NUMBER 31

Kitty's Korner

by
Kitty Montgomery

Some time ago members of the country club received letters warning that incidents of violence would not be tolerated and pets would not be allowed on the grounds.

Well, let me tell you, violence was barely avoided Sunday afternoon and no self-respecting dog would want to roam in the unbearably hot ballroom.

However, that's neither here nor there, so back to Sunday afternoon. Since the air-conditioner, which is supposed to cool that end of the club house, has been broken for the better part of a month, bridge players have taken to playing in the game room behind the bar. It is cooled by another unit. Sunday afternoon when the golfers came in, some of them began slamming the door between the bar and game room, making a noise similar to that of a shotgun blast. Well, to serious bridge players, that is as much a breach of etiquette as talking when someone is putting on the golf course.

Comments from the angry bridge players ranged from a mild "they weren't raised like that," to "expletive deleted) I've never seen a group of grown men act so infantile in my life," plus a few others which are unprintable. I was around the corner and couldn't see the noise makers, but I suggested we all (there are 50 women on the Country Club Bridge Club member list) go to the next golf tournament, divide into groups, and follow the local golfers around the course making all manner of noise.

There were all kinds of suggestions, but violence was averted when we reasoned that, lacking an equalizer, we couldn't whup 'em.

Since school started we've received two or three complaints a week ranging from irresponsible driving around the elementary schools, to drinking and boisterous behaviour on county property, to dope in the schools and on school property to indiscriminate shooting of BB guns. It's a long list and we don't have the solution. We are aware of most of these things and we know it's a problem. But where a problem exists, there is always a solution if people get together and seek it.

The Sheriff's Department is badly understaffed, especially at night. Scanners in cars and pickups can keep tabs on the location of officers and this is bad. They can not be blamed for being physically unable to put a stop to rowdiness after dark. And I understand when they do pick up a juvenile for some offense or another, the parents deny any wrong doing on the part of their own offspring in nine cases out of ten. In checking with them, a spokesman for the department denied ever failing to respond to a call. So there we have an impasse.

Parents are less inclined to discipline their children these days and there is little or no discipline in the schools. Kids have no respect for authority because there just isn't much of it. This is a problem all over. To avoid confrontation, those in authority tend to look the other way. Of course, kids are going to take advantage of this. This attitude has led to physical violence on teachers in metropolitan areas in recent years, and no doubt it will begin to spread to rural

HOMECOMING QUEEN for the second time in a row was Michelle Galvan. She is escorted by Ray Ramos. Miss Galvan, daughter of Mr. and Mrs. Joe Galvan, was also homecoming queen last year. Michelle is a senior and head

cheerleader. She was crowned and presented with the traditional bouquet of roses at pre-game activities Friday night before the Ozona-Menard game. The Ozona High School band plays in the background. [school photo]

Homecoming marred by 6-0 loss to Menard

Ozona Lions homecoming game was a bit of a disappointment Friday night as they suffered a 6-0 loss to the Menard Yellowjackets. The Lions went into the game with high hopes coming from their first win since the '77 season over Eldorado the previous week, and boosted by the tremendous homecoming spirit.

The Lions will be in Rankin Friday night to take on the Red Devils in a pre-district tilt.

Activities got underway with a pre-game show by the band and the announcing of

ASC director election Tuesday

An election for a director to serve in zone one on the Crockett Soil and Water Conservation District Board is scheduled for Tuesday, October 9, according to Bill Baggett, chairman of the board. The election will be held at the S.C.S. Office 1004 Sheffield Road at 7:30 p.m. The office is located adjacent to the Chamber of Commerce office.

Zone one of the district includes all land in Crockett County north of U.S. Highway 290 and west of State Highway 163. All land owners of agricultural land within this zone who live in the county are eligible to vote, according to state law. Both husband and wife are entitled to vote and hold office.

Current members of the board of directors of the Crockett S.W.C.D. are Bill Baggett, chairman; Joe Couch, vice-chairman; Charles Davidson, III, secretary-treasurer; Bud Hoover and Earl Acton, members.

The purpose of the Crockett S.W.C.D. is to promote sound soil and water conservation programs on ranch lands within the district and to serve as a voice for ranchers on conservation matters and other issues affecting private property rights of landowners. All conservation programs managed by the district are a voluntary service to the landowner or operator.

the 1979 homecoming queen. Michelle Galvan was named homecoming queen, the daughter of Mr. and Mrs. Joe Galvan, Michelle was also named homecoming queen last year. She was escorted by Lion Ray Ramos. Other nominees, who formed the queen's court as duchesses, were Kim Sinclair, escorted by Frank Tambunga; Rea Lynn Dews, escorted by Joe Rebelez, and Kay Thompson, escorted by Shane Fenton.

Miss Sinclair is the daughter of Mr. and Mrs. Clitus Sinclair and a junior cheerleader at Ozona High School. Miss Dews is a senior cheerleader and daughter of Mr. and Mrs. Ted Dews. Miss Thompson, the daughter of Mr. and Mrs. John Thomp-

Halloween carnival scheduled

The Ozona Chamber of Commerce will sponsor and coordinate a Halloween carnival Sat. Oct. 27, in the downtown park.

A meeting will be held today at 1:30 p.m. at the chamber office to make final plans for the event.

The various clubs, groups and individuals who take part and have a booth, will keep all proceeds. The carnival will be a chamber community project.

62 lamb feeders in 4-H

4-H lamb feeding got underway Saturday. Sixty-two 4-H Club members officially weighed, tagged, and sheared 255 lambs on feed for the 1980 4-H livestock show to be held in January. This is an increase of about 15 lamb feeders over last year.

At present there are 10 barrow feeders and 8 steer feeders in addition to the 62 lamb feeders. This makes a total of 73 different 4-H members feeding livestock for the 1980 show.

son, is a junior and team manager.

The game was a defensive battle all the way, with the Menard score coming with 1:43 left in the first half. The Jackets scored on a two-yard plunge which capped a 40-yard march. However, the Lions blocked the kick on the try for the extra point.

The Lions, down 6-0, mounted a tremendous scoring effort with less than a minute remaining in the contest. With 25 seconds left on the clock, Varlyn Aldridge, sophomore quarterback, hit R.J. Everett and things were looking up for the Lions on the Menard 13-yard line.

On the next play things turned in favor of the Yellowjackets when the pass intended for the score fell into the arms of a Menard defender and that was the ballgame.

The Lions, now 1-3 for the season, managed only 50 yards rushing, paced by Kim Tambunga with 32 yards on seven carries. Ozona's only

passing yards came on the 58-yard bomb to Everett.

Menard had 12 first downs to 3 for Ozona. The Jackets had 156 yards rushing and 53 yards passing for a total of 209 to the Lions' 90 yards. Menard attempted 11 passes, completing 3 and having one intercepted. The Lions tried 9 passes, for one completion and 3 interceptions. Each team lost one fumble. Menard punted 4 times for a 44.5 yard average. The Lions punted 8 times for a 32.8 yard average. Menard suffered 6 penalties for 30 yards and the Lions had three for 15 yards.

