NUMBER 2

Tracksters place in Junction

The Ozona Lions track team finished sixth in the Junction track meet over the weekend with 47 total points. Colorado City won the meet with 66½ points.

Coach Pete Maldonado was disappointed in the Lion effort and felt some of the individual team members failed to score as many points as they might have. He expects some improvement at the next meet which will be the Plateau Relays at Eldorado Saturday. Prelims begin at 9 a.m.; finals at 3:30 p.m. and trophy presentation at 7 p.m.

The Lions placed in one field event. Rowdy Holmsley placed third in the shot put with a toss of 46'04".

Robert Flores placed second in the 100-meter dash and the 200-meter dash with times of 11.30 and 22.82 respectively. Marcelo Hernandez placed second in the 400-meter dash with a time of 52.23.

Mike Trujello placed sixth in the 1600 meter run with 5:09. The 1600-meter relay team of Flores, Hernandez, Shannon Southern and David Delgado, placed second with a time of 3:32.79.

Plant thieves strike

Plant thieves made a big haul one night the last week of February at the Perry Bros. store in the village. The theft, which amounted to almost \$300, was discovered by Mgr. George Briones when he opened the store Feb. 25.

Officers are still investigating, but so far have no clues to the identity of the thieves.

The plants were stored and hung in the sidewalk area of the store. The theft consisted of three hanging baskets of fern at \$12.99 each, five hanging baskets of assorted plants at \$10 each, one flat of 36 plants at 45c each; a flat of 12 plants at \$1.99 each and eight at \$1.69 each, seven geraniums in 6-inch pots at \$3.99 each, seven rose bushes at \$5.97, four at \$3.97 and eight at \$4.27 each.

Perry becomes member

Gene Perry has recently become a member of the Texas Hereford Association.

The association, headquartered in Fort Worth, is the oldest state breed association in the world, having continuously served the Hereford breeders of Texas since its founding in 1899.

The Hereford breed, one of the oldest in the United States, is well known for its high fertility, ability to adapt to extremes in climates, and its ability to convert grass and grain to beef efficiently.

Notify Post Office if moving after filing tax return

If you move after filing your federal income tax return and you are expecting a refund, notify the post office serving your old address as soon as possible, the Internal Revenue Service says.

PUBLIC SCHOOL WEEK drew quite a crowd here last Thursday when schools held open house. Manuela Rodriguez

had an interesting display in her Spanish room where grades 3 through 5 learn the language.

The victim of rape--a look at events after

This is the last in a series of three articles on rape. It discusses the victim and the emotional, medical and legal after effects of being raped.

The Victim of Rape--A brief look at the events after. Even if a person practices every rule of rape prevention, she or her child may still be victim of a rape. The experiences that follow may be more devastating than the actual rape. If the victim reports the rape many institutions come into action--police officers, medical personnel, investigators, prosecutors and public courts. The processes are routine to the authorities, but to the victim the things asked of her and done to her may be more than she could have imagined.

The Call For Help--It is a fact that rape is an act of violence and even though, in most cases, a rape victim is not physically harmed, she is emotionally damaged. The first feelings will probably be terror, and maybe anger. Fear of physical violence and death are primary feelings. After that, a victim's feelings range from fear, humiliation and embarrassment to

anger, revenge, and self-blame. Immediately following being raped the victim is in a state of mental crisis and making any decisions will be difficult, and depending upon physical injuries, almost impossible. But the victim needs to get help quickly to be protected mentally and physically. Studies have shown that victims who seek immediate support, preferably from a rape counseling professional, return to their previous level of functioning the most quickly. In many areas a rape counselor can be present to help the victim throughout the entire police and legal process to explain things, to give emotional and psychological support and to try to help the victim feel somewhat less dehumanized.

