2nd Annual Roundup Gets Underway Thurs.

Two Day Roundup Tour Included Nearly Every Community In Area

Muleshoe public spirited people put on a two day tour of the area Monday and Tuesday with a dozen or so cars taking part in a caravan that visited practically every community in this part of the Plains.

The emphasis this year was on the smaller communities.

Monday's tour headed south to Needmore, east through Circleback, thence to Sudan, Amherst, Littlefield, Whitarral, Levelland, Sundown, Whiteface, Morton, Maple, Goodland, Dora, N. M., Portales, Clovis, Texico and Farwell.

Tuesday's tour carried the group to Bovina, Friona, Dimmitt, Hereford, Canyon, Happy, Tulia,

Kress, Plainview, Lockney, Silverton, Floydada.

There was a string band to make music and the caravan was led by Bob Gregory in the sound truck of the Cox Drive-In. Hugh Freeman sheriff, went along and police departments of the larger towns were notified of the approximate time of the Muleshoe visit. The "Dinky Darlins" were on hand for both trips.

All sorts of literature advertising the Will Rogers Memorial Roundup in Muleshoe Aug. 14, 15, and 16 were distributed.

The Dinky Darlins group includes Bobbie Collins, Norma Graves, Sammie Carroll, Jo Addine Wagon, Rita Peeler, Frances Toten, and Carolyn Kirk.

The memory of Will Rogers, famed cowboy humorist and philosopher, is honored in Muleshoe's annual Will Rogers Memorial Roundup. Above is one of the poses that millions remember. The Roundup gets underway Thursday.

1,000 New Seats Built For Rodeo

One thousand additional seats will be in readiness in the Muleshoe Roping Club Arena when the big rodeo of the Will Rogers Memorial Roundup opens for a three night stand here the night of Thursday, August 14. This was announced by officials of the club which is having the seats built.

Last year, business firms of the city donated to a fund to build seats in the arena. They, with the seats already on hand, were inadequate for the huge crowd that turned out for each performance.

The rodeo, featuring high money prizes, half of the entry fee, and additional prizes for performers, will run Thursday, Friday, and Saturday nights under Non-Professional Rodeo Association rules.

Willis Branscum, of Muleshoe will furnish stock for the rodeo and act as master of ceremonies.

Cast of 50 Rehearsing Daily On Program Of "Muleshoe Frolics"

A cast of fifty persons is working daily in rehearsals to bring the Muleshoe Frolics to a state of perfection before the first curtain goes up at 7:30 p. m. Thursday, August 14. Under the able direction of Eddie Ball, who represents Geller Productions, of Hollywood, the performers quickly are learning their lines or responding to cues for their acts.

The Frolics is a musical comedy, presented in three acts.

The show will go on at 7:30 each evening in the high school auditorium as a part of the program arranged this year for the Will Rogers Memorial Roundup, to be held Thursday, Friday, and Saturday of this week, August 14, 15, and 16.

Advance sales of tickets is reported to be brisk. Contestants

for the honor of Miss Muleshoe, Queen of the Roundup, are directing these advance sales, along with their sponsors, the various men's and women's clubs.

In the race for Queen are Mary Morton, sponsored by the Rotary Club; Gay Sanders, JayCees; Quineil Elliott, Garden Club; Barbara Douglass, Legion; Marilyn Gupton Pleasant Valley Social Club; and Marion Clark Harris, Lions Club.

A table showing the standings of the contestants is being kept on the election board on the shed of Higginbotham-Bartlett. The candidate having the most votes Tuesday night was to be named Miss Muleshoe and Roundup Queen.

She will be crowned in ceremonies during the Frolics program at the high school.

Nazarene Church To Hold Young People's Revival

The Muleshoe Church of the Nazarene will hold a young people's revival beginning August 20 and ending Sunday night, August 24.

Bill Burch, of Melrose, N. M., who is a student of Bethany Penial College, will conduct the services. Miss Nadine Taylor of Bethany, Okla., will be special singer.

All young people are invited to come and bring their parents. We are praying that God will give us a glorious time in His service.

Roundup Chairman

W. M. Pool, Jr., known to everybody as Myron, heads the administrative committee for this year's Will Rogers Memorial Roundup. Mr. Pool, a former president of the Muleshoe Chamber of Commerce, is the one most responsible for the Roundup. He has conducted daily meetings for a long time, hearing reports of other committee chairmen, coordinating activities of all. A busy insurance man, he nevertheless finds time to take part in nearly every activity that goes on around Muleshoe, including the Rotary club, his church, and various other work. He accompanied the Muleshoe roundup caravan on both Monday and Tuesday. And, dressed up as a Westener, he doesn't do so bad imitating a Muleshoe style rancher.

Finance Chairman

Financial matters connected with the staging of the annual rodeo this year are in the hands of Jeff Peeler, who is manager in Muleshoe for the Southwestern Public Service Co. It's Jeff's job to see that the money comes in and that expenses of the Roundup are paid. Mr. Peeler represents the Lions Club on the administrative committee.

PRINTERS DEFEAT THE SOFT BALL CLUB IN FRIDAY GAME

The Muleshoe Printers met the Muleshoe Soft Ball Club in a benefit game at the rodeo arena last Friday night for Willie Jankle, who suffered a broken ankle in a game at Earth.

The Printers won with a score of 26 to 13. The two teams wish to thank all for their contribution and for the use of the arena.

The Printers have now won ten games and lost five.

Round-Up Program

August 14, 15, and 16
Muleshoe, Texas

Parade Thursday, Aug. 14, 4 p. m.
Muleshoe Frolics Thurs., Fri., & Sat. 7:30 p. m.

Dances Wednesday and Saturday nights, Aug. 13 and 16
American Legion Home
Mule Shoe Pitching Championship tournament 6 p. m.
Court House Lawn
Lariat Twirling Finals to be in Muleshoe Roping Arena

"Biggest Parade In West Texas" To Move At 4 p. m. Thurs., Aug. 14

This year the Roundup Parade will form on Avenue D, west from the Morton highway. Ardell Robertson, parade chairman, requests that the various units begin assembling at 3 o'clock, the parade to move promptly at 4.

The Reese Air Force Band will head the parade and will form at the Morton highway, (West 1st Street) on Avenue D. According to their number, the floats, mounted organizations and so forth, will line up behind the band. Each unit will receive a number, with the band having the number 1.

Robertson's committee has set out to better the splendid parade that was a feature of last year's first Will Rogers Memorial Roundup. They have advertised that this will be "The Biggest Parade in West Texas", and from present indications it will be that.

It is expected that some of the units will be "over the hill" and down towards the lake in the west part of town.

The route of march will be: Down Morton highway, West 1st, to the traffic light; along the highway east to Main; Cashway Store and Muleshoe Locker, where the various elements will take the nearest route home.

Parade Chairman

ARDELL ROBERTSON
The chairman of the parade committee, Ardell Robertson, garage proprietor, and his group is out to see that this year's event exceeds that of last year. Many valuable prizes are offered to the winners in many categories. The parade will start at 4 p. m. Thursday and will be led by the Reese Air Force Band.

Roundup Launched Last Year As An Outgrowth Of Annual Rodeo

The Will Rogers Memorial Roundup, now launched as an annual event in Muleshoe sprang into full flower last year, more as an accident than anything else, but its roots were spreading out in previous years.

Until last year it had been an annual rodeo that the boys of the Muleshoe Roping Club staged along late in the summer. They had complained of the lack of general interest on the part of the business people of the city, a "steering committee", composed of two representatives of every civic group he could interest in it. This group started meeting every morning at one of the local cafes (and continued to meet thus until the thing was history).

making the rodeo more of a community affair.

The board responded by telling their manager Al Hall, to drop everything and go to work to help the Roping Club, and the JayCees, who had always cooperated, in putting over a real community event.

"That was all Al Hall wanted to know. He went to work and in no time had what he called a "steering committee", composed of two representatives of every civic group he could interest in it. This group started meeting every morning at one of the local cafes (and continued to meet thus until the thing was history).

Special Events

LEE R. POOL
Lee R. Pool, insurance man, is chairman of a committee whose duties include arranging prizes for special awards, staging of special events during the Roundup, and other important phases of the Roundup. Serving with him on this committee are C. O. Jones and Travis Reed.

