Lions lose district opener 26-7

By James Pagan

The Ozona Lions opened district play in Junction Friday night and were pounced upon by a hard-hitting Eagle football team to the tune of 26-7.

The Lions will be at home Friday night to take on the powerful Wall Hawks.

The Lions not only lost their first district game, but lost the services of their fine pass receiver, Larry Payne. Larry will be side-lined for the remainder of the season with a broken ankle. Also injured were Ernie Borrego and Felix Flores.

The Junction crew took charge of the game early and the Lions were never really in it.

The fired-up Eagles scored in the first quarter on an eight-yard pass but the PAT failed. They struck again in the second quarter with a 77-yard dash and again the PAT failed, but the Eagles had a 12-0 lead at halftime.

The third quarter was the only time the Lions mounted any offense, as they managed to score on a quarterback sneak by Varlyn Aldridge. Sure-toed Will Mason added the extra point. Junction scored twice in the fourth quarter to put the icing on the cake.

4-H awards program is Saturday

The Annual 4-H Awards Program and Hamburger Supper will be held Saturday October 10, 6:30 p.m. at the Civic Center. All 4-H families, friends of 4-H and sponsors are invited to attend.

Hamburgers will be served at 6:30 p.m. with a short program and awards presentation to follow. The 4-H members are eligible to receive an award after they have completed a project and submitted a 4-H application or a 4-H record book.

This year's program will feature the Senior 4-H members interpretation of 4-H. County medals will be awarded for projects completed last year. The Gold Star Awards and Mother Davidson Award winners will be announced.

The County 4-H Parent and Leader Association plans the county event and sponsors the meal.

TRUCK CRASHES INTO HOUSE-This was the scene Tuesday morning at the Flores home where a truck crashed into the north side of it late Monday night. Both bedrooms in

this end of the house were heavily damaged, but the one on the left, where two little girls were sleeping, sustained the most damage. [See story]

Agents seize 87 cases of beer

Agents from the Alcoholic Beverage Commission seized 87 cases of beer at six south-side locations here Friday night and charged seven Ozona residents with "selling alcoholic beverages in a dry county and possession of alcoholic beverages with intent to sell."

The raid was conducted by 5 TABC agents from San Angelo and the local sheriff's department, and came after several weeks of investigation and undercover work by the agents.

Complaints from local citizens prompted the investigation, according to J. T. Seholin of the San Angelo office. After the investigation, the agents obtained search warrants from the Justice of the Peace and local officers served the papers. The raid was conducted simultaneously around 6:30 p.m. Friday.

ABC agent H. B. Brancel of San Angelo, was in Ozona Monday afternoon to turn the complaints over to County Attorney Tom Cameron. Named in the complaints were Felipe Vargas, Jr., Nato Tambunga, Jose Ybarra, Felipe Castro, Leticia

Tambunga, Sercia Castro and Rudy Martinez.

Cameron said it would probably be Thursday before

the charges are filed in county court. The maximum penalty is \$1,000 fine and one year in jail.

Truck crashes into home here

Two children narrowly escaped serious injury here Monday night when a truck crashed through their bedroom and sent the bed on which they were sleeping skittering across the room.

The home of Yolanda Flores at 102 Ave. E was knocked from its foundation when a Jay Miller truck, driven by Chuck Womack crashed into the north side of it around 10:25 p.m. Mrs. Flores' daughters, Camille and Christina, were asleep in the north bedroom at the time.

However, they escaped with only scratches. The truck was traveling south on Hwy. 163, which is also Ave. E, when

the driver failed to make the curve, sailing over the draw and crashing into the house. An air-conditioning unit outside the point of impact possibly cushioned the blow, although it was demolished and pushed into the house.

Womack was hospitalized with cuts and bruises.

The house was heavily damaged, and water and gas lines were broken, necessitating the shut-off of those utilities. Furnishings in the bedroom were destroyed and a closet demolished. Furnishings in the other part of the house appeared intact, but walls were cracked both inside and out with several windows broken.

Discovery and extenders up gas production here

A discovery and four extenders were finalized in Crockett County.

Joe McGuire, Midland, No. 2 Joe F. Bean "C", Crockett County Ellenburger gas discovery, 2 1/8 miles south and very slightly west of the upper Ellenburger gas opener and lone producer from that pay in the shallow Wyatt oil field and 14 miles northwest of Ozona, was finalized for a calculated, absolute open flow of 607,000 cubic feet of gas daily, with gas-liquid ratio of 307.984-1. Gravity of the condensate was 70.10 degrees.

Production was through perforations at 6,851-7,226 feet, which had been acidized with 5,000 gallons.

It topped the Ellenburger at 6,850 feet on ground elevation of 2,520 feet. Drilled to 7,500 feet, with 4 1/2-inch casing set at 7,450 feet, it is plugged back to 7,274 feet.

Location is 1,980 feet from the north and east lines of 48-UV-GC&SF.

Anderson Petroleum Inc., Midland, completed three extensions to Canyon sand gas production in the Ozona multipay field, approximately 24 miles southwest of

Ozona.

The No. 2-22 Almeda Hoover, et al. 1 1/4 miles west and slightly south, was finalized for a calculated, absolute open flow of 1,100,000 cubic feet of gas daily, through perforations at 6,975-7,244 feet, which had been fractured with 24,500 gallons and 22,500 pounds of sand.

Location (amended) is

Location is 661 feet from the north and east lines of 8-John H. Gibson.

The No. 1-5 Austin C. Millsbaugh "A1", 1/2-mile west and very slightly south and the same distance north and very slightly west, was finalized for a calculated, absolute open flow of 750,000 cubic feet of gas daily, through perforations at 7,032-164 feet, which had been fractured with 38,000 gallons and 42,500 pounds of sand.

Location is 895 feet from the south and 1,408 feet from the west lines of 5-John H. Gibson Survey.

A northwest extension area of the Pikes Peak Draw (Canyon gas) field gained its second producer and a location south extension with

2,656 feet from the north and 2,373 feet from the east lines of 22-NN-GC&SF.

