NUMBER 18

No one injured in crash

There were no personal injuries Thursday when a U.S. Army aircraft was forced to make an emergency landing on the I-10 construction site 36.4 miles west of Ozona, but the craft was heavily damaged and an unattended parked automobile also was damaged.

The pilot, J. Scot Bond, 32, Department of the Army Civilian, said the plane had a power failure and he had to attempt the emergency landing without landing gear. The plane, a 1959 twin Bonanza, traveled 200 feet down the construction site before leaving its wing at the site where it hit the car, and another .2 of a mile before coming to a stop.

The plane was enroute from Florida to Fort Bliss.

Ozona to observe holiday

Most Ozona businesses will be closed for the Fourth of July holiday, and many will remain closed the following Saturday. Offices such as the county, the bank, post office, etc. which normally close Saturday will, of course, take both days.

Jim's Foodway and Thornton's will be open both Friday and Saturday, along with most convenience stores and some service stations.

Retail stores taking both days for the Independence Day holiday include Brown Furniture, United Department Store, Western Auto, Watson's, Small Fashions, Baker Jewelers, South Texas Lumber Co. and Foxworth-Galbraith.

Closing Friday, but open for business Saturday will be White Auto, Westernman Drug, Clayton's Village Drug, The Teacher Store, Ozona Boot and Saddlery and Perry Bros.

Nancy Warren, Gary Warren and Karen Warren were among the 643 students making the A and B honor rolls and receiving Distinguished Student ranking for the spring semester at Tarleton State University.

LITTLE LEAGUE WINNERS-Crawford Garage won the Ozona Little League Championship for the second straight season last week. The team won the first half undefeated, but had a race for the second half, winning in last week's games. Bill Crawford, left, will manager the All Star team and second place team Ozona Electric's manager Jody Callahan will coach the team.

Team members are, front row, Darrell Vargas., Oscar Payne, Greg Underwood, Andy Trevino, Jesse Badillo, Curtis Richardson. Back row, Bill Crawford, Jim Ethridge, Ed Borrego, Shawn Cole, Gayle Underwood, Pete Ramirez, David Lovell, Michael Medina, Danny Kackley, Lee Kackley, and Bob Proffitt, coach.

All Stars starts practice Monday—

Crawford wins second Little League crown

Crawford Garage won the Little League championship here Monday night for the second straight season, with Ozona Electric coming in second. The champions had a 12-3 season while the runners-up came in at 10-5.

All stars were announced at the game Tuesday night and will begin practice Monday under Bill Crawford as manager and Jody Callahan as coach.

Members of the all-star team, chosen by vote of coaches and managers, are Steve Sanchez, Matt Miller, Jody Everett, Harvey Fierro, Arturo Gonzales, Peter Lara, Abel Lara, John Clark, John Tom Stokes, Valdo Galindo, Chayo Flores, Edward Borrego, Gayle Underwood, and David Lovell. Trent Cooke was chosen first alternate and David Gonzales, second alternate.

Standings for the other

teams are: Ozona National, third, 9-6; Ozona Oil, fourth, 8-6; Crockett Automotive, fifth, 4-11, and Moore Oil in the cellar with 1 win and 13 losses.

In play last week, Crawford Garage beat Crockett Automotive 10-0 in the first game Monday night. Ed Borrego was the winning pitcher and Chayo Flores the loser.

The second game saw Moore Oil shut out by Ozona Electric 11-0. Matt Miller was the winning pitcher and Armando Sanchez the loser.

Tuesday night Moore Oil scored 8 runs while getting beat at the hands of Ozona National, 17-8. Stanley Winkley got the win and Will Seahorn, the loss. John Tom Stokes collected a home run in the second inning.

Ozona Electric beat Ozona Oil 10-2 in the second game behind the pitching of Steve Sanchez. Roger Flores was

the pitcher for Ozona Oil.

Thursday night Ozona Oil defeated Crawford 7-5. Harvey Fierro was the winning pitcher and Gayle Underwood the loser. Ed Borrego hit his eighth home run of the season and Underwood collected his first homer in the sixth inning.

The second game was a low-scoring tilt between Crockett Automotive and Ozona National. The bankers came out ahead 3-2. Winning pitcher was Valdo Galindo and Charles Barker was the

loser.

In Monday nights finale Ozona Electric beat Crockett Automotive 14-4. Although Chayo Flores was the losing pitcher, he hit his first home run of the season in the third inning. Winning pitcher was Steve Sanchez.

Crawford beat Ozona National 8-5 in the second game. Gayle Underwood was the winning pitcher and John Clark the loser.

The final games of the season were played Tuesday night, but the outcome will not effect the standings.

Hospital trying to collect debts

Crockett County Hospital Board members are busy looking at various methods to collect debts due the hospital. With a total on the books amounting to over \$200,000, the board is concerned.

All avenues of collecting these accounts are being studied and a person has been assigned to make contact with those owing the hospital in an effort to avoid legal action. If debts can be collected and accounts settled without legal action, both the debtor and the hospital will benefit.

Small claims court, outside collection services and full legal action studies are being made.