Immediately the group came up against the proposition of naming the celebration. It couldn't be called a rodeo, since the rodeo program, they felt, was just one part of the celebration. One day, when the parade committee, headed by Chief Jones, was in session in the office of the National Alfalfa Mill Hall said: "A young man, Lloyd Allsup, has suggested a name that I believe is it. He hesitated to offer this suggestion, because he was young and thought that perhaps people would scoff at him. His idea is to call the celebration the "Will Rogers Memorial Roundup" and hanged if I don't think it's the name we have been looking for, since Rogers was so well known in the Southwest and actually used to visit in Muleshoe and on surrounding ranches every summer."

Well, this writer didn't have any hunch on the idea, but others present thought well of it. They adopted it and everybody got busy from that angle.

And so, the Will Rogers Memorial Roundup was launched, and it now appears that it will be a regular thing in Muleshoe for some time to come.

As we said, the "steering committee", this year called the "administrative committee" met every morning. Hall came up each morning with new ideas about the program and about the organization and promotion of the event. It went over big.

At meetings during the last few weeks there has constantly arisen the question of whether an association should be formed, with a president and other officers, and with directors from the various civic groups. This writer thinks it is the only solution. If we leave the work to volunteers altogether the interest is going to sag in future years, we fear.

On the other hand, several have suggested that should we get away from the idea that the various men's and women's clubs are sponsoring and promoting and developing this annual affair, we may lose the enthusiasm and support and cooperation of these groups which is absolutely essential. Nevertheless, the "administrative committee" will meet shortly after the second annual event is over and canvass the situation.

Timely Rain Benefits Area Crops

A glorious rain fell over a large section of the county and immediate area Monday night, with a precipitation in Muleshoe of .85 of an inch.

Troy Atkinson, about two miles west of Progress, woke the editor up to tell him the rain at his place amounted to 2.75 inches. He was jubilant.

At the Dennis Williams farm 2 miles north of Progress, 3 inches fell. The Williams farm, 8 miles south of Muleshoe, the rain apparently was lighter. J. D. Sullivan of that community reported a one-half inch rain.

Fell Where Most Needed
The area northwest and west

of Muleshoe seems to have been the most favored. Tom Smith, who lives about 8 miles west phoned in to say that water was everywhere and a big rain fell at the O. C. Thomson place about 10 miles west. Dick Doshier, the auctioneer at Farwell, told Muleshoe friends about 3 inches of rain fell at his farm north of Farwell.

It appeared that the heaviest rain fell in areas where it was needed most. Frequent showers this summer have missed a big spot northwest of Muleshoe. The rain was sufficient to allow hundreds of farmers to stop their irrigation wells; first time in many months when they could shut down. They have been humming high all day.

Tuesday morning here was like any morning on the Embarcadero

in San Francisco, nice and cool, and most soothing to the nerves.

West Camp community was under water in places early Tuesday morning. Everett Roark, who resides 1 mile east and 3.4 mile south of the old West Camp school, said 5 inches fell at his home place. At his other place, 1 mile east and a mile north, water got higher than it ever has in the memory of long time settlers. Roark said. Water is reported to have invaded some homes.

Roark said on his north place he lost about five acres of fine cotton as the water broke into his field. The water laid the stalks flat on the ground. No hail has been reported.

Partin and Guy Austin, 2 miles south and 1 3/4 west of West Camp, report 5 inches of rain

fallen Monday night. It began raining about 9:30 and continued to almost 2 a. m. The rain began in Muleshoe about 12:45. A tremendous electrical demonstration accompanied the rain.

One man in West Camp community, according to rumor was using a bucket for a rain gauge. It had a number of nail holes in the bottom but when the rain stopped the bucket was half full of water. The Journal does not vouch for the accuracy of this report, but can assure its readers that there was lots of water in that neighborhood.

Bob Kimbrough, 11 miles north and 1 east, had 2 1/2 inches. The Frank Hinkson farm, adjoining was also soaked. This particular area had been very dry and farmers were glad to shut off irrigation wells. Elmo Burns, of

Evans Bros. Oil, said he observed only one irrigation well running early Tuesday morning on a trip to Lazbuddie. Kimbrough said it was the first good rain since April.

K. K. Krebs, south part of the county, had about 4 inch rain Saturday and Monday. Glenn Williams, of Goodland, said he had about 8 Saturday night and Monday night. It rained all the way in, he said, and most crops look pretty good. Conrad Williams reported Monday that 2 1/2 inches shower fell and crops hadn't seemed to suffer from the drought.

Several inches of rain fell in the Deo Brown, Clauc's Watkins neighborhood northwest of Muleshoe about 10 miles. Some hail damage is reported in that area.

Hot Spell For Early August

Several days of above 100 degree weather were climaxed last Thursday with a high of 103, according to report of R. J. Klump, weather recorder. Low temperatures that day was 68.

Tuesday had a high of 100 and Wednesday 102. A cool spell brought Friday's high down to 97 and the day's low was 69. Saturday's high was 92 and low 66, and the figures for Sunday when everybody thought it was hot, were 92 and 67.

Muleshoe had a quarter inch rain Saturday night. Reports from over the area are that much heavier showers fell in places.

BABSON DISCUSSES

November 4th

BABSON PARK, MASS., Aug. 8—The Democratic Party has many supporters who have always been wealthy. The Party, nevertheless, aims its appeal primarily at the masses who depend for their living on wages. The Republican Party aims also to help the masses in basic ways; but has not tried to increase money wages. Labor, therefore believes it must uphold the Democrats to retain the so-called "labor gains" achieved since 1932.

6,500,000 OWNERS VS. 54,000,000 EMPLOYEES
The importance of the foregoing is brought out by some statistics recently compiled on the ownership of shares of stock in this country. According to the latest authoritative estimate there are approximately 6,500,000 owners of stock, after elimination of duplications.

As the civilian labor force of the country, exclusive of agricultural labor is around 54,000,000 (including 15,000,000 union

members) it is obvious that the direct owners of stocks and bonds are overwhelmingly outnumbered by wage earners. Victory on November 4th will fall to the candidate who can get a majority of the wage earners to vote to protect the stocks and bonds owned by the life insurance companies and banks in which they have their savings.

DEMOCRATS AVOID HARMING LABOR?
The Republicans will have to strike hard indeed between now and November 4th if they are to win. This is because most of the "sins" they ascribe to the Democrats are not greatly resented by wageworkers as these sins are mostly against capital or property, not against "labor."

To many voters whose principal asset is their weekly wage, charges of corruption are noises from another world. What do they care if some big shot is accused of cheating the Government? The apparent effect on their pay is nil. They suspect, moreover, that

MOST VERSATILE

Miss Pat Mullarkey, 1952 Maid of Cotton, shows how charming and adaptable cotton can be! She's wearing a three-piece costume by Chee Armstrong—one that's right for day or night. For dancing she can wear the strapless brown velvet dress with the beaded camisole. For daytime, she's got that covered look with a smart, fitted waist-length jacket.

crookedness is the usual thing among higher-ups in politics and business.

TAXES AND INFLATION
Republicans will harp on the tax burden; but the wage earner feels the impact of taxes too little. They are concealed from him withheld from his pay. His income tax never gets into his pocketbook. He never experiences the pain of parting with his tax money. The tax situation will not cause many wage earners to desert the Democrats.

Although the wives of wage earners are becoming increasingly irked by the rise in the cost-of-living, not even this will cause wageworkers to vote Republican. Up to now wages, in many lines, have kept abreast of rising costs. The wageworker, however, fears unemployment more than a rising cost-of-living. Many can recall that when there was no inflation and the cost-of-living was low, jobs were scarce. Higher prices and a pay check are infinitely preferable to low prices and no pay check!

KOREA IS DEMOCRATS' VULNERABLE POINT
One Republican charge will find sympathetic listeners among wage earners. They all share resentment of the humiliating bungle of the Democratic Asian policy. Eisenhower, with his aura of invincibility, will have a strong appeal for wage earners when thinking of Korea.

I have intentionally segregated agricultural from industrial workers. Most farmers and farm workers have been Republicans traditionally but many were lured into Democratic ranks by crop price "parity". This defeated Dewey in 1948. This time the Republicans are promising gravy to the farmers. With farmers back in the Republican fold, and with wage earners disgusted over Korea, Eisenhower and Nixon may win; but it will require very hard work to beat Stevenson and Sparkman.

