DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY

VOLUME 31, NUMBER 12

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, MARCH 12, 1953

## Club Boys Project Show Tomorrow To Feature Many Fine Animals

More sheep will be shown in the annual Project Show, set for Friday of this week, than ever before in the event, it was indicated, but calves and swine to be shown may be slightly less in number.

The animals must be in place in the show barns, located on the school grounds by 10:30 a. m. Friday, March 13. A list of rules is printed herewith.

Tom Duffy, Voc. Ag. teacher at Plainview is to judge all classes in the show. Everyone is invited to watch the judging, which will start about 1:30 p. m.

Members of the Muleshoe C of C have raised the money from business people to pay the premiums, which are considered very high for a show of this size. First calf in each class will earn its owner \$15, first in swine and sheep classes \$10.

This year nice banners are to be awarded champions for the first time. It is a work of art and will be suitable for keeping by the boys who win them. Each animal shown will win a prize of some denomination.

After the show, the animals to be shown at the Lubbock Fat Stock Show and at the Plainview show will be sifted out, and the

remainder will be sold to local buyers. Rules governing the show follow:

### FAT STOCK SHOW RULES AND REGULATIONS

1. Boys eligible: Any boy that is an FFA or 4-H club member in Bailey County or goes to a school in Bailey County.
2. Any boy may show two animals in each division, Fat Steers, Fat lambs, and Fat barrows.
3. Animals in each division will be divided into classes according to the number entered.
4. In swine division animals will be classed by breeds with approximately half of the animals divided into light and heavy weights.
5. Four animals are required to make a class, in case of fewer than four animals in one breed this breed will show with the breed with the next smallest number.
6. A boy may show three animals but will be eligible to receive prize money on only two animals in each division.
7. All entries should be in the barn and in place by 10:30 a. m. Friday morning, March 13, 1953.
8. Judging will start promptly at 1:30 p. m.

## Muleshoe Girls To State Meet

### C of C Takes Over Premium Raising For Project Show

By RAY FRANZ

Your Chamber of Commerce is proud to announce that it is entering in a new phase of operation. Working together with Ed White, Carroll Wilson, and J. K. Adams the Chamber is going to absorb into its program the activities of the 4-H and FFA organizations.

It is a golden opportunity for this Chamber to be of real service in this respect and allow Mr. White, Mr. Adams, and Mr. Wilson a free hand in promoting their stock show without the burden of financing or burdens of other activities that we hope to cultivate.

Earl Ladd has accepted the responsibilities of this phase of our agricultural program and has been greatly responsible for the premiums that have been raised for Friday's stock show. Fifteen men were given ten names per man with an ultimate goal of a thousand dollars and we are happy to report that the incomplete figures lead us to believe our goal will be attained.

However, this drive was not only to raise the necessary funds for this year's show but to help kick off a Chamber program that will be designed to elaborate on 4-H and FFA activities from funds in the Chamber budget, thus eliminating the necessity of further solicitation of our businessmen and merchants. That is our ultimate goal.

Needless to say we are happy with the opportunity to be of assistance to the FFA and 4-H groups and will dedicate ourselves to as great and diversified a program as our funds will permit.

## Jones Is New Ford Dealer

### Slate Named In City Election

One candidate for mayor and four candidates for the three alderman places were on file when the deadline was reached for making application for places on the city election ballot last Saturday, March 7. The election will be Tuesday, April 7.

The name of W. T. Bovell is to be printed on the ballot as a candidate for mayor. He resigned as an alderman to become a candidate for mayor. The commission elected N. H. Greer as mayor pro-tem to succeed Bovell.

Terms of aldermen Dudley Malone and Will Harper will expire. Mr. Malone did not want to stand for re-election, as the names of Will Harper, George Mayo, Johnny Johnson and Sikie Watkins were placed in nomination for the three places on the Commission. Sam Fox and N. H. Greer are holdover aldermen.

## George Mayo Wins Television Set Given By Lions

The Muleshoe Lions Club Tuesday night sponsored the Bovina Lions Club at Bovina where a crowd of over 250 people thoroughly enjoyed the entire affair. Milton Morris, district governor, presented the charter to the Bovina Club while Bill Moore, president of the Muleshoe Lions presented them with the gavel and bell.

It was also announced at the regular Wednesday meeting that George Mayo was the winner of the television set given away by the Lions for the purpose of gathering funds for the cripple children's home. When Mayo was apprised of his winning the TV set he immediately made a donation of \$50.00 to the Lions club.

A short program on safety was given by State Highway officer James Martin.

Visiting guests were E. M. Moore of Dallas; Mark Davis of Lubbock and Edward Schilpand of Sassinheim, Holland.

## Play First Tilt Friday Morning

Coach T. J. Bailey and his 12 member basketball squad, district and regional champions for 1953, left Wednesday morning by automobile for Austin, where the girls will play their first game in the AA state championship tournament Friday morning at 8:45.

The girls rode in cars owned and driven by Mrs. Clyde Holt, Mr. Bailey, and Mr. Wimberly of the school faculty.

Meantime, team backers, probably numbering fifty were taking off from Muleshoe for the state capital in other cars. Included were parents of the girls, friends and just general sports fans.

Supt. Jerry Kirk couldn't stand it any longer so took off himself for Austin Wednesday afternoon.

If the girls win Friday morning they will have another hard game to go through with that day. They drew Carrizo Springs for their first round. There are eight regions in Texas in the AA class.

They arrived in Austin sufficiently early so that they could get in some practice in the gym to be used. Coach Bailey had to report in Thursday morning as one of the formalities.

Muleshoe high school's Muletes, girls basketball team won the championship of Region 2 in the regional tourney held last week in Lubbock. The local girls defeated Morton girls 44 to 37 in a suspenseful thriller Friday night.

The win gave the Muletes a right to enter the state meet at Austin next weekend.

High school dismissed classes so the students and faculty could be there for the Roby game Friday morning. All excepting 30 students attended the game. Quite a few local people went back Friday night to watch the girls sew up the regional championship.

Coach T. J. Bailey points out that the forwards all get a mention in the papers because they are the ones who do the actual scoring, but he said his guards this year deserve high praise. Especially in the recent tournament did they turn in fine defensive games, without which the team could not have won.

Starting guards are Barbara Douglass, Pat Wright, Carolyn Kirk, and Betty Chisholm. Alice Dawson, Ann Woodley, and Pat Cooper are first string guards available for play at any time.

Starting forwards include Norma Graves, Rita Peeler, Jean Montgomery, and Jean Gammons. Ginger Gaede is another good forward who is available when needed.

## Board of Trustees Studying Plans For New Physical Ed. Building

A group of citizens of the Muleshoe school district Monday night presented a petition to the school board asking that an election be called for the purpose of voting bonds for a physical education building. Fifty names were signed to the petition.

The trustees told the group that the board had considered the need for such a building, and had given some preliminary thought on the type building needed.

They thought, a spokesman of the board said, that a steel-type building with a masonry front would be an inexpensive way to meet the requirements. A representative of a firm which sells such buildings was present and supplied the group with information concerning construction and probably cost.

Several of those present expressed the opinion that this was a common sense approach to the problem, and that the building shown would be entirely adequate, in fact something of which all the people might well be proud. The board decided to study the problem further, to get all the information needed including costs, before deciding on the amount to be asked in a bond issue.

The board therefore will likely make trips to other schools which have used this type of building and make first hand investigations before proceeding to act on the petition.

In the group which called on the board were representatives of the Chamber of Commerce, Lions Club, Jaycees, and Rotary Club. Noel Woodley acted as spokesman for the group and pointed out that the petition merely asks for an election and does not attempt to advise the board as to type, cost, etc., this being decisions for the board to make.

tion needed including costs, before deciding on the amount to be asked in a bond issue.

Noel Woodley acted as spokesman for the group and pointed out that the petition merely asks for an election and does not attempt to advise the board as to type, cost, etc., this being decisions for the board to make.

## Two Trustees To Be Elected 4th

Four men have been nominated for the two places to be filled on the Muleshoe school district board of trustees in the election here Saturday, April 4.

Nominated are Harold Mardis, B. H. Hunt, C. B. Howard, and M. H. Ottwell.

Terms of Jack Lenderson and Bert Seales expire and neither will offer for re-election. Holdovers are Dee Warner, David Anderson, J. H. Sowder, and Verney Towns.

## Labor Camp For Muleshoe Looms As CofC Group Solicits Funds

Funds to finance the building of a labor camp for Muleshoe are now being solicited by a Chamber of Commerce committee negotiations are underway for a site on which to put it, and it appears that housing for itinerant laborers, so badly needed here, will be provided by this summer. Stock in the enterprise, expected to prove a good investment, will be subscribed by local businessmen and farmers.

A tentative capitalization of \$30,000 was set. Shares will sell for \$100, but the purchaser need not pay the entire amount of his subscription at once. A tract of land very near the main part of town has been agreed upon.

Ray Franz, manager of the Chamber of Commerce, said: "It is the consensus of opinion that labor camp facilities are imperative to the prosperity of Muleshoe and territory. It would not only make available a greater number of laborers for the farmers in our area but will also greatly increase potential retail sales."

At a meeting in Gerald's Cafe Monday morning, D. L. Morrison of the C of C industrial committee, submitted a proposal for the project together with an incorporation and shareholders plan, which was accepted. H. S. Sanders, Jr., president of the C of C then appointed Mrs. Naomi St. Clair, Myron Pool, and Mr. Morrison as a committee to solicit investments; and he named Chas. Lenau, Houston Hart and John Johnson as a committee to acquire necessary land.