Reporting a Rape--The social stigma and sexual myths connected to rape often mean the rape will never be reported to the police. FBI statistics say that nationally only one in ten rapes are reported to police. And of those reported to the police, only a small percentage ever get scheduled for a court trial. This is due in part to

the fact that in a rape, everything relates to the victim. She is not only the eyewitness, but the evidence, as well, and everyone focuses on her. The interviews with authorities, the medical exam and social implications are often just too depersonalizing to the victim. There may also be pressures to drop the case brought on the victim by the assailant, his family and friends and his attorney. Another cause for rape cases not making it to court is the delays--from rape to trial may take up to two years.

The responsibility of seeking prosecution of a rapist is upon the victim. It is a known fact that rapists are usually repeaters, so even if the victim decides not to prosecute, calling the police and having the details of the rape recorded could be helpful to police. The rape may be part of a pattern and may help prevent other women from being raped.

Getting Medical Help--It is crucial that a rape victim see a doctor. The victim may have been exposed to venereal disease, could be pregnant and could have injuries to reproductive organs and/or other parts of the body. A doctor can prescribe medication for VD and also medication which will eliminate a possible pregnancy. He can treat wounds and possibly be the emotional support needed by the victim.

If the victim has reported the incident to the police, the exam will probably take place at a particular hospital and the police usually accompany the victim there. The medical exam will include the things discussed above and additional procedures to collect evidence from the victim's body, such as sperm and hairs of the attacker. Payment for the exam is often covered by the victim's medical insurance. If the victim cannot pay, there are often other available sources such as crime victim's compensation, private groups or the victim's prosecutor/police.

From Rape To Trial--The first encounter the victim will have will probably be the local police or sheriff's department. An officer will make an initial report and ask the "who-what-when-where" questions. Discussing details of what has been an extremely frightening and humiliating sexual experience means that the encounter may be extremely unsettling for many victims. Victims should be encouraged to write down for their own use a detailed account of the incident. This account could help refresh their own memories when long down the road the defense attorney is asking questions about minute details. Also, authorities have their own jargon for recording victims' answers to questions and their responses may not always reflect the victim's actual thoughts. Police and hospital reports are often very brief and very selective in focus. The victim should record for herself every detail--from the time she saw the rapist until she didn't and every possible detail of what happened between those times.

After the initial interview with law enforcement officials and the medical exam, the victim will be interviewed by an investigator or detective. This interview is one of the most important phases of the investigation and the victim will be asked to recall every detail of the rape. The investigator may ask that photographs be taken of the victim's injuries. Getting this type of information and evidence may be embarrassing to the victim, but it is very important in a trial long after injuries have healed and the memory has clouded. Victims may also be asked to identify the rapist from pictures. Victims do not legally have to answer any questions they feel inappropriate or submit to any of the above-mentioned procedures and they have the right to have the necessity of any question or procedure explained. Cooperation with the authorities in getting as much information and evidence as possible is crucial to prosecuting the rapist.

If the victim identifies the assailant, there will then be an interview with the prosecutor. The prosecutor represents

School Board in special meeting

Due to a crowded February agenda, the Ozona Board of Trustees held a special meeting on Thursday, February 23, to resume consideration of school business that was not presented during the regular monthly session.

Assistant Superintendent Ted Cotton presented the Crockett County Consolidated Common School District's goals, self-study, and five-year priorities plan for board discussion. He explained that the results of his committee's self-study revealed that although all Ozona schools are in substantial compliance with state curriculum requirements, it will be necessary to make careful modifications in the total school curriculum in order to more adequately meet the individual needs of students.

Cotton went on to explain that Ozona's five-year priorities plan for curriculum improvement will address reading comprehension skills as well as the staffing and coordination of all English-as-

the fourth grade, nineteen in the fifth grade, eight in the sixth grade, and only Ozona in the seventh grade. After having had an extra year of early training, high school musicians will have the facility necessary to explore and perform a higher level of music literature. In addition, they will have the musical maturity and confidence to play more difficult and varied material.

The Board of Trustees also considered school transportation needs, and they decided to purchase a seventy-one passenger bus as well as a nineteen passenger bus. Both buses will arrive in time to be used on routes next year.

The members discussed a

February 15 presentation by Dan Brainard in regard to a school drug prevention program that centers around the use of highly trained dogs. Board officials decided to approve the program and to conduct a public awareness meeting prior to the project's implementation next year.

