Muleshoe Has Two Entries In IL State Meet In Austin This Weekend

JIMMIE CLYDE HOLT

Jimmie Clyde Holt, junior, is Muleshoe high school's second athlete to qualify for the year's annual Interscholastic Track and Field Meet to be held the coming weekend in Austin.

Jimmie won second place in the 880-yard run in the regional meet, winding up one stride behind the first place boy, who set a new record for the event.

Jimmie has lettered in football, basketball, and track the last two years, and has another full year of eligibility and will be seen in next year's contests in these three sports. He is the son of Mr. and Mrs. Clyde Holt of Muleshoe, who were to attend the state meet.

ROALD "BUCK" JOHNSON

Roald "Buck" Johnson proved himself to be a versatile competitor by winning the right to represent this region at the State Interscholastic Meet in Austin this weekend in both literary and track departments.

Buck won first place in the mile at the Regional meet held in Lubbock. At the same meet he won first place in senior boys' declamation.

He will compete for state honors in both these events at Austin. He used a declamation entitled "I Am One" in winning the district and regional contests.

Roald has starred in his high school years in track and in football and has competed in boxing. Besides these activities, he has been one of the outstanding students of his class, winding up his four year course in third place. He averaged 90.25 per cent for the four years, only 1.5 points behind Billy Wayne Wagon, who will be salutatorian.

These figures were released this week by George Glover, high school principal, who reminded that Roald is in second place among the boy graduates. Myra Hogan will be the valedictorian.

Roald is a son of Mr. and Mrs. Fred Johnson, who will be at Austin Friday and Saturday to watch their son perform, and Roald will have the best wishes of everyone in his two important contests.

B'ball Scrimmage Friday Night

Muleshoe girls basketball squad will scrimmage the Springlake high school girls here Friday night, Coach T. J. Bailey announces, and said the public is invited to watch.

The candidates for next year's team have been practicing some in their physical education period. Coach Bailey said the scrimmage Friday night will give some indication as to what may be expected in girls' basketball next year.

Students Win At Band Meet

Lloyd Alsop and four of his band students went to Plainview Sunday to attend the second day of the two-day music festival of Region One, Interscholastic League.

The four students attending with Mr. Alsop were: Don and LaVon Copley, Pat Inman and Wanda Cawthorn. All came back with prizes. Don Copley won 1st place in 1st division on his trombone solo "Blue Bells of Scotland". LaVon Copley won 2nd in 2nd division on a Clarinet solo and 3rd in twirling. Pat Inman won 2nd on her Tenor Sax solo and 2nd in twirling. Wanda Cawthorn won 2nd in twirling.

TOM THUMB WEDDING TO BE ON TELEVISION

Mrs. Mabel Bristow's expression-class and kindergarten pupils will present their "Tom Thumb Wedding" on television on May 16, 5 to 6 p. m. The wedding was staged here the night of April 26.

Morrison Had Formal Opening

Morrison Motor Co., Chrysler and Plymouth dealer, formally opened their new home, located at West 1st and North Ave. C with an all day open house last Saturday. D. L. Morrison and Carroll Goss, co-owners, expressed their pleasure at having so many visitors.

There were favors for the kiddies, coffee and doughnuts for the grown-ups. The visitors were shown through the fine new plant and there were new Chrysler and Plymouth automobiles for them to examine.

L. C. Houston, district manager for Chrysler Corporation, and Mrs. Houston attended the opening. Mr. Houston told The Journal-Chrysler Corporation is proud of its Muleshoe dealership and the new quarters.

Morrison Motor has taken the territory distributorship for Kendall motor oils, and a representative of Ohlenbush Oil Co., of Lubbock, the jobbers, was present for the opening event.

Methodists In Conference Here

The 4th quarterly conference of the Muleshoe Methodist Church was held Monday evening, May 4, in the church with Dist. Supt. Boyd, of Plainview, presiding.

Reports were made from various officers and the pastor, H. W. Hanks, who reported that he had received 35 members in the church this year and a total of 150 during his stay in Muleshoe. The annual conference will be held May 27 through 31 at Abilene in St. Paul's Methodist Church.

On May 21, Rev. Boyd has asked the 32 pastors in his district to Plainview for a meeting. At the noon hour the pastors and their wives will be his guests.

After adjournment of conference Monday evening, the men assembled in Fellowship Hall where they were served sandwiches, ice cream, and cake, by some of the ladies of the church.

Officers were elected for the Methodist Men's Brotherhood, as follows: Horace Edwards, president; David Weyer, vice-president; Billy Don Barbour, secretary-treasurer. The committees will be elected later.

The Brotherhood will meet the second Monday evening of each month in Fellowship Hall at 8 p. m., following the meeting of the Board of Stewards at 7 p. m.

To Hold Youth Activities Week

The Progress Methodist Youth Fellowship is planning a grand and inspiring time for everyone who attends their Youth Activities Week. It will be held the first week in June at the Progress Methodist Church for all young people between the ages of twelve and twenty-three.

The purpose of this program is "to help youth discover the will of God and live by it." The program will include worship, discussion, special features, group singing, recreation, and refreshments. A schedule will appear in The Journal when definite plans are made.

SINGING SUNDAY AT MAIN STREET CHURCH

There will be a singing Sunday afternoon, May 10, at the Main Street Baptist Church in Muleshoe. Everyone is invited. It is a regular monthly event, attended by many out of town singers. Singing will start at 2:30 o'clock.

DAUGHTER VISITS

Horace McAdams and wife, Anna Lucy, and children, of Amarillo spent Tuesday night with her parents, Mr. and Mrs. Clyde Bray. Mrs. McAdams attended the Eastern Star meeting.

VISITED IN PLAINVIEW

First Graders Register May 15

Jerry Kirk, Supt. of Muleshoe schools this morning made the following statement affecting children who expect to enter the system next fall:

On May 15, 1953, we would like for every child that will be eligible to enter the first grade in September to come to school for pre-registration. They may ride the bus if the parents cannot bring them; however, if they ride the bus, they will have to stay at school all day. We are holding this pre-registration for first graders in order that we may know just how many students for which we will have rooms and teachers for next year. I request that the students report to the first grade building for registration.

It is the policy of the school that every student enrolling in the system must have a birth certificate.

A student may enroll for the 1953-54 school year if he is six years of age on or before the first day of September of that year.

I certainly hope that everyone can see fit to bring the students to school so that we can have a true picture of our enrollment.

Auction Sale Of Machinery Here Saturday

Announcement of machinery and equipment auction sale here Saturday, May 9, was made this week by the management of Muleshoe Livestock Auction. The equipment sale will begin at 10 a. m. and will be completed by the time of the regular weekly livestock sale in the afternoon.

The sale will be conducted on the grounds of the auction company, whose sales pavilion is located in the east part of town on the Sudan highway.

Already consigned to the sale are a large number of used and new pieces of equipment and the reader is referred to an advertisement in this week's paper for details.

