

Karl Lovelady Has Announced For Legislature

Karl L. Lovelady, attorney of Muleshoe, this week authorized The Journal to announce he is a candidate for Representative 96th Legislative District of Texas, subject to the Democratic primaries. He made the following statement to the voters:

I take this means of officially announcing for the office of State Representative, from the 96th Legislative District of Texas, comprising Lamb, Bailey, Castro, and Deaf Smith Counties.

In asking the people of this district to elect me to this office, it is with a full realization that the people of this district should have the best representation possible from the person they send to Austin. With this in mind I would like to review my background for you so that you as the voter may arrive at whether I am qualified to serve you.

I am married and have one daughter 11 months of age. Am engaged in the practice of law at Muleshoe in Bailey County. Have been living in the district for three years and before that was assistant city attorney at Lubbock, Texas. Before coming to West Texas, I represented the 21st Senatorial District in the State Senate for four years and before that was County Judge of Bosque County for four years.

While a member of the State Senate I was Chairman of the Committee on Education, and worked for the betterment of our school system. I also worked for more aid for Old Age Assistance, more money for rural roads, and a betterment of our State institutions.

While County Judge of Bosque County, I served as Secretary-Treasurer of the County Judges and Commissioners Association of Texas, and was also a member of the National Association of County Officials.

I have always worked for soil conservation and will continue to do so if elected by you to the Legislature. This includes the conservation of our water supply; but believe that we should retain control on the local level.

Have never been in favor of high taxes and do not propose to change at this time, and believe that through economy all of our state needs can be met, and would not favor any additional taxes.

I trust that you will consider my qualifications for the job, and I invite any voter of the district to look into my past legislative record to see if I didn't vote for the best interest of the people.

I am not a man with a great deal of money, and have to work every day to support my self and family, and if I am unable to see you personally, before the election, I trust that you will consider this announcement a personal invitation for your support and influence. I assure you, however, that if you see your way clear to elect me that I will do my best to represent the will of the majority of the people in the district, and will not be negligent in my duty to you.

KARL L. LOVELADY

ELEMENTARY P. T. A. SCHEDULES MEETING

The elementary P. T. A. reminds everyone that the next meeting is Tuesday night, March 10, in the Junior High Assembly Room. The meeting will be opened at 7:30.

Castor Bean Production Will Be Explained At Monday Night Meeting

A meeting of all Bailey County residents interested in learning the details of castor bean production has been called for Monday night in the District Court Room at 8 o'clock.

Sponsored by the Agriculture Division of the Muleshoe Chamber of Commerce the meeting will feature a group of speakers from neighboring Deaf Smith County where the project was first put into operation last year.

The speakers will outline the plan that assures the producer a guaranteed outlet or sale for all the castor beans he can produce at the going market price. They will also tell of their experiences with their first crops, outline cultivation and harvesting methods, and give such other information as may be asked from the floor.

Arch T. Fowler, Agricultural Director, whose committee, composed of George Hicks, E. O. Baker, and Ernest Kerr, will sponsor the meeting, stated that the experience of Deaf Smith farmers had been most encouraging. During their first year, without any previous experience, the average production per acre was about 750 pounds. The crop sold

Mrs. Marlow Rites Held Here

Funeral services for Mrs. Rosa Bell Marlow were conducted Tuesday, March 4 from the First Baptist Church with Rev. A. W. Blaine and Rev. J. E. Moore officiating. Interment was in Sudan cemetery with Muleshoe Funeral Home in charge of arrangements.

Mrs. Marlow died at Altus, Okla., Saturday, March 1, at the age of 83.

Miss Rosa Bell Marlow was born March 31, 1868 in Claborn County, Tenn. She was married in 1882 to T. C. Marlow. Mr. Marlow passed on three years ago.

To this union was born one son, Lee Marlow, who preceded her in death. She is survived by eight grandchildren, 24 great grandchildren and 11 great great grandchildren.

The grandchildren are: Mrs. J. D. Tallant, Licking, Mo.; O. W. Marlow, Muleshoe; Fred Marlow, Los Angeles, Calif.; Charley Marlow, Globe, Ariz.; Mrs. John Rodgers, Muleshoe; E. B. Marlow, R. D. Marlow, Mrs. Lloyd Spies, Sudan, Texas.

Pallbearers were Wilson Witherspoon, Ralph Ethridge, Wesley Dement, Earl Dorsey, James Warren, and I. L. Kitchen.

Sheriff Now Has 2-Way Radio Sets

The two way radio system recently ordered for the sheriff's department has arrived and already been installed and tried out. Sheriff Hugh Freeman told The Journal.

The county has bought two new 1952 Ford special police cars for the sheriff's department, and receiving sets will be installed on these and one will be installed on the private cars of Bill Boothe, Garland Freeman, deputy, and the sheriff will each have one of the new Fords.

The aerial and tower has been placed on the courthouse, and the office radio set has been installed. The new system will enable the local officers to keep close tab on fugitives, suspects, etc. in the future, and an officer in the field can communicate back with the sheriff's office.

The meeting will be opened at 7:30.

The meeting will be opened at 7:30.

DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 30, NUMBER 11

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, MARCH 6, 1952

Longhorn Coach Will Speak Here

Athletic Banquet To Be March 18

Ed Price, head football coach of the University of Texas, will be the principal speaker at the athletic banquet scheduled here Tuesday night, March 18, in honor of all boys and girls athletes at Muleshoe high school. Coach T. J. Balzy announced. The banquet is sponsored by Muleshoe Quarterback Club and will be given in the high school cafeteria.

It is the first time that the annual banquet includes recognition of the participants in track, basketball, football and all sports instead of the one sport of football. Mr. Price will show the picture of the 1951 Texas vs. TCU football game, which the Longhorns won, becoming the only conference foe to conquer the Christians, 1951 champions of the Southwest Conference.

Ray Keeling, a Texas ex-student, former football great at the University, will meet Price at Lubbock. Other notables have been invited and may attend. Preparations are being made for 300.

After going through an undefeated interseasonal schedule, which included such powers as Kentucky, Purdue, and Oklahoma, the Longhorns dropped three league tilts to finish in a tie for 3rd place in the conference. The full-season record was seven wins against three losses.

The Longhorns' conquest of Oklahoma was another highlight of Price's first year as head coach. It was the first time in three years Texas had beaten Bud Wilkinson eleven. The win brought to an end the six-game streak the Longhorns had suffered in the Cotton Bowl stadium.

Price first came to the University in 1929 as a famed high school athlete from Corsicana, high, where he was a four sport letterman.

He lettered in three sports at Texas, football, basketball, and baseball and gained the distinction of playing on a conference championship team in each sport, an achievement unmatched in the University's history. He was an end on the 1930, 32, 35 football teams, captain and all conference guard on the 1933 championship basketball team and an infielder on the 1931, 32, 33 baseball teams. The 1930 football team and the 1932 basketball team won conference championships. Price earned a total of eight letters in three sports, three each in basketball and football.

Price stepped up to varsity coach in 1947, when Cherry succeeded Dana X. Bible as head coach. Here he won fame for his development of powerful lines. His 1950 two-platoon lines were ranked with the nation's best. He also had two linemen receive all-America honors under his guidance, Dick Harris, a tackle in 1947, and Bud McFadin as a guard in 1950.

Price's main emphasis is on the development of fundamentals. He is a keen student of football, noted for his diligence, shrewdness and attention to details.

Mr. Winters called attention to the meeting the coming Monday night at 8 o'clock in the district court room, called by the Chamber of Commerce, in regard to this subject, and suggested that everyone interested should attend and get first hand information.

ED PRICE
University of Texas head football coach

Having beaten in regular season play both participants of the 1952 New Year's Day Cotton Bowl classic, Kentucky and Texas Christian Universities, in his first year as head coach of the University of Texas, Edwin Booth Price is all set for his second year as head mentor of the Texas Longhorns.

Price took over the head post after the resignation of Blair Cherry at the end of the 1950 football season. Moving up from the line coach position he had held for four years, Price was faced with the job of defending the Southwest Conference cham-

City Election To Be April 1

A slate of candidates for city offices is on file in the city secretary's office in the election to be held the first Tuesday in April, the first day of the month.

Ray Keeling, who has been serving as alderman and acting mayor, will stand for election as mayor. Sam Fox will run for the post made vacant by Keeling's resignation and N. H. Greer and W. T. Bovell will stand for re-election as aldermen.

Will Harper and Dudley Malone are holdover members of the city council, which is composed of five aldermen and the mayor.

Church of Christ Special Services

You are invited to attend a series of Gospel Meetings to be conducted at the Church of Christ meeting place on West 1st and Ave. F.

There will be a different speaker each day consisting of the following Ministers of this region: Walter C. Billingsley of Amherst, Denton Thompson of Lubbock, Lowell V. Paden of Friendship, Gorin Rutherford of Dora, N. M., G. Dudley Stout of Bovina, Roy Tidwell, Littlefield, Boyd Glover, Sudan, Shelby Sanders, Muleshoe, and Ebb Randol.

Services each day at 7:30 with regular services each Lord's day.

The theme of this series of gospel preaching will be "Christian Living."

A cordial welcome awaits you, come.

Ebb Randol

Lions Banquet Was Attended By Capacity Crowd

A group of boys from Boys Ranch at Old Tascosa brought down the house when they appeared at the annual Muleshoe Lions Club Ladies Night Banquet, held in the American Legion Home last Friday night.

Hank Schulte, one of the directors of Boys Ranch accompanied the group, whose members sang, danced, and played musical instruments to the entire delight of the crowd.