The Board also voted to micro-film all past and present student records so that in the event of a fire, the district will still have access to valuable school documents.

The meeting was adjourned after additional reports were made by Superintendent Garland Davis on property for sale, water rates, and future educational needs.

County 4-Hers exhibit at show

Twenty-two Crockett County 4-H members exhibited 22 lambs and 1 steer at the Houston Livestock Show last week.

The competition was tough but the local youth placed 7 lambs in the premium sale. Vickie Reagor placed fourth with her heavy weight cross-bred lamb. The lamb sold in the auction for \$23 per pound (\$2,785). The lamb was bred by Bud Cox. Capp Couch placed fifth with a light weight finewool which sold for \$16.00 per pound. This lamb was bred by Pancho McMullan. Trebie West placed ninth with her middle weight finewool lamb which sold for \$9.00 per pound. Her lamb was bred by West Ranch Co.

Other youth placing in their respective classes were Katy Cameron, 22; Jena Allen, 22; Ira Childress, 23; Trey Mayfield, 24. These

lambs sold for \$5-6 per pound.

Youths exhibiting lambs but not placing in the premium sale were Marty Acton, Tammy Arrott, Leigh Ann Coates, Brock Jones, Margaret Jones, Tammy Mayfield, Donna Jo Patrick, Julie Reagor, Tami Reagor, Peggy Skains, Cody Sutton, Greg Underwood, Tamel West and John Williams.

Parents and leaders making the trip were Mr. and Mrs. Earl Acton, Bobbie Acton, Mr. and Mrs. Tony Allen, Jimmy Arrott, Mr. and Mrs. Morris L. Coates, Mr. and Mrs. Brock Jones, Mr. and Mrs. Bobby Mayfield, Mr. and Mrs. Jeff Sutton, Mr. and Mrs. Wesley West and Mr. Larry Williams.

The group was accompanied by County Agent Billy Reagor.

CHAMPION DOE-Ira Childress showed the champion in the Junior Angora Goat

Show at the Houston Livestock Show last week.

Tips For Gardeners

From The Ozona Garden Club by Mrs. Bailey Post

March can be a most beautiful and interesting month, but with the usual rushing winds and freezes, it will be a great surprise if we miss it all. After all the late warm days, many trees and shrubs are in bloom or showing color in their buds.

To keep abreast of spring work it is necessary to plan carefully and, above all, to take advantage of every favorable opportunity the weather affords.

Bulbs for summer blooming that may be planted in

Mrs. Jones is bridge hostess

Mrs. Dempster Jones was hostess for luncheon and bridge at the Country Club Thursday.

Mrs. Hugh Childress won high and Mrs. Clay Adams, second high. Mrs. Brock Jones won the bingo.

Others playing were Mrs. Joe Bean, Mrs. John Childress, Mrs. George Bunger, Mrs. Jack Williams, Mrs. Gene Williams, Mrs. Evert White, Mrs. Kirby Moore, Mrs. Bill Mason, Mrs. Charles Williams, Mrs. Jake Short, Mrs. Sherman Taylor and Mrs. J. B. Parker. Luncheon guests were Mrs. Ralph Jones, Mrs. Robert Cox and Jean North.

Arts & Crafts Fair is scheduled

The Woman's Forum will sponsor an "Arts & Craft Fair" on April 24, at the Ozona Civic Center from 4-6 p.m.

The arts and crafts fair is open to everyone in the community. Please support this by bringing in your handwork, paintings, pottery or whatever you have made.

March are Calla lilies, crinums, cannas, tube roses, gladioli, oxalis, tigridia and spider lily (hymenocallis).

As flowers begin to fade on spring bulbs, remove the flower stalk, do not cut the foliage however, as it produces food for the development of new bulbs.

March is the last month recommended for planting and transplanting trees, unless balled and burlapped.

Complete pruning of bush type roses by March 15th and remove damaged or weakened canes.

