Bus Drivers See Many Violations Of Safety Rules

It may be ignorance, it may be carelessness, but many people are violating the laws that govern driving around or past a stopped school bus, Supt. Jerry Kirk reports.

He said that Muleshoe school bus drivers have been making checks, and noted an average of five violations per bus every day. Many of these violations occur on state highways.

The law requires that motor vehicles behind a bus or meeting a bus come to a complete stop when the bus stops; and if circumstances warrant to proceed at not more than 10 miles per hour as long as it is in the vicinity of the bus. But where children have to cross the road to get to their homes, the motor vehicle is required to remain stopped as long as the bus is stopped.

Observation of these rules to the letter, in the opinion of the school officials, will lessen the hazards to school children who are getting into or out of the bus. Mr. Kirk said attention is being called to this matter in the hope that all will come to realize the danger from violations, the officials realizing that no one would intentionally do anything that might result in injury to a child.

Nazarene Revival To Begin Dec. 3

Rev. and Mrs. Arthur E. Barkley, of Bethany, Okla., pictured above will conduct the revival meeting that is to begin in the Church of the Nazarene in Muleshoe on Wednesday, Dec. 3, according to announcement of Rev. Sidney Patrick, pastor.

Rev. Patrick said the revival is to run about two weeks. Services will be held daily at 7:30 p. m.

Rev. Barkley has been doing evangelistic work for the past several years under the auspices of the Church of the Nazarene. Mrs. Barkley, who formerly taught at Bethany-Penial College, Bethany, Okla., plays the piano and accordion, gives readings and works with teenage people. The Barkleys sing duets and play instrumental numbers.

Rev. Barkley is also a chalk artist, and his illustrated songs are a feature of every service. His picture of "The Crucifixion" always attracts a large crowd, Patrick said. Everyone is invited to attend the meeting.

Snow And Rain This Week Left .53 Inch of Moisture; Wheat Helped

Treasure Hunt To Be Held In Muleshoe Dec. 6th.

The first annual Treasure Hunt sponsored by Muleshoe Merchants will be held Saturday, Dec. 6th.

This is the first event of this kind to be held in Muleshoe and should get the Christmas shopping season off with a flying start. Hundreds of valuable prizes will be given away to anyone joining in the hunt. Those who want to join in the hunt must come to The Journal office and get their official ticket. There is no charge nor is there any type of registration. The December 4th issue of The Journal will carry a complete list of prizes and the merchants participating.

Muleshoe received more than a half inch of moisture from rain and snow which fell Sunday night, Monday and Tuesday night, R. J. Klump, weather recorder said.

Two inches of snow fell Monday and Monday night, with a moisture content of .43. The Sunday night snow left moisture amounting to .09.

From all sections of the state and of the Southwest come reports of varying amounts of moisture. The Dallas News, after surveying widely separated areas said it was the best general rain to fall in the state in a long time, and predicted it was a drought breaker.

It has been estimated that Texas farmers and ranchers lost \$275,000,000 from cuts in production during the drought, one of the most widely spread ever noted.

Around Muleshoe young wheat will be benefited, although the acreage here is pretty small because it was too dry to sprout the seed, and many farmers refrained from seeding wheat in the dust. Ranchers welcomed the moisture for their dry pastures. Grass should be greatly benefited.

The snow and rain put a temporary stop to cotton harvesting operations in the section. Low temperature Monday night was 23 degrees.

Muleshoe Canning Co. Has Packed 14,850 Cases Of Tomatoes This Year

Muleshoe Canning Company canned 14,850 cases of No. 2 cans of tomatoes in the season that drew to a close last week, Carl Case, owner of the plant, said.

There was practically no green wrapping here this year, so most of the tomatoes were allowed to ripen and go to the canning factory.

Mr. Case said some of the tomatoes came from farms around Littlefield.

Most of the season's canning has been sold. Mr. Case said the Muleshoe Canning Co. label, "Heart of the Plains" was placed on a large part of the pack; buyers included Kimbrell Grocery Co., Waples-Platter, Panhandle Associated Grocery, Amarillo, and Ideal Grocery Co., Liberal, Kans. The latter took 4,000 cases.

Sgt. Winn On Nuclear Project

Sgt. Jesse P. "Pesky" Winn, of Muleshoe, was a member of the Task Force which took part in recent experiments in the South Pacific on nuclear weapons. He is in the Air Force, stationed at Roswell.

Sgt. Winn went out by ship. He flew from Kwajalein on the return to Honolulu, then non-stop to Roswell. After a visit here in the home of his parents, Mr. and Mrs. D. W. Winn, Sgt. Winn and his family have returned to his base at Roswell.

The Atomic Energy Commission has released only the information that the experiments, which included so-called H-bomb research were conducted.

Mules Scored 4 Touchdowns Against Touted Wildcats But Lost 45 to 28

The Muleshoe Mules scared the daylight out of the favored Littlefield Wildcats last Friday night and set their Muleshoe backers on fire before they succumbed to superior weight and experience to come out on the low end of the scoring, 45 to 28. Their followers remember that the Mules engineered no less than four spine tingling touchdowns against the mighty Wildcats.