The auction company is expecting a very good run of cattle and hogs this coming Saturday. They said some good cows and calves will be here for the sale and some fine feeder shoats will be offered to the livestock men of this area.

The implement sale is the first to be held in Muleshoe and it was intimated that if sufficient interest is shown there will be more of them in the future.

Pleasant Valley Bureau Met

Pleasant Valley Farm Bureau met recently in regular session with Harry Engelking, president in the chair. Andy Andreas was elected as secretary.

After the business session, Dave Eaton, county agent, gave a very informative talk on "Cotton". He also announced that Lamb County was to have four Dutch exchange students for the summer. Oscar Allison and Doyle Turner each volunteered to take one of them into their homes.

The program chairman, D. Turner, presented a musical program by local talent. Refreshments of cookies, coffee, and punch were served.

Guests included Mr. and Mrs. E. J. Stone, Mr. and Mrs. Fife and daughters, of Sudan, Mr. Scott, Sr. and Mr. Scott, Jr., Mr. Eaton, and Mr. Rogers of Littlefield.

VISITS WITH DAUGHTER

Earth FFA Will Stage Its Rodeo This Week End

In a recent meeting of Springlake F. F. A., Lexie Branscum, F. F. A. president, was named as Arena Director for the Second Annual Springlake F. F. A. Rodeo. This year's rodeo will be presented at Earth Rodeo Arena at 2:00 p. m. Friday, May 8 and 8:00 p. m. Saturday, May 9. There will be a parade in Earth at 1:15 p. m. Friday.

Muleshoe and Hart F. F. A. Rodeo Teams will be competing with Springlake for the team trophies.

Others heading committees for the Rodeo are Don Randolph, Clifford Bills, Eddie Hayden, Doug Higgins and A. J. Jones.

Co-op Gin Is Planned Here

Plans for a Co-op Gin were formulated by a group of twenty-five farmers, who met in the Bailey County Farm Bureau office here Monday night. A. W. Copley was named temporary chairman, Wiley Baker temporary secretary.

It was decided to build a two unit gin if interest of the farmers in the territory warrant a plant of this size. It was decided the gin will be located in Muleshoe.

Community chairmen were appointed, as follows:

Progress: Tom Watson and Wiley Baker.

West Camp: Jimmy Wedel and W. E. Curtis.

Southwest of Muleshoe: Ralph Ethridge.

Y. L.: Robert Blackwood.

Pleasant Valley: Edgar Broyles.

North of Muleshoe: Luther Hall, J. R. Wilson, and Mr. Moon.

Northwest of Muleshoe: W. B. Harlan.

These chairmen are to contact their neighbors and to report back at a meeting to be held the coming Monday night, May 11, at 8 o'clock in the Farm Bureau office. If farmers are not contacted by a community chairman, they are invited to attend the next meeting and learn more about the proposed gin.

Borger To Host Lions Convention

The Lions Club met Wednesday noon at Gerald's Cafe and discussed the coming District Convention to be held in Borger on June 12 and 13. Ralph Krebs of Lubbock gave the Lions a brief outline as to the procedure at such conventions, and what was expected of the delegates.

A motion was made and carried that the Lions Club put in the Muleshoe Boy Scouts hut in top condition.

Visiting guests were Buddy Blackman, Muleshoe; James Anzeley and L. L. Kelso of Earth.

Sixty-Six Seniors Candidates For Graduation; High Students Listed

Myra Hogan, daughter of Mr. and Mrs. Roy Hogan, of Muleshoe, will be the valedictorian of the Muleshoe school senior class of 1953, according to announcement of George Glover, high school principal, who completed his analysis of grades for the four years course this week.

Myra had a four year average of 93.0875, Mr. Glover said.

She has been active in volleyball in her junior and senior year, a member of the annual staff both years, made "Who's Who" in her junior year for her excellence in Math, Commerce and Spanish, and was a member of the Student Council for her junior year.

Wagon Is Salutatorian

Second best student in the senior class of 1953 is Billy Wayne Wagon, better known as an athlete than as a student to most people. Billy Wayne's four year average was an excellent 92.00, Mr. Glover announced.

Billy Wayne, who is the son of Mr. and Mrs. B. H. Wagon, was a member of his freshman football team and lettered on the varsity squad in his sophomore, junior, and senior years; was a member of the FFA all four years, of the Student Council 3 years.

Billy Wayne last year won the junior class chemistry award and was outstanding in Voc. Ag. also in his junior year.

Commencement exercises will be held at 8 p. m. on Friday, May 22. Baccalaureate services are set for Sunday, May 17, at 1 p. m., both to be held in the high school auditorium.

Commencement exercises for the eighth grade will be held Thursday evening, May 21, at 8 o'clock.

Mr. Glover said there are 66 members of the senior class this year. A complete list of those who will graduate will not be made public before May 15.

Cemetery Ass'n. To Meet May 14

The Bailey County Cemetery Association met Thursday evening, April 30, in the Judge's office.

A nominating committee was appointed composed of Arnold Morris, Mrs. R. L. Jones, and Byron Cwynn, to select six candidates to fill three places on the Board. Mervin Wilterding and W. B. McAdams terms expired and there is one vacancy caused by S. C. Beavers moving to Fort Worth.

Mr. McAdams asked to be relieved on account of his health, and too, he stated he had been serving for a number of years. The nominating committee acted upon his wish and did not place his name on the list. Those whose names were placed on the list were: Mervin Wilterding, Troy Atkinson, Mrs. J. T. Eubanks, C. B. Watkins, Mrs. Naomi St. Clair, and Gordon Murrain.

The next meeting of the Bailey County Cemetery Association will be Thursday evening, May 14, at 8 p. m. in the District Court room in Muleshoe.

All interested in the Bailey County Cemetery are urged and invited to attend this meeting.

Local Highway Employees Given Dept. Awards

District No. 5, Texas Highway Department and T. P. E. A. held their annual barbecue at the McKenzie State Park at Lubbock on Saturday, May 2. Employees and their families enjoyed meeting old friends, and several sport games and entertainments.

S. C. McCarty, district engineer, presented several awards. Among those receiving awards was C. McMahan, who was awarded a gold pin for 13 years safe driving. He has driven more than 300,000 miles for the state without an accident.

Also, A. O. Terrell and K. W. Mills were awarded a one year card. The three men are all of Muleshoe.

At 7 p. m. barbecue, coffee, soda pop, ice cream and cake were served.

Three Hurt In Car Accident

Three persons were hospitalized as the result of a head-on collision between two cars on the outskirts of Muleshoe Saturday afternoon.

Mrs. J. H. Chilton, 28, of Lamesa, suffered a broken ankle, bruises, and cuts. Her 13-month-old son, Jeffery, who was riding in the car with her, was not injured.

The other two hurt were occupants of a 1952 Nash which officers said, was coming into Muleshoe on the Clovis highway. The wreck occurred near the city limits at approximately 3:45 p. m.