Retain three to six healthy canes, cutting vigorous, fast-growing varieties back to 12 to 18 inches. Delay pruning of climbers until after they have completed their spring-blooming cycle. Some reminders--remove mistletoe from trees now for it shows up well against bare branches.

Water shrubs, trees, lawns and especially newly planted plants, if no deep moisture soon.

Prune figs and other fruit trees if you haven't done so. Summer flowering perennials should be divided and replanted before new growth starts.

Watch for early insects on pansies and roses as well as other plants.

If planted now, California poppies will reward you with masses of colorful blossoms through the fall, even in areas of poor soil.

For a summer full of fresh flavor, plant a few herbs this spring. They will be a delight, both in the garden and on your table. To name a few that I have enjoyed try, chives, dill, parsley, mint and basil. Sow seeds directly in the garden after your last frost, but be sure to mark the spot so you won't disturb them before sprouting. You will enjoy them all summer.

Planting Days for March

"THE LITTLE RED HEN" puppet show was presented by Mrs. Cotton's second grade reading class last week. The

kindergarten, first, and second grades were invited to see the play.

League meets in new banking facility

The Ozona Womans League met Tuesday, February 28, in the Crockett County National Bank Board Room. Mrs. Wade Richardson and Mrs. Duane Childress were hostesses.

The program was given on the basics of stock-marketing. Ms. Gretchen Noelke, with "Eppler, Garrett & Turner, Assoc. of San Angelo helped inform members of basic stock marketing principles. Ms. Noelke told of certain characteristics, attitudes and financial standing that help inable people to invest in the stock market. Ms. Noelke also gave examples of her personal gains and losses in the stock market. She was very informative, having spent nineteen years on Wall Street, and invited anyone with questions to visit her in San

DUPLICATE BRIDGE

In Duplicate Bridge Club play Saturday afternoon at the Country Club, Mrs. Cuatro Davidson and Mrs. Penn Baggett won first, and Mrs. Evert White and Mrs. Sidney Millsbaugh were second.

Winners Sunday were Evert White and Mrs. Gene Williams. Mrs. White and Mrs. Joe Friend were in second place.

Angelo.

Seventeen league members answered roll call. They were Mrses: Bobby Aycock, Jim Bob Bailey, David Bean, Bill Carson Jr., Duane Childress, Pleas Childress III, Buster Deaton, Roy M. Jackson II, J. S. Pierce IV, J. S. Pierce V, Wade Richardson, Lane Scott, Steve Sessom, Gary Vannoy, Rick Webster, Steve Wilkins and Stan Lambert.

Phillips art group workshop

The Charlotte B. Phillips Art Group sponsored a water color workshop at the Civic Center, February 28. Mary Jo Mason was the instructor. Attending the one-day session were Marge Smith, Jonnie Johnson, Joyce Mansess, Lou Deaton, Barbara Malone, Vonnice Womack, Ginger Perner, Dorothy Montgomery, Jessie White, Joan Nicholas, and Ada Russell of Midland.

CHAIN REACTION

With great ceremony, the boy gave the lead domino a gentle poke. A rapid series of sharp clicks proceeded down the line, paused briefly at a gap too large, then continued onward. Then, abruptly, everything was still.

He was tickled speechless. He clapped his pudgy hands together and gave me a big, proud smile.

Giving our faith to God is like pushing over that first domino. It starts a chain reaction — one that results in a richer life, greater happiness and a deeper confidence in ourselves and in the future.

Why not attend the church or synagogue of your choice next week.

Start a chain reaction in your life.

