Day care center is year old

November 1, 1982, marked the first birthday of the Ozona Day Care Center. Ozona Day Care Center opened its doors Nov. 1, 1981, with eight children attending the first day. November 1, 1982, 65 children were in attendance. Those who encouraged and supported the opening of the center felt there was a definite need for good child care and learning for preschool children in Ozona, but none anticipated such rapid growth.

In the past year, the center has fenced in a playground area and installed various playground equipment for the different age groups to use in outdoor play. The center has worked to build up audio visual learning aides, posters and bulletin boards to co-ordinate with each week's topic of learning.

The Day Care Center Director, Barbara Rice, brought from her previous day care center experience endless resources for preschool learning. A bus was recently purchased by the Day Care Center and the Methodist Church to use in school transportation and field trips.

The Day Care Center is now licensed for 85 children, including infant care.

Lions maul Coahoma to advance to playoffs

By-Ross A. Alexander

The Ozona Lions stormed into the post season playoff picture Friday night by mauling Coahoma 27-7 in Bulldog Stadium before a huge and very demonstrative Ozona following. Paced by a 3 touchdown performance by Robert Massey, the "magic" element in the Ozona attack, and a powerful headhunting defensive effort by workhorse Greg Fierro, the surging Lions clinched a spot in the post season playoffs which will commence after the final district encounter with Sonora this week.

The Lions struck early and with devastating effect in Coahoma on their first possession if the contest, after employing the Ozona Hurricane to good effect in the heart of the Bulldog defense for good yardage. Facing a third and 2 at his own 25, Lion Field General Allen Dews dropped back and gunned a 65 yard pass to Magic who gathered it in without breaking stride, gliding effortlessly into paydirt for the first tally of the evening. Diego Leal having another fine evening, converted and Ozona moved out to a 7-0 advantage before many fans had even found seats.

With under minutes gone in the first quarter, fabulous Fabian Delgado a perennial Lion standout performer, recovered a Bulldog fumble at the Coahoma 49 yard line and the Lions were poised to strike once again as the Hurricane fired a 56 yard pass on the first offensive play that just eluded the eager outstretched fingertips of a sprinting Massey down around the Bulldog goal line. Dews, whose cannon-like arm and deadly accuracy makes him a dangerous offensive factor, decided to roll right on third down and attempt to hit Massey on an abbreviated pattern, but was intercepted at the Coahoma 35 with 7:37 remaining in the quarter.

At this point, big John Wilson, the tough bruising Bulldog running back tested the Ozona defensive front with good results, carrying the Coahoma offense in 7 plays over for the TD with 3:16 left in the first. The kick was successful, but the Lions

refused for the remainder of the contest to allow the hapless Coahoma offense of penetrate Lion territory in scoring position again.

From that point on, the powerful Ozona Lions simply ran amuck. The Ozona Hurricane, with fine inside rushing, and Leal with a swing pass completion good for 13 additional yards, combined to move the Lion offense upfield to the 46 with just over 2 minutes remaining in the 1st period. On 1st and 10 with everyone in Bulldog Stadium expecting Harvey to tote the pigskin, Dews cleverly faked to the Hurricane and instead let fly with an enormous deep probe connecting with a leaping Massey at the Bulldog 22 where the Magic show, featuring a fine shake and bake move on a completely befuddled safety, resulted in him breezing across for Ozona's 2nd TD in the quarter. Although the point after was errant, the Lions maintained the 13-7 margin for the rest of the half.

The 2nd half was all Ozona. Zeke Martinez, a sure-fire all district candidate, simply destroyed the 240 lb. monster man Jeff Dever, who has to be wondering what we feed Ozona's #71 for nourishment and strength. However, any Lion fan could have told him: big, tough opposing linemen!! Zeke and the Iron Man sent big John Wilson a message early in the opening moments of the 2nd half with crunching and brutal tackles that seemed to reduce the giant Bulldog back to a whimpering puppy-like presence for the balance of the game. As a matter of fact, the Ozona defensive unit, fired up after a "consultation" with the Lion Chief, Don Abbott, at the half, held the Bulldogs to just 9 yards rushing in the 2nd half and to zero yards passing. It was an awesome spectacle of sustained, unmerciful aggression which altogether deflated the Bulldogs' desire to play in the final 2 stanzas.

Willie Payne, starting at a linebacker spot, had a big night with fierce tackling, a critical interception which he returned 22 yards, and a bone-jarring sack on a blitz late in the 3rd period which

set up another Lion scoring drive, this time from excellent field position. With 2:07 showing in the 3rd, Lion leader Dews called on the Hurricane who moved Ozona some 34 yards to the Coahoma 18, consuming the clock and frustrating the battered defense which by this time was frantically attempting to plug the gaping ruptures Huerreca was leaving in the Bulldog front line. It was during this period of intense run conscious defensive maneuvering that the clever Ozona Rifle faked to the Hurricane and fired a perfect pass to Massey for a fine 18 yard TD, his 3rd TD toss of the night. Leal's PAT was solid and Ozona extended their lead to 20-7 with the 3rd quarter drawing to a close.

Henry Delgado, whose outstanding special teams performance earned him a battlefield commission from his coaches after the game, has been promoted to captain and will participate in all pre-game coin-toss ceremonies.

Delgado, a player with great courage, has consistently shown leadership and alert, level-headed play all season when called upon. With 8:18 remaining in the game, Payne intercepted a Bulldog pass giving the Lions another ideal opportunity to put points on the board. With Johnny Rod running through the disheartened Bulldog defense like an angry Lion, and the Bullet and Leal contributing strong inside moves to power the offense, the Ozona team, showing the put-away prowess of a true champion ball club, simply shoved the pigskin down through the Coahoma defense, en route to another TD with the Bullet capping off the scoring drive with a fine off tackle power run from a 2nd and goal situation. Leal, who has taken up quite a bit of the kicking slack created by the injury to Lion star Will Mason, booted the extra point through the uprights inflating Ozona's final margin to 27-7 with 3:57 showing and an unhappy Coahoma crowd dispersing to the exits. Magic, not content with his outstanding offensive performance on the evening, intercepted a Bulldog

pass on the next series bringing down the curtain on Coahoma.

