Candidates To Speak Friday At Needmore

An old fashioned pie supper, box supper and candidate speaking is scheduled at Needmore tomorrow, Friday night. The Needmore Odd Fellows and Rebekah Lodges are sponsoring the event. Indications are that some of the district candidates will add to the crowd of local candidates attending the speaking.

Amarillo Good Will Trippers Visit Muleshoe

One hundred twenty-five leading Amarillo business men visited Muleshoe Tuesday afternoon on the first day of a special train goodwill tour of the South Plains and Pecos Valley to extend over three days. They arrived here at 5:45 and spent the night in Clovis.

Frank Helvey, chairman of the welcome committee of the Amarillo Chamber of Commerce headed the goodwill trippers and spoke briefly in response to the welcome extended by Mayor Ray Keeling.

The Amarillo Air Force Base Band of 30 pieces played several numbers. Quite a crowd of Muleshoe people turned out to greet the visitors. It was the first visit of the Amarillo people in two years—since they gave up their trip last year on account of the Korean situation.

Charles Thompson of the Amarillo News-Globe said that the group had handed out 6,000 souvenirs to the children on the first day of their trip. He said 700 greeted the visitors at Hale Center, 800 at Abernathy, and that a big crowd, including the high school band, turned out at Sudan, visited a few minutes before the Muleshoe stop.

A feature of the Muleshoe welcome was the presence of a number of members of the Muleshoe Roping Club, mounted on their horses; several Amarillo men took turns trying out the mounts of the local ropers.

EASTERN STAR MEMBERS AT HERFORD MEETING

Several members of the Muleshoe Chapter O. E. S., attended a joint meeting of District 2, Sec. 3 chapter held in Hereford with the Herford chapter as hosts Monday night April 15.

Going from here were Mr. and Mrs. J. E. Mills, Mrs. John Farley, Mrs. Edd White, Mrs. Clifford Green, Mrs. Jim Burkhead, Mrs. Bill Collins, Mrs. Johnny Johnson, Mrs. Viola Layne, Mrs. Clyde Bray, and Mrs. Alton Epling. Mrs. Layne was associate worthy matron from the Muleshoe chapter.

MRS. SMITH IS RESTING WELL

Mrs. Shelton Smith who is a patient at the Amherst Hospital is resting well.

HAVE TWIN BOYS

Mr. and Mrs. H. H. Carlyle, Jr., of Lubbock are the new parents of twin boys who arrived Tuesday morning, April 15. Mr. Carlyle is a nephew of Mr. and Mrs. R. J. Klump.

Tiny Tot Popularity Contest Winners

CAROLYN NOWLIN, Queen

The two youngsters pictured here won highest honors in the Tiny Tot Popularity Contest held in connection with the JayCees production of "Shooting Stars"

First Place 4-H Judging Team

The Muleshoe 4-H judging team from Bailey County scored highest in the 4-H division of dairy cattle judging at the contest held at the Panhandle-Plains Dairy Show in Plainview Saturday. The team was credited with 895 points.

Left to right the winners are Jerry Inman, Jackie Dulin, Marlon Inman and Robert Giles, members, and J. K. Adams, team coach.

Picture Courtesy Plainview Herald

Carter Erecting New Building

Construction has begun on a building that will house the Bailey County Farm Bureau office. It is going up on a 19x60 ft. lot just west of the Muleshoe office of the West Texas Gas Co., third door west of the Postoffice.

Ray Carter is erecting the building, which will be of tile and brick construction. He purchased the ground from Houston Hart.

Mr. Carter is organization and insurance representative for the Bureau.

COPLEYS ATTEND PROGRAM OF MUSIC

Mr. and Mrs. A. W. Copley, Doris Jean, Don, and LaVon attended a program of music in Slaton Sunday afternoon. Cecil Hofton of Lubbock was organist and played a Concert Model Hammond Organ. Mrs. M. G. Davis was the soprano soloist.

LOCAL WOMEN ATTEND FEDERATION CONVENTION

Mrs. Naomi St. Clair and Mrs. Buck Ragsdale are attending the 31st annual convention of the Seventh District, Texas Federation of Women's Clubs, being held in Borger today, Friday and Saturday. They represent the Muleshoe Study Club.

Shelby Is Toastmaster

F. L. Shelby was toastmaster. J. E. Randol pronounced the invocation after group singing of "America the Beautiful" and "God Bless America." Then the Barbershoppers took over and delighted the crowd with several harmonious tunes. The four, from ENMU, Portales, sang "Moonlight Bay," "Lullaby of Broadway," "Merry Go Round," and, as an encore, "Undecided." Later in the program they sang "In the Evening by the Moonlight." Jean Rogers accompanied the Barbershoppers, who are: Kent Davis, Denver City; Bill Morris, Tucumcari; Charles Felts, Lariat; and Joe Carroll, Roswell.

C of C manager Al Hall introduced the guests, who made a long list. "The Eyes of Texas" was led by Mrs. Noel Woodley to wind up the program.

But between its opening and closing numbers the program was spiced with lots of wit and humor and good natured banter. Shelby and Roberts inserted a few humorous remarks in their talks while Hohn brought down the house

last Thursday and Friday nights. Carolyn is the daughter of Mr. and Mrs. Morris Nowlin, Muleshoe; Chester Clay is the son of Mr. and Mrs. Spencer Beavers.

Bailey County 4-H Club Boys Top Dairy Cattle Judging At Plainview

Bailey County 4-H Club boys dairy cattle judging team won a clear-cut victory in the contest at the annual Panhandle-Plains Dairy Show in Plainview Saturday.

Jackie Dulin, another member of the team, was 4th high in individual judging of all breeds with a score of 298. Others on the team were Jerry Inman and Robert Giles. The team was high in judging Jerseys, 4th in judging Guerneys, and 2nd in judging Brown Swiss.

Marlon piled up 307 points in

the contest. The Bailey County team had a total of 895. Lamb County's team came in second with 844.

Jackie Dulin, another member of the team, was 4th high in individual judging of all breeds with a score of 298. Others on the team were Jerry Inman and Robert Giles. The team was high in judging Jerseys, 4th in judging Guerneys, and 2nd in judging Brown Swiss.

New Leaders Take Over At C. of C. Annual Banquet Held Tues. Evening

Caesar "Dutch" Hohn, a salty, voluble "Sage of the Brazos Bottoms," from Independence, Texas was, the principal speaker for the second annual Muleshoe Chamber of Commerce banquet, held in the Legion Home here Tuesday night.

It was the occasion for the annual change in administration. Houston Hart had been elected president to succeed W. M. Pool, Jr., but was unable to attend due to illness. All other incoming officers were introduced by Loyd Roberts, the incoming vice-president.

On behalf of the board of directors, Mr. Roberts presented a plaque to Mr. Pool, as an expression of their appreciation of Pool's faithful and capable service as president during the new organization's first year. Pool expressed his thanks for the fine cooperation that he has received from the other officers and the directors.

Roberts said the Muleshoe Chamber of Commerce will be as good as the people of Muleshoe want it to be and he urged every member to attend at least one meeting of the board of directors during the coming year to learn at first hand what the body is doing.

Buddie Blackman, of Muleshoe, is a candidate for Region II vice-president of the Texas Junior Chamber of Commerce, now in a three day state convention in the Stephen F. Austin Hotel, Austin.

Mr. and Mrs. Blackman are in attendance at the convention. Others of the Muleshoe JayCees attending are: Lowell Irvin St. Clair and Mrs. St. Clair, June Wagnon, Murrell Brown, Ardell Robertson, and Dr. B. R. Putman.

The election will be held Saturday.

It is the silver anniversary of the Texas Junior Chamber. Twelve JayCees clubs are in this region, each to have 5 votes in the balloting.

BAND INVITED TO PLAY AT ENMU CONVENTION

Muleshoe high school band has been invited to play at the band fraternity convention on the campus of Eastern New Mexico University, Portales, April 17 to 19. A band concert with 100 college and university students playing will be the highlight of the meeting.

JayCees Meeting Held In Austin

Buddie Blackman, of Muleshoe, is a candidate for Region II vice-president of the Texas Junior Chamber of Commerce, now in a three day state convention in the Stephen F. Austin Hotel, Austin.

Mr. and Mrs. Blackman are in attendance at the convention. Others of the Muleshoe JayCees attending are: Lowell Irvin St. Clair and Mrs. St. Clair, June Wagnon, Murrell Brown, Ardell Robertson, and Dr. B. R. Putman.

Freezer School Scheduled Here Next Thursday

MISS RUTH M. MARSH Home Economist Amana Refrigeration, Inc.

Better nutrition, better balanced menus and the freezing and packaging of practically all kinds of foods will be the subject of a frozen foods demonstration next Friday, conducted by Ruth M. Marsh, well known home economist.

"With today's high food prices, it is more important than ever to make the food dollars stretch as far as possible" says Miss Marsh. In the demonstration she has conducted, she has shown thousands of families a new type way to live and eat better and in practically all instances has demonstrated how the average family can reduce present food bills 20% to 25%. Persons attending the meeting will learn among other things, how to prepare nutritious menus, when to buy food, how to freeze it and how to plan its use to the greatest advantage.