Coney Ridd of Sudan, and Salvador Mosquade of Clovis, were badly shaken up in the accident. They were hospitalized and treated for abrasions and lacerations.

Officers reported that Mrs. Chilton was driving toward Clovis when the accident happened. Both cars involved in the accident were heavily damaged.

Wimberly Heads Local Teachers

The Muleshoe Classroom Teachers association met in a regular business session Monday, May 4, in the junior high school. A report of the district IV Workshop, which was held in Plainview May 2 was given.

Mrs. Elsie Farnell, Texas Classroom Teachers president, said that the theme of the organization should be "Seek, Serve and Share."

Those attending the Workshop from Muleshoe were Mesdames Ola B. Jones, John Watson, and Miss Mittie Hill.

New officers of the local organization for the coming year are: Mr. Willie Wimberly, president; Mrs. Ed Johnson, vice-president; Mrs. Christine Rutherford, recording secretary; Mrs. Ola B. Jones, treasurer; Mrs. Katherine Sanders, corresponding secretary.

He has been in the Army for a months and while serving in Korea was promoted to First Lieutenant. He and his wife will be home after the first of June.

House Plan No. 19

Straight Lines For Economy

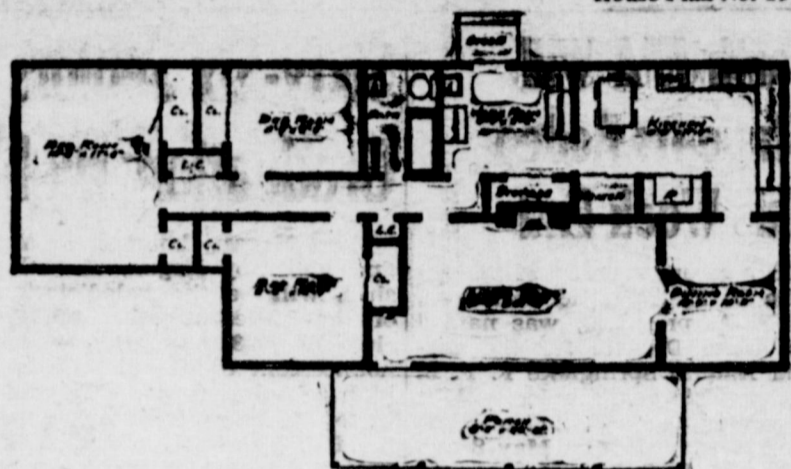

This Farm and Ranch Plan No. 19 is a convenient and well arranged, and can be built at a minimum cost, yet it has the little extras that mean so much in daily living.

The floor plan of the kitchen shows space for a heater. It may be a gas or oil fired hot air heating unit. Placing the heating unit here makes the trunk line air duct lead over the central hallway, supplying hot air to the rest of the house. The returning air is brought back under the floor, with a minimum of duct work required. However, if you do not want this kind of heating unit, the space can be used for a closet.

The workroom, adjacent to the kitchen, is big enough for a washing machine, lavatory, hot water heater, and freezer chest. Also, there is a large storage closet.

Since the kitchen, workroom, and bathroom adjoin, the plumbing is run in a straight line along the real wall, which is an economy.

The bedrooms are roomy and well-ventilated, and have an unusual amount of closet space.

Two large linen closets open into the hall, and the bathroom contains storage space for bathroom linens.

In the living and dining rooms a sense of spaciousness is created by the wide opening between them.

The front entrance in the small off-set in the living room offers a certain amount of privacy when someone calls at the door. And the large front porch will always be a comfortable spot for warm summer evenings.

If you like this general arrangement but prefer a smaller house, just leave off the large bedroom with its closets. Your house will still be attractive, and the bedroom can be added later without making any structural changes.

You can obtain blueprints for this The Muleshoe Journal Farm & Ranch Plan No. 4919 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch—Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number, Plan No. 4919. Blueprints are adequate for any farmer carpenter or for any farmer handy with tools.

CARD OF THANKS

Many thanks and our heartfelt appreciation to the folks of Farwell, Muleshoe, and vicinity for the money, clothes, and household things they gave following the R. L. Hoffman fire of last week. Thanks to all.

clothing and school attendance. The Schilpzand household has four of these children and they will be in their home until about November. Many of the children made homeless by the flood are now living in Sassenheim.

Rehabilitation of the land, ruined by the salty sea water which inundated rich farm areas, presents perhaps the biggest problem. A costly process has been used to remedy this situation, the alternative being to let nature, by way of rains, etc., eliminate the salt in some seven years and so make the soil productive again.

After the meeting one of his listeners approached Schilpzand and presented a check for \$25 to be turned over to proper authorities in Holland. Mr. Schilpzand said he would take some three hundred dollars, voluntarily contributed, back to Holland with him to be applied where most needed.

LOCAL STUDENTS WILL GET TECH DEGREES

Two Muleshoe students are listed for graduation at Texas Tech College, Lubbock, in ceremonies to be held May 25. Alton G. Taylor will receive his bachelor of science degree in agricultural economics; Glen Edwin Berry will receive the bachelor of science degree in electrical engineering.

Other area students and the degrees they will receive are: Winfred Duwayne Meyer, Sudan,

BS in agronomy; Claude S. Patton, BS in agricultural education; Mary Jo Gaston, Sudan, BS in Math; Dorothy Guinn Magness, Friona, Bachelor of music.

GUESTS OF MORGANS

Loy Arnold and wife, and son, Loy Morgan, of Lubbock, spent the week end here with the Hoyt Morgans.

HERE FROM DALLAS

Miss Patsey Goodson, sister of Mrs. Ellen Gupton, is visiting here from Dallas. She is a niece of Mrs. Mary Hart.

Schilpzand Tells Of Holland Flood

Edward Schilpzand, of Sassenheim, Holland, representative in America of the great bulb fields, recently brought members of the Muleshoe Lions Club a first hand story of the devastation wrought in a large section of his country by the flood that struck from out of the North Sea on February 1 of this year.

Schilpzand, who has been visiting in Muleshoe for several years, reminded that the calamity took a toll of 1500 lives, leaving 40,000 homeless, inundating 400,000 acres of land, damaging 133 villages, drowning 50,000 animals and causing a loss of \$300 million.

The area affected by the flood comprised only 5 per cent of Holland territory but devastation was intense.

He told of the nation's efforts to overcome the dreadful effects of the flood. The Holland nation considered the disaster to be one for national action and the whole population was brought in to relief measures. A national emergency tax was levied to rehabilitate the stricken area; children were brought into other communities for food, shelter,

Students Give Rotary Program

A group of high school speech students entertained members of the Rotary Club and guests at the noon luncheon of the club Tuesday. They were accompanied by their instructor, Mrs. Beatrice Mahon, and the school superintendent, Jerry Kirk. The program was in charge of Harry Waddle.