WHERE DO THE CHURCHES STAND?
The real hope of the United States and the World lies with neither the Republican nor the Democratic Parties, per se. Not-

THE SAND HILLS PHILOSOPHER

Looks For Flying Saucers But Has His Sky-Gazing Badly Interrupted

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has fallen victim of the summer craze, his letter this week reveals.
Dear editor:
I was out here the other night looking for flying saucers, there's

one thing I've noticed about the things there are more of em in summer time when it's convenient to be outside sittin in your yard looking skyward, I guess for the same reason there are more sick people in hospitals than hotels. Also, more people see em over Washington than anywhere else, on account of a guilt complex, I suppose.

I'd been lookin for sometime but hadn't seen anything worth more than a paragraph or two in a news paper when my wife spoke up and said she wanted the front gate fixed, along with the leakin sink, the hole in the roof, the floor on the back porch, the wall paper in the livin room, the steps to the front porch, the

"J. A."

withstanding the appeals of all candidates for the "help of Almighty God." God's Will is 95% ignored when it conflicts with "practical politics." America must have spiritual awakening to be saved.
Under present conditions, both the political and labor leaders are able to ignore our 60,000,000 Church Members because we are equally divided between the two major Political Parties. Should not confessed followers of Jesus refuse to be tied to any single Party? Let us be the silent independent voters for such local, state and national candidates who will work hardest for Righteousness. This is the great need.

Queen Of Pre-Madison Square Garden Dublin Rodeo

PRETTY 18-YEAR-OLD Betty Sue Bradley of Dublin has been selected Queen of the Pre-Madison Square Garden Rodeo to be held at Dublin, Texas, August 27, 28, 29, and 30. Miss Bradley has been one of the Texas sponsors at the Madison Square Garden Rodeo in New York which is produced by Everett E. Colborn of Dublin, Texas.

screen door to the kitchen, the window panes on the north side of the house, the stuck door in the hall, and a few other things which trailed off in a flow of words like the tail streak of a comet.

I do not like to have my scientific studies interrupted by such matters but I took my eyes off the sky, left the saucers to the Associated Press, and explained to her it is not sound business to undertake any modernization, improvement or financial venture until after the election.

Naturally things are in a state of flux and uncertainty, awaitin the outcome of the election in November, and it don't behoove nobody to take any important steps until the economic roads for the next four years are well defined. Big business follows this pattern frequently. Personally, I do not intend to fix my saggin gate after the election either, or the sink or the back porch or the roof or anything else anybody can think of, but if you

can't use an election to postpone naggin on the topic, you ain't usin your head.

If you want to know what I think of flyin saucers, they're as real as political promises and about as hard to put your finger on after they flash by.

Yours faithfully,
J. A.

Forage Is Basic For Dairy Cows

The hot, dry weather has upset hay and silage plans on many dairy farms, and dairymen will lose efficiency in production if they fail to supply these basic feeds. According to Richard E. Bursen, dairy husbandman for the Texas Agricultural Extension Service, every effort should be made to obtain one or two tons for each cow in the herd.

He reports that Texas A. & M. College dairymen got good results from feeding a silo of immature Atlas sorghum which was ensiled last summer before it had headed. Although no preservative was added, the silage proved to be of excellent quality and cows pushed aside good leafy alfalfa hay in the feed troughs to get it.

This appears to be conclusive evidence that there is little to gain by allowing sorghums to

Make seed before ensiling except to get increased tonnage and grain.

When drouth conditions cause the sorghum crop to burn before reaching the soft dough stage, the crop should be ensiled promptly. Much better quality silage is obtained by enlisting green material without adding water than is obtained by ensiling dry material and addition of water.

Water should never be added to silage unless the material is too dry to pack without it, Bursen advises.

HORSLEYS TO HAVE GUESTS WEDNESDAY

Rev. and Mrs. Anthem Wade, Johnny, Larry and Betty of Aztec, N. M., are to arrive Wednesday for a visit in the C. A. Horsley home.

Johnny was the child who was kidnapped and was away from his parents several months before he was found. Mrs. Wade and Mrs. Horsley once taught school together in Scurry County.

IT'S NOT TOO LATE YET TO MAKE OUT A WILL

Who would own and operate your farm, if you died today? If you haven't already worked out an answer, the best time to do so is now.

Would your wife or husband be provided a living during their remaining years? How would your son or daughter remaining on the farm fare? Would your farm benefit or bring troubles to your family?

Often the lack of a will or some arrangement for the transfer of the farm to the children leads to unsatisfactory—and sometimes serious—results for the heirs.

In the interests of the entire family, it's better to plan and arrange for the transfer of your farm within your family before it's too late. —Exchange.

WEEK END IN MOUNTAINS

Mr. and Mrs. Robert Kimbrough and Lee, Mr. and Mrs. J. T. Eubanks and sons, and Jim Sybert spent last week end in the mountains near Cowles, N. M.

Boys' Ranchers Schedule Two Day Rodeo

The young cowhands from Lucas and his Rodeo Acrobats, America's First Boys' Ranch, coming out of the chutes on bucking broncs and bulls, will furnish all of the excitement of any professional affair at their Eighth Annual Boys' Ranch Rodeo over the Labor Day weekend.

Spectators will get a chance to see the results of months and sometimes years of practice on the part of the 152 boys at Boys' Ranch. Every boy at the Ranch will participate in at least one event of the show and there will be such added attractions as trick riding and roping and the clown acts. The boys have acquired skill associated with professionals and guarantee the audience plenty of spills and action.

Two performances of the rodeo are to be given over the weekend at the Tri-State Rodeo Arena in Amarillo. The first will be at 2:30, Sunday, August 31 and the second at 8:00, Monday, September 1.

It is expected that this year's show will be the biggest and most colorful the boys have ever staged with such celebrities as the world famous Bit and Spur Riding Club of Kansas City, Bud

Range Riders serve as sponsors for the boys' show and will be on hand to lend assistance, but the show will be made up entirely of Boys' Ranchers. The stock for the rodeo will be furnished by Lynn Beutler.

All proceeds from the rodeo will be used for the Boys' Ranch expansion program. General Admission tickets which may be used for either performance will be on sale at \$1.50 for adults and .75 for children. Reserved seats are priced at \$2.25. Tickets will be available by mail, at E. F. Goodrich, Vance Hall Sporting Goods and Henry Blackburn's Sporting Goods stores in Amarillo or at the arena the days of the rodeo.

PRESTON WILLIAMS IS BACK FROM KOREA

Seaman 1c Preston Williams, who has been serving aboard the USS Hammer, a destroyer, in Korean waters, is home on leave, visiting his grandparents, Mr. and Mrs. A. O. Awbrey, and other relatives and friends. He will return to duty Sept. 6.

TO SLATON

Mr. and Mrs. C. W. Ramage and family visited over the week end in Slaton.

Conoco Agent

O. D. HOLTON, JR.

O. D. Holton, Jr. has been appointed commission agent for Continental Oil Company at Muleshoe, according to a recent announcement by T. H. Joyce, division marketing manager at Albuquerque.

Holton, who was born in Childress, Tex., was a student at the University of Texas, Austin.

Rainbow Girls To Have Float For Round-up Parade

The Muleshoe Assembly of the Rainbow Girls met Thursday night in a regular meeting. They discussed having a float for the Memorial parade. The girls are to work on the float Tuesday and Wednesday from 9 to 12 a. m.

The next meeting will be held Thursday, Aug. 21, when Jean and Jimmie Carpenter will be initiated into the Assembly.

Mrs. Clements Dinner Honoree

A birthday dinner was given in the home of W. H. Clements August 10 honoring Mrs. W. F.

during 1941. He was in military service from 1943 until 1945. After his discharge from the service, he became the proprietor of a service station at Wellington, Tex.

Holton is a member of the Rotary Club. He also belongs to the Masonic Lodge here.

Clements of Glenn, Texas, on her 80th birthday. A fine day was enjoyed by all.