The demonstration will be held in the Muleshoe High School Auditorium at 2:30 p. m. Thursday, April 24, sponsored by Berry Electric and Piggly Wiggly. Valuable door prizes will be given to many of the lucky persons attending.

Door prizes will include an Admiral Radio, a Dormyex Mixer, and Youngblood frozen chickens from Piggly Wiggly.

FFA JUDGING TEAM TO PLAINVIEW SHOW

The FFA dairy cattle judging team composed of Jimmy Black, Jackie Henderson, and Billie Joe Estep, failed to place in heavy competition at the Panhandle-Plains Dairy Show in Plainview, Carrol Wilson, Voc. Ag. teacher reports.

The FFA dairy cattle judging in preparation for the Area I judging contest at Tech April 26. Four teams from Muleshoe high will take part in dairy, beef cattle, wool and livestock judging.

VISITED IN OKLAHOMA

Mr. and Mrs. John Fried and children spent the Easter holiday visiting in Shawnee, Okla., with her parents, Mr. and Mrs. M. H. Dayton and other relatives.

A CARD OF THANKS

The Elementary teachers, the room mothers and pupils wish to thank Mrs. Hertha Walker for the special show given the school children Friday afternoon, making their Easter holidays more complete.

MULESHOE STATE BANK TO BE CLOSED MONDAY

The Muleshoe State Bank will be closed Monday, April 21, in observance of San Jacinto Day, a legal holiday, bank officials announced today.

HAVE NEW DAUGHTER

Mr. and Mrs. Alton Cherry are parents of a girl, born Monday, April 14, at Payne-Shotwell Hospital in Littlefield. The little lady, weighing 6 pounds, 3 ounces, has been named Tana Lynn.

Oil Movie Was Shown At Rotary

W. B. Agee, Lubbock, district manager of the Gulf Oil Company, and H. J. Bingham, of the Gulf Company presented a film showing how oil is produced at the weekly meeting of the Rotary Club held Tuesday noon.

Title of the film was "An Oil Field Is Born". It traced development of a well and the flow of oil to the refinery.

The two represented the Oil Industry Information Committee, of the American Petroleum Institute. Bob Gregory had charge of the program.

Mr. Agee announced that Clyde Holt, of Muleshoe, wholesale dealer for Panhandle Refining Co., has accepted the post of county representative for the committee.

Other guests included A. J. "Andy" Rogers of Childress, a candidate for State Senator in this district; Rev. Presley E. Hand, Houston, evangelist and C. A. Basher, Beaumont, singer for the revival now going on at the First Baptist Church; and James Crow, of the C. & H. Chevrolet Co.

Arnold Morris and Onard Upton were named on a committee to work with committees from other groups to look into the purchase of tables for the Legion Home for public gatherings.

FAMILY REUNION

Mr. and Mrs. J. M. Forbes Sunday afternoon attended a family get-together held in the shelter house in city park, Plainview. It was the occasion of the 75th birthday of an uncle of Mrs. Forbes.

BRYANTS VISIT IN CALIFORNIA

Mr. and Mrs. Roy Bryant and Mrs. R. E. Bryant have returned to Muleshoe after taking Cpl. Bryant to Camp Stoneman, Calif.

On their trip they visited Mrs. Roy Bryant's sister and family, Mr. and Mrs. V. L. Woolever in Richmond, Calif. They were gone 25 days and during this time they drove approximately 5,000 miles. They reported having seen a lot of pretty country in Arizona, Nevada and California.

After returning they received a letter saying R. E. had gone to Okinawa.

Five Schools Entered In First FFA Rodeo, Scheduled Here Apr. 25

Students from five schools are scheduled to contest in the Muleshoe FFA Invitational Rodeo, to be staged here the night of Friday, April 25 in the roping arena under sponsorship of the Muleshoe Roping Club. Muleshoe, Hart, Springlake, Bula, and Three Way boys have been invited to take part.

Some twenty boys already entered in one event, the pee-wee calf riding. Willis Branson of Muleshoe will furnish the rodeo stock. Ribbons will be awarded the first five place winners and a rosette will go to the winning school.

MRS. WARE VISITS RELATIVES IN LUBBOCK

During the Easter holidays, a family gathering was held in the home of Mr. and Mrs. Neil Boyce of Lubbock. Those attending were Mr. and Mrs. John Kelly of Cleveland, Ohio, Mr. and Mrs. George Baker, of Friona, Mr. and Mrs. Raymond Baker of Amarillo, Mr. and Mrs. Duke Baker of Big Spring, and Mrs. Opal Ware of Muleshoe.

HIGH SCHOOL P. T. A. TO HAVE MOVIE

The High School P. T. A. will meet Monday, April 21, at 8 p. m. in the Visual Aid Room of the high school.

Special music will be presented by Mrs. E. H. Kennedy and Mrs. C. W. Grandy. A movie on our natural resources will also be featured.

ARLYN KRIEGEL PLEDGES DELTA SIGMA PI

Arlyn Kriegel, a former student of Oklahoma Lane and a graduate of Muleshoe High School, who is now a sophomore of Texas Tech College has been elected and is pledging fraternity in the field of commerce and business administration.

Arlyn is the son of Mr. and Mrs. Alvin Kriegel of Muleshoe.

A gain in postal receipts at the Muleshoe postoffice of more than 23 per cent is reported for the first quarter of 1952 over the same quarter last year.

A. J. Gardner, postmaster, said that not all of the increase can be attributed to the raise in postal rates. The office also has had more business.

He said receipts for the first three months of this year were \$7,440.00 and for the like period last year, \$5,961.67, an increase in volume of \$1,478.34, or 23.185 per cent.

Mr. Gardner pointed out that postal receipts are derived from sale of stamps, stamped envelopes, box rent receipts, second class mailing, and permit mailing of first and third class matter.

Heavy Rainfall Reported West Of Muleshoe

Heavy rains fell in the territory west and northwest of Muleshoe Wednesday night, but none fell in Muleshoe. Around West Camp community it is reported that as much as 2 inches fell in places. Fred Gerles, residing near Lariat, said he had a full inch of rain at his farm.

Some hail fell during the rain-storm. A heavy thunderstorm passed near Muleshoe but no rain fell on the town area. It was said the rain's farthest eastern limit was about at the Pucker corner west of town.

Muleshoe did receive a shower last Friday though, precipitation in a slow fall having been .50 inches. This shower was pretty general over the territory.

Good Start Made On Park

Workers Tuesday Cleaned Up, Pruned, Burned and Hauled Away and Made Quite a Dent in the Huge Job

An excellent start toward renovation of the city park was made Tuesday by a group of workers which at times numbered twenty. The park cleanup day was called by the Muleshoe H. D. Club, which is enlisting the other organizations in a move to build a real park on the two blocks of ground owned by the city.

The workers Tuesday cleaned up, pruned, burned and hauled away and made quite a dent in the huge job.

Now the ladies would like to get a master plan for the park's landscaping and development, so that it will be useful to all the people and a place of beauty in our city.

They have started a fund that will be used to develop the park according to this master plan. Anyone wishing to give to this fund may do so but the ladies prefer to receive checks so that accurate records may be kept, and may be seen and studied at any time.

They will continue with their work of building a park. But they don't want credit themselves, all they want is a park, and they are perfectly willing for any other organization to get credit. The city council is cooperating fully in the idea of building a park and playground, the ladies report.

BABSON SHOWS THE JOB OUTLOOK

Babson Park, Mass., Apr. 11. — Headlines about unemployment in certain sections such as Detroit and New Bedford have made depressing reading. Events, however, are sometimes more important than statistics.

DECLINING EMPLOYMENT AREAS

According to the U. S. Bureau of Labor Statistics, there has been a decline in employment in such industries as clothing, food, lumber and textiles.

WHAT'S AHEAD?

What does this picture mean to the United States? Actually, there is a boom today in certain jobs compared with the boom in stocks of 1929.

BEST JOB BETS

Best job bets for 1952 will be in the defense industries, all of them.

Sand Hill Philosopher

Wants Science To Let Up On Atoms, And Work More On Flies, Mosquitoes

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has a sound idea this week, whether he gets anywhere with it or not.

I read the other day where for 4 billion dollars scientists can establish a man-made satellite a thousand miles out in space, and while I hadn't realized there was a satellite shortage, I'm willing to go along with the idea, the same as I am with plans for makin a hydrogen bomb, newer type atom bombs, etc.

"J. A."

But it seems to me scientists are scatterin their fire. They are movin on to new jobs before they finish the old ones.

Take the common house fly. One of the worst afflictions man has, but there ain't a fly less today than there was twenty five years ago. Or take ants. Or mosquitoes.

It seems to me there's a screw loose somewhere when a deep-thinker scientist about to unlock the secret of nuclear energy or figure out how to conquer space has to stop in the middle of a calculation that may be it to swat a fly.

If the brains of science was brought to bear on the fly problem with the same degree of white heat used on splittin atoms, the fly nuisance could be eliminated for all time.

Like it is now, science is just half-hearted about it. It perfects a sure death for flies, like DDT, and everybody buys a spray gun and cities lay down clouds of the stuff and it works for a while, until the fly catches on and develops an immunity to it.