Lavon Kruger gave her declamation, "An Echo Here and There." Barbara Steward's declamation was titled "I Shall Not Pass This Way Again." Instead of giving her declamation, Marlene Campbell sang for the club, ending her delightful performance with "May the Good Lord Bless and Keep You," with Mrs. Mahon accompanying at the piano.

Guests of the club included Ken Kendrick, Clovis; District Judge E. A. Bills and Bobby

Rogers, court reporter, Littlefield; John Ragland of Lubbock; and Benny Bickel, outstanding high school student.

L. S. Barron was named as chairman of a committee to arrange for the annual installation and ladies night banquet to be given by the club on the evening of June 30. Clyde Holt, Paul Scott, and Ray Franz are other members of the arrangements committee.

Bureau Endorses Agriculture Dept. Reorganization

Bailey County Farm Bureau Monday night endorsed the national administration's plan to streamline the Department of Agriculture. In resolutions adopted the body urged Texas Senators Lyndon Johnson and Price Daniels and Rep. George Mahon to support Reorganization Plan No. 2, which is the plan for the streamlining.

Bill Millen, president, gave a report on the progress made by the cotton committee in its efforts to secure additional cotton classing facilities.

Attending the meeting were: Millen, Joe Sooter, Sec; Jimmie Wedel, Ralph Ethridge, Earl Darsey, Robert Blackwood, M. H. Skinner, Truitt Smith, H. E. Schuster, O. C. Thomson, A. W. Copley, Lester Howard, and W. R. Carter.

A group of cotton farmers met with the directors to discuss the possibility of a Co-op Gin. The cotton farmers organized with temporary officers and committeemen.

Parmer County Farm Bureau

By RALPH SMITH

Parmer County Farm Bureau Officials feel that members in the county can claim principal credit for passage of the new Texas Warehouse Act, relating to operation of licensed warehouses in the state. Texas Commissioner of Agriculture, John C. White discussed the new law Monday and Tuesday, as he addressed plains grain dealers in Amarillo. So far as we know, this is the only county introducing a resolution on this subject, and it was unanimously adopted at the State Convention and finally introduced in the Senate by Andy Rogers. It is now a state law.

Dairy men in this area, and everywhere, will appreciate the dairy plan recommended to Secretary of Agriculture Benson by American Farm Bureau Federation. This plan proposes a national sales program to off-set surpluses and consequently keep demand great enough to hold prices at a profitable level without the necessity of high, rigid supports. The latter, of course, would necessarily sanction strict control of production and marketing, which producers naturally do not favor extensively.

Aubrey Ellison, legislative chairman, Hadley Reeve, Secretary-treasurer, Earl Stevenson, director and Cordie Potts left early Monday morning to attend a special bi-state Farm Bureau meeting in Abilene. There, the Agricultural Act of 1949 is being discussed. It becomes law in 1955, according to the present schedule. John C. Lynn, AFBF Legislative Director of Washington will lead the discussion. Since amendments to the act will very likely be desirable before the effective date, Farm Bureau leaders feel that all county leaders should become familiar with its provisions so they can suggest intelligent improvements to the farm members who should

Area Men Go To Washington On Cotton Plan

Balford Rochelle, Rocky Ford farmer and member of the legislative committee of the Farm Bureau was selected as one of two representatives to Washington, D. C., on a commission to seek changes in cotton classing rules and in the Lubbock cotton classing office.

Rochelle and Raymond Aikin, of Hale county, were chosen to represent the 40 Farm Bureaus on the South Plains and each of 10 county Farm Bureaus will donate \$40 toward the expense of the trip.

Purpose of the trip is to talk to as many officials as possible to try to get the CCC to recognize the spot and light spot classification in making cotton loans. This would mean a considerable difference in payments to cotton producers, the Farm Bureau stated.

The selection of the two men for the trip was made at a meeting held Saturday in Lubbock.

High Winds Of Past Few Days Gave Farm And Ranch Lands A Battering

FORT WORTH, May 5 — High winds over a two-day period, tearing at powder-dry cotton lands and at ranch lands with little or no grass cover, have given farm and ranch lands over a wide-spread West Texas areas their worst battering of the nearly ended wind erosion season. Blowing extended west to Yuma, Arizona.

Millions of acres of unprotected cotton lands, much of it freshly planted, were yielding soil to the wind and undergoing the added damage of sand accumulations in luster rows.

Reports received by Regional Director Louis P. Merrill, of SCS said that farther to the west, range lands were suffering their worst damage in the memory of residents. Large acreages were blowing for the first time.

In the Lower El Paso Valley irrigation sector, winds of more than 60 miles an hour had blown the soil from young cotton or

cut tender stems with moving sands on the sandy soils.

Dust and sand cut visibility at many points to zero. Sandy lands and soils with high lime content were taking the worst beating in the area north and west of Big Spring, SCS Area Conservationist W. S. Goodlett reported to Merrill. Goodlett predicted a sharp increase in acreage of moderate and severe soil damage. Areas bearing the brunt of the wind damage included the Tahoka, Midland, and Brownfield sections, he said.

Listed lands, which resisted the wind's force in recent months no longer are able to stand up to the attack and are steadily breaking down, Goodlett said.

Cotton Fields Blowing

A Lubbock, SCS Area Conservationist Homer Taff reported nearly all dryland cotton fields in his area are blowing. Most stubble, which would have given protection against the wind's force, has been plowed in the preparation of land for cotton planting. Only hard lands in that section have escaped extensive damage, Taff added.

From Van Horn, Assistant Regional Director, E. W. Allred, proceeding eastward from El Paso, reported that young cotton stands on sandy soils in the irrigated valley were being destroyed by blowing. Highway traffic was forced to halt at times because of blowing dust and sand.

Allred reported that the almost bare range in that section has suffered its worst blow damage in more than 30 years.

"There is little or no grass cover on much of this land to prevent blowing," Allred said. "The wind has been lifting dust from the range into the air and whipping sand along at ground level."

Merrill said severe soil blowing can normally be expected to end about this time. How-

CHRISTIAN SCIENCE SERVICES

A Lesson-Sermon entitled "Adam and Fallen Man" will be read in Christian Science churches on Sunday, Genesis 1:27-31; "So God created man in his own image, in the image of God created he him; male and female created he them. And God saw everything that he had made, and, behold, it was very good."

The point will be made that only one of the records of creation given in the book of Genesis can be divinely true. Mary Baker Eddy, the Discoverer and Founder of Christian Science, says in "Science and Health with Key to the Scriptures: "The Science of the first record proves the falsity of the second. If one is true, the other is false, for they are antagonistic. The first record assigns all might and government to God, and endows man out of God's perfection and power. The second record chronicles man as mutable and mortal, as having broken away from Deity and as revolving in an orbit of his own. Existence separate from divinity, Science explains as impossible" (p. 522).

The Golden Text is from Ephesians 5:14: "Awake thou that sleepest, and arise from the dead, and Christ shall give thee light."

