VOLUME 30, NUMBER 40

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, SEPTEMBER 25, 1952

Mr. Muleshoe ...

by J. N. FORBES

Seen & Heard

L. D. Jones: I recollect when Grover Cleveland was elected, I sort of think it was 1886 when he was elected for his second term. It was the first Presidential campaign I do recollect. The men in our little community went and fired the arvil, among other gestures of celebration. It was a jubilous time.

Editor's note: For the newcomers I might explain that an arvil firing is quite some event. There is a square excavation in the solid, heavy arvil, to fit, I reckon onto a slab to hold it steady when in use. They filled that cavity with gunpowder and applied a match. Mr. Jones said that particular arvil took off into the air like I don't know what and went several feet, and the resulting noise caused neighbors for quite a ways around to sit up and take notice. They knew Grover had been elected, all right.

This writer has just talked to an old boy who lived here way back when land was selling for \$15 an acre and 25 foot town business lots for \$10. This writer, himself, in person, as poor an operator as he is, sold a lot for \$3,500 that of course sold for \$10 earlier. (We didn't make \$3,490 on the deal, however.) But, are you sure that Muleshoe real estate and real property will not increase in value in the next 28 years as it has in the last 28? I am not sure of it. And land may go higher, and higher, who knows. There may still be as many opportunities for the real estate investor and operator here as there were 24 years ago.

Who can say what irrigated land around Muleshoe actually is worth? If we don't allow Lubbock to drain away our water, the people down in the drouth stricken parts of the state are bound to turn their eyes evermore to the Plains and that means more and more competition for town lots and farms.

This column can say that the JayCees' clean-up campaign has done a world of good, and hopes that the work won't stop when the campaign drive ends Saturday, the 27th. Haven't talked to the boys much but I'm sure they think the people have cooperated well. Let's extend the JayCees' clean-up, fix up, paint up, time to include the whole year and make Muleshoe an outstanding example of a clean, sanitary, safe city.

This writer was amazed when big, burly, Dewayne Burkhead tore out after fleet-footed Souter in the Olton game Friday night. Amazed because the speed merchant couldn't gain on our big lineman. Where has Burkhead been hiding this speed all this time? He ought to be allowed to carry that ball now and then. And we haven't seen a football kicked like Burkhead is doing it this year in a long, long time.

Sneed Red Seal Distributor Here

D. H. Sneed Supply Company of Muleshoe, has been appointed distributor in the Muleshoe area for Continental Red Seal irrigation engines, according to announcement of the factory branch in Dallas of the Continental Motors Corporation.

He also is dealer for service parts, officials of the Dallas branch said.

The D. H. Sneed company has been engaged in installation of irrigation wells for a number of years in the Muleshoe area. They already are stocking some of the famous units in their store and service shop, located on Plainview highway in north Muleshoe.

An advertisement in this paper by the company announces the appointment of the local dealership.

MORE PEOPLE read the want-ads every week. They cost little, get the job done. Try one.

Water Meeting Called For Monday Night In Courthouse In Muleshoe

An important water meeting has been called for Bailey County, to be held the coming Monday night, Sept. 29, in the district courtroom in Muleshoe.

Some matters of vital import to the irrigation farmer will be discussed.

Officers of the water district who are calling the meeting issued the following statement:

The officers of the Bailey County Water Association earnestly request your presence at this meeting. The discussion and your views on well spacing, requiring permits to drill wells, licensing of drillers, keeping logs on wells and many other important subjects regarding irrigation will be on the program.

Water is one of your most valuable assets; it is important that you attend the meeting and voice your opinion and do your part to protect this valuable asset.

Olton Wins Over Muleshoe, 25 to 13; Amherst Is Foe For Mules Fri. Night

Olton's Mustangs, sparked by Archy Souter, handed the Muleshoe Mules a 25 to 13 defeat last Friday night, second setback for the local eleven in their new season, now two weeks old.

Souter scored three of Olton's four touchdowns himself. Two of his sensational runs were made from 30 and 61 yards out. Another of his touchdowns came on a dash of four yards. Olton led at the half mark by 19 to 7.

The Mules scored first. They

Junior Mules Beat Springlake

Muleshoe's junior high football squad defeated Springlake's junior high eleven here Tuesday night, 14 to 0, and at the same time uncovered some lads who give promise of being varsity material.

Charles Waggoner, Muleshoe halfback, was an outstanding ball toter, scoring the second touchdown and running over for the extra points after both scores. Waggoner went through the center, cut to his right and raced 40 yards to score. He gained a lot of yardage during the night, averaging 5 to 7 yards each time he carried. Waggoner weighs about 150, is an aggressive, driving runner. He is in the ninth grade.

An intercepted pass brought about Muleshoe's first touchdown. Doyle Rush, Muleshoe quarterback, grabbed a Springlake pass and scampered over for the score. Rush was a stand-out at quarter and was described in glowing terms by his coaches.

The whole line stood out and Coaches Bailey and Coen must have liked what they saw, since these boys will be the Mules mainstay in future campaigns. Charles Jennings was outstanding as a defensive end.

Results In Club Boys Achievement Day Show Sept. 18 Are Announced

There was quite a turn out at the Bailey County Club Boy's Achievement Day Show which was held at the local show barns at the Muleshoe High School last Thursday, Sept. 18.

A total of fifty seven head of livestock and numerous crop exhibits were shown by the 4-H and F. F. A. Boys of Bailey County. One class of livestock which created a great deal of interest was the saddle pony class which consisted of fifteen horses. The swine department boasted the greatest number of entries of any of the livestock classes in which thirty animals were shown. Jerry Inman took high honors with his Poland China gilt and a Duroc gilt shown by Billy Ellis was awarded the reserve championship prize.

Tom Duffy, Vocational Agriculture Teacher from Plainview, judged the livestock and Joe Jones, County Agent of Farmer County placed the exhibits in the crop department.

SADDLE HORSES
1. Gordon Wilson.
2. Donald Nash.
3. Eugene Lewis.

took the opening kickoff and held the ball until Billy Wayne Waggoner scampered across the goal line for the first marker. Dewayne Burkhead kicked for the extra point. It was only three minutes before the Mustangs came back and knotted the count.

Muleshoe's second and final touchdown was contributed by quarterback Buck Johnson, who took an Olton punt past the fifty yard marker and weaved his way for a score. Extra point try was low.

Johnson's long run for the touchdown was only one of many thrilling runs made by both sides. The big crowd had their money's worth that night. R. V. Allcorn, of Olton, contributed many spin-tling runs before he was pulled for mixing it up with a Muleshoe lad, who also went out of play. Muleshoe drew 85 yards in penalties. Olton's J. Frank Daugherty contributed their final score in the fourth quarter on a 60 yard sprint.

Olton's spectacular hand and maverick gave a performance between halves that was well worth the price of admission. Olton's band has been winning recognition this year, scoring at Littlefield fair the day of the game and winning a prize in Amarillo's big parade Monday of this week.

Statistics on the Olton game show that the Mules again led in first downs 11 to 6. They gained 44 yards on 3 completed passes while Olton made 5 on 1 completed pass.

Dewayne Burkhead's kicking prowess was never more evident. His punts averaged 42 yards, one going 60 yards, a kicking performance many colleges might envy. Gerald Elders was an outstanding defensive player at end for Muleshoe.

The Mules play Amherst in another away from home game this Friday. They will open their five game home stand October 10 against Sudan's Hornets.

Blood Donors Are Wanted

Scouts To Help Collect Clothing

The Cub Scouts and Boy Scouts of Hockley, Cochran, Lamb and Bailey Counties are making a house to house canvas for used and new clothing on Saturday, October 25.

W. R. Postma, Council Executive, announced today that the clothing collected would be distributed through the American Society of Friends to needy people throughout the world.

Everybody is to go through their old clothing and contribute all the can that is still usable and please see that it is clean. Clothing for all ages can be used.

Each family is asked to place their clean clothing in a cardboard box or paper sack and place it on their front porch on Saturday morning October 25, by 9:00 a. m. The Scouts will then pick up all packages that morning.

The Scouts are conducting this Clothing Drive as their "Good Turn" in connection with the observance of United Nations Day and in cooperation with the Sudan Fall Festival. The business men of Sudan will then pick the clothing up from the Scouts of each community and will arrange the shipping to the respective distribution centers throughout the world.

