

Rites Conducted For E. C. Brown Pioneer Citizen

Edmon C. Brown, pioneer resident of Oklahoma Lane community, passed away in Green Hospital & Clinic here Saturday, November 3 at 9:15 a. m. after an illness of some time. Mr. Brown and family moved to Oklahoma Lane community 18 years ago and farmed there until his retirement. He was 76.

He was born June 13, 1875, in Tennessee.

Mr. Brown is survived by his wife, Mrs. E. C. Brown; his children, Dee Brown, Murrell Brown, Jackie Brown, Mrs. R. L. Jones, and Mrs. C. B. Watkins, all of Muleshoe; and by the following step children: Carl Deaton of Clovis, N. M.; Earl Deaton, U. S. Navy in Japan; Mrs. B. C. Martin, Farwell; Mrs. Kelton Hickman, Reseda, Calif.; Mrs. E. M. Balfidge, Tulsa, Okla.; and Miss Betty Deaton, Oklahoma Lane.

Funeral services were conducted Monday, November 5, at 2:30 p. m. in the Oklahoma Lane Baptist Church with Rev. Mayo D. Carpenter, pastor, and Rev. J. J. Terry of Grady, N. M., a former pastor, officiating. Interment was in Muleshoe cemetery with Muleshoe Funeral Home in charge of arrangements.

Fullbearers were G. D. Anderson, T. L. Glascock, E. E. Engeling, Lacy Hardage, Jack Roach, and Jack Cox. Honorary pallbearers named were: E. H. Young, Dick Gerles, R. S. Smaltz, W. E. Verner, J. M. Pruett, H. T. Edwards, John Payne, and D. W. Carpenter.

JOHN BEN SHEPPERD

State Official Spoke Here Today

John Ben Shepperd, Texas Secretary of State, addressed a convocation of Muleshoe high school students at 11 o'clock this morning on the theme of Americanism. A number of adults heard the speech.

Mr. Shepperd is on a tour of the section and was to make several appearances on this trip, among them an address before the Farwell Chamber of Commerce.

Morton-Muleshoe Game Set Back To Thursday Night, November 15

Final football game of the season, for the Muleshoe Mules will be played here in Benny Douglass Stadium the night of Thursday, November 15, school officials announced today. The game, against Morton's Indians, was put back from Friday night so that those who wish may attend the Brownfield vs. Littlefield game Friday night.

It will be the last game of the season for Morton, too, whose team has won only a single game this season against Whiteface. Muleshoe and Morton will play for the cellar position in this tough 7-AA conference.

The Mules lost to Brownfield last week end to bring to three their conference losses. To date, the Mules have won three games, beating Crosbyton, Springlake, and Sundown; they have lost 6 games, to Olton, Tulia, Hereford, Littlefield, Levelland, and Brownfield.

Bill Willis, sterling end has been lost to the Mules for the rest of this season. He chipped an ankle bone in the Brownfield game and his place was taken by Jimmy Hall. Jimmy will start at left end against Morton in all likelihood. Another boy who has played considerable time this year was laid up in scrimmage

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, NOVEMBER 8, 1951

AN ATTRACTIVE DISPLAY of whisky was arranged by Bailey County peace officers after their surprise visit to the colored section of Muleshoe late Saturday. Sheriff Hugh Freeman who led the raid is pictured in center, flanked by his deputies, on his left Deputy Sheriff Garland Freeman and on his right Office Deputy Bill Boothe. Two colored men paid \$1,000 fines in county court Monday. Journal Photo

Officers Seize Bootleg Whisky

Bailey County officers the past week end removed some of the profit that might attach to bootlegging in this county. Sheriff Hugh Freeman and Garland Freeman, deputy, raided the colored section of town Saturday afternoon and seized twenty half pints, 45 pints, and 5 fifths of whisky.

They arrested two colored men, Raymond Lewis and Jimmy Step-

teo and the two were charged in county court with possession of liquor for sale in a dry area, and with having liquor without Texas tax stamp.

Judge Cecil Tate lowered the boom Monday morning when the two were brought into his county court. He assessed each man a \$250 fine on each case, or \$500 each.

C. C. Williams Rites At Sudan

Cecil Clarence Williams, of Keensburg, Ill., passed away in Amherst Hospital Monday, November 5, after having been here for only a few days. He had been visiting relatives. He was an employe of the Keenwood Oil Co., in Keensburg.

He was born December 8, 1904, at Milburn, Okla., and was 46 when death came.

Mr. Williams is survived by his wife, Mrs. Dorothy Pursey Williams, and their two children, Rena Yvonne and Ranell, all of Keensburg; his mother, Mrs. Lydia Jane Pursel of Sudan; and the following brothers and sisters: Mrs. Flossie Bell Freeman, Fort Worth; C. B. Williams, Lubbock; C. M. Williams, Flora, Ill.; Mrs. Carl Reese, Roosevelt, Okla.; Clifford Williams, Sudan; C. E. Williams, Keensburg; C. G. Williams, Circle Back, Texas; and Mrs. Howard Fox, Roosevelt, Okla.

Funeral services were conducted from the Sudan Methodist Church by Rev. U. S. Sherrill, pastor. Interment was in Sudan cemetery with Muleshoe Funeral Home in charge of arrangements. Pallbearers were Dan Province, L. A. Harper, Chester Harvey, W. F. Harper, J. K. Allen and Jack Lenderson.

Grand Jury Indicts 2 Men For Murder

40,000 Bales In Bailey Co. 1951 Estimate

Bailey County's 1951 cotton crop Sunday was estimated at 40,000 bales by K. N. Clapp, of Lubbock, the area representative of Anderson, Clayton & Company, whose November 1 estimate was the same as the figures for October 1. Mr. Clapp has been estimating cotton crops in the area for many years.

Mr. Clapp estimated production for the area this year at 1,395,000 bales. His estimate for the area was up 40,000 from the October 1 figures.

He estimated Lamb County's crop would run to 115,000 bales; 10,000 for Farmer; 80,000 for Cochran; 180,000 for Hockley; 220,000 for Lubbock.

At the same time he estimated that the acreage planted to cotton in the area in 1952 will about equal the number of acres planted to cotton this year. Cotton acreage, he said, may be boosted some if considerable wheat plantings are abandoned due to drought.

Thomas Clifton Livesay and Lester D. Stevens entered pleas of not guilty Wednesday morning when they were arraigned in 64th District Court here with Judge E. A. Bills of Littlefield presiding. The two were denied bond.

Livesay and Stevens were indicted by a Bailey County Grand Jury Tuesday morning after a two day session, on a 10-count true bill charging them with malice aforethought and robbery

by assault with a deadly weapon and with firearm. They were jointly charged and indicted on the same true-bill.

In the arraignment Wednesday, Judge Bills appointed H. S. Millwee of Lockney to represent the defendants. Neither has employed an attorney to represent him during trial which will be held in December. Livesay entered a plea of not guilty and Stevens stated that he didn't know how to plead and Judge Bills entered the plea of not guilty on the records for him.

Their trial is scheduled to appear before the 64th District Court when it convenes here on December 3. Judge Bills has issued orders that a special venire of 180 men be summoned for this term of court. District Attorney Joe Sharp, assisted by County Attorney Norman Bays, will be prosecuting attorneys for the State.

Livesay is being held in the Bailey County jail and Stevens is being held in the Farmer County jail at Farwell.

Santa Claus To Be Here Dec. 21

A report from the North Pole this week stated that Santa Claus will arrive in Muleshoe on Friday, December 21st for his annual visit before Christmas. He will have bags of apples, oranges, and fruit to pass out to the youngsters this year.

School will turn out at 2 p. m. on Dec. 21st for the Christmas holidays and will also give the kids a chance to talk to Santa and tell him their Christmas wishes.

Youngsters wishing to write letters to Santa may do so at any time. Just send them in care of the Muleshoe Journal and they will see that Santa Claus receives the letter.

Fall Economy Festival A Success In Many Ways

The Fall Economy Festival, held by a large group of Muleshoe merchants the latter half of last week, was a success in more ways than one.

Many merchants report a large number of new customers as well as old friends coming to their stores during the three day event, some from a long distance from Muleshoe. Trading, despite the bad weather which prevailed, was brisk and gave a satisfactory ending to the campaign.

In a letter to all who participated, Al Hall, the Chamber of Commerce manager, reported that all bills incurred, including newspaper advertising, radio advertising, special decorations bought, freight, etc., were paid and that there was a cash balance of \$78.53.

Each merchant who participated contributed \$10 to a general fund for conducting the Festival.

The Journal issued a 32-page tabloid size newspaper to publicize the event, and 7,000 of these papers were mailed and delivered to the doors in this territory.

The Journal force and several others worked through Sunday,

preceding the event, to prepare the paper for mailing. Hall mentioned several committeemen who helped with the event, Jim Cox, Junior Sanders, J. M. Forbes, N. H. Greer, Lloyd Alsop, and Mike Watkins on the general steering committee; June Waggoner, B. A. Dalton, and Houston Hart on the finance committee; Randy Johnson, Hoyt Morgan,

and Bob Harvey, advertising; Mrs. Lertha Walker and Howard Cox were especially thanked for donation of their theatre facilities. The Retail Trade Development Committee of the Chamber of Commerce, headed by Ray Morrison as chairman were the prime movers behind this first cooperative event ever staged in Muleshoe.

Black Is Foreman Bailey Co. Grand Jury Which Began Work Monday

Mrs. Witherspoon Rites Were Held Here Tuesday

Mrs. Willie Estelle Witherspoon a resident of this vicinity for 15 years, passed away at 7:30 p. m. Sunday, November 4, in Green Hospital & Clinic here, at the age of 74.

Mrs. Witherspoon was born March 9, 1877, in Dallas County, Texas.

She is survived by the following children: Wilson Witherspoon Muleshoe; Mary E. Witherspoon, Austin; Mrs. L. W. Alexander, Hollis, Okla.; F. J. Witherspoon, Newton, Miss.; Burl H. Witherspoon, Morgan City, La.; Myrl H. Witherspoon, Carswell Air Force Base; Mrs. J. N. Lyle Austin.