The No. 2-8 L. B. Cox Jr. "A", one mile north-north-east, was finalized for a calculated, absolute open flow of 700,000 cubic feet of gas daily, through perforations at 6,898-7,322 feet, which had been fractured with 62,000 gallons and 91,250 pounds of sand.

Location is 661 feet from the north and east lines of 8-John H. Gibson.

The No. 1-5 Austin C. Millsbaugh "A1", 1/2-mile west and very slightly south and the same distance north and very slightly west, was finalized for a calculated, absolute open flow of 750,000 cubic feet of gas daily, through perforations at 7,032-164 feet, which had been fractured with 38,000 gallons and 42,500 pounds of sand.

Location is 895 feet from the south and 1,408 feet from the west lines of 5-John H. Gibson Survey.

A northwest extension area of the Pikes Peak Draw (Canyon gas) field gained its second producer and a location south extension with

completion of Joe McGuire, Midland, No. 1-D Joe F. Bean, 14 miles northwest of Ozona, for a calculated, absolute open flow of 579,000 cubic feet of gas daily, with gas-liquid ratio of 15,587-1. Gravity of the condensate was 49 degrees.

Production was through perforations at 6,337-7,041 feet, which had been acidized with 3,000 gallons.

Location is 660 feet from the north and 1,980 feet from the east lines of 49-UV-GC&SF.

Boyd is contest winner

Winner of the weekly football jackpot was Ray Boyd. Again, the tie-breaker determined the winner, as three were tied until after the game Monday night.

Everyone is eligible to enter each week. The jackpot pays \$15 and for a perfect score, \$50 will be awarded. The entry blank for this week will be found on page 6.

Artists to show at Prude

Artists of the Davis Mountains Area are invited to show with the instructors of the Davis Mountain School of Art at Prude Ranch.

This show, open to the public, will mark the opening of the third annual Davis Mountain School of art.

The classes run from October 5 to October 9; and there will be another show and reception for the public the evening of the 9th (Friday) featuring student's and instructor's work.

Robert Gartland will instruct in water color; Bill Chappell in oil landscapes; Bill Leftwich in drawing; and Patricia Aycock in fabric sculpture.

Each class is \$75.00 for the week; and room and board at Prude Ranch is \$100.00 for the week.

Contact Prude Ranch of Fort Davis, 915-426-3347 for additional information.

League to sponsor artist

The Ozona Woman's League will sponsor a preview showing of bronze sculptures by Mitch Mikeska of Mason, Tuesday evening, October 13, in the Ozona National Bank. The public is invited to see the display from 7:30 to 9 o'clock. In addition, the work will be on display during regular banking hours Wednesday and Thursday, October 14 and 15.

The 22-year old former Sul Ross University student will display many pieces representing an art form which he has labeled "western realism." This will be the first time these pieces have been displayed for the public in the Ozona area.

All the works feature a western and Indian motif and

the fine eye for detail for which Mikeska is becoming known. "There is a demand for western art nowadays," Mikeska said, "and consequently the artform tends to get lost in the commercialism. The artform is losing the artist's approach." So, in order to combat "gimmicky western art," Mikeska strives for different and better western art. And so far, his work has been successful and popular.

Last year he was commissioned by the Mason National Bank to create two sculptures. One was an 18-inch bronze statue of a horse and rider, titled "Hill Country Cowboy." The other was a three by four foot bronze logo which hangs outside the

bank.

His artwork was also given statewide coverage recently by the Texas CowBelles when Mrs. John Rice of Marfa commissioned him to create a bronze sculpture which she donated to the CowBelles for a fund-raising project. The piece was a bronze bust, titled "Pioneer Cattle Woman."

Mr. Mikeska gives credit for his pursuit of sculpturing as a career to Mason's noted wood carving artist, Gene Zesch. It was about two years ago when Mikeska picked up some sculpturing clay and made the bust of a cowboy. His par-

ents, Mr. and Mrs. Billy Charles Mikeska, formerly of

Mason and now of Iraan, were impressed with his work and took it to Mr. Zesch, who suggested that they have it bronzed. Mr. Zesch has since been a helpful and encouraging factor in the career of the young artist. A fifth edition of the bust of the cowboy titled "Sam" will be included in the display.