Dr. Doyle D. Jackson, of Texas Tech was the principal speaker. Dr. Jackson, a humorous speaker, nevertheless he brought a serious note when he said that Lionsism, Rotary, etc. are fine and they are not religious organizations, but they will be better clubs if religious men belong to them.

There was a capacity crowd for the Lions annual event, about 200 being present. Rufus Gilbreath, Lion Boss, was toastmaster. Bill Moore, program chairman, introduced the Boys Ranch contingent. Lowell Irvin St. Clair introduced Dr. Jackson. Group singing was led by Tye Young with Willis Farrell at the piano.

Joe Duke prepared the meal, which was served buffet style.

Dr. Hutchins Addresses Lions

Dr. Hutchins, head of the psychology department of Texas Technological College, Lubbock, brought an interesting address to the Muleshoe Lions Club at their regular Wednesday noon meeting in Gerald's Cafe this week.

He detailed a case study of maladjustment and low IQ of a service man and used this case history to show the importance of finding the right employment, that for a person to be happy he should be in work that he likes and work that he has the IQ to accomplish.

Lloyd Alsop had charge of the program.

C. of C. To Hold Annual Banquet

Noel Woodley has accepted the general chairmanship of the Chamber of Commerce's annual banquet that will be held on April 15. He will be assisted by six committee chairmen each charged with the responsibility for a particular phase of the annual event.

O. D. Ray will head the committee in charge of the menu and serving the banquet; F. L. Shelby is in charge of securing the principal speaker and arranging the program; Mryon Pool will head the reception committee. W. Q. Casey will handle advance ticket sales; and Onard Upton and Lee Pool will be co-chairmen to arrange for the banquet site and decorations.

Everyone is invited to attend these services.

C. C. Morgan, Pastor.

Shirley Williams Of Three Way Is Bailey Co. Spelling Champion

There is only one s in the word disappear, and a knowledge of this fact permitted Shirley Williams, 14 year old student at Three Way elementary school to win the second annual Bailey County Spelling Bee held in the junior high school here last Friday.

She became the 1952 Bailey County spelling champion, and will represent the county in the West Texas Spelling Bee to be conducted in Amarillo the coming Saturday, March 8.

Jackie Cary, of Muleshoe, who was second the County Bee, was the speller who put an extra s in the word. She also took part in the County Bee last year and made a good showing.

Shirley correctly spelled the word, then spelled the next word given to her correctly and the Bee was all over.

Mary Lou Morgan, of Bula, stayed in the Bee long enough to win third place. She went down after misspelling the word "define".

Wards were given out to the contestants by Fred Johnson, Muleshoe businessman, and judges were Mrs. Onard Upton, A. J. Gardner, and Lee R. Pool, all of Muleshoe. The Muleshoe Journal sponsors the Bee each year, and this year presented the winner with \$10, the second place winner with \$5, and the third place winner \$2.50.

Shirley will go to Amarillo Saturday to compete with youngsters from counties all over the Plains and West Texas. She will be a guest of the Amarillo News-Globe-Times, sponsors of the Bee.

Revival Begins Here March 10

REV. J. V. PACE

A revival meeting will begin at the Assembly of God church in Muleshoe the coming Monday night, March 10, with Rev. J. V. Pace, pastor of the Morton Assembly of God Church doing the preaching.

Singing will be conducted by his son, Charles Pace, of Morton.

Rev. Lee F. Stokes, pastor of the local church, extended the invitation of the church for all to attend each service.

Progress Church To Have Revival

A revival is scheduled to start Friday night, March 14, at the First Baptist Church of Progress. The minister for the meeting will be Reverend George E. Findley of Grover City, Calif., who will bring old time gospel preaching services.

Everyone is invited to attend these services.

C. C. Morgan, Pastor.

Gospel Meeting To Begin Sunday

A gospel meeting is to begin Sunday, March 9, in the Church of Christ, West 1st, and Avenue F in Muleshoe, Ebb Randol, minister announces.

Theme of these meetings will be "Christian Living." The public is invited.

There will be worship each evening with Church of Christ ministers from over the territory speaking on different nights. The meeting will continue through March 16.

TO AMARILLO
Steve Osborn was in Amarillo March 4 for business.

Inductees For March Listed

A list of inductees for March has been made public by Texas Local Board No. 4, Selective Service System. The board serves Lamb, Bailey, and Cochran Counties. The list follows:

Billy Wayne Reer, Muleshoe. Albert Frank Richard, Whiteface.

Clois Dean Wiseman, Sudan. Jerry Wayne Messer, Muleshoe. Billy Wayne Nixon, Littlefield. David Joe Rose, Morton. David Lee Twilligear, Muleshoe.

Elbert Sterling, Jr., Muleshoe. Induction into the Armed Forces of the United States of the above named men is scheduled for March 19.

Castor Beans Hailed As New Cash Crop For Texas Plains Irrigated Farms

Quite a bit of interest seems to be developing in Bailey County as to the possibilities of castor beans as a new money crop for irrigation farmers in the County, according to Travis A. Winters, Administrative Officer, Bailey County PMA.

The growing season and cultural operations in producing castor beans is very similar to those for cotton. Yields in the Hereford Area last year ran from 380 pounds to approximately 1600 pounds per acre, and yields as high as 3000 pounds per acre have been produced.

Castor Beans are in short supply and the demand will be heavy. The oils and chemicals made from the castor bean are now used in ever-increasing quantities in hydraulic fluids,

lubricants, electrical systems, paints, varnishes, plastics, rubber compounds, lacquers, asphalt floor tiles, textiles, nylon, printing inks, cosmetics, artificial leather, leather finishing, belt dressing, caulking compounds, fertilizers, fungicides, polishes and waxes, protective coatings, rust removing agents, soaps, and a host of other products.

If Bailey county farmers are interested in trying some acreage of Castor Beans this year they should advise the PMA the approximate acreage they will be willing to try. The seedling rate is from 12 to 15 pounds per acre and the seed will cost about 20c to 25c per pound. If farmers indicate that a sufficient acreage will be planted to justify, they will be paid 10c a pound or the commercial market, whichever is

higher, on a clean seed basis. These payments will be made by signed draft at the County Office upon presentation of the weight and grade certificate by the grower. The Commodity Credit Corporation will enter into contracts with producers prior to seeding and no farmer should attempt to plant the beans unless he is assured of a market for them.

Castor beans of the irrigated varieties are harvested with special combines which will be made available to the area if a sufficient acreage is planted. These combines will be made available by the Commodity Credit Corporation and will be either on a lease or purchase basis.

All persons interested in an

acreage of castor beans are asked to call by the county PMA office at their earliest convenience and we will give you all the information we have on the subject, and list the acreage in which you would be interested in planting. If it appears that a sufficient acreage to justify is to be planted we will call on a state office representative of the PMA to hold a meeting in the area to give us a more detailed history and possibilities of the crop.

Mr. Winters called attention to the meeting the coming Monday night at 8 o'clock in the district court room, called by the Chamber of Commerce, in regard to this subject, and suggested that everyone interested should attend and get first hand information.

All persons interested in an

BABSON DISCUSSES —

Importance Of Businessmen

Babson Park, Fla., Feb. 29 — A few years ago, the Pacific Northwest was suffering a most difficult readjustment. Unprecedented wartime expansion seemed likely to end in complete collapse. Unemployment had reached serious proportions. Active shipyards, giant aircraft factories and war fabricating plants shut down.

In these weekly articles I seldom single out any one section for specific mention. Our American economy is interrelated to so great an extent, that every section is largely dependent on other sections. However, I think that there is a lesson for all sections to learn based upon the recent statistics and experiences of the Pacific Northwest.

PREWAR SITUATION
Prior to 1940, the region was almost entirely dependent for its prosperity on selling its raw materials. Its products were mostly shipped eastward in a raw state for processing and distribution to more profitable mass markets.

Here was an important lumber district, but all its lumber was shipped East in the raw state. Rich northwest farm lands supplied a large part of America's fruit and grain, but often as a loss. Copper, zinc, lead, silver, gold and antimony were scooped from its mines and shipped elsewhere for refining and fabricating. Fishing, especially for salmon, was big business. But, manufacturing industries were badly needed for lasting strength.

WARTIME EXPERIENCE
Expansion for war needs stimulated manufacturing industries temporarily. Aircraft factories mushroomed overnight. A full-blown aluminum industry sprang up, and there was a new plutonium plant at Hanford. Ferroalloy and other electro-process war industries were started. Huge power requirements pushed ahead hydro-utility construction. Population growth kept pace with industrial expansion. People rushed in from adjoining sections to get employment. There could have been a very bad slump

when the war ended. There were no established peacetime products or markets to which the industries and workers could return. However, instead of a slump, the area has forged ahead to new heights, due to the enterprise and courage of its business leaders. Labor today is even scarce in some lines and net migration into the area has continued high.

POSTWAR EVENTS
Aided by extensive research and these few businessmen, their raw materials are now going into finished goods. Prewar, no aluminum was produced in the Pacific Northwest; today nearly half of all our aluminum comes from this area. Food processing has been emphasized to take advantage of the area's growing output of agricultural products. Its hustling businessmen are making it the center of the new frozen foods industry. They are starting new flour mills, new canning plants, and other industries to employ nearly twice as many workers as in prewar 1939. This proves again that every community depends upon the ability and courage of about 5% of its people.

Furniture production has become a big industry utilizing the regions lumber resources. Paper and pulp industries have expanded 50% since 1940, while the chemical industry is being doubled. Other industries have been induced to move into the region to decentralize operations, and be closer to raw material supplies. Electric power output, despite tremendous growth, is being further increased.