Over the years, there has apparently been some idea that the local hospital is some sort of charity organization, according to Administrator Glen Rumley. Many patients believe the county owes them medical care. "This is not true," says Rumley. "The hospital must charge for all services and collect fees to operate," Rumley said and added "It would be a sad case indeed if the hospital had to lower its standards or even close up for lack of operating funds."

When hospital bills remain unpaid, the county is forced to advance monies out of tax collections to keep the doors open, Rumley reminded. He

said when collections are down a year or more, a tax increase was a possibility to keep the hospital in funds.

Persons now having bills due are urged to make arrangements to get them paid. Legal action is expensive, damaging and can ruin a person's credit rating.

Hospital personnel is working hard to make the hospital a full service medical facility. "We're here when you need us, but we cannot operate without money and in all honesty, the danger point may not be that far off," Rumley said.

Ramirez services

Funeral services for Felicita B. Ramirez, 80, were held Sunday afternoon at 4 o'clock in Our Lady of Perpetual Help Catholic Church, with burial in Lima Cemetery.

Mrs. Ramirez died at 11:27 a.m. Friday at Crockett County Hospital.

She was born Jan. 25, 1900 in Mexico.

Survivors include two daughters, Nicolasa Rico of Ohio and Minerva Limbaugh of Alabama; two sons, Alfonso Ramirez of Ozona and Johnny Ramirez of San Angelo; 26 grandchildren and 50 great-grandchildren.

5th and 9th graders tested—

Ozona schools' TABS results

Results of the Texas Assessment of Basic Skills tests, given to all fifth and ninth graders in the state of Texas, were released for Ozona Schools last week by Superintendent of Schools Foy Moody.

The tests were given during February and March and results were sent to parents of individual students in these grades and to the school board last month. In the ninth grade, 87 students were tested and in the fifth, 71 students were tested.

Ninth graders had the best scores in the mathematics area. Of the 87 students tested, 84 mastered the add and subtract whole numbers section, while only 3 did not pass. This was the highest score, percentage-wise, made by ninth grade students in the entire test. These students had the lowest score on ability to solve personal finance problems, 38 mastering this section and 49 failing to do so. Overall in the area of math 76 students mastered the test while 11 did not, for an 87 percent passing average. There were eleven parts of the math test.

In the reading area of the basic skills test, 54 mastered the test while 33 did not. In the eleven-part test students fared best in their ability to follow written directions and use reference skills. Both these categories got a 94 percent passing score. These students made the poorest score on ability to distinguish fact from fiction, with 36 mastering that area and 51 unable to do so. Overall, 54 students were proficient in the reading area while 33 were not able to master the test.

The final part of the test was the writing area. Students were stronger in spelling than in any other area with 80 passing and 7 unable to do so. The poorest scores came in punctuation and correct use of English. A total of 59 students mastered the writing area, while 28 did not for an average of 68 percent passing.

The test indicates students who will enter the tenth grade in the fall are stronger in math than any other of the

three R's. They are somewhat better in writing than in reading. Ethnic composition of the 87 students was 2% black, 60% Hispanic, and 36% white.

The 71 fifth grade students tested did as well in math as they did in reading, with 70% mastering the test areas. They fared better in writing with 87 percent mastering the test. These students scored highest in spelling, with 68% mastering the spelling test and only three unable to do so. Their lowest score came in their ability to distinguish fact from no-fact where 18 passed and 53 did not.

The ethnic make-up of the 71 fifth graders taking the test was 1 percent Black, 54 percent Hispanic and 45 percent White.

The tests have been controversial and doubt has been cast on their overall worth. However, Supt. Moody said he felt the tests would be an aid to educators in the long-run. He feels aides will be forthcoming to assist students in the shady or failing areas.

Moody also said the tests were not given for comparison, but to assist the individual student in mastering the basic skills. Parents received individual scores on their children, and hopefully will be able to work with teachers in areas where the children need help.

Bunger wins 4-H ropings

Louis Bunger won first place in both the judged roping and break-a-way roping at the District 6 4-H Horse Show held Saturday in Fort Stockton. Bunger won 2 trophy buckles for his outstanding effort.

A total of eight Crockett County 4-H members competed in the District show.

Bunger, along with Les Hale, Will M. Black, Bubba Everett and Dan Bean will be attending the State 4-H Horse Show in Fort Worth July 22-26 competing in the roping events. Gay Burns and Donna Comer accumulated enough points to qualify for the state show also. Other members competing were Kim Bishop and Lisa Mitchell.

