Out In The West, Where The Air Is Pure, The Climate Agreeable, And The People Friendly The Best Place On Earth To Call Home

VOLUME 67 OZONA, CROCKETT COUNTY, TEXAS 76943 25c Per Copy WEDNESDAY, MARCH 14, 1979 NUMBER 2

Kitty's Korner

by Kitty Montgomery

We usually do most of our writing for the paper on Tuesday afternoon, and trying to concentrate on writing for the newspaper while answering the telephone, selling paper clips, running back to make up an ad, and serving as the Ozona information center is an impossible task. To alleviate the stress and strain and in an attempt to produce a better product, we have decided to close at 2 p.m. on Tuesday afternoon and devote our time to the newspaper. We made an attempt yesterday, but nobody could read our sign or didn't, and somebody broke the door down.

However, we feel that by going "public" with this information everyone will soon get used to our being closed on Tuesday afternoon. We couldn't really manage it yesterday anyway, it was too hot with the door closed and the air-conditioner is not yet in operation.

The spring clean up will continue through the first week in April this year. It is now in progress. We have never had so much time to get rid of all our junk, so let's take advantage of it. It's much better to take advantage of the free pick up than pay to have it hauled away.

I've been writing up the Commissioners Court meetings for years, and don't believe I've ever had an occasion to brag on them. Indeed, as informer to the public, I have often disagreed most verbally. However, several times during the meeting Monday they expressed a concern about "the taxpayers money." I don't think they have ever done that before. Anyway, I think their concern in this area is a positive step, and feel they are to be commended.

I always said Oscar Kost was the only person I knew who could give you a compliment and insult you at the same time, but after looking over the above paragraph, I guess I'm pretty good at it myself.

IRAAN ROPING SCHEDULED

The Iraan Saddle and Roping Club is sponsoring an open jackpot calf roping and open GRA approved barrel race Saturday, March 17, at 1 p.m. at the Yates Arena in Iraan.

GIFT HORSE RE-OPENS- The little shop at the intersection of Eleventh and Ave. E opened its doors Monday after being closed several weeks for extensive remodeling, both inside and out. Carol Hunnicutt is the new owner and will be open for business all day weekdays and until noon Saturdays.

Court authorizes CO's to finance fire station

The Crockett County Commissioners Court met Monday morning in regular monthly meeting with a light agenda. Monthly bills and reports were read and approved before the court recognized Pat McMillan, bonding company representative, who was present to present resolutions authorizing certificates of obligation to finance the building of the new fire station.

McMillan explained to the court the resolution called for the issuance of COs in the amount of \$150,000 at 6%. He also explained the court was not obligated to the use of all or any of that amount.

Some discussion arose among members of the court, since the original allotment was set at \$175,000, with \$140,000 worth of revenue sharing funds earmarked for the project, leaving a balance of \$35,000 to be financed. Questions were asked about the escalated cost, with some members apparently not in the mood to enlarge on the original set cost.

Judge Johnny Jones gave a brief summary of progress of the proposed fire station for the benefit of the two new commissioners on the court, B. W. Stuart and Sostenes

DeHoyos. He said the project was approved by the court when they approved the budget late last year. An architect was hired and asked to keep the cost within the \$175,000 range. He said the architect's estimate of \$216,000 included alterations in the original plans which amounted to approximately \$30,000, such as change in the exterior trim, carpet instead of tile, all electric doors and an emergency generator.

He also explained the bids, to be opened at a special meeting March 29, at 2 p.m., were for the court to approve or reject and the governing body would have the final say in the cost.

McMillan also pointed out the resolution for authorization of monies to finance the project did not bind the court to spend a penny. The court decided to adopt the resolution, but to change the amount to \$100,000 from the original \$150,000. Motion was made and passed that the resolution to issue the certificates of obligation be adopted, along with a resolution to advertise for bids.

Bids will be opened March 29, at the special meeting and official action will take place at the April meeting.

Contractors wishing to bid may pick up plans and specifications at the judge's office. Requirements may be found under public notices in another part of this edition of the Stockman.

Since a bid for a pickup was withdrawn by L-B Motors after the last court meeting, the court took up the purchase of a pickup for the road department. The bids from Carlisle Motors for a Dodge pickup in the amount of \$6,365 and a GMC pickup in the amount of \$6,475 were reopened. The bid for the GMC was accepted with Stuart, DeHoyos and Castro voting to accept and Williams and Judge Jones voting against. The two dissenting court members holding the low bid should be accepted when specifications are identical.

Since L-B Motor Co. indicated no interest in further bidding on county vehicles, the competitive bidding system was discussed. The motion was made and passed that in the future out-of-town bids would be accepted.

Judge Jones said Sheriff Mills had indicated an interest in keeping one of the patrol cars which had been traded in last month on a new unit and submitted a bill for repairs in the amount of \$2,500. Apparently after the car had been traded, it sustained a major break down. Members of the court expressed varying degrees of outrage in receiving a \$2,500 repair bill on a car which had been traded in and at the most was only worth \$1,700 retail. Suggestions ranged from refusal to pay the bill to cancellation of one of the new units and keeping the repaired car. The final action was refusal of the purchase of an additional car and a motion made and passed that any repairs over \$300 to county vehicles must be cleared with the court. The motion passed.

In other action the court authorized a secretary for Judge Al Fields due to an increased work load in the J. P.'s office.

Election judges for the April 7, elections were appointed. Judges in all precincts were re-appointed and Jeffrey Sutton was named special canvassing judge to count absentee ballots in place of Donnie Laughlin

who has moved from Ozona. The court also passed a motion to have the election judge and not over three clerks in each precinct for this election.

The court authorized the purchase of a used candy machine for the Youth Center in the amount of \$400.

The hospital report was discussed and it was noted expenses there were getting out of hand. The court directed the county judge and auditor to meet with the hospital administration and look into expenditures.

OHS honor roll is announced

The Ozona High School honor roll for the second quarter of the school year was announced this week by Principal Jim Payne.

The freshman class led the list with 19 honor students. Freshmen on the list were Varlyn Aldridge, Shelley Behrens, Ernie Borrego, Mike Couch, Felice Delgado, Esmeralda Enriquez, Elsa Fierro, Fernando Galvan, Richard Garza, Thomas Gries, Reinita Hedrick, Adolf Martinez, Dugan O'Bryant, Dale Perry, Jill Sanchez, Monica Sanchez, Joyce Tambunga, Jack Thompson, and Catarino Villarreal.

Sophomores were second with 13 students on the list. Making the honor list from the sophomore class were Tereca Carlisle, Frank Galvan, Lisa Hohertz, Tilly Kramer, Ruth Longoria, Jesse Moreno, Johnny Rodriguez, Kim Sinclair, Gary Smith, Kaye Thompson, Connie Trujillo, Molly Womack and Riley Latham.

The senior class had 12 students listed. Senior honor students are LaDawn Adcock, Margaret Diminguez, Rebecca Everett, Jose Gutierrez, Janice Janes, D'Anna Koerth, Bobby Longoria, Teresa Martinez, Clair McDaniel, Tracey Preddy, Dany Sewell, and Karen Warren.

