## Kitty's Korner

By  
Kitty Montgomery

I've heard the saying many times "I don't understand all I know about that." That's sort of the feeling I get when they discuss the leasing of the hospital to the Shamrock Group, or the Shannon Hospital Satellite organization.

On the one hand, it will increase Ozona's medical care facilities, and on the other it will close the hospital for patients who require lengthy stay.

They say Medicare requirements have become so stringent, it is almost impossible to admit a patient. Does this also apply to those Ozonans who have private insurance and are not on Medicare.

Of course, without surgery and the delivery of babies, the hospital is already little more than an emergency station for aid while being transferred elsewhere.

I asked and have been assured there will be no change in kitchen and care center personnel, but that about 40 jobs will be lost in the hospital area. Will this not have an impact on Ozona's economy?

Monday there were three patients in the hospital. Two of these were care center patients. So if a staff of 40-odd is required for a small patient load, it does seem a little ridiculous. I understand that 8 R.N.s and 4 LVN's are required, whether or not there is even one patient in the hospital and that does seem a little extreme.

The two doctors on the staff at present take opposite sides in the matter. The organization wanting to lease, has promised 24-hour care with a physician on duty. They will remodel the south end of the hospital for doctor's offices, four examination rooms and two holding rooms, renovating and resupplying as they go. Other rooms in the north end would be made over for care center residents, or some of the rooms.

Everybody concerned agrees that something must be done, but nobody agrees on what. I certainly do not know the answer. If there is a more thankless job than being in law enforcement, it has to be accepting an unpaid spot on the hospital board. We have a good board with intelligent, hard-working people, and I would have to go along with their recommendations.

Another meeting with the group is planned and Judge Fields has that all members of the court be present when this discussion takes place. We can hope for the good of all that wisdom and intelligence prevails.

I've had a couple of locals ask me why we are calling to ask their plans for the summer, etc. Let me assure you, no member of the Ozona Stockman staff is charged with this duty. We found out a long time ago this sort of thing tends to anger people. We quit reporting when people were on a trip until they arrived home, after a couple of homes were broken into while the family was vacationing. We are glad to have your news, know where you have been on a trip, and know who your visitors were. But no member of this staff will be making telephone calls to that effect. We would be glad to have you call us however.

## Mrs. Piner services held in Meridian

Mrs. Ray (Olean) Piner, 83, of Meridian, died Monday July 15, in a Meridian hospital. Funeral services were held at 10:00 a.m. Wednesday, July 17, at St. Olaf Lutheran Church, Cranfills Gap, Texas.

Mrs. Piner was born on Jan. 31, 1902 in Meridian. She was raised and educated in Cove Springs, Texas. She attended Scott-White School of nursing and became a nurse in 1927. She married Ray Piner Jan. 10, 1929 in Meridian. They lived near Ozona until 1962 when they returned to Meridian.

Survivors are one daughter, Edith Davis of Meridian; two sons, Ray Piner, of Garland, and Tom Piner of Plano. Also two sisters, Mattie Knudson of Meridian and Christina Knudson of Meridian; one brother, S. B. Carlson of Meridian, 9 grandchildren and 3 great-grandchildren.

New sign for CC National Bank. Workmen were busy last week putting up the new sign at Ozona's newest bank. The lighted sign will have the time and temperature.

## Commissioners Court reviews budget and hears reports

The Crockett County Commissioners Court met Monday, July 15, in regular monthly session. The date was changed from the second Monday in the month in a called meeting held earlier.

Reports from various department heads were given and County Auditor Dick Kirby reviewed the proposed budget for 1986. There were increases in all departments, with a 5% salary raise figured for all county employees and elected officials. The three commissioners present declined the salary increase for their positions, due, no doubt, to their part-time status. Commissioner B. W. Stuart was not present.

The hospital budget was deferred until a later date, until the hospital board and court make some decisions on the future of the hospital. They are presently negotiating with outside groups to lease and operate the hospital.

Jo Davidson, Ann McCartney, Glenda Henderson and Marie Pierson met with the court as members of the Care Center Auxilliary. Mrs. Davidson spoke to the court on behalf of the specially equipped van for the center. Fund-raising and individual donations have brought the Care-A-Van fund almost to the half-way point, and the court was asked to contribute \$5,000 toward the purchase of the \$20,000 vehicle.

It was determined the general fund has enough surplus to comply with the request and the court agreed to make the money available. The decision drew applause from the auxiliary members present.

Mrs. Davidson explained to the court the van will be a county vehicle and asked the court to be responsible for the upkeep and insurance. She pointed out Wagoner-Perry Motors has submitted the lowest bid, and this includes maintenance for a period of two years. With the contribution from the county and the Blue Grass Festival which will be held next month, the

committee feels the van will be purchased and in operation by September.

Jim Wilson, chief deputy, appeared on behalf of the Sheriff's Department. He asked for an adjustment in salary for Hector DeLaGarza, who is a deputy sheriff, but still on jailer salary. His request was granted and will be known in the 1986 budget. He was also given permission to purchase dress uniforms for the department, an amount which is already budgeted for this year.

Eddy Moore, who is filling in for Onesimo Ortiz, acting road department head who recently suffered a heart attack, gave the report for the department. Some personnel problems were discussed, and Moore was told not to pay employees who take off without notifying the office and having a valid reason. Moore also told the court his intention to apply for the position of road superintendent.

In giving the Civic Center and Youth Center report, Garland Young, reported the cooling in the building is working very well and that bookings were increasing daily. The Civic Center was closed briefly this summer to repair the cooling units. He also reported plans are underway for a back-to-school dance.

Bob Falkner appeared for the Ozona Volunteer Fire Department. He was given permission to purchase four nozzles for fire hoses at \$250 each. He also reported seven members will be going to fire school at A&M this year. Registration has increased and almost doubled for the school. Falkner said the school budget would need to be raised next year. He also indicated the possible need for a new booster truck, but could not justify the request at this time. He said the department needed a little more time before submitting the 1986 budget.

Hospital Administrator Don Hopkins gave the hospital and care center report. He acknowledged if two care center patients were not residing in

## WTU increases fuel cost savings to be refunded

West Texas Utilities Co. has increased by \$3.9 million the amount of fuel cost savings it wants to refund to its customers, bringing the total to \$17.6 million.

This amount reflects the fuel cost savings achieved in June, and a lump sum refund of the remaining balance reconciled in the Company's last rate case.

The June fuel savings totals \$1.6, with interest. The figures for June were not available when the original request to refund \$13.7 million was filed with the Public Utility Commission on July 2.

The additional \$2.3 million requests a lump refund of fuel cost savings balance, plus interest, realized prior August 1984. Under the Commission's order in the Company's last general rate case, refund of the total savings commenced in mid-November 1984 and is scheduled to be completed in November 1985.

The Company has concurred in the

PUC staff's recommendation that the remaining balance be refunded in one lump sum along with the fuel accumulated since last August.

The Company estimates that the increased refund will add about \$9 to the \$32 refund already requested, for a typical residential customer.

## Tracey Harris wins Disney contest

Ozona Television System, which offers the Disney Channel on local cable, was notified Monday that a local girl was a winner in the Summer Animation Festival Sweepstakes, by a telephone call from the corporate office in California.

Tracey Harris, daughter of Mr. and Mrs. Charles Harris, won a Mickey Mouse watch with her entry, which was submitted from the monthly Disney Channel Magazine.

## Another honor goes to school

Ron Barbutti, school architect, announced Thursday that the Ozona Heritage School project has been awarded another honor. Barbutti, meeting with the Ozona Board of Trustees, announced he has received notification the project has been selected to be featured in the Exhibit of Meritorious Architecture at the Texas Association of School Administrators-Texas Association of School Boards Fall Conference in San Antonio on September 28-30. It will compete with other school architectural ventures for additional statewide recognition.

Barbutti also gave the trustees a progress report on the restoration project, and following board discussion, the members voted to accept his recommendation that the project be designated "substantially complete". Plans are being made to move school furniture and equipment into the building as soon as possible, and formal dedication ceremonies are tentatively scheduled to be held in September.

Board members accepted the resignation of Steve Kenley, school business manager, and Thomas Hanson, math teacher and coach at Ozona Middle School. Mae Lay, accounting clerk for the district, was hired for Kenley's position, and Susan McMullan was employed to assist her.

The Board also announced two additional hirings. Bill Williams, a 1970 graduate of Sul Ross State University, was hired to teach third grade in Ozona Intermediate School,

and Debbie Porter, girls volleyball and track coach at Mertzon, was hired as social studies teacher in Ozona Middle School. She will assist Rhonda Yarborough, head girls coach, in basketball and track.