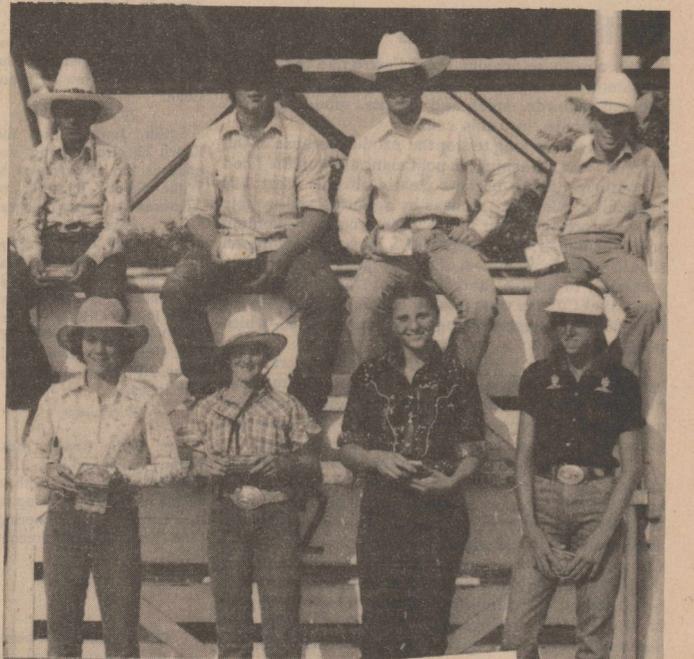

Individual results were: Judged roping-Bunger, first; Bean, third, and Will M. Black, fourth.

Break-a-way Roping-Bunger, first; Everett, second; Black, fifth.

Reining-Comer, third; Burns, sixth, and Mitchell, seventh.

Halter-Burns, third; Comer, seventh and Bishop, eighth.

Pole Bending-Burns, second.

WINNERS OF THE CROCKETT COUNTY 4-H Horse Show qualified for District 6 which was held last week in Fort Stockton. They are bottom, Donna Comer, Kim Bishop, Lori Clayton and Gay Burns. Top, George Guerra, Louis Bunger, Les Hale and Jody Everett. Bunger won two trophy buckles at the District Show, taking first place in both roping events. For other state qualifiers, see story.

ONLY WAY TO BEAT THE HEAT in Ozona recently is take to the water. Ozona youngsters have been making good use of the swimming pools during the record heat wave. All local pools have been crowded every day.

A Lift For The Weak
Looking for good habits in others develops more in ourselves.

THE NEWS REEL
A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

STATE CAPITAL HIGHLIGHTS
By Lyndell Williams
TEXAS PRESS ASSOCIATION

news sources.
—Courtroom access for television cameras and tape recorders in certain proceedings.
—Attorneys fees for persons who successfully enforce open meetings and open records laws.

The Governor
Clements' impatience with the slowness in reducing the number of state employees, one of his key campaign promises two years ago, was manifested last week. Agency heads were notified to increase their efforts to reduce their staffs.

Clements will head up the Texas presidential campaign for Reagan, who plans to spend some \$2 million stumping in this state.

Happy
They live happily in a little apartment overlooking the rent.
—Mainsheet, Bainbridge.

Press Shield Law
The House Judiciary Committee last week recommended new protections for press freedom in Texas:
—Adoption of a shield law giving reporters the right to protect the identity of

Mrs. Curt Commander and children, Shane, Wendy and Cody are here visiting her sister, Mrs. Douglas Moore.

Governors Confer
Governor Bill Clements addressed the opening session of the ten-member Governors Border Conference in El Paso, and told statehouse heads from Mexico and New Mexico, Arizona and California that illegal aliens should be registered and, in effect, legalized.

Emphasizing he is opposed to the harsh bracero program of the 1940s, Clements said he nevertheless supports a program to allow Mexican nationals to enter and work in the U.S.

Clements said he had the backing of the three other U.S. governors involved, but former radical Tom Hayden, representing California's

Gov. Jerry Brown, said the others were opposed to Clements' proposals and had been for a year. The Arizona governor was unavailable for comment; the New Mexico governor was uncommittal on Clements plan.

Lewis, Bryant
The race for speaker of the Texas House of Representatives took a few turns around the track during the recent Republican and Democratic party conventions.

Fort Worth Rep. Gib Lewis, a Democrat, visited the Republican convention, apparently seeking pledges, and took some mild raps from movers and shakers in his own party.

Dallas Rep. John Bryant, Lewis' main opponent, failed to rally the Democrats behind his candidacy, but aired a half-hour television advertisement in some parts of the state to take his bid "to the people."

Higher College Tuition?
As January and the next legislative session approach, more and more issues are floated out like weather balloons to see which way the wind is blowing.

—He would levy a 50 cent per gallon tax on gasoline, and give half the revenues to cut Social Security taxes.

—He would delay building nuclear power plants until their operation and waste disposal systems are proven safe.

—He would stress conservation and development of alternate energies, especially solar power.

—He would stress conservation and development of alternate energies, especially solar power.

—He would stress conservation and development of alternate energies, especially solar power.

—He would stress conservation and development of alternate energies, especially solar power.

Iran's Firing Squad

The firing squad in Iran has killed many political victims since the Shah was deposed, and a wave of revolution has rightly swept the world as a result. But the latest executions find some understanding.

A squad there recently shot to death twenty convicted drug dealers, on the grounds that they were ruining the lives of Iranian citizens and young people, often at the end-cost of the addicts' lives.

