A. C. Bray Rites Held Tuesday

Funeral services for A. C. Bray, 73, were conducted from the First Baptist Church here at 2:30 p. m. Tuesday, April 21, by Rev. A. W. Blaine, pastor.

Mr. Bray, father of Mrs. Horace Blackburn, passed away at Green Hospital & Clinic here at 9:45 p. m. Sunday, April 19. A resident of Norman, Okla., he had been making his home here with Mr. and Mrs. Blackburn the last 18 months. He had lived at Norman 64 years.

Alpheus Caswell Bray was born Dec. 23, 1879, at Mansfield, Ark.

He was an attorney and during his active years was an independent oil operator. He was a member of the Oklahoma Bar Association and had been a member of the First Baptist Church in Norman for more than 50 years.

Mr. Bray is survived by his wife, Mrs. Effie V. Bray; a son, A. B. Bray, Dallas; and a daughter, Arlie Beatrice Bray Blackburn, of Muleshoe.

The following brothers and sisters also survive: Mrs. Bertha Seagraves, Oklahoma City; Mrs. Randolph Deathridge, Shawnee, Okla.; Mrs. Luther Gray, Tecumseh, Okla.; Jim Bray, and W. C. Bray, Ada, Okla.; Arlie Bray, Tecumseh, Okla.; Hade Bray, El Reno, Okla.; M. E. Bray, Fresno, Calif.; and W. G. Bray, Dallas, four grandchildren and one great grandchild.

Pallbearers were Byron Griffiths, Rufus Gilbreath, Ray Griffiths, Ed Hicks, Orville White, and Clarence White. Honorary pallbearers were Jo Jarman, Arthur Crow, J. L. Alsop, W. G. Harlan, Jerry Kirk, W. M. Pool, Jr., Lee R. Pool, Eddie Lane, Pat Bulloch, Pete Dowell, A. S. Stovall, and Lud Taylor.

The body was taken to Chickasha, Okla., for interment in Rose Lawn cemetery. Committal services were held at 1 p. m. Wednesday. Muleshoe Funeral Home had charge of arrangements.

More Than Half Inch Of Rain

Rain Wednesday night brought a welcome relief from a long dry spell. It wasn't as much as the people hoped for, but it was some.

R. J. Klump reported that the local gauge showed .60 of an inch, enough to do considerable good in some places. It's still probably too early for planting, even if there were enough moisture.

Drilling Starts On Sherley Well

Drilling has started at a scheduled 5,000 foot wildcat in Southeast Farmer County. It is being carried as Ed L. McCollum of Midland and others No. 1 W. M. Sherley. The location is 1,980 feet from north and east lines of section 67, block H. H. Kelly's sub-division. It is 15 miles northeast of Muleshoe, which is in Bailey County.

School Bonds Carry 113-87

Muleshoe school district voters last Saturday approved the proposal to issue bonds in the sum of \$80,000 to provide funds for the construction of a physical education building. The vote was 113 for, and 87 against.

Studies have been and are continuing as to size, type of construction, etc. to be used in the building. Both the old school board and the present board have had the matter under advisement.

It is expected that a decision will be reached by the board at its meeting the coming Monday night.

More Donors Of Blood Needed

At least fifty more blood donor pledges are needed to insure that Bailey County will have 200 pints of blood for the Red Cross Bloodmobile which is coming to Muleshoe Monday, April 27.

And it seems that city people have been the first to respond to the appeal for pledges. Muleshoe, whose quota was 155, has pledged 160 pints of blood. It was pointed out that those who haven't signed a pledge may still give a pint of blood on the day set by coming to the Legion Home and volunteering.

Bula and Enochs had a quota of 20 donors and have not reported. Needmore and Circleback had a quota of 35, and have reported 14.

Progress went over its quota of 20 by pledging 22. Baileyboro, with a quota of 20 has not reported. Goodland and Three Way had a quota of 35 and report 7 pledges. West Camp's quota is 20, but have not reported. Y. L., with a quota of 20, reports 7 pledges.

The blood given this time will be used partly to make gamma globulin, a principal ingredient of a new anti-polio serum. A part of the blood donated in this drive will be used in hospitals and first aid stations in Korea.

RUMOR IS SCOTCHED

Local Red Cross leaders this week took cognizance of an unfounded rumor they said is fomenting the rounds to the effect that the Red Cross will sell the blood they obtain. They said the Red Cross never has and will not sell one pint of blood and anyone having evidence to the contrary should come forward with it. The blood will be given to the Defense Department to be sent to polio research centers and to military hospitals in Korea.

ANITRA LYNCH
Anitra L. Lynch, instructor of music in Eastern New Mexico University, Portales, who not only will counsel with girls interested in music but will sing for the assembly. Miss Lynch sang leading roles in recent Hugo Strelitzer productions of "Magic Flute" and "Orfeo" and has sung in opera, light opera, and oratorio productions.

DR. CORNETTE
One of the principal speakers at the annual "Education for Citizenship" day activities at the high school here Monday, April 27, will be Dr. James P. Cornette, president of West Texas State College, Canyon. A native of Kentucky, Dr. Cornette came to West Texas from Baylor U., where he had served as dean for three years.

Youth Led Revival At First Baptist Church

JOHN MURPHY

A Youth Led Revival will be conducted at the First Baptist Church April 30 through May 3. The evangelist will be Jim McKinley of Albany, Kentucky, a student in Wayland College and the singer will be John Murphy, of Plainview, also a student in

JIM MCKINLEY

Wayland College. These young men have been very active in Youth work and we feel that our church is fortunate to secure their service for this special evangelistic effort, which is sponsored by the Baptist High School Union.

Lions Ladies Night Termed Big Success

The Muleshoe Lions Club enjoyed one of their most successful Ladies Nights last Tuesday at the Fellowship Hall in Muleshoe.

Main speaker for the evening was District Governor Buff Morris of Canyon, Texas. He lauded the local club on the success of the programs they began.

Mrs. Pat Bobo was recognized as Lioness of the year and was presented an orchid.

Mr. and Mrs. Ernest Kerr will represent the Muleshoe Lions Club at the Chicago Convention in July. Kerr was awarded the honor by virtue of the fact that his attendance for the year was one of those members who had attained the distinction of being one hundred percent. The names of all those Lions who had perfect attendance records for the year 1952 were placed in a hat and one name was drawn, and that person would be the official delegate to the Chicago Convention. Kerr's name was drawn.