The junior class had nine honor students. They were Wade Beasley, Gay Burns, Chris Carlisle, Deniese Hedrick, Ramon Maldonado, Jody Naron, Peri Pennington, Gregg Perry, and Jeffrey Young.

Annual Ozona Track Meet Sat.

Ozona is gearing up for the annual Ozona Relays which will be held Saturday on the newly completed track field. The relays were cancelled last year due to construction on the field. This will be the twenty-eighth annual meet and will feature both boys and girls divisions.

Coahoma, Alpine and Sonora will be favored, but will face strong competition from Junction and host team Ozona. Other teams in the boys division are Menard, Comstock, Iraan and the Ozona JV.

Burglaries and thefts investigated

The Crockett County Sheriff's Department is investigating some breakins and thefts which occurred recently.

The Happy Hollow was broken into through a back door and several hundred dollars worth of toys were taken in the theft. Mr. and Mrs. Ted White discovered their home had been burglarized when they returned from the ranch last week. Several items were missing, including some priceless sterling which was locked in a cedar chest.

Tuesday morning early, Mrs. Zeldia Bennett at Crockett Hotel reported a large color television set missing from the lobby. The set had been stolen sometime after midnight, apparently.

Officers have about completed their case in the toy store breakin. They have no clues in the White burglary, but are inclined to believe transients were responsible and they have been unable to come up with clues on the missing television set.

In other business they arrested a 20-year-old North Carolina man Monday and charged him with a felony after they discovered he was in possession of cocaine. He is wanted for grand larceny and felony in the state of North Carolina. He is in Crockett County jail awaiting extradition on the out of state charges.

Officers also arrested an Ozona man Monday and confiscated over ten ounces of marijuana, which is a felony. He is in jail awaiting prosecution.

Girls teams entered in the meet are Iraan, Eldorado, Junction, Alpine, Sonora, Ozona, Menard, Comstock and Coahoma. Coahoma, Eldorado and Alpine will provide some tough competition.

The meet will get underway Saturday morning at 9:30 with field events. The first event is the discus throw for boys and girls. The high jump for boys and girls will also be held at this time. The pole vault has only boys entered, and the triple jump will feature girls only. Both boys and girls will participate in the shot put and long jump.

The running events will get underway at 12 noon with boys and girls participating in the 400 meter relay.

The finals will begin at 3:30 p.m. and awards for both divisions will be presented at 5:30.

Ozona High School tracksters placed second in the Iraan track meet Saturday, scoring 94 points behind Marfa's 126 points, Big Lake, fourth; McCamey, fifth; Iraan, sixth, and Rankin, last.

The Lions made a big improvement over their first meet two weeks ago in Junction, coming up from 30 points to 94 points and the runner up trophy in Iraan.

The Lion JV won the McCamey meet Friday, scoring a big 168 points.

Scores came this way in the Iraan meet: Joe Rebelez, second in the shot and sixth in the discus; Fred Garza, third, long jump; third, high hurdles; third, intermediate hurdles, ran a leg on the second place mile relay team, scoring 27 points in all. Dan Sewell placed second in the pole vault, fifth in the 100 yd.

dash, and fourth in the high hurdles. Shane Fenton placed third in the pole vault. John Rodriguez placed first in the 880 yd. dash and also ran a leg on the winning relay team. Ernest Badillo placed sixth in the 880 dash. Dan Martinez placed third in the 440 dash and ran a leg on the winning relay team, Chad Buie placed fourth in the mile run and Adolph Martinez placed sixth.

The junior varsity, in winning the McCamey championship, was led by first place wins in the sprint and mile relays. Leading point makers were Ernie Borrego with 26, Kim Tambunga with 21, Felix Flores with 20, Ernest Badillo with 18; Hector Leal, 13; Larry Payne, 13; Ruben Perez, 11; Thomas Gries, 10, and Richard Garza with 10.

Firemen called out twice

Ozona volunteer firemen were called out twice during the past week. One alarm was a mobile home in the city and the other a grass fire two miles east of the truck stop on John Childress country.

The grass fire occurred Thursday when employees were burning off an oil pit and the fire got out of control, burning about twenty acres of rangeland before firemen extinguished it.

The mobile home fire alarm came in at 3:00 a.m. Sunday and firemen went to the blaze on Perez Street. The trailer had not been hooked up and there were no occupants. The blaze is still under investigation.

OHS tennis team wins Iraan Championship

The OHS Tennis Team won the first place trophy at the Iraan Tennis Tournament Friday. The team will participate in the Lake View Tournament Friday and Saturday.

Helping in the Iraan win were Lori Clayton, who won consolation in girls singles, winning over Iraan's Brown, 8-2, and Bolf of Wink, 8-3, after losing to Tatum of Big Lake in first round action. Also D'Anna Koerth and

Chris Carlisle took second in girls doubles by defeating Stanton, 8-0, and Iraan, 8-2, before losing in the finals to Wink.

Gary Smith and Lupe Gonzales won first place in boys doubles, defeating Big Lake, 8-2, Stanton, 8-3, and Sanderson 6-4 and 7-6. Clair McDaniels won third in boys singles by defeating Reeves of Big Lake, losing to Herron of Wink and then defeating Corbett of Sanderson, 9-7.

ONE OF THE QUILTS DISPLAYED at the Heirloom Quilt and Coverlet exhibit now in progress at the Crockett County Museum. This quilt is a variation of the Texas Star pattern. In the upper right hand corner is a replica of the U. S. Flag. It is uncertain whether the quilt was completed during the time the country had only fourteen states or whether the fourteen stars are for her children, ten of which reached adulthood. The quilt was made by Mrs. W. H. Montgomery.

TENNIS CHAMPS-The Ozona High School tennis team brought home the championship trophy from the Iraan tournament along with several individual trophies. Team members are, l. to r., Lupe Gonzales, D'Anna Koerth, Clair McDaniel, Lori Clayton, Chris Carlisle and Gary Smith.

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

Since the dormant season is about to end, finish making any landscape changes that involve planting or transplanting woody ornamentals. These warm spring days gives the urge to start putting out bedding plants, but remember frost time is not over yet.

As lawns green up and new growth begins on trees and shrubs, make the spring application of fertilizer on nearly everything in the garden-flowerbeds, cool-season vegetables, outdoor potted plants, established strawberries, shrubs and small fruits. When you purchase fertilizer, tell the nurseryman what you intend to fertilize and he can recommend the best for the job. Potted plant fertilizers are usually sold as liquid concentrates and vary in concentration. Follow label instructions for dosage and intervals between applications. For flowerbeds, use a fertilizer high in phosphorus and potassium, such as 5-10-10. Apply at the rate of 1/2 cup per square yard of planted area. For large shrubs, per application should receive 1 tablespoon fertilizer per square foot of plant height. Small shrubs-1 or 2 teaspoons. For lawns, apply a complete fertilizer, such as 8-8-8 or 10-6-4; use at the rate of 20 pounds per 1,000 square feet of lawn area. Use a mechanical spreader to ensure even distribution of the fertilizer, then water the fertilizer into the soil.