Morrison and Franz recently investigated the Tulla labor camp and were shown beyond a doubt that it is a profitable venture not only from the investors standpoint but also from the direct and indirect benefits of the purchasing power of the laborers living at the camp.

At the Monday morning meeting were Mrs. Naomi St. Clair, Mr. Hart, Mr. Morrison, Ray Morrison, M. T. Wilson, Mr. Lenau, Farris Heathington, Mr. Sanders, and W. T. Bovell.

## Journal Begins "Mystery Farm" Series Of Photographs This Week

On another page of this paper you will find an aerial picture of a farmstead, located somewhere in the Muleshoe country. It might be a farm in Bailey County, in Parmer County or in Lamb County.

The editors of The Journal do not know whose farm it is. No one on The Journal staff has the least notion whose home it is.

This picture is the first of a series that is to last two years. We will have a different picture in each issue of The Journal from now on, and it will pay you to notify us of its identification as soon as you have seen it in the paper.

Four theatre tickets are to be given to those who identify the picture first, two to the one who lives here in Muleshoe, two to the first who lives out of the city limits. These are provided by Cox Drive-In Theatre.

Watch for these pictures each and every week from now on, and help us to identify these farmsteads. We have no notion as to whose place will be shown next and won't be able to identify any of them.

We are indeed proud to inaugurate this series of "Mystery Farm" pictures, for we think that nowhere do people take more pride in their premises than right here on the Plains.

The Journal has thousands of friends among the people of this territory and appreciate every

one of them — as do the businessmen and professional people of Muleshoe.

The King Grain and Seed Co. of Muleshoe, is sponsoring this week's Mystery Farm showing.

Another thing, we had nothing to do with the selection of the farm to be photographed. The Zekan-Robbins Company, who did the aerial photography, selected the farmsteads themselves after a preliminary survey.

Photographs Available

One print of the photograph shown each week is to be given free to the farm owner when he calls at The Journal office, and he may order as many reprints as he likes, at a reasonable price.

The Journal hopes that all of our readers and the general public will enjoy seeing photographs of these fine farms every week. We invite the full cooperation of city and rural people everywhere in this campaign to give full credit to as many of the enterprising farmers of the section as is possible.

## Bob Goodwin 4th High Judge At Amarillo

Bob Goodwin, Muleshoe FFA boy, was fourth highest in judging in the Amarillo Fat Stock Show, in a big group of boys. Bob made 399 points out of a possible 450, his instructor, Ed White reports.

Goodwin, D. L. Morrison, and Jimmy Black were members of a livestock judging team that Mr. White took to the show.

The team failed to place in the high ten, but they had 1022 points, only 10 behind Amarillo and Dimmitt teams, which tied for first place with 1122.

## Johnson-Nix To Present Fourth Free Family Party

Fred Johnson of Johnson-Nix implement announced Wednesday that March 25 would be the date of their annual Free Family Party. The affair will be held in the Muleshoe High School Auditorium and would start at 8 p. m.

Mr. Johnson pointed out that the entertainment was of the highest type and was screened by experts so that when the show went on the road the International Harvester Company was sure that there would be some part of the show that would please every member of the family.

VISITED IN COLORADO CITY

Mr. and Mrs. Mervin Wilterding and their daughter, Luella of Abilene spent the week end in Colorado City visiting in the home of Mrs. Wilterding's cousin, Odell Fuller.

## Cox Drive-In Theatre Reopens Saturday, Mar. 14

Howard Cox, owner of the Cox Drive-In Theatre announced Wednesday that the Drive-In will reopen Saturday, March 14. Howard said that they have booked the best pictures available to any exhibitor.

Howard also said that the snack bar had been enlarged and that hamburgers would be added to the bill of fare as soon as the necessary equipment arrived.

## Piggly Wiggly Remodels Front

Piggly Wiggly Store front is undergoing a definite change. The store front glass will be taken out and replaced with solid brick, which will make more room for the drug department and hardware department.

Red Simmons, manager of the store, said that the recent wave of plate glass being shot out by BB guns had nothing to do with the plans. Simmons also said that the store would be closed Friday, March 13, at 6 p. m. in order to let employees go to the annual Piggly Wiggly banquet to be held in Lubbock.

## New Classified Page Feature For Journal

The Muleshoe Journal has added a new feature to the Classified Page this week. Every person placing an ad in The Journal and paying in advance for it will receive a pass to the Cox Drive-In Theatre.

## 32 Inch Rain Fell Saturday

Muleshoe got .32 of an inch of rain in the shower of Saturday night. Elsewhere, heavy rains have fallen.

Around San Angelo, which is in a particularly dry area, the rainfall was about 6 inches, and must have put a different face on the outlook in that ranching country. Plainview had only .15 inch. Lubbock about like Muleshoe.

## ATTENDED FUNERAL

Mrs. J. L. Atkinson attended the funeral of her brother-in-law, Bill Burdick, in Roswell, N. M., Monday, March 9. She returned home March 11.

## Circus Coming To Muleshoe!

Three performances of the All-Star Circus are scheduled here for Monday and Tuesday, March 23 and 24, and are sponsored by the Rotary Club of Muleshoe. There will be a regular performance Monday night, a school children's matinee Tuesday afternoon at 4 o'clock and a night performance Tuesday.

The circus will be staged in the Muleshoe school bus barn, located on the campus of the high school.

This is a high type, clean entertaining circus, as attested by other service clubs in the area which have previously sponsored it, including clubs in Amarillo, Dalhart, and others.

The circus is to play in Lubbock and will work in the date here to shorten their jump. The circus travels by auto caravan.

There will be animals, clowns, acrobats, aerialists, and clever acts. It's a full 3 1/2 hour show. Admission will be \$1.25 for adults, 50c for children, including tax.

The Rotary Club will use any money they make from sponsoring the circus in worthy community projects.

## Wesleyan Guild To Assist At Banquet

The Wesleyan Service Guild met in the home of Mrs. Alex Wilkins Monday evening, March 9, at 7:30 p. m. Mrs. Fred Johnson brought the devotional, closing with prayer. Two chapters of the study, "The Human Rights", were well given by Mrs. Mabel Dowell and A. S. Stovall.

The Guild voted to assist the W. S. C. S. ladies with a banquet to be served to the Lions Club on April 21, at Fellowship Hall. Committees were appointed as follows: Mrs. D. Warner, Kitchen; Mesdames Mabel Dowell and Jim Burkhead, menu; and

Elizabeth Harden, dining room. The next meeting will be in the home of Mrs. Francis Gilbreath on March 23. Refreshments were served to members, Elizabeth Harden, Mesdames Fred Johnson, Buford Butts, Jim Burkhead, Francis Gilbreath, Delma McCarty, Homer Sanders, Jr., Mabel Dowell, R. N. Edwards, A. S. Stovall and the hostess.

### JACK DeSHAZO BREAKS IN ON TELEVISION

Jack DeShazo, Navy man from Muleshoe, stationed now at Barstow, Calif., broke in on television the other night in Los Angeles. He and his partner, a Los Angeles lady, won \$24 each in a TV quiz program.

Jack is a son of J. J. DeShazo, of Muleshoe.

## Society News

By Mrs. Joyce Shafer

THE MULESHOE JOURNAL, Thursday, March 12, 1953

### Classroom Teachers WSCS Completes To Attend Luncheon Human Rights Study

The Muleshoe Classroom Teachers' Association met Monday afternoon in the junior high school in a regular session.

Mr. John Watson presided during the business session. Current legislation was discussed and each member was urged to work for passing of Senate Bill No. 24 which will raise the salaries and the professional standards of the teachers.

The Lubbock Classroom Teachers are sponsoring a luncheon during the T. S. T. A. Convention on March 13. Several local members will attend this luncheon. Roy Bass is to be the speaker.

The St. Patrick's motif was used in the refreshments served to those attending who were Misses Effie Childress, Zeffie Childress, Mittie Hill, Lillie Williams, Mary Frye, Alice Rowan, and Mesdames Ola B. Jones, D. B. Lancaster, F. L. Shelby, Mabel Dowell, Jerry Kirk, Horace Blackburn, Paul Gardner, Murl Brown, Radie Boone, Robert Sanders, Jack Beddingfield, Jack Oberhaus, Rutherford, Middlebrook, John Watson, Ed Johnson, Leroy Johnson, and H. G. Burchett and W. C. Osborn.

### Mrs. Browder Hosts Sunshine Club

The Sunshine Club met March 5, at 2 p. m. in the home of Mrs. L. C. Browder. The hostess presided over the meeting.

Mrs. Lee spoke to the club on "Parliamentary". A grab box will be brought to the next meeting.

Present for the meeting was a visitor, Mrs. Pat Peacock, and members, Mesdames Lee, Simmons, Tipton, Adkins, Patterson, Coulter, Cecil Harvey, Gene Harvey, and the hostess.

The next meeting will be in the home of Mrs. Tipton on March 19. Roll call will be answered with "My Favorite Flower".

GARNER FARM RECORD books on sale at 'The Journal'.

The Woman's Society of Christian Service of the First Methodist Church met in the sanctuary Monday, March 9, at 2:30 p. m. to conclude the study of Human Rights with Mrs. H. C. Holt as leader.

The opening song was "We Gather Together" followed with prayer for missionaries, ministers, and mankind by Mrs. H. C. Holt.

The devotional was taken from the book of Micah on the subject, "Walk Humbly with Thy God", and the final test of Christianity tested by the Golden Rule from Matthew.