Program for the evening consisted of Linda Kay Rogers, accompanied by Betty Shanks; Keith Gaede, accompanied by Gene Buhrman; Jackie Henderson, accompanied by Gene Buhrman and Barbara Jones, accordionist.

Visiting guests for Ladies Night were Mr. and Mrs. Gene Ezzell, Mr. and Mrs. Bedford Jones, both of Bovina, Texas, and Mrs. Joe Lawler of Anchorage, Alaska was also a guest.

Huffman Rites Held At Earth

Funeral services were held at the Baptist church in Earth, at 2 p. m. Wednesday for Wise Earnest Huffman, Utiaca, Okla., rancher, who died at a Durant hospital Sunday after three weeks illness. Burial, under direction of Murray Funeral Service, was in Earth cemetery.

Mr. Huffman, who was 71 years old, spent most of his life in ranch work in west Texas, and at one time was foreman of the well-known Halsell ranch near Earth. He boy, it a farm near Utiaca six years ago and had lived there since then.

Mr. Huffman was born in Millam county, Texas, February 8, 1882.

He is survived by a stepson, Frank D. Ingram, Amarillo; and a brother, Alex Huffman, Phoenix, Ariz.

Mrs. Lawler Rites Sunday

Mrs. Ila Mae Lawler, 42, passed away in Saint Jose Hospital, Albuquerque, N. M., last Thursday, April 16. Mrs. Lawler, for many years a resident of Bailey County and Muleshoe, had resided in Albuquerque the last two years, and was serving as dietitian at the University of New Mexico, Albuquerque.

Mrs. Lawler is survived by two children, Mrs. John Herring, and Ted Lawler, both of Anchorage, Alaska. They were here for funeral services, held in the First Methodist Church of Muleshoe, Sunday, April 19, at 3 p. m. Rev. M. Stroup, of Farwell, officiated in final rites.

Mrs. Lawler was a member of one of the older families of this community. Her sisters and brothers are: Mrs. Lela Foust, Austin; Mrs. Charlie Dotson, Tucson, Ariz.; Mrs. R. A. Cantrell, Dallas; M. T. Glasscock, Farwell; T. L. Glasscock, Muleshoe; W. W. Glasscock, Albuquerque; and Johnnie Glasscock, Muleshoe. She also leaves one grandchild, Mary Elene Herring.

Pallbearers were Gil Wollard, Francis Gilbreath, Delma McCarty, Carroll Goss, and J. T. Eubanks. Interment was in Muleshoe cemetery with Muleshoe Funeral Home in charge of arrangements.

Mrs. Lawler was a member of the Order of Eastern Star, and had been a member of the Methodist Church since early childhood.

Residence of Homer Foster Suffers Fire Damage Tuesday

The residence of Homer Foster in Muleshoe suffered about \$1,000 damage in a fire that occurred Tuesday afternoon. The blaze of unknown origin gave the volunteer fire department trouble, because it was centered between the walls.

This is the first call the fire department has had in some months where a home was involved.

MR. GALT IMPROVING VERY NICELY

T. R. Galt, better known as Daddy Galt, who while visiting his son, Tommy of Three Way community, fell April 8 and broke his leg in three places just below the hip is now home and convalescing nicely.

Dr. Lewis, Lubbock bone specialist who performed the long surgery, said that it was a most remarkable case considering Mr. Galt's 93 years. Mr. Galt will probably be in bed another month.

Taylor's Place Mystery Farm

The Mystery Farm picture last week proved fairly easy to identify—at least 65 persons found it so. The Journal had no less than 65 telephone calls in person, or mail in their guesses as to the identity of the place shown.

It was an aerial picture of the J. Clyde Taylor home and their broiler factory building, which made the place just so much easier to identify. First to call were:

A. J. Gardner, for city residents.

Mrs. Bennie Guley, for out of city residents.

Each has two tickets to Cox Drive-In Theatre awaiting them at the Muleshoe Motor Co., which last week sponsored the Mystery Farm picture.

This week the Western Fertilizer Co. is sponsoring the showing of the Mystery Farm and we venture to say the farmstead shown this week will not be so easy to identify. But, turn in your guess as soon as you can.

Will Process Muleshoe Spuds

Construction has started on the Muleshoe Irish potato processing shed for Fred Barrett and sons. The building, now going up along the Santa Fe tracks in the east part of town, will be a gathering place for washing, grading and sacking Muleshoe potatoes for shipment to market.

Mr. Barrett and his three sons have nearly a thousand acres of potatoes in the immediate vicinity of the city this year. Last year, their first year of operation here, they had about 450 acres planted to the crop.

Handling the potatoes here where they are grown, their planting, cultivation, irrigation, and harvesting will produce a tremendous payroll for this community. For that reason the Chamber of Commerce as well as private individuals have given the Barretts all the cooperation they could in this enterprise.

The building will be 60 feet deep by 150 feet long. The dock immediately abutting a service track the railway company will build, will be 8 feet wide by 150 feet long.

The Barretts will install modern grading, washing, and sacking machinery.

Mr. Barrett, senior, said the Muleshoe plant will be one of the most modern to be found anywhere.

The Barretts have 628 feet along the Sudan highway and 90 feet deep. They hope to have the plant ready for operation by June 15.

JONES COMPLETES PRE-FLIGHT
Edward N. Jones, 21, son of Mr. and Mrs. L. H. Jones, of Muleshoe, has completed the pre-flight phase of his pilot training at Lackland AF Base, San Antonio. He was graduated at recent ceremonies. The pre-flight course covered 12 weeks.

Voc. Guidance Meet Mon.

Noted educators, Air Force and Navy personnel, business and professional men from West Texas and Eastern New Mexico will gather in Muleshoe Monday to counsel and advise some 225 high school seniors during the 2nd annual "Education for Citizenship Day" being sponsored by the local school system and the Chamber of Commerce.

West Texas State, Texas Tech Wayland and ENMU are all sending faculty representatives to confer with high school seniors of 10 schools in our area.