Power Plant Is Dedicated

Several hundred people of the Plains were guests of the Southwestern Public Service Company Tuesday when Plant X, huge electrically generating plant, was formally dedicated. They listened to a short program, enjoyed a fine chicken barbecue lunch, then spent an hour or so going through the plant.

Only one unit of Plant X, destined eventually to be the greatest source of electricity in this section, is completed. It has been generating electricity since June, the first unit with a capacity of 52,500 KW, and additional 100,000 KW capacity now under construction and scheduled for completion next year.

The Southwestern Public Service Company now has generating plants in the following locations with figures indicating their capacity:

Moore County, Texas, 28,600 KW; Guyton, Okla., 6,200 KW; Amarillo, 82,000 KW; Tucu, near Abernathy, 42,000 KW; Roswell, N. M., 33,100 KW; Carlsbad, 31,600 KW; Denver City, Texas, 41,500 KW; and Plant X with a first unit capacity of 52,500 KW, and new units under construction to bring the capacity to 152,000 KW.

On Open Prairie
The company brochure says: Situated on the open prairie, Plant X, at first glance, seems to be in the middle of nowhere. But actually the plant is in the middle of everywhere. It is centered almost geographically in the area served by the company, it is in the middle of the electrical load service from Southwestern Public Service transmission system.

Plant X assures adequate electricity, along with 10 other power plants, to all points on the Company's integrated system.

Real Money Involved
Real money is involved in this new investment of the Southwestern Public Service Company, which seems determined to supply the lighting and power needs of this growing part of the United States, now and in the future. Upon completion of installation of the second unit in June, 1953, Plant X will represent an investment of approximately \$18,000,000. The company points out that life insurance companies and private investors have bought bonds and stocks of the company to supply money for this huge expenditure.

Plant X is located between Amherst and Earth, in Lamb County. The plant itself lies in Sudan Independent School District, we were told by Horace Holt, former Muleshoe man, now Santa Fe agent at Amherst.

There's no time to lose when a soldier is wounded. Here U. S. medics administer blood plasma to a wounded GI enroute from the Korean front to an aid station behind the lines. The American Red Cross needs a constant supply of blood to meet both civilian and military needs. (U. S. Army Photo)

Citizens of Bailey County who can meet the required standards are urged to donate a pint of blood to the Armed Forces. Arrangements have been completed for the Fort Worth chapter of the American Red Cross Blood Donor Center to collect and process this blood. Dr. B. R. Putman, Bailey County chairman announced today.

Residents of this area will be contacted by community committees in their communities during the next three weeks. They are urged to give a pint of vital blood October 15, when the Red Cross Bloodmobile will be in Muleshoe. The program to sign blood donors will get underway next Monday night, Sept. 29, with a showing of the film "There Is No Substitute", at the Three Way School at 8 p. m. This film will be shown in the other communities as follows:

- Sept. 30 — Muleshoe Odd Fellows and Rebekahs, 8 p. m.
- Oct. 1 — Muleshoe Lions Club, 12 noon, Baileyboro Church, 8 p. m.
- Oct. 2 — West Camp Church, 8 p. m.
- Oct. 6 — Bula School auditorium, 8 p. m.
- Oct. 7 — Muleshoe Rotary Club, 12 noon, Needmore Odd Fellows Hall, 8 p. m.
- Oct. 8 — Progress Methodist Church, 8 p. m.
- Oct. 9 — Mrs. C. D. Julian residence, 8 p. m.

Everyone is cordially invited to attend the showing of the film in their community. Members of the Muleshoe Junior Chamber of Commerce will present the film, and blood donor cards will be signed after each showing.

Lazbuddie Opens Football Season Against Spade Friday Nite, Sept. 26 .69 Of An Inch Rainfall Monday

Muleshoe received .69 of an inch of rain in a shower that fell Sunday night and Monday. R. J. Klump, weather recorder said. The fall was apparently heavier to the north of the city.

It's too late for rain to benefit cotton or row crops to any appreciable extent, but young wheat was needing rain.

The shower fell slowly and the water probably penetrated the ground to the maximum.

Mrs. Vaughn Rites Sunday

Funeral services for Mrs. Lula Gonda Vaughn were conducted Sunday afternoon at 2 p. m. from the First Baptist Church. Rev. A. W. Blaine, pastor, and Rev. H. W. Hanks, pastor of the Muleshoe Methodist Church officiated.

Mrs. Vaughn passed away at 12:45 a. m. Friday, September 19, in Green Hospital & Clinic in Muleshoe. She had resided here since 1928.

Mrs. Vaughn was born August 30, 1871, in Gilmer, Texas. She had been a member of the Methodist Church for 55 years.

She is survived by the following sons and daughters: M. V. McNairy, Vernon; Mrs. Lois Robinson, of Muleshoe; Mrs. Eloise Hilliard, Santa Ana, Calif.; and I. G. McNairy, Amarillo. Another son, Justin McNairy, preceded her in death.

Pallbearers were Melvin Bass, E. I. Palmer, Ray Griffiths, Cecil Tate, Byron Griffiths, and Ira Robinson. Honorary pallbearers named were Harvey Bass, Lee Pool, W. M. Pool, Jr., P. Q. Stickney, Jimmy Bass, and Jack Lane. Interment was in Muleshoe cemetery, with Muleshoe Funeral Home in charge of arrangements.

Pvt. Wiseman Honor Graduate

Pvt. Clois D. Wiseman, Sudan, was honor graduate of the latest class to complete the engineer equipment maintenance course at the Army's Engineer School, Fort Belvoir, Va. A member of Headquarters and Service Company of the 832nd Armored Engineer Battalion at Fort Leonard Wood, Mo., Wiseman has served five months with the Army.

Watkins Gin Opening Tuesday

Grand opening of the Watkins Gin at Lazbuddie is set for the coming Tuesday, September 30. There will be an open house at the gin from 11 a. m. to 2 p. m., and the people of the community are invited to visit the gin during those hours. There will be free sandwiches and drinks for all.

The gin has just been completed and is ready for operation. Owners of the new gin are Drew Watkins and son, Doyle Watkins, both of Sudan, where they have been in the ginning business a long time.

A bale of cotton will be ginned off during the open house for the visitors.

CLINES ATTEND SIXTIETH ANNIVERSARY CELEBRATION

Mr. and Mrs. R. C. Cline attended the sixtieth wedding anniversary celebration on September 11 at Brownfield for her parents, Mr. and Mrs. W. A. Eakin. He is 86 and she is 74.

Mr. Eakin is very remarkable for his 104 pounds. He is very active and walked twenty blocks recently to downtown Brownfield. He also reads without glasses.

All seven surviving children were present for the occasion with several grand and great grandchildren present.

Bloodmobile To Be Shown Tues.

The Muleshoe Rebekah Lodge met in regular session Tuesday night with Hazel Nowell, Noble Grand, presiding.

Final plans were made for the birthday celebration which is to be held Friday night at the I. O. O. F. Hall.

The film about the bloodmobile will be shown at the I. O. O. F. Hall next Tuesday night, Sept. 30. Anyone who is interested is cordially invited to attend.

Three Men Get Pen Sentences

Three men were sentenced to terms in the penitentiary by Judge E. A. Bills in district court here this week.

Howard Duggan and Vernon Boyce, both young men, were sentenced to five years in the pen each upon their pleas of guilty of robbery. They were indicted by the Bailey County grand jury in the November, 1950, term of district court in connection with the robbery of the Service Station at Main and the highway. The robbery occurred Aug. 7, 1950.

Meantime the two had been serving a term at Santa Fe, N. M., for robbery. They are under sentence also from Lubbock County.

M. Lindsey pleaded guilty to a charge of passing a forged instrument and was sentenced to a term of 2 years in the pen by Judge Bills.

Quo Vadis Showing Set For 6:30 p. m.

During the four day showing of "Quo Vadis" at the Valley Theatre from September 23-26, show time is at 6:30 instead of the regular show time of 7:30.

As this is a long picture, the additional time will help movie goers get out at an earlier hour.

BABSON DISCUSSES

Wealth Of The Sea

Gloucester, Mass., Sept. 19, — As this is my last week in Gloucester, for this summer season, let me speak of the wealth of the sea. So many pessimistic articles are being written as to the waste of our land resources, let me call attention to the fact that three quarters of the earth's surface, namely, the oceans, are an undiscovered world of riches. The sea offers great opportunities to students, wageworkers and investors. Owing to good harbors and other advantages, I believe Gloucester, Newburyport and other seaports have a great future.