Four imperatives were given as follows: "Divine", "Protestant", "American" and "Gospel" by Mesdames J. E. Day, O. N. Jennings, H. O. Barbour, and H. Jay Wyer.

Four milestones, "The Ten Commandments" by Mrs. W. D. Moore, "The Promise of Isaiah", by Mrs. I. W. Haney, "The Sermon on the Mount", by Mrs. T. P. Smallwood and "Protestant Reformation" by Mrs. F. B. Pierson.

Two closing chapters of "These Hights We Hold" were directed by Mrs. Holt. They were "Living Abundantly" and "Tomorrow".

Mrs. Christine Raven, teacher in the Negro school, read an Ante-Bellum sermon by Paul Lawrence Dunbar. She concluded her talk by telling of some of her work with the pupils and cub scouts.

Present were Mesdames H. C. Holt, O. N. Jennings, I. F. Willman, I. W. Haney, F. B. Pierson, T. P. Smallwood, H. O. Barbour, H. Jay Wyer, J. E. Day, C. R. Farrell, W. D. Moore, Horace Edwards, David Anderson, Arnold Morris, Little Claudia Huber, Davy Jean Anderson, Gary Edwards, Hal Anderson and a visitor, Mrs. Raven.

**Los Planos Club  
Hears Book Review**

The Los Planos Study Club met Tuesday night, March 10, in the home of Mrs. Joe Damron for their annual Texas Day program. Hostesses were Mesdames Sam Damron, Deon Awtry, Dian Reed, and Forrest Jones.

Spiced tea and cakes were served from a beautifully appointed table featuring the map of Texas outlined with blue flowers. A bowl of blue carnations and candles completed the arrangement.

Mrs. Arch Fowler welcomed the Muleshoe Study Club as special guests and introduced Mrs. Russell Haberer who reviewed the book, "Giant", by Edna Ferber.

After a review, a short business session was held to complete plans for the spring style show to be held March 27 at the American Legion Home at 8 p. m. A partial list of models are: Cobb's Department Store; Gail Glasscock, LaNell Booth, Mrs. Jack Bruns, Mrs. George Mayo; St. Clairs: Joyce Alsop, Mrs. Noel Woodley, Rodney Farrell, Pamela St. Clair, Mineola Cox, and Barbara Douglass; The Fashion Shop: Neely Mace Steinbock, Glenda Stevens, and Gloria Stinson.

The Remund-Wilson Store and the Jack 'N Jill Shoppe will also participate and a complete list of models will appear later.

Mrs. Alvin Farrell resigned as corresponding secretary. Mrs. Irvin St. Clair stated that the Club had purchased swings for the colored school.

About 40 members of the Study Clubs were present and guests included Mrs. Charles Craig, Amherst, Mrs. Ted Haberer, Earhart, and Mrs. Ray Franz, Muleshoe.

**MRS. OWENS HAS SEVERAL VISITORS**

Visiting recently in the home of Mrs. A. H. Owen, who has been very ill, are several of her children, Mrs. Clayton Clark of Plainview, Mr. and Mrs. Johnny Eastler of Borger, and Arie Owen of Amarillo. Mrs. H. T. Totten is also a daughter of Mrs. Owens.

Mrs. Owens has been under treatment at the Green Hospital and Clinic but is now much improved.

Pvt. Burris has been in the service since Sept. 16, 1952, and received his basic training at Fort Leonard Wood, Mo.

Mrs. Burris said her son will greatly appreciate cards and letters from any of his relatives and friends who wish to write to him. His address will be: Pvt. Virgil W. Burris, US 54079292, APO 6-3, San Francisco, Calif.

**Canyon Exes To Meet March 23**

The South Plains Ex-students of West Texas State College, Canyon, will hold their annual banquet at 7:30 o'clock p. m., Monday evening, March 23, at the Caprock Hotel in the city of Lubbock. Every ex-student is urged to attend.

The plates are \$2.00 each; make your reservations by contacting Mr. Andy Anderson, 508 Lubbock National Building, Lubbock, residence telephone 3-6172, business telephone 3-3446 or you may contact Miss Pansy Harris, 1910 Main Street, Lubbock, telephone 5-9098. Your presence and early reservation will be appreciated.

Sincerely yours,  
Gordon Fuller,  
Chairman of Publicity

**MOTHER VISITS DAUGHTER, DAUGHTER VISITS MOTHER!**

It was a merry mix-up in the Flanagan family this week as Mrs. Hope Flanagan, of Muleshoe, decided to visit her daughter and family, Mr. and Mrs. J. J. Parker, in Trenton, N. J., and at the same time the Parkers and their children decided to visit the mother here.

So, Mrs. Flanagan arrived by train at Trenton at 9:30 Tuesday morning. She was bewildered to learn they were gone. Mr. and Mrs. Parker and three sons, J. W., Stanley, and Bruce reached Muleshoe the same day, Tuesday, about noon.

They couldn't get much visiting done with Mrs. Flanagan in Trenton and the Parkers here. So, after visiting with other relatives, including the H. B. Flanagan family, the Parkers left today to hurry back to Trenton where Mrs. Flanagan will spend about two months visiting.

**Pleasant Valley News**

Mr. and Mrs. Jim Grizzel visited last week end in Roswell, N. M., with Mr. and Mrs. Wiley Grizzel.

Mrs. Leroy Hicks and Mrs. Jarvis Angeley visited in Littlefield Monday.

Mr. and Mrs. Jack Julian and children were Sunday afternoon guests in the E. K. Angeley home.

Mrs. Andy Andreas and children visited last week in Roswell, N. M., with relatives.

Mr. and Mrs. Russell Haberer spent a few days last week at the ski run near Santa Fe, N. M.

Mrs. Bonnie Haberer, and Ted Haberer and family spent a few days on the Texas Coast last week and visited with Mr. and Mrs. Jesse Osborn at Austin.

**Boys' Ranchers  
Coming To Farwell**

A troop of boys from Boys' Ranch, Amarillo, will be in Farwell Friday night, March 20, to present a program of western music. The benefit show is sponsored by Theta Rho chapter of Epsilon Sigma Alpha.

An administrator of the ranch will accompany the boys and make a short talk on work at the ranch. "Sixty per cent of the money derived from the show will go to the ranch", Mrs. W. H. Graham, Jr., president of ESA says, "and we are asking the citizens of Farwell and neighboring communities to assist in the work done at Boys' Ranch by purchasing tickets."

The remaining 40 per cent of the funds from the show will be used for local philanthropic projects.

Tickets for the show will be: Adults 50c, school age children 25c, and pre-school children 10c. The show begins at 8 o'clock and is to be held at the Farwell school auditorium.

**Enochs Club Honors  
Mrs. C. G. Seagler**

The Enochs H. D. Club met in the home of Mrs. C. G. Seagler on March 5 to surprise Mrs. Seagler on her 70th birthday. Gifts were carried for the occasion and refreshments were also provided by the guests. The party came as a complete surprise to the unsuspecting hostess.

Those attending were Mesdames T. J. Sullivan, M. J. Gibson, C. C. Gilliam, Earl Thompson, S. Vandeventer, L. G. Harris, Ray Barnes, G. L. Gibson, T. A. Thomas, Ray Spence, Maud Robinson, D. T. Johnson, C. R. Seagler, and H. H. Snow.

Some were unable to attend and sent gifts later. Among those was Mrs. C. W. Vanlandingham who spent four days last week in the Payne Shotwell Hospital at Littlefield. Mrs. Vanlandingham returned home Saturday in an improved condition.

**CONTINENTAL RED SEAL  
LPG IRRIGATION ENGINE**

**FEATURES**

- 10:1 compression ratio.
- Positive rotating exhaust valves. Sodium cooled valves available.
- Silchrome inlet valves and valve stems.
- Stellite-faced exhaust valve seat inserts.
- Full length water jackets.
- Aluminum pistons, with chrome top ring.
- Non-corrosive heavy duty bearings.
- Safety controls to protect engine from possible damage.
- Exhaust manifold with dual outlets.
- Cold intake manifold — no heat transfer from exhaust.
- Furnished with wood skid. Metal skid available.
- Friction throttle control. Governor available.
- Top oiler available.
- Engine furnished with distributor, generator, starter, ignition coil, direct drive power take-off, water temperature gauge, oil filter, air cleaner, LPG carburetor and reglator. Available also as an open or closed power unit.

**GENERAL DESCRIPTION**

Continental Red Seal LPG Irrigation engines have been developed and perfected under actual field conditions, with more than 50 years of manufacturing "know how" behind every feature. Parts most subject to wear have been engineered with generous safety factors, for rugged, heavy duty performance.

Designed for LPG, which enters the combustion chamber as a dry gas, crankcase dilution is eliminated and the oil may be used for much longer periods without fear of thinning out or losing its lubricating quality. Harmful deposits are reduced to a minimum and valves, cylinders and moving parts lubricated from the crankcase last longer.

All of these features, plus the lower cost of LPG, result in more economical operation and lower maintenance costs for years to come.

### School Week Observance Eclipsed All Previous Events, Is Report

Observance of Public Schools Week for 1953 reached more people in this school district than ever before. Ray Griffiths, chairman of the committee, which helped to stage it, said after a review meeting held Monday afternoon.

No less than 455 patrons visited the various rooms of the three schools during the week, a big increase over any previous observance.

And at the public program held in the high school auditorium Friday night, there was standing room only. Jerry Kirk, superintendent, told the committee Monday that the attendance must have been at least 1,000. Extra chairs had to be placed in the auditorium, and even they were not enough to accommodate the crowd and many stood during the program.