The bid of Bolain Equipment Company was accepted for the purchase of two nineteen passenger school buses, and bids for the purchase of school cafeteria equipment were also accepted.

The Board voted to sponsor a review course developed by the University of Texas at Austin that is designed to support professional educators in reviewing skills that will be measured by the Texas Examination of Current Administrators and Teachers (TECAT) next spring. The review course consists of an all-day workshop led by a specially trained presenter and will be free of charge to Ozona teachers.

Assistant Superintendent Ted Cotton gave the board a report on the 1985 Texas Assessment of Basic Skills and the members reviewed school policies, athletic department training rules, and student insurance.

At the conclusion of his report on the TABS results, Cotton stated that in looking at the results of the tests for the past six years, it is evident that Ozona teachers have been working extremely hard in teaching these skills to the students. Much progress has been made since the first tests were administered in 1980, and it could not have been accomplished without good, hardworking teachers.

## Charges result from high speed auto chase

Another high speed chase last Tuesday night resulted in the arrest of a 39-year-old Oregon man and multiple charges filed against him. The chase started at the rest stop 15 miles west of Ozona when Trooper Neil Lovorn attempted to stop a car he said radar showed was traveling at 77 miles per hour in a 55-mph zone. The driver slowed and turned into the rest stop, but then accelerated, heading west at a high rate of speed.

Lovorn radioed for assistance after it became apparent the driver had no intention of stopping. The driver, Norman Bruce Welch of Portland, Oregon, was driving a rented car. He turned the headlights off and was traveling at 100 miles an hour when he approached a moving roadblock set up by Trooper Jesse Malone and Pecos Constable Earl Malone. Both officers had to take evasive action to avoid a collision with the fleeing vehicle.

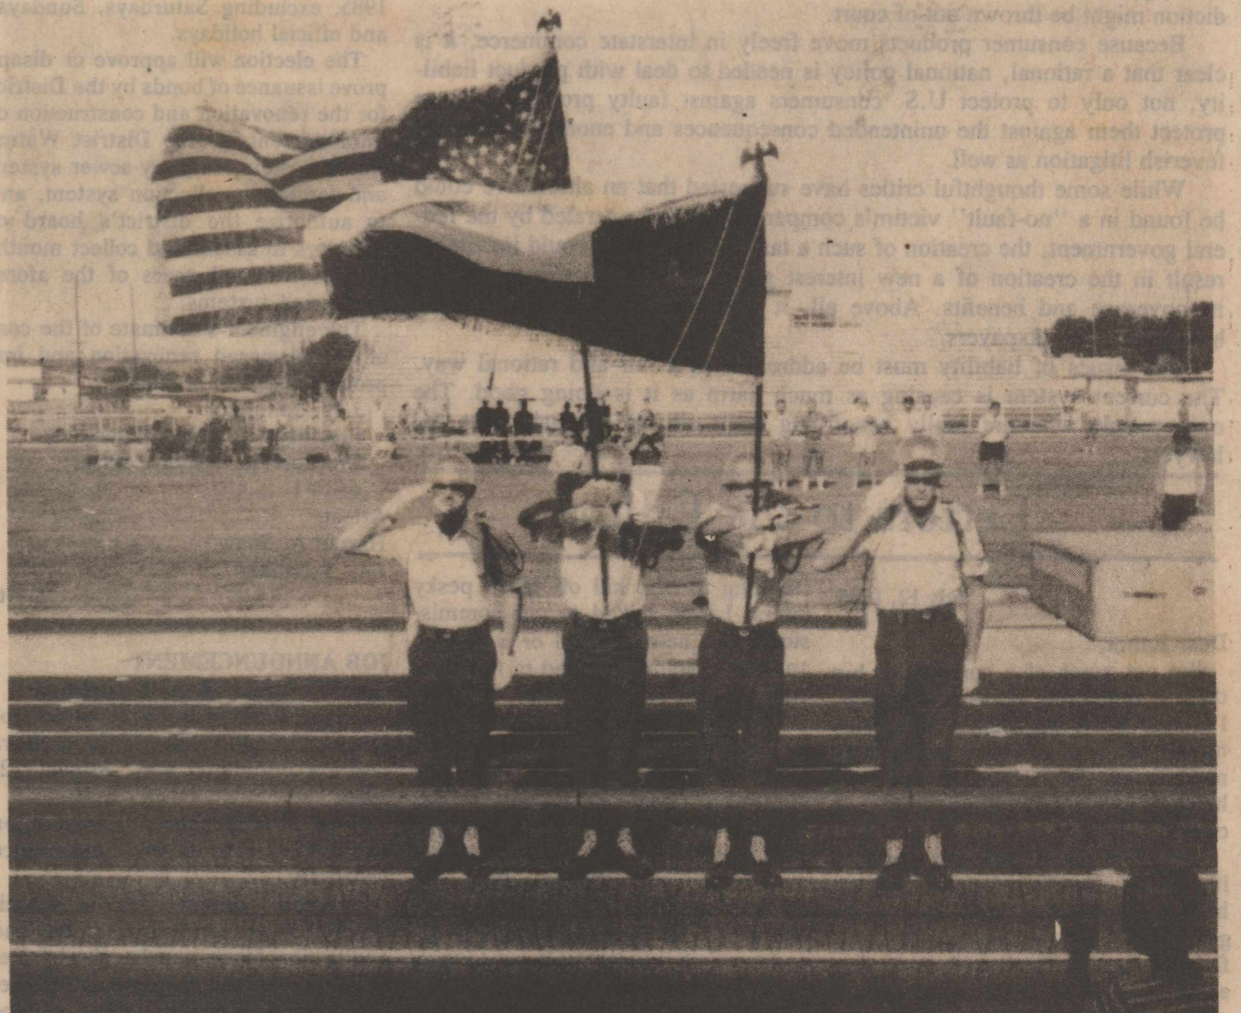

Welch was finally arrested about 11 p.m. near Sheffield after his car veered off I-10 and crashed into a fence. He was not injured by any of the eight shots fired at the vehicle during

the latter stages of the 20-minute chase that covered 29 miles. He was fired at after he drove directly at law enforcement vehicles in life-threatening situations.

Welch was arraigned before Peace Justice Elsie Mirikie at Sheffield on a felony charge of aggravated assault on a police officer and misdemeanor charges of driving while intoxicated, fleeing a police officer and speeding.

At last report, Welch was being held in Pecos County Jail in Fort Stockton in lieu of \$15,000 bond on a felony charge of aggravated assault-threat with a deadly weapon and \$1,000 bond on the driving while intoxicated charge.

## AN EPIDEMIC OF LAWSUITS

By Edwin Feulner  
 Since 1974, the number of product-liability lawsuits filed in federal courts has risen by more than 500 percent — costing U.S. companies, and ultimately consumers, billions of dollars, much of which has ended up in the pockets of attorneys.

The listing of lawyers in the Washington, D.C., "Yellow Pages," for example, now takes up more than forty (That's right, forty!) pages. This army of legal briefers includes a number of superstars, such as Baltimore Orioles owner Edward Bennett Williams. In addition, former Vice President Walter Mondale and other out-of-office politicians who refuse to go home are practicing here, as are many others who apparently make a living chasing ambulances and product-liability cases. There is even one law firm named Accident Associates, which specializes in "personal injury claims arising out of . . . dangerous products." Many of the law firms which specialize in such practice advertise "no fee if no recovery," meaning, of course, that they'll use any dirty trick in the book to win a case, because if they don't win they don't buy a new Lincoln Continental or Mercedes.

The product-liability epidemic has hurt consumers in other ways. Extremely high product-liability insurance costs have led some manufacturers to drop certain product lines rather than face nuisance suits. Connaught Laboratories, for example, discontinued production of its DPT (diphtheria, whooping cough, typhoid) vaccine for several months because it could not obtain liability insurance, resulting in a temporary nationwide shortage of the important childhood vaccine. Merrell Dow Pharmaceuticals, a subsidiary of Dow Chemical, discontinued production of the drug Bendectin, considered the only safe and effective treatment for women suffering from severe nausea during pregnancy, when the cost of liability insurance reached \$10 million annually, nearly equal to Bendectin's \$12 million to \$13 million annual sales revenues.

There are hidden costs as well. For instance, it is now estimated that 20 percent of the cost of a single stepladder goes to pay for liability insurance, lawyers, and other such costs.

When a product-liability case goes to court, the only people who usually make out are the lawyers. According to a Rand Corporation study of liability cases from asbestos-related injuries, attorneys walked away with 63 percent of all damage awards.