IMPORTANT LESSON
New stores, laundries, filling stations and restaurants have been financed by forward looking citizens before they were really needed. This has all occurred in an area which seemed on the brink of a depression only some five years ago. Don't let any community, where this column is printed, get discouraged

THE SAND HILLS PHILOSOPHER

Hails New Kind Of Plant That Shades Out The Weeds, Needs No Plowing

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is still hunting for the lazy way out, his letter this week reveals.

Dear editor:
As you know, for years I've been in the lead in agitating for easier ways of farmin and ranchin, contentin that the experts have been workin on the wrong end of the problem, been tryin to get me to change my ways, instead of the plants and the cows changin theirs.

Well, I am happy to learn that some of the experts are finally comin around to my view point.

I read last night in a magazine I picked up in the dentist's office earlier in the day and will return if my tooth starts hurtin again where a scientist in Indiana is workin on a new way to raise corn, and if it will work on corn it ought to work on other things.

Under his system, he doesn't break his land, doesn't cultivate, doesn't plow at all. Only thing he does is scratch a little furrow out and drop the corn in, and then depends on the corn to out-grow the weeds. Under the present system, weeds shade out the corn if you leave them alone, which requires plowin and chop-pin, but under his system the corn shades out the weeds.

Now we're gettin some where. It's what I've been lookin for all my life, and as soon as he gets around to findin out how you can do the same with all other crops, he can have my vote for President.

However, I am generally a few jumps ahead of even the experts, and those birds don't want to quit with a plant that can whip weeds and grow without cultivation. There's still the problem of gettin the seed in the ground.

What agriculture needs above everything else, outside of a guaranteed price and hail, is a

under any conditions. No one examining the situation in 1947 would have been willing to forecast such a rate of growth. Today, similarly, there are other regions, as well as inventions and ideas, which stand on the threshold of most rapid growth. Our frontiers never really pass; the experience of the Pacific Northwest shows that the brightest opportunities often lie where the prospects seem least promising.

plant that will re-seed itself every year, or maybe a perennial variety of corn, cotton, wheat, maize, etc. A corn stalk or a cotton stalk that stays in place year after year, producin three or four ears or eight or ten bolls or big heads each fall, then goin dormat, comin to life again in the spring, etc., like a pecan tree, is the next step for me in agriculture. The trouble with farmin is you ain't no more than through with a crop when you have to

start over again on next year's. They talk about stabilized agriculture but agriculture won't be stabilized for me until a man can plant his farm in his youth and harvest crops every fall from then on out from the original plants.

How does Taft and Eisenhower stand on this?
Yours faithfully,
J. A.

GUINNS HAVE VISITORS
Week end visitors in the Allen Guinn home were Mrs. Guinn's sister, Mrs. C. G. Byrd and family of Dumas.

HERE ON BUSINESS
Mr. and Mrs. Raymond McAnally of Hereford were here over the week end on business.

TODAY'S Meditation

HUMBLING OURSELVES BEFORE GOD
God is no respecter of persons; but in every nation he that feareth him, and worketh righteousness, is accepted with him. (Acts 10:34, 35.) Read Acts 8:26-38.

Some years ago a graduate of a famous university took a vacation journey across the United States. A brilliant scholar, he had begun a graduate course in law. Religion had no place in his life. He fancied that he had outgrown God. Imagine, then, the astonishment of his friends a year or so later when — after earning his degree — he announced that he was giving up law to enter a seminary.

Today the book that lists him writes "Reverend" before his name and after it the one word, "minister."
"Three things on that trip

west," he explained, "changed everything for me; a sophomore theme I happened to read; the kindness of a railroad brakeman; the faith of a little girl in a home where I was entertained."

We can thank God that He works. His righteousness among us. We shall never outgrow God when we let Christ have His rightful place in our lives.

PRAYER
Our Father, we thank Thee for every good influence that has touched our lives. Help us, in turn, to introduce to others the faith that saves through all the world—the knowledge of Thee as revealed in Thy Son, our Master and Lord, in whose name we pray. Amen.

THOUGHT FOR THE DAY
God works righteousness everywhere through the humble-hearted.
Harriet M. Lucas (Minn.).

Washington — Many members of Congress are worried about an \$85 billion dilemma. Their minds aren't eased by letters such as this one, being supplied by a Minnesota store-keeper to his customers to send their representatives in Congress: "I have today paid my federal income tax under strong moral protest.

"While I fully subscribe to the payment of taxes for essential government purposes, I deeply resent the use of my tax money for the purpose inherent in the for the wasteful and extravagant purposes inherent in the present bureaucratic plan and so glaringly disclosed recently in the various government scandals."

Such a letter is apt to remind the average members of Congress that the proposed \$85 billion budget for the 1953 fiscal year, which begins July 1, is the largest in U. S. peacetime history; that taxpayers are becoming much more conscious of federal spending — and finally, that this is a national election year.

His inclination is to give the \$85 billion budget the longest look of any budget since the war. His dilemma arises from the fact that he has to hurry because this is an election year. With national party conventions set for July, Congressional leaders are pushing for adjournment by July 1.

Technically, of course, Congress is supposed to finish work on all appropriations bills by the opening of the fiscal year. But in the past that has not prevented Congress from continuing consideration of new spending bills past the July 1 date. Last year it was three months late in finishing work on some of those bills.

In fact, by coincidence or otherwise, the last Presidential elec-

tion year, 1948, was the last year in which Congress wound up work on appropriations bills by official July 1 deadline.

In 1948, however, federal spending was not the controversial issue that it is this year. Instead of struggling with an \$85 billion budget carrying a large deficit, Congress handled one of \$40 billion, with the pleasant prospect of a balanced budget. In 1948 Congress reduced taxes, whereas last year it raised them.

Meanwhile — if anything is needed to compound the worried Congressman's dilemma — there is the fact that unless he is a member of the Appropriations Committee, he has nothing directly to say about spending until the appropriations bills reach the floor for debate.

Furthermore, unless he is a member of that Committee, he has little opportunity for detailed study of the budget, or any part of it, prior to the time debate starts. It he tried to study it on his own, he probably would not get any other work done (the document dwarfs the Manhattan telephone book).

And the chances are that the particularly worried member of the House of Representatives is not on the Appropriations Committee. Roughly speaking, only one out of every nine members are.

The average member's solution is to rely on advice from colleagues who are members of the Appropriations Committee. He requires a lot of advice this year, for there are 11 different appropriations bills covering the broad and varied functions of the government.

Those bills are brought to the House floor for debate under a schedule arranged by the Appropriations Committee. The House member who is not on that Committee has nothing to say about the schedule.

He may wish the schedule was slower this year so that he could have a longer look at this record peacetime budget. But he knows that is hardly possible, for this is election year and July looms large on the calendar.

WANTED: Will buy clean cotton rags at The Journal.

Call out the Reserves with a touch of your toe!

Most cars lead a double life. A good part of the time, they're running errands, taking children to school, taking women to stores, taking men to work, taking family and friends to clubs and social functions. It doesn't call for a very great output of horsepower for duties like these. But there are times when you want a car that can do vastly more, and these are the times when you'll want what this year's ROADMASTER has to offer.

Beneath its proud hood, there's a Fireball 8 Engine—a valve-in-head that can let loose 170 lively horsepower when needed. And — alongside this engine — there's also an Airpower carburetor which thriflily feeds fuel and air through two smaller-than-usual barrels for normal driving—which means that you now use less gas at 40 than you'd formerly use at 30. But there are two barrels in reserve—waiting for you to call them into action — and they let loose a soaring rush of power that sinks your shoulders back into the seat cushion, swoops you past a truck—out of a tight spot—up a hill —sets your speedometer needle to registering

added miles more than twice as fast as your watch can tick off the seconds.

This is an experience you certainly should know firsthand.

You should also know how Buick's Power Steering* provides a helping hand in slow-motion maneuvers — lets you keep the "feel" of the car in straightaway driving.

And just for good measure, this '52 ROADMASTER also has the biggest brakes of any postwar Buick—the greatest trunk space since spare tires moved off the front fenders—a warning light that glows when the parking brake is set — and to top it all, the smartest interior fabrics that Buick has ever offered.

When are you coming in to look this distinguished performer over? We urge you to make it soon.

Equipment, accessories, trim and models are subject to change without notice. *Optional at extra cost on ROADMASTER only.

Sure is true for '52

When better automobiles are built BUICK will build them

OLD-FASHIONED LIVING

MODERN LIVING

MODERN LIVING IS ELECTRIC LIVING!

From the old open fireplace on through the ages cooking was a grimy, greasy job until electric cooking came along. Now, your pots and pans are always bright, always shiny for electricity is the cleanest cooking method known. Who ever heard of a dirty kilowatt? No black or grime on the sides of any pots or pans when you cook electrically either, for there are no flames to go around the sides and dirty up the pans — and the rest of the kitchen, too.

Modern living is electric living. Electric living is sparkling clean always. See your modern electric appliance dealer. See the sparkling clean range he displays. The clean-cooking, good-looking range. Of course, it's electric.

Jordan Explains Rules For Hiring Mexican Nationals

The Journal is in receipt of the following communication from J. D. Jordan, manager, Texas Employment Commission office in Littlefield, relative to employment of Mexican Nationals:

Due to the fact that several farmers of this area have expressed a desire to employ Mexican Nationals or Braceros, we think it pertinent to acquaint you, the public, with some Rules and Regulations pertaining to the Mexican National Program.

First, the present legal agreement has been extended to May 31, 1952. However, no Braceros may legally remain in the United States beyond that period unless agreement is further extended or replaced with new agreement prior to that date.