Everyone connected with the observance of the week expressed himself as being extremely happy over the cooperation of the people. The school people especially were jubilant that so many visited them during the week and that so many turned out for the program.

Those who attended the program Friday night were unanimous in their praise of the content of the program and of the manner in which it was portrayed by the children of all the schools, from the first grade through the senior class.

### June Wagnon Wins At Chinchilla Ft. Worth Showing

There are hobbies and there are businesses, there are expensive hobbies and there are inexpensive hobbies. June Wagnon has what might be termed a hobby, but when asked how he got started on his hobby, he replied that raising Chinchillas was not a hobby, but a business and a big business.

June recently went to the Chinchilla show in Fort Worth where his chinchillas received blue ribbons for several various events. June now has in his possession 36 of these expensive little rodents, and is one of the 30,000 breeders in the world. June is the only breeder in Bailey County.

A feature article on June and the breeding and raising of the little animal with the "Fur of Mist" will appear in another issue of the Muleshoe Journal.

# THANKS

## To All Our Friends And Customers

We have many happy memories and have made good friends during the past 26 years in business here in Muleshoe. We are not leaving Muleshoe, just retiring from business and so it is with difficulty that we try to say "Thanks" to those many, many folks we have had the pleasure to do business with. Our successor, L. H. Jones comes to us highly recommended by the Ford Motor Co., so we want you to give him the same support and consideration you have given us. We know that Mr. Jones will add to our ever growing community in every way he can. Thanks Again

The Rockeys

# WELCOME

To the people of Muleshoe and surrounding communities we want to send along to you and yours our greeting, and want each and every one of you to stop in and let us get acquainted with you. You'll find our staff ready to do anything in their power to help you with your automotive problems. We are happy to be a part of a growing community and want to take our part in Church, Social and Civic affairs. Once again our warmest invitation to come in and see us.

L. H. Jones, Owner

### Buchanan-Newman Vows Exchanged

Miss Peggy Joyce Buchanan, daughter of Mr. and Mrs. J. C. Buchanan of Morton, former of Muleshoe, became the bride of Fred N. Newman, son of Mr. and Mrs. G. N. Newman of Morton in a single ring ceremony read in the First Baptist Church in Clovis, N. M., Saturday, March 7, at 10:30 a. m. Rev. Storm, assistant pastor, performed the ceremony.

Patsy Sue Buchanan, sister of the bride, and Frank Shaw were attendants to the bride and groom. The bride's attendant wore a coral taffeta with a corsage of jonquills.

The bride wore a mint green nylon dress over taffeta with beige and white accessories. Her corsage was of jonquills.

Immediately after the ceremony which was read before members of the immediate families, the wedding party enjoyed lunch at the Silver Grill. Mr. and Mrs. Newman then left for a two-week trip through New Mexico.

The bride was a student of Morton High School. Mr. Newman is warehouse manager for Lang Transit Co., in Morton.

### Social Club Has New Members

The Pleasant Valley Social Club met Wednesday, March 4, in the home of Mrs. Andy Andrews.

Delicious refreshments were served to those present who were Mesdames R. L. Roubinek, Oscar Allison, Leroy Hicks, Gerald Allison, George Wuerflein, John West, Harold Allison, Shaw, Doyle Turner, E. K. Angeley, Bud Holdeman, Ray Bounds, Billie Free, and J. W. Hays.

Mrs. Holdeman and Mrs. Free are new members and Mrs. Bounds and Mrs. Hays were visitors.

### LOCAL LADIES ATTEND BUCHANAN SHOWER

Mrs. C. R. Farrell, Mrs. F. H. Gable, Mrs. F. A. Grimsley and Mrs. M.D. Gaddy were in Morton Friday afternoon to attend the bridal shower given for Peggy Buchanan, bride-elect of Fred N. Newman, in the home of Mrs. H. A. Owens. They were accompanied by Mrs. Jesse Carter and girls from Amarillo, who were visiting in the Farrell home.

### RETURNED FROM TRIP TO SUGAR LAKE

E. D. Robertson, Carl Bamert, C. W. Weeks, C. A. Barnett, and Bill Gaede returned today from Sugar Lake in Old Mexico where they were on a fishing trip.

ALL ABOUT TEXAS in the Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

### H. D. Club Has New Reporter

A very pleasant afternoon was spent with Mrs. Harvey Bass who entertained the Muleshoe H. D. Club in her home Tuesday, March 10.

A very large attendance of members included Mesdames Roy White, S. C. Caldwell, president, W. W. Smith, Gillis, E. E. Holland, C. E. Briscoe, Don Bruns, Walter Witte, J. T. Maddox, J. H. Hanks, Boydston, M. E. Simmons, Roy Carney, J. E. Day and Sylvian Robison.

The agent, Mrs. Dian Reed, demonstrated three convenient work areas. They were public, private, and recreational areas.

The resignation of Mrs. W. Q. Casey as reporter was accepted and Mrs. Witte was elected by acclamation to fill the position.

Visitors attending were Mrs. J. W. Fowinkle and Mrs. R. D. Ratheal who is a niece of Mrs. Bass. Mr. R. R. Benham became a new member.

Mesdames Carney, Holland, Caldwell, Briscoe, Maddox, and Smith reported their progress on crafts, leather, and other home arts.

Plans were completed for the commissioners' banquet to be held March 13, at 7:30 p. m.

The club is being greatly benefited by the sewing school which is being directed by Mrs. Reed. The next meeting of the school will be March 18 at 2 p. m. in the club room.

Mrs. Fred Bruns will be co-hostess in her home at West 9th and Ave. D with Mrs. Don Bruns as hostess on Tuesday, March 24. Mesdames Hanks and Briscoe will direct the opening exercise and games. A large attendance is anticipated.

### IOOF Lodge Hosts Circle Seven Meet

The Muleshoe I. O. O. F. Lodge was host to the Circle Seven meeting Thursday, night, March 5. A large crowd of seventy-four members and visitors were present.

The Initiatory degree was conferred on O. D. Holton of Muleshoe, and E. Y. Crow of Hereford.

Every Lodge in the Circle was represented. Muleshoe had twenty-seven members present; Needmore, fourteen; Hereford, eleven; Earth, nine; Dimmitt, five; Littlefield, four; and Morton, three. We had one visitor from Wellington, Texas.

Needmore Lodge No. 33 will be host to the Circle Seven meeting April 2. The Initiatory degree will be given to the Cantons in full uniform dress. All members are cordially invited and a large crowd is expected.

... the beauty brassiere by *Ma*

Come in today for your Hi-A — and see how quickly this fabulous beauty brassiere lifts you into the youthful fashion picture. Hi-A is the one and only brassiere with rows of double stitching under the bust cup — an exclusive design to give you comfortable, unlifting smoothness. Frankly, it's so good to wear — and so good for your money (figuratively speaking) you're bound to love it.

### Soufflé Salad

(Basic Recipe)  
1 package Lemon or Lime Jell-O  
1 cup hot water  
1/2 cup cold water  
1 to 2 tablespoons vinegar or lemon juice  
1/2 cup Hellmann's or Best Foods Real Mayonnaise  
1/4 teaspoon salt  
Dash of pepper  
1/2 to 1 tablespoon finely chopped onion  
1 to 2 cups vegetable or fruit mixture  
Dissolve Jell-O in hot water. Add cold water, vinegar, mayonnaise, salt, and pepper. Blend thoroughly with fork or rotary beater.  
Turn into freezing tray of automatic refrigerator and chill (without resetting control) 15 to 20 minutes, or until firm 1 inch from edge but soft in center.  
Turn into bowl and whip with rotary beater until fluffy. Add onion. Drain vegetables and fold into Jell-O mixture. Pour into 1-quart mold or individual molds and chill until firm (30 to 60 minutes). Unmold and garnish with salad greens. Serve with additional mayonnaise, if desired. Makes 4 to 6 servings.

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, MARCH 12, 1953

## Wayland Group Present Program

Rev. Argus A. Burnett, pastor of Parkview Baptist church in Plainview, and a group of Wayland College students brought an enjoyable program for the Rotary Club at its noon luncheon.

Rev. Burnett spoke on the fourth object of Rotary, the advancement of international fellowship and understanding as a contribution to world peace.

He said that if each of us will "sit in the other man's chair", put ourselves in his place, we will have more understanding in the world.

The group of students included three from Bailey County: Billy Eason, son of Mr. and Mrs. E. F. Eason; Helen and Estelle Dawson, daughters of Mr. and Mrs. J. U. Dawson.

Musical numbers were given by the other two students, Helene Goto, of Hawaii; and Luden Guterrez, of Costa Rica. O. D. Holton had charge of the program.

Murl T. Wilson, of the Remund-Wilson store, was introduced as a new member of the club.

## Lazbuddie Holds Fat Stock Show

### Winnings Listed In Annual Event

The second annual Lazbuddie Livestock Show was held Saturday, Feb. 28. Edward White, Voc. Ag. teacher in Muleshoe high school was the judge. About 100 attended the show, a feature of which was the awarding of a shotgun at 3 o'clock in the afternoon, Virgie Mason being the lucky man.

There were 13 classes in the swine division, and six classes of cattle and sheep. Placings were as follows:

#### SWINE

Class I: Chester White Barrows, Wayne Clark, 1 and 3; Rudolph Jesko, 2 and 4.

Class II — Duroc Barrows Richard Engelking, 1 and 2.

Class III — Hampshire Barrows Jasper Pruitt, 1, 2, and 3.

Class IV — Champion Barrow — Wayne Clark.

Class V — Chester White

Class VI — Duroc Bred Gilts Jerry Gleason, 1 and 3.