Other survivors are her brothers and sisters: A. Wylie, Richardson, Texas; Mrs. Mattie Clements, Kennedy, Texas; Mrs. Emma Ogle, Mrs. Jennie Prince and Mrs. C. W. Bryson, all of Dallas; and Mrs. Roy Edwards, Oklahoma City, Okla.

Funeral services were conducted Tuesday, November 6, at 2 p. m. in the Muleshoe Church of Christ, with Ebb Randol, minister, officiating.

Pallbearers were Hoyt Tiller, Arthur Shafer, Wayne Marlow, Vance Wagon, Jim Burkhead, and Gordon Tiller. Burial arrangements were in charge of Muleshoe Funeral Home. The body was taken to Eldorado, Okla., where graveside services were held and interment was by the grave of her husband.

DUCK SEASON OPENS

Duck hunting season opens at noon tomorrow and will run through Dec. 28. There is some

Blood Donors For Korea Sought

Donors of blood for boys in Korea is sought from this vicinity, and the Muleshoe Rebekah Lodge is sponsoring the movement to secure donors at the blood bank in Lubbock November 21. The Civil Defense Mobile Blood Bank is coming from Dallas for three days, the first two to be spent at the Reese Air Force Base.

Local people will go down the 21st, and be there around 8 o'clock. Mrs. A. P. Lambert and Mrs. F. L. Snyder are working on behalf of the lodge to obtain names of those who will volunteer, in advance, since officials desire that names of prospective donors be submitted by Monday, November 19. Mrs. Lambert will make a list of donors, and it is requested that anyone wishing to give a pint of blood for the fighting men call her at No. 4313.

People 21 to 65 are eligible. Persons 18 to 21 are eligible provided they have their parents written consent. All blood donated will be sent to Korea for use in treating U. S. wounded boys.

All who will go are asked to meet at the Rebekah Lodge hall on the west side of the courthouse square at 7 a. m. the 21st. The blood bank unit will be located in Lubbock at Red Cross headquarters, about 3 blocks south of the Lubbock Hotel.

Other civil suits are: E. W. Bass versus J. E. Johnston and others, suit for partition of land.

Max Meadors versus W. H. McGee, foreclosure of chattel mortgage.

E. N. Baker versus J. S. Mooneyham.

Katherine B. Landon versus D. P. Brown, suit on will.

W. M. Barre versus Alamo Casualty Co., suit for car insurance. This case has been postponed several times and may not come to trial at this term.

Several attorneys are in attendance on district court. District Attorney Joe Sharp and Court Reporter Jim Norman of Plainview also are attending sessions.

Loan Of \$487,000 To Bailey Co. Electric Will Provide More Service

The Bailey County Electric Cooperative Association has just received a loan of \$487,000 from the Federal Government through the Rural Electric Administration for the construction of twenty-three miles of transmission line, three sub-stations, and enough distribution lines to serve seventy additional irrigation wells.

D. B. Lancaster, Manager of the Cooperative, stated that at the present time the Cooperative was having trouble getting materials delivered immediately; but that plans were to complete all of the new construction during 1952.

He stated that at the present time the Cooperative was serving 170 irrigation wells and more than 2500 other consumers in Bailey, Cochran, Lamb, and Farmer Counties. "Most of the lines in Bailey County will be operated by electricity due to the expansion program of the Electric Cooperative," Lancaster said.

5 Other Indictments Returned

Five other indictments were returned by the Grand Jury, four charged with passing cold checks and the other with passing an forged.

Armistice To Be Observed Monday

Muleshoe will close shop the coming Monday, November 12, in observance of the Armistice holiday, since the date falls this year on Sunday.

A large majority of local business houses voted to observe the Armistice holiday as one of five to be observed during the year. Also, it was voted to observe the following Monday whenever a holiday falls on Sunday.

The bank, postoffice, courthouse, city hall, and scores of business houses will be closed during the day.

Farm Committee Election Is Set In Bailey County November 30

Community Production and Marketing Administration committee election will be held in Bailey County November 20, 1951. H. E. Schuster, Chairman of the county PMA committee announced today.

Each farmer, owner, operator, tenant or sharecropper, who is participating in any program administered by the county PMA Committee is eligible to vote in his respective community election.

Voting this year will be by mail and at the county office in Muleshoe. For each community farmers will vote for three regular committeemen and two alternates and a delegate to the county convention where a county PMA committee will be elected.

The committeemen elected in both the community and county elections will take office December 1, 1951. They will be responsible for the administration of the agricultural conservation program, price support operations, the sugar program and in cooperation with the Federal Crop Insurance Corporation, the writing of all-risk crop insurance.

Chairman Schuster points out that this year when these programs are geared to defense production and farmers are being called on to help meet the Nation's defense requirements, the committee elections take on added significance. Those elected should be farmers the majority of the farmers in each community want. The programs they administer and the assignments they carry out will affect the production and marketing of the products of every farm in the community.

He urges every eligible farmer to vote.

City Wide Holiday Closing Plan Goes Into Effect Coming Monday

The new city-wide holiday closing schedule will go into effect Monday, Nov. 12, when the majority of stores and business houses will observe Armistice Day.

This is the first holiday to occur since the schedule was drafted and recommended by the Retail Trade division of the Muleshoe Chamber of Commerce. The others are Thanksgiving, Christmas, New Years and the Fourth of July.

In making its recommendations, the chamber of commerce committee asked that when any of the holidays came on a Sunday that the following day be observed. Early returns from cooperators indicate that most retail establishments will be closed on Monday the 12th.

Every member of the chamber of commerce received two large placards this week. These carried the list of five holidays that will be observed by store closing and the request that customers plan their shopping so that they would be inconvenienced as little as possible.

Chamber of Commerce president W. M. Pool, Jr., explained that a poll of every business house in Muleshoe had been conducted prior to the announcement of the holiday schedule. The five days selected represented the wishes of the majority of those polled and conformed almost exactly with the schedule observed in neighboring cities of Clovis and Portales, N. M., Sudan, Friona, Farwell, Littlefield, Levelland and Morton, Texas.

"Our retail trade committee felt that merchants and customers both would profit from this idea of having a predetermined set of holidays on which to close," Pool said. "In this way folks wishing to go out of town for a holiday can make their plans in advance."

"The Journal is going to cooperate by carrying a front page story prior to each holiday so that everyone around Muleshoe will be informed of the closing in advance and not make unnecessary trip to town."

"Practically all places of business will close," he said, "with the exception of cafes, filling stations and drug stores, or any other business that caters to the needs of the traveling public. And during the rush seasons we do not expect that the elevators will close either. Our employees

are anxious to give their help these days of respite yet they must accommodate their customers during the periods of heavy seasonal activities."

Thanksgiving Nov. 22
The question of which Thursday to observe as Thanksgiving was also settled this week. A poll conducted by the chamber of commerce revealed that Nov. 22 would be observed by the bank, post office and schools. The merchants decided that they too would observe this date.

Richard Smith Starts Angus Registered Herd
Richard Smith, residing about 8 miles west of Muleshoe on the Clovis highway, has been added to the growing list of registered Aberdeen-Angus breeders in the Muleshoe Country.

Mr. Smith last week purchased two registered Rosemere Pride heifers of this breed to form the nucleus of a herd he expects to build up in the coming months. They are both bred to the well known bull, Prince Sunbeam 105. The heifers were bought from Angus Valley Farms of Tulsa, Okla.

Price paid was \$750 each. Mr. Smith classes his new venture as an "investment hobby". Other breeders who have been winning prizes at various shows recently are Mrs. Herman Haberer and O'Neil Rockey.

Brownfield Cubs Defeat Mules

The high flying Brownfield Cubs made it seven wins in a row Friday night as they defeated Muleshoe 35-7. The win was the second District 7-AA victory for Toby Greer's eleven and sent the Cubs into a tie for the conference lead.

Howard and Halfback Joe, provided most of the fireworks in the first half as they accounted for 27 of Brownfield's 28 points. Howard raced for three touchdowns and smacked across for two extra points. Joe marked up a six-pointer and tallied one extra point.

The first scoring march covered 56 yards and was climaxed when Howard pushed over from the five. After a Muleshoe fumble the Cubs tallied again with Howard racing 35 yards on the clincher. Joe opened the second period by crashing four yards for the third touchdown, and Howard came back in the closing minutes with a 57-yard scamper.

The other Cub markers were racked up by Jerry Anderson and Billy Thomason. Anderson took a 48-yard pass from Donnie Boyd for the last Cub six-pointer and ran over the extra point. Thomason smacked across for an earlier extra point.

The lone Muleshoe score was made in the fourth canto after Brownfield fumbled on its 12. Aubrey Heathington bullied over from five yards out for the touchdown. Dewayne Burkhead kicked the extra point.

The Cubs also played havoc in statistics with 17 first downs against 6 for the visitors. Brownfield had 312 yards rushing and 79 yards passing. Muleshoe marched 151 yards on the ground and 78 yards through the air.

MULESHOE STATE BANK

Soil And Water Name Selected For New Paper

Landowners throughout this area will be interested in the announcement by the Association of Texas Soil Conservation District supervisors that a new publication, "Soil and Water" will be launched the latter part of December, designed to help further the conservation of land through the far-flung soil conservation district program which now covers 95 per cent of the entire state.

The publication is being sponsored by farmers and ranchers who are members of soil conservation districts, which now cover 142,327,400 acres in Texas.

Its purpose will be simply to help solidify the efforts of these 100,000 far-seeing landowners toward a permanent land usage program which will keep Texas soil productive from now on. Clayton Puckett, president of the association and a landowner and active rancher at Fort Stockton, said:

"Soil and Water" will be published monthly, starting the latter part of December, and will contain upwards of 50 pages devoted to all phases of the district program, which includes conservation of soil, water, range, timber and wildlife.

Editorial offices will be maintained in the Wilson building in Temple, where the long-handled organization, the Association of Texas Soil Conservation District supervisors, has its headquarters.

John B. Cole, executive director of the association, will serve as editor. He was formerly with the Texas State Soil Conservation Board and has had wide experience in agriculture and conservation work.

From where I sit... by Joe Marsh

"Talks Turkey" — Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the customers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You — or Sonny — may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinion.

 Norma June Sowder, daughter of Mr. and Mrs. John H. Sowder, born Oct. 29, 1951.

WD TRACTION BOOSTER

Gives You More Work Power

When you set the hydraulic lever on the WD Tractor, you can add as much as a thousand pounds of weight on the rear tractor wheels.