TO HAVE TWO PIANO RECITALS

Mrs. E. H. Kennedy will hold two piano recitals this coming week. One on Monday night for beginners and intermediates, and one on Tuesday night for advanced students. Time for both will be 8:00 o'clock p. m., and both will be held in the auditorium of the old First Baptist Church. Everyone is invited to attend.

loaded electrical wires and lack of protection from lightning.

But the farmer and city dweller share equal risks in the home. Four thousand farm residents die each year from accidents inside the house. Thus, home safety is a prime starting point in eliminating accidents which rob families of their livelihood.

Now that another season is underway, a little more caution and advance planning may help assure you of being around when the time comes to reap the harvest from seeds you're planting today.

By John C. White, Commissioner

FARM SAFETY MEASURES

Farming is a dangerous job. The risks are physical as well as financial. In the last year of record, about 15,000 U. S. farm residents were killed in agricultural accidents. Another 1,300,000 were injured.

Each farm is a separate sphere of management and operation which involves a wide variety of activities and working conditions. The heavy toll of accidents caused by these different farm tasks wipes out some 17 million man days of labor every year.

Texas farmers may face one of the major accidents creating situations this year, labor shortages. When hired help is scarce, the farmer takes on more of the work load. He toils longer hours and becomes tired long before the job is done. As a result, he is tempted to take risky short cuts or postpone needed repairs on machinery and buildings, his sets the stage for crippling accidents.

Farm machinery is the big killer. Careless handling of equipment causes many mishaps but even a careful operator may be hurt if he is running broken or worn machines.

ever, with drought conditions still prevailing over much of Western Texas and Oklahoma, unprotected soil is bound to blow so long as winds are active.

"Go-togethers"

Newlyweds and the electric freezer-refrigerator combination are perfect go-togethers.

The small family finds ample storage space in the freezer compartment of the combination, and gains the economy that the big family finds in the home freezer.

Roasts, stewing chickens, ham, and other economy meat cuts can be stored and made into individual meals that are both economical and attractive. Thus you end the usual "cooking for two" expense, which usually means expensive "one time" meat cuts.

When there are two, and the marriage is new, it's the freezer-refrigerator for you.

Bridal Shower For Mrs. Seales

Mrs. Kenneth Seales was honored with a bridal shower, Friday afternoon, May 1, in the home of Mrs. Finis Jennings, with the freshman girls of Laz-buddie acting as hostesses.

Norene Clark, Peggy Bethel, Clo Ann White, Sherry Steinbock, Mina Jennings, Nealy Steinbock, Fresia Jesko, Earlene Peterson, and Shirley Ann Carpenter.

The bride's chosen colors were blue and white and the color scheme was carried out with beautiful carnations and white stock. The tables were covered with an imported white lace table cloth and centered with an arrangement of carnation stock and candles. The honoree was presented with a blue carnation corsage and her mother was presented with a white one.

The mantel was beautifully decorated with blue and white candles, blue carnations and white stock. It was centered with two large white satin hearts, decorated with blue ribbon.

Nealy Steinbock played the wedding chorus as the bride entered. Earlene Peterson, accompanied by Nealy Steinbock at the piano sang "I Take Thee Dear" and "The Wedding March."

Sherry Steinbock presided at the guest book, and Mina Jennings at the punch bowl. The hostesses wore white crepe aprons with blue ribbons.

Refreshments were served to the following guests: Mesdames White, H. W. Carpenter, Jimmie and Mary, Herman Bethel, O'Dell Press, Wesley Barnes, Earnest Merriott, Elbert Nowell, Claude Pruitt, Joann and Thelma, Elmer Houston, Alford Steinbock, and Tresia, Frank Hinkson, Barbara, Loyd, and Billie, Alvaldia Jennings, Laura Treider, Leonard Gosner and Mary, Jackie Looper, J. D. Carpenter, James Welch, Leota Mahon, H. L. Ivy.

Rebekahs Met Monday Night

Muleshoe Rebekah Lodge met in regular session Tuesday night with Noble Grand Argille Millen presiding.

The members voted to serve lunch at the community sale which will be held at the sale barn Saturday May 9. Each member is asked to bake a pie and bring it in by 9:30 Saturday morning.

After the meeting was closed everyone enjoyed a social hour. Refreshments of potato chips, pickles, cake, coffee and cokes were served by Myrtle Freeman, Clara Lou Jones, and Norma Duke.

MRS. HOWARD HONORED ON 94th BIRTHDAY

Mrs. Annie Howard was honored on her 94th birthday May 3, in the home of granddaughter and grandson-in-law, Mr. and Mrs. W. L. Taylor.

Relatives attending were her daughter and son-in-law, Mr. and Mrs. Jim Stokes. Great granddaughter and husband, Mr. and Mrs. H. D. Holley. Three great great grandchildren, Patsy Ann, Charlotte and Eddie Holley. Other guests were Mr. and Mrs. W. Q. Holley.

Mrs. Howard came to Muleshoe in 1917 and has lived most of the time since in this area.

BOBBY PITTMAN NOW STATIONED AT BILOXI

Bobby Pittman, who recently completed his airmen basic indoctrination course at Lackland AFB, San Antonio, is now stationed at Biloxi, Miss. His wife, Mrs. Diana Pittman, has joined him there.

Dr. and Mrs. G. A. Pittman, Bobby's parents, took Diana to Biloxi, and returned home early this week. They said Bobby and Diana both liked their new home very well.

The Pittmans were caught in a flash flood at Hammonds, La., and were "stranded" there about three hours. This is the town where several people drowned but the local people got out ahead of the worst part of the flood and report a nice trip other than the flood experience.

YOUTH REVIVAL CLOSED

The Youth Revival of the First Baptist Church closed Sunday evening after a successful four-day session. Jim McKinley, student of Wayland College, Plainview, conducted the services. John Murphy also, of Wayland College was in charge of the singing.

BARRONS MAY SEE BIG GUIDED MISSILE EVENT

Muleshoe may have had two representatives at the announced experimental firing of a guided missile on the desert near Las Vegas, Nev., set for today. Mr. and Mrs. L. S. Barron left Tuesday afternoon for Albuquerque to join his sister and brother-in-law for the trip to Las Vegas.

The relative thought that the party might get to within 7 miles of the point of firing the missile, and was sure he could get within 17 miles, and thought the greater distance probably would be near enough.

Perhaps the Barrons will be in position to give The Journal a first hand report for next week's paper.

VISITOR FROM LUBBOCK

Mrs. W. M. Pool, Sr., of Lubbock, visited here last week with her sons, Lee Pool and family and Myron Pool and family and with other relatives.

BABSON Discusses — Business Success

Babson Park, Mass., May 7. — About 22,000,000 young people are currently enrolled in Grammar Schools. Of these, about 7,000,000 can be expected to attend High School.

TO WHAT GROUP DO YOU BELONG?

