

## Roy Tibbets Rites Were Held Here Tuesday

Funeral service for Roy Lennis Tibbets were conducted in the First Baptist Church in Muleshoe Tuesday afternoon, November 27, at 3 o'clock. Rev. M. E. Robinson, pastor of the Main Street Missionary Baptist Church officiated, assisted by Rev. H. W. Hanks, Methodist pastor, Elder Jimmie Bass, Primitive Baptist pastor, and Ebb Randolph, Church of Christ minister.

Mr. Tibbets, who was 34, passed away in Green Hospital & Clinic here at 1:40 a. m. Monday, November 26 after suffering a heart attack the previous afternoon.

He was born July 7, 1927 in Texas.

Mr. Tibbets is survived by his parents, Mr. and Mrs. R. T. Tibbets of Muleshoe; and three sisters, Mrs. A. J. Roberts and Mrs. Tommie Sullivan, both of Muleshoe, and Mrs. Buddy Dennis, Albuquerque, N. M. A brother, Ray A Tibbets, died in a Japanese prison camp in the Philippines in 1942.

Pallbearers were Robert Kelton, Gaylord Kelton, Walter Harrison, Jiggs Johnson, Calvin Embry, and Jerry Kirk. Interment was in Muleshoe cemetery with Muleshoe Funeral Home in charge of arrangements.

## JayCees Discuss Traffic Needs

At the regular meeting of the Muleshoe Junior Chamber of Commerce Monday night at Gerald's Cafe, traffic needs were discussed and President Tootie Middlebrooks appointed a committee to investigate the needs and meet with the City Council to discuss the problems.

One of the major needs is placing stop signs at all streets connecting with through streets and designating thoroughfares. Several stated they had almost been involved in wrecks on Avenue D west of West 1st Street.

Therefore, this was the only paved street and most people gave it the right of way. Since other paving has been connected with it, cars must now cross it without stopping and several collisions have almost occurred.

Another problem discussed was the intersection of Main Street and Highway 84. Several minor accidents occur here each week.

The JayCees are at work again numbering all houses and will see that the street markers are repaired and put into shape. A movement is underway to secure city mail delivery and all houses must be numbered. Persons who do not have numbers on their houses may secure them by calling at the Chamber of Commerce office and leaving their name and approximate address. A correct number will be assigned them and the house numbers delivered to them by the Junior Chamber of Commerce. The cost of the numbers for the house is only \$1.00 for a set of four.

The next regular meeting will be Monday night at which time the Jaycees will honor one of their farmers of the year.

## Bailey County PMA Committeemen Selected At Convention Tuesday

In the county convention held Tuesday of this week, H. E. Schuster of Star Rt. 2, Muleshoe, was re-elected chairman of the Bailey County Production and Marketing Administration committee. Glen Williams, of Goodland, was elected vice chairman; Robert R. Goodwin of Rt. 2, Muleshoe was named as the third member of the committee and alternates selected are Troy L. Actkinson and Jim Claunch. The committee will take office Dec. 1.

The committeemen are all farmers who are familiar with conservation and production problems in Bailey County. The county PMA office is located next door to the postoffice in

## Congressman George Mahon Will Speak Here Next Thursday Evening

Congressman George Mahon will make a public address in the high school auditorium in Muleshoe at 7:30 next Thursday evening, December 6 with the subject, "Taking Stock of the Situation" and at the end of his speech will answer questions put to him from the floor.

People of this section thus will have the opportunity to learn about world and national affairs and to get an appraisal of our rearmament progress to date at first hand, for Congressman Mahon is one of the best informed men in Congress in these matters. As chairman of the House Subcommittee on Military Appropriations, he is in position to gain a thorough knowledge of our defense program and the world situation.

His appearance here is being sponsored by the Muleshoe Chamber of Commerce in cooperation with the Lions, Rotary, American Legion Post, and JayCees. Plans to have him speak at an inter-club luncheon here were abandoned when the Congressman had to return to Washington for committee hearings. He will soon return to the capital for further committee sessions and to be on hand when Congress reconvenes in January.

There will be plenty of seats in the auditorium and everyone is invited to hear Congressman Mahon and to ask questions on subjects concerning the national interest.

GEORGE MAHON

People of this section thus will have the opportunity to learn about world and national affairs and to get an appraisal of our rearmament progress to date at first hand, for Congressman Mahon is one of the best informed men in Congress in these matters. As chairman of the House Subcommittee on Military Appropriations, he is in position to gain a thorough knowledge of our defense program and the world situation.

## Early Mailing For Xmas Urged

Advisability of early mailing of packages and cards for Christmas is called to the attention of all again this week by A. J. Gardner, Muleshoe Postmaster.

There will be a tremendous build up of mail at Christmas time and postoffice people will be greatly helped in their work if mailing is done early. Then, too, early mailers will be more certain that gifts and messages will arrive in time for Christmas.

Christmas shopping already has started in Muleshoe stores, merchants here report.

Mr. Gardner called attention also to the advisability of placing a 3 cent stamp on all Christmas cards to be mailed out of town. If the addressee has moved, the card will be forwarded if he left a forwarding address, provided a 3 cent stamp is affixed. If only a 2 cent stamp is affixed the card will not be forwarded.

## Accidents Plague Local People

Numerous accidents, some bringing fatal, some crippling, and some painful but temporary injuries to people of this community have been noted this week, including the following:

Ray Willeby, 44, farm laborer, lost his life when the automobile in which he was riding Tuesday went out of control and turned over.

Bill Jeter may have a stiff finger and part of it might have to be amputated as the result of a mix-up with an electric saw Monday. Three fingers were cut deeply and one was badly lacerated.

Horace Edwards, the ginner, allowed a finger to get in the way at the Edwards Gin Tuesday. He was treated at the local hospital.

The proverbial unloose gun shot Bill Aylesworth this week as he and other boys hunted rabbits. A 22 caliber rifle he believed to be unloaded discharged and the bullet went through his foot. Bill's doing all right. He is a son of Mr. and Mrs. D. C. Aylesworth.

Bobby Burris, employe of the Edwards Gin, received a severe eye injury Tuesday night while working at the plant. A sliver of steel from a shaft he was hammering pierced the eye and Bobby was being treated at an Amarillo hospital.

Mrs. D. T. Garth was dangerously injured in an automobile accident during the heavy fog Saturday night. Her shoulder and a rib were broken and she had other severe injuries. She is still under treatment at Amherst hospital, but the family reports she showed some improvement Wednesday.

# City Mail Delivery Asked For Muleshoe

## Ray Willeby Killed, Companion Badly Injured, In Car Mishap Here

Ray Willeby, 43, was instantly killed Tuesday afternoon about 3:30 o'clock when the car in which he and Stellar Reeves were riding overturned on a dirt road about a mile and a half northwest of Muleshoe. Officers who investigated said the car hit a rough place in the road, ran into the bar ditch on the right, then crossed the road to the left and turned end over end.

Mr. Willeby's neck was broken. Reeves, who owned the car, a 1948 model Plymouth, was believed to have been driving and was pulled from under the car. Both men were thrown from the car.

Mr. Willeby had been doing farm work in this vicinity. The family had lived here about a year. He was born April 18, 1908, in Oklahoma and had been a truck driver by trade.

He is survived by his wife, Mrs. Mattie Bell Willeby; a daughter, Delphina Willeby, Oklahoma City; and two stepchildren, Cecil Konkler and Joan Konkler, both of the home here.

Three sisters and two brothers also survive. One sister is Mrs. Ray Markel, of Tokah, Oklahoma; and a brother is Loyd Willeby, of Vernon.

The body was taken overland by Muleshoe Funeral Home to Blanchard, Okla., where funeral rites were held.

## Men Arrested For Theft

Two men were arraigned here this week before Justice of the Peace R. J. Klump on theft and their bonds were set two charges each of felony theft and their bonds were set in the sum of \$1.00 each on both cases. They are bound over to the Bailey County grand jury.

Sheriff Hugh Freeman and County Attorney Norman Bays said Raymond B. Cook, about 25, of near Progress and Leonard Truelock, 19, of near Muleshoe signed statements in which they confessed theft of cotton from Gordon Murrah and W. G. Harlan, Bailey County farmers, and Reardon Wenner, of the Hub, Parmer County.

In addition, the officers said, the two men confessed to theft of a variety of other things from farms of this territory, including an estimated 46- to 50 batteries from irrigation well motors.

They turned over to Sheriff Freeman a wide assortment of tools and other articles, which the Sheriff placed on display in two rooms at the courthouse and invited farmers to come in if they have lost anything and identify their property.

In the assortment were tools, including shovels, wrenches, grease guns, hammers, jacks, a gasoline pump, and several cans of oil in quart and gallon cans and in 5-gallon cans.

The two men said they sold the batteries at second hand stores in nearby cities.

## C. C. To Elect New Directors

Five new directors of the Muleshoe Chamber of Commerce are scheduled to be elected during the month of December. They will replace five members of the present board who were designated by lot to serve one year terms.

Although the new directors will not be inducted into office until the annual membership meeting on the third Tuesday of April 1952, the chamber is required to hold the election on or before the first day of January.

When the local chamber was reorganized in the spring of 1951, 13 directors were named to supervise the activities of the organization. In order that an equitable program of rotation should be instituted, it was set forth in the articles of incorporation that the directors draw lots to determine the term of office of each member of the board. Five drew one year terms, four two year terms and four drew lots designating the maximum of 3 year terms.

The incorporation papers were drafted before the board had established its annual meeting date or the rates of its fiscal year. Consequently the incorporators chose the last month of the calendar year for election of directors.

The new directors will meet with the board and participate in its deliberations until their formal induction into office, shortly before the annual meeting they will join with the carry-over directors to name the officers for 1952-53.

Ballots carrying 10 names for the 5 vacancies and 5 spaces for write-in candidates will be prepared and mailed to the members early in December.

Directors who will retire in 1952 are F. L. Shelby, W. Q. Casey, Horace Edwards, Ed White and W. M. Pool, Jr.

An oil man never knows whether he is four feet from a million dollars or a million feet from four dollars.

## Wm. E. Thomson Killed In Crash

William E. Thomson, 18, son of Mr. and Mrs. J. W. Thomson of Progress, died at the Neblett Hospital in Canyon at 3:35 p. m. Wednesday from injuries received in a head-on collision with another car on Highway 60 north of Canyon shortly after 1 p. m. Wednesday.

Also killed was Jack D. Stone, companion of Thomson, and Jack T. Quest of Benica, Calif., only occupant of the other car involved, suffered internal injuries and severe cuts and bruises and his condition was considered as "grave."

The two West Texas State College students were on their way to Big Square, community west of Dimmitt, where Thomson was serving as a student pastor. They had planned to make calls in the community and go on to Progress to visit Thomson's parents.

Stone had often led singing at worship services conducted by Thomson and the two were closely associated in work of the Wesley Foundation, Methodist student group on the WTSC campus.

Thomson was at the wheel of his 1950 sedan when the accident happened. The crash occurred on Highway 60 about 800 feet west of the intersection of this road with Highway 87, just north of the Canyon city limits.

Thomson, a WTSC sophomore was studying for the Methodist ministry and held student pastorates at Wayside, Big Square, and Westway, west of Hereford.

Young Thomson was a graduate of Muleshoe high school in the class of 1949. He was a star linesman on the football team for three years, playing at guard. His aggressive dependable play earned for him the affectionate sobriquet of "Wild Bill" by which he was known to nearly everyone here. He was as steady and earnest in his studies and other curricular activities; in his senior year he helped edit the school paper and won outstanding honors in debating and extemporaneous speaking, going to the state meet in the latter event. Bill also took part in Voc. Agriculture activities of Muleshoe high school.

High school principal Jerry Kirk said all students and teachers who wish to attend services will be excused during funeral hours.

Funeral services will be conducted at 10 o'clock Friday morning in the Progress Methodist Church with the Rev. Carroll Jones officiating, assisted by Dr. James P. Cornette, president of West Texas State College. Funeral will be conducted by the Muleshoe Funeral Home.

He is survived by his parents, two brothers, George Lynn and James Edward, and three sisters, Joan Ann, Patricia Alice, and Sharon Gaye, all of Progress, and his grandmother, Mrs. J. S. Alexander of Memphis.

Pallbearers will be Bill McDonald, Jack Teague, Gene Gardenshire, John T. Robison, Jack Ramey, Beryl West, Olin Crosby and Don Stallings, all West Texas State students.