Bobby Seid, who played the hardest game of his career in this, the last high school game, began the scoring early in the first quarter by bulling over from the four yard line. Bill Willis kicked the extra point and the Mules were off to a 7 to 0 head start. Minutes later Buck Johnson passed to Bill Willis for a 39 yard gain and a second touchdown and now the Mules were leading 14 to 0 as Willis again kicked the extra point.

But the second quarter was a different story. M. C. Northam, Littlefield's candidate for all state honors got loose for two touchdowns. The speedster ran over from the two for his first counter and after Dan Howard had intercepted a Muleshoe pass Northam ripped off a dazzling 55 yard run for his second mark.

Jackie Beckner of Littlefield contributed a 68 yard run for Littlefield's third score and Bill Jones passed to Perkins for 18 yards for the Wildcat's fourth score in the quarter. The half ended 25 to 14 as the Wildcats missed each try for extra point.

Northam scored again in the third, going over from the 2

Brownfield Is District Champ

BROWNFIELD, Nov. 21 — Brownfield emerged from the fall grind Friday night with clear title to the championship of District 7-AA. The Cubs had shared that spotlight with Levelland and Littlefield in the 1951 season.

To cinch the title, the Cubs took an expected win from the Levelland Lobos, who managed to gain one tally. The final score was 50-7.

Bob King, Norma Graves Selected

(From The Hee Haw, High School Paper)

A final count of the MHS votes, Wednesday the fourth period, showed that Norma Graves and Bob King were nominated as Mr. and Miss M. H. S. The runners-up for Mr. M. H. S. are Buck Johnson and Bruce Sinnacher. The runners-up for Miss M. H. S. are Jo Wagon and Doris Underdown.

We, speaking for the student body, would like to congratulate Norma and Bob as Mr. and Miss M. H. S. of 1952-53.

All Electric Cooking School To Be Held In High School Building

The all Electric Cooking School for Muleshoe is scheduled to get underway at 2 p. m. Thursday, December 4. There will be two big days filled with hints on homemaking and kitchen conveniences staged in the Muleshoe High School Auditorium. The electric dealers of Muleshoe and Southwestern Public Service Company are returning this two day event.

Many will recall the delightful cooking school that was presented in October last year and the response from the public has been largely responsible for returning the affair this year. Six electric appliance firms in Muleshoe taking part in the school this year are Berry Electric Co., Bass Firestone Store, Harper Appliance Co., Johnson Furniture Co., E. R. Hart Co. and Johnson & Nix.

These businessmen are offering valuable door prizes plus a grand prize to be given at the end of the two day session. These prizes will consist of small appliances and of course the food prepared by the Southwestern Public Service Company Home Service Advisors, Miss Clydie Little and Miss Patricia Stearns. Appliances to be displayed on the stage are as follows:

Range, Refrigerator, Freezer, Electric Drier, Sewing Machine, and an Automatic Washer.

All of these appliances will be demonstrated by Miss Little and Miss Stearns who promise you abundant time saving hints for the kitchen. These charming young ladies will make full use of their wide experience in preparing various recipes for the holiday season.

Cashway Grocery and Market will furnish the groceries on the first day.

Early Mailing For Christmas Again Stressed

A plea for early mailing of Christmas cards and packages was made again this week by A. J. Gardner, Muleshoe postmaster. He expects one of the greatest rushes in the history of the local office.

Early mailing will be the best way to insure delivery in time for reception by Christmas, he said.

Time for mailing packages to overseas service men has passed, but Mr. Gardner pointed out that parcels weighing 2 pounds or less may be sent airmail up to December 1, to these overseas men of the Armed Forces. In some cases the men might not receive them by Christmas but every effort will be made to expedite them. December 1 is the last day for this type of mailing and 2 pounds is the limit.

Meantime the regular tempo of business at the local postoffice is increasing and Mr. Gardner predicts the total of receipts for this year will be considerably higher than in any previous year for the office.

Santa Claus And Reindeer To Be In Muleshoe Tuesday, December 16

It is true, despite the doubts of the most flighty of children's imagination, that reindeer fly down south from the North Pole once a year, with qualifications, of course. They fly down in C-46s chartered for the purpose by an enterprising Texan, and they don't actually come from the North Pole—but not far from it. Grady Carothers flies the animals here from north Alaska along the frozen coast of the Arctic Ocean.

And come Christmas season they prance along a 10-state itinerary to prove their noble purpose in life—that of drawing Santa Claus' sleigh. The reindeer will be here on Tuesday, December 16, at 4:00 p. m.

Although Carothers says the animals thrive on Texas weather they are treated like aristocrats on the ranch. The 18-head herd lives in an air-conditioned barn and Carothers is planning to build another to take care of the increasing herd.

They are let out to pasture at night, when it's comparatively cool. Texas is hotter for them than it is for us because they are built to withstand temperatures of five to fifty degrees below zero—and in blizzards downwards of 75 below.

Their skin is thick and tough and their hair is hollow to give added insulation. But when you see a deer panting with his tongue hanging out you needn't feel sorry for the poor creature.

Rev. Cory Speaks At Baptist Church

Rev. John C. Cory of Mesa, Ariz., missionary to the Indians, spoke at the First Baptist Church at 7:30 p. m. Monday.

This program was sponsored by the Brotherhood and was attended by an appreciative crowd. Pictures were shown of his work with the Indians which made his message more interesting.

The Brotherhood wishes to thank the ladies of the W. M. U. for the refreshments which were served following the program.