Currently, there is no one standard for determining when and if a company or individual should be held liable for injuries resulting from an allegedly harmful product. The different states have different rules. Twenty states don't even have product-liability laws. In some jurisdictions, a person might be entitled to damages, while a similar injury in another jurisdiction might be thrown out of court.

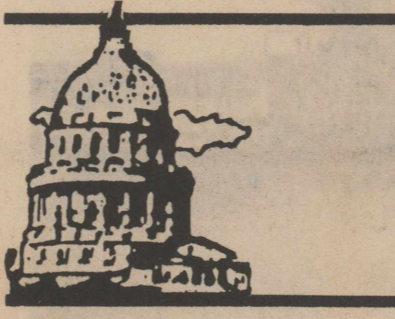

Because consumer products move freely in interstate commerce, it is clear that a rational, national policy is needed to deal with product liability, not only to protect U.S. consumers against faulty products, but to protect them against the unintended consequences and enormous costs of feverish litigation as well.

While some thoughtful critics have suggested that an alternative could be found in a "no-fault" victim's compensation fund operated by the federal government, the creation of such a tax-financed fund would inevitably result in the creation of a new interest group to lobby for expansion of its coverage and benefits. Above all, it would again place the ultimate burden on U.S. taxpayers.

The issues of liability must be addressed in a fair and rational way. The current system is causing as much harm as it is doing good. The only people who are really benefiting from all the confusion are the lawyers.

## Letters to the Editor

July 12, 1985  
 Dear Editor,  
 I'm not much of a complainer but there is something I'd like to express. I'm sure everyone realizes how frustrating it is to have to battle with mosquitoes. Sometimes it can't be helped but then sometimes I think it could.  
 I've tried many different possibilities to have someone help us out, out here at the Crockett Apts. but I can't get a response from anyone. When it flooded months back and the water stood and stood for a good month afterwards and became stagnant; I called and asked if either the state, county or landowner would please spray the weeds or the top of the water

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams  
 TEXAS PRESS ASSOCIATION

**AUSTIN**—The Texas Supreme Court last week took politics out of the "no pass, no play" law by declaring it constitutional, but pre-campaign activity was stepped up in the attorney general's race.

One Republican announced he would challenge Democratic incumbent AG Jim Mattox, and three other Republicans say they are lined up to follow suit.

Mattox, meanwhile, was all over the field in an aggressive display of the power of his office. Friend and foe alike concede Mattox is one of the best campaigners, bar none, in the state.

**10 Most Wanted**  
 He stepped up his war on fathers who fail to make child support payments by announcing a list of high-dollar delinquent dads.  
 Mattox called the regional lists the "10 Most Wanted", and asked state newspapers and television and radio stations to print or broadcast the names.  
 Mattox said his agency will

## Public Notices

### PUBLIC NOTICE CROCKETT COUNTY WATER CONTROL & IMPROVEMENT DISTRICT #1

Notice is hereby given of an election to approve or disapprove the issuance by Crockett County Water Control & Improvement District #1 (District) of bonds in the maximum amount of \$950,000 and bearing interest at the maximum rate of 15% per annum and with a maximum maturity date of twenty five (25) years.

The election will be held from 7:00 a.m. to 7:00 p.m. on August 10, 1985, at the Crockett County Courthouse in Ozona, Texas, and absentee voting will take place at the District Office at 511-11th St., Ozona, 8:00 a.m. to 5:00 p.m. July 22, 1985 thru August 6, 1985, excluding Saturdays, Sundays, and official holidays.

The election will approve or disapprove issuance of bonds by the District for the renovation and construction of improvements to the District Waterworks System, sanitary-sewer system and sanitation collection system, and to authorize the district's board of directors to assess and collect monthly fees from all users of the aforementioned systems.

The engineer's estimate of the cost of the proposed renovation and improvements is \$774,000.

J.W. Johnigan  
 President, Board of Directors  
 Crockett Co. Water Control & ID#1

### JOB ANNOUNCEMENT Crockett County Road Department

Applications will be received for Crockett County Road Supervisors position until 9:00 a.m. August 12, 1985.

Road Maintenance, construction and employee supervision experience necessary.

Interested persons should submit application to the County Judge and application forms can be obtained at the County Road Department Office, the County Auditors Office or the County Judges Office.

Crockett County is an Equal Opportunity Employer.

buy advertisements if free space/time isn't provided.

**Pass-Play Rule**  
 The High Court's upholding of the no pass-no play rule will probably end the ruckus and lawsuits over the controversial new law which requires students to pass all courses or give up extracurricular activities.

In dozens of cases this spring, lower court judges ordered school districts to drop the prohibition on sub-par students' non-class activities.

Mattox said the ruling is a clear signal to lower courts to quit tinkering with the law, which the Legislature passed last summer when it reformed the public school system.

**Student Competency**  
 Another hotly contested reform, the "pre-diploma" test, is also about to get under way.

The State Board of Education is giving final approval to the test version which will be used to rate high school students before they graduate.

High school juniors who fail the exam will be required to take remedial classes, and, if they do not pass it by the end of their senior year, they cannot graduate on schedule.

Secrecy as well as controversy now surrounds the test: board members signed sworn statements pledging not to reveal the contents.

### Mattox Challengers

The candidate who announced last week he would run for Mattox' job is former Williamson County District Attorney Ed Walsh. Walsh, elected last November as a Democrat, switched parties in March. He

### Tips For Gardeners

From the  
Ozona Garden Club  
by Mrs. Bailey Post

Now that we are in midsummer in our area, there may be both a plus and minus side to having a successful and enjoyable time this year. The showers that came our way and gave our landscape gardens a refreshing appearance, left us with hope for a good soaking rain soon.

On the plus side, many flowers are at their peak of bloom, it is a great time for outdoor living in the early morning and late evening. Also the fun of harvesting all kinds of garden vegetables. Do drive around and see the many beautiful and well-groomed gardens in our city.

There is always a minus side too it seems. The first problem is that weeds grow so prolifically to make our streets, vacant lots, business fronts and alleys untidy. Will you help prevent this by doing your share to beautify and keep Ozona clean?

Many beautiful crepe myrtles are in full bloom now, so keep faded flower heads clipped to prolong their blooming. Also, clip hibiscus and althea blooms after fading.

Colorful coleus plants may be used to fill in where annuals and perennials have finished blooming.

The Gloriosa Daisy has proven to be a sturdy plant that will take the hot, dry weather and produce long lasting attractive flowers. Some take the winter fine while others may have to be replaced.

A popular hardy plant that does well here is the blue gray or green foliage evergreen Santolina. It bears small yellow flowers during most of the summer. It is particularly at home around rocks, or can be used for a spreading ground cover.

There is a most interesting article in the July Southern Living on hanging

baskets. I notice that they are popular here in Ozona, so you may want to use some of their suggestions. You can display them on the outside during the summer and then take them inside for the winter months, or you may have a greenhouse, sun room or very bright window.

It is not too late to plant ornamental peppers. Heat-tolerant plants suited to Texas include Holiday Cheer, Holiday Flame and Midnight Special. Be sure to keep the peppers well watered.

### Supper Bridge meets at Couch home

Mr. and Mrs. Joe Couch entertained the Supper Bridge Club Friday night at their home. Co-hosts were Mr. and Mrs. Ted White.

Winning high were Mr. and Mrs. Dick Kirby. Mrs. Sherman Taylor and Mrs. Carl North won second high. Bingo winners were Mr. and Mrs. Jim Dudley.

Others playing were Mr. and Mrs. Lane Scott, Mr. and Mrs. Jerry Perry, Mr. and Mrs. Evert White, Mr. and Mrs. C. O. Walker, and Mr. and Mrs. Buster Miller.

### Mrs. Mason is hostess for bridge club

Mrs. Bill Mason was hostess for the Country Club Bridge Club Thursday in the club room.

High score went to Mrs. C. O. Walker and second high to Mrs. J. J. Marley. Mrs. W. E. Friend won the bingo.

Others playing were Mrs. Clay Adams, Mrs. Joe Bean, Mrs. John Childress, Mrs. Beecher Montgomery, Mrs. Jake Short, Mrs. Sherman Taylor, Mrs. Evert White, Mrs. Charles Williams, Mrs. Gene Williams, Mrs. Jack Williams, Mrs. Tommy Harris and Mrs. Dick Kirby.

Donna Beth Davidson, accompanied by her son and his wife, Mr. and Mrs. Tom Davidson of San Angelo, is touring London and Paris. They are due back later this week.

**MARRIAGE ANNOUNCED**-Mr. and Mrs. William Murphey Black announce the marriage of their daughter, Sue Ellen, to Bradley Wayne Wilson, son of Mr. and Mrs. Warren Duane Wilson of Arthur, Nebraska. The couple was united in marriage in a civil ceremony Monday, July 15, in Alpine. Both the bride and bridegroom are students at Sul Ross University in Alpine.

