VOLUME 68 OZONA, CROCKETT COUNTY, TEXAS 76943 25c Per Copy WEDNESDAY, JUNE 11, 1980 NUMBER 15

## Kitty's Korner

by  
Kitty Montgomery

Monday's rainfall only measured .24 of an inch here in Ozona, but throughout the south part of the county up to six inches of rain was recorded. Draws ran bank-high and Hwy. 163 was closed for most of Monday. Ozona also missed out on the heavy rains in the area Sunday.

I took my life in my hands and went to the city again last weekend. This time to Dallas. I felt pretty confident starting out. Donna Beth Davidson accompanied me, and she has navigated us safely through some of the worst traffic mix-masters I have ever seen. We have a system, she reads the map and gives directions and I drive. It has always worked out just fine.

However, we had no more than begun our trip when I discovered, or thought I did, the map was missing. This sort of nagged me all the way, but she was reassuring. We had looked at the Metroplex map pretty well the night before and we knew where we were going. As it turned out we didn't know how to get where we were going after we got there. We got on the wrong road shortly after reaching the Dallas city limits, and spent as long traveling around Dallas as we did to get there. To top it off when we finally got to the right Holiday Inn, I found I had been sitting on the map. This, of course, was after we had gotten off the expressway and bought another map.

We managed to get home without missing a trick and as we were pulling into San Angelo, I decided we should take every weekend and go to the city until we got it all down pat. My navigator said she would have to give that idea several days of serious thought.

Max and Phil Schneemann are the perfect example of that old saying "you're just as old as you think you are." They celebrated their 65th wedding anniversary Monday and I had an opportunity to visit with them a few minutes. They might not be quite as frisky as they were 65 years ago, but the years haven't even begun to put a dent in their sense of humor. May they have 65 more.

## Sinclair top range judger

Kelly Sinclair was high individual in range judging at the Range Contest at State 4-H Round-up at College Station last week. The Crockett County team placed third in the contest. Other members of the team were R.J. "Bubba" Everett, III, Will Hoover, and Frankie Reavis. Team Coaches Billy and Sid Hoover accompanied the team to A&M. C.H. Sinclair also assisted in coaching the team but was unable to attend Roundup.

Kimble County placed first and Hemphill County was second. Only one point separated second and third place teams.

The Horse Judging team placed eleventh in the state judging contest held at Roundup. Team members Will M. Black, Les Hale, Louis Bunger, and Curt McPherson were coached by Paula and Jim Bob Bailey. Mr. and Mrs. Terry McPherson and County Agent Billy Reagor accompanied the group to A&M.

OPEN HOUSE at Ozona National Bank Thursday was a gala affair. Bank employees and their families entertained in the attire worn when the bank opened 75 years ago. On display

were some of the first ledgers and machines used 75 years ago. Ozonans turned out in droves to visit and enjoy cookies and punch with the bank family.

## School vandalism being investigated

Local officers and school officials are still investigating vandalism which occurred at Ozona High School and Ozona Primary School in the early hours of last Wednesday morning.

The vandals broke in the high school by going through a window in the principal's office. They thoroughly wrecked the lower floor of the school and ruined blackboards. Obscene language was painted all over the walls in both schools. Windows were knocked out and damage is estimated at several thousand dollars.

A workman with the construction company at the primary school was sleeping

in his camper when he was awakened about 2:00 or 3:00 a.m. by what he described as 9 or 10 youths. He managed to run them off from the front of the building, but the damage had already been done.

Superintendent of schools Foy Moody said "I think it's a shame these acts of vandalism by a few individuals in our community has taken place. It should be embarrassing to every citizen in Crockett County." He also said, "In addition to being school property, it is also property that has been paid for by the citizens of our community."

Moody added, "I hope the

citizens of Crockett County will cooperate with the school and law enforcement officers in helping us make certain acts like these do not recur. You can help by reporting to officers when you see anyone where they should not be."

Lesson plans and teaching aids were thrown out through the windows along with most everything that was not nailed down. Teachers names along with law enforcement officers' names were used in the obscene writings, along with extolling "cocaine is king!" Fire extinguisher chemical was sprayed on desks, carpet and office machines.

JAWS OF LIFE is used to extricate wreck victims in the fatal accident at Midway Lane Saturday afternoon. The car was so badly mangled, the top had to be cut from it before the firemen could open the doors with the tool. Working on it are Bob Davee and David Cooke.

## Court reviews '81 budget requests

The Crockett County Commissioners Court met Monday and discussed the proposed budget for 1981. Several department heads made budget requests at the meeting. Among requests tentatively approved were \$10,000 for ball parks; \$35,000 for the North pool; three new cars for the Sheriff's Department and a 12% across the board salary increase for county employees and elected officials.

Bill Cooper met with the court and reported an engineering firm had estimated the cost of moving the sewer plant one mile south and approximately three-quarters of a mile west of the existing plant at around \$200,000. He said the water district had approximately \$50,000 on hand for the project and asked the county for financial aid in order to avoid voting a bond issue. The matter was tabled until more work is done on the 1981 budget.

Fire Chief Dorris Haire requested \$12,500 be included in the budget for the purchase of a high pressure pump and new tank to rebuild an old fire truck.

The court voted to transfer \$120,000 from general funds to the hospital fund and \$45,000 to the care center. Some concern was expressed over the loss at the hospital this year. Average loss for the first five months of 1980 stands at \$48,000 per month.

Bids were opened for the sale of a used grader and loader from the road department inventory. Joe Williams had the high bid for the

TD-9 at \$4,995; and Hugh Coates of Brackettville had the high bid for the used grader at \$9,696.96.

Von Parker, road department head, reported his department had been covered up with complaints of ditches cut in public roads and not repaired. The court agreed to require all contractors to purchase a permit before cutting into public roads for any purpose. The permit would cost \$25 and be paid to the road department.

Parker also asked the court to approve a total of \$275,000 in the 1981 budget for the road department.

An emergency purchase of a chip spreader in the amount of \$10,000 was approved by the court.

Armando Villarreal, Blue Cross representative, reported the county health insurance would remain the same in 1981, but life insurance had been lowered \$2.05 per month per employee.

## Big vote in run-off election here

A total of 891 Crockett County voters cast ballots in the Democratic run-off here Saturday. Of that number, 254 were cast in the absentee voting.