There isn't much doubt that this is often the inevitable result of the sale of hard drugs of a habit forming nature. The cost in misery, shattered lives and professions and death, is enormous. The death penalty, if it could be fairly applied, or life imprisonment, if it could be made to stick, is not an overly extreme response of society.

One suspects that if a few drug dealers in this country—where the problem is critical and widespread—were lined up against the wall and shot, this country's problem would suddenly take on a more hopeful aspect. Young people, whom the law should especially protect, would then have a better chance to grow up and live their lives in a normal society, as healthy, productive citizens.

Dickinson's Warning

Veteran Congressman William Dickinson (R-Ala) has forced from the secret category to the open public information category, direct admissions from top defense officials that U.S. military capability is now dangerously inferior to that of the Soviet Union.

While this is not news to many, since there have been urgent warnings from others, including journalists and former defense officials, it is eye-opening reading. Dickinson, a member of the House Armed Services Committee, in 1979 confronted Lt. General Tom Stafford, the former astronaut, with the danger of keeping secret the extent of U.S. inferiority. He said since the Russians knew how strong they were, and our defense officials knew, the public should be frankly told how bad the situation is. Stafford agreed.

As a result, much hitherto secret data has been in recent months declassified. Among this is an admission from the Assistant Secretary of the Army Percy Pierre that: "The past fifteen years has seen an erosion of the qualitative advantage in ground forces and equipment to the point where the U.S. Army is now inferior in virtually every major category of weapons with which wars can reasonably be expected to be won."

Dickinson notes that last year the Central Intelligence Agency admitted it had underestimated the Russian military effort by fifty percent. He warns: "The Administration has made a big deal out of what it calls a five percent real increase in the 1981 defense budget. The American people should not be deluded into thinking the five percent increase, which is really 3.3 percent, is closing the gap. That is not the case. We are falling further and further behind."

Politics & Refugees

It's now quite obvious Fidel Castro had the best of President Carter in the Cuban refugee fiasco. Castro dumped jailbirds, spies and misfits, along with deserting people, into this country.

Afraid for too long to stop the exodus, because of the Hispanic vote, Washington politicians allowed the flood to continue until it became clearly obvious what was happening. Riots in Arkansas by agitators and trouble makers, forcing Carter to use 2,000 troops to maintain order, demonstrate the folly of U.S. policy. Washington should have airlifted most of the refugees to other Latin countries, of course; and this would have shown the world that Cubans were fleeing communism, and were not just opportunists seeking to get into the U.S.—which many were.

Congressman Andy Ireland, Florida Democrat, was one of the few politicians who had the courage to speak his mind frankly about allowing the sudden influx of unscreened Cubans into this country. He sent the following telegram to Mr. Carter in recent days:

"Florida has borne considerably more than its fair share of the burden of Cuban refugees. Currently there are 97 Florida veterans seeking admission to the Tampa Veterans Hospital Psychiatric Facility from my congressional district alone. Over the past weekend 13 Cuban refugees were admitted to this facility and it is my understanding that up to 12 more are scheduled to be admitted. We cannot and should not give refugees or anyone else preferential treatment over our own veterans. I urge you to find accommodations for the refugees."

In addition to this unbelievable situation, there is a program to educate Cubans at U.S. Government expense, as well as special provision to allow them to get on the welfare and food stamp rolls—all, of course, paid for by American taxpayers!

Crockett County gas and oil news

HMH Operators, Midland, completed the tenth and eleventh producers in a south extension area of oil production in the Crockett County portion of the Farmer (San Andres oil and gas) field, 14 miles southeast of Big Lake.

The No. 3 Supron-University No. 3, one location south, was finished to pump 24.3 barrels of 31 gravity oil, plus 11 barrels of water, with gas-oil ratio of 424-1.

Production was through perforations at 2,094-2,477 feet, which had been acidized with 4,900 gallons and fractured with 20,000 gallons and 36,000 pounds of sand.

Location is 1,650 feet from the north and 2,310 feet from the east lines of 6-51-University Lands.

The No. 4 Supron-University No. 4, 3/8-mile southwest, was finished to pump 23.8 barrels of 30 gravity oil, plus 15 barrels of water, with gas-oil ratio of 361-1.

Production was through perforations at 2,187-2,546 feet, which had been acidized with 5,700 gallons and fractured with 20,000 gallons and 40,000 pounds of sand.

Location is 1,662 feet from the north and 990 feet from the west lines of 6-51-University Lands.

J. Cleo Thompson, Dallas, completed as a Strawn gas producer, surrounded by that pay, in the Crockett County

portion of the Ozona, Northeast (Strawn, Canyon and Ellenburger gas) field his No. 1 J.W. Childress "C", nine miles east-northeast of Ozona, for a calculated, absolute open flow of 820,000 cubic feet of gas daily.

Production was through perforations at 8,741-8,817 feet, which had been fractured with 46,800 gallons and 106,000 pounds of sand.

Caution urged with fireworks

Members of the Ozona Volunteer Fire Department issued a warning this week to use extreme caution when shooting off fireworks this Fourth of July.

The dry, hot weather has presented a very good possibility of accidental fires. Dry grass and wooden shingles on roof tops are the main source of fires started by fireworks. Adult supervision is advised when children are playing with fireworks.