### Spider mites can cause big problems in home gardens

Spider mites are tiny but they can cause big problems in home gardens.

These pests prefer tomatoes, beans and peas and do most of their damage in hot, dry weather, points out Billy Reager, county agent with the Texas Agricultural Extension Service, The Texas A&M University System.

Spider mites, also called red spiders, are only 1/60-inch in length and vary in color from white to green to red.

The tiny pests can build up quickly and completely engulf plants. They lay eggs on the underside of leaves, which hatch in four to five days. A complete life cycle takes three weeks, and as many as 20 overlapping generations can occur in a single year.

Mites spin a thin web which often can be seen on the underside of an infested leaf. They feed by inserting their mouth-parts into the tissue and sucking juice from the plant. While feeding, they inject toxic substances into the plant, the agent explains.

Infestations of spider mites can be identified by tiny white spots on the

underside of a leaf. Heavy infestations cause bleaching or yellowing, first along the main leaf veins and then throughout the plant. The plant may also shed buds and small fruit. Spider mites can completely defoliate a plant if not controlled.

Control of spider mites is often difficult and requires from two to four

applications of insecticide at five-day intervals. Plants should be checked frequently for spider mites since the pests can build up rapidly.

Insecticides registered for controlling spider mites in gardens are diazinon, kelthane, malathion, ethion and sulfur. However, avoid using sulphur on vine plants as severe plant change could occur. Kelthane usually gives better control, provided it is cleared for the crop.

As always, read and follow label directions on all insecticides, cautions Reager.

Shelly and Kendy Boykin, daughters of Ray and Judy Boykin of Placious, have been spending their vacation time here with their grandparents, Mr. and Mrs. J. D. Brown.

### Consumers express concern about buying fresh poultry

Some Texas consumers are expressing concern about buying poultry labeled as "fresh," only to discover at home that it seems partially frozen, says Texas A&M University Agricultural Extension Service nutritionist Dr. Alice Hunt.

According to United States Department of Agriculture rules, a poultry product may be labeled fresh as long as it is not completely frozen, even though there may be a slight frozen crust on the surface, she says. Most poultry plants now pack poultry in ice and hold it at 28 degrees F., or chill the birds with nitrogen. The results of these quick-chilling processes is a slight crusting of ice crystals on the surface of the birds.

"The surface feels frozen, but the inside is not, therefore the bird is still

basically fresh," Hunt explains. Since it's not frozen, you can cook it using the same temperature and cooking time you use for unfrozen poultry, or you can freeze it for later use, she says.

### Kirby's host 42 Club at Civic Center

Mr. and Mrs. L. D. Kirby hosted the Thursday night 42 Club last week at the Civic Center.

Winning high were Mr. and Mrs. Oscar Kost. Low went to Jean North and Margaret Turland. Bingo was won by Alma Bednar and L. D. Kirby.

Mr. and Mrs. J. W. Johnigan won the 84 prize.

Others playing were Mr. and Mrs. R. L. Brown, Mr. and Mrs. D. W. Keilers, Mr. and Mrs. Jeff Owens, Mr. and Mrs. Jerry Perry, Mr. and Mrs. C. O. Walker, Jean Conner and Mozelle Houston.

## The Courage To Seek

From the beginning, men have sought the sea, venturing out in crafts that were sometimes pitifully small. Some have made their voyages successfully, others have been lost. All over the world there are monuments to those who had the courage to seek the sea, and yet lost their battle with her.

The sea, the sky, the stars, the galaxies... they all have a vastness hard to understand. And sometimes it seems to be that way about the Church and religion, too. There are questions that can never really be answered, mysteries that can never be fully understood. We go into church, and almost despite ourselves we feel an awe and a reverence, and don't quite know why.

Maybe we should just accept it... as we do the sea and the sky and the stars. Maybe we should give faith the chance to make its own transformation, as we voyage on through life.

DISCUS THROW-Bobby Aycock, one of the organizers of the West Texas Track Meet, took part in several events Saturday. The meet, billed as the largest of its kind in the state, drew over 280 entrants and at one time, a crowd of 600.

## West Texas Masters largest in state Sat.

When the dust cleared and the results were in for the Third Annual West Texas Masters Track meet held here Saturday, the 282 entries and crowd of over 600, marked it as the largest masters meet in the state.

Fourteen new overall records were broken as well as 91 new age division records. The popular event drew the best quality athletes of all ages from all parts of the Southern United States.

This year's meet benefited little Michelle Marshall, young cancer victim. The proceeds had not been figured as of noon Tuesday, but were thought to be quite substantial.

Larry Payne from Ozona and attending ASU broke the overall 100 meter dash record with a time of 10.52 seconds. He also set a new overall long jump record of 22'9". Dan Cooke from Corpus Christi set a new record in the 110 meter hurdles in 14.44 seconds and the North Vista Track Club from Hobbs, New Mexico, broke both overall records in the 400 meter relay with a time of 42.69 and the 1600 meter relay with a time of 3:26.00. Courtney Mair of New Mexico set the new record in the 400 meter dash with a time of 48.24 seconds. David Graham of Andrews broke the old overall record in the discus with a toss of 137'2". Brad Winters of Hobbs, N.M. set a new pole vault record with a 15'6" vault. And, Michael Bowles broke the existing high jump record with a leap of 6'8". John Stuckey broke the overall record in the 10 kilometer run with a time of 31:13.5 and his wife Brenda broke the women's existing record also with a time of 38:46.80. Several other overall records were broken during this meet. The track meet lasted longer than

was expected but not in our wildest dreams did we expect this many entries. All persons involved in putting on the West Texas Masters are beginning now for the largest meet ever in 1986 for the Sesquicentennial West Texas Masters. We are expecting bigger and better things to come in the future.

Complete results of the meet follow:  
Men-110 meter hurdles-Div. 1A-Jeff Meyers, 14.98; Div. 1-Thomas Clay, first with 15.99; Derek Turner, second 16.23. Div. 2-Dan Cooke, first, 14.44; Danny Sewell, second, 16.12; Randy Tuerek, third, 16.53. Div. 3-Mike Newman, first, 15.97; Frank Morgan, second, 20.00. Div. 4-Robert Hahn, first, 15.15; Ken Jernigan, second, 19.08. Div. 5-Sheridan Groves, first, 15.74. Div. 7-Bobby Aycock, first, 17.10.

Women's 100 meter low hurdles: Div. 1-Denise Nefr, 17.21; Div. 2-Andrea Chamberlin, 20.91, first; Div. 3-Farra Rains, first, 24.18; Trina Vandiver, second, 25.45.

Mens 100 meter dash-Div. 1A Valdo Galindo, first, 11.42; Ricky Green, second, 11.54; Doug Cavaness, third, 11.71. Div. 1-James Hillard, first, 10.73; Keith Meek, 11.10, second; Jerry Letcher, third, 11.48. Div. 2-Larry Payne, first, 10.52; David Smith, second, 10.98; Steve Anderson, third, 10.99. Div. 3-Gene Maxwell, first, 11.73; David Bolles, second, 11.93; Steve Bolles, third, 11.95. Div. 4-Thomas Acrey, first, 11.24; Tom Bloxom, second, 11.45; Robert Hahn, third, 11.65. Div. 5-Sheridan Groves, first, 11.39; Larry Brock, second, 13.41; Tony Martinez, third, 14.16. Div. 6-Ed Jones, first, 11.37; Bob Hoffman, second, 13.36; Jack Petty, third, 13.37. Div. 7-Roy Turner, first, 11.55; Bob McGlashan,

## Masters track results- - -

second, 12.18; Bobby Aycock, third, 12.74. Div. 8-Francis Johns, first, 14.36. Div. 9-Bob Reiley, first, 12.74; John Kendro, second, 14.18. Div. 10-Max Goldsmith, first, 13.34. Div. 12-Fred White, first, 14.47; Ed Bost, second, 15.84.

1600 meter relay-Div. 1A-Fort Mason, first, 4:10.38 (Bobby Limkins, Doug Caverns, Keith Patterson, Corey Klingelherfer); Div. 1-Menard Track Club-first, 3:26.33 (Ward & Wade Menzies, Charles Hornbeck, Joe McKinney); Div. 2-first-North Vista Track Club, 3:26.00 (Charles Palmer, Courtney Mair, James Hillard, Steve Anderson, Gene Maxur); Div. 3-first-Late Entry-3:58.47 (Don Gibson, Tom Bloxom, Jimmy McBee). Div. 4-Mason 4x4, first, 4:16.90 (Ray Liefeste, Tim Ziriak, Martin Martinez, Philip Meyer); Div. 5-West Texas Flash-first, 4:17.75 (Bob Lomas, Javan Vasburg, Carl Brock, Joe Jeffers) and second place was taken by Permian Basin Road Runners with 6:47.86 (Chuck Chamberlin, John Bahr, Frances Johns, Norm Pittenger).