Bill Mason won handily over Jack Schulze in the race for District Attorney, 112th District. The vote in Crockett County was 628 for Mason and 173 for Schulze and that was the trend in all five counties in the district. Mason carried every county in the district and got 66% of the total vote to 34% for Schulze.

Pecos County gave Mason 378 votes to 251 for Schulze. In Upton County Mason got 74 votes to 67 for Schulze. In Reagan County, where Schulze is County Attorney, Mason won 150 to 130. The Sutton County vote went 201 for Mason and 124 for Schulze.

Precinct 1 drew the most voters to the polls, return-

ing incumbent Commissioner Sostenes DeHoyos to office by a vote of 307 to 271 for his opponent Frank McMullen Jr., local rancher.

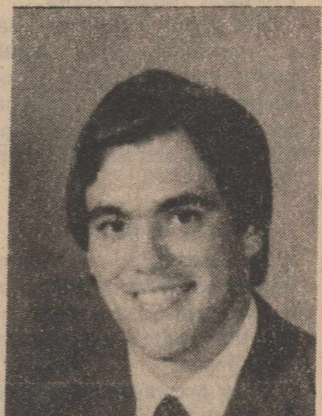

## Census takers needed

The final phase of the census will begin in Crockett County tomorrow when Maurer Werst of Big Lake, will test for census takers at the Civic Center at 10:00 a.m.

Several census takers will be needed for the final wrap-up and those hired can expect several weeks work at good wages. It is an unusually good opportunity for college students who are home for the summer and need part time jobs.

## Montgomery receives DDS degree

Clifton James Montgomery, son of Mr. and Mrs. Tom Montgomery, received his Doctor of Dental Surgery Degree during graduation exercises of Baylor College of Dentistry Saturday, June 7. The service was held at 10:30 a.m. at Gaston Avenue Baptist Church.

DR. MONTGOMERY

Dr. Robert J. Nelsen, executive director of the American College of Dentists, delivered the address.

Dr. Montgomery is a graduate of Ozona High School and The University of Texas at Austin. He is a member of the American Student Dental Association, the Baylor Odontological Honor Society, and Psi Omega Dental Fraternity.

## Ozonans in AJRA competition

Several Ozona cowboys are in contention for the American Junior Rodeo Association's top spots in the finals which will be held in Snyder in August.

Dan Bean is leading in All-Around and in Optional Roping in the boys 13-15 age group. Kevin Miller, in the same group, is leading the top ten in Tiedown Roping and Bean is third. Kevin is

also standing third for All-Around. Rod Miller is in the top ten optional ropers and also for All-Around.

Will M. Black is standing fifth in Tiedown Roping for the 16-19 age group.

4-H RANGE JUDGING TEAM-Kelly Sinclair, left, was top individual in the state contest held last week, and the team took third place in state competition. Other team members and instructor are Frankie Reavis, Bubba Everett, Will Hoover and Billy Reagor.

## Former Ozonans killed in Midway Lane crash

Mr. and Mrs. Hollis Stewart were killed instantly Saturday afternoon when a welding truck hit their car broadside at the intersection of U.S. Highway 190 and U.S. 163 fifteen miles north of Ozona. The intersection is better known as Midway Lane and over the years it has claimed many fatalities in traffic accidents.

Driver of the truck, Ignacio Carrasco Aguilar, 27, of Odessa, suffered cuts and bruises. He was charged with involuntary man slaughter.

The accident occurred as

the Stewart's car was traveling south on U.S. 163. The truck, traveling west on 190 apparently failed to stop at the intersection. Mr. Stewart, 58, and his wife Lois, 64, were pronounced dead at the scene by Justice of the Peace A.O. Fields. The accident occurred around 1:00 p.m.

Fireman worked some 45 minutes with the Hurst tool in order to remove the bodies from the wreckage.

The Stewarts lived in Ozona for many years before moving to San Angelo in the late 1960s. He was employed by the county.

Mrs. Stewart will be held this afternoon at 2 p.m. at Johnson's Funeral Home chapel in San Angelo with burial in Fairmount Cemetery.

Mrs. Stewart was born January 16, 1916, at Millersview. Mr. Stewart was born Nov. 16, 1921 in Paint Rock. They were married Nov. 9, 1941 in San Angelo.

Survivors include their children, one daughter, Priscilla Goodgion of Hurricane, W.Va.; two sons Gary Stewart and Rodney Stewart, both of Odessa, and one granddaughter. Both are survived by sisters and brothers.

**THE PLAGUE REVISITED**

By Edwin Feulner

Though you are unlikely to know about it if you rely on the network news for all your information, the American West is at war.

The invaders are neither men, nor beasts; they are bugs. Millions of them — hungry, flying, swarming grasshoppers which are in the process of destroying a possible 32 million acres of western crop and rangeland.

According to the U.S. Department of Agriculture, it is the worst plague of grasshoppers in this century. The extent of the problem should raise eyebrows — because last year saw a similar plague, billed at the time as the worst in 20 years, and the year before, 1978, saw still another.

In each succeeding year — despite our modern farm technology and the array of powerful chemical bug-killers that is available — the problem has gotten worse.

Why? Because the federal government, in an effort to create a totally pollution-free, risk-free, idyllic society, has either banned or so sharply restricted the use of chemical bug-killers that the war has become one-sided. The bugs are winning.

The list of pesticides pulled off the market by the Environmental Protection Agency is extensive.

But even at that, nobody maintains that the products remaining on the market couldn't do an adequate job, if given a chance. The trouble is, they are not given a chance. The EPA will not permit spraying in many areas that could and should be sprayed; this provides the bugs with verdant breeding grounds, and makes spraying an exercise in frustration. As scientist William Hollis of the National Agricultural Chemicals Association puts it, "It's like giving somebody an antibiotic for a major disease, but restricting them to only half the needed dose."

So in the name of "environmentalism" we allow the destruction of tens of millions of acres of productive land. Pesticide regulation also is an economic and political issue.

Economic — because as the National Academy of Sciences has reported, if the U.S. was to go "cold turkey" and discontinue the use of pesticides, farm prices would increase by 50-75 percent. This would happen because crop production would fall sharply, an estimated 30 percent in the first year.

Political — because EPA pesticide regulatory policy seems more of a vendetta against man-made chemicals, than it is a rational risk-benefit assessment.

For example, the government continues its war on Dow Chemical's 2,4,5-T, a phenoxy herbicide used in forest management. The weed killer has been accused of every heinous crime imaginable.

