MORE SWINE LAURELS

Bailey County Boys Bring Home More Ribbons From Plainview

Marlon Inman, Bailey County 4-H boy, showed the champion Poland China barrow in the annual Plainview Fat Stock Show. Marlon's pig, a lightweight, was first in the highly competitive class of 48.

Reese Air Force Base Men Address Lions Club

Master Sgt. Kavalavski and Tech. Sgt. Custer of the Reese Air Force Base in Lubbock gave the Muleshoe Lions Club something to think about when they gave the members a talk on the Red Cross and what it has been doing for disaster areas. Both men have seen the Red Cross in action, and their praise of the organization was very high. The program was presented by Travis Reed under the auspices of the Bailey County Red Cross Chapter. Harvey Bass, Chairman of the Chapter, also announced the appointment of Buddy Blackman to head up the committee for blood donations. The Bloodmobile will visit Muleshoe April 27, and the quota for this county is 200 pints. Visiting guests at the noon meeting were Mrs. L. S. Barron, Harvey Bass, Buddy Blackman, Simon Aron all of Muleshoe; Fred Phelps, Clovis; H. L. Recius, Clovis; Dan Pennick, Amarillo; and Bruce Paul also of Amarillo.

Farm Bureau To Elect Officers

Dean Harmon, of Tulia, has accepted an invitation to be the principal speaker at the annual meeting of the statewide Farm Bureau, to be held here the evening of Thursday, April 2. The meeting will be in the high school auditorium. Mr. Harmon has for a long period of years interested himself in the water resources and problems of this irrigation section. He is director for District 2, Hi-Plains Underground Water Conservation District. On March 10 he attended a meeting of the statewide Farm Bureau committee which is studying proposed legislation that might affect underground water. It is therefore presumed that his talk here will be concerned with a review of such proposed measures. Local bureau officers are urging a full attendance of the members. Coffee and doughnuts will be served, and officers and directors for the coming year will be elected. C. H. DeVaney, vice-president of the Texas Farm Bureau, is maintaining an office in Austin to advise with legislators on all proposed legislation that affect agriculture. Mr. Harmon is expected to bring a report from Mr. DeVaney also.

Over 1100 Attend Free Family Party

A crowd of people estimated between 1100 and 1200 attended the annual free family party given by Johnson-Nix and the International Harvester Co. Wednesday night at the High School Auditorium. Fred Johnson said that this was the best troupe of entertainers he has seen in his many years with International Harvester. Fred also had as his special guests Coach Bailey and the girls basketball team which he introduced to the audience at the start of the show.

MILLERS AND ROBINSONS RETURN FROM CALIFORNIA

Mr. and Mrs. J. P. Miller and Rev. and Mrs. M. E. Robinson returned Tuesday night from Salinas, Calif., where they attended the funeral of Mr. Miller's sister on Saturday. They left Muleshoe Wednesday, March 18, the day of her death.

Marlon also exhibited the reserve grand champion pen of three barrows. One of these individuals was judged seventh in the Poland China lightweights. Don Copley, another 4-H boy, showed the 10th Poland lightweight and Jerry Inman, brother of Marlon, showed the fifth heavyweight and the 15th lightweight Poland China barrow. Mike O'Hair exhibited the 6th and 7th lightweight Duroc barrow.

Edward Wuerflein, Muleshoe FFA boy, showed the 6th barrow in the lightweight Hampshire class at Plainview. Swine judging was completed Wednesday afternoon and the sale will be Friday. Judgings in the lamb division was not completed in time for a report in this week's paper.

Mystery Farm Is Identified

Last week's Mystery Farm has been identified as the N. L. "Pete" Saylor farm in West Camp community. Mr. Saylor has not been in to acknowledge that the farm is his, but we have decided that so many people could not be wrong. Winners of the identification contest this week are: Mrs. Jimmie Mooneyham, Route 2. Mrs. Dick Ellis, city. These turned in their guesses first for the city and rural divisions. Western Fertilizer is sponsoring the Mystery Farm this week. See if you can identify it and let us know promptly.

Revival Begins Easter Sunday At Three Way

Revival services at the Three Way Baptist Church will begin Easter Sunday, April 5, according to announcement of Rev. J. E. Moore, pastor. Services will be at 10:00 a. m. and at 7:30 p. m., he said. The revival is to continue a week, closing Sunday, April 12. Rev. J. Henry Cox, of Olton, will be the evangelist. Singing services will be led by Rayland Nichol. Everyone is cordially invited to attend.

Gospel Meeting At Progress Set

A gospel meeting is to begin at the Progress Baptist Church tomorrow night, Friday, March 27, according to Rev. Morgan, pastor. Rev. Claude Farris of Carlsbad, N. M., who was a pilot in World War II, was captured by the Germans and held prisoner for 15 months, will be the preacher. Bob Lewis, formerly of Spur, a graduate of Wayland College of Plainview will lead the singing. Morning services will be at 7:30 and evening services start at 8 o'clock. Everyone is cordially invited to attend.

ATTENDED GRAND OLE OPERA

A number of Muleshoe people attended the "Little Jimmie Dickens Show" and the Grand Ole Opera program Monday night at the Clovis Armory and enjoyed a wonderful two hours of entertainment.

GUESTS FROM BROWNFIELD

Mr. and Mrs. Henry Williamson of Brownfield were guests over the week end in the home of Dr. and Mrs. A. E. Lewis and other friends.

GARDNERS RETURN FROM OKLAHOMA

Mr. and Mrs. A. J. Gardner returned Sunday from Hollis, Oklahoma where they visited with her father and mother, Mr. and Mrs. W. F. Hudson.

Banquet Speaker

D. HODSON LEWIS

Principal speaker for the annual Muleshoe Chamber of Commerce Banquet this year will be D. Hodson Lewis, of Dallas, former manager of the Southwestern Division, U. S. CofC. The banquet will be given the evening of April 14, in the high school lunch room.

City Election To Be Apr. 7

A mayor and three aldermen will be chosen in the Muleshoe city election scheduled for Tuesday, April 7. W. T. Bovell is the only name printed on the ballot in the mayor's race. For the three aldermen places, four names are on the ballot: W. R. Harper, Johnny Johnson, George Mayo, Sikie Watkins.

Terms of W. R. Harper and of Dudley Malone expire. Mr. Malone is not offering for reelection. Another vacancy was created by the resignation of Mr. Bovell, an alderman who had been mayor pro-tem since Ray Keeling resigned upon moving away.

Holdover members of the city commission are N. H. Greer and Sam Fox. J. E. Day will be presiding judge in the election and clerks will be Mrs. Henry Hanover, Mrs. J. E. Day, and Mrs. Tom Zimmer. Voting will be in the city hall between the hours of 8 a. m. and 7 p. m.

Members Report On Rotary Meet

Reports on the district Rotary conference, held in Borger earlier this month, were made by four of those who attended from the local club when the club met Tuesday noon this week. The four were Harold King, J. M. Forbes, Onard Upton, and M. G. Bass. They discussed various phases of the conference program. Surrounding Baptist churches who will attend are located at Longview, Three Way, Maple, West Camp, Y. L. Enochs, Hicks Chapel, Progress, Watson, Bula, Circleback and Lazbuddy.