Girl Scout meeting set

Ozona Girl Scout leaders will have a Neighborhood meeting tomorrow night, Oct. 4, at 7:30 at 118 Ave. G.

All leaders and assistant leaders are urged to be on hand for this important planning meet.

County committee elects officers

The Crockett County Program Building Committee met Monday and elected officers. Vernon Jones was elected chairman, Bill Watson, vice-chairman, and Nancy Hale, secretary.

The committee is the overall extension committee that broadly represents county population.

Following the election, the committee discussed an extension achievement program and agreed to hold it in conjunction with the 4-H awards program on October 20. The chairman of each extension sub-committee (Livestock & Range, Family Living, Community Development, and 4-H) will present accomplishments of that program area.

The committee agreed to sponsor the Annual Crockett County Pecan Show and appointed the following chairmen:

Pecan Chairman, Alena Faye Hokit; Food Chairmen, Marie DeLaRosa and Aleene Sutton; Finance, John Parks, and Processing, Buster Deaton.

The agents, Debra Price and Billy Reagor, discussed the revision of the long range county program. Mentioned to be included in the re-

vision were Energy Conservation, Money Management, Senior Citizens and Ranching Problems, Labor, Hauling, etc.

Members present at the meeting were Joe Couch, Nancy Hale, Mrs. R.J. Ev-

erett, Jr.; Vernon Jones, Alena Faye Hokit, Gary Vannoy, Concha Zapata, Roberta Schoenhals, Bill Watson, Mrs. Sutton, R.J. Everett, Jr., Nat Read, John Parks, Marie DeLaRosa, Beth Boyd, and Sam Emanuel.

Baptists observe 50th anniversary

The First Baptist Church observed the Fiftieth Anniversary of the Church Sanctuary Sunday with special guests participating in the morning worship services. A church dinner followed at the Civic Center.

Brother Nelson Lanham recognized several members who were members at the time the Sanctuary was built. Letters from former pastors of the church were read to the congregation. The history of the church was presented by Mrs. Bob Falkner. Mrs. M.M. Fulmer of Uvalde, whose husband was pastor of the church when the Sanctuary was built spoke. Miss Lola Mae Daniels of San Antonio and

Austin, former Ozona school teacher and a missionary to Taiwan for many years took part on the program. Brother Lanham brought the morning message.

Following the services a covered dish luncheon was held at the Civic Center. The teachers of the school system were special guests of the day. Around 180 guests and members enjoyed the noon meal and fellowship.

Sherman Crandall was the speaker during the evening worship service. Mr. and Mrs. Crandall of Marathon are formerly of Ozona and now are doing mission work across the Rio Grande River in Las Norias and Jaboncillos.

Hensley joins Air Force

Richard Lynn Hensley, son of Mr. and Mrs. William L. Hensley of Ozona, recently enlisted in the United States Air Force in San Angelo. He departed Sept. 18 enroute to Lackland AFB, San Antonio, Tex., where he will attend a six week Basic Military Training Course.

Airman Hensley selected the general area for job training according to Sergeant Johnny Meek, the Air Force Recruiter in San Angelo. Sergeant Meek said the Air Force still has openings for qualified young men and women.

Airman Hensley is a '79 graduate of Ozona High School.

Gunshot fatal to Ozona man

Estalfo Rodriguez, 35, died of a self-inflicted gunshot wound in the mouth Thursday, Sept. 27, at 1:00 a.m.

Officers went to Rodriguez's residence at 110 Ave. L early Thursday morning after receiving reports of gunshots. Unable to get any response from inside the house, they forced the door and found Rodriguez on the floor of the residence with a .22 caliber pistol nearby. Judge A.O. Fields was called to the scene and made the ruling. Rodriguez apparently died instantly.

Funeral services were held Monday at 3:00 p.m. at the Catholic Church with burial in Lima Cemetery.

He was born in Ozona, December 1, 1943, and had lived here all his life. He was an employee of Pool Well Service.

Survivors include his wife, Belia Rodriguez; three sons, Adolfo Rodriguez, Abel Rodriguez, and Evarado Rodriguez, all of Ozona; two daughters, Belinda Rodriguez and Brenda Rodriguez, both of Ozona; his mother and father, Mr. and Mrs. Adolfo Rodriguez; three brothers, Reynaldo Rodriguez of Odessa, Jose Rodriguez and Johnny Rodriguez, both of Ozona; three sisters, Pauline Rivera of Alta Loma, Anita Lara of Decoto, Calif. and Nelda Villarreal of Ozona.

Winning Lions

DISTRICT AND BI-DISTRICT CHAMPS were the Lions of 1941-42. Can you guess the names of these players? All who

name them accurately may come to the Stockman office and receive a year's subscription free.

By Edwin Feulner

Vladimir Ilyich Lenin, who ruled Communist Russia from November 1917 until early in 1924, sounded as clear a warning to the West as we might ever hear. "The bourgeoisie," he said, "will supply us with the rope ... (with which) it will hang itself."

Recent history shows that this latter-day Ivan The Terrible knew only too well what he was talking about.

And it's not Coca-Cola or Pepsi. There is wide agreement throughout the West that the Soviet Union will lay claim to the world's most destructive military arsenal in the next few years. As the United States was pouring money into a no-win war in Indochina, the experts advise, the Soviets were pouring money into missiles, heavy trucks, and the most modern Navy in the world — building their war machine.

Now the United States will have to play catch up. But it always has been thought that the U.S. could catch up because while the Soviets may enjoy superior military brawn, the U.S. enjoys superior military brain. In other words, while they may have more, we have better.

However, analysts are no longer that certain. And they are doubly concerned (remember the words of Lenin) because it appears that the United States has graciously supplied much of the technology the Soviets have used to close the gap.

The fall guy in the scenario appears to be the U.S. Commerce Department, which, according to an analysis in Heritage Foundation's *National Security Record*, has done an inadequate job discriminating between U.S. technologies which have military potential, and those which do not.

Under the 1969 Export Administration Act, governing sales of technology to the Soviet bloc, the Commerce Department has the principal authority to enforce national security export controls. The Defense Department has only a secondary, consultative role, in spite of DoD's superior expertise in assessing what technologies may have military significance.

As a result, U.S. know-how is now being used in the production of Soviet trucks, tanks, missiles, and similar war-making machinery.

"As the U.S. defense technology lead over the Soviets erodes, the argument that U.S. technological superiority offsets Soviet quantitative advantages in strategic weaponry becomes less and less convincing," the study says.

Ironically, the editors say, "it is clear that much of the improvement in Soviet military and strategic weapons systems has been due to U.S. technology, rather than to purely Soviet initiatives undertaken in response to the U.S."

They conclude that if the Soviets can divert peaceful technology to military ends "they will," and that only better, more careful administration by the U.S. can prevent this.

The matter is now before Congress, which appears to be moving slowly, but in the right direction. While it has not stolen any headlines from the SALT treaty, this issue — more strictly controlling the sales of goods and technologies with military potential — could be even more important in the long run.

(Feulner is president of The Heritage Foundation, a Washington-based public policy research organization.)

STEMMING THE FLOW

'MIND IF I PLUG THINGS UP A BIT -?'

