

Bailey Cotton Total 43,906 Bales

Bailey County gins turned out 43,906 bales of cotton from the crop of 1951, a final report of Marion Harris, special agent of the Bureau of the Census shows. This compared with 5,611 bales credited to the county from the crop of 1950.

Parmer county this year produced 9,282 bales in the 1951 crop, and their production was so slight the previous year that it was not separately reported.

Ginnings of other counties in the immediate territory are: Castro, 16,168; Cochran, 51,869; Hale, 147,680; Lamb, 122,389; and Lubbock, 198,837.

Ginning totals for Bailey County in former years are given by the Texas Almanac as follows: 1945, 935; 1946, 2,650; 1947, 52,811; 1948, 23,703; 1949, 69,614.

Vanlandingham Candidate For Commissioner

C. W. Vanlandingham, farmer of the Enochs community, authorizes The Journal to announce that he is a candidate for Bailey County Commissioner, for Precinct 4, subject to action of the Democratic primaries this summer.

Mr. Vanlandingham has been a resident of the Enochs neighborhood for 27 years. He has never before offered for public office, although he served as a trustee of Bula school district for several years.

He said that he believes his long residence in the county and precinct have acquainted him with conditions and with the needs of the people.

It will be his aim, he said, to work for the best interests of his precinct and county.

Mr. Vanlandingham invited the vote and influence of all in his precinct and said he would make an effort to contact each voter personally.

SAM LOGAN FAMILY IN VISIT HERE THIS WEEK

Mr. and Mrs. Sam Logan and little daughter, Linda, and Mrs. Logan's mother, Mrs. Montgomery, all of Sonora visited here Monday and Tuesday in the Chief Jones and H. D. King homes.

Mr. Logan, a former county agent of Bailey County, resided in Muleshoe several years. The last few years he has been with the U. S. Agriculture Department's Arabia mission and is now buying cattle breeding stock to send to Arabia. He and his wife and daughter lived at Al Khari, Arabia, during the time he was on duty there.

Hart Elected C of C President

Houston Hart, prominent young businessman, was elected president of the Muleshoe Chamber of Commerce Monday night. He will succeed W. M. Pool Jr., first president of the reorganized chamber, whose term of office as a director expired this year, and was not eligible for re-election.

Lloyd Roberts was named vice-president to succeed Ross Goodwin, who declined to be elevated to the presidency. George Mayo is the new treasurer, succeeding Jeff Peeler.

The new officers were elected at a joint dinner meeting of the retiring and incoming directors in the Post Office Cafe. In the absence of President Pool, Ross Goodwin presided at the meeting of the retiring board. Reports of the various committee heads were heard and final matters of business were attended to before the board adjourned. Retiring directors, who had been named for one year terms were Pres. Pool, Ed White, F. L. Shelby, Horace Edwards, Jr., and W. Q. Casey.

They were succeeded by Hart, Mayo, Buford Butts, Jim Cox, and Herb Covin. These five new directors together with hold-over directors, Roberts, Peeler, Junior Sanders, Noel Woodley, John Gammon, W. W. Couch, O. D. Ray, and Goodwin were called to order by Goodwin who was named chairman pro-tem to conduct the election of officers.

Six associate directors also terminated their services on the board at the Monday night meeting. Pat Bobo, Ray Griffiths, Arch Fowler, Onard Upton, Ray Morrison and Lee Pool were appointed departmental directors by President Pool. Their successors will be announced by the new president at the annual banquet on April 15.

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 30, NUMBER 15

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, APRIL 3, 1952

"SAGE OF THE BRAZOS BOTTOMS"

Caesar "Dutch" Hohn To Address Muleshoe C of C Banquet April 15

"You don't say! How'd you do it?"

"That's wonderful! You couldn't have done better."

"You mean Dutch is coming over 500 miles to be the speaker at OUR banquet? Wow! What a treat we are going to get."

Such were the exclamations of surprise and gratitude that greeted the announcement that Caesar Hohn, "the sage of the Brazos bottoms", would be the principal speaker at the annual Chamber of Commerce banquet to be held Tuesday, April 15, at the American Legion Home.

The announcement was made jointly by Noel Woodley, general chairman of the event, F. L. Shelby, program chairman, and Lee Pool, arrangements chairman, Tuesday afternoon, following a banquet committee meeting in the morning when Hohn was suggested as a bit of wishful thinking.

"We didn't dare hope that Dutch (as he is known to his friends) would consent to drive way out here to speak to only 225 or 250 people. He is accustomed to speaking before much larger groups. But he appeared to be greatly impressed by our invitation," said Lee Pool, who closed the deal.

Noel Woodley was equally elated. "I have heard a lot about him, that he can deliver an inspiring speech in a most entertaining manner, and have always been disappointed when I have missed a meeting where he was on the program."

Hohn has gained a reputation unexcelled throughout the Southwest as a public speaker. A former Aggie football star, Hohn was for many years connected with the Extension service and only recently retired to his farm on the Brazos river near Independence, Texas.

"Dut his keen insight and perception of public affairs have

kept him in constant demand as a speaker on many subjects other than those relating to agriculture," said Shelby. "He has the unusual faculty of being able to present the most weighty and serious discussions, spiced with a native wit and intelligence that captivates his audience whenever and wherever he appears."

Banquet sponsors went to work with renewed enthusiasm and vigor as soon as it was learned that the annual event would be highlighted by the appearance of an eminent speaker. W. Q. Casey, ticket sales chairman announced that due to the limited seating capacity of the Legion Home, reservations would be limited to 200. "We know that there will be twice that number that would like to hear Mr. Hohn," he said, "and we wish that we could accommodate every one of them, but we have to keep in mind that our annual banquet is one of the few occasions when we try to repay some of the many favors shown us by our friends in neighboring cities and towns, and not neglect this obligation."

So the tickets have gone on sale on a first come, first served basis. They are available at several places of business or can be obtained by calling Casey or the chamber of commerce office 2480.

Bondy Ray, chairman of the food committee has promised that he will spare no effort to make the meal as enjoyable as the speaker, and Shelby is arranging for the appearance of a noted out-of-town musical ensemble to provide the entertainment.

"It's going to be a standout event from every angle," Woodley said. "There'll be no long drawn out reports or speeches, there'll be just good food, enjoyable entertainment, and a wonderful speaker. I advise everyone to get their tickets early."

In JayCees Race

BUDDY BLACKMAN

Members of the Muleshoe Junior Chamber of Commerce are visiting other JayCee clubs in the territory in the interest of the candidacy of a fellow-member, M. F. "Buddy" Blackman, for the office of Regional Vice-President. Blackman has been a member of the Muleshoe group since its organization and is a past president.

Keeling Elected Muleshoe Mayor

Ray Keeling was elected mayor of Muleshoe in the city election Tuesday, an election which drew out more votes than common, considering there was no contest. Election judges reported 106 ballots were cast.

Keeling received 102 of these votes and there were two or three scattered write-in votes.

N. H. Greer was reelected to the board of aldermen, receiving 96 votes; W. T. Bovell had 100 votes for reelection as alderman; and Sam E. Fox, for reelection to the place made vacant by Keeling's resignation as alderman, had 101 votes. Some scattered write-in ballots were counted in the alderman voting also.

Dudley Malone and Will Harp are the two hold-over members of the city council. Keeling has been acting mayor for several months.

TAPPAN RANGE GOES TO ELSIE LEE OF MULESHOE

Elsie Lee, daughter of Mr. and Mrs. M. E. Lee, of Muleshoe, was the winner of the Tappan Range given in a contest just ended by the Piggly Wiggly store here. Bob Harvey announced. The contest was ended Tuesday night.

The appliance awarded was a de luxe Tappan Range, valued at \$239.95. Mr. Harvey in a statement thanked Johnson-Pool Tire & Appliance and West Texas Gas Company for their cooperation and his customers for their interest.

The Lee family reside on East Fourth street here in Muleshoe, and Elsie Lee, who is 12, is a pupil of the 6th grade.

The name was drawn by Branda Nelson.

TWO SPANISH CLASSES NEXT WEEK

Illness and conflicting dates forced a postponement of the Conversational Spanish class this week.

To make up for the loss in time, the chamber of commerce announced that the class will meet next Tuesday and Thursday nights at 7:30 in Room 13 at the Senior High School.

ROPING CLUB TO DINE

The Muleshoe Roping Club will hold a special dinner meeting in the private dining room at Gerald's Cafe tonight (Thursday) at 8 o'clock, according to announcements mailed this week by Walter Witte, club secretary.

"Several matters of pressing business and plans for the second Will Rogers Memorial Round-up on August 15 and 16 will be discussed, he said.

VISITORS FROM KRESS

Mr. and Mrs. Don Exline of Kress were visitors over the week end in the home of their grandparents, Mr. and Mrs. E. H. Engstrom.

Glen Williams Announces For County Judge

Glen Williams has authorized The Journal to announce that he is a candidate for the office of County Judge and Ex-officio School Superintendent of Bailey County, subject to action of the Democratic Primaries. Mr. Williams, a long time resident of West Camp and Goodland communities, made the following statement in connection with his announcement:

TO THE PEOPLE OF BAILEY COUNTY

I am taking this opportunity of announcing that I have decided to become a candidate for County Judge and Ex-officio School Superintendent of Bailey County. I have made this decision neither hurriedly nor lightly, but after months of careful consideration, during which time I have given much thought to the great importance of this office and the great responsibility and many duties attached thereto.