MINERALS IN THE OCEAN

Today there are a few plants taking magnesium, iodine and bromine from the sea; but these are only a few of the available minerals. In addition, there are great quantities of aluminum, boron, calcium, chlorine, copper, fluorine, lithium, potassium, selenium, sulphur and zinc, not to mention sodium chloride. There is even gold! The sea contains enough of these minerals to last a thousand year and I visualize these seaports becoming great centers of these new industries.

When I was a boy, the cod, haddock and mackerel business was at its height, while rosefish (now known as ocean perch) was thrown away. To illustrate how times change, the catching, filleting and freezing of ocean perch is now Gloucester's leading industry. Gloucester, however, is handicapped by the fish moving out further from the coast. They may later be attracted back by artificial lighting or the use of fertilizers.

NEW KINDS OF FISH

The next great development will be the catching and processing of "waste fish", such as pogies, squid, skate, etc. These are now used for fish oil and chicken food, but they have excellent nutritional qualities. Later we will be gathering, processing and canning planktonic organisms. This industry has a great future. Seaweed products will also be processed and sold.

The sea is very rich, due to the

drainage accumulations from the land for millions of years; but it is now rapidly increasing in food values. While the farms of the west are gradually getting poorer through erosion and cultivation, the sea is constantly becoming richer. Every rain throughout the great agricultural West washes minerals, vitamins and other food products from the soil into the rivers and finally into the sea. A large portion of fertilizer being put on the soils finally goes into the ocean, while the rich sewerage of our large cities is making the sea a great storehouse for future foods. Readers who are interested in these new possibilities should talk with Dr. Henry B. Bigelow of the Oceanographic Institution at Woods Hole, Massachusetts, or the Scripps Institution at La Jolla, California.

LESSONS OF HISTORY

During the early days of Gloucester, the chief industry was the cutting of timber, the sawing of boards, and the building of small vessels. Most of Massachusetts was then heavily wooded. By 1800 the timber of Cape Ann had largely been cut and shipbuilding moved to Essex. The next industry was the granite factory. Most of the Federal buildings of Boston, New York, Philadelphia and other large cities were built of Cape Ann granite. The "waste" was made into paving stones, which paved the streets of these cities. But concrete and asphalt came along and killed the granite business.

Although the fishing business had always existed in a small way, yet it was not fully developed until the granite business began to peter out. Later came the "summer people". Unfortunately, due (1) to the fish changing their habits of abode, (2) to unreasonable labor demands, and (3) to increasing foreign importations, the fishing business, as now conducted, may be on the decline. But I am not worried as to the future. I believe that with the establishment of the new School for Fisheries the wealth of the sea will continue to make Gloucester and other seaports prosperous. Instead of filleting plants, Gloucester will have chemical works, pharmaceutical factories and will can the small planktonic organisms heretofore neglected.

CHRISTIAN SCIENCE SERVICES

"And we know that all things work together for good to them that love God, to them who are the called according to his purpose" (Romans 8:28). This comforting verse will be included in the selections to be read from the Bible next Sunday in Christian Science churches when the topic of the Lesson-Sermon is "Reality".

The Golden Text is from I Chronicles: "Thine, O Lord, is the greatness, and the power, and the glory, and the victory, and the majesty: for all that is in the heaven and in the earth is thine; thine is the kingdom, O Lord, and thou art exalted as head above all" (29:11).

From the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following will be read: "God is natural good, and is represented only by the idea of goodness; while evil should be regarded as unnatural, because it is opposed to the nature of Spirit, God" (page 119).

TWO PARTY PLATFORM PLANKS ARE COMPARED

Comparisons of planks of the national platforms of the two major political parties that relate to national defense and foreign program spending are presented in another "no comment, no interpretation" release by the public information department of the West Texas Chamber of Commerce. Language of the two platforms on these subjects is, in essence, as follows:

National Defense:

Democratic platform: Promises continued support of "the expansion and maintenance of military and civil defense forces required for our national safety;" rejects "The defeatist view of those who say we cannot afford the expense and effort necessary to defend ourselves".

Republican platform: Promises adequate support for national defense and for meeting treaty obligations; seeks "quickest possible development" of adequate air power; promises to "strip our entire preparedness program clean of waste," and to eliminate conflict, inertia and lack of cooperation among the armed forces.

Foreign Program Spending:

Democratic platform: Promises to encourage the "economic and political security of Europe"; to "carry forward and expand the Voice of America programs, to continue to aid Israel and the Middle East, to aid growth of the United Nations, to continue South American programs, and to help India and Pakistan create a better life for their people". Support is pledged for

SAND HILLS PHILOSOPHER

Says Television Won't Stop Him From Working; Strays Off On Politics

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is up to his usual standards of being mixed up, his letter this week reveals. Dear editor:

I read the other day where some government official was worried about the inroads of television.

According to him, more and more cities are getting television stations and as a result more and more people are getting television sets, to where it won't be long until nearly everybody has a set or has a neighbor who has one, which is the same thing only cheaper.

Now the reason he was worried was that he was afraid with all this television available people are not going to want to work as much. Just want to sit at home and look.

Personally, I do not agree with him. I wasn't workin much before television was invented and will not let the thing influence me one way or the other. You take a man who has to wait to get a television set to stop workin, he ain't got much initiative about loafin in the first place. A man who ain't already figured out a reason for loafin, he won't find much in television to help him toward that goal. Politicians may have lots to worry about, but worryin about television

causin me to loaf more ain't one of em.

Speakin of politics, I been followin the Presidential race pretty close lately and it seems to me the trouble about runnin on a platform of bein against corruption is that there ain't any parties equipped to do it with 100 per cent success. Somebody is always turnin up something on both sides that doesn't have the right odor. Understand, I'm in favor of gettin rid of corruption, but with parties as big as they are, it's expectin a whole lot of human nature to count on all the scoundrels bein on one side. Maybe what the country really needs is somebody who is outspoken against all kinds of corruption, don't make any difference which side it turns up on. Guided missiles seem to be the comin thing in warfare, but they can't hold a candle to the damage that can be done by a guided politician.

Personally, I think we got a couple of pretty good main candidates, but laws ain't passed at the White House, they're passed in Congress. Of course, I think we got a pretty good Congress too, probably as good as we deserve. And there ain't much I can say against the electorate, without steppin on my own toes. In fact, there ain't much wrong with this country that couldn't be cured by a good rain, lower taxes, more honesty, and 100 years of peace. Anybody who can deliver on this is welcome to the Presidency.

Yours faithfully,
J. A.

Oklahoma Lane Pastor Resigns

For two years, pastor of the Oklahoma Lane Baptist Church, Rev. Mayo D. Carpenter, has resigned and he and his family moved to Anton last week. Due to an injury sustained in service, his physician has strongly advised him to get away from the responsibilities of a pastorate for a few months. He will, however, be available for supply.

Texas FHA Farmers To Be Recognized

On October 9, at ceremonies to be held in the New Livestock Arena, State Fair Grounds, Dallas, Texas, recognition will be given to the achievements of more than 300 Texas FHA farm families who have repaid their loans this year. Certificates of achievement will be awarded those farmers whose loans have been paid this year from agricultural income.

An address pointing up achievements of these farmers will be given by the Honorable Lyndon B. Johnson, United States Senator, preaching. His son, Lynd Truitt, a senior in high school, will remain in Farwell to finish the school term.

tor from Texas. Senator Johnson will be introduced by the National Administrator of Farmers Home Administration, Dillard B. Lasseter.

The Senator, Chairman of the Senate Preparedness Subcommittee, is also scheduled to open the State Fair October 4 with an address.

The ceremonies will begin promptly at 1:00 p. m., October 9. County Supervisor Arch T. Fowler, announced this week. He is making plans to go to Dallas for the event, which will be the Fifth Annual Achievement Day observed by Farmers Home Administration. Of the more than 6,000 loans made in Texas under the Bankhead-Jones Tenant Purchaser Act, more than half have been paid off; and the farms are now owned, debt free, by farmers who were at one time tenants.

A feature of the Achievement Day's program will be radio interviews of successful farmers who have followed FHA directions in their farming operations.