AUSTIN — Hispanic groups and leaders, both in Texas and in Mexico, held center stage briefly last week in several arenas, testing clout that is predicted by many to wield more political influence in the coming decade.

A low-key announcement from Mexico's nationally-owned oil industry PEMEX that it may pay for oil damages on Texas beaches was a bright note.

PEMEX's new public relations manager, Reynaldo Zentella, said the company, if pushed, will pay damages resulting from the Ixtoc I oil well blowout in the Bay of Campeche.

Zentella cautioned "we'll do our best not to pay when we're not supposed to. They'll have to prove it was oil from Ixtoc I" that damaged the beaches.

The company is still trying to cap the blowout, but an attempt to put a giant \$3 million "sombbrero" designed by Brown and Root of Houston over the hole in the gulf floor was disrupted by choppy seas.

Texan Protocol Chief
A native of Floresville was sworn in Thursday as chief of protocol. Abelardo L. Valdez was named to that position and to the title of ambassador by President Jimmy Carter.

Earlier last week Valdez addressed the Federal Bar Association convention at San Antonio and said Texas is a key port of entry for imports from Mexico and the rest of Latin America.

Sixty-four percent of all U.S. trade with Mexico (some \$6 billion) and one-fourth of U.S.-Latin American trade (\$8 billion) passes through Texas, he said.

He also pointed out that 82 percent of U.S. direct foreign investment in the developing world is in Latin America, our third largest trading partner.

Meanwhile, Ruben Bonilla of Corpus Christi, national president of the League of Latin American Citizens, announced a commission has been established to coordinate discussions between the Mexican government and Hispanic groups in the U.S.

Speaking in San Antonio, Bonilla said the commission was suggested by Mexican President Jose Lopez Portillo.

Bonilla said the Mexican government would insist upon tying discussions of U.S. purchases of Mexican petroleum with a discussion of human rights for hispanics and Mexican aliens in the U.S.

Clements Taunted
On the same day Bonilla made his announcements in San Antonio, Mexican-Americans demonstrating in El Paso pushed, taunted and spat upon Gov. Bill Clements as he tried to shake hands with them.

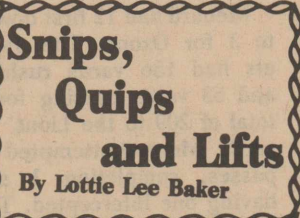

Clements had been attending a reception hosted by LULAC and had pledged a new era in Texas' good-neighbor policy with Mexico. He did not know why the protesters had gathered outside the reception and had been warned not to try to soothe them.

Justice Raps Clements
Texas Supreme Court Justice Joe Greenhill took a milder approach, but all the same criticized Clements and the Legislature for "making it difficult for judges to do their jobs."

Greenhill told the Judicial Section Conference meeting at Abilene that the judiciary needs to present a unified front in the future to secure higher salaries and funds to ease over-loaded dockets.

He rapped the Governor's Office for failing to supply the funds necessary to ease caseloads in urban areas.

The 1979 Homecoming week was a huge success. Never has the student body shown such pride and exhilarating spirit! Throughout the week many awards were given to several spirited people, as well as our annual Homecoming Queen. The 1979 Homecoming Queen was Michelle Galvan escorted by Ray Ramos. Her court consisted of Kim Sinclair who was escorted by Frank Tambunga, Rea Lynn Dews, escorted by Joe Rebelez; and Kaye Thompson, escorted by Shane Fenton.

The hat award went to Eric F. and Stacy C. with Jody N., Tilly K., and Mr. Hoover winning the overall award. Deniese H., David L., and Mr. Porter won the tie award and Karise A. and Wade B. won the sock award.

Friday the spirit awards went to Gay B., Lillian V., Daisy H., and Tilly K. The spirit mug went to Michelle M. The chain winners were Melinda G., Bubba E., Dan B., Dora V., Connie T., and Jody N. Congratulations to Michelle Galvan and all the spirit winners during the Homecoming week.

Other news consists of an annual staff meeting which took place on Wednesday afternoon of last week to mail letters to sponsors for the 1980 annual. The theme that will be used will be the "Star." The editor for this year is Kristi Kirby and the assistant editor is Aileen Lopez. Business managers are Jan Watson and Chris Carlisle, dark-room editor is Debbie Wallace, copy editor is Sheri Moody, and headline editor is Imelda Galindo.

WORD TO THE WISE
Never eat a male beginner-cook's cooking!

THRU THE KEYHOLE
A dedication of "Working on the Chain," to O.H.S. Shane F. is now the Lord of the Chains after his work in Speech II Class.

Why is Cody C. so popular only when he has dates? Does everyone recall Robert B's famous words... "Are you a good witch or a bad witch?"

What's this we hear about Ray R. giving Michelle G. door-to-door service at the civic center Friday?

Does everyone know that Sandra M. has baby feet!

The new name of the week "Sexy Hips" goes to Ramon M. To Jay J. and Michelle C... I told you a coke would lead to bigger things.

We hear there is a new song going around in H.E. I class... "Roll, Roll, Roll your what?"

The Lions Roar staff attended a private audition late Wednesday night for new recruits for the Dallas Cowboy Cheerleaders. Some tried to win over the judges attention by going topless while other tried the leg effect. The seven girls (?) debut took place at a Friday pep rally. All of them looked especially cute and really got down when it came to spirit. As hard as these girls (?) tried, it is rumored that only Georgeous Ginger (Bubba E.) was lucky enough to make it. Congratulations to her and better luck next time to the other six.

Iron fabrics that require a low temperature setting first. This will save energy by reducing the warm-up time needed to iron linens and other fabrics that require higher temperatures.

Sports Fans

I BET YOU DIDN'T KNOW
By Jerry Lay
Here's one football record that will probably never be broken. Amos Alonzo Stagg was a football coach for 70—that's right—70 consecutive years! He started out as coach at Springfield in 1890 and 1891. Then he coached at the University of Chicago from 1892 through 1932. He was at College of Pacific from 1933 through 1946, at Susquehanna from 1947 through 1952 and at Stockton from 1953 to 1960!

You probably won't believe this one. We didn't either, but it's been checked and it's true. There was once a major college football game that had a paid attendance of one! It was the Washington State-San Jose game of Nov. 12, 1955 played at Washington State. The temperature that day was 14 below zero and only one person showed up to pay his way into the stadium. The fact that this really happened has been verified by the Washington State athletic department.

Which 2 teams played in the very first Super Bowl? The first Super Bowl was played on Jan. 15, 1967 and the 2 teams that met were Green Bay and Kansas City. Final score was Green Bay 35, Kansas City 10.

I bet you didn't know... L-B Motor Co. has a big line of '79 models to choose from for that extra savings. See our Cadillac, Pontiacs, Buicks, Oldsmobiles, Chevrolets, and select one now.

Miss Adams becomes bride of Mr. Stephens

Miss Kathleen Denise Adams became the bride of Mr. James Randall Stephens in a ceremony Sept. 22, at 2:00 p.m. in Ozona United Methodist Church with Rev. Ray Boykin officiating.

Parents of the couple are Mr. and Mrs. Jack Adams and Mrs. Colene Stephens.

