1944

Lieut. Willard Brian Corley of Haskell, co-pilot on a Flying Fortress, was recently reported killed action while on his 19th mission over Germany. His parents are Mr. and Mrs. A.Y. Corley who live 4 miles southwest of Haskell.

Corp. Loyd Webb, 27, son of Mr. and Mrs. Buck Webb of Rule was killed in action in Italy recently, according to word received by his parents from the War Dept.

May 26, 1944

Lieut. Parramore Sellers Jr., son of Mrs. Bessie Mae Sellers of this city, was first pilot on a B-24 Liberator on the first daylight raid over Hollandia, former Japanese air base and stronghold in Dutch New Guinea, news releases

this week indicated. Lt. Sellers is first pilot on his B-24. He has been flying in combat as first pilot the past four months and has more than 128 hours of combat flying piled up in 23 missions over Japanese bases and shipping in the Southwest Pacific.

One Haskell boy, one from Sagerton, an army nurse and soldier from Rule are among 100 men from West Texas who were taken prisoners in the Philippines when the islands fell to the Japs. With reinvasion of the islands by American troops fresh hope has been given to these war heroes. The Haskell youth who was on Corregidor when it fell was Lyndell Anderson, son of Dale Anderson; Lt. Maud Williams, a nurse, is one of the two Rule prisoners. She is the daughter of Mr. and Mrs. Rufe Denison. The other Rule prisoner is Sgt. Hugh B. McCoy, son of M.J. McCoy. Travis Tidwell, son of Mr. and Mrs. J.F. Tidwell of Sagerton is also a prisoner of the Japs.

There's a little bit of Haskell in a U.S. Army hospital in London where two young Haskell soldiers, both wounded, happened to be placed in adjacent wards. They are Pfc. Roy Frierson, infantryman wounded by shrapnel on the battlefield in France and Sgt. Sam Henshaw, paratrooper with an Army Airborne unit veteran of the Normandy invasion, who has a broken leg. In letters to their parents and friends here, Pfc. Frierson and Sgt. Henshaw wrote that they were having a big time together; that they had recalled many good times spent together at home.

Mar. 9, 1945

Lieut. Marshall J. Rogers of Rule has been killed in action somewhere in the Pacific, where he was surgeon on a supply ship in the U.S. Navy, according to a message from the Navy department Tuesday to his parents, Dr. and Mrs. M.W. Rogers of Rule. No particulars as to how the young surgeon and Naval officer met his death were given in the message, which said that burial would be at sea or in the vicinity of the disaster.

Apr. 13, 1945

President Franklin D. Roosevelt who had guided the United States through the darkest days of war almost into the full light of victory, died at 1 p.m. Thursday at Warm Springs, Georgia. Death was due to a cerebral hemorrhage. The President had been ill since returning from the Yalta Conference.

June 1, 1945

S-Sgt. Roy E. Hodgins, one of the first Haskell county soldiers to be captured by the Germans, has been liberated. So far as is known, he was the last Haskell prisoner of war. Liberated Apr. 22, Sergeant Hodgins had been a prisoner since Sept. 13, 1943, when he was taken early in the Salerno landing. He has written his wife, the former Ruth McGuire, that he is well, feeling all right and hopes to be home soon.

U.S. Navy surgeons cheated death twice in two of the most amazing stories of medicine to come out of the Korean War, according to a United Press dispatch from the Western Front in Korea. One of the surgeons mentioned in the dispatch and credited with performing a delicate and miraculous life-saving operation is Lt. (Jg) Frank Spencer of Haskell, son of Mr. and Mrs. Frank Spencer, Sr. of near Haskell. The dispatch read: Twice in recent weeks shell fragments have cut gaping holes in the hearts of two American Marines. The ruptured hearts, gasping for life, sped blood six feet in the air. One heart stopped beating. But Navy surgeons, working calmly and quickly, plugged the ugly holes with their fingers and skillfully sutured the hearts together. Both men survive today, fighting an uphill battle. Doctors expect them to win.

July 30, 1953

The Korean War has cost the lives of at least seven Haskell County fighting men. Another has been listed "missing in action" since early in the conflict and six men have been wounded in action, according to a check of newspaper files and other sources made this week. Those killed were Cpl. William Glenn Hewitt, Cpl. Kenneth Biard, Sgt. C.L. Beasley, Jr., Cpl. R.V. Hagle Jr., Pfc. Billy Jack Lusk, M-Sgt. Era H. Brown and Lt. Russell J. Lear.

Sgt. E-5 Milburn H. Starnes, husband of Mrs. Beverly Starnes of Haskell, died in Vietnam on Nov. 3, according to a telegram Mrs. Starnes received from Kenneth G. Wickham, Major General U.S.A., the Adjutant General, Washington, D.C. Sgt. Starnes was on a combat operation when he was hit by hostile small arms fire.

28 Years Ago May 18, 1967

Marine Lance Cpl. Dennie Lee Johnson, 23, of Weimert, was killed in action in Vietnam on May 8. He was the husband of Mary Alice Johnson of Knox City and the son of Mr. and Mrs. A.D. Johnson of Weimert. Cpl. Johnson had entered the Marine Corps on Feb. 28, 1966, and had been sent overseas in Sept., 1966. He was assigned to Company B, 1st Battalion, 3rd Marine Division.