Texas Tech will be represented by Dr. N. C. Fine, Ass't Dean of Agriculture, Dean James G. Allen, Dean of Student Life, Major Melvin Burnett, Associate Professor of Air Science and Tactics, Aubrey L. Shouse, Director of Public Information, and an instrumental combo to spice the program with entertainment.

it just as important to save a child's life, for example? "Before we can agree, an older man chimes in, quietlike and relaxed. 'I seem to be the only one,' he says, 'Without a special reason for being here—out-side of wanting to do unto others as I hope they would do unto me. But I'd say every reason for giving blood is a special reason... just as every American life that can be saved at any time and any place is special. That being the case, it doesn't so much matter where the blood is needed. What matters is it's always needed... urgently. That's why I made a date to give blood.'

can do on a job, and why they think they can do it better than the next fellow.

Such simple questions usually stump the average high school and college job hunters. They know little about the world of work. They have never appraised themselves to know their job strengths and weaknesses.

COLLEGE GRADUATES OFTEN IGNORANT

I try to discuss a little current events and I find they have no adequate historical knowledge to hang events upon. I turn to economics, as my professor Stephens did with a college senior the other day. He asked the student if he could give some reasons why business had a bad reputation in the minds of some people.

WHAT'S WRONG IN EDUCATION

There is something frightening about the ineffectiveness of current educational procedures. Too much emphasis is placed on the "degree" aspects of education. Too little thought is given to the needs of the inner man.

TEACHERS SHOULD BE PAID MORE

They forget that educational theory and practice change, and that their expensive rockpile will be outmoded long before it is outworn and probably before it is paid for!

ELECTIONS COMING UP?

Hundreds of cities and towns have, during the last few years, strapped themselves financially with luxury school buildings which they cannot afford.

SAND HILLS PHILOSOPHER —

Wants Tax Collecting Handled Through Pentagon, Where The Red Tape Is

Editor's note: The Sand Hills Philosopher on his Johnson grass farm ought to know what he's talking about this week, inefficiency.

Dear editor: Since I had plenty to do, you know most people usually say since they didn't have anything to do they took it easy but if I waited till I didn't have anything to do before taking things easy I'd never get around to it.

I believe with the proper plan and channel the collect through the proper offices in the Pentagon or any other building they got up there where red tape is swirling, a man could get by for years without paying any taxes and it might be years after that before anybody got around to discovering it.

There's nothing wrong with red tape, it just ought to be removed from the ammunition orders and hauled over to the tax collectin room.

Yours faithfully, J. A.

months in advance what the enemy is gonna do, which direction he's gonna move in and at what hour, and get set for him.

But what I started out to say was is what I want to know is why don't we use the Pentagon for other phases of government?

For example, why don't they put the tax collectin department over there? Nothin would make a bigger hit with me than its takin the government nine months to a year to get around to sendin me a tax bill.

People are always talkin about government inefficiency, but there are some phases of government that can't get too inefficient to suit me, and mailin tax statements heads the list. Also, I could use a lot more inefficiency and sloppy bookkeepin in credit taxes and gettin around to findin out who hasn't paid up yet.

As I understand it, the Pentagon is a buildin in Washington where the army transacts its business on paper and accordin to this story it sometimes requires an order nine months to a year to get from one end of the Pentagon to the other, due to the involved red tape.

perspective. If America is to stay strong and if American business is to grow and prosper, it needs intelligent and praying teachers. Low salaries—you know too well—don't buy competent workers for you; they don't buy competent teachers either.

Today's Meditation THE SPIRIT OF PAUL'S MINISTRY To them God chose to make known how great... are the riches of the glory of this mystery, which is Christ in you, the hope of glory.

In his letter to the church at Corinth, Paul sets forth the principles of Christian love, the standard by which the Christian lives. Love is of God, and man is neither to descend to selfishness nor to criticize the limitations of others.

Paul is concerned that each is called to be, in the name of Christ, a minister to all others. He must be ready to suffer, even die, that men may be saved. He laid down the great principle of absolute equality before God. Christ died for all. He invites all to become one in Him, for in

death He was translated into an abiding spiritual presence, influencing others in the quest for the realization of the Kingdom of God.

PRAYER

Our most gracious heavenly Father, we are grateful for Christ who has appeared for the salvation of all men. Help us to live godly lives. Help us to show forth Christlike love toward others. Keep us humble, for Thine are the power and the glory, both now and forever. In the name of Jesus. Amen.

THOUGHT FOR THE DAY

Shower Honors Mrs. Doyle Green

Mrs. Doyle Green was honored with a pink and blue shower Wednesday afternoon, April 15, in the home of Mrs. James Wedel. Assisting Mrs. Wedel as co-hostesses were Mesdames George Mitchell, Fern Davis, and Pete Dowell.

After the honoree had opened many lovely gifts, refreshments of punch and cake were served to Mesdames R. L. Hughes, Lynn Bratcher, W. Y. Mitchell, Fannie Martin, James Bross, Carol Jones, John Thomson, J. S. Alexander, Gordon Murrah, Eugene Black, J. L. Waggoner, Ruth Roberts, Ann Eittle, Ira Martin, Arden Drake and Bill Shaw.

Out-of-town guests were Mrs. John McIntoch of Clovis, N. M., Mrs. Jessie Sutton of Littlefield, and Mrs. Iris Reynolds of Melrose, N. M. Many sent gifts who were unable to attend.

Business Students Place High at Meet

The Muleshoe high school typists, Pat Morgan, Wanda Clements and Joyce Hunt, and stenographers, Myra Hogan, and Evelyn Sowder, won a duel meet with Arwell high school Friday. In the typing event, Pat Morgan was first with 47 words and 84 per cent accuracy. The three typists represented Muleshoe in the interscholastic meet at Brownfield and won second as a team. Pat Morgan placed seventh out of a field of 23 contestants.

In the shorthand event Myra Hogan was first with 90 words and 98 per cent accuracy. The two shorthand students represented Muleshoe at the interscholastic meet at Brownfield and won second as a team. Myra won this event and will represent Muleshoe high school in the regional meet at Lubbock. Last year Myra as a typist won second in district and fourth in regional.

W. S. C. S. To Visit Guild

The Woman's Society of Christian Service of the Methodist Church met in the sanctuary Monday, April 20, at 2:30 p. m. The devotional, "The United Heart", was given by Mrs. H. Jay Weyer from the Psalms. The opening song was "The Church". Mrs. Haney led in prayer.