After the game, Defense Chief Milby Sexton strode towards the Lions' locker room already planning his defensive strategy for Sonora. "You know, that 9 yards we held them to in the 2nd half is something to shoot for each ball game. When you manage to hold a team to 75 yards or less in a half that's considered a good job. It speaks highly of these kids and their determination and driving desire to be #1, and that's what we expect them to be...the best...I love everyone of them. Sonora had better be ready!"

The large and unusually vocal and supportive Ozona crowd was jubilant and as the word spread among the throng of Crane's loss to Ballinger, the awareness of the Lions' assured post-season position began to add to the jubilation. One enthusiastic Lion supporter summed it up to this writer afterwards over a steak dinner

Jury's verdict in Williams' favor

A Crockett County jury found for the plaintiff Tuesday afternoon in a law suit filed against the Ozona Country Club by Sooner Williams following an accident with a mower which cost Williams an eye July 2, 1980 on the country club grounds. After hearing eight days of testimony, one of which last-

ed far into the night, the jury was charged Tuesday and deliberated for only about two hours before awarding Williams approximately \$261,000 in damages.

Efforts by lawyers for the club to place the responsibility on the manufacturer of the mower failed and the jury found the club alone liable. Williams and other mem-

bers of the country club were preparing the golf greens for the annual July 4, golf tournament when the accident happened. A bolt flew off the mower blade and hit Williams in the eye. He was treated at the hospital here before being transferred to a San Angelo hospital where he was in critical condition for several days.

Weather good for Election Day

It was a beautiful day for a General Election, or for anything else for that matter, and many Ozona voters took advantage of it and cast their ballots in one of the four Crockett County precincts Tuesday. For the first time ever, the Stockman pages will not be held for the results, due to the printing deadline. However, in this age of electronic media we feel justified in waiting until next week to give the local election results.

Of the 2593 registered voters in the county, a total of 113 voted absentee before 5 o'clock Friday afternoon. The small vote foretold a very light turnout, but

Tree wrecker arrested

Ruben Perez, 18, was arrested and charged with damaging county property Monday afternoon, after officials determined his vehicle was responsible for pushing one of the large cedar trees over at the cemetery Friday evening.

The tree, measuring in length over 40 feet, was found by cemetery workers lying in the main road. Some parts of the vehicle were also found. Several of the trees had been damaged, but remained upright.

poll workers were surprised at the brisk pace of voting during the day Tuesday.

Calvary Baptist revival

Calvary Baptist Church at 601 Avenue I will be having a revival beginning, November 5. Rev. Clinton Eastman, the Pastor, will be doing the preaching. The theme "Jesus Christ is Lord" will be emphasized each service.

The group is made up basically of three young men; Mills Caraway who is employed by Caraway Operation Company, Don Hulse who is music director for West Texas Boys Ranch, and Steve Shotts who is a student at Angelo State Univ. This group has done concerts all over Texas for revivals, youth congresses, after-game fellowships, banquets and retreats.

Everyone is cordially invited to attend every service of this revival. There will be fellowship meetings following each service with "dinner on the ground" Sunday noon. The nursery will be open for babies.

The polls opened at 7 a.m. and closed at 7 p.m. A full report on Crockett County election results will be published in next week's edition. There were no local contested races.

Albers is appointed to Post

Larry Albers, of Ozona, Texas, VFW Post 6109, has been appointed by VFW National Commander-in-Chief James R. Currie, of Sierra Vista, Ariz., to serve as a National Aide-de-Camp for 1982-83.

Currie, head of the over 1.9 million member organization of overseas veterans commented, "It is because of the tireless efforts of civic and patriotic minded citizens like Mr. Albers that the veterans and communities the VFW serves have been affected in a positive manner."

"Our programs touch every citizen in the community, they help the young, the old, the Vietnam veteran and the World War I veteran. I am pleased to make this appointment because I know Mr. Albers will do an outstanding job for the VFW. Our theme for this year is 'Strength Through Service,' and that means to the veteran, his community and his country."

VOTER TURNOUT WAS LIGHT Tuesday for a general election, but a good percentage of Crockett County voters showed up to cast ballots. Mrs. Oscar Kost and Mrs.

Leonard Boyd assist Mr. and Mrs. Johnny Childress with the saddle-blanket size ballot.

RUSSIA AFTER BREZHNEV

By Edwin Feulner

Leonid Brezhnev, the 75-year-old Chairman of the Presidium of the Supreme Soviet and General Secretary of the Communist Party of the Soviet Union, is appearing more often in public these days.

Still, his health is failing, and his days appear numbered. Maybe weeks, maybe months, nobody knows for sure how long his rule will continue. What the experts do know is that through death, total incapacity, or retirement, Brezhnev's rule will eventually come to an end, and that the internal jockeying for power within the Soviet Union over his succession is already under way.

Accordingly, speculation has begun in earnest on this side of the Iron Curtain over the Brezhnev succession.

One group of Sovietologists has been meeting under the banner of the Georgetown Center for Strategic and International Studies, a Washington think tank. Jerry Flint, Washington bureau chief for FORBES magazine, reports that the 35 scholars are mid-way through their 18-month analysis—which CSIS, Flint says, hopes will "provide a guide for interpreting and dealing with the post-Brezhnev regime."

Flint says the 35 scholars taking part in the study see the Soviet state approaching an historic turning point. Others, however, are not so certain.

Dr. Leonard Schapiro, Professor Emeritus of Political Science at the London School of Economics, and author of several landmark books on Soviet history and politics—including *The Origin of the Communist Autocracy*, *The Communist Party of the Soviet Union*, and *Totalitarianism*—cautions, in a brilliant essay in the upcoming Winter 1982 issue of SURVEY magazine (published in London by the Institute for European Defense and Strategic Studies), that more likely than not what we can expect after Brezhnev is change without any change: a new strongman, new faces in the Soviet Politburo and in other places in the bureaucracy, but little change in policy.