Lois Ritchie Gets Scholarship

LOIS RITCHIE

Lois Ritchie, daughter of Mr. and Mrs. A. A. Ritchie of Route 2, Post, Texas, is the winner of the District 2 4-H Girls Scholarship to Texas Technological College in Lubbock. This scholarship is given each year by the Home Demonstration Clubs in District 2 to an outstanding 4-H Club girl who plans to study Home Economics at Texas Tech. This announcement was made by Mrs. Aubrey W. Russell, District Agent for this area with headquarters at Lubbock.

Miss Ritchie has been in 4-H Club work for eight years and has been in the Post Senior Club the last few years of her work. She is a 1952 graduate of Post Senior High School and will enter Tech during the fall semester to continue her studies.

As a 4-H Club girl she received many honors for her leadership abilities and her club work. She was Vice Chairman of the 1952 District 2 4-H Girls Camp, was a winner of the 1952 Santa Fe Awards with a trip to the National 4-H Club Congress at Chicago, was the winner of the Garza County Gold Star Award in 1947, won two trips to Round-

up at College Station, and was winner of the Garza County Dress Revue in both 1948 and 1949.

Miss Ritchie has carried on a clothing demonstration for 7 years, a poultry demonstration for 6 years, gardening for 6 years, Bedroom Improvement, 6 years and Yard Improvement, 6 years.

Lois proved to be a leader. She held every office in her own club at some time during the 8 years, was vice president of the Garza County organization and then was Vice Chairman of the District Camp organization.

Mrs. Wesley Stephens of Post was the leader for Miss Ritchie's Club. The Home Demonstration Agents that served her county while she was Club girl were Jewell Strasser, Dorothy Harbin and the present Agent Jessie L. Pearce.

Lois was active in school work, too. She was editor of the 1952 annual and a pep squad member. She was art editor for the school annual before she became editor and has art as her hobby.

She is a good all round girl and does a good job in many fields.

COULTERS VISIT FAMILY OF SON

Mr. and Mrs. J. D. Coulter, of Ballinger, are visiting here with the family of their son, Dave Coulter, and in Littlefield with the family of a daughter, Mr. and Mrs. Oscar Wilemon.

Mr. Coulter is 87, Mrs. Coulter is 81. Mr. Wilemon went to Ballinger and brought the couple here for the visit.

HOPMELESS

A very little boy came home dejected from his first day at school.

"I ain't goin' tomorrow", he said.

"Why not, dear?"

"Well, I can't read, 'n' I can't write, 'n' they won't let me talk—so what's the use?"

C. O. HAIL IS NEW MECHANIC AT SNEED'S

C. O. Hail, recently of Odessa, has been employed as mechanic at the D. H. Sneed Supply Company in Muleshoe. Mr. Hail has been engaged for several years in servicing oil field power units.

Mr. Hail is an A-1 carburetor and magneto man and is qualified as an all round mechanic. The Sneed company is distributor for Ferguson tractors and equipment, Continental Red Seal irrigation engines, Layne pumps, etc.

up at College Station, and was winner of the Garza County Dress Revue in both 1948 and 1949.

Miss Ritchie has carried on a clothing demonstration for 7 years, a poultry demonstration for 6 years, gardening for 6 years, Bedroom Improvement, 6 years and Yard Improvement, 6 years.

Lois proved to be a leader. She held every office in her own club at some time during the 8 years, was vice president of the Garza County organization and then was Vice Chairman of the District Camp organization.

Mrs. Wesley Stephens of Post was the leader for Miss Ritchie's Club. The Home Demonstration Agents that served her county while she was Club girl were Jewell Strasser, Dorothy Harbin and the present Agent Jessie L. Pearce.

Lois was active in school work, too. She was editor of the 1952 annual and a pep squad member. She was art editor for the school annual before she became editor and has art as her hobby.

She is a good all round girl and does a good job in many fields.

SUNDAY AT FT. SUMNER

Mr. and Mrs. C. E. Layne were in Ft. Sumner Sunday where they met Mr. and Mrs. Wiley Grizzle of Roswell with whom they spent several hours.

RETURNED FROM ABILENE

C. J. McKnight has returned to his home after undergoing surgery at the Hendricks Memorial Hospital at Abilene.

WEEK END AT CARLSBAD

Mr. and Mrs. J. R. Harris and Mr. and Mrs. Leroy McDonald spent the week end at Carlsbad where they went through the Caverns Sunday. As they returned they visited the Bottomless Lakes at Roswell.

MAURINE HEARN ON LEAVE FOR POINT IV IN BOLIVIA

Maurine Hearn, state home demonstration leader for the Agricultural Extension Service of Texas A. and M. College since 1944, left September 24 for one year's service under the Point IV Program in South America. Her headquarters will be at La Paz, Bolivia.

Miss Hearn will assist in training personnel in organization and developing the extension program which has been operating in Bolivia for the past three years. The home economic programs for rural homes in the area was initiated only recently. Bolivia has nine departments which are equivalent to states in North America, and is divided geographically into three regions: the plateau eastern mountain slope and valley, and the lowlands in the Amazon-Chaco area. Each region is distinct in climate and vegetation, as well as character of its people and density of population. Most of the population of nearly four million is concentrated in the plateau region. La Paz, leading city and seat of the national government, has a population of 320,000 and an elevation of more than 12,000 feet. The city is an important distribution center for the surrounding region which is largely agricultural.

Miss Hearn will have a months briefing in Washington, D. C. before flying to Bolivia. She is on leave from the Extension Service for one year.

As a technical worker, Miss Hearn is well qualified with home economics training and administrative experience to initiate extension programs for rural homes. Prior to her present position she served as district agent

When you pick a Tractor... be sure you can always get parts

Any tractor is a big investment. You have every right to expect years of profitable performance from such an investment. In this connection one of the first things to think about is—"Will I always be able to get parts?"

The Ford Motor Company manufactures the Ford Tractor. What greater assurance could you have of being able to get parts—anytime, anywhere.

Not only is this important to you as long as you have the tractor, but it is also something the buyer thinks about seriously when you go to sell or trade in your used Ford Tractor. This is only one of the many reasons why a used Ford Tractor commands a high resale price.

THE SIGN FOR SERVICE

that can't be beat!

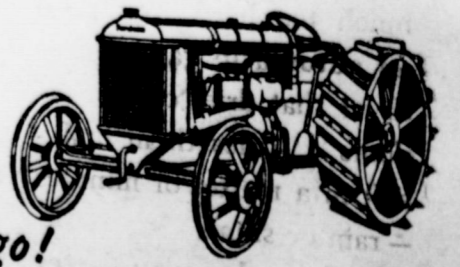

We are pretty proud of this service sign. We do our best to live up to those seven letters S-E-R-V-I-C-E.

We spend time and money training our mechanics. But we feel this is worthwhile to us because it's worthwhile to our customers.

We try to keep an adequate stock of genuine parts on hand at all times... and to stock up on parts ahead of the busy seasons so we have what you need in emergencies.

We cordially invite you to look over our service setup.

You can even get parts for Fordson tractors built 31 years ago!

T. F. W. C. To Meet At Canyon

A new project on Alcoholism will be introduced by the division of Mental Health of the 7th District of the Texas Federation of Women's Clubs, when they hold the annual fall meeting of the Board of Directors and Club presidents on Oct. 2, at Canyon.

The meeting will take place in the auditorium of the Branding Iron Theatre on the West Texas State College Campus at Canyon, from 9:45 a. m. to 3:45 p. m. Thursday, October 2.

Nelson Brown, executive director of the Texas Committee on Alcoholism, will be one of the speakers. He is from Austin.

This is the mid-term board meeting, called by Mrs. O. M. McGinty, president of the district from Spur. Since the last board meeting, the organization has added new departments to conform to the General Federation of Women's clubs standard, and the new departments and divisions will be presented.

Major emphasis in statewide club work is being laid this year on the big Texas "Aid to Austria" project that the whole General Federation is watching, because it's a new experiment in club work. The already launched project will be explained at the board meeting.

Austria was selected because it is resisting communism and Russia, and is having a rough time. By helping them the Texas Federation hopes to help further Americanism, as it will be another mile down the road to peace.