June 29, 1967

SP/5 Randal Blair, son of Olton A. Blair of Haskell, has been awarded an Air Medal for distinguishing himself by meritorious achievement while participating in sustained aerial flight in support of combat ground forces of the Republic of Vietnam during the period of Aug. 23, 1966 to Mar. 21, 1967. Blair also received the Army Commendation Medal and distinguished himself by heroic actions while flying as door gunner on the lead ship of a fire team spotting enemy positions and providing suppressive fire.

After searching through a lot of newspapers, I could not find the date of the first Haskell County serviceman to lose his life in the Vietnam Conflict, nor did I find a write-up on the ending of the war and how many fatalities occurred.

WORSHIP TOGETHER

*They died for liberty,
they died for us. They
sleep in the land that
they made free.*

*"Greater love hath no
man than this, that a
man lay down his life
for his friends."*
—John 15:13

LET'S HONOR THOSE WHO GAVE THEIR LIVES FOR OUR FREEDOM

Our precious gift of liberty,
The annals have revealed,
Has been defended frequently
Upon the battlefield.
So at your House of Worship, give
Your thanks for this, and vow
To help preserve this life we live
That we're enjoying now,
Because of those who gave their lives
To help our nation's cause.
Then, when that solemn day arrives
Let's give a moment's pause,
And let's remember them with pride;
For all through history,
Those gallant heroes fought and died
To keep our country free.

A Memorial Day tribute to our unsung heroes

THE ORIGINAL PICTURE HAS THE NOTATION ON IT: SICK, SAD AND DISGUSTED. SGT. BUSHY AND HIS GUNNER.

Washington, Lincoln, Jefferson, the names of these great American heroes live on in our history books, always to be remembered. Yet on this Memorial Day, we'd like to pay tribute to thousands of American heroes whose names we may not know, but whose efforts have made it possible for all of us to enjoy the many freedoms we have today. To all those brave soldiers, who paid with their bodies and souls, we pay our respects and offer our gratitude. Their contributions have not been forgotten.

WASP RECEIVES WINGS—WASP Madge R. Leon (center) has her shiny new lozenge wings inspected by her proud parents, Mr. H.S. Leon and Mrs. Jerrene R. Leon, both of Dallas. WASP Leon attended high school in Haskell. She trained at Sweetwater Avenger Field for the AAF Training Command's pilot school.

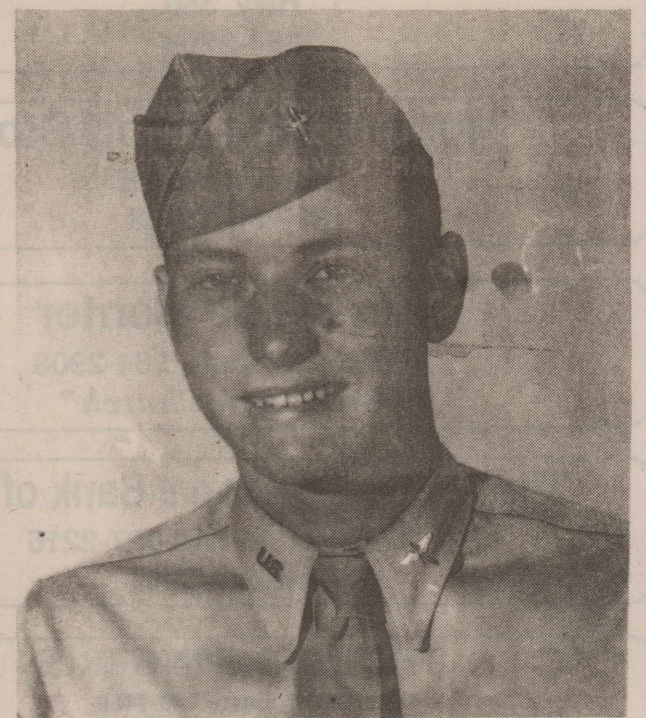

The rockets red glare and the bombs bursting in air gave proof that our flag was still there.

Oh say, does that banner yet wave over the land of the free and the home of the brave?

WE REMEMBER

Memorial Day, let's pause a moment from our daily lives...our comfort, our peace and our freedom...to remember the men and women who fought and died so that we may enjoy

the privilege of being Americans. Proudly, we honor all the people of our armed forces...from all wars. Their courage was our greatest triumph, their sacrifice our greatest loss.

FCS Committee makes programming plans

The Haskell County Family and Consumer Sciences Committee met on May 17, in the County Extension Office Kitchen to finalize plans for the programs and activities the committee has designed for residents of the county during the remainder of 1995 and to make programming plans for 1996.

The FCS Committee is a program area committee of the Haskell County Extension Program Council. This committee works closely with the County Extension Agents assigned to Haskell County to plan and implement educational programs and activities in the area of home economics that residents in the county want and need.

Currently the committee is sponsoring information letters to be inserted in the quarterly newsletter distributed by the Haskell County Extension Office, is developing flyers on budgeting to dispense through the schools, and is planning exhibits to display in vacant store buildings in various communities in the county.