Class VII — Duroc Bred Gilts Junior Mallou, 4.

Class VIII — Sows and Litters Leonard Smith, 1.

Class IX — Champion Female Jerry Gleason.

## Broadhurst Employed By Water District

W. L. Broadhurst, one of the greatest authorities in the U. S. on underground water, has been employed as hydrologist for the High Plains Underground Water Conservation District.

Mr. Broadhurst has been a member of the Texas Board of Water Engineers at Austin the last several years.

At one time he lived in Muleshoe, while he was making a survey of underground water supplies in the Plains area.

He is a graduate of the University of Oklahoma and a former wheat farmer.

## Jaycee Minstrel Show Postponed To Later Date

The Junior Chamber of Commerce announced Monday evening the postponement of their minstrel show which was to be held March 19 and 20. The reason for the postponement was because of the disappointing turnout for chorus practice. The club will decide the date of the show at their regular meeting this week.

Announcement of future rehearsals will be made in the near future, and all those already in the show will be notified.

#### SELECTED BRIEFS

A lady is a woman who makes it easy for a man to be a gentleman.

Memory is the thing we forget with.

Female version: "If at first you don't succeed, cry, cry again."

—Santa Fe Magazine

Porter on the birth of a daughter, Eva Mae, March 6, 1953 (colored).

#### CONCEALING & REVEALING

Here is one of the new cotton cruise fashions which is both concealing and revealing. A décolleté swim suit by Frances Sider is camouflaged by a matching skirt, and the result is a fetching patio dress. The attention-getting print is a doll design on Everfast Everglaze cotton. National Cotton Council fashionists report.

## Kewanee WHEEL MOUNTED DISK

LICKS THE TOUGHEST DISKING JOBS

The Disk Harrow you've always longed for

4 Sizes

Faster Transporting

Operation is easy, simple and "non-stop." You merely touch the hydraulic lever to raise or lower disk blades and accurately control depth of disking.

Raises over wet spots or grass waterways "on-the-go" or lifts clear for sharp U-turns at row ends or travel on the road. You go from job to job in minutes... no wear on disks on concrete or gravel roads. No heavy lifting into truck or trailer or unloading in the field.

A Better Disking Job

Heavy, rugged construction and fixed-angle gangs give you maximum cutting and thoro mixing of the soil from 1 inch to hub deep.

Penetrates uniformly in sandy soil, loam, clay or plowed soil.

Front and rear gangs instantly adjustable to level ridges or fill dead furrows. You get deep, level, easy-to-plant seedbeds with the KEWANEE every time.

Tops for Corn Stalks

See how thoroly it slices and shreds those tough hybrid stalks, root systems and all. Watch how it pulverizes those pesky corn stubs, too... you can't have real borer control, nor a good seedbed if they are left intact.

Twice over gives the cleanest fields you ever saw... no expensive stalk shredder needed.

## Plainview Gets Ready For 26th Dairy Show Event

Plainview is getting set to serve as host to the 26th annual Panhandle-Plains Dairy Show. The dates are April 11-17 inclusive.

Entries began coming in to Wayne Smith, Chamber of Commerce manager and manager of

the Dairy Show, more than a week ago and last week end more than 20 head of cattle were listed for exhibition.

Smith said indications now are that this year's entry list may be lighter than in several shows. Last year 470 head were exhibited in the five divisions and entries have ranged from 400 to more than 500 for several years.

Exhibitors from several states, most of them from Texas, Oklahoma and New Mexico, will compete for \$3,636 in cash premiums.

The Dairy Show facilities are in better condition for the 1953 exhibit than they have ever been, Smith pointed out.

The Panhandle-Plains Dairy Show ranks among the three largest such expositions in the United States, Smith points out. The Dairy Show here, supported entirely from public subscription, moved up a notch in national rating with the bankruptcy of the International Show in Indianapolis, Indiana, last year.

The Panhandle-Plains Dairy Show is the only one in the country that is supported by public subscription. That was the way it was originally set up and, so far, no majority of the Association members has seen fit to change the situation. There is no gate charge.

## INTERNATIONAL TRUCKS

King of the Highway

A 1953 Ford Sunliner convertible will be the official pace car in the annual May 30th 500-mile race at the Indianapolis Motor Speedway. William Clay Ford (left), a director of Ford Motor Company, who will drive the car, and Wilbur Shaw, three-time winner of the international race classic and president of the Speedway, are shown above discussing the car's features. Shaw will ride with Ford on the pace lap to start the 1953 race.

## Bailey County Boys To Exhibit In Lubbock Show

LUBBOCK, March 10 — A large group of boys from Bailey County are among the several hundred FFA and 4-H lads to enter stock in the 1953 South Plains Junior Fat Stock Show which will be held here March 16, 17 and 18.

Entry blanks have been filed for 22 barrows, 30 lambs and 1

calf from Bailey County. These are among the more than 825 animals entered from throughout West Texas and Eastern New Mexico.

The boys from Bailey County 4-H Club entering barrows are: Don Copley, Muleshoe; Jerry Ingram, Rt. 2, Muleshoe; Mike O'Hair, Muleshoe; Robert Giles, Rt. 2, Muleshoe.

Muleshoe FFA Chapter members to show barrows are: Keith Bray, Houston Bartlett, Edward Wuertlein and Jimmy Black, all of Muleshoe.

Muleshoe FFA Chapter members to enter lambs are: Dwayne Epting, Don Moore, Gene Jarman, Bobby Black, Steve Smith, Delbert Black, Bo Bryant, Gwenith Cox, Bob Wingo, Buddy Pool, Donald Nash, Jimmy Black, Donald Nash, Hulien Freeman, David Allen, Roy Locker, all of Muleshoe.

One calf is entered by Bobby Goodwin, Muleshoe from the Muleshoe FFA Chapter. Three Way FFA Chapter members to show barrows is: Curtis Green, Enochs.

When we are in trouble and evil thoughts or deeds have us in their grasp, we can have faith that God, by his very presence, will help us if we look to Him for help. Our adversaries disappear when we look up and cry, "Abba, Father."

**PRAYER**  
Our Father, we are Thy children. We pray for a consciousness of Thy presence and faith in Thy strength. Teach us to call upon Thee, to pray without ceasing. Help us to have fellowship with Thee daily, through Jesus Christ.

## Southwestern Passes Billion Insurance Mark

Insurance in force on the lives of Southwestern Life Insurance Company policyowners has reached and passed one billion dollars.

The announcement, from Company President James Ralph Wood, came on the 50th anniversary of the Company's organization at the annual meeting of stockholders in Dallas, and was released locally by Marion F. Harris, CLU, who represents the Company here.

The State of Texas issued a corporation charter to Southwestern Life on March 10, 1903. The Company began as a small business to provide life insurance

our Lord, Amen.

**THOUGHT FOR THE DAY**  
God says, "Fear not; I will help thee."  
Mildred G. Stillman (Penn.)

its first fifty years while restricting its business to its home state." BOSTITCH STAPLERS and Staples always on tap at The Journal.

From where I sit... by Joe Marsh

## A Difficult "Situation"

Did you see that "Classified Ad" last week? The one that wanted a farmhand who had to be "an expert agriculturist, sheep herder, tractor driver, bridge player," plus being "an authority on chemistry and mathematics"?

Slim Thomas, who ran that ad more or less as a joke, called and said, "I got 23 answers and almost every one claimed they could meet all those qualifications! That means I want to keep the man I have—'Handy' Peters.

"He was thinking of quitting but now I've got to talk him into

staying. Handy never pretends to be an expert, he's just a good all-around hired hand."

From where I sit, Slim's smart to be wary of people who consider themselves to be all-around "experts." Some folks will "expert" on anything—from the clothes a man should wear to whether he ought to drink beer or butter-milk. Personally I don't want to "classify" myself as knowing all the right answers.

# LONE STAR Agriculture

Released by  
The Texas Department of Agriculture

By John C. White, Commissioner

## AGRICULTURAL LAWS OF TEXAS

Farming and ranching serve a vital purpose in the nation today, and the demands made upon them have been great in time of war and peace.

The success of farming, or any kind of business, depends upon proper management. Farms and ranches must not only be properly managed locally, but they must also adhere to and be governed, in part, by laws promulgated by the Texas Department of Agriculture. How well these laws work will determine, to a large extent, the success of these agricultural enterprises.

At various times during the past few years, some discontent has been expressed on various phases of these laws. Since this year is a Legislative year, then it is the logical time to study and remedy certain inadequacies which exist in the law. In some cases, the laws should be more stringent, others should be relaxed, perhaps. But no change should be made which would hamstring the operations of so large an industry as our agriculture. Instead, the laws must provide greater protection, not only for the farmer and rancher, but also for sellers and pur-

chasers of agricultural commodities.

Yet, laws should not be made by one man or any one small group of men without the consent and advice of the persons affected. The Constitution of the United States guarantees that laws will be made by the people for the people—and this policy should be applied on the state level. The wishes of those to whom the laws will apply must always be considered before any new legislation is attempted.

In the case of agriculture, the man actually engaged in related farm work is more qualified to make known the needs and to better understand the problems at hand. For this reason, the Texas Department of Agriculture is vitally interested in having their views on new additions or subtractions in present laws.

When good workable policies are achieved through efforts of both industry and legislative action, then continued progress in agricultural fields is assured.

### GOOD FARM MANAGEMENT HELPS PROFITS

Low production, increased costs, inefficient management; these factors are among the biggest causes of unsatisfactory profits for the Texas farmer.