Mrs. W. E. Cantrell, regional vice-president TFWC from Lometa will be present and present information particularly for club presidents. Time will be allowed for board members to present plans, projects and requests and to announce awards in different

Stinson Enters Gunners School

U. S. Naval Training Center, Bainbridge, Md. — Selected for a 15 week course of instruction in the Gunner's Mate School here was William O. Stinson, gunner's mate third class, USN, son of Mr. and Mrs. I. M. Stinson of Route 2, Muleshoe.

Stinson, who entered the Naval service Jan. 5, 1951, received recruit training at the U. S. Naval Training Center, Great Lakes, Ill.

After graduating, the men will be assigned to ships where they will perform duties in operation maintenance and repair of Naval Ordnance and associated equipment.

2nd. Lt. Crow At Fort Eustis

FORT EUSTIS, VA., Sept. 18 — Second Lieutenant John T. Crow, son of Mr. and Mrs. A. W. Crow, Muleshoe, reported for duty recently here at the Army's Transportation Center.

Lieutenant Crow attended Muleshoe High School and later graduated from Texas University where he majored in business. He is a member of the Alpha Kappa Psi Fraternity and was active in the intramural program at the university.

WILSON FAMILY REUNION IS HELD AT LUBBOCK

The Wilson family reunion was held at the McKenzie State Park in Lubbock on Sunday, Sept. 21. Attending were Mrs. J. J. Wilson, Mr. and Mrs. C. A. Lobstein and family, of Guthrie, Texas, Mr. and Mrs. E. W. Graef, Mr. and Mrs. Cleburne Graef and family, Mr. and Mrs. J. D. Graef and family, Mr. and Mrs. R. F. Byrd and family, and Mr. and Mrs. Gerald Byrd, all of Muleshoe, Mr. and Mrs. H. A. Byrd and family of Petersburg, Texas, Mr. and Mrs. J. T. Wilson, and Mr. and Mrs. Bibby Frank of Hamlin, Mr. and Mrs. Emory Cates of El Paso.

Mr. and Mrs. W. S. Graef and family, Mr. and Mrs. Edward Graef and family, Mr. and Mrs. Wilbourne Graef and family, Mr. and Mrs. Selman Mercer, all of Lorenzo, Mr. and Mrs. Jessie Graef and family of Farwell, Mr. and Mrs. Edward Mann and family of Lubbock, Mr. and Mrs. Lloyd Wilson and family of Stamford, Mr. and Mrs. L. L. Lindsey of Anson, Mr. and Mrs. Wynell Lindsey and family and Jerry Lindsey of Shallowater, and Mr. and Mrs. Joe Wilson of Brady.

The Federation Clubwomen of Canyon are the hostesses and luncheon will be served at noon. Registration is 50c and reservations for the luncheon are \$1.75. Advance registrations should reach Mrs. Lee Foster, Canyon, by September 29.

Parmer County Water Meeting To Be Monday

A county wide underground water meeting of Parmer County farmers has been called for next Monday night at Bovina School Auditorium. This meeting, called by county committee men, Parr, Buler and Caldwell, is intended for learning from farmers what regulations, if any, are desired for issuance of permits for drilling of irrigation wells. Permits will be required beginning February 1, 1953.

It is the desire of county committee men that every person interested in irrigation be present to participate in this discussion. Thursday, at Hereford, the committee will be called upon to present Parmer farmer's views, and they desire to know what they want. Willis Hawkins, Sr., of Hart, director for Parmer, Bailey and Castro Counties, will be present to assist in conducting the meeting.

VISITED IN ROSWELL

Mr. and Mrs. Gene Caldwell visited over the week end with her sister, Mr. and Mrs. O. H. Eberhart and family of Roswell.

Do you dread washday?

Then you need an automatic GAS CLOTHES DRYER

If you still dry your laundry outdoors, you're working much too hard. You need an automatic gas clothes dryer that dries clothes indoors... dries them fluffy-soft in a matter of minutes - rain or shine. Gas dries laundry faster than summer sunshine. Gas costs little, too - only a few pennies a month will operate an automatic gas clothes dryer. Ask your gas appliance dealer to install an automatic gas clothes dryer in your home.

Carles Julian At Pearl Harbor

U. S. Naval Base, Pearl Harbor, T. H. — After four months duty in the Korean zone, the destroyer escort USS McCoy Reynolds has returned here.

Serving aboard her is Charles D. Julian, seaman, USN, son of Mr. and Mrs. Charles D. Julian, husband of Mrs. Mary A. Julian of Muleshoe.

While on duty in Korea, the

Reynolds destroyed a Communist locomotive, gasoline dump, communications center, and an anti-aircraft gun. She fired 2,510 5-inch shells and 2,600 40 mm rounds.

The destroyer closed her combat mission by riding out a typhoon in the Formosa Straits.

FRANZ AND PEELER AT CC MANAGERS SCHOOL

Raymond Franz, manager of the Muleshoe Chamber of Commerce, and Jeff Peeler, a director, attended a C of C managers short course held in Abilene last week. The course, sponsored by the West Texas Chamber of Commerce, was described by the two men as very beneficial and they felt they received a lot of good by attending.

A DREAM WALKING — On a high wire. That's the only description possible for Josephine Berosini, a beautiful artist who will perform twice daily at the Panhandle-South Plains Fair in Lubbock Sept. 29 through Oct. 4. Vigorous and dramatic acrobatic dance maneuvers performed by Miss Berosini have thrilled thousands at shows all over the nation.

Texas Democrats For Eisenhower

AUSTIN, Sept. 23 — "Texas Democrats for Eisenhower" is the name of a new citizen's organization which opened headquarters here this week. Plans are being made to conduct a grass-root campaign among members of the Democratic Party in behalf of Dwight D. Eisenhower, a native born Texan, for President.

Claude H. Gilmer of Rock-springs, former speaker of the Texas House of Representatives, was named chairman. In accepting the office, Gilmer commented:

"I have been a lifelong Democrat, and still consider myself a Democrat. It is a case of deciding: When do you get enough? What are the best interests of Texas, and what are your best interests? We've got to help take the national leadership of the Democratic Party to the woodshed. This is not a creeping socialism we are fighting against, it's a galloping socialism."

Gilmer and other speakers stressed the mandate issued by the State Democratic Convention at Amarillo on Sept. 9, which resolved: "It is the recommendation of this Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

The meeting was called by Tom Sealy of Midland, who was elected co-chairman of the organization with Miss Nan Proctor, Victoria school teacher. Miss Proctor was a member of the Gilmer-Aikin Committee that recommended the national issue in 1949. Gilmer was co-sponsor of the reform.

Democratic Party Leaders selected for a statewide steering committee, to assist the officers, were: Sam Aldridge, Farwell; E. C. Aycock, Ft. Worth; W. R. Beattier, Lubbock; H. E. Chiles, Jr., Midland; Lester Clark Brockenridge; Mrs. Charles K. Devall, Kilgore; Charles W. Duke, San Antonio; Charles E. Long, Jr., Dallas; Maston Nixon, Corpus Christi; Emmett Shelton, Austin; and John V. Wheat, Houston.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and griping disrupt normal bowel action, make you feel in need of repeated dosing. When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine. Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size Money back if not satisfied Mail bottle to Box 280, N. Y. 18, N. Y.

Representative Of CROP Here

Rev. W. E. Fisher, Ft. Worth, field representative of the state office, Christian Rural Overseas Program, spent Saturday in Muleshoe conferring with county leaders of the program, including Bill Matthiessen, chairman, and Buddy Blackman, secretary. He was personal representative of Walter O. Carr, Ft. Worth, area director.

He announced the CROP workers dinner, to be given in Lubbock Hotel at noon, today, Sept. 25.

Dan Clinton, county agent of Harris County, who just returned from a stay in South Korea, was

to be the principal speaker. Clinton was appointed by Texas CROP for the Korea mission and his expenses were paid by the UN Relief Commission.

JORDAN QUALIFIES MEXICAN LABOR STORY

Mr. Jordan, manager of the Littlefield office, Texas Employment Commission, has written The Journal editor pointing out a misleading statement in the story printed in this paper last week under the heading, "Mexicans To Help With Harvest".

The story said that Mexican nationals work for 50 cents per hour. He points out that the contract calls for a minimum of 50

cents per hour or prevailing wage in the area, whichever is higher. The Secretary of Labor has authority to determine the prevailing wage. In addition, the employer has to furnish bedding, stoves, fuel, cotton sacks, etc. to the Mexican Nationals.

Farmers around Muleshoe are counting on being able to secure the services of these Nationals to harvest their crops this fall.