I am 36 years of age, a property owner and tax-payer and have lived in Bailey County for 23 years. I have had considerable experience serving the public, among which has been service as a school trustee, a member of the county school board and 4 years as county commissioner of Precinct 3, from which office I retired in 1948, and did not seek a third term. This experience has given me a working knowledge of the functioning of our schools and an understanding of the structure and operation of county government to the extent that I should be able to serve you in this capacity, and serve you well. To this end I would, if elected, put forth my very best efforts, and try at all times to equally and fairly represent all the people of Bailey County, whoever they are and regardless of their circumstances and give courteous and careful consideration to whatever matters might be brought to my attention.

I have no political ambition, and I am not seeking personal glory, but my interest in this race stems from an earnest desire to serve Bailey County and her people in whatever capacity that I am best qualified to do so. I would consider it a great honor to be elected County Judge and in exchange for such honor I would try to repay you by constantly endeavoring to preserve the dignity and maintain the personal conduct of this office in as high and noble a manner as God gives me grace to do so. I would try to make you an official that you would be proud of and after a modest tenure would voluntarily turn the office back to you, in good shape.

This, briefly stated is my platform, these are the principles upon which I shall campaign this summer and upon these principles I humbly and sincerely invite and solicit your support and cooperation.

Respectfully yours,
Glen Williams

P. T. A. MEETING TO BE HELD TUESDAY NIGHT

The elementary P. T. A. will meet Tuesday night, April 8 for a program on "Our Resources - Our Destiny."

Speakers of the evening will be Mrs. Noel Woodley with the subject of "Protected by Citizenship."

J. W. ELLIS HAS VISITORS

Wade Ellis of Somerton, Ariz., and A. A. Ellis of Oklahoma City are visiting this week in the home of their father, J. W. Ellis who has been ill for some time.

WEEK END IN ALBUQUERQUE

Mr. and Mrs. B. F. Murdock spent last week end in Albuquerque visiting their son and family, the Gene Murdocks.

GARDEN CLUB TO HOLD INSTALLATION MONDAY

The Muleshoe Garden Club will meet the coming Monday, April 7 for an installation service in the home of Mrs. Noel Woodley. The meeting is scheduled for 9 a. m.

JayCees Sponsor Local Production 'Shooting Stars', Home Talent Show

Mary Louise Hood from Empire Producing Co., Kansas City, Mo., arrived in Muleshoe Monday evening to direct stage and costumes in the big 10 scene home talent musical comedy, "Shooting Stars", which is being sponsored by the Muleshoe Junior Chamber of Commerce for the benefit of their civic improvement fund.

The show will play two nights, Thursday and Friday, April 10 and 11, at the high school auditorium. Curtain time is 8:15 p. m.

"Shooting Stars" is a community show with every age represented in the cast. The first and second graders will have a beautiful scene at the beginning of the program when they unfold the enchanting fairy tale of "Snow

Progress Com.

To Elect Directors

The Progress Community Association will have a regular business meeting Tuesday, April 8, at the Progress Methodist Church.

The meeting is for the election of directors. Directors now are E. W. Locker, Joe Sooter, Joe Simmacher, James Wedel, Margaret Davis, Ray Mayberry, and Gordon Murrah. There are three vacancies to be filled.

Everyone who is interested in the meeting is invited to attend.

MRS. BARNETT RETURNS FROM HOSPITAL

Mrs. Pat Barnett of Baileyboro has been released from Lubbock Memorial Hospital after undergoing surgery.

LICENSED NURSES TO MEET AT LEVELLAND

The Licensed Vocational Nurses of District 18 will have their regular meeting Thursday night, April 3, at 7:30 p. m. in the court house at Levelland.

VISITOR FROM ALBUQUERQUE

Mrs. C. A. Myers of Albuquerque, N. M., is visiting with her daughter, Mrs. Harold Mardis and family, and with her son, Ed Myers and family.

Seniors Of Area To Gather Here For "Education For Citizenship" Day

Muleshoe High School will be host to some 225 senior students on Tuesday, March 6. The seniors will gather here to participate in the "Education for Citizenship" day, a project of the Muleshoe Chamber of Commerce.

School officials in Farwell, Friona, Bovina, Lazbuddie, Springlake, Sudan, Bula, Morton, and Three Way were given a brief outline of the proposed program by local chamber of commerce officials, and without exception endorsed the idea that is designed to provide counseling in the various lines of commercial and professional endeavor. In addition a portion of the program will be devoted to inspirational talks by prominent speakers on the opportunities of free enterprise and the responsibilities of citizenship.

Sponsors of the project that was devised and inaugurated by Sec. of State, John Ben Shepperd, are hopeful that the program will become an annual event. "Its worth has been previously demonstrated on a regional basis by both the East and West Texas Chambers of Commerce, and we feel that it will be equally as successful on the smaller scale we are going to present here," they said.

"In fact we feel that the smaller groups will prove to be even more successful. There will be less travel involved and thus more time can be devoted to giving the seniors helpful information on the professions or vocations they plan to follow. A program of this type will also permit the young people to meet representatives of the various schools and colleges they plan to attend."

It was pointed out that under the regional program, scores of seniors visited a single campus,

White and the Seven Dwarfs". The junior and senior high schools will form three choruses, the comical "Mop, Mop, Mop" scene, the versatile "Happy Hag" idlers and the beautiful formid chorus, using the Fred Waring scene.

Muleshoe's Milton Berle will have you rolling in the aisles with his three characters one man skit and Kat Smith will introduce some speciality numbers by the Jubilee Singers. These scenes are only a part of the numbers that comprise this musical production featuring Muleshoe's best in entertainers and entertainment.

"Shooting Stars" has the theme of a back stage view of the first television coast to coast broadcast.

Empire is the largest producer of home shows in the world, playing all of the 48 states as well as the English speaking towns in Canada. Among other organizations Empire is backed nationally by the Junior Chamber of Commerce and had a feature story in the February issue of "Future", the JayCee magazine, entitled "Everybody Gets in the Act", and that's just what happens says Miss Hood as business and professional men and women combine with students from all three Muleshoe schools to make "Shooting Stars" a pleasure for audience and cast alike.

Tiny Tot Contest

A tiny tot popularity contest will be staged in connection with the staging of "Shooting Stars". One large show window in town will feature large pictures of the contestants with jars for the children's votes to be placed at the Muleshoe stores. Votes are counted at 1 cent each, they are counted daily and ratings are posted by 11:30 each morning to show everyone how their favorites are doing.

Prizes as well as crowns will be awarded the winners with roles going to the king and queen. Winners will be crowned the second night of the show as the king and queen, princes and princess, duke and duchess, of Muleshoe's Tiny Tot Land. Votes will go to the JayCees benefit fund.

For High Court

JUSTICE SMEDLEY

Austin — Associate Justice Graham B. Smedley filed application Thursday as a candidate for a second term on the Supreme Court of Texas.

A recognized authority on land, water, oil and gas law, Justice Smedley is now serving his first six-year term as a member of the state's highest tribunal. He rose to the position from the Supreme Court Commission of Appeals to which he had been appointed by the Court in 1933.

HERRINGTONS IN VISIT

Mr. and Mrs. Bob Herrington visited here last week end with friends. They now reside in Cozad, Neb., where he is connected with the National Alfalfa Dehydrating & Milling Co. Herrington operated a portable mill here for the company one summer, and before that was manager of the Muleshoe Alfalfa Mill, a privately owned firm.

JOHNSON ON THE AIR

Fred Johnson, local implement dealer will appear as the guest speaker on the Business Viewpoint, a feature of the Muleshoe Roundup, chamber of commerce radio program, heard each Saturday morning at 7:30 (c. s. t.) on KICA, Clovis.

Fort, Brock In Littlefield Match

Two outstanding professional ropers, Buddy Fort, of Lovington, New Mexico and Willard Brock of Levelland, Texas, will be top attractions Sunday when the Littlefield Roping Club will sponsor a match roping contest at the Jaycee Rodeo Arena, Littlefield, with activities to start at 2 p. m.

According to Gene Williams, president, Buddy Fort and Willard Brock are both outstanding performers. They will rope eight calves each, he said, and the contest will be hotly disputed. Fort's brother, Troy, held the world champion roping crown seven times, Williams said.

Top calf ropers from Oklahoma, New Mexico and Texas will be entered in jack pot roping competition, and any cowboy is eligible to participate in the contest. Twenty four 210 pound Brahma calves have been brought in from south Texas, and Williams said "they're mighty salty."

The roping meet will be held regardless of weather conditions, said Williams, and tickets will be sold at the grounds.

HERE WITH MOTHER

Miss Nell DeShazo, teacher in the Carlsbad, N. M. schools has been spending the week here with her mother, Mrs. J. J. DeShazo who recently underwent surgery.

PUPILS OF MRS. HOLLAND IN RECITAL MONDAY

The piano pupils of Mrs. C. S. Holland will be presented in recital Monday evening at 8 o'clock at the Methodist Church.

They will have as their guests a former student Gwyneth Biggam, who will play two arrangements for the piano and organ with Mrs. Holland.