The plans for 1996 are centered around the topics of insurance, recycling, xeriscape, composting, and computer technology. The committee's educational events will be advertised in the county newspapers, over the radio, in the Extension quarterly newsletter and

through flyers distributed throughout the county.

For more information about the FCS Committee or any of the educational programs they are sponsoring, you may contact the County Extension Office or one of the committee members.

The County Extension Agents service Haskell County are Lou Gilly, Family and Consumer Sciences and Max Stapleton, Agriculture. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national

origin.

The Haskell County Extension Office is located at 101 South Avenue D in Haskell. Telephone numbers for the agents are 817-864-2546 - Lou Gilly and 817-864-2658 - Max Stapleton.

You may contact the office at either one of the phone numbers listed above or drop by the office in person to request more information about the Texas Agricultural Extension Service and/or to have your name placed on the Extension mailing list to receive free of charge educational information concerning agriculture, economic development, home economics, and/or 4-H.

Memorial plaques for Old Glory Comm. Center

The Directors of the Old Glory Community Center are in the process of assembling a Memorial Plaque honoring people who have lived in the Old Glory community and have died. This includes all those in the boundaries of the Old Glory Consolidated School District. The plaque will be placed on the wall of the Community Center.

Anyone wishing to place the name of a relative or friend on the plaque, is asked to send the name of the person, clearly printed, year of birth and death, along with \$5 for each name to cover cost of plate and engraving, to Directors, Old Glory Community Center, P.O. Box 14, Old Glory, TX 79540.

This is a wonderful way to remember you ancestors who settled this community as well as others who have been important to you and the community.

WHAT TO DO WHEN THE LIGHTS GO OUT.

All too often, severe weather causes power outages. Wind, fallen tree limbs, and lightning can damage lines or equipment causing these outages. Whenever an outage occurs, WTU works nonstop to restore your service as quickly as possible. We know the inconvenience outages cause — and we appreciate your patience and cooperation. Here are some steps you can take to weather an outage safely — and with as little inconvenience — as possible.

IN A POWER OUTAGE:

- CHECK IT OUT.**
When your power goes out, check all fuses and breakers. If they're O.K., check with your neighbors. If power is out around you, CALL WTU. You'll find our number in your local phone book, or on your WTU bill!
- KEEP WTU PHONE LINES OPEN.**
From the moment you call WTU, help is on the way — so a second call isn't necessary. Please leave our lines open for other callers.
- REPORT FALLEN UTILITY LINES.**
If you see a fallen power line, don't even go near it! And, keep others away, too! Call WTU, the police, or the fire department immediately.
- UNPLUG APPLIANCES.**
It's a good idea to turn off your air conditioner and unplug televisions, major appliances, and computers during storms. If you experience an outage, you may want to leave them unplugged until power is restored. Don't open your refrigerator or freezer unless absolutely necessary.
- BE CAREFUL WITH GENERATORS.**
If you have access to a portable generator, please do not plug it directly into your circuit breaker box. It's unsafe — especially for repair crews. Plug appliances and lamps directly into the generator.
- PLEASE BE PATIENT.**
You may see a WTU truck in your neighborhood leaving before your power comes back on. This is not unusual. We send people out to assess the extent and cause of an outage. The source of your outage might be several blocks away.
- CHECK ON YOUR NEIGHBORS.**
Be mindful of neighbors who may have special needs.
- TURN YOUR FRONT PORCH LIGHT ON.**
Turning on your porch light lets WTU crews know your electricity is back on.
- FOLLOW LOCAL NEWS MEDIA.**
For updates on weather conditions and power restoration efforts, check local newspapers and radio broadcasts.
- KEEP AN EMERGENCY SAFETY KIT.**
It's a good idea to keep things like flashlights, batteries, bottled water, and a battery-powered radio handy.

We Work For You.

Nobody likes it when your lights go out. You don't. We don't. Our job is delivering safe, reliable, low-cost electric service. And that means we work for you.

Progressive Study Club observes Federation Day

Federation Day Observance was the topic for the Haskell Progressive Study Club which met for a salad supper on Thursday, May 11, featuring dishes from The Pride of Texas Cookbook, collection of recipes by TFWC in 1983.

Charter member Frances Lane, welcomed members and guests. Anita Herren, the club's other charter member, presented the Federation Counselor's Report for the club.

Gladys O'Neal, club member since 1939, spoke briefly of the club's history. The first meeting was a dinner party with a pioneer theme in the ballroom of the Tonkowa Hotel on Apr. 29, 1939.

The Senior-Junior Magazine Club chose the name of Progressive Study Club in 1945 and became an independent senior club. In a called meeting, 25 enthusiastic young women interested in organizing a Junior Woman's Club, met at the Magazine Club, where the Haskell County Library is today, on Apr. 14, 1937, with Mrs. T.R. O'Dell presiding.