Funeral for Stone will be held at 4 p. m. Friday in Panhandle

## City Mail Delivery Service Has Been Adopted As A Major Project Of The Muleshoe Chamber Of Commerce, According To An Announcement This Week By Chamber President Myron Pool, Jr.

Several weeks ago, the board of directors took the matter under consideration but postponed definite approval of the project until Postmaster A. J. Gardner and the Chamber of Commerce staff could contact postal officials regarding the possibilities of securing house-to-house delivery for Muleshoe.

A letter from the Assistant Postmaster General states that if Muleshoe can qualify under the regulations stipulated by the Post Office department, that the local application will be given definite consideration.

Among the governing factors for city delivery service were postal receipts and population factors, sidewalks, street signs, house numbers and receptacles for receiving the mail on each house to be served. Another regulation required that the route established should be at least 50 per cent improved, that is houses on at least half of the lots in each block.

All Weather Surfacing Needed

The Postoffice official stated that the department would be willing to waive the continuous sidewalk requirement if the route to be traveled by the postman had good all-weather surfacing and the property owners would extend their private sidewalks to the roadway so that the carrier could serve the dwellings in all kinds of weather without danger to his health or safety.

Through the excellent work of the local Jaycees, the street sign requirement and a good portion of the house numbering requirement have been met. The present paving program is expected to provide sufficient all-weather streets in the more thickly populated residential areas of the city, so that a route can be established that will meet the department's requirements.

Gardner is working closely with the chamber of commerce staff in preparing the necessary documents in support of the chamber's application which is expected to be filed shortly after the first of the year.

A chamber spokesman said that the organization was greatly encouraged by the attitude of the Post Office department and that everything possible would be done to get the application approved sometime during the first part of 1952.

## Korea Battle Film Shown At Rotary Meeting

Members of the Rotary Club and their guests Tuesday viewed the U. S. Navy film, "With the Marines from Chosin to Hungnam," shown here by Sgt. Ramirez, of the Marine Corps, recruiter for the Marines at Clovis. The program was in charge of B. A. Dalton and projectionist was L. S. Barron.

The film was a Marine sergeant's movie record, with appropriate remarks, of the retreat from Chosin reservoir to the port of Hungnam, during which the First Marines, about 20,000 men, were surrounded by some 200,000 Chinese and North Koreans. The film gives credit to Army units which helped them to reach the sea, to the U. S. Navy's fighting ships, whose guns blasted away at the Communists throughout, and to the Air Force for their continued fire support and dropping of supplies.

The film will convince anyone that the Korean campaign is a real toughie. The Marines began their march to the sea in 17-below weather and the sergeant noticed it was "much warmer" when it was only 15-below. Frozen feet were pretty common among the plodding Marines, along with Army personnel and several thousand Korean civilians, by the Navy.

Mr. Barron was introduced as a new member of the club. Guests included Eddie Lane, Marion Harris, and Keith Gaede, of Muleshoe, and Ray Pugh, Dallas, Chrysler service representative.

## Basketball Schedule

Coach T. J. Bailey this week announced the 1951-52 basketball schedule for the Muleshoe High School Cagers. All games include boys and girls teams except the ones played with Sudan. The first conference game will be played with Morton on Jan. 8, 1952.

Nov. 30 - Open.  
Dec. 4 - Grady, N. M., here.  
Dec. 6 - Whiteface, there.  
Dec. 11 - Grady, there.

\* Jan. 25 - Brownfield, there.

...just 25 days to CHRISTMAS

### Now Is The Time For Bad Colds

Austin, Texas, Nov. 20—"At this time of the year health officers and practicing physicians always expect an increase in common cold," Dr. George W. Cox, State

Health Officer, reminds residents of Texas. "Although good personal hygiene, adequate sleep, suitable clothing, moderate exercise, and good nutrition may help the individual to develop resistance to infections, colds frequently develop in spite of all normal precautions. The seasonal rise in colds and other respiratory diseases during the fall and winter

months certainly suggests that the shift to cooler weather is partly responsible for their prevalence.

"The unhappy victim of a cold should make every effort to prevent spreading the infection to others. He can help by covering coughs and sneezes with a disposable paper handkerchief, by staying out of crowds and avoiding close contact with others, especially invalids, young children and old people. Evidence indicates that colds are readily transmitted from person to person.

"For his own sake the patient should rest as much as possible in order to help his body to fight the cold. If there is any fever it is advisable to go to bed and stay there. There is some question as to the effectiveness of the large quantities of water and fruit juices generally recommended in the past, but they can do no harm and may help to some extent.

"If a cold persists for several days the patient should by all means consult his family physician, especially if there is an accompanying fever. Although, as is generally known, there is no specific cure for the common cold the doctor can prescribe medicines that will afford relief. Consulting the physician is strongly advised, also, because a number of communicable diseases have early symptoms similar to those of the cold and only a doctor can describe whether the patient has a simple cold or some more serious disease."

### Greenbug Menace Expected To Be Less This Season

Small grain fields are not likely to be damaged by an early build-up of the greenbug population this fall as they were in 1950.

Dr. Ralph L. Hanna entomologist with the Texas Agricultural Experiment Station, points out that the weather was extremely hot last summer, a condition which is unfavorable to greenbug survival.

Surveys were made by the experiment station and the U. S. Department of Agriculture between July 15 and September 1 to obtain information on summer survival of greenbugs. Dr. Hanna reports that 425 field inspections were made in 71 counties. Several greenbugs were found on volunteer wheat in Deaf Smith, Floyd and Motley counties.

In a less extensive survey made in late October to determine the immediate danger of a general greenbug infestation, 71 inspections were made in 31 counties, most of them in the Northwest Texas grain area. Very few greenbugs were found.

If a heavy infestation of greenbugs should occur, parathion and metacide are the best insecticides available, says Dr. Hanna. These poisons proved to be the

### Bryant's Mother Dies In Denton

Mrs. R. E. Bryant, of Denton, mother of H. M. "Boots" Bryant, manager of Paymaster Gin and Paymaster Elevator here, passed away at Denton Tuesday morning. Accompanied by a brother, of Amarillo, Mr. Bryant left for Denton immediately after receiving the message. Mrs. Bryant had suffered a heart attack a few days before death came.

Funeral services were conducted in Denton this morning (Thursday) and interment was in Moody, Texas, cemetery.

An "advice" columnist says that a man should make his wife a silent partner. Good trick if you can do it.

most reliable ones in 10 experiments conducted during 1950 in the High Plains area.

Although high winds and low temperatures often make effective application of greenbug insecticides difficult, Dr. Hanna says timely and careful application of parathion and metacide will kill up to 90 per cent of the greenbugs.

If conditions continue to be favorable for greenbugs, the population will build up again after the insects are poisoned. The number of applications of poison that can be made depends on the margin of profit expected for the grain field.

### High Honors for Texas 4-H'ers

David Behlen Sue Jones Adam Wolf, Jr. Bobbie Bacon

HIGH HONORS have been accorded 4-H'ers for having the best records in the 1951 National 4-H Dress Revue, Farm and Home Electric, Poultry and Tractor Maintenance programs in Texas. Their awards were educational trips to the 30th National 4-H Club Congress, Chicago, November 25-29. Highlights of their records are told below.

Applying the latest scientific developments in poultry and egg production to the home flock, and thereby making a major contribution towards the farm economy, David Behlen, 15, of Gonzales, was named state winner in the 4-H Poultry Achievement program. In Club work seven years, he has raised a flock of 4,538 New Hampshire Reds, White Rocks, Vantresses, Indian River Cross broilers and Cornish Hampshire Crosses. David lives with his parents and his sister on a 350-acre livestock and poultry farm. He has been president of his 4-H Club for the past year. His first project as a 4-H'er got under way when his father gave him a pig. At that time he "made a little profit and learned a great deal." He has gone on learning since then, and his profits have climbed higher and higher.

David's trip was provided by Dearborn Motors. Electrically-minded Sue Jones, 18, of Iran, has made the effective use of electricity pay off. State winner in the 4-H Farm and Home Electric program, this young lady has found easier and better ways of putting electric power to work. This has rewarded her with more leisure time and taken the drudgery out of household chores. The full responsibility of home management has fallen on Sue for the last four years but the use of many electric appliances provided by her father has made it possible to continue her school and community activities. She is a fine junior leader and has won several awards. In recognition, Westinghouse Educational Foundation presented Sue with the Chicago trip award.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

## Progress H. D. Club Meets In Gulley Home

The Progress Home Demonstration Club met Tuesday, Nov. 20, in the home of Mrs. Ed Gulley.

The president, Mrs. Fern Davis, presided over the meeting. Roll call was answered with something to be thankful for or a verse of scripture. Minutes of the last meeting were read and approved. It was decided to send a gift of money to Boys' Ranch for Christmas.

Mrs. G. T. Maltby brought a She read an article about Thanksgiving and a Bible scripture of praise. Mrs. Manuel Self read "What We Have to be Thankful For". The group sang two songs, "For the Beauty of the Earth" and "This is my Father's World". Mrs. W. W. Couch, visitor from West Camp Club read a humorous reading, "The Liberal Translation".

Mrs. Ada Murrain led a game "Food for Thanksgiving", and Mrs. S. L. Busby, visitor from West Camp Club, led a game of questions.

Refreshments were served to 13 members and three guests, Mesdames W. W. Couch, S. L. Busby, and Bennie Gulley of West Camp.

The next meeting will be Wednesday, Dec. 19, in the home of Mrs. Richard Smith. This will be the Christmas party, and each one is to bring a gift to be exchanged. Pollyanna names will also be revealed.

## Bovina Jr. Class Play Nov. 29

The Junior Class of the Bovina High School will present their play "Easy Money" on Thursday night November 29, at 7:45 P. M. in the High School Auditorium.

The hilarious comedy in three acts concerns two young college students who marry and are trying to keep it from their parents. Both are quite wealthy and the complications that arise will keep the audience in stitches.

Students taking part in the play are Jamie Tidenberg, new groom and a University of California student, Lavonda Newton, the new bride and also a college student, Charles Williams, the well meaning father of the groom, Don Alverson, a wealthy uncle, Margie Leake, the bride's mother, Berths Owens, the bride's sister, Rex Isham, a college boy, Florence Dean, a southern talking girl, Jo Beth Brice, a young actress and star, James Williams, a distinguished English butler and Billie Ward, a French maid of charm.

Everyone is invited to attend the production and a pleasant and enjoyable evening is promised.

Entertainment between acts will feature a saxophone solo by Don Sudderth and numbers by a quartet of students. Prices for admission will be 25 and 50 cents.

## MEAT CUT Quiz

Q. What is the name of this cut of meat?

A. Pork crown roast.

Q. Where does it come from and how is it identified?

A. Rib sections of two pork loins from which backbone has been removed and which are frenched (meat stripped from ends of rib bones) are formed in shape of a crown.

Q. How is it prepared?

A. By roasting. The crown is roasted with ribs down for 1 hour in a 350° F. oven. At the end of this time, it is turned and filled with stuffing, if desired, then roasting completed. Allow 35 to 40 minutes per pound for roasting.

## Mrs. Holt Presides At W. S. C. S.

The Women's Society of Christian Service of Muleshoe met Monday, Nov. 26, at the church. The opening song was "Work for the Night is Coming". This was followed by prayer by Mrs. Willman.

Mrs. Bayless brought the devotional from II Corinthians 6. She gave the story of a young Mexican boy who was thought to be dying of tuberculosis. As he was reading his Bible, he was fascinated by the passage, "I shall not die, but live and declare the work of the Lord." He soon got well and has spent 25 years preaching the gospel.

Mrs. O. N. Jennings gave the chapter, "The Romance of Missions," from the study book.

Mrs. D. B. Lancaster brought highlights of the Methodist work in Latin America. Mrs. Beulah Carles discussed some interesting facts about civic rights of Latin American women and Mrs. Hanks told of kindergartens in border cities.

Mrs. H. Jay Wyer closed the lesson with a map study of British Honduras, Guiana and Brazil.

Mrs. Holt presided over the business meeting in the absence of Mrs. Pierson. The Society is to meet on Tuesday of next week because of the Garden Club tea on Monday.