Mrs. O. N. Jennings directed the program using the twelfth annual report of the Northwest Texas conference composed of nine districts, giving an inventory of what the W. S. C. S. has done the past year. The quadrennial goal is "That the Kingdom of God May Be Realized". Emphasis will be placed on membership this year.

The president presided during the business session. Mrs. Farrell was appointed to secure pictures of life memberships for conference scrap books.

The W. S. C. S. is extended an invitation to attend the Wesleyan Guild next Monday night, April 27, to hear an out-of-town speaker.

A poem, "We are His Hands", was read by Mrs. F. B. Pierson and the meeting was closed with prayer by Mrs. W. D. Moore.

Present were Mesdames I. W. Haney, H. M. Shofner, O. N. Jennings, H. Jay Weyer, R. O. Gregory, F. B. Pierson, Roy Bayless, H. C. Holt, C. R. Farrell, J. J. Gross, Lucy Layne, W. D. Moore, Arnold Morris, and little Claudia Huber.

Philathea Meets In Ragsdale Home

The Philathea Circle of the Muleshoe Methodist Church met Thursday, April 16, in the home of Mrs. Mack Ragsdale.

The banquet was discussed and plans will be completed at a later date.

The Book of Acts was discussed by Ida Mae Shofner, Jeri Farrell, Ruby Faubus, and Waneen Ragsdale.

Mesdames Mary Nell Chapman, Gladys Black, Theresa Edwards, Margaret Adams, Dorothy Weyer, Jean Allison, Ida Mae Shofner, Ruby Faubus, Sammy Allison, Jo Anne Barbour, the hostess, and one visitor, Vonda Vitito, were present.

Osborn Hopes For Passage Of The Canadian River Bill As Amended

AUSTIN, April 20 — West Texas state representatives have high hopes that Senate Bill 126, allowing the construction of the Canadian River Dam Project, will perhaps now sail through the State Legislature without opposition. Last week the \$85,000,000 project made its way through the House Conservation and Reclamation Committee — but only after it was amended by four South Plains representatives.

Senate Bill 126 drew fire in its original form from West Texas farmers after it passed the Senate. The Senators failed to notice that the bill allowed the Canadian River Dam Water Users Association to control the underground water in cities along its 12 city route. For example, if the dam didn't come up to par,

member cities could have been forced to supply water to the project from their own underground water systems.

This would have meant that one city could have been imposed upon to furnish water on a large scale basis to the project, and thus defeat the purpose of the entire project. Farmers in the area along the Canadian Dam route voiced heavy opposition to this part of the bill, explaining that this measure would virtually cause an acute shortage of water in irrigated districts.

Representative Jesse M. Osborn of Muleshoe, was one of the South Plains' representatives that opposed the bill in its original form, and with Representatives Saul of Kress, Reeves of Matador, and Gillham of Brown-

field, offered five amendments to the bill—taking away the powers of underground water control from the water pact. Members of the House committee consented to adopt the amendments and passed the bill through its meeting as amended.

"Now we all are satisfied with S. B. 126", Osborn pointed out. "Our farmers and ranchers certainly realize the need of more water for municipal purposes—but we must watch every source of conservation of water in our area. If the bill had passed as originally set up, farmers in the irrigated region would have been hurt, and the Canadian River Dam Water Users Association would have hindered our area's progress instead of being all we hope it is to be in helping us."

Osborn stated that he and the other West Texas lawmakers, who worked on the amendments, certainly favored the Canadian River Dam Project as amended.

S. S. Worker Here April 29

Today, because of taxation and living costs, it is increasingly difficult for the average worker to achieve even a modest degree of personal and family security by accumulation of reserves through private initiative. Most persons face economic hazards at the time when the family breadwinner's earned income is ended by old age or by death. As a general rule, it is not possible to set up adequate security measures through private measures alone. Such means must complement a basic government plan if adequate protection is to be provided.

The question is not whether by what means government should aid in the attack on insecurity. Old-age and survivors insurance under the social security program is an attack through use of the method of social insurance. It is a way of making advance provision against possible loss. The worker makes advance payments into a fund just as in the case of fire or automobile insurance. As in any form of insurance, the payments are determined in advance in accordance with what all of us, as a society, think is the amount of protection we should have and what we are prepared to spend. The payments we make for this protection are not based on a showing of our individual needs. Consequently, the beneficiary receives an amount which is independent of how much he may be able to add to it through his savings and other resources.

The social security insurance method helps each person to achieve his own security. Social insurance is a device through which a person contributes toward and earns his security as he works, just as he earns his wages or self-employment income that provides for his current living. Bear in mind, social insurance is not a handout and it is not one group in a community giving to another group. It provides a part of the reward for being a productive member of society with the amount of payment geared to a record of the worker's productivity.

A representative of the Social Security Administration will be

Thomas Leases Slaughter House

J. L. Thomas announced this week that he has leased his slaughter house to two Hereford men, Claud H. Garrison and J. Wallace Cantrell, who will be co-partners in the operation of the business. Both are experienced meat handlers and understand the business thoroughly.

They have taken charge of the business and expect to move their families here from Hereford at the end of the school term.

Mr. Thomas, who has operated the slaughter house here for several years, now will take a needed rest before getting back into some other business.

Notary Public Papers Due Soon

Secretary of State Howard Carney has announced that he will reappoint all persons who now hold Notary Public Commissions and that all such persons must qualify by filing an oath and bond with the County Clerk of their residence between June 1, 1953 and June 10, 1953. The law specifically requires County Clerks to approve Notary bonds and individuals should not send money or requests for commissions direct to the Secretary of State. All Notary matters can only be received by the Secretary of State after the County Clerk acts thereon.

Any person who has not heretofore been a Notary Public should apply to his County Clerk between May 1, 1953 and May 23, 1953, if he desires to have this application given prompt attention in the State Department, as the rush of reappointing all old Notaries may slow up the ordinary process of making new appointments and issuing commissions.

Secretary of State Carney said, "Each person applying for a commission as a Notary Public must be at least 21 years of age and a resident of the County for which he is appointed; exact names and permanent addresses should be given to the County Clerk in applying for a commission, as location of the Notary may be necessary long after he has notarized a particular instrument."