I got confidence in scientists, they got the brains to outsmart the fly, if we could keep em on the problem long enough to finish it. As it is now, with the brainiest men, the best laboratories, and nearly all the money there is, the scientific mind today can figure out no really better way to kill a fly than to hit

him with a fly swatter. With radar, interceptor planes, radio-active waves, etc. to throw against a human invader, all we've got against the fly is screen wire.

The same thing applies to mosquitoes, chiggers, greenbugs, potato bugs, bollweevils, corn borers, etc. I would like to see Congress appoint a commission to draw up a list of common everyday pests which ought to be eliminated before we go any deeper into nuclear energy or outward into space.

Yours faithfully, J. A.

HORACE McADAMS FAMILY MOVE TO AMARILLO

Mr. and Mrs. Horace McAdams have moved to Amarillo, where he will be associated with the Morriv-Thomas Hdw. Co., a wholesale firm. He had been employed at the E. R. Hart Co. store here for the last several years.

The family came back home at Easter to spend the occasion with their parents, Mr. and Mrs. H. B. McAdams and Mr. and Mrs. Clyde Bray.

Christ's resurrection and our own personal immortality through His Redemptive power are the basic facts of our Christian faith. Moreover, there is a close, vital relationship between the deity of Jesus and His resurrection. Christ's revelation of God to mankind as given in the New Testament has its whole message founded upon the fact of the deity of Jesus.

Will Your Child Go to College - IF HE DOES—IT WILL BE EASIER TO PAY FOR IT OVER A PERIOD OF YEARS THROUGH OUR EDUCATIONAL PLAN.

See me for details R. M. (Bob) GREGORY GREAT NATIONAL LIFE MULESHOE Phone 2769

TODAY'S Meditation

The Power of Christ's Resurrection

Thanks be to God who giveth us the victory through our Lord Jesus Christ. (1 Corinthians 15: 57. A. S. V.) Read I Thessalonians 5:8-18.

Christ's resurrection and our own personal immortality through His Redemptive power are the basic facts of our Christian faith. Moreover, there is a close, vital relationship between the deity of Jesus and His resurrection.

If Christ has not been raised, all faith is futile. But God did raise Him from the dead. It was the inspiration of the resurrection that caused Paul to write, "If Christ be not risen, then is our preaching vain."

Prayer - Our most gracious heavenly Father, we thank Thee for the assurance that comes with the amazing fact of the resurrection, that Thy Son lives. Let all that we do be done in love. Visit upon us Thy wisdom and Thy peace forevermore. In the name of Jesus, our risen Lord. Amen.

Thought for the Day - "Heaven and earth shall pass away, but my words shall not pass away." Iva Gibson (Okla.)

Visited in Lamesa - Mrs. D. V. Riddle visited Mrs. Richard Patterson of Lamesa over the week end.

SPENT EASTER HERE

Mr. and Mrs. A. F. Ashford had as their guests at Easter their son and family, Mr. and Mrs. A. L. Ashford, Ronald Laverne and Linda Carol, of Lazbuddie community; and their daughter and family, Mr. and Mrs. Ance Welch, Danny Eugene and Kathy Elaine, Amarillo.

WILL GO TO KOREA

Pfc. Jimmie Dale Beller, son of Mrs. Sue Bradley, is home on a ten day furlough from the Army. He has been stationed at Fort Bliss, El Paso. Jimmie Dale will report at Seattle, Wash., at the end of his leave and expects to be sent for a tour of duty in Korea.

HOME FOR EASTER

Earl Ladd, Jr., spent Easter here with his parents, Mr. and Mrs. Earl Ladd, Sr. A student at NMMI, Roswell, he had a four day leave for the Easter week end.

SPEND EASTER IN SPUR

Mr. and Mrs. Harold King spent Easter Sunday visiting in the home of Mrs. King's parents, Mr. and Mrs. A. E. McClain of Spur, Texas.

It makes you comfortable all over

Buick engineers have a habit of getting at the bottom of things. So they're not content to stop with putting beneath you cushions that are luxuriously soft and deep. They also put big, soft, deep coil springs between you and all four wheels - and big, soft tires between the wheels and the road. But real riding comfort calls for more than cushioning up-and-down jolts and jars. There's end-sway and side-roll and "wander" to be controlled. There's sure-footed balance on curves. Not to mention the importance of having a frame stout and husky enough to make the whole car feel safely solid. So Buick engineers have gone through the list - come up with a ride that cost a cool million dollars and more for special engineering, tooling and components. Does that cover Buick's comfort story? It certainly does not. There's the comfort of driving a car that instinctively holds the road - the comfort of ample room and a wide-open view of the world around you - the comfort of fabric colors that please the eye and fabric textures that please the touch - and the effortless smoothness of Dynaflo Drive.* Then there's the mental comfort of bossing power mighty enough to meet any demand you make upon it in emergency - 8-cylinder power - high-compression power - valve-in-head power - Fireball power, that makes you proud of the miles you get from a gallon of gas. And maybe you'll also find comfort in knowing that this great automobile can be yours at a price that is still just a small step above what's known as "the low-priced three."

Muleshoe Automobile Company advertisement with Buick logo and slogan: Sure is true for '52 When better automobiles are built BUICK will build them

YOUR HOME AND HOW TO DECORATE IT" TALISMAN WALLPAPER

Women shopping for new wall-papers will find it a simple and stimulating experience now rather than the burdensome, often confusing task it used to be. A completely new type of wallpaper sample book being introduced at Willson-Sanders Lbr. this week, has just been developed by United Wallpaper, Inc. to act as a self-help decorating guide for homemakers who through necessity or enjoyment do their own decorating.

The book, "Your Home and How to Decorate It" also serves to introduce Talisman Wallpapers, a new brand named product offering many advantages not found heretofore in conventional wallpapers, including precision pre-trimming for easy hanging, and packaging for added cleanliness and safer storage.

Another feature of this unusual new program is the intro-

ducing history of correlated dinnerware and wallpaper. To add to dining harmony and pleasure the design motifs of five versatile Talisman papers are repeated on hand-painted dinnerware by Blue Ridge Chinaware.

In the first step to eliminate the confusion most women feel when confronted with a book filled with wallpapers in no particular order, "Your Home and How to Decorate It" has been divided into folios and sub-divided into sections. There are five folios. The first and most important is called "Typical American Homes." Within this folio, there are twelve sections, each representing a familiar type of home and of each home there is a complete group of wallpapers already correlated for each possible room in that home. The wallpapers are selected because of their unity of design

house and each coloring is planned so that there will be color harmony throughout the house.

Nothing is left for a chance mistake. Heading each section is a picture of the house so that all the homemaker has to do is flip to the house that looks like hers. On the back of each "home" page, there are illustrations showing typical decorating problems in that kind of house and ways of overcoming them, as well as many extra decorating tips. To further insure a perfect decorating job, on the back of each wallpaper is a description of what the pattern will do, where it can be used, what kind of woodwork and ceiling treatment, and what kind color of furnishings and carpets will be most appropriate and most effective with that pattern. Alternate possibilities are given for

everyone so that no woman need feel rigidly tied down to the suggestions listed.

Emphasis is placed on the fact that these are created merely as helpful ideas on using and buying wallpaper and need not, indeed, possibly should not be followed slavishly. To further stress this point many of the patterns are used in more than one home in other colorings and for other rooms to show their flexibility.

The homes runs the gamut from a California modern ranch, the San Fernando House, to the huge, awkward functional Victorian "Homestead", including such period inspired homes as "Provincetown" and "Roanoke". There is even an apartment scheme for city dwellers.

The second, third and fourth folios highlight specific kinds of patterns, each grouped together so that consumers can turn directly to the subject she's interested in without having to pick them out from among dozens of unrelated papers. All of the patterns have been used in the homes, but many of the colorings are shown in these collections for the first time. The second folio is called "Storytellers" and includes novelty papers that will be conversation pieces in dens, playrooms, kitchens, bathrooms and powder rooms. "The Garden Club", a tongue-in-cheek series of vignettes on the gardening activities of the green-thumb gals is one of the more whimsical. Others in this folio present witty or charming impressions of trotting racing, square dancing, lovesakes, and sportsman mementos.

The third folio, called "Backgrounds for Better Living" includes a varied collection of textured and semi-plain effects for those rooms where a feeling of background and dimensional interest are wanted, but where too much pattern would be inadvisable. These are recommended too for coordination with other patterns for the same or adjoining rooms.

Reproduction of favorite garden flowers are highlighted in the fourth folio, "The Album of Familiar Flowers." Delicate baby's breath, sturdy cosmos, the rambler rose, lilies of the valley, field daisies, clover and roses are among the many flowers depicted in both modern and traditional renderings.

The wallpapers that are ensembled with the Blue Ridge dinnerware are shown in the last folio. The patterns are quite varied and the selection is flexible enough to fit into any decorating scheme. An elegant stylized tree design is included for modern homes, while a quaint all-over pattern of provincial symbols is planned for Early American decor. Three patterns of ivy, one with strawberries and one with cherries are timeless in their subject matter and, treated in a crisp, contemporary fashion are just as at home in traditional or modern

Society News

Progress Club Enjoys Social

The Progress Home Demonstration Club met in the home of Mr. and Mrs. George Stotts Wednesday night, April 9, for a social. The evening was spent playing canasta.