Bulbs. After your spring-flowering bulbs, such as daffodils, tulips and crocuses finish blooming, use a complete, low-nitrogen fertilizer, such as 5-10-10. Do not remove foliage until all leaves have browned and died back naturally. Some of you have asked about replanting tulips. Florists force tulips into bloom, so this taxes the bulbs heavily, and it is usually best to discard them. However, the bulbs can be planted out doors, but the size and quality of next years blooms usually will be disappointing. The tulips that have given the most spectacular spring show in Ozona are the many that bloom in the Max Schneeman's lawn and beds. I'm not sure, but I believe they must be the cottage type that multiply or re seed. I'll try to remind you about blooming time.

Remember to start your clean-up for next month.

Duplicate Bridge Club winners told

Winners in Duplicate Bridge Club play at the Country Club Saturday were Mrs. Evert White and Mrs. Sidney Millsbaugh. There was a tie for second between Mrs. Pete North and Evert White and Mrs. J. J. Marley and Mrs. Joe Friend.

Sunday winners were Mrs. Jack Williams and Mrs. Clay Adams with Mrs. Millsbaugh and Mrs. White in second place.

BOY TO COOKES

Mr. and Mrs. David G. Cooke are the parents of a son, born Monday, March 12, at 3:23 a.m. in Hudspeth Memorial Hospital in Sonora. The baby weighed 10 pounds and 1 1/2 ounces and has been named Benjamin Jeremiah. He is welcomed by two brothers, Brian, 6, and Christopher, 23 months.

Maternal grandparents are Mr. and Mrs. M. J. Fox of Walnut Springs, and paternal grandparents are Mr. and Mrs. C. R. Cooke.

Brown's Brides

MRS. JOHNNY MAYFIELD
nee Dawn Burns
has made selections at
BROWN FURNITURE CO.

MRS. JOHN CARTER MAYFIELD III

Mr. and Mrs. Glenn Burns announce the marriage of their daughter, Dawn Dee, to John Carter Mayfield III, son of Mr. and Mrs. Jake Mayfield of Juno, March 2. The couple recently returned from a wedding trip to Guadalajara and Puerto Valarta, Mexico. They are at home in Devil's River, where they operate Mayfield's Country Store.

Womans Forum treated to European program

Members of the Ozona Womans Forum enjoyed thoroughly a European program in the Home of Mrs.

Madye Jo Humphreys last Tuesday. Mrs. Bonnie Warth was co-hostess. The program included slides and narration on Europe, complete with authentic Switzerland food, flown in from Houston.

Mrs. Humphreys and Mrs. Warth showed slides taken on their recent trip to Europe, giving verbal highlights as well as narration. Having spent more time in Rumania and Switzerland, they brought history as well as visual scenes of both countries.

The food was flown here Tuesday morning from the Swiss Bakery of Houston by the owner, Roland Lance. Lance, formerly of Bern, Switzerland, was assisted by Ralph Krebser of Zurich.

The food included Rockletta cheese with potatoes, an onion and pickle combination, miniature quiche, Black Forest cake, an assortment of Swiss pastries and cookies, coffee, wine and Frigor Chocolates, a brand not exported out of Switzerland.

LaNelle Manuel of San Angelo, was a guest. She arranged and personally guided this "Tour to the Old Country."

Others present included Mrs. George Bunker, Mrs.

Federated clubs set meeting

The nineteenth Annual Convention and Board Meeting of the Heart of Texas District TFWC will be held March 23 and 24, in Brownwood. All sessions of the Convention will meet at the Holiday Inn.

Convention Program begins at 1:30 p.m. March 23. At 6:00 p.m. the Balingering Woman's Club will host the "Diversity of Hearts" Dinner. At 8:30 a.m. March 24 the Heritage Club and Comanche Study Club will host the "Start the Day" coffee. At 12:00 noon the Diversity Club and the Junior Culture and Literary Service Clubs will host the "Challenging Hearts" Luncheon.

Each club in the District is urged to elect delegates to represent their club and to encourage each member to attend as many sessions as possible.

Registration Fee is \$2.00. Pre-registration may be made by sending your checks to Mrs. Ruth Ingram, Blanket, Texas 76432 by March 20.

Spencer, Mrs. W. T. Stokes, Mrs. C. O. Walker, Mrs. Allie Lock, Mrs. Marshall Montgomery, Mrs. J. B. Miller, Mrs. J. McCartney, Mrs. Bascomb Cox, Mrs. Jim Bob Bailey, Mrs. Bob Bailey, Mrs. Earle Courtney and Mrs. Mary Hufstедler.

Debra Says

By Debra Price

Spring fashions will bring back "happy days" for those who liked the 40's and 50's looks.

In general, spring fashions are slightly tailored--showing fewer ruffles and tiers.

They follow a "paring down" trend that sees more close-to-the-body lines--with a big play on legs and waist.

"Retro" is today's word for styling that recalls the 40's--with a dash of 50's.

It means broader, boxed shoulders, pared down slacks and skirts and cinched waistlines.

Slimmer-cut skirts will show a lot of let--with slits up the front, down the side or in the back. Soft gathered skirts will continue their popularity.

Suits will get lots of emphasis--with jackets cut a variety of ways.

We'll see the waiter's jacket, the peplum of the late 40's, the kimono sleeve and a carry-over of the unconstructed jacket from last fall.

Tapered pants will stay and go-to all lengths.

They will range from short shorts to Jamaicas (a little longer than short shorts) to Bermudas (just above the knee).

They will go on down from pedal pushers (below the knee) to Capris (just above ankle).

They will go on to ankle length and below the ankle.

To top all that, blouses will attract attention with padded, draped or tucked shoulder styling.

In dresses, the shirt waist will return in soft and draping fabrics.

Other "new" attractions will be sleeveless dresses and lots of long sleeves and capped sleeves--all reminiscent of the 40's.

PINK SALAD
1 can cherry pie filling
1 large can drained pineapple
1 large can sweetened evaporated milk
1 9 oz. carton whipped topping
Small marshmallows and nuts (optional)

Mix all ingredients and refrigerate.

Mrs. White is bridge club host

Mrs. Evert White was hostess for bridge at the Country Club Thursday.

Winning high was Mrs. Cuatro Davidson with Mrs. Sherman Taylor coming in second high. Mrs. Jack Williams took low and Mrs. Beecher Montgomery, bingo.

Others playing were Mrs. Clay Adams, Mrs. George Bunker, Mrs. Billy Carson, Mrs. John Childress, Mrs. James Dockery, Mrs. Jerry Hayes, Mrs. Brock Jones, Mrs. Arthur Kyle, Mrs. J. J. Marley, Mrs. Kirby Moore, Mrs. Byron Williams, and Mrs. Gene Williams.

Mrs. Vic Pierce is in St. Johns Hospital in San Angelo where she was rushed Saturday night by ambulance after suffering broken arms in a fall at her ranch home south of here. Emergency surgery was performed and Mrs. Pierce was in fair condition Monday.