Kenneth Young On Tech Crop Judging Team

Texas Tech sends three of its agricultural judging teams to the International Intercollegiate Judging Contest in Chicago Nov. 29 through Dec. 1.

The livestock, meats, and crops judging teams will make the annual trip to compete with teams from other agricultural colleges of the nation for the honor of being international champions.

The crops judging team, coached by Cecil Ayers, associate professor of agronomy, will stop over in Kansas City, Mo., for the National Intercollegiate contest. A Tech team has placed either first or second in the national and international contests the past six years. Ayers' 1952 team is composed of Bryan Close,

Mrs. Willett Rites Today

Graveside services for Mrs. T. C. Willett were scheduled at 3:15 Wednesday in the Muleshoe cemetery, where burial was to be by the grave of her husband, the late Rev. T. C. Willett.

Mrs. Willett passed away at Tucumcari, N. M. Local friends presumed she had been living with the family of a daughter, Mrs. Don Fleming. Three sons also survive Mrs. Willett, Donald B. Willett, Thomas Willett, and John Russell Willett.

Funeral services were held in Tucumcari this morning.

Rev. Willett was pastor of the Muleshoe Methodist Church at the time of his unexpected death on Monday, February 26, 1945.

Security State Bank, Littlefield Pioneer Of Area

One of the leading banks in this area is the Security State Bank, which is located at 513 Phelps Avenue in Littlefield and headed by Mr. J. C. Hilburn, president. This bank has faithfully served this territory for many years and has become one of the widely and favorably known financial institutions of West Texas. They serve the public with a complete banking service and have a reputation for being a reliable and conservative institution with all deposits guaranteed by the FDIC up to \$10,000.

Since this bank's inception it has grown and developed as the area itself has prospered. By its adequate banking facilities it is playing an important part in the growth and development of this area. Here you will find a wide range of banking facilities. They have been the mainstay for many ranchers, farmers, businessmen, and individuals in this area as they are virtually interested in the agricultural and business life of our people. All officers and directors are local citizens and are of faultless character and good judgement. Through their efforts and knowledge of banking this institution has gained its prominent position as a leader in banking circles of the Southwest.

The progress they have made is evidence of the confidence this popular bank enjoys with its customers and we are glad to publicly congratulate the Security State Bank of Littlefield and its officers, J. C. Hilburn, President; Paul Hyatt, Vice-President; and R. W. Manley, cashier. They have a splendid record of service to our people and we wish for them continued success in the years ahead.

Willson & Crump Lumber Co. Rates High In Area

For many years the Willson and Crump Lumber Company has proven that quality and service make friends. That is why you will always get lumber that is the very best obtainable in any particular grade, and you will find real economy in Willson and Crump's prices — plus their friendly, helpful service. This progressive establishment, which is located on the East Lubbock Highway in Littlefield, is headed by Mr. James Crump.

In addition to quality lumber, this popular concern carries a complete line of roofing and siding, millwork, paint, builders hardware, cement, fencing material — in fact, everything in the line of builders supplies. When this concern was established they made their policy top quality materials, friendly service and fair prices, and from this policy there has been no deviation, and it is for this reason that the firm enjoys such a good volume of business.

Mr. Crump is always glad to consult with prospective builders on their construction and remodeling problems and give the benefit of this experience and cost estimates without obligation. We are glad in this review in our paper to compliment the Willson and Crump Lumber Company on their splendid record for quality lumber and builders supplies, fair prices, good service and open-and-above board business policies and hope for them continued success in the years to come.

Lamb Co. Food Lockers Offers A Varied Service

A diversified service of much interest to householders in this area is that rendered by the Lamb County Frozen Food Locker, which is located at 1101 East Ninth Street in Littlefield and headed by Mr. James Garrett, owner.

This reliable and progressive concern has made a name for itself throughout the area which speaks well for the high type management and service rendered.

"It wasn't so very long ago," points out Mr. Garrett, "that meat, once killed, had to be eaten almost immediately to prevent spoilage. Now all that is changed. Our men process beef and pork for storing in our lockers at small cost, thus saving the housewife many dollars in food intrusted to our care."

The Lamb County Frozen Food Locker, in addition to storing meats in their own lockers, will also process meats for storage in home freezer units at a small cost. This leading establishment also specializes in custom slaughtering. All employees are experienced and conscientious and all work is handled in a sanitary and efficient manner.

One of the top services rendered by this frozen food locker is the selling of beef, pork, lamb, etc. at wholesale prices and they may be purchased by anyone. All meat is home-killed and government graded. This plan gives the housewife the advantage of good country sausage and country cured hams which customers travel many miles to secure. Mr. Garrett adds, "Our customers are satisfied and as a result we are growing with the area."

J. L. Murdock Popular With Cotton Growers

Prominent among the men who have aided the raising of cotton in the Littlefield area is Mr. J. L. Murdock who offices in the Murdock Hotel in Littlefield.

This popular cotton dealer has gained an enviable reputation for his method of doing business and serving the cotton farmer. He is in constant touch with all the major markets at all times and has a reputation for paying the highest market prices. Many of the cotton growers of this area have sold the equities of their cotton through him.

Mr. Murdock has been serving the growers of this area well for many years, and number among his regular clients many of the most successful growers in this section. One fact is readily noticeable about the operation of this prominent cotton broker and that is that his customers do not shop around when making a sale but let Mr. Murdock handle all the transactions.