Womens 1600 meter relay-Div. 2-Permian Basin Road Runners-5:03.78 (Andrea Chamberlin, Alex Rose, Trina Vandiver, Fara Rains).

400 meter relay (men)-Div. 1A-Silver Bullets-first-46.29 (Thomas Clay, Chevy Z., Michael Volante, Richard Mendoza); second place was Sanderson with 49.13 (Peto Perez, Rob Goebel, Ben Brown, Brent Schlinke); third was Ft. Mason, 51.76, (Limkins, Hofman, Patterson, Klingelherfer). Div. 1-first was Fastest 4-44.96 (Ward and Wade Menzies, Joe McKinney, Cody Speck); second was the Lakeview Track team with 45.37, (Shawn Leonard, Ricky Green, Jerry Letcher, Keith Meek).

Div. 2-North Vista Track-42.69 Charles Palmer, Courtney Mair, James Hillard, Steve Anderson; in second was Angelo Rockets-42.94 (Wisdom Loh, Al Gonzales, Charles Hornbeck, Ed Jones); Third was Moosehead Track-44.78 (Larry Payne, Tim Evans, Danny Sewell, Fisher). Div. 3-Barton Creek Track, first, 46.19 (Steve and David Bolles, Mike Newman, David Smith); second place was Moosehead II Track-50.29 (Jason Sullivan, Ray Don Meyers, Don Gibson, Gene Morris); Div. 4-First was Mason 4x4-49.92, (Tim Zirax, Rae Liefeste, Phillip Meyer, Martin Martinez); Div. 5-first-Permian Basin Road Runners, 1:00.65 (Chuck Chamberlin, John Barr, Francis Johns, Norm Pittenger); Div. 7-first-I Start First-48.95 (Bobby Aycock, Bob McGlashan, Roy Turner, Bill Everett).

400 meter relay (women)-Div. 2-first Permian Basin Road Runners-1:12.22 (Andrea Chamberlin, Alex Rose, Trenea Vandiver, Fara Rains).

Womens 1500 meter-Div. 1-Shanna Hale, first with 5:31.30. Div. 2-Blanca DeLaRosa, first, 5:53.25, second was Irma Martinez, 5:53.86. Div. 3-Dorice Thoma, first, 6:37.84; second, Fara Raines, 6:47.80; third, Rita McWhorter, 9:21.04.

Mens 1500 meter-Div. 1A-Bobby Limpkins, first, 5:06.28; Dudley Jordan, second, 5:20.44; Roy McFaddin, third, 6:07.08. Div. 1-Bert McFaddin, first, 4:57.72; John W. Killion, second, 5:30.67. Div. 2-Randy Wilkovich, first, 4:20.52; Bob Jones, second, 4:24.06. Div. 3-Tom Twigley, first, 4:12.26; Mark Brown, second, 5:03.62; Cruz Garza, third, 5:09.00. Div. 4-Steve Stallings, first, 4:25.26; Jimmy McBee, second, 5:04.53; Lawrence Leonard, third, 5:06.50. Div. 5-Richard Sterling, first, 5:20.86; John Bahr, second, 6:12.55. Div. 6-Jack

Petty, first, 4:48.38; Glenn Herzog, second, 5:12.49; Norman Pittenger, third, 5:38.41. Div. 8-Francis Johns, first, 6:19.61.

400 meter dash-Div. 1A-Valdo Galindo, first, 56.44; Carey Klingelherfer, second, 1:01.46; Dudley Jordan, third, 1:02.64. Div. 1-first-Wade Menzies, 50.80; Jim Bob Jacobs, second, 53.22; Bobby Boone, third, 54.17. Div. 2-Courtney Mair, first, 48.24; Claude Palmer, second, 48.69; Charles Hornbeck, third, 48.91. Div. 3-Gene Maxwell, first, 54.36; Don Gibson, second, 58.41; Frank Morgan, third, 59.42. Div. 4-first, Jimmy McBee, 54.29. Div. 5-Sheridan Groves, first, 55.83; Lynn Medders, second, 1:00.07; Javan Vosburg, third, 1:01.01. Div. 6-Jack Petty, first, 59.61; Pat Patterson, second, 1:15.44. Div. 7-Roy Turner, first, 54.30; Bobby Aycock, second, 1:02.81; Lloyd Patrick, third, 1:05.00. Div. 8-Charles Pluenneke, first, 1:06.95, Francis Johns, second, 1:13.84. Div. 12-first-Fred White, 1:15.66.

Mens 800 meter-Div. 1A-Bobby Limpkins, first, 2:24.83; Gary Picon, second, 2:27.56; Perry Eddy, third, 2:31.67. Div. 2-Claude Palmer, first, 1:58.83; Courtney Mair, second, 2:03.96. Div. 3-Tom Quigley, first, 2:00.88; Randy Wilkovich, second, 2:04.81; Don Gibson, third, 2:21.84. Div. 4-Steve Skillings, first, 2:14.09; Michael Fisher, second, 2:18.58; third place was Harvey Wink with 2:30.32. Div. 5-Dan Lowry, first, 2:19.54; Richard Sterling, second, 2:22.37; Robert Lomes, third, 2:38.10. Div. 6-Jack Petty, first, 2:18.18; Glen Herzog, second, 2:30.32; Pat Patterson, third, 3:00.53. Div. 7-Charles Pluenneke, first, 2:40.81; Norman Pinnering, second, 2:46.13; Div. 8-Francis Johns, first, 2:53.74.

800 meter, women-Shanna Hale, first in Div. I with 2:27.91, Claudia Hernandez second, 2:38.79; Kelly Young, third, 2:40.19; Div. 2-Donna Ryan, first, 3:24.98; Andrea Chamberlin, second, 3:38.12; Tammy Limpkins, third, 3:15.20. Div. 3-Blanca DeLaRosa, first, 2:54.61; Fara Rains, second, 3:27.70; Tienna Vandiver, third, 4:21.21.

Following are the field events and places:

Mens discus-Div. 1A-Brent Schlinke, first; Matt Stapley, second. Div. 1-Steven Bradley, first; Gil Gile, second. Div. 2-Robert Zapata, first; Randy Tuerckmen, second. Div. 3-David Bolles, first; Roman Lomes, second, Steve Bolles, third. Div. 4-Clark Boyd, first; Lewis Allen, second; Gil Warren, third. Div. 5-David Graham, first; Tom Findley, second; Glenn Findley, third. Div. 6-Pat Patterson, first. Div. 7-Jerry Burnett, first; Hans Peter Riede, second; Bobby Aycock, third. Div. 8-Gary Smith, first; Fritz Landers, second; Larry Knight, third. Div. 12-Norman Aycock, first.

In the girls discus Sheila Cavaness was first in the Div. 1-A, Carrie Rohde in Div. I, Pam Lomas, Div. 2. In the Pole Vault Div. 1-A Jeff

Meyers was first and Rob Gobie, second, Corey Klingelherfer, third. Div. 1-Brent Brevoro, first; James Clayton, second; Al Ramirez, third. Div. 2-Dan Sewell, first. Div. 3-Ramiero Bueno, first; David Bolles, second; Steve Bolles, third. Div. 4-Brad Winters, first. Div. 7, Jerry Burnett, first. Div. 8, Frances Johns, first. In the 10 Kilometer Run, mens division 1-A-Gary Pican was first with 38:23.20. Div. 2-Frank Tambunga, first with 48:01.21 and Johnny Rodriguez, second. Div. 3-Randy Wilkovich, first, 34:21.62; Frank Morgan, [Cont'd on Page 9]

**ENGAGEMENT ANNOUNCED**-Mr. and Mrs. Lupe Perez of O'Donnell, Texas, announce the engagement and approaching marriage of their daughter Norma to Ezequiel [Zeke] Martinez, son of Mr. and Mrs. Luis C. Martinez. The wedding has been set for September 28, in O'Donnell.

Norma is a 1984 graduate of O'Donnell High School. She is presently a student at Angelo State University majoring in accounting. Zeke is a 1983 graduate of Ozona High School. He attended ASU and is presently employed by Wagner & Brown Oil Producers in Sterling City.

### Mrs. Upham selected to attend convention in Colo.

Elizabeth Upham of Ozona, local agent for Farmers Insurance Group of Companies, has been selected to attend a special annual gathering of

the top sales producers, according to W. H. Braddock, Vice President of Sales, Farmers Group, Inc., the principal management company.