Everyone had an enjoyable time and refreshments of coffee and pie were served to Mr. and Mrs. Glen Malby, Mr. and Mrs. Tom Smith, Mr. and Mrs. O. M. Self, Mr. and Mrs. Joe Simmacher, Mr. and Mrs. T. Haley, Mr. and Mrs. Richard Smith, and Mrs. Odell Logan, and the host and hostess, Mr. and Mrs. Stotts.

Family Reunion Held In Home Of Bert Seales

A family reunion was held Sunday, April 13, in the Bert Seales home. Attending were Mr. and Mrs. Walter Seales, Stephenville, Mr. and Mrs. Homer Seales and family, Kermit, Mr. and Mrs. Clarence Edwards and sons, Hobbs, N. M. Mr. and Mrs. H. A. Douglass, Jr., and son, Muleshoe, Mr. and Mrs. George Bell and son, Hobbs, Mr. and Mrs. N. R. Pool and family, Portales, Mr. and Mrs. Don Seales and son, Muleshoe, Mr. and Mrs. Norman Percilla and family, Portales, Mr. schemes.

Although only one coloring in each pattern is included in the folio, other available color combinations can be seen scattered throughout the homes sections. The correlated dinnerware has been made in a single coloring that will blend with all the wallpaper colorings. The dinnerware will be sold in 28 piece sets (four 7 piece place setting) through Willson-Sanders Lumber only.

The keynote of the Talisman patterns is versatile and originality. The designs are extremely comprehensive to meet the challenge of many kinds of taste. They range from a striking modern design "Abstract Geometric" to traditional patterns that have been given a fresh rendering. Colors, too, run the gamut of the rich "earth" tones and the subtle "Pacific" shades. Blues are back again in rich, clear tones and in many variations of shades, while reds and sharp bittersweets, adding a bright note, are more important than previously.

A special paper has been developed for the Talisman wall-papers with a highly receptive surface providing the finest printing reproduction and depth of color. Its soft pliable characteristics make it easier to hang. Many of the patterns have been copyrighted to protect consumers from finding cheap imitations in subsequent seasons. All of the papers are washable, fadeproof, and walledsted to insure a perfect match. They carry a three year guarantee if hung according to instructions.

THE MULESHOE JOURNAL, Thursday, April 17, 1952

and Mrs. Jess Stafford and family, Levelland; Mr. and Mrs. Wayne Edwards and daughter, Hobbs, Bill Mitchell, Kermit, and the Bert Seales.

College students who attended were Walter Seales, Baylor University, and Tip Edwards and Leland Pool of E. N. M. U. at Portales.

METHODIST WOMEN TO HAVE MEETING

The Woman's Society of Christian Service and Guild of the Amarillo district will have their spring meeting April 25 at 10 in the Dimmitt Methodist Church. There will be a pledge service for the district and each local society will give a report on their year's work.

GREERS VISIT RELATIVES

Mr. and Mrs. N. H. Greer visited during the Easter holidays with her mother, Mrs. N. E. Simmons of Erick, Okla., and with his parents, Mr. and Mrs. N. A. Greer of McLean, Texas. They also visited in Pampa.

VISIT IN BULA

Mr. and Mrs. "Tootie" Middlebrook visited Easter in Bula with his parents, Mr. and Mrs. J. L. Middlebrook. Tootie's sister, Marshall, of Sundown, was also present. The J. L. Middlebrooks had just returned from California where they had been visiting their daughter.

MISS RUTH M. MARSH
Home Economist
Amana Refrigeration, Inc.

This completely new kind of school will give you the knowledge necessary to use methods that will help you save even more on your food dollar. You will be shown "tricks of the trade" that you can use with your home food freezer or in the freezing compartment of your refrigerator. Miss Ruth M. Marsh, home economist of Amana Refrigeration, Inc., will show you surprising secrets of food preparation that only years of experiment, research and experience make possible.

GIVE YOUR HAY this thatched roof protection

Here's the "roof" cut loose and lifted from an Allis-Chalmers rolled bale. Like the curving sheets of a Quonset hut, these curved outer layers of hay protect the layers beneath from rain and snow.

That's why rolled bales give you new insurance against rain-damaged hay, and why some western cattlemen leave the bales right out on the range for winter feeding.

Whether your hay needs this winter-long protection on the range or only temporary safety from summer showers, you will profit from using rolled bales.

Muleshoe, Texas

For Sale

200 acres, 4 bedroom home, two baths, floor furnace, living room, 15x32 kitchen, 15x48 built-ins on two sides, exhaust fan. Attached garage. Storm cellar. Electric water system, windmill and overhead tank. Large barn and other out buildings. Two good irrigation wells, one new. All land can be watered. All plowed, part watered ready for cotton. 50 acres wheat been watered twice goes to purchaser. Fifty acres turned 12 inches in winter. 60 acres turned 8 inches. Price \$325, \$13,000 loan.

Nice small ranch northwest of Colorado Springs. Attractive price and terms. There are 720 cows. This joins the ranch making an attractive setup and economical.

There is a three bed room modern home. Best of out buildings. Only one mile off the State highway. Cuts enough hay to winter and run 100 cattle. This ranch is clear of debt. There is good fishing and deer hunting in this vicinity, in fact, some of the best in the entire State of Colorado. There are no nearby school facilities although everything, including a College is in Colorado Springs about 30 miles.

This is a fine one man cattle outfit and would handle 100 cattle nicely, we understand. The altitude is around 7000 ft. There is a creek of running water. Also many nice springs on the ranch.

There is an ideal site on this ranch for a lot of summer homes or cabins, along the creek. An unusual opportunity for an alert investor to sell building sites or erect and sell cabins or operate same. Colorado Springs is usually filled to overflowing with tourists during the summer, being famous throughout the United States as a resort center. Believe this ranch would make an extra fine slide ranch.

It is offered at this time for only \$35,000 and believe 1/2 down will handle it.

We have a good cattle ranch located near Tulsa. Has a lovely Tennessee Stone home, three bedrooms and den, full basement with clubroom, heating plant, two woodburning fireplaces, two baths, two car garage. It is a \$50,000 home. Has a good tenant house, plenty of barns, good fencing. It has between 800 and 900 acres, on hard surface road.

The price of this beautiful ranch is \$125,000.

TOURIST COURT
20 Units and in addition an 8-room, 4-bath living quarters. Can give excellent terms to right party or will trade for farm or grass land.

We ask that you see this court for it will stand a thorough inspection.

FERGUSON SUIT AGAINST FORD SETTLED!

On April 9, 1952, the United States District Court for the Southern District of New York entered a final judgement with the consent of all parties, which ended four years of litigation between Harry Ferguson, Inc. and Ford Motor Company and others. It was ordered and adjudged that:

- The sum of \$9,250,000 shall be paid to Harry Ferguson, Inc. as royalties on Patents Nos. 1,916,945; 2,118,180; 2,223,002 and 2,486,257.
- Ford Motor Company shall not manufacture, after December 31, 1952, such tractors, and Dearborn Motors Corporation shall not sell any such tractors manufactured after December 31, 1952, as have:
 - (a) a pump having a valve on its suction side, as for example in the present Ford 8N tractor, arranged to be automatically controlled in accordance with the draft of an implement, or
 - (b) a pump for a hydraulically operated draft control system for implement control and a power take-off shaft both driven by the lay shaft of the transmission, as for example in the present Ford 8N tractor, or
 - (c) a coupling mechanism on the upper portion of the center housing, of the form employed in Ford 8 N tractors manufactured prior to November 22, 1949; and Ford Motor Company and Dearborn Motors Corporation must affix a notice on any long coupling pins, manufactured by them, to the effect that the pin is sold only for replacement on 8 N tractors made by Ford prior to November 22, 1949.

This settlement between Harry Ferguson, Inc. and The Ford Motor Company resolves the issues. The inventions in their entirety with which this action was concerned will be found only in the Ferguson Tractor and in the Ferguson System in the future. It is fitting that farmers all over the world . . . and especially in the Americas . . . shall continue to look to Ferguson for fulfillment of all that these inventions contribute to a greater and more prosperous agriculture. Better implements, better farming practices, more abundant production, and lower farming costs have resulted from the Ferguson System as employed in the Ferguson Tractor.

Now, indeed, the Ferguson with the one and only complete Ferguson System is the tractor that meets more of the needs of more of the farmers more of the time. This can be proved to you at a demonstration on your own farm. Such a demonstration can be quickly arranged by telephone. Won't you call us about it?

A NEW, FAST, ECONOMICAL PRINCIPLE IN LAND LEVELING

A WESTATE WILL WORK WITH YOUR TRACTOR
You don't need a heavy 3- or 4-plow tractor to operate a Model D WESTATE LAND LEVELER. A WESTATE keeps the scraper in a plane with the FRONT WHEELS of your tractor and the REAR FLOAT by means of a remarkable new principle using an exclusive PARALLEL LINKAGE CONTROL mechanism. Because the scraper is attached to the lift-arm close to your tractor, it makes for a lighter pull and better traction while retaining top leveling efficiency. No matter what kind of a tractor you use, you can finish your seed bed preparation faster and cleaner with the new WESTATE. Your dealer will show you. A WESTATE is a most valuable machine, for by simple adjustments, it can be changed to a fast, efficient scraper, or a bulldozer capable of moving large amounts of dirt. You get all three useful machines for less than an old-type leveler alone. There's a WESTATE Model for YOUR tractor. Write for literature today.