There is an answer. It lies in more efficient operations which include cutting costs, producing more crops per acre, more meat per animal and more work per hour. Of course, it is easier said than done but —

What are the highest crop yields in your area on your type of soil? By planting better varieties of certified and tested seed, perhaps you can bring your crop yields up to standard. Or a change in rotation plan, plus making good use of fertilizers might mean the difference. Your county agent has a wealth of material available for study, upon request.

While striving to get more meat or other production per animal, it's a wise practice to keep track of what's new in feeds and feeding practices. Rid yourself of low producers and slow weight gainers. Sires should be used which have proved their ability to produce quick gaining offspring of the type best suited to your needs. By controlling diseases, parasites, injuries and death losses, you can cut your animal production costs a great deal.

Getting more out of the hour just involves some straight thinking. Doing the job "the hard way" gets it done, but the time and labor costs are high. Efficiency studies show that even a simple re-arrangement of chore routes may save you hundreds of miles of walking in a year. There are new profitable and practical ways of using power and improved machinery, of cutting and storing hay and silage, of feeding livestock, of doing practically any types of farm work better by all types of farm work better.

Labor saving and work simplification bulletins are available from Texas A & M College. Whatever plans you follow, the proof of their value is measured in terms of whether or not you end up with more per acre, per animal and per hour.

Lower production costs.

## CHRISTIAN SCIENCE SERVICES

"I know that whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it" (Ecclesiastes 3:14). This is the Golden Text for the Lesson-Sermon entitled "Substance" to be read in Christian Science churches this Sunday.

Christ Jesus, as a student of the Scriptures, must have been familiar with the above verse, for he often read out loud in the synagogue. He demonstrated man's true substance to be spiritual, and not material, when instantaneously he healed the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" (Luke 13:11).

Mary Baker Eddy discovered the law basic to Jesus' healing method and wrote: "If sickness is true or the idea of Truth, you cannot destroy sickness, and it would be absurd to try. Then classify sickness and error as our Master did, when he spoke of the sick, "whom Satan hath bound," and find a sovereign antidote for error in the life-giving power of Truth acting on human belief, a power which opens the prison doors to such

achieved through efficient operation, has the same effect on net profits as an equal rise in price of products sold. There isn't too much the farmer can do about the selling price, but he can do something about lowering his own production costs.

50 years ago  
Southwestern Life was chartered  
to serve the people of Texas...

Today... more than

# ONE BILLION DOLLARS of Life Insurance in Force

ON MARCH 10, 1903, Southwestern Life Insurance Company was chartered to serve the people of Texas.

It began as a small business dedicated to the provision of sound life insurance and investment services to its three million Texas neighbors. True to these purposes, since July 4, 1903, when the first policy was issued, it has been growing in Texas and with Texas and for many years has been the largest insurance company in the nation which confines its business to its home state.

Today, as the Company observes the golden anniversary of its founding, it takes great pleasure in announcing that total insurance on the lives of Southwestern Life policyowners has reached and passed \$1,000,000,000.

During a half-century Southwestern Life has helped hundreds of thousands of Texans provide a measure of financial security for themselves and their families through life insurance. More than a hundred and sixty-five million dollars has been paid to policyowners and their families in policy benefits. More

than two hundred and fifty million dollars has been loaned to Texas real estate owners and many millions of dollars more have been invested in state and municipal bonds and corporation securities for the development of Texas.

The Company's place in the community and in the life insurance industry today is the cumulative result of these fifty years of business association with our Texas neighbors, the purchasers of Southwestern Life policies. It was and is their respect and confidence in the Company and its field representatives which enabled Southwestern Life to survive and to find its place in our free enterprise system. It is this friendship and good will which we cherish and gratefully acknowledge as we come to the end of these first fifty years and look forward to another half-century of responsible and fruitful service to the insurance-buying public.

Our 50th annual report, with many interesting sidelights on a half-century's growth, is yours on request.

## Parmer County Farm Bureau

By RALPH SMITH

Rhea Farm Bureau, one of the most active locals we know of, had Mike Pavalus, hospital technician out to their monthly meeting last Friday night night to type blood of their members. This is a commendable service for any group to perform. A life is often saved in an emergency when it is already known just who can furnish the needed transfusion. Charlie Galaway is president of Rhea Farm Bureau. Thanks to Mike, too, for this off-duty service.

G. A. Dietz, of Happy, is a member of the State Farm Bureau Irrigation Water Advisory Committee. In Olton last week, he asked elected officials of Water District 1 for advice in handling pending legislation in Austin. Local Farm Bureau members are urged to present suggestions on this, or any other subject to the county directors for consideration. You can run your own business by using your organization strength in such matters.

There is no direct connection, but all County Farm Bureau Officers in the district are assisting farmers in securing permits for irrigation wells. Nearly 200 approved permits are on file in the Parmer County Office in Friona. Mr. R. D. Flesher, who is farming the former C. P. Warren farm north of Bovina is the latest resident of this area to take advantage of Farm Bureau Services.

The Farm Bureau Queen Contest to be held in September is expected to arouse wide interest. If the queen selected from Parmer County wins in the district, she will be entitled to an ex-

pense paid trip to Mineral Wells in November. If she wins there, she will go to Chicago in December with expenses paid for her attendant and herself.

Agricultural policies, as set forth at the 1952 National Farm Bureau Convention include: (1) Full employment, high productivity and a good distribution of income, after taxes, must be maintained throughout the economy in the interest of the general prosperity which is necessary for continuing farm prosperity. (2) Monetary and fiscal policies which will contribute to the maintenance of a more stable general price level must be used effectively. (3) Government policies which tend to place agriculture at a disadvantage with the rest of the economy must be corrected.

Consider this: "Better is the poor that walketh in his uprightness, than he that is perverse in his ways, though he is rich." Prov. 28:6.

Riddle, deceased, and their heirs and legal representatives, Defendants, Greetings: YOU ARE HEREBY COMMAND-

### WALTER SEALES VISITS PARENTS

Walter Seales was at home from Baylor University to spend a few days with his parents, Mr. and Mrs. Bert Seales. He returned to the university Sunday.

### DR. McILROY ATTENDS NATUROPATHIC MEETING

Dr. C. H. McIlroy attended a meeting of the Naturopathic Association in Ft. Worth February 14 and 15. He is planning a fishing trip to Sugar Lake in Old Mexico soon with Mrs. McIlroy and Mr. and Mrs. Claude Murrain. He invites any good fisherman to accompany them.

ED to appear before the Honorable District Court, 64th Judicial District of Bailey County at the Courthouse thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 20th day of April A. D. 1953, to Plaintiff's Petition filed in said court, on the 4th day of March A. D. 1953, in this cause, numbered 1782 on the docket of said court and styled G. V. Coker, Plaintiff, vs. Charles Cook, et al, Defendants. And in which said suit G. V. Coker is plaintiff; and Charles Cook; the heirs, unknown heirs and legal representatives of Charles Cook, deceased, of their heirs and legal representatives; the heirs, unknown heirs and legal representatives of Elias Riddle, deceased, their heirs and legal representatives; and the heirs, unknown heirs and legal representatives of Novella V. Riddle, deceased, their heirs and legal representatives herein named bring all the parties to this suit.

A brief statement of the nature of this suit is as follows: Plaintiff sues for title and possession of 150 acres of land in Bailey County, Texas, being the NE-4 of Sec. or Survey No. 22, Block "Y", of the W. D. and F. W. Johnson Subdivision No. 2, less 10 acres sold to Bailey County by C. L. Hagemeyer, and less the oil, gas and minerals reserved by W. F. Hays and wife in their deed to Guy A. Gattis. Plaintiff alleges he is the owner of said land and that defendants unlawfully claim an interest therein; and plaintiff pleads the three, five and ten year limitation title, as is more fully shown by Plaintiff's petition on file in this suit.

If this citation is not served within ninety days after the

days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law di-

rects. Issued and given under my hand and the seal of said court at Muleshoe, Texas, this 4th day of March A. D. 1953. Attest: M. G. Bass, Clerk, District Court, Bailey County, Texas

## All the Way From Private to General

Austin, Tex.—Governor Allan Shivers has named Col. James E. Taylor of Kerens and Austin, present division chief of staff, to succeed General A. B. Crowther of San Antonio as 36th Division Artillery Commander with the rank of brigadier general.

General Taylor, a former senator and now executive director of Texas Motor Transportation Association, enlisted as a private in Battery E, 132nd Field Artillery at Kerens in 1935. He was commissioned in 1939 and in 1943 had risen to command the 131st Field Artillery Battalion, with which he served throughout the Italian campaign and in the campaign of Southern France.

When the division was reorganized after the war, he became division artillery executive officer, serving until his appointment as chief of staff. He holds the Silver Star medal awarded after the Salerno landing and the Bronze Star and the French Croix de Guerre for action in the Southern France campaign.

Educated at Baylor University, General Taylor was in the lumber business for five years and was a

HAL C. JOHNSON, left, pinned the silver star of a brigadier general on James E. Taylor, who enlisted as a private in Johnson's Battery E, 132nd Field Artillery, in December, 1936. General Taylor, for four years chief of staff of the 36th Division, now becomes division artillery officer. He is executive director of Texas Motor Transportation Association.

newspaper publisher at Kerens for eight years. He served as a member of the Texas House of Representatives for two terms before entering the Army in World War II

and was elected to the Senate while still serving with the 36th Division in France in 1944. Returning to the U. S. in January, 1945, he served three seasons as a Senator.