J. L. Withrow Rites Conducted

Withrow were conducted from the First Baptist Church of Muleshoe at 2:30 p. m. Saturday, March 21. Mr. Withrow, who was 58, passed away at McCombe at 10:30 a. m. Wednesday, March 18. Rev. Leslie Heubner, of Littlefield, officiated in final rites. Interment was in Lazbuddy cemetery, with Muleshoe Funeral Home in charge of arrangements. Mr. Withrow is survived by his wife, Mrs. Carrie Withrow, and two step-daughters, Mrs. Marge Collins, Barnesville, Ohio, and Mrs. B. H. VanDyck, Muleshoe. He had been chief engineer of the Texon Power Plant where he has resided for ten years. Mr. Withrow was a member of the Baptist church at Big Lake. Pallbearers were Guy Bosworth, Eddie Bosworth, John Dyc, B. H. Bickel, H. M. Shofner, and Mervin Wilterding.

Trustee Election April 4

TWELVE LOCAL FIRMS PARTICIPATE

Spring Style Show Friday Night, Features Many Muleshoe People

Arrangements have been completed on the Spring Style Show to be presented Friday night, March 27, at the American Legion Home, by the Los Planos Study Club.

Warns Against Turning In Road

Turning tractors in the road while plowing is a practice that is causing Tom Morgan, Commissioner, a lot of worry in Precinct 1. Mr. Morgan said when a farmer turns his tractor in the road it usually tears the road up, and it makes it still harder for him and his crew to maintain the roads in useable condition. In some places the plows have struck the road, leaving bad holes. He asked for the cooperation of all in the precinct in the interest of better roads and economy in the conduct of his work.

Youth Rally To Be Held Saturday

The B-H-U of the First Baptist Church are sponsoring a Youth Rally on Saturday evening at the church for all intermediates and young people of the community. The program begins at 5:30 p. m. with registration followed by fellowship and recreation under the direction of Mrs. Elizabeth Watson and Karolene Towns.

The youth of other churches of the community have been invited and several of the talented young people of those churches will be on the program. A free supper will be served at 6:30 p. m. Rev. Bob Bratcher of Wayland College will be the guest speaker. He spent last summer in Formosa and took many interesting pictures while there. These slides will be shown in the church auditorium at 8 p. m. and all adults are invited to attend and hear Rev. Bratcher's interesting comments. Others on the program are Carrol Pool and Wayne Bristow. Charles Bratcher, president of the B-H-U will be master of ceremonies. Rev. Bratcher will close the meeting with a message for the youth at 9 p. m.

Final Rites To Be Held Sat. For G. D. Kersey

Final rites will be held for George Dewey Kersey, Saturday, March 28, at 2 p. m. at the First Baptist Church with Rev. A. W. Blaine and Rev. M. E. Robinson officiating. Mr. Kersey succumbed at his home Wednesday night at 11:50 o'clock at the age of 55. He was a veteran of World War I and had been a local farmer since 1940. Survivors are his wife, Mrs. G. D. Kersey, three children, Mrs. Jean Geary of Borger, Charles and Ray Kersey of Muleshoe, three sisters, Mrs. Jim Gay of Nevada, Texas, Mrs. C. M. Sandlin of Pecan Gap, and Mrs. J. A. Watson of Lubbock. He is also survived by three grandchildren. Interment will be in the Lubbock Cemetery under the direction of the Muleshoe Funeral Home. Pallbearers are Buford Butts, Edd Moore, Barry Lewis, David Anderson, Rufus Gilbreath, and Eddie Lane.

FUNERAL OF BRIGGS INFANT HELD HERE

Funeral services for Bryan Kent Briggs, infant son of Mr. and Mrs. Hinds Briggs, were conducted at the graveside in Muleshoe cemetery at 3:30 p. m. The baby, born Tuesday, lived only a brief time. Dr. J. O. Haymes, Plainview, officiated. Muleshoe Funeral Home was in charge of arrangements. Survivors are the parents; three brothers, Don Briggs, student at Texas Tech, Jot and Ronnie Briggs of Muleshoe; and the grandparents, Mr. and Mrs. W. H. Briggs of Lubbock; Mrs. Mary Jewers, of Tye, Texas.

IN OKLAHOMA

Mrs. C. E. Briscoe has been in Oklahoma on a short business trip this week. Mr. and Mrs. F. M. Vandever on the birth of a daughter, Charlene, March 22. Mr. and Mrs. R. L. Lansdale on the birth of a daughter, Dorothy Jean, March 22.

ROY LOCKER also exhibited the

Muleshoe Will Pick 2 Trustees

Trustee elections in Bailey County school districts are set for Saturday, April 4.

In Muleshoe district, the ballots will contain the names of six men, with two members of the board to be elected. On the ballots will be printed the following names: Harold Mardis, C. B. (Buddy) Howard, B. H. (Buford) Hunt, M. H. (Chick) Ottwell, D. L. Morrison, Clyde Holt.

Terms of Jack Lenderson and Bert Seales will expire and neither were willing to offer for reelection. Lenderson who has served 6 years, has been president of the board. Holdover members of the trustee board are: Dee Warner, David Anderson, John Sowder, Verney Towns, and Jim Cox.

Voting for Muleshoe district will be in the junior high school building. Polls will open at 8 a. m. and close at 7 p. m. Mrs. Walter Witte is election judge and assistant judge will be Mrs. Henry Hanover and Mrs. Jeff Peeler.

Banquet Honors School Athletes

Muleshoe's annual athletic banquet is set for next Tuesday night, March 31, in the high school lunch room at 7:30 o'clock. Members of the boys' football, basketball, and track squads, and of the girls' basketball and volleyball squads are to be honored at the banquet.

Principal speaker for the occasion will be Frank Kimbrough, football coach at West Texas State College, Canyon, who is widely known as a successful mentor of grid teams and as an outstanding man and public speaker.

A few tickets are available to the public and those who wish tickets should see Mrs. Clyde Holt, Mrs. D. L. Morrison, or Mrs. Jim Burkhead.

Bailey County Boys Win 6 First Place Ribbons In Lubbock Show

Bailey County 4-H and FFA boys brought home six first place ribbons with the few animals they showed at the Fat Stock Show held in Lubbock last week.

Michael O'Hair, 4-H club boy, showed the first place heavy Poland China barrow, and the 4th place pen of three Polands. Jerry Inman, another 4-H club boy, won first place in the light Poland China class and had 5th place pen.

FFA boys brought in more firsts. Don Moore showed the first place fine wool lamb. Other placings in this class include Delbert Black, 10th; Dwayne Epling, 12th; and Gene Jarman, 25th.

In the medium-wool class, Roy Locker exhibited the first place lamb, also the eighth place winner. Jimmy Black's entry, which was grand champion in the Muleshoe event the week before, was in 9th place, and other placings in this class were: Steve Smith, 13th; Buddy Pool, 18th; Bob Wingo, 20th; Donald Ross, 21st; Bobby Black, 22nd; and Gene Jarman, 24th.

Roy Locker also exhibited the

Four school districts in Bailey County have made preparations to elect district trustees and members of the county board of education in the voting scheduled for Saturday, April 4.

CIRCLEBACK will elect one trustee. Floyd Damon's term expires. On the ballot will be the names of Floyd Damon, Floyd O. Warren, Warren L. McCurry, and A. V. Patton. Holdover trustees are A. E. Moore, J. W. Shafer, L. A. Harper, and W. Earl May.

Judge of the Circleback election will be V. E. Garner, with C. G. Damon and Walter Damon as assistants.

THREE WAY In Three Way district terms of Roland Shephard and Albert Ellis expire. The ballots will have the names of Albert Ellis, W. T. Parker, Baker Johnson, Pete Tarlton for the two places on the board.

Holdover members of the trustee board are Horace Huffines, Dossie Terrell, John Gunter, Glenn Branaman, and Clyde Price. Judge of the election will be George Tyson, and assistants will be Horace Brashear, Clint Duesett, and Cass Stegall.