Second, the final date for extending present contracts was February 28, 1952.

Third, the Mexican National Program is an emergency program, and foreign workers cannot be legally brought into an area in which a shortage of local workers does not exist. Furthermore, if at any time citizen workers become available those who have foreign workers in their employment must replace these foreign workers with citizen workers. This means that after spending your money and time securing these workers you may be required by law to replace them with citizen workers with no resource.

Fourth, the area served by Littlefield office of Texas Employment Commission does not have shortage of citizen farm workers at this time.

Fifth, we do anticipate shortage of workers for cotton chopping and cotton harvest activities, and we suggest that you who are interested in this program contact your local office of Texas Employment Commission the latter part of May so that all forms may be filed in time for you to secure hands on date you will need them.

Deliveries Of Fertilizer Said To Be Very Slow

The slow movement of fertilizers from manufacturing, mixing and storage plants to farmers is developing in to a serious situation. Word has been received from the National Fertilizer Association calling farmers' attention to this situation that threatens to curtail the industry's ability to deliver the tonnage of fertilizers that will be needed to produce the 1952 crops.

Right now fertilizer factory storage space is being taxed and is resulting in a curtailment of maximum production. Transportation problems may further complicate the situation when the heavy buying season hits. Even though no actual shortage of fertilizers may exist, farmers may not be able to get the kinds nor amounts they will need.

Take Delivery Now
Fertilizers can be successfully stored on the farm, says M. K. Thornton, agricultural chemist for the Texas Agricultural Extension Service. Most any shed

Letters To The Editor ...

WANTS TO HEAR FROM OLD FRIENDS

McKinney, Texas, Mar. 3. Dear Editor: I received my first issue of The Muleshoe Journal and was sure glad to do so. I sure enjoy reading it and of the happenings around home. I am feeling good, but have been confined to my bed the last week. I still have approximately five weeks of medical tests and examinations to complete before going through Brain Surgery.

The Muleshoe Journal you sent me has really been around here at the hospital. More fellows have asked me to read it and then save it for them after I finish it. I can see Muleshoe is known all over the other states.

Tell the Chamber of Commerce I have really given Muleshoe a boost — of course with the help of The Journal itself. I want to

on the farm can be used for storage provided the roof does not leak and the fertilizer is stacked so that air can circulate around the bags, says the specialist.

Taking delivery now will help clear up the plant storage problem; ease the transportation situation and at the same time will permit farmers and others to get the kind and amounts of fertilizers needed to produce the 1952 crops.

Helpful insects Described For Local Rotarians

Members of the Rotary Club and their guests got better acquainted with beneficial insects, those which prey upon insects that destroy crops, at their regular meeting Tuesday in Gerald's Cafe. Harry Harvey, entomologist of Texas A. & M. Extension service spoke and told much about the habits of insects, what they like and don't like, and showed eleven slides of these beneficial insects.

Sometimes, farmers use a lot of poison and succeed only in killing the insects that would help them if they lived. Predatory insects live off other insects and naturally the more aphids and worms they eat, the less there is to eat cotton.

J. K. Adams, the county agent, introduced Mr. Harvey, and said that farmers in the south part of the county lost much from the boll worm's activities last summer. Harvey said that many farmers have had bad experiences with insecticides—but he attributed this to the fact that every farm situation is different, infestations are different, the stages of cotton growth are different, and it requires study to

From what he said it would pay every farmer to learn more about insects that tend to help him rather than hurt him, for many times insects can do about as much to help get rid of aphids, boll worms, leaf worms, web worms, and others even than insecticide.

tell whether applying poison will help or hinder in each individual farm case. The program was under direction of L. S. Barron. Guests included D. B. Lancaster, manager of the Bailey County Electric Cooperative Association. Ralph Mardis, Harry Waddle, and E. T. Evans were formally welcomed as new members of the club.

IT ALWAYS WORKS

Professor: "If molecules can be split into atoms, and atoms broken up into electrons, can electrons be split up any further?"

Student: "Well, professor, you might try mailing them to someone in a package marked 'Fragile.'"

— Santa Fe Magazine

Thanks To All...

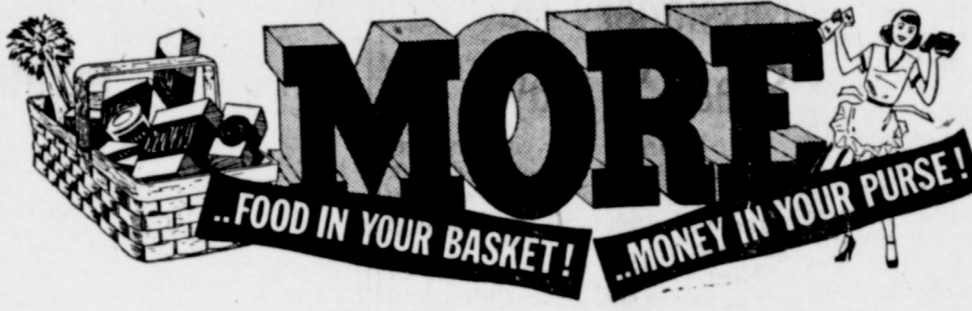

We are deeply grateful to all with whom we have done business during the years that we operated the Benton Food Market. It has been a pleasure to serve you and we enjoyed our association with you. We have sold our store to Mr. and Mrs. Paul Craig and hope you will continue to patronize them.

Half Century Club Meets In Home Of Mrs. Spence

The Half Century Club met Thursday, Feb. 28, in the home of Mrs. Spence with Mrs. J. L. Alsop as co-hostess.

The evening was spent playing games and visiting.

Refreshments were served to Mesdames Anna Moeller, Lula Kistler, Jennie Panter, C. D. Julian, Birda Paul, J. T. Gilbreath, Maude Jones, I. W. Harden, Frances Williams, Snow Davis, Mattie Duke, C. R. Farrell, J. H. Ingram, C. C. Stevens, the new member, Mrs. I. F. Willman, and the hostesses.

The next meeting will be Thursday, March 13, in the home of Mrs. Anna Moeller.

Mrs. Fowler Hosts Winsome Class

The Winsome Sunday School Class of the First Baptist Church met Monday, March 3, in the home of Mrs. A. T. Fowler. Mrs. Jack Obenhaus brought the devotional, "Walking in Love."

Mrs. John Watson presided over the business meeting after which refreshments of ice cream and cookies were served to Mesdames Hazel Wimberley, Vernie Towns, Rufus Gilbreath, L. E. Bratcher, Kenyon Dean, Hoyt Morgan, John Watson, Lela Barron, Jack Obenhaus, Troy Perkins, and the hostess, Mrs. A. T. Fowler.

Garden Club To Have Installation Of Officers

The Muleshoe Garden Club met Monday afternoon, March 3, in their regular meeting with Mrs. L. S. Barron and Mrs. E. H. Morgan as hostesses.

The president, Mrs. Robert King, presided over the business meeting. Minutes were read by the secretary and approved.

New officers that have been elected will be installed the first Monday in April at a breakfast at 9:00 a. m. with Mrs. Noel Woodley and Mrs. Howard Cox as hostesses.

The program was "Separating and Replanting Perennials" given by Mrs. Ross Goodwin. The kind of plants and the most suited place to put them was discussed.

The club then had a round table discussion of "Cleaning up the Garden."

Refreshments of coffee and cookies were served to Mesdames Robert King, Jack Epps, Joe Damron, R. F. Wright, Ray Morrison, Bill Moore, N. D. MacAllister, E. O. Baker, Roy Jordan, L. S. Barron, Beyrl Wingo, John W. West, M. S. Childers, W. E. English, F. H. Davis, B. H. Morgan, Jack Lenderson, J. T. Shofner, S. W. McLarty, H. S. Sanders, Jr., and Ross Goodwin.

VISITING IN DALLAS

Mrs. Bill Conoll is visiting this week with her mother, Mrs. H. S. Plumlee who is suffering from an attack of pneumonia.

Easter Fashions To Be Presented By Los Planos Club

Plans are still underway for the Los Planos Study Club Easter Fashion Parade which will be in the American Legion Hall March 28 at 8 p. m. The admission for adults will be \$1 and admission for school age and under.

Models selected by Cobb's Department Store are Mrs. Noel Woodley, Mrs. Elmo Evans, Janet Kirk and Arnold Morris. Children models are to be decided later.

Models selected by St. Clair Department Store are Mrs. Irvin St. Clair, Mrs. Bill Jim St. Clair, Mrs. M. E. Finley, Pamela St. Clair, LaNelle Booth, and Charles King.

The Fashion Shop have selected Jeri Nell White for one of their models and the others will be announced later.

Tickets are being sold now by club members. If you do not have yours, contact any member of Mrs. Sam Damron, Mrs. Arch Fowler, or Mrs. John Smith.

O. E. S. Has Memorial Program

A regular meeting of the Muleshoe Order of the Eastern Star Chapter No. 792 was held Tuesday evening, March 4, at 7:30 in the Masonic Hall.

Bettie Burkhead, worthy matron, presided over the meeting. A short memorial program was given for members of the O. E. S. who had passed away during the year. The Muleshoe chapter did not have any members to pass away during the year.

Mrs. Winnie Dunn gave a reading and Mrs. Juanita Roberts sang "Rock of Ages" accompanied at the piano by Mrs. Ruth McCarty. The altar was appropriately draped.

Several invitations were read from various chapters inviting the Muleshoe chapter to visit them during March. A number indicated that they would attend.

Refreshments were served to Mesdames Grace Morris, Grace Osborn, Ruth McCarty, Evelyn Johnson, Captola Goodwin, and the participants on the program.