JOHNSONS HAVE VISITORS

Mrs. A. B. Brown of the Spade community visited with her daughter and family, the J. G. Johnsons, Saturday.

BABSON DISCUSSES —

Consumer Buying

Babson Park, Mass., Mar. 28 — All through 1950-51, I hammered away at inflation, urging readers against panic buying which was one of the immediate causes of inflation. If any medals are to be awarded to the men of the year who helped curb inflation, they don't go to Truman or DiSalle.

PANIC BUYING

During 1951, manufacturers were urging the public to buy or else be sorry! Television was an especially good example. What happened? Many manufacturers, unable to find dynamic leadership in Washington with an intelligent plan for Korea, planned for the worst — a long war and critical shortages. They made so much at such a pace and at such high prices that shelves and warehouses became loaded.

At first, the gullible were panicked into buying. Again, televisions are a good example. The more thoughtful waited. Shortages failed to materialize. Buyer psychology changed. Consumers stopped listening to advertisements and stopped buying. Consumers did what the President and DiSalle and all the rest of the governmental hierarchy couldn't do — halted the price rise and the inflationary spiral!

CONSUMPTION RATES

One of the greatest periods in our production history was 1950-51. We made annually over \$3 billions worth of goods and services. Even when taking into account inflated prices, this figure represents the greatest physical volume ever produced by our country, topping even the war years of 1942-43. But people failed to buy these goods, although they were financially able to do so. Sales resistance developed sharply in textiles and most consumer durables, in radio and television, major appliances, furniture, carpets, household goods

SAND HILLS PHILOSOPHER

Wants Nebulous Loans Brought Down To Reach The Everyday Man

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has another brain-brained idea this week, his letter reveals. It's on the hazy side.

Dear editor: I was out here the other day watching the skies but not wondering when it was gonna rain. I have stopped wondering, I catch on finally, doesn't take me over two years to know we got a drought on and it'll end when it ends and not before. I'm not like my neighbor who has just finished diggin his fifth well in a row without findin water and is workin on his sixth, some folks just don't catch on fast, as I say, I was out here watchin the skies and a newspaper floated down right in front of me. I ain't seen the newspaper yet I wouldn't swap for an inch of rain, but I figured it was better than nothin and I took it to a comfortable tree and sat down and read where a Senator in Washington, when the matter came to light unexpectedly, admitted he had let another Senator have \$10,000 to help get elected.

When asked if the financial transaction was a loan or a contribution, the Senator said he wasn't sure, the matter was in a "nebulous state."

As I understand this, he wasn't sure whether the \$10,000 was a gift or a loan, and what I am wonderin is why we can't have some nebulous loans down here. Why do all the nebulous loans have to be confined to Washington? Why don't the government make folks around here eligible for them kinds?

You borrow some money from a bank or banker and there ain't nothin nebulous about that. These opinions of Roger W. Babson are published in this paper every week.

With two years of THEIR war. Dear God what a way to pay for stupidity—did you think to pray? What caused all this evil? Am I to blame?

Are you and your neighbor a part of our shame? With communism, the Godless RED PLAGUE spreading wide, what can I do to help stem the tide?

But if these bankers would adopt the Washington method, it would certainly increase the peace of mind around here. Be better than a rain to be able to go into the bank and inquire about that money they let you have and be told it's in a nebulous state and the directors ain't made up their minds yet whether it was a loan or a gift.

I'm not complainin about nebulous loans in Washington, what I'm complainin about is the fact they're limited to that vicinity. Those loans have the makings of a new step forward in finance, and I'm in favor of settin up a government bureau to go into that type of loanin. I got dozens of bills I'm perfectly willin to be hazy about if the stores would let me. I'm a little hazy right now about whether my subscription is due, but keep the paper comin, in a nebulous sort of way.

Yours faithfully,
J. A.

Wants Nebulous Loans Brought Down To Reach The Everyday Man

Each man has a soul, the Bible does tell. Do we pray for Joe Stalins to burn in hell? Or do we ask God in earnest beseeching to save Joe's soul with revival preaching?

To send food and famine and "Fire from the Beast" 'til Soviet Russia will PRAY for release?

And while we are at it, to pray for some SENSE in GOVERNMENT LEADERSHIP not politic bent.

Do Christian Nations live up to the name, or have they been too busy seekin fortune and fame? Have we been so idle where God is concerned, that He uses OUR way these lessons we've learned?

Aren't grief and misery and broken hearts enough of a jolt to start doing our part? God gave man a mind and the WILL to do right, to ask Him for guidance when 'ere we lose sight.

So brother, I'm thinkin it's time we should bow, and humbly start prayin' lest we forget how. We've given our money, we've been trapped by THEIR dares, but we still have our souls, let's GIVE THEM OUR PRAYERS.

Mrs. Finis Jennings Lazbuddie—

WANTED: Will buy clean cotton rags at The Journal.

"LEST WE FORGET... HOW TO PRAY"

What caused all our troubles, we were doing all right 'til some other country got ours in a fight? The United Nations was set up to fix the squabbles and quarrels (God's help wouldn't mix).

With two years of THEIR war. Dear God what a way to pay for stupidity—did you think to pray? What caused all this evil? Am I to blame?

Are you and your neighbor a part of our shame? With communism, the Godless RED PLAGUE spreading wide, what can I do to help stem the tide?

Today's Meditation

BEHOLD, WHAT MANNER OF LOVE

God was in Christ, reconciling the world unto himself (II Corinthians 5:19). Read II Corinthians 5:17-21.

As a student in a divinity school, I was required to write a thesis. Week after week I struggled over the writings of Dr. Peter Taylor, an English Congregational minister of the last generation. My thesis concerned his conception of the person and work of Christ. As I wrote I sought foundations which I could make my own.

When the thesis was nearing completion, I dreamed one night that I was preaching, trying to explain the relation between Christ and God. In my dream these words came to me: "The relation between Christ and God is the relation between a smile and the love that is behind it. Christ is the smile of God to a sinful world." I awoke feeling that my soul had been bathed in heavenly love, cleansed, and made whole.

God comes to us in Christ, but He encounters in us an evil that would thrust Him aside. Yet how gently, how tirelessly, He strives to win our love. He smiles lovingly and hopefully as He offers to each of us divine sonship.

HOW TRUE! Work hard and save your money, and when you are 65 you can retire and have the things only young people can enjoy. —Santa Fe Magazine

THOUGHT FOR THE DAY
God's smile is revealed through Christians.
F. Roderick, (N. C.)

PRAYER
Our Father God, whose love is best symbolized by a cross, heal the wounds that sin has made in our lives. Help us to conquer the doubts that stifle the faith we would declare. With Thy salvation restore to us wholeness of being. Reconcile us to Thyself, through Christ, our blessed Lord. Amen.

Want a lot of mileage for your money?

WE'll admit that the price tags of automobiles—all automobiles—are what they used to be. But it's just as true today as ever before that some price tags are lower than others, and some cars cost less to own than others.

So let's see how a Buick SPECIAL fits into the picture. Take first cost. If you put the price tag of this Buick against price tags of cars that have always been tagged as belonging in "the low-priced field"—you'll find that, in actual dollars, a Buick's surprisingly close to these cars of lesser size and horsepower.

But that's just the beginning. What you're getting here is Buick quality—this SPECIAL comes down the

same assembly line as SUPERS and ROADMASTERS. Its hefty tells you it has extra sturdiness in frame and structure. Its Fireball Engine delivers extra power. It is an eight, a valve-in-head, with high compression, and the miles you can get from a gallon of gas make it a thrifty performer.

You get Buick's Million Dollar Ride, which protects you—and the car—from jars and jolts. Even the tires are bigger—which, any tire man will tell you, lengthens their wear.

And if you pay a bit extra for Dynaflo Drive, you're easing the strain on the engine, the rear end, the tires—and eliminating clutch repair bills.

So when we talk about "mileage for your money" we're talking about the miles you'll get from your car—including the unused miles that are what you have to sell when you trade it in.

Maybe that's why Buick's doing so well in the present market. Why not come in and see what a great car this is for you? Wheel Covers standard on ROADMASTERS, optional at extra cost on other Series. White sidewalls optional at extra cost when available. Standard on ROADMASTERS, optional at extra cost on other Series.

Sure is true for '52
When better automobiles are built

Attend House Party At Wayland College

Friday, March 25, at 1:30 p. m. the Y. W. A. Girls of the First Baptist Church met at the church to go to Plainview to attend the Wayland College Y. W. A. House Party. More than 300 girls from the 9th district registered for the party.

Friday night the girls were entertained with a banquet in Wayland's new dining hall. The highlights of the program were reports by the two girls from District 9 who attended Ridgcrest last year and ten reasons given each contestant to go to Ridgcrest this year.

The speaker for the evening was Mrs. C. W. McCullough, a missionary from Colombia, South America.

After the banquet, the girls attended a pajama party. Lights were out at 12.

Saturday morning the girls arose to start a day of interesting programs on how to carry on Y. W. A. work.

Attending from Muleshoe were Barbara Bowers, Betty Dalton, Jo Ann Dalton, Glynn Sue Morrison, Karolene Towns, Evelyn Bratcher, Corrine Wimberley, Rose Mary Pool, and the sponsors, Mrs. D. L. Morrison and Mrs. Fay Cox.