Mrs. J.U. Fields, former president of Texas Federation of Women's Clubs, gave an inspiring talk on club life. Officers elected were: President—Ann Taylor; 1st Vice President—Mrs. Marvin Branch; 2nd Vice President—Janie Lyle Martin; Recording Secretary—Eleanor Foote; Corresponding

Secretary—Ruby Smith; and Treasurer—Hazel Wilson. Signing as charter members were: Eloise Couch, Anita Herren, Bulah Cass, Lena Belle Kemp, Wynelle Hellums, Madge Arbuckle, Lly Faye Willoughby, Margaret Ratliff, Lucile Akins, Mattie Letha Pippen, Mrs. Marvin Branch, Eleanor Foote, Ann Taylor, Frances Walling, Wilda Pippen, Ethel Irby, Janice Lyle Martin, Eva Dell Squyres, Elizabeth Gilstrap, Mary Emma Whitaker, Odell Williamson, Mary Grindstaff, hazel Wilson and Vada Thomas.

In a business meeting held on Oct. 14, 1937, four active members were added to the roll, Mattie Felker, Mrs. Ed Henshaw, Mrs. Ed Day and Mrs. Joe Brooks. The theme for the first year's study was "Famous Women of Today."

Some of the many outstanding and interesting things done by the club through the years to make the history more interesting and compete, was an extensive study on Texas during 1939 and 1940. The Harmony Club and Magazine Club were honored. On Dec. 7, Delta Kappa Gamma presented Mary Eula Sears of Abilene, with her etchings at Madaline Hunt's home. In 1960-61, Anita Herren was elected First Vice President of Mesquite District and Mrs. Fred Monke was Third Vice President.

Through the years, the club has been a very active and working club with projects that included: a study of Finland; aid to the Youth Center; sponsoring a girl to Girl's State; Little Miss Haskell Style Show; Vogue Sewing Contest; an art contest with local student artists; cancer check-ups; co-sponsoring nurses in bobbie sox; contributing to the Haskell Civic Center; awards to graduating seniors and promising eighth grade students; Cemetery Association; helping with the blood drive; Noah Project; Child Welfare Dept.; Haskell Co. Library; fund raising project of spaghetti supper; awareness of local education needs; and participation in Mesquite District, TFWC and GFWC projects.

The club has become famous for their annual spaghetti supper which was begun in 1980, and last year fed over 400 people. All funds raised are used in their various projects.

The club celebrated 50 years of federation in 1987-1988 and started meeting once a month instead of twice.

Charter members, Frances Lane and Anita Herren were recognized and Ruby Holt commended them for their hard work and devotion through the years for all they had done and continue to do for the Progressive Study Club.

President Oleta Cornelius addressed the club and expressed her thanks and appreciation for all the members and club officers for their work during the past year and presented gifts of appreciation to her officers. She then introduced Sheri Mitchell, Mesquite District President.

Mitchell is employed by the Albany School District. She and her husband have two sons. One son graduated from Princeton and the other is attending Texas State Technical College in Abilene, where her husband is employed. She is serving her first year as Mesquite District President of Texas Federated Women's Clubs.

Mitchell commended the club for their work done during the year and listed their awards received at State level for Category II, Texas Federated Women's Clubs. The awards include: 1st Places—Outstanding Federation Day

Program, Home Life Health—Mary Kaigler District Chairman's Resume, and Excellent—Yearbook Contents only; 2nd Places—Conservation Coordinator Programs, Education Youth Literacy (ASPIRE)—Projects, Home Life Substance Abuse Prevention program, Historical Places and Things Program, Membership Projects and Communication/Public Relations Projects. The awards will be presented at the summer workshop in Rule on July 8. The Progressive Study Club won the most awards in Category II in the state.

Then using golden chains to illustrate the strength of a chain, Mitchell installed the club officers for the 1995-96 year, reminding them as they all worked together, the chain would help to bind them and make them stronger; if one faltered, the chain would weaken and break. Officers for the 1995-96 year are: President—Nancy Toliver; 1st Vice President—Marjorie Huss; 2nd Vice President—Jerrene Couch; Recording Secretary—Ruby Turner; Corresponding Secretary—Jill Druesedow; Treasurer—Doris Reeves Jordan; Historian—Helen Fouts; and Board Member—Oleta Cornelius. A gift of appreciation was given to her by the club.

New President Nancy Toliver spoke to the club of plans and projects for the new year. She presented a gift to out-going president Oleta Cornelius from the club. Members were wished a pleasant summer and the meeting was adjourned.

Tables were covered with white cloth and had blue streamers with blue and silver raffia down the middle of the tables. Bouquets of fresh flowers were centered on the tables and a large red basket with bluebonnets and red and white flowers was centered on the head table. Table appointments were china and silver. Tea was served from a table covered with a quilt with a white linen overlay and held Texas flags.

Also on display in the room, was Federation Memorabilia of the club since 1937. Many yearbooks, scrapbooks and other items of interest. Greeting members as they arrived was a table covered with a quilt and held various western articles including, a boot, horse shoe, lariat, western novel by Zane Grey and other interesting articles.

Hostesses for the evening were Mary Martin, Yuvi Cadenhead, Debbie Earles, Mona Gibson, Dorothy Hartsfield, Franciene Johnson and Jo Nored Lane.

Submitted by Oleta Cornelius.

Back to Rath's Trail, June 2-3

Visitors to Hamlin will step back in time to the 1870's when the Hamlin Retail Merchants host their third annual "Back to Rath's Trail" Friday and Saturday, June 2 and 3. Named in honor of a buffalo hunter trading post which was located north of Hamlin, the day offers a wide range of activities from historical reenactments to arts and crafts.