Those present were Mesdames Roy Bayless, H. M. Shofner, H. W. Hanks, Beulah Carles, I. F. Willman, O. N. Jennings, H. Jay Wyer, Lucy Layne, R. O. Gregg, D. B. Lancaster, C. R. Farrell, and H. C. Holt.

## BACK FROM NORTHWEST

Mrs. Herman Haberer is back at home after a trip of some four weeks to the Pacific Coast and the Northwest. In San Francisco she visited with Mrs. John Haberer, mother of the late Herman Haberer. In Washington State she visited with some eleven families of ex-Texans.

## VISITORS FROM HEREFORD

Mr. W. G. Wyer of Hereford spent the Thanksgiving holiday in the home of his sons, Harold and Jay Wyer, returning home Sunday.

## Shower Honors Sondra Wagnon

Miss Sondra Wagnon, bride-elect of Clarence Mason, was honored with a miscellaneous shower Saturday afternoon at the home of Mr. and Mrs. Dudley Malone from 2:30 to 6:00.

Hostesses were Mrs. Roy Jordan, Mrs. O. D. Ray, Mrs. Julian Lenau, Mrs. Noel Woodley, Mrs. Raymond Gaede, Mrs. Buck Wood, Mrs. Pat Bobo, Mrs. Howard Elliott, Mrs. Morris Douglass, Mrs. Charles Lenau and Mrs. Malone.

Lighted white tapers with white mums and carnations were the decorations. A single lighted white taper beside the bride's book was at the register table. The dining table was covered with a white net cloth with small satin bows and wedding bells on the corners and in the center front a large white satin bow and bells. The centerpiece was white mums centered with lighted tapers. A crystal Cambridge of arms with lighted tapers and floating white carnations was placed on the console. Appointments were silver and crystal.

The hostesses alternated at the register, the tea service, and showing the guests the honoree's gifts on display.

Refreshments of individual white cakes shaped like small bells and spiced tea were served to: Mesdames Claude Sanders, John Garrett, W. E. English, Hoyt Morgan, Albert Carroll, F. W. Jones, Homer Sanders, Sr., Homer Sanders, Jr., John W. Smith, C. C. Griffiths, L. T. Green, Jr., Snow Davis, Lee R. Pool, Robert King, Charles King, Eddie Lane, Bill St. Clair, Herbert Griffiths, Ernest Kerr, Ray Keeling, Sam E. Fox, G. W. Mayben, John Coleman, J. J. DeShazo, R. L. Jones, H. P. Holland, R. V. Ivy, Ross Goodwin, I. W. Harden, J. M. Forbes, Aurelia Sanders, Misses Gay Sanders, Pat English, Mary Morton, Jeri Nell White, Mildred Davis, Marilyn Gupton, Elizabeth Harden and the hostesses.

Mesdames B. Z. Beaty, G. T. Maltby, O. M. Self, Frank Hinkson, W. H. Kistler, E. O. Baker, E. W. Duke, A. J. Gardner, Beulah Carles, Birdie Paul, W. M. Pool II, Paul Gardner, C. R. Farrell, Murrell Brown, C. M. Baker, W. R. Baker, J. D. Baker, Naomi St. Clair, Billy Don Barbour, Bুদ্ধ Blackman, Arnold Morris, Buford Butts, Cecil Tate, and M. F. Green.

## WINTER COTTON

Famous designer Tina Leser picks cotton for this striking winter design. Using a menswear cotton suiting in bright red with black and white plaid, she created this versatile costume for the smart sophisticate. Cotton menswear suitings are seen frequently in this season's designer collections, the National Cotton Council reports.

## Mrs. Johnson Hosts Wesleyan Guild

The Wesleyan Service Guild met Monday evening, Nov. 26 in the home of Mrs. Fred Johnson.

Mrs. Homer Sanders Jr., president, presided over the business session.

The next meeting will be December 10, in the home of Mrs. Buford Butts. This will be a to exchange gifts and they are not to exceed \$1.50. Each member is asked to bring something

for a Christmas basket for some worthy family. If perishable food is desired Mrs. Butts said it could be placed in the deep freeze until a later date and then delivered to the family selected.

Mrs. Sanders extended an invitation to the Guild members from the Garden Club to a book review that will be given Monday evening at 2:30 at the Legion Home.

Mrs. A. S. Stovall brought the lesson on the study of the Book of Acts, but another lesson will be necessary to complete the study, this will be the first meeting in January which is the 14. Refreshments were served to a visitor, Mrs. J. E. Day, members Mesdames Buford Butts, Delma McCarty, Lois Schoenberger, C. W. Grandy, A. S. Stovall, Homer Sanders, Jr., Homer Sanders, Sr., Alex Wilkins, Jim Burkhead, Francis Gilbreath, H. W. Hanks, Miss Elizabeth Harden and the hostess.

## Study Club Met In Wagon Home

Members of the Muleshoe Study Club met Thursday, November 15, in the home of Mrs. Vance Wagon.

The program for the evening was an open forum, "National Problems Facing our Youth." Mrs. M. F. Green directed the discussion.

Those attending were: Mesdames Buck Wood, A. J. Gardner, M. F. Green, E. R. Hart, Jack Holland, A. E. Lewis, John Watson, J. M. Forbes, Julian Lenau and the hostess.

## Hospital News

Dennis Nelson, son of Mr. and Mrs. Conrad Nelson underwent a tonsillectomy. He has gone home.

Mr. W. J. Lewis, a medical patient is doing fair.

Clifton Livesay underwent an appendectomy. He is doing fine.

J. T. Lemons was admitted due to an accident. He has been discharged.

The small daughter of Mr. and Mrs. J. R. Latham was a medical patient. She has gone home.

Bill Aylesworth was admitted due to an accident. He was discharged.

Bill Jeter was a medical patient due to a severe burn. She has been discharged.

Mr. Stellard Reeves was admitted due to a car wreck. He has been discharged.

P. P. Miller is a medical patient. He is doing fine.

## CONGRATULATIONS TO:

Mr. and Mrs. Leo Holt on the birth of a son, Leo Davis, Nov. 24.

## DRINKARDS HAVE VISITORS

Mr. and Mrs. C. O. Smith of Eden visited with her brother, Tom Drinkard and family, the latter part of last week. They also bought a quantity of hay and bundles for their cattle and sheep. Pastures are very dry in that section.

Tommie Ann Drinkard also visited in the home of the Tom Drinkards, her parents, over the week end. She is staying with her grandmother and attending the Levelland High School.

Funny how a fellow never has any peace of mind, when the wife is always giving him a piece of hers.

THE MULESHOE JOURNAL Thursday, November 29, 1951

## Bride-Elect Is Complimented With Breakfast

Mrs. Myron Pool II and Miss Janice Jordan complimented Miss Sondra Wagon with a breakfast Sunday morning at 10 o'clock at the home of Mr. and Mrs. Pool.

The table was laid with a white rayon cloth. The centered piece was a white starfoam heart fluted with net with a small bow of white satin ribbon and wedding bells at the side and surrounded by baby pom-poms. White florettes were other decorations. Appointments were crystal, china and silver. Favors were miniature silver nut cups.

Miss Wagon was presented with a gift from the hostesses.

Attending were: Misses Donna Kimbrough, Wanda Kimbrough, Gay Sanders, Jeri Nell White, Jo Addine Wagon, Mrs. Roy Jordan, Mrs. Vance Wagon and the honoree.

## Mrs. Smallwood Hosts H. D. Club

The Muleshoe H. D. Club met Tuesday, Nov. 27, in the home of Mrs. Joe Smallwood. Roll call was answered with "Quaint Texas Towns."

Plans were completed for the Thanksgiving dinner on Thursday, Nov. 29, at the Fellowship Hall at 7:30 p. m.

The program was about drapes. "Selection of Materials" was given by Mrs. E. E. Marrs, "Methods of Draping" by Mrs. A. W. Copley, "Making Drapes" by Mrs. Don Bruns, and "Care of Drapes" by Mrs. S. C. Caldwell.

Refreshments of cake and punch were served by the hostess to visitors, Mesdames George Templar, L. M. Rogers, and Tom P. Smallwood, the members, Mesdames A. W. Copley, A. W. Awtry, Dave St. Clair, S. C. Caldwell, E. E. Holland, Olen Dutton, C. E. Briscoe, E. E. Marrs, and Don Bruns, and the new member, Mrs. Bob Hardy.

The Christmas party will be in the home of Mrs. A. W. Copley on Dec. 11. Everyone is to bring a gift not exceeding \$1.

## Wedding Of Floders At Sudan

Area residents will again have an opportunity to see the "Wedding of the Flowers" which has been described as the most outstanding and colorful performance ever produced by school children in the history of the Sudan schools. The repeat program will be given Saturday, Dec. 1 at 7:30 p. m. in the Sudan high school auditorium.

Many who were unable to attend the production on November 5 and too, many who did see it, have expressed the desire to have it produced again. Approximately 125 children from the ages of one to ten have parts in the operetta.

All proceeds will be used for the purchase of books for the grade school library.

The operetta is sponsored by the 1935 Study Club of Sudan.

The achievements that adorn human progress are not the rewards of those who did not plan.

## Surprise Shower For Wilma Sowder

Miss Wilma Sowder was honored with a surprise lingerie shower Wednesday evening, November 21, in the home of Mrs. Carroll Howell with Barbara Kluttas as co-hostess.

Card games were played and refreshments were served to the following: Mrs. Bill Morris, Mrs. H. G. Burchett, Jr., Mrs. Herbert Griffiths, Mrs. Bill Jim St. Clair, and Mrs. Harold Wedel. Miss June Wedel (Wedels were from Littlefield), the honoree and the hostesses.

The honoree received several lovely gifts. Some sent gifts that were unable to attend.

## K. B. MARTIN FAMILY MOVE TO HALE CENTER

The family of Elder K. B. Martin will soon move to Hale Center, where he will be full time pastor of the Hale Center Primitive Baptist Church. Mr. Martin has been preaching at the church in Morton and in Clovis since moving here a year ago.

They have sold their 40 acre farm northwest of Muleshoe to Mr. and Mrs. Vernon Baker, who teach in Muleshoe schools. The Martins came here from Slaton.

"I wish you would say in The Journal," Mr. Martin said, "how much we have enjoyed living in the Muleshoe country and how much we value the friendships we have made and the admiration and respect we have for all the people here. We genuinely regret to leave this progressive friendly part of the Plains."

## Letters to the Editor . . .

Bowie, Texas, Nov. 27

Dear Sirs:

Received The Muleshoe Journal yesterday. Thanks so much for sending them - just like reading a letter from home.

Thanks again,  
Mrs. Essie Plunkett

## Y. L. COUPLE HAD BIG TIME IN MISSOURI

Mr. and Mrs. A. F. Robertson of Y. L. community spent the Thanksgiving holidays in South Central Missouri, visiting relatives. During their trip they had a wonderful time, they report.

They were present for three family reunions, and a Thanksgiving dinner, dining during that time on venison, wild turkey, squirrel and quail and Mr. Robertson opined he wouldn't need anything more to eat until Christmas. The couple also visited relatives in Lawton, Okla.

## Matthews Infant Rites Conducted

Graveside rites were read at the Lazbuddie cemetery Monday afternoon for Dorral Dean, twin son of Mr. and Mrs. C. C. Matthews, Jr., who was born in St. Mary's Hospital in Lubbock Saturday night.

The mother and the other son, Derrel Gene, are now at home in Lazbuddie community and doing fine.

## Letters Santa Claus

Dear Santa,

I am 7 years old and my sister is 6. I want a pair of boots, 2 guns, and a cowboy handkerchief. My sister wants a Toni doll and a set of dishes. Also bring us some nuts, candy, oranges, and apples. Please remember the other boys and girls.

Ronnie and Mary Jo Locke

## TURKEY WINNERS AT COX DRIVE-IN

On Tuesday, Nov. 20, the Cox Drive-In Theatre awarded turkey dinners at the Cross Roads Cafe to Bob Hardy, Bob Estes, and Bill LeFevours.

Winners of the dressed turkeys were Jack Kenn, Mrs. R. L. Lewis, Mrs. Stella Butler, and Charlie Sims.

## BACK FROM MEMPHIS

Mrs. Tom Berry and Mr. and Mrs. L. A. Harper of Circleback have returned from a trip to Memphis, Tenn., where they visited a brother and sister, J. B. Perkins and Mrs. George Fenton. Mrs. J. E. Perkins, the mother, went with them and stayed in Memphis for a longer visit.