Crockett County Care Center News

BY ANN McCARTNEY
DIRECTOR OF ACTIVITIES & SOCIAL CARE

Things are still buzzing as we prepare for our March 15, "Home With Heart" fund-raising. As promised last week, here are our volunteer helpers: Lottie Davis, crafts; Jodie Sessom, Karen Huffman, Lelia Tambunga and Susan Machado, cakes; League chairman, Becky Childress; Baptist Young Women, Pat Willmon and Linda Hamar; Woman's Forum, Betty Perry, refreshments, Doris Karr and Sue Linthicum, cake delivery and money pick-up Pete Maldonado and the VICA boys, radio station, David Young, Hug-Me's, Tina Moran, Auction announcer, Gary Vannoy telephone chairmen, Elvira Caldwell and Virginia Bishop, fortune teller, Sara Hight and Betty Gonzales, police department's cardiac arrest jail, Billy Mills, Sammy Patino, Jo Davidson, posters, Girl Scouts 189, Thelma Jones and Barbara Clark, leaders, home telephone committee, Baptist G.A.'s, Judy Adams, leader.

Several other groups have been contacted but have not reported back a commitment. Perhaps there will be more to report next week. A special thanks goes to Cherry McGuire, school-aged daughter of employee Alice, who spent her spring break from school in Mertzon helping and, was she ever a big help stuffing and sealing the letters sent to the Ozona business world for this project!

Thanks also goes to Jo Davidson for helping with an afternoon of games and an afternoon project of plaster crafts and to the Lutheran ladies for donating baby powder and oil for baths.

Ann Shaw and Julie Watson cleaned some ceramics this week. Ceramic class was held on Wednesday morning.

Wednesday afternoon some fourteen residents attended our residents council

meeting. Our Home with Heart fund raiser was discussed, new activities held in February were evaluated, and all March activities were discussed.

Thursday morning's beauty shop was manned by Lola Rios and Clara Byrd. Thursday afternoon's Bible study was once again led by Ted Turnley.

Tuesday morning's bingo had twenty-one residents playing and only one outside volunteer, Mattie Cooper. We really need more bingo volunteers, especially on Tuesday mornings. The time is ten o'clock. Winner of the El Chato dinner for two was Bertha Miller and winner of the Baker Jeweler's award was Johnny Henderson.

Friday's overall bingo winner was Ola Mills. She won a gift certificate from Clayton's Village Drug. Minnie Karr was awarded a second place prize donated by Anna Bell Patrick. Volunteers included Cooper, Patrick, and Rios.

Friday afternoon we had a good turn-out of residents in the dayroom for "Down Memory Lane" led by Minnie Karr. Other residents attending included: Juana Hernandez, Paul Cavin, Virginia Russell, Alice Ross, Bertha Miller, Hilda Dysart, Nina Mayfield, Maude Pettit, Ola Mills, Billie Whately and Moriana Perez. Special guest was Dorothy Doll. Welcome back, Dorothy.

Dominoes were played by Nina Mayfield, Ola Mills, Maude Pettit, and Bertha Miller. Moriana Perez and Cherry McGuire played with Moriana's special dominoes also.

Sunday church services were conducted by members of the United Methodist Church. David Young gave the message and Bernice Jones played the piano. Seven other members assisted with the service.

SECOND GRADERS of Ozona Primary School had a toothbrush decorating contest. Two winners were chosen from each class. Each winner received a

toothbrush and a tube of toothpaste and a red ribbon. Mr. Spiller made the presentations to the winners in a short assembly.

Texas facts is topic for Study Club meet

"Texas-A to Z", a collection of facts gleaned from the Texas Almanac, was the program presented by Sue Arledge at the Pandale Study Club, March 1 at the Pandale Community Center. Members participated by reading items from the "Speaking of Texas" feature in past issues of the Texas Highways magazine.

Further plans for compiling a Pandale History and Recollections were discussed during the business meeting which was presided over by

the President, Lou Deaton. Lela Bunger was selected to represent the club in the Notable Women of Texas being collected by the American Association of University Women with Jessie White to compose the resume.

The Lone Star Flag centered the theme and decorations of the hostesses Lela Bunger and Barbara Malone. After singing "Happy Birthday" to Bill Arledge, refreshments of Wonder Salad, Curried Chicken Balls, Pecan Tassies, tea and coffee were served to members Suzie Everett, Vonnie Womack, Ginger Perner, Bill Arledge, Louise Rowland, Sue Arledge, Lara Sue Baggett, Barbara Malone, Lou Deaton, Myrtle Malone, Lela Bunger, Jessie White, Becky Young and guest Eva Arledge of Del Rio.