A visitor's bureau with maps of the activities will open at 10 a.m. in the lobby of Hamlin National Bank.

In a change from prior years, the Rath City Ball will be moved to Friday evening instead of being held on Saturday. The ball, which remembers a time when the dancing girls were brought to Rath City from Fort Griffin, will be held on the Hamlin National Bank parking lot.

Triple Shot, a band known throughout the area, will perform at the ball which will be from 8:30 p.m. to midnight.

Added in 1995, will be a chuckwagon breakfast which will be served from 8 to 10 p.m. Saturday. The meal will be served from the West Texas Rehabilitation Center (WTRC) chuckwagon at the corner of West Lake Drive and N.W. Ave. A with the proceeds benefiting WTRC.

The 1880 Saddletramps, a San Antonio based living history organization, will be establishing a replica of Rath's Store near the original site.

Dear Friends,

Our hearts have been touched and warmed by the financial support, phone calls, cards, words of concern and encouragement shown us during Vance's injury and accident in Lexington, Kentucky.

We are grateful for each and every prayer spoken for Vance, and we believe those prayers are being answered as he is making progress daily.

May God bless each of you as your love blessed us.

NOTICE OF PUBLIC HEARINGS TRANSPORTATION IMPROVEMENT PLAN (TIP)

The Texas Department of Transportation will conduct public hearings at two sites in the Abilene District to discuss the 1996-1998 Transportation Improvement Plan (TIP).

The 1996-1998 Transportation Improvement Plan is a three-year plan developed by the Texas Department of Transportation for Borden, Callahan, Fisher, Haskell, Howard, Jones, Kent, Mitchell, Nolan, Scurry, Shackelford, Stonewall and Taylor counties.

The TIP includes the following:
•A priority list of projects and project segments that will be carried out within the 3-year period, and
•A financial plan that demonstrates how the TIP can be implemented, indicates resources from private (if any) and public sources that are reasonably expected to be made available to carry out the plan, and recommends any innovative techniques to finance needed projects and programs.

The public hearings will be held:
•June 13 at 6:30 p.m. in the Fine Arts Theater of Western Texas College, Snyder, and
•June 15 at 6:30 p.m. in the Lions Club Building, South 1st and Rusk, Clyde.

A 10-day comment period following the public hearings will permit other interested persons to submit written comments to Maribel P. Chavez, District Engineer, Texas Department of Transportation, Abilene District, P. O. Box 150, Abilene, Texas 79604.

All written comments must be received at the Abilene District Office no later than 12 noon on June 26, 1995.

Those desiring to make oral comments or presentations at the meetings may register starting at 6 p.m. Any interested persons may appear and offer comments, either orally or in writing. Comment cards will be available at registration.

The Texas Department of Transportation's TIP proposal can be examined during business hours through June 30, 1995, at the Abilene District Office, 4250 N. Clack, Abilene. 21-22c

AGRICULTURE

United States Dept. of Agriculture releases special upland cotton quota

High cotton prices have triggered, for the sixth time, a special import quota that will permit importation of a quantity of upland cotton equal to one week's domestic mill use, the U.S. Dept. of Agriculture has announced. The special import quota that will permit the importation of 48,036,600 kilograms (105,902,662 lbs.) of upland cotton was established on May 17.

The quota applies to upland cotton purchased not later than Aug. 14, 1995 and entered into the U.S. not later than Nov. 12, 1995. The special import quota identifies a quantity of imports that is not subject to the over-quota tariff rate of a tariff-rate quota. Future quotas, in addition to the quantity being

announced, will be announced if price conditions warrant.

This action is in accordance with section 103B(a)(5)(F) of the Agricultural Act of 1949, as amended. The 1949 Act requires that a special import quota be determined and announced immediately if, for any consecutive 10-week period, the Friday through Thursday average price quotation for the lowest-priced U.S. growth, as quoted for Middling 1-3/32 inch cotton, delivered C.I.F. Northern Europe (U.S. Northern Europe price), adjusted for the value of any cotton user marketing certificate issued, exceeds the Northern Europe price by more than 1.25 cents per pound. This condition was met during the consecutive 10-week

period ending May 11.

The 1949 Act requires that such quota apply to upland cotton purchased not later than 90 days and entered into the U.S. not later than 180 days from the date the quota is established. The quota amount is equivalent to one week's consumption of upland cotton by domestic mills at the seasonally-adjusted average rate of the most recent three months for which data are available. The quota that will be opened on May 17 is based on consumption data for the period Jan. 1995 through Mar. 1995.

This quota is established under Presidential Proclamation 6301 dated June 7, 1991 and is referenced as the Secretary of Agriculture's Special Cotton Import Quota

Announcement Number 6, in Chapter 99, subchapter III, subheading 9903.52.06 of the Harmonized Tariff Schedule.

The quota is not divided by staple length or by country of origin. The quota does not affect existing tariff rates or phytosanitary regulations. The quota does not apply to Extra Long Staple (ELS) cotton.