School To Be Held For Eastern Star

A regular meeting of the Muleshoe Chapter of Eastern Star No. 792 met Tuesday evening, April 1, at 8 p. m. in the Masonic Hall. Betty Burkhead, worthy matron, presided over the meeting.

Plans were made to attend the school of instruction to be held in Plainview Wednesday, April 16. Mrs. Glynn Dunn asks all members interested in studying for certificates to contact her.

At the close of the meeting, refreshments were served.

GOOD SERVICES

There have been some good singing and worship at the Church of the Nazarine. Remember the Sabbath Day and keep it holy.

Come and be in our number Sunday.

Rev. Sidney Patrick, Pastor

Muleshoe Texas

Let Your House Grow With You

Whether you want to build your complete home now or build on a small house and enlarge it later, you will find many attractive features in Farm & Ranch Plan No. 5136. If you want the complete home, build it as our plans illustrate. If you want a small two bedroom house, simply leave off the front bedroom, the breezeway, and garage. When and if you desire to make additions there will be no structural changes required.

This house was planned to give lots of space and convenience for a moderate cost. The living/dining area and breezeway are arranged so that each will serve its special purpose and yet be used as one area for large groups. The breezeway is an ideal place to visit, sew, or prepare foods on hot afternoons and evenings. It also makes a good play pen for babies while Mother is preparing meals. If you put windows in the breezeway it will be delightful spot both summer and winter.

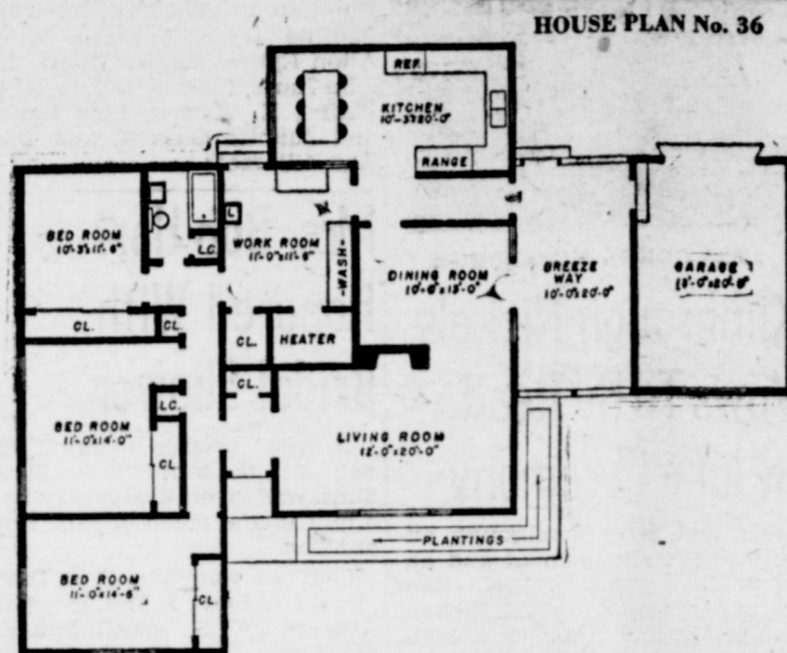

The kitchen will provide comfortable eating space for six or eight people without the table being in the way of the work area.

The workroom, convenient to the kitchen has space for laundry and food storage and also has a lavatory where field hands can wash up. The large closet adjoining the fireplace is sufficient for most hot air heating plants. It is centrally located to keep duct work to a minimum. An extra stack in the fireplace chimney will serve for a vent from the heater, regardless of type. If you do not need it for a heater it would be an ideal spot for a shower or half-bath.

The bathrooms, workroom, and kitchen can be served with a small amount of plumbing, yet they offer the facilities found in much more expensive homes.

The front entrance is offset to protect it from the weather. The entrance hall with clothes closet will give privacy in the living area.

You can obtain blueprints for this The Muleshoe Journal Farm & Ranch House Plan No. 5136 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch Southern Agriculturist, Dept. L-36 Nashville, Tenn. Order by number, Plan No. 5136. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

NEW OFFICERS: New officers of the Texas and Southwestern Cattle Raisers Association are, seated, left to right, Jack Roach, Amarillo, Texas rancher, president and J. M. Crews, banker and rancher from Childress, Texas, first vice president. Standing, left to right, Henry Bell, secretary-general manager; Judge Joe Montague, attorney, both of Fort Worth, and R. J. Kleberg, Jr., of King Ranch, Kingsville, Texas, 2nd vice-president.

H. D. Club Draws Secret Pal Names

The Progress Home Demonstration Club met Tuesday, April 1, in the home of Mrs. Richard Smith.

Mrs. Edward Little presided over the business session. Roll call was answered with "My Most Embarrassing Moment". The 4-H Club dress review has been changed from April 26 to April 19 and will be held in the court room.

Mrs. G. T. Maltby was elected by acclamation as a nominee for the T. H. D. A. Chairman.

Secret pal names were drawn and the first date for gift exchange is to be June 3.

Mrs. Dian Reed gave the program on "Laying A Walk" and discussed the different types of walks.

Refreshments of punch, cookies and mints were served to Mesdames Dian Reed, G. T. Maltby, Manuel Self, Gordon Murrah, Alfred Patterson, Edward Little, Albert Davis, and the hostess, Mrs. Richard Smith.

The next meeting will be April 15 in the home of Mrs. Alfred Patterson and roll call will be a "Tip on Interior Decoration". The program will be on lamp shades so if you have any to recover bring them to the next club meeting to be discussed.

Letters To The Editor ...

NEWS IS APPRECIATED

Dear Sirs:
Enclosed you will find \$2.50 for the renewal of my subscription to the Muleshoe Journal. The news it affords is certainly appreciated way up here in Pennsylvania. Thanks very much.
Cpl. Bob Kimbrough
Indiantown Gap, Pa.

ENJOYS 95th BIRTHDAY

Dear Sirs:
We are receiving our Muleshoe Journal regularly and wish to thank you for the prompt service.

Mr. and Mrs. J. B. Farley enjoy hearing of their old friends and the happenings in their home town.

I am enclosing a picture of them enjoying the sunshine in Vacaville, Calif., on Mr. Farley's 95th birthday.

They send their best wishes to all their old friends and neighbors in Muleshoe.
Sincerely,
Thomas Farley

JayCees Tiny Tot Popularity Contest Is Well Underway - Parade Saturday

Muleshoe's citizens will begin seeing stars much earlier than the scheduled date, April 10 and 11. Seventh and eighth graders from the junior high have been divided into three groups. One group is the Tiny Tot popularity committee, which consists of 12 members, diligently securing large pictures of the contestants for Cobb's window and placing jars for the children's votes at various stores throughout Muleshoe. Look this window over at Cobb's and enter your favorite Tiny Tot. For this see Mrs. Barbara Blackman, the contest chairman. The second committee is the stunt publicity group which among other things are sponsoring a hobo parade for the coming Saturday at 3 p. m. for all students from the grade through the sixth grade.

Prizes will be awarded the three worst looking hobos. You will see other evidences of this committee at work throughout Muleshoe for the coming week. The third group represents members of the cast which will make up the Hay Riding chorus for the 2 hour production which includes Muleshoe citizens from 6 to 60.

The senior high students are working on the beautiful formal chorus as well as the comical Pop Mop chorus. The former makes the background for the Fred Waring scene, the latter are aspiring TV stars who got stopped somewhere on the ladder of success as a pail and mop were placed in their hands.

Of interest to Muleshoe citizens is the fact that photographers from "Look" magazine photographed scenes from this production in Phillipsburg, Kans., and will feature the story in one of its spring issues. Therefore people in and around Muleshoe will have a scrapbook collection photo-

tographed by some of America's leading photographers to see what went on back stage in their own Home Talent production.

BOOKKEEPING SYSTEMS For Sale at The Journal Office. See us for refills also.

TRUSTEE ELECTION TO BE HELD HERE SATURDAY

Patrons of the Muleshoe Independent School District are reminded that the annual election of trustees is scheduled to be held in Muleshoe the coming Saturday, April 5. Two are to be elected, to replace Bill Collins and Ernest Locker, whose terms expire.

Verney Towns and David Anderson have been nominated to take their places.

Quadruple Amputee Weds Sweetheart

Oakland, Calif., March 29 — A quadruple amputee Korean war veteran placed a ring unaided on the left hand of his pretty brunette sweetheart today and the couple walked down the aisle of the Oak Knoll Hospital chapel in Oakland as man and wife.

The wedding united Marine Sgt. Werner Walter Reininger, 22, of San Antonio, Texas, who lost all his fingers and feet during the bitter fighting at Chojin reservoir in Korea last year, and Jeanette Harriet Strotton, 21, of Hayward, Calif.

The Marine Sgt., fitted with artificial limbs, strode steadily from a room at the rear of the chapel to join his bride-to-be in front of the altar.

He barely leaned on the cane with which he walked to the altar as the wedding service was read by Lt. Comdr. E. L. Wade, Protestant chaplain of the naval hospital on Oak Knoll. Some 60 friends and relatives witnessed the ceremony.

The bride was dressed in a ballerina length dress of white nylon lace over tulle with a fingertip veil. The Marine was dressed in a white mess jacket and dark trousers.