If you do have a fire, do not hesitate to call the Fire Department, whose motto is "We had rather put out a small fire than a large one."

Scheduled as a wildcat, it was drilled to 9,040 feet, with 4 1/2-inch casing set at 9,020 feet. It was amended to the above field.

Location is 1,320 feet from the north and 1,520 feet from the east lines of 28-GH-GC&SF.

WTG Exploration Inc., Midland, recompleted as a Queen gas discovery its No. 1036-A University, former Grayburg-San Andres producer in the Howard Draw multipay field, 5/8-mile south of Queen gas production in the Howard Draw, Northeast field, separated by Shallow and Grayburg-San Andres gas production in the Howard Draw field and 16 miles west of Ozona, for a calculated, absolute open flow of 1,300,000 cubic feet of gas daily.

Production was through perforations at 818-828 feet, which had been washed with 250 gallons of mud acid and fractured with 10,000 gallons and 15,000 pounds of sand.

Details of original completion were unavailable.

It topped the Queen at 800 feet, elevation unreported.

Location is 1,800 feet from the north and 2,310 feet from the east lines of 36-30-University Lands.

C.F. Lawrence & Associates Inc., Midland, will

drill the No. 2 Live Oak, a 2,200-foot wildcat, 5/8-mile south of marginal production in the current four-well Hoover field, 1 1/2 miles east-northeast of an active wildcat and 30 miles west and slightly north of Ozona.

Location is 660 feet from the northwest and northeast lines of 7-Jose Bunigas, Abst. 1032. Ground elevation is 2,202 feet.

The Hoover field produces from approximately 1,407 feet.

The active test, the firm's No. 1 Live Oak, in 15-P-Miller, abst. 2826, at the last report was drilling below 1,150 feet on a 2,200-foot

Social Security visit set

Garland Gregg, social security representative for the San Angelo Social Security Office, has scheduled his July visit to Ozona. He will be at the County Courthouse Wednesday July 16 from 2:00 to 3:30.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Young worker's families are a large portion of the 7 1/2 million who now get monthly Social Security checks as survivors of deceased workers. Benefits can be paid for as little as 6 quarters of coverage. See your nearest Social Security Office for details.

Public Notice

NOTICE OF HEARING ON FEDERAL REVENUE SHARING Proposed Budget for 1981

THE STATE OF TEXAS COUNTY OF CROCKETT

Notice is hereby given that a public hearing will be held on the Proposed Crockett County Federal Revenue Sharing Budget for the year of 1981, at 11:00 A.M., July 14, 1980, in the Crockett County Courthouse, District Courtroom, at which time all interested citizens of Crockett County have the right to participate, written or orally, in said hearing. The current General Revenue Sharing program has been changed and the formula for appropriations has not been decided by the Federal Government. At this time the county does not know the amount of the appropriation but estimate same will be approximately \$100,000.00 and the unappropriated balance estimate is \$22,250.00.

JOHN R. JONES
County Judge
Crockett County

contract.

C.F. Lawrence & Associates will drill the No. 2 Shannon "B" as a 1,724-foot north and slightly west

Chamber of Commerce

Around 150 persons attended the Chamber of Commerce sponsored, Independence Day Church in the Park, Sunday night in spite of the heat, according to chamber manager Beth Boyd.

Preachers were Dr. Nelson Lanham, Larry Bailey, Pedro Estrada and Norvell Allen.

Mrs. Boyd also reminded Ozonans that entry blanks for the tennis tournament to be held this month, and for the junior rodeo, to be held next month, may be picked up this week at the chamber office.

Crockett County Care Center News

by Joan Nicholas - Director of Activities & Social Care

ATTENTION ALL VOLUNTEERS: You are invited to an ice cream party on **JULY 8th** at 6:30 p.m. at the Care Center. If you, as an individual, group, or organization have performed volunteer services or donated items to the Care Center during the past twelve months, please come so that we may say "thank you" and enjoy your company.

Attention All Family Members of Residents: Please come and be with us and take advantage of this opportunity to express appreciation to our volunteers who work with your loved ones.

Ms. Barbara Eisler, Volunteer Coordinator with the Texas Department of Health Long Term Care Unit in Abilene, will be with us and certificates of recognition will be given to those who qualify.

Out of town people have been notified by mail, as have some local organizations and people who I feel may not see this column. We look forward to seeing you next Tuesday evening; and it is entirely possible that we may have some entertainment for you.

Bingo winner last week was Vera Miller receiving the gift certificate donated by the Teacher Store, and Alma Laxson received second prize.

In dominoes play Monday morning Maude Pettit won, with Paul Cavin second. We have one foursome that is playing dominoes nearly every day.

On Thursday afternoon before we got into our reading material we discussed procedures which would take place in event of fire or tornado warning. Of course we hope that such disasters will never happen, but everyone agreed that it was good to know about such things in order to avoid panic.