Eastern Star sets bake sale

The Ozona Eastern Star will have a bake sale in the Village Shopping Center Saturday, March 17.

Special orders will be taken until March 15. To order cakes, pies and cookies, call 392-2036, 392-2335 or 392-3227.

ADVERTISING SPACE must be reserved by Monday morning for publishing in the Wednesday edition of the Stockman. 41-nc

Texas oil production

Texas wells produced 849,072,112 barrels of crude oil in 1983, according to Railroad Commission Chairman Mack Wallace.

The 1983 total is 2.6 percent below the 1982 volume of 871,780,379 barrels. In 1981, the state produced 897,573,416 barrels of crude.

Average daily production in 1983 was 2,326,225 barrels, down from 2,388,439 barrels daily in 1982 and 2,459,105 barrels daily in 1981.

In December 1983, crude oil production in the state averaged 2,173,450 barrels per day, as compared to the November 1983 volume of 2,327,426 barrels per day. December 1982 production averaged 2,349,532 barrels per day.

The state's top producing counties in 1983 were Pecos, 50,250,720 barrels; Ector, 44,369,476 barrels; Yoakum, 44,030,955 barrels; Gaines, 43,993,824 barrels; Hockley, 37,957,560 barrels; Andrews, 37,899,907 barrels; Gregg, 37,807,021 barrels; Scurry, 30,365,899 barrels; Crane, 25,962,893 barrels; and Refugio, 22,506,010 barrels.

Miss Vargas is nominated

Vicky Vargas of Ozona was one of 10 Trailhand nominees introduced at the half of the Western Texas College Westerner basketball game Monday night (Feb. 27) in the Scurry County coliseum.

Students at WTC elect Mr. and Miss Trailhand each year in a fund raising contest sponsored by Phi Theta Kappa, a national honor fraternity for junior college students. All nominees are presented at halftime before the winners are announced. Winners this year were Veda Owens of Sweetwater and Danny Hunter of Roscoe.

Miss Vargas is a graduate of Ozona High School and a sophomore elementary education major at WTC. She is a cheerleader and a member of the Student Senate. Her parents are Mr. and Mrs. Blas Vargas.

FIRST GRADE-Jeanne Henderson and Susie Childress, teachers

SECOND GRADE-Thelma Janes, teacher.

Governor names March Texas Book Month

Texas-Texans-rightfully proud of their colorful heritage-annually celebrate the lore and legend of the Lone Star State in March. The month includes two major historic observances. March 2 marks the anniversary of Texas' declaration of independence from Mexico, while March 6 honors the fall of the last brave heroes of the Alamo.

This March, Texans have a new occasion to celebrate-Texas Book Month.

The Crockett County Library has a good collection of Texas history books. Some titles that might prove interesting are: *Cattle Kings of Texas*, *Border Wars of Texas*, *Rip Ford's Texas*, *Raw Hide Texas*, *Frontier Forts of Texas*, *Growing Up in Texas*, *Spanish Missions of Texas*, *Texas After Spindletop*, *A Pictorial History of the Texas Rangers*, *Six Flags of Texas*, *The Texas Rangers*, and *Lone Star, A History of Texas*.

The Crockett County Library is open Monday through Friday from 8:00 a.m. to 3:30

p.m. on Tuesday and Thursday nights from 6:00 to 9:00 p.m.

The establishment of Texas Book Month was prompted, in part, by the desire of the University of Texas Press to spread the word about the many good books on Texas that are written by Texas authors, published by local publishing houses, funded by nonprofit institutions and associations, carried in libraries, sold in bookstores, and made available through other sources.

Through books, you can read about what happens at the Capitol, what happened at Goliad in 1836, or what probably happened in Indian encampments centuries ago. You can ride with the Texas Rangers or explore the scenic wonders of the countryside. You can read about Texas' weather, or museums, or cooking, or learn to identify native plants and animals.

