

## Mules Win Over Morton 6 To 0

Members of the Muleshoe football squad hung up their cleats after closing their season by defeating Morton here last Thursday night 6 to 0. The win gave the boys a season record of four wins, six losses. It was their only conference victory and Morton failed to defeat a conference foe.

Ronald Johnson, quarter, galloped around end for 7 yards as the culmination of a scoring drive, the only time either team counted during the night. Extra point try was no good.

A handful of fans representing both towns shivered in the bitter cold to watch this final contest.

## Thanksgiving Talk At Rotary

"Nearly every American is thankful, few as thankful as they might be for the blessings of God and for country in which they are privileged to live," Rev. A. W. Blaine, pastor of the First Baptist Church here, told Rotarians and their guests in a Thanksgiving message at the noon luncheon of the club Tuesday.

Rev. Blaine said appreciation for this country would come to anyone who spends a few months outside its borders.

He suggested that not only should people be thankful for God's beneficence but that we should be thankful to our fellow-men whose daily efforts and lives are a blessing to us.

It was not a sermon, but Rev. Blaine quoted scriptures to indicate that God will see that the essential elements of production are available to man; He will not change the laws of nature, to give man a living without working, but He will see that man has the means to help himself.

The speaker said not only should man be thankful and appreciative at this Thanksgiving season, but that he should express it, to God and to his fellow-man.

A humorous reading by Mrs. Mable Bristow, expression teacher, rounded out a good program. Arthur Crow was program chairman for the day.

Guests included several Rotary Anns, Mrs. Onard Upton, Mrs. D. L. Morrison, Mrs. Bob Gregory, and Mrs. Bud Holton. Other guests were Al Hall, Muleshoe; Sam Merritt, Plainview, of the Purina company; and Keith Gaede, who has taken on the job of song leader for the club.

The Rotary Club has agreed to a joint meeting with the Lions and the JayCees during the first meeting in December to hear Congressman George Mahon talk. The luncheon will be at Fellowship Hall.

## 18 Year Olds Register Here

Last week the Journal ran a list for 18-year-olds "called for physicals." Everybody except the Journal knows that 18 year olds merely register and that's what this group of boys did.

The list of 18 year olds who registered under the Selective System follows:  
James H. Febton, Franklin R. Watson, Charles E. Byrd, D. T. Garth, Jesse C. Ray, Roberta Hernandez, Melton L. Jennings, Claude L. Barlow, Lloyd Kriegel, Jackie R. McCanlies, George E. Holliday, Gary G. Nichols, Richard D. Hancock and Henry L. Chapple.

Ronald R. Pace, Edd C. Workman, Jerry L. Cox, Charles R. Wilson, William D. McAfee, Joe D. Gresham, Alton M. Atkinson, Willard D. Christian, Esmerillo Pacheco, Hlyn W. Williams, Freddie D. Harvey, Ivan D. Weaver, Roy J. C. Linker, Richard H. Lindsey and Henry G. Taylor.

## Lazbuddie To Play For Bi-District Champs Today

Lazbuddie and Darrouzet 6 man football teams will meet for bi-district honors on the Lazbuddie field Thanksgiving Day, at 2 o'clock in the afternoon, providing the only football fare in this section and the last opportunity to witness a game in this locality this season. Football fans of the area are expected to crowd in.

Coach Cordell Brown, of the Lazbuddie Longhorns, announced today that all is in readiness for the crucial game tomorrow. His team is at top form physically.

The Longhorns have drifted along this season with 8 victories, one loss, and 1 tie, the latter won by 1 penetration. Only Bula has been able to hold their own with the Longhorns; Bula had an early season victory over Lazbuddie, then tied them for the district crown, losing on a penetration.

The record of Darrouzet was not known here, but the Longhorns are preparing for a do or die stand against the invaders. To the winner goes the further opportunity to play in the Regional, against Knox City, bi-district winner down there. The 6-man competition ends with the regional.

Coach Brown made public the following roster of players who likely will see action in the Turk-

ey Day game:  
Don McDonald, back.  
Shan Foster, back.  
Richard Engelking, end.  
Teddy Treider, center.  
Wayne Clark, end.  
Rufus Lucy, back.  
Rudolph Jesko, back.  
Paul Jesko, back.  
Robert Ivy, end.  
Virgil Merritt, end.  
Leonard Smith, center.  
Jimmy Ivey, back.  
Hugh Ottwell, end.  
David White, back.  
Jerry Don Gleason, back.

Four officials have been appointed for this championship contest, as follows: Mr. Everett Bovina, head referee; Mr. Robertson, Friona; Paul Gardner, Muleshoe; Mr. Wright, Sundown.

Admission prices have been set at \$1.50 and \$1.00. Mr. Brown said.

## Fire Button At Western Drug

Additional fire alarm facilities are available since the installation of a fire alarm button in the Western Drug store. N. H. Greer, proprietor, said the button is intended for those hours when there is no one at the city hall and within store opening time.

During the evenings, 5 to 9 o'clock and all day on Sundays, the sounding of an alarm may be speeded by telephoning NO. 2580.

the store's number and giving the information needed. The button will sound the siren at once and firemen can gather that much quicker.

This does not affect the regular manner of turning in an alarm as follows:

City Hall (days)	3450
Nights:	
Bill Boothe	4000
Buck Creamer	7369
W. E. Young	4670
Ray Keeling	5570

## SCHULTZES MOVE TO OHIO

Mr. and Mrs. Vic Schultz who engineered the installation of the dial telephone system in Muleshoe are now living in Portsmouth, Ohio, where he is employed in a similar position. They have visited with Mrs. Schultz's family in Virginia and his family in Chicago since leaving Muleshoe.

They were greeted in Portsmouth by a Welcome Wagon Hostess who left them some fifteen cards to collect gifts at various places in town. They say the hospitality is beyond words.

## VISITORS FROM LITTLEFIELD

Mr. and Mrs. Don Cook of Littlefield were visitors in several homes of friends and relatives in Muleshoe Sunday evening.

## TRIP TO TEMPLE

John McDonald of McDonald Implement Co., of Muleshoe left Saturday for Temple. He will probably return home about the middle of the week.

## HOME FROM MARYLAND

Eugene Broyles, son of Mr. and Mrs. Owen Broyles, was home over the week end from Ft. Leonard Wood, Maryland. He returned to camp by plane as he had only a short time off.

## HOME ON LEAVE

Jamie Lewallen is at home on leave from the Navy. He is the son of Mr. and Mrs. Jim Lewallen.

## Mrs. Lane Gives Church Dinner

The Gleaners Class of the First Baptist Church entertained their husbands with a Thanksgiving dinner Tuesday evening, Nov. 26 in the home of Mr. and Mrs. Eddie Lane.