Fifty Years Forward on the American Road

of the season!

The 1953 Ford leads all other cars in bringing you the car you've always wanted for the money you can afford to pay. It's America's "Worth More" car... worth more when you buy it, worth more when you sell it.

NEVER BEFORE has a car enjoyed such wide acclaim as Ford during the past few years. And this year, with a hull-tight Crestmark Body that's the style-setter, a new ride that's unbelievably smooth, a choice of high-compression V-8 and Six that's the envy of its field and a total of 41 "Worth More" features, the 1953 Ford steps even further out front to become the New Standard of the American Road. Ford keeps its value better than any other car, too. A check of used car dealers and owners will prove it. So join the swing to Ford. Take a Test Drive today.

WILEY BAKER FAMILY TOURS THE OLD SOUTH

Mr. and Mrs. Wiley Baker and daughters, Marcia and Kathy, and Gerald Curtis, the latter of Farwell, have completed a 16-day tour of several southern states and learned at first hand what the old south, and the new south, are like.

They visited in Tampa, Fla., with the family of Mrs. Baker's brother, John E. Sooter, who were former residents of Progress community. Here they enjoyed deep sea fishing and giggering for flounder.

They made a boat trip through the Everglades which they will long remember. Their tour included several state capitals, visits to historic landmarks, including the Vicksburg Civil War battlefields, old plantations, etc. Everything was in full bloom, green and beautiful. Their trip also included a full day of sight-seeing in picturesque New Orleans.

VISITORS FROM COLORADO

Mr. and Mrs. Alfred Patterson of Norwood, Colo., visited over the week end in the home of Mr. and Mrs. Ross Goodwin. Mrs. Patterson and Mrs. Goodwin are sisters.

WILHITES HAVE GUESTS

Sunday visitors in the home of Mr. and Mrs. H. L. (Doc) Wilhite were Rev. and Mrs. L. C. Reece of Ft. Worth. Mr. and Mrs. Bud Holton of Plainview, and Mrs. O. D. Holton and children.

MILLEN AND CARTER AT FARM BUREAU MEET

Bill Millen and Ray Carter represented the Bailey County Farm Bureau at Littlefield last Wednesday.

The meeting, an all day affair, was the annual meeting of the farmers and businessmen of Lamb County.

Marshall Formby, State Highway Commissioner, one of the many speakers on the program, told the group of the plans now in the hopper for Highway improvement.

Plans were also laid for coming events and promotions in the Lamb County area in the coming year.

Three Way P. T. A. Has Last Meeting

The Three Way P. T. A. held its final meeting of the year Monday evening, April 20.

Mrs. Baker Johnson presided over the business session and Mrs. H. E. Baker, secretary, read the minutes and Mrs. John Gunter, treasurer, made financial report. A report on the year's project was made by Roy Crawford, vocational agriculture teacher.

New officers elected for the coming year are: Mrs. H. E. Baker, president; Mrs. Vernon Bundrant, vice-president; Mrs. Cass Stegall, second vice-presi-

dent; Mrs. Roy Crawford, secretary; Mrs. Tommy Galt, treasurer; and Mrs. Milton Buie, historian.

A Tom Thumb Wedding by the first and second grades and a historical pageant by the fifth and sixth grades were presented after the business session.

The F. F. A. boy served coffee and doughnuts in the agriculture building and showed the equipment that the P. T. A. had bought for them.

Visitors in the home of Mr. and Mrs. J. N. James and Mr. and Mrs. L. E. Testerman the last two weeks were Mr. and Mrs. A. D. James of San Jose, Calif., Mr. and Mrs. D. F. James and children,

Doris, Christine, Clyde and Sandy of Ashland, Ore.

Other recent guests were Mr. and Mrs. G. H. Hawkins and Carol of Lubbock, Mr. and Mrs. Arthur Aikens, Mr. and Mrs. Fred Watson and David of Littlefield, Mr. and Mrs. Joe Crouch and Gary Curtis, Mr. and Mrs. Frank of Amarillo, Mrs. John Perry of Amarillo and Mrs. Callie Dyke of Ft. Worth.

Mr. James has been very sick but is now improving.

Santa Fe Railroad Treats Cub Scouts To Slaton Trip

Nineteen Cub Scouts accompanied by seven adults were the guests of the Santa Fe Railroad last Saturday. The Cubs went by auto to Plainview where they were placed on a special train that took them to Slaton. The trip was designed to give

the boys a chance to inspect the round-house of the Santa Fe in Slaton.

The boys were on a train loaded with two thousand, four hundred and eighty-five other cubs of the Panhandle who were also

special guests of the Santa Fe. The youths took along a picnic lunch.

Famed A Capella Choir Here Tomorrow

ABILENE — An alto, a soprano, three tenors, two baritones and a bass are among the soloists for Hardin-Simmons University's a capella choir. The choir will appear at the Muleshoe high school, April 24.

Mrs. Marilyn Daugherty, El Paso, is the soprano soloist; Alice Ann Yates, Plainview is the representative of the alto section. Tenors include Bill Cole, Arlington, Texas; Bill O'Brien, Pampa, Texas; and Jack Kay, High Point, N. C.

Phil Briggs, Ponca, City, Okla., and John Bullock, Colorado City, Texas, are baritones. Bill Hardage, Vernon, Texas is bass.

Three of the soloists are also on the choir's staff of officers. Miss Yates is secretary-treasurer. Bullock is keeper of the log, and Hardage is student director.

Repertoire for the choir is varied. Standard selections by Bach, Palestrina and Billings in addition to works by such modern arrangers as Noble Cain and Joseph Clokey.

The music is not solely sacred. Lighter numbers are also sung. Familiar Negro spirituals, such as "Joshua Fit De Battle of Jericho" and "Old Moses Put Pharaoh in His Place" are sung with popular selections which include "Ole Man River" "Skip to My Lou" and "Saint Louis Blues." Euell Porter, chairman of the voice department, is the director of the H-SU singers.

Arnold Young At Kingsville

KINGSVILLE, Texas (PHTNC) —Kingsville is recognized as the home of Naval Air Jet Training and training center for many of this country's Navy fighter pilots.

It recently became the duty station of Arnold D. Young, airman, USN, son of Mr. and Mrs. Ephraim Young of Farwell.