MORE PEOPLE read the wants ads every week. They cost little, get the job done. Try one.

GET EXTRA PROFIT EVERY TRIP

— up to 1,200 pounds more! —

THIS new GMC 145 H.P. Highway Tractor—the 472-30, will pack more payload and profit into 45,000 pounds of gross capacity than any similarly equipped middleweight built.

It represents new advances in truck engineering that eliminate useless weight in engine and chassis design. Result: You can haul as much as 1,200 pounds of bonus payload without exceeding this GMC's rated capacity by an ounce!

It is both trim and solid—engineered with the same traditional ruggedness you find in the largest GMC's. Available in conventional and cab-over-engine models. Standard equipment at no extra cost includes GMC's great new 145 H.P. engine, full air brakes, and husky rear axle rated to accommodate 10,000/20 tires.

Come in today and compare this sensational GMC 470's payload, power and price! Nowhere else will so little buy so much in a middleweight truck!

GMC'S NEW 470 SERIES HIGHWAY TRACTOR — gasoline-powered by the revolutionary new GMC "302" valve-in-head engine, most powerful for its weight in truck history! Record 7.2 high compression!

TEXAS-BORN IKE ...a man of integrity

He is the Choice of Texas Democrats for President!

Texas Democrats for Eisenhower!

That is the rallying cry of Texans who believe in the traditions and time-honored principles of the Democratic Party — but NOT in the policies and practices of Trumanism.

We are the Texas Democrats who have studied the candidates and platforms of the two major parties and are ready to announce: "We like Ike!"

We are the Texas Democrats who feel that best interests of our party, our state and our nation would NOT be served by another four years of Trumanism.

We are the Texas Democrats who stand ready to carry out the mandate of the State Democratic Convention which on September 9, 1952, resolved: "It is the recommendation of the Convention that every Democrat in Texas vote and work for the election of Dwight D. Eisenhower for President and Richard Nixon for Vice President."

If you, as a Democrat, feel as we do — join us! Be a Texan — not a Trumanite . . . Vote Ike!

Chairman:

CLAUDE H. GILMER, Rock-springs

Vice Chairmen:

MISS NAN PROCTOR, Victoria
TOM SEALY, Midland

JOHNSON
COTTON HARVESTER
SAVES YOU \$41.03 PER BALE

What's in it for you when you harvest with a Johnson? Well, to start with there's more profit in each bale. With one Johnson Harvester you average 18 bales a day, replacing 45 workers... a saving to you of \$41.03 per bale. In addition, the Johnson Cotton Harvester delivers a better grade of cotton to your trailer than when pulled by hand. This year, profit with a Johnson Cotton Harvester — best by field test.

CHURCH OF CHRIST
Bula, Texas

Norman L. Warren, Evangelist
We welcome ALL to the Bula community and wish to extend a special and warm welcome to attend all services of the Church of Christ.

Our Bible study on Lord's Day begins at 10:00 o'clock and the regular morning worship begins at 11:00. The Lord's supper is observed every Lord's Day.
Evening services begin at 7:15 each Sunday with the young people and preaching services at eight. This will still leave time for those who have children in school, to get them in bed at an early hour.

Our Ladies Bible study is on Tuesday afternoon, 2:30 p. m., and our midweek Bible study is on Wednesday at 8:00 p. m. Please call on us for further information, or if you need transportation; and may we have the privilege of meeting and greeting you personally.

JAMES RALPH WOOD, PRESIDENT HOME OFFICE • DALLAS

...what a way to wash clothes!

Yes, you could actually pull up an easy chair in front of the washer, for once the clothes are in your automatic washer, the rest of the work is simply a matter of pushing a switch. There's no backbreak, no bend, no wringing or rinsing — your automatic washer handles all those tasks.

Let Reddy make washday as simple as sitting in an easy chair. Buy your automatic clothes washer now and you, too, will say — "What a way to wash clothes."

MULESHOE, TEXAS

Muleshoe H. D. Club Meets In Home Of Mrs. Julian

The Muleshoe H. D. Club met Sept. 23 at the home of Mrs. Ethel Julian. Mrs. George T. Maltby of Progress and Mrs. A. W. Copley gave a very interesting report on the state T. H. D. A. meeting at chairman for this district and Mrs. Maltby is the chairman for another year. Mrs. J. E. Day reported on the council meeting of September 15. Mrs. S. C. Caldwell informed the club that starting in October there will be one day each month for first aid classes to be taught by Mrs. Julian. A blood bank is to be in Muleshoe in October. Each organization of the city are expected to help with this.

Thursday, Oct. 9, at 7:30 p. m. a supper will be given by the ladies for their families. The main dish and coffee will be furnished but each family is expected to bring their own salad and pie. They must also bring card tables, chairs and paper plates, cups and silver. After this supper a film will be shown on the procedure of the blood bank. Pledges for donations will also be signed.

Mrs. S. C. Caldwell gave a financial report. The program for the day was baking and icing a cake. Mrs. Holland baked a cake and iced it, and Mrs. Ethel Julian and Mrs. Day iced other cakes.

Mrs. D. R. Aylesworth and Mrs. Dave St. Clair received gifts from their secret pals.

Refreshments were served to Mrs. G. T. Maltby, two new members, Mrs. W. Q. Casey and Mrs. Harvey Bass and regular members, Mesdames W. H. Awtrey, Martha Carney, Don Bruns, Opal Robinson, A. W. Copley, J. E. Day, C. H. Gillis, Ethel Julian, Joe Smallwood, Walter Witte, Dave St. Clair, Laverne Simmons, Willis Wood, and E. E. Holland. The next club meeting will be in the home of Mrs. Martha Carney on October 14.

Rainbow Girls to Have Installation

The Muleshoe Assembly of Rainbow Girls are to have public installation Sunday afternoon, Sept. 28, at 2:30 p. m. in the banquet room of the Masonic Hall.

Joy Dean Wagnon will be installed as worthy advisor. Marilyn Gupton is outgoing worthy advisor. All other officers of the Assembly are also to be elected.

PAPER & OFFICE supplies at the Journal.

Collins-Harrison Vows Are Read In Candlelight Ceremony Sept. 18

MR. AND MRS. DONALD HARRISON

Miss Bobbie Frances Collins, daughter of Mr. and Mrs. Bill Collins, was married to Donald Harrison, son of Mr. and Mrs. W. F. Harrison, on Thursday, Sept. 18, at 8 p. m. in the home of her parents.

Rev. H. W. Hanks performed the double ring ceremony before an archway of fern with white satin wedding bells tied with white satin bows, and flanked by tall candelabra.

"Always" and "Because" was played softly while Noretta Harrison, sister of the groom, lighted the candles. She wore a navy blue dress with a pink carnation corsage.

Given in marriage by her father, Miss Collins wore a pink faille taffeta dress with a fitted jacket. She wore a pink net bonnet and carried a bouquet of white carnations on a white Bible with satin streamers. Something old was her mother's dinner ring, borrowed was the white Bible which belonged to Francis Totten, a life long friend, and a blue garter was a gift from Mrs. George Province. The lucky penny was dated 1935, the birthday

of the bride and groom. Bettie Collins, sister of the bride, who served as maid of honor, wore a royal blue dress with a pink carnation corsage.

Teddy Harrison, brother of the groom, was best man.

Immediately following the ceremony, a reception was given by the bride's parents. The bride's table was laid with a lace cloth. The centerpiece was a three tiered cake decorated with pink wedding bells and pink candles topped with bride and groom figurines.

Jeanette Harrison, sister of the groom, registered guests in the bride's book.

Punch and cake were served to guests. Out-of-town guests were Mr. and Mrs. Bill Jeter and son, Butch, of Springdale, Ark., sister of the bride and family, and Mr. and Mrs. Joe Simpson of Earth, grandparents of the groom.

Following a trip to Oklahoma, Mr. and Mrs. Harrison will be at home in Muleshoe where they are seniors in High School. Mrs. Harrison is also an officer of the Rainbow Assembly.

ALAS . . . TOO TRUE

He worked his way through college.

As heroes often do. Now he's back where he started.

Working his son's way through. —Santa Fe Magazine

What Santa Fe Freight Service Means to You

Santa Fe freight service brings your community the commodities needed for everyday living. Merchandise for your grocers, your clothiers, your appliance dealers—in fact, much of the goods you buy from your retailers—comes in via Santa Fe.