Mrs. Clements is the mother and grandmother of the following who attended: Mr. and Mrs. John Jackson, Glenn, Texas, Mr. and Mrs. J. D. Henry, Lorenzo, Texas, Mr. and Mrs. Lester Jackson, Mike and Wayne, Plainview, Texas, Mr. and Mrs. Jimmy Clements and Denise of Bovina, Texas, Mr. and Mrs. Jim Clements, Mr. and Mrs. Starland Jackson, Sybil and Joe Don, Mr. and Mrs. Fred Clements, and Mr. and Mrs. W. H. Clements all of Muleshoe.

Picture Is Given To W. S. C. S.

The W. S. C. S. met in the Methodist Church at 3 p. m. Monday afternoon. The meeting opened with the song, "Must Jesus Bear the Cross Alone".

Mr. H. M. Shofner read the devotional from Romans 12 and told what her faith had meant to her. A Youth's Prayer was read after which Mrs. I. W. Haney led in prayer.

Mrs. F. B. Pierson and Mrs. Claude Farrell made interesting reports on their trip to Lubbock

where they attended the W. S. C. S. Seminar. A letter from Mrs. O. A. Green, conference secretary of missionary service, was read stating the expiration of Mrs. Naomi Hare's support in September. The Society will take action on this in September.

Mrs. Ruby Jennings and Mrs. O. N. Jennings presented the society with a framed prayer, "America on Its Knees" by Conrad U. Hilton.

Plans to serve the young people of the district a banquet Monday night were discussed. Mrs. A. C. Gaede expressed thanks to the society for their financial aid in sending four young people to Intermediate Camp at Cedar Canyon and closed the meeting with a prayer.

Present were Mesdames O. C. Kirk, I. W. Haney, J. E. Day, Claude Farrell, O. N. Jennings, I. F. Willman, H. O. Barbour, A. C. Gaede, H. M. Shofner, D. B. Lancaster and F. B. Pierson.

Birthday Party For Mrs. Harden

Mrs. I. W. Harden was honored with a surprise birthday party on August 6 at the home of her daughter, Mrs. Delma McCarty. Mrs. McCarty had arranged for her mother to be there to help put corn in the deep freeze and the unsuspecting Mrs. Harden readily consented to help her.

The honoree was openly surprised when she entered the house to the strains of "Happy Birthday" being sung by a group of her friends.

The afternoon was spent in visiting and playing various games. Mrs. Harden received many lovely gifts and cards.

Refreshments of ice cream and cake were served to Mesdames Laura Morris, of Tucson, Ariz., Beulah Carles, Lois Schoenberger, Bill Moore, J. J. Williams, W. H. Kistler, Lucy Layne, Anna Stevens, J. C. Wollard, Jennie Panter, Arnold Morris, Buford

MAJOR AND MRS. SNELLER HAVE NEW ARRIVAL

Major and Mrs. Gerry Sneller are proud parents of a new son, Lewis Matthew - born Tuesday, July 29, at the Reese Air Force Base Hospital near Lubbock.

Mrs. Sneller, the former Dorothy Atkinson of Amherst, and older son, Gary Loren, arrived in Amarillo July 20 by United and Braniff Air Lines from Salt Lake City, Utah. She is now staying at the home of her parents, Mr. and Mrs. W. C. Atkinson in Indian Head, Maryland, in September and will go with him back to Utah.

Major Sneller is studying at the Naval Powder Factory in Indian Head near Baltimore, Md.

Mrs. McCarty Hosts Wesleyan Guild

The Wesleyan Service Guild met Monday evening, August 11, with Mrs. Delma McCarty. The song by the group, "The devotional, "In Deed and In Truth", was given by Mrs. Ray Edwards closed with a prayer.

"Modern Samaritans" was given by the pastor, H. W. Hanks. Mrs. Ray Edwards then gave a report on the Mission School held in Lubbock recently which was very interesting.

Mrs. Alex Wilkins presided over the business session. The Guild member decided to help the W. S. C. S. serve a banquet Monday evening, August 18, at the Fellowship Hall for the sub-district young people.

Mrs. Buford Butts and Mrs. Alex Wilkins will serve with two ladies from the W. S. C. S. on the menu committee. Mrs. A. S. Stovall was appointed chairman of the dining room committee. The next meeting will be August 25 in the home of Mrs. A. S. Stovall.

Refreshments of strawberry ice cream and cake were served to visitor, Rev. H. W. Hanks, and members Elizabeth Harden, Mesdames Ray Edwards, A. S. Stovall, Buford Butts, H. W. Hanks, Homer Sanders, Sr., Alex Wilkins and the hostess.

Will Rogers Film At Valley Theatre

The Will Rogers film, "The Story of Will Rogers", will be shown Thursday, Friday and Saturday of this week at The Valley, Mrs. Hertha Walker announces.

After two years of riding the Texas Range, Will Rogers (portrayed by Will Rogers, Jr.) comes home to Oklahoma, where he meets Betty Blake (Jane Wyman) and they become fast friends. However, the wanderlust again overtakes him, and he travels to South America and joins a wild west show. Returning, he and Betty are married, and Will tries for fame on the vaudeville stage as a rope artist.

It is not until he resorts to comedy chatter to warm up a cold audience that his career really gets started, and he goes on to fame as a star of the Ziegfeld Follies and Hollywood. He be-

comes a star of the Ziegfeld Follies and Hollywood. He be-

comes a star of the Ziegfeld Follies and Hollywood. He be-

journalistic celebration and his "favorite" nomination at the Democratic convention, joins his friend, Aviator Wiley Post (Noah Berry, Jr.), in preparing for their ill-fated flight to Alaska.

ARE NEW PARENTS
Mr. and Mrs. Edward Hoover of Lubbock, formerly of Muleshoe, are parents of a new boy, Edward Glenn, born Friday, July 25, at the Amherst Hospital.

TEXAS

New And Better Hybrid Corns Aim Of Texans

Texas corn producers like to plant corn hybrids. Their popularity is reflected by the Office of Crop Estimates of the U. S. Department of Agriculture. For 1952, they say that 1,655,000 acres or 71 per cent of all corn in Texas was planted to hybrids. This compares with 15 per cent in 1945 and less than one per cent in 1941, the year Texas hybrids first became available.

Primary reasons for the widespread use of corn hybrids, says E. A. Miller, agronomist for the Texas Agricultural Extension Service, have been the numerous and successful demonstrations supervised by local county agents

and the publicity relating to the demonstrations. The Texas Experiment Station, through breeding, research and testing, has provided seed stock of adapted hybrids that have outyielded the best native varieties. The newer yellow hybrids, Texas 24, 26, 28, and 30 and the white hybrid Texas 11W have produced yields that averaged 30 per cent and in some cases 50 per cent more than the best native varieties.

30% Yield Increase

Here is what the 30 per cent yield increase will mean to Texas corn producers in 1952. Despite unfavorable weather Miller says the increase should amount to about five bushels per acre or a total of 8,275,000 bushels. Based on the present price of corn, this means Texas corn producers have earned for themselves about \$14,000,000 extra for growing the better yielding hybrids. Miller adds this amounts to a 700 per cent profit on the investment for

hybrid seed or a return of about \$7.00 for each dollar spent for seed.

For the United States as a whole Miller continues, 84.4 per cent of all the corn planted in 1952 is hybrid. In the corn belt states, practically 100 per cent of the total corn acreage is planted to corn hybrids.

Miller believes that Texas producers will continue to replace the open pollinated varieties of corn with hybrid because they now know that the extra bushels produced by the hybrids can be had at no increase in production costs except for planting seed and this is a small item on a per acre basis.

New and better hybrids continue to be the goal for corn breeders of the Experiment Station and only recently announcement was made that farmers in 1953 will be able to secure plant-seed of Texas 15W, a new high yielding white hybrid. The story of corn hybrids and their economic importance to the life of America, concludes Miller, is

Multi-colored action-packed rodeo scenes are appearing on Muleshoe Store Windows through the artistic talents of Mary Collett who travels the Western half of the United States specializing in western caricatures. Her brush is swiftly applied before one can say "Come to the Will Rogers Memorial Round-up" a new and different action scene is spread across a window. One might ask the question "What if it rains?" Miss Collett assures her audience and customers that she uses a water proof solution to protect the art against rain.

just another example of what research work in the land-grant colleges means to American agriculture.

BERMUDA BOUND

An all-day, all-cruise cotton thanks to Wrinkl-Shed by Dan River, designed by Kay Windsor, the National Cotton Council reported. It is styled with great simplicity in black and white checks with a double-breasted bodice, two-tiered collar and deep pockets to accent the rounded blouse.