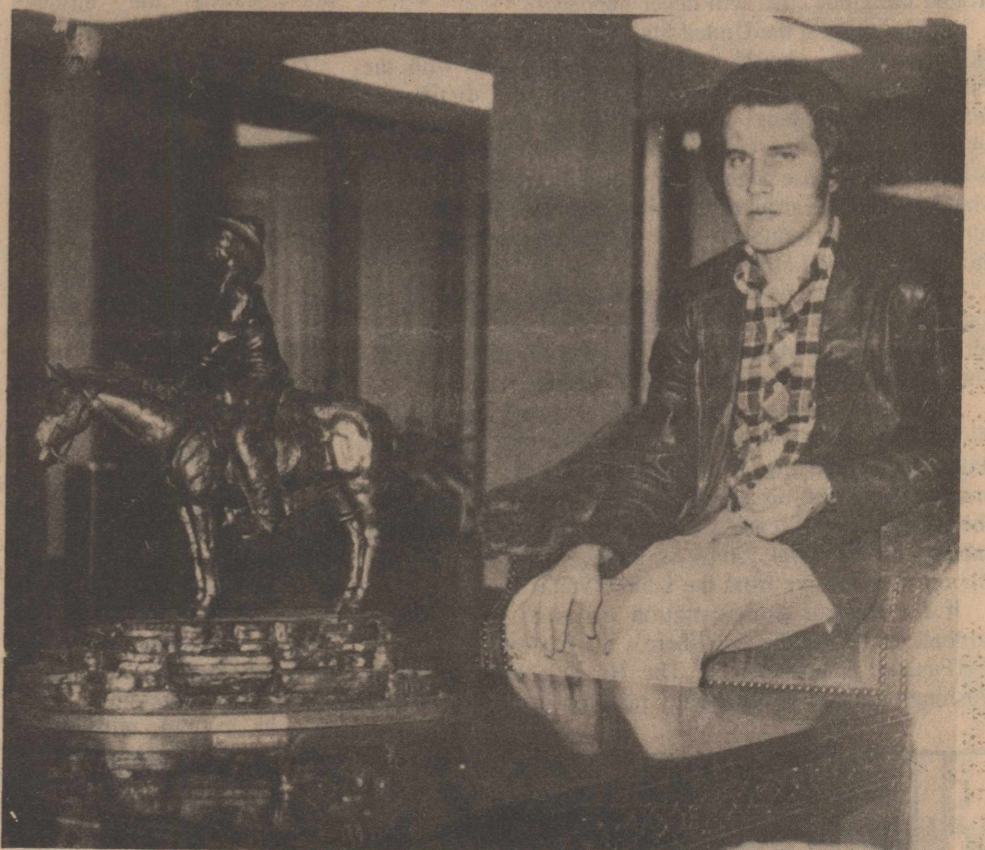

Mikeska is one of the few western artists who adds the artist's touch by following his work through the entire casting process. Most artists turn

their original wax or clay sculptures over to a foundry which does the casting. Mikeska has done a lot of his own casting and thus takes care of details many artists

leave to the discretion of the foundry. He spends an average of 120 hours on each piece he produces.

Among his many shows this year, Mr. Mikeska has appeared in Alpine, Mason, the Houston Livestock Show and Rodeo, and Scottsdale, Arizona.

The Ozona Woman's League cordially invites any and all people to attend the two-day showing at the bank.

Tips For Gardeners

From The Ozona Garden Club by Mrs. Bailey Post

For Fall and Spring color, set out pansy transplants this month. Choose a sunny or partially shaded location for pansies, and plant in moist, rich soil.

Also its time to begin sowing sweet peas. For early blooms, choose a location on the south side of your home. This will allow the plants to get plenty of sunlight and still be protected from cold, north winds. A trellis or fence will be needed to support vines unless you plant one of the newer bush types. To speed germination, soak the seeds overnight; then plant 2 inches deep and 2 inches apart. Apply an organic mulch once the seedlings are 2 to 3 inches tall. This will give them protection from possible cold damage.

Get off to a good start with spring bulbs. Healthy, well-formed bulbs and proper preparation of the planting site often means the difference between masses of colorful springtime blooms and a disappointing show. Whether you are growing crocus, daffodils, hyacinths, ranunculus or tulips, its essential to buy high-quality bulbs, while adequate size is important, also check for firmness, general condition, and weight. The scales on tulips and daffodils, should be firmly compressed around each

other. Also squeeze the bulb to make sure it doesn't feel soft. Tulip bulbs need to be chilled for four to six weeks before they're set out. Simply place the tulip bulbs in a paper bag and chill in the vegetable compartment of the refrigerator. Full sun or an area lightly shaded deciduous trees is recommended for bulbs. The planting beds should be well-drained, sandy loam or one that won't become waterlogged or dry out too quickly. Drainage and texture of poor soil can be improved by working organic matter into the beds. Prior to planting bulbs, work bone-meal or superphosphate into the beds. Apply at the rate of 1 1/2 to 2 1/2 pounds per 50 square feet of bed area. For individual planting holes, use about 1 tablespoon of either material.

For the most striking show of bulbs, plant them in masses. That way they will create a solid block of color in the landscape, visible from the street.

If planting tulip bulbs in a container for outside use, there is no need to refrigerate the bulbs. Use only containers that have drainage holes.

October Planting Days:
Above-Ground Crops:
1, 2, 5, 6, 7, 10, 11, 27, 28, 29.

Forum members enjoy outing

The Woman's Forum met Saturday for an all day outing at Devil's River. Jane Black hosted this "fun day."

Picture, hotdogs cooked over an open fire, with lots of trimmings, a big pot of beans, a pot of boiled coffee on the campfire, topped off with everyone's favorite goodies; then add the fresh country air, a nice shady spot on the bank of the river, a group of friends chattering and you have a perfect day.

The President, Crystelle Childress, had a short business meeting and Jane Black reviewed some highlights from the book, "I Would If I Could and I Can," by James Hoke, which discusses how to choose ones own ongoing emotional programming. Learning how to use Psychofusion to relax and replace negative thoughts and emotions with positive ones was the focal point.

In the afternoon there was boating, wading, birdwatching, photography, rock hunting and just loafing and visiting.

This very pleasant day was shared by the following members: Jane Black, Crystelle Childress, Geniece Childress, Totsy Hagelstein, Madye Jo Humphreys, Bernice Jones, Katy Jones, Georgia Kirby, Lois Lock, Velma Marley, Ann McCartney, Doris Moore, Betty Perry, Katharine Russell, Madeline Stokes, Blanche Walker and Mary Agnes Ward.

Mrs. Taylor hostess for lunch-bridge

Mrs. Sherman Taylor was hostess for luncheon and bridge at the Country Club Thursday.

Mrs. Joe Friend won high and Mrs. Jake Short, second high. Mrs. Billy Carson and Mrs. Oscar Kost won the bingos.

Others playing were Mrs. Clay Adams, Mrs. Bob Bailey, Mrs. Charlie Black, Mrs. Larry Braden, Mrs. Bill Cooper, Mrs. John Childress, Mrs. Joe Couch, Mrs. James Dockery, Mrs. Arthur Kyle, Mrs. J. J. Marley, Mrs. Kirby Moore, Mrs. J. B. Parker, Mrs. C. O. Walker, Mrs. Charles Williams, Mrs. Gene Williams, Mrs. Jack Williams, Mrs. Jake Mayfield, Mrs. Byron Stuart and Mrs. Duane Childress.

Services for Reid infant

Graveside services for R. W. Reid, infant son of Mr. and Mrs. George Reid, were held Friday afternoon in Austin. He died Sept. 29. Mrs. Reid is the former Sharon Logan of Ozona.