This young service man is one of the many Mrs. H. Jay Weyer has corresponded with through the W. S. C. S. student and service men's secretary work during the past two years.

"Mad March Hare" Party Is Enjoyed By Intermediates

The Intermediates of the First Baptist Church met Tuesday, March 25, at 8 p. m. and enjoyed a party with the "Mad March Hare." The decorations were representations of all the seasons of the year and all the guests sat on the floor.

Many interesting games were played and refreshments of cake, easter decoated cup cakes and soda pop were served to Jerry Inman, Jimmy Black, Jimmy Morrison, Darlene Black, Marion Inman, D. L. Morrison, Jr., Marlene Black, Duane Morrison, Gene McKnight, Larry Hicks, Melvin Bratcher, Bobby Nelms, Jo Ann Dalton, Corine Wimberley, Evelyn Bratcher, Karolene Towns, Glynna Sue Morrison, and the sponsors, Mrs. D. Morrison, Sr., and Mrs. Arch Fowler.

Mrs. Sullivan Hosts Enochs H. D. Club

The Enochs H. D. Club met Thursday afternoon, March 27, in the home of Mrs. I. J. Sullivan with one visitor and nine members present.

The meeting was opened by the reading of the creed and the roll call which was answered by "A recent magazine article of interest". Mrs. P. A. Altman gave a report on the council meeting and the commissioner's banquet was discussed.

Mrs. M. J. Gibson gave a report on planning a drive.

Several games were played directed by the recreation committee and refreshments were served to the visitor, Mrs. M. J. Tucker, of Slaton, Texas, and Mesdames Earl Thompson, I. D. Johnson, P. A. Altman, M. J. Gibson, I. A. Lenard, John Vanlandingham, W. A. Pool, Dutch Cash, and the hostess, Mrs. I. J. Sullivan.

The next meeting will be in the home of Mrs. M. J. Gibson.

Annual Conference Held In Amarillo

The Northwest Texas W. S. C. S. Annual Conference met in Amarillo Tuesday, April 1.

Those attending were Mrs. Johnnie Westbrook of Progress, Mrs. Jesse M. Lewis of Y. L., and Mrs. Homer Sanders, Jr., Mrs. H. W. Hanks, Mrs. C. R. Farrell, Mrs. F. B. Pierson, Mrs. Ray N. Edwards, and Mrs. Arnold Morris all of Muleshoe.

Half Century Club Meets In Ray Home

The Half Century Club met Thursday, March 27, in the home of Mrs. Erma Ray with her mother, Mrs. E. W. Duke as hostess.

Games were played throughout the evening and refreshments were served to two visitors, Mrs. Loraine Kennedy and Mrs. R. L. Jones, and members, Mesdames Williams, Willman, Kistler, Johnson, Moeller, Witte, Stevens, Panter, Spence, Farrell, Snyder, Harden, Gilbreath, Ingram, Paul, Carles, and Davis.

The next meeting will be Thursday, April 10, in the home of Mrs. George Johnson.

Society Joans

THE MULESHOE JOURNAL, Thursday, April 3, 1952

Mrs. Sanders Hosts Wesleyan Guild

The Wesleyan Service Guild met Monday evening, March 31, at 7:30 in the home of Mrs. Homer Sanders, Sr.

Mrs. Buford Butts gave the devotional and Mrs. Ray Edwards brought two chapters of the study "We Americans, North and South America," on Brazil and Mexico.

Mrs. Homer Sanders, Jr., president, presided over the business session and appointed Mrs. Buford Butts and Mrs. Jim Cox for a committee to get more dishes for Fellowship Hall. The Guild also decided to meet at 8 p. m. instead of 7:30.

The next meeting will be April 14, the place to be announced later.

Refreshments were served to one visitor, Mrs. D. B. Lancaster, and members, Elizabeth Harden, Mesdames Buford Butts, Lois Schoenberger, Fred Johnson, Curtis Spivey, Homer Sanders, Jr., Ray Edwards, H. W. Hanks, A. S. Stovall, and Alex Wilkins.

Homemakers Class Changes Name

The Homemakers Class of the First Baptist Church met with Mrs. Spence April 1, for a business and social meeting.

The meeting was opened by a prayer by Mrs. John Benson. Mrs. Alma York then brought the devotional reading from Hebrew 13. The class decided to change its name from Homemakers to T. E. L. Class.

The next meeting will be in the home of Mrs. E. E. Dyer for an all day April 10 to quilt for the Round Rock Baptist Home. All members and prospective members are invited.

The meeting was closed with a prayer by Mrs. Glaze and lovely refreshments of ice cream and cake with orange juice and coffee were served by the hostess to Mesdames Lovie Benson, Beulah Perkins, Alma York, Emilee Snow, Lois Shook, Allene Dyer, Beulah Motheral, Bessie Harlan, and a visitor, Mrs. Ross Glaze.

MISS DONNA KIMBROUGH

Kimbrough-Nickels Vows To Be Read In June Ceremony

Mr. and Finis Kimbrough announce the engagement and approaching marriage of their daughter, Donna, to Ed Nickels, son of Mr. and Mrs. Guy Nickels.

Vows will be exchanged Saturday, June 14, at the Main Street Baptist Church with Rev. M. E. Robinson officiating.

Both are graduates of Muleshoe High School and are attending College at Texas Tech, Ed is a business administration major.

Tri-Class Meeting Held In Home Of Mrs. Lela Barron

The Dorcas, Winsome, and Willing Workers classes of the First Baptist Church met in their regular fifth Monday night meeting March 31 in the home of Mrs. Lela Barron. The members of the three classes are all former members of the Winsome Class which was divided last year.

The devotional, "Watchfulness and Faith", was brought by Mrs.

W. S. C. S. Begins New Study Book

The Women's Society of Christian Service met at the Fellowship Hall Monday, March 31, at 2:30. The opening song was "I Love Thy Kingdom, Lord", followed by a prayer by Mrs. H. W. Hanks.

An inspiring devotional was given by Mrs. Roy Bayless on the "Church Awaits Your Loyalty." Mrs. Tom Smallwood gave the life history of Truman B. Douglass, author of the new study book, "Mission to America" and Mrs. F. B. Pierson conducted the lesson in the absence of the study leader.

The first chapter, "The American Way and the Church" was given by Mrs. J. E. Day, the first part of the second chapter, "The Undaunted Community", was given by Mrs. Pierson, and the second part of the second chapter was given by Mrs. Hanks.

The meeting was dismissed by a prayer by Mrs. H. Jay Weyer. Members present were Mesdames Lucy Layne S. D. Anderson, Tom Smallwood, J. E. Day, H. C. Holt, H. Jay Weyer, H. W. Hanks, J. J. Gross, I. W. Haney, F. B. Pierson, Roy Bayless, C. R. Farrell, and Arnold Morris.

Mrs. Bob Hart Honored With Bridal Shower

A bridal shower honoring Mrs. Bob Hart, the former Joyce Blackburn, was given Wednesday from 4 to 7 in the home of Mrs. Howard Cox.

Hostesses were Mrs. F. H. Davis, Mrs. A. S. Stovall, Mrs. Ray Griffiths, Mrs. G. S. Dowell, Mrs. Eddie Lane, Mrs. Claude Sanders, and Mrs. W. E. English.

In the receiving line were the honoree, Mrs. Bob Hart, Mrs. H. L. Blackburn, the groom's mother, Mrs. Sam Aldridge, and the bride's grandmother, Mrs. A. C. Bray.

The colors of white and pale green was carried out in the decorations and the refreshments. The table was centered with an arrangement of fern and white stock. Lime punch, individual wedding cakes iced in pale green topped with white wedding bells, mints and nuts were served from a lace covered table by Mrs. Charles King, Mrs. Jim Bickel, and Mrs. Bill Jim St. Clair.

Presiding at the guest book were Mrs. Herbert Griffiths and Mrs. John O'Neal, Jr.

About 60 guests called during the evening.

VISIT DOWNSTATE

Mr. and Mrs. Gil Wollard have been visiting in Marlin and other points downstate.

Pleasant Valley 4-H Club Organized

The Pleasant Valley 4-H Club organized under the direction of the assistant county agent, Bill Rogers April 1.

Present were Jimmy Allison, Allen Turner, Winston Allison, Edward Wuerlein, Richard Green, Royce Turner, Doyce Turner, Nan Allison, Susan Allison, Sherry Allison, and Martha Wuerlein.

Officers elected were: President, Jimmy Allison; Vice-president, Allen Turner; Secretary, Nan Allison; Reporter, Martha Wuerlein.

Regular meetings will be held each first Tuesday night of each month.

MULESHOE TEXAS

STAR Agriculture

Released by Department of Agriculture

By John C. White, Commissioner

THE PINK BOLLWORM—I

Two problems in Texas Agriculture come to us across the Rio Grande—the "wetback" and the cotton Pink Bollworm.

The insect, or Pectinophora Gossypiella, has this in common with the "wetback": things look better to it on this side of the border, and it comes across to work in our cotton crops. It will "hitch" a ride across the international bridge on trucks and cars and clothing, or anything else that

has been in contact with cotton or cotton products in Mexico. Or, in the moth stage, it will fly across.

The first Pink Bollworm was discovered in Texas near an oil mill in Robinson County in 1917. Since then, it has become the greatest threat our cotton industry has ever faced, with 193 counties now under quarantine.