BULA Bula district will elect trustees for their five member board. Terms of E. N. McCall and M. H. Skinner will expire. Names placed on the ballot are: Marvin Skinner, G. B. Salyer, Marvin Drake, Roy Young, and R. E. Jones. Holdover trustee board members are A. M. McBea, C. Sanders, and John Hubbard.

Election judge at Bula is Otis Neal, with Jim Claunch and G. B. Salyer as assistants.

COUNTY BOARD Two trustees for the County Board of Education are to be elected. Terms of Tye Young, trustee at large; Ross Goodwin, representing Prec. 2; and f. Glen Williams, Prec. 3 representatives expire. Names of all three will appear on the ballot for reelection.

Terms of the representatives on the board for Precincts 1 and 4 will not expire. They are Francis Gilbreath, No. 1; and Jim Claunch, No. 4. The five members and Cecil H. Tate, ex-officio secretary of the board comprise the county board of education.

Concrete Ditch Will Be Poured

The Wallace Construction Co. announce they will pour a concrete irrigation ditch on the L. E. Kolar farm the coming Monday, March 30. The farm is 3 miles west and 1/2 mile north of Muleshoe.

Officials of the company said it is to be the first installation in Bailey County of the Wallace-form concrete lined irrigation ditch. Everyone is invited to see the demonstration.

Animals Sell High

Lambs through 10th place were sold at the auction. Moore's lamb brought 50c per pound. Delbert Black's lamb 31c. Roy Locker sold his first place lamb for 50c per lb., had 2 to sell for 35c. 1 for 32c, and 1 for 31c.

Goodwin's weevil brought 25c per pound for his owner. Jimmy Black's lamb was sold for 30c per pound.

Enter Plainview Show

This week several of the boys are seeking still further sectional honors in the Plainview Fat Stock Show, held the first of the week. They entered 20 lambs and 2 pigs, but judging results were not obtained in time for printing in this week's paper.

MULESHOE
 TEXAS

Now that Stalin is dead, I have my "fingers crossed."

WATCH THE BRITISH
 Malenkov does not want war. He will try to follow Stalin's policy of "tiring them out." Stalin hoped he could drain us of men and money until we suffered from a depression. He, however, did not understand the American people, who are in no mood to compromise with Russian imperialism.

On the other hand, England is prepared to compromise with China in order to hold Hong Kong, to avoid a complete embargo and to prevent Russia from getting to the Mediterranean. Hence, Churchill could be a great factor in bringing the Korean War to an end. Therefore, I still believe that 1953 will see a Korean truce unless one of the satellites kicks over the apple cart.

WATCH THE SATELLITES
 Another factor is that the Russian Army chiefs do not want war. Although they might make a fine showing the first month by overrunning Europe and destroying one or more American cities, they know that Russia would be whipped in the end. They further know this would result in their death or banishment to Siberia.

This, however, is not true of the satellites, Poland, Czechoslovakia, and China. Although these nations are now "under the thumb" of Russia with their people cowed by fear of the Russian police, yet 90% are for freedom from Russian control. Their people are very patriotic and their stogie leaders are praying for some way to get free without themselves being shot, hanged or sent to Siberia.

WORLD WAR III WOULD FREE THE SATELLITES
 If World War III should come about, Russia would hesitate to arm the people of Poland and Czechoslovakia for fear these satellites would join with us and our Allies. Whatever the Communist leaders in these countries might wish, 90% of the people would want an Allied victory.

Every one of their Communist leaders might like to be another Tito. Furthermore, the United States and her Allies would have no objection to this provided we are assured they will never double-cross us. Probably both Eden and Tito have been discussing this in London. President Eisenhower does not deny any people a Communist economic system of their own choosing; but he will insist on honest dealings and noninter-

SAND HILLS PHILOSOPHER Says Congressman Wanting Stronger Words To Call Russia Is Dated

Editor's note: The Sand Hills Philosopher on his Johnson grass farm may know a little something about what he's talking about this week, as it involves words, and he seems to have plenty of that commodity.

I was out here the other afternoon watchin' my cattle graze, there's nothin' more satisfyin' than watchin' your own cattle graze on your own land, although I'll admit it was a little more satisfyin' this time last year, about 40 per cent more satisfyin', to be exact, as that's how much the price of the things has dropped and I stumbled onto a copy of a newspaper which was several days old but readin' an out of date newspaper is a lot more interestin' than dozens of things I can think of to do around this place and I took it to the shade and read where a Congressman in Washington was demandin'

STEADFASTNESS IN THE FAITH
 Be ye steadfast, unmovable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord. (1 Corinthians 15:58).
 Read II Corinthians 11:22-30.

Once a little boy prayed for a special Christmas toy. His mother had heard his prayer. When Christmas morning came, the toy was not there. His mother said to him, "God did not answer your prayer, did He?" He replied, "Yes, God said, 'No'." He had not lost his faith. He was steadfast.

Steadfastness of faith has certain characteristics. It is not steadfastness to a creed but to God. It is a faith rooted and grounded in love. It is an active faith. This makes it faith abounding in good work.

One of the greatest examples of steadfastness was the Apostle Paul. We read the record of his sufferings in his Second Letter to the Corinthians. When they stoned him at Lystra and dragged him out of the city, on recovering he went back to them. He was steadfast, and abounding in good work.

PRAYER
 O God, who art steadfast in Thy promises, keep us steadfast in our faith that Thou wilt fulfill them. Help us to accept whatever answers Thou dost grant us. Keep us true and faithful to Thee. Keep us abounding in good works, for the sake of Christ and to Thy name's honor and glory. Amen.

THOUGHT FOR THE DAY
 "Here I stand; I can do no other."
 —Martin Luther
 William Swaes (Penn.)

STOCK MARKET INDICATIONS

In short, while we surely want peace; and Russia probably wants peace, the satellite nations surely would like to see Russia and the United States come to blows. Hence, the big question today is: "Will one of these satellite nations do something to start World War III?" The recent action of the stock markets indicates this is a possibility.

All of the above makes me hesitant to make any World War III forecasts at this time. I will, however, guess that Mr. Stalin's death will result in better business for 1953 than most of us at the beginning of the year anticipated. If I were today writing my 1953 Forecast I would be more bullish.

Cargile Was On Atomic Maneuver

DESERT ROCK, NEV. — Sgt. Preston E. Cargile, son of Mr. and Mrs. D. W. Cargile, Route 1, Muleshoe, was one of the specially assigned Army men who participated March 17 in the Atomic Maneuver at Camp Desert Rock, Nev.

He occupied a forward foxhole during the atomic blast and immediately after the blast charged forward in skirmishes to mop up an imaginary enemy theoretically weakened by the A-bomb blast.

Exercise Desert Rock V was a

sequel to battalion combat team exercises conducted by the Army and the Atomic Energy Commission at the desert site last spring, and is a key part of the Army's training program.

Sergeant Cargile is a member of the Sixth Army operational staff for Desert Rock, where he also assists other troops from all over the country who come to the Mojave Desert for this special combat training.

He entered the Army in February, 1951, and is presently serving as a crane operator in the 412th Engineer Combat Battalion.

Cargile has been awarded the Bronze Star Medal with oak leaf cluster and the UN and Korean Service Ribbons.

VISITORS FROM CALIFORNIA

Mr. and Mrs. Walter Rector of Visalia, Calif., visited last week in the home of his sister, Mrs. Binx Dent and family.