Of these High School students, only about 2,000,000 will go to College, and even fewer will actually graduate therefrom. This means that of the 22,000,000 Grammar School pupils only 9% will complete their education by going on to a State University or other College.

As one who has founded three Colleges which are successfully teaching Business Administration, I want now to talk to the approximately 70% who will be quitting High School and will not attempt a College education. I further add to these the many millions who have quit, in the Grammar School grades, during past ten years but are still young enough to earn.

IMPORTANCE OF TYPEWRITING

I hope that every reader is proficient in reading, arithmetic, spelling and typewriting. If you are not, it is your own fault. If you are not proficient in these four subjects, you had better go to night school and catch up. If you have not a typewriter, you had better buy one at once. Very few who cannot operate a typewriter get good jobs.

What I am about to say is not criticism of College Degrees. They are worth what they cost in time and money. I am a graduate of the Massachusetts Institute of Technology and am proud of it.

Those four years taught me "to do what I didn't want to do when I didn't want to do it", which is one important fundamental of success. I further highly commend night schools, correspondence courses and many other forms of "Extension Education" which are open today.

HOW TO GET A COLLEGE EDUCATION FREE

But here is my real message: Any industrious and spiritually minded person can get the equivalent of a College education by referring each day to four books: (1) The Short Bible, published by the University of Chicago; (2) Webster's Collegiate Dictionary, published by the Funk & Wagnalls, New York; and (4) any standard Encyclopedia. All these books can be ordered through your local book store. Probably there are other books which cover the same ground. I have no direct or indirect financial or other interest in these four except to use them daily.

I wish especially to say something about Encyclopedia Sets. I believe they offer the greatest value for their cost of anything you can buy if you will use one every day. If I were an unemployed young man, I would get a job selling Encyclopedias and work up until I was General Sales Manager of the company. It is a work into which I could put every ounce of strength and intelligence. In fact, I would offer the above four books in one package as a "College Education."

EVERY JOB OFFERS GREAT OPPORTUNITIES

I was once employed by the

SAND HILLS PHILOSOPHER Favors New Idea In Warfare Of Offering Reward For Enemy Planes Turned In

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must think he's a military strategist, the way his letter this week sounds. Dear editor:

I saw in a copy of a newspaper which fell out of a small whirlwind out here the other afternoon along with four pieces of wrapping paper and, several un-paid bills where the United States army over in Korea is offering \$50,000 for any enemy officer who delivers a Russian-built jet plane to the Allies.

This struck me as a good idea and I wonder why it wasn't thought up earlier. I don't have any idea how many Russian planes we'll get this way, but it sounds like a bargain and I would like to see this new style of war carried even further.

Why not offer say \$10,000 for every enemy tank delivered to us, and come on down the scale, \$5,000 for every platoon, \$100 for every rifle, hand grenades \$6 apiece, canteens two-bits, etc.

Curtis Publishing Company to discover some kind of industry, from the manufacture of baby foods to coffins, in which no one had yet made a million dollars! I utterly failed to find such an industry. Furthermore, I found that the heads of these successful businesses had come up through different departments, some as stenographers, some as bookkeepers, some as salesmen, some as "common laborers" at the bench. Some of them had been very poor; some were crippled; and most of them had no College education. But many of them used each day the four above-mentioned books or their equivalent.

It is important that you get into the department for which you are best fitted; but every job in every industry offers a great future to those with character, industry, initiative and persistence. I care not whether you are white or black, poor or well-to-do, married or single, young or old, with or without a College education, every reader of this column has great opportunities today.

Yours faithfully,
J. A.

MULESHOE BOYS MEET IN JAPAN

Here is part of a letter received by Mrs. Shelton Smith from her son Jimmie Smith, who is serving aboard the USS Dixie. Jimmie is in the watch repair shop on the Dixie. Their ship tends and repairs destroyers. They spend 5 days of each month in Pusan, Korea.

The letter is as follows: April 24, Sesabo, Japan Dear Mother; Just a few lines to say hello. Hope you enjoyed your Easter visit to Snyder with Susie and J. B. I know you were glad to get home and see all your grandchildren.

Boy, did I get a surprise yesterday. I went on a sightseeing

and be headed in the right direction. This was as real to him as the magnetic force was to the ship captains of Gloucester in bygone sailing vessel days.

As a memorial to my father, I have installed in the Gloucester home a ship's compass in the center of the room where he taught me to pray. As ship captains use the compass to help bring them to port, this compass in my home serves as a reminder to me to keep on God's invisible beam and be headed in the right direction.

PRAYER

O God, we know that Thou dost exist, that from everlasting to everlasting Thou art God. Thou art all-knowing, all-powerful, all-loving. We pray that Thou will guide us with Thy counsel. Give us the quietness and self-control to take time to listen to Thee. In our Redeemer's name. Amen.

THOUGHT OR THE DAY

"I will instruct thee and teach thee in the way which thou shalt go."

Roger W. Babson, Statistician (Massachusetts)

Today's Meditation

CHRIST, THE HEAD OF THE HOME

Thou shalt guide me with thy counsel. (Psalms 73:24.) Read I Peter 3:8-13.

I was born in a house, now known as 58 Middle Street, built in 1750 at Gloucester, Massachusetts. Daniel Rogers, my great-grandfather, had twenty-one children in this house. It was always said that as the doctor brought a new one in the front door, Daniel Rogers sent one out the back door to make his living on the seas!

My father was a great believer in prayer for guidance. He learned that by listening to God

tour of a town about 20 miles from here. Went through a lot of factories and saw the world's largest pearl farm. Took a lot of pictures and will send some soon as possible. While I was gone the ship got a radio message for me that Ray Lynskey was on a ship about 200 yards from us. Wanted to know if I was aboard. He left a message that he would be over this morning. He came aboard this morning and we sure had a lot to talk about.

He just came from parts of the front line. Will only be here a week. My division officer gave me tomorrow off. Sure is a small world, isn't it?

We will take pictures tomorrow and send you some. That's all for now.

Love, JIMMIE

VISITED OGLETREES

Mr. and Mrs. Obed Willbanks and son, Robert, of Seymour, visited here over the week end with Mr. and Mrs. L. E. Ogletree and family. Mrs. Ogletree and Mrs. Willbanks are sisters. Mr. Willbanks, a teacher in the Seymour schools, said they had a long weekend since the town closed down Friday, May 1, for the annual "fish day", a day when everyone stops business and goes to Lake Kemp for the day.

Miss Barbelle, Bill Stinson Married Apr. 6

The wedding of Miss Vaughn D. Barbelle, daughter of Mrs. Wilfred J. Barbelle of Fall River, Mass., and William Stinson, USN, son of Mr. and Mrs. Isaac Stinson, of Muleshoe took place at 3 p. m. Wednesday, April 6, in the rectory of St. Peter and Paul's Church. Rev. Cornelius J. Keliher performed the ceremony.