Yet, not a single shred of documented scientific proof has been produced.

To the contrary, studies in Great Britain, Australia, and at U.S. universities show the product to be safe.

Even one of the government's top pesticide policy-makers, Hurlon Ray, said after his recent retirement from the EPA, where he won the agency's top award, that although the product is very dangerous (as all pesticides are), the scientific evidence simply does not justify the ban.

Yet, the EPA has not relented, and the ban remains.

Dr. Etyl Blair, Dow Chemical's Vice President and Director of Health and Environmental Sciences, hit the nail on the head this spring: "2,4,5-T is being victimized by an agency which has expended too many man-hours and tax dollars to admit now that the herbicide is safe when used properly." I think he is unfortunately correct.

(Feulner is president of The Heritage Foundation, a Washington-based public policy research organization.)

The Texas Rangers are the oldest state police force in the nation.

**STATE CAPITAL HIGHLIGHTS**  
By Lyndell Williams  
TEXAS PRESS ASSOCIATION

**AUSTIN**—Texas is bucking the federal government again.

Last month the US Justice Department filed a court motion asking that it and the state be included as defendants in a Houston school system desegregation lawsuit.

Texas Attorney General Mark White last week filed his suit to keep state government out of the lawsuit and to prevent the Justice Department from dismantling 23 Houston-area school districts.

The Justice Department wants a court-appointed administrator to combine the 23 school districts to achieve racial balance, and White considers their court-jockeying as "interference and disruption."

This particular Houston desegregation suit actually began 24 years ago when the original complaint was first filed against the Houston Independent School District.

Since that time, White said, great strides have been made to achieve desegregation. The latest federal action, he said, will combine school districts and affect local tax structures, and is therefore unconstitutional.

Noting that schools in the Washington, D.C. area are among the most segregated in the nation, White said he would like to ask Justice officials why they have not filed desegregation suits in districts where the children attend schools.

**Texan Challenged**

The nomination of State District Judge H. F. Garcia of San Antonio to a federal court was challenged by Sen. Robert Dole, R-Kansas, during Senate Judiciary Committee hearings last week.

Dole delayed by one week the vote to approve Garcia and Judge Fred Shannon, also of San Antonio.

Garcia was questioned by the committee about the speed with which he handled his cases. He was praised by Sen. Lloyd Bentsen and two Texas Congressmen.

**New Braceros?**

Texas Governor Bill Clements says he wants to work out a program whereby more Mexican nationals can obtain temporary work permits here, but Hispanic leaders say his proposal is just a warmed-over version of the controversial 1942 bracero program which was branded as a form of modern-day slavery.

The Governor, as the founder of a large oil well drilling firm SEDCO, is more interested in Mexico's oil and natural gas reserves, said Ruben Bonilla of Corpus Christi, national president of the League of Latin American Citizens. The outspoken Bonilla is not known for pulling his political punches, nor is Clements.

Clements wants to legalize the status of Mexican workers in the U.S. to make them less vulnerable to exploitation by unscrupulous employers... and to provide a minimum wage and decent working conditions.

**Better Than Jail**

Convicted former Texas Supreme Court Justice Donald B. Yarbrough, who is appealing a five-year sentence for aggravated perjury, wants state permission to attend medical school in the Bahamas.

His lawyer said Yarbrough "wants to get the threads of his life together."

Prosecutor District Attorney Ronald Earle and District Judge Mace Thurman have yet to respond to the request.

Yarbrough was convicted in 1978 for lying to a grand jury about telling a former business associate how to forge a car title.

**Clements and Reagan**

Governor Clements has offered the use of his 45-acre Virginia estate, once owned by President John F. Kennedy, to apparent GOP presidential nominee Ronald Reagan. Reagan will be moving to the Washington area later this month to begin the second phase of his campaign: running against probable Democratic nominee President Jimmy Carter.

The ranch-style house has a swimming pool, tennis court, stables and a bomb shelter. Next-door neighbors are Sen. John Warner and his wife, actress Elizabeth Taylor.

**Farm Labor Study**

A Texas House subcommittee on farm labor spent last week in California studying that state's agricultural labor laws.

They are researching how a similar law would work in Texas.

This issue was probably the most controversial among farm issues in the last Legislature. Advocates want a higher wage for farmworkers. Opponents argue that low market prices do not allow many farmers to break even, much less support a wage increase.

**High Court Ruling**

The Texas Supreme Court ruled last week the Constitution allows state agencies to run their own print shops, and over 140 of them do. The court reversed a civil appeals court ruling that would have required all printing to be contracted from private bidders. At issue was a section of the Constitution that directs most printing be given to the lowest bidder, but the High Court argued the section was meant to prevent patronage and profiteering rampant during the Reconstruction era.

You can dye faded fur with hair dye, following package directions, then washing quickly and shaking out the moisture. Finish drying before you brush the fur.

**you and the LAW**  
PRESENTED BY THE STATE BAR OF TEXAS

**Q:** My six-year-old child was born out of wedlock. Her father is married to another woman. I have various proof that he is the father including pictures, letters, and witnesses. Can I legally make him pay child support? I've never tried before.

**A:** The United States Supreme Court has ruled that fathers have a legal duty to support their children whether those children are legitimate or not. If the father denies paternity, you must prove, through a paternity suit, that he is the father. The Texas Family Code, however, requires the paternity suit be filed before the child is one year old. The one year statute of limitations does not, however, apply to a child born prior to September 1, 1979.

**Q:** I feel my attorney has been negligent in handling a legal matter for me. Where do I go to complain and get something done about this?

**A:** If you feel that your attorney is not properly handling your affairs, you can contact the local Grievance Committee in the area where you live. To find out whom to contact and how to file a complaint, call the State Bar of Texas in Austin. They will supply you with the name of the chairman of the grievance committee in your area. It will not be necessary for you to have a lawyer to represent you before the grievance committee.

**Q:** I will be going on a weekend trip and leaving my child with a babysitter. If my child should break an arm or otherwise injure herself and I cannot be reached, can she receive medical aid?

**A:** An "Emergency" exists when the patient is unconscious or otherwise unable to consent and immediate medical treatment is necessary to preserve life or health. Emergency medical care could be rendered without an express consent in this type of situation. For non-emergency situations, if you cannot be contacted and you have not previously given actual notice prohibiting treatment, there are certain family members who may give the necessary consent. They are your child's grandparents, adult brothers and sisters, and adult uncles and aunts. Your best solution is to leave a written, signed authorization.