The 1949 Act contains two provisions for upland cotton import quotas. The two quota types differ by the price weries used to trigger them, the quota amount and the length of the quota period. The quota announced now is established in accordance with Section 103B(a)(5)(F) of the 1949 Act. This quota has been activated by

Northern Europe prices and is equal to one week's domestic mill consumption. The quota period is 180 days.

In contrast, the limited global import quota covered under Section 103B(n) of the 1949 Act is activated by U.S. spot market

prices and is equal to 21 days of domestic mill consumption. That quota period is 90 days. The 1949 Act prohibits the quota periods of the two quota types from overlapping.

Acreage reports more vital to USDA than ever

Farmers are reminded that their crop insurance and certain U.S. Dept. of Agriculture benefits are in jeopardy, if they fail to file their planted acreage reports on time.

The reminder, from Glenn Brzozowski, CED, of the Consolidated Farm Service Agency, said that crop insurance acreage reports must be signed by the insured or a designated agent by the required deadline, which differs by crop and locality.

Acreage reports for farm

program purposes must still be filed at the CFSA Office; however, crop insurance acreage reports must also be filed with the insurance provider. If insured through a private crop insurance agent, the crop insurance acreage report must be submitted to that agent. If farmers purchased the basic, catastrophic insurance coverage (CAT) through the CFSA office, they can sign their crop insurance acreage reports at the same time they report acreage for farm

program purposes, Brzozowski said.

The other major risk management program, termed the Noninsured Crop Disaster Assistance Program (NAP), applies only to those crops for which insurance is not available. NAP provides a comparable level of benefits as that offered under CAT, but no premiums are charged. Planned acreage of NAP-covered crops must be reported on time to

the CFSA office, or no NAP benefits will be paid, if a crop loss occurs.

The CAT and NAP coverages replace the ad hoc crop disaster programs of past years. Unlike previous disaster programs; however, but require timely reports of planted acreage to receive benefits.

Acreage reporting dates for spring seeded crops in Haskell County have tentatively been set at July 15.

Submitted by the Haskell County CFSA.

Crop scouting methods to be taught at workshop

Training of scouts who survey crops to assess pest infestation levels in integrated pest management (IPM) programs in the area will be conducted in Plainview June 1, by the Texas Agricultural Extension Service.

The workshop at the Ollie Limer Agricultural Center, on south U.S. Hwy. 87 (Business Route), is open to summer scouts of private consultants, pesticide applicators and producers who scout their own fields. The workshop will begin at 8:20 a.m. and end at 4:40 p.m.

This year's workshop has been accredited by the Texas Dept. of Agriculture (TDA) to award five continuing education units (CEUs) toward recertification of commercial, non-commercial and

Time to spray pecan trees

The pecan nut casebearer can cause a lot of damage to your pecan crop. Extension Agent—Entomologist, Louis D. Chedester is predicting that the time for Haskell County residents to begin spraying their pecan trees for this pest will be May 30 – June 4.

Additional information about the pecan nut casebearer, spraying techniques, chemicals and schedules can be obtained from the Haskell County Texas Agricultural Extension Service Office at 101 S. Ave. D in Haskell or by calling Max Stapleton, County Extension Agent—Ag, at 817-864-2658.

Paint Creek ISD recognized for Outstanding Safety Program

Mr. Jerry Morgan, Superintendent of the Paint Creek Independent School District was recently honored for outstanding employee safety by the North Texas Educational Insurance Association at its annual meeting conducted in Austin. The Association consists of 121 participating school districts located throughout northern and central Texas. The district is a member of a uniquely designed partially self-funded workers' compensation program developed by Hibbs-Hallmark and Co. and administered by Claims Administrative Services, Inc., both located in Tyler. Hibbs-Hallmark and Co. currently provides workers' compensation programs to over 25 percent of all schools in Texas. The purpose of the meeting was to recognize those districts that have held both the number and severity of employee accidents to a very low level. The combined savings during the 1993-94 school year, for all participating districts, was over 2.4 million dollars when compared to the costs of fully insured programs. The total savings for all districts since inception of the programs in 1991 exceed \$13 million dollars.

School District was a Diamond Star award recipient with the actual losses from employee accidents equaling less than 10 percent of the fund set aside by the district for claims expenses. The actual savings to the school district was \$10,736. "Our self insurance program was designed to provide the highest level of safety and offer the greatest potential for premium savings to the districts," said Billy Hibbs, President of Hibbs-Hallmark and Co. "We have a team of safety professionals who help the districts to implement a strict set of safety policies and procedures."

Claims Administrative Services, Inc. President, Barry Jones, stated "Safety in the workplace is such an important issue and the administrators who have achieved such a high level of success in the area of employee safety deserve this special recognition. The taxpayers should also be pleased to know that the Board of Trustees and the administrative staff of the Paint Creek Independent School District is doing everything possible to insure a safe working environment for its employees while reducing the cost of workers' compensation insurance," continued Jones.

SKYE PORTER

Porter earns gold medal at Class 1A State UIL Golf tourney

Skye Porter, daughter of Kim and Cindy Porter of Petersburg and granddaughter of the late Mr. and Mrs. C.A. Thomas Jr., earned a gold medal at the Class 1A State UIL Golf Tournament on May 8 and 9 at the Morris Williams Municipal Golf Course in Austin.