We then read a description of what it was like to be a nurse on the cruise ship "Island Princess" (one of the two ships on which the TV show "The Love Boat" is filmed). To the casual observer it may appear to be a life of glamor for Officer Kay

Duggan, and it does have advantages. At night she can put out her laundry knowing she will have it returned clean and fresh; her bed is made and room and bathroom cleaned seemingly by invisible elves. Every meal is a succulent treat prepared by a famous chef. However, she is on call 24 hours a day seven days a week for four straight months; on the other hand, Kay gets two months vacation twice a year which enables her to keep in touch with what officers call "the real world". Crew members, unlike officers, are restricted to certain parts of the ship and are not permitted to socialize with passengers, of course.

As to the passengers, Kay says that a majority are retired folk, not necessarily fit to travel. They come aboard and embark on riot-out living, too much eating, and they probably haven't danced in twenty years. It isn't at all unusual to have heart attacks on board. She says the ship is fitted out with a 10-bed hospital with ICU facilities, surgery, and isolation units and all crew members have been blood-typed and can be called on, if necessary.

We are to have a band tonight. Our makers of music have been on vacation so we haven't had entertainment for a couple of weeks--how spoiled we are!

Baked fish is elegant dish

"Baked Fish En Papillote" represents one of the most elegant dishes on a menu, says Annette Reddell, a seafood consumer education specialist.

It is usually red snapper, pompano or flounder baked with an elegant sauce and served with a few vegetables, she explains.

Ms. Reddell is with the Texas Agricultural Extension Service, The Texas A&M University System.

The original French version was baked in oiled parchment paper, but modern American recipes use heat-proof plastic bags designed for baking in the oven, she continues.

Use fresh Gulf Coast products--trout, red drum, snapper, flounder, black drum or sheepshead--with the following recipe for "Baked Fish En Papillote."

Baked Fish En Papillote

- 2 pounds Texas fish fillets
- 1 sliced green pepper
- 1 sliced onion
- 1/4 cup melted margarine
- 2 tablespoons lemon juice
- 2 teaspoons salt
- 1 teaspoon paprika

Dash pepper

Rinse fresh fish and pat dry. Brush with half of the margarine, and sprinkle with the seasonings.

Place bag in a baking pan. Add remaining margarine, lemon juice, green pepper and onion to the bag.

Use a broad spatula and slip fish into bag on vegetables. Close bag and punch a few holes in it according to instructions with bag.

Bake at 375 degrees F. for 20-25 minutes.

Test for doneness by inserting fork through bag. Fish flakes easily when done. Slit bag and serve fish directly to platters or arrange on serving dish and garnish with lemon. Spoon juices in bag over each serving.

Kay Thompson won first place in the 1500 meter run Saturday at the West Texas AAU Junior Olympics in Borger Saturday. She will compete in the regional AAU competition July 18-19 in Baton Rouge, La.

SMALL FASHIONS will be closed on Saturdays during the month of July only.

Bean to represent Ozona

Ozona will be represented in the Denton Junior Stampede Week activities, July 6 through 12, that will begin with the Second Annual Top Teen Invitational Roping Tournament Sunday and conclude with a nine-event teen rodeo Tuesday through Saturday. All activities are scheduled at the Denton County Fairgrounds.

Entered in the Top Teen Roping tournament is Douglas Bean of Ozona. The 30 contestants will be vying for a purse of \$6,000. Ropers will be introduced in the arena at 10 a.m. Sunday.

Ropers will have the opportunity to rope and tie five calves during the day, beginning at 1 p.m. The top 15 will then enter the finals go-round with a sixth calf to determine the champions.

Admission to the Invitational Roping contest Sunday will be \$3.50 per person.

Beginning Tuesday, the Stampede Rodeo, open to any youngster 19 years and under, will begin at 8:30 nightly through Saturday. Each contestant in the nine-event rodeo will have one go-round with the top scorers contesting at the Saturday finals when prizes of over \$25,000 will be awarded.

Admission to the Stampede Rodeo, Tuesday through Friday will be \$3.50 for adults. Saturday finals performance will be \$4 for adults. Every night, children from 6 to 12 will be admitted for \$2 and under 6 will be free. A special "kids" night will be Thursday, when all children under 12 will be free.

Featured entertainment nightly will be J.W. Stoker, Kristi Brown, and Micki McNutt, who will perform dare-devil trick riding acts and fancy roping exhibitions. Rodeo announcer will be Don Endsley of Weatherford. William Holloway of Justin will provide rodeo stock.

Tuesday, Wednesday and Thursday nights will feature a special "calf scramble" for youngsters 12 and under during the rodeo. Silver belt buckles will be awarded the winners.

Debra Says

By Debra Price

Try quick breads--there's no kneading, no waiting and very little clean-up and preparation time involved.

In addition, the variety of refrigerated, frozen and packaged quick breads on the market makes serving quick breads even quicker.

For busy households, these convenience products may prove very economical.

Compare the cost of ingredients for a favorite recipe with the price of equal amounts of similar convenience bakery products.

If time is more important than money, the added cost of convenience products may not amount to much.

Also, all convenience quick breads are not more expensive than the homemade variety.

Generally, products to which the consumer adds milk or eggs are less expensive than heat-and-serve or frozen products.