**Q:** The man I used to live with has been threatening me and won't leave me alone. How can I make him quit bothering me?

**A:** A peace bond can be used to protect you from someone who is harassing you. Once a complaint has been sworn out before a justice of the peace, the Judge then decides whether to arrest the person and bring him to justice court. Following an arrest in a case of this type, the justice would hold a hearing to determine the probability of future violence. If that probability is found to exist, the justice of the peace can order the person jailed until the peace bond is posted.

**Q:** I want to purchase a car for myself. Can I get a loan without my husband as a co-signer?

**A:** Yes, if you satisfy the lender that you are financially responsible. In Texas, most lenders will base their decision on whether you own sufficient separate property or earn enough money yourself to make you a satisfactory credit risk. Recent federal legislation provides that a woman cannot be denied a loan solely on the basis of sex.

**Tips For Gardeners**

From the Ozona Garden Club by Mrs. Bailey Post

Summer time is here when June arrives, and brings a wide range of flowers. The roses, day lilies, oleanders and many others are dotting the gardens with colorful blossoms for their best show of the season.

June brings lengthened days and the time change extends the time for gardening activities. Early morning and late evening hours are the most pleasant to do mowing, edging, weeding and tending flower beds. During these hours the wind is usually calm, so its a good time to spray or dust for insects.

Both standard and dwarf varieties of dahlias can be started safely in the garden this month. If you are growing your plants from tubers, place them four inches deep in well-worked soil; plant small tubers only two inches deep. As the plants develop, pinch back to encourage branching. The tall varieties of dahlias will need to be staked, so insert a stout stake into the ground nearby at planting time.

Plant spider lilies this month for the very striking blossoms this fall. Set the bulbs 4 inches deep and 8 inches apart in lightly shaded areas. Depending on species, spider lilies bear seed, pink, or pale-yellow blossoms in early August through October. The foliage follows and remains green all winter. Allow the bulbs to grow undisturbed, watering as the soil becomes dry. A light application of 5-10-5 fertilizer after flowering will keep the bulbs growing vigorously.

Overgrown impatiens (Sultana) can be a late-season bargain. Cut them back, then root the cuttings. These may be found in garden centers or nurseries at reduced prices. Water the plants thoroughly before removing them from the flats. If plants are extremely leggy, they are like-

MRS. WILLIAM BISSETT  
...nee Cathy Cochran

ly to be rootbound, so loosen matted roots. Set plants about 8 inches apart in well-prepared soil, and firm the soil around them. Water thoroughly. Cut plants back to about 6 inches to encourage branching. This will help make bushier plants that bloom profusely into fall. Begin feeding 5-10-10 fertilizer after the plants have been planted two or three weeks. Use 1/2 cup per square yard of planted area.

Impatiens root easily and should be ready them in water, or if planted in soil refill the flats with a mixture of equal parts of peat moss and perlite and moisture. Insert the cuttings, and keep moist but not wet. Water newly set plants at the first signs of wilting.

**GEORGE LINK  
NEW CONSERVATIONIST**

George Link is the new range conservationist with the local SCS office. He was transferred here from Junction. He will be working with Clitis Sinclair.

He and his wife, Vlinda, moved to Ozona, May 27.

**Mrs. Childress  
hostess for  
lunch-bridge**

Mrs. Dwight Childress was hostess for luncheon and bridge at the Country Club Thursday.

High score went to Mrs. Byron Williams, with a tie for second between Mrs. Rip Sewell and Mrs. J.B. Parker. Mrs. Bill Mason and Mrs. Dick Kirby won the bingos.

Others playing were Mrs. Charles Williams, Mrs. Jack Williams, Mrs. Duane Childress, Mrs. Douglas Moore, Mrs. Larry Braden, Mrs. George Bunker, Mrs. Joe Clayton, Mrs. Beecher Montgomery, Mrs. Gene Williams, Mrs. Sherman Taylor, Mrs. Kirby Moore, Mrs. Jake Mayfield, Mrs. Brock Jones, and Mrs. Clay Adams.

Luncheon guests were Mrs. Arthur Kyle, Mrs. Robert Cox, Mrs. A.S. Lock, Mrs. Sidney Millsbaugh and Mrs. Embree Hunt.

**Miss Cochran and Mr. Bissett wed**

Miss Cathy Lynn Cochran became the bride of William Edward Bissett Saturday evening at 8:00 p.m. in the Robert Carr Chapel at Texas Christian University in Fort Worth. Dr. J.W. Sprinkle of Fort Worth, officiated at the candlelight ceremony.

Parents of the couple are Dr. and Mrs. Irad M. Cochran of Fort Worth and Mr. and Mrs. Robert L. Bissett of Ozona. The groom is the grandson of Mrs. E.H. Griswold and Mr. and Mrs. W.R. Bissett, all of San Angelo.

Given in marriage by her father, the bride wore a gown of white satin adorned with Alencon lace. The molded bodice featured a lace wedding band collar and sheer yoke accented with lace motifs, seed pearls and a centered Venetian lace medallion. The empire waist flowed to an A-line skirt with back fullness, forming a chapel length train. The skirt and train were highlighted with rows of Venetian lace medallions and scalloped Alencon lace. The gown also featured a Schiffler lace ruffle along the lower edge of the skirt and train lining.

The long sheer sleeves of English net were sprinkled with Alencon lace with a Venetian lace medallion at the wrist. The mantilla veiling of silk illusion was edged with scalloped Alencon lace and lace medallions and caught to a modified Juliet Capulet. The back of the veil was embellished with Schiffler embroidery. She carried a wedding bouquet of white roses, accented with stephanthus, baby's breath and fern.

Mrs. Robert M. Cochran of Missouri City, sister-in-law to the bride, served as her matron of honor. Bridesmaids were Miss Kathy Bell of Hinsdale, Illinois, Miss Jacque Benson of Fort Worth, Mrs. William Armstrong, Jr. of Norman, Oklahoma, and Mrs. Gary B. Mitchell of Ozona. The bride's attendants wore formal gowns of navy blue crepe with an overdress of navy chiffon, featuring a bateau neckline, blouson bodice and full, three-quarter sleeves.

The attendants carried bouquets of anthurium and lilies.