Legion To Serve Ranch Supper

The Ben Richardson Post, American Legion, will serve a Ranch Style Supper at the Legion home Thursday evening, from 5 to 8 p. m. Harold Newson, commander said.

They will start serving early so that everyone can eat before going to the Rodeo or to the Muleshoe Frolics. The Frolics begin at 7:30 and the Rodeo at 9.

Joe Duke, of Wagon Grocery is preparing the meal. Barbecue, ranch style beans, salad etc. are on the menu.

VISITED IN OKLAHOMA CITY

Last Monday and Tuesday, Mr. and Mrs. Carol Goss and Mr. and Mrs. B. D. Tracy visited in Oklahoma City with Mr. and Mrs. Bobby Goss and son.

THREE LOCAL PEOPLE ATTENDING WTSC

CANYON, August 11 — Three persons from Muleshoe are attending West Texas State College for the second term of summer school which ends August 22, according to Frank Morgan, registrar.

They are Lowell Cosby Browder, Jerry R. Kirk, and Eddie Ray Glenn, all graduate students with majors in education.

RETURNED FROM FT. WORTH Mrs. C. B. Graves returned

Wednesday from Ft. Worth where she visited her brother, A. R. Riddle and family.

The Muleshoe Journal

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 30, NUMBER 34

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, AUGUST 14, 1952

Muleshoe Schools Will Open Monday, Sept. 1

PMA Community Elections To Be Held In Bailey County August 22

Community PMA elections will be held in each of Bailey county's eight farm communities August 22, 1952. H. E. Schuster, Chairman of the County PMA Committee announced today.

At these elections, farmers in each community will vote for 3 farmers to serve on the community committee, for a delegate to the county convention to elect the county PMA committee for 1953, and for alternates. Voting will be by mail or at the county office. In general, any farmer is eligible to vote if he is owner, operator, tenant, or sharecropper is participating or is carrying out practices in accord with the programs administered by the county PMA Committee.

Chairman Schuster emphasizes that the effectiveness of Agricultural Conservation Program operations and of price

support and marketing programs will depend a great deal on the community committee men who are voted in at these elections.

The concentration of Agricultural Conservation Program operations in 1953 on the problems of individual farms adds to the need for able committeemen. Committeemen will be expected to help each farmer in determining the conservation needs on his farm and in making the most effective use of ACP assistance and available services in carrying out most needed practices.

Since this program has to do with the protection and improvement of the soil and conservation of water on the farms of Bailey county, community committeemen are in a key position in the fight for continued production.

Price Specialist Here Tuesday

Sam Blake, price specialist for the Office of Price Stabilization, will be in Muleshoe, Tuesday afternoon, August 19 to assist merchants in complying with price regulations.

While here he will operate from the Chamber of Commerce and will assist all merchants seeking information concerning the federal price stabilization program.

The price officials reminded merchants of this area that the newly revised Defense Production Act has produced some new regulations and amendments to old regulations about which business men will need to know.

The chairman urges farmers in each community in Bailey county to look over the field carefully and make sure that farm-ers are elected who are best qualified and who will have the time to devote to the job.

Muleshoe schools will begin a new term on Monday, September 1, with registration set for the preceding Thursday, Friday and Saturday, August 28 and 29. This was announced today by Jerry Kirk, superintendent, who is busy completing final arrangements and completing the faculty for the new term.

The first general faculty meeting will be August 27, at 10 a. m. in the high school visual education room. The principal and teachers meeting will follow the general meeting.

High school registration will be Thursday and Friday. The seniors will register Thursday from 9 to 12 a. m. and the juniors will register Thursday from 1:30 to 4 p. m.

Sophomores will register Friday the 29th from 9 a. m. to 12 noon, and the freshmen will register that afternoon from 1:30 to 4 p. m.

Football boys will register on the afternoon of Wednesday, August 27.

All high school students will meet in the auditorium for gen-

eral instructions before they enroll. Regular classes are to start Monday, Sept. 1.

Buses Will Run Friday

The buses will not run on Thursday, Aug. 28, but they will run on Friday, August 29, Mr. Kirk said.

Grade school enrollment is set for Friday, August 29.

The method of enrolling which will be used for the first five grades will be as follows: The students will enroll under any available teacher in his respective grade, and then the cards will be mixed in one bunch, with an equal number of boys and girls in each. Then each teacher will take every fourth card, and the cards that she draws will be the students that she has in her room. Students that enroll late will be put into the room with the least number of students.

Every student starting to school in the first grade must have a birth certificate. According to the latest regulations from the Texas Educational Agency, the high school students will be allowed to carry only four academic subjects at a time. Only

students who rank in the upper 25 per cent of the student body scholastically will be permitted to take five subjects and this must be approved by the principal.

No student will be allowed to take any correspondence work unless he is a senior and has to have the work to graduate.

Required Work Listed

The following is a list of the required and elective subjects that students may enroll in. This is subject to change.

FRESHMEN

Required: English I, Gen. Science, Agriculture I, boys, 2 periods, General Math., Home Ec. (girls). Elective: Band, Chorus.

JUNIORS

Required: English III, Am. History, Algebra or geometry; Elective: speech, trigonometry, chemistry, agriculture, shorthand, typ-

ing II, home ec. II, Spanish II.

SENIORS

Required: English IV, Civics; Elective: Chemistry, shorthand, typing IV, Spanish III, speech, trigonometry.

Electric Storm Saturday Night

A severe electrical and rain storm moved over this area Saturday night, leaving heavy rains at some points and setting fire to an elevator at Littlefield. Ant-ton also had a heavy rain and a small fire, presumably caused by lightning. The Byers Grain & Feed Company plant at Littlefield was struck and considerable damage was caused.

Muleshoe got a quarter of an inch of rain in the Saturday night shower. Hopes were entertained that the rain was much heavier on crop lands of the county.

Mears Serving Aboard Carrier

After spending seven months in the Far East operating with units of the UN naval forces, the aircraft carrier USS Philippine Sea has returned to the United States.

Serving aboard her is James C. Mears, airman, USN, son of James H. Mears of Route 1, Friona, Texas.

During her time in the Far East the Philippine Sea sent her Panther jets, Skyraider attack bombers and Corsair Fighter bombers on daily strikes against Communist supply and communication lines.

In addition to the "line cutting" and "rail-splitting" missions, the pilots concentrated on gun emplacements, troops, supply areas, factories and warehouses, destroying anything of possible use to the enemy.

As a parting shot at the Com-mies, planes from the Philippine Sea, and three sister carriers hit plants along the Yalu river and the strategic hydro-electric throughout North Korea. With Navy, Marine, and Air Force jets flying cover, Philippine Sea planes delivered a stunning blow at the Red's power systems.

There are three tags which can be found on seed bags, all issued by the department—the tested seed label, the Certified seed tag, and the Registered seed tag. Unless the purchaser is familiar with each of them, he can easily become confused and believe he is buying seed guaranteed by the department.

The cream-colored Tested Seed label does not guarantee that the seed is of high quality. The Department of Agriculture issues the tags and requires the dealer to supply information on the tag as to bag contents.

Purpose of this tag is to let the purchaser know exactly what he is buying. The law states that the dealer should include on the tag the commonly accepted name of the seed, its germination qualities, the purity amount of inert matter, weed seeds, date tested, weight of bag, and origin of contents. This is the responsibility of the dealer and if he falsifies this information, he violates the Texas Seed Law.

Many farmers are mistaking this tag for the Certified Seed Label and the Registered Seed. Both of these do guarantee, to a certain extent, a high quality of contents. The Certified tag is pale blue in color, and the Registered tag, which is backed by even higher test standards, is light purple. They are plainly marked "Certified" and "Registered". They also carry the name of the seed grower, variety of crop, weight per container, year of production, and a serial number. Field inspectors have determined qualities of the seed before either tag is issued.

Some unscrupulous operators have been known to attach these two quality tags to inferior seeds, since it would be impossible for the Texas Department of Agriculture to employ enough men to personally tag each bag. Any such practice is a direct and serious violation of the law and should be reported to the department at once.