The house was decorated with fall flowers.  
After the buffet style dinner, several games were played.

## Thanksgiving 1951

America's day of Thanksgiving was born out of thankful hearts. The Puritans, who frowned upon celebrating and merrymaking at Christmas gave us Thanksgiving, a day of rejoicing and celebrating.

The Puritans possessed little in a material way; but a plentiful harvest had just been gathered in; they had learned how to adapt themselves to the manner of living in a strange new land; the possibility of massacre from unfriendly Indians was no longer a nightly fear and danger; the countryside was aglow with autumn tints; rich fields, russet foliage of the forest and a feeling of confidence were theirs, so they faced the future with renewed courage and lighter hearts.

There was little pomp and display attending the first Thanksgiving. Governor Bradford simply issued a Proclamation on November 16, 1621; appointed four men "to go fowling, that they might after a special manner rejoice together."

"Thanksgiving Day will soon be here again, in the complexity of present day living we sometimes lose the stimulation which

## Injunction Is Made Permanent Against Sudan Elevator Operator

A temporary injunction to restrain O. L. Shannon Sudan elevator operator from disposing of his properties until settlement of a claim by the Commodity Credit Corporation, was made permanent in federal court here yesterday afternoon. Judge Joe B. Doley said he would appoint a receiver next week.

In a civil action in Lubbock November 9, the CCC filed a claim for \$978,364, make delivery on warehouse receipts for 30,790,572 pounds of yellow milo and 47,772 bushels of wheat. The CCC petition further alleged the grain was stored at Shannon's Sudan elevator under storage agreements maturing July 1, 1949, and June 1, 1950, and that Shannon does not have the grain in storage at his elevator.

The court action yesterday was taken after Shannon's attorney James W. Witherspoon of Hereford, filed an answer admitting all material allegations by the CCC except the alleged value of the grain. The answer declared that Shannon believes he is entitled to certain credits.

Witherspoon offered no objection to receivership or the appointment of a receiver.  
The federal claim was filed by Frank B. Potter, US district attorney. A. W. Christian, assistant district attorney, of Fort Worth, and Lee P. Pierson, Dallas, at-

comes from life's greatest joy, a thankful heart. We can recapture something of the native spirit of the First Thanksgiving with its sense of reality and color and simple joy if we make a list of the things for which we've forgotten to give thanks throughout the year. It isn't hard to pause and give thanks when something unusual and big and good comes our way, but really thankful people are those who possess little—of the materialistic things of life, just as the Puritans did, the folk in the little cottage, the slender income so carefully meted out for the simple things, the friendly warmth of the kitchen fire, laughter of happy children, the loyalty of a faithful dog, peace and contentment, these are things which money cannot buy, but they are the blessings of a thankful heart.

These are the things which the Puritans had, and from these simple things came one of America's most cherished days!

We've much more to be thankful for in 1951 than our forefathers had in 1621.

## Cone's New 260,000 Bu. Elevator In Muleshoe Ready To Receive Grain

### Sam Choy Addresses Lions

Sam Choy, of Wayland College of Plainview, was principal speaker at the regular weekly meeting of the Muleshoe Lions Club Wednesday noon at Gerald's Cafe. Mr. Choy, of Korean ancestry and a native of Hawaii, is a graduate of Wayland and is now head of all the foreign students of the college. He served as interpreter during World War II for the U. S. Army and plans to return to Korea in a very few weeks.

Mr. Choy based his talk on the present situation in Korea stated the war was just "a breathing spell" from world conflict and had given us a chance to be prepared by building up our war production and armed forces. He referred to a speech made Tuesday by Congressman Geo. Mahon and stated if we wanted to clean up the moral decay of Washington and the nation we should start at home and the clean-up would spread to higher government circles.

Also making a short talk was Marshall Ku, of Formosa, who has been attending Wayland College for only three weeks. Marshall was born in North China and fled to Formosa with his parents who followed the government there. His father was a prominent silk merchant until the Communists over ran China and confiscated all of their property. At the present time there is 7,000,000 people on Formosa and most of them are Chinese. In broken Chinese-English he told the club members something of the military training and educational systems now in Formosa. He said they (the Chinese people) felt that someday God would lead them back to their homes in China.

Miss Kiyono Nagatani, who is of Japanese ancestry and born in Hawaii, sang one of their native songs for the program. She is a student of Wayland and is paying for her college expenses by working as a nurse at the Plainview Memorial Hospital.

Rev. A. W. Blaine, guest of the club, introduced the program for the day.

### KNIGHTS TO HAVE THANKSGIVING GUESTS

Mr. and Mrs. Luther Pitts of Lawton, Okla., and Mr. and Mrs. Dick Willman of Muleshoe are going to have Thanksgiving dinner in the home of Mr. and Mrs. Clyde Knight of Lazbuddie. Mr. and Mrs. Pitts are former residents of Muleshoe.

## 13-Year Old Bula Girl Dies Of Burns Received In Stove Explosion

(From Lamb Co. Leader)

A "little mother" to eight little brothers and sisters, Olene Mann, 13 months of age, who was being both mother and father to those younger brothers and sisters, died Thursday morning, Hospital at 3:30. She had suffered from severe burns suffered in a stove explosion in a tenant house on the farm of Mrs. Janice C. Green near Bula, about 8:30 Wednesday morning.

The horribly burned little girl had been left in charge of her brothers and sisters, of varying ages down to infancy, while her mother and father were picking cotton in adjacent cotton fields.

The accident is said to have occurred, when Olene, in starting a fire in the kitchen stove, poured kerosene into the stove, and an explosion followed. The flames, but one of Olene's sisters was slightly burned, and was also brought to the local hospital.

S. E. Cone Grain & Seed Company's new 260,000 bushel elevator in Muleshoe is ready to receive grain. Ray Jordan, manager announced this morning. The company started putting grain into the new plant this morning, Mr. Jordan said.

This is a splendid new concrete and steel elevator with the latest type equipment and machinery to handle grain quickly and efficiently.

Mr. Jordan said the company has handled all the grain they possibly could under the handicap presented by the construction of the new plant, using the old elevator. Now he invites the growers to come and visit the new plant and said his company is ready to buy or store sorghum grains as well as sudan seeds.

An advertisement that Mr. Jordan had planned for the paper this week had to be omitted because of the early publication of the paper at Thanksgiving, but will appear next week.

The new elevator is the second large plant to be constructed here this year, Ray Griffiths & Sons new plant having gone into use some months back.

## A funeral service was held at Thursday afternoon, with Rev. W. F. Smith, Bula, pastor of the Baptist church officiating. Graveside services will be held at Fisher Cemetery in Oklahoma this weekend.

Rev. Smith of the Baptist church at Bula, and the Green family, on whose farm the tragically saddened family were temporarily making their home and which sought financial assistance for the family, and the response was said to have been more than generous.