3 IN ONE
*Land Leveler
*Scraper
*Bulldozer

Library News

Several new books have been added to the Library, some westerns and some romances. Also, "Little Britches" by Moody, that some of the children have been asking for.

Mrs. Clifton Griffiths, chairman of the board, has the interests of the Library at heart and is doing

her best to get the books that the public is asking for.

Some of you readers have books checked out that are overdue. Will you please bring them in? The fine is very small, and will be used for buying new books. Thanks, Mrs. E. R. Wright, Librarian.

Lazbuddie News

Mr. and Mrs. Charles Neely of Tulsa, Okla., visited Mr. and Mrs. R. G. Treider, Jr., Easter Sunday.

Mrs. T. D. Vaughn and children left Monday to go to Dallas where they will visit Mrs. Vaughn's aged father who is ill.

Miss Sherry Jo Steinbock visited Janice Oliver Sunday.

Mr. and Mrs. Dan Winn, Jr., and children, Danny Mack and Alma Jean, of Slaton visited in the Alfred Steinbock home Sunday.

Leota Mahan and Theresia Steinbock went to Palo Duro Canyon Sunday.

Pfc. Max Steinbock, Eugene Parker and Robert Williams spent Easter with Max's parents here.

Edgar Broyles left to go to Houston on business this week.

Mr. and Mrs. Max Miley of Roswell, N. M. were visitors here Sunday with relatives and friends.

John Dyck and relatives went to Palo Duro Canyon Sunday. Among those going were Mr. and Mrs. Dugan Nowell and family of Lubbock; Mrs. Alma Roberts and children of Clovis, T-Sgt. and Mrs. Walter Dyck and children of Reese Air Force Base, and Mrs. Annie McNeil of Earth. A basket dinner was prepared for the occasion.

The Lazbuddie baseball team played Olton team here Sunday. Olton won 11-10.

Mr. and Mrs. Junior Matthews and two sons, Gary and Darrell, visited Mr. and Mrs. Rex Steinbock and Troy Sunday.

Mr. and Mrs. Rhiny Steinbock have returned from their trip to Tacoma, Wash., where their daughter, Mrs. James Kyle presented them with a new grandson on April 1. His name is James Earl.

The Steinbocks also visited a brother, Carl Steinbock and family of Jasper, Ore., and Mr. and Mrs. L. L. Bewley of Springfield, Ore. Mr. and Mrs. Bewley and Mrs. Steinbock's parents.

Mr. and Mrs. D. B. Ivy are remodeling their home. They are adding two bedrooms and one extra bathroom.

Plans were completed for the banquet for the commissioners on April 25. Mrs. Reid then gave a discussion on "How to Lay a Walk". Mrs. R. P. McCall has recently made a walk.

Mrs. D. T. Johnson and Mrs. Dutch Cash attended the craft meeting April 11 at 2:30 with Mrs. Reid as director of the meeting.

For entertainment Mrs. C. G. Seagler read "Who Lives the Longest".

The next meeting will be held in the home of Mrs. W. A. Pool. Bring your old lamp shades to redecorate.

The well has been completed at the cemetery and the club sent a check to Edd Autry for digging it. Thanks to the people who helped with their donations.

CARD OF THANKS

We wish to express our most sincere thanks and appreciation for the loving kindness shown us during our recent bereavement and for the beautiful floral offering.

4-H Club Dress Revue Saturday

A 4-H Club dress revue will be held the coming Saturday, April 19, at 2:30 p. m. in the district courtroom here.

After the revue, the Women's H. D. Club county council will give a tea for the 4-H Club girls participating.

A judging on construction of the garments to be shown will be held today, Thursday, with Mrs. Theresa Revel, teacher of Home Economics in Lazbuddy High School as the judge.

Judges in the revue Saturday will be Miss Clara Pratt, H. D. agent of the Lubbock County; and Mrs. Aubrey W. Russell, district agent, Lubbock. The public has a cordial invitation to attend the revue, Mrs. Dian Reed, home demonstration agent said.

The Rebekah Lodge met Tuesday night, April 15, with 25 members present.

Practice was held for the coming association meeting to be held at Abernathy Thursday, April 24. The association consists of all the Lodges in district 23 which is 18 Rebekah Lodges and numerous Odd Fellow Lodges.

Each year a trophy is given to the winning team and this year the Muleshoe Lodge is trying for their second one. They won the '49 trophy.

The next meeting will be held in the home of Mrs. W. A. Pool. Bring your old lamp shades to redecorate.

Annual Staff Sponsor Show

The annual staff of the Muleshoe High School is sponsoring a program in the High School Auditorium Friday night, April 18, at 8.

The program will consist of Bobby Durham and the Sons of the Golden West. Bobby Durham is an accomplished pianist. Also featured is a talented comedian.

Advance tickets may be purchased from any member of the staff, from Ernest Ware, or from Mrs. Horace Blackburn. Tickets will also be sold at the door. Student admission is 30c and adult admission is 60c.

W. S. C. S. Has Special Program

The Progress W. S. C. S. met April 10. The opening hymn was "Savior, Like a Shepherd Lead Us." The devotional was the Easter service.

The theme of the program was "Let not your heart be troubled" and the hymn was "O Love That Will Not Let Me Go." Mesdames Shaw, Green, O. C. Thompson, and Griffin had parts on the program.

Mrs. Jones led in prayer.

Mrs. Cooper brought the 8th to the 17th chapters of the book of Acts. Mrs. Mitchell gave a talk on the life of Paul and Mrs. Actkinson spoke on Baptism.

The Society voted to buy venetian blinds for the pastor's study.

Those present were Mesdames Jones, Westbrook, Actkinson, Davis, Griffin, Tipton, Mitchell, Richards, O. C. Thompson, Shaw, Green, and Hill. Children present were Francis Cooper, Kirk Jones, and Billy Mitchell.

Mrs. Rita Richards dismissed the meeting with prayer.

Dorcas Class Meets In Blaine Home

Members of the Dorcas Class of the First Baptist Church met in the home of Mrs. A. W. Blaine Wednesday afternoon, April 9, at 3 for their monthly business meeting and social hour with Mrs. S. W. Imman as co-hostess.

The president, Mrs. Vernon Jamison called the meeting to order which was opened with prayer by Mrs. Earl Humphrey. A very interesting devotional was given by Mrs. Howard Cox.

The story of the Easter Lily was told by Mrs. L. S. Barron and plans were made to have a book review after the revival to secure funds for the class.

A Bible quiz was led by Mrs. Earl Humphrey and the meeting was adjourned.

A very enjoyable social hour

followed. Delicious refreshments of Ritz crackers with cream cheese, pecan pie topped with whipped cream, punch and coffee were served to Mesdames J. L. Mauldin, Howard Cox, Ed Hicks, Woodrow Surratt, Vernon Jamison, Earl Humphrey, Byron Griffiths, Wiley Bowers, W. E. English, Margaret Marshall, A. W. Blaine, S. W. Imman and one visitor, Mrs. L. S. Barron.

CALIFORNIANS HERE

Mr. and Mrs. Walter Rector of Visalia, Calif., have been here visiting old friends and seeing after a farm they own in the south part of the county. The family moved from here to Calif. about six years ago.

SAINS HAVE VISITORS

Mrs. George Province and Mrs. Leslie Mills were guests in the J. H. Sain home Sunday.

Wilterding Is Promoted To Rank of Corporal

WIESBADEN AIR BASE, GERMANY — Corporal Reece M. Wilterding, son of Mr. and Mrs. Mervin Wilterding, Muleshoe, was recently promoted to that rank, it was announced by Lt. Col. Charles F. Coffey, Jr., commanding officer, 63d Air Gun Battalion, Wiesbaden Air Base, Germany.

After attending Muleshoe High School, Wilterding was inducted into U. S. Army in March, 1951. He received his basic and artillery training at Fort Bliss, Texas.

Presently assigned to "D" Battery, Cpl. Wilterding performs the duties of an artillery mechanic.

One Day Explorer Encampment Planned

Thursday, May 8, from 9 a. m. to 5 p. m. on the Texas Technological College Campus a program will be sponsored by the Texas Technological College Air Force Reserve Officers Training Corps and the Lewis C. Ellis Squadron of the Arnold Air Society.

It will consist of lectures on such subjects as "Choosing a Career or Vocation," Organizing and Running an Explorer Post

or Squadron," "Theory of Flight," "Navigation," "Weather," and "Flying Regulations."

Also on the list of activities will be movies on first aid and survival methods, demonstrations of flying model airplanes, a review of the Air Force ROTC Band, and marching in a parade with the ROTC Band.

The only cost will be the noon meal.

This one day program is being planned for all Explorers and specifically for the Air Explorers in the South Plains Council. Texas Tech is looking forward to having all you Explorers on the campus and the Air Force ROTC Cadet Corps will be working to present you with the finest and most educational encampment you have ever had. All that is needed is your presence in a sharp Explorer or regular scout uniform.