It is a good practice for each farmer to save a generous sample of seed from each bag he purchases, and keep the tag with the sample. If the seed fails to meet his expectations the sample can be sent along with the tag to the Department of Agriculture for test purposes to be used as a guide in determining if the dealer is mislabeling his seed. Cooperation between purchasers and the Department of Agriculture will go a long way toward elimination of "seed rackets".

Pleasant Valley News

Mr. and Mrs. A. F. West and sons of Borger, Texas, spent the week with his brother and family here.

Mr. and Mrs. Andy Andreas had as their guests last week Mr. and Mrs. A. J. Andreas of Yakima, Wash., and Mr. and Mrs. John Schnellbach of Toppensish, Wash. Mr. Andreas is Andy's father and Mr. and Mrs. Schnellbach is an aunt and uncle.

Mr. and Mrs. E. K. Angeley had as their guests last week Mr. and Mrs. Hiram Cook of Clyde, Texas. Mrs. Cook is an aunt of Mrs. Angeley's.

Visiting in the Jerry Allison home this week is Mrs. Allison's sister, Mrs. Bill Compton of Albuquerque, N. M.

Mr. and Mrs. J. D. McKinstry were recent visitors in the home of Harold and Oscar Allison.

Susan Allison is visiting her grandparents, Mr. and Mrs. Sam McKinstry at Hagerman, N. M. Nan Allison has been visiting in the home of Dr. and Mrs. Kenneth Osborn of Hobbs, N. M. An aunt and uncle of Mrs. Oscar Allison's went to Hobbs Monday to bring Nan home.

Mr. and Mrs. Girdner of Greenville, Texas, spent a week in the homes of Oscar and Harold Allison recently. Mr. and Mrs. Girdner are a great aunt and uncle of Mrs. Harold and Oscar Allison. Over the week end, Mr. and Mrs. Sam McKinstry, Mr. and Mrs. J. D. McKinstry, Mrs. Eva West, Mrs. Peggy Huckabee, Debby and Billy, and Dr. and Mrs. Kenneth Osborn and Becky were here to visit Mr. and Mrs. Girdner.

Mr. and Mrs. George Dulin of Robstown, Texas, are spending a few days here visiting his father, T. G. Dulin and brothers, J. E. and W. G. Dulin and their families.

Mrs. Harold Allison, Veta and Carolyn accompanied her father, Mr. McKinstry to Greenville recently to get Mrs. McKinstry who has been studying music in Dallas. While in Greenville, they visited in the home of Mr. and Mrs. C. E. Girdner and many other friends and relatives. Mr. and Mrs. McKinstry returned to Muleshoe to bring Mr. Allison and children and visited a few days before returning home.

HOUSE JOINT RESOLUTION NO. 38

Providing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 50a, providing for the establishment of a State Medical Education Board and a State Medical Scholarship Fund from more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations therefor to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon such terms and conditions

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 50a which shall read as follows: "Sec. 50a. The Legislature shall create a State Medical Education Board to be composed of not more than six (6) members whose qualifications, duties and terms of office shall be prescribed by law. The Legislature shall also establish a State Medical Education Fund and make adequate appropriations therefor to be used by the State Medical Education Board to provide grants, loans or scholarships to students desiring to study medicine and agreeing to practice in the rural areas of this State, upon such terms and conditions

as shall be prescribed by law. The term "rural areas" as used in this Section shall be defined by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D., 1952, at which all ballots shall have printed thereon (or in counties using voting machines the machines shall provide for the following: "FOR the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

"AGAINST the Constitutional Amendment providing for the establishment of a State Medical Education Fund from which grants, loans or scholarships may be made to students desiring to study medicine."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law. 33-4tp.

HOUSE JOINT RESOLUTION NO. 20

Proposing an Amendment to Article III of the Constitution of the State of Texas by adding a new section thereto to be known as Section 61 to authorize cities, towns, and villages of this State to provide insurance for employees; providing for the submission of the proposed Amendment to the qualified electorate; and providing for proclamation and publication by the Governor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new section thereto to be known as Section 61 to read as follows:

"Sec. 61. The Legislature shall have the power to enact laws to enable cities, towns, and villages of this State to provide Workmen's Compensation Insurance, including the right to provide their own insurance risk for all employees; and the Legislature shall provide suitable laws for the administration of such insurance in the said municipall-

Pleasant Valley Social Club Meets In Angeley Home

The Pleasant Valley Social Club met in the home of Mrs. E. K. Angeley Wednesday, August 6. The meeting was called to order and roll call was answered.

Mrs. Homer Sanders, Sr., was present and inquired about the "Miss Muleshoe" candidate for the club.

Club members are to meet at the Allison's barn Tuesday afternoon to work on the club float. Delicious refreshments were then served to club members, Mesdames Leroy Hicks, John West, George Wuerlein, Harold Allison, Floyd Andreas, R. L. Roubinek, Jimmy Dulin, Doyle Turner and the hostess.

The next meeting will be in the Jimmy Dulin home on Wednesday, August 20.

ADDING TO HOME

Mr. and Mrs. David Wyer are adding to their home on Ave. B.

TO VISIT CALIFORNIA

Mr. and Mrs. H. Jay Wyer plan to leave Sunday, August 17, for an extended trip to California.

ties and for payment of the costs, charges, and premiums on policies of insurance and the benefits to be paid thereunder."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the General Election to be held on the first Tuesday after the first Monday in November, 1952, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide Workmen's Compensation Insurance for employees of cities, towns and villages"; and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Workmen's Compensation Insurance for employees of cities, towns and villages."

Each voter shall mark out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for aid election and have the same published as required by the Constitution and laws of this State. 33-4tp.

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

THE GOLDEN RULE IN ACTION

As ye would that men should do to you, do ye also to them likewise. (Luke 6:31) Read Luke 10:30-37.

Someone has said: "The Golden Rule is rusty". He meant that it was a useless rule for governing our actions toward others.

Nothing could be further from the truth, for the Golden Rule is positive: "Do ye." The rule of the priest and the Levite was negative. Since they had not injured and robbed the man on the Jericho Road, they did nothing for him. They could not picture themselves in his plight—beaten, stripped of their clothes, and robbed—and sense how appreciate they would be for anyone's

help at such a time. Judging by their rule, they remained good religionists, but they fell far short as measured by the Golden Rule.

The Golden Rule demands action. The Good Samaritan could not pass by the injured and robbed man without doing something for him. He put himself in the needy man's place. He had not injured him but he nevertheless stopped, bound up his wounds, took him to the inn and provided for him.

PRAYER

Our Father in heaven, we give Thee thanks for Jesus Christ and His good rule for our lives. Help us to put it into action in all life's situations to the honor and

Mr. Muleshoe . . .

By J. M. FORBES

When one reaches the age to which this scribe has attained, he frequently likes to hear again some of the old songs the folks sang long ago. A program of this kind comes over the radio, sponsored by Gooch's feed, I believe, you understand I never paid any attention to radio so-called advertising. I believe the singer is one Burl Ives. Just now he sang "Single Again" and "Where Have You Been, Son Willie", among other folk ballads. I was not alone in listening to this program, as I was advised by the crowd as the car sped in the show window. The back seat passenger had a hole punched through the crown with a cold chisel and some mercurochrome spilled on the brim.

I worried about that dern

MRS. HATTIE GRIFFITHS

Mrs. Griffiths Cancer Chairman

Selection of Mrs. Ray Griffiths of Muleshoe, as Bailey County lay woman leader for the American Cancer Society, was announced by Mrs. Joseph M. Perkins of Eastland, vice-president of field activities for the Texas Division.

Mrs. Griffiths will direct the educational and service activities of the Society in the county, appointing community chairmen and organizing a county-wide public cancer education program.

Mrs. Griffiths, wife of Ray Griffiths, Muleshoe grain man, is a member of the Order of the Eastern Star, president of the P. T. A., past president of the Women's Study Club, and is member of the First Baptist Church.

Dr. Marion Green of Muleshoe is the other cancer leader in Bailey County, serving as county medical advisor for the American Cancer Society.

glory of our Lord, in whose name we pray. Amen.

THOUGHT FOR THE DAY

The Golden Rule is the Master's rule for all our acts.
C. H. Stauffacher (Mo.)

hat until I was 21, when I decided it was time to put away foolish things out of my mind, forever. Come to think of it, it probably wasn't mercurochrome, probably old red barn paint, mercurochrome hadn't been invented way back there.