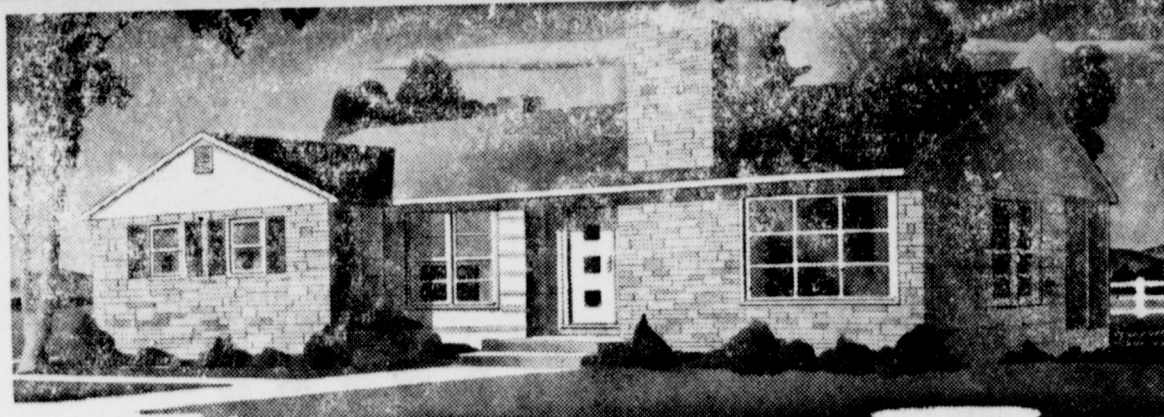

## House With A View

Farm and Ranch House Plan No. 31 has a pleasing modernistic touch. The masonry on the front, with the white wood-trim, gives it an unusual texture and beauty.

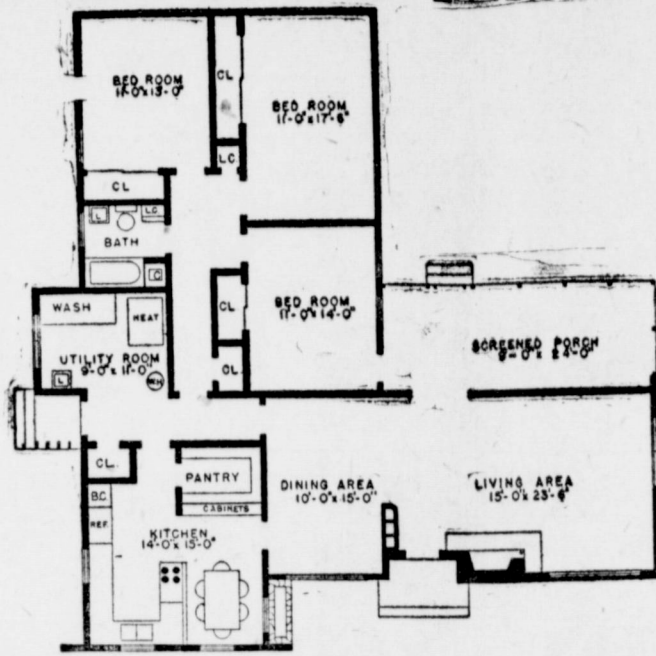

All the bedrooms are near the bath, and each has an abundance of closet space and is of comfortable size. The sliding doors for the closets make economical use of space and also economical use of labor and building material.

Opening into the bedroom hall are two closets which provide space for storage of linen and other items that do not fit into the bedroom closets.

House Plan No. 31

The living-dining area will appear very spacious. The two rooms are separated only by a built-in box for plantings, which has storage space below. The space can be used as a bookcase in the living room or a china

storage in the dining area.

The large screened porch opening off the living room with double French doors extends this area for summer use and will be delightful at almost any time.

In the kitchen, there is an abundance of counter space with storage cabinets above. The maximum distance of travel between refrigerator and stove or sink does not exceed 7 feet. On every side there are windows, which will give an abundance of light and ventilation. The cabinets in the pantry are designed with 12-inch shelves for the storage of dishes. The pantry itself is of ample size. Meals for six people can be served easily in the kitchen.

The utility room has ample space for the laundry, the water heater, a lavatory, a central heating plant. It is conveniently located to the kitchen and bath so that plumbing costs will be small. This is a very desirable location for the heating unit, because the duct work to serve the major portion of the house will be short.

### Uncle Sam Says

This being November, let's talk turkey. And turkey in this case means what's good for you and all of U. S. alike; in short, it means greater individual and national security. By purchasing Defense Bonds regularly through the Payroll Savings Plan where you work, or the Bond-A-Month Plan where you bank, you can systematically build up financial security for yourself and your family. At the same time you can be strengthening America's security against aggression and economic disorders.

### Drop Letters 2 Cents

Drop letters have been used by people everywhere for the city mailing since the practice is economical. Effective January 1 these drop letters will require a 2 cent stamp instead of the one cent stamp now required. Second class mail also is going

up and newspapers will feel the bite of the new law on April 1, 1952. Likewise, third class mailing rates are to be increased.

But the three cent stamp is not going out of use; regular letter mail will continue to cost 3 cents per piece for the first ounce.

TEXAS Almanacs—a new supply at The Journal.

## To Increase Postal Rates

It will cost you more to do your correspondence after January 1, 1952, according to instructions received by Postmaster A. J. Gardner giving a summary of the act of October 30, 1951, (Public Law 223, Title I Eighty second Congress.)

Effective January 1, it will cost you 2 cents to mail a postcard, even to the person in the same town where you live. You can buy up a supply of these handy little cards right now and get them for 1 cent apiece; but won't do you any good, you won't save money, for when you use your old card after January 1 you will have to affix a one cent stamp. A quirk in the new law require the post office people to collect 10 per cent more as a surtax if you buy as many as 50 postcards

#### BABSON DISCUSSES— Investments And Patience

Babson Park, Mass., Nov. 16.—A friend of the Babson Institute recently presented it a beautiful indoor heated swimming pool costing \$235,000. When he was thanked he replied: "Don't thank me. Thank those who taught me Patience. This gift of \$235,000 cost me nothing."

#### NO FAIRY STORY

The explanation of the above is that many years ago he bought stock around \$2.50 a share in the American Investment Securities Company which controlled the Columbian National Life Insurance Company of Boston. For years the stock didn't act well, and no profit was in sight, but all at once the American Investment Securities Company was liquidated.

For each 100 shares of this A. I. S. stock costing \$2.50 a share, he received Columbian Life Insurance stock which today is worth \$3,600. In addition, he received other securities which more than repaid his original investment. Hence,

his insurance company stock, used to pay for the swimming pool, cost him absolutely nothing. But this took twenty four years and required great patience.