This same freight service takes your farm products, manufactured goods, and other merchandise to ready markets wherever they exist. We help keep local business going with a safe dependable freight service.

Santa Fe pays taxes in your community, too. These vital railroad taxes help support your schools and local government. In this way, every freight shipment via Santa Fe helps you and your community.

For freight rates and schedules, see your local Santa Fe Agent.

T. E. L. Class Installs Officers

The T. E. L. Class of the First Baptist Church met Thursday, Sept. 18, at 3 p. m. in the home of Allene Dyer to install the class officers for the coming year.

Mrs. Earl Humphrey, installing the directions of how to wear them to each officer.

Officers of the year are: Alma York, teacher; Mary Finley, membership; Lovie Benson, fellowship; Beulah Motheral, stewardship and ministries; Lois Shook, secretary; Grace Winn, pianist, and Ellen Spence, reporter.

The meeting was closed by forming a ring of clasped hands as Truma Griffiths sang "Higher Ground" and Mrs. Lela Barron led in prayer while Mrs. Jean Cox softly played "Higher Ground".

Corsages were presented to Mesdames Beulah Motheral, Earl Humphrey and Alma York. Visitors were Mesdames Henry Harvey, Lela Barron, Byron Griffiths, Earl Humphrey, and Jean Cox. Members present were Mesdames Emile Snow, Lois Shook, Grace Winn, Ellen Spence, Beulah Perkins, Alma York, Mary Evans, Lovie Benson, Riddle, Beulah Motheral, Bessie Harlan, and the hostess, Allene Dyer.

A social hour was enjoyed and refreshments of punch and cake were served.

H. D. Club Meets In Haley Home

The Progress Home Demonstration Club met Tuesday, Sept. 16, in the home of Mrs. T. Haley.

Mrs. George Stotts presided over the meeting. Roll call was answered with "A Good Community Project". Council report was given by Mrs. Gordon Murrah.

Mrs. A. W. Copley and Mrs. G. T. Maltby gave a very interesting report of the T. H. D. A. state meeting which was held at A & T College at Kingsville, Texas, in August.

The program was on "Variations of Icing". Mrs. Joe Simmacher gave a demonstration of chocolate icing and Mrs. G. T. Maltby gave a demonstration of caramel icing and feed a hot cake with it. It proved very good. Refreshments were served to one visitor, Mrs. A. W. Copley, and members, Mesdames Albert Davis, George Stotts, Gordon

Mrs. Hanks Hosts Wesleyan Guild

The Wesleyan Service Guild met in the home of Mrs. H. W. Hanks Monday evening, Sept. 22, at 8 p. m. with Mrs. Alex Wilkins, president, presiding over the meeting.

The opening song, "We've a Story to Tell to the Nations", was followed by a prayer by Mrs. Hanks.

Mrs. Fred Johnson continued with the study, "The African Heritage". Parts given were "Widening Education Needs" and "Communism Versus Christian Community".

Several members of the Guild will attend a Guild meeting to be held in Plainview Sunday afternoon from 2 to 4 p. m.

The Guild voted to assist with payment on the new furnace to be installed in the parsonage. The next meeting will be October 13 in the home of Mrs. Homer Sanders, Jr., at 8 p. m.

Refreshments were served to one new member, Mrs. Mable Dowell, Rev. H. W. Hanks, and regular members, Mesdames Fred Johnson, Lois Schoenberger, Delma McCarty, Buford Butts, Jim Cox, Alex Wilkins, Homer Sanders, Jr., Homer Sanders, Sr., Francis Gilbreath, A. S. Stovall, and Elizabeth Harden and the hostess.

LIBRARY RECEIVES SEVERAL NEW BOOKS

The library has received several new books to give winter readers a wider selection. They are "The Shining Tides" by Win Brooks, "Julie" by Jane Kesner Morris, "Prelude to Happiness" by Jessica Brown, "Coyotes of Willow Brook" by Brett Austin, "Iron Horse Town" by Johnston McCulley, "Never Forget Love" by Carol Holliston, and "Dangerous Design" by Lawrence Goldman.

LEDGER SHEETS in stock at The Journal, Pho.7220.

Murrah, Alfred Patterson, Harold Mardis, Manuel Self, Joe Simmacher, G. T. Maltby, John Thompson and the hostess, Mrs. T. Haley.

Mrs. Manuel Self will be hostess for the October 7 meeting.

W. S. C. S. Has Quarterly Social

The Woman's Society of Christian Service held their quarterly social at the Fellowship Hall of the Methodist Church Monday, Sept. 22, all ladies of the church invited. The Guild members were special guests.

At 11 a. m. the meeting opened with the song, "The Kingdom is Coming". An inspiring devotional was then brought by Mrs. H. C. Holt. Her subject was "The True Vine", "Love One Another" and "Ye Have Not Chosen Me, but I Have Chosen You".

The morning services were dismissed with prayer by Mrs. I. W. Haney. The invocation was given by Rev. H. W. Hanks.

During the luncheon hour, a program was presented consisting of the following parts: Calling All Memberships" by Mrs. O. N. Jennings, "Proclaim the Good News" by Mrs. Arnold Morris, and "That the Kingdom of God May be Realized" by Mrs. I. F. Willman.

A skit, "Presidential Timber" was presented by Mrs. W. D. Moore as Mrs. Carrythall and Mrs. I. F. Willman as Mrs. Justoomall and was enjoyed by all.

"Our Purpose", the purpose of the organization of Woman's Society of Christian Service, was read by the group. A box of wool clothing was then packed for

MRS. COX RECEIVES SURPRISE PARTY

Mrs. Jim Cox received a surprise birthday dinner Sunday, Sept. 21, in the home of Mr. and Mrs. Buford Butts.

Present were Mr. and Mrs. Jim Cox and Edwin, Mrs. Cox's mother, Mrs. J. C. Wollard, Mrs. I.

foreign fields.

Enjoying the luncheon were Mesdames Beulah Carles, Lucy Lane, I. W. Haney, C. M. West, W. D. Moore, Earl Folk, C. R. Farnell, H. C. Holt, J. E. Day, H. W. Hanks, T. P. Smallwood, J. C. Wollard, F. B. Pierson, R. O. Gregory, O. N. Jennings, Roy Bayless, C. D. Julian, I. F. Willman, Horace Edwards, Fred Johnson, Lois A. Schoenberger, D. B. Lancaster, E. R. Wright, John Farley, Buford Butts, Jim Cox, Alex Wilkins, Delma McCarty, Clyde Waggoner, H. S. Sanders, Sr., H. S. Sanders, Jr., Arnold Morris, Misses Elizabeth Harden and Claudia Huber, and Gary Edwards, Mike Sanders, and Rev. H. W. Hanks.

W. Harden, Mr and Mrs. Delma McCarty, Elizabeth Harden, and host and hostess and daughter, Patricia.

VISITED IN FLOYDADA

Mr. and Mrs. D. W. Winn visited in the home of Mr. and Mrs. Skinny Winn in Floydada Sunday.

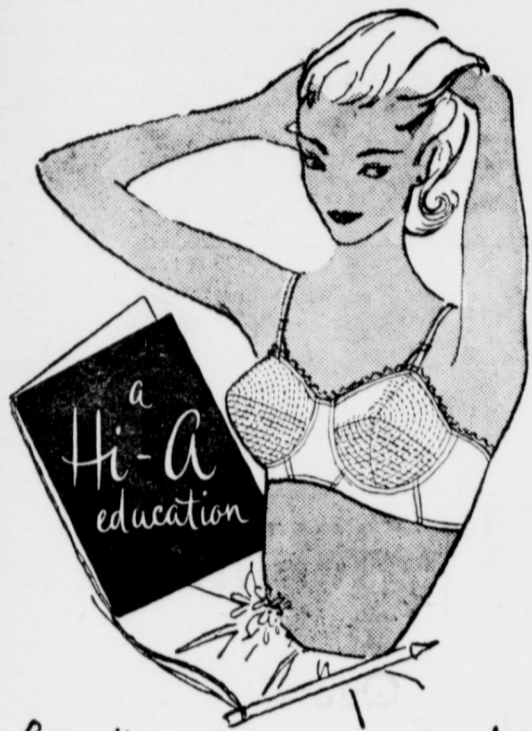

ATTENDED STYLE SHOW

Mesdames M. F. Green, Fred Johnson and Lois Schoenberger were in Lubbock Thursday, Sept. 18, where they attended the style show, "Black Magic", and brunch at Hotel Lubbock.