An exact program and the expected cost of the meal which will be planned for you will be sent out about the end of April along with a request that you let us know if you are coming. That will tell us how much food to cook. Start planning now to attend.

Pierce Promoted To Sergeant, Will Wed, Visit Home

Family and friends of Wm. M. Pierce have good news about the young man this week. Pierce is stationed with the Air Force in Alaska and now has been promoted to the grade of Sergeant, the family learns.

But this is not all. On a trip home the coming June, Pierce will stop off in Eugene, Oregon, and will be united in marriage there to Miss Vivian Joiner, who resides in Eugene. Then the new Sergeant will bring his bride with him on the visit to his parents, Mr. and Mrs. Haskell Pierce, of Y. L. community, and other relatives and friends.

Sgt. Pierce has been in the Armed Service more than three years.

CHRISTIAN SCIENCE SERVICES

Jesus' unparalleled contribution to the welfare of mankind by teaching the practical method of atonement through prayer and regeneration is illustrated in the Lesson-Sermon entitled "Doctrine of Atonement" to be read in all Churches of Christ, Scientist on Sunday, April 20.

The Golden Text shows his Christly purpose: "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many" (Mark 10:45).

God's requirements are simple, according to these Bible words included in the Lesson-Sermon: "What doth the Lord require of thee, but to do justly, and to love mercy, and to walk humbly with thy God?" (Micah 6:6).

Mary Baker Eddy, the Discoverer of Christian Science, says however in "Science and Health with Key to the Scriptures": "Final deliverance from error, whereby we rejoice in immortality, boundless freedom, and sinless peace, is not reached through paths of flowers nor by pinning one's faith without works to another's vicarious effort." And she also says (p. 19): "Those who cannot demonstrate, at least in part, the divine Principle of the teachings and practices of our Master have no part in God."

It was built brand-new around a hemispherical combustion chamber which makes better use of gasoline, and also permits sounder all-round engine structure, than any American motor car engine has had before.

It delivers 180 horsepower . . . without requiring you to buy premium gasoline. It runs with less waste, less heat, less friction and less wear than previous designs can

Vernon Thomas Back From Korea

Marine Corporal Vernon H. Thomas, son of Mr. and Mrs. Ira H. Thomas, 1408 Ave. E. of Muleshoe has recently returned home on a thirty day leave.

A Korean veteran of two years, Vernon has been awarded the United Nations Ribbon, Korean Service Ribbon with three battle stars, the Unit Presidential Citation with one star, and has been recommended for the Bronze Star decoration for extraordinary heroism under combat conditions. Wounded three times by shrapnel, Vernon proudly wears the Purple Heart Award with two stars.

Vernon left for Korea on March 5th, 1950 and left there on March 17th, 1952. After his leave, Vernon will report to Camp Joseph H. Pendleton for future assignment within the famed Fleet Marine Force.

Not "warmed over" but strictly brand new!
You owe it to your pocketbook to drive this Chrysler engine before you buy any fine car today.
It's not a "warmed-over" engine, but a basically brand-new one!
It gives a new kind of performance that means new value for every dollar you pay out for purchase, upkeep, or operation.
It was built brand-new around a hemispherical combustion chamber which makes better use of gasoline, and also permits sounder all-round engine structure, than any American motor car engine has had before.
It delivers 180 horsepower . . . without requiring you to buy premium gasoline. It runs with less waste, less heat, less friction and less wear than previous designs can equal. Its combustion is so clean it literally develops almost no carbon deposit at all.
It will last longer than any engine you've ever known. It will cost you less along the way. It will stay "young" in performance thousands of miles past the point where an ordinary engine shows old age.
And on top of all that, it makes driving a lot more pleasure! Its smoother response . . . its safety-power, in reserve for emergencies . . . its easy scorn for distance or hills . . . make you just plain feel good at the wheel as you've never felt before.
For the good of your purse and your pleasure too . . . we invite you to drive it, soon!
DRIVE A CHRYSLER Today!
Leave the Difference!

How We Elect A President Is Told; Precinct Conventions Are Important

(As a public service, the West Texas Chamber of Commerce has prepared a series of two articles that emphasize importance of individual participation in party precinct conventions in a presidential election year. This is the first article — Editor's Note).

In the past a very small portion of Texas voters have had any direct influence, with their individual votes, upon the election of the President and Vice-President of the United States. They have voted in primary elections, and a few of them in general elections. But they

voted for Presidential Electors, not the candidates themselves. Those candidates, the party nominees, had been selected three or four months before the general election itself.

And, even then, they had not been selected by ballots of individual voters, cast in an election.

Their nominations originated way back there in May at party precinct conventions.

Here is how it works: The precinct convention names delegates to the party's county convention. The county convention selects

delegates to the state convention.

The national convention nominates the presidential and vice-presidential candidates of the party.

It is, therefore, necessary that the individual voter take part in the precinct convention to most effectively make his own vote count in election of the President and Vice-President.

Because such a relatively few voters usually attend Precinct conventions, the vast majority have had little moral right to complain about any administration's policies.

Here are some questions and answers to point up fundamental facts about the Presidential Precinct Convention:

Q. When will it be held?
A. On Saturday, May 3.

Q. At What hour?
A. The law requires that it be held between 10 a. m. and 8 p. m. Outside the largest cities, it usually is opened at 2 p. m.

The County Chairman of the party is required by law to file a list of times and places with the County Clerk at least ten days before the convention day. This list must be posted on the Court House bulletin board.

Q. Who can take part in the Precinct Convention?
A. All qualified voters who live within the voting precinct.

Q. Must each person show proof of his right to vote in the Precinct Convention?
A. Yes. He must bring with him to the convention, his Poll Tax receipt or his Exemption Certificate.

VISITORS FROM HOBBS

Mrs. B. W. Harden and children, Gordon and Mary Louise, of Hobbs, N. M., stopped in Muleshoe Friday night to visit her grandmother, Mrs. I. W. Harden and other relatives.

Many Traffic Deaths Laid To Discourtesy

Most of the blame for three-quarters of our annual traffic deaths was laid at the door of discourteous drivers, by W. Carl Morris, Jr., President of the Texas Safety Association, in urging civic and business support of the Regional Safety Conference to be held in Lubbock, on May 1.

"Such acts as excess speed, ignoring the right of way, driving under the influence of alcohol, driving on the wrong side of the road, passing improperly, and disregarding an officer or traffic control device are, at the very latest, discourteous behavior, and at the worse, wanton murder," Morris said.

This emphasis on courtesy and defensive driving is part of a program of traffic safety education being conducted by the Texas Safety Association in cooperation with the Texas Department of Public Safety, Texas Federation of Women's Clubs, Texas Congress of Parents and Teachers, Texas Education Agency, Lubbock Citizens Traffic Commission, and the Lubbock Chamber of Commerce.

"Twenty-five percent of the highway fatalities in which a violation figured," Morris said, "can be traced directly to excessive speed. Driving on the wrong side of the road and driving under the influence of alcohol were the next two biggest contributing factors in fatal accidents, and the frustrating part of all this, especially to those entrusted with the job of safety education and enforcement, is that every one of these deaths were unnecessary; they would not have happened if one of the drivers involved in each case hadn't judged himself either too smart, too skillful, or too lucky to be involved in an accident."

The Texas Safety Association also warned motorists to drive defensively. Always expect the unexpected and do not assume that, because you are driving courteously, everyone else is.

"Per mile of highway, we have more discourteous drivers than telephone poles," Morris said. "The chief difference is that the poles won't swerve into the wrong lane."

Several hundred persons are expected to attend the Lubbock conference with representatives from industry and business, civic clubs, parents, and schools.

REPORTS TO PERRIN AFB AT DENISON, FOR DUTY

Lieut. Fuston McCarty reported Tuesday of last week at Perrin AFB, Denison, for duty with the Air Force. Mrs. McCarty is with her husband. Lieut. McCarty is a son of Mr. and Mrs. Delma McCarty of Muleshoe. He graduated from Muleshoe High School and Texas A & M College.

Martin County Water District Suit Has Implications For Plains Setup

Jesse Osborn, Muleshoe, a director of the Hi-Plains Underground Water Conservation District, has received an interesting letter from Willis A. Hawkins, of Lubbock, a member of the board, relating some matters that directly concern members of the association. It concerns water boundaries, and his observations are based on a recent visit questioning the evidence by which another water district, that of Martin County, was formed.

The letter follows: I had the privilege, recently, of attending a law suit held in the District Court of Travis County at Austin before a judge of that district. This suit questioned the evidence upon which the water district of Martin County was formed. As I listened to the testimony from both sides, I could not see how any judge would be qualified to dissolve a water district whose boundaries had been des-

ignated by the State Water Board, State Geologists and U. S. Geologists, they being the recognized authorities to establish such boundaries. They determine these boundaries by the study of formations and from other evidence presented to them at a public hearing, as required by our water law.

I, as director of the Hi-Plains Underground Water Conservation District, wish to go on record that I do not agree with the decision of any judge who would render a verdict that the State Water Board, State and U. S. Geologists did not have sufficient evidence in designating Martin County's water District.