WATSON NEWS

Mr. and Mrs. A. O. Mitchell, Yvonne and Barbara visited Mr. and Mrs. V. M. Morgan and family in Amarillo Friday and Saturday. The A. O. Mitchells had for Sunday guests Rev. and Mrs. W. O. Cooley of Brownfield.

Mr. and Mrs. Chester Petree and sons visited Mrs. Petree's mother and dad of Lubbock. They also visited her brother, Mr. and Mrs. Nash Williams of Lubbock.

Mr. and Mrs. C. A. Petree visited in the home of Mr. and Mrs. M. L. Fine of Anton Sunday afternoon.

Arty Huff entertained the fourth grade at Three Way with a party at her home Tuesday night.

Mr. and Mrs. S. D. Key and Sidney attended preaching services at West Camp Sunday and visited friends and Mr. Key's sister, Mrs. Hubert Gammons and family.

Mr. and Mrs. Bill Simpson attended church services at Baileyboro Sunday.

H. J. Thomas of Abilene visited in the E. F. Campbell home Sunday.

Mr. and Mrs. Wayne Vanlandingham visited in Roswell, N. M. recently.

Mr. and Mrs. P. W. Wassom and family of Roswell were visitors in the home of their parents

W. S. C. S. Meets In Farrell Home

The Women's Society of Christian Service met in the home of Mrs. C. R. Farrell Monday, March 3 at 2:30 with sixteen members and one visitor present.

The meeting was opened with the song, "Jesus Calls", followed by prayer by Mrs. Roy Bayless.

The study of the Book of Acts was completed led by Mrs. Bayless with Mrs. C. D. Julian, Mrs. Beulah Carles, and Mrs. J. E. Day taking parts. Mrs. Jennings gave a summary of the study.

As a climax to the program, Mrs. H. Jay Wyrer gave an outline of the early church under Paul's teaching.

During the business meeting, Mrs. Pierson appointed a committee of Mrs. Morris and Mrs. Farrell to work with the Guild committee on the banquet plans.

The society was dismissed with prayer by Mrs. Jennings.

Present were members, Mesdames H. Jay Wyrer, Tom Smallwood, I. F. Willman, Beulah Carles, C. D. Julian, I. W. Harden, S. D. Anderson, H. W. Hanks, Roy Bayless, J. E. Day, R. O. Gregory, O. N. Jennings, I. W. Haney, Arnold Morris, F. B. Pierson, the hostess, Mrs. Farrell and one visitor, Mrs. James Carter.

The society will meet Monday, March 10 at 12:00 with Mrs. H. W. Hanks for a covered dish luncheon, celebrating the 12th year of the Women's Society of Christian Service since the uniting of the two Methodist Churches.

Missionary To Speak Sunday

Miss Blanche Groves, missionary to China, will speak at the First Baptist church the coming Sunday, March 9, at the morning services.

Miss Groves is a veteran of many years service in China and knows the world mission outlook. She is described as a dynamic speaker.

L. M. ROGERS IS TO GIVE HIS FIRST SERMON

L. M. Rogers will preach his first sermon since turning to the ministry at the evening service in the First Baptist Church. Mr. Rogers is a farmer of the Muleshoe community and is studying now for the ministry.

Sorority Has Mexican Supper

Wednesday night, Feb. 27, the Epsilon Sigma Alpha Sorority enjoyed a Mexican supper at the El Monterrey at Clovis. The group then attended a movie.

Those attending were Messrs. and Mesdames Billy Jim St. Clair, Herbert Griffiths, James Glaze, Bob Gregory, Jim Bickle, Leland Bouldin, Willis Farrell, Mrs. Joanne Barbour, Bill Ed Jones, Bobby Bouldin and Rodney Farrell. Guests were Mr. and Mrs. Ruston McCarty.

Water Conservation District Tax Is Set For Present At 3c Per Hundred

At a meeting of the Board of Directors of the High Plains Water Conservation District a tax levy was finally decided upon. The Board of Directors chose at random 5 of the 13 counties in the district to base an estimate of the tax income upon, after an annual budget had been decided, not including a recharge program. The present Board of Directors voted to levy the water tax at 3c per hundred, state and county valuation. This means that the tax would run approximately \$1.50 per section or approximately 40c per 160 acres or approximately 40c per 160 acres of land.

It was the thinking of the Board of Directors that a recharge program might be considered in the near future if the people of the counties so desired. At present it is not on the program.

Two towns have shown interest in the location of the district office. It has been the intention of the Board of Directors to place the district office as near the center of the 13 counties as possible. The city of Lubbock has been considered to a great extent due to the services that have been offered to the water district free of cost. Several firms of engineers have offered their technical knowledge and assistance in any problem that might arise. It has been understood that Texas Tech College is willing to cooperate with the district in any research that needs to be carried out in gaining the maximum efficiency of water pumped.

The election of County Committeemen was held at the same

time the new Board of Directors were elected. The County Committeemen are going to play a very important role in the activities of the new district. It is through them that all information and suggestions for the betterment of the district will come. If well spacing regulations are enacted this year the County Committeemen will make the decisions in their respective counties. This is a staggered board with one committeemen going off each year and a new one being elected. The committeemen for your county for 1952 are: H. E. Schuster, Troy Atkinson, and Bill Millen.

The Board of Directors wish to apologize for the lack of information that has been given to the members of the district. It is the intention of the board now to keep semi-monthly stories in your local newspapers of what is happening, new laws that are coming up and what difficulties are being encountered. Any questions that are not clear can be readily answered by your Precinct Director or County Committeemen.

"How many people work at your place?"

"Well—I should say, as a rough estimate, about half of them." (That's a little too rough.)

Parmer Bureau Reaches Goal

Parmer County Farm Bureau exceeded its goal for membership, with a total figure of 665. At a victory meeting at Lubbock, die last Monday night, soliciting teams climaxed the weeks drive by turning in 400 names of dues paying members, 130 of which are new members.

Winning team for the drive was Joe Menefee, Friona director, and Hadley Reese, Secretary-Treasurer. Together, they turned in 65 memberships. They were each awarded new hats for their work.

Second place winners were Henry Haseloff and Charles Christian of Farwell, who turned in 48 the first day, and wound up with 57. Hand carved bill folds were presented to them.

T. E. Lovett and O. B. Moyer claimed 3rd place with 30 memberships. They each received 6 quarts of permanent anti-freeze. Running Lovett and Moyer a close second and possibly tying them, were Earl Stevenson and Aubrey Ellison, Directors of Bovina. If final tabulations reveal a tie, these men will be awarded duplicate prizes.

A dinner served in Farwell for membership workers a week ago gave impetus to the drive and activity began and continued through last week. Several farmers took memberships at the close of the Lubbock meeting.

"Cotton John", KGNC's Farm Editor, was present to give an address pertaining to his radio work. He also discussed farm problems and indicated the necessity for a well organized plan to support the dwindling percentage of farm population. He discussed the need for improved

NOW I FEEL SORRY FOR WOMEN WHO DON'T HAVE MY
CHRYSLER POWER STEERING!

Come Discover Power Steering Today... and These Great Chrysler Features, too!

180 V-8 Horsepower, even on non-premium fuel. The Security of Power Brakes... Driver-Controlled Automatic Fluid Transmission... The Rough-Road Stability of On-Road Ride... The protection of Fully Waterproof Ignition.

You'll never know what she means till you try Chrysler's Full-Time Power Steering yourself! Even other cars with so-called power steering don't offer as much new safety and ease as she gets!

On every turn, hydraulic power does 4/5 of her work, her hand does only 1/5! On every turn, she turns her wheel 1/3 less distance than other cars! At every instant, turning or not, her hands have 5 times her former power to hold and control her car's front wheels!

She eases into parking places you wouldn't even try. She slips through traffic with the precision of a watch. She breezes over bad roads with never a feel of wheel fight, car under control as never before!

She can start in the morning and drive into the night with never a hint of shoulder strain... with the same wonderful "wheel feel" and safety in every mile!

Come try this amazing new steering yourself. We promise you never felt anything like it!

(NOTE: Power Steering standard on Crown Imperial, available, extra, on ANY new Chrysler.)

From where I sit... by Joe Marsh

They Do "Give A Hoot" For Easy

Easy Roberts finally got rid of the noisy pigeons that used to whoop it up under his eaves.

He must have tried a dozen ways to scare them off. But no matter what he did, they would be right back cooing by his window the next morning.

Then Easy thought of an old stuffed owl he had in his attic. He propped it on the roof so's all the pigeons could see it. They left... and three hoot owls have taken their place. Easy swears the hooting is even worse than the cooing of the pigeons.

From where I sit, quite often a "bright idea" will turn out to be "not so bright" after all. That's why we should never be too cocksure of our ideas and opinions—but always try to keep an open mind. I believe a refreshing glass of beer is the best thirst-quencher — you may believe differently. But who's to say one's right and the other is wrong? Let's just practice tolerance. It'll save a lot of hootin' and hollerin'.

AND YOUR OLD GAS RANGE
 WEEKLY PAYMENTS AS LOW AS \$3

That's right! FOR ONLY \$5.00 DOWN and your old range you can put this beautifully modern and economical TAPPAN CHROME GAS RANGE in your kitchen. It makes no difference how old your present range is, or what it's worth, we'll still trade with you for the \$5 down. And, you can pay the rest on easy payments as low as \$3.00 per week. So, while we are making this special offer, come in and see this amazing new Tappan Range with the LIFETIME GUARANTEE, and see how it can contribute to your happier, safer, cleaner cooking. And that's not all, just look below and see what else you get free with your Tappan Gas Range purchase.