As the drawbar load increases, the hydraulic system uses the weight of the implement plus the weight of the soil to bear down on the wheels. Location of the implement behind the tractor gives it leverage, which multiplies implement weight at the tractor axle.

It's entirely automatic. The tractor selects the amount of weight needed. And it's all a part of the complete WD hydraulic system—no extra equipment.

Stop in and let us show you how the WD will do drawbar jobs which ordinarily require a much heavier tractor.

Armistice Day To Be Observed Here On Monday

Since Armistice Day, November 11, this year comes on Sunday, merchants and business firms will observe Monday, November 12 as a holiday. Armistice Day is one of the five holidays recently selected by the business firms in a poll conducted by the Chamber of Commerce. Ben Richardson Post, American Legion, of Muleshoe will observe the occasion with a full program. They will give a dance at their home on Saturday night, then the traditional Legion breakfast will be held early Monday morning.

PHILOSOPHY

How slow we are to learn that half the woes we dread, do not come upon us at all. How much wiser it is to take things as we find them, making the most of the present with a view to building more wisely for the future. The Golden moments in the stream of life rush past us, and we see nothing but sand; the angels come to visit us and we only know them when they are gone. Sometimes, when things seem to be going against you, they may be coming your way. Nothing ventilates the mind like a resolution.

THANKSGIVING SUPPER PLANNED AT LAZBUDDIE

The Lazbuddie P. T. A. is sponsoring a Thanksgiving turkey supper Nov. 20, at 6:30 p. m., in the Lazbuddie lunch room. Adult tickets will be \$1.25 and grade school children tickets will be .65. Everyone is invited.

More than 118,000 Texas 4-H club boys and girls will join nearly two million other 4-H members of the country in observing National 4-H Club Achievement Week, November 3-11. Volunteer adult 4-H leaders also will share in recognition activities.

As part of their 4-H program, Texas 4-H members join hands with farm youth across the sea in promoting better world understanding. Five Texas 4-H boys and one girl have participated in the International Farm Youth Exchange Program since its beginning in 1948.

Two Texas boys, Steve Lilly of Nacogdoches county and Roy Whitaker of Panola county, have recently returned from four-month visits to Turkey and Ireland. James W. Strode of Nacogdoches county will spend the next few months in Australia.

The 4-H Defense Mobilization Program is another activity in which many 4-H club members participate. A 14 point program is being sponsored by 4-H members to promote the defense of the country and its democratic ideals.

Ceiling Prices On Antifreeze Must Be Posted

The approach of winter, a recent norther and the rush of motorists to prepare their cars for cold weather brought the reminder from the Lubbock District Office of Price Stabilization that the ceiling prices of antifreeze must be posted by all retailers.

W. O. Daniels, chief of the fuels and chemicals section of the Lubbock district OPS, said the ceiling prices of antifreeze are:

Type S, one gallon or more, per gallon \$1.50; less than one gallon, 40 cents per quart.

Type S is a volatile antifreeze containing one or a combination of the following: synthetic methanol, synthetic ethanol, synthetic isopropanol and similar synthetic alcohols, except type SC.

Type SC, one gallon or more, per gallon \$1.40; less than one gallon, 35 cents per quart. Type SC is diluted synthetic methanol

product containing more than 3 per cent water by volume. Type P, one gallon or more, \$3.75 per gallon; less than one gallon, \$1.00 per quart. Type P is permanent antifreeze consisting principally of glycol compounds.

Quoting the regulation, Daniels said sellers of anti freeze "must post your ceiling price for each type and brand of antifreeze which you sell where it can be plainly seen and read by marked 'OPS Ceiling Price \$..... (filled in with correct price) and may be posted on the shelf, bin or rack where your antifreeze is kept."

The regulation also requires sellers of antifreeze for a period of two years to keep records of all purchases, showing dates of purchase, name and address of supplier, quantity and type of antifreeze bought and the price paid.

HOW RICH ARE YOU?

You are richer today than you were yesterday if you have laughed often, given something, forgiven even more, made a new friend, or made stepping stones of stumbling blocks; if you have thought more in terms of "thyselves" than "myself" or if you have managed to be cheerful even if you were weary. You are richer tonight than you were this morning if you have taken time to trace the handiwork of God in the commonplace things of life, or if you have learned to count out things that really don't count, or if you have been a little blinder to the faults of friends and foe. You are richer if a little child has smiled at you, and a stray dog has licked your hand, or if you have looked for the best in others and have given others the best in you.

It's surprising the height which one may attain, just by staying on the level.

To Our Friends:

I saw a picture recently -- in fact, I saw it two different times -- called "ANGELS IN THE OUTFIELD" that I wish everyone in Muleshoe would see and enjoy. If we could afford it, I would like to throw our doors wide open so that everyone could see it. It has everything--humor, pathos, drama, romance--and in the end it sends you home feeling that

"God's In His Heaven,
All's right with the world."

All I ask is, see it. If you're not satisfied, your money back.

Sincerely,
HERTHA WALKER

P. S. "ANGELS IN THE OUTFIELD" will be shown at the

Engagement Of Miss Wilterding Is Announced

Mr. and Mrs. Mervin Wilterding are announcing the engagement and approaching marriage of their daughter, Maurine, to Robert Hooten. Mr. and Mrs. Hooten of Quitman, Arkansas are the parents of the prospective bridegroom.

The wedding will be an event of November 22 in the Y. L. Methodist Church at 6:00 o'clock in the evening.

Mr. Hooten is in the service now stationed at Fort Bliss. Miss Wilterding is now employed as Youth Director of St. Paul's Methodist Church, Las Cruces, New Mexico.

Mrs. Wilkins Hosts Sunshine Club

The Sunshine Club met in the home of Mrs. Barney Barnhouse Thursday, Oct. 18, with Mrs. Wilkins as hostess. Eleven members and two visitors were present. Each answered roll call by reading verses from the Bible.

It was decided to reveal secret names after the first of the

year. Christmas plans were discussed but nothing definite was decided.

Mrs. M. M. Simmons took several orders for Christmas cards to help make the club some money. If you need beautiful Christmas cards and want to help a good cause please see Mrs. Simmons.

The rest of the evening was spent practicing songs and visiting.

Delicious refreshments of sandwiches, coffee, and cookies were served to the following: Mesdames Harvey, Simmons, Julie Crawford, Tipton, Gatlin, Chambliss, Lewis, Contler, Barnhouse, Lee, and two visitors, Mrs. Stass and Mrs. Lewis Prazah, and the hostess, Mrs. Wilkins.

The next meeting will be in the home of Mrs. J. A. Wimberley on Nov. 1. Everyone is urged to come.

PLEDGES SORORITY

Joyce Gwyn, Muleshoe Junior at West Texas State, Canyon, is currently pledging Kappa Tau Phi sorority, girls' social club.

MRS FREE ATTENDS DALLAS SPRING CLOTHING MARKET

Mrs. G. E. Free, of the Verna Jo Shop, of Muleshoe, last week attended the American Fashion Association Spring and Summer Market in Dallas.

Some 5,000 women's apparel merchants filled all of the Dallas hotels to capacity for the market, held Oct. 28 through Nov. 2.

H D Club Meeting Scheduled

The Muleshoe Home Demonstration Club will meet Tues. Nov. 13, in an all day meeting at the home of Mrs. S. C. Caldwell.

Those who haven't learned to make nylon corsages and glorified glass pictures, bring your old hose and a piece of glass so you may do so. Also bring a card table to work on.

Every one please bring a covered dish for lunch. The agent will be present in the afternoon to give a demonstration.

Progress W. M. U. Met November 5

Progress W. M. S. met at the church Nov. 5 in their regular business meeting. Opening song was, "Take My Life and Let It Be". Prayer by Mrs. Gouge.

Devotional was given by Mrs. Gaddy. Taken from Matt. 25 chapter, 35-46 verses. A short talk was given by Mrs. Gaddy, on benevolence work.

Minutes for the month of Oct. was read and approved.

It was decided to send boxes of home made candy to boys in service for Christmas.

Those present for meeting were: Mrs. M. D. Gaddy, E. W. Locker, Clyde Henry, C. A. Bishop,

J. J. Redwine, E. L. Gouge, C. C. Morgan, and one new member, Mrs. E. C. Stroud.

Mrs. West Hosts Pleasant Valley Social Club

The Pleasant Valley Social Club met Tuesday, Nov. 6, in the home of Mrs. Johnny West. The third anniversary will be celebrated Nov. 8 in the Raymond Roubinek home.

It was decided what each one was to take to the dinner party. Mrs. Anna Lucy McAdams will give a reading.

Delicious refreshments were served to Mesdames Oscar Allison, Jerry Allison, E. K. Angeley, H. E. Reeder, Leroy Hicks, F. A. Andreas, Raymond Roubinek, a guest, Mrs. Rodgers, and the hostess, Mrs. West.

Masons And Stars To Have Supper

A regular meeting of the Muleshoe Order of Eastern Star was held Tuesday evening, Nov. 6 at 7:30 in the Masonic Hall. Bettie Burkhead, worthy matron presided.

Bettie Burkhead, and J. E. Mills worthy matron and patron made a report on their trip to Grand Chapter which met in San Antonio in October.

Seven members of the Muleshoe Chapter attended the constituting of the Friona Order of Eastern Star Chapter, Thursday, November 1. Bettie Burkhead, worthy matron filled the station of Grand Warden in the constituting. Several talks were made by the members attending.

Some of the Masons of the Muleshoe Lodge have returned from a deer hunt and they offered to give a venison supper of the Stars would furnish the trimmings. The supper will be for the members of the Masons and Stars and their families on Thursday evening November 15 in the recreation hall of the Masonic building. Each lady is asked to bring a salad and either a pie or cake.

Refreshments of sandwiches and coffee were served by the refreshment committee composed of Mesdames F. H. Davis, E. E. Dyer, Ett Evans and J. H. Farley.

VISITING SON

Mrs. Mary Griffiths of Berkeley, Calif., is here for an extended visit with her son, Ray Griffiths and Mrs. Griffiths.

Be true to your word, your work, and your friends.

WSCS Meets At Church

The Woman's Society of Christian Service of Muleshoe met Monday, Nov. 4, at the church.