ENSIGN

Butane-Propane

CARBURETION

...FOR LOW COST FARMING

With Butane-Propane you can cook and heat the home. You can also run the tractor, irrigate, generate electricity and fuel your trucks. Equip your various engines with ENSIGN Carburetion for Butane-Propane and make very substantial savings in fuel costs and engine maintenance. Engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

The carburetion you buy and its method of application is the key to successful engine operation. Ensign carburetor specialists for 36 years, pioneered Butane-Propane Carburetion and has perfected the finest equipment for easy starting, power, economy and safety. Consult your local ENSIGN Dealer. He is a specialist on Butane conversions and will gladly inspect your engines and advise on the feasibility and cost of the installation. Call or write him for free bulletin on the use of Butane-Propane in tractor, truck and pumping engines.

Grand Champion Poland China Barrow

JERRY INMAN shows the grand champion in the fat barrow division of the Bailey County 4-H and FFA boys Project Show, held here Friday, March 21. The barrow showed in the Poland China lightweight class.

Pleasant Valley Farm Bureau Entertains Group

The Pleasant Valley Farm Bureau was host to a large group Tuesday evening, March 17, at the community hall. A bountiful supper was served by the ladies of the community at 7 o'clock.

F. L. Shelby, president of the Lamb County Farm Bureau, was master of ceremonies for the occasion. "Cotton John" of K. G. N. C. in Amarillo was present and made a tape recording of the program. He interviewed several members of the community including Harry Ingelking, president of the Pleasant Valley Farm Bureau, and Mrs. Jerry Allison, president of the Pleasant Valley Social Club.

Music was provided by the Blackwater Valley Boys, John Fried, W. B. Gilbreath, Jack Henderson, and Eugene Buhman and by local talent consisting of Mrs. Sam McKinstry at the piano, Raymond Roubinek, the saxophone, Harold Allison, the violin, and Jim Grizzle, the guitar. Group singing was also enjoyed.

A special 4-H club program under the able direction of Jim-

my Allison, local president, was presented.

Many guests were present including Mr. and Mrs. C. A. Pounsey, County Wide News, Littlefield; Mr. and Mrs. Robert King, Mr. and Mrs. Sam McKinstry, Mr. O. C. Thomson and Bill Millen of the Bailey County Farm Bureau, Muleshoe, Mr. and Mrs. W. O. Stephens, Sudan, Leonard Wilson and Billie E. Bickel of Texas Tech, Leroy Kennedy or Norman, Okla., Mr. and Mrs. A. A. Royal of Sudan, Rev. and Mrs. Henry Haupt, Bob Crowell, manager of the Littlefield Chamber of Commerce, Miss Martha Newelwander, Littlefield, Mr. and Mrs. Fred Johnson, Marvin Nieman, and Mrs. John Fried of Muleshoe.

Everyone commended the program chairman, Doyle Turner, on the wonderful job he had done.

From where I sit... by Joe Marsh

"Biff" Falls for His Own Story

Biff Morgan's four-year-old daughter Rusty is something of a night owl. Stays awake way past her bedtime.
 Every night Mrs. Morgan complained about how hard it was to get Rusty to go to sleep. Finally Biff decided to handle the situation. "Anyone can get a kid to sleep — takes a little patience! Here, hand me her storybook."
 He grabs the book and goes into Rusty's room. About an hour later Rusty comes padding out in pajamas and hands her mother the book. "Read it quietly," she whispers, "so we don't wake Daddy."
 From where I sit, Biff won't be so quick to be a "child-care specialist" the next time. If we could just resist being such "know it alls," our neighbors would be better off. Take those who would deny me a glass of beer with my supper — well, I might not care for the buttermilk they like. We all ought to realize that we all have different abilities and different preferences, too.

Joe Marsh

We do any kind of Acetylene or Electric Welding.

We sharpen saws, knives or anything else.

We make or repair stalk cutters and knifing attachments.

We appreciate your business and try to deserve it. Drive out 1 1/2 miles from traffic light on Clovis Highway and save the difference.

KIRSTEN BLACKSMITH And WELDING SHOP

Muleshoe, Texas

CONTINENTAL RED SEAL LPG IRRIGATION ENGINE

FEATURES

- 10:1 compression ratio.
- Positive rotating exhaust valves. Sodium cooled valves available.
- Silchrome inlet valves and valve stems.
- Stellite-faced exhaust valve seat inserts.
- Full length water jackets.
- Aluminum pistons, with chrome top ring.
- Non-corrosive heavy duty bearings.
- Safety controls to protect engine from possible damage.
- Exhaust manifold with dual outlets.
- Cold intake manifold — no heat transfer from exhaust.
- Furnished with wood skid, Metal skid available.
- Friction throttle control. Governor available.
- Top oiler available.
- Engine furnished with distributor, generator, starter, ignition coil, direct drive power take-off, water temperature gauge, oil filter, air cleaner, LPG carburetor and regulator. Available also as an open or closed power unit.

GENERAL DESCRIPTION

Continental Red Seal LPG Irrigation engines have been developed and perfected under actual field conditions, with more than 50 years of manufacturing "know how" behind every feature. Parts most subject to wear have been engineered with generous safety factors, for rugged, heavy duty performance.

Designed for LPG, which enters the combustion chamber as a dry gas, crankcase dilution is eliminated and the oil may be used for much longer periods without fear of thinning out or losing its lubricating quality. Harmful deposits are reduced to a minimum and valves, cylinders and moving parts lubricated from the crankcase last longer.

All of these features, plus the lower cost of LPG, result in more economical operation and lower maintenance costs for years to come.

First Baptist Has Good Revival

The revival which closed at the First Baptist Church last Sunday resulted in 32 additions to the church. This made a total of 105 additions since September 1.

The Sunday School reached a peak attendance with 517 present. The highest recorded attendance prior to last Sunday was 444. The church is crowded for lack of enlarged facilities, but the future is bright.

Members of the Main Street Baptist Church dismissed their morning service and attended the revival service of the First Baptist Church. We rejoice in the friendly and cordial relationship that exists between the two churches.

under treatment at the Green Hospital has returned to her home but is improving slowly.

JIMMY BLACK is shown with his grand champion fat lamb. The champion was exhibited in the Medium-Wool class. More lambs were shown this year than ever, while the barrow and calf classes were limited due to feeding conditions. Ollie Liner, county agent at Plainview, judged all classes.

Bureau Head Favors Natural Gas Tax To Raise Teacher Salaries

If additional revenue is needed to finance teachers' pay raises, superhighway programs and other projects now being debated in Austin, the money should come from a tax on natural gas, O. C. Thomson, president of the Bailey County Farm Bureau declared.

"Natural gas does not now pay its fair share of the tax bill. Gasoline is being taxed at about 30 percent of its retail value; yet natural gas is taxed at only about 1 1/2 percent of its retail values", Thomson said.

There are some special interests which would like to see all taxes borne by the people in the form of sales taxes, etc., the county farm leader said. He pointed out that the Governor already has proposed that the sales tax on gasoline should be raised from four to five cents a gallon. Also mentioned was the fact that Shiver's school financing plan which is embodied in House Bill 3 would place more of the tax burden on the people in the districts.

Another issue which is expected to come up any day now in the State Capital is the superhighway program advocated by E. H. Thornton, Chairman of the Highway Commission. The program would cost an estimated \$100,000,000 extra each year for the next five years. The rural road program, the county bond assumption monies and the tractor gas refund all may be jeopardized if this plan is approved, Thomson said.

In referring to a tax on natural gas, the county farm leader pointed out that some two-thirds of Texas' natural gas is piped out of the state. In Michigan, this Texas gas is being pumped back into the ground for storage. In some other states,

as today can never be replaced. There will never be another opportunity for Texas to benefit from a tax that would enable that diminishing resource to pay its fair share of the tax burden. "If the need for additional revenue is now, then now is the time to tax natural gas", the farm leader said.