The bride, given in marriage by her father wore a gown of white chantilly lace and organza with a pearl-trimmed bodice and Queen Anne neckline, highlighted with bishop sleeves. The skirt featured a triple-tiered center panel and formed a cathedral train which was encircled with lace. The triple-tiered veil of illusion was edged with lace and attached to a pearl-trimmed lace cap. She carried a bouquet of white silk roses and lily of the valley studded with tiny pearls.

Maid of honor was the bride's sister, Tammy Adams. Bridesmaids were Janice Janes, Tracey Preddy and Melinda Stephens, sister of the bridegroom.

The attendants wore gowns of apricot polyester with print capelets. They carried bouquets of silk flowers.

Best man was Walter Hanusch. Groomsmen were Charles Smith of Graham, Jerry Weant, and Rocky Stephens, brother of the bridegroom. Ushers were David and Jon Adams, brothers of the bride.

Candlelighter was Kent Hokit and ring bearer was Steve Stephens, the bridegroom's son.

Mrs. Bud Cox furnished the wedding music.

The altar was centered with a silk floral arrangement set in a copper bowl and flanked with candelabra entwined with ivy and white bows.

A reception followed the wedding in the fellowship hall of the church and afterward at the home of the bride's parents.

After a wedding trip to New Mexico, the couple is at home in Ozona where he is employed by Delta Drilling Co. The bride is a graduate of Ozona High School and the bridegroom is a graduate of Woodson High School.

Out of town guests include grandparents of the bride

and bridegroom, Mrs. Daniel Breisacher of Key West, Fla., Mr. and Mrs. Clarence Sullivan of Woodson and Mrs. C.O. Kiser of Breckenridge, Mr. Jimmy Stephens of Breckenridge, Mrs. Eva Hoffman of Tulsa, Okla; Miss Cynthia Smith of Dallas, Mr. and Mrs. Henry Fischer of Odessa, Mr. and Mrs. Marvin Hamm of Odessa, Mr. Michael Adams of Shreveport, La., and Mrs. Harry Fredericks of Austin.

Parties honoring the bride included a kitchen shower at the home of Miss Janice Janes and a gift coffee at the home of Mrs. Lawrence Janes.

Womans League meets

The Ozona Woman's League met Tuesday, September 25, at the Rodeo Grounds Pavilion to work on playground equipment for the Ozona Primary School. This equipment, along with other pieces to be constructed by the club during the year, will be installed at the school after the current building project has been completed.

Hostesses for the afternoon meeting were Mrs. Randy Crawford and Mrs. Rick Webster. A brief business meeting was conducted by Mrs. H.O. Hoover, president.

Members attending the work session were Mmes. Bobby Aycock, David Bean, Tom Cameron, Bill Carson, Erby Chandler, Duane Childress, Pleas Childress III, Dennis Clark, Buster Deaton, Deanie Holden, Fred Jones, Frank Justiss, Jerry Lay, Van Miller, Douglas Moore, Joe S. Pierce IV, Lane Scott, Pon Seahorn, Gregory Stuart, Randy Upham, Gary Vannoy, Tommy Wilson, and Jeffrey Sutton.

There are many different kinds of bath soap—clear, castile, cocoa-butter, fruit, deodorant and more. Use one that doesn't dry your skin—and remember to rinse thoroughly.

MRS. JAMES RANDALL STEPHENS
...nee Kathy Adams

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

We are hoping an early freeze doesn't slip up on us this year, as it has the last two years, before plants and shrubs had become dormant. Some plants never did recover as they usually do and put out new growth. Anyway, be prepared if you have plants you especially want to protect. Very often our growing season lasts until the first of November or later.

Autumn is harvest time in so many different ways. The most thrilling thing about October in our area is that so much good comes just before the end of the growing season. A gardener never gets the chance to sit still if a well kept landscape is expected. Start doing things early this month because a lot of jobs are left over from September. Especially to get rid of the weeds.

If October continues dry, keep new grass and plants well watered to allow deep root penetration and better winter growth.

Early October is the time to plant seedlings of pansies, candytuft, English daisies and all the hardy annuals (snapdragons), biennials and perennials started in late August. If hot and dry, watch these seedlings and water well to get them started and established before winter.

Wait until the last of the month or November when the ground is cool to plant bulbs.

Many gardeners plant strawberries in October, but most recommend mid-March planting to avoid freezing and thawing out of the soil.

When harvesting pumpkins, leave about a 3-inch stem on the pumpkins; then place them in the sun for a week or two to harden the skin before storing in a cool, dry place. Also harvest acorn squash and gourds.

The season for harvesting compost begins now, so don't let the city trash collectors haul away this valuable mulch and soil-building material.

In the meantime enjoy your October garden for the season is at its peak of maturity filled with fall colors and fragrance.

To preserve brightly colored autumn leaves, stand cut ends of branches in 1 part glycerin and 3 parts water. Let them remain in water until you see glycerin in the leaves.

Debra Says

BY DEBRA PRICE

Don't let outrageous claims about vitamins mislead you—a well-balanced diet is still the best and most enjoyable way to get the vitamins needed.

Few nutrients needed by man are as shrouded by myth as vitamins.

Claimed to cure just about anything from baldness to infertility, vitamins are given powers they simply do not possess.

One such myth maintains that modern farming methods have depleted the soil so that the foods grown in these soils are not nutritionally adequate.

However, the plant's genetic structure, not the soil, controls the protein, carbohydrate, fat, fiber and vitamin content of the food. The soil may slightly influence mineral content of foods but only slightly.

Self-proclaimed experts claim that substances such as paraaminobenzic acid (PABA), citrus biflavonoid complex, hesperidin and rutin are vitamins.

However, they are not vitamins, although they do occur naturally in foods, and their absence from the diet does not cause a disease or any form of illness.

Many consumers believe that vitamins provide extra energy.

Although B vitamins do assist in the conversion of foods to usable energy, amounts greater than United States Recommended Dietary Allowances are of no additional benefit.

The basic function of vitamins is to regulate body processes through enzyme action.

Remember, a balanced diet will generally meet the body's needs for vitamins A, B, B12, C and D and other vitamins.

NUTTY WHOLEGRAIN MUFFINS

½ cup firmly packed brown sugar
1 egg
1 cup oats, uncooked
½ cup wheat germ
½ teaspoon salt
½ cup peanut butter
1 cup milk
1 cup all-purpose flour
1 tablespoon baking powder
½ teaspoon cinnamon

Beat together sugar, peanut butter and egg until well blended. Blend in milk. Add combined remaining ingredients, mixing just until dry ingredients are moistened. Fill 12 greased or paper-lined medium-sized muffin cups ¾ full. Bake at 400 degrees for 18 to 20 minutes or until wooden pick inserted in center comes out clean. Serve warm.

Microwave Oven Directions: Add 1 tablespoon vegetable oil to peanut butter mixture. Proceed as above. Fill 18 paper muffin cups ½ full; place 6 or 7 filled muffin cups in microwave muffin dish. Cook at high about 2 minutes or until wooden pick inserted in center comes out clean, rotating ¼ turn after 1 minute of cooking. Immediately remove muffins from dish. Repeat with remaining filled muffin cups. Serve warm.