The meeting was opened with a devotional by Mrs. F. B. Pierson, who read Matthew 13:43 and gave the story of a blind girl who did her bit by making scrap books for children in a hospital. Then Mrs. Opal Jennings brought the lesson from the book, "We Americans, North and South."

Mrs. C. R. Farrell told of trouble in the Panama Canal Zone, and Mrs. H. Jay Wyer gave a very interesting map study with special emphasis on Ecuador. Mrs. Willman told where our money goes.

The meeting closed with prayer.

TO PROVINCE MEETING

Miss Joy Snyder, of Muleshoe a student at Eastern New Mexico U., of Portales, will be secretary of a province meeting for home economics students to be held at the campus of Highlands University in Las Vegas next spring. It was announced at the university this week.

New Notes in Cooking

Know how to avoid one form of frying pan frustration? Notch the strips of bacon with a knife or scissors before cooking to keep the strips from curling or "buckling."

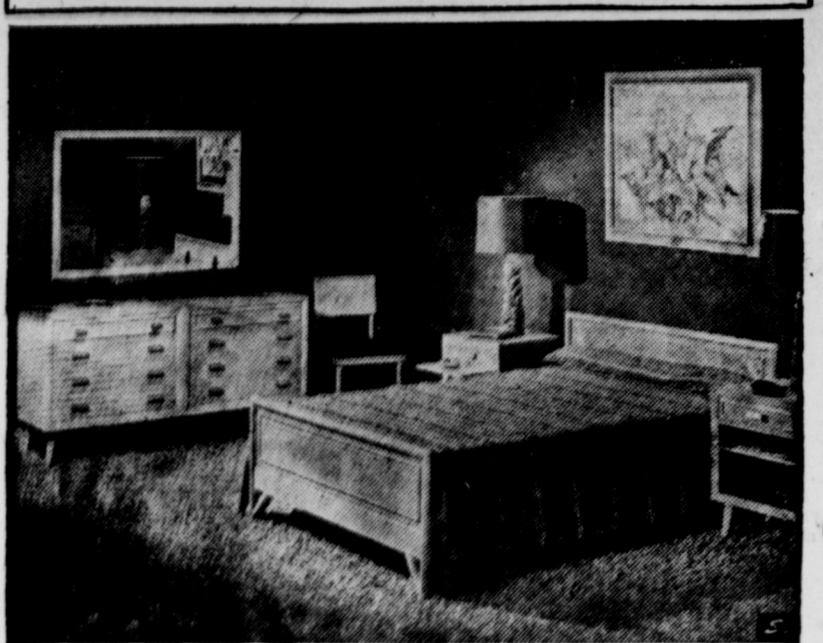

Smothered chicken, in Dutch oven or casserole, is something to rave about when the smothering is done with diluted condensed cream of mushroom soup. Brown the floured chicken pieces first; sprinkle on Ac'cent (pure monosodium glutamate) salt and pepper; transfer to baking dish; pour in soup; cover tightly and bake slowly.

When making rolled sandwiches, it's a good idea to steam the slices of bread in a colander over boiling water for a minute or two. The slightly damp bread will roll easily without cracking.

Rice, cooked in broth in place of water, then seasoned to taste with Ac'cent and "pinked" prettily with sweet paprika, is "Rosy Rice"—that's for sure.

Have you as much as a half-cup of thick smooth sour cream? Luck is with you if you're having soup for supper, hot or cold... float a spoonful of sour cream on each serving and dust lightly with paprika or chopped chives, according to the soup.

FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN—Soft, sahara mahogany is combined with cane in the illustrated contemporary bedroom grouping by the Imperial Furniture Company. Handsome double dresser might also be used as living room console or dining room buffet. Commodious nightstands with pull-out trays are equally smart as end tables beside the sofa. With the inclusion of this bedroom group, the Imperial company now offers smart new designs for living room, dining room and bedroom.

Tykes and Bikes Must Fit . . .

The thrill of the first brand new bike under the Christmas tree is never forgotten for it opens a big new world for sis and junior and . . . the RIGHT SIZE can be easily selected without letting

them in on the secret. Here's how: If the youngster is from 3 1/2 to 5 years old, get a 16-inch (wheel diameter) two wheeler with extra "outrigger" wheels. If from 5 to 7, a 20-inch bike is the proper size. Eight to 10-year-olds will be happy on a 24-inch size bike. For 11-year-olds and up a full-sized 26-inch bicycle will fill the bill. For safety's sake, parents should match bike size and rider size. A bike that fits is easier to handle and much safer to ride. This gift puts a grin on the face for months to come and mothers will enjoy it, too, for its recipient can be called on to run many an errand rapidly and with pleasure. (ANS Features)

Electric cooking is..

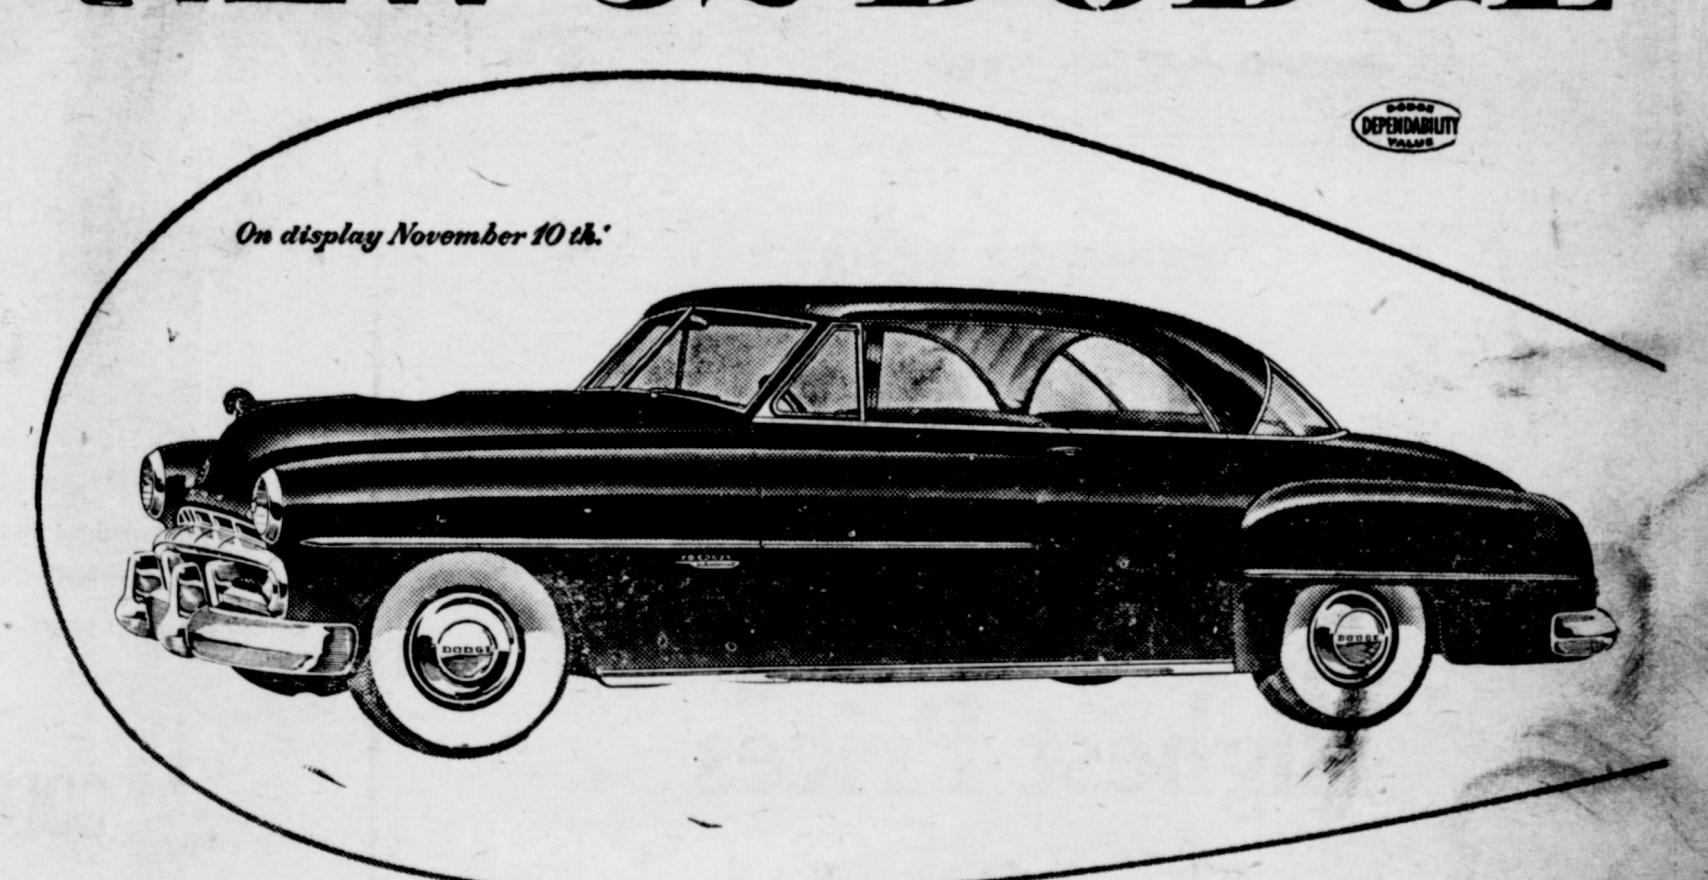

... as fast as a "scat" back going through a hole on a quick-opening play.
 High speed electric range elements glow red hot in seconds and transmit all their heat instantly to the cooking utensil, without any heat waste.
 Electric cooking's accuracy adds to its speed, too. Each setting on the push buttons or dials of an electric range is pre-set to an exact heat and that exact heat is always delivered when your hand at the control demands it.
 Let your electric range dealer show you fast electric cooking soon. Let him show you, too, that electric cooking is accurate, efficient, cool, dependable, economical — and most of all — modern.
 When you want all-star performance, you want all-electric cooking. See it at your favorite appliance store.

Announcing the car of the year!
NEW '52 DODGE

On display November 10th.

MAKES YOUR MONEY WORTH MORE... in many more ways!