Prices and quality do vary, so check prices of various brands and select ones the family enjoys.

Don't let leftover quick breads go to waste. They reheat well in the conventional or microwave oven.

Reheat in foil in the conventional oven or toaster oven at about 350 degrees F. until hot, about 10-15 minutes.

For best results, sprinkle lightly with water before wrapping in foil.

Check oven instructions when reheating in the microwave and follow exactly.

In addition, leftover quick breads are a great base for creamed meat dishes.

Simply toast split muffins and biscuits or waffles and top with meat sauce.

APPLESAUCE BREAD

- 1/2 cup margarine
 - 1/4 cup sugar
 - 2 eggs
 - 1 teaspoon vanilla
 - 2 cups sifted flour
 - 1 teaspoon baking powder
 - 1 teaspoon soda
 - 1 teaspoon salt
 - 1 teaspoon cinnamon
 - 1/2 teaspoon nutmeg
 - 1 cup applesauce
 - 1/2 cup chopped nuts
- Cream margarine until soft. Add sugar gradually, creaming until fluffy. Add eggs and vanilla, beat well. Sift dry ingredients, add and mix thoroughly. Add eggs and vanilla, beat well. Sift

dry ingredients, add and mix thoroughly. Add applesauce and nuts, mix only until blended. Pour into greased and floured 9x5 loaf pan. Set stand 20 minutes. Bake at 350 degrees for 1 hour. Cool before slicing.

Banana Nut Bread

- 1 1/2 cups sugar
 - 1/2 cup shortening
 - 2 eggs
 - 1/2 teaspoon salt
 - 1 teaspoon soda
 - 2 cups sifted flour
 - 1/4 cup buttermilk
 - 3 mashed bananas (about 1 1/2 cups)
 - 1 teaspoon vanilla
 - 1 cup chopped nuts
- Cream sugar and shortening. Add eggs and salt. Beat thoroughly until light and fluffy. Stir soda into milk. Add milk and flour alternately and beat well. Add mashed bananas, vanilla and nuts. Bake in 2 greased and floured 9x5x2" loaf pans at 350 degrees for 1 hour.

Dr. Joe Logan and Mrs. Logan returned recently from Memphis, Tenn. where Dr. Logan attended a three-day course on prosthetics, dentures, under Dr. Thomas H. Shipman. Dr. Logan was one of fifteen dentists from over the nation taking the course.

Tee ball league winds up season

The Ozona Tee Ball League wound up its season Friday night and Saturday morning with the Western Slope Air Drilling Cowboys downing Crockett Welding Indians, 28-21, and Clayton's Village Drug Pirates beating Mayfield Buccaneers, 31-27.

This was a first time for the league in Ozona, where boys and girls age 5 through 8, enjoyed an opportunity to play baseball.

In the first inning, played by 5 and 6 year-olds, Friday night, Shawn Lee and Jimmy McCary both made home runs for the Cowboys. For the Indians, Jay Haire and Sabrina Easterwood made home runs.

The second inning, for 7 and 8 year-olds, was highlighted by home runs by Mike Ybarra, Jason Vitela and Chuck Watkins for the Cowboys. Ruben Borrego made a home run for the Indians.

Vitela had homers for the

Cowboys in the third inning, while John-John Flores hit one for the Indians.

The fourth inning was highlighted by a double play by Mark Ramirez, Cowboys second baseman. Hitting homers were Spencer Carlisle, Chuck Watkins, for the Cowboys, and Cody Morris and Ruben Borrego for the Indians.

The Pirates and Buccaneers played Saturday morning. Carlos Robledo homered for the Buccaneers and Adrain Vargas and Richard Robledo, for the Indians.

Other players hitting home runs in the game were Chris Denman, Lonnie Martinez, George Ybarra, and Sidney Gunnels. George Ybarra made a double play in the top of the second and two more in the bottom of the fourth.

The score was tied 23-23 at the end of the fourth inning and the Pirates won it in the fifth and extra inning.

Senior League Round-Up 1980

The Ozona Senior League All Stars were announced on Monday night. The All Stars are: Carlos Borrego, Shell; Craig Chapman, Circle Bar; Randy DeHoyos, Ozona National Bank; Fabian Delgado, Ozona National Bank; Lonnie Galindo, Mayfield Construction; Kent

Hokit, Ozona National Bank; Diego Leal, Ozona National Bank; Zeke Martinez, Mayfield Construction; Robert Massey, Ozona National Bank; Gino Tambunga, Mayfield Construction; Adrian Tijerina, Mayfield Construction; Mark Vallejo, Ozona National Bank; Arnold Vargas, Ozona National Bank; Gene Wilton, Circle Bar. Alternates are David Delgado, Ozona National Bank; Curt McPherson, Mayfield Construction.

The team standings for the

season as of this date are: Ozona National Bank, first; Circle Bar, second; Mayfield Construction and JoAnn's Shell, tied for third.

Tom Powers, who is now the manager of the Ozona National Bank team, will manage the All Star team.

The Ozona All Stars will play the winner of the San Angelo West-Sonora game here in Ozona on July 22nd. Time will be announced.