#### TEXAS AND PACIFIC LAND

When I was ill many years ago with tuberculosis, I was sent to New Mexico. With time holding heavily, I became interested in the stocks of two companies. These were the New Mexico & Arizona Land Company, and the Texas & Pacific Land Trust. I bought the former in 1916 at \$1.75 a share and finally became a director of the company. This stock recently sold for thirty five times what I paid for it.

I bought Texas & Pacific Land Trust another time when I was sick at \$5.25 a share and urged others to buy it likewise, telling them that some day it would sell for \$1,000 a share. They laughed at me, but it recently sold at \$150 a share, or at thirty times cost. Holding these stocks many years required tremendous patience. Few persons have such patience. I believe that there are now similar opportunities for those who have the patience to hold them for twenty years.

#### BARGAINS NEAR HOME

Thirty years ago, I bought land in Wellesley for \$300 an acre, which is now selling for \$10,000 an acre. When I bought this, I

traged my readers to buy suburban acreage adjacent to their communities. These opportunities likewise exist today. In fact, last week I bought for less than \$300 an acre, over 500 acres of high land within two minutes of the Wellesley Hills post office. Some day my children will get \$5,000 an acre for this land, but this will require patience. We live in a marvelous country; it is growing at a rapid rate; its people are becoming the healthiest, the most intelligent, and are making the greatest scientific discoveries. If we will grow spiritually as we are growing materially, and have patience, nothing can stop us.

I am especially anxious that the banks holding Trust Funds insist upon flexible Trust Agreements so as to take advantage of this great growth ahead. This should enable banks handling the Pension Funds, at the request of the Employees' Committees to purchase stocks in American Industry, not mere Government Bonds, which stocks will pay a fair rate of interest and with patience some day become very valuable. I know no method to help readers to get richer quickly. One must take time to create a fortune as to mature a baby into a twenty one year old boy. Everything worth while takes time and patience, especially investing money successfully. Incidentally, let me add that when people ask my grandchildren about my business and what I sell, they reply "Grandpa sells patience."

**WHAT ABOUT JOBS**  
Finally let me say a closing word to graduates of colleges and high schools. I beg of you to be patient for promotions. Don't let anyone beat you in waiting. Forget salary, but take the job for which you are best fitted and in which you can render the most service for mankind, and have patience. Financial independence comes from having a praying life partner and good children, who will help you save a little money each month for insurance, for a home, and certain growth stocks. But you must have patience. Being in too much of a hurry will prevent you from making large profits; yes, being in a hurry will be responsible for most of your losses.

#### Letter From Guam

The following is in part a letter received from Jimmie Smith, who is with the U. S. Navy on Guam:

Dear Mother and all:  
I received your letter and the pictures. The colored pictures are the best I have ever seen. The crop looks good, and, Mother, you look like a million to me.

Well, here comes some good news. I got a transfer. I am now in the optical shop. It's the luckiest break of my life. You have never seen anything like it. They have the latest machinery to work with, watch benches, typewriter repair and every thing. I am really happy now. I am in a place where I can learn for the future. I work under two big air conditioners, now.

Notice my new address. Be good and answer soon.

Love, Jimmy  
Jimmie who is well known in this area, went to Guam in June of this year. He enlisted in March, having graduated from Midwestern University School of Horology in January.

His mother, Mrs. Shelton Smith of Muleshoe, received a beautiful necklace from Jimmie last week. The stones are rose colored set in gold. The gift was for her birthday and she has received many compliments from those who have seen it.

Jimmie also says he really enjoys the Muleshoe Journal. Although 12,000 miles from home, he knows just what is going on in Muleshoe and Bailey County. He adds that not only he, but many other boys, read the Journal and admire its good news coverage of home town events.

Jimmie's address is: Jimmie S. Smith, U. S. N. Ship Rep. Fac., N. O. B. Shop X 31 Opt., Box 51 Navy 926 c-o E. P. O., San Francisco, Calif.

He is the son of Mrs. Shelton Smith of Muleshoe, brother of Mrs. Neva Patterson, Mrs. James Warren, and Emmitt Smith all of Muleshoe.

#### THANKSGIVING DAY

This year, Texas will observe next Thursday, Nov. 22 as Thanksgiving Day, and a law has been passed to the effect that the state will hereafter observe the fourth Thursday in November.

Regardless of the date that is set aside, Thanksgiving has been going on for a long, long time. The motto of Thanksgiving in 1881, "Let Us Be Thankful" is just as timely today. And indeed in 1951 when we set down at a bountifully laden table, and pause for a moment to consider we will find that we do have much to be thankful for, and as we observe this Thanksgiving Day, we will add another year's dreams and remembrances which will never fade nor grow old while memory abides.

### TODAY'S Meditation

**The Upper Room**  
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

I thank my God upon every remembrance of you. (Philippians 1:3.) Read Romans 1:8-15.

Perhaps the thought uppermost in our minds at Thanksgiving is thankfulness for things. We are thankful for the comforts of home; for the harvest, for plenty to eat, and our friends. Good as all these things are, Paul suggests another cause for thanksgiving—thanksgiving for people. He did this many times in his letters. "I thank my God through Jesus Christ for you all." "I gave thanks to God always for you."

So our thanksgiving thought today is for people, good people, faithful people, people who have helped us. Our greatest values in trucks and tanks, bein careful of course of the dead fish. Where the ocean will drain is too fantastic to mention.

Another weapon I'm working on is known as the J. A. Extra Hardy Johnson Grass Root. This variety you plant in your own field, aim at where you want it to come out on the other side of the earth, and retire to your fire-side. In three weeks Russian wheat fields will be rank with the stuff. I figure this one will wreck the food production schedules of any country you want to knock out.

I'm working on a lot of others but this will give you an idea of what a first-class fantastic weapon ought to sound like on paper. Yours faithfully  
J. A.

are not property values, but personality values—our children, our partners, our friends, our Sunday school teachers.

Paul told the people that he thanked God for them. That gave them not only happiness, but also encouragement. It helps people to tell them that we are thankful for them. Today, we will tell them.

#### PRAYER

We thank Thee, our Father, for the people who in the past have helped us and for those who help us now. We thank Thee for good people, for kind people, for loyal people, for people of Christlike spirit. Above all, we thank Thee for Thy Son, Jesus Christ, who excels us all. Out of thankful hearts, we pray in His name. Amen.

### Marine Pfc. Shipp Serving in Korea

Marine Private First Class Clayton W. Shipp, 18, son of Mr. and Mrs. M. L. Shipp, Route 2, Muleshoe, is presently serving with the First Marine Aircraft Wing in Korea.