In style, beauty, roominess, riding ease and dependability

ONE of the grandest things about the new '52 Dodge is this: You could STILL pay hundreds of dollars more for a car and not get everything this great new Dodge gives you!

For here in this new '52 Beauty are all the comfort, style and convenience features you'll be looking for in your new car. The smart, modern inside "dress"—the flattering new fabrics—the all-around-ness roominess that lets you relax and take things easy.

Naturally, you're invited to drive this new Dodge. For that's the only way you can feel how the Offroad Ride really takes the bounce out of bumps—the only way to get a feel what a smooth handling it is.

Your eyes will open wide, too, at the visibility you have—front, back and all around. That's why every mile you drive in a Dodge is safer, more pleasant.

We'll be looking for you. Come in and see this new '52 Dodge. You're in for a happy surprise.

Specifications and equipment subject to change without notice

 MULESHOE, TEXAS

Shower Honors Mrs. Jennings

A lovely shower was given in the home of Mrs. Joe Bates Jennings, assisted by Mrs. Howard Carpenter, of Lazbuddie, Oct. 6, honoring Mrs. Billy Jennings of Friona. She is the former Miss Francis Walker of Hereford.

Mrs. Joe Bates Jennings and the groom's mother, Mrs. O. M. Jennings, welcomed guests, while an aunt, Mrs. J. Jennings, registered.

Refreshments of cake, coffee, Russian tea, nuts, and mints were served from a lace covered table centered with white carnations and white streamers lettered with "Francis and Bill" in gold. Mrs. Jennings was assisted by her sister, Mrs. Ervin Robinson of Hereford, in displaying the gifts.

Those present were Mesdames Seaton, O. N. Jennings, Elvie Jennings, of Adams, Frank Direk-

Progress H Club With Mrs. Maltby

The Progress Home Demonstration Club met Tuesday, November 5, in the home of Mrs. G. T. Maltby.

The president, Mrs. Fern Davis, presided over the meeting. Roll call was answered with, etiquette. The minutes of the last meeting were read and approved.

The program was on Sweet Dough, and Mrs. Diane Reed gave a demonstration of three different kinds of rolls, and told how to make others. Mrs. Reed had baked some rolls previous to the meeting, so that the members could sample them, which proved very delicious.

Three different games were played with Mrs. Maxine Murrain and Mrs. John Thomson winning the prizes of the first two played. The third game being an amateur singing contest. Mrs. Reed won the prize which was a miscellaneous kitchen shower.

Refreshments were served to 13 members and Mrs. Reed.

The next meeting will be Tuesday, November 20, in the home of Mrs. Ed Gulley when West Camp club will be our guest. Roll call will be something we are thankful for, or a Bible Scripture of praise of Thanksgiving.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends and neighbors for their kindness and sympathy, and for the beautiful flowers during the illness and at the death of our husband and father.

The E. C. Brown families.

son, Otto Treider, Charlie Hustin, J. C. Dalton, Sturl F. Jennings, O. M. Jennings, and hostess.

Gifts sent by Mesdames Gil Wollard, F. C. Wagnon, Jesse Osborn, Ernest Nowell, John L. Seaton, Bob Wilson, Orky Jarman, Harold Wilson, Warner, Virgil Teague, Bill Warner, Velma Jennings, Melvin Treider, Eldon Page, Jack Walker, and Mina Jennings.

Santa Claus Letters

The Journal has received its first letter to Santa Claus of the 1951 season. It is from Joannie and Tommie Lemons. The Journal will print each letter as soon as possible after receipt, so, kids, let's hear what you want old Santa to bring you. The letter follows:

Muleshoe, Texas
Dear Mr. Santa Claus:

I am a little girl and am 3 years old.

Santa Claus I have a new little brother a half year old and I want you to bring him some new stuffed toys and a rattle.

I would like for you to bring me a little stove, a doll with curly hair that can wash and sure would like a doll buggy, some candy, bubble gum, and fruit.

Me and Tommie have been pretty good.

So Merry Christmas to you Santa and Mrs. Santa Claus and we will have our Christmas tree ready for you Christmas nite.

Thank you Santa Claus, and I will be good.

Joannie & Tommie Lemons

Band Visits ENMU Homecoming Day

The Purple and Gold Cadets of Muleshoe High School was one of the area bands participating in Eastern New Mexico University's homecoming day at Portales last Saturday.

The days activity began for the half-time activities in the morning and a parade at 11 a. m. They were treated to a barbecue at lunch and were guests at the football game with ENMU and the Colorado College of Mines.

They were also featured in the half-time show using all bands attending from Muleshoe, Farwell, Texaco, Morton, Portales, Clovis, Denver City, and the ENMU band.

The band was accompanied by several members of the band boosters who carried the band to Portales in 15 of the member's cars.

Hammock Rites Are Conducted

Mrs. Amanda Georgiana Hammock died Oct. 27, 1951, at 7 a. m. in a San Angelo hospital, after an illness of several months. Mrs. Hammock was born Feb. 14, 1870, in Limestone County, Texas and resided in Texas all of her life. She was converted and united with the Baptist Church at the age of 16 and remained a faithful member until her death.

Amanda Rogers was united in marriage with E. R. Hammock, Sr., on Sept. 18, 1887, and to this union eight children were born, three sons and five daughters. Two sons, one daughter, and her husband preceded her in death. Mr. Hammock died in 1910.

Mrs. Hammock resided near Sudan for the past 28 years, but went to San Angelo about 4 months ago.

Mrs. Hammock was laid to rest in the Mule Creek Cemetery, 20 miles north of San Angelo, beside her husband and small daughter. Funeral services were conducted in Johnson's Funeral Home of San Angelo with Rev. J. E. Moore and Rev. Ray Cunningham of Sudan, assisted by Rev. Harris of San Angelo, officiating.

Surviving her are one son, Rev. E. R. Hammock of Stanton, and four daughters: Mesdames J. F. Cornelius of San Angelo, Ella Witherspoon of Sacramento, Calif., Francis Lawler of Dallas, and Mrs. W. A. Elmore of Sudan; 35 grandchildren, one step grandson, 50 great grandchildren, 3 step great grandchildren, and one great great grandson.

RADIO ANNOUNCER

Miss Joyce Blackburn was selected as one of the actors and announcers for Radio House productions at the University of Texas by the staff committee. Miss Blackburn, a student at the University, is the daughter of Mr. and Mrs. Horace Blackburn of Muleshoe.

JayCees Meet Monday Night

The Muleshoe Junior Chamber of Commerce met at their regular meeting Monday night at Gerald's Cafe. Paul Gardner was in charge of the program for the night and brought the first of a series of talks to be given by members of the club.

The topic of his address was Americanism and he based his talk on how the communistic regime would affect our American way of life. Americanism is the No. 1 project of the United States Junior Chamber of Commerce this year.

The next regular meeting will be Monday night at Gerald's Cafe.

THANKSGIVING PROGRAM PLANNED FOR P. T. A.

The Elementary P. T. A. will meet in the Junior High study hall on Tuesday evening, Nov. 13, at 8:00.

Features of the evening will be a Thanksgiving program with a social hour following. Patrons and friends of the school are invited to come.

Cattle Auction To Be Saturday

Day for the weekly cattle sale of the Muleshoe Livestock Auction Co. will be changed from Wednesday to Saturday, Hugh Freeman, one of the owners announced today.

He said the change will be effective Saturday, November 17.

Gollehon Sells Several Stores

(From Herford Brand)

Elmer Gollehon, owner of Cashway stores in Hereford, Dimmitt, Friona, Muleshoe, Earth and Olton, has announced the purchase of ranching interest in Colorado.

Gollehon has sold his stores in Dimmitt, Olton, Friona and

Cashway No. 2 in Hereford and has turned the other stores over to employees to manage.

Cashway No. 1 in Hereford will be managed by Helen Smith, Lillian Hamilton and Roy Brittain. The Muleshoe store will be managed by T. L. White and Earth's store will be managed by Ogle Lorance.

Cashway No. 2 in Hereford sold to John L. Thomas. The Cashway stores in Dimmitt and Olton were purchased by T. R. White and C. W. (Wimpy) Walker. Friona's

LAZBUDDIE NEWS

Earth Bank To Open This Month

A dream of many years with the citizens of Earth will come true late this month. Earth will have a bank to serve that city and territory and the name of that institution will be the Citizens State Bank. The opening of the bank was anticipated for about November 1, but it has been necessary to postpone the opening to about November 24, according to A. D. Taylor, mayor of Earth. The remodeling has been delayed on account of weather conditions. Mr. Taylor explained. The new bank has a capitalization of \$75,000. W. R. Stockard, formerly of Frost, Texas, is president. He is a banker of many years experience. E. C. Hudson, the Ford dealer in Earth is vice-president. Mr. Stockard, a son of the president, has been elected cashier.

BABSON DISCUSSES—

Calculated Risks

Babson Park, Mass., Nov. 2. — I hear young people today say that opportunities aren't what they once were. To a certain extent this is true. When the government takes so much of everyone's earnings, some people lose their incentive to work hard. But there are lots of opportunities still with us provided we are willing to take the risk.

RISK AND CHARACTER
As I look back over my fifty years of business experience, I find there is a basic difference in the character of men fifty years ago and now. Our forefathers before us had an abundance of moral and spiritual gumption. These character qualities enabled them to make every risk a calculated risk with a fighting chance of paying off.

Some young chaps today inherit their fathers' businesses. The fathers obviously had what it takes. They took the chance and earned their successes without the advantages of education. But the sons won't do it, for all their book learning. Why? Too many youths today seem to be interested only in a "sure thing." They are afraid to take a risk. They prefer the sure bet of sixty dollars a week salary rather than a chance to earn one hundred dollars a week commission.

RISK AND MORE VALUES
One reason is that our youths are being trained by schools and colleges to depend too heavily upon science and technology. Technical and scientific advance alone cannot bring us courage.

half as dangerous as a siege of frustration, materialism, and cynicism. But greater spiritual development can offset these grave dangers, although it will take all the skill we as parents, educators and community leaders have to move in that direction. This kind of materialism could lick America just as it will ultimately lick Russia. Young people, wholly dependent upon technology, find that when the going gets tough there is nothing there to lean on. I wonder if during my lifetime we haven't gained in the material things of life only to lose ground in the realm of the moral and spiritual.