### Martin-Dunlap wedding vows exchanged

Wedding vows for Mavis Martin of Big Spring and Don Dunlap of Ozona were read July 15, at 5 p.m. in the home of David and Bridget Sewell. Best Man was Basil Dunlap and Maid of Honor was Michele Greenfield, the bride's daughter, of Lampasas. Justice of the Peace Raymond Davee officiated.

The four-day convention being held this year in Vail, Colorado, from July 15 to July 18 affords agents with outstanding achievements in the insurance field an opportunity to meet and jointly review various new insurance products and programs. Member companies of the Farmers Group are the nation's third largest automobile and homeowners insurers.

Others attending were the bridegroom's mother, Mary Alice Dunlap, the bride's son-in-law, Eddie Greenfield, of Lampasas and Mary Basil Dunlap of Ozona.

Mrs. Upham also will be honored as a member of Farmers Insurance Group's Topper Club, an elite group of Agents and District Managers who have achieved the upper ranks in providing insurance services to the public. Each year Topper Club honors are awarded by Farmers Insurance Group of Companies to Agents and District Managers throughout the companies' operating territory.

After a short trip to the far West Texas and New Mexico area, the couple will be at home on the Don Dunlap ranch west of Ozona.

Mrs. Upham represents Farmers locally through the Farmers Agency at 1012 Ave. E., Ozona, Texas.

Save cans for the Care-A-Van. Deposit at fire station.

## EXTENSION OFFICE NEWS

### Rate Yourself as a Money Manager

Some people seem to have a natural instinct for making their spending and income balance. Others have no problem earning money but fail to spend it wisely. They can't seem to resist buying more and more, even when they can't afford it.

To rate your money management skills, answer the following questions "yes" or "no":

Do you pay more than you have to? Do you often buy from habit without comparing prices, thinking a few cents difference is unimportant?

Are you an impulse buyer? Do you buy on whim without first considering whether you actually need the item or whether it will throw the budget out of whack?

Do you fall for the something for nothing trick? People spend millions

of dollars every year to get something free. Do you fail to examine the true cost of that supposedly free item? Do you spend to keep up with the Joneses? Is it important for you to have what others have whether or not it fits your own lifestyle?

Do you spend money to soothe your ego? If you get depressed or angry, do you go out and buy something to make you feel better or to get even with someone?

Is it difficult for you to resist buying on credit? Do you say to yourself, "I'll worry about paying for it next month, even though you know you can't afford it?"

Are you a snob buyer? Do you believe the most expensive is usually the best and turn up your nose at low priced items because you consider them cheap products?

Do you have a tendency to buy worthless things? Do you have a lot of gadgets or trinkets that you don't use or need?

Do you put off making a budget? Do you fail to face the reality of establishing a reasonable relationship between your income and outgo?

Do you often waste things you buy? Do you throw out food or other items, fail to use things you bought or fail to take good care of your possessions to make them last longer?

Examine the ones you answered "yes" to and make a plan to turn "yes" answers into "no" answers.

## Applying for Social Security retirement or survivors benefits

A person who plans to retire before 65 should apply for Social Security benefits no later than the last day of the month he or she wants the benefits to begin. Benefits payable for months before the person becomes 65 usually can begin no earlier than the month of application. This also holds true for widows and widowers who will receive benefits before 65; however, widows and widowers can still receive a benefit for the month of a worker's death if they apply during the following month.

In general, a person who applies for retirement or survivors benefits after reaching 65 can receive payments for up to 6 months before the month of application. It is possible to apply as early as 3 months before the month benefits are to start. This will help assure that the first payment is received on time.

Applicants for Social Security benefits should bring to the Social Security office their own card or a record of their number; and, if their claim is based on another person's record, that person's card or a record of his or her number as well; proof of age; a

marriage certificate if the application is for a wife's, widow's, or widower's benefits; children's birth certificates if application is being made for them; and Form W-2 for the last 2 years or, if self-employed, copies of the last two Federal tax returns.

### Card of Thanks

#### To the Community:

There are no words that can thank you enough for helping us through our ordeal.

Thank you so much for all the flowers, food, cards, phone calls and most of all, for your prayers.

Thanks to Rev. Gray and Father Richard for their words of comfort.

Special thanks to my sisters and to Glenda for being with me from the beginning.

Thanks to the Mooseheads, the Royals. We will all miss him.

We knew our son was special but we didn't know how much until we saw all the friends he had made in his short time with us.

We would like also to thank the Knights of Columbus, the Lions Club, Fire Department and a special thank you to Charles Sizemore.

God Bless You All, for without you, we never would have made it.

The family of  
Lonnie Galindo

## Montgomery clan holds reunion in San Angelo

A reunion of the "Montgomery Clan" was held over the weekend at the Sheraton Inn in San Angelo, where descendants and guests of Mr. William H. Montgomery and Sue Campbell Montgomery met for a weekend of getting acquainted or re-acquainted.

Of the thirteen children born to the senior Montgomerys, ten survived to adulthood. These include Clay, George, Joe, Jud, Fred and Beecher, the Montgomery sons. And, the Montgomery daughters, Jessie Kittle, Ollie Mitchell, Carrie Funkhouser, and Anna Shauer. Descendants of most of these were present at the reunion, with a count of 77.

Adults gathered in the hospitality room Saturday while children enjoyed the pool.

Saturday night the banquet was held with all 77 children and adults present. Games followed the meal. A Sunday morning brunch preceded the business meeting and plans were made for the reunion two years hence.

Hosting this year's event were Clay Montgomery descendants. Marshall and Pauline Montgomery, assisted by Charlotte Montgomery did the initial planning and contacting. Marshall's brother Eugene and his wife, Renee, flew down from their home in Atlantic

City, N.J. and were joined by their son, Larry, of California, and their daughter and her children, Kathy Mathews, Ariel and Ian. They are visiting in Ozona this week.

Chuck and Allyson Shauer and Danielle, accompanied by his parents, Charles, Jr., and Marie Shauer came from Denver, Colorado. Charles and Marie won the hotly contested domino tournament.

Mary Perner Daniels, Pauline Montgomery's sister, from Georgia was on hand. Albert and Nancy Boggess of Maryland, Amenda Boggess of Colorado, Al and Carol Boggess and Albert Nash of College Station were there as a family.

From Fort Stockton were Sue Walker, Frank Fulk, Monte and Nancy Brooks and children, Monte and David.

Mr. and Mrs. James Dockery, Ami Lee Sewell and Bud Meinecke, all of Ozona were joined by Sue and Bill Melton and Coralie of San Angelo, and Clay and Rhonda Melton, Gwen and Reid of Robert Lee, Bill and Alleen Meinecke with Susan and Robert Lanzini and Ross, all of Houston.

Lois and Ramon Jones of San Angelo, were present along with John and Beverly Landgraf, Mary Louise, Brooks and Elizabeth of Odessa.

Others included Cody Ritchey of El Paso, Logan Richey of Comanche, Trish Serls, Manda, Jennifer and Kerry, of Colorado; Peggy and Jim Funkhouser of Oregon, Judith Smith, Meredith and Leslie, of North Carolina, and Gene Keyser of Midland.

Marilyn Boykin of Dallas joined her parents Jerry and Gaston Boykin of Comanche at the reunion. Lea and Judd Montgomery, Charlotte and Vic's children, came from Fort Worth with their cousin, Kathleen Smith.

Jim and Debbie Montgomery and Natalie, of San Angelo, met Kitty Montgomery at the reunion. Pearl Carter and son, Tres, and Worth White, all of San Angelo, rounded out the participants.

## Wells slated for Crockett county fields

Coblan Operating Co., Midland, will drill the No. 1-24 R. A. Harrell, a 550-foot wildcat in Crockett County, surrounded by shallow failures, one location northeast of the Pulixy sand oil discovery and 17 miles south of Ozona.

Location is 1,700 feet from the north and 467 feet from the west lines of 24-XX-C Moore.

The discovery, the firm's No. 1-22 R.A. Harrell, was finaled July 10, to pump one barrel of 24 gravity oil, no water, through perforations at 514-18 feet.

The Harlaw multipay field of Crockett County gained its current second San Andres oil producer and a 3/8-mile northwest extension to that pay with completion of Beach Exploration Inc., Midland, No. 3 Noelke "B", 11 miles southeast of Iraan, to pump 42 barrels of 22 gravity oil, no water.

Production was through perforations at 1,870-88 feet, which had been acidized with 1,500 gallons and fractured with 24,750 gallons and 35,000 pounds of sand.