Grandparents are Mr. and Mrs. George W. Reid, Jr. and Dr. and Mrs. Joe B. Logan.

Winners in Duplicate Bridge Club play at the Country Club Saturday were Mr. and Mrs. Evert White, first, and Mrs. Joe Friend and Mrs. Pete North, second.

Mrs. Robert Cox and Mrs. Tom Montgomery won in play Sunday, and Mrs. White and Mrs. Gene Williams were second.

Debra Says

By Debra Price

I hope you are planning on attending the 4-H Awards Program and Hamburger Supper this Saturday. Supper starts at 6:30 at the Civic Center.

The Family Living Committee met and made final plans for new extension programs. Programs you will want to watch for include a health fair, stress management, cancer self examination, and understanding health insurance.

Employed mothers, there's new hope for success in both of your "jobs"--at home and at work. Home economics research is finding no basic differences between children of employed mothers and those who remain in the home. However, studies show that employed moms' guilt and worry can affect the children. Guilt and worry about working outside the home tends to interfere with or makes time mother and child spend together less enjoyable.

Suggestions for working moms are: Choose what is most important, you won't be able to do everything; take care of yourself; link work and parenthood, talk to your child about your job.

SLOW-COOKER CHICKEN
By Tot Holmsley
4 chicken breast

1 8-oz. package cream cheese

1 package Hidden Valley Ranch Salad Dressing

Place chicken, skin side up, on rack in slow cooker. Sprinkle dry Ranch dressing mix (original) over each layer. Cook on low all night or 8 hours. When done mix small amount of juices with an 8-oz. package cream cheese, softened. Serve over pieces of chicken. If any sauce is left place on table for gravy.

CARROT-RAISIN BROWNIES

1 1/2 cups light brown sugar, packed

1/2 cup softened butter or oleo

2 eggs

1 teaspoon vanilla

1-1/2 cups flour, unsifted

1/2 cup finely chopped nuts

1/2 teaspoon salt

1/2 teaspoon baking soda

1/2 teaspoon baking powder

1/2 cup raisins, chopped

1-1/2 cups carrots, finely grated

Preheat oven to 350 degrees. Grease a 9x13" baking pan. Mix sugar and fat. Add eggs and vanilla; beat. Stir in dry ingredients. Add raisins and carrots; stir. Spread mixture into baking pan; sprinkle with walnuts. Bake about 40 minutes or until a toothpick inserted in center comes out clean. Cool, cut into squares.

Calling All Homemakers

Brought To You By Brown Furniture

One quick and easy way to solve many decorating problems at once is to add the right kind of wall unit, book case or room divider. There's so much they can do for you including giving you added beauty and storage.

Perhaps you'd like to divide two rooms or areas with a book case that's open on both sides. There are units available with arrangements of shelves to hold not only books but flowers, accessories, stereo equipment, etc. These open book cases give you the best of both worlds by not only serving as dividers, but also as unifiers and the fact that they are open gives a feeling of more room and light in both divided areas.

You can also consider book cases whose shelves are closed in the back, and meant to be used against a wall. This can be a beautiful way to transform a wall and give you so many practical advantages.

The large variety of these book cases or wall units can divide, add and multiply for you all at the same time. They can effectively divide areas you want divided; they can add storage space; and they can multiply the beauty of your room whether used free standing or against a wall.

If you'd like to look over a fine selection, stop into Brown Furniture Today!

ENERGAS

Gas heating saves \$226 per year!

Compared to the heat pump, gas heating can save you \$226 per year on your utility bills. So if you hear that a heat pump is "more economical", remember, that is comparing it to other electric heating... not to gas! No other heating system even comes close to gas for economy. At Energas, we are committed to help you get the most for your heating dollar. Gas heating, combined with good conservation practices, saves energy, too.

Auxiliary meeting held Mon.

The Crockett County Hospital and Care Center Auxiliary met Monday evening in regular session and elected officers for the coming year. Roberta Schoenhals was elected president; Blanche Walker, secretary, and Beth Boyd was re-elected to the post of treasurer.

The Auxiliary was organized in 1975 by the Ozona Womans Forum and had 36 members. The membership is down to 14 at the present time, including 5 charter members. Charter members are Velma Marley, Sophie Kyle, Blanche Walker, Beth Boyd and Lucile Harrell, who is the only life member. Georgia Kirby joined the organization when it was started and is now a member, but has a break in service.

The organization is financed by membership dues, donations from individuals and clubs and profit from three rented soft drink vending machines plus a food vending machine.

Purchases include a 16 mm sound projector, a wheel chair, a sterilizer, carpet at the entrances of the hospital and center, a blood pressure machine and draperies. The Dr. Tandy Memorial Fund helped with the new drapes for 15 hospital rooms, the lobby, administrator's office and business office. A ceiling fan for the kitchen was the most recent purchase.

GS troop 51 has meeting

Ozona Girl Scout Troop 51 held a troop meeting Wednesday, September 30, at the home of Kathy Reavis. Officers were elected and discussion was held on projects for the coming months, including charity events and money-making projects.

The new officers are as follows: Tonya Ruthardt, president; Lydia Hayes, vice-president; Michelle Couch, secretary-reporter, and Dona Lilly, treasurer.

Members present were Tonya Ruthardt, Lydia Hayes, Michelle Couch, Dona Lilly, Becky Ybarra, Irma Ybarra, Jo Anne Hearne, and Cindy Reavis. Other members are Krystal Williams and Katrina Burger. Leaders for this year are Kathy Reavis and Tahona Merryman.

Judge Jones to attend annual judges' meeting

The annual conference of the County Judges' and Commissioners' Association of Texas begins Oct. 14 with registration from 1 to 6 p.m. in the El Paso Civic Center. Crockett County Judge Johnny Jones has made plans to attend.

According to President Giles Dalby, Garza County Judge, the three-day conference will attract county judges and commissioners from throughout Texas.

Conference headquarters will be at the Holiday Inn Downtown, with all activities at the Civic Center. The El Paso County Commissioners' Court will host a reception the first evening.