Thousands of inventors have died poverty stricken, although their ideas may have been excellent. Before an inventor's idea can take shape and come rolling off the assembly line in the form of some sort of product, someone must be found who has faith enough in the idea, faith enough in the inventor and in the future prosperity of his country, to be willing to risk financing the invention. The willingness to take a calculated risk and make it pay off springs from a spiritual foundation of courage within the individual. Courage is one thing of which our fathers had an abundance and which I find lacking today in most young men.

RISK AND THE FUTURE OF AMERICA
About 2400 years ago a Greek statesman, Pericles, said, "The secret of liberty is courage." He didn't mention bank accounts or social security. What he was telling his countrymen was that if they wanted to assure Greece of an everlasting future they needed to develop some good old-fashioned moral and spiritual fortitude. I have faith enough in the future of America to believe that we are on the threshold of a new prosperity, plus longer periods of peace.

The age of materialism in which we live has given the world better food, better clothing,

SAND HILLS PHILOSOPHER

Sees Little Danger Of This Country Going Under From Over-Spending

Editor's note: The Sand Hills Philosopher on his Johnson grass farm turns his thoughts to economics this week and we don't mind saying he knows as much about that field as any other.

Dear editor:

I was out here yesterday wondering why I didn't fix up things around this place a little snuggler earlier in the Fall before it got cold. I remember tellin myself there wasn't any use shiverin' throughout another winter, windows on the north side of the house at least could be weather-stripped, but while I'm convinced when it's cold the job ought to be done when the north-er plays out and things warm up, the necessity seems to dwindle away, and while I was sittin by the fire last night I noticed an article in a newspaper stickin out of the kindlin box and since I wanted to warm myself a little better anyway I moved over close enough to pick it up and read where some of the experts in Washington are afraid this country may spend itself to death.

According to them, this country may push itself into economic better shelter, better transportation, and better communication. I hope that with these material comforts more individuals now have a greater amount of time to give to the spiritual side of life. Only by now gringing into balance, at this crucial time in world history, things of the spirit and things material, can we develop in the coming generations the kind of intelligence and courage which is willing to take a calculated risk.

WHAT ABOUT JOE STALIN?
The armies of Joe Stalin aren't ruin by over-spendin, and one Senator says "the Russians prefer to defeat us by forcing us to spend ourselves to destruction." Personally, I don't believe it can be done. We've tried it. The American people have had too many years of rugged exper-

ces in over-spendin, to ever go under from that cause. Over-spendin is what gives most people their drive to-keep ahead of the installments, is what makes business hum. If all the complainin over Washington over-spendin was limited to the folks who don't over-spend themselves, things would be fairly quiet.

Our whole economy is based on the assumption more people are gonna buy cars and radios and television sets and washin machines than can afford em. If the average man, which includes me, waited until he could afford a car, the number of unemployed fillin station attendants, automobile mechanics, gasoline dealers, new car dealers, used car dealers, etc., would put such a strain on the relief rolls Congress would never get through appropriate enough money to stem the tide.

If you ask me, we're experts at over-spendin, and if Russia or anybody else is sittin back waitin for us to go under from that cause, they've got a long sit ahead of em. If there was ever a country which has mastered the art of spendin more than you make, this is it. I don't know how it's done, but I'm sure in favor of it myself. Renew my subscription to your paper and I'll pay you when I get around to it.

Yours faithfully,
J. A.

Mahon To Speak At WTCC Meeting

REP. MAHON

AMARILLO, Nov. 6. — George H. Mahon, the former Mitchell County farm boy who is now one of the most influential members of the U. S. Congress, will deliver the keynote address at the 34th annual convention of the West Texas Chamber of Commerce here Thursday morning, November 15.

Mahon is one of eight men who will talk during the convention, which will open the evening of Wednesday, November 14 and end Friday at noon. The others also are authoritative spokesmen in the fields with which they will deal in the address.

The others are Guy C. Jackson, Director and Supervisor, and Tabulating Equipment Operator and Supervisor, at entrance salaries ranging from \$2500 to \$4205 per annum.

Employment will be with various Federal agencies in the State of Texas. Application forms and additional information may be secured from the post office or from the Regional Director, Fourteenth U. S. Civil Service Region, 210 South Harwood, Dallas, Texas.

Jr. of Anahuac, president of the Texas Water Conservation Association; E. H. Thorton, Jr., of Galveston, chairman of the Texas Highway Commission; Dr. Umphrey Lee, president of Central Methodist University; R. B. Anderson of Vernon, chairman of the State Board of Education; Jack D. Neal, acting officer in charge of Mexican affairs of the U. S. State Department; Frank H. King of Dallas, general executive of The Associated Press, and David Basco of the Amarillo News-Globe, former war correspondent in Korea.

TODAY'S meditation
The Upper Room
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

WORTH OF HUMAN PERSONALITY
By this all men know that ye are my disciples, if ye have love one to another (John 13:35) Read John 13:33-38.
There is an old story of a lad who was seen carrying another boy almost as big as himself. A stranger stopped him and said: "He's far too heavy for you to carry." "Too heavy?" exclaimed the boy. "He's not too heavy. He's my brother."

It makes a great difference to recognize the fact of brotherhood. Love is impossible in the absence of a sense of the responsibilities of brotherhood. The reason that the disciples' feet went unwashed until the Master Himself undertook the task was simply that those twelve men had not realized that they were brothers. Without shame or awkwardness, the elder Brother took it upon Himself to wash the disc-

iples' feet. The disciples were His brothers.
When Christ died for all men, these disciples felt the power of His spirit enter into them. They thereafter gave themselves in loving service to all men, for each person was a soul for whom Christ died. Our only sure inspiration to do what is required by our Lord lies in our certainty that His dying love makes men brothers.

PRAYER
O Father of all, help us today by the power of Thy spirit to see in every man a brother for whom Christ died. We call upon Thee for strength to serve as we ought in the spirit of our great elder Brother, Jesus Christ, in His name. Amen.
THOUGHT FOR THE DAY
Brotherly love is possible to those who see the wonder of the love of God in Christ.

It has a Way with Women

SOMETIMES we think that too little attention is given to the fair sex in automobile advertising.

After all, it's the woman of the house who has to do most of the shopping, which involves getting into tight places at the curb. And it's surprising what tight spots a Buick can fit into at a turn of the wheel.

It's the woman who likes complete freedom from things that it takes an engineer to operate—and a complete and utter freedom from mechanical complications is exactly what makes Dynaflo Drive* such a joy.

It's the woman who has an eye for style and fine fabrics—and a nose for economy. On both counts, a Buick is tops.

But we suspect something else. We suspect that a woman gets just as great a lift as a man from commanding this great-powered and trigger-quick bundle of vitality to bow to her will.

Here's a car to win any woman's heart—by its level-gaited stride—its willing response to her hand on the wheel—its smart

style and its smart performance—its spaciousness and comfort—and its thrift.

How about taking time off, some afternoon, to boss around a Buick? It's a date that's bound to thrill you.

Hunting Safety Hints Are Given

AUSTIN, Nov. 6.—As the hunting season gets underway, Dr. Geo. W. Cox, State Health Officer, urges caution in handling firearms. More than 160 Texans were killed in 1950 as a result of carelessness in handling guns. At a time like this it is more than ever important that we should conserve human life whenever possible.

"It is not enough to deplore the waste of human lives caused by the careless handling of firearms," asserts Dr. Cox, "we should learn from the deaths of these victims the lessons of safety which will prevent this needless and shocking waste. With the price of meat at the present high level there is a possibility of more hunters going into the field than ever before."

The State Department of Health gives the following safety suggestions in handling guns:

While hunting to be sure that

PAPER of many kinds always on

tap at THE JOURNAL. Phone

7220 for prompt delivery.

the loaded gun is on safety until ready to fire.

Never shoot without seeing your target clearly.

Never crawl through a fence carrying a gun.

If hunting with a companion stay close to him.

Do not strike the ground or a wounded animal with the butt of a loaded gun.

Never scuffle while holding a loaded gun or point it at a person "for fun."

Always unload a gun before attempting to clean it.

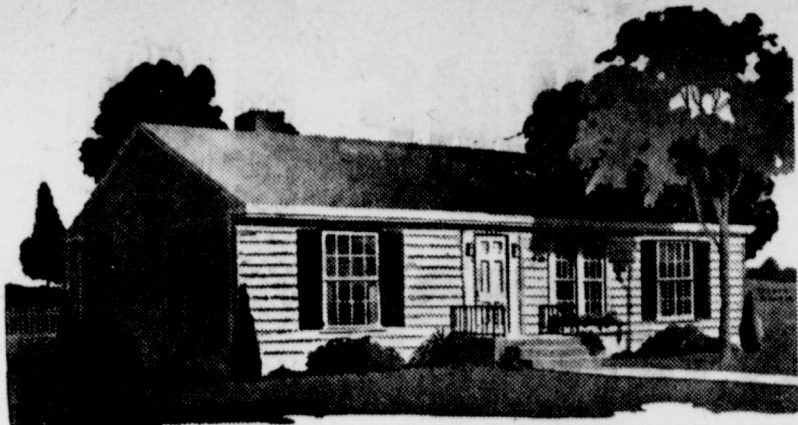

Always unload guns before taking them into camp or house.

All guns should be carefully put away in the home out of reach of small children.

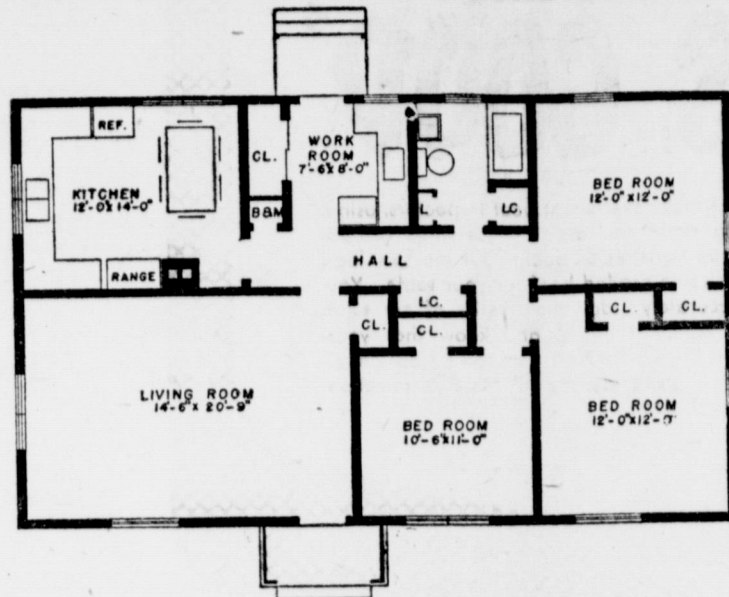

NEW BOOKS FOR LOCAL LIBRARY RECEIVED

Titles of four new books for the Muleshoe Public Library just received are: Frontier Fighter, by George W. Cox; The Infinite Woman, by Edison Marshall; Jubilee Trail, by Gwen Bristow; and The Iron Mistress, by Paul L. Wellman.