Lowell Littleton returned home this week from Houston, where he had been taking speech therapy since suffering a stroke at his home here the first part of January.

J. D. Brown returned to his home here last week after recuperating from open heart surgery performed at Methodist Hospital in Houston two weeks ago.

promise

The Saxons had a word for Spring. It was Lenten, shortened, in time, to Lent.

So the name Lent was given to that springtime period of 40 fast days from Ash Wednesday until Easter.

Lent came to mean a time of penitence. And it is. But it is also a time of preparation, and of promise. For because Lent means Spring, it heralds good things to come. It forecasts the glorious message of Easter. It is the dawn of the most beautiful season of the year.

The bare branches of these trees will burst into bud and leaf with the touch of Spring. Our thoughts during Lent, our personal preparations, also will reach fruition when the 40 days are through.

Lent is the time for prayer and self-examination. Make this Lenten season really mean something by seeking help and guidance at your church services.

Goat News

The Environmental Protection Agency's recent suspension of 2-4-5-T isn't supposed to affect rangeland uses of the herbicide, but the federal agencies aren't supposed to go around banning products on ridiculously weak evidence either. That's exactly what they did in this case.

The whole suspension business, which is in effect for forest, right-of-way and "pasture" uses, is based on a paper study with more holes than a pegboard.

EPA says the study, conducted by the University of Colorado and the University of Miami medical school, indicates 2-4-5-T may have increased the rate of miscarriages in a localized area of Oregon.

They quote miscarriage figures compiled over a six-year period in the Alsea, Oregon area as proof. The figures appear to indicate that miscarriages are highest during June, the time of year following traditional forest

spraying with 2-4-5-T. As a comparison to the Alsea figures, the study also includes miscarriage rates from another rural area and from an urban area near the Alsea region.

The two "control" areas are supposed to help uphold EPA's contention that the relatively high June miscarriage rates in the Alsea area are caused by 2-4-5-T and not simply a normal occurrence tied to seasonal changes of some sort. Pencil-wise, they appear to do that; the Alsea area shows a June peak of 130 miscarriages per 1000 live births compared to 46 per 1000 in the rural control area and only 44 per 1000 in the urban study area. Spraying, says EPA, is done mostly during March and April, at the time when babies miscarried in June would have been conceived.

Such a difference in figures would look bad for 2-4-5-T—except that such circumstantial evidence a-

lone doesn't prove nor even reliably hint at a concrete tie-in with the herbicide.

For one thing, the Alsea study area and the other rural area have little in common except maybe their governor. Figures for the urban control area are so far out of line with either of the rural areas as to be totally useless for comparison.

But back to the rural areas. EPA says it chose the rural control area on advice from the Oregon health department, but that its main consideration was to find someplace where 2-4-5-T was not used during the six-year study period.

As for similarities between

the two areas, Alsea sits on the Pacific coast and is generally described as a rain forest. It attracts so much vacation trade that local observers estimate its population doubles during the warm months. The Malheur County control area, on the other hand, is an agricultural region along the Snake River 300 miles away in far eastern Oregon, receives only a fraction of the Alsea rainfall level and has no forests. In short, environmental conditions in the two areas could hardly be any more different.

Even one EPA staffer admits there could be "literally hundreds" of environmental factors affecting the different miscarriage records of the two areas.

Oregon State University Environmental Health Center director Dr. Virgil Freed says even the woman whose complaints spurred the study has gone on television to question the results. She supports the ban but doubts the study. Freed says the higher Alsea miscarriage rates could reflect something as simple as the vacation trade—undoubtedly many pregnant women vacation in the area, he figures, and some among them are bound

to overexert themselves and bring on miscarriages that end up reflected in the hospital records from which the study was taken. Freed doesn't suggest that this explains all or even much of the June miscarriage peak, but he says it is at least as good an explanation as EPA has come up with.

Other factors—"back-to-nature" types are common in the Alsea area as everywhere else in the Pacific Northwest

and these often well-educated but disillusioned people are prone to take much of their diet from "natural" sources such as wild forest plants. Two favorite food plants are Comfrey and bracken fern, both of which contain dangerous alkaloids at certain stages in their growth cycles. Those dangerous

stages could align very well with June miscarriages.

These are just theories, of course—but so is EPA's indictment of 2-4-5-T. The

only thing different is that EPA can force national regulations based on its theories, and in this case it has.

TMA opposes Senate drug bill

The Texas Medical Association (TMA) has attacked upcoming drug substitution legislation as being unpopular, not economical, and dangerous. The Association also revealed plans to step up its program to encourage communication between patients and physicians about drugs.

SB 601 by Sen. Chet Brooks (D-Pasadena) would allow pharmacists to substitute without a doctor's permission. The bill will be heard next week by the Senate Human Resources Committee.

"If cost savings are the basis for SB 601, the pharmacist should pass the savings on to consumers instead of keeping them," said Mylie Durham Jr., M.D., TMA president, in a Friday news conference.

But even if patients got some of the savings, it would not be that much. A 1977 study by the Task Force for Evaluation of Medicaid in Texas said that the Texas Medicaid program would have saved only \$28,000 by substituting generic drugs in 1976. Administrative costs alone would have exceeded the \$28,000 saved.

The task force concluded that present Texas law insures quality care and should not be changed just to save

money. At the news conference, Dr. Durham, a Houston surgeon, revealed results of a statewide public opinion poll done in the fall of 1978. The poll showed that 87 percent of Texans thought a pharmacist should obtain the doctor's permission before substituting drugs in a prescription.

Dr. Durham also said drug substitution can be dangerous in some cases. There still is controversy over the therapeutic equivalency of many drugs that have the same chemicals in them. Manufacturing processes, quality control and many other factors can affect how a drug works in the body. In case of problems, patients benefit when doctors know exactly what drugs are being administered.

Since physicians are not opposed to generic prescribing in general, TMA is stepping up a program to encourage better communication between doctor and patient on the subject. Right now it is legal for a pharmacist to substitute drugs with a doctor's permission. So the association is producing materials to encourage doctors and patients to talk about cost savings and health aspects of generic drugs.

OLDSMOBILE

Now is the time to buy a new 1979 Oldsmobile Omega. We're holding a Model Year-End Clearance Sale. We're clearing our inventory of '79 Omegas to make way for the 1980 Omegas coming soon, . . . and, we're doing it at special model year-end sale prices! . . . GENERAL TELEPHONE

Crockett County Gas & Oil News

D. B. Baxter, Midland, will drill the No. 1 Gulf-Corbett, a 10,000-foot wildcat in Crockett County, five miles northwest of the Bouscaren (Ellenburger) field, 2 1/2 miles east-southeast of the depleted opener and lone producer of the Crockett, East (Devonian) field, 1 1/2 miles southwest of the depleted Corbett, South (Wolfcamp) field of Upton County and 11 miles south of Rankin.

Location is 1,259 feet from the north and 685 feet from the west lines of 15-B2-GC&SF. Ground elevation is 2,543 feet.