TO LOUISIANA AND MISSISSIPPI

Mrs. J. Ann Parsley and Lt. and Mrs. Earl Ladd, Jr., left Wednesday morning for Shreveport, La., from where Lt. and Mrs. Ladd will continue to Camp Polk, La. J. Ann will continue to Biloxi, Miss., where she will join her husband, Jerry, who is in the U. S. Air Force. Jerry recently completed basic training at Lackland Air Force Base at San Antonio.

Jesse Osborn Fights To Retain Farmers Gasoline Tax Exemption

Bailey County Farm Bureau received a letter from our State Representative, Mr. Jesse M. Osborn as follows:

"With reference to my telegram of this morning, I would like to present you with the following information.

The Committee on Taxation and Revenue had a hearing on House Bill 388 yesterday after-

noon, and we now have it referred to a sub-committee. We are going to do all we can to kill this bill in the sub-committee. It is very unfair and unjust to single out the farmer in a matter such as this. I assure you that I will do all that I can to kill the bill in committee, and if I fail in that, I will continue to fight on the Floor for defeat of House Bill 388."

CECIL H. TATE

Attorney-At-Law

Office In Courthouse
Muleshoe, Texas

Every tractor farmer in Bailey County will lose one fourth of his refund on non-highway gasoline tax if House Bill 388 is passed by the State Legislature, according to O. C. Thomson, president of the Bailey

That's how I pay my bills-by check

IT'S SO EASY

MULESHOE STATE BANK

Member Federal Deposit Insurance Corporation

County Farm Bureau.

Representative James W. Jancy of Houston, Texas introduced the bill which would take away one cent of the four-cent-a-gallon refund and allocate it to the available school fund, the County president said.

What the proponents of this bill forgot is that the so-called tractor gas 'refund' is not actually a refund since the money never belongs to the State. The tax is collected just as on all gasoline, sent to Austin, and then returned to the rightful owners, Mr. Thomson added.

The County Farm Bureau leader said that the backers of the Jancy bill were apparently using the strategy of calling attention to the needs of the public schools and then pointing to the "refund" money as a likely source of revenue. He added that this would make the bill more difficult to defeat because the demand for a teachers' pay raise has touched off the hottest issue of this 53rd legislative session.

The farmers pay their fair share of school taxes right along with everyone else in the school districts, and it is not right for an additional burden to be placed upon them, Mr. Thomson said.

The county president said that if one fourth of the refund were lost now, it might mean that the other three fourths could be lost eventually. He urged all farmers in the county to get in contact with their representatives in the state capitol and inform them of their desires and wishes on the refund issue.

During the 1951 legislative session the Texas Farm Bureau was instrumental in saving the tractor gas refund, the county road bond assumption monies and the rural road program. Before the session was over, the farmers and ranchers of Texas had also pushed through a tax on natural gas which is still being fought in the courts. We still believe that natural gas is not bearing its proportionate share of the tax burden.

FIELD DAY APRIL 3 IS PLANNED BY MILKING SHORTHORN BREEDERS

Littlefield, March 23 — The annual field day of the Texas Milking Shorthorn Breeders will be held at the Littlefield Fair Grounds April 3, V. M. Peterman announced this week.

Peterman, who raises Milking Shorthorns on his Sunshine Ranch near Amherst, said that Milking Shorthorn breeders from all over West Texas would be at the field day and that a large number of entries are expected from various FFA and 4-H clubs.

ALL ABOUT TEXAS in the Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

Parmer County Farm Bureau

By RALPH SMITH

Letters from Senator Andy Rogers and Representative Jesse Osborn assure Farm Bureau that every effort is being made to kill House Bill 388 in the sub-committee it has been referred to, Rogers says of this bill, "it is the only attempt, so far to tear up our farm program, and it doesn't have much steam behind it". Both Mr. Rogers and Mr. Osborn request continued contact with our local Farm Bureau on bills of interest to farmers.

Several national acts that American Farm Bureau has assisted in passing in past years are: Capper-Volstead act on Farm Cooperatives, Packers and Stockyards Act, Capper-Ketchum Act on Extension Work, Agricultural Adjustment Act of 1933 and 1938, Emergency Farm Mortgage Act, Rural Electrification Act, Agricultural Marketing Agreement Act, Economic Cooperation Act, Marshall Plan, Hill-Burton Hospital Construction Act, Research and Marketing Act of 1946, Agricultural Acts of 1948 and 1949, Rural Telephone Act, Commodity Credit Corporation Charter Act. Through American Farm Bureau, you have been able to help defeat: Bills to destroy cooperative features of the Farm Credit system, The Branigan Plan, Universal Military Training, Farm Bureau is worth while, isn't it?

Bovina Farm Bureau meets every fourth Monday night of the month. Aubrey Ellison is president and he is a productive worker in the community, as well as in the county bureau. They have about a hundred members. Those who attend Bovina Local Meetings regularly, know that Farm Bureau works for them if they work with it. Mr. Ellison keeps abreast of Legislation affecting farmers and lets his people know how things are going. Mrs. Tom Caldwell is secretary-treasurer at Bovina, efficient and likable.

House wives of Parmer County, do you want a home demonstration agent? Let us know if you do or don't, or tell your pre-

GMC TRUCKS

Gasoline 4,800 GVW to 90,000 GVW
Diesel 12,500 GVW to 100,000 GVW

No other light trucks have all this

YOU don't expect polo-pony agility from a truck in traffic—but the new GMC's have it.

You'd like to have passenger-car pace and economy on the highway—and you'll get it from the 1953 GMC's.

For there are two great advances that step the new GMC's ahead of all previous truck performance:

One: Dual-Range Hydra-Matic Drive—the fully automatic shift with 3 speeds for traffic, 4 for the open road—available on 19 models through the 1/2-, 3/4- and 1-ton capacity range.

Two: a new line of engines of progressive design, with compression ratios of 7.5 to 1 and 8.0 to 1—the highest of any gasoline truck engine ever built. Here's pile-driver power behind every piston stroke—flashing

response and better mileage are squeezed from regular fuel.

Many chassis advances, too, add to the extra-value features that make GMC's, point for point, the biggest dollar's worth in the light-truck field as well as in the heavier lines.

We confidently tell you—these great new GMC's will do your job better, easier, and at the lowest over-all cost. They have stamina beyond their size, because they're "built like the big ones"—the heavy-duty GMC's that lead the world in sales.

That's saying a lot. But just come in—and we'll prove it.

*Standard equipment on Package Delivery model; optional at moderate extra cost on the others.

THE STATE OF TEXAS
 To any Sheriff or any Constable within the State of Texas—
GREETINGS
 You are hereby commanded to cause to be published once each week for four consecutive weeks,

the first publication to be at least twenty-eight days before paper printed in Bailey County, Texas, the accompanying citation, of which the herein below following is a true copy.
CITATION BY PUBLICATION
 THE STATE OF TEXAS

TO: Charles Cook; the heirs, unknown heirs and legal representatives of Charles Cook, deceased, and their heirs and legal representatives; the heirs, unknown heirs and legal representatives of Elias Riddle, deceased, their heirs and legal representatives; and the heirs, unknown heirs and legal representatives of Novella V. Riddle, deceased, their heirs and legal representatives. Defendants, Greetings: YOU ARE HEREBY COMMANDED to appear before the Honorable District Court 64th Judicial District of Bailey County at the Courthouse thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of April A. D., 1953, to Plaintiff's Petition filed in said court, on the 4th day of March A. D., 1953, in this cause, numbered 1782 on the docket of said court and styled G. V. Coker, Plaintiff, vs. Charles Cook, et al. Defendants. And in which said suit G. V. Coker is plaintiff; and Charles Cook; the heirs, unknown heirs and legal representatives of Charles Cook, deceased, their heirs and legal representatives; the heirs, unknown heirs and legal representatives of Novella V. Riddle, deceased, their heirs and legal representatives of Elias Riddle, deceased, their heirs and legal representatives herein named being all the parties to this suit.