Ozona Senior League would like to thank all supporters, coaches, managers, scorekeepers, announcers, umpires, and a special thanks to Ozona Lions Club for their faithful support.

Sales tax rep. to visit here

State Comptroller Bob Bullock will have a representative from his San Angelo office in Ozona on July 17, 1980, to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Steve Mercer will meet with local taxpayers in the Law Library of the Crockett County Courthouse from 1:00 to 2:00 P.M.

"If Ozona area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing state tax forms, Mr. Mercer will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office, and we believe these face to face sessions with taxpayers help do just that," Bullock added.

The San Angelo office, headed by Thomas M. Goff, serves San Angelo and surrounding counties.

4-H record book project

Any 4-H member that would like to complete a 4-H Record Book should call Billy Reagor or Debra Price at the County Extension Office 2-2721. To complete a record book a 4-H member must have completed one 4-H project during the current year. A 4-H record book includes a project form, a 4-H story, and pictures of the 4-H member in his project.

County Extension Agents will be helping 4-H members with their books throughout the month of July. Please call or come by the Extension Office for details on the books.

Grieses at field day

Martha Gries and son, Thomas, attended the Texas Archeological Society Field School June 7-14 on the Eubank Ranch north of Brownwood. They were among 200 persons from Texas, New Mexico, Arkansas and Louisiana to participate in the annual event.

The week-long school included both prehistoric and historic excavation, site survey, oral history interviews, archival research, laboratory methods, report writing and a children's program.

The society has a membership of over 2000 avocational and professional archeologists.

Royals capture Tourney

The Ozona Royals captured the first place trophy of their own tournament here Sunday by beating the Junction Commancheros 10-0. The game was over in the sixth inning due to the 10-run rule.

Eldorado won the consolation, beating Sonora 8-7.

The Royals advanced to the championship by beating Eldorado 12-1. This game was also called in the sixth due to the 10-run rule. Jimmy Ortiz pitched 5 innings allowing 2 hits and no runs. Sanchez pitched relief.

Richard Sanchez won the championship game against Junction, striking out 7 and allowing 2 hits.

Rudy Martinez, Orlando

DeHoyos, and Jimmy Ortiz were named to the all-tournament team and Sanchez was named most valuable player. Noe Gonzales of Junction also was named all-tournament while Henry Mata of Sonora was named best pitcher.

Royals team members expressed appreciation to all who attended the tournament and especially the four sponsors who donated the trophies, Sostenes DeHoyos, Cecil Buckner, the G.I. Forum and Kyle Kleiners.

The Royals will be in San Angelo Sunday to compete in the Southside Lions Club tournament. Their first game will be against the Abilene Jets.

Card of Thanks

CARD OF THANKS
We would like to express our thanks to all our friends and family who attended our wedding and for the many gifts and cards.
Mr. and Mrs. Orlando Vargas
18-1tp

Card of Thanks

The Ozona Tee Ball managers and coaches extend a special thanks to R.B. Babbitt, for helping the coordinators; the sponsors, Clayton's Village Drug, Crockett Welding, Mayfield Construction, and Western Slope Air Drilling. Also to the scorekeepers, LouAnna Haire and Rev. Nelson Lanham, the announcers, Bill Watkins and Bobby (Cosell) Mayfield; umpires, Woody Phillips and Jamie Pagan, also to Les Cooke for opening and running the concession stand. Without all of you, we couldn't have done it.

Sports Fans

I BET YOU DIDN'T KNOW

By Jerry Lay

One of the most unusual big league baseball managers of all-time was the man who managed the Braves in 1929..He was a judge, Emil Fuchs, who bought the ball club, and despite having no previous baseball experience--either as a player or manager--he decided to manage the team..Fuchs said they couldn't do any worse under him than they had the previous year when they finished next-to-last. But they did..Under Fuchs they wound up last, and he gave up his one-year managing career.

Did you know that the Houston Astros--who play indoors in the Astrodome--amazingly once had a game called because of rain ..It happened in 1976 when 10 inches of rain fell in the Houston area, flooding parts of the city..Stadium personnel and many fans were unable to get to the Astrodome, so that indoor game was postponed because of the rain.

What are the most games any relief pitcher ever won in one season in major league baseball?..The record was set by Roy Face of the Pirates in 1959..Face, pitching exclusively in relief, won 18 games that season, and lost only one.

I bet you didn't know.. L-B Motor Co. has that cool car for this hot weather. Get ready for that big vacation. Come on by.

BE SURE TO CHECK OUR PRICES ON P.V.C. PIPE BEFORE YOU BUY.
YOU CAN PROBABLY MAKE MONEY FOR BOTH OF US.
SOUTH TEXAS LUMBER COMPANY

Got A Math Problem?

Our business is solving problems. If you have lots of bills, chances are that you write lots of checks each month. We feel there's no need to complicate your money matters with little finance charges and monthly fees. So we're offering free checking. Just open a savings account with us (where you'll earn the highest interest allowed) and write all the checks you want absolutely free! And that means less problems for you!