The worm comes from an egg laid by the moth on the cotton plant. The larva burrows into the

fruit, square or boll and reaches maturity in 10 or 15 days. It pupates, and in about 30 days from the time the egg is laid it has developed into a moth. After mating, the female moth deposits eggs for another generation.

The worm grows to about one-half an inch in length. It's made up of segments, like the tail of a crayfish. Each segment is ringed by a pink line.

The moth is less than an inch long, brown in color, and shy—hiding from the light of day under stones or brush and flying in the late evening. It can make long distance flights of hundreds of miles, at an altitude of 2,000 or 3,000 feet—for example, from the Laguna district of Mexico to as far away as Arizona, New Mexico, and the Plains of Texas, which is a rather respectable performance.

These little moths live only two or three weeks. But as many as five and six generations appear in one season. That means if every egg laid by one female moth should develop into an adult moth, in five generations one moth would have produced more than 10,000,000,000 hungry Pink Bollworms.

Multiply that by millions of moths on thousands of acres of cotton, and we get a rough idea of what we're up against.

PanTech Farms Annual Field Day Is Scheduled For Friday, April 11

The second annual field day will be held at PanTech Farms, April 11, 1952. All major research work being carried on at PanTech Farms will be discussed, according to J. P. Smith, PanTech Farms Manager.

L. A. Maddox, Jr., Animal Husbandman for PanTech Farms, and project leader for the bull progeny test, will lead the discussion of this year's feeding results. 131 bulls representing 36 sire groups have been fed uniformly since last November.

The following breeders are cooperating in the progeny test: Raymond Nelson and L. A. Maddox, Sr., Miami; W. M. Goode and J. F. Lewis, Floydada; B. L. Smith, and Sons, Swearingen; E. C. Reinauer, Colby Conkright and Sons and the Eskimo Ranch,

Hereford; Brown and Davis and R. H. Brown and Son, Throckmorton; M. H. Smith and Son, Canadian; Lee Richards, Stinnet; George Coffee, White Deer; R. L. Newton, Lark; C. A. Hoover, Lawerence, Elzey, Percy Powers, Roger Pearson and R. H. Holland, Perryton; M. R. Pearson, Farnsworth; C. J. Frantz and Sons, Waka; A. B. Carruth, M. C. Overton, Jr., and Emmet LeFors, Pampa; Paul Dauer, Panhandle, Travis Dameron, Amarillo; M. A. Blau, Booker and McQuiddy Brothers, Higgins, Texas.

Dr. H. R. Crookshank, Research Chemist for the Bureau of Animal Industry at PanTech Farms, will lead the discussion on the development and results of the wheat pasture grazing studies that have been conducted at the farm.

Several state and national leaders in livestock production and research, will appear on the program during the day. Dr. D. M. Wiggins, President of Texas Tech, will deliver the address of welcome. Dean W. L. Stangel will outline present and future objectives of the PanTech Farms. Dr. Donald Ashdown will outline the proposed PanTech Farms Greenbug Research program. Other leaders that have indicated they will appear on the program include Dr. R. E. Patterson, Dr. J. C. Miller, and John Jones, Texas A. & M. College, George Ellis, Manager of the Bell Ranch, and Jack Williams, purebred breeder from Paint Rock, Texas.

The program will begin at 9:00 a. m. and continue throughout the day with discussion groups and tours to test pots.

VISITORS FROM DUBLIN

The C. A. Adams family of Dublin visited in Muleshoe and Clovis, N. M., over the week end.

DARBYS HAVE VISITOR

C. A. Adams, Jr., of Dublin visited Jerry Darby of the Progress community Saturday and Sunday.

Insect Control Vital If Farmers Are To Achieve Production Goals

The problem of controlling insects may soon become a major job on a lot of Texas farms. Never before in history have agricultural producers been asked to plant and harvest crops as large as those asked for in 1952 and Allen C. Gunter, entomologist for the Texas Agricultural Extension Service, says the final production figures for the year will reflect just how well crop destroying insects were controlled.

He says there is a lot more involved in a good insect control program than buying an insecticide and applying it to the crop. First he suggests that farmers secure copies of bulletins and circulars from their local county agents that describe the insects and list the recommended control measures. The second suggestion is of prime importance. Know what insecticide is needed and then read the label on the container to make sure that it is the one recommended, says the specialist.

Correct Materials Urged
The great number of organic insecticides on the market today are offered in many different formulas and strengths and poor insect control will result if the correct materials are not used, says Gunter. He especially calls attention to the need for checking spray formula labels. In the case of cotton sprays, he suggests that the recommendations listed in C-182, Guide For Controlling Cotton Insects In Texas—1952 be followed. Then to insure proper dosage, read the label and follow the manufacturer's instructions to the letter. A lot of failures have resulted, says Gunter.

because the wrong formula was used or in other words, the material was not checked for strength, label was not studied, before it was applied to the cotton.

BACK FROM FLORIDA

Mr. and Mrs. W. H. Awtrey returned last Friday after a 16-day trip. They went as far south as Key West in Florida, back by the way of Georgia and Tennessee, Kentucky, Illinois, and Missouri. They visited with Mrs. Awtrey's aunt and uncle in Lafayette, Ga., also a cousin in Chattanooga, Tenn., and a brother in Missouri. They were in 12 different states while on their trip and saw lots of flooded rivers, and lots of rain but missed the storm in Arkansas and Tennessee. They report a wonderful trip.

TO GO TO FAR EAST

Beardean Broyles, son of Mr. and Mrs. Owen Broyles, has reported from Seattle, Wash., that he was being sent to Korea or Japan. He left March 26.

A NEW, FAST, ECONOMICAL PRINCIPLE IN LAND LEVELING

A WESTATE WILL WORK WITH YOUR TRACTOR

You don't need a heavy 3- or 4-plow tractor to operate a Model D WESTATE LAND LEVELER. A WESTATE keeps the scraper in a plane with the FRONT WHEELS of your tractor and the REAR FLOAT by means of a remarkable new principle using an exclusive PARALLEL LINKAGE CONTROL mechanism. Because the scraper is attached to the lift-arm close to your tractor, it makes for a lighter pull and better traction while retaining top leveling efficiency. No matter what kind of a tractor you use, you can finish your seed bed preparation faster and cleaner with the new WESTATE. Your dealer will show you. A WESTATE is a most valuable machine, for by simple adjustments, it can be changed to a fast efficient scraper, or a bulldozer capable of moving large amounts of dirt. You get all three useful machines for less than an old-type leveler alone. There's a WESTATE Model for YOUR tractor. Write for literature today.

3 IN ONE
* Land Leveler
* Scraper
* Bulldozer

a toast to the family's health...

VITAMIN RICH MILK!

You never outgrow the need for milk! Child, or adult— you need calcium and phosphorus to build bones and teeth. Vitamins A, B, and G to ward off infection, and stimulate digestion. . . protein to rebuild worn muscles and tissues! Milk supplies ALL these daily essentials your body requires —and more economically than any other food!

a pint for each adult every day

a quart a day for every child

Have your milkman leave enough milk, daily, to assure your family of a normal, balanced diet.

be sure you're getting all the milk your family needs!

lessening of kitchen chores

and a great reduction in shopping time...

A Story of America's Freedom of Religion

IN THE early part of the 18th Century a small group of God-fearing people from western Germany, Switzerland, and Alsace Lorraine, representing many of the finest artisans and craftsmen of the Old World, banded together to follow their own form of worship. In 1842 they sought the freedom of worship and the freedom of opportunity they so devoutly desired, in a new land — America. They settled on a tract of nearly 8,000 acres located near Buffalo, New York. After 12 years at this site, the pressing need for additional land led them to the newly admitted state of Iowa.

They established seven villages in a beautiful section of farm and woodland, 25,000 acres in area, southwest of Cedar Rapids, Iowa. The villages formed what is now known as the Amana Colonies. The people were self-sufficient, they established their own woolen mills, wagon and implement factories, furniture factory, meat industries. As the needs changed, so did the industries. The one priceless resource was that each member possessed some particular skill, some devotion to a special trade handed down from father to son in the Old World tradition. The group lived a communal life until 1932, when the members formed a joint stock corporation.

Amana's industries — furniture, woolen textiles, baked goods, hickory-smoked ham and bacon, were originally intended for the supply of home needs but the excellence of their quality attracted many visitors who created an ever-widening demand for Amana products.

Amana wood and metal workers concentrated their skills, and pioneered in the construction of frozen food locker plants all over America. Again the demand of the outside world was heard, and Amana turned to the manufacture of a complete line of food freezers.

In all of America, there is no other community quite like the Amana Colonies. For here are blended the old ways with the new... the time honored, fine craftsmanship and individual pride in workmanship, and the efficiency of 20th century industry. The plant where Amana food freezers are made is modern in machinery and methods. But located in Amana, employing Amana people, the old spirit of fine craftsmanship persists. Every Amana freezer reflects this heritage of technical skill, integrity of workmanship, and highest quality standards.

Texas May Call Is For 1394 Men

The May draft call for Texas is 1,394 men, Brigadier General Paul L. Wakefield, state Selective Service director, has announced.

Quotas to local boards will be figured and mailed "sometime during the early part of April," the state director said.