## ON THANKSGIVING TRIP

Mr. Curtis Spivey and children have returned home after a Thanksgiving visit to Winnsboro with Mr. Spivey's parents, Mr. and Mrs. J. S. Spivey. They visited on the way home in Sulphur Springs with Mrs. Spivey's brother and family.

## TO COLLEGE STATION

Mr. and Mrs. Ray Keeling and Mr. and Mrs. Lowell Irvin St. Clair left Wednesday afternoon for College Station to witness the annual football game between teams of the University of Texas and Texas A. & M. College, played today.

## Annual Meeting Date Designated

The third Tuesday in April of each year has been designated as the official date for the annual membership meeting for the Muleshoe Chamber of Commerce. At this time the chamber will sponsor its annual banquet present an outstanding public speaker and induct the new officers and directors into office.

Designation of the annual meeting date was made by the board of directors at its last meeting when it was brought out that the articles of incorporation had failed to name a date.

With the fiscal year of the organization ending on June 30 of each year, the board deemed it advisable that the new officers and directors take office 60 days prior to the end of the year in order that they should have a voice in establishing the program of work and determining the budget for the ensuing year.

The governing board consists of 13 directors named by the membership at large. Five of these directors will retire at the end of the year, four others have one more year to serve and the other four will serve until 1954. This rotation was set up in the incorporation documents which also stipulated that the officers with the exception of the secretary-manager, should be elected by and from the directorate.

## NEW BOOKS IN LIBRARY

Eight new books have been added to the library. They are "Posse Rider" by Chuck Stanley, "Lobo Valley" by Brett Austin, "The Utmost Island" by Henry Myers, "The Stranger Beside Me" by Mable Seeley, "Bow Without Arrow" by Cynthia Milburn, "Watch For Romance" by William Neubauer, "Fox Fire" by Avya Leton, and "The Blessing" by Nancy Mitford.

Will those that have books over due please check them in. Librarian

## ATTEND LUZIER'S MEETING

Monday, Nov. 26, Mrs. E. E. Holland attended the district Luzier's meeting at Clovis. The program was conducted by Mrs. P. D. Thedford of Littlefield.

## VISITOR FROM OKLAHOMA

Mrs. Tom Dudley of Duncan, Okla., is visiting her sons, Mat and John Dudley. She has been here for about one and a half weeks and plans to return to Duncan on Friday.

## Juniors Preview Play For Lions

The Junior class of Muleshoe high school gave a skit of their play, "Inner Willy" to be staged at the high school auditorium on Friday, Dec. 7, at the regular weekly meeting of the Muleshoe Lions Club Wednesday noon at Gerald's Cafe. Pat Bobo was in charge of the program and introduced Mrs. Ted Cummings and Mrs. Paul Gardner, sponsors of the play.

Jeff Peeler gave a report of the Boy Scout Court of Honor which Muleshoe Scouts attended Tuesday night in Littlefield. Plans for renovating the present Scout building was discussed. Natural gas for the building is planned as at the present time only one wood stove furnishes heat for the building. The building will be succeeded and to start the movement, Bill Moore pledged a \$50 donation and Rufus Gilbreath another \$50.

## ON NAVY LEAVE

Jack DeShazo, who has finished "boot" training at the Great Lakes U. S. Naval Training Station, Chicago, is here on several days leave, visiting his parents, Mr. and Mrs. J. J. DeShazo. Jack is to return to Great Lakes December 8 for assignment.

## VISITED IN CANYON

Mr. and Mrs. Mat Dudley visited their daughter and son-in-law, Mr. and Mrs. B. L. Pierson, Saturday. They plan to visit their daughter and family, Mr. and Mrs. Bill Townsend, of Kermit, next Saturday.

## VISITOR FROM OKLAHOMA CITY

Pat English of Oklahoma City visited in the home of her parents, Mr. and Mrs. Gene English and other friends through the Thanksgiving holidays.

## CHRISTIAN SCIENCE SERVICES

The fact that obedience to God's law gives man strength and power and is a denunciation of evil of any nature, is emphasized in the Lesson-Sermon to be read at Christian Science services this Sunday. The subject is "Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced."

The Golden Text is from Proverbs: "Do they not err that devise evil? but mercy and truth shall be to them that devise good."

**Bailey Honored At Texas Farm Bureau Meeting**

A. W. Copley and Mr. and Mrs. O. C. Thomson attended the annual convention of the Texas Farm Bureau, held in the Rice Hotel in Houston Sunday through Wednesday of last week. They were voting delegates, among the 800 delegates at the convention, representing nearly every county in Texas.

A highlight of the convention was the attendance and address by Alan B. Cline, president of the American Farm Bureau. Other outstanding addresses were made by Congressman Bob Poage of Waco, and by Dr. W. G. Kamlade, associate director of Extension, College of Agriculture University of Illinois. A recording of Dr. Kamlade's talk is to be used here in a meeting of the Bailey County Farm Bureau during January, 1952. Mr. Thomson said.

Some 25 resolutions were presented by the resolutions committee at the business session Wednesday afternoon, relating to the promotion and welfare of Texas agriculture and virtually all were adopted by the convention body.

Bailey County was recognized at the convention as one of the few counties in Texas which have gone over their membership quota. The county received an award for signing up as members more than 40 per cent of the potential members in the county.

**Drive-In To Be Open Two Nights**

Beginning with the coming week end Cox Drive-In Theatre will show only two nights a week, Saturday night and Sunday night, during the winter. Howard Cox, proprietor announced today.

Picture to be shown this Saturday night and Sunday night will be "Francis Goes To The Races", with Donald O'Connor.

**CHURCH ANNOUNCES NEW LOCATION**

The members of the First Christian Church are happy to announce that they have purchased the property on the corner of Ave. G and West Second where Grandmother Robinson had her home. The house of worship is being moved to this location this week.

Sunday school at 10:00 a. m. and morning worship at 11:00 will be held there Sunday, Dec. 2.

**Itinerant Labor Needs Of Bailey County Under Study By C. of C.**

Itinerant labor needs of Bailey County will be the subject of much study by the Muleshoe Chamber of Commerce during the next few weeks. The board of directors has asked that a survey of the housing situation and possible remedial action be made immediately in order that any action taken by the chamber may serve to improve conditions during the 1952 season.

For the past several weeks the chamber has often requested for assistance in securing laborers to harvest crops. Many of those seeking help have voiced the opinion that the main difficulty in getting hands to come to Bailey County has been the lack of sufficient housing for the workers.

Another reason presented by employers of itinerant labor was the lack of an employment office in Muleshoe. Although other TEC offices have been contacted, they have been unable to send laborers into Bailey County due to the fact that the demands of farmers in their immediate territory exceeded the supply and workers were unwilling to travel the extra distance. Many felt that an office in Bailey County or at least a sub-office during the months of heaviest demand would help to relieve the situation.

Although the chamber of commerce directors did not approve any specific action at this time, they requested that a thorough study of the situation be made by a committee composed of John McFarland, Agriculture Division Chairman; Vice-president

Ross Goodwin; Travis Winters, PMA official; John Gammons, Ed White and Lloyd Roberts C of C directors; County Agent J. B. Adams; Carl Case and Harold King.

This week questionnaires were sent to some 500 farmers in the Muleshoe trade territory asking how many extra hands were needed, how many houses for laborers were available and other questions designed to give the committee a representative picture of the situation in Bailey County.

Friday several of the committee members will go to Hereford and Dimmitt to study the camps in those towns and confer with the operators regarding operation, management, financing and related subjects.

Adams, meanwhile is contacting the County Agent at Lamesa to get the details of government sponsored camp in that locality.

President Myron Pool, Jr., emphasized the point that there were many angles to this problem that would need to be carefully considered before any definite action can be taken. "However," he said, "our board of directors realize that the lack of adequate farm hands is a serious problem, and we shall do everything possible to attract more workers to Bailey County in for the 1952 season. To do this, we are starting work now, realizing that this will be a long range program that cannot be undertaken without careful study of our needs and the best methods to overcome our labor shortage."

**Muleshoe Boys And Girls Basketball Teams Win First Games Of Season**

Muleshoe high school boys and girls basketball teams were victorious in their first games, played before a large crowd in the local gym Tuesday night. The boys won their game 59 to 18 while the girls outpointed their opponents 39 to 24.

The boys team, defending district champions, seemed to pick up right where they left off last season, even though they lost five starters from last year's crew. Glenn "Moose" Harlan, center, the only letter man on this year's squad, was high point man in the game Tuesday night counting 22 points for his team.

Other points were made by boys as follows: Bob King, 11; Earl Jennings, 8; Calvin Turner, 6; Charles Lewis, 1; Bud Barber, 1; Robert Waggon, 9.

Starters were Bob King and Bud Barber, guards; Harlan, center; Earl Jennings and Charles Lewis, Forward. Others who saw action were Calvin Turner and Bob Nickels.

Jo Addine Waggon, veteran of last year's team, was high scorer for the girls with 24 points of her teams '39. Other points were made by Norma Graves 6, Rita Peeler 7.

Besides these, girls who played during the game included Barbara Douglass, Carolyn Kirk, Frances Tolen, Nelda Jo Wilson, Pat Wright, Betty Chisholm, Bobbie Collins, Willeford, and Dawson.

### TIMELY TIPS FROM YOUR H. D. AGENT

By Mrs. Dian Reed

#### Gardening Jobs For November

Many landscaping jobs can be done in November. If gladioli were grown last year, take up the corms or bulbs. The new corms will be nearer the surface of the ground than the ones you planted. They may be killed by freezing. Dry and store just as onions are dried and stored. Remove the tiny cormlets and sort according to size. Those less than one inch in diameter should be grown for another year before blooms are expected of them. Dust all corms lightly with DDT and sulphur to lessen insects and disease injury next year. Keep in a closed container for two weeks. Gladioli are sometimes left in the soil. They should be covered with several inches of soil to avoid freezing.

Dahlias can be taken up during November or they may be left in the ground. If they are not removed, be sure to mulch heavily to protect against hard freezes.

Plenty of time remains for planting some bulbs and bulb-like plants. Lilies, iris, and Dutch iris and tulips may be planted now. Sweet peas may be sown for early spring bloom. Seeds that may be planted are larkspur, calliopsis, cornflower, California poppies and cosmos. Young bluebonnets which have come up may be transplanted now. Just be sure to hold an unbroken piece of soil around the

roots.

#### What's New About Turkeys

This year's turkey crop is the largest on record in both number and pounds. Modern turkeys are a great improvement over the old birds. They're meatier, more tender, plumper and more compact and have a larger proportion of breast meat.

Full-grown young turkeys come in different sizes these days. Roasting age young toms of the smaller breeds weigh from 9 to 15 pounds, ready to cook style; the hens, from 5½ to 9 lbs. In contrast, young roasting birds of the larger types may weigh as much as 28 to 30 pounds, ready to cook. That's a big bird, but a perfect choice for a large family. For the smaller family, a turkey half or quarter, or the breast, or a leg, from a large turkey, available in many markets now, is an excellent buy. Or, if yours is a small family that insists on a whole bird, you will be glad to know that the number of small-type turkeys produced this year is much greater than last year. Therefore, you should be able to get a small turkey to fill the bill perfectly.

But that's not all that is new about turkeys. Turkey broilers and fryers, "youngsters" in the small breed families, are on the market in greater numbers than ever before. They are marketed when about 12 weeks of age, and can be fried or broiled much the same way as chicken, allowing a little more cooking time for turkeys because the pieces are larger.

All this adds up to the fact that any day can be turkey day, and there's no need to wait for the holiday season to enjoy delicious turkey meals. For those who want guidance in selecting and preparing turkeys, recipes for turkey pie and turkey hash, turkey à la king, turkey gravy and stuffings and other good dishes, there's F. B. No. 2011, Turkey on the Table the Year Round. Single copies are free on request to the Office of Information, U. S. Department of Agriculture, Washington 25, D. C.

#### RECIPE OF THE WEEK

##### ROAST TURKEY

Roast turkey in an open pan at low temperature and without adding water. Start the turkey on one side of the breast, turn to the other about every hour for small or medium-sized birds, every hour and a half for large birds. Baste with pan drippings each time the bird is turned. The bird is done when the joints can be moved easily.