## Noted Water Engineer Hired By Hi-Plains Conservation District

LUBBOCK, March 10 — W. L. (Bill) Broadhurst, now in Austin with the groundwater branch of the U. S. Geological Survey as district geologist, has been named chief hydrologist for the High Plains Water Conservation District No. 1, serving 13 West Texas counties. He will assume his duties the later part of May, according to announcement made March 5 in Lubbock by T. J. McFarland, manager of the district.

Employment of Broadhurst as full-time hydrologist for the 13-county Water Conservation District is of direct benefit to the five-member county committees in each county, as well as water well owners and drillers, and others interested in the best use of underground water supplies. Broadhurst's scientific and practical knowledge of southwest water problems will be brought to bear on the current water well spacing problems of the area.

In addition, Broadhurst is to be active in recharging activities for the District. In this field, he has liberal experience. A 1928 graduate of Oklahoma University, Broadhurst comes to the High Plains Water Conservation District widely recognized throughout the state and southwest. For three years, he worked for major oil companies in Texas and Oklahoma. He knows the farmer's views on water,

having been a wheat grower at one time.

Muleshoe, Littlefield, and Plainview were among the West Texas cities Broadhurst served in his capacity as district geologist for the Texas State Board of Water Engineers. This was in connection with that agency's cooperative and combined ground water work performed with the U. S. Geological Survey.

In 1941, Broadhurst was transferred to Longview, Texas, and in March, 1942, he joined the actual U. S. Geological Survey. He next moved to Austin in 1943, and later did extensive work with war plants and defense industries as a water expert during World War II.

On retirement of Walter M. White, district geologist of the combined U. S. Geological Survey and State Board of Water Engineers in 1947, Broadhurst succeeded to the position, in which he conducted an important groundwater program.

### VISITING IN GALVESTON

Mr. and Mrs. Gene Caldwell are spending their vacation in Galveston this week. Mrs. Caldwell works in the courthouse in the sheriff's department.

### Mr. Muleshoe . . .

By J. M. FORBES

We have been and are this week printing stories about what's on their minds down at Austin and up in Washington. It isn't just to fill the paper. Never in history was the man in the street so informed, or can be so informed, as to what his Congress and Legislature are doing and what they are contemplating.

The stories we print vitally affect you and you right here in Bailey County and we think you ought to study about these proposed measures, because on some of them at least you'll help pay the bill.

If you don't like what's in the making, sit down and write your representative and senator in Austin, and your representative and two senators in Washington. They have their ears to the ground, they want expressions of honest opinion. They're working for us, let's tell them what we think we want.

That progressive, live wire community known as Pleasant Valley has led the way again. They have placed markers at strategic places giving names of families residing on each road and how to get to the place you're looking for. It's better than street markers. We hope to have a lot more about this soon but in the meantime we think these people deserve your commendation and we hope the practice spreads rapidly.

Along this line we have had many people to wish that rural people would put their names on their mail boxes. It isn't that we want to stop and bother them with a visit; we just want to know where our friends live, and just who owns this neat farm, etc.!

What gives, on the local

housing front? The Journal is besieged by people wanting two bedroom homes, furnished apartments, just anything to house a family. We have to tell them nothing for rent has been listed with us this week. That has been going on for some time; housing is "tight" right now, but we think it has been for years.

Some of you folks who have cattle in the bank and money out west may be missing a good opportunity for a satisfactory investment, we think. Don't put too much into a house, build it convenient and comfortable, durable, economical like and charge a reasonable rent. Can you do it? We couldn't. But we need more housing, here in a growing, expanding, we started to say exploding situation.

People who will work for the new irrigation concrete pipe manufacturers will need housing; those who man our new potato handling facilities want a place to lay their heads; there are other new things in store for Muleshoe. And what, if you please I ask, has become of all the rumors that we are to have a labor camp, which everyone knows we desperately need?

Exploding? Yes, this writer has finally come around to the view that Muleshoe is here to stay, that the town has more to recommend it than most any other trading center you can name, that Muleshoe and Bailey County and the territory up in Parmer and over in Lamb County are in for growth and development that you ain't seen nothing like yet. We have come around to this view and, brother, if you haven't, better have your specs examined, pronto, prestamente, bastante, and suficiente!

#### ATTENDED FUNERAL AT SPUR

Mr. and Mrs. George E. Hicks attended the funeral of Mrs. Hicks' mother, Mrs. F. O. Formby, at Spur, Texas, last Monday.

### BABSON Discusses — So-called "Prosperity"

Babson Park, Fla., March 6 — Ex-President Truman, in his final report to Congress, likened the 1952 boom to the Hoover boom. He noted that our total output has doubled since 1933; and that agricultural output has increased about 50%. There is little question but what, in many ways, the last twenty years have been kind to us, as well as devastating.

#### OUR BIG DEBT

The truth is that we have been living on borrowed money. Any family can make a big show for a few years by going heavily into debt. Furthermore, Harry Truman didn't point out that in 1933 the total number of Government employees excluding the Armed Forces, was a little over half a million. Today there are 2,500,000, not including the Armed Forces, on Government pay-rolls.

He neglected to mention that he had left President Eisenhower a \$260 billion debt inheritance, this being thirteen times bigger than twenty years ago. Nor did he mention the millions of people he has made dependent upon the United Treasury for relief of one sort or another: subsidies, pensions, price supports and all the rest.

#### FARMERS HAVE BEEN FOOLED

It was a comfortable yet heinous prosperity, heinous because it reminded one of the stupid farmer who took everything he could out of his land without ever any thought to fertilization, crop rotation, problems of erosion, or preventive spraying. Certainly, no professional farmer would fail to do these things. Very few backyard gardeners plant without some thought to fertilization, watering and pest control.

Yet, business has been expected to turn out bumper crops year after year, with little or no cultivation; while at the same time its best plants become root bound. Vines have withered and dried up because borers and suckers ate away at the vines. This is the Republican's inheritance. It may look good to the novice, but the professional businessman and the professional farmer knows business is not as healthy as it appears to be.

#### ARTIFICIAL PROSPERITY

Most economists agree that our great new industry—Defense—is what has kept us going since we caught up with post World War II demand. While many may have viewed Republican victory as the harbinger of happy days, former president Truman was probably more nearly correct when he likened our situation to the Hoover boom. I've said many times that governments can influence the course of economic action, but they cannot repeal

Newton's Law of Action and Reaction.

There now is no such thing as perpetual prosperity. Barring war, we may well be at the down turn of the economic cycle. It was not had the Korean outbreak in 1950, the Truman Administration would not have fared so well. Our Government is still "priming the pump" with national security expenditures to the tune of about \$48 billion annually. A peak figure of \$60 billion may be reached by 1954. After 1954, what's going to happen when Government defense spending is gradually cut back \$20 billion to a maintenance level of about \$40 billion in 1960? The only hope is to treat businessmen and investors in as friendly a manner as labor leaders have been treated.

#### NATIONAL DEFENSE SPENDING

At currently planned rates, national defense spending would purchase about 17% of our total national output by 1954, but soon drop back to only 9%. One of our main problems, then, is for merchants to find customers who can afford to purchase goods and services to take up the slack. I do not believe we can do this until a very substantial cut is made in Government spending and taxes. The bottom 80% of our population, where the mass market lies, holds only about 7% of our gross national savings! This is a very important statement. Think it over.

Eisenhower's problem is going to be a tough one, moving from a kind of straw man economics to an economics of natural law. His "eleven millionaires and a plumber" Cabinet brings to the job outstanding experience and abilities, as well as any man can, the problems of business. Time will tell how well they understand politics so as to get real results!

#### VISITED IN AMARILLO

Mr. and Mrs. Cecil Davis visited friends in Amarillo recently and attended the fat stock show while there.

#### VISIT OLD FRIENDS

Mr. and Mrs. J. H. Engram visited with old friends and relatives in Texico and Farwell Monday of this week.

### SAND HILLS PHILOSOPHER—

### Wants Law Guaranteeing Him \$5,000 If He Doesn't Move Off In 5 Years

Editor's note: It's some time hard to figure out what the Sand Hills Philosopher on his Johnson grass farm is talking about, and this week is no exception.

Dear editor: You know in these days some people figure you can solve any problem from nagging women to bad credit at the grocery store by passin a law, and I wasn't surprised the other day when I picked up a newspaper which got caught against my hog wire fence out here which I keep in good repair because it stops more papers than a bobwire one where some legislator is proposin a constitutional amendment to put more doctors in small towns.

"J. A."

Under his plan, a state board would be set up to loan \$5,000 in medical students \$5,000 for four years of study. When they

graduated, if they practiced medicine five years in a small town, the loan would be considered repaid. If they went right to a city, they'd have to pay back the money plus four per cent interest.

Now a lot of people contend this is an unnecessary law, if a young doctor can make it for five years in a small town, nobody has any business bribin him to go there in the first place, and if he can't make it or won't stay there even if he can, why go to the expense and trouble of givin him a free medical education to start with?

But I don't look at it that way. My only complaint is that the proposed law doesn't take in enough territory. For example, we not only need doctors in small towns, we also need druggists, blacksmiths, soda skeets, lumbermen, bankers, preachers, teachers, drygoods merchants, etc. That fellow ought to broaden his law to take in all these, give each young man interested in any of these fields \$5,000 to go to school on, and thus guarantee at state expense that the

small town will endure forever.

Moreover, take me. It's a little late for me to get in on that \$5,000 gift in an educational sort of way, but practically every small town needs farmers livin around it, it seems sort of customary, at least nearly every town I ever heard of has a bunch of farmers livin around it, don't know whether it just happened that way or was planned by the legislature, and what if me and a lot of other farmers decided we could make a lot more in the city? It's one thing for a small town to be without medical service, but, have you ever seen one that tried to get along without food?