Robert L. Bissett stood as his son's best man. Grooms-men were Wayne A. Bissett of Ozona, brother of the groom, Robert M. Cochran of Missouri City, and Curtis T. Cochran of Fort Worth, both brothers of the bride, and Joe S. Pierce V of Ozona. Ross McKillip of Houston and Bruce Sanderson of Lubbock were ushers.

Miss Kendra Cochran of Missouri City, niece to the bride, was flower girl and Michael Mitchell of Ozona was ring bearer.

Following the ceremony, the bride's parents hosted the reception at the Century Two Club of Fort Worth. Ozonans serving as members of the houseparty included Misses Camille Davidson, Lisa Mitchell, Gail Hunnicutt and Mrs. Rick Hunnicutt.

Mr. and Mrs. Bissett honored the couple with a rehearsal dinner Friday evening at the Petroleum Club of Fort Worth.

Mr. and Mrs. Jack Wilkins and Mr. and Mrs. Gene Perry, held a breakfast for the wedding party, their families, and out-of-town guests Saturday morning at the Ramada Inn Central in Fort

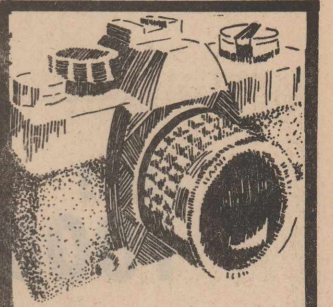

Worth. Friday Mr. and Mrs. Gary Buck Mitchell hosted the wedding party with a night on the town.

The former Miss Cochran is a graduate of Eastern Hills High School in Fort Worth and attended Texas Wesleyan College. Mr. Bissett is a graduate of Ozona High School. At present they are both attending Texas Technological University. Following a wedding trip to Colorado, the couple will be at home in Lubbock.

Others attending the wedding from Ozona were Mrs. Robert Cox, Mrs. Anne Davidson, Mr. and Mrs. John R. Hunnicutt, Mr. Rick Hunnicutt, Mr. Gary B. Mitchell, Mr. Tom Mitchell, Miss Luann Perner, Mr. and Mrs. Joe S. Pierce IV, Mr. Dan Davidson and Miss

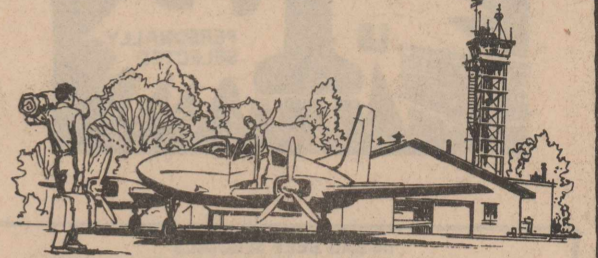

Hope Phillips.

Also from out-of-town: Mrs. E.H. Griswold, Dr. and Mrs. George B. Griswold of Albuquerque, New Mexico, Dr. and Mrs. James A. Griswold of Ballinger, Mrs. Griswold Kreig and Miss Stephanie Cohan, both of Ballinger, Mr. and Mrs. James T. Martin and James T. Martin, Jr. of Las Cruces, New Mexico, Mr. John El McCord of Beeville, Mr. and Mrs. James Salopek of Las Cruces, Mr. and Mrs. Michael Simms and Miss Leslie Bolt of Dumas, Mr. Greg Willis of Houston, Mr. Tom Sloan of Midland, Mr. and Mrs. Merlin Davis of Dallas, Mrs. William T. Irving, Mr. John Irving and Mr. Joel Irving, all of Dallas, Mr. and Mrs. James R. Sheldon of Grapevine and Mr. and Mrs. William T. Irving of Graham.

**HOW BIG?**

Gwenn was in kindergarten, and for fun, we'd play "How big?"

"How big is the beachball, Gwenn?" Mary would ask.

"Two inches!" she'd answer.

"How big is Daddy?"

"Eighteen inches!" said the thirty-six-inch giant.

"How big is that building?"

"A mile! No, two miles!"

So it went until Gwenn learned about the standards of length: the inch, foot and mile. Now, at eight, a beachball is "twenty inches;" Daddy has grown to "six feet;" and that building over there is "about two-hundred feet." Now, Gwenn has a better idea of the "bigness" of our physical world.

But what of spiritual dimensions? Gwenn must learn to gauge problems, worries, hopes and aspirations — lest her troubles seem too big, her dreams too small. She will turn to God's living Word, the Bible — taught in her church.

A little girl learned. Will you?

## Bohannons celebrate 50th wedding date

Mr. and Mrs. John E. Bohannon were honored on their 50th wedding anniversary Saturday, June 7, at the River Inn Resort at Hunt. Sixty-one relatives gathered for the event.

Mr. and Mrs. Bohannon were married May 14, 1930, in Brownwood.

The celebration was arranged by the honorees' three children and their families, Mary Sue and Howard Gill of San Angelo, John and Mary Bohannon of Houston, and Carol and Sammy Martin of Nixon. All of the Bohannon's eight grandchildren were present.

A barbecue dinner was served on the terrace, followed by a reception in the lounge. Family photographs were displayed on the walls. The serving table was laid with a gold lace cloth and centered with a floral arrangement of sweetheart roses, blue and white daisies and lily of the valley, a

replica of the floral arrangement used at the original wedding.

Mrs. John Bohannon, a daughter-in-law, presided at the guest book. Michelle and Barbara Martin and Jennifer Bohannon, granddaughters, presided at the punch bowl, and their three children served the white and gold wedding cake. Before the champagne punch was served, the couple was presented with a set of engraved glasses.

The bride's bouquet, a replica of the original, was presented to her by her sisters, Mrs. E.B. Grady of Borger, and Mrs. George Roland of Rockwall.

Dancing followed the reception with music by B.T. Wilson Combo of Kerrville. Those attending were from all areas of Texas and from other areas from California to Boston, Mass.

MR. AND MRS. BOHANNON

## Mrs. Vannoy honored

Mrs. Rick Vannoy was honored with a bridal shower on Saturday, June 7, at the home of Mrs. Bill Watson. Mrs. Vannoy, the former Phyllis Sue Marks became the bride of Mr. Vannoy in Fort Stockton Friday, May 30.

## Ozonans sweep field in Sonora

Ozona cowboys and cowgirls swept the field at the Sutton County 4-H Horse Show this year. Gay Burns was Senior All Around and high point. Kristi Kirby was runner-up for senior All-Around.

Donna Comer was Junior All Around and high point junior, and Missy Bishop was Pee Wee high point.