Mr. and Mrs. Marlin Farris and children, Mandy and Chad, of Midland, were here this week visiting his mother, Mrs. Elvira Farris, and other Ozona friends.

SEND LOVE TO THOSE YOU LOVE BRIGHTEN UP THE HOLIDAYS FOR YOUR FRIENDS AND FAMILY WITH Photo Christmas Cards

The Cameras Two
CAN MAKE A BEAUTIFUL PICTURE AND CARD FOR YOU
(or use one of your own photos)
CALL 392-2256

What a disappointment! You had a tremendous drive, the perfect chip shot, and a brilliant putt; then your ball stopped a hairsbreadth from the edge of the cup. The birdie you thought was yours didn't materialize.

Of course, it's only a game; it doesn't really matter. But blighted hopes are not always so trivial. What if something really big passes you by? Suppose you don't get that promotion, your son's scholarship is given to someone else, an important client changes his mind, or the stock market wipes out your investment? Where do you turn? Where do you find strength to meet life's disillusionments?

Spiritual values are constant. Fortunes may shift and change but your Church stands firm. The truths and inspiration you find there give meaning, purpose, and stability to your life.

ASCS nominations are requested

Ranchers are asked to nominate candidates of their choice to be on the Crockett County ASCS committee ballot, says Sam Perner, chairman of the Crockett Co. Agricultural Stabilization and Conservation (ASC) committee.

The ASC Committee election will be conducted from Nov. 23 to Dec. 3 by mail ballot.

ASC committees are responsible for managing government farms and ranch programs on the local level. To meet the needs of individual producers, ASC committee members must be concerned and responsible individuals.

Crockett County ranchers have the opportunity to nominate persons they feel would

best serve them and Crockett Co. Ranchers will receive petition forms by mail on October 4, and may submit them to the county ASCS office.

A few basic considerations should be kept in mind when circulating petitions, Perner said. In order to be valid, petitions must be limited to one nominee each, must include written certification that the nominee is willing to serve if elected, must be signed by at least three eligible rancher voters in the ASC community, and must be received in the county ASCS office no later than Oct. 29.

Ranchers may circulate or sign nominating petitions for as many candidates as they choose. Anyone wishing to

nominate a rancher for the ASC committee election may contact the county ASCS office for full details, including eligibility requirements for office holders.

Ranchers should petition for and elect those individuals they feel would do a good job as a member of the ASC committee. The election of concerned ranchers to positions on ASC committees is essential in the administration of farm programs.

Carry over committeemen for 1980 will be Sam Perner and Erby Chandler. Earl Acton is completing his 2nd three-year term and is eligible for re-election.

Major Freeman honored

Major James Deal Freeman of the U.S. Air Force is attending Air Command and Staff College in Montgomery, Ala. A graduate of Ozona High School, Major Freeman is the son of Mr. and Mrs. Fred Freeman.

Named to Outstanding Young Men of America for 1979, his name and biographical sketch appears in this year's volume. On graduation from the college, he will be assigned to a base in Hawaii.

Predator control workshop

Area ranchers are urged to participate in a predator control workshop at the Sonora Experiment Station Wednesday, Oct. 10.

Events will get underway with a coffee at 9:30 a.m. Programs on predator control are scheduled throughout the morning. A barbecue lunch will be served at noon at \$3 per plate.

Officers will be elected at 1:00 p.m. and a round robin of traps, snares, M-44's, calling and general information will follow.

Beef referendum on tap

Beef producers and other interested persons have until Oct. 9 to submit their comments to the Agriculture Department concerning amendments to beef referendum regulations.

Amendments would require confidential voting and expedite the referendum procedure.

Under the Beef Research and Information Act, beef producers may vote whether to authorize a national program to assess themselves a fixed amount from each cattle sale to be used for research and promotional purposes.

The amendments in no way obligate the Secretary of Agriculture to conduct a referendum.

Comments on the proposed beef referendum changes should be mailed to the Hearing Clerk, U.S. Department of Agriculture, Washington, D.C. 20250.

Funeral services for Mrs. Opal M. Eversole, 76, were held Friday at 2 p.m. in the First Baptist Church in Iraan.

Mrs. Eversole died Thursday of a heart attack. She has been a patient in Crockett County Care Center for the past two years. Her husband, Dill Eversole, also a resident of the center died Nov. 21, 1978.

ENGAGEMENT ANNOUNCED-Mr. and Mrs. Desi Tijerina announce the engagement and approaching marriage of their daughter, Veronica, to Jomie Tebbetts, son of Mr. and Mrs. James C. Tebbetts of New Mexico. The bride-elect is a graduate of Ozona High School and an employee of the hospital. He is a drilling company employee. They plan to be married Nov. 17, in the Catholic Church.

Mr. West has longest tenure as bank head

Wayne W. West, who retired about two years ago as President of Ozona National Bank when Lowell Littleton was named to succeed him, is now enjoying a somewhat more leisurely life, looking after his ranching and financial interests.

A noteworthy discovery in a review of the bank's history and its presidents is the fact that Mr. West's tenure as president was longer than the combined years served by all presidents before him. He served as head of the bank from 1938 to 1975, a total of 33 years. He still serves the bank as chairman of its board of directors, having been named to that post in 1975.

Mr. West was elected to the board of directors in 1925, and has the distinction of being only the second chairman of the board since the bank's organization in June, 1905. Wayne E. West, Mr. West's father, finished P.L. Childress's term as bank president and then became chairman of the board, a position which has been vacant since the elder Mr. West's death. Wayne, serving in the capacity of president and chairman of

the board. He became chairman when Lowell Littleton, present president, was elected in 1975.

The first president was J.W. Henderson, who served from 1905 to 1907. S.E. Couch served from 1907 to 1908. Robert Massie was president during the years from 1908 to 1915. P.L. Childress served from 1915 to 1936.

The elder Mr. West served from 1936 to 1938, taking over in 1938 as chairman of the board and being succeeded by his son, W.W. West. Mr. Littleton was elected president in 1975 after serving 50 years in the bank, and still holds the position.

Duplicate Bridge Club

Winners in Duplicate Bridge Club play at the Country Club Saturday were Mrs. Sherman Taylor and Mrs. Hillery Phillips. Mrs. Robert Cox and Mrs. Tom Montgomery were second.

In play Sunday Evart White and Mrs. Gene Williams won with Mrs. Cox and Mrs. Montgomery second.

Malone honored on 75th birthday

Carl Malone, long-time Val Verde and Crockett Counties rancher was honored on his 75th birthday with a barbecue supper on Saturday, September 22, at Pandale Community Center at four o'clock in the afternoon. The event was hosted by the honoree's children, Mr. and Mrs. Carl Malone, Jr. of Victoria, Mr. and Mrs. Billy Braselton of Corpus Christi, and Mr. and Mrs. Earl Malone of Sheffield. Other members of the family assisting in the event were Mr. and Mrs. Allen Carsner, Clay and Laura Kay of Woodsboro, Mrs. Fred Lazor and Myranda of Lockport, Louisiana, Ms. Donna Malone of Austin, Jess Malone of Victoria, and Robbie Nell and Max Malone of Sheffield.