Support for a month devoted to reading about Texas has been strong in Texas book communities, educational circles, and nonprofit institutions. According to L. Tuffly Ellis, director of the Texas State Historical Association, "Texas Book Month offers a special occasion to celebrate the wonderful

world of Texana in the fields of history, fiction, and folklore." Ellis added, "Everyone with an interest in Texas should take this opportunity to read at least one major book in the month of March about this state." From all corners, the message seems to be clear for March: Texas is your state. Read about it.

March SS visit scheduled

Garland Gregg, representative for the San Angelo Social Security Office, has scheduled his March visit to Ozona. He will be at the County Courthouse on Wednesday, March 21st, between 2:00 and 3:30 p.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

Telephone service is available from the San Angelo Social Security Office to assist you in filing applications for any type of Social Security or Supplemental Security Income benefits.

People who apply by telephone are urged to return applications and requested documents promptly. This will enable Social Security to process your application quicker.

1983 calf crop decreases in number

The 1983 calf crop represented the fifth year of decreased calf numbers, in the nation, and perhaps will stimulate improved price levels for producers, says an economist in livestock marketing.

The USDA's inventory report for 1983 indicated that the nation had a 1 percent decrease in calf numbers from the previous year, but in Texas, numbers dropped by 4 percent says Dr. Edward Uvacek with the Texas Agricultural Extension Service, Texas A&M. These reductions should be enough to strengthen the market in 1984.

Individual state calf crops varied, however, Uvacek adds. Twenty-one states re-

corded either the same size or a larger calf crop than in 1982, and nine of those states had gains of 5 percent or more. Of the remaining 29 states which recorded losses, only two fell more than 10 percent, while 21 had less than a 5 percent reduction, he says.

The percent of calves, compared to the number of cows which calved, was only 83 percent in Texas for 1983, the lowest percentage since 1979.

"This further drop in calf numbers should prove to be beneficial to cow-calf producers," Uvacek predicts. "With improved feedlot profitability and reduced feeder supplies, price levels are likely to strengthen considerably."

The most efficient, the most economical heating and cooling system for your home.

THE Electric heat pump.
It's part of "the plan" — the Energy Saving Plan
THE ELECTRIC HEAT PUMP: It can save you money on your home energy bills. And when it's used along with other WTU-recommended energy conservation measures according to the ENERGY SAVING PLAN, you can save even more. WTU will pay YOU money when your home meets all the E.S.P. requirements that ensure your home to be energy efficient. That's where the ELECTRIC HEAT PUMP comes in — it's part of "the plan" because it's the most efficient system for heating and cooling. During the winter it removes heat from the outside air and pumps it into your home. In the summer it reverses the process and becomes an air conditioner, so you get even comfort year-round. CALL YOUR LOCAL WTU OFFICE OR A FACTORY-TRAINED ELECTRIC HEAT PUMP DEALER TODAY TO FIND OUT MORE ABOUT SAVING ENERGY AND MONEY ON YOUR HOME ELECTRIC BILLS.

WEST TEXAS UTILITIES COMPANY
WTU
A Member of The Central and South West System.
Remember, REDDY supplies the energy — but only YOU can use it wisely!

SECOND GRADE TOUR-The Mitchell family, Gary, Megan and Michael, find some interesting things in Mrs.

Cotton's second grade room during open house at Ozona Primary Thursday evening.

Rape victim---(Cont'd From Pg. 1)

sents the victim and the State. He determines whether to file charges against the person identified based upon a review of the details. The prosecutor may choose charges other than rape and he may choose to plea-bargain the case. Many times a charge other than rape is taken because it is easier to prove and involves less trauma to the victim. A victim has the right to a full and understandable explanation of her prosecutor's decisions and should ask questions when anything said is unfamiliar to her. If charges are brought against the rapist, there are many hurdles between then and the trial. There may be a preliminary hearing, a grand jury hearing and an arraignment. If there is a trial, it will probably be several months after the rape. For many victims the rape trial is almost as traumatic as the rape itself. The rapist has the right to choose whether to have the case heard before a judge or a jury. The rapist is not required to testify. Unless the victim is very young she must give her