Timetable for Roasting Whole Bird

21-25 lbs. 250 degrees Fahrenheit 8 to 9 hours; 16-20 lbs. 250-275 degrees Fahrenheit 6½ to 7½ hours; 12-15 lbs. 275 degrees Fahrenheit 3½ to 4½ hours; 5-7 lbs. 325 degrees Fahrenheit 2½ to 3 hours.

##### Bread Dressing

4 cups cornbread crumbs  
3 cups white bread crumbs  
½ to 1 tablespoon poultry seasoning  
1 teaspoon salt  
½ teaspoon pepper  
½ cup fat (turkey)  
Broth or water to moisten  
3 eggs (raw or hard cooked or both)  
1 cup celery, chopped  
1 onion, chopped  
¼ cup chopped parsley or green pepper if desired

##### Pecan Pie

½ cup butter, 1 cup sugar, 4 eggs, 1 cup white karo, 2 tablespoons coconut, 1 cup pecans.  
Cream butter and sugar; add well beaten eggs; beat until fluffy; add other ingredients; beat; put in unbaked pie shells. Cook at 400 F until crust is done, or about 20 minutes. Turn oven down to 300 F and finish cooking, or about 35 minutes. This recipe will make two 9-inch pies.

#### GLAMOR AT HOME

Shirt and trousers go glamorously feminine in this smart at-home costume. For leisurely evenings of reading by the fire or viewing television, Greta Platty has designed this luxurious cotton outfit. The sleek, trim slacks are in black velveteen, while the dashing shirt is done in lustrous white cotton satin faille with French cuffs and rhinestone studs.

#### Texas Top Ranking 4-H'ers

TRIPS to the 80th National 4-H Club Congress in Chicago were given four Lone Star State club members for their outstanding records in the 1951 National 4-H Canning, Field Crops, Garden and Girls' Record programs. The state winners and brief outlines of their records follow:

**Patsy Harris**, 16, of Plainview. Her selection as state winner in the 4-H Girls' Record program proves that this versatile young miss is a first-rate housekeeper and manager. Patsy has been in club work seven years and has completed 30 projects, among which are poultry, clothing, canning and home improvement. Her record shows 59 garments made, 2,588 jars of food canned, 600 chickens raised, as well as meat preparation and gardening. One of her favorite projects was the refinishing and upholstering of six pieces of furniture for her bedroom. She is active in all community activities, speaking before groups and on the local radio station and gives generously of her musical talents throughout the county. Montgomery Ward provided Patsy's trip award.

Growing a garden has served a three-fold purpose for Joyce Weber, 16, of Victoria, state winner in the 4-H Garden program. Joyce has supplied the family with a variety of fresh vegetables, reduced the cash outlay for food, at the same time promoting relaxation and good health. Her trip award was presented by Allis-Chalmers. During the four years she has carried gardening she has raised 3,265 pounds of food, canning 887 jars of it. She has also been in clothing for the seven years of her 4-H Club work and taught crafts not only to club girls but to adults as well. Mrs. Conda Graham, county agent, says that Joyce is known throughout her community as a gracious hostess and for her winning smile.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

For making an outstanding record in her food preservation project Virgie McCarley, 18, of Quitman, was named State champion in the 4-H Canning Achievement program. Experimenting with new ideas, she has broadened her knowledge of better homemaking methods through her 4-H art. Home-canning also has made it easy to follow the nutrition yardstick and keep the budget low. During seven years in club work, she has canned 471 quarts of food; also made 95 garments, improved 24 bedroom articles, and carried a landscaping project for five years. Two years ago she entered East Texas State Teachers College but still carries 4-H demonstrations on canning and clothing and continues active in church work. Kerr Glass furnished funds for Virgie's trip to Chicago.

Utilizing improved field crop methods has earned state honors for Ray Riley, 16, of Hart, in the 4-H Field Crops program. Long hours and much effort went into learning good farm practices and expert use of farm machinery, but the increase per acre production of food, feed and fibre crops has more than compensated. Seven years in 4-H work, and much individual research and experiment, particularly in the field of seed selection, has brought Ray the title of the youngest licensed certified seed breeder in the State. He has completed 56 projects, is an outstanding leader and has trained judging teams for the last three years. A total of 230 acres in field crops has yielded him an average of \$88 an acre. International Harvester provided Ray's Chicago trip award.

All of these activities are conducted under the direction of the Extension Service of the State Agricultural College and USDA cooperating.

"Every four minutes an American dies of a disease caused by a common cold," says a medical item. It must be awfully monotonous for the American.

WE RESERVE THE RIGHT TO LIMIT QUANTITIES

# No One Dared To Meet Our Challenge!

On November 21 we ran an advertisement in this paper offering to match our new and far more powerful Ferguson "30" against any other tractor in this area. We stated that the Ferguson "30", with Ferguson System Implements meets more of the needs of more farmers . . . . . more of the time . . . than any other equipment. We challenged other dealers to match Ferguson performance on a group of basic jobs.

Is no one going to accept our challenge?

We don't like to accept victory by default. But, unless one of our competitors sees fit to accept our challenge, we're forced to believe that they agree with us . . . that they admit the Ferguson "30" is a better tractor . . . that Ferguson System Implements are better implements.

The whole purpose of this challenge was to give farmers in this community a chance to make a

real comparison of the many tractors and implements sold locally. We felt that farmers had a right to expect dealers to prove claims made for their equipment.

Remember, we welcome the competition of any other make or model tractor you may be considering that meets your farming requirements and that fits your budget.

Ask the dealers of these tractors if they are willing to match their equipment against a Ferguson "30" with Ferguson System Implements. If they are, let us know. If not, you can be surer than ever, that the new and far more powerful Ferguson "30" . . . and Ferguson System Implements . . . are "right" for you!

Regardless of what happens, we are going to put on a special "Showdown" Demonstration.

**On The Finley Pierson Farm 1½ Mi. NW Of Muleshoe On Clovis Hiway Wed., Dec. 5 At 1:30 P.M.**

VOLUME 29, NUMBER 49

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, NOVEMBER 29, 1951

## Fertilizers May Be Short In '52, Farmers Warned

Farmers are urged to order and accept delivery now on the fertilizers that will be needed to produce the 1952 crops. According to M. K. Thornton, Extension agricultural chemist of Texas A. and M. College, supplies of certain fertilizer materials will be limited and labor and transportation difficulties in the future may make the situation even tighter.

Fertilizers can be stored on the farm with little or no loss, says Thornton if kept dry and stacked so that air can circulate around the bags. Most any shed on the farm can be used for storing provided the roof does not leak.

The total tonnage of fertilizers available in 1952 probably will exceed the 1951 supply but chances are very good that farmers will have trouble getting the grade and type they want when it is needed. The supply of nitrogen is expected to be about eight per cent larger but most of the increase will be in the liquid forms. Potash supplies are expected to be about 13 per cent larger but according to Thornton, it's a different story with superphosphate. Production is expected to drop from 10 to 15 per cent as a result of limitations placed on the amount of sulphuric acid that can be used for manufacturing phosphate fertilizers.

The demand for fertilizers on the other hand is expected to increase about 20 per cent. Farmers who take delivery now will be helping solve the storage and shipping problems and at the same time will be sure they will have the fertilizers they need for 1952.

What this country needs right now is day clubs for night workers.

## New Social Security Program Will Put \$84 Million More In Circulation

An extra 84 million dollars a month is going into circulation as a result of the expanded social security program, according to John G. Hutton, manager of the Federal social security office in Lubbock, Texas.

Reviewing the first year of operation under the amended old age and survivors insurance program, Hutton pointed out that monthly benefits increased from \$61 million in July 1950 to \$145 million in the same month this year.

During the same period, the number of people receiving social security benefits jumped from 2.9 million to 4.1 million. Statistics for later months are not yet available.

Hutton attributed the increase to liberalized eligibility requirements, which permitted immediate payment of benefits to over 600,000 elderly people who could not qualify under the old law because they hadn't worked long enough under social security, and substantial increases in the amount of the social security checks, ranging from about 50 percent to 100 percent.

At the same time, the cost of public assistance, particularly old age assistance, showed a small but steady decline for the first time in many years.

One of the principal reasons given by Congress for strengthening the old age and survivors insurance program in 1950, Hutton said, was the mounting cost of old age assistance and other forms of public aid for needy people.

The public assistance programs are financed by general taxation.

both Federal and local. Old age and survivors insurance, on the other hand, is financed by a payroll tax on employers and employees.

Payroll contributions of employers, employees, and self-employed persons are earmarked for the Old-Age and Survivors Insurance trust fund, Hutton said. The fund may be used only for the payment of old-age and death benefits and the necessary costs of administration.

The trust fund at present contains more than 14 billion dollars, invested in interest-bearing U. S. Government bonds. The interest alone is more than sufficient to pay the cost of administering the program.

### RETURNS FROM DENVER

Mr. and Mrs. Finis Jennings and Mina Margaret returned home last Sunday night from Denver, Colo., where they spent the Thanksgiving holidays visiting with their son and his wife, Al Ewing and Virginia Jennings. Pfc. Jennings of the Air Force is stationed at Lowery field at Denver at present.

While there, all the Jenningses drove to Granby, Colo., where they had an over night visit at Drowsy Water Ranch with Mr. and Mrs. Cecil Malone and family, returning to Denver on Saturday afternoon in a blinding snow storm, over very treacherous, icy mountain roads, at that time. The snow-covered mountains and pine trees are very beautiful at this time of the year, but Finis says that from now on, he will cross "Berthound Pass" only in the summer time.

## Murder Trials Begin Monday

### Squirrels Favor On Square Here

Many have noticed the four families of squirrels which now have their homes on the courthouse lawn in Muleshoe. Now comes C. C. Stevens, building maintenance man, requesting The Journal to publish a notice cautioning everyone to "let the little pets alone."

Other county officials joined in the reminder to the public that the squirrels are for the public enjoyment; most everybody likes to see a squirrel cavort about from tree to tree, so the officials think if everyone will just leave the little animals be they will furnish lots of enjoyment to all.

Mr. Stevens went down to Lubbock and got the squirrels from the park department of that city. There are four pairs, and they have set up housekeeping, one pair at each corner of the courthouse lawn. Some visiting back and forth has been noted, possibly for an evening of bridge.

Who knows but that in time there will be many more squirrels calling the courthouse lawn their home?

### DAVISES HAVE VISITORS

Mr. and Mrs. David Wyer and little daughter, Brenda, spent a very enjoyable Thanksgiving day in the home of Mr. and Mrs. C. A. Davis.

### 180 Men Summoned For Special Jury Duty In Josh Blocher Case

A special venire of 180 men has been summoned by county officials for the jury duty in the case of the State of Texas vs. Thomas Clifton Livesay and Lester D. Stevens, on a charge of murder and robbery in connection with the death of Joshua Blocher, aged recluse of Progress community in this county. The men summoned are to report at 10 a. m. the coming Monday, December 3.

The list of men summoned are as follows:

A. M. McBee, Raymond Gage, A. E. Moore, L. R. Sims, F. L. Stegall, Abe Lewallen, G. A. Peetree, Fred M. Vay, A. S. Walker, H. V. Reid, Harold Carpenter, Howard Misner, L. H. Medlin, Jr., Joe Speck, H. E. Schuster, E. B. Autry, F. A. Carter, C. C. Snitker, Euel Pritchett, Jess Richardson, J. C. Slaughter, R. L. Davis, H. W. Garvin, J. Clyde Taylor, J. M. Angel, H. M. Gable, J. C. Pearson, J. K. Milam, John E. Sheppard, R. E. Jones, John R. Murphy, H. E. Pierce, H. E. Kirby, Truett Smith, Boyd Gilbreath, Mervin Wilterding, J. C. Wells, E. M. Sowder, J. W. Shafer, A. R. McDaniel, W. R. Carter, I. W. Holloway, J. W. Simpson, Virgil Webb, W. S. Turner, B. G. Emerson, Jim Claunch, Amos Dane, Virgel Nowell, Verry Towns, E. L. Daniel, Sylvan Robison, J. L. Taylor, Neal Smith, L. P. Lynsky, H. C. Brashear, Edwin Neutzler, T. A. Thomas, Fred O'Hair, Lester Howard, Jack Obenhaus, J. D. Bayless, W. R. Robinson, C. W. Weeks, B. F. (Barnie) Smith, W. B. Hodnett, Arthur Askew, Cecil Davis, E. W. Bass, E. D. Richardson, J. B. Nall, L. M. Dupler, Paul Young, A. W. Gore, R. E. Sowder, C. L. Long, G. W. Seagler, L. L. Luman, N. A. Glover, Ashel Richardson, T. C. Young, Wiley Baker.