Carl Malone was born in Ozona, Texas, on September 25, 1904. Carl's father, J.B. Malone worked on the 7D ranch on the Pecos River near Sheffield. The family lived in Ozona. In 1908 Jess leased land near Pandale on the Pecos River. In 1912 he bought the land from the lady leasor that lived in England. Carl moved to the ranch at Pandale in 1908 and has lived and ranched there

for seventy-one years. Over one hundred and sixty relatives and friends gathered under the shade of pecan trees at the Pandale Community Center grounds to visit and reminisce with Carl and to wish him a happy birthday.

Barbecue supper and birthday cake were served to the many friends and relatives present. Horseshoe pitching was enjoyed by some of the younger guests. Others choose to chat with old friends. The party closed with guests gathering inside to sing old hymns to the accompaniment of piano played by Mrs. Earl Malone, guitar by Jess and Carl Malone, Jr., and french harp played by Mrs. Tom Everett and A.C. Askins.

Mrs. Carson hostess for bridge club

Mrs. Billy Carson was hostess for bridge at the Country Club Thursday.

High score went to Mrs. Charles Williams, second high to Mrs. Pete North, low to Mrs. Gene Williams and bingo to Mrs. Jake Short.

Others playing were Mrs. Clay Adams, Mrs. Larry Braden, Mrs. George Bunger Mrs. Buster Deaton, Mrs. Joe Friend, Mrs. Ann Mayfield, Mrs. Kirby Moore, Mrs. J.B. Parker, Mrs. Sherman Taylor, Mrs. Evart White, Mrs. Byron Williams and Mrs. Jack Williams.

Friday Bridge

Mrs. Joe Friend was hostess for the Friday Bridge Club last week in her home.

Mrs. Friend also had high score for the day. Mrs. Sidney Millsbaugh won second high and Mrs. George Bunger, bingo.

Others playing were Mrs. Sterling Baker, Mrs. Eddie Arnold, Mrs. Eldred Roach, Mrs. Ann Mayfield, Mrs. Lowell Littleton, Mrs. Evart White, Mrs. J.B. Miller, Mrs. O.D. West and Mrs. Sherman Taylor.

Facts on fighting insomnia

This article could put you to sleep--hopefully not right away. But these facts on fighting insomnia may help when the time comes to go to bed.

If you never have trouble sleeping, read on anyway. An estimated 10 percent to 50 percent of the population will have sleep problems sometimes in their lives.

Luckily most sleep problems do not last very long. Some doctors recommend seeking medical help only if insomnia lasts several weeks, the Texas Medical Association says. Often anxiety or minor health problems that can disturb sleep will go away by that time.

But there is no use lying in the dark grip of a sleepless night waiting for time to rescue you. There are several things to do that can encourage sleep. Techniques include exercising during the day and relaxing at night, avoiding heavy meals before bed, drinking malted milk at bedtime, going to bed at a regular time, changing sexual activity to a time when it will not interfere with sleep, and sleeping in a quiet, comfortable place.

Avoiding long daytime naps and not drinking coffee, tea, soft drinks or excess alcohol also will help promote undisturbed sleep.

Sometimes even the best efforts fail. When that happens, experts say not to worry about not sleeping. Doing that can increase tension and actually hinder sleep. Instead do something useful or enjoyable such as read, listen to music, take a warm bath, even clean house.

At times physical or emotional problems defeat even the best efforts to go to sleep. So a visit to a physician may be necessary to determine the cause. Several diseases directly affect sleeping and can be treated several ways.

Some people try to second-guess a doctor and take drugs on their own to combat a sleep problem. Many such drugs range from ineffective to addictive, so it is best to get a doctor's recommendation before trying this route, especially since drugs are not the best way to treat some sleep problems.

Early day doctor tends patients in homes-

Pierce shares memories of early west

[Part VI]

By Victor I. Pierce

Dr. Clayton was the town's doctor and what a doctor! When you were sick he came to see you, and gave you some medicine and a get well talk. By the time he left, you wanted to get up. At that time there was no hospital in San Angelo. When people had to have an operation, Dr. Clayton got a couple of surgeons to come to Ozona and do the operation here.

I can remember how they disinfected the room for the operation. No nurses—just friends of the patient helped and took care of him after the operation, with instructions from Dr. Clayton.

I remember when they cut off Tom Casbeer's leg. I sat up with him the first night. Dr. Clayton went to bed there in the Casbeer's home and told us to wake him up every two hours. He would get up and give him a shot for the pain and go back to bed again. This all sounds bad, but you would be surprised how good everybody did, and how they took care of the sick.

About 1908 the telephone came to Ozona. The first phone from San Angelo was put in to the lobby of the post office. The postmaster answered it and sent a boy to get anyone that was called.

Next came the telephone system to Ozona residents and ranches. The way they built this first telephone system was that everybody paid several months in advance in order to get the telephone system in Ozona. The ranchmen went in together and built their own lines to their ranches.

Then came the automobile about 1909 and 1910. This was the beginning of a new era. People got road conscious and started building better dirt roads for their autos. Somehow the arrival of automobiles killed the friendly way of the people. They did not need each other as much and it is still getting worse to this day.

The cowboy left going west and we began training Mexican sheep rustlers for cowboys and that trend was followed until today and now the only Mexican that will take the job is a wetback. Where we are going to get help if we lose them I don't know.

Christmas was celebrated by steer ropings, horse racing, dances, and parties from Christmas through New Year's Day. All the deer hunting was by local people only. We did not have a lot of deer like people think that we had in early days. People wanted deer for meat and they killed a doe just the same as a buck.

We had wood haulers cutting wood and hauling it to Ozona to sell to the wood yards. They also killed deer and sold the meat to the people of Ozona. There was no law against killing deer.

At Christmas time, children hung up their stockings near the fireplace where old Santa Claus could find them. Ozona had only one Christmas tree. It was a community tree at the courthouse and had presents on it for every kid in Ozona. Some people took presents besides the community presents and put on this community tree for their children. Later on all churches had community trees, then still later people got to having their own trees at home.

During the first world war there was a big fat fellow come to Ozona selling insurance to the Mexicans. Word leaked out that he was a German agent trying to tell the Mexicans that now was the time to take Texas back for Mexico. The county put on night guards for about one year. They rode horseback all night through Ozona and the Mexican village across the draw from Ozona.

I finished school in San Antonio, Texas in the spring of 1914 and came back to Ozona. The second night, Clark Barton called me and said he wanted me to stand guard that night with him at the Ozona National Bank as my father was one of the directors of the Bank.

There was a barber in Ozona and his wife was a sister to a fellow that had been a member of the Tom Ketchum gang of outlaws that had robbed trains and banks in Texas. This fellow had been sent to the penitentiary and had served his term and was out. Word leaked out from officials of the penitentiary that he was in Ozona at his sister's house. They said that he was planning on robbing the Ozona National Bank and was just waiting for a pal to get out of the pen that knew how to blow open a safe with dynamite.

We had two old double barrel shotguns and two pistols and spent the night upstairs in the Mason Hall listening for the robber to start robbing the bank. I said to myself, "What am I doing guarding a bank I don't have \$100 in? If these robbers don't come tonight, they won't find me here; let this bank hire some guards." That's just what they did.