Other Ozona youngsters winning various places were Kim Bishop, Bobbie Acton, Marcy Acton, Shelia Comer, Louis Bunker, Terry House and Shala Baker.

## HISTORICAL COMMISSION WILL MEET MONDAY

The Crockett County Historical Commission will meet Monday afternoon, June 16, at 3:00 p.m. in the courthouse library for its regular meeting.

## Hydroponic gardening, try it

Get a "taste" of hydroponic gardening--by growing your own bean sprouts at home.

It won't really be the same, but it will give you an idea of what hydroponic gardening means, says Dr. Rose Tindall Postel, a foods and nutrition specialist.

Hydroponic gardening means growing garden crops in water and feeding the plants with nutrients added to the water, she explains.

Get these supplies together: beans, a screw-top jar, water and a little time.

Wash a half cup of the beans and soak them overnight in cold water.

Drain off the water. Punch holes in the lid of your screw-top jar.

Put the beans in it and screw on the lid.

Put the jar in a dark place. Rinse the beans with water and drain them two or three times each day.

Each time, put the jar back in a dark place.

Sprouts grow very fast--they'll be ready to eat in five days.

They're really good in salads, or cooked with other vegetables.

Bean sprouts, of course, are only the beginnings of plants. If they were to grow much bigger and develop green leaves and stems, they would need more than just the water you would give them to make sprouts. Also, they would need soil, light and air.

Other hostesses for the bridal shower were Mrs. Billy Hoover, Mrs. Raymond Adcock, Mrs. Thomas Davis, Mrs. Charles Huffman, Mrs. Terry Gries, Mrs. Sam Perner, Mrs. Foy Moody, Mrs. Larry Arledge, Mrs. Jeff Owens, Mrs. Roy Pearson, Mrs. Otis Holt, Mrs. Ronnie Pearl, Mrs. Doyle Easterwood, Mrs. B.B. Ingham, Jr. and Mrs. Tom Montgomery.

## Pregnant? don't drink!

Pregnant women who drink alcoholic beverages can damage their unborn babies, says Dr. Mary Ann Shirer, a health education specialist.

Many children born to women who drink "excessively" while pregnant have shown recognizable patterns of physical and mental birth defects, known as fetal alcohol syndrome, she explains.

Of course, there is one other alternative, she adds. Since safe levels of drinking are unknown, pregnant women and those likely to become pregnant should discuss their drinking habits--and the potential dangers--with their physicians.

The "do's and don'ts" associated with pregnancy may seem overwhelming, but underlying all the advice and recommendations you get is this important message: What you do makes a difference, the specialist stresses.

By making informed choices about alcohol use during pregnancy, you can increase your chances of having a healthy, normal baby.

## Health hints help players enjoy tennis

## COLLEGE STATION

Tennis buffs preparing to return to the court as the weather becomes warmer should follow a few simple rules of good health, warns Dr. Allen Ashby, a Texas A&M University physical education expert.

Ashby recommends stretching exercises to loosen muscles before walking onto the court. He also suggests a brief warm-up period with both players standing in the smaller service courts. Other rules include stretching again after playing, drinking water after each game and scheduling games before 10 or 11 a.m. and after 6 p.m.

## ENGAGED

Mr. and Mrs. James D. [Pee Wee] Marsh announce the engagement and approaching marriage of their daughter, Donna Ann, to David Wayne Harris, son of Mr. and Mrs. Jim Murphy. The wedding will be held July 26 at Calvary Baptist Church. The couple will make their home in Ozona, where he is employed by the State Highway Dept.

Shown are three examples of how rising prices are affecting the cost of producing electric energy. Of course everything else has gone up, too. Materials, equipment, labor -- nothing has escaped the effects of inflation.

Which means that we at WTU are striving harder than ever to operate efficiently and economically as we meet the daily needs of our customers.

WEST TEXAS UTILITIES COMPANY

A Member of The Central and South West System

As always, WTU's goal is to provide a dependable supply of electric energy at the lowest practical cost. We hope you'll use it wisely.

**SCHNEEMANNS CELEBRATE 65th wedding anniversary.** Max and Phil Schneemann celebrated their 65th wedding date Monday, June 9, with a quiet day at home with their children. They were married in a home wedding in Ozona, in 1915. They lay claim to being the oldest married couple in Ozona. Besides celebrating the wedding date, they celebrated Mr. Schneemann's 90th birthday last week. Here for the event were Mr. and Mrs. Philip Schneemann of Fort Stockton, Mrs. Miller [Eda] Robinson of Baird and Mr. and Mrs. Bill Schneemann of Big Lake. Mrs. W.E. [Suzy] Reynolds of Pampa was unable to attend.

## Debra Says

By Debra Price

Second in a two-part series.

Mixing, kneading and baking complete the process of making yeast breads at home.

There are three basic methods of mixing yeast doughs: straight dough method, sponge method and batter method.

In the straight dough method, all ingredients are combined in the first mixing and the dough set aside to rise.

Liquid, yeast and enough flour to form a thick batter are combined in the sponge method. The batter is set in a warm place until bubbly and light.

The remaining ingredients are then added to form a dough.

Doughs prepared in this manner usually rise faster than doughs in the straight dough method.

In the batter method, all ingredients are combined and the gluten is developed by stirring and beating the batter rather than by kneading.

Yeast batters are usually allowed to rise in the pan they will be baked in.

Kneading, the part of breadmaking that most people are unsure about, changes the rough, uneven textured dough into a smooth

elastic ball.

It develops the gluten to produce a fine grain and texture.

The process is actually very simple.

First, cover a clean, smooth counter, large bread board or cloth, or a plastic dough sheet with a small amount of flour.

Place the dough on the floured surface, and dust lightly with flour.

Grease hands lightly with shortening.

Fold the dough toward you with a rolling motion using the fingers of both hands.

Then, with the heels of your hands, push the ball of dough away from you.

Turn the dough a quarter turn and repeat the process until the dough looks full, rounded, smooth, satiny and tightly stretched.

The dough will feel springy and elastic.

You may need to work small amounts of flour into the dough while kneading, especially if the dough is very soft.

However, avoid adding too much flour or the dough will rise slowly and produce a coarse texture.

Grease the dough lightly and allow it to rise on a smooth surface. Cover with wax paper or a damp towel while rising.

The dough has risen sufficiently if doubled in bulk or when a finger impression remains in the dough.