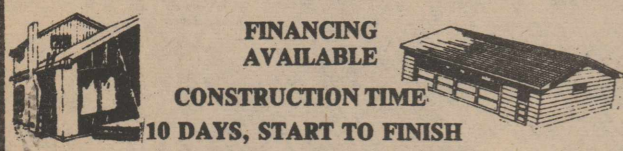

"No one can predict the composition of the Politburo which will eventually emerge in the post-Brezhnev era: too much will depend on the rise of personalities at present little known, and on the idiosyncrasies which will motivate them," Schapiro writes. "No one can say with certainty that another maniac cast in the mold of Stalin may not emerge and try to establish a similar personal despotism—though this is rather improbable because the memory of Stalin will still be alive in the course of this decade and too many Politburo members will be anxious to prevent a development which they know will present a serious threat to themselves."

The experience of the recent past, however, suggests to Dr. Schapiro that there is a strong likelihood that the Politburo, after Brezhnev has gone, and the dust after the succession struggle has settled, will contain a strong contingent of members who favor consensus, stagnation, tolerance of inefficiency and corruption at home, the continued growth of military might, and a policy of maximum expansion abroad, within the limits imposed by the desire to avoid nuclear collision with the Western powers.

In other words, business as usual.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams

TEXAS PRESS ASSOCIATION

AUSTIN—Gov. Bill Clements has outdone himself. Clements has boasted that he has received more contributions than any other candidate in Texas history, but White has charged him with trying to buy the election.

Borrowed Funds

Although Clements obviously was having little trouble financing his campaign, other statewide candidates were relying heavily on borrowed funds to carry them through the last week of the campaign.

Lt. Gov. Bill Hobby, trying to stave off a challenge from Republican George Strake, listed \$2.1 million in loans since Sept. 30, while Strake reported nearly \$1 million in loans for the same period.

The loans to Hobby represent nearly all of the money he has raised in the last month, while Strake's loans amounted to about half of his September fund-raising effort.

Attorney general candidate Bill Meier, a Republican, and state treasurer candidate Ann Richards, a Democrat, also received large loans to help finance their campaigns during the stretch.

Meier reported some \$350,000 in borrowed funds, while Richards had more than \$200,000 in loans.

Death Sentence

And while the candidates were making their last campaign blitzes through the state, Attorney General White was asking the U.S. Supreme Court to allow the execution of convicted murderer Ronald Clark O'Bryan to go forward.

O'Bryan had been sentenced to die on Halloween—the eighth anniversary of the murder of his son with cyanide-laced Halloween candy—but that order was set aside by the U.S. 5th Circuit Court of Appeals.

White requested a Supreme Court review of the appeals court order only hours after the lower court decision was handed down. White was immediately criticized for trying to grandstand on the death penalty issue only days before the election.

John Duncan of the Texas Civil Liberties Union said a man's life is too important to play politics with.

If O'Bryan's execution is carried out, it would be the nation's first execution by lethal injection and the first execution by any means in Texas since 1964.

Judge Quits

Texas Supreme Court Chief Justice Joe Greenhill said goodbye last week to the court on which he served 25 years, leaving a vacancy that Gov. Clements has not yet filled.

Greenhill resigned from the state's highest civil court to accept a position with the Austin office of a prominent Houston law firm. His resignation was to have been effective Oct. 20, but Greenhill stayed on a few extra days to give Clements additional time to name a replacement.

However, Clements decided not to appoint a new judge until after the gen-

eral election, fearing that the appointment might turn into a political issue.

Justice Ruby Sondock, the Houston judge Clements appointed as the first woman Supreme Court justice in Texas, says she was offered the chief justice appointment but turned it down.

Of Greenhill's 25 years on the high court, 10 were served as chief justice—longer than anyone else who has held that post.

Venerable Disease

The Texas Education Agency has decided to reconsider its decision to order textbook publishers to delete all references to venerable disease from health books being considered for use by fourth through eighth graders.

The decision to reconsider the order apparently came after the State Board of Education, State Textbook Committee and controversial textbook critic Mel Gabler opposed the deletion

of the material on venerable disease.

There were no protests to the inclusion of that material during hearings on the textbooks in August.

Rustling Charges

Texas lawmakers over the past few years have been finding themselves the subject of some fairly bizarre criminal charges.

First it was Longview Rep. Mike Martin who pleaded guilty to perjury and resigned from office after allegedly having himself shot to gain political support.

Now, Bonham Rep. David London has been charged with cattle rustling.

London, who, like Martin, was a freshman lawmaker during the 1981 session, was indicted by an East Texas grand jury for allegedly stealing five head of cattle from a Wills Point farmer.

The farmer reported to Van Zandt County sheriff's deputies that someone broke into his barn and stole three cows and two steers.

By Debra Price

Let me remind you about some programs that are coming up you will want to remember. On Monday, Nov. 8, Linda Truitt, representative of Better Business Bureau will present a program on consumer concerns. The lunch and learn session will be at 12:00 noon at the Civic Center. Bring a sack lunch.

Tuesday, November 9, the Happy Homemakers will meet at 12:00 noon at Charlotte Trull's home. The program will be "Breadmaking In A Bag."

Christmas is closer than you think. Darolyn Downing of West Texas Utilities will give a Christmas program on November 18, 12:00 noon at the Civic Center. The cookbooks are always excellent. You will not want to miss this one.

Breakfast is the fuel your body needs to keep going. Retreating at breakfast helps many people to perform and feel better in the morning. You'd be amazed at the breakfasts people eat. It is important to "eat something"—just juice is better than nothing.

Quick-to-fix foods are fresh, canned, or frozen fruits and vegetables, milk, yogurt, cheese, cottage cheese, and custard are also quick ideas.