Jack Lenderson, Jerome Cash, J. E. Mills, J. W. Witherspoon, E. W. Black, Jim Cox, W. T. Millen, L. H. Davenport, Pete Tarlton, S. P. Phipps, John Blackman, J. L. Shackleford, Marvin Holt, Chester B. Setliff, T. J. Barnett, P. R. Pierce, Don Bruns, Fred Beene, A. F. Hutchinson, E. C. Gilliam, M. J. Gibson, C. C. Griffiths, Leo Holt, R. D. Precure, C. P. Price, W. E. Nichols, Dudley Malone, Tom Bogard.

### VISITORS FROM ANDREWS

Mr. and Mrs. Frank Floyd and children and Mr. and Mrs. Billy Cox of Andrews, Texas, visited Mr. and Mrs. Charlie Prather through the Thanksgiving holidays. Don Floyd, son of Mr. and Mrs. Frank Floyd, arrived Saturday night after the game at Amarillo. He plays on the Texas Western team.

Mr. and Mrs. Richard Crenshaw and Jean Hart of Snyder are spending the week with Mr. and Mrs. Charlie Prather and Mr. and Mrs. "Babe" Prather.

### RETURNS TO WORK

Jerry Parsley has returned to work at Piggly Wiggly where he has been employed for some time. He was absent for several days due to illness.

## New Farm-To-Market Road Of 14 Miles To Run West From Baileyboro

A new Farm-To-Market Road 14 miles in length in Bailey County, Texas, is hereby designated subject to the availability of funds in the Farm-To-Market Road Fund of the State Highway Department as established by Senate Bill 287, Acts 1949, 51st Legislature and appropriated by House Bill 426, Acts 1951, 52nd Legislature, for the improvement of Farm-To-Market Roads by the Texas Highway Department during the biennium from September 1, 1951 to August 31, 1953, and subject to the further condition that Bailey County will furnish all required right-of-way free of cost to the State.

The road will be built when funds are available, the highway order indicated. A copy of the highway department decision in the matter follows:

In Bailey County a Farm-To-Market Road from end of FM298, 0.5 Mi. west of Baileyboro, W. S.

visions of this Order by the proper officials of Bailey County the State Highway Engineer is directed to proceed with the preparation of plans for construction and when right-of-way and funds are available to proceed with construction and to assume the road for maintenance upon completion of construction.

## Cotton Thievery Noted In Hale

The bumper cotton crop in Hale County has provided rich pickings for thieves. The illegal harvest, in the past five days, has resulted in loss of eight bales of cotton and one trailer.

The stolen cotton is worth more than \$1,600 and the trailer was valued at slightly more than \$500.

Cotton has been stolen from Cecil Bankston and Howard Smith of the Ermonson community, west of Plainview; from Claude Witten of Halfway, south of Edmonson, and from S. A. Bayley, farmer near Lockney.

Bankston and Smith lost two bales each. The cotton was stolen last night, removed from trailers where it had been loaded in the fields after being harvested by mechanical strippers.

One bale was stolen from the Witten farm. The theft occurred last week.

Late Thursday afternoon thieves took three bales of cotton and a trailer from the Paymaster Gin yard at Aiken, between Plainview and Lockney. There were about 800 bales on the yard at that time and the theft was not discovered until Saturday.

H. J. Moore, gin manager, recalled seeing the green trailer being pulled by a bob-tailed truck about 6:30 o'clock Thursday afternoon. At that time he thought the owner, Bayley, had decided to take his cotton to another gin or move it elsewhere for storage.

Bayley had borrowed the trailer from E. Wilson. Cost of replacement was \$507.50, he said.

Cotton harvest in Hale County is more than 50 per cent completed and good weather the past few days has brought a major burst of speed in picking operations, with many mechanical strippers moving into the fields.

### ADAMSES HAVE VISITORS

Mr. and Mrs. C. A. Adams and C. A. Adams, Jr., had as their guests on Thanksgiving day Mrs. Adams' sister and families, Mr. and Mrs. Jo Holland and children of Clovis, and Mr. and Mrs. Lafon Glover, Lynn and Buddy of Hobbs, New Mexico.

### TO VISIT BROTHER

Mrs. C. B. Julian is going to leave Sunday to go to Oklahoma City where her brother Mr. Russell Brown, is seriously ill.

## Short Course For Dairymen Next Week In Clovis

Dairymen and interested farmers of Bailey County have been invited to participate in a Dairymen's Short Course to be held in Clovis, New Mexico on December 3 and 4.

The course will be jointly

sponsored by the Clovis Chamber of Commerce and the Extension Service according to word received by the Muleshoe Chamber of Commerce.

Capable speakers, each an authority on the phase of dairying which he will discuss, will be on the program that is designed to help dairymen not only in production problems, but in consumer relations, maintenance of facilities and related subjects. Included on the program will be S. R. Skaggs, head of the dairy department of New Mex-

ico State College, J. R. Poe, State Dairy Commissioner and E. E. Anderson, Extension Dairyman. Ten other speakers, including Mrs. Johnnie Starkey, who will present the consumer's problems, are scheduled to appear during the course that opens at 9 o'clock Monday morning and continues with afternoon and evening sessions until adjournment around 4:30 Tuesday afternoon.

The Muleshoe Chamber of Com-

merce has issued a special bulletin on the event and is encouraging a good delegation from Bailey County to attend.

### ASKEWS HAVE NEW DAUGHTER

Mr. and Mrs. Lennis Askew are very happy to announce the arrival of their new daughter, Debbie Lynn, on Nov. 20 at Quitaque, Texas.

## Farmers! Make Big Savings! Use Low-cost Philgas Tractor Fuel

*Philgas*

Save on Repair Bills, Too

**Convert your tractor!** Compared to gasoline, Philgas can save you several cents a gallon. These savings will soon pay the cost of conversion. And Philgas is easy and safe to use. No waste from spilling, overflow or evaporation, because the filling system is completely enclosed.

**Clean-burning . . . thrifty!** Save as much as 50% on engine maintenance costs. No cylinder wall washing. Long ring and valve life. Low cylinder wear. For a thrifty fuel with exceptionally high energy content (100 octane plus), get high-quality Philgas.

**All-purpose fuel!** Use Philgas to heat your home, for cooking, hot water and refrigeration! Use it also for heating stock tanks, chick brooders, and other needs around your farm. Install a central tank for all your needs. Low cost fuel. Convenient, clean, dependable!

**And remember . . . your local Philgas distributor is fully qualified to make dependable installations, to provide prompt and courteous service. See him today.**

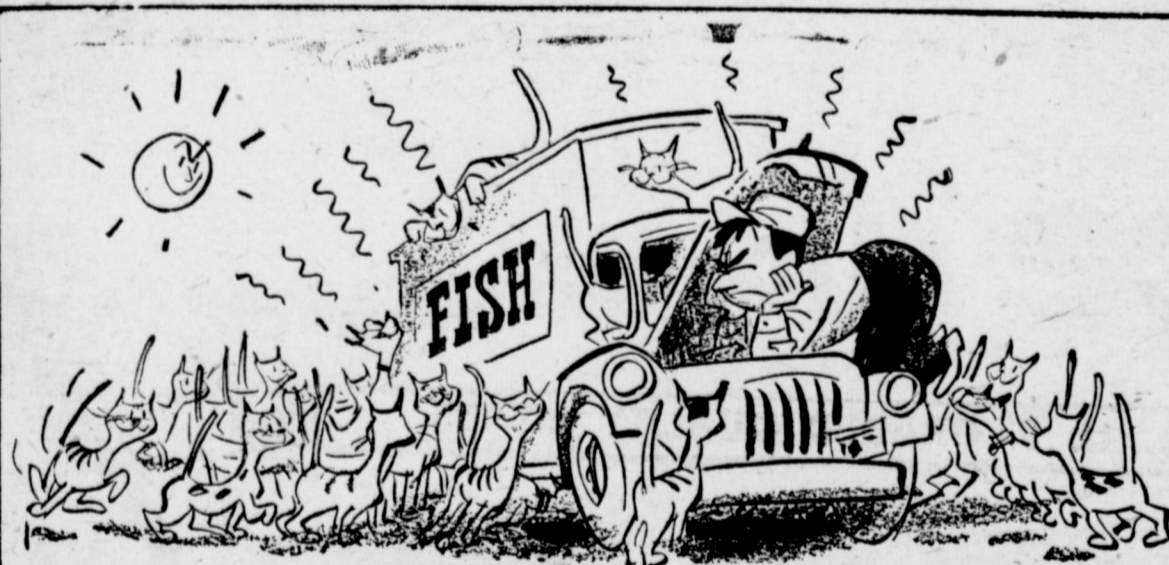

Philgas is distributed by

## How's THIS for a kettle of fish?

NO doubt about it—a road failure can cost you plenty of "fish." Not only in time lost to what could have been profitable hauling, but in expensive repairs as well—repairs that could have been avoided.

That's where we come in.

If you bring your equipment to us at regular intervals, our mechanics will catch the little things that go wrong with trucks before they become a major breakdown.

In so doing, you're being thrifty three ways. You (1) cut down the possibility of costly repairs, (2) get better performance with less "down time" and (3) get more years of service from the trucks you now own.

Make sense to you? Come on in—the service is fine!

**Get more 'run' for your money!**

# WE'RE CELEBRATING MORE THAN... 1800 MILES OF "S & H" GREEN STAMPS

## ITS OUR FIRST S & H GREEN STAMP ANNIVERSARY

Yes, in one year of giving S & H Green Stamps to our customers of the South Plains, Piggly Wiggly has actually given enough to reach from HERE TO NEW YORK! And, enough to reach from Piggly Wiggly Super Markets to thousands of homes all over the South Plains. It makes us proud that we have given you, as a valued customer, something worthwhile.

We hope that during the next year we will give you ENOUGH S & H GREEN STAMPS TO REACH AROUND THE WORLD. That's our desire for our second anniversary.

### Shriners To Meet In Lubbock Today

Khiva Temple, of Amarillo, is to have a ceremonial at Lubbock Thursday and Friday of this week, and several Masons from around Muleshoe have signified their intention of taking the Shrine degree at that time.

Several Lubbock Shriners were in Muleshoe Friday to publicize the ceremonial, first to be held there.

The ceremonial began with registration of nobles, and their ladies, novices, and their ladies this afternoon, but the main business was to be Friday, Nov. 30. A parade is scheduled at 2 p. m., ladies tea and entertainment at the country club at 3, and a dance in the evening honoring all newly made nobles at the cotton club are entertainment features.

Initiation sessions, meeting of the Camel Herders, Knights of Buckingham and Yellow Dogs, are included on the program.

### TRIP TO PHOENIX

Mr. and Mrs. A. E. Holland arrived Nov. 13 from Shawnee, Okla., to visit Mr. and Mrs. H. E. Musson. Then, Thursday, Nov. 15, the two families left for a trip to Phoenix, Ariz., where Mrs. Musson and Mrs. Holland have three sisters and one brother. While there, they went to the mountains where they enjoyed their Thanksgiving dinner picnic style. They had buffalo, deer, and elk meat. There were 27 in the group and every one had a very pleasant time.

Mrs. Musson advises that anyone who travels highway 60 really has a treat in store.

### COOPERS HAVE VISITORS

Mr. and Mrs. Arthur Cooper has as guests Sunday Mrs. Cooper's mother and brother, Mrs. Fred G. Simpson and Fred G. Simpson, Jr., of Matador, also, her sister and family, Mr. and Mrs. Don T. Martin, Freddie and Nancy of Hereford.

## Prosperous Year In 1952 For Texas Farmers And Ranchers Is Predicted

In general, Texas farmers and ranchmen should have a prosperous year in 1952. In making this prediction John G. McHaney, Extension economist of Texas A. & M. College, points out that agricultural economists from over the nation have considered supply, demand and the cost of producing farm commodities in 1952 and have based the outlook on these findings.

McHaney adds that economic conditions within the state will have little effect on the 1952 outlook for Texas agriculture. The big influence will come from economic conditions within the nation and the world.