Current officers of the state association are Judge Dalby, president; Norman Troy, Jefferson County commissioner, first vice-president; and Winston Reagan, Henderson County judge, second vice-president.

The first general session begins at 8:50 a.m. Thursday, Oct. 15, with greetings and welcomes by El Paso County Judge Udell Moore; El Paso Mayor Jonathan Rogers; El Paso Chamber of Commerce President Thomas Foster; and association presidents H. L. (Bill) Young, Dickens County, West Texas Association; J. Carlos Brady, Jr., Grayson County, North and East Texas Association; Carl Bluntzer, Nueces County, South Texas Association; and Glenn Thompson, Cochran County, Texas Association of Counties.

"Federal Government in Relation to Counties" is the topic of a panel Thursday morning. Panel members in-

clude Roy Orr, past president, National Association of Counties and Dallas County Commissioner; J. Richard Conder, president, National Association of Counties; J. Steven Rhodes, special assistant to the President for Intergovernmental Affairs; and Bernie Hildebrand, executive director, National Association of Counties.

Following the panel, Larry McNeill, attorney, will discuss "Amended Peveto Bill-Problem Areas and Mechanics."

Thursday afternoon, two seminars are scheduled, one for county judges and the other for county commissioners.

Friday morning's session will feature a presentation,

"A New County Commissioner Talks to His Judge," by Charlie Lawrence, former county officials program specialist, Texas Agricultural Extension Service, and John Gilmartin, current Extension county officials program specialist.

Additionally, a panel will discuss "County Government: From the Legislative Point of View." Panel mem-

bers include Sam Clonts, executive director, Texas Association of Counties; State Representative John Whitmire, Houston; State Senator Peyton McKnight, Tyler; State Representative Gib Lewis, Fort Worth; and State Senator W.E. "Pete" Snelson, Midland.

Friday afternoon, Sam Clonts will address the group on activities of the Texas Association of Counties during the past year. Also, the association's business session will include resolutions, conference city report, and nomination and election of officers.

The conference concludes Friday night with the officer installation banquet and dance.

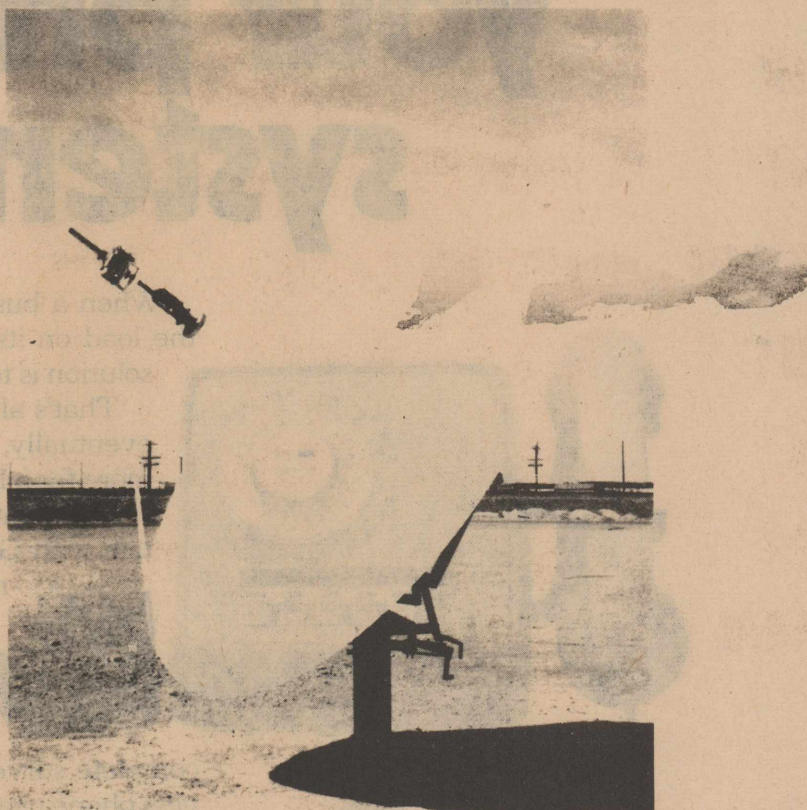

Band boosters to meet

There will be a meeting of the Ozona High School Band Booster Club Thursday evening at 7:00 o'clock in the Civic Center.

All band boosters and parents of band students are urged to attend.

Mrs. Chandler to lead Bellringers

Mrs. Erby Chandler will lead Bellringers in a house-to-house drive during October. Mrs. Chandler will be calling on others in the community to assist with the organization and working of the drive. All citizens are called upon to aid in this drive to benefit the fight against mental illness and the improved care for the mentally ill.

"Proceeds will benefit the Mental Health Association in Texas," said Virginia Bar-

low, state President of the voluntary citizens' association.

As a non-government agency, the association can and does speak for the consumer—the person who needs professional help for

an emotional disturbance.

The number one goal of the association for 1981 is to promote self-help groups for families of patients and for former mental health clients.

Additionally, the association offers literature to the

public on a variety of topics including depression, stress, and positive mental health concepts. For free information, write to the Mental Health Association in Texas, 4600 Burnet Road, Austin, Texas, 78756. (512-459-6584).

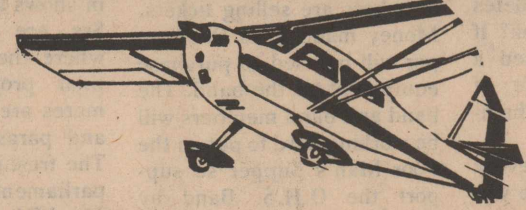

PBPA energy report

The Texas Railroad Commission says gas pipeline safety and distribution have been improved in recent years. In at least 91 gas pipeline systems in the state, more than 20 percent of the gas purchased is lost for one reason or another. In city-owned systems, one in every five shows a loss of 30 percent of the gas bought.

The Railroad Commission has almost doubled the field safety staff and has set up its eighth safety district with headquarters in Abilene.