The Corbett, South (Wolfcamp) opener, Humble Oil & Refining Co. (now Exxon Corp.) No. 1 Ella M. Corbett "B", drilled to 6,855 feet and plugged back to 6,562 feet, was finished Feb. 21, 1954 to pump 45 barrels of 38.4 gravity oil, plus 63.9 percent water, with gas-oil ratio of 989-1, through perforations at 6,363-562 feet. The following tops were picked on derrick floor elevation of 2,548 feet: San Andres, 2,260 feet; Wolfcamp, 4,140 feet; Detrital, 5,346 feet; Simpson, 6,386 feet; Joins, 6,633 feet; and Ellenburger, 6,678 feet.

Texaco Inc. dually completed its No. 7 A. R. Kincaid trust "d" as a 1 1/8-mile southeast extension to Canyon gas production in the Ozona multipay field and as a 7890 gas producer, surrounded by that pay, in the Davidson Ranch multipay field of Crockett County, four miles southeast of Ozona.

It was finished for a calculated, absolute open flow of 943,000 cubic feet of gas daily, with gas-liquid ratio of

48,780-1, through Canyon perforations at 6,210-374 feet, which had been acidized with 3,500 gallons and fractured with 54,000 gallons and 72,000 pounds of sand. Gravity of the condensate was 71 degrees. A previously reported potential of 420,000 cubic feet of gas daily was in error.

It was finished for a calculated, absolute open flow of 1,700,000 cubic feet of gas daily, with gas-liquid ratio of 96,153-1, through Pennsylvanian perforations at 7,894-942 feet, which had been acidized with 2,000 gallons and fractured with 42,000 gallons and 46,000 pounds of sand. Gravity of the condensate was 64 degrees.

Location is 1,000 feet from the north and 1,500 feet from the east lines of 6-KL-GC&SF.

C. F. Lawrence & Associates, Inc., Midland, will drill the No. 1 Chambers County School Land "G", a 1,500-foot wildcat in Crockett County, 3/8-mile east of shallow production in the Midway Lane multipay field and 14 miles north of Ozona.

Location is 467 feet from the north and 6,400 feet from the east lines Chambers CSL No. 4. Ground elevation is 2,646 feet.

The Midway Lane field produces from the Queen at 1,124 feet and the 1300 and 1050 sand zones and has one Ellenburger well.

C. F. Lawrence & Associates, Inc., Midland, will re-enter and deepen to 1,650 feet as a wildcat at the former Ledge Petroleum Co. No. 1 Half Estate, Crockett County 1,595-foot failure, 3/9-mile southwest of the

Fergus (upper Grayburg gas) field, 7/8-mile east of Queen oil production in the Millard, North (Soma oil and gas and Queen oil and gas) field and seven miles south of Iraan. It is the No. 1 Half "63-E".

It was abandoned Aug. 28, 1944.

Location (exception to Rule 37) is 330 feet from the north and 4,950 feet from the east lines of 63-1-I&GN. Ground elevation is 2,220 feet.

The Fergus field produces at 2,398 feet. The Millard, North field produces from the Soma at 921 feet and from the Queen at 1,350 feet.

J. Cleo Thompson, Dallas, will drill the No. 2 Parker "A" as a 3/8-mile west-northwest offset to his No. 1 Parker "A", opener and lone producer of the Parker-Harrell (Ellenburger gas) field of Crockett County, 5 1/2

miles northeast of Ozona.

Location is 660 feet from the north and 2,051 feet from the west lines of 77-GH-GC&SF. Contract depth is 9,000 feet.

The discovery was finished June 13, 1977 for a calculated, absolute open flow of 2,025,000 cubic feet of gas daily from open hole at 8,757-787 feet.

Texaco Inc. reported a potential of 420,000 cubic feet of gas daily, with gas-liquid ratio of 7,000-1, for its No. 7 A. R. Kincaid Trust "D", 1 1/8-mile southeast extension to Canyon production in the Ozona multipay field, four miles southeast of Ozona.

Production was through an 11-64-inch choke and perforations at 6,356-374 feet, which had been acidized with 3,500 gallons and fractured

with 54,000 gallons and 72,000 pounds of sand.

Slated to 7,600 feet also as a 7890 Pennsylvanian test in the Davidson Ranch multipay gas field, it was drilled to 8,200 feet, with 5 1/2-inch casing set at 8,034 feet and plugged back to 7,988 feet.

Location is 1,000 feet from the north and 1,500 feet from the east lines of 6-KL-GC&SF.

Anderson Petroleum, Inc., Ozona, completed four projects as Canyon gas producers in the Ozona multipay field of Crockett County, all of which had been scheduled to test also as wildcats at 2,100-4,700 feet, 28 miles southwest of Ozona.

The No. 1-40 Laura Hoover Estate "B", 1/2-mile west extension, was finished for a calculated, absolute open flow of 480,000 cubic feet of gas daily, through perforations at 6,524-683 feet, which had been acidized with 6,900 gallons and fractured with 85,200 gallons and 126,500 pounds of sand.

Location is 936 feet from the south and 660 feet from the east lines of 40-MM-T&StL.

The No. 1-55 Clegg Becker "A", 1 3/8-mile southeast extension, was finished for a calculated, absolute open flow of 1,450,000 cubic feet of gas daily, through perforations at 5,734-838 feet, which had been acidized with 3,000 gallons and fractured with 56,000 gallons and 100,000 of sand.

Location is 5,384 feet from the north and 5,040 feet from the west lines of Runnels CSL No. 55.

The No. 3-8 Elmer Hoover Hatton Estate "H", a 3/4-mile west and slightly north extension, was finished for a calculated, absolute open flow of 3,500,000 cubic feet of gas daily, through perfora-

tions at 7,206-415 feet, which had been acidized with 3,850 gallons and fractured with 92,000 gallons and 150,000 pounds of sand.

Location is 1,600 feet from the south and 661 feet from the west lines of 8-MM-T&StL.

The No. 2-13 Elmer Hoover Hatton Estate "J", surrounded by production,

was finished for a calculated, absolute open flow of 980,000 cubic feet of gas daily, through perforations at 6,989-7,077 feet, which had been acidized with 3,850 gallons and fractured with 78,000 gallons and 115,000 pounds of sand.

Location is 1,979 feet from the north and east lines of 13-MM-T&StL.

Social Security law change affects pensions

Do you expect to receive a pension based on your job with a Federal, State, or local government agency that is not covered by social security? And, have you also been counting on getting dependent or survivor benefits on the social security record of your husband or wife whose work is covered?

If your answer to both questions is "Yes", you should be aware of a change in the social security law called the "Public pension offset". It can reduce or eliminate the amount of the benefit you hope to get on your spouse's record. While many people won't be affected until December, 1982, you

should know about the new rule now so you can plan ahead for retirement.

When the offset applies, the amount of your dependent or survivor benefits is reduced—dollar for dollar—by the amount of your public pension. If your monthly pension is \$200 and your potential wife's or husband's benefit is \$230, for example, you would get only \$30 as a wife or husband (\$230 - \$200).