testimony and it will be in a hearing or trial open to the public. The questioning often concerns minute details of the sexual aspects of the incident with nothing left to the imagination. Texas law sets out specific guidelines governing how far a defense attorney can delve into a victim's private life, and any question regarding previous sexual conduct of the victim may not be asked before the court has decided "in camera" (in private) that the question is relevant and admissible. At the trial, the prosecutor must introduce enough evidence to erase any reasonable doubt in the minds of the jurors or judge the rape was committed. A verdict of not guilty does not mean that the rape didn't happen. Conclusion: From the time of the rape to the time of the trial is difficult and painful for the victim; so difficult and painful that some cases do not make it to trial. However, the number of task forces on rape and rape victim services is increasing. Among other things, the task forces are recommending changes in the legal and

medical systems so that in the future the lot of the victim will be less painful. Rape victim services help the victim as they deal with the current system. They can explain medical and legal procedures to the victim and give her emotional and psychological support. They can also provide pressure to bring about proposed changes. More and more police/prosecutors and hospitals are setting up special programs to assist victims. All these agencies urge that every woman who is raped report the attack to police in hopes that as more women report rapes, more rapists will be arrested and brought to trial and convicted. More convictions hopefully will deter potential rapists.

PHONE NEWS TO THE STOCKMAN.

Extension office news

By Rachel Hall

On March 8, Thursday, 10-12:00 a.m. and 1-3:00 p.m. at the Civic Center, Public Health nurses will be conducting a health screening clinic. The nurses will be giving 20 minute screening tests for diabetes, blood pressure, anemia, and skin abnormalities. Anyone who has not had a checkup within the past year is invited to attend.

Also, March 8 at 12:00 noon, I will be presenting a Low Cost Decorating program for the Progressive Extension Homemakers Club. Bring a salad and join the group for lunch.

Most of us first learned about good nutrition in terms of basic food groups. Whether the count was seven, four, or five, we learned that a variety of foods was needed for good nutrition. Today a new picture of nutrition is emerging. But eating a varied diet is still the foundation. That hasn't changed. But we've learned a great deal more about what variety really means and about the importance of moderation.

Today the guidelines for "good eating" are seen as a balancing act: Getting enough of the things that are important to good nutrition but not too much of things that are problems for a growing number of us--calories, fat, sodium, sugar, and alcohol.

Variety means getting enough of the basics. Basics include fruits, vegetables, particularly dark green leafy ones, and nutrient-dense dried beans and peas, grains, breads and cereals, including plenty of whole grain items; milk, cheese,

Working couples get break

Working couples will get a bigger tax break this year when filing their federal income tax returns, according to the Internal Revenue Service.

Two-earner couples will be allowed to deduct up to \$3,000 on their 1983 tax returns.

Here's how the deduction works, IRS explained. If you and your spouse file a joint return, you will show your total combined gross income just as you always have. Now, however, you may deduct from your gross income either 10 percent of the earned income of the spouse with the lower income or \$3,000, whichever is less. There are some rules about the kinds of income that qualify, so the IRS advises you to read the instructions carefully.

The deduction may be claimed by both 1040 and 1040A filers.

For further information on how to claim the deduction, check the instructions in your tax package.

Couch honored

Michael J. Couch, son of Mr. and Mrs. Joseph B. Couch has been designated a Distinguished Military student at New Mexico Military Institute. He is scheduled for an Army ROTC commission when he graduates from the junior college division next May.

Notice of Rate Change Request

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of rates in Texas, effective March 28, 1984.

The proposed changes in rates will affect all the Company's 829,291 Texas customers who represent all customer classes, and are designed to increase the Company's gross intrastate revenues by \$84,777,000, or approximately 13.34 percent annually.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223, (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

A complete set of revised rate schedules has been filed with the Public Utility Commission at Austin, Texas, and is available for public inspection in each of the Company's Business Offices in the State of Texas. A summary of the Company's rate filing has also been sent to the Mayor's office of each affected Municipality.