There has been substantial improvement in 76 percent of the 91 problem systems, according to the Commission, with complete or substantial pipeline replacement accomplished in 46 percent of those systems. The Commission has asked its gas utilities division staff to prepare new, stricter safety standards for problem systems. 2.9 million Texas homes are connected to gas pipelines.

And, the active rotary rig count in the Permian Basin has reached a modern milestone. According to the latest Reed Rock Bit rig count, 509 rigs are working in the Basin. This is the first time since 1959 that the rig count has topped 500. The all-time record was 515 set in 1957, the same year that records started being kept for the Permian Basin.

FGA HOLDS AM MEETING

By: Jana Harris
Did you attend the Fellowship of Christian Athletes (FCA) meeting this week? If you did not, you missed a good film on the life of Olympic Heavyweight Champion Paul Anderson.

TO ANY ATHLETE

There are little eyes upon you, and they're watching night and day; there are little ears that quickly take in every word you say; there are little hands all eager to do anything you do; and a little girl who's dreaming of the day she'll be like you.
You're the little girl's idol; she's the wisest of the wise, in her little mind about you; no suspicions ever rise; she believes in you devoutly, holds that all you say and do she will say and do, in your way when she's grown-up like you.

There's a wide-eyed little girl, who believes you're always right. And her ears are always open, and she watches day and night; you're setting an example every day in all you do, for the little girl who's waiting to grow up to be like you.

VICTORY DANCE

There will be a Victory Dance at the Civic Center after the Wall football game. All high school students are invited to attend. Refreshments will be served by the OHS Cheerleaders.

POOR MAN'S SUPPER

By: Vicky Vargas
The annual Poor Man's Supper will be held October 9 at the Civic Center. The menu will include pinto beans, cornbread, green tossed salad, and dessert. The mothers of the band members are helping to prepare the meal. The Chairmen are Mrs. Alice Lopez, Mrs. Charlotte Williams, and Mrs. George Ann Aycock. The

tickets are \$2.00 for adults and children under 6 are \$1.25. All high school and junior high school band members are selling tickets. Money made from the supper will be used to purchase equipment for the band. The band and band members will be working hard to put on the Poor Man's Supper so support the O.H.S. Band by buying a ticket.

O.H.S. GRADUATE

NOW COACH
By: Mel Spiller

The teacher for this week is Miss Debbie Deaton. She was born in San Angelo and has lived all of her life in Ozona except when she attended college. Miss Deaton attended two years at Angelo State and then two years at Tarleton where she got her degree in Physical Education. She is a P.E. teacher and she has been on the Ozona High School staff for Girl's Varsity Basketball team and will also be the O.H.S. Tennis Coach this spring.

FFA NEWS

By: Gail Hunnicutt
The Ozona FFA chapter has elected Sue Ellen Black as FFA sweetheart in a recent meeting.

The senior chapter conducting team meets every Tuesday night. They discuss parliamentary procedure and will compete in the district contest in Wall on November 18. It is possible that they might go to Regional and State. This group consists of Mike Couch, president; Cap Covington, vice-president; Terry Crawford, reporter; Joe Vandiver, secretary; Donny Searcy, sentinel; Dale Perry, advisor; and Cindy Reavis, treasurer.

The Junior chapter conducting team consists of Ira Childress, president; John Moran, vice-president; Jack Moody, advisor; Burkley Graves, sentinel; Juan Garcia, treasurer; Anel Waggoner, reporter; and George

Guerra, secretary.

They will shear, vaccinate, and start feeding lambs tomorrow. They will participate in shows in January. Jr. and Srs. are in the shop now where they are working on their projects. The sophomores are studying diseases and parasites on livestock. The freshmen are practicing parliamentary procedure. The FFA students are feeding out about seventy lambs in order to get ready for their show.

J.V. UPDATE

By: Erika Lee
The J.V. has started off their season with a 1-3 record.

"The defensive and offensive teams are improving by learning new assignments and plays," stated Coach Bradshaw.

The coaches commended Zeke Martinez, Johnny Rodriguez, Marcello Hernandez, and Robert Flores in the game against Eldorado. Also the Lions suffered two injuries in the Eldorado game which were Jene Wilton and Henry Delgado.

The Lions were defeated in their first district game against Junction last Thursday night. The Lions started off the game with a 75 yard touchdown made by Robert Flores on the kick-off return. Robert Flores carried the ball for a 60 yard touchdown with Gino Tambunga receiving a pass from Al Ramirez for a two point conversion. Even with Flores's third touchdown the Eagles came from behind in the last 44 seconds of the game to make the final score 26-22.

"We made few mistakes and the mistakes we made hurt us," said Coach Porter. Porter also said that the team as a whole did an outstanding job and he was really pleased with the way they are playing. They are improving weekly. Some will make good contributions to the Varsity next year.
Some of the goals of the J.V. are: to win the rest of

their games; improve, play well, and not make so many mistakes. The J.V. team has a motto that should be all OHS students' motto--Lions Can. Good luck against Wall.

HOLLYWOOD, HERE COMES O.H.S.!

By: Stacy C.

Part of the Speech II classes' contribution to O.H.S. is putting on some sort of play during the year for the students. So far this year, Mr. Porter is putting together a Halloween play with one class and a Christmas play with the other.

The 2nd period class will be doing the Christmas plays "The Christmas Visitor" and "Christmas For Carol". That class consists of Dugan O'Bryant, Glenda Capps, Cathy Castro, Monica Sanchez, Joann Rodriguez, Kathy Weant, Marcia Moran, Will Hoover and Jill Sanchez.

The 3rd period class plays will be presented around Halloween and they are "Haunts For Hire" and "The Miss Witch Contest". The class consists of Sherri Threadgill, Gina Wilson, Joyce Tambunga, Roland Pena, Stacy Chapman, Sue Ellen Black, Marilyn Wester, Mel Spiller, Wendy Hood, Mike Vallecjo, Leanna Kramer, Connie Badillo, Manie Enriquez, Sandra Tambunga, Karen Keilers, Gail Hunnicutt, Kim Buie, Lana Cole and Tracey Hall.