The following tops were picked on ground elevation at 2,385 feet: Yates, 975 feet; Grayburg, 1,740 feet; San Andres, 1,848 feet; Wolfcamp, 5,495 feet and Cisco at 5,616 feet.

Drilled to 5,696 feet, with 4 1/2-inch casing set at 2,108 feet, it is plugged back to 2,065 feet.

Location is 1,500 feet from the north and 2,100 feet from the east lines of 31-GG-HE&WT.

The other San Andres oil producer in the field is shut in. The field also has Grayburg oil and upper Grayburg gas production.

Save cans for the Care-A-Van. Deposit at fire station.

## Hospital board in regular monthly meet.

The Crockett County Hospital Board met in regular session July 11, 1985. The meeting was called to order and the minutes of the previous meeting were read. There were no additions or corrections.

Members present were Sandy Stokes, Lloyd Winkley, Orlando Vargas, Fred Deaton, Maria DeLaRosa, and Alleane Jones. Guests present were Dr. Bill Bass, Don Hopkins, Tom Cameron, Dick Kirby, Al Fields, Felipe Castro, Lupe Galvan, Elvira Caldwell, Dub O'Bryant, Dottie Tuttle, Jacques King, Ramona Turnley, Dr. Owensby, Dr. Carlisle, and Lee Carlisle.

The financial statements for the current month for the hospital and for the care center were presented by Don Hopkins. Total cash deposits for the hospital were \$61,733.39 and total cash disbursements were \$93,087.97. The percentage of occupancy was 16% and the total patient days were 94. Total cash deposits for the care center were \$36,866.30 and total cash disbursements were \$56,691.34.

The bills for the hospital were presented by Dottie Tuttle and the bills for the care center by Elvira Caldwell. The Board approved paying of the bills.

A list of bad debts was presented to the Board with a more definite proposal than the one given previously. A discussion period followed his presentation. No action was taken by the Board and no recommendations were made.

Sandy Stokes presented a draft copy of the audit report from Price-Waterhouse.

Dub O'Bryant gave the ambulance

report. He asked the Board to approve the purchase of 4 Midland two-way radios. A motion was made and approved by the Board for the purchase of the radios.

The Board then went into executive session. The Board returned to regular session at 11:30 and adjourned.

## Four Ozona students on SR dean's list

Four Ozona students have been named to the Sul Ross State University Dean's List for the 1985 spring semester.

They are Karen K. Keilers, 3.33; Alex D. Padilla, 3.83; Jack E. Thompson, 3.79; Kimberly Padilla, 4.0.

The university had 217 students named to the honor roll. Undergraduate students who are enrolled for 12 or more semester hours and maintain a grade point average of 3.3 or better are eligible for the dean's list. Graduate hours are not included in dean's list computations.

## Baptists plan celebration for youth

A Youth Celebration is scheduled for July 26-27 at First Baptist Church. Activities begin each night at 7:30.

Jim Dickerson of Aquilla, will be speaker and Terry Racher, music minister, will lead the music.

Dan Racher, youth singer of San Angelo, will be a soloist. He recently returned from a singing tour of the Communist countries.

First Baptist children and pre-school choir will perform nightly along with First Baptist Youth Choir.

Other special activities are planned, and the nursery will be open.

Mr. and Mrs. Tom Cameron are spending two weeks touring Europe.

**PUBLIC NOTICE**

General Telephone Company of the Southwest, in accordance with the Rules of the Public Utility Commission of Texas, hereby gives notice that a Private Coin Service Tariff has been filed with the Public Utility Commission of Texas.

Under the proposed tariff, Private Coin Service would be offered for use with a customer-provided, instrument-implemented coin telephone at the request of the customer. The new service is scheduled to become effective on November 16, 1985, or upon approval by the Public Utility Commission of Texas.

The matter has been assigned to Docket No. 6309.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission, as soon as possible. A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757.

Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

## Tambunga honored for DTH service

The State Department of Highways and Public Transportation (DHT) recently honored Jimmy Tambunga with the presentation of a Certificate of Service for five years service with the Department.

Jimmy started his career in 1980 as a Maintenance Technician I and is now a skilled truck driver with the job classification of Maintenance Technician II. He is with the Crockett County Maintenance work force located in Ozona, under the supervision of Cecil F. Hedrick, Maintenance Construction Supervisor.

The presentation was made by Carroll W. Templeton, Maintenance Construction Superintendent of Del Rio. Accompanying the certificate was a letter of congratulations from D. R. Watson, District Engineer of San Angelo, thanking Jimmy for the years of service and the hope for the coming years to be pleasant and productive.

## Hunters safety course set for next week

The approved Hunters' Safety Course, sponsored by the Texas Parks and Wildlife Department will be held July 23-24-25, at the Vocational Ag building at Ozona High School. The course will be taught from 7 until 10 o'clock each night.

VA teacher Richard Bridges will conduct the course with assistance from local Game Warden Rod Chalmers.

This course is required by many states, including Colorado, in order to purchase a non-resident hunting license. Also, some Texas lakes require the course in order to obtain a hunting permit. For further information, contact Bridges at 392-3142 or 392-3321.

## Reports from Washington

### The IRS — A Taxing Problem

During my six years as representative of the 21st District in Congress, I have never received more complaints and inquiries about the Internal Revenue Service than I have during the past four months.

The IRS has always been the federal agency Americans love to hate. During the 1985 tax season, however, passive dislike for this necessary institution has turned to rage and distrust as Americans have reacted to reports of shredded IRS documents in Austin and massive backups in processing of returns in Philadelphia.

My friend and fellow Texan, J.J. Pickle, has taken the lead in investigating the discrepancies uncovered in the IRS Service Centers, with particular emphasis on the paper shredding incident in Austin. According to IRS investigators, a first-line 'unit' supervisor at the Austin Service Center ordered an employee to destroy between 5,000 and 6,000 pieces of taxpayer correspondence. Luckily, no actual tax returns were destroyed, and the IRS has taken steps to correct the procedures which had been used in the Austin center.

The Philadelphia Service Center, which has had computer and human problems even more severe than the rest of the country this year, will not wrap up processing of all its cases until August. More than 176,000 pieces of taxpayer correspondence have piled up at the Philadelphia Center and, to date, remain unanswered.

In response to questions from the members of the Ways and Means Oversight Subcommittee, IRS Commissioner Roscoe Egger testified that as of June 1, more than a million taxpayers who had filed their returns on time had not yet received refunds to which they were entitled. Given the fact that the average refund this year is \$833, one can calculate that as of June 1, the IRS was withholding more than \$916 million which was due American taxpayers.

The federal government pays a high price for these late returns, too. By law, the government must pay 13 percent interest on all refunds not returned to taxpayers by June 1. Commissioner Egger's promise that virtually all outstanding returns would be processed by late July did little to allay the concerns of the members of the Ways and Means committee.

Clearly, the Internal Revenue Service is in need of a thorough housecleaning. This agency has not been responsive to the public, has broadened its powers unnecessarily and is becoming increasingly inefficient. The growing inability of the IRS to carry out its basic tax-collecting and processing tasks is only one of the very real reasons that Americans have become disillusioned and resentful of what should be a willing contribution to finance our federal government.

In recent years, the Congress has tried — with little or no success — to impose order and enforce equity at the IRS. Perhaps the glaring inefficiencies and deficiencies which occurred during the 1985 tax season will at last open Congress' eyes — and stiffen our spine — in dealing with this powerful federal bureaucracy.

## Landscape irrigation tips are offered

Texas summers are usually hot and dry, and that means homeowners must give careful attention to watering their yards and gardens.

Billy Reager, county agent with the Texas Agricultural Extension Service, The Texas A&M University System, offers some tips on getting the most from irrigation water so as to keep plants and lawns healthy while keeping water costs down.

Practice slow, deep watering to allow roots to penetrate deeper so that plants become more stress-resistant.

Soaker hoses and drip irrigation systems work well on trees and shrubs. It's more efficient to water at night or early in the morning because evaporation is less. However, nighttime watering can promote more disease problems.

Too much water can be as detrimental or even worse than not enough. The rate at which water is applied should be no more rapid than the rate at which the soil can absorb it. Never fertilize landscape plants when soil is dry. It's best to water the area one day, apply fertilizer the next day, and then water again. Fertilizer will do no good unless it is dissolved and moved down into the soil.

Shrubs and trees near foundations, under eaves or on southern and western exposures need frequent watering because they often get less benefit from rainfall and have to deal with heat reflected from walls.

Plants on mounds or slopes suffer from drought stress more easily than those on level areas, so these require

more frequent watering.

Use an organic mulch of pine bark, chopped straw, hay or similar material to reduce irrigation needs.