Having unsweetened cereals allows you to control the amount of sugar you add to cereals. A few presweetened kinds contain more than 50% sugar.

If you are tired of the same old breakfast—be venturesome and plan some new foods. Pizza, chicken, soup, or even a hamburger would be nutritious and taste good. Your family may enjoy these ideas for breakfast.

SNACK PIZZAS
Makes 10 pizzas, calories per pizza are about 105. Refrigerator biscuits, flaky 9 1/2-ounce package (10 biscuits)

Tomato paste—1/4 cup
Oregano—1 teaspoon
Onion, chopped—1/4 cup
Canned mushrooms, chopped—1/2 cup
Natural sharp Cheddar cheese, shredded—1/2 cup
Preheat oven to 400°F (hot).

Grease baking sheets, pat each biscuit round into a 4-inch circle on baking sheets. Mix tomato paste and oregano. Brush on each biscuit round. Mix onion and mushrooms. Sprinkle over tomato paste mixture. Top with shredded cheese. Bake until crust is lightly browned (about 8 minutes).

PUBLICATION GUIDELINES FOR WEDDINGS
Engagement announcements and pictures should be in this office not later than six weeks prior to the wedding. Wedding pictures and wedding information must be submitted the Monday following the wedding. The Stockman will no longer be able to give space to a wedding occurring prior to the first edition following the event.

Note—Other ingredients such as cooked ground sausage or ground beef, thin strips of salami, chopped green pepper, or chopped anchovies may be used in place of onion and mushrooms. Calories for a pizza will vary according to ingredients used.

District meeting here for Texas garden clubs

The District VIII Texas Garden Clubs, Inc. Fall Convention will be held in Ozona at the Civic Center November 10-11. Hosting the event will be the Reagan Garden Club of Big Lake, the Mildred Parker Garden Club of Iraan, the Ozona Garden Club and the Myrtle Post Garden Club of Ozona.

Theme of the meeting will be "West Texas Brags." Co-chairmen are Mrs. Lee Graves and Mrs. Charles Speck, Jr.

Pre-convention activities will get underway Nov. 10 with registration at 4:30 in the garden room at the Circle Bar Motel. A Prairie Party, Dutch treat, will be held in the Garden Room at 7:30, followed by "Beautiful Texas," a multi-vision presentation by Jan Q. Thompson of Lubbock. Thompson is an award winning photographer of the Southwestern United States. He is presently associated with a Lubbock firm. He used several projectors with one screen.

A special invitation is given

to all local photographers to attend the supper and program.

The convention gets underway Thursday morning, Nov. 11, with registration at the Civic Center at 8:30, followed by coffee. An executive meeting will be held at 8:45.

Mrs. E. A. Park of Abilene, district director, will conduct the business meeting at 9:30 a.m.

Following a noon luncheon, at 1:15, a program will be presented on native plants. Professor Henry Simpson of Texas A&M will bring the program "Native Plants from Decatur to Brownsville and Texarkana to El Paso."

He is a research scientist and collects native plants from all over the state for the Native Plant Arboretum in Dallas. Club members feel Professor Simpson give the best program on native plants available. He will show how native plants may be used in home landscaping that can live in harmony with District VIII weather.

Womans League meets for Halloween party

The night of October 26 found the Ozona Woman's League in the home of Mrs. Jeffery Sutton for what appeared to be the local convention of witches, goblins, and freaks. Ghostly noises and possible music echoed throughout the Sutton's lovely home where decorations screamed "Halloween."

Costumed members were judged, by two who wish to remain anonymous, with the title "Most Ugly" going to Mrs. Bob Childress, who was beyond recognition, as she arrived as "Dracula's Bride," Mrs. David Weant received the title of "Unique" looking every bit the part of a Southern belle, but claiming to be "Little Bo-Peep" as she carried a lamb and staff, Mrs. Jack Probst took the award as "Prettiest" stating that she was a thoroughly modern witch draped in black, flop-hat, spiders, and mice.

Mrs. Jane Richardson and Mrs. Sammy Pierce assisted Mrs. Sutton as hostesses serving hot and cold soups in squash bowls and, of course, pumpkin pie.

As lights dimmed, Mrs. Duane Childress floated into the room in true witch garb and fashion to read an English ghost tale by flickering candle-light.

The eerie occasion brought forth the following members in all disguises; Mmes. Bobby Aycock, Jim Bob Bailey, David Bean, Billy Carson, Erby Chandler, Fred Chandler, Dwight Childress, Pleas Childress III, Randy Crawford, Buster Deaton, Deene Holden, Rick Hunnicutt, Jerry Lay, Frank McMullan, Van Miller, Gary Buck Mitchell, Douglas Moore, J.S. Pierce, V. Lane Scott, Steve Sessom, John Stokes, Gregory Stuart, Randy Upham, Gary Vannoy, Rick Webster and Steve Wilkins.

Tips For Gardeners

From The Ozona Garden Club by Mrs. Bailey Post

While Autumn colors are beginning to give our city beautiful fall foliage and berries in many gardens, take note of varieties you may want to plant this fall. There are a few tall trees in Ozona, and are especially spectacular if an early freeze doesn't come along.

I notice the Firethorn (Pyracantha) are especially showoffs by their red or red-orange fall berries. Four varieties you may want to choose from. P. hybrid 'Mo-have'-dense, upright form. P. Hybrid Red Elf-dwarf mounding habit. P. hybrid Ruby mount-gracefully spreading large mound. P. hybrid Ruby gracefully spreading large mound. P. Koldqueme Victory-vigorous, vertical habit and produces largest berries. They will fill a sunny corner of your yard, use as a handsome hedge or screen, exciting specimen plant, shaped topiary or place in pots on your patio.

If you have an old oleander that has grown too large and looks scraggly, cut it back to the desired size by cutting the stems at varying heights to encourage a full and graceful appearance. To keep growth within bounds, also root-prune the plant at this time. Do this by driving a spade deep into the soil 2 to 3 feet from the trunk, continuing until the plant is completely encircled.