On the first playoff hole, she sunk a 15-foot birdie putt to take home the gold.

This was Porter's third trip to state in golf and it appears to have been the lucky third time charm.

Porter will graduate as the valedictorian of Petersburg High School and plans on attending Texas Tech University.

Porter was tied after two days of play and went into a sudden death playoff to determine the champion.

Infant immunization figures improved by Shots Across Texas

Infant immunization rates in Texas have received a healthy shot in the arm, according to a study sponsored and analyzed by the Texas Department of Health (TDH).

Dr. David R. Smith, Texas Commissioner of Health, attributed the improved immunization rates largely to the success of Shots Across Texas, a statewide initiative begun more than a year ago. "This initiative has helped to make immunizations available in Women, Infant and Children (WIC) Nutrition Program clinics, developed an extensive network of grassroots immunization coalitions, funded special inner-city immunization projects and helped

make vaccine more accessible throughout Texas," Dr. Smith said.

Survey results show that 55 percent of Texas children age two and younger are immunized. Among the three major ethnic groups in Texas, Hispanic children enjoy the highest rate of age-appropriate immunizations, followed by Anglos and African-Americans.

About 59 percent of Hispanic Texans no older than 24 months are appropriately immunized. Among Anglo children, that rate is 57 percent, while 39 percent of African-American children in this age group are adequately immunized.

Hamlin FFA to host TCCA sanctioned Alumni Heifer and Steer Classic

The Hamlin FFA will host the TCCA sanctioned Hamlin FFA Alumni Heifer and Steer Classic on Saturday, June 3, at the Hamlin Rodeo Arena in Hamlin.

Steer weight breaks are: Progress Steers - 801 lbs. and above; and Prospect Steers - 800 lbs. and below.

Exhibitors will weigh and classify their own steers and there will be a five percent weigh back. Bring your own generator.

The Grand Prospect Steer guaranteed is \$700; the Reserve Grand Prospect steer guaranteed is \$300; the Grand Heifer guaranteed is \$300; and the Reserve Grand Heifer guaranteed is \$200.

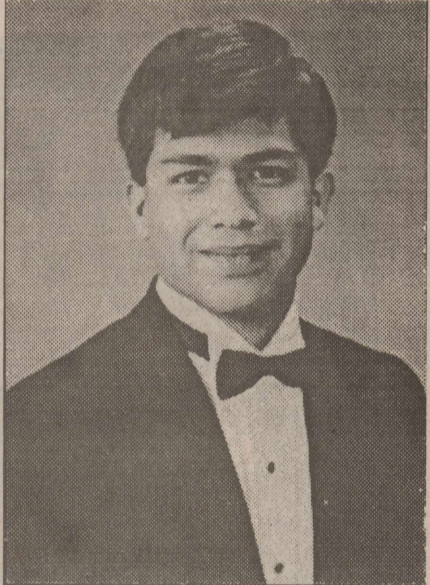

For further information, contact John Holland at 915-576-2566, Dave Byerly at 915-576-3638 or 576-3036 or Joe Dan Scifres at 915-576-3358.

The barn will open Friday, June 2 at 3 p.m. Heifer check-in and weighing steers will be at 7 a.m. on Saturday, June 3. The deadline for weighing steers is 8 a.m.

The heifer show will begin at 8:30 a.m. and the steer show will begin at the conclusion of the heifer show. A progress steer show and then a prospect steer show follows. TCCA format will be followed for show order.

June 30 is enrollment deadline for 4-H

Any young person age 9 (or age 8 and in the 3rd grade) to 19 in Haskell County who is interested in making new friends, becoming a leader in their school, learning about subjects such as bicycle safety, sewing, horsemanship, Country Western dancing, foods and nutrition, public speaking, livestock care and grooming or just having lots of fun is invited to join 4-H. Youth can join 4-H through a local club, a special interest group, or a self-determined project area. Each program is unique and often involves the whole family.

4-H encourages diverse groups of youth to develop their skills and talents to the fullest potential. In 4-H, you "learn by doing." You can gain confidence and skills that will last a lifetime through 4-H's "hands-on" programs and projects. The accomplishments you achieve in 4-H will prepare you for many successes now as well as in the future. Most importantly, 4-H is fun! 4-H...it's more than you ever imagined!

So, how much time does 4-H take? You structure your own commitment to 4-H. Do as little or

as much as you desire. You can get involved in monthly club meetings or seasonal project group meetings.

If you are interested in becoming involved in 4-H, contact Lou Gilly or Max Stapleton at the Haskell County Extension Office by calling either 817-864-2546 (Lou) or 817-864-2658 (Max).

All new members as well as existing members are asked to enroll or re-enroll before June 30. All that you have to do is come by the County Extension Office at 101 South Ave. D in Haskell and fill out an enrollment form. Membership is free of charge and open to all youth ages 8 (in the third grade in the 1995-96 school year) to 19, regardless of socioeconomic level, race, color, sex, religion, handicap or national origin. If you are interested in participating in a livestock project of any kind, you need to bring your Social Security number with you.