Since all the students are seniors, the classes work really well together having fun as well as putting on a good show. Mr. Porter is really fired up and ready to go this year and said, "We have wonderful speech students and we're going to have wonderful plays!" Later in the year, Mr. Porter will be getting together a performance for U.I.L. One-Act Play. All students are welcome and are urged to try out for the parts.

C.C. GIRLS COMPETE

By: Wendy Hood

The OHS Girls Cross Country Track team went to San Angelo Saturday to compete in a meet at the Santa Fe Golf Course. There were 7 teams competing and the Ozona girls placed sixth with 136 points. There were 54 girls that finished the two miles. Ida Munoz placed 10th and received a medal.

Other girls participating in the first meet of the year were Leonor M., Joann H., Katrina B., and Krystal W. The next meet is this Saturday in Big Spring. Debbie Deaton is the coach. She stated that they have all improved their times from last year and should compete well this year. Support these Ozona Lions!

CHEERLEADERS HONORED AT JUNCTION

By: Sue Ellen Black
Last Friday, the cheerleaders attended a supper in Junction held in their honor. The supper was put on by the Junction cheerleaders. It was held at one of the cheerleader's houses before the game. The meal was very good and the cheerleaders got a chance to get acquainted with each other. The O.H.S. cheerleaders thought that the supper was a good idea and they may try it themselves sometime.

FIRST DISTRICT GAME

By: Leanna Kramer
Last Friday night the Ozona Lions traveled to Junction to take on the Eagles in the first district game of the season. The Lions suffered from three injuries in the first part of the game and trailed the Eagles 12-0 at the half. The three injured players were all on the starting team, they were Larry Payne an end for the Ozona team who suffered a broken ankle early in the game; Ernie Borrego, a F.B. for the Lions injured his ribs; the third player was Felix Flores, a W.B. who was out with a sprained ankle from last week's homecoming game with Alpine. There were also several other minor Lion injuries. Ozona's single touchdown was scored in the third quarter by Varlyn Aldridge with a quarterback sneak.

When asked about last Friday's game with Junction Coach Wilson replied, "Junction was highly emotional and played well and we weren't as ready as we could

have been." To get ready for this week's game Coach Wilson added that the Lions will have to work on all points of the game. "We can still win district. We will just have to get to it and do well in the rest of our games."

Coach Wilson said that although the score was 28-7 in the end, "There were good points along with bad spots but we'll do better against Wall." Go Lions! Get a Hawk!

NEW DOORS OPEN THROUGH UIL

By: Jana Harris
It is time to start thinking about UIL Literary competition. In the past few years we have not had much participation in these extracurricular activities. Anyone from freshman to senior, athlete or non-athlete can compete in these contests.

"We are a competitive school in University Interscholastic League (UIL) events and I would like to see us become more active in the literary events of these contests," said Mr. David Porter.

The various fields of contests are: Spelling, Number Sense, Calculator Applications, Science, Ready Writing, Journalism-News Writing, Editorials, Headlines, and Feature Writing; Typing, Shorthand, Poetry Interpretation, Prose Reading, Informative Speaking, Persuasive Speaking, One-Act Play, and Debate.

"These contests are fun and interesting. You learn a lot about these various fields, have good competition and meet many new people. Competing in these contests sharpens the skills of the students. Scholarships are also available for state qualifiers," said Porter.

"We will try to make as many of the invitational meets as we can. We usually compete in McComy, Sonora, Mason, Pecos, Rankin, and hopefully this year, Sul-Ross. Let's get started now!" stated Mr. Porter.

Has your business outgrown your phone system?

When a business is expanding, so is the load on its phone lines. The usual solution is to add more phones. That's all right up to a point. But eventually, you can be spending more for a less efficient system.

And that is the time to have a talk with General Telephone's Communications Consultants. They will make a complete survey of your business phone needs and show you how to use your system more efficiently. They may find ways to save you money. Maybe even make money. And best of all, there's never any extra charge for their service. Call your General Telephone business office today and make an appointment for a telephone survey.

We keep you talking.

Miss Cumby and Mr. Davis are married

Miss Pamela A. Cumby became the bride of Harold Travis Davis in a ceremony in Broadway Church of Christ in Garland Saturday, Oct. 3, at 7:00 p.m.

Parents of the couple are Mr. and Mrs. James A. Cumby of Garland, formerly

MRS. HAROLD DAVIS nee Pamela Cumby

of Ozona, and Mr. and Mrs. Billy J. Davis of Garland. The bride given in marriage by her father, wore her mother's wedding gown, a family heirloom.

She carried a bouquet of silk flowers in colors of peach and tan.

Sandy Cumby, sister of the bride, served as maid of honor. Bridesmaids were Jane Rich of Garland, and Patty Lacey of Arlington. Candlelighters were Jamie Cumby, sister of the bride and Allen Smith.

Best man was Eddie Fain of Garland. Groomsmen were Leonard Kelly of Dallas and Kenneth Boyd of

Garland. Ushers were Gary Evans of Arlington and Bruce Cosper of Grand Prairie.

A reception followed the wedding in the home of the bride's parents.

Following a trip to Hawaii, the couple will be at home in Garland where the bridegroom is a machinist and the bride is a secretary. Both are graduates of South Garland High School and the bride attended Richland Jr. College.

of the society at a meeting Monday afternoon at the courthouse. From left to right the members are Alvin Harrell, Evart White, Lee Graves, Bill Cooper and Ted White.

Crockett County Care Center News

What a joy it is to our Care Center residents when a large group of people come to the Sunday afternoon church services like they did when twelve members came for the fourth Sunday Church of Christ services. Our people love visitors.

Monday morning we played dominoes and Monday afternoon we had ceramics. Grace Dorsey helped us again.

We played bingo Tuesday and Friday morning. First place winner for the week was Tomasa Ramos with a gift certificate from Clayton's Village Drug. Second place prize went to Frances Borrego.