I suppose these outlaws found out the bank was guarded and instead of robbing the bank they did hold up the Southern Pacific train near Dryden, Texas. The baggage master, in charge of the baggage cars, was ready for them and killed them both as they were getting into the baggage car. They hauled their two bodies to Sanderson, Texas, stood them up against a building, and took their pictures. I have one of these post card pictures of these dead train robbers.

Everything had to be hauled from San Angelo by freight wagons. This was a big business. There were all kinds of teams and men called "Freighters" in this freighting business. They worked as many as 20 mules or horses to three to five wagons connected together, with a little covered wagon on back of these big wagons as a "trailed" house to carry their beds and cooking and food in.

They did not feed the horses and mules that pulled these wagons. They lived on the grass and usually got up to a week off between trips. Sometimes it would rain so many of these freight wagons could not move for a week or 10 days at a time.

I remember several times Ozona was out of groceries on account of rain. They took a hack (a light wagon), put six horses to it and went out to the first wagons and got some groceries to make out on until the roads got dry enough for the freight wagons to move. Then they would come on to Ozona with their cargo.

When we had no ice in Ozona, the meat market butchered a big dry fat barren cow every other day. We started selling it the next morning.

If you wanted meat for a noon meal you just sent a note by a school kid. He

would go by the meat market and leave your order. They would deliver your meat in time for you to cook it for your noon meal. They would sell meat off that animal all the first day to white people. The next day they would peddle the remainder to the Mexican village and take whatever they could get for it. That evening they would kill another beef cow and follow the same procedure with it. I can never remember anyone getting meat that was not good although we had no ice.

The citizens of Ozona formed a local company and bought the water system and put in an ice plant and electric light plant. They delivered ice to your house in a light wagon. At 10 o'clock each night they cut all the lights in Ozona off. At 6 o'clock next morning they came back on.

It was many years before we got electricity to Ozona. Also many years before we had refrigerators. We had big ice boxes made in Ozona to keep ice and your cold food in.

The lumber to build houses had to be hauled by

freight wagons from San Angelo to Crockett County and was high priced for that time. We used rock for all big buildings having a very good building stone here. There were several rock quarries here that would cut the stone and deliver it to the building site. Ozona had some fine rock masons and they could cut a stone any size or make anything you wanted out of stone. That included tombstones, key stones, and arches to go over your gates.

Before we fenced the ranches with net wire there were still sheep herders herding the sheep and we had lots of tame hogs gone wild. These hogs would kill a new born lamb, but we always had men with the sheep and they very seldom killed the lamb.

After we had pastures fenced with net wire and turned our sheep loose to graze, we had to gather these half-wild hogs and sell them. The ones we could not gather, we trailed them up with dogs and killed them on the range. These hogs had been a valuable source of meat for us.

In the fall of each year,

they would get fat on acorns and we would put up enough lard, bacon, and pork to last one year. We had smoke houses to salt and cure the pork and bacon.

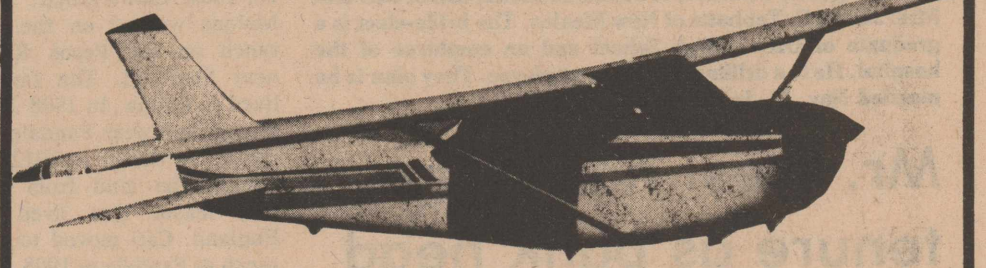

We also put up beef by taking out the bone, dipping it in hot salt brine, and hanging it up on the clothes line for a few days then hanging it up in a barn or shed where it could get lots of air. This salt would form a crust and before cooking it we would cut that crust off and it was just like fresh meat. We took this meat to Ozona, hung it up in a loft in the barn and it would be good for at least one year.

Crockett County Care Center News

by Joan Nicholas — Director of Activities & Social Care

Bingo winners for last week were Ramona Lugo winning the gift certificate donated by the Auxiliary. accidentally Ramona, not having sight, nevertheless enjoys Bingo as a volunteer, usually Georgia Kirby, patiently places a disc in Ramona's hand and guides it to the correct space on our large cards.

Second prizes were won by Ruby Cooksey, Tomasa Ramos and Gertrude Daniels. The certificate donated by Laker Jewelers for those not having won a prize during

the month and competing for the "losers" honors, was won by Leona Harris. In dominoes play Ruby Cooksey and Paul Cavin had a very close game, Paul edging Ruby with a score of 335 to her 330. In a short game played at another table, Vera Miller won and Eleanor Bradford and Nila Turnell tied for second place.

Thursday evening, Jessie Deaton accompanied me outdoors after supper and we watched the Junior High School boys playing Big Lake on the football field. The

continuing pretty weather enables us to get outdoors. In crafts we cut out a large number of pictures and covered shoe boxes, which project we will finish this week. These will provide their owners with a colorful place to keep letters, cards or other odds and ends.

Mrs. Marie Walker brought in a large box of seashells which will be wonderful for crafts, and Amelia Tambunga donated a large bag of new hosiery to be distributed among residents in need. Thank you very much, ladies.

Evelyn Bryant is presently in the C.C. Hospital and we hope she will soon be well.

The new film catalog for the year has yet to arrive at the school library, but as soon as it does, we will be picking out some films for our entertainment each Wednesday afternoon.

Someone asked me the other day if I was all through with school. I suppose I neglected to mention that as of August 15 I completed my two years of employment at the Care Center and that, plus the eighty hours of college work totalled up last spring and early summer means that I am now qualified in the eyes of the State of Texas and no longer must have an activities director consultant visiting our facility to check me out each month! Of course, I still have to have twelve hours continuing education each year.

All nurses, aides, and other staff have to satisfy inservice educational requirements each month so, for all of us, it is a continuing learning process. We started out on the different exercises program last week which most found to be a lot of fun; legs and arms waving around, feet tapping and hands clapping to the disco beat! For some of the new routines we need red and some white chiffon scarf squares (one of each color to be held in each hand) if anyone has such items lying around for which they have no use, please think of us. Actually, they don't have to be just red and white, but the result is more effective; we'll take any color you happen to have!

Celebrating birthdays in October are Jacinto Flores, Verna Talley and Mary Pender. The party will be Monday afternoon at 3:30 p.m.

Eighth grade cubs get 13th win in row

The Ozona Eighth Grade Cubs played host to the Big Lake 8th graders last Thursday at Lion Stadium and the Cubs were victorious by a 20-0 score. The victory was the thirteenth in a row for the team. The victory over Big Lake was keyed by the hard-running of Diego Leal, Johnny Rodriguez and Rowdy Holmsley. Leal toted the ball for 90 yards in the first half only. Holmsley carried for 94 yards but part of his yardage was erased by a penalty.