Keep in mind that the offset will not affect you if your Federal, State, or local government job is covered by social security on the last day you work. And, you can receive retirement or disability checks on your own social security record with no reduction. In addition, any other payments you receive—such as worker's compensation, black lung, VA, etc.—are not subject to the offset.

There is still another major exception to the offset. It is designed to help some people who will receive a government pension before December, 1982, or who are eligible to receive one by then whether or not they actually apply. Most of these people either are already retired or are nearing retirement and have counted on getting both benefits. It would be difficult for them to re-adjust their retirement plans at this late stage because of the offset.

If you are a man, you also have to be eligible for a government pension by December, 1982, to avoid the offset. In addition, your wife must have been providing at least one-half of your support at the time you apply for husband's benefits on her social security record.

For more information, contact the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608. Residents of Balingier, Big Lake, Brady, Junction, Mason, Ozona, Sonora, and Winters may call toll free by dialing "Operator" and asking for "Enterprise 2058".

You get more than phones when you order a phone system from us.

You get us.

Any shrewd business person—you, for example—knows that value is measured by what you get for your money.

That being the case, the service you get from General Telephone is one of the best values around.

For instance, we don't vanish the minute your phone system is installed. Our communications service advisors help to train you to operate your equipment. And they don't leave until you're as good at it as they are.

We provide maintenance and repair technicians who really know their stuff. And we make sure we have enough of them to give you fast, efficient service.

If your system is ever damaged by circumstances beyond your control, we get it working again faster than you'd think possible.

And, of course, our Communications Consultants are always available to analyze and meet your changing communications needs.

You don't pay a penny extra for any of this. When you think about it, you get a lot more than just phones from the phone company. That's value.

Girl Scouts re-elect Mrs. Adams chairman

A Girl Scout Neighborhood Meeting was held Thursday, in the home of Thelma Janes at 7:30 p.m. Topping the agenda at the Neighborhood Meeting was the re-election of Terry Adams as Neighborhood chairperson for a term of two years.

In other business Peggy Phillips presented a troop report from troop #147 explaining past troop activities and announcing that two Girl Scouts, Katrina Phillips and Cynthia Hartnett will be qualifying for First Class Scout Pins. An awards banquet has been set for May 7, for presentation of the scout pins.

Also troop leader Rosie Benson reported on the pro-

gress of troop #130's Hawaiian trip which has been set for June. These Girl Scouts have been working toward the trip for several years and have now earned enough money through troop efforts to fund the trip.

Following the troop reports, Barbara Waggoner, Field Advisor for District 4, discussed upcoming events including the Leader Weekend at Camp Jo Jan Van set for April 27-29. She also handed out emergency procedures developed by the El Camino Girl Scout Council for troop leaders to follow in the event of natural disaster, injury, illness, accidental or natural death during a Girl Scout function.

The meeting concluded with the playing of a recording of the new Girl Scout theme song, and the presentation of a door prize which was won by Mary Wilton, and the serving of refreshments.

Those attending were Betty Koerth, Rosie Benson, Alice Lopez, Armenta Sanchez, Charlotte Judd, Veva Vargas, Anadelia Fierro, Peggy Phillips, Sherry Scott, Barbara Waggoner, Regina Whitworth, Terry Adams, Lupe Rodriguez, Thelma Janes and Mary Wilton.

Hostesses for the evening were Thelma Janes and Peggy Phillips.

Jr. tennis team in 2 tournaments

The Ozona High School junior tennis team made good showings in dual meets between Eldorado last week and Big Lake here Monday.

In Eldorado Ozona boys won five out of six matches. Jon Adams beat Gawrychowski, 6-3, 6-0 and Brame, 8-5. Dale Perry downed Thomas, 8-4, Gerold Goss downed Bosmans 8-5, and Craig Chapman beat Martinez 8-4.

In boys doubles Gerald Goss and Craig Chapman beat Eldorado's Pina and Martinez 8-5, and Jay Justiss and Jene Wilton downed Niblet and Crippin, 8-4.

Stacy Chapman beat

Eldorado's Thomas 8-6. The girls doubles teams failed to place.

In the meet here with Big Lake, both boys singles won for the Lions. Dale Perry beat Baldwin, 8-0, and Jon Adams beat Burns, 8-3.

The boys doubles teams of Gerald Goss and Craig Chapman, Jay Justiss and Jene Wilton and John Adams, all carded wins over their opponents.

In the girls division, Kim Buie was the only singles winner, beating Missy Goodlo, 8-4. The Ozona team of Buie and Chapman were also the only doubles winners, beating Teal and Floyd, 8-5.

OHS girls to Iraan

The Ozona High School girls track team participated in the girls division of the Cactus Relays Saturday in Iraan and managed an overall placement of seventh.

Kaye Thompson, the Lionettes outstanding miler, came in first in the mile with a time of 5:52.2, outracing Beth Burton of Iraan by 2/100's of a second.

The 440 relay team of Rose Ybarra, Tilly Kramer, Wilda Martinez and Thompson placed fifth, and Connie Badillo got a fourth place in the 880 dash. The mile relay team of Leanna Kramer, Tammy Adams, Joann Rodriguez and Marilyn Moran placed fourth in the mile relay. Adams also placed second in the high jump.

4-Hers in Angelo show

Several Crockett County 4-H youth exhibited lambs and barrows at the San Angelo Livestock Show last week.

In the Lamb Show all the local members placed lambs in the show, however none placed in the top 10 and made the premium sale. Will M. Black placed eleventh; Sue Ellen Black placed sixteenth; Louis Bunger, sixteenth; Becky Everett, seventeenth and twenty-third; Bubba Everett, twenty-fourth; Jena Allen, fourteenth and twenty-eighth; and Jody Everett placed twenty-sixth.

In the Barrow Show, Gary Adcock exhibited his barrow but didn't place.

Gary Adcock and Mike Couch caught calves in the calf scramble during the rodeo performances. They will receive prize money to be used in purchasing a future 4-H project.

A Junior team competed in the Plant Identification Contest. Members of the team were Will Hoover, Kelly Sinclair, Ann Hoover and Christy Parks. Coaches were Mr. and Mrs. Billy Hoover.

Some people once believed that mountains were formed by an enormous underground serpent moving about.

Calvary Baptist to show Corrie ten Boom film

A new color motion picture honoring the life of Corrie ten Boom will be presented at Calvary Baptist Church, 601 Avenue I. Entitled CORRIE: THE LIVES SHE'S TOUCHED, the film, produced by World Wide Pictures, will be shown on Sunday, March 18, beginning at 7 p.m.

Filmed in Denver before a live audience of more than 2,000 persons gathered to pay tribute to Corrie's ministry of love and compassion, CORRIE: THE LIVES SHE'S TOUCHED shares in greater detail the events that have taken place in her life.

During World War II, Corrie and her family, residents of Haarlem, Holland, became involved in the Dutch Underground following the invasion of their homeland by Hitler's Nazi forces. They are credited with saving the lives of scores of Jews, by hiding them in a secret room in their

home, and by arranging safe passage out of the country. For their effort, they were arrested in a surprise raid, and sent to prison. Corrie was sent to Ravensbruck Concentration Camp, and is the lone survivor of the immediate family.