We had our reading group on Wednesday afternoon and our Bible study on Thursday afternoon.

The October calendar has been placed in the residents rooms. Many extra activities are on the schedule as well as our regular events. Look for details of new events next week.

On a budget—and want to stick to it? Before going into any store, plan and write down the purchases you want to make, and try to stay with your list.

WE ARE ENJOYING A WHOLE LOT OF A GOOD THING

For many years now, most of us have taken a plentiful supply of electricity for granted. We've found more and more uses for electricity, because, as Reddy Kilowatt kept telling us:

**Electricity is Reliable
Electricity is Clean
Electricity is Efficient
Electricity is Quiet
Electricity is Flexible
and
Electricity is Low in Price**

Electricity is still all of these things... even low in price compared to other goods and services. But there's no escaping the fact that costs of supplying it are constantly going up... and so is usage.

People in WTU territory are using more electricity than ever before (9,020 kilowatt-hours per residential customer in 1980, compared to 5,856 in 1970).

With the demand for its product steadily increasing, WTU can't stand still. It must grow, too.

The growth is carefully planned, with the customer's welfare foremost in mind. WTU is considering only the necessities. But to keep giving the kind of service you're used to, we're going to be involved in some costly updating of production, transmission and distribution facilities. And, of course, we must maintain a staff of people qualified to keep the system operating. You can depend on WTU to continue providing a reliable supply of electricity. But let's all realize what it takes to produce it, and use it wisely. It's too good to take for granted.

Reddy Supplies the Energy... But Only You Can Use It Wisely.

Study new tax laws to reduce tax bite

New tax laws give individuals and businesses a chance to cut their 1981 taxes—but not without careful planning.

Recently signed legislation—the Economic Recovery Act of 1981—makes sweeping changes in many federal tax laws, points out Dr. Richard Edwards, economist with the Texas Agricultural Extension Service, Texas A&M.

Changes in asset depreciation, investment tax credit, leasing, inventory methods and tax rates can all help reduce the tax bite for 1981, particularly as they relate to agribusinesses.

Depreciation of business assets is the most significant of the changes, believes Edwards. Previously a complex matter dictated by IRS guidelines, the depreciation process has been simplified through the Accelerated Cost Recovery System (ACRS). ACRS recognizes the difference between the economic and usable lives of equipment, and most important, allows businesses to recover a portion of their equipment costs over a much more realistic time period.

Classes of depreciable assets have been reduced to three—15-year, 5-year and 3-year, explains the economist. Most light trucks and cars fall into the 3-year class; fixtures and equipment, the 5-year group; and buildings, the 15-year class. Additionally, the depreciation method is accelerated and changes gradually over the next five years.

The new depreciation table is so structured that December purchases receive the full tax write-off, thus allowing more flexibility in year-end tax planning.

An alternative to ACRS allows straight-line depreciation for periods equal to or longer than the life of the property class the equipment would be in if ACRS was elected, noted Edwards.

New tax laws also have simplified and liberalized investment tax credit. The time that eligible property must be held to get the full 10 percent tax credit has been reduced from seven to five years. Another change is that 6 percent credit is allowed on some eligible assets after just three years.

An additional change relates to the recapture of investment credit (if credit is taken and then the property is disposed of before the minimum number of years are met). The new law, in essence, allows an investment credit of 2 percent per year up to the maximum allowable for each year equipment is held, notes Edwards.

Remodeling of old facilities also provides increased tax incentives. Investment tax credit increases to 15 percent for structures 30 to 39 and to 20 percent for those at least 40 years old.

In the past several restrictions were placed on the ability of leasing agents to show transactions as leases rather than conditional sales. Those restrictions have now been removed, says the economist, to simplify leasing.

Another cost-saving device included in the new tax laws deals with adopting a LIFO (last in, first out) inventory system. This method of inventory accounting is generally preferred in times of inflation because it reduces tax liability, explains Edwards. But in the past it has been based on complex indexes. New tax legislation allows the Secretary of the Treasury to establish suitable indexes as the basis for inventory valuation. This should be especially helpful for small businesses. The changes also will allow a business to spread out the added tax liability associated with the first year of LIFO accounting over three years.

Reduction in marginal tax rates for small businesses also should benefit agribusinesses, believes the economist. Starting in 1982, the marginal rate on income under \$25,000 will drop from 17 to 16 percent, with an additional drop to 15 percent the following year. For those in the \$25,000 to \$50,000

bracket, marginal tax rates will also drop 1 percent each of the next two years from the current 20 percent.

Individuals also were granted a reduction in marginal rates under the new legislation. A total reduction of 25 percent will be spread over a three-year period—5 percent starting Oct. 1, 1981; 10 percent starting July 1, 1982; and 10 percent beginning July 1, 1983. The so-called marriage penalty tax also has been altered.

Beginning with the 1985 tax year, marginal tax brackets will be established to prevent inflation from pushing persons into higher brackets with no increase in "real" income. This should help the situation that most wage earners now face—paying a larger tax burden while seeing a decrease in spendable dollars, notes Edwards.

Many other tax provisions have been liberalized under the 1981 tax legislation, adds the economist. These include individual retirement and Keogh plans, estate and gift taxes, new employee credits, extension of carry-over periods for operating losses and tax credits, and treatment of capital gains.

Looking at the current tax year and the changes that have been initiated, Edwards suggests including as many expenses as possible in 1981 since income will be taxed at a higher rate.

Moreno receives scholarship

A local student is attending Schreiner College, a two-year liberal arts college in Kerville, on scholarship for the 1981-82 school year.

Jesse Moreno of Ozona is attending SC on an academic scholarship.

Schreiner has a fall enrollment of 492 students, highest in the college's 58-year history.

Sales tax rep. to visit here

State Comptroller Bob Bullock will have a representative from his San Angelo office in Ozona on October 15, to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Steve Mercer will meet with local taxpayers in the Law Library at the County Courthouse from 1:00 to 2:00 p.m.

"If Ozona area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing state tax forms, Mr. Mercer will be there to assist them," Bullock said.