The youthful Leatherneck is in charge of a native labor detachment which is used in maintaining the camp of a Marine Air-Ground Control Squadron. Within his sphere comes the job of not only maintaining the camp but that of helping build adequate defense positions for the protection of his camp against possible attack by enemy or guerrillas. At

times, he has several hundred Korean native laborers under his supervision.

His biggest trouble, he laughingly admits, is the language barrier since his interpreter speaks little English, but he always manages to make him understand.

Shipp enlisted in the Marine Corps March, 26, 1951 and received basic training at the Marine Corps Recruit Depot, San Diego, California. He was assigned to his present job last August 1 upon arrival in Korea.

He is a former student of New Deal High School and Muleshoe High School.

#### GOES TO CHILDRESS

Sunday Mr. and Mrs. Jack King and Imogene went to Childress to visit Mr. King's niece who was stricken with polio last year affecting her lungs. She has had an attack of asthma and pneumonia, but with the help of an iron lung she is doing better. Mr. and Mrs. J. R. King and Doyle King also visited her over the week end.

### Marines To Have Big Dinner On Thanksgiving Day

T-Sgt. Herbert J. Ramirez, Marine Corps recruiter for Eastern New Mexico and West Texas, with Headquarters in Clovis, announced that the U. S. Marine Corps is accepting reservations for a free turkey dinner, and advises that there are only two days left in which to make the free turkey dinner.

The Menu will include all the trimmings traditional to the American Thanksgiving dinner. T-Sgt. Ramirez, said that free transportation will be provided to San Diego, California, where the dinner will be served "Family Style", by some of the best cooks in the business. Reservations for qualified men between the ages of 17 and 28 are being accepted by T-Sgt. H. J. Ramirez of the Clovis Marine Corps Office, located at the New Mexico Employment Office, 207 Mitchell St., Clovis.

Qualified women between the ages of 18 and 30 are also being invited to attend a similar dinner at Parris Island, South Carolina. Following the dinner, will be an enjoyable tour of duty with the Women Marines. The Sergeant added, "I wish I could make it, those Marine Corps cooks sure can cook."

T-Sgt. Ramirez is in Muleshoe every Wednesday and Friday.

### New Ceilings On Used Cars

The Office of Price Stabilization this week issued a new dollars and cents ceiling price regulation covering sales of used passenger automobiles, according to Hoyle Bowles, chief of the Industrial Materials and Manufactured Goods section of the Lubbock District Office of Price Stabilization.

The regulation sets dollars and cents ceilings for each body style, line or series, of each make of used passenger car, for the years 1940 through 1951, and are listed in the regulation. These ceilings are to be reduced at the rate of 2 per cent every calendar quarter beginning on January 1, 1952.

The dollars and cents ceiling prices portion of the regulation goes into effect December 20. In the interim, current ceiling prices as established by the guide books adopted by dealers remain in force, Bowles said.

For models for 1940 through 1950, the new ceilings reflect a 6 per cent depreciation from January 1951 price level, representing a 2 per cent depreciation for each of the first three calendar quarters of 1951. This depreciation rate is in accord with standstill rate in accord with standstill. Ceiling prices for 1951 model cars are determined on

the basis of current market prices.

Used cars offered for retail sale must bear a tag or label stating the make, model, line or series, and the ceiling price, including any extra, special or optional equipment. Also the price at which the car is being offered for sale must be stated.

Efforts will be made to get copies of the used car regulation (CPR 94) to every dealer in the 69-county district as soon as they are available.

Proof of 50,000 Miles—No Wear! After a punishing 50,000 mile road test, with proper drains and regular care, engines lubricated with new Conoco Super Motor Oil showed no wear of any consequence: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Factory finishing marks were still visible on piston rings! Gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

### Engagement Of Sondra Wagnon And Mr. Mason Announced At Saturday Tea

Mr. and Mrs. Vance Wagnon announced the engagement and approaching marriage of their daughter, Sondra, to Mr. Clarence Mason, son of Mr. and Mrs. W. H. Mason of Snyder, at their home Saturday afternoon with a pre-nuptial tea from 2 to 5 o'clock.

The wedding will be December 8, at 6 o'clock in the Church of Christ here.

In the receiving line were Sondra Wagnon, the bride-elect, Mrs. W. H. Mason, Snyder, mother of the groom to be, his two sisters, Mrs. Jack Terry of Snyder and Mrs. Hubert Whitfield of San Angelo and Mrs. Wagnon.

Mrs. Terry and Mrs. Whitfield alternated at the bride's book.

The bride-elect's entire arrangements featured a white motif. The mantel was the central point of the decorations. A net ruffle framed the mirror and from a bow of white satin and bells extended three streamers of white satin inscribed in gold with "Sondra" "Clarence", and December 8, '51," revealing the an-

nouncement.

The dining table was covered with a cloth of white satin and ruffled net. The centerpiece was a mock tiered wedding cake holding individual cakes which were served during the afternoon with punch. Silver candle holders with white tapers, surrounded by white gladiolus completed the appointments.

Miss Janice Jordan and Miss Jo Addine Wagnon, sister of the bride-elect presided at the punch service.

Members of the house party were Mrs. W. H. Mason, Mrs. Jack Terry, Mrs. Hubert Whitfield, Mrs. Joe Crowley of Amarillo, aunt of the bride-elect, Mrs. Buck Wood, Mrs. Roy Jordan, Miss Janice Jordan, Miss Jo Addine Wagnon, the honoree and the hostess. They wore white feathered mums.

Guests calling during the afternoon were: Mesdames E. O. Baker, A. S. Stovall, Marion Harris, Bill Moore, W. H. Kistler, G. S. Dowell, John Watson, Curtis Spivey, Bobby McGee, M. F. Green, Sylvan Robison, A. J. Gardner, E. W. Duke, Beulah

### Los Planos Club Members Have Housework Study

"Making Housework Easier" was the theme of the program for the members of the Los Planos Study Club who met Tuesday night in the home of Mrs. John Smith. Mrs. Richard Smith was co-hostess.

Roll call was answered by each member giving a hint to make housework easier.

Mrs. Willis Farrell, program director for the evening, suggested that housework could be shortened by first analyzing tasks, then rearranging and combining chores.

Mrs. Alvin Farrell gave vivid descriptions of a calm housewife and a harrowed one. Mrs. L. I. St. Clair gave hints on how to do household chores more efficiently. Mrs. M. F. Blackman gave a discussion of an efficient household.

Members present were Mesdames Deon Awtry, L. S. Barron, M. F. Blackman, B. F. Chapman, Horace Edwards, Elmo Evans, Alvin Farrell, Willis Farrell, Arch Fowler, F. W. Jones, Ernest Kerr, John Murphy, Horace McAdams, L. A. Reed, Bernard Phelps, Jack Schuster, L. I. St. Clair, and the hostesses.