Mr. Murdock has been symbol of the cotton industry for service and absolute reliability which accounts for many of the advances made in this field during recent years.

Farmers Of Area Depend On N. B. Embry Gins

No review of the agriculture interests of this area would be complete without mention of the N. B. EMBRY GINS located six miles north of Littlefield and five miles east of Amherst where

Mr. and Mrs. C. E. Briscoe returned Sunday after visiting a week in Oklahoma. While away, they visited Mr. and Mrs. Ivy Collier and Mr. and Mrs. T. L. Harris of Durant, Okla., Mr. and Mrs. Rex Briscoe and son of Oklahoma City, and Mr. and Mrs. J. M. Young of Norman, Okla.

MCCARTYS VISIT HERE

Lt. and Mrs. Fuston McCarty of Dennison spent the week end visiting their parents Mr. and Mrs. Delma McCarty and Mrs. W. B. Little of Littlefield.

Mr. and Mrs. Weldon McCarty and children, LeLauni and Gary Lynn, of College Station visited in the home of their parents, Mr. and Mrs. Delma McCarty and Mr. and Mrs. F. H. Davis over the week end.

Bawcom Butane Company One Of Area's Leaders

Furnishing our industries, businesses and homes in this area with Butane and Propane gas, the Bawcom Butane Co., of Littlefield, which is headed by Mr. D. W. Bawcom, owner, has become a leader in this area.

These quality petroleum gases are delivered promptly in modernly equipped trucks. These trucks are outfitted with all safety devices and are operated by competent, experienced drivers. Mr. Bawcom realizes that quick delivery is one of the most important factors connected with his business and he has established a reputation for prompt and efficient service.

This leading concern also handles Butane and Propane systems as well as carburetors, and should any of our readers contemplate the installation of a Butane or Propane system or the conversion of any equipment to LP carburetion, Mr. Bawcom, or any of his capable employees will be glad to discuss this with you and make a survey of your requirements and furnish cost estimates without obligation.

We compliment the entire personnel of the Bawcom Butane Company on their record of splendid service, and quality products. Phone them at 70 in Littlefield and they will be happy to help you solve your Butane or Propane problems.

his main office is located, the others being located on Rt. 2 at Oklahoma Flat community and the other being the Stegall gin in Bailey County.

These modernly equipped gins are owned and operated by Mr. Embry who is well and favorably known throughout this area. He is always glad to be of any assistance possible to our cotton farmers and sees that the Embry Gins furnishes the very best turn outs and sample, as well as paying the top market prices for cotton.

Mr. Embry and those associated with Embry Gins have always cooperated with every worthwhile movement that would tend to better the agricultural conditions of our area, especially in relation to the raising of cotton. They have made a reputation for good service in cotton ginning and their above board business policies have made many friends for them among those that they serve. We are glad to pay tribute to these outstanding establishments and wish for Mr. Embry continued success in the future.

W. S. C. S. Meets In Farrell Home

The W. S. C. S. of the First Methodist Church met Monday, Nov. 24, in their regular meeting in the home of Mrs. C. R. Farrell. The opening song was "This Is My Father's World" followed by the devotional by Mrs. F. B. Pierson on "Thanksgiving or 'Thanksgiving.'" She emphasized that everyone should take time to give thanks. Mrs. H. W. Hanks then gave "Thanksgiving Fragrance." She said that it took more than a fragrant kitchen to create Thanksgiving fragrance. All the little incidents of life are part of it. After a prayer by Mrs. A. C. Gaede, she spoke on "The Geography of Africa" and "The People of Africa" as told to her by a teacher who traveled in Africa last summer. Mrs. Pierson, president, pre-

Goodland Students In Recital

John Atherton presented his piano students in recitals Monday and Tuesday nights in the Conestoga room of the Cal Boykins Hotel. The program Monday night was received by 75 parents and friends. The younger group of students through junior high age performed. On the second night performance 15 senior high students in formal attire presented the recital before an audience of 55 people. During the performance the guests were seated around small tables. The tea table was appointed with a fall arrangement of dried materials with gold and orange chrysanthemums. Bud vases following the same color

sided over the business meeting and minutes were read and approved. Quarterly reports were made. Plans were made for the annual Christmas party and luncheon to be given Monday, Dec. 15. Refreshments of coffee and cookies were served to Mesdames A. C. Gaede, H. W. Hanks, F. B. Pierson, H. O. Barbour, H. M. Shofner, J. E. Day, I. W. Haney, O. N. Mrs. Simmons Hosts Silver Tea Honors Sunshine Club

The Sunshine Club met in the home of Mrs. Roy Simmons Thursday, Nov. 20, for an all day meeting, a covered dish Thanksgiving luncheon and entertainment.

Mrs. Florence Harvey presided during a short business session. The club decided to donate \$1 each rather than to have a bake sale for a box to be sent for children in the tuberculosis hospital of Amarillo.

The next meeting will be in the W. M. Stass home. Several games were played and an enjoyable day was spent by visitors. Mrs. C. C. West, mother of Mrs. Blanche Coulter, Pearlene Volkman, daughter of Mrs. Coulter, and Mrs. Smith, mother of the hostess, and members, Mesdames Lois Lewis, Allene Harvey, Myrtle Lee, Henry Bartlett, Blanche Coulter, Owetha Odum, George Chambless, and Florence Harvey.