The state quota can be filled with 21 years of age and older, according to current manpower inventories at state Selective Service headquarters.

"The picture may change, though," General Wakefield cautioned, "and may be forced to dip into our 20 year old age group. We are not authorized to go any lower than 20 year olds."

The state draft director pointed out one exception to this rule.

"Delinquents and volunteers of a younger age can be inducted," he pointed out.

The May call of 1,394 compares with a call of 1,184 in April. The May quota in 1951 was 1,332.

Under present plans at state headquarters, draft boards will be called upon in May to forward around 2,500 men for pre-induction physical and mental examinations. No regular examinations are being given in April.

A total of 630 4-Fs are being re-examined in April from 63 local boards. Around 150 conscientious objectors also are being examined in April, in compliance with recent regulations governing civilian work which these men will be required to perform.

Conscientious objectors who fail these examinations, the same as given to prospective inductees, will not be required to perform this civilian service.

Your Heart Pumps 2,500 Gal. Daily

Austin, April 2 — Pumping 2,500 gallons of blood every 24 hours is the astonishing work done by the heart, according to Dr. Geo. W. Cox, State Health Officer. The heart is about the size of a man's fist and is rated at 1-240th of a horsepower; it never sleeps, loafs, or takes a vacation from the beginning of life to the end. The only rest it gets is between beats. Yet with all the work the heart has to do it does not give out suddenly unless it has been injured or ill-treated.

Under pressure of work the average person neglects his heart and unwittingly abuses it. The chief causes of heart trouble, aside from the deterioration of old age, are rheumatic fever, acute infectious diseases, chronic infections, syphilis, too abrupt return to activity after a serious illness, too strenuous exercise and overweight may be a factor.

Many of the signs which you may think mean heart trouble can be caused by some other disorder. Indigestion, lung trouble, or nervousness may cause pain near the heart, shortage of breath, fainting and irregularity of beat. If you have any of these symptoms, do not try to diagnose the condition yourself, but go to your doctor for an examination. He will be able to find out what is wrong and may tell you that your heart is sound. Have a regular periodic examination and follow your doctor's advice.

Fuel For Growing Empire Is Title Gas Co. Movie

Critics have been unanimous in their praise of West Texas Gas Company's "Fuel For A Growing Empire", a film document of natural gas and life on the South Plains of Texas. Filmed during a year of unprecedented agricultural production and activity, this new creative 27 minute documentary effort is a simple and directly told picture narrative.

Theme for "Fuel For A Growing Empire" is based upon the explorations of an eminent Army explorer, Captain Randolph Marcy, whose travels carried him across the section of West Texas served by West Texas Gas Company. What the captain saw and reported a century ago to his superior later became a congressional report and is now documented in the congressional records.

The camera lens opens on a familiar prairie dog and his West Texas home, scenes of the Canadian River and the Palo Duro Canyon are then shown, representing the possible trail which Captain Marcy followed during his trip. Skyline views of various West Texas towns appear and as the story progresses, the camera picks up impressive scenes symbolic of cotton production, potato harvest, wheat and maize combining as well as other area activities.

The picture uses map sequences to show the area served by West Texas Gas Company. Other scenes show the equipment and facilities involved in the production, transmission and distribution of natural gas.

It is a kind of free verse, so to speak, that can be written about the cities and towns of Carl Sandberg's poetry—it is the kind of film West Texans like and even get a little emotional about the facts and truths of the area.

Civic Clubs See Film

The executive producer in charge of this film was Marion F. Peters, veteran motion picture producer of the South Plains. Bill McCarroll, advertising manager for West Texas Gas Company, was in charge of the script and directed the making of the picture.

The only portion of the picture not made in West Texas was the sounding of the film. Sound was recorded by Telefilm, Inc., Hollywood. Narration for sounding the picture was handled by Don McNamara, former NBC associate, who is now in charge of all Television production work at Telefilm, Inc. His excellent handling of the script adds a forceful punch to the color film.

Several civic clubs in West Texas have previewed the film and Chambers of Commerce.

Reddy Needs Help at Plant X

Operators and maintenance men are needed at Plant X, the Southwestern Public Service Company's new generating station, four miles south of Earth. Bob Drake, plant manager, is forming his crew now and is looking for local men with a high school education and mechanical abilities to fill these jobs. For an interview and an application for work as an operator or maintenance man, see Bob Drake at the Plant X site now.

the banquet.

Special entertainment during the visit will be provided by the 28-piece Amarillo Air Force Base Band.

There will be an exchange of greetings over a mobile sound truck amplifying system.

Frank Helvey, chairman of the committee in charge of the event, said everyone in Muleshoe, children and adults alike, is cordially invited to attend the band concert and meet the train.

At 5:50 p. m. the group will board the train for Clovis, Carlsbad and return to Amarillo via Bovina.

MODERN LIVING IS ELECTRIC LIVING!

I NEVER KNEW CLOTHES COULD BE SO FLUFFY UNTIL WE GOT OUR ELECTRIC CLOTHES DRYER!

Nothing is quite as stiff as a line full of frozen clothes. There's nothing soft or fluffy about clothes dried in a freezing March wind. But there's no need for this old-fashioned drying method any longer. Automatic electric clothes dryers dry the clothes the way you want them — soft and fluffy — ready to put away or damp-dry for ironing, whatever your choice.

SEE YOUR MODERN ELECTRIC APPLIANCE DEALER

SOUTHWESTERN PUBLIC SERVICE COMPANY

27 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

Planned For A Young Family

On a small budget you can have a comfortable, convenient home. The low cost of this Farm & Ranch house is accomplished by a combination of things. For instance, the interior walls by the bedrooms are formed by the closets, which actually serve as partitions. Where it usually takes 3,000 square feet of wallboard to build the inside walls in most homes, less than 1,000 square feet are required to cover the interior walls of this house. These cost walls can be provided using only the type of roofing which we specify. This roof framing is such that the exterior walls can be erected and goodly portion of the inside finished before putting the partition walls. The exterior walls carry the entire weight of the house.

The main portion of this house can be built first, then the garage and space for a washing machine may be added later. Some cost has been cut by using a box type construction for the garage. This arrangement also gives a pleasant change in texture that often is found in modern homes.

We have further reduced the cost by suggesting the use of a double wall cement asbestos flue instead of the conventional brick chimney. This flue is very satisfactory and can be conveniently supported by the roof structure. Steel casement windows are used in order to reduce maintenance cost as much as possible.

The rooms in the house are very conveniently arranged. See how handy the bathroom is to the bedroom and kitchen and all the house! And note the large closets.

The kitchen is so arranged that there need be no traffic across the work area. You can obtain blueprints for this The Muleshoe Journal Farm & Ranch House Plan No. 5142 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch, Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number plan, No. 5142. Blueprints are adequate for any farm carpenter or for any farmer handy with tools.

CHRISTIAN SCIENCE SERVICES

The inadequacy of trust in matter, and the dominion and power demonstrated by Christ Jesus through his reliance on his Father, God, the creator of all that is real, are discussed in the Lesson-Sermon on the subject "Unreality" to be read at all Christian Science churches on Sunday. The Golden Text offers this admonition: "In the multitude of dreams and many words there are also divers vanities; but fear thou God" (Ecclesiastes 5:7). Christ Jesus, by his works, il-

Legion Speaker

JOHN BEN SHEPPERD

Snyder — Secretary of State John Ben Shepperd of Gladewater will be one of the speakers at a meeting of District 19 of the American Legion in the new American Legion Home in Snyder Sunday morning, April 6.

Shepperd will speak after the dedication of the new home. State Commander Charlie Gibson of Amarillo will be present for dedication ceremonies. Other Legion officials attending will include Burton Hackney of Brownfield, commander of the 5th Division; Bob Kirk of Littlefield, commander of the 19th district and representatives from the following counties: Andrews, Borden, Bailey, Crosby, Dawson, Dickens, Floyd, Gaines, Garza, Hale, Haskell, Hockley, Howard, Kent, King, Lamb, Lubbock, Lynn, Martin, Mitchell, Scurry, Stonewall, Terry and Yoakum.

illustrated the unreal nature of sin, disease, and death, thus showing his understanding of these words from the Bible: "All things were made by him; and without him was not any thing made that was made" (John 1:3). The Discoverer and Founder of Christian Science, Mary Baker Eddy, has expressed it in this way: "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make. — hence it's unreality" (Science and Health with Key to the Scriptures, p. 525).

Rotarians See Gas Co. Film

Members of the Rotary Club viewed a film made by the West Texas Gas Company entitled "Fuel for a Growing Empire" when they held their regular meeting in the Post Office Cafe dining room Tuesday.

The film, made by Gas Company personnel, was shown by Bill McCarroll, of Lubbock, the company's advertising manager, who gave a brief talk about the film before unreeing it. He referred to an early book written about 1850 in which an Army Captain described this territory as uninhabited and under the circumstances, "never would be inhabited."

An interesting portion of the film is that part which explains how natural gas is brought from the ground and transported hundreds of miles to the homes, schools, churches, factories of this growing empire.

Ralph Mardis, a member of the club and manager for the gas company here, arranged for the program.

Guests included Miller King of Lubbock and Mrs. Ray Griffiths of Muleshoe.