Puerto Vallarta, destination for Rochester senior trip

The Rochester Senior Class of 1995 will depart on a senior trip to Puerto Vallarta, Mexico on Saturday, May 27. The class has worked hard throughout the years to pay for the trip. They held car washes, bake sales, dinners, concession stands, raffles, Little Dribblers, Pee Wee Track meet and many more fund raisers. Class members are looking forward to this trip, not only to celebrate but to learn about a different culture. It will be their last time together as a class.

Class members share some of their memories as follows: Danielle remembers that once she had to give a speech in Speech Class. It was a personal speech that no one,

not even her close friends knew about. Halfway through the speech, she broke down and started crying. She expected to look up and find her classmates laughing, but instead, the whole class was crying. After the speech, everyone in the class including the teacher had a group hug. That is one of the memories she will never forget. "As long as I live I will remember how close my classmates and I were, no matter what my problem was, they went through it with me. That means a lot to me, these are people I will never forget."

Karmen says "Our class is very unique. We are all very close. It is going to be very hard for me to leave all my classmates after

graduation. It's like we are all a family. I wish everyone in my class to find happiness in themselves. Our class is very weird. Through the years you can see sometimes they have feelings for you and sometimes they don't. But all coming towards the end, everyone is closer and has more feelings towards each other."

Freda says that the quote says it all about the Class of '95. "Party hard rock and roll, we're the class you can't control, to the top we will strive cause we're the class of '95."

Spivey remembers how close her classmates were and hopefully always will be. "Everyone has always told us that once I get out

of high school, we will not hardly ever see one another and forget about them when we all go off our separate ways. I hope that never happens to us! I enjoy being around my class and I will miss everyone so much, Love ya'll."

Stacy remembers our class to be very loving and always there for each other. "We were always together during the good times and the bad. I love them all very much and hope that after graduation, we still stay close and in touch."

Tracie remembers our class as all being very close, "I'll miss everyone in our class very much. Best of luck to everyone in whatever they choose to do. Stay in touch. Love ya'll."

YEARBOOK DEDICATION — Members of the Chieftan Annual staff, presented their yearbook dedication to Bill Blakely, advanced math teacher at Haskell High School, on Friday afternoon. The graduating seniors attended the dedication.

1995 Red Raider baseball camps set for June & July

The 1995 Red Raider Baseball Camp, hosted by Texas Tech University and the Red Raider Baseball coaching staff, could be the answer to your son or daughter's dreams of learning all there is to know about "America's Favorite Pastime." Red Raider baseball coaches and other specially invited college and high school coaches will handle the instruction and on-hand teaching at the '95 camp, which is available in three different sessions.

The main purpose of the 1995 Red Raider Baseball Camp is to develop individual and team skills, which will improve the playing ability of each of the camp participants.

The camp features: resident and commuter packages; air conditioned dorm rooms; playing on astro-turf infield; and personal instruction from college and high school coaches.

The camp director is Texas Tech Assistant Baseball Coach Frank Anderson, who is in his fifth season at Texas Tech.

The Day Camp scheduled for June 5-7 consists of three 2-hour sessions for each age group: 6-8 year-old, registration at 8:15 a.m. with sessions at 8:30 to 10:30 a.m.; 9-12 year-old, registration at 10:15 a.m., with sessions at 10:30

a.m. to 12:30 p.m. Cost of the Day Camp is \$55 and includes tuition, entertainment and a camp T-shirt. A \$30 deposit is required for the Day Camps.

The Resident and Commuter Camps for 9-17 years of age are scheduled for June 18-21 and July 16-19. Registration will be from 1:30 to 3:30 p.m. on the Sunday afternoon of your camp, at the University Plaza, 1001 University Avenue. Two sessions are offered. Residents and Commuters participate in the same activities. Commuters are responsible for their own housing, breakfast and transportation needs. The cost of the Resident Camp is \$260 which includes room, meals, tuition, entertainment and a T-shirt. The cost of the Commuter Camp is \$180 which includes a lunch and evening meal, tuition, entertainment and a T-shirt. A \$100 deposit is required for the Resident and Commuter Camps.

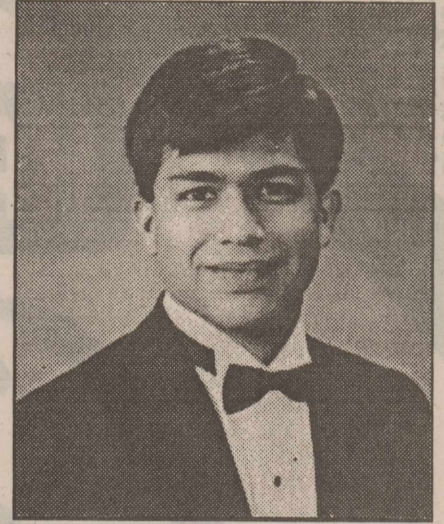

Resident campers will be housed at the University Plaza across from the Texas Tech campus. It is an air-conditioned dormitory. All meals will be provided in this facility. Linens will not be provided.

Each camper will need to provide the following items for camp: sheets, pillows, personal toiletries, shirts, baseball

equipment, personal spending money, towels, blankets, shorts and socks.

Contact Red Raider Baseball Camp, Box 43021, Texas Tech Univ., Lubbock, TX 79409-3021.

Best of Luck