If dough is to rise twice, punch down and shape gently so you don't injure the gluten and produce a coarse texture.

There are many ways to shape a loaf, the simplest being to roll the dough into a rectangle slightly less than the length of the baking pan.

Then simply roll the dough, starting on the narrow side, in jelly roll fashion.

Seal the edges and place the sealed side down in the pan. The bread is then allowed to rise or "proof" until double in bulk.

Baking is generally done at 375-400 degrees F. for 35-45 minutes for one pound loaf.

When done, bread will produce a hollow sound when tapped.

Cool on a wire rack to prevent softening of the loaf bottom.

For a soft crust, brush the top of the loaf with butter while still warm.

## Crawford takes L.L. lead

Crawford Garage won the first-half Little League championship as it ended here Thursday night. The champions had 7 wins and 1 loss for the first half. Ozona Electric was a close second with 6 wins and 2 losses. Ozona Oil and Ozona National were tied for third place with 4 wins and 4 losses each.

Crockett Automotive had 1 win and 7 losses while Moore Oil was in the cellar with no wins and 8 losses.

The final nights of play saw Crawford ease by Ozona Oil 4-3, and Ozona Electric beat Moore Oil 16-7. In a double header the next night Ozona National beat Moore Oil 12-2, and Ozona Oil downed Crockett Automotive 12-5.

In Thursday night's games Ozona Electric beat Ozona National 2-1 and Crawford beat Crockett Automotive 12-2.

The second half of play starts next week.

**OZONA TEE BALL REVISED SCHEDULE**

Friday, June 13, 6:30 p.m. Mayfield Construction Buccaneers vs. Western Slope Air Drilling Cowboys.

Saturday, June 14, 9:30 a.m. - Crockett Welding Indians vs. Clayton's Village Drug Pirates.

Friday, June 20, 6:30 p.m. Crockett Welding Indians vs. Mayfield Construction Buccaneers.

Saturday, June 21, 9:30 a.m. - Clayton's Village Drug Pirates vs. Western Slope Air Drig. Cowboys.

Friday, June 27, 6:30 p.m. Western Slope Air Drilling Cowboys vs. Crockett Welding Indians.

Saturday, June 28, 9:30 a.m. - Mayfield Construction Buccaneers vs. Clayton's Village Drug Pirates.

Family day-care homes are the most rapidly growing form of day care. Mrs. Wilson, on the home economics staff of the Texas Agricultural Extension Service says that in this type of day care, one adult cares for six or less children in a home.

## Royals lose to Eldorado

The Ozona Royals lost to the Eldorado A's for the second time this season by a score of 4-1, Saturday. Rudy Martinez was the losing pitcher, allowing 3 runs in 4 innings. Richard Sanchez took over and gave up one unearned run in the 8th. The Royals meanwhile left 10 men on base.

The Royals split a double-header with Junction Sunday, losing the first game 7-4, and winning the second game 13-6. Jimmy Ortiz took the loss and Ben Badillo got the win for the Royals.

The Royals will participate in the Eldorado tournament Sunday. They will play Junction around 12:30 p.m.

When a button continually comes off because of a rough edge around the shank, or if the hole in the button cuts the thread, try sanding the rough edges smooth with an emery board. Or, coat the shank with clear nail polish.

### Crockett County Care Center News

by Joan Nicholas - Director of Activities & Social Care

A gift certificate donated by Clayton's Village Drug was won for bingo last week by Frances Borrego. Nila Turnell and Evelyn Bryant won second prizes.

There have been numerous games of dominoes with, probably, as many winners.

The Williford family came over from Sheffield to play for us Thursday night, and we all enjoyed the music. This group started from scratch about two years ago, I understand, and had never played musical instruments. The mother and two sons (16 and 12) also sing, and the father only started to play a guitar last November. I think it must be a rewarding experience in family togetherness through music and, obviously, they have spent many hours studying together.

After work, Monday, I took off for Snyder and attended class next day at Western Texas College to get in some continuing education. Dr. Gilbert Fleece, psychology professor at the college, was the instructor and the activities directors present all agreed that it was time well spent. We hope to participate in the same group together for eight hours next year. We were also treated to a rare opportunity to see, in the Scurry County Museum situated on the campus, a wonderful exhibit of paintings by the Old Masters. These were secured from Houston for a short period of time.

In Bible class we started a

new study in the Old Testament; this lesson was based on texts taken from Chronicles and Kings and entitled "The Recurring Need for Reform." We drew many parallels with what was happening in Hezekiah's time, and today.

In our series "Understanding the Faiths of our Times," we learned about the Baptist church, and the weekly sermon from "Grit" written by the Rev. Clarence L. Reaser, Army Chaplain, was very good, entitled "Cure for Loneliness."

In reading and discussion group we talked about the sink hole near Kermit and the recent volcanic eruptions. There was also the usual humor taken from various sources. We read about superstitions of many celebrities, for instance, Milton Berle never appears on a night club stage unless he's wearing his good-luck black tie with dime-sized red and gold dots. Dick Cavett's good luck charm is a particular pair of penny loafers. Johnny Carson has a favorite pair of cuff links and Sophia Loren wears red every day for good luck, whether she's seen in the color or not.

Esther Williams always put her bathing suits on backward, then quickly before filming a scene, readjusted them for good luck! Greta Garbo wore only pearls in scenes that called for jewelry.

Our investigation revealed mostly that salt is not the thing to spill. Actually, most of our folks did not have strong feelings about any

superstitions and as Mary Pender said "I don't have any, thank God!"

The June birthday party was held Monday the 9th. Cassiana Fierro was the hostess and was assisted by Rosa Fierro. Pink and white cake was served with punch. Again this month, we just had one honoree, Blanche Fortune who is Ruth Dorris's mother. She will be 85 on the 17th. Maxine's Flowers gave her a pretty carnation corsage.

Last week two movies were shown, both having been secured from Eastman Kodak Co. We have another one from the same source to show this week. They are always very colorful.

Clara Mayes and Vera Miller started the week off by each having a new permanent, and very fashionable they look, too.

Hazel Storms' daughter, Kathy, is now accompanying her mother on beauty shop morning; we had been without a manicurist again, and now our ladies can stay occupied while they are sitting under the dryers. Thank you, Kathy, for the nice job you are doing.

Dorothy Doll has given us a beautiful and large Afghan to compete for in bingo. We will play a blackout game, Friday. Thank you so much!