Robert Flores scored one Ozona TD on a 30 yard pass and run. Holmsley scored on a 10 yard run and Leal scored on a run. Kent Hokit ran for a 2 point conversion. Offensive linemen Curt McPherson,

James Perry, Roy Tambunga, Adrian Tijerina and Richie Artz did a good job of providing running room for the ball carriers.

Defensively the Cubs were led by Mark Vallejo with four solo tackles and one pass interception. Santiago Ybarra recovered a Big Lake fumble and R. Flores had a pass interception. Fifteen Cubs were in on 2 or more tackles.

The Ozona 7th Grade Cubs played their first game of the 1979 season and lost to the Big Lake 7th graders 6-0.

Next week the Cubs travel to Sonora. The 7th graders will play at 4:30 p.m. and the 8th grade game will follow immediately.

Eighth Grade team members are Quarterbacks-Kent Hokit, Russell Winkley, Bo Aycock; Fullbacks Johnny Rodriguez, Isreal Gonzales, Oscar Vargas; Halfbacks-Marcelo Hernandez, Lupe Castro, Ramiro Trevion, Diego Leal, Mark Vallejo, Robert Ybarra; Adrian Tijerina, Emilio Garza, Ricky Tambunga; Guards-Chris Martinez, James Perry, Richie Artz, Arnold Vargas, Sammy Vargas, Donnie Searcy.

Playing tackle are Roy Tambunga, Santiago Ybarra, Tony Tomlinson, Curt McPherson, Paul Tambunga, Ricky Rodriguez. Ends are Salvador Mata, Manuel Perez, David Vargas, Bobby Vargas, Robert Flores and Rowdy Holmsley.

Managers are Mark Dudley and Johnny Valdez. Coaches are Gene Hood, Jerry Ayers and Rueben Pena-Alfaro.

Members of the 7th grade squad include Quarterbacks David Delgado and Al Ramirez. Running backs are Johnny Villarreal, Gene

Kackley, Matt Gutierrez, Edward Borrego, Nino Tambunga, Tiney Guerra, George Guerra, Danny Moran and Frank Galan. Centers are David Ledbetter, and Andel Waggoner. Playing guard are Joe Cardona, Rusty Harris, Mike Sanchez, Gayle Underwood, and Clint Lenamon. Tackles include Raul Delgado, Johnny Ybarra, Mario Arredondo, Ronnie Smith, Noe Guerra, and Raul Arredondo. Ends are Lance Keilers, Rodney Storms Mike Trujillo and Doug Douglas.

Coaching the 7th Grade Cubs are Jerry Ayers, Gene Hood and Ruben Pena-Alfaro.

Managers are Jack Moody, Jon Moran and Nahum Estrada.

Velours are more popular than ever for dress and sportswear. They are often softer and lusher than previously seen, and special finishing prevents shrinkage and creasing.

Remove grass stains on washable fabrics by rubbing detergent into the stain, wash in hot sudsy water, then use any bleach safe for the fabric.

SOUTH TEXAS LUMBER CO

Big Lake downs JV for first loss

Last Thursday, the Ozona J.V. traveled to Big Lake to be upset 6-7. Fumbles took scoring drives away from Ozona 4 times.

Big Lake scored first, driving the ball down the field after a pass play, setting the ball up on Ozona's 16 yard line. The extra point was good leaving the Lions 7-0. The entire first half saw the Lions within their own 20 yard line except twice, after a kick-off and a punt return. However, the Lions came back the third quarter and began to move the ball. After threatening several times, Willie Payne on an outside sweep took it into the end zone. The Lions went for two and fell one yard short of the goal line. Ozona had four more opportunities to score, being within Big Lake's 14 yard line but fumbles forced Ozona to go back on defense.

The Ozona defense did an excellent job of goal line standing, as Big Lake time and again threatened to score. Fumbles were caused and picked-up by Mike Couch, David Zimmerman, Ruben Perez, Dennis DeHoyos, and Stanley Najar. Good pass coverage by Will Mason, David Badillo, Les Hale, Rudy Enriquez, Simon Hernandez and Gregory Fierro kept Big Lake trying to move the ball on the ground. Defensive leaders were Ruben Perez with 11 tackles and 3 assists, Mike Couch, Joe Villarreal, Kelly Buckner, Dennis DeHoyos, David Zimmerman, Thomas Gries, and Fernando Galvan.

The Ozona Junior Varsity will host Sonora's Junior Varsity this Thursday at 7:00 p.m.

areas if indeed it has not already. Discipline begins at home, however, and it's every parent's responsibility. There is an old Chinese saying, "beat your child every morning. You may not know what it's for, but he does" When I hear parents make the statement "Oh, my child wouldn't do that," I am sad for their lack of reality. I raised a son and I know that the child that parent is speaking of has probably already done what his poor duped parent thinks he never would.

The school administration denies there is any problem here. We have reason to believe this is not true. They are either out of touch or looking the other way.

Most of our complaints come from parents of young children, giving us reason to believe that perhaps a strong organization of parents should be formed. They should meet with those in authority, discuss these problems with the sheriff's department, attend and participate in school board meetings, and by all means police their own grounds. Parents should set limits for their kids at home and demand these limits be expanded in the school system, and by all means cooperate with law enforcement officials. We must communicate.

In the past when things have gotten out of hand, it has taken a tragedy to open the eyes and ears of the community. I believe we can avoid this by communication. Especially communication with our own children. Know where your child is and what he's doing, and find out how your school is being run. Make your voice heard.

4-H Clubs elect officers

The Crockett County 4-H Club met Monday at the Civic Center with 82 4-H members, parents, and leaders attending. 4-H club officers elected for the coming year are Sue Ellen Black, president; Les Hale, vice president; Melinda Hokit, secretary, and Kristal Williams, reporter. Dan Bean was elected District Council Delegate.

County Council delegates elected were Shelia Comer and Judy Flores, 4th grade; Mary Lou Hayes and Vickie Reagor, 5th grade; Bonnie Cameron and Jerri Lynn Martinez, 6th grade; George Guerra and Donna Comer, 7th grade; Curt McPherson and Rita DeLaRosa, 8th grade. Freshmen delegates are Cindy Reavis and Fabian Delgado, sophomores are Mike Couch and Felice Delgado, junior delegate is Will M. Black, and seniors are Marilyn Moran and R.J. Everett, III.

The Annual 4-H Awards Program and Hamburger Supper will be October 20, at 7:00 p.m. at the Civic Center. All 4-H members are urged to enter the Poster Art Contest. Posters need to be turned in to the Extension Office or a council delegate by October 5.

Serving as this year's 4-H Club leaders will be Larry Bailey, Cynthia Ramos, and Coleen Everett.

CARD OF THANKS

We would like to express our sincere thanks for the food, flowers, cards and prayers during the time of our sorrow. Your condolences have been greatly appreciated. The family of Estalfo Rodriguez

CARD OF THANKS

We wish to express our appreciation to the care center staff, the hospital staff and the many volunteers who were so kind to our loved one while she was in the care center and hospital here. Also for the many expressions of sympathy at her death. The family of Opal Eversole