Given in marriage by her uncle, Herbert F. Manchester, the bride wore a chapel length gown of white nylon net and chantilly lace in rosepoint pattern, fashioned with a nude illusion neckline, a fitted lace bodice and long lace sleeves. The bouffant skirt of nylon net featured a flounce of scalloped Chantilly lace terminating in a cathedral length train.

She wore a matching lace bandeau accented with iridescent sequins and pearls fastened to an imported French illusion chapel length veil. She carried a prayer book mounted with two orchids and streamers of lilies of the valley.

The maid of honor, Miss Eileen Nicoletti, wore a full-length gown of light blue net over taffeta styled with fitted bodice and bouffant skirt and a matching cape. She chose a half crown of lilies of the valley and Windsor veil. She carried a crescent bouquet of burnt orange talisman roses.

Robert O'Brien served as best man. A reception followed at the home of the bride. For her wedding trip to Boston, the bride chose a light blue dress with white and navy accessories.

Mrs. Stinson is employed at the Union Hospital. The groom is in the U. S. Navy and is enroute to Korea.

Philathea Circle To Hold Banquet

Ticket sales indicate that one hundred twenty five mothers and daughters will attend a Mother-Daughter banquet Thursday night at 8:00 o'clock, in Fellowship Hall. The Philathea Circle of the Methodist Church is sponsoring the banquet for the purpose of raising funds to be used in purchasing carpeting for the aisles of the proposed Methodist Church. The income from ticket sales will be invested in bonds and will draw interest until carpeting is needed for the new church. The banquet takes place two nights before Mother's Day, and the theme of the program will be the honoring of mothers.

Prizes will be awarded the oldest and youngest mothers, the newest mother, and the mother with the most daughters present.

Thurman-Crew Vows Exchanged

Mr. and Mrs. T. Thurman of Crane, formerly of Muleshoe, have announced the marriage of their daughter, Betty, to T-Sgt. Gerald Crew of Osceola, Iowa and St. Joseph, Mo. The double ring ceremony took place in Clovis, N. M., on May 2, 1953. Attending the couple was Walt Dalgren of Reese Air Force Base, Lubbock.

Betty was a graduate of Muleshoe High School in 1951. She had attended the Muleshoe schools eleven years. After graduation she began social work in Lubbock, working as secretary-stenographer for the Salvation Army.

The couple will reside at 1411 8th Street, Lubbock. T-Sgt. Crew is stationed at Reese Air Base, having just returned from a four year tour in Japan.

West Camp HD Club Organized 18 Years Ago

By Mrs. Bert Williams
The West Camp Pollyanna Club was organized in 1935 with over twenty charter members. The first County Home Demonstration Agent was Miss Alma Stewart who is now Mrs. Hale and is County Agent in Monahans. The next few years was Mrs. Newman, Lily Gentry, and Grace Patterson as County Agents. It is interesting to note that these women have made life long friendships with some of the members and still correspond with them.

Mrs. Adair was the first president of the club. Some of the projects completed since the club organized are garden tile, foundation patterns, yard furniture, and fireplaces, metal trays, leather tooling, textile painting, feather comforts, home improve-

T. E. L. Class Met In Shook Home

The T. E. L. Class of the First Baptist Church met May 5, with Mrs. Lois Shook for business and a social.

Mrs. Henry Harvey opened the meeting with prayer, and Mrs. Grace Winn brought the devotional, reading Heb. 11. Each of the Vice-presidents brought good reports. "The visit to Girls Ranch" was reported by Mrs. Beulah Motheral. The business meeting was then adjourned and a social hour followed with Mrs. Lovie Benson presiding.

Refreshments of spiced tea, mints, and cookies, were served to Mmes. Birdie Paul, Emille Snow, Mary Finley, Lovie Benson, Allene Dyer, Grace Winn, Beulah Motheral, Dora Riddle, and two visitors, Charles Horsley, Mrs. Henry Harvey, and hostess Lois Shook.

Bailey Women Join In Observing H D Week

Progress Club First Founded In This County

(Written by Mrs. W. G. Kennedy, of Grady, N. M.)
The First Home Demonstration Club in Bailey County was officially organized after the Bailey County Commissioners Court met with Bailey County women at Baileyboro in March 1935.

The Progress Community had a club known as the Triple T Club organized by the women in that community, who were looking forward to the time when an agent could be secured. Of those who were members in 1935, there are now in the Progress Home Demonstration Club these members: Mesdames J. J. Gross, Harold Mardis, Davis Gulley, Abert Davis, and Gordon Murrah. Through the years the club has worked in cooperation with their agents and the Texas Home Demonstration Association.

Vera Baker, now Mrs. W. H. Judd of Seattle, Washington. The president now is Mrs. Wilbur Thomas who is working efficiently with the women on their program of work as outlined by the Texas Home Demonstration Association and the demonstration agent, Mrs. Dian Reed.

The THDA (as we usually speak of it) board consists of president, vice-presidents, secretary, treasurer, and the editor of the Messenger, and the chairmen of the 5 standing committees: Education, 4-H, Legislation, Recreation, and Marketing. These committees make recommendations to the board which are presented to the delegates at the state meeting for approval.

Good reading is urged. Study of the county budget, legislation pertaining to THDA ideals, consumer marketing and cooperative buying, and working with and sponsoring 4-H clubs are some of the program recommendations. All are planned toward making better homes, better citizens and neighbors, and better leaders.

Progress club is proud to have had two district vice-presidents on the THDA board. One is Mrs. W. G. Kennedy, now of Grady, New Mexico was in turn state treasurer for two years and state president for the next two years.

Progress club is also proud to be one of group of women among the 43,000 Texas women who make up the THDA with the theme of 1953, "Home, The Cornerstone of Freedom."

Early in 1935, Mrs. Jess Pruitt, who lived just over the line in Farmer County, invited her neighbors in nearby Progress Community in Bailey County, to a meeting at her home for the purpose of organizing a Home Demonstration Club in the Farmer County Community.

The meeting was so impressive and outstanding that the visiting women decided to organize a club in the Progress Community even though the county had no agent. They planned to combine their efforts with other women in the county in obtaining an agent for Bailey County.

A meeting was held in the Progress School building, and officers were elected. Miss Vera Baker, now Mrs. Judd, was the first president. The club was named the Triple T Club. It carried that name for several years

but later was renamed the Progress Home Demonstration Club. The first meeting dealt mainly with planning to cooperate with other clubs and women of the county in arranging an all day meeting and basket dinner at Baileyboro at which time the proposal for hiring a Home Demonstration Agent was to be put before the County Court.

It was a windy day in March but the weather did not faze the hopeful women. The program and dinner was a success. We like to think it helped in the decision of the county Judge and Commissioners to revise the budget and make arrangements for a Demonstration Agent to come to Bailey County to work with the women for the improvement of county living.