A powerful force behind the prediction, says McHaney, is our expanding defense program and an even bet for the continuation through 1952 of the cold war. There may or may not be full scale fighting or all out war, but free nations will continue to expand their defense programs against the threat of communism.

From the standpoint of supply, 1951 was near record for total agricultural production and prospects for 1952, weather permitting, should be another year of high production. With the outlook for large supplies of agricultural products, the prices received by farmers are expected to hold generally near the 1951 levels despite an expected strong demand. However, McHaney points out that an unfavorable growing season in 1952 would result in considerable upward pressure on prices, particularly in the second half of the year.

Demand for farm products is expected to continue strong during 1952 as employment and incomes rise. Larger defense expenditures are expected to push consumer income higher. McHaney says current plans call for defense spending by fall of 1952

at a rate of 65 billion dollars a year as compared with a rate of 41 billion for the third quarter of this year.

With few exceptions, prospects for exports of agricultural commodities in 1952 look very good. The rearmament program of the free world should make available additional foreign exchange, and this should relieve dollar difficulties encountered since World War II by countries which normally are our customers.

The unfavorable side of the 1952 outlook for agriculture, says McHaney, are production costs, which continue to rise. Those in 1951 set a new record. Costs may average five per cent higher in 1952. Supplies of materials needed for production are expected to be sufficient to permit high farm production though some items will be relatively scarce, McHaney says. Prices of all important groups of items used in production are higher now than a year ago. Farmers and ranchmen, adds McHaney, must also expect a moderate increase in farm wage rates in 1952.

The prospects for higher production costs in 1952 offers a challenge to all agricultural producers to cut and use more efficient methods of production. McHaney says producers should place orders now for goods and supplies needed for producing the 1952 crops and livestock.

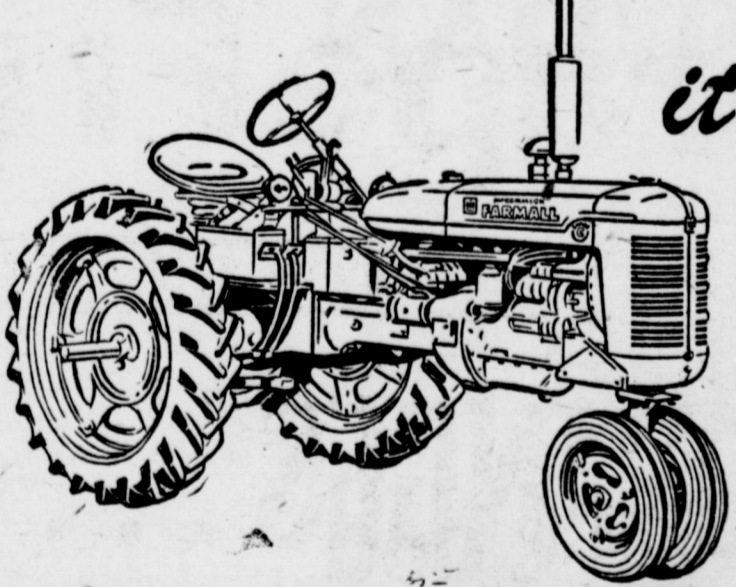

Gross farm income may be five per cent higher in 1952 but will come from the expected increase in volume of sales rather than from any increase in agricultural prices. However, McHaney adds, the increased costs of production which is virtually a certainty will offset the expected increases in gross income and the final result will be net income for agriculture about equal to that for 1951.

## FREE DEMONSTRATION

We invite you to come by and ask for a field demonstration of the new FARMALL SUPER C. You will actually be surprised at the performance of this new tractor. We will demonstrate this tractor on your farm at no cost to you. Seeing is believing.

it's NEW! it's super!

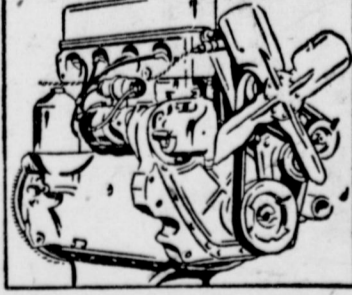

it's the **McCormick FARMALL SUPER C**

it's superior 17 ways!

Easy handling—power-to-spare performance—fuel metering economy. It's FIRST IN THE FIELD. Has best BALANCE between power and weight for 2-row, 2-plow "get up and go." Solves your power problems for years.

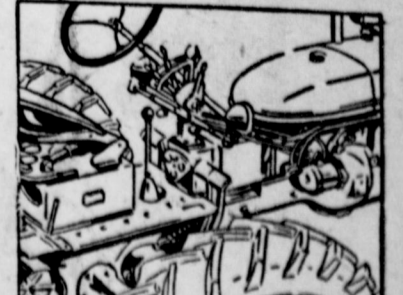

**MORE POWER! MORE PEP! MORE PULL!**

**GET THE FEEL OF LIVE POWER!** Bigger cylinder bore gives 12% more power on every piston stroke. Power-packed valve-in-head engine starts in a flash, delivers plenty of smooth power over entire load range.

**GET THE FEEL OF SUPER-EASY DRIVING!** Big-diameter, high-leverage steering wheel steers with finger-touch response. New TIP-TOE self-energizing disc brakes insure positive pinpoint turning.

**GET THE FEEL OF BALANCED WEIGHT AND POWER!** Weight is matched to power for high-traction pull with trailing implements... for peak performance with the Farmall Super C's full line of mounted equipment.

Ask us for a demonstration! Drive the Farmall Super C yourself!

BABSON DISCUSSES—

New Natural Resources

Babson Park, Mass., Nov. 23 stock." They are constantly watching for new opportunities and the big rewards which will come to those who are patient.

FREE HEAT AND FREE POWER

Growth stocks are usually based on natural resources. The buying of growth stocks today requires the same courage and patience as our ancestors needed when they went West and homesteaded land 100 years ago. Wealthy families of the Central West today are descendants of these pioneers who were then inspired to make the necessary sacrifices. Later they found coal, oil, sulphur, gypsum, or other valuable products.

The physical natural resources of this country have been most fully discovered; but great spiritual natural resources remain untapped for those who have the same courage, patience and self-control of their ancestors. Undiscovered riches today, therefore, will follow the awakening of the souls of youth to create and make new

discoveries. These will enable people to live much longer, learn much faster, rearrange the atoms, to make new products and enjoy free power and free heat from gravity and the sun.

DIFFERENT NATURAL RESOURCE

These new developments must come through spiritually inspired brains. Hence, instead of homesteading land, we today should "homestead" brains! This means to invest more in labor and give more time to the minds or human beings, especially to the minds of our children. They are neglected today.

We think that television machines, airplanes and electrical appliances are wonderful; but these are mere peanuts compared with the intricate and marvelous machinery of the human brain. Yet, the Asiatics and Africans, whom I have hired for ten cents a day, have these human brains. To spiritually awaken these billions of brains is the next great "frontier." I wish I were younger to have a part in it.

**BRAINS AS INVESTMENTS**  
This most wonderful machine is in your children's heads. Your boy can develop his brains to become an Edison, a Firestone or a Ford; but the first step to-

wards success is to inspire him to think, work, love and save. These men were inspired by their parents; they never went to college. Keep in mind that the masses are using their brains only a small fraction of 1 percent while your children are using theirs only about 5 percent.

Most jobs, including white-collar positions, require very little brain work. Clerks, salesmen and so called executives are really in the "manual labor" group, depending upon habit, memory, speed or friendship for earning their pay checks. They perform little or no creative work. Yes, the brains of our children are great undeveloped resources and offer you unlimited possibilities. These brains are worth to parents far more than any pension which parents may ever receive.

WHAT PARENTS CAN DO

Schools are doing their best to help your children. Furthermore, they do not expect you to teach them reading, writing, arithmetic or any of the higher subjects. Schools, however, depend upon parents to set their children an example in good habits, good reading and thrift. As a child's religion is determined before he is 12 years old, so is his success or failure. In almost every case a boy's future is determined by the training which the boy receives at home during his early teens. If he has been inspired to think, work, to save and to pray, he becomes a successful man, college or no college. Systematic reading and creative thinking will then be his education.

Therefore, great undeveloped frontiers are now available; but they are spiritual frontiers. To conquer them requires the same courage, determination and sacrifice that our ancestors had when conquering the West. Instead of forsaking comfortable homes, cutting away forests and living in log cabins, our children, perhaps must win their independence by forsaking amusing radios, televisions and useless reading, by refusing to "keep up with Lizzy", and by cultivating their minds as their ancestral pioneers cultivated the land. Inspired brains are the "gold mines" of the future.

DILLARDS HAVE THANKSGIVING GUESTS

Mr. and Mrs. Dillard had as Thanksgiving guests her parents Mr. and Mrs. Ernest Jackson, a sister and her family, Mr. and Mrs. Cabe Wright and daughters, a brother, Wayne Jackson, all of Wellington, Texas, and Mr. and Mrs. C. E. Jackson, of Stamford, Texas.

HERE FROM NEW MEXICO

Mr. and Mrs. F. S. Bamert, of Fair Acres, N. M., have been visiting here with their son, Carl Bamert, and family.

SAND HILLS PHILOSOPHER

Says Not Much Chance Of Finding A National Chairman Out There

Editor's note: The Sand Hills Philosopher on his Johnson grass farm gets off into national politics this week, which he's no authority on, but who is?

Dear editor: As you probably know, I'm not looking for a job, my trouble never has been finding a job so much as overlooking the ones already staring me in the face, but if I was, there is one job I don't believe I'd care for.

That's being national chairman of the Democratic or the Republican party.

I noticed from the newspapers that turned up out here on my farm some weeks ago that both parties have been havin a little trouble with their chairmen, bad health, bad judgement, bad publicity, one thing and another, but find a new one ain't always an easy job.

For one thing, as I understand it in the light of the latest turn of events, the chairman should not have had any dealings with the RFC or other government lendin agencies or influence centers, and it seems like one of the hardest things on earth today is to find a man with enough prominence to head a party who ain't been callin on Washington for his company in one capacity or another.

The way it is, it takes a smart man to be national chairman, but a man who ain't found his way to the RFC these days, why there's some doubt about how smart he is. It's a problem too big for me to handle, but I wish to report that while we folks out here might not measure up when it comes to smartness, we could fill the bill otherwise, in case any body is lookin for a national chairman from here, as our slate is clean, up to now hasn't anybody out here applied for an RFC loan, tried to get a special allotment of steel, bought any surplus ships

MEETING IN PLAINVIEW ON VEHICLE REGISTERING

A letter from E. J. Amey, Austin, director of the Texas Highway Department motor vehicle division advises that there will be a meeting in Plainview Nov. 27 to discuss procedure used in obtaining registration and certificates of title on motor vehicles and attendant problems.

Letters are out to dealers, finance companies, banks, etc. of this section notifying them of the meeting. The letter said the number of vehicles registered annually in Texas has now reached 3,137,526 and is expected to increase.

for re-sale to the government, re-negotiated any contracts, handled any legal business worth sellin to a partner for \$150,000 on the installment plan, influenced anybody's secretary, given or received any free automobiles, even gotten a free hotel room. We got a perfect background for a national chairman from the clean slate standpoint, but when it comes to bein smart, I ain't sure.

Why even while most cities in the country have been in on some kind of a junket to Washington for loans for highways or dredgin out a river or buildin a ship channel or controllin high waters or buildin an airport, we folks out here have let things sort of slide. You might say we have been sittin on our haunches, and you can see there ain't much likelihood of anybody comin out here lookin for an astute chairman of anything. Try Dallas or Fort Worth or Houston or Philadelphia or Kansas City.

Yours faithfully, J. A.

Pleasant Valley Farm Bureau Films At Meeting

The Pleasant Valley Farm Bureau met Tuesday evening with the business meeting.

It was decided to have roll call at each business meeting. Each member not present at the time of roll call will be fined \$25 unless he can produce a sufficient excuse for being absent or tardy.

Mr. John McFarland, assisted by Mr. Elliot, showed movies of the Roundup parade and a very interesting movie on fertilizer. Mr. Dave Eaton showed slides of some of the farms in this county and other parts of the state.

Mr. Jarvis Angeley gave an interesting talk on insurance. Refreshments of coffee, cocoa, and cookies were enjoyed by the members and their families.

Two of the fairer sex boarded an air liner recently. One turned to the pilot and said: "Now please don't travel faster than sound. We want to talk."