The library will be getting new books from now on. Watch the paper for announcement of their arrival. — Librarian.

HOUSE PLAN No. 32

Comfort Is The Keynote

The lines of this Farm & Ranch House No. 5135 are simple. Economical to construct, it will be especially suited to areas of flat terrain.

This house is planned to accommodate your married children who come home for a visit and bring their children. Also, it is planned so that if there is anyone ill the housewife can take care of them and do the housework, too.

A full basement will provide a lot of low cost space for a large recreation room and a bedroom to be used in emergencies or for extra help. The laundry room, food storage area has ample room for tubs, washing machine, and freezer chest, plus the storage space.

The kitchen has a nook for the family meals, and will be light and cool. Also, there is provision for a screened porch if you desire one.

You may want to divide the living dining area into two rooms, thus making a separate dining room. If so, instead of the fireplace use a chimney which begins in the basement and can serve heating equipment both there and in the living-dining area. The doors shown by the dotted lines are optional. If you want them, we suggest that they be sliding doors; that will save

wall and floor space.

Easy access from the kitchen to both bedroom and bathroom areas without having to go through the living-dining area will save many steps.

You can obtain blueprints for this The Muleshoe Journal Farm & Ranch House Plan No. 5135 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number, Plan No. 5135. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

Uncle Sam Says

Farm folks place a high value on dependable friends. The family dog is one of those friends—faithful, and reliable as a companion and protector. Another dependable farm friend is a U. S. Defense Bond. In these days of mechanized farming when cash expenses are high, farmers know they can depend upon Defense Bonds in time of emergency. Defense Bonds are easily converted into cash to make up for a crop or livestock loss, family accidents and sickness, or other unexpected setbacks.

TIMELY TIPS FROM YOUR H. D. AGENT

By Mrs. Dian Reed

RECIPE OF THE WEEK ROAST PORK

Rub the roast with salt and pepper. Place in open-roasting pan with fat side up. Insert a meat thermometer so that the bulb reaches the center of the thickest muscle. Place in oven, preheated to 350 F. and cook at this temperature until meat thermometer reads 185 F.

1. Serve pork the year round—it's a good source of the Vitamin B group so essential to steady nerves, good digestion and an optimistic outlook on life.

2. Hints on roasting: Salt before or after cooking, do not cover; do not add water, basting is unnecessary when fat side of roast is placed up. A meat thermometer is the only accurate means of telling when a roast is done.

3. Serve three vegetables each day—potatoes, green leafy vegetables and one that is neither green or yellow, as white squash, onion, celery, half mature beans or peas, bleached asparagus, etc.

UPRIGHT CLEANING

Long-handled cleaning tools are being recommended to home makers these days by hear specialists as well as efficiency experts. Both agree that women can save strain from stooping, lifting and kneeling, and save time also by using cleaning utensils with handles long enough for comfortable, fast and upright work.

Many women bend almost double at the daily chore of cleaning the bathtub with cloth when they could save strain and a possible accident by using a long-handled brush. For easy-sweeping, homemakers could take a tip from industry and use a long-handled push broom with fine bristles and a long handled dustpan. Many could make

ter use of vacuum cleaner attachments.

If handles of brooms, mops and even vacuum cleaners are too short for comfort, as they may be for taller women, it's worth having the household handyman add a length or even install a longer handle to make work easier and faster.

For waxing floors, the specialists advise a long-handled applicator and self-polishing wax to save effort. Those who use "wet mops" need to consider not

only the length of the handle but the weight of the mop when lifted out of water. The new light sponge mops may do the job more easily than the more familiar "rag mop."

GUESTS OF SMITHS

Mr. and Mrs. W. W. Smith had as weekend guests Mrs. Smith's sisters, Miss Villa McCurdy, Matigum, Okla., Mrs. Jewel, Lawton, Okla., Mrs. Mittie Fears, Port Arthur, Texas, and an aunt, Mrs. Keithley of Elmore, Calif.

Public Safety Director Explains New Motor Vehicle Responsibility Law

AUSTIN, November 5. — Public Safety Director Homer Garrison, Jr., reminded Texas motorists tonight that their licenses will be suspended if they are involved in a traffic accident and fail to meet damage claims up to \$15,000 when the state's new Motor Vehicle Safety Responsibility Law becomes effective on January 1.

Declaring it "will greatly affect the personal safety and economic security of every man, woman, and child in the state," Director Garrison gave the public his first official analysis of the new law since its adoption by

the last session of the legislature. He spoke from Austin over a state-wide radio network and announced that during the next two months the Texas Department of Public Safety will fully acquaint the people with the purposes and requirements of the law through the press and radio and by means of an official leaflet that may be obtained at any service station.

LAW IS EXPLAINED

Director Garrison pointed to the rapidly increasing number of traffic accidents and public indignation over the failure of motor vehicle owners and operators to pay for the damage they

cause through negligence as the reasons that prompted the legislature to enact the law, which closely follows safety responsibility statutes in 34 other states. He declared the law's primary objectives were to deny all motor privileges to owners or operators who do not meet just damage claims resulting from accidents and to put chronic accident causers off the highways permanently.

In a carefully summarized explanation of the law's principal features, Director Garrison explained its operation as follows:

The operator of every motor vehicle that is involved in an accident resulting in death or injury to a person, or property damage to any one person exceeding \$100, must file with the Texas Department of Public Safety a new report in addition to the regular accident report that is now required by the state's Uniform Traffic Law. The regular accident report must be filed within 24 hours, but motorists have up to 10 days to file the new report form. Both reports are mandatory regardless of who caused the accident.

The law does not apply, except with respect to filing the new report form, to insured owners or operators, provided the insurance covers possible damage claims resulting from a traffic accident, up to \$15,000. Uninsured motorists will receive a notice from the Texas Department of Public Safety that they must deposit sufficient security to cover the damage they caused, as determined by the Department. This may range anywhere from \$101 to \$15,000, and the collateral may be in the form of cash or negotiable securities. The deposit must be made with the Department within a maximum of 60 days after the accident report was filed.

An uninsured motorist will not be required to deposit security.

Legion Backing Vet Land Plan

ROBERT L. KIRK

Brownfield, Nov. 6 — A last minute appeal for a break in the veterans land program for veterans of the Korean War will be asked by more than 200 Legionnaires of the 19th. Congressional District when they hold their annual fall district convention here Saturday and Sunday, November 10 and 11.

Robert L. Kirk of Littlefield, the Legion's 19th. District Commander, predicted that the convention, representing 6,640 Legionnaires, would ask voters to go to the polls on November 13 and cast an overwhelming vote in favor of the proposed amendment to the state constitution which would make Korean War veterans eligible to share in the land program benefits.

The amendment, fourth on the ballot, is a mandate of the 1951 State Convention in San Antonio. It would add \$75 million to the fund from which veterans of World War II and veterans with service subsequent to 1945 may make loans to buy farms and ranches. No distinction is made in the amendment between veterans with service overseas or at home.

"In seeking the approval of voters, the Legion is not asking for a bonus or a handout of any kind," Kirk said. "The land program is self sustaining and without cost to the taxpayer. It is a fine program for GI's who dream of owning and farming their own land."

unity, however, if he files satisfactory evidence, within the 60-day period, that he has been released from liability, been finally adjudicated not to be liable, executed a duly acknowledged written agreement to pay damage claims up to \$15,000, or that his motor vehicle was legally parked or was being operated without his permission at the time of the accident.

Should an uninsured motorist fail to meet any of these requirements within 60 days after filing his accident report, both his operator's license and registration of ownership will be suspended until he does or until a year has elapsed without court action for damages being filed. Suspension of registration will apply to all cars owned by the defaulting motorist.

Dist. Chairman Dimes Drive Named

Robert Allen Hill, part owner and ales manager of the Household Supply Company in Lubbock, has been appointed District Campaign Advisor for 22 Northwest Texas counties surrounding Lubbock in the 1952 March of Dimes Campaign, Lloyd Gregory of Houston, State Chairman, announced today.

As campaign coordinator for these National Foundation for Infantile Paralysis county chapters, Hill will work with Bailey, Briscoe, Castro, Childress, Cochran, Cottle, Crosby, Dickens, Floyd, Garza, Hale Hall, Hockley, King, Lamb, Lubbock, Lynn, Motley, Farmer, Swisher, Terry and Youkom counties in their January 2-31, 1952 fund raising activities.

The objective of the campaign which is the National Foundation's only fund raising activity, is to enable Texas to provide care for its own polio patients and to pay its share of the national research, epidemic aid, and professional education of medical personnel progress.

Accepting the appointment, Hill noted the high cost of continuing treatment for previous years' patients. Almost half of the patients receiving financial assistance from the March of Dimes organization this year will be persons who contacted polio before 1951, Hill said.

Living in Lubbock since 1924, Hill has been active in civic affairs, as well as in the fight against infantile paralysis. He served as Lubbock County Co-Campaign Director during the 1951 March of Dimes. Hill is in the Naval Reserve and is a veteran of World War II.

AT NORTHWESTERN

Two students from Muleshoe are enrolled at Northwestern University, Evanston, Ill. They are James Paul Johnson, son of Mr. and Mrs. Fred Johnson, who is studying in the School of Speech; and Mrs. Jayne Damron Reese, daughter of Mr. and Mrs. Joe Damron, a student in the School of Education.