A brief statement of the nature of this suit is as follows: Plaintiff sues for title and possession of 150 acres of land in Bailey County, Texas, being the NE.4 of Sec. or Survey No. 22, Block "Y", of the W. D. and F. W. Johnson Subdivision No. 2, less 10 acres sold to Bailey County by C. L. Hagemeier, and less the oil, gas and minerals reserved by W. F. Hays and wife in their deed to Guy A. Gattis. Plaintiff alleges he is the owner of said land and that defendants unlawfully claim an interest therein; and plaintiff pleads the three, five and ten year limitation title, as is more fully shown by Plaintiff's petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Muleshoe, Texas, this 4th day of March A. D., 1953.
 Attest: M. G. Bass, Clerk
 District Court,
 Bailey County, Texas
 12-4c.

EXPORTS EXPECTED TO DROP

Cotton Producers Asked To Study Present Situation Before Planting

COLLEGE STATION, March 24. Cotton supplies have now

DR. A. E. LEWIS Dentist East of Courthouse - Muleshoe Off. Pho. 3040 - Res. 6570 Closed Wed. & Sat. Afternoon

reached the point where, if another large crop is produced in 1953, the carry-over could bring depress markets and bring back control programs. Cotton producers are, therefore, being urged to study the present situation and plant in accordance with the expected demands for their product.

It appears now, says J. D. Prewit,

wit, associate director for the Texas Agricultural Extension Service, that the demand for raw cotton in the United States this season and next will be only slightly less than used last season, however, exports are expected to drop at least 1 1/2 million bales below last season and may be even lower next season. The carry-over on August 1, 1953, is expected to be, says Prewit, about 4.3 million bales, which will be 1.5 million bales or 55 percent more cotton than was on hand a year earlier.

Cotton advisory groups have met with Secretary of Agriculture Benson and after careful study and consideration of all factors, the Secretary has asked the nation's cotton producers to make an 18 percent reduction in their 1953 plantings as compared with those for last year.

This reduced acreage should produce between 12 and 12.5 million bales of cotton. Such a crop would meet the estimated domestic and export demands and leave enough surplus to take care of the reserve needs, points out Prewit.

Prewit advises Texas cotton producers to think in terms of balancing cotton with other farm crops and pastures. He points out that under the 7-step cotton program, fitting cotton into a balanced farming program is the first recommended step in making production of the fleecy staple more profitable. The present situation, he explains, calls for this balance.

Unusually heavy demand for feed caused primarily by the drought and to some extent by increased livestock numbers, has reduced the amount of feeds and forages to a very low level and the acres left out of cotton this year could be profitably used, says Prewit, for producing grain and forage for rebuilding the supply of these needed feeds.

Consideration, he adds, should also be given to increased plantings of soil improving crops in the areas where spring and summer planted legumes are adapted. Temporary pastures for livestock or for the production of hay crops might also be used on the diverted acres.

It all adds up, says Prewit, to this fact. The nation needs only 12 to 12.5 million bales of cotton this year and the shift to other crops will pay in two ways. A smaller 1953 national crop should bring in more net profit and the grain, forage or soil improving crops grown on the diverted acres will help rebuild depleted feed supplies and the soil building crops will aid in keeping future production high.

ALL ABOUT TEXAS in the Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

NEW HERBICIDE LAW PROPOSALS

Any Texas farmer who has felt the heartbreak of crops ruined or heavily damaged by accidental dosages of weed killing chemicals will be interested in a piece of legislation now under consideration in Austin. It concerns a revised law dealing with hormone-type herbicides.

Hormone herbicides are valuable in the control of weeds and eliminating mesquite. The most widely known chemical of this type is 2, 4-D, closely followed by 2, 4, 5-T. Both react against broadleaf plants, energizing the plant mechanisms and causing them to literally "grow themselves to death".

But all too frequently, when these chemicals are sprayed in an area to combat weeds or mesquite, the vapor drifts to adjacent fields where susceptible crops are growing. The result is twisted and mutilated field crops which either die or suffer a considerable drop in yielding qualities.

The Texas Department of Agriculture administers a law which seeks to protect farmers from such damage. Unfortunately, the current controls are not as practical as they should be, considering the ever-growing demand for use of these chemicals. Another law, now being studied by the Legislature, is aimed at correcting these difficulties.

Briefly, the law would expand the scope of present regulated areas to include more counties where susceptible crops are grown. It is designed to regulate the sale, use and transportation of the chemicals and provide for inspections and better license provisions.

Senior Guidance Program Apr. 27

Plans are again being made for an "Education for Citizenship Day" program to be held at the Muleshoe High School on April 27. The purpose of this program is to aid the graduating students in the selection of a vocation or profession, give them a background as to the requirements in the field of their choice, aid them in setting up a program to accomplish their goal, in general, give them the advice of experts.

We have already invited the surrounding high schools to participate in this program and have received pledges of cooperation from them. We propose to have representation from West Texas State College, Texas Tech, Wayland, and E. N. M. U. During the coming week, Ray Franz along with Mr. Kirk will visit the campuses of the colleges and begin their organizing of the counsellors for this "Education Day". The number of counsellors to be invited will depend largely upon the number of fields the students a whole plan to enter.

Further details will be made available as this program develops.

NAVAL RECRUITER TO BE HERE TUESDAY The U. S. Navy Recruiter Clovis will be here in Muleshoe at the local post office on Tuesday, March 31, between the hours of 11:00 and 12 noon. Anyone desiring information concerning enlistment is asked to please contact the recruiter, Anthony J. Dibsie.

Farmers! Make Big Savings! Use Low-cost Philgas Tractor Fuel

Convert your tractor! Compared to gasoline, Philgas can save you several cents a gallon. These savings will soon pay the cost of conversion. And Philgas is easy and safe to use. No waste from spilling, overflow or evaporation, because the filling system is completely enclosed.

Clean-burning . . . thrifty! Save as much as 50% on engine maintenance costs. No cylinder wall washing. Long ring and valve life. Low cylinder wear. For a thrifty fuel with exceptionally high energy content (100 octane plus), get high-quality Philgas.

All-purpose fuel! Use Philgas to heat your home, for cooking, hot water and refrigeration! Use it also for heating stock tanks, chick brooders, and other needs around your farm. Install a central tank for all your needs. Low cost fuel. Convenient, clean, dependable!

And remember . . . your local Philgas distributor is fully qualified to make dependable installations, to provide prompt and courteous service. See him today.

INTERNATIONAL TRUCKS Standard of the Highway

America's New Railroad

What's this surveyor doing? He's sighting on tomorrow . . . clipping off an old curve . . . clipping off the past . . .

It goes on day after day on the Santa Fe. Building new.

Till there's nothing left that's old today of the Atchison, Topeka and Santa Fe but the country and the song and the pride of its people!

IN THE PAST 5 YEARS . . . Whole fleets of streamlined trains replaced with finer streamlined trains . . . Enough new track laid to more than reach from Chicago to Los Angeles . . . Great new "hump" yards built to speed switching . . . New roadbed, new rail and new ballast methods—for smoother, safer rides for goods and people.