First Demonstration Agent

In April of 1935 Miss Alma Stewart of Bell County, a graduate of T. S. C. W. came to Bailey County as County Home Demonstration Agent by appointment of Miss Lida Cooper, district agent of District 2. Miss Stewart is now Mrs. Hale of Monahans. I remember Miss Stewart came to my home a few days after she arrived in the county. I was making soap in a big pot in the yard. Miss Stewart came up with a broad smile and I knew immediately that she was our new agent.

Sure enough she introduced herself and said she was trying to meet all the women she could

and find when and where the club would meet. She said Bailey County was her first place as an agent and she was like a little girl with a new doll. She could not wait to get started on her work. Miss Stewart's friendly manner and enthusiasm along with her efficient training was just what the women of Bailey County needed to get them off to a good start in Home Demonstration Club work.

The Progress Club enjoyed many fine demonstrations from Miss Stewart and cooperated with her just as they have with every other agent coming to Bailey County.

Attend Short Course

The Progress Club financed two delegates to the Farmers Short Course at College Station in August, 1935. One of the members' husband, Walter Gaston, drove a school bus and took twenty-four women from the county and three 4-H Club boys to the short course. The bus did not have comfortable seats as they do today. We sat on seats made of boards which grew rather hard before our long journey was over. We drove over twelve hundred miles, visiting Galveston, Sugar Land prison farm, Austin and San Antonio after attending the short course. After the club was organized over a year was missed in sending delegates to short course as long as the Extension Service sponsored them.

The Progress Home Demonstration Club inspired its women to go forward in home organization and club work. Besides the many women who have served as officers in the Club and Council, they have sent two district Vice-presidents to the Texas Home Demonstration Association following her term of vice-president.

A decade ago I moved away into another state. However, I am glad I live near enough to keep in touch with the Home Demonstration Club there and

observe what a wonderful work they are still doing. After ten years I still feel the strong desire and inspiration the Club instilled in me to make my own home and that of my neighbors a better place in which to live.

Perhaps it is because the Progress Home Demonstration Club is the first Home Demonstration Club to which I belonged that I have such a feeling of warm affection for all the members. It is a tie like that of our old home of our early years.

40,000 Texas Women Take Part In Home Demonstration Week

Mrs. Dian Reed, Exley Co. HD Agent, has called attention to annual Home Demonstration Week, being observed May 3 to 9, and she tendered the following article telling about the event.

College Station, May 2 —More than 40,000 women will be hostesses to Texas during National Home Demonstration Week which will be celebrated May 3-9.

According to Bonnie Cox, acting state home demonstration leader, this week is annually set aside for club members to join with neighbors and friends in paying tribute to their efforts to make "Today's Home Build Tomorrow's World." This is the theme of the week for the 3,000,000 members of clubs in the 48 states, Hawaii, Puerto Rico and Alaska. Texas club members

are planning their observance around, the theme, "Home, the Cornerstone of Freedom."

Miss Cox says each member will be host to a woman who is not a member of an organized home demonstration club, clubs will give recognition to members who have been in the work since its beginning in the county, and the councils will honor members who have achieved the status of "result demonstrator" in some phase of family and home improvement. Other county observances will be special radio and television programs, tours, exhibits, newspaper and magazine features, and meetings.

8th OBSERVANCE

Started by the National Home Demonstration Council this is the eighth annual observance. Jennie Williams, of Wyoming, president, says, "Some communities are aware of the workings of home demonstration clubs, others not at all. Perhaps members can spend a little more time this spring to make 1953 the year when several million more Americans find out what Extension, through its program

Home demonstration work started with the home, but world affairs have a definite bearing these days on better living for rural families. Through the Texas as Home Demonstration Association, members in 3,000 clubs are sharing in the building of extension programs in Bolivia by contributing money for its support.

Mrs. B. M. Harris, Hale County, is president of the Association which is holding annual spring meetings in each of twelve districts at present. The state convention will be held at Galveston, September 30, October 1 and 2.

Lutherans Will Receive Service Peoples Offering

Members of St. John Lutheran Church, Lariat, Texas, will join with 5,000 congregations of The Lutheran Church Missouri Synod next Sunday, Mother's Day, to receive an offering for the Church's Armed Services Commission, the Rev. W. B. Gummelt, local church pastor, announced today.

The Commission, which has its executive offices in Washington, D. C. ministers to the spiritual welfare of The Lutheran Church Missouri Synod's 35,000 young men and women in the military.

Its program has been hailed by church and military leaders as the "most comprehensive and effective" service carried on by any church among the military. A lead article in a widely-circulated national news magazine recently lauded the Commission for its "outstanding job" to service people.

The Commission's ministry begins when each individual member when he first enters the service. He is sent an initial packet containing a Lutheran Identification tag, Service Prayer Book, Scripture pocket calendar and several tracts.

The serviceman's name and military address, sent to the Commission by his home pastor, is forwarded to the nearest chaplain or contact pastor of the Church. One hundred and twenty six chaplains and 400 contact pastors are cooperating in this effort. In addition, the Commission, with the assistance of 142 hospital pastors serves Lutherans confined to Veteran's Administration hospitals.

Dairy Judging Team To A & M

Muleshoe high school's dairy judging team, composed of Leon Harvey, David Allen, and Hugh Ottwell, took part in the dairy judging contests held last week at A. & M. College. Hugh was high point man for his team.

The boys were accompanied by their instructor, Carroll Wilson, who said they had a very good time while on the trip, but they still didn't know whether they won a place or not since they were not in the gold medal division.

Billy Wayne Wagnon also accompanied the boys and took a test to try for the opportunity award.

with sermon and hymns, Loyalty, Christ and Country, along with a folder, Directory for Service people, listing the locations of Missouri Synod Lutheran chaplains, are mailed to the service people. Double-Time, a pocket news magazine containing pictures and items of Lutheran interest, is mailed quarterly.

Forty-five Lutheran Service Centers, located in the United States and overseas, are being supported by the Commission for the purpose of spiritual counseling and informal hospitality to service people during their off-duty hours.

This comprehensive service program is financed solely through the Mother's Day Offerings held in Synod's churches throughout the United States and Canada.

Governor's Chair Fits Muleshoe Boy

James McWhorter, 7 year old history enthusiast in the Muleshoe Grade School, turned a quick answer into a special reward April 30—he sat in the governor's chair.

James and his father, J. E. McWhorter, a sign and floral shop owner here, had been on their way home from Tyler when the youngster asked his dad to drive 400 miles out of the way to Austin "just to see the governor's chair."

At the state capitol, they introduced themselves to Gov. Shivers. McWhorter told the governor he had been talked into the side trip because his youngster has shown such profound interest in history.

The father and son stepped into an elevator with Shivers to go to the second floor of the capitol where the governor's office is located.

"When did Texas join the Union, son?" asked Shivers.

"1845," James replied promptly.

"He really knows his history, doesn't he? Come on, son, you're going to sit in the governor's chair," said the governor.