### Huffman and Hood named

Edward Lain Huffman and Eugene Hood of Ozona have been named to the President's and Vice-President's Honor Rolls, respectively, at Texas State Technical Institute in Waco.

To be placed on the President's Honor Roll, a student must retain a grade point average of 4.0 while attending TSTI. For the Vice-President's list, the student must have a GPA between 3.5 and 3.9.

Both received Certificates of Completion. Huffman graduated from the Automotive Parts Specialist program in the fall. Hood graduated from the Aviation Maintenance program in the winter.

TSTI is a state-supported technical and vocational institute offering more than 75 training programs in everything from aircraft mechanics to computer science and welding. TSTI includes four campuses, located in Amarillo, Harlingen, Sweetwater and Waco.

Make a small room look larger by painting it a cool color, such as a light blue. This works, because cool colors recede and light values contribute to this impression of distance.

**ENGAGEMENT ANNOUNCED**-Mr. and Mrs. Francisco Moran announce the engagement and approaching marriage of their daughter, Judy, to Felipe Castro, Jr., son of Mr. and Mrs. Felipe Castro. The wedding will take place June 14, at the home of the bride-elect's parents. The prospective bridegroom is a graduate of Ozona High School and employed by Ozona Television System. Miss Moran attended Ozona High School.

### Demons 2nd in tourney

The Ozona Blue Demons girls softball team competed last Saturday and Sunday in the 32 team Weavels Super-sport Women's Invitational Slow Pitch Tournament in San Angelo. The team played a total of seven games in the two-day tourney.

The Demons won second in the tournament and placed Cathy Sanchez and Shio Tambunga on the All-Tournament team. Joyce Tambunga received the trophy for most valuable player of the entire tournament.

Other team members include: Nancy Warren, Alice Martinez, Sylvia Elizondo, Elsa Fierro, Sylvia Borrego, Alma Ethridge, Diana Tijerina, Marie Lara, and Tilly Kramer. The team is coached by Cris Martinez, Raymond Borrego and Oscar Flores.

**Casebearers are hitting pecan trees**

Pecan nut casebearers and scab disease are currently keeping pecan growers in action.

Spray programs are widespread throughout the state to keep these two major problems in check.

In most cases one insecticide application has been sufficient although some growers in central and southern areas have had to spray a second time because the first application was put on too early, notes Cooper.

Growers should check orchards for fresh eggs and larvae (worms) three to four days after spraying.

Timing the casebearer spray is critical, emphasizes Cooper. Once eggs are found, growers should check them regularly and spraying should start two days after the first eggs hatch. This will control the tiny larvae before they enter nutlets, after which time control is impossible.

With warm, humid weather at hand, growers should also apply an extra fungicide spray to keep scab disease in check.

**Sports Fans**

By Jerry Lay

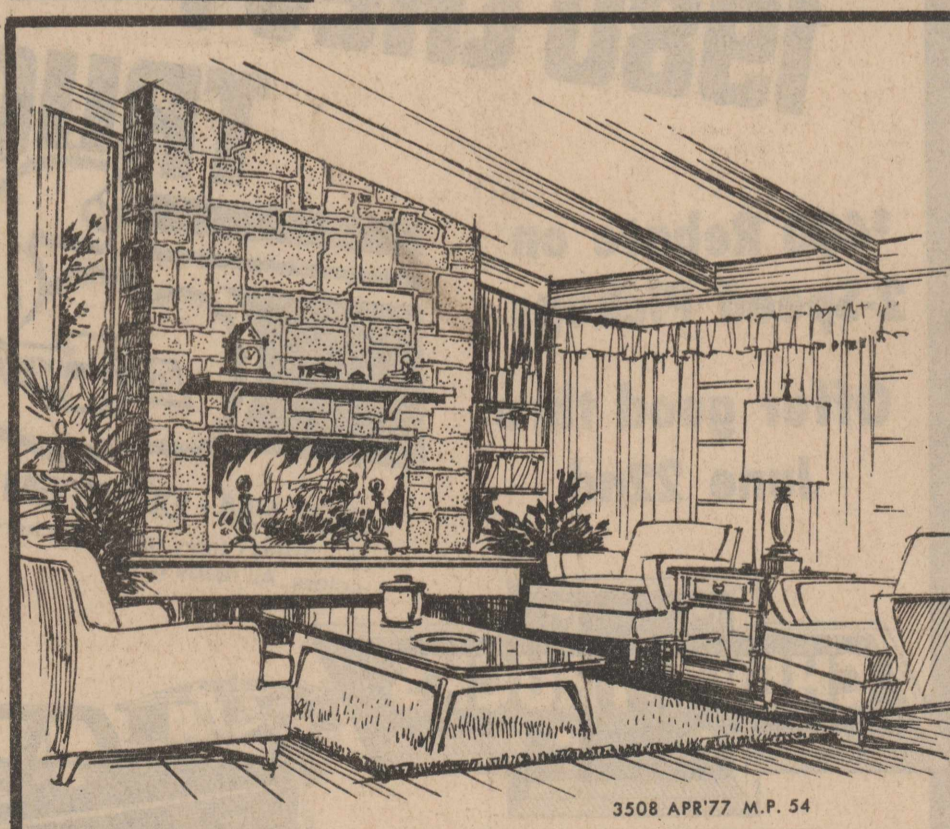

Did you ever wonder what's the worst score ever made by a golfer on one hole on the U.S. pro golf tour?..That record was set on the 16th hole of the U.S. Open at Cherry Hills in 1938 when Roy Ainsley shot a 19 on the par-4 hole.

Who was the youngest man ever to win the Most Valuable Player Award in big league baseball?... Answer is Vida Blue who was 22 when he was voted MVP in 1971..Second-youngest is Johnny Bench who was also 22--but a few months older--when he won the MVP award in 1970.

Here's a believe-it-or-not from sports..There was once a game between 2 teams which wound up with both teams losing the same game..It happened at a soccer game in West Germany..The field was wet, but the referee decided it was in playable condition..However, the managers of both teams thought it was too wet, and not wanting to risk player injuries, they refused to play..So the referee forfeited the game--and gave both teams a loss in the standings..That's the only time a game involving 2 teams ended with both teams getting a loss.

I bet you didn't know..L-B Motor Co. has Oldsmobiles, Pontiacs, Buicks, Chevrolets and Cadillac for you to view when you are ready to make that new car selection. Come on by!