If you can add only one new planting to your landscape this year, try daylilies. They are easy to grow and perennially colorful, a good choice for beds, borders or a ground cover. Set out divisions now and you will find they are pest free, and thrive in full sun or part shade. They will tolerate any soil, but like fertile growing conditions. Use a generous

amount of well-rotted manure, compost or sphagnum peat moss to a depth of 12 inches. Before setting out divisions, cut back the foliage to 6 inches. Make a shallow hole for each plant, mounding some soil in the center and allow 8 to 12 inches between plants. Spread the roots of the division over the mounded soil, keeping the bottom of the stalk at ground level. Refill the hole with soil and firm it. After planting, mulch daily beds with a 1 1/2 to 2 inch layer of straw or other organic material. Fertilize in early spring each year just as soon as new growth begins. Apply fertilizer, such as 6-12-12, at the rate of 1/2 cup per sq. yard of bed. For best results divide the clumps every 4 to 5 years.

GIVE YOUR ROOMS A MOOD OR A FEELING

You can make any room in your home more cheerful, or more dignified, or you can create any other mood or feeling you want in a room. Here are some ways you can do it.

Let's say you want a more cheerful living room. You can consider using more lively patterns, lighter-looking furniture, brighter colors.

Let's suppose you want a living room that looks more dignified.

You can use taller pieces, larger furniture, darker colors.

Actually, there are a variety of effects you can create and it can all be done through your choice of furniture, accessories, colors, arrangements and textures.

You can make a room seem more masculine or more feminine; more restful, or more formal. And best of all, you can turn a room into something different than it is now if you want a change, or you can give different rooms in your house different moods—for example, you can make your living room have one mood and your family room have a different feeling.

You can make all of your rooms "say something." You can give them the atmosphere you want. All it takes is the right furnishings, and we are here to help you pick out the right things for you.

HANDS

What do our hands tell us?

A child's hands—smooth, pliable, soft and beautiful—speak of innocence.

The hands of youth—restless, finger-snapping, rhythm-beating—are searching for answers.

A mother's hands are firm, capable, yet gentle. Dad's hands are big, strong—they represent authority. Grandmother's hands are wrinkled and veined—they tell us about kneading bread... and praying. An old man's hands are gnarled and crippled, crossed on a cane, waiting.

Praying hands, working hands, little hands, old hands all grapple with the problems of life.

Some problems are too great to solve alone. It takes a helping hand... outstretched to your hand.

With outstretched hands the Church welcomes you, seeks you, extends a joyous invitation to worship God.

Forum celebrates 50th anniversary

The Woman's Forum celebrated its fiftieth year as a federated club with a Golden Anniversary Tea on Saturday, October 30, at the Civic Center.

The planning committee, headed by Mrs. Fred Hagelstein, was: Mrs. Madye Jo Humphries, Mrs. Pleas Childress, Mrs. Marshall Montgomery, Mrs. W. T. Stokes, Mrs. Ele Hagelstein, and Mrs. Brock Jones, with all of the active Forum members serving as hostesses.

The invocation was given by Mrs. T. J. Bailey. Mrs. Gene Perry, president, welcomed the guests and recognized former members, charter members, and members of the other clubs who were present.

Charter members who are still active in the Woman's Forum are: Mrs. Hugh Childress, Mrs. Ele Hagelstein, Mrs. Arthur Kyle, Mrs. Lowell Littleton, and Mrs. Marshall Montgomery. Mrs. Marshall Montgomery, who gave the history of the Woman's Forum at its Silver Anniversary Tea twenty-five years ago, gave the highlights of the Forum's fifty years as a federated club in Ozona.

She began her story with a brief history of the Ozona Woman's Club, which was the parent club of the Woman's Forum. The first woman's club in Ozona was organized in 1910, with Mrs. Frank Friend as its first president. It was called the Ozona Shakespeare Club. Later it became the "13 Club" with thirteen members. It was not until 1915, that it became a federated club and was named the Ozona Woman's Club. This club celebrated its 50th anniversary in 1960.

In 1932, the Ozona Woman's Club sponsored the organization of the Junior Woman's Club in the home of Mrs. N. W. Graham. Mrs. Graham's daughter, Mrs. Clinton Glover, was the first president.

In 1948, the name was changed to the Woman's Forum, and the club became a senior club.

In the early years the Forum was essentially a study club, but later became a civic club with varied interests and projects.

One of the outstanding projects has been the "Best Citizen" award, which has been given for thirty-one consecutive years, to the most outstanding student in

Ozona High School.

For twenty-five years the major fund-raising project and social event was the annual spring style show. Forum members, member's children, and later, grandchildren, served as models.

Later, the Sunday Buffet became the means for raising funds for projects for five years.

In 1969, the Forum started sponsoring the annual arts and crafts exhibit for all school children and adults in Crockett County.

In 1960, the Woman's Forum, with the help of the Ozona Woman's Club, sponsored the organization of the Woman's League, a vigorous young club who is serving Ozona well.

The federated clubs of Ozona have hosted the Heart of Texas District convention on four occasions.

Sixty-five guests attended the tea, including former Forum members, members of the Ozona Woman's Club, Ozona Woman's League, Xi Sigma Omega and Alpha Alpha Mu Chapters of Beta Sigma Phi Sorority, Ozona Garden Club, Myrtle Post Garden Club, and the Home Demonstration Club.

Out of town guests were: Mrs. Judd Montgomery, Ft. Stockton, Mrs. Herman Knox, Ft. Worth, Mrs. Clyde Childers, San Antonio; Mrs. Bill Bissett, and Mrs. Arnold Schneemann, president-elect of Heart of Texas District Federation of Women's Clubs, San Angelo.