Two of the Tuesday night performers were Ann and Kay Cole of Goodland.

Silver Tea Honors Delma McCarty

A Silver Anniversary tea from 2 to 4 p. m. Sunday, honored Mr. and Mrs. Delma McCarty on their twenty-fifth wedding anniversary in their home.

The tea was given in the home in which they were married which was then the home of her parents, Mr. and Mrs. I. W. Harden. The bridesmaid, Mrs. Buford Butts, the former Iris Harden, and the best man, Buford

During the afternoon sixty guests were registered by Mrs. Jim Cox. Guests were greeted by Mr. and Mrs. McCarty. Mrs. McCarty wore a pink carnation corsage tied with silver ribbons.

The tea table was covered with a white lace cloth enhanced by an arrangement of white and pink carnations. White candles in silver holders, white napkins engraved in silver with "Ruth and Delma" and the silver service completed the decor.

The traditional wedding cake was served by Mrs. Weldon McCarty and cranberry punch was poured by Mrs. Fuston McCarty,

both daughter-in-laws of Mr. and Mrs. McCarty. The McCarty's have lived in this territory during most of their married life and both were students of Muleshoe High

School. Mrs. McCarty is a graduate of Muleshoe High School. They are the parents of two sons, Fuston and Weldon, and the grandparents of two grandchildren, LaLauri and Gary Lynn.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size. Money back if not satisfied. Mail bottle to Box 280, N. Y. 18, N. Y.

Another Great Feature of the JOHN DEERE "50" and "60" Tractors...

new Quick-Change Wheel Tread

Saves time, muscle and temper.

Yes, sir, it's "easy as pie" to respace the rear wheels on the "50" and "60" Tractors. All you do is jack up one wheel at a time... loosen three clamp screws... tighten two jack screws... and turn an adjusting nut to move the wheel in or out to the exact setting desired. To lock the

wheel in place, back off the jack screws and tighten the clamp screws. It takes less than 10 minutes and there's no reversing wheels from side to side, no lifting, hammering or tugging to obtain the full tread range of 56 to 88 inches.

See us for a demonstration of this new John Deere time- and labor-saving feature.

OTHER OUTSTANDING FEATURES:
Duplex Carburetion • "Live" Power Shaft • "Live" High-Pressure Power-Trol • Effortless Steering • Ultra-Modern Engineering • Greater Convenience • Unexcelled View • Unequaled Two-Cylinder Strength and Simplicity.

weather conditions prevent it. These deadlines cut down breeding and build-up periods and help assure few insect carry-overs through the winter.

Cooperation by farmers in the program was excellent. Only about 100 of them in the entire 61 county area affected failed to clean their fields on time. As a result, if we have a cold and comparatively damp winter, we can expect only a minimum infestation next season.

To give you an idea how the insect can spread, Pink Bollworms were found in 39 new counties this year where it had never been seen before. To combat further spread, we will set up about 300 new seed sterilization points in East and North Texas next year to establish a "front" beyond which few "pinkies" can pass.

Continued cooperation and vigilance on the part of cotton farmers will be requested to minimize the threat. Seed from infested areas should always be sterilized before planting or storing. Fields should be cleaned of stalks soon after harvest. And a constant watch should be kept for the insects appearance in new areas.

Perhaps a new systemic poison will be developed which will affect the pest. But until that time, we must rely on present controls and the willingness of the farmers to protect Texas' largest industry—cotton.

First Grade Gets Teaching Aids

The First Grade is fortunate this year in being able to secure practically all the teaching aids recommended by Scott-Foresman for our State adopted Basic Readers. The Muleshoe Schools have used Scott-Foresman readers for several years and have recently re-adopted them for further study.

The teaching aids mentioned are as follows:

- Our Big Book (Wall Chart).
- Basic Unit Card Set, Pocket Charts,
- Cut-Outs of Sally and Her Playmates,
- Speech Improvement Cards, Sets, A, B, and C,
- Time for Poetry, A Teachers Anthology (Compiled by May Hill Arbutnot).
- Poetry Time Album (A Record Album, 3 records of poetry read to the children by May Hill Arbutnot, with suggestions for participation).
- Sounds Around Us Album (A Record Album, 3 records for use in sharpening auditory images and auditory perception).
- Number Readiness Chart (Wall Chart which consists of 14 large picture-chart pages 19 by 24 inches, in color).
- Set of Arithmetic Readiness Cards,
- A Record player in each room, \$100 spent for library books.
- New Liquid Duplicating machine,
- New Pictograph (An aid in chart making and enlarging pictures).
- A portable table with casters placed in the hall to take care of the machines).

Since this is National Book Week, we are getting our Library Corners shaped up a little better. The teachers in the First Grade are compiling a Professional Library. Books in use now

SAILCLOTH SACK SUIT

Fashions have undergone a big change when the men start wearing cotton sailcloth! 'Tis true. Here, Wellington Sears Topsail's functional wearability and casual air create a suit for a man to live in, day and evening, in the city or in the country. It's big news for the family budget, too, as it can be pressed, even washed, at home!

Objections To Cotton Classing System Voiced At Amherst Meet

Expressing their dissatisfaction in no uncertain terms, approximately 24 members of the Lamb County Farm Bureau this week asked that the Lubbock Cotton Classing Office be decentralized and offices set up in each cotton community in the area.