My opinion is not infallible, nor do I present it as infallible, but I hope that I am not in error in believing in the paramount rights of the individual; of his right to own property and to enjoy the fruits thereof. My thinking makes me wonder if many of our men who are in leading positions have not lost the vision of true Americans.

I know that the five directors of the Hi-Plains Water District believe in the democratic principles upon which these United States were built. They believe in the sovereign rights of the property owner; of his priority to enjoy the ownership thereof such as water, oil and other minerals. They believe in our water law and believe that in time with lots of patience it will evolve into an efficient and democratic control of our water problems.

This law has very little precedent. There is no pattern to follow so the directors must go slow law up. They must find solutions as problems arise and they hope that all who are in this district will assist by presenting to the directors any constructive ideas they have.

Your cooperation is earnestly asked in solving all problems. Take the matter of spacing wells, if they are placed too near another well it certainly costs both parties. Now, you neighbors think about this and try to get together and work out something. Maybe you will have to buy a little pipe. If you don't you may pay for the cost of pipes many times in the cost of pumping.

ROBINSONS HAVE VISITORS

Easter visitors in the home of Mr. and Mrs. Ira Robinson were Mr. and Mrs. Arnold Washington of Springlake, Mr. and Mrs. John Monett of Earth, and Mrs. Dick Sanders of Carlsbad, N. M.

GRACE BENTON

FURNITURE FASHIONS by Frances Ainsworth

GRAND RAPIDS, MICHIGAN:—Foremost among current furniture fashion trends is the Italian influence in furniture design. The illustrated "Italian Provincial" bedroom grouping, from the Kandel Furniture Company's collection of new cherry bedroom designs, is an excellent example.

Informal luxury is the keynote of the superb styling, reflecting the classical simplicity of the better furniture made outside Italy's larger cities during the latter half of the 18th Century.

All pieces are made of cherry in a soft fruitwood finish with anti-aging and a mellow patina achieved by hand glazing and French polishing. The finish has a light warm transparency that reveals the grain of the wood and adds much to the friendly "homey" feeling of the pieces.

Logan Cummings Gets Hole-In-One

Logan Cummings, 16 year-old Muleshoe High School student, shot a 125-yard hole-in-one at the Lubbock Country Club Sunday afternoon.

Cummings who was playing by himself, drove the perfect shot on the 17th hole with a 9-iron. Witnesses were L. G. Raney, Dixon White, Charles Townes, and Lindsey Telford. Logan is a son of Mr. and Mrs. Frank Cummings of Muleshoe.

WELDON McCARTY A DISTINGUISHED STUDENT

Weldon McCarty, who is majoring in agricultural engineering at Texas A & M College, was a "distinguished student" at Texas A & M College in the semester which ended before Easter.

Weldon's scholastic record was 5 As and 2 Bs. He is a son of Mr. and Mrs. Delma McCarty of Muleshoe.

ALAN FAUGHT WEDS IN BORGER CEREMONY

Alan Faught, a former employe of The Journal, and Miss Wanda Haney, of Borger, were united in marriage in a double ring ceremony performed recently in the First Baptist Church there. Mr. and Mrs. Faught are both employed by the Borger News-Herald.

Mr. Faught came to The Journal from Levelland where he had been employed with the Hockley County Herald. He stayed at Mrs. Ivy's boarding house while working for the paper.

Farm Tractor Can Be Killer

More than a quarter million tractors furnish the power for producing the major portion of the agricultural wealth of Texas. These machines, when properly handled and operated, are safe but when carelessness comes into the picture, they can become killers. Fatal accidents caused by farm tractors, points out E. C. Martin, state agricultural leader for the Texas Extension Service, usually result from some chance taken by the operator.

High on the list of tractor accidents causes are failure of the operator to follow his operating manual when attaching equipment; operating the power take-off with shield removed; filling the fuel tank with the motor running; making adjustments on the tractor or equipment without shutting-off the motor and

operating the tractor on a highway after dark without proper front and rear lights.

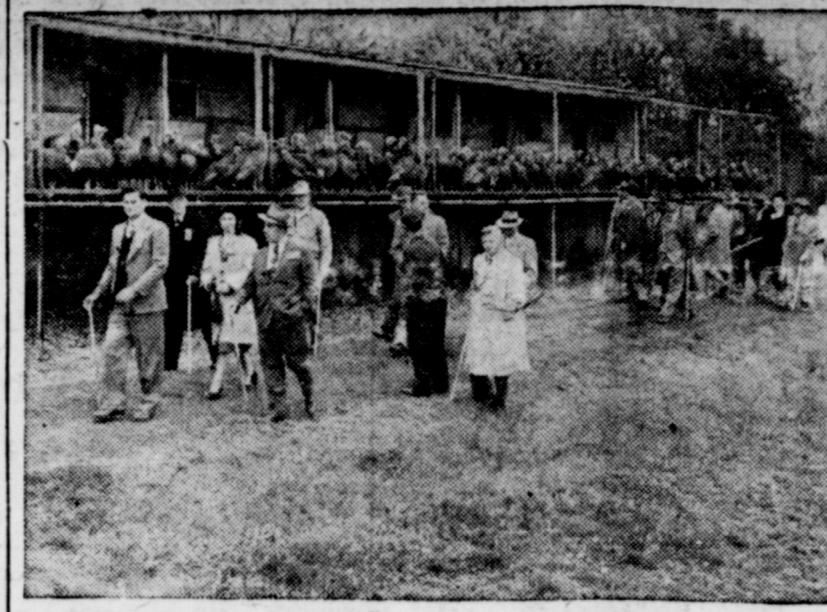

Many accidents result from averted tractors. Martin says extreme care should be exercised when tractors are operated on hilly or rough land and in fields where there are ditches or creeks. Making hitches above the draw bar may cause the tractor to rear up and turn over backwards, explains Martin.

Never operate the power take-off unless it is covered with the shield which came with the tractor, warns Martin. It was provided for the safety of the operator.

The shortage of farm labor can be partially overcome by preventing every type of farm accident and Martin adds it's the business of every farm family to see that some member isn't taken from the job by an accident.

Local Men Visit Purina Farm

Several farmers from this area were among those who visited the 738-acre Purina Research Farm at Gray Summit, Mo. The following day, the visitors were taken thru the Purina Mills and Research Laboratories at St. Louis.

Livestock and poultry feeders from this locality including F. W. Jones, James P. Wedel, Matt G. Jesko, and Anthony R. Jesko were recent visitors at the Ralston Purina Research Farm at Gray Summit Missouri.

The 738-acre farm demonstrates normal, average farm conditions and the visitors were shown how grade animals and poultry can be raised profitably under typical farm conditions. Among the practical operations inspected were the hogs farrowing and fattening units, the dairy cattle projects, dry lot and show calf feeding, broiler installation, laying flocks, ducks, turkeys, rabbits, dogs, goats, game birds and fur bearing animals units.

Following the day long farm tour, the visitors were entertained at the general offices of the Ralston Purina Company in St. Louis and the next day toured the Research Laboratories and saw how various types of chows are manufactured in the St. Louis Purina Mill.

Farm Cash Income In Texas Gains

Austin, April 14 — Texas farmers' cash income in January and February was 4 per cent greater than the same period last year, primarily because of increased cotton sales, the University of Texas Bureau of Business Research reported.

Despite a 12-cent drop in average Texas cotton prices from February to February, the volume sold in January-February brought farmers \$35,000,000 more than twice the total sales for the same 1951 period.

In other comparisons of the two January-February periods, early marketings of wheat this year boosted income from that source nearly 1,000 per cent over

Social Security Man Here Apr. 23

As of January 1, 1951, Federal Old-Age and Survivors Insurance coverage was extended to several million people who work for themselves.

Since April 1, 1952, most of these people have worked extremely valuable protection in the form of Federal insurance which provides for monthly old-age benefits when they retire at or after age 65, or payments to survivors in death cases at any age.

Quite a large number of self-employed people have worked previously as employees and have wage credits already established with the Social Security Administration. These wage credits will be combined with their reported self-employment income to determine eligibility and amount of benefits payable.

On the other hand, many of the self-employed and their families will receive benefits based only on self-employment income after 1950. In some cases benefits based on self-employment income alone will be payable during 1952. Persons who had at least \$400 net income from self-employment during 1951 and at least \$400 during 1952 may receive payments if they have reached age 65 and retired from active business. Persons who have reached age 75 may file a claim and receive benefits even

last year, but rice marketings, \$4,100,000 last year, melted to practically nothing this year. Grain sorghum income dropped 38 per cent; oats, 77 per cent; eggs, 23 per cent; sheep and lambs, 5 per cent; hogs, 6 per cent; calves, 16 per cent, and cattle, 39 per cent.

though they continue in active business.

In death cases the survivors of a self-employed person who died on or after April 1, 1952, may be eligible for either monthly benefits or a lump-sum death payment.

Self-employed people age 65 or over who plan to retire in 1952 should consult their local social security office before making decision. It may be to their advantage to defer retirement and the filing of an old-age insurance claim until January 1953.

For the convenience of those who live in and around Muleshoe, a representative of the social security office visits Muleshoe and may be seen at the Post Office there on Wednesday, April 23, 1952, at 9:30 a. m.

the groundwork never stops...