This fellow had an amateur or home made museum in his show window in front of his cleaning establishment. Have often wondered whether that was not a pretty good advertising for his business, not that it would ever, in any conceivable way, take place of newspaper advertising. But a fellow could build up a show window on Will Rogers' life and times and attract quite a few glances from the insouciant passersby.

THE PLAINSMAN SAYS:

Charlie Guy attended the Democratic National Convention in Chicago last week and came up with the idea that perhaps the convention system is old fashioned and undemocratic, a thing that has been said in this column several times this spring and summer. Here are some excerpts from his Plainsman column in The Lubbock Journal:

... only a dolt would defend the system under which American candidates for President and Vice-President are chosen — by both parties.

There is no opportunity, there is no time, for careful, intelligent consideration of either men, or of issues.

The delegates gathered in conventions—Democratic and Republican—are the tools of those behind the scenes and the puppets of hysteria as it is rolled across the meeting halls at the signals of the Big Boys.

Not one of the more than 1,500 delegates on the floor at this roaring, confusing moment, is thinking (1) of the best interests of his country; or (2) of whether or not the man he is cheering—or is refusing to cheer—is the most honest, or the most able, of all those who are available.

It is not a happy situation to contemplate.

But as just one, ordinary citizen—who has only one vote and an ambition to help make

Duggan Named On Grievance Group

Announcement has been made of the appointment of Arthur P. Duggan, Jr., Littlefield lawyer to the district grievance committee of the State Bar of Texas. Several lawyers of the 19th Congressional

District have been notified of their appointment as committee-men by J. Glenn Turner of Dallas, newly elected president of the attorneys' association.

This committee investigates alleged cases of professional misconduct and promotes better relations between clients and their attorneys. Through this committee, clients who have grievances against lawyers can register their complaints and be assured of an impartial hearing. Erring members of the legal profession will be subject to appropriate disciplinary action. Complaints against attorneys should be submitted in writing

to Mr. Duggan or forwarded to State Bar of Texas, Austin, 13, Texas, for action.

BUICK'S POWER STEERING?
It's the big NEWS of the year

THERE is a host of things that endear a ROADMASTER to anyone who loves to drive.

There's the might of its Fireball 8 Engine—most powerful ever put in a Buick.

There's the thrift of its Airpower carburetor—a four-barrel automatic that literally brings increased power right out of thin air.

There's its hushed and luxurious silence—its poised and level ride that cost a million dollars to develop—and the infinite smoothness of its Dynaflo Drive.

But the thing that has brought the most cheers for this big and obedient beauty is Buick's version of Power Steering.*

Gone is the tug of turning, parking, maneuvering in small space.

Power Steering takes over the effort of turning the front wheels—makes it a one-hand operation.

Do you have to learn to drive all over again if you have this new Buick feature?

You definitely do not. On the open road, you have that same sure sense of command that you've always had. Coming out of a curve, you can loosen your grip, and the front wheels right themselves just as they do on every Buick.

But you'll notice this: When you suddenly hit loose dirt or sand—or a stretch of rough road—Power Steering smoothly goes into action—helps take up the jerk—makes control of the wheel easier and driving safer.

Wouldn't you like to try out this newest wonder—on a ROADMASTER or a SUPER? You say the word, and we'll do the rest.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on Roadmaster and Super only.

Hospital Employees Have Lawn Party

The back yard of the W. H. Clements home was the scene of a farwell party Thursday, July 31, given in honor of Mrs. Everett Talley who is moving to Bovina and Mrs. Frank Cummings who is moving to Hereford.

The guests arrived at 7:30 p. m. and immediately enjoyed a back yard supper consisting of roasted wieners, potato salad, fresh salads, cantaloupe, watermelons, drinks and other items. The honorees were then pre-

Society News

By Mrs. Joyce Shafer

THE MULESHOE JOURNAL, Thursday, August 14, 1952

sented with their gifts. Mrs. Talley received white sapphire ear studs set in gold and Mrs. Cummings received a Hamilton Beach Mix Master.

Guests attending were Dr. and Mrs. L. T. Green, Jr., Marilyn, Buck and Lawrence, Dr. and Mrs. M. F. Green, Jim and Bob, Mrs. Frank Cummings, Logan and Sharon, Mrs. Everett Talley and Faith, Mrs. Tommie Carver, Mrs. Clara Ford, Mr. and Mrs. John Ray Hammock, Mr. and Mrs. Jack Hicks and Jimmy, Winona David, John David, Mrs. Callie Price, Josephine and Shirley, Mr. and Mrs. Medford Scifers of Clovis, Mr. and Mrs. Fred Clements, and Mr. and Mrs. W. H. Clements.

Mrs. Cloud Is Shower Honoree

The Watson W. M. U. was hostess for a pink and blue shower for Mrs. Burtis Cloud at the home of Mrs. Elwin Julian on Monday, August 4. A beautiful array of gifts was received by the honoree.

Refreshments of pink and blue iced lemonade and angel food cake were served to Mesdames Jack Marberry, E. F. Campbell, Roland Gipson, Bradley Robertson, Leo Short, Ed Hulse, C. A. Petree, A. O. Mitchell, Dan Emerson, S. D. Key, George Fine, and W. A. Petree.

Mrs. Spence Hosts T. E. L. Meeting

The T. E. L. Class of the First Baptist Church met August 5 in the home of Mrs. Allen Spence for a business and social meeting. Mrs. Beulah Motheral, president, presided over the meeting. Mrs. Bessie Harlan brought the devotional from Psalms 27. Each group then gave its individual report.

The class has finished 6 quilts to be sent to Round Rock Baptist Children's Home. These were packed at this meeting.

The class voted to have its annual social honoring the husbands in the Will Harper home in the near future. A nomination committee was then appointed to select candidates for class officers.

The business session was closed by prayer by Mrs. Alma York. Refreshments of cookies and grape juice were enjoyed by Mesdames Lula Thornley, Riddle, Lovie Benson, Bessie Harlan, Alma York, Allene Dyer, Grace Winn, Emilee Snow, Mary Evans, Myrtle Maxwell, Hope Flanagan, Beulah Motheral, Lois Shook, Finley, and the hostess, Ellen Spence.

Fidelis Class Fetes Birthday Mrs. Griffiths

The Fidelis Sunday school Class met Thursday, August 7, at Gerald's Cafe to observe "Hattie's Day" an annual observation of Mrs. Hattie Griffiths' birthday.

The guests honored Mrs. Griffiths with a crystal shower and luncheon. Each one brought a gift and the result was a christal service of "Orchid" pattern for sixteen. She also received several miscellaneous gifts.

Forming the scene for the occasion, each person alternately wore a pink and a white Dutch bonnet inscribed in gold with "Hattie". Beautifying the setting was a huge pink and white birthday cake inscribed with the word, "Hattie" and arrangements of pink and white hydrangeas and flocks in crystal appointments.

Mrs. Raymond Precure, president, then favored all the past presidents with a bottle of "Irresistible" perfume.

Mrs. Clinton Bristow read a humorous poem that she had composed for Mrs. Griffiths and little Miss LaVon Copley played piano selections throughout the evening.

Guests were Mrs. Avid Rutherford of Littlefield, a past president, Mrs. Sigrid Ceips, and Mrs. Wilma Gilbreath.

Others present were Mesdames M. F. Green, Frankie Black, Bill Mathis, Rob Damron, Alice Bulloch, Alta Davis J. V. Peeler, George Hicks, Mary Hart, Audrey King, Joyce Reese, Elizabeth Barnett, Lois Robinson, Naomi St. Clair, Grace Lane, Beatrice Blackburn, Inez Kennedy, Dorothy Green, Bertie Nickels, Lois Precure, Lou Green, Mae Schuster, little Miss Copley and the honoree.

Philathea Circle Meets In Home Of Mrs. MacAllister

The Philathea Circle met Thursday, July 31 in the home of Mrs. Neil MacAllister with Mrs. J. K. Adams as co-hostess. Mrs. Horace Edwards presided over the meeting in the absence of the president, Mrs. J. T. Shofner.