Big Lake flea market

The Annual Flea Market sponsored by the Twentieth Century Club, TFWC, of Big Lake will be held this year on Tuesday, November 9, at the Community Building in Big Lake. Hours will be from 9:00 a.m. to 5:00 p.m.

Any individual, group organization, or business desiring a booth, may call Mrs. Wayne Gooch at 884-2735 for information.

Last year's Flea Market was a huge success, with 49 exhibitors including many from out of town as well as local exhibitors. Many of the booths have already been reserved. The club is expecting an even bigger Flea Market this year.

The public is invited to come browse, visit, and eat lunch at the concession stand.

Crockett County Care Center News

BY ANN McCARTNEY
DIRECTOR OF ACTIVITIES & SOCIAL CARE

The last full week of October has been filled with Halloween parties, trick or treaters, and lots of volunteers. Indeed, the whole program this week depended on volunteers, both within the staff and outside the home, as yours truly was on that second week of vacation. Many thanks to all who helped.

Fourth Sunday services was furnished by members of the Church of Christ. As usual, our residents enjoyed this service.

Monday morning dominoes were played by Maude Pettit, Paul Cavin, John Henderson, and Ola Mills.

Tuesday's El Chato dinner for two bingo prizes was won by Frances Borrego. Volunteers included: Liz Mary Pipes, Doris Karr, Dorothy Doll, Sophia Tijerina, Adelina Flores, and Ophelia Enriquez.

Wednesday morning Ola Mills, Maude Pettit, and Frances Borrego worked with ceramics. Volunteer Marie Pierson assisted them.

Wednesday afternoon the W.M.U. ladies of the First Baptist Church of Big Lake gave our residents a most enjoyable Halloween party. All but two residents enjoyed this big event. Louise McWilliams, though she was hospitalized, was even able to come over. Thanks, ladies for such a wonderful treat. Ladies coming included: Dorothy Wille, Jean Solomon, Sarah Elizabeth Solomon, Opal Watkins, and Sarah Griffin.

Wednesday night 4-H girl's sponsor Mrs. Garland Young brought over two platters of cookies made by the 4-H girls and given for their bedtime snack.

Thursday morning beauty shop was manned by Bonnie Warth, Arlene Clayton, and Hope Ortiz. Thursday afternoon Bible study was again led by Rev. Dennis McKain of the Faith Lutheran Church. Four church members accompanied him to help with the song service.

Friday morning bingo was won by Ola Mills. She was awarded \$5 from Perry Brothers, our fifth Friday sponsor. Jesus Hernandez won second. Volunteers included: Alice Ross, Dorothy Doll, Ophelia Enriquez, Adelina Flores, Doris Karr, and Anna Bell Patrick.

Friday afternoon Mary Skains, Pat Wellman, and Mr. and Mrs. Dean Phillips brought their Brownie Troop for a Halloween party which included songs and a Halloween play. Each resident was given a sack of candy from the troop.

Some trick or treaters came both Saturday and Sunday. Residents passed out their candy that was sacked the previous week.

In closing we want to say that we too will miss Kyla who so faithfully delivered our Ozona Stockman newspapers on Wednesday mornings.

LIONS VICTORIOUS OVER BULLDOGS

By-Gayla Bell

Friday night, October 29, the Ozona Lions traveled to Coahoma and defeated the Bulldogs with a score of 27-7.

The Lions received the kick-off and brought it out to their own 20 yard line. Then, with a little more than a minute gone from the first quarter, 90, Robert Massey, ran 80 yards for the first touchdown of the night. Diego Leal, 31, kicked the extra point good for a score of 7-0.

With 3:16 left in the first quarter, the Bulldogs scored from the Lion five yard line. The PAT was good and the score was tied at 7-7. Quarterback, Allen Dews, 22, passed to Massey on their series of downs. Massey ran 42 yards for a touchdown. Leal's PAT failed and the score was 13-7 with 1:38 left to play in the quarter.

Late in the second quarter, Leal intercepted a pass from Coahoma putting the Lions on their own 26 yard line giving the Lions a first down.

When play resumed after the half, Coahoma moved to the Lion 45, but fumbled on the third and one. They lost six yards and had to punt.

With 29 seconds left in the third quarter, Dews made a good pass to Massey and he went in from the 18 yard line for his third touchdown of the night. Leal's PAT was good and the score was raised to 20-7.

With 3:57 left in the final quarter, 25, Robert Flores, made a touchdown. The PAT was good and the score was then 27-7.

Time ran out in the fourth quarter and the Lions were once again victorious with a score of 27-7. The Lions are now 8-1 for the season.

Next Friday, the Lions will take on the Sonora Broncos in Lion Stadium. The game will begin at 7:30 p.m. This will be the Lion's last district game.

By-Cyndi Trujillo

The cross country team won the district meet last Thursday in Sonora. The team beat Sonora by 9 points. The girls will travel to Lubbock November 6, to the regional meet. After regional, the top 10 qualifiers will travel to Georgetown for the state meet.

According to Debbie Deaton, the coach, the girls have a good chance of going to state as a team, plus other individuals.

In the district meet Donna Sanchez placed first with a time of 12:57; Ida Munoz placed second with a time of 13:13; Zeldia Munoz placed third with a time of 13:52; Lyn Lozano placed eighth with a time of 15:00; and Lenor Munoz placed ninth with a time of 15:30.

SCHOOL PRAYER
An Editorial
By-Robbie Turley

Prayer at the beginning of your day leaves you feeling confident about yourself during the day, and usually just

makes you feel good. This is why it is so important to have prayer in public schools. The United States Congress, begins its day with prayer, so why can't we do so in school?

Prayer is a "pledge of allegiance to God." In our prayers, we ask God to forgive us of our sins and also, during our lives, we try to pledge our lives to Christ.

Some people feel they do not have time for prayer except at meals. School prayer would help them in their daily lives, giving them another opportunity to pray each day.

Other people often do not want prayer in school because they think the only proper place in which to fellowship with God is at church. They feel school has nothing to do with God.