A growing telephone system can't afford to take a holiday. Even as one expansion project is completed, another is under way, whether in the planning stage, engineering, financing or actual construction.

As an example, when a telephone man visits your home to install a telephone, the work you witness may take only twenty minutes. But, the work you didn't see—the unseen groundwork which made that installation possible—could easily have required many months to complete.

You can be sure, each day of the year, that plans for your community's future telephone service are in the making. The gears of telephone progress are turning. The groundwork never stops.

BEAT THE RUSH! ARRANGE A DATE NOW FOR US TO SERVICE YOUR JOHN DEERE EQUIPMENT

There's one thing we like best to do — satisfy our customers. But sometimes it's mighty difficult to do so... especially when all our customers want their John Deere Tractors and Equipment serviced at the same time.

Right now we're scheduling John Deere reconditioning jobs for the next several months. If service is needed on your equipment, arrange a date with us now for the kind of service your John Deere Equipment deserves. We'll set aside the time for our skilled mechanics to handle your work. They'll do only the necessary work... do it quickly, efficiently, and economically. See us soon.

FREE PICK UP AND DELIVERY

—ON ALL—
MAJOR REPAIR JOBS

You save time and trouble and bother... we come get the machine, make repairs you order, then bring it back to your farm! And you can depend upon it that your work is done by men who know how.

Church Work Is Studied By W. S. C. S.

The Women's Society of Christian Service met in the Fidelis Class room Monday, April 14, at 2:30. The meeting began with the singing of "Faith of Our Fathers" and Mrs. Roy Bayless brought an inspirational devotional on the church.

Mrs. Ruby Jennings, study leader, was in charge of the program which was the third and fourth chapters in the study book, "Churches For our Country's Needs".

Mrs. S. D. Anderson gave a talk on "The Church in a nation that is nominally a Christian nation faces peculiar difficulties not present in lands not having a Christian heritage." Mrs. H. C. Holt discussed an article by Bishop Arthur J. Moore on "Methodism and the church in a bewildered century."

During the business session, Mrs. F. B. Pierson extended an invitation given by San Jacinto Woman's Society of Christian Service in Amarillo to hear Miss Helen Poe there Friday night, April 18. Miss Poe has just returned from Europe and is a well known lecturer, book reviewer and inspirational speaker. Members of the Guild and the Women's Society are encouraged to attend.

Lucy Lane dismissed with prayer.

Those present were Mrs. J. E. Day, H. C. Holt, F. B. Pierson, Ruby Jennings, H. W. Hanks, I. W. Haney, Lucy Layne, C. R. Farrell, Roy Bayless, J. J. Gross, and S. D. Anderson.

Mrs. Schoenberger Is Hostess To Wesleyan Guild

The Wesleyan Service Guild of the Muleshoe Methodist Church met Monday evening, April 14, with Mrs. Lois Schoenberger at 8. Mrs. H. W. Hanks brought the devotional followed by prayer.

Mrs. Homer Sanders, Sr., gave three chapters on the study pertaining to the Evangelical work in the Latin American countries.

Mrs. Buford Butts made a report on the dishes in Fellowship Hall. The same committee, Mrs. Butts and Mrs. Jim Cox, were instructed to buy enough dishes to make service for 125.

Mrs. Ray Edwards was appointed by the president, Mrs. Homer Sanders, Jr., to work with a committee from the Fidelis Class on the redecorating of the parsonage.

Mrs. Homer Sanders, Jr., and Mrs. Edwards made a report on the trip to Conference held in Amarillo the first of April.

The next meeting will be with Mrs. Alex Wilkins, April 28.

Refreshments were served to members, Mesdames Buford Butts, A. S. Stovall, Francis Gilbreath, Fred Johnson, Delma McCarty, Alex Wilkins, H. W. Hanks, Ray Edwards, Homer Sanders, Sr., Homer Sanders, Jr., Miss Elizabeth Harden and the hostess.

Mrs. Johnson Hosts Half Century Club

The Half Century Club met Thursday, April 10, in the home of Mrs. George Johnson. They played games and Blondie Ray made pictures of the group.

Refreshments were served to Mesdames Beulah Carles, Claude Farrell, Anna Moeller, Birdie Paul, Jennie Panter, J. H. Ingram, Mattie Duke, Lula Kistler, Spence, Williams, Schoenberger, and Harden.

The next meeting will be in the home of Mrs. Fred Johnson with Mrs. Schoenberger as hostess.

Smorgasbord Honors Husbands Of Club Members

The Muleshoe Study Club met Thursday night for a smorgasbord honoring the husbands in the American Legion Hall.

The tables were decorated with beautiful spring flowers and Easter bunnies.

Mrs. C. W. Grandy was director of a musical program. Dixie Jennings Cook of Littlefield sang several popular selections, "Alice Blue Gown" and "A Tired Old Horse" were sung by Lynn Lena. A trombone solo was given by Lloyd Alsup and the recitation, "Strange Menaning" was given by Ann Woodley.

The human brain contains approximately 10 billion cells.

doesn't know him. Sanders was a fellow student with Hohn when the latter was winning All American honors as a football player. Another classmate present was "Heine" Henderson, of Farwell. A liberal sprinkling of A. & M. exes added to the fun of the reminiscences.

Noel Woodley served as general chairman of the banquet committee. W. M. Pool, Jr., was reception committee chairman and was assisted by Mr. and Mrs. Hoyt Morgan, Mr. and Mrs. Rufus Gilbreath, Mr. and Mrs. Ross Goodwin, Mr. and Mrs. Jeff Peeler, and Mrs. W. M. Pool.

Arrangements chairman were Onard Upton and Lee Pool, who were assisted by Misses Jeanette Kirk, Nelda Wilson, Rita Peeler, and Lillie Ruth Lee.

Menu and service were supervised by O. D. Ray.

Ray and his assistants served a delicious meal consisting of baked Virginia ham, potatoes au gratin, ranch style beans, radishes, lettuce, celery, green onions, hot rolls, cake and coffee. The meal was served buffet style.

W. Q. Casey was chairman of the tickets committee and they were on sale at the Damron Drug, Western Drug and Wood Drug.

F. L. Shelby was program chairman and decorations chairman was Mrs. Noel Woodley.

Ponds Host Family Easter Gathering

Rev. and Mrs. Thurman Ponds and daughter, Doris, entertained the following guests over the week end and Easter Sunday.

Their son, Walter Pond of Dallas, Mrs. Pond's mother and sisters, Mrs. Lillie Reeves, Jessie Faye and Naomi of Midland, Chaplain and Mrs. W. D. Powell, Zona and Bill of San Diego, Calif., Mr. and Mrs. Albert Stewart, Jr., and Brenda of Midland, Mr. and Mrs. Clarence Hardin and son, Chester Lee of Goldsmith, Mrs. Pond's aunt and family, Mr. and Mrs. Jim Moore, J. M. Don and Nell of Muleshoe, Mr. and Mrs. M. M. Simmons, Jr., and daughter, Deborah Jane of Hereford.

Lunch was served picnic style. In the afternoon the children hunted Easter eggs and pictures were made of the group.

Chaplain Powell delivered the Easter message for Rev. Pond at the West Camp Baptist Church Sunday morning. It was enjoyed by all.

treasurer. They succeed W. M. Pool, Jr., president; Ross Goodwin, vice-president; and Jeff Peeler, treasurer, who have served during the first year of the body's organization.

Directors whose terms expired this year are W. Q. Casey, Horace Edwards, W. M. Pool, Jr., F. L. Shelby, and Edd White.

New directors are Buford Butts, Herbert Covin, Jim Cox, Houston Hart, and George Mayo. Holdover directors are Ross Goodwin, Jeff Peeler, O. D. Ray, Loyd Roberts, W. W. Couch, John Gammons, H. S. Sanders, Jr.

Retiring associate directors were Pat Bobo, Ray Griffiths, Arch Fowler, Ray Morrison, Lee Pool, Onard Upton, and M. F. Blackman. New associate directors are H. M. Bryant, Arch Fowler, John Fried, Harold King, Hoyt Morgan, W. M. Pool, Jr., Onard Upton, and M. F. Blackman.

Hicks Chapel News

A revival meeting will begin at Hicks Chapel April 18 and continue through April 28. Rev. Red Coleman of Maple will be the evangelist.

New members who have been recently added to the church are Mr. and Mrs. Smith, Mr. and Mrs. Raymond Parker, and Miss Alice Faye White of Hicks Chapel Community.

Rev. James Fine and family visited in the Smith home Sunday and in the Allen home Sunday afternoon.

Mrs. Doyce Huff, Miss Billy Ione Boyce, Mr. and Mrs. Harold Carpenter, Mrs. Elmata Fine, Mrs. Smith, LaVerne and Aubrey Phillips visited in the M. L. Carpenter home Sunday.

An Easter egg hunt was enjoyed by the Beginners Sunday School Class Sunday given by Mrs. M. L. Carpenter. Children present were Geneva Huff, Harold Wayne Carpenter, Roxy Fine, Chester Huff, Dean Carpenter, Ronnie Fine, Melda Boyce and Donnie Bruce Carpenter.