### Mrs. Caldwell Hosts H. D. Club

The Muleshoe H. D. Club enjoyed an all day meeting and covered dish luncheon in the home of Mrs. S. C. Caldwell, Tuesday, Nov. 13. The day was spent making nylon corsages and glorified glass pictures.

Mrs. Leon Julian told of her visit with five other delegates to the Enochs Club Nov. 8.

A demonstration of making sweet dough was given by the agent, Mrs. Reed. She showed how to make bow knots, rosettes, braided rolls, and tea rings. Mrs. Reed was honored with a miscellaneous shower given by Mrs. Frank Snyder.

Members present were Mesdames D. C. Julian, T. F. Maddox, Joe Smallwood, A. W. Copley, A. L. Dutton, Leon Julian, E. E. Holland, Don Burns, A. W. Awtry, E. E. Marrs, C. H. Gillis, Roy Carney, J. T. Boydston, and the hostess, Mrs. S. C. Caldwell. A Thanksgiving dinner will be

given Nov. 29 at the Fellowship Hall.

The next meeting will be in the home of Mrs. Joe Smallwood on Nov. 27.

## Long Arm Of Motor Vehicle Law To Reach Out To Other States

Austin, November 20.—Texas motorists who become involved in traffic accidents in other states and motorists from other states who become involved in accidents in Texas are most likely to find that the long arm of the new Motor Vehicle Safety Responsibility Law has followed them right to the scene of their misfortune, Public Safety Director, Homer Garrison, Jr., pointed out today.

As explained by Director Garrison, here is how it will operate when the law becomes effective in Texas on January 1:

Assume that a Texas motorist is driving his automobile in another state having a similar security type safety responsibility law and is involved in an accident that results in death or injury to a person or property damage to any one person in excess of \$100. He will be required, under the laws of that state, to furnish proof of his ability to meet damage claims either through insurance or by depositing sufficient security to cover

the apparent damage he caused. Should the Texas motorist fail to do this, the authorities of the other state will suspend his privileges to own or operate a motor vehicle in that state and will send a certified copy of its suspension order to the Texas Department of Public Safety. If the circumstances in the other state would have resulted in suspension in Texas, his motoring privileges will also be suspended in Texas. They will remain suspended until he has satisfied the law of the other state to the same extent that he would be required to satisfy the Texas law.

### Applies To Non-Resident

In the same manner, the new Texas law applies to non-resident motorists who are involved in accidents in this state, resulting in death or injury to a person, or property damage to any one person in excess of \$100. Non-residents who fail to meet the requirements of the Texas law will have their privileges suspended in this state and also in their home state if the circumstances would have called for similar action there.

"When you understand that 10 per cent of the traffic accidents in most states are caused by out-of-state drivers," Director Garrison said, "you will appreciate the importance of this provision in our law. It means that a visiting motorist will no longer be able to skip out of responsibility

No chance of fouling up this Thanksgiving Tom for the children of the Texas Scottish Rite Hospital for Crippled Children in Dallas with Diane Canaday, Quitman, and Ray Greathouse, Mobeetie, two of the hospital's star patients, on hand for the roasting

for his damages by crossing the state line. If he does, he will find the administrator of his own state's safety responsibility law waiting for him with a suspension order. I think this alone will do much to promote greater safety on our highways."

Since 31 other states have enacted responsibility laws similar to the one that soon will become effective in Texas, the area where motorists are not subject to these modern statutes has been considerably narrowed. While the safety responsibility law in a few of these states does not include this reciprocal provision, they are rapidly adding it. In addition, traffic accident experts predict that most of the 13 states that have failed to enact these statutes will do so within the next two years.

Though we travel the world over to find the beautiful, we must carry it with us or find it not. —Emerson.

areas was stimulated by late summer rains and some sportsmen will get their big, fat bucks as usual.

The general limit on white-tails is two bucks with pronged antlers. The general state limit on wild turkey is three gobblers per hunter. Forty four counties allow only two gobblers. Seven others allow only one gobbler per individual.

The last part of the mourning dove season is expected to more or less duplicate the poor shooting in the northern zone which ended October 10. Dove hunting was restricted to afternoons this year.

One popular phase of the fall shoot is opening later this year. It is the big game season West of the Pecos which begins November 20 and extends through November 25. Hunters there may bag either a prong antlered deer or a white tailed deer. Heretofore, sportsmen West of the Pecos could have one of each or two of the same species.

Voice from the crowd: "Dead men tell no tales."

## Game Season Well Underway

Austin, Nov. 21.—The annual harvest of Texas' varied game crop gets full throttle November 15 and 16.

With the waterfowl season already underway, south zone residents open the mourning dove season at noon, November 15. And the general state season on deer and turkey begins a half hour before sunrise November 16.

The other major phases of the fall shoot opens December 1 when the general state quail season opens.

Prospects for the big game shoot are below par, according to the Executive Secretary of the Game and Fish Commission. He said the Edwards Plateau country, where most of the state's white-tailed deer are concentrated suffered heavily from extreme weather during recent months. However, the feed in scattered

## How to make old roads seem NEW

**P**ICK a road that you know by heart. Not too good a road. One that has some bumps—some unbanked turns—a tough hill or two.

Then get in touch with us, and let us put you behind the wheel of a Buick, with Dynaflo Drive.\*

Now you're all set for a new experience. You'll find out this:

Those bumps seem to lose their bobble. You just take them with a smooth and level stride.

Those unbanked turns don't seem so sharp, and those hills seem almost to flatten out.

How come? Well, a lot of things are different when you travel in a Buick.

You're riding on big, soft coil springs that let every wheel dance beneath you, without passing on the jolts to you in the car.

You're driving a car that's plenty inches broader than it is high—a sure-footed road-hugger if there ever was one.

And you're riding behind a Fireball Engine — Buick's time-tested version of a high-compression valve-in-head— an engine that packs more power than most people ever need to use.

With this power — and Dynaflo Drive\* — you don't have to "rush" a hill at the bottom to soar serenely over the top. You just feed the power as you need it — climb with a

sure, steady swoop without buck or bobble all the way up.

There's a lot more that we could tell you about a Buick. But such things as room, and comfort, the confident way it steers, and the way it shortens the miles are things you can best discover from personal experience.

So why not follow the routine already suggested? You supply the road—we'll supply the car — and let it speak for itself.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.

## 1500 Bandsmen To Meet In Lubbock

LUBBOCK, Nov. 20—Tunes will be a dime a dozen Dec. 7 and 8 when 1,500 high school bandsmen, each with a horn, meet for the ninth annual Texas Tech band clinic.

Musicians from 40 to 50 bands in Regions I, II and VIII Texas Interscholastic League, the expected to participate in the two day band clinic. The 1952 TIL contest music will be studied.