Mrs. H. W. Hanks conducted the program on another chapter of the study of the life of Christ. Present for the meeting were Mesdames Roy Whitt, Billy Don Barbour, J. K. Adams, H. W. Hanks, Horace Edwards, Oscar Allison, Harold Allison, David Weyer, and one guest, Mrs. W. F. Miller of Ft. Worth, sister of Mrs. J. K. Adams.

TELEPHONE YOUR NEWS

CHRISTIAN SCIENCE SERVICES
 Freedom from chaos, confusion, and calamity is assured, as it is sought in spiritual instead of material values, stresses the Lesson-Sermon titled "Soul" to be read in all Christian Science churches on Sunday, August 17. The Psalmist sang, "I have longed for thy salvation, O Lord; and thy law is my delight. Let my soul live, and it shall praise thee; and let my judgement help me" (Psalms 119:174-75), which is the Golden Text.
 This thought is further developed in the Bible verse: "It is good that a man should both hope and quietly wait for the salvation of the Lord" (Lamen-

tations 3:26). And from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read: "We must destroy the false belief that life and intelligence are in matter and plant ourselves upon what is pure and perfect" (p. 222).

VISITORS IN ADAMS HOME
 Visitors in the home of J. K. Adams last week were Mrs. Adams' brother, W. H. McMillen of Mineral Wells, and her sister, Mrs. W. F. Miller of Ft. Worth. She and two children, Joe and Joyce, returned home with them for an extended visit. While away, they will also visit her mother Mrs. W. H. McMillen, Sr. Office Supplies at The Journal

WISE COUNTY ANNUAL REUNION TO BE HELD
 The Wise County Annual Reunion will be held at McKenzie State Park in Lubbock on Sunday, Aug. 17.
 All former and present residents of Wise County are invited to bring a basket lunch and join the gathering. Lunch will be served at 12:30.
 A special program is planned and directions to the location of the meeting will be given by signs upon arrival at the park.

WENT BOATING TO BUFFALO LAKE
 Last Sunday Mr. and Mrs. H. A. Douglass, Jr., Mr. and Mrs. James Crow, and Mr. and Mrs. Fred Clements enjoyed a boating trip to Buffalo Lake at Lubbock.

HOUSE PLAN No. 47

The Most For Your Money

The one and a half story house has many assets. Its greatest is that we can get a maximum of livable space per dollar spent on the home. We believe that Farm and Ranch House Plan No. 5247 gives you this economy as well as many other desirable features.

This house is ideally suited to the growing family in that it can be constructed and the upstairs left unfinished until the additional space is needed. This later construction will not require any change in the original structure.

The upstairs bath may be left out if desired. However, it would be a rather low cost bathroom in that the solid partition wall shown between the kitchen sink and the work area is provided to enclose the plumbing lines for the upstairs bath.

The upstairs play area might serve as an emergency sleeping area as well as provide room for the youngsters to play on days that they cannot be outside.

We have provided a separate dining room and comfortable living room which are conveniently accessible, yet may be closed up for privacy without disturbing the family living. The

foyer, or front entrance, provides easy access to the upstairs area. This attractive little house of brick and stone veneer incorporates many nice features. There are sliding windows arranged to form a picture window for the living room and yet give all the ventilation which you will ever want.

You can obtain blueprints for this The Muleshoe Journal Farm and Ranch House Plan No. 5247 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm and Ranch, Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number, plan No. 5247. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

Legion To Serve Ranch Supper

A Ranch Style Supper will be served at the American Legion Home in Muleshoe on the first evening of the Roundup, August 14, Thursday, beginning at 5 o'clock, by the Ben Richardson Post.

Joe Duke will supervise the cooking, and the menu will feature barbecue, ranch style beans, onions, coffee, rolls, etc.

Miss Muleshoe Entries Listed

Standings of the candidates for the honor of Miss Muleshoe and Queen of the Roundup will be posted daily on the Journal election board at Higginbotham-Bartlett Co. lumber yard on Main Street. Six are in the race, and their names, sponsors, and parents name are listed below:

Lions Club — Marion Clark Harris, daughter of Mr. and Mrs. Marion Harris.

Rotary Club — Mary Morton, Mr. and Mrs. Eugene Morton.

JayCees — Gay Sanders, Mr. and Mrs. Claude Sanders.

Garden Club — Quineil Elliott, Mr. and Mrs. Howard Elliott.

Legion — Barbara Douglass, Mr. and Mrs. Morris Douglass.

Pleasant Valley Social Club — Marilyn Gupton, Mr. and Mrs. C. D. Gupton.

For every ticket sold, by them or their supporters, the candidates will receive 1,000 votes. Anyone may still enter the Queen contest, but they should register with the committee in charge. The contest will end the coming Tuesday night and Miss

Members of the Post feel that there will be an overflow on this first day from the regular cafes, which will also feature ranch style meals. They plan to start at 5 so that anyone wishing to attend the Muleshoe Frolics or the rodeo will have ample time to get their meal beforehand.

Kiddies' Parade To Move At 2:30 Friday, Second Day Of Roundup

The kiddies' parade, scheduled for the second day of the Will Rogers Memorial Roundup, Friday, Aug. 15, will consist of three divisions, according to a decision of the women's committee making the arrangements. Mrs. Radie Boone is chairman of this committee and she is assisted by Mrs. Harold King, Mrs. Bill Connell, and Mrs. Wilma Gilbreath.

The divisions are:
1. **Pets.**
2. **Bicycles or wheels.**
3. **Nursery rhyme.**

There will be prizes for the four outstanding entries in the three divisions, the ladies said. Each contestant is required to have the theme of their entry printed on their back, showing what they represent. The contestant's mother will see to that, and upon arrival at the rendezvous point they will be given a number.

This rule is absolutely essential for the convenience of the judges.

This year, an evaluation com-

mittee of ladies will go over the prize list, to see that the place winnings are appropriate. Mrs. Harry Waddle has been selected with Mrs. A. S. Stovall and Mrs. Ed Johnson as members. Prizes will be solicited from the merchants.

Muleshoe Lions Club in its Tuesday noon meeting voted \$30 for prizes, therefore the first place winner in each division will receive \$10. Other prizes will be announced in the next few days.

The kiddies will gather on the east side of the courthouse lawn. They will march down Morton Highway to traffic light, thence one block east to Main, down Main to the Muleshoe Locker corner where prizes will be awarded.

ARE NEW PARENTS

Mr. and Mrs. Billy Jack Chastain of Plainview, formerly of Muleshoe, are parents of a boy, Danny Jack, born August 7 at Amherst Hospital.

Texas Inspection Law

There is a law on the statute books of the State of Texas which insists that all motor vehicles be put through a safety inspection. The deadline for the owners of vehicles currently is September 6, although an extension of the date is possible.

The theory of safety inspection is a good one.

Everyone knows that there have been and still are, literally thousands of motor vehicles in our streets and highways which are in unsafe—even dangerous condition. Therefore, everyone knows that something should be done to decrease this constant

menace to life, limb, and property.

However, like many another fine-feathered theory, the Texas Safety Inspection law may fall far short of its goal in practice. And that is what the public, as well as the proper officials, should watch for.

Efforts on the part of some unscrupulous to make a racket out of the inspection law by now have been pretty generally curbed. Some of the red tape surrounding inspection has been cut away as the result of angry howls of protest on the part of the public. But undoubtedly there still remain some useless red tape and some racketeering.

Both should continue to be battled, whenever and wherever they raise their ugly heads.

The inspection law is one

which should be given a fair chance. But it is not one which should be forgotten and left on the books if its liabilities are found, through fair trial, to outweigh its assets.

Texans everywhere will be wise to watch next year, see if safety inspections may be credited with decreasing motor vehicle accidents, and, if so, give the law their unqualified support.

On the other hand, if the inspection law is found to be just another way to bilk the motorist out of a few dollars, and further inconvenience him like a boil on the neck, the public should demand of the Legislature that it be abolished.

It's "theory" versus "practicability" at the moment, with the answer not yet crystal clear.

—Lubbock Avalanche

WATER?

JUST HALF A CUP!!!

...of Course it's Electric!

Yes, with most vegetables you add just half a cup of water when you cook them electrically.

When you cook vegetables on an electric range—all the valuable minerals and vitamins are kept right in—they're neither boiled away nor washed down the drain.

Keep your food values high and your food costs down with electric cooking—the way that gives you full food value.