A meeting, held in Amherst City Hall with Farm Bureau members, ginners and cotton buyers present, was held with two representatives of the cotton classing office in attendance. They were John L. McCollum, area manager of the Southwest Area, Production and Marketing Administration cotton branch, and Rodney Whitaker, chief of the marketing service division, PMA cotton branch, Washington.

Ginner Speaks First

The meeting was called so that complaints from farmers could be heard by the two gov-

ernment men, and so that something could be done to the mutual satisfaction of all concerned.

N. B. Embry, ginner, spoke first for the farm group. He brought records from the cotton classing office showing what he said were inconsistencies in grade of cotton from the same trailer and from the same field.

Embry told the government men that the farmers could not understand why five bales of cotton from the same field and ginned from the same trailer showed a difference of two grades.

Others speaking for the farmers were Balford Rochell, Jarvis Angeley, L. Z. Angeley, Paul Chisholm, O. C. Frye, Earl, Earl Chester, John McQueen, David Maxey and others.

Cards Are Defended

McCollum explained to the group how the cotton is classed at the Lubbock office, saying that spot checks are made frequently, and defending the class cards sent out by that office as being as accurate as humanly possible.

He told the group that the reason so much criticism was being heard this year is because there is more difference in the amount of money paid for various grades this year. He said the farmers were more aware of the money involved than they were in previous years.

Earl Chester, a Sudan ginner, said his customers became unhappy when their grade cards came back with inconsistent grading. They blamed the ginner sometimes, he stated.

David Maxey, of Springlake, said he had sent in samples of nine bales and got back green cards showing a variation of from 1-32 to 7-8 inch staple from the same group of bales.

The assembly listened attentively to Glen Pass, veteran cotton buyer, who told them that in his years of buying, he had found more spot cotton this year than in any other. He said the difference was because there was more worms this year.

In a discussion between Jarvis Angeley and Whitaker, Angeley asked the question, "Are you working for me, or am I working for you?" Whitaker hastily assured Angeley that he, Whitaker, was working for Angeley, and was anxious to do what Angeley wanted done.

Evening services begin at 7:15 each Sunday with the young people and preaching services at eight. This will still leave time for those who have children in school, to get them in bed at an early hour.
Our Ladies Bible study is on Tuesday afternoon, 2:30 p. m., and our midweek Bible study is on Wednesday at 8:00 p. m.
Please call on us for further information, or if you need transportation; and may we have the privilege of meeting and greeting you personally.

Riley & Burt Implement Co. Area Leaders

Featuring a complete line of Ferguson farm equipment and tractors which have proven themselves to be economical and efficient wherever they are used, the Riley and Burt Implement Co., which is located at 1000 E. Delano in Littlefield and headed by Mr. F. Riley and Mr. C. O. Burt, owners, is gaining an enviable reputation, not only for their superior line but their good service and friendly attitude. The "welcome mat" is always out at Riley and Burt Implement Co., and their entire organiza-

tion is always glad to consult with you on your tractor and farm machinery problems. They have a reputation for making most liberal trade-in allowances on your old farm equipment for a new Ferguson tractor or farm machinery.

The service department of this popular Littlefield concern is modern and staffed by thoroughly experienced tractor and farm machinery mechanics. They give the same jobs as complete overhauls and are always glad to furnish cost estimates. They use only genuine factory parts.

This progressive concern now has the Lamb county distributorship for Graham-Hoeme plows. They will have sub-dealers in Sudan, Earth, Springlake, Olton, Spade and Lum's Chapel.

There is a Ferguson tractor and farm machinery for every farm requirement and we are pleased to salute the Riley and Burt Implement Co., and to compliment them on their outstanding line of machinery and tractors and the good service they render to their many customers throughout the entire area. —adv.—

Fisher's Cafe Is Tops For Food and Service

Those in this area who have enjoyed the splendid food served at Fisher's Restaurant, located at 330 Phelps Avenue, in Littlefield and headed by Mr. H. L. Fisher, owner, always look forward to eating there again the next time they are in Littlefield. Mr. Fisher specializes in the finest barbecue ribs in West Texas and they are available at all times.

Amid pleasant surroundings and served by most courteous and efficient waitresses, you can enjoy the best in barbecue ribs, choice steaks, fried chicken just the way you like it, and sea food which is received fresh daily. Fisher's Restaurant also has the reputation of serving the "best coffee in town."

Mr. Fisher especially invites our many readers throughout the area to come and enjoy "food at its best". They will go out of their way to see that you get just what you want, and you will join their many friends and customers who are loud in their praise of Fisher's Restaurant.

We take this opportunity of congratulating Mr. Fisher on his outstanding eating establishment and superior menu. They are worthy of the praise their patrons give them and we wish for them continued success in the future. —adv.—

Pierce Furniture Leader In Its Line

One of the outstanding furniture concerns in this trade area is the Pierce Furniture Co., located at 409 Hall Ave., in Littlefield and headed by Mr. E. H. Pierce. The management of this firm has established a record for excellent service and first rate business practices.