Dr. O. Wiley, director of the Tech band, and Joe Haddon, assistant director, have arranged instructors and activities for an estimated 1,500 junior high, Class AA, AA-I, B and C bandsmen

from the Panhandle, South Plains, West Central Texas, and West Texas which are expected to send representatives to the clinic. Dr. Wiley said 1,500 bandsmen attended the 1950 clinic. He believes the clinic has grown as much as it can and keep its efficiency.

## Lone Star State 4-H Winners

Roger Landers, Jr. Ann Nimmo Gene Tongate Virginia Eubank

**TOP RANKING** records in the 1951 National 4-H Achievement and Leadership programs have brought state honors to four Texas club members. Brief outlines of their records follow:

One of the highest honors bestowed on 4-H Club boys and girls is the 4-H Achievement award. State-wide recognition for brilliant records in achievement has been accorded Roger (Jackie) Landers, Jr., 19, Menard, and Ann Nimmo, 16, Banquete. Not only was their record in 4-H Club work outstanding, but they have earned respect and admiration in their communities for service to others.

Roger has been a club member for nine years and has completed 48 projects. In 1947 he won the state award in the Texas sheep and Goat Raisers contest and received a trip to the National Club Congress. He was also a member of the state winning teams in grass judging (1949), livestock judging team (1948), and in wool and mohair judging (1949). He attended the National 4-H Club Camp in Washington last June as a state winner. As a freshman at Texas A. & M. last year, he was chosen as the outstanding student in agriculture.

Ann has completed 41 projects during her six years as a club member. She lives on a 980-acre farm with her parents. She has excelled in food preservation, foods, clothing and home improvement. Ann has received many awards for exhibits and her participation in judging contests. She was chosen as the Gold Star girl in 1950 and attended the State 4-H Round-Up. She is attending the Arts and Industries

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

## Pontiac Stages Dealer Meetings

Pontiac, Michigan, Nov. 19.—First of the General Motors car units to launch 1952 sales activities, Pontiac Motor Division will hold a series of factory and dealer meetings in key cities throughout the country beginning Nov. 19, according to an announcement today by L. W. Ward, general sales manager of the Pontiac Motor Division.

The dealer meetings will be held in 25 cities where details of the 1952 line of Pontiac cars will be discussed and plans outlined for their public introduction.

Ward said that production of the new models already is under way with view to supplying dealers in time for public display early in December. Important engineering developments having to do with engine performance and power transmission will be among features of the new line, he said.

Current dealer stocks are at a minimum and Pontiac showrooms across the country will be relatively bare immediately prior to the announcement of new models. The executive said that production will be scheduled to insure prompt delivery of the 1952 cars beginning in December.

*Let us give thanks!*

Dear Lord, how can we thank Thee half enough  
For all Thy gifts to us this fruitful year!  
For spring's bright promise gloriously fulfilled  
This harvest-time; for these that are more dear  
Than bread assured: all the sweet joys of life—  
Home, work, love, friends—that gild the passing days;  
And children's laughter on the evening air—  
For all, dear Lord, we give Thee grateful praise.

But most of all, O God, we thank Thee for  
Our cherished heritage of freedom. Here  
Where men walk safely, surely; speak and pray  
As each one wills, and freely, without fear,  
Lord make us strong to hold and spread this boon!  
From our abundance help the weak to raise  
Their hearts and come to share our brotherhood,  
And join with us in songs of thanks and praise!

27 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

### Mrs. English Hosts Dorcas Class

Members of the Dorcas Class of the First Baptist Church met in the home of Mrs. W. E. English Wednesday, Nov. 14, at 3:00 for their regular monthly business and social meeting.

The president, Mrs. Vernon Jamison called the meeting to order. Mrs. Ed Hicks gave the opening prayer. Minutes of the previous meeting were read and approved and a treasurer's report was given.

The six point system was explained and stressed by the president. Mrs. Humphreys urged each member to set a goal and try to obtain that goal by the first of the year.

A motion was made and carried that we study parliamentary law at each business meeting

with Mrs. Humphrey as teacher. The meeting adjourned and a social hour was enjoyed. Lemon chess pie, hot tea, and coffee were served to Mesdames Byron Griffiths, A. P. Lambert, Earl Humphrey, John W. West, Vernon Jamison, Ed Hicks, and the hostess, W. E. English.

Our next meeting will be in the home of Mrs. A. W. Blaine with Mrs. S. W. Inman as co-hostess on Wednesday afternoon, Dec. 12, at 3:00.

### Mrs. Autry Hosts Enochs H. D. Club

The Enochs Home Demonstration Club met in the home of Mrs. J. E. Autry Thursday, Nov. 15, because of the illness of Mrs. McCall's father. Mrs. McCall was the former hostess.

Nine members and Mrs. Reed, the Home Demonstration Agent

were present. The meeting was opened with several songs and the roll call was answered by giving shopping tips.

Mrs. Leonard read a letter from the Plainview polio hospital telling what they needed. They need toys and all kinds of games for the older patients. Each member is asked to give something as the club is fixing a box for Christmas for the polio ward. Mrs. Arlis Autry will deliver it sometime in December.

The club is going to visit the West Camp Club Nov. 28. All members are invited to go.

The Christmas party is to be in the home of Mrs. Zed Robertson Dec. 12 at 2:30. Each member is to bring a gift to exchange.

After the business session, Mrs. Reed gave a demonstration on sweet breads. The club gave Mrs. Reed a nice satin comfort for a wedding present.

Refreshments of sandwiches, potato chips, sweet bread, made by Mrs. Reed, cake, coffee, and cocoa were served by the hostess.

### Birthday Party For Mrs. Creamer

Thursday, Nov. 15 at 6:30 p. m., friends and relatives of Mrs. W. F. (Buck) Creamer, met together to honor her with a surprise birthday party.

After the birthday song was sung, the gifts were opened. She received many nice gifts. This was followed by a surprise supper which everyone enjoyed immensely. Then some games were played.

Those attending were: Mr. and Mrs. Clinton Busby, Mr. and Mrs. Wendell Young, Mrs. Barlow, Mr. and Mrs. Bill Whalin, Laura and Gladys, Mr. and Mrs. Ruby Green and children, Bertha, Charles, Crispin and Noreen, and Misses Sue Young and Gloria Stinson.

Relatives attending were Mr. Buck Creamer, Carolyn, Sue, Monnie, Forrest, Henry, and Travis.

### Holman-Puckett Nuptials Read

Miss Joanne Holman, daughter of Mr. and Mrs. Wiley Holman and Mr. Vernon Puckett, son of Mr. and Mrs. Ray Puckett, both families of Muleshoe, were united in marriage Saturday evening, November 17, in a ceremony performed by Rev. Hatcher in his home in Farwell. A number of friends were present for the ceremony.