IN THE PAST YEAR . . . New freight stations, with new towveyors, at Chicago and San Francisco . . . Great new construction started to raise Santa Fe rails in Kansas and Missouri above the highest flood stage of recorded history.

IN THIS YEAR . . . New micro-wave communication system put in service between Gal-

veston and Beaumont, Texas . . . New freight classification yard will be opened at Belen, New Mexico.

AND IN THE NEXT YEAR . . . More curves will be clipped, more grades reduced . . . 119 new diesel units will go to work . . . New modern diesel shops will be completed . . . 3600 new freight cars will be placed in service . . . New electronic communication and control equipment will be installed . . . and El Capitan will be re-equipped with all new chair cars!

AND IN THE NEXT 5 YEARS . . . New cars and whole new trains will be rolling on an ever newer, greater Santa Fe.

It costs Santa Fe millions (not one penny from the taxes you pay) to keep America's New Railroad growing newer every day.

SANTA FE SYSTEM LINES

PROGRESS THAT PAYS ITS OWN WAY

Three Way W. M. U. Has Mission Study

The Three Way W. M. U. met Monday, March 16, at 2:30 p. m. with nine members present, and one visitor, Mrs. Wittner of Morton.

Mrs. Brinker led a discussion on "The Call of the West" for helpers in the Lord's work. Letters were read from people in different places showing the great need of Christian workers there.

The auxiliaries met at four o'clock. Rev. Moore gave the R. A.'s a missionary story on the book, "Lo, I Am With You".

The G. A.'s studies their memory work. Some of the girls are just beginning and find their work very interesting.

The Sunbeams, the pre-school age children, were led by Mrs. Nancy Wittner. Four were present in their group. Many were absent in all groups. The other group sang songs and listened to a flannelgraph story on "Baby Moses" given by Mrs. Moore and assisted by Mrs. Baateas.

Refreshments of punch, cookies and sandwiches were served to all the children by Mrs. Andrew Wittner, Mrs. Louise Neutzler and Mrs. Ellis.

VINSONS HAVE VISITOR

Jeanette Vinson of Amarillo visited over the week end in the home of her parents, Mr. and Mrs. Vernon Vinson.

JNO. McMURTRY IS IN MAYO HOSPITAL

Jno. McMurry, the well known Muleshoe rancher, last week underwent a serious operation for a throat ailment at Mayo Brothers Hospital at Rochester, Minn.

He will be in the hospital for three weeks, after which he is to stay in a hotel there for three more weeks for observation.

His old friend, Ewing Halsell, who is now at his Springlake Ranch Headquarters had a letter from Mr. McMurry and made the above information public.

Altum-Treider Vows Read at Abilene

In a double ring ceremony on Saturday, Feb. 28, Miss Adell Altum, daughter of Mr. and Mrs. J. L. Altum of Abilene, became the bride of Teddy Treider, son of Mr. and Mrs. Juel Treider of Lazbuddy. Vows were read at 10:30 a. m. in the East Side Baptist Church in Haskell, Texas, by the Reverend Alfred C. Altum, brother of the bride.

Given in marriage by her father, the bride wore a blue and white suit with blue accessories. Her corsage was of white roses. She carried a white Bible. Her attire included the traditional something old, new, borrowed, and blue.

Miss Dorothy Altum, sister of the bride, was maid of honor and wore a grey suit with blue accessories. Her corsage was of white carnations.

Don McDonald of Lazbuddy acted as best man. Slim Hargrove of Hamlin and Ted Wilson of Hardin-Simmons University were ushers. Robert Altum of Abilene and Ella Mae Turner of Hamlin were ring bearers.

"Because" and "The Lord's Prayer" were sung by Pat Belev. The bride's mother wore a navy and white dotted crepe dress with navy accessories. Her corsage was of white carnations.

The groom's mother chose a purple faille suit with white accessories and a corsage of white carnations.

A reception was held in the home of Rev. Altum. Guests were present from Haskell, Abilene, Hamlin, Lazbuddy and Leoti, Kansas.

The bride is a senior in Abilene High School. Mr. Treider is a graduate of Lazbuddy High School and is a student of Hardin-Simmons University of Abilene. Mr. and Mrs. Treider are at home at 2150 Hickory Street in Abilene.

Philathea Circle Observes First Anniversary

The Philathea Circle of the Muleshoe Methodist Church met in the home of Mrs. Sammie Allison on Thursday, March 19, to celebrate their first anniversary with a covered dish luncheon.

During the short business session, further plans for the mother and daughter banquet were discussed.

A social hour followed. Guests attending were Mesdames Melzine Elliott, Margaret Hough, Ethel Allison, Mary Andreas, Loveta McKinstry, Finley Pierson, Verona Grizzle, and Charlene Bickel. One new member, Gladys Black, was also present.

Regular members attending were Jeri Farrell, Ida Mae Shofner, Helen Gardner, Ruby Faubus, Joy Whitt, Sammie Allison, Chris McAllister, Margaret

home of Mrs. Ruby Faubus on Thursday, April 2.

Legion Auxiliary Plans Social

The American Legion Auxiliary met in their regular meeting Tuesday, March 17.

Several ways of financing the Auxiliary were discussed and a social was considered. A called meeting will be held Tuesday, March 31, for further discussion on the social.

Those present were a new member Mrs. Elaine Watkins, and regular members, Mesdames Wanda Newsom, Naomi St. Clair, Louise Busbice, Bennie Wiedebush, Christine Howard, and Marie Lane.

W. S. C. S. Plans Easter Program

The Woman's Society of Christian Service of the Muleshoe Methodist Church met in the sanctuary Monday, March 23, at 2:30 to continue their pre-Easter studies.

The beginning song, "Tell Me The Story of Jesus", was followed by a prayer by Mrs. Beulah Carles.

Mrs. H. Jay Wier, program director, told of "The Life of Jesus" as recorded in Matthew, Mark, Luke and John, and from the book, "The Greatest Story Ever Told". Prayer was led by Mrs. Roy Bayless. The story "Easter Has Come Again", by Peter Marshall, was read by Mrs. F. B. Pierson.

A business session was directed by the president, Mrs. Pierson. Minutes were read and approved and a report was given by the committee for repairing the parsonage bath. \$50 was contributed for this purpose.

Pies were solicited for the Lions' Ladies Night banquet. The meeting was dismissed with prayer by Mrs. J. E. Day.

Those present were Mesdames H. C. Holt, O. N. Jennings, A. L. Davis, C. R. Farrell, J. E. Day, R. O. Gregory, H. O. Barbour, Beulah Carles, Roy Bayless, I. W. Haney, F. B. Pierson, W. D. Moore, H. Jay Wier, Arnold Morris, and little Claudia Huber and Virginia Bayless.

The Society will meet next Monday, March 30, at 2:30 p. m. in the home of Mrs. Arnold Morris for an Easter program and social hour.

VISITORS IN HIGGINBOTHAM HOME

Mr. and Mrs. Truitt L. Smith and son, Curtis, of Three Way, Mr. and Mrs. R. B. Chesser and daughters, June and Glenda of Snyder, Mr. and Mrs. Ben Higginbotham and Don, Linda and Janie Ruth of Muleshoe and Mr. and Mrs. Henry Higginbotham, Jr., Billie and Jean of Crosbyton visited their parents, Mr. and Mrs. Henry Higginbotham, Sr., over the week end.

VISITOR FROM BRADY

Ester Schroeder of Brady, Texas, visited Sunday in the home of Mr. and Mrs. J. A. Kaltwasser and old friends. She reported that her mother, Mrs. Schroeder is doing fine. Mrs. Schroeder also attended some business matters.