This progressive concern features well-known and nationally advertised brands of furniture, appliances, mattresses and venetian blinds, and all may be purchased on convenient terms. Pierce Furniture Company is the first thought of home makers

Culligan Soft Water Service Most Popular

Rendering an indispensable service to this trade area, Culligan Soft Water Service, located at 1020 East 9th in Littlefield, has become most popular. The CULLIGAN Water Softener is the result of years of research and actual tests and affords millions of homes and commercial establishments in America abundant soft water at a very small cost — the saving in soaps, wear on clothing when laundered, cosmetics and lotions will more than pay for the cost of CULLIGAN SOFT WATER SERVICE. Phone them in Littlefield 456, and they will gladly make an analysis of your water and go into detail with you regarding the merits and superior service that they offer, with no obligation on your part. They urge you to use soft water for better health and better living. They also distribute soaps that are made especially for soft water.

We compliment Culligan Soft Water Service of Littlefield and Lawrence Nickels for the splendid service that he renders and the outstanding lines that he handles. They merit the patronage of the entire trade area and we wish for them every success in the years to come. —adv.—

who are conscious of values as well as quality. Readers of our paper throughout this area will always find the "welcome mat" out at Pierce's and they will go out of their way in assisting your home planning, suggesting the proper groups of furnishings or odd pieces to harmonize with the other furnishings of wall treatment of your home. This is a part of the superior service they render without obligation.

Friendly, courteous service awaits customers of this popular firm and our readers will find that easy budget terms can be arranged to suit every budget in buying fine furniture. We are especially happy in this review to cite the high standing of the Pierce Furniture Company and to wish for their continued success in their chosen field in the years ahead because of their outstanding lines of merchandise, fair treatment and friendly attitude to their many customers. —adv.—

Campbell's Plumbing Is A Popular Concern

One of the leading plumbing and heating concerns serving the Littlefield area is CAMPBELL'S PLUMBING and HEATING firm located at 9th and Levelland Highway in Littlefield and headed by J. B. and Tim Campbell who operate this popular concern, and have had wide experience in this line and are always glad to discuss installations of plumbing and heating. They will gladly go into detail with you on complete home water systems in rural areas and will recommend and install pressure pumps that will give you the very best of service.

Campbell's also does all types of plumbing repair work and will be glad to check your furnace or heating system now and either make the necessary repairs or quote prices on install-

ing a new, modern heating plant in your home or commercial building.

We are glad in this review of our paper to recommend Campbell's Plumbing and Heating concern of Littlefield for the good record that they have made in their chosen field. Their expert work and quality plumbing and heating equipment, together with their open-and-above-board business policies have made them most popular and a leader in their line and are worthy of the support of those in the Littlefield area who may be in need of their services. A telephone call to them at 165 in Littlefield will enable you to have the very best in plumbing and heating work, as well as repairs or installation of a home water system, including pressure pumps. J. B. and Tim Campbell and the plumbing company bearing their name are worthy of public mention because of their friendly attitude

Fred Johnson Is Guest Speaker Of Study Club

The Muleshoe Study Club met in the home of Mrs. Julian Lenau Thursday, Nov. 20, with Fred Johnson as guest speaker.

Mr. Johnson's subject was "Austria." The complete history of that country from ancient times to the present time was given in a concise and thorough manner. He stated that Austria was the culture center of the world during the eighteenth century, but had declined in recent years. Some of the greatest musicians and scientists of the world have come from that country. However, it has been occupied by four countries since World War II.

Mrs. H. S. Sanders, Jr., spoke on "Canada," a country much like our own. She said that the

Ike's Threatened Headaches

Babson Park, Mass., Nov. 21 — Headache No. 1 is Korea. The sad feature of the Election is that his landslide may have come from parents and young people who dreaded Korea. If so, may not this be a sign of fear or cowardice which may likewise show itself in other problems.

SAND HILLS PHILOSOPHER —
City Problems Biggest Source Of Entertainment He Knows Of

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is probably talking about something he doesn't know anything about this week, but it's not the first time.
 Dear editor:
 I read the other day where some experts had been studying the problems cities are having, their parking problems, their utility rate problems, their street paving problems, their garbage disposal problems, their police problems, their school problems, their city hall problems, their water supply problems, etc. He

power without a struggle. Yet, Ike will consider it his duty to curb this dangerous situation. We must back Ike up in his efforts.
HEADACHE NO. 4 — FOREIGN IMPORTS
 Ike knows that to keep Europe and Japan from going Communist we must accept their goods graciously. To raise tariffs would be suicidal, he believes. Yet, U. S. manufacturers will make a concentrated drive upon him for higher tariff.

HEADACHE NO. 5 — EXCESS OF U. S. MANUFACTURING CAPACITY
 Fear of World War III has caused a great expansion in manufacturing space. This has greatly stimulated the building trades—lumber, steel and the other 27 industries which go into building. Barring World War III, this expansion is ending. Accompanying unemployment appears inevitable.
HEADACHE NO. 6 — REAL ESTATE OUTLOOK
 Last year five times as many houses were built as during a year ten years ago. This would be encouraging if these houses were paid for—but they were built on a shoestring. When unemployment comes a million of these houses could be vacated and come back on the market. This could ruin the market for houses, as well as throw millions of carpenters, bricklayers, painters and others out of work.