Corrie's story has been shared with millions around the world through the book and motion picture, THE HIDING PLACE. A 1975 World Wide Pictures release, THE HIDING PLACE has been dubbed into several foreign languages, and has been well received in England, Holland, and West Germany, as well as throughout the Far East.

CORRIE: THE LIVES SHE'S TOUCHED, is hosted by Cliff Barrows of the Billy Graham Evangelistic Team, and features a number of surprise guests from Corrie's past, including her nephew, Peter van Woerden, who, as a youth, was also involved in

the work of the Underground, and Diet Ehrlick, who was in the concentration camp with Corrie.

Other guests on the program included Jeannette Clift, the actress who portrayed Corrie in THE HIDING PLACE, and Tom Claus, an American Indian Chief who inducted Corrie into his tribe as an honorary member.

out the one-hour program by Evie Tornquist, George Beverly Shea, the Bill Gaiter Trio, and by Ted Smith, pianist and composer of the film score for THE HIDING PLACE.

According to the Reverend Russ Polson, pastor of Calvary Baptist Church, the showing is free and open to the public.

"The absent have a ringing in the ears when they are talked about." Pliny the Elder

A new color motion picture from World Wide Pictures

Corrie: The Lives She's Touched

Join host Cliff Barrows, George Beverly Shea, Evie Tornquist, Ted Smith, the Bill Gaiter Trio, and others, as they join hearts in praise for one of God's most beautiful gifts to all of us.

Crockett County Care Center News

by Joan Nicholas

Activities Program Director

Ola Mills joined ceramics class for the first time last Tuesday. Actually, she is now joining in everything we have to offer. She prepared some molds by smoothing for their first baking and I can see she is going to be quite an artist. Know she is curious and anxious to see what transpires as her pieces progress.

Walking around, I noticed Juana Hernandez and Carlota Villareal working on the cutest Easter bunnies; Frances Borrego fashioning a fine lion; Gertrude Daniels had a large turtle in front of her and Opal Eversole was meticulously working on a large shell soap dish in two delicate shades of blue.

Verna Talley had a lion and a seal on the go with room-mate Eleanor Bradford having an interesting looking bright yellow and speckled bowl on display. Nit DePriest was painting a brown owl while Swede Lundgren has a formidable but charming toad in his care. Mike Pena is proud of his yellow spur ashtray--perfect for the cowboy. Well, I could go on and on.

When Wednesday dawned, I had a feeling it had particular promise. Once more we experienced another rewarding Bible class with a crowded room and everyone joining hands at the end with much love flowing. After this, we had an excellent exercise session. Then off we went to the lobby for happy hymns and popular melodies with Leona Harris and Hank Poeller contributing with well primed vocal

chords! This wasn't all for Wednesday as after nap time Glenda Winkley came to show our film--The Life of L.B.J.--which everyone seemed to find interesting. One of our new residents' son came to take her out for a while, but she wouldn't leave the show! You might want to guess who that was! Since I had been catching up on paper work, I was still around after supper so when Mike Pena spotted me he said "What do we do now?" I answered "My goodness, Mike, do you mean you all haven't had enough for one day?" I suggested dominoes and he said that was OK, so I asked if anyone wanted to play. Ola Mills was ready, Eleanor Bradford was rearing to go, and Ruby Cooksey said most emphatically "I certainly would like to play". When I went home it looked as though the game might last into the wee hours! What an energetic crowd we have and I sometimes wonder if I will be able to keep up with their pace! Keep in mind that one of them is a couple of years past ninety, another approaching the ninth decade and another over eighty! Wonderful!

Ann Mayo, long time aide who worked nights, has switched to the daytime staff and is assisting me for the most part, and she is proving to be a real treasure. This means that we will be able to complete more individual reality orientation, keep up with the endless red tape and forms without detracting from the activities program.

On our games for the week: table no. 1 in dominoes Mike Pena was winner with Verna Talley second. Table No. 2 Leona Harris won with Ruby Cooksey second. In forty-two we had a tie between the partnership of Eleanor Yeager and Eleanor Bradford vs. Paul Cavin and Ola Mills. Carlota Villareal and Juana Hernandez had quite a contest in Toss-Across with Carlots winning for the second week.

Ruby Cooksey won the gift certificate for bingo and Mike and Juana had the next nearest scores. I do want to thank Jim Marks for donating ten nice prizes for bingo, to be spread over the next few weeks. First on the scene with hats for our Easter contest was Bernice Miller; then Georgia Kirby came up with some, and Winnie Harvey called me to her house and gave me boxes of stuff for trims, along with some hats. Winnie has so many wonderful handicraft ideas, I am going to get with her really soon and let her teach me

how to do a few things. She is quite a busy little lady. Thank you all. Now, as this goes to press, I hope we have some willing hands to help us Tuesday afternoon.

Honorees at Monday's March birthday party were Ida West, Swede Lundgren, and Juana Hernandez. Veve Vargas was hostess, assisted by Casiana and Rosa Fierro and they served punch and a delicious chocolate cake. Ida recited a poem she remembered from years ago; Swede had a mischievous smile in his picture and thanks to Patti Jones, the birthday trio wore the most beautifully tinted carnations I have seen in a long time. Visitors, be sure and look through our picture albums, which are located near the stereo in the lobby, to see our many snapshots.

Some say it's best to plant potatoes on starry nights.

Public Notices

NOTICE OF INTENTION TO ISSUE CERTIFICATES OF OBLIGATION

TAKE NOTICE that the Commissioners' Court of Crockett County, Texas, shall convene at 11:00 A.M. on the ninth day of April, 1979, at its regular meeting place in the County Court-house, Ozona, Texas, to consider the passage of an order authorizing the issuance of certificates of obligation of said County in an amount not to exceed \$100,000.00 for the purpose of paying all or a portion of a contractual obligation to be incurred for the construction of public works, to wit: a fire station. The certificates proposed to be issued are to be payable from ad valorem taxes.

John R. Jones
County Judge
Crockett County, Texas
2-2tc

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable John R. Jones, County Judge, Crockett County, Texas, will be received until 2:00 p.m. on the twenty ninth day of March, 1979, at the County Commissioners' Court Room, Crockett County Courthouse, Ozona, Texas, for a contractual obligation to be incurred for the construction of a fire station. All bids received will be publicly opened and read aloud at such time and place and, thereafter, referred to the County's architects for tabulation and checking. Should an acceptable bid be submitted, the Commissioners' Court proposes to award the contract for which bids are being taken during a regular meeting of the Court to be held at 11:00 a.m. on April 9,

1979, at its regular meeting place in the County Court-house.

Cations, bidding and contract documents (including a schedule of the general prevailing rates of per diem wages in the locality for each craft or type of workmanship needed to execute the contract and the prevailing rate for legal holidays and overtime work) may be obtained from the office of the County's Architect, Atkinson, Atkinson & Associates, Architects and Planners, 1214 14th Street, Suite 106, Lubbock, Texas 79401 (806/762-0174), upon a proper deposit being made therefor, and examined without charge in the office of the County Clerk, County Courthouse, Ozona, Texas.