The U. S. Naval Auxiliary Station is located in Southern Texas a few miles inland from the Gulf of Mexico, and trains pilots in jet trainers, Bearcat and Hellcat fighters, and the TBM torpedo bombers.

In addition to training Naval cadets and student officers, many foreign students from nations participating in the North Atlantic Treaty Organization receive instructions here.

Cold Weather Hit At Weekend

It wasn't good planting weather or pre-planting weather last week. The wind blew a gale most every day and it was cold at night.

The week's unruly weather was climaxed Friday night when a hard norther blew in about night and the mercury slipped down to 26 degrees. It was still cold Saturday night and a low of 28 was registered, unusual for the time of year.

Dry land farmers early this week took cognizance of the fact

AMERICA'S NEW RAILROAD

"I want a ticket on the Atomic Super Chief!"

Well, sonny, just hang on to that dream. By the time you're a full fare, it might come true!

Of course there is no "Atomic Super Chief" ... yet.

But, don't sell American ingenuity and progress short. At the rate things grow now for you on the Santa Fe, you only need to squint your mind's eye just a little to see tomorrow streaming toward you down the track!

You can almost feel the future of Santa Fe in the quickened tempo of its progress in the recent past.

Just count the growing number of Santa Fe diesels that speed your freight and smooth your ride today.

Nineteen years ago there weren't any. Today there are 1422 units. By year's end there'll be 97 more. Steam is disappearing fast. And more than 250 coaling and watering stations have bit the dust.

Santa Fe folks just don't dally when it comes to building new.

For today the Santa Fe is America's new railroad. And it's going to stay that way by growing newer every day—in every way that can mean new safety, better service, new comfort and dependability for you.

It costs millions of dollars to serve you so. But it doesn't add a penny to the taxes you pay. Santa Fe folks are proud of that, too—proud that the newness of the Santa Fe is a part of American progress that pays its own way.

Kirk Discusses Gym Planning

Supt. Jerry Kirk Tuesday noon brought Rotarians and their guests up to date on the board of trustees' thinking so far on the physical educational building authorized by the voters in Saturday's election.

No definite plans for the building, for which \$80,000 in bonds were voted, have been settled upon by the board.

The board, Supt. Kirk revealed, is studying all sorts of construction. The board traveled some 600 miles studying physical education buildings and got some good ideas which will help them to design a building that will be of the greatest use here.

Mr. Kirk said the board feels they can construct a suitable building, with offices, lobby several dressing rooms, concession stands, roll away bleachers, for the amount of money provided by the voters. The building will be something of which the people will be proud, Mr. Kirk assured his listeners.

Definite plans may develop in the board meeting that will be held the coming Monday night.

The club made plans for the district inter-city Rotary forum, held in Lubbock Wednesday afternoon. It was announced that Muleshoe Club won the attendance contest with the Sudan club. Arnold Morris was in charge of Tuesday's program.

Who Gives Blood?

Mrs. Dorothy Newman

Hospital Nurse, Finds the Answer at Her Local Blood Donor Center

"I was working in Emergency when they brought the child in. She was like a tiny, broken doll in the truck driver's arms. They started transfusions immediately. Without blood, no surgery, no wonder drugs could have saved her. It took three pints . . . before her eyes opened . . .

"As I watched the transfusions, I wondered about those three unknown blood donors. I wondered—*who gives blood . . . and why?*"

★ ★ ★ ★ ★

Mrs. Newman found the answer at her local blood donor center. "It's wonderful," she said, "how talkative and neighborly this painless gift of blood makes people . . . all strangers and yet sharing this great experience together."

"The people? All different. Veterans, businessmen, stenographers. Everybody."

"The reasons? Different, too . . . 'an older brother in Korea' . . . or a buddy 'lying forgotten in a hospital here' . . . a housewife who heard 'it would be needed in case we were suddenly attacked' . . . and one

little man who kept saying, 'Well, of course, of course . . . it's the thing to do, just like voting!'

"As they spoke, I thought again of that child . . . and the three pints of blood. Was her need less urgent than a wounded soldier's? Than preparation for the day when the planes overhead might not be ours? And it seemed to me that as long as a single pint of blood may actually mean the difference between life and death today or tomorrow for any American . . . including you and me . . . the need for blood must always be urgent!"

Los Planos Club Plans Dinner For Last Meeting

The Los Planos Study Club met last Tuesday, April 14, in the home of Mrs. Deon Awtry with Mrs. Jack Schuster as co-hostess.

The program was on "Women in American Theatre". Interesting personalities who were reviewed were "Ethel Barrymore" by Mrs. Buddie Blackman, "Cornelia Otis Skinner" by Mrs. F. W.

Jones, and "Helen Hayes" by Mrs. Kenneth Grissom.

A report on the style show was given and the bloodmobile was discussed. Club members were asked to assist.

The next meeting will be in the home of Mrs. Bennie Chapman with Mrs. Ernest Kerr as co-hostess on May 12 for a dinner. This will be the last meeting of the year.

Those present were Mesdames Buddie Blackman, Deon Awtry, Bennie Chapman, Sam Damron, Willis Farrell, F. W. Jones, Bernard Phelps, Jake Roberts, Earl Schmitz, Jack Schuster, Richard Smith and Kenneth Grissom.

Pollyanna Club To Make Moccasins

Mrs. F. W. Watts was hostess to the West Camp Pollyanna Club on Wednesday afternoon, April 8. They read "How to Tell When Spring Comes" for opening exercise. Seventeen members answered roll call on "Something I Have Made This Year."

Since the Agent was unable to meet with the Club and give the program, another program was substituted. Mrs. Ernie Hughes showed the members a drawing of how her yard was to be landscaped.

How Do You Thank 'Somebody' For Blood?

Sgt. John Kehoe

U. S. Marine Corps, Finds the Answer at His Local Blood Donor Center

"I could see the corpsman kneeling over me. The blood plasma was running down through a tube into my arm and he said everything was going to be O. K. I was walking across an enemy mine field in Seoul when one exploded and a piece of shrapnel caught me in the leg.

"Got enough of that stuff?" I asked him, pointing to the

blood. 'I guess we never have enough,' he said, 'but you can thank somebody for this pint.'