MACARONI & CHEESE
 (Makes 4-6 servings)
 1 1/2 cups (large can) undrained Carnation Evaporated Milk
 1/2 teaspoon salt
 2 cups (about 8 oz.) grated or cubed process-type American cheese
 1 teaspoon dry mustard
 1 tablespoon fresh sauce
 4 cups cooked macaroni
 1/4 cup chopped green pepper
 TO MAKE CHEESE SAUCE: Simmer Carnation and salt together in saucepan over low heat to just below boiling point. Add cheese and stir until thickened and smooth (12 minutes). Stir in mustard and fresh sauce.
 THEN, pour over macaroni, pimiento and green pepper in buttered 2-quart casserole. Bake in moderate oven (350° F.) 25-30 minutes.
 VARIATIONS: Instead of pimiento and green pepper use 1 cup diced fresh tomatoes or lettuce over cooked meat.

Water District Is Concerned With Education In Conservation Methods

LUBBOCK, MARCH 17 — "The first hundred years are the hardest" is an adage that will meet little agreement from county

committees working in the 13-county High Plains Water Conservation District of West Texas these days. In the first 45 days since initial water well applications were received, fewer problems have been encountered than expected.

Questions have arisen, however, and decisions are being made on a fair and equitable basis, according to T. J. McFarland, District Manager, of Lubbock. Committees work without pay for time or travel, and meet at least once a week to process all applications received. As with the general public, these five-member committees are vitally interested in the protection of underground water by regulation well spacing.

Two of the biggest problems faced to date by County Committees are:

1. Procedure to be used in educating people in a more wise use of water and controlling of excessive pumping in

agriculture. 2. The District as well as the committees are striving to impress upon water users of the High Plains the importance of information gained through completed well log and registration of the well after the pump has been installed.

All this information has been needed for a great number of years to enable people of the High Plains to develop water in such a way that maximum benefit could be gained.

Application forms are to be submitted to county committees for approval before new wells are started. Forms are available without cost from county committees, county agents, well drillers, and pump companies.

Owners of completed wells are required to enter a well log and registration with their county committee, on the regular form provided. This is required under Article 7880.3c, Section B.5, Texas Revised Civil Statutes. Plainly stated, the purpose of this requirement is to record proper information on each well.

Area newspapers are being asked to help keep the public informed by publishing weekly the action taken by the Board on applications for water well permits. This information is now being made available for such use.

Compress Builds Second Warehouse

Construction is well underway on a second huge warehouse for the Union Compress & Warehouse Company, Don Moore, manager said this week.

The new warehouse is an exact duplicate of the first one erected. It will have 32,000 square feet of floor space the same size as the older building and will have a storage capacity of 3,200 bales, giving the firm an indoor storage of 6,400 bales of cotton.

Mr. Moore said the firm has handled 60,200 bales of the 1952 cotton crop. Much of it was stored temporarily on acreage near the warehouses but now it is being shipped out rapidly and the firm actually has on hand only about 12,000 bales at this time.

Courthouse Lawn Being Improved

On two sides of the courthouse square the commissioners court recently has removed trees growing beyond the sidewalk and so provided additional parking space. This space has been treated with caliche, may be "shot" later on.

The commissioners may continue the work to take in the north and west sides of the

GUESTS IN DAVIS HOME

Mr. and Mrs. Cecil Davis had overnight guests Friday when Mr. and Mrs. Walter Rector of Visalia, Calif., and Mr. and Mrs. Everett Wallace and son, Rodger, of Ropesville, Texas, enjoyed a reunion after several years.

The Rectors were former residents of the community and the Wallaces were former teachers of the Fairview School for 4 years. Movies and slides were enjoyed by the group.

Spotless & Sparkling Cooking
OF COURSE *it's Electric!*

Electric cooking is flameless and fumeless, cleanest—by far—of all cooking methods. No soot or dirt can be deposited on your pots and pans, nor can your walls get dirty from greasy film.

Lower cleaning costs plus low cost electric service make electric cooking matchless in real homemaking economy. Spotless and sparkling, too.

SOUTHWESTERN PUBLIC SERVICE COMPANY
18 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

4 powerful reasons why you get more of what you want...

1953 Chevrolet Advance-Design Trucks do more work for less money!

more engine power!
Advanced Loadmaster engine—standard equipment on 5000 and 6000 Series heavy-duty and forward-control models, optional on 4000 Series heavy-duty trucks.

more braking power!
1953, all Chevrolet trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use extra-large "Torque-Action" brakes in front, "Twin-Action" type in rear.

more staying power!
New, heavier, stronger, more durable frames increase rigidity, add to ruggedness and give more stamina than ever to all 1953 Chevrolet trucks.

more economy!
The new stamina of Chevrolet trucks, plus extra gasoline economy in heavy-duty models with improved Loadmaster engine, reduces hauling costs per ton-mile.

H. D. Club Meets In Bruns Home

Mrs. Alfred Patterson, hostess for the Progress Home Demonstration Club on Tuesday, March 17, read a very appropriate article on St. Patrick's Day to open the Club's meeting in her home.

Roll call was answered by twelve members who named flowers which should be planted during this month. Mrs. Wilber Thomas, the president, called for reports from committees. Mrs. Gordon Murrah, council delegate, gave a report of the last council meeting. She reported on the expense of the supper for the Commissioner's Court and about the Luncheon at the District 2 meeting in Lubbock, which is to be in the Lubbock Hotel and will be \$1.50 a plate with advance reservations in by April 23. She also announced that Mrs. Reed, the Home Demonstration Agent, reported that the 4-H Dress Review will be April 25.

The program for the afternoon was brought by Mrs. Ray Quesenberry, who discussed "Let's Grow Better Flowers". The members then told of their success or troubles with flowers.

Mrs. Murrah received a birthday gift from her secret pal and Mrs. Patterson an anniversary and a birthday gift from her pal.

Ice cream, cookies and punch were served by the hostess, Mrs. Patterson, to the following members, Mesdames O. C. Thompson, D. O. Smith, Arnold Gross, Ray Quesenberry, Albert Davis, Edward Little, Harold Mardis, Gordon Murrah, Manuel Self, and G. T. Maltby.

Mrs. Edward Little will be hostess in her home for the next meeting on April 7 at 2:30 p. m. when the program will be "How Do We Spend our Time" by Mrs. Dian Reed, the Agent.

VISITORS FROM HAGERMAN, N. M.

Mr. and Mrs. J. D. McKinstry of Hagerman, N. M., are visiting for two weeks in the Sam McKinstry and Oscar and Harold Allison homes.

Mr. and Mrs. J. D. McKinstry recently bought one of the Gerald Allison farms where Mr. and Mrs. Harold Allison formerly resided. Mr. and Mrs. M. L. Hays, formerly of Tulia, are now residing on this farm.

VISITED TERRELS

Mr. and Mrs. O. Ward and children, of Las Vegas, N. M., and his brother Frog, and family, spent the week end here with Mrs. O. Ward's parents, Mr. and Mrs. J. C. Terrell. Mr. Terrell has been very ill for two weeks but is now reported improved.

Mrs. Browder Hosts Sunshine Club

The Sunshine Club met March 19 in the home of Mrs. Tipton with Mrs. L. C. Browder, president, presiding over the business session.

Flower seeds and plants were exchanged and a grab box was enjoyed.

A get well card was sent to Mrs. Browder's sister and a birthday card was sent to Mrs. Ladd. Present were three visitors, Mesdames Gatlin, Barnhouse, and Wilkins, and members, Mesdames Tipton, Murrah, Lee, Bartlett, Coulter, and Browder.

The next meeting will be in the home of Mrs. George Chambliss. The program will be on the interests of Texas.