**The Upper Room**  
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

OUR MISSION TO THE HOME

I command you to God, and to the word of his grace, which is able to build you up, and give you the inheritance among all them that are sanctified. (Acts 20:32. A. S. V.) Read Acts 20:32-38.

Once a certain bank president was discussing trust funds. "I want a sound program of protection for my children," he declared, "so that after I am gone they will know how I planned for them." He seemingly had no thought of the very real heritage which cannot be seen or touched.

We who are parents are of necessity often absorbed in stuffing little Susy with spinach or coaxing Charles through Caesar or chemistry. In doing that, we forget that what they really are and what we truly believe are the things which will be impressed upon our children's lives as their basic heritage from us. Whether we be children, or adults, we leave the essence of our true selves with our playmates, our friends, our family, our associates.

The true strength of Christ's mission was that through the years His life and teachings have challenged man's attention.

These triumph because of their righteousness.

**PRAYER**  
Our Father, may we arye ceaselessly to follow Christ's example. We pray that the heritage we are leaving each day with our children, our families, our friends, and associates, may be one of Christ-inspired action and belief. In the Master's name. Amen.

**THOUGHT FOR THE DAY**  
What kind of trust fund am I creating? Wilma Clem (Iowa)

## Well Proportioned Easily Constructed

The maximum; that is, the maximum in home attractiveness, minimum in cost and in construction work.

The unusually spacious kitchen is conveniently located. The pantry and home freezer will be ideal for storing the family food supply. There is 12½ feet of counter and storage space with ample room for at least 10 feet of wall cabinets.

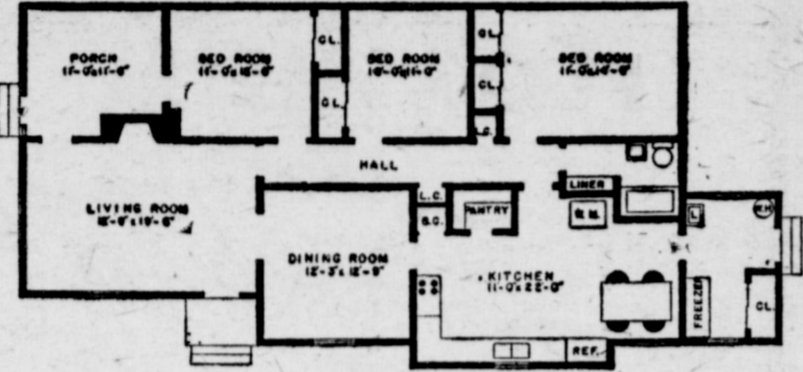

If your family spends a lot of time in the kitchen, as do most farm families, you'll appreciate the cheerful spot for the breakfast table near the refrigerator and a front window.

By the back door is a closet where boots and outside clothing can be kept. The extra lavatory by this door can be installed for little more than the cost of the fixture itself because it is so near the drain from the bathtub. This will be valuable, because field hands can wash up before going into the house.

The bedrooms are convenient

HOUSE PLAN No. 33

to the bath, and offer a maximum of privacy. Yet they are easily accessible from the living area or the kitchen. They have large closets with sliding doors; this makes a maximum use of space.

The living room is large enough for pleasant living and for entertaining small groups. If you need more space, you can use the dining room and porch very nicely for group entertainment. The central hallway permits traffic through any part of the

house, including the outside, without it being a disturbance to party guests.

If you do not care for the porch adjoining the living room, it is ideal spot for a library or study. Very few materials would be required to enclose it.

You can obtain blueprints for this THE MULESHOE JOURNAL FARM & RANCH House Plan No. 5033 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, FARM & RANCH, Dept. L-36, Nashville 1, Tenn. Order by

## Many Married Men Are Being Reclassified

AUSTIN, Nov. 21 — Actions of state draft boards in October reduced the manpower pool of men with dependents by 25 per cent, a state Selective Service report to Washington revealed today.

During the same period, local board actions increased the pool of men available for military service by 34 per cent, the report showed.

At the end of September, draft boards had 69,610 men deferred because of dependents. At the end of October the figure had dropped to 52,508. At the end of September, boards had 43,329 classified in I-A. By the end of October that pool was increased to 56,411.

Brig. Gen. Paul L. Wakefield, state Selective director, explained the decrease in the number of men with dependents.

"Men with only dependent wives are no longer deferred under our new regulations," he said, "unless they can show extreme hardship. The local boards are reopening all these cases, and the figures show that many of them are being reclassified into I-A."

"This is proper and is in compliance with law and regulation - Plan No. 5033. Blueprints are adequate for any farmer handy with tools.

## ST. CLAIR STORES HERE ARE INCORPORATED

AUSTIN, Nov. 27—Incorporation of St. Clair Stores, Inc., a Merchandise business in Muleshoe are Naomi G. St. Clair, Lowell I. St. Clair and Billy Jim St. Clair, according to a news release from Secretary of State John Ben Shepperd.

A charter for the business, which has a capital stock of \$40,000 was approved by Shepperd this week. Its corporate existence is 50 years.

"If the man with a dependent wife alone is not otherwise deferrable because of some other status,"

## Sgt. Jordan Is Serving In Korea

Sgt. Donald R. Jordan, of the 19th. Quartermaster unit of the Army has received a citation that he declares "was not easy to get". He received the award of "Three Battle Stars, Unit-Citation", according to word from Headquarters, I Corps.

He is a former Muleshoe boy, attending Muleshoe high school. He served on Okinawa, 18 months, returned to the States for five months, then went to Korea.

Sgt. Jordan is a son of the former Mrs. A. A. Jordan of Fairview community. His mother is now Mrs. Paul A. Jones, who with her husband live at Carmichael, California. His grandparents are Mr. and Mrs. E. T. Bates, of Fairview Community. Young Jordan was at one time employed by Bailey County Electric Cooperative.

A brother, Bobby Jordan, also in the service, left here Nov. 12 after a visit with his grandparents to go to New York on his way to Germany.

From where I sit... by Joe Marsh

## "Fair and Square"

We've just had a political campaign with everything from a torchlight parade to a neck-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was fizzling out in the damp when Slim showed up to say that Robinson people could meet in his theatre—for nothing. "I want to beat Rusty," Slim said,

"but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!

## It gives you a lot to be thankful for

Let's suppose that this is you.

The car you're riding in, as you can see, is a Buick.

But what you can't see is the satisfaction which being behind that wheel brings to every day in the year.

Take the feel of it—the way it goes into action when you nudge the gas treadle. Quick. Eager. Willing. No effort at all. You just swoop up to the miles per hour you want.

That's because there's a high-powered, high-compression, valve-in-head Fireball Engine under the hood that makes every drop of gas do extra duty. And it's because there's a Dynaflo Drive,\* feeding that power back to the rear wheels as smoothly as cream flows from a pitcher.

Take the way it sits the road. Balanced. Poised. Sure-footed. Snug.

That's because of a long list of things that Buick

engineers have done to its ride—including a torque-tube keel that keeps rear wheels tracking true—and soft coil springs that individually cushion each wheel.

Take the way it steers. Easy. Light. Firm. On a straightaway—or coming out of a curve—it seems to know what you want it to do.

That's because of something the engineers call "front-end geometry"—and because 60 steel balls roll in their own little race track to ease each turn of the wheel.

Take its room, its comfort, its smart good looks—and its price.

Any way you size it up, here's a car to make you thankful for your good judgment in picking it, against the field.

All that is needed to complete this picture is you at the wheel of a flesh-and-blood Buick—out on the road for a sample of what we've been talking about.

That's easy to arrange. Just give us a call, and we'll do the rest.

\*Equipment, accessories, trim and models are subject to change without notice. †Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLO DRIVE\* • FIREBALL ENGINE

**Letters Santa Claus**

Dear Santa Claus:

I am a little boy, 7 years old. Please bring me a train, a gun, and a cowboy suit. Thank you.

James Edd Zollinger

Dear Santa Claus:

I am a little girl, 7 years of age, and I am in the first grade at school. At times I am nice and at times I am naughty, but for Xmas, would you please bring me a big red Carryall, with two wheels in the front and two wheels in the back.

Please remember all of the other boys and girls. Your friend, Mack Heald

Dear Santa:

Please bring me a bride doll and bed and also a blackboard. Please bring my brother a wagon.

Love, Sharon

Dear Santa:

This is my first year in school. I like my teacher, Mrs. DeShazo very much. I've tried to be good. I'd like for you to leave me a toy truck and two guns, also two scaberts.

Please leave plenty of fruit, candy and nuts. Don't forget all other little boys and girls.

Your friend, Coy Lynn Gabbert

Dear Santa:

I've been a good girl this year. I want an ironing board, doll, electric iron, and doll clothes. Also remember my two brothers and Daddy and Mother.

Love, Carolyn Rogers

Dear Santa:

I am a little girl six years old and in the first grade. I want you to bring me a baby doll and a doll bed, a rocking chair and a blackboard. Sonny wants the same thing and some nuts and candy.

I love you, Joan Mock

Dear Santa:

Please bring me a gun and scaber and a tool set, and a horse.

Thanks, Borden Mullins, Box 643, Muleshoe, Texas

Dear Santa:

I would like for you to bring me two little sisters and my little brother and I would like to have a wagon together and what ever else I get will be o. k. Roger Dale Wilson

Dear Santa:

I have been a good girl and would like a doll and bed. My little brother wants a plow for his tractor and would like some nuts and candy.

Love, Peggy Jo Griffin

Dear Santa Claus:

I would like a big baby doll for Christmas, also I for my little sister, Norene and we would like to have an iron and ironing board. Also some candy, fruits and nuts. I live at 1215 West 2nd. So we know you won't miss us. Don't forget all the other little boys and girls. We love you.

Carolyn Blanscet

Dear Santa:

I want a doll with hair and chinese checkers, and toy jewelry and a basket ball with a goal. A stocking full of candy, nuts and fruit.

I have tried to be a good girl. I am 7 years old.

I live you Santa.

Billie Jean Dorsey

Dear Santa:

For Christmas I want two guns, a big truck, fire crackers, sparkles, and a pair of cowboy boots.

Charles Aills, Muleshoe, Tex. Gen. Del.

Dear Santa Claus:

I have been a good girl. I want a baton, leather jacket, and gloves. Bring other boys and girls toys too.

Love, Jaqueta Nowell

Dear Santa:

I am a little boy 6 years old and I help my daddy. Please bring me an air gun with a sight scope on it and some BB shots. Don't forget the other little boys and girls.

Love, Darrell Nowell

Dear Santa:

I am nine years old. I want a few things. I want a woodburning set, two bed room chests, a cowgirl suit and please bring me a watch.

I have been a nice little girl. I practice my music every day and I always get my school lessons in every day.

I Love You, Sandra Jane Howard

Dear Santa:

I want a dress up suit and a BB gun and I want a wood burning set.

I want a cowboy hat and I want a cowboy suit, cowboys gun too.

I am a nice little boy. I get my work in every day. I am a boy cubscout. I try to do things for my mother.

I love you, Jerry Lynn Howard

Dear Santa Claus:

I am a little girl 3 years old. I want a doll with pig tails for Christmas. Mary Jean wants a Bonnie Braids, and John needs some boots. Bring us some candy and nuts if you have enough.

Your little friend, Linda Jane Gross

Having a good aim in life is fine, but you must know when to pull the trigger to get the best results.

**More Service From Lights**

College Station.—Homemakers can receive more service from their electric lights if bulbs, globes, and reflectors are kept clean says Bernice Clayton, home management specialist with the Texas Agricultural Extension Service.

She suggests removing any insects which may have entered the reflector bowls and globes and then washing them thoroughly with soap and water.

Replace light bulbs before they are worn out advises Mrs. Clayton. By the time a light bulb looks dark under the glass it should be replaced. Burning it after it becomes darkened is wasteful of electricity, as well as failure to have correct lighting she explains.

Bulbs darken when small pieces of filament, the part which glows and gives off light, breaks off and deposits on the glass. This indicates that the filament is wearing thin. Eventually, it breaks from the heating and cooling by turning the switch on and off.

When fluorescent lights flicker, it is a sign that they should be replaced with new tubes or possibly a new starter, says the specialist.

The most expensive pipe one smokes, leads from the furnace.

**Stop Taking Harsh Drugs for Constipation**

**End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!**

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size. Money back if not satisfied. Mail bottle to Box 280, N.Y. 18, N.Y.