Model SVK-63
 GUARANTEED FOR A LIFETIME

OWN THIS BEAUTIFUL, MODERN, ECONOMICAL CHROME TAPPAN GAS RANGE . . .

VISUALITE OVEN—Double pane of tough glass permits you to watch food bake without opening the oven door! Oven interior brilliantly illuminated whenever door is opened or by turning the "peek" switch!

CHROME OVEN INTERIOR—Brilliant chrome oven interior is beautiful in appearance, speeds heating, imparts deep brown, is easy to clean!

CLEAN-QUICK BROILER—Slotted grid permits fats to drain away from heat zone, preventing smoke! Smooth, easy-to-clean surfaces!

EASY TO CLEAN—Everything about the Tappan range is designed for easy, quick cleaning both inside and out. Many parts removable, small and easy to handle. Dirt catching crevices eliminated!

SAFETY-STOP DOOR—Automatic check prevents accidental slamming of door and eliminates danger of pinched fingers!

DIVIDED TOP—Divided Top for extra cooking capacity. Never crowded even with four large utensils. Center service table provides greater accessibility and more convenience. Two can use at one time!

2. FREE

\$100 ADMIRAL TV CERTIFICATE—LIMIT 200

In addition to the trade-in offer, the FIRST 200 PEOPLE IN WEST TEXAS who buy this new 1952 Tappan Range will get a VALUABLE CERTIFICATE WORTH \$100.00! It may be applied on a beautiful Television Console set, made by ADMIRAL, the world's largest manufacturer of television, shown at right. FCC is lifting the "freeze" on granting TV stations, and there are several applications for stations in our area. THIS \$100.00 CERTIFICATE IS GOOD UNTIL OCTOBER 1953, so get your Tappan Gas Range now and be ready when TV comes to West Texas.

3. REGISTER FOR FREE TAPPAN AT YOUR FAVORITE PIGGLY WIGGLY SUPERMARKET!

Davis and Humphries in their 19 stores, are giving 19 TAPPAN GAS RANGES ABSOLUTELY FREE. All you have to do is to register for a chance to win. If you buy one and win, we will give your money back and you still keep your \$100.00 TV Certificate. So, go by Piggly Wiggly and see the ADMIRAL TELEVISION SET and register for your chance to win a FREE TAPPAN GAS RANGE.

WEST TEXAS GAS COMPANY says if you want the best of cooking appliances to select a gas range built to "CP" standards. THE TAPPAN STOVE COMPANY is one of the manufacturers that construct these superior ranges that meet the rigid requirements to bear the "CP" seal.

4-H Club Elects New Officers

The Muleshoe 4-H Club girls met in the club room on March 5.

The program was on the selection of pattern and materials for clothing given by Mrs. Dian Reed.

New officers elected for the coming year were: President, Ruby Carney; Vice-president, Velta Gillis; Secretary, Barbara Bowers; and Reporter, Louise Bowers.

Leaders are Mrs. C. H. Gillis, Mrs. Roy Carney, and Mrs. W. R. Bowers.

Those present were Ruby Carney, Joy Carney, Mary Carney, Velta Gillis, Virginia Gillis, Barbara Bowers, Louise Bowers, Mrs. C. H. Gillis, Mrs. Roy Carney, and Mrs. Dian Reed.

The next meeting will be March 15.

Yvonne Drake Is Married Oct. 19 To Gerald Covert

Miss Yvonne Drake and Gerald Covert exchanged wedding vows in the First Methodist church parsonage in Portales, N. M., Oct. 19. Rev. Therman Harris, pastor of the church, performed the ceremony. The couple now live in Levelland.

Mrs. Covert is the daughter of Mr. and Mrs. A. T. Drake and he is the son of Mr. and Mrs. H. H. Covert of Littlefield.

The bride is a graduate of Levelland high school and the bridegroom attended the Bledsoe schools and last year attended school in Muleshoe. His parents were teachers in the Muleshoe schools. Mr. Covert is employed by United Geophysical Company.

Attend Golden Anniversary Celebration

Mr. and Mrs. O. E. Lee and daughter of Route 1 and Mrs. G. V. Tanner of Lubbock attended the golden wedding anniversary of Mrs. Lee's parents, Mr. and Mrs. W. H. Wiseman, Sunday, Feb. 23, at Haskell, Texas.

All of Mr. and Mrs. Wiseman's children were present. Attending the celebration were Mr. and Mrs. H. A. Wiseman, Rudy, Judy and William of Freeport, Texas, Mr. and Mrs. O. E. Lee of Muleshoe, Billie Grace and Joe Dale of Rankin, Texas, Mr. and Mrs. W. L. Kirby, Stella and Stanley, Mr. and Mrs. Lewis Euen and Cynthia Ann of Anson, Texas, Mr. and Mrs. N. A. Briden and Norma Ann of Pampa, Mr. and Mrs. W. W. Wiseman and Bobby of Springfield, Mass., Mr. and Mrs. Buck Bland, Mickie and Danna, Mr. and Mrs. W. E. Wiseman, Toni and Linda, Mr. and Mrs. Roy Wiseman and Randy, Mr. and Mrs. Bill Wiseman, Kay and Deborah all of Haskell.

WANTED: Will buy clean cotton rags at The Journal.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and gripping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the best natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Mrs. Guinn Is Shower Honoree

Mrs. Allen Guinn was honored Wednesday, Feb. 27, with a pink and blue shower in the home of Mrs. A. R. Edmiston with Mrs. Gene Williams, Mrs. Boyd Landers, Mrs. Joe Shipman and Mrs. Edmiston as hostesses.

The room was very beautifully decorated, the gifts being displayed on a lace covered table with bows from the gifts pinned on the cloth.

The centerpiece was a stork and a miniature bassinet full of pink and white carnations.

Napkins were pink and blue with Baby Guinn printed in gold letters on them. Refreshments of individual cakes decorated with pink and blue safety pins, lime punch and ice cream were served to Mesdames Bill Lenderson, David Wier, LaVerne Simmons, and Barbara, Ernest Kerr, Alvin Farrell, Will Harper, and David Anderson.

Sending gifts were Mesdames Ross Goodwin, Curtis Spivey, Clyde Bray, J. J. DeShazo, E. O. Baker, R. R. Holton, Paul Gardner, A. J. Gardner, Ray Griffiths, Chief Jones, Edith Evans, Roland Bigham, Mary Hart, Mary Nell Chapman, Woodie Lambert, Noel Woodley, H. Jay Wier, Earl Ladd, Herbert Covin, Bob Blackwood, Bill Moore, Doc Wilhite, G. D. Kersey, Joe Crowley, Hoyt Morgan, Charles Harris, Harry Jesko, and W. T. Melson.

W. S. C. S. Of Progress Observes Day Of Prayer

The Progress Women Society of Christian Service met at the church February 29 in observance of World Day of Prayer. Mrs. George Mitchell led the devotional hour with "Christ is Our Hope" as her theme.

The program consisted of a song, "This is Our Father's World," a responsive reading, "The Beatitudes", followed by a prayer by Mrs. Jones.

Mrs. Mitchell gave an interesting discussion on people of all types working and praying together for a better world followed by prayers by individuals.

After a song, "What a Friend" there was a period of silent meditation, a song, "I Need Thee", and a drama, "Mother's Liberty Children."

Mrs. Westbrook discussed where our offering is being used and the benediction was given by Mrs. L. D. Tipton.

Visitors present were Mrs. Eugene Black, Mrs. Chambliss, Mrs. Zollinger, and Mrs. J. A. Richards.

Members present were Mesdames Garrett, Darley John Thomson, Richards, Griffin Jones, Actkinson, Tipton, Davis, Westbrook, Musson, O. C. Thomson, and Mitchell.

At the next meeting the study of Acts will be begun.

VISIT IN ARKANSAS

Mr. and Mrs. Vance Wagoner went to Russell, Ark. recently where they visited Mrs. Wagoner's mother, Mrs. R. B. Shuck. They also visited in Little Rock with her father, Mr. Shuck, who is in the Veteran's hospital there.

VISITING SISTER

Mrs. Charles Lenau returned today from Ark. where she has been visiting her sister, Mrs. Storm Whaley, of Siloam Springs, Arkansas.

Mules Track Squad Shows Almost Mid-Season Form In Brownfield Win

Fresh from an impressive victory over a conference opponent, the Brownfield Cubs, Muleshoe's track team will make their 1952 debut before the home folks here tomorrow, Friday, afternoon at 2 o'clock in a triangular meet with Brownfield and Littlefield. Coach Willard Hedges said ribbons for the first three places in each event will be awarded and a small admission will be charged to help pay expenses of the meet.

The Muleshoe boys will take part in the Fort Worth Recreational Track & Field Meet March 14 and 15 and Coach Hedges said he will take about 12 boys to that event. Then the local lads are scheduled to participate in the big annual track and field meet at Big Spring

March 22. The district meet is set for March 29, and will be staged at Texas Tech in Lubbock with Brownfield, Littlefield, Levelland, Morton, and Muleshoe high schools represented in the various events.

Good Records At Brownfield
Coach Hedges was happy to note that good marks were set up by his boys in the dual meet last Thursday with Brownfield in the meet held there. While it was a good month away from the district meet, the boys made better time or set up better distance marks than they did last year in taking the district meet. Eugene Buhrman, the speed artist of the local team, rang up 21 1-3 points to establish himself as high point man of the

day. Next high for the Mules was Donald Harrison with 11 5-6 points. Muleshoe had a total of 78 points to Brownfield's 55, and carried off 11 first places out of a total of 14 events.