VISIT SANDERS FAMILY IN TUK TUK MUK LUK

Harold Sanders Julian, a nephew of H. S. Sanders, Sr., and a friend, Hank Runge, spent several days here with the Sanders family last week. The two men are employees of the Coast & Geodetic Survey, and their jobs are in northern Alaska where they spend several months a year.

Julian had finally figured out how the name "Muleshoe" would sound in Eskimo language. It went something like this: **Tuk Tuk Muk Luk**. The first three words, syllables, or grunts would mean a big animal, the last two would mean his boots. The Journal editor has taken an informal poll, and finds the majority of local people do not wish to adopt the Eskimo name at this time.

PAPER of many kinds always on tap at THE JOURNAL. Phone 7220 for prompt delivery.

Lions Hear Local Talent

The Muleshoe Lions Club was entertained by local talent yesterday after the program planned failed to materialize and three senior girls visiting the club were drafted to sing. They gave a rendition of "On Top Of Old Baldy."

The girls, Mona Smith, Marilyn Gupton, and Jackie Bovell, invited the Lions Club to eat lunch with them next Wednesday at the Fellowship Hall where the senior class is sponsoring a luncheon. The club accepted the invitation and is scheduled to meet with them next Wednesday at the Fellowship Hall.

Membership of the club is lagging and Lowell Irvin St. Clair urged all members to attend more regularly. Blondie Ray was elected assistant tail-twister of the club.

H. S. Sanders, Jr., gave a report of the meeting of representatives of Jaycees, Lions Club, and Rotary Club to determine the Christmas program for this year. President Rufus Gilbreath appointed Tye Young and Ernest Kerr as a committee to meet with the other clubs next week.

Face Lifting For Dump Ground

Muleshoe's dump grounds has had a face lifting. Trash, rubbish and junk which in previous years had been dumped at the most accessible place, near the highway, was shoveled over beyond the first ridge so as to be out of sight of passersby along the highway.

The city hired Mr. Beavers of the E. & E. Contracting Company to do the work. This has been the subject of many complaints in the last year or two. It helped the looks of the grounds and eliminated an unsightly condition.

CORRECTION

In the Journal of last week we mixed up some birth reports from read: "To Mr. and Mrs. Clifford Tinsley, a girl, born Oct. 20, named Darla Jan." It should have read "To Mr. and Mrs. O. D. Spitzer, on the birth of a daughter, Darla Jan, born Oct. 20, 9 lbs. 2 ounces."

22 Degrees Cold Wednesday Night

A low of 22 degrees was registered here Wednesday night and a low of 21 was recorded Tuesday, R. J. Klump, weather recorder said. The weather man has promised higher temperatures for the next few days.

Cotton and grain harvest is getting underway in earnest again after the cold and rain of last week. Right on the heels of .70 inch of rain, a snow fell, adding .07 inch of moisture, Mr. Klump reported.

Sections of the country which had been dry now are reported to have sufficient moisture for wheat planting, although it is getting rather late for wheat.

Mrs. Odom Has Party For Sunshine Club

The Sunshine Club met in the home of Mrs. C. H. Odom, Thursday, Nov. 1, with 6 members and 2 visitors present. The roll was answered by reading verses from the Bible. The 6th chapter of Mark was also read.

Each person came dressed tacky. Mrs. Nash won the prize for being the prettiest, and Mrs. Coulter won the prize for being the tackiest. Everyone had a good time and lots of laughs.

Those present were Mesdames Chambless, Harvey, Simmons, Nash, Coulter, the hostess, Mrs. Odom, and the visitors, J. W. Williams and Dye. Mrs. Dye became a new member.

The next meeting will be in the home of Mrs. Herbert Nash, Thursday, Nov. 15. This will be an all day meeting and each person is to bring a covered dish for lunch. The quilt is to be quilted at this meeting.

HEART TROUBLE

"Get my bag at once", shouted a doctor to his daughter.

"Why, Dad", asked the daughter, "What's the dither?"

"A fellow just phoned and he can't live without me," exclaimed the doctor, grabbing his hat.

His daughter heaved a vast sigh of relief. "Hold it, Dad," she said quietly, "I think that call was for me."

Lubbock Banker Discusses Taxes In Speech Here

"The impact of income taxes and inflation on our business," was the theme of a speech made by Elmer East, vice-president of the Lubbock National Bank, Lubbock, before members of the Rotary Club of Muleshoe and their guests Tuesday noon at Gerald's Cafe. East was introduced by E. O. Baker.

The whole outlook for the economy of the U. S. was surveyed by Mr. East, including the tremendous spending for rearmament.

Spending for rearmament, he said is absolutely necessary. However, one should calculate its effect upon our economy. Before World War II, he reminded his hearers, the U. S. was spending in some years about 2 per cent of the national income for military purposes. This has risen to 18 per cent of the national income.

Peak spending for military rearmament will likely reach its peak next year or in 1953. In any event spending for rearmament will run around \$60 billions in each of 1951, 1952, and 1953.

To carry on this tremendous program and to bolster the defenses of many foreign countries and to aid their economy, will constitute a serious drain on our resources and our treasury.

The speaker believes the U. S. has again made a great mistake; had we continued the huge military machine we had when World War II ended, as Russia did, instead of immediately demobilizing and throwing away our armament, the cost would have been infinitely less.

Our leaders at that time and for a long time thought we could make an agreement with world Communism.

We are faced with a double threat at this time: 1. From Russia, itself; 2. From World Communism. Against Russia force we can oppose a stronger force, of that he is certain; but he believes that America is losing the battle against world Communism, which is a battle of ideas.

But all the time our rearmament expenditures give the Government further opportunity, under the guise of emergencies, under the guise of us to see that Government bureaus do not use the excuse of rearmament to perpetuate and extend Government controls of farming, busi-

ness, and even our lives.

Bud Holton, Rotary president, said he wished that every citizen of the U. S. could hear the address given by Mr. East. The Journal requested a copy of the talk and permission to use it in a future issue of the paper, and Mr. East agreed to furnish a copy soon.

Guests for the day included M. J. O'Connor, W. Q. Casey, Rev. A. W. Blaine, Jesse Osborn, A. J. Gardner, N. D. McAllister, Mrs. C. W. Grandy, Keith Gaede, all of Muleshoe, and Horace Taylor, of Seagraves, a former citizen of Muleshoe.

The club voted to lend its recently purchased piano to the Muleshoe high school for as long as the club does not need it. The school will use it in any way they see fit and D. L. Morrison and Bob Gregory were appointed to get the instrument to the school.

"Ball Of Fire" Observed Here

The "fire ball" which traversed the Panhandle from west to east around 7:30 o'clock Wednesday morning was viewed by at least two persons. Farris Heathington the lumberman, and an employee Ray Vandever, observed the flaming meteor for several minutes.

The two were loading steers at the Heathington farm. The banker, W. Q. Casey, also was helping to load the steers but was too busy with his work to even look up.

The "thing" came over about 7:30, the men estimated. They said it seemed to be "right up there" and losing altitude. News reports indicated the meteor may have landed or burned out near Oklahoma City.

Two boys, Jimmy Gross and Jimmy Garrett observed the meteor at the Arnold Gross home. They thought it probably lit about the airport in Muleshoe. Nearly everyone thought it was near the ground.

The head of the meteor was described as a flaming object about the size of a balloon bucket, with a tail "about four feet long." Actually the meteor must have been rather high as it passed here and of course the sizes mentioned were in reality much underestimated.

Big Delegation Planned At WTCC Annual Meeting

Members of the Muleshoe and West Texas Chambers of Commerce combined their forces this week to assure this city of a sizeable delegation at the annual convention of the West Texas chamber in Amarillo, Nov. 14, 15, and 16.

County chairman Homer Sanders is working personally to interest members of the West Texas chamber in attending and the local Chamber of Commerce issued a bulletin to all of its members. The bulletin invited them to attend the meetings and gave highlights of the convention program.

Five topics of major concern to residents of this area appear on the agenda for the Amarillo meet, and each one will be discussed by authorities on the subject.

Frank King of the Associated Press, who has just returned from an assignment in Korea will talk on the international situation in the Far East.

"What's To Become of Our State Highway System" will be the topic of E. H. Thornton's discussion. Thornton is chairman of the Texas Highway Commission and it is expected to bring pertinent information regarding the future of the extensive program.

Education and the problems facing the Gilmer-Aiken program will be explained by R. E. Anderson, president of the Texas Board of Education. The comparatively new program of state aid to schools has developed many unforeseen difficulties and problems and this meeting should prove of interest to both parents, businessmen and educators.

The Mexican labor situation and the dangers of federal control of our water resources will also occupy prominent spots on the three-day program. In addition there will be entertainment features including a dinner, banquet and reception.

Paving On Main Is Seal Coated

A seal coat on 4 blocks of paving on Main Street is being applied by the city of Muleshoe to protect the paving from rain and cold weather. Chat is being placed on this, the oldest paving here, and then crushed into the cracks by a heavy roller.

Two blocks, from the bank to the Arnold Morris Auto company were ready for "shooting" late Wednesday.

Jaycees Provide Numbers For All Unnumbered Homes

Work on the new city directory which will be distributed sometime during the month of April is already underway. Representatives of the publishing company are presently working in the business district. Work in the residential parts of town will be started shortly.

A casual survey of the houses in Muleshoe shows that there are still many homes without house numbers, despite the work done by the Junior Chamber of Commerce.

In order that the new directory may be as accurate and complete as possible, the Jaycees and the Chamber of Commerce are combining their efforts to get every house numbered before the enumerators start to work.

President Middlebrook of the Jaycees reminds everyone that a member of his organization will determine the correct street address and house number for anyone wishing it. Owners of unnumbered houses are asked to dial 2480 between 9 and 5 on week days. The secretary will take the name and address and a member of the Jaycees will deliver the correct set of numerals for just \$1.00.

This year's directory will be much more complete and accurate than previous issues. The Chamber of Commerce has already compiled a numerical telephone directory for the publishers and together with the Jaycees will cooperate in every way possible to make the new edition the most useful.

VISITS IN ODESSA

R. E. Williams visited relatives in Odessa over the week end.

ATTEND SERVICES

Mr. and Mrs. Ray Griffiths were in Dalhart, Sunday to attend funeral services of her niece, Helen Freeman, who was killed accident. Three other young

people were killed in the accident and mass services were held in the First Baptist Church in Dalhart.