"How do you thank 'somebody' for blood? For saving your life? When I got back home, I discovered the answer at my local blood donor center. There's only one way to say thanks—by giving some of your own blood."

★ ★ ★ ★ ★

Who are the "somebodies" who give blood? All kinds of people—veterans, businessmen, farmers, clerks—everybody!

And why do they give blood? A refugee who lived through the bombing of Berlin knows "it could happen here." A grieving mother who never forgets the day her daughter's party dress caught fire remembers "there just wasn't enough blood in our local blood bank to save her." An anxious

father who is expecting a long overdue letter from his boy in Korea feels "he might need it."

Yes, all kinds of people give blood for all kinds of reasons. But whoever gives it—for whatever reason—this they can be sure of: As long as the priceless, painless gift of blood may mean the difference between life and death for any American anywhere . . . including you and me . . . the need for your blood is urgent!

Local Men Hear Outline Of WTCC Aims And Objects In Meeting Here

A group of Muleshoe business men Monday heard representatives of the West Texas Chamber of Commerce delineate the broad outlines of the organization's area aims, policies, and objectives, and something of the actual mechanics of the Chamber's operations.

Frank Kelly, of Colorado City, president of the West Texas organization last year, long a leader of the group, now its membership chairman presented the general policies which govern the Chamber's program for the area.

He said West Texas has three principal assets: Land, Water, and Minerals, the latter mostly

oil. He outlined ways in which the WTCC has developed a program for conservation of each of these principal assets, saying that land, water and oil conservation are necessary for the continued prosperity of the region.

Of course, the WTCC it was explained, has many other activities, including the attraction here of industries actually needed in the area, but, he said, mostly West Texans themselves need to develop the sort of service that the area needs in any given direction. While the WTCC aids the various cities whenever it can in securing new industries, the welfare of the area as a whole is the Chamber's prime ob-

NOTICE OF CITY'S INTENTION TO RECEIVE BIDS FOR THE CONSTRUCTION OF A CITY HALL BUILDING AND TO ISSUE TIME WARRANTS IN PAYMENT OF ALL OR A PORTION OF THE COST THEREOF

SEALED PROPOSALS addressed to Mr. R. J. Klump, City Secretary of the City of Muleshoe, Texas, will be received at the Office of the City Secretary until 2:30 o'clock P. M., on the 8th day of May, 1953, for the construction of a City Hall Building in and for said City, in accordance with plans and specifications now on file at the office of the City Secretary, Muleshoe, Texas.

PROPOSALS received will, at the time hereinabove stated, be opened and read aloud before the City Council of said City.

DETAILED SPECIFICATIONS covering the proposed construction, which are now on file with the City Secretary, may be examined by anyone interested, and copies may be obtained on deposit of \$5.00. The full amount of the deposit will be refunded to the successful bidder upon execution of contract and furnishing performance bond as hereinafter specified, and be returned to all others upon returning said specifications in good condition; otherwise, the deposit shall be forfeited.

THE SUCCESSFUL BIDDER will be required to make performance bond in the full amount of the bid price and each proposal shall be accompanied by a certified check or a bid bond in the amount of 5% of the bid.

ATTENTION OF bidders is directed to the provisions of House Bill Number 54, passed by the Forty-third Legislature at its Regular Session, requiring that not less than the general prevailing rates of per diem wages for work of a similar character in the locality where the work is performed, shall be paid all laborers, workmen and mechanics employed in the construction of public works.

IT IS THE INTENTION of the

City Council to pay all or a portion of the construction costs by the issuance and delivery to the proper contractor, of the legally issued time warrants of said City, bearing interest at the rate of not exceeding FOUR PER CENTUM (4%) per annum, payable annually or semi-annually which said warrants shall not exceed the principal sum of TWENTY THOUSAND DOLLARS (\$20,000), and the principal of said warrants shall be payable serially, the maximum maturity date being not later than December 15, 1964.

THE RIGHT is reserved by the City of Muleshoe, Texas, to reject any or all proposals, and to waive all technicalities.

THIS NOTICE is issued and given pursuant to authority conferred on the undersigned as City Secretary of the City of Muleshoe, Texas, by resolution and order of the City Council, convened in Special session, on this the 15th day of April, 1953.

R. J. Klump,
City Secretary,
City of Muleshoe, Texas

Economists Take A Look At Agricultural Problems

The less favorable price situation for agriculture currently is not a result of depressed domestic demand since the change came during a period of high employment and incomes. That was the opinion of a panel of economists before a meeting of the Agricultural Commission of the American Bankers Association at Houston recently.

The panel, composed of Harry Love, Virginia Polytechnic Institute; Tyrus R. Timm, Texas A. & M. College; E. C. Young, Purdue University; and O. B. Jensen, University of Minnesota, gave three major reasons for the drop in farm prices; namely: high over-all production in 1952; reduced exports because of improved agricultural production in other countries; and continued limited dollar exchange. The group attributed to increased marketings after several years of expanding numbers, the primary cause for the sharp drop in cattle prices. They classified butter and lard as special problems.

The economists pointed out that barring an expanded war, prospects are for leveling rather than a sharp drop in defense spending. Moreover the easing supply situation indicated that production of industrial goods is catching up with demand.

Keeping the country's economy as a high level in the future, they said, will require shifts of resources among farm commodities and between agriculture and business. New developments such as television and air conditioning offer opportunities. Highway construction and repairs represent a real need, as do school buildings, hospitals and the like.

Support Not The Remedy
Farm price supports, said the experts, is not the remedy for the present agricultural situation. But they hastened to concede, that present supports should not be abandoned quickly. Such action, they added, probably would demoralize markets, especially for wheat and cotton. Future agricultural adjustments, they said, will be more difficult to make should a major let-down in business activity and employment occur.

They believed the lower prices for meat would stimulate demand and thus help the leveling out process. Adjustments, they said, had to come for cattle numbers as production of any agricultural commodity can not be expanded indefinitely. Butter and lard are being replaced by other fats and oils and the high price support on butter appears to be pricing it out of the market. Recovery of lost markets may be difficult, if not impossible.

Price supports above market levels lead to surpluses and in turn to production controls. Price supports, over the long run according to the experts, should be reserved for periods of unusual distress situations. They hinder adjustment in marketing and are capitalized into higher land prices and rentals.