Promising Boys Out
Coach Hedges has lost the services of Jimmy Holt, distance and relay runner from last year's team, who has what looks like a permanent "Charlie Horse". He's out for the season. Bobby Seid, quarter miler and relay runner is out because of a kidney ailment. Donald Moore, a valuable man on the team last year, also is out for the season.

Local boys' placings at Brownfield, time or distance set, etc. follows:
Broad Jump
Eugene Buhrman, 1st, 19.0 ft.; Buck Johnson, 2nd, 18 ft., 1 1/4 in.

High Jump
Buhrman, 1st, 5 ft. 5 in.; Bob King and Donald Harrison, tied for 3rd and 4th.

120 High Hurdles
Donald Harrison, 1st, 16.5 sec.; Lon Martin, 3rd.

200 Yd. Low Hurdles
Donald Harrison, 1st, 23.9 sec.; Lon Martin 3rd, Sammy Donaldson, 4th.

Pole Vault
Sammy Donaldson, 1st, 9 ft. (he wasn't extended).

Discus
Bill Willis, 1st, 135.6 ft.; Dwayne Burkhead, 2nd, 130 ft. 1 in.; Jody Blaylock, 4th, 117.0 ft.

880 Yard Dash
Robert Richards, 1st, 2 min. 11.2 sec.; Gerald Elders, 2nd.

100 Yard Dash
Buhrman, 1st, 10.3 sec.

Butane-Propane
FOR LOW COST TRANSPORTATION
ELECTRIC POWER • IRRIGATION
FARMING

ENSIGN EQUIPPED BUTANE ENGINES

Thousands of successful Butane-Propane engine installations using ENSIGN Carburetion return handsome dividends in fuel savings and in greatly reduced maintenance. There is no hard carbon. Lubricating oil can safely run three to four times as long. Because Butane-Propane burns as a dry gas, lubricating oil is neither diluted nor washed from cylinder walls. This means longer engine life than with gasoline or diesel fuel. Tractors, trucks and stationary engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

highly efficient vaporizer and carburetor for maximum power, economy and safety. Insist on ENSIGN. Your local authorized ENSIGN Dealer is trained to make good installations. Let him check your engines. He will tell you what you can expect from Butane.

ARE YOU IN THE MARKET FOR LAND?

At the Muleshoe Nursery On The Clovis Highway

We are still selling out all nursery stock. Must clean off the land by April first. We have arbutovite, juniper, red bud poplar, elm, willow, maple and hedge plants. Come out and pick out some before they are all gone. Bargains!

● 1 acre of land, well located with 4 room house, pressure pump and butane plant. \$2,000 cash.

● 5 acres land, four room house, well located. Priced at only \$5500. Will carry some notes.

● 385 acres south of Hobbs, N. M. Has two irrigation wells with pumps and motors. Fair improvements. Free gas for irrigation. No minerals. Has loan of \$16,000. This is good cotton land or alfalfa land and you get possession. This is the only land I have to actually give away. Better Look!

● 90 acres cash rent. Electric pump. On pavement. Clean land. No Johnson grass.

● Good well located residence in Muleshoe. 3 bedroom. For sale cheap. Good loan. Possession.

● 10 acres one half mile from Muleshoe. Good 5 room and bath. 5 acres alfalfa, good 8" electric irrigation well. Plenty outbuildings. Owner wants to leave the country.

● 160 acres, good level land, on pavement. Nice 3 bedroom house. 8" irrigation pump—Bargain at only \$250.

● 160 acres near Abernathy. Well improved, 8" irrigation, full pipe. One of the best quarters in this entire country. Possession at only \$450. per acre. Exclusive listing.

MRS. UPTON'S PARENTS HAVE 50th ANNIVERSARY

Mr. and Mrs. Onard Upton and children, John and Evelyn, last week attended the Golden Wedding anniversary observance of her parents, Mr. and Mrs. J. L. Patterson, who live in Lily Ridge community near Gainesville, Mo. Mr. and Mrs. Patterson had five children and all are living. The Uptons attended funeral services for a great aunt of Mr. Upton, and visited with other relatives before returning home.

MANY BAILEY, CO. FARMERS are using Garner's Record books

and tell us they are about the best they have ever seen. The Journal has them for sale.

A NEW, FAST, ECONOMICAL PRINCIPLE IN LAND LEVELING

A WESTATE WILL WORK WITH YOUR TRACTOR

You don't need a heavy 2- or 4-plow tractor to operate a Model D WESTATE LAND LEVELER. A WESTATE keeps the scraper in a plane with the FRONT WHEELS of your tractor and the REAR FLOAT by means of a remarkable new principle using an exclusive PARALLEL LINKAGE CONTROL mechanism. Because the scraper is attached to the lift-arm close to your tractor, it makes for a lighter pull and better traction while retaining top leveling efficiency. No matter what kind of a tractor you use, you can finish your seed bed preparation faster and cleaner with the new WESTATE. Your dealer will show you. A WESTATE is a most valuable machine, for by simple adjustments, it can be changed to a fast, efficient scraper, or a bulldozer capable of moving large amounts of dirt. You get all these useful machines for less than an old-type leveler alone. There's a WESTATE Model for YOUR tractor. Write for literature today.

3 IN ONE
* Land Leveler
* Scraper
* Bulldozer

Muleshoe Chapter Hosts District FFA Leadership Contests Saturday

Muleshoe was crowded with school boys a week ago last Saturday when the Muleshoe F. F. A. Chapter were hosts to the fifteen schools of the Littlefield F. F. A. District.

- Contests were held in Junior and Senior Chapter Conducting, Junior and Senior Farm Skill Demonstration, and Junior and Senior F. F. A. Quiz. The above contests give the boys training in leadership abilities. Chapter Conducting included parliamentary procedure and trains in the abilities to carry on a business meeting. The Farm Skill is as it implies, to demonstrate and explain a farm skill, while the Quiz is made up of questions about the Future Farmer Work.
- Almost two hundred boys from fifteen schools took part in the various contests. The following is the results of the contests.
- JR. FARM SKILL:**
1. Dimmitt.
 2. Littlefield.
 3. Friona.
 4. Sudan.
 5. Three Way.
- SR. FARM SKILL:**
1. Dimmitt.
 2. Farwell.
 3. Olton.
 4. Springlake.
 5. Friona.
 6. Muleshoe.
 7. Spade.
 8. Three Way.
- JR. CHAPTER CONDUCTING:**
1. Littlefield.
 2. Olton.
 3. Muleshoe.
 4. Dimmitt.
 5. Farwell.
 6. Lazbuddie.
 7. Sudan.
 8. Springlake.
- SR. CHAPTER CONDUCTING:**
1. Olton.
 2. Dimmitt.
 3. Muleshoe.
 4. Spade.
 5. Springlake.
- JR. F. F. A. QUIZ:**
1. Sudan.
 2. Olton.
 3. Lazbuddie.
 4. Farwell.
- SR. F. F. A. QUIZ:**
1. Sudan.
 2. Spade.
 3. Olton.
 4. Farwell.

RETURNS HOME

Mrs. C. L. Busby of Amarillo, has been visiting here with her daughter, Mrs. E. O. Baker, returned to her home Friday. Mrs. Baker took her home.

CHARLES MORGAN HELPS WITH H-SU SPRING PLAY

Abilene — Charles Morgan of Muleshoe has been selected to serve on the stage crew, properties and publicity committees of "Death Takes a Holiday", spring production of the Hardin-Simmons University Players, under the direction of Dr. Katherine Boyd.

Muleshoe C of C To Sponsor Labor Procurement Association In County

In response to the wishes of scores of users of farm hands in Bailey County, the Muleshoe Chamber of Commerce this week voted to endorse and sponsor the organization of a labor procurement association.

Boys Stock Show To Be March 15

The Annual Bailey County Fat Stock Show sponsored by Muleshoe merchants and other business men of the county will be open to exhibitors that qualify as either 4-H club or FFA club boys that attend school in the county. The show will take place Saturday, March 15th at the show buildings on the High School grounds and the entries will not be acceptable later than 9:00 a. m. on that date.

Judging of fat barrows will start at 10:00 a. m. and every effort will be made to finish the barrow show by noon so the fat lamb and fat calf judging will start immediately after noon Saturday.

The farsighted policy of offering large prizes at the Muleshoe show and leaving the boys free to go to the big Lubbock show as soon as the local judging is completed is paying off. The headaches of an auction sale is reserved for Lubbock show officials while Bailey County business men put the local show on the map by liberal donations of cash.

The boy showing the Grand Champion calf will be awarded two nice ribbons and \$35.00 in cash while the winner of Grand Champion Barrow will get similar ribbons and \$20 in cash. A complete list of prize money for Calves, Sheep and Barrows will appear in the next issue of The Journal.

The county agent was successful in getting the barrow judge of the Amarillo Fat Stock Show to accept the task of placing the animals exhibited at our local show March 15. The judge is Homer Brumley, owner of a packing house at Hereford, Texas and well respected as a livestock judge since his college days at Texas Tech where he became famous as a judge placing as high point man on the first prize team at the International Live-stock Show at Chicago.

It is the understanding of the local county agent that only one other college student has ever reached this high point of livestock judging in the history of Texas college competition.

The public is cordially invited to be on hand March 15 to see what our young men in the 4-H and FFA clubs are doing to show their appreciation of what Bailey county businessmen are doing for them.

DISTRICT SCOUT MEETING SCHEDULED HERE TONIGHT

There will be a meeting here tonight of Scouters from over the Yellowhouse District. It will be held in the private dining room of Gerald's Cafe at 8 p. m.