Social Security Changes Outlined

One result of recent changes in the social security law is that the Lubbock social security office is no longer suggesting to self-employment people who retire in 1952 that they should wait until January 1953 to apply for old age insurance benefits.

John G. Hutton, manager of the Lubbock social security of-

ice, explains that earnings from self employment go into the social security records only once each year, but a period of at least 18 months must be used to determine the average earnings on which benefit amounts are based. For this reason, a self employed person who retired and claimed payments in 1952 under the old law would have only his 1951 earnings spread over 18 months in figuring the monthly average. Before the new law was passed the Lubbock social security office was explaining to self em-

DREAM CAR AT TEXAS FAIR

The K-310, Chrysler Corporation's experimental sports sedan, will be on display in the Automobile Building at the State Fair of Texas in Dallas October 4 through October 19. The K-310 is one of the features of the new \$1,000,000 "New Worlds in Engineering" show explaining how the American automobile is designed.

By John C. White, Commissioner
SIGNIFICANCE OF TEXAS GRASSES

Texas grassland is the foundation on which to build permanent prosperity for the whole state. Grass feeds livestock. It builds fertility and saves soil. In its own way, grass is just as important as any of the natural resources of the United States. Texas is making rapid strides in restoring its grasslands, an important phase of farm economy. The soil improvement program, using grasses to best advantage, is sweeping through the state with increasing velocity. Some counties are more advanced than others, but the movement is state-wide.

The average farmer or rancher has not always been so concerned with the preservation of cover grasses. And the nation is still paying for this short sightedness. The disastrous sandstorms of the early '30's is an example of

what happens when grasses are destroyed, good land practices are abandoned, and the farmer begins to mine, instead of farm, his soil.

One of the most striking examples of how grasses can save the land was demonstrated in an experiment performed by the Soil Conservation Experiment Station at Zanesville, O., some years ago. The experiment revealed that 34.5 inches of rainfall annually on a 12 per cent slope planted to corn would wear away the top seven inches of soil in only 19 years. Yet, this same slope planted in blue grass would not lose this rich seven inch layer of soil for 23,300 years. This is an amazing comparison, and it is that average of seven fertile inches of soil upon which we must depend to feed and clothe our nation.

Two important conclusions can be drawn from a study of grass. First it is almost indispensable to the profitable raising of livestock. Because of this fact,

Naval Reserve Open To Air Men

Air Force reserve personnel may join the Clovis Naval Reserve unit and earn retirement points by attending its drills, according to information received by Lt. Comdr. Dee C. Blythe, USNR, commanding officer of Volunteer Composite Unit 8-14. As has been announced previously, Marine Corps and Coast Guard reserves may also join the Navy unit, and it now numbers two Marine Corps officers among its 21 members.

Cross-service drilling is authorized where a branch of the armed forces does not have a reserve unit available. Since the Army has such a unit here, its reserves may not meet with the Navy unit.

VCU 8-14 meets every Wednesday evening for two hours in the basement of the Clovis postoffice. The meeting last Wednesday was attended by 16 men who saw an impressive color film on the Bikini atom bomb tests and heard a talk on the elements of

it deserves the thoughtful consideration of every intelligent farmer.

Second, it is invaluable in the functions of soil conservation and fertility maintenance. Because a stable soil is essential to the nation's welfare, grass merits the high regard of every American citizen.

It is conceivable, of course, that the return to grass could go too far for the welfare of our present economic system. Certain crops are necessary for human food, industrial demands and livestock needs. The goal of agriculture should be to find the ideal mean between the two extremes. When this point is found, the soil would be held to the land, fertility would be maintained, and yet there would be enough of the various crops produced to meet the country's needs.

In the overall scheme of things, grass was nature's way of conserving the soil and producing food. And time after time, nature's way has proven to be the best way.

DUGGAN ON GOVERNOR'S WATER COMMITTEE

Arthur P. Duggan, Jr., of Littlefield, was appointed a member of Governor Shivers' state wide committee on water conservation,

atomic energy by Lt. Col. George B. Reinhardt, USMCR, of Sudan.

Recent additions to the membership of the unit include Lt. Comdr. Arval W. Branscum of Portales, and Capt. Forrest W. Jones, USMCR, Albert H. Cox, ALC, and Roy F. Howard, AL3, all of Muleshoe.

a new body formed last week with J. B. Thomas, of Fort Worth, as chairman.

Mr. Duggan has been active in the affairs of the Hi-Plains Underground Water Conservation District. Lubbock placed three men on the committee, Henry P. Mathieu, Clarence Whiteside, and Homer D. Grant; Plainview's representative is Herbert S. Hilburn; the only other Plains men are T. L. "Jack" Roach and Lawrence Hagy, of Amarillo.

From where I sit ... by Joe Marsh

No Longer Two Sides to This Question!

Ever seen those two-family houses they have in some places—with separate front doors and porches—side by side? My sister owns half of one and lives in it, near Philadelphia.

Nice little frame home. Only Sis painted her half brown and the other family always painted theirs green. Ruined the effect—but for years neither family ever thought of suggesting that they both decide on a common shade.

Now Sis writes that their two-toned home is no longer. "I mentioned we were going to repaint,"

she says. "And they said let's get a color we all like. So we did. A nice shade of gray for both sides."

From where I sit, so often when there's a difference of opinion it's best to sit right down and work things out (like when our volunteer firemen decided to serve both lemonade and beer at their annual picnic last month). Don't let prejudices "color" your opinion of your neighbor. He'll probably be quite as open-minded as you are.

Joe Marsh

HOW MUCH FUN do you get from a GALLON OF GAS ?

Power Steering now available on Super as well as Roadmaster. Optional at extra cost.

"MILES PER GALLON" is something everyone talks about—and Buick owners take pride in telling us that they're doing OK on this score.

But the kind of miles is important too. The real pay-off you get when you own a Buick is in what happens while you're turning gas into power.

Every drop of gas sets off a tiny tornado of compacted energy in Buick's Fireball 8 Engine.

You swoop from a standing start to any speed the law or good sense permits with effortless smoothness, thanks to Dynaflo Drive.*

You soar over the road with magnificent levelness—buoyed by big soft coil springs on every wheel—coddled by a dozen other features which make up Buick's million dollar ride.

The car holds direction like an airliner on the beam. You snug into turns with sure-footed

poise—ease your grip on the steering wheel and feel the car seek a straight course again like a compass points to the pole.

This is travel as you've always hoped to find it—relaxed, carefree, luxurious, happy—while you leave the miles behind.

Yes indeed—life's different in a Buick. How different you should find out firsthand.

How about letting us give you a sample—any day you say?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

3. Keaton Sneed.
- Wheat Seed:**
1. Houston Bartlett.
2. & 3. Allen Mathis.

Legion Auxiliary Elects Officers

The American Legion Auxiliary met Monday night, Sept. 22, for the election of officers.

Officers elected were: president, Wanda Newsom; vice-president, Edith Evans; secretary, Joyce Prather; treasurer, Bennie Wiedebush.

The Auxiliary decided to have a kitchen shower for the Legion Home at the next regular meeting. The meeting will begin at 7 p. m. and after the shower, the ladies will have dinner at the El Monterey at Clovis.

The regular time of meeting was changed to the third Tuesday of each month at 7 p. m. instead of the Monday night meetings.

The Auxiliary also decided to have Sanders Lumber Co. build rose arches for the Legion grounds.

Classroom Teachers Have Conference

Miss Mittie Hill and Mrs. John Watson represented the Muleshoe Classroom Teachers Association at the conference held in Mineral Wells Saturday, Sept. 20.

The theme of the program was The Three R's of a Professional Association: Relationships, Responsibilities, and Rewards.

The legislative program from 1953 was discussed. A panel discussion on Strengthening School Community Relationships.

chants: St. Clair's Variety to Mrs. Jo Wood; Muleshoe Jewelry to Mrs. D. L. Morrison; Sanders Lumber to Mrs. A. C. Gaede; Johnson and Pool to Mrs. Harold Mardis; Mr. and Mrs. Roy Jordan to Tom Morgan; Western Fertilizer to Mrs. Snow Davis.