We, the staff, feel that prayer is essential in school districts all across the United States, since our nation's schools are based on the concept of God. It would also be a good idea for people participating in any kind of event to pray before they perform. It might help them have a better performance.

SCHOOLS CELEBRATE HALLOWEEN SEASON
By-Noemi Gonzales

Not only did the High School students take part in Halloween activities, but also the junior high, intermediate, and primary schools were involved in pre-Halloween fun.

The Kindergarten had a Halloween party Friday afternoon and the Primary school students decorated their rooms and had music programs for their parents during school hours.

The Intermediate also decorated their rooms and made art projects to match the Halloween theme.

The Junior and Senior high students attended two Halloween plays presented by the Speech II class in the Auditorium.

STUDENT OF THE WEEK
By-Cyndi Trujillo

The Student of the Week this week is Terrye Abbott, a sophomore at OHS. Terrye is the daughter of Don Abbott, head OHS football coach and Dolly Abbott, fifth grade teacher. She has two married brothers, Mickey and Danny.

Terrye loves tennis, basketball, and UIL competition. She is the mascot for the Lions, seen at football games as the petite and spritely Lion with mane and long tail.

Terrye spends time reading books, cooking, swimming, and playing with children.

Terrye, like all students of the week beginning last week will be honored with a floral gift courtesy of the Flower Basket of Ozona.

NUMBER, PLEASE
By-Gayla Bell

Telephones have been a major means of communication ever since their invention in 1875 by Alexander Graham Bell. Someone you want to get in touch with may live too far away to just get into your car and go, and sending a letter takes too long. So, why not call them? It only takes a few seconds to dial a number and it is cheaper than the gas it would take to get there.

There are many different types of phones. There are the nostalgic candlestick phones, the elegant French phones, the dainty princess phones, and the fun and childish phones such as the Mickey Mouse Phones.

Telephones can be fun, but they do propose some problems. For example, a teenager sometimes ties up the phone whenever someone else needs to use it. Once a businessman was trying to reach his home and was consistently getting a busy signal. He finally asked the operator to cut in on the line, but she said she could do so only in the case of life or death matters. The businessman replied, "If my teenage daughter is on the phone,

there is going to be a murder!"

Along with the invention of the phone comes the luxury of having instant communication with a business associate or a friend. It also brings some responsibilities. These responsibilities are not to tie up the phone when it is needed by others and to make business calls concise and to the point.

J.V. DEFENSE PLAYS WELL
By-Robbie Turley

The Lion Junior Varsity and the Coahoma J.V. tied 0-0 at Lion's Stadium last Thursday night.

In the first quarter, almost all of the action was at midfield as the two teams kept trading punts.

With 7:27 left in the first half, Manuel Perez intercepted a Bulldog pass at the Lion 46 yard line. This drive came to no good. Manuel Perez, the Lion punter, kicked the ball deep into the Coahoma territory. The Bulldogs then drove to the Lion 45 yard line before they fumbled the ball. Ozona recovered it but again the Lions had to punt. As the half was ending, the Lion quarterback, Al Ramirez, threw a pass to Lionel Munoz.

In third quarter, Marty Moran recovered a fumble with 4:46 left in the quarter. The Lions drove deep into Bulldog territory but David Adams, second string quarterback, fumbled the ball to Coahoma with 7:05 left in the game. The Bulldogs were driving until Mike Sanchez intercepted a pass with 5:25 left. The Lions were then intercepted with about 4 minutes left in the game. Coahoma then tried a field goal in the closing seconds. The kick was short and Mark Vallejo caught it in the end zone. He dived into it but Coahoma tackled him right after he did. There was a little confusion but the referees decided it was a touchback and the Lions would have the ball at their own 20 yard line. With that, the game ended.

Ozona will end their season this Thursday, November 4, when they play Sonora there. The game will begin at 6:30 p.m. The Lion J.V. met Sonora in their first game of the season and won it here at Lions Stadium by a score of 12-6.

MEETING OUR HELPING HAND
By-Noemi Gonzales

Answering phones, writing absentee slips, writing letters for Mr. Payne, keeping up with students records, typing out passes for

the football players and reporters, and informing teachers what is going to happen during the week are only some of the responsibilities of Mrs. Barbara Burger, secretary at O.H.S.

Mrs. Burger, along with her two children, Katrina, a junior, and Ricky, a fifth grader, and her husband, Dale Burger, has lived in Ozona for almost nine years. Before moving to Ozona, Mrs. Burger and her family lived in Abilene.

One of the reasons Mrs. Burger took this job is because she said she liked "working and helping teenagers." She also said she liked the hours.

Mrs. Burger started her job at the beginning of February. The thing she likes most about her job is the people.

According to Mrs. Burger her favorite colors are "earthy colors." Steaks and Country and Western music are also some of Mrs. Burger's favorites.

CUBS ARE HEARTBROKEN
By-Cyndi Trujillo

The eighth grade Cubs were heartbroken Thursday night when they lost to Coahoma with a score of 13-16.

The first score came on a one yard run by Valdo Galindo. The PAT was missed.

The second touchdown was a 40 yard pass play from Sam Hightower to Johnny Lombrano. David Gonzalez's PAT was good.

At half time the Cubs lead the game with a score of 13-0.

Trouble stirred up in the third quarter for the Cubs. They had a lot of fumbles and had punt blocks.

The defense was great, according to Coach Payne.

Donald Gutierrez played a terrific game as middle linebacker, as well as Abel Lara.

The Cubs had a last minute surge at a terrific chance to score but the time ran out.

Coach Payne feels that both teams played well and the boys are showing a lot of improvement in every position.

This was probably the best game the boys have played all season and they have a superb chance to win against Sonora Thursday according to Coach Payne.

INTERMEDIATE JOGGINS CLUB
By-Irma Ybarra

The "Ozona Intermediate Jogging Club" is formed by the intermediate students. Its purpose is to keep youngsters in shape and improve their running skills,

according to Coach Carol Sessom.