Dr. W. M. Orr, of Littlefield, the district chairman will be here and will preside at the meeting, which is for all adults who are interested in Scouting.

Senior Class To Have Annual Play

The Muleshoe High School Senior Class will present its annual play entitled "The Adorable Imp" Friday, March 7, at 8 p. m. in the High School Auditorium.

The play is a three-act comedy written by Jay Tobias. The characters will be portrayed by Mona Smith, Kathryn Norwood, Freddie Harvey, Howard Hale, Jacques Bovell, Marilyn Gupton, Johnny Ladd, Joe Upton, Joan Montgomery, Doris Dement and Lloyd Krieger.

The admission is \$1 for reserve seat tickets, regular adult admission, 75c; regular high school admission, 50c; and regular grade school admission, 25c. Tickets may be obtained by contacting any member of the senior class, Ernest Ware, the president of the class, or the High School.

Spanish Course To Begin Mar. 18

The class in conversational Spanish, a project of the chamber of commerce, met with unusually enthusiastic acceptance this week and the sponsors announced Tuesday that registrations had been completed.

In order that each enrollee might get the advantage of personal instruction and a specialized vocabulary to fit his or her particular type of business, the registrations were limited to 20. The class will meet once a week for five weeks and semi-weekly for the last four weeks. In this way the instructor plans to give the students a good foundation during the first portion of the program and as soon as they acquire a little vocabulary he will devote the time to of the class.

"Of course we cannot hope to give them a complete course in Spanish in this limited time," he said, "but we shall see to it that they get plenty of training in speaking and hearing the language so that they can increase their vocabulary in their spare time at home."

Several business firms, where the owner or operator was unable to take the course in person, have paid the tuition fees for an employee to make sure that one person in their place of business could talk to customers enough to understand what the prospective buyer needed.

The class will be almost evenly divided between men and women. Several husband and wife couples have enrolled and the others are lady employees of the business houses represented.

The 13-lesson course is scheduled to start on March 18 at a meeting place to be announced later.

IRON LUNG ON HAND AND READY FOR USE

The "iron lung" bought recently by public subscription and aid of the county of Bailey and the Muleshoe Voluntary Fire Department, has arrived and is ready for use, Bill Boothe, fire chief announced.

The instrument will be available at all times in emergencies such as near drowning or shock and there will be someone on hand who is trained in its use.

Cunningham To New School Post

W. C. Cunningham, former superintendent of schools in Muleshoe, has just accepted the post of superintendent of the Galena Park Schools, Houston. It has been learned here. Mr. Cunningham resigned as superintendent at Mineral Wells to accept the Houston job.

Galena Park, a part of metropolitan Houston, has some 5,000 students, about 200 teachers, it was said. The independent district has a valuation of \$47,000,000. A \$2 million school has just been completed.

Mr. Cunningham during his administration as superintendent here was the leader in the move to consolidate school districts into the one big Muleshoe district. He went from Muleshoe to Mineral Wells. His promotion to the even larger field of service at Houston will please the many friends of the Cunningham family in this community.

Fowler Director For Agriculture

Arch Fowler, local FHA official, has been appointed director of the agricultural activities of the Muleshoe Chamber of Commerce, according to an announcement by President W. M. Pool, Jr.

Fowler will replace John McFarland who resigned recently when he left Muleshoe to enter private business, and will finish out McFarland's unexpired term as an associate member of the board of directors.

"We feel that we have a capable and enthusiastic worker in Mr. Fowler," Pool said in making appointment. "He has worked with us throughout the development of our farm labor program, and his knowledge of conditions and people in all sections of Bailey County should prove a valuable asset to our chamber's program of work along agricultural lines."

BOY SCOUTS FIRST AID COURSE IS COMPLETED

The Boy Scouts first aid course was completed last Tuesday night. Several adults and Miss Patsy Baker completed the work. Boy Scouts completing the course are:

- Gaylord-Tate, Bo Bryant, Charles Wright, Jimmie Gross, Jim Patterson, Wink Thomson, Bob Greer, Hulon Freeman, Roger Pool, Buddy Pool, Bobby Nelms, Mack Hale, Jimmy Laux, Dudley Bristow, Dale Wood, Jack Henderson, Jerry Fountain, Thurman Elder, Buddy Peeler, Gwineth Cox, Ingle Gatewood, Ralph Ware, Jimmie Wilkerson, Crespian Green, Johnny Baker, Wayland Chitwood, David Mills, Charles Lenau, Allen Berry, Roger Groves, Wayne Cherry, Jerry Berry, and Stanley Fox.
- Mrs. L. V. Julian and Loyd Roberts were instructors.

VISITOR FROM AMARILLO

Mrs. James Carter of Amarillo is visiting with her parents, Mr. and Mrs. C. R. Farrell and other relatives here.

City Hall Gets A Face Lifting

The interior of the Muleshoe city hall has received a face lifting. So many changes have been made that it's hard for the citizens to find where to pay their water and sewer bills these days.

The main room now sports an L-shaped counter, which has ample drawer space and lots of space for writing on the smooth top. The room has a new floor covering for the first time, and walls and ceiling have been repainted. Judge R. J. Klump, the city secretary, has ample space for his work and Mrs. Betty Matthews, the assistant secretary has what amounts to a private office for her work.

The street and water superintendent has a room at the back of the building and is using an old desk that came out of the old courthouse having been built by local workmen for the sheriff and tax assessor about the time the courthouse was erected in 1918. A desk in Mrs. Matthews office was built for the city in 1926 by local craftsmen. City officials and employees are mighty proud of the revamped city hall and are anxious for all the people to come in and have a look.

BARNETT TO GET ARMY LEAVE FOR TRIAL

Travis Barnett, former staff member of The Journal, now in the Army at Camp Gordon, Ga., is getting a break of a sort by being summoned as a witness in the Blocher murder trial at Tulsa next week. He writes the Army will honor the subpoena from District Attorney Joe Sharp, and the state will pay mileage, so he will get to come home for free, almost. Anyway, his basic training is about over, lacking only a day or so, and he will get a break that few trainees get in visiting home so soon after entering service. Barnett took a number of pictures of the body and other scenes connected with the Josh Blocher murder, and he is required to be present to identify them.

ATTEND FUNERAL IN STEPHENVILLE

Mrs. R. E. Lowery recently attended the funeral of her mother, Mrs. Taylor, of Stephenville.

REBEKAH LODGE HAS FRIENDSHIP NIGHT

The Rebekah Lodge has scheduled for Friday night, March 7, a Friendship night for all the Lodges of this district. The meeting will be in Fellowship Hall. All members are reminded to bring 2 fancy pies and 12 ham or pimento cheese sandwiches.

MOVE TO PLAINVIEW

Mr. and Mrs. Hugh Savage are planning to move to Plainview. They have been farming north-west of Muleshoe, and have sold their equipment to Harold Wedel, who will farm the place.

TO ARIZONA

Mrs. Mae Willemon is leaving today for Tucson, Ariz., for a visit with her son, Roy Wilemon, and family.

Ramsey In Race

AUSTIN, Feb. 22 — Ben Ramsey of San Augustine, winner in a field of twelve candidates for Lieutenant Governor two years ago, announced for re-election to another 2-year term.

Christian Women's Fellowship Presents Chinese Missionary

The Christian Women's Fellowship of the Christian Church are pleased to announce that they are able to bring to Muleshoe Oswald J. Goulter, an outstanding missionary to China under the direction of the United Christian Missionary Society of the Christian Church.

He was held a prisoner by the Chinese Communists in his own home during the first months of 1951. He was released some time in April when he went to Australia where a brother lives and later returned to the United States.

Mr. Goulter's wife is a sister of Muleshoe's Dr. S. E. Goucher and many here are interested in them.

At the present time the tentative date is set for Thursday, March 20. The next issue of The Journal will contain full information about the date and the place.

Everyone should be vitally interested in this first hand information concerning the Communists and their ways from one who definitely knows. Everyone is cordially invited to hear Mr. Goulter when he comes to Muleshoe.

MOVE TO PLAINVIEW

Mr. and Mrs. Hugh Savage are planning to move to Plainview. They have been farming north-west of Muleshoe, and have sold their equipment to Harold Wedel, who will farm the place.

Castor Beans —

(Continued from Page 1) perience to those attending the Monday night program.

Chamber of commerce officials hoped for a good turnout for the event. "As long as there is no cotton acreage allotment program in effect, our major interest in Bailey County will continue to be cotton," they said. "But if the government starts curbing cotton production again, it would be a fine thing to have another commercial crop to turn out to. Valuable experience can be gained by starting now, and then if the curbs are reinstated, the experimental stages will have been completed and the producer can be assured that he will have a profitable crop. At the present time there is a floor of ten cents per pound on castor beans, and with out import supplies constantly in danger, we see little chance that these supports will be withdrawn in the near future."

CHRISTIAN SCIENCE SERVICES

Strength with which to face present day problems is found in the assurance of God's love for man, stresses the Lesson-Sermon on the subject "Man" to be read in all Christian Science churches on Sunday. These words from Daniel are in the Golden Text: "O man greatly beloved, fear not: peace be unto thee, be strong, yea, be strong" (10:19).

This theme is continued in the following verses from Psalms (118:14-17): "The Lord is my strength and song, and is become my salvation. I shall not die, but live, and declare the works of the Lord."

Christian Scientists base their freedom from fear on words such as these from the Christian Science textbook asserting God's love for man: "Man reflects infinity, and this reflection is the true idea of God. God expresses in man the infinite idea forever developing itself, broadening and rising higher and higher from a boundless basis" (Science and Health with Key to the Scriptures, by Mary Baker Eddy, p. 258).