HEADACHE NO. 7 — INFLATION
 Ike has promised to stop inflation and he won millions of votes thereby. But can inflation be stopped without deflation? Does anybody want deflation? Solving this problem will be a real headache, but here again we must stand behind our new President.
HEADACHE NO. 8 — STOCK MARKET
 Unfortunately, a steadily declining stock market, commodity market and real estate market will give millions of people—as well as Ike—a headache. Most bankers believe that such declining markets will come in 1953 and or 1954. However, these bankers may be wrong.

HEADACHE NO. 9 — CONGRESS
 For real progress Ike must have a friendly Congress. He will start with one as did Herbert Hoover in 1928. But too many Congressmen think only of themselves, rather than the nation's good. Ike could lose the Congressional Elections in 1954 unless we fight for him from now on. His election will not be definite until November, 1954.
HEADACHE NO. 10 — CORRUPTION AND INEFFICIENCY
 Ike will try to clean house and increase efficiency at Washington; but every Government employee has many Congressional friends who will beg Ike to retain these friends—especially if general unemployment is increasing. Taxes cannot be decreased without mass discharges of Government employees. This will cause unemployment. President Hoover tried it. It started his collapse and the depression which followed.

HEADACHE NO. 11 — RELIGION
 Ike well says that America's greatest need is for a spiritual awakening; but thus far in the past only "hard times" have brought such about. This, however, may not be necessary if we all work for the New Administration and willingly put the good of the nation ahead of our own selfish wishes.

HYMNS OF THANKSGIVING
 Bless the Lord, O my soul, and forget not all his benefits. (Psalms 103:2.) Read Psalms 103:1-3 of I Timothy 2:1-8.

At mealtime we children, eight of us, often dipped too heavily from the serving dish. Father would give us a reminder by saying, "Look on your plate."
 This is wise counsel for us who pray. Instead of asking God for more and more, we should take note of what we already have. There is wisdom in the psalmist's reminder, "Bless the Lord, O my soul, and forget not all his benefits." The number of benefits are limitless, but among them are the beauty and fruitfulness of the out-of-doors, the love and companionship of family and friends, the functioning of the marvelous mechanism of our bodies, and soul redemption through Christ.
 We have today many benefits which were unknown to the psalmist. Consider the advance

Pugh Completes Basic Training
 Lackland Air Force Base — James M. Pugh, son of Mr. and Mrs. H. T. Pugh, 18, Rt. 2, Muleshoe, is completing his AF basic airman indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."
 Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force Basic training for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.
 His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

IT'S THANKSGIVING AGAIN!

....freedom to worship God....
 We, as Americans, have so many reasons to give thanks on this holiday that belongs so truly to us! With the heel of the tyrant crushing out the spark of liberty in so many other lands our hearts should be full of thanks to the Almighty who has been so kind to us. **WE WANT TO WISH OUR MEMBERS AND THE PUBLIC A HAPPY AND BOUNTIFUL THANKSGIVING.**

Epsilon Chi Has Annual Banquet

The Fellowship Hall was the scene of the annual Epsilon Chi Thanksgiving banquet Thursday, Nov. 20, with husbands and guests attending. Special guests were Mr. and Mrs. Houston Hart, sponsors of the Sorority.

Rev. H. W. Hanks gave the invocation.

The program was presented by the expression class of Mrs. Clinton Bristow. Miss Joan Montgomery also gave a Thanksgiving reading.

Trombone and piano duets were played by Lloyd Alsop and Billy Don Barbour.

After the program the guests went to the Bailey County Cooperative Association building for games.

Preston Cargile Home From Korea

Staff Sgt. Preston Cargile, son of Mr. and Mrs. D. W. Cargile, Route 1, Muleshoe, is home on a 30 day leave after serving 12 months in Korea. He was aboard the transport, Randall, when it docked November 12 at San Francisco.

Sgt. Carlile is a member of the 811 A Engineers Corps that received honorable mention in the "Stars and Stripes" for outstanding construction work at Seoul, Korea. He was a member of the 1948 graduating class of Sudan High School and farmed with his father before entering the service in February, 1951.

Sgt. Cargile will report to Ft. Ord, Calif., December 13, for reassignment to serve the remaining 12 months of his enlistment.

State P. T. A. Convention Is Big Success

Those attending the P. T. A. State Convention held in Wichita Falls November 19, 20, and 21 were Mesdames R. F. Wright, D. L. Morrison, and Onard Upton, of Muleshoe and Mrs. Leon Smith of Lazbuddy.

An outstanding program was given. Knox Walker of Atlanta, Ga., second vice president of the National Congress of Parents and Teachers, gave an address on "Living in Days of Decision."

A panel discussion on "Freedom, Education and Democracy" was given by members of Sheppard Air Force Base whose homes are in the Philippines, Thailand, Belgium and Germany. There are 800 students from 27 foreign countries at Sheppard Field.

A program demonstration was given by four teams of the 1600 convention delegates. Each team took its turn allowing all to watch a demonstration.

One of the highlights of the convention was an address on "American Family Life—Aid to Enduring World Peace" by Mrs. Ernestine Gilbreath Carrie of

Mr. and Mrs. Santos Rando on the birth of a son, Pedro, born November 20, 1952.

Manhasset, N. Y., author of "Cheaper by the Dozen" and "Belles on their Toes." She spoke at the banquet which was given Thursday morning.

Music was enjoyed by all the high school bands and junior high school bands combined.

Full report of the convention will be given at the next regular high school P. T. A. meeting and everyone is urged to attend and hear them.