On the whole, the panel members believed the financial position of agriculture was good. Farmers are in a pretty good position to make readjustments.

Farm Bureau News

Parmer County
Senate Bill 215 has been passed by the Senate. It is called, "Texas Grain Elevator Act". As we mentioned previously, it embodies a resolution adopted last year by Parmer County Farm Bureau members, and later by the State Farm Bureau in San Antonio. Senator Andy Rogers introduced it.

You have been hearing about a road map to go with the Rhea Road Markers for some time now. In a short while, you will

see one. Melvin Sachs and Chas. Calaway of Rhea Farm Bureau, and Verne Cubit, Phillips 66 Field Man of Clovis were in the office last Thursday evening from six to ten thirty completing details. Mr. Cubit is doing the drafting and printing work in Clovis. We think that when you see this map, you will be interested in marking some more county roads.

Bovina Farm Bureau meets Monday night, April 27. Be there, because you are always welcome and the program is always informative and interesting.

Explanation for legislative issues of moral nature being brought to the attention of families through this column: Farm

Bureau members are, generally speaking, agricultural, rural people. Since the settlement of America, it has been generally recognized that these are people who have steadfastly insisted on moral integrity among our leaders and in the business people with whom they deal. In 1952, in San Antonio, the following resolution was adopted for record by unanimous vote: "We express our appreciation to Rev. Albert R. Peterson, pastor, First Methodist Church, Floresville, for conducting the vesper service". In 1951 "our appreciation to Dr. Charlie L. King, pastor First Presbyterian Church, Houston". In 1950 "our sincere appreciation to Rev. Robert Bell, pastor, First Baptist Church of Mineral Wells". Each State Farm Bureau Convention, and each panel of such convention, is opened with prayer, declaring dependence upon God for guidance in conducting business of great magnitude.

Consider this: He that answereth a matter before he hearth it, it is folly and shame unto him." Prov. 18:13.

Hobby Day Is Successful

Hobby day, or work day, was a pleasant and successful day when members of the Progress Home Demonstration Club met in the home of Mrs. Arnold Gross on Thursday, April 16.

Each member worked on the craft in which she had the most interest. Aluminum trays were painted and leather work, glorified painting and textile painting were also done. Textile painting was done with a new method using the Tri-Chem-Pen, a ball pen point using paint.

Mrs. Harold Mardis demonstrated rick rack earrings and several pairs were completed. A bountiful dinner was enjoyed by those attending the morning session who were Mrs. Howard Roebuck, a guest, and Mesdames Edward Little, D. O. Smith, Gordon Murrah, and Albert Davis. Mesdames Alfred Patterson, Manuel Self and Harold Mardis attended the afternoon session.

Another all day meeting is planned in the near future.

Talent Night Held By P. T. A.

The high school P. T. A. met Monday night, April 20, for student talent night. The invocation was given by Mrs. A. W. Copley.

Mrs. Ola B. Jones directed the student talent night. Barbara Jones gave two accordion numbers and Dorothy Lowery presented a juggling act. Several declamations were given under the direction of Mrs. Beatrice Mayhon. They included: "He Who Plants a Tree" by Beverley Gilbreath; "An Echo Here and There" by Luvonne Kruger; "I Shall Not Pass This Way Again" by Barbara Stewart; "But I Am One" by Roald Johnson; and "The Touch of the Masters Hand" by Marlene Campbell.

The music department under the direction of Lloyd Alsop, presented several numbers which included "Till I Waltz Again with You" by Lou Ann Agee accompanied by Betty Shanks; "Wishing Ring" by Loretta Sullivan accompanied by LaVon Copley; "It's the Loveliest Night of the Year" by Ellen Allen, accompanied by LaVon Copley. Selections given by the band

department were: a selection on the oboe by Peggy McCormick, accompanied by LaVon; "Beautiful Colorado" by Pat Inman on the saxophone accompanied by Betty; "Blue Bells of Scotland" by Don Copley accompanied by LaVon.

Roald Johnson will represent Muleshoe at the regional declamation meet Saturday at Lubbock.

Mrs. A. W. Copley and Mrs. Onard Upton reported on the district P. T. A. conference held at Littlefield recently.

I. O. O. F.-Rebekahs Meet At Littlefield

The South Plains Association of I. O. O. F. and Rebekahs meeting was held at Littlefield Friday, April 17, with several from Muleshoe attending.

Levelland won the cup over six competing teams. Lubbock and Needmore tied for second place. Other teams competing were Littlefield, Lamesa, and Sundown.

New officers are: president, Merle Beard, Littlefield; vice-president, Martha Standifer, Sundown; chaplain, Dorothy Bloys, Plainview; and secretary-treasurer, Glenn D. Cannon of Levelland. Alma Evans of Abernathy is the retiring president.

The association will meet at Sundown next year. Everyone reported a nice time.

R. L. Hoffman Home Destroyed by Fire

Early this morning, fire completely destroyed the home of

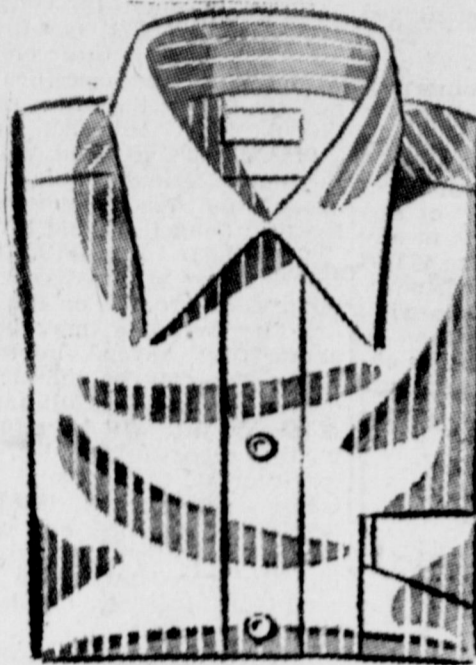

Mr. and Mrs. R. L. Hoffman and their nine month old daughter. The fire started while they were sleeping and no furniture or clothing was saved.

The origin of the fire was not determined. Earl Marris of Amarillo was owner of the property.

In the old days the hand that rocked the cradle ruled the world... now it gets about 50 cents an hour.