Mr. Puckett will operate a quarter section farm north east of Muleshoe. Mrs. Puckett will continue with her position with the Union Compress & Warehouse Company in Muleshoe.

### ON THANKSGIVING TRIP

Rev and Mrs. A. W. Blaine and children and his mother, Mrs. Archie Blaine of San Jose, Calif., who is visiting here, will spend Thanksgiving Day in Rochester, Texas, with Mrs. A. W. Blaine's mother.

### Slumber Party Honors Bride-Elect

A Slumber Party was given Friday night in the home of Jeanette Kirk honoring Joanne Holman, bride elect of Vernon Puckett. LaQuintas Whatley was co-hostess.

Refreshments of pigs in a blanket were served to Marilyn Gupton, Joan Montgomery, Dorothy Harris, Joanne Holman, and the hostesses Jeanette and LaQuintas. The night was spent in talking.

### Winsome Class Meets In Kirk Home

The Winsome Sunday School Class of the First Baptist Church met Monday evening, Nov. 5, in the home of Mrs. Jerry Kirk, for a business and social meeting.

After the business session, the evening was spent in conversational fellowship.

Delicious refreshments of pie and coffee were served to Mrs. Pierce, who was a visitor, and to the members who were Mesdames: Lela Barron, Vernal King, Alton Epling, John Watson, H. E. Wimberley, L. E. Bratcher, Verney Towns, and the hostess, Jerry R. Kirk.

### Our Honor Roll

The Journal is acquiring quite a few more new subscribers these days, the latest ones as follows: Bill Kelton, Sudan, Star Rt. N. J. Goodnough, Route 1. Bill Morris, City. R. C. Cline, City. C. L. McGee, City.

Old subscribers who have renewed their subscriptions in the last few days are:

Dudley Buzard, Floyd, N. M. Mrs. Laura B. S. Cox, Missouri. Emmitt Smith, Star Route 2. Carrol M. Jones, Route 2. J. W. Jarman, Route 1. J. E. Miller, Route 2. E. B. Wilson, Maple. H. E. Musson, City. Ira Robinson, City.

### SAW FOOTBALL GAME

Ray Keeling left immediately following the Littlefield and Brownfield game Friday night for Austin, where he saw his old team, Texas, defeat Texas Christian University, 32 to 21.

### BUSINESS IS DULL

Mrs. Francis Gilbreath, who gets up the courthouse records for The Journal, thinks business is sort of dull around the Temple of Justice, for she had no deed transfers, oil leasing or marriage licenses to report this week. The column will be run every week when there is something to report. Mrs. Gilbreath is the deputy county clerk.

### HERE FROM SNYDER

Mrs. J. B. Smith of Snyder, Texas, spent the past week in Muleshoe visiting and conducting business. She is the daughter of Mrs. Shelton Smith, Star Route 2.

### VISIT DOWNSTATE

Mr. and Mrs. Gil Wollard and Mr. and Mrs. Euel Britchett are leaving this week for a visit of several days downstate. They will see the Rice vs. TCU football game to be played in Fort Worth. The four will visit with relatives and old friends in Hill County.

### TO SEE RICE VS. TCU

Mr. and Mrs. Bud Holton and little daughter will be in Fort Worth Saturday to witness the football game between Rice Institute and Texas Christian University.

### VISITS SON'S FAMILY

Mrs. Archie Blaine, of San Jose, California, is visiting here in the home of her son, Rev. A. W. Blaine.

A six year old girl submitted the following composition on "people" to her teacher:

"People are composed of girls and boys, also men and women. Boys are no good at all until they grow up and get married. Men who don't get married are no good, either. Boys are an awful bother. They want everything they see, except soap. My ma is a grown up girl with children. My pa is such a nice man that I think he must have been a girl when he was a boy."

### SIMPLE!

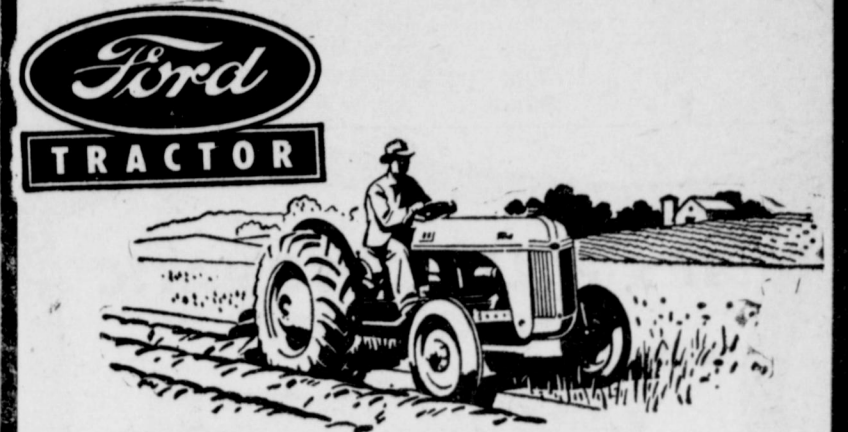

Mark Twain was once asked the difference between a mistake and a blunder. He explained it this way: If you walk into a restaurant and walk out with someone's silk umbrella and leave your own cotton one, that's a mistake. But if you pick up someone's cotton umbrella and leave your own silk one, that's a blunder.

### MOVE INTO TOWN

D. Warner and two daughters

have moved into Muleshoe from the farm northwest of town. Mr. Warner bought the former Nick Toews home on Avenue D, from Rev. M. E. Robinson. He will continue to operate the farm.

# Here's a Challenge Only **FERGUSON** Dares to Make!

As the Ferguson Dealer in this community, we will publicly match the new and far more powerful Ferguson "30" against any other tractor. We dare to do this because the new Ferguson "30" is bigger in power, in performance, in economy! At a "Showdown" demonstration we will prove that the Ferguson "30" with Ferguson System Implements, meets more of the needs of more of the farmers... more of the time... than any other tractor... outperforming them doing all of the following jobs:

Moldboard Plowing

Harrowing, Spike Tooth

Stalk Cutting

Disc Plowing

Field Tilling

Middlebusting

Harrowing Tandem Disc

Subsoiling

Manure Loading & Spreading

There you are, farmers! The stage is set for a "Showdown." We know we have the best tractor in the world and we're ready to prove it to you.

We are not just claiming what the Ferguson "30" can do. We'll let this demonstration do the talking for us.

If you are thinking of buying a new tractor, look at all of them. Listen to what other dealers tell you their tractors can do. Ask these dealers if they are willing to

prove these claims at a "Showdown" demonstration on your own farm. Then get in touch with us.

Match these jobs a Ferguson Tractor can do with Ferguson System Implements against similar jobs any other tractor claims to do... and you'll see we can do those jobs better with our new Ferguson "30." And we'll ask you to be the judge of how much better we do them.