Each grade has a certain amount of miles they have to run throughout the course of the year. The third graders have to run seventy five miles, the 4th grade, a hundred miles, and the fifth grade, a hundred twenty-five miles. After the student has finished his miles, he will be awarded a certificate and a small award.

There is also a class competition, in which the class that has run the most miles at the end of the year will have a Coke party. The classes leading so far are Mrs. Probst's third grade, Mrs. Dudley's 4th grade and Mrs. Glasscock's fifth grade.

Some records have been set in the project. The boy's record is 350 miles set by Armando Trujillo. The girl's record is 297 set by Leticia Dominguez.

BULLDOGS DOWN CUBS
By-Cyndi Trujillo

The seventh grade Cubs lost to Coahoma Thursday night with a score of 6-8.

Oscar Payne scored the touchdown on a 2 yard run set up by Will Seahorn with a good 38 yard catch.

According to Coach Don Payne, "Offensively, Payne and Seahorn played a good game, and defensively Jim Ethridge played a good game and was in on several tackles."

The Cubs will take on the Sonora Broncos tomorrow night here at 5 p.m.

Notes from the locker room-

By-Ross A. Alexander

The Coahoma head coach, and the soft-spoken Lion Chief have a long-standing close and mutually warm relationship stemming from the fact that Don Abbott was Coach Hudson's mentor. It had to be a slight tug on Don Abbott's heart to see his ex-student come out passing against the toughest, most consistently ball-hawking secondary in West Texas. "I don't think that people can come out throwing on us," the brilliant strategist said almost wistfully following the clash. "Our secondary is just too quick and too experienced."

Ed Borrego: We really played a strong second half and shut down the pass and the run as well. It feels good to know that we will be going to the playoffs and perhaps beyond. Thanks to the fans who let us know that they were behind us tonight. It's just great to know that the crowd is alive and supporting us."

Iron Man: "Tonight the team had to make several first quarter adjustments to discourage them from running right at us and I feel that we did the job fairly well. We've gotten to the point that we won't tolerate any one back doing the job against us and that's going to be a very important thing before the season is finished for us."

Allen Dewts: "Tonight, the team seemed to manifest a sort of inner strength that I hadn't noticed before. The offense was insistent on putting up points and of course that makes me happy. The only superlative I can think of to describe the defensive secondary tonight is impenetrable. I just want Sonora to know that they had better come with their game together because the pack is back."

Johnny Rod: "We just wanted to explode on somebody...and I feel that the defense did just that...the Lions are ready for whatever the next few weeks bring."
Greg Fierro: "The defensive player of the week"... The secondary was making quite a few big plays in the first half, and that sort of workout tends to fire us up for a strong 2nd half, and that's exactly what we had tonight."

Hurricane: "The offensive unit was on fire all night to tell you the truth...on the penalty that allowed me to kick it again, I was thinking 'Wow, I've got to try to kick this one out of the end zone if I can' and I caught it pretty good." The Hurricane had another productive night rushing and punting. "I felt that the defense really executed well against a primarily rushing offense, and if they will just keep up the good work, our team is going to do well against whomever we happen to face in the playoff rounds."

Rowdy: "We figured they'd run on us and I have to admit I was a little surprised that they decided to pass early on...but I can't see that really working well against the kind of secondary we've got back there. They really didn't have that much of a passing attack, so when they did go to the run that provided us with the opportunity to do what we had

come prepared to do...stop their ground game, and I feel we did a pretty good job at it."

Rowdy Holmsley is one of the most powerful players on the Lion squad and could easily be all district material, but the bright young man has a subdued easy-going field presence, and its suspected that this strong but very pleasant fellow really is reluctant to cut loose for fear of inflicting serious injury on someone. But when Rowdy decides to assert, he is awesome as game films revealed. Rowdy threw a 200 lb. lineman down like he was a rag doll when he became annoyed during the first half. Lion fans collectively hope that big strong Rowdy will become annoyed a lot during the upcoming playoffs.

Zeke: There wasn't much that they could do coming out passing against us like they did tonight...all it did was make us hurry up and take it to them...we are ready...that's all...just ready!!"
Coach John Curry summed up the general reaction of the players and staff:

"If our opposition feels that the only way they can beat us is to come out throwing then we won't try to discourage that kind of thinking before hand...we know what our secondary will do to a predominantly passing offense and we just simply say 'come on with it.'"

Football

[Continued From Page 1] with the team: "This team might be the best we've had in years, and I just don't believe people fully realize just how good these fellows can be...but they seem to be hungry to prove to all of us long-time Lion fans that they are for real, and by golly they're making that point more convincingly with every game. You can believe that all the local doubters are no longer doubters and the entire town will back these boys all the way to the State Championships."

Sonora will invade Lions' Stadium this Friday night at 7:30 for a big clash of area rivals. But there is "Magic" in Ozona and Sonora will need a bona fide sorcerer or maybe a hired Halloween-type witch to stop the surging Lions at home. I'm afraid there is little to offer much encouragement to Sonora when they arrive.

Dress for success

Does a woman's appearance really determine how successful she will be in her career? According to many "dress for success" authorities it does, reports Becky Saunders, clothing specialist with the Texas Agricultural Extension Service.

A recent study funded by a major beauty products corporation photographed potential employees "before" and "after" makeovers.

According to the study, the recommended changes in hairstyles, makeup and clothing definitely improved the woman's possibility of being hired. Their salary estimates were also higher.

In response to the question, "what should a female manager or executive look like," the employers answered "confident, organized, in charge, serious, intellectual and career-oriented."

Eye contact and a direct smile were also considered very important by those who answered the questionnaire.

Hairstyles noticeably influenced employers, Saunders says. Shoulder-length or shorter styles were favored. In addition to being easy to care for, shorter hair also draws attention to the eyes and creates a more approachable and friendlier image. Women who were chosen tended to have natural hair color and makeup, and selected conservative jewelry and clothing.