A cashier's check, certified check, or acceptable bidder's bond made payable without recourse to Crockett County, Texas, in the amount of five percent of the largest possible total for the bid submitted, must accompany each bid as a guarantee that if awarded the contract the bidder will promptly enter into a contract and execute such bonds as are required.

No bid may be withdrawn for any reason for at least thirty (30) days after the scheduled closing time for the receipt of bids.

The County proposes to pay all or a portion of the contractual obligation to be incurred with certificates of obligation, which certificates are to be authorized, issued and delivered in accordance with the provisions of Article 2368a.1, V.A.T.C.S. The certificates will be delivered to the contractor as work is performed and the County has made arrangements for such certificates to be sold and assigned to another at their face value (no accrued interest). Each bidder is required (at the time of the receipt of bids by the County) to elect whether he will accept such certificates in

payment of all or a part of the contract price or assign the same in accordance with arrangements made by the County.

Crockett County, Texas, reserves the right to reject any and all bids and to waive any formality or irregularity in any bid received.

John R. Jones
County Judge
Crockett County, Texas
2-2tc

NOTICE OF HEARING

"West Texas Home Health Agency, d/b/a Hill Country Home Health Agency, Kerrville, Texas, Represented by Marciano Morales, #3 Briercroft Office Park, Lubbock, Texas 79412 (THFC File #AS78-0703-040) is scheduled to appear at a hearing at 8:30 a.m. on May 14, 1979, in the offices of the Texas Health Facilities Commission, 1600 West 38th Street, Suite 305, Jefferson Building, Austin, Texas, to present evidence in support

of the application for a Certificate of Need for the Kerrville sub-unit to provide the new services of occupational therapy, speech therapy, home health aide-homemaker services, and medical social services to the following counties: Atascosa, Bandera, Bexar, Blanco, Burnet, Caldwell, Comal, Concho, Crockett, Dimmit, Edwards, Frio, Gillespie, Gonzales, Travis, Guadalupe, Hays, Karnes, Kendall, Kerr, Kimble, Kinney, Lampasas, LaSalle, Llano, McCullough, McMullen, Mason, Maverick, Medina, Menard, Mills, Real, San Saba, Schleicher, Tom Green, Uvalde, Val Verde, Wilson, Nueces and Zavala. The Commission proposes to render a decision on the application on May 31, 1979.

A request to become a party to the application may be made by filing a sworn affidavit with the Commission using the format prescribed by Commission Rule no

later than 5:00 p.m., April 20, 1979, and by forwarding a copy by certified mail, return receipt requested, to the applicant and all other parties."

Note: If no request to become a party or petition for hearing is timely filed with the Commission, the Commission may proceed without a hearing on the application for a Certificate of Need at any time after April 20, 1979, upon written request by the applicant.

The ancient Greeks tried to make rain by dipping oak branches in water.

Gasoline rationing costly to Texas

State Comptroller Bob Bullock today said mandatory gasoline rationing could cost Texas about \$75 million in lost fuel tax revenues a year and turn major urban freeways into permanent parking lots.

He said gasoline rationing authority being considered in the Congress was the most controversial aspect of the Carter Administration's mandatory energy control measures.

Holding drivers to two gallons of gasoline per day will drastically reduce the state's collection of motor fuels taxes, Bullock said.

"I don't know what the real likelihood of rationing is at this time, but rationing would work a genuine hardship on thousands of Texans, particularly those living in Houston or the sprawling Dallas-Fort Worth area," he

said. Texas drivers, because of the great distances between cities, simply can't get by on two gallons of gasoline per day. Besides, a person could burn two gallons of gasoline just trying to get on to a freeway in Houston during rush hour, Bullock said.

He said Texas will suffer more than many other states and said he hoped that Congress would not approve mandatory gasoline rationing unless they gave some consideration to the state's geography and population density.

"If people can't get to and from work, the economy will eventually suffer. I hope Congress will consider the political and economic effects of mandatory rationing before they give their stamp of approval to something that would be a disaster for Texas."

Hernia problem is as old as the human race

The problem of hernia is as old as the human race. As early as 2,000 B.C., the Egyptians were treating hernias by bandaging. A Phoenician statue, "He" (circa 900 B.C.) depicts the treatment of hernia with a truss. The Texas Medical Association says treatment has advanced greatly since those times although trusses still are used occasionally.

A hernia most often is caused by faulty tissue development in early life or tissue wearing away in old age. This results in a bulging through an abnormal opening in one of the walls which enclose the various body cavities. Contrary to what is often heard, only rarely does hernia result from an injury. Hernias can occur many places in the body. Medical dictionaries list about 90 varieties. The most common are several types of inguinal hernia, in which internal fat or bowel protruded through an opening in the groin. A peculiar feature of these hernias is their ability to come and go; the tissue will frequently protrude in an

alarming fashion and then recede to normal position. It is difficult, occasionally impossible, for a physician to tell if a hernia is present when the protrusion is absent.

As hernias increase in size, symptoms will develop gradually. Usually these are a heavy feeling, burning, digestive disturbances, or the appearance of a soft lump. The treatment of hernia has gradually evolved through the centuries to modern surgery. In the sixteenth century, patients were often kept in bed for 6 to 12 months. Today surgery has a success rate of 95 percent, and patients are usually out of the hospital within one week. Sometimes, in healthy patients, hernias can be repaired under local anesthesia and patients discharged from the hospital on the same day, immediately following the operation.

On occasion, hernias require emergency surgery. In this situation, the bowel is tightly constricted by the abnormal opening. The constriction shuts off circulation and will result in gangrene of the bowel if not immediately corrected. Because of the potential hazards of untreated hernias, medical advice should be obtained as soon as one is suspected.

In a few instances, the tissues fail to heal adequately after surgery and the hernia recurs. Another surgical repair is usually indicated for these recurrent hernias, and their percentage of cure is lower.

SPORTS FANS!

I BET YOU DIDN'T KNOW

Here's a tough one... In the history of sports, only one man has ever been both a major league baseball manager AND the head coach of a National Football League team...Can you guess who he was?... Answer is Hugo Bezdek, who managed the Pittsburgh Pirates in baseball in 1917, 1918, and 1919, and was head football coach of Cleveland of the National Football League in 1937 and 1938.

Here's an intriguing baseball question..Although Ty Cobb was one of the greatest players of all time, his uniform number was never retired..Why not?..The reason: Cobb never had a number! When he was in the majors, many players did not yet wear numbers on their uniforms.

Did you know that one of the most fantastic rounds of golf ever played was by an obscure golfer, Dr. Joseph Boydston of Bakersfield, Calif., who in 1962 scored the amazing total of THREE holes-in-one during ONE 9-hole round!...That seems hard to believe, but it's true.

I bet you didn't know that L-B Motors has Half-Ton Four Wheel Drive pickups in stock! Hurry and get yours today!!