What I'd like to see is a law passed givin me and all the rest of the farmers around here \$5,000 if we'll agree to stay on our farms five years. If anybody moves off before then, he has to pay the money back plus four per cent interest, which is a reasonable enough rate, even if you move.

This seems like an imminently fair bill and I'd like to see it included with that other bill. No use in a man being penalized just because he was born too soon before a new idea in legislation was thought up.

Yours faithfully,  
J. A.

### Nealy Mace Steinbock Of Lazbuddie Entered In Show Princess Contest

LUBBOCK, March 10 — An attractive young lady from Lazbuddie has been entered in the Princess Contest which is being held in conjunction with the South Plains Junior Fat Stock Show, to be held here March 16, 17, and 18.

Nealy Mace Steinbock, 15, Lazbuddie High School Freshman, has been entered in the contest by the Lazbuddie FFA Chapter. The young lady is the daughter of Mr. and Mrs. Walter Steinbock of Route 1, Muleshoe. She has red hair and brown eyes.

Jerry Don Gleason, Route 1, Muleshoe, is president of the FFA Chapter. Miss Steinbock will compete with other FFA chapter Sweethearts from throughout West Texas and Eastern New Mexico on March 14 when a Princess to represent FFA chapters of the area is selected. A 4-H club Princess will be chosen at the same time.

These young ladies will be judged on beauty and appearance alone. Presidents of 4-H clubs and FFA chapters will be selected at random as judges. The two Princesses will reign

freshments and help take the children to their homes. Refreshments were furnished by Mesdames Brinker, Byers, Waldrop, and Smith.

over all of the activities of the South Plains Junior Fat Stock Show. As official hostesses of the show they will present all ribbons and awards to the boys participating in the show.

Each FFA chapter and 4-H club which enters animals in the show is eligible to have a contestant in the Princess Contest. All entries must be mailed to the secretary of the Show, Box 561, Lubbock, on or before March 10.

Judging of the Princess contestants will be done at the Lubbock Chamber of Commerce Building at 10 a. m. Saturday, March 14.

In addition to Miss Steinbock, among the other entries are Eva Myrl Welch, 17, entry of Lamesa High School FFA Chapter; Joan Pillsbury, 17, entry of Ralls High School FFA Chapter; Shirley Clancy, 17, entry of Roosevelt High School FFA Chapter; Gay Payne, 16, entry of Shallowater High School FFA Chapter; Donna Rudd, 14, entry of Borden County High School FFA Chapter; Barbara Robinson, 17, entry of Plainview High School Chapter.

### Pollyanna Club Studies Roses

The new President, Mrs. Roy Whitt, presided at the meeting of the West Camp Pollyanna Club Wednesday, Feb. 25. Mrs. Everett Roark was hostess for the meeting. Eleven members and one guest, Mrs. Margaret Hough, answered roll call by naming their favorite rose. Mrs. Hough later joined the club.

For opening exercise, Mrs. Roy Whitt read "Answer the Call", which is the Red Cross slogan for the current drive. Later in the meeting the members voted to sponsor the Red Cross Drive in the community. The goal for the community is \$150. Club members will make house to house calls and everyone in the community is urged to do his part in helping reach the goal. Mrs. Roy Whitt is chairman for the drive.

Mrs. Woodrow Couch gave the report of the Council meeting. She told what the club was to furnish for the Commissioners Banquet which is to be on the night of March 13. The members then decided what each would contribute.

Mrs. Seaborn Busbice gave a demonstration on how to choose and plant roses. Following this, Mrs. Everett Roark showed how to make rose cuttings.

The hostess served a delicious angel food cake with coffee or cocoa. Mrs. Roy Whitt received the piece of cake with the dime in it, so she will bake the next cake.

The Agent will be present at the next meeting which will be in the home of Mrs. Henry Curtis on March 11. Mrs. Reed will give the program on planning a convenient work area.

### VISITING IN SAN ANTONIO

Mrs. Jimmy Reece and Mrs. Bob Pittman are visiting their husbands who are stationed at Lackland Air Force Base at San Antonio.

### Mrs. Gross Hosts Progress Club

Mrs. J. J. Gross, hostess for the Progress Home Demonstration Club on March 3, read for the opening thought of the day, "A Stepping Stone to Success — Be Humble".

Following the roll call which was names of Bible characters and the secretary's report of the previous meeting, final plans for the club's part of the Commissioners' Court supper were completed. The club voted to contribute \$5.00 to the District 2 4-H girls scholarship fund. Mrs. Ray Quesenberry was elected secretary because of the resignation of Mrs. Clara Billingsley who will not be able to meet with the club since she has the Jack 'N Jill Shoppe in Muleshoe.

Mrs. Dian Reed, the County Home Demonstration Agent, gave the program on "Planning a Convenient Work Area". She passed out directions "Hanging Out the Wash" which has plans for setting different types of clothes lines.

Mrs. Gross, the hostess, served cake baked by her daughter-in-law, Mrs. Arnold Gross, and cookies to the fifteen members present who were Mesdames Gordon Murrah, Odell Logan, Harold Mardis, Arnold Gross, Alfred Patterson, John Thomson, Edward Little, Wilbur Thomas, Albert Davis, T. Haley, Joe Sim-

## Willing Workers Met March 5

Members of the Willing Workers Sunday school class of the First Baptist Church met last Thursday afternoon, March 5, in the home of Mrs. Edith Evans.

Hattie Ray Jones brought the devotional "God in the Home". Mrs. Wilma Davis presided at the class meeting and after the meeting she was honored with a pink and blue shower.

Refreshments were served to the following members: Faye Kelton, Calice Kelton, Lucille Harp, Wilma Davis, Analita Haley, Hattie Ray Jones, Pat Glasscock, Edith Evans, Dorothy St. Clair, Cookie Bamert, and the teacher, Lida Wilhite.

## Philathea Circle Plans Banquet

The Philathea Circle of the Methodist Church met in the home of Mrs. Jeri Farrell Thursday, March 5, in a regular meeting.

Mrs. H. W. Hanks presented an interesting program on the Book of Acts. Many of the members participated in the discussion.

The mother-daughter banquet was discussed and Mary Nell Chapman, chairman of the menu committee, read the menu which was planned.

Those attending were Mesdames Ruby Fabus, Ida Shofner, Dorothy Weyer, Sammy Allison, Margaret Adams, Theresa Edwards, H. W. Hanks, Fern Awtrey, Mary Nell Chapman, Mildred McReynolds and Jo Anne Barbour.

The next meeting will be held in the home of Mrs. Sammy Allison on March 19, for a covered dish supper celebrating the first anniversary of the Philathea Circle. Each member is to bring a covered dish.

Refreshments were served to the guests and the meeting was adjourned.

## Three Way Classes Are Increasing

The W. M. U. of the Three Way Baptist Church met Monday, March 9, at 2:30 p. m. for a Bible study meeting. They began a new study on a series of lessons on "The Women of Destiny" in the New Testament. Elizabeth and her son, John the Baptist, was the subject studied for the first lesson.

Ten ladies attended the meeting.

The auxiliaries met at 4 p. m. to two classes, the pre-school age and the school age groups. Five were present in the first group

## Fidelis Class Meets In Home Of Mrs. St. Clair

The Fidelis Class of the First Baptist Church met Thursday,

and 12 were in the second group.

The older group elected officers. Those elected were: president, Roger Sowder; vice-president, Troy Dean Tyson; secretary, Floy Jean Tyson; treasurer, Weldon Walker. The members are bringing offerings for Home Missions each meeting during this month.

The G. A.'s enjoyed a mission study lesson on the book; "Lo, I Am With You". Seventeen members were present.

The R. A.'s studied memory work. They will meet with the Maple R. A.'s March 11 at 7:30 for a recognition service. Rev. John Taylor of Littlefield will conduct the meeting.

Refreshments were furnished by Mrs. Adolph Wittner, Mrs. Walker and Mrs. Moore.

March 5, in the home of Mrs. Irvin St. Clair with Mrs. Mary Hart as co-hostess. An arrangement of easter eggs and a bunny decorated the coffee table.

In the absence of the president, Mrs. Clinton Bristow, and the vice-president, Mrs. L. T. Green, Mrs. M. F. Green presided over the meeting.

The devotional was given by Mrs. Jeff Peeler. After new and old business was discussed, a discussion of the new Bible and the King James version was enjoyed. A social hour followed and refreshments were served to the members present.

Members present were Mesdames C. M. King, W. M. Pool, Sr., Tye Young, Mabel Bristow, M. F. Green, Pat Bulloch, R. W. Precure, Jeff Peeler, F. H. Davis, Joe Damron, and R. L. Jones and visitors, Donna Precure and Pamela St. Clair.

### ELLIOTT CONVALESCING

Howard Elliott, cleaning establishment proprietor, who recently underwent an operation in Green Hospital & Clinic, is convalescing at his home here, visiting the shop now and then so as to keep familiar with things. He'll be back on the job in a few days.

### VISITED IN ALBUQUERQUE

Mr. and Mrs. M. E. Finley visited their daughter and family, Mr. and Mrs. R. C. Spence of Albuquerque, N. M., over the week end. They reported that it rained all the way to Muleshoe.

### KISTLERS HAVE GUESTS

Mr. and Mrs. James R. Hobbs and children of Lovington, N. M., visited Sunday with her parents, Mr. and Mrs. W. H. Kistler, and other relatives and friends.