FOR SALE

25 A. West of Muleshoe on Clovis highway will cash lease.

80 A. on Friona highway. New well, 8" elec. pump. Level land, ready for planting. If you're looking for the best, this is it.

160 A. North Muleshoe, 120 in cultivation. In irrigation district, 7/8 minerals. A good buy at \$105. per acre.

Attractive eastern Colorado cattle ranches. Located out of Colorado Springs. Low price, good terms.

6800 acres native grass plus 127 acres of irrigated mostly in alfalfa. Grazing land is divided into three large and three small pastures with wells which produce an inexhaustible supply of water. This ranch is in the Arkansas Valley. This is mostly level land. Price is \$17.50 per acre for the 6800 acres and \$100. per acre for the 127 acres irrigated.

3000 A. fair modern buildings on highway. 900 acres of nice growing wheat of which 1-3 goes to buyer. This ranch lies well and most of it could be broken out if desired. Several hundred acres are shallow to water that would pump irrigate. Can sell this for \$51. an A. with only 29% down.

726 A. Northwest of Colorado Springs. Modern 3 bedroom home that would cost \$10,000. to replace. Only one mile off State Highway. Good hunting and fishing in this vicinity. A good one man ranch, many nice springs and running streams. An ideal site along stream for tourist cottages. Price is \$35,000. 1/2 will handle.

For Constable, Prec. 1: J. N. (Jesse) JAMES

EARLY DETECTION AIM OF CANCER CRUSADE

One-third of the cancer deaths during the past year could have been prevented if the disease had been detected early. Frank C. Smith of Houston, president of the Texas Division of the American Cancer Society, told state Cancer Crusade leaders on the eve of the 1952 drive.

The Crusade for funds to fight America's number two killer will begin in Texas Wednesday, April 2, with a special "kick-off" broadcast from the State Capitol.

"The April Crusade is not just a drive for money," Smith, a cancer survivor himself, said. "The Crusade offers an opportunity for extensive education. Remember that every solicitation made is a chance to save a life."

Smith urged Crusade workers to distribute pamphlets giving the danger signals of cancer as they seek funds for the American Cancer Society's programs of research, education and service.

"The greatest weapon we have to supplement the doctor's work is education of the public," Smith said. "We must drive home the fact that early cancer can be cured. . . that the rate of cure

American Cancer Society

CANCER CRUSADE BANNER—The American Cancer Society's 1952 Texas Cancer Crusade poster theme, above, will be displayed over the state during April, Cancer Control Month.

declines with the progress of the disease."

This year the state goal is \$600,000, of which 60 per cent will be spent in Texas and another 25 per cent spent nationally on research. Of the remaining 15 per cent, a considerable part will be spent in Texas on educational material. The drive will be sparked by the theme, "Cancer Strikes One In Five. Strike Back."

HERE'S THE WAY to pull a rear-mounted plow

Look at the Allis-Chalmers mounted plows for WD and CA Tractors. Here is the hitch that boosts traction by adding implement weight to the rear wheels. It's also the hitch that gives constant-depth plowing. Let us prove that Allis-Chalmers free-swing plows give you both for the best plowing you've ever had — at low fuel cost.

"turns out she was right after all"

"Jane kept harping about not having hot water enough for her new automatic washing machine. I said nonsense—we have a good water heater! But to keep peace I called our plumber. 'Only ONE automatic water heater heats fast enough to run these modern appliances,' he said, 'and it's Gas. It's 3 times faster than any other all-automatic fuel.' He said also a Gas heater would be cheaper to buy, install and run. Must say I've got hotter water for shaving, too!" Ask your plumber—he'll tell you there's nothing like Gas for automatic water heating.

And there's nothing like Gas for automatic cooking... refrigeration... house-heating... air-conditioning... clothes-drying... incineration.

Mules Win District Title

By JOE KELLY
Sports Editor
Lubbock Avalanche-Journal

Muleshoe, paced by sensational Eugene Buhman, walked off with the District 4-A track meet at Texas Tech yesterday, rolling up 47 points to beat five other schools.

The Mules beat Levelland, closest pursuers, by nine points. The Lobos had 38 points, while Brownfield was next with 27½. Morton was fourth with 27½, Tahoka picked up 13 and Littlefield brought up the rear with eight points.

Buhman raced to first places

in the 100 and 220 yard dashes, added another first in the broad jump and picked up a point and a half by finishing on the second place 440-yard relay team and the mile relay team.

Although the busy Buhman picked up 16½ points, Lackey of Morton was second with 12½ points. Langford Sneed, Levelland's great athlete, picked up 10½ and George Branch another Lob, was fourth with 10 points.

But the biggest upset and surprise in the entire meet came late in the day when Bob King, running most of the time in Buck Johnson's shadow, came through with a first place in the

mile. King, who ran for the Mules at Big Spring because Johnson was ailing, overtook his team mate in the back stretch and put on a great finish kick. It carried him past the tiring Johnson and across the finish line with his first triumph over his rival.

Levelland took an early lead in the meet, piling up points on a one-two-three finish in the shot put, won by Sneed with a heave of 48 feet, 3 inches, Campbell was second and Branch came in third.

Levelland also finished the same way in the discus, with Sneed winning on a toss of 128 feet. Branch was runner up and Muleshoe kept picking up points as the meet kept along and finally caught—and passed—the Lobos on the 440-yard relay. The team of Bickel, W. Moore, Johnson and Buhman came in second, while Levelland could manage no better than fourth.

This gave the Mules a lead of 35-33 and they went on to victory from there.

Times, on the dirt track and with a relatively strong wind noonkicked up sand much of the afternoon, weren't outstanding, although there were several good races. But Coach Willard Hedge's crew had more than enough.

Muleshoe piled up five first places and five second places, one more of each than Levelland garnered. Each had two third places, but the Mules had three fourth places to the Lobos' two.

By winning 10 of the top 28 places, the Muleshoe squad qualified the highest number of trackmen for the regional meet, which will be held April 18 or 19. Muleshoe also qualified two relay teams, while Levelland had eight men and one relay team; Morton four cindermen and one relay team; Brownfield three trackmen; and Tahoka two men for the regionals.

TRACK RESULTS

100-yard dash—Won by Buhman, Muleshoe; second, Lackey, Morton; third, Northam, Littlefield; fourth, Hyles, Tahoka. Time—10.2.

220-yard dash—Won by Buhman, Muleshoe; second, Halamicek, Tahoka; third, Hyles, Tahoka; fourth, Hinson, Brownfield. Time—22.8.

440-yard dash—Won by Branch, Levelland; second, Williams, Littlefield; third, McIntire, Brownfield; fourth, Brumley, Brownfield. Time 54.7.

Tech Speaker

LUBBOCK, Apr. 2 — It will be old home week May 26 when the class of 1952 at Texas Tech graduates.

Gov. Dan K. Thornton, governor of Colorado and an ex-agriculture student at Tech, will give the commencement address. He is the second ex-student to speak to the graduating class at Tech.

The ceremony starts at 8 p. m. in Jones Stadium.

The Colorado governor was born in Hall County, Texas, Jan. 31, 1911. He moved with his parents to Slaton, Texas, where he attended high school three years, transferring to Lubbock High School to graduate. He attended Texas Tech two years, then continued his education at the University of California at Los Angeles.

Lazbuddie News

The Lazbuddie baseball team is beginning their ball practice. Mr. and Mrs. Douglass Gonsler are the proud parents of a baby boy, Tommy Douglass, born Monday, March 17.

Mrs. Alice Griffin of Lubbock is visiting with her daughter, Mrs. E. R. Lawhon and family.

Mr. and Mrs. Jack Griffin visited in the home of E. R. Lawhon, James Welch and the Chester Embry family Tuesday.

Clifford Cantrell, son of Mr. and Mrs. J. O. Cantrell, is at home on a 15 day leave for his grandmother's funeral.

Attending a surprise birthday party given for James Welch in the home of Chester Embry were Mr. and Mrs. Bobby Broyles, Mr. and Mrs. W. C. Coffman and daughter, Mrs. C. C. Graef and son, Clayton Ray, Mr. and Mrs. E. R. Lawhon and Janice, Mrs. Alice Griffin, Clifford Cantrell, Walter Baker, and Reta Welch.

Mr. and Mrs. Jack Griffin of Lubbock spent the week end visiting his sister, Mrs. Lawhon and his nephews and nieces.

Mr. and Mrs. Graef and Charlene and Mr. and Mrs. Raymond Carson are in Missouri vacationing.

BACK FROM FLORIDA

Mr. and Mrs. W. Q. Casey are back at home after a long trip through the South. They first went to the Texas Odd Fellows Grand Lodge at Galveston, then along the Gulf coast to West Palm Beach, Fla., where they visited with a son, Sgt. Joseph W. Casey and family. They report harvest of oranges was in full swing when they were in Florida, and said that while it was much warmer than it is here, the climate was very pleasant.

School Lands. No consideration. OIL, GAS AND MINERAL LEASE

Jessie Harold Mardis, et ux to W. V. Terry. SW-4 Section 4, Block Z.

RAINBOW ASSEMBLY TO CELEBRATE 30TH YEAR

Girls of the Rainbow Assembly and the advisory board will meet

at the Fellowship Hall Sunday evening at 7:15 to attend the Methodist Church services in a body to commemorate their 30th anniversary.