Treat water as a valuable resource. Use it to water plants when needed, but do not waste water. Although considered a renewable resource, good water supplies are becoming scarce in Texas.

### Food safety at home is important

"We have a far greater chance of contracting a food-borne illness as a result of our own negligence than from unsafe food products," says a Texas A&M University Agricultural Extension Service nutritionist. The recent tragic food poisoning incidents involving cheese and milk have left many consumers concerned about the safety of foods they buy at the grocery store, says Marilyn Haggard. But these incidents are very small in number when compared to the Food and Drug Administration's estimate of 69-275 million cases of foodborne illness per year, most of which occur at home, she says. "The bacteria that cause most food-borne illnesses occur naturally in raw foods, so it's up to the consumer to make sure these bacteria are destroyed through proper food handling and preparation," says the specialist.

## Medical and health issues of legislature are reviewed

Legislation affecting health and medicine in Texas again occupied a prominent position in the recent legislative sessions.

The Texas Medical Association provided this summary of health issues from the 69th Legislature (bills that passed require the governor's signature to become law):

A bill to require all front-seat occupants of cars and most pickups to wear safety belts passed with the support of TMA and numerous other groups. But legislation that would have required seat belts on new school buses died in the Senate after clearing the House.

In a special session, legislators approved a \$70 million program to improve health care for the poor, particularly pregnant women and infants. This program is expected to prevent many lengthy hospital stays resulting from inadequate health care during pregnancy and in infancy.

The Legislature decided to let the Texas Health Facilities Commission die as of Sept. 1 under the state's

sunset provisions. Commission approval was required for hospital and nursing home projects costing more than \$600,000, but now the decision will be left to the free market place.

Another state agency under sunset review was the Texas Department of Health, which the Legislature voted to continue. The lawmakers added the regulation of abortion clinics to the health department's duties. Each clinic would have to meet minimum medical standards and report each abortion to the state, but the clinic would not disclose names of patients or doctors.

Drinking an alcoholic beverage while driving is still legal in Texas (if the driver is not drunk) with the defeat of legislation that would have banned open alcohol containers in autos. And on Sept. 1, 1986, the minimum drinking age is set to rise from 19 to 21 in response to a congressional threat to withhold federal highway funds. Gov. Mark White has signed this bill.

Relatives of terminally ill patients could halt life-support systems with

agreement from a patient's physician under another bill. This could happen only if the patient had not previously expressed his wishes. The legislation also expands current law to allow a patient to state his wishes orally as well as in writing.

The Texas Medical Association, a 24,200-member organization of physicians and medical students, supported the basic outcome of all these issues.

### Girls softball season ends

The softball season has ended for the girls ages 9 to 12, and league president, Jack Watson, reported the standings Monday.

The Green Destroyers were the season champs with a 9-3 record. In second place were the Blue Demons with a 7-4 record. The Yellowjackets had a 4-8 season and the Red Dragons were in the cellar with 2-9.

David Bean, left, and Tom Egan, right, congratulate Sam Perner, center, on 25 years of service on the ASCS county committee

## Retirement ceremony for Sam Perner

The Crockett County ASC program is one of the most successful in the state as to getting conservation practices on the ground. Much of the credit for this success can be attributed to Sam Perner, who has been a member and for the most part chairman of the county committee for the past 25 years. His first hand knowledge of conservation needs and ranching operations in the county have led to the development of a program that ranchers can work with.

On December 31, 1984, Mr. Perner retired from County Committee service. The present committee of David Bean, Dan Davidson and Bill Black know that if the need arises, they can count on Sam's help.

On July 10, Tom Egan, District Director 11, and David Bean, Chairman of the local ASC Committee presented Mr. Perner with his 25 year pin. Those present were Polly Perner, Lou Ann Pierce, Lucy Humphrey, Charles Shannon and Laurie Hale.

We would like to thank Mr. Perner for 25 years of service and dedication to the County Committee and the producers of Crockett County. His time on the board was greatly appreciated and well spent.

## Some savings bonds are reaching final maturity

If you are one of the millions of Americans who bought savings bonds during and after World War II, you could be losing interest money.

Certain U.S. Savings Bonds have passed their final maturity dates and

## Little League All-Stars end with loss

The Ozona Little League All Stars ended their season Monday night when they were upset by the Big Lake stars 8-5.

The Ozona stars took an easy win over Big Lake in the first game of the play-offs last week, putting them down 11-3. Marcos Quiroz was at the mound for the Ozona stars and they took an early lead when Gilbert Rico started it off with a single, and Quiroz and Michael Ybarra came in with doubles in the very first inning. The second inning was scoreless, but another three runs were scored in the third by Marcos, Michael and Gilbert. The top of the fourth saw Gilbert getting three scores with a home run. This brought in Mark Ramirez and Michael Ybarra. In the bottom of the fifth, Lee Galan scored the final run.

The Ozona stars fell to Pecos Friday night, and ended the season Monday night when they were upset by the same team they beat in the first game of play-offs.

are no longer earning interest, says Nancy L. Granovsky, a family economics specialist

Series E Bonds bought before April 1952 reach final maturity 40 years from the date of issue. Series E bonds that were bought in April 1945 will stop drawing interest this month; next month those issued in May 1945 will cease to earn interest, and so on.

Series H Bonds bought before January 1957 reach final maturity in 29 years, 8 months, so any Series H bond bought before August 1955 is not drawing interest now.

Granovsky encourages those who have older U.S. Savings Bonds to review their holdings, recording the date of issue of each, and determine whether they have passed maturity, or are currently or will soon stop earning interest.

Granovsky encourages those who have older U.S. Savings Bonds to review their holdings, recording the date of issue of each, and determine whether they have passed maturity, or are currently or will soon stop earning interest.

"To make your money work for you, it's important to take time to review your bonds," says Granovsky. "Keeping them when they are not gaining in value is like putting your money in a mattress. Not only do you lose the interest on something that's not making money, but you're actually losing buying power on the face value due to inflation."

Your bank can provide the term to maturity on Series E Bonds issued after April 1952 and Series H Bonds issued after January 1957.

## Club holds member-guest tournament

The First Member-Guest Golf Tournament was held over the weekend at the Ozona Country Club.

Winning the championship flight was the team of Ronald Koerth and Con Hartman. Second place was taken by Randy Hall and Steve Poage.

Taking first place in the first flight was the team of Rick Webster and Wayne Alexander. In second was Kent Hokit and Craig Bagley.

In the second flight there was a two-way tie for first between Mike Williams and Duke Owens, and Tite Bishop and Terry Thomas.

Winning the third flight was the team of S. L. White and H. O. Allen. There was a tie for second place between Jeffrey Stuart and Glen King, and Dale Taylor and Sanders.

Fourth flight winners were Bo Aycock and Street. In second place was Fred Chandler and Varney Sisco.

## Friends of library has now over 50

As a result of organizing "Friends of the Library," there are now over 50 members, including seven life members.

We were not able to elect officers or decide on projects Thursday evening, but the annual meeting will be held in October to get organized for 1986.

Everyone is urged to join this important organization and become a part of the New Crockett County Public Library.

The library is presently operating out of the library at the high school, where summer hours are now in progress.

New books include "Jubal Sackett" by Louis L'Amour, "Lonesome Dove" by Larry McMurtry, "Guinness Book of Athletics," "Windburg" by Jerry A Potter, "Tough-Minded Faith for Tender-Hearted People" by Robert H. Schuller, and "The Merriam-Webster Dictionary for Large Print Users"

"Perhaps no place in any community is so totally democratic as the town library. The only entrance requirement is interest."—Lady Bird Johnson

## ATTENTION LAND/MINERAL OWNERS

Independent oil and gas drilling and operating company currently active in Crockett and Sutton County areas wishes to review any lands you may have available for lease. We are looking for a number of tracts to be included in our 1985 and 1986 drilling programs and will seriously consider all lands submitted. If the land you submit is acceptable for our programs, we will then negotiate lease terms directly with you, however, you will be under no obligation to lease your land by submitting it for our review. If you have land that is currently available for lease and wish to have our staff review it, please fill out the information questionnaire below and mail to Lease Acquisitions, P.O. Box 3998, Littleton, Colorado 80161. All information submitted will be held in strict confidence and all submittals will receive a reply. As we wish to deal directly with the land and/or mineral owners, we request that brokers do not submit replies. THANK YOU FOR YOUR RESPONSE.

## Crockett County Care Center News

By Ann McCartney  
Director of Activities & Social Care

The big news with us this Monday morning is that we ordered our van! With the cooperation of everyone, we are close enough to our final figure and have enough faith in our future fundraisers to make the order. The "we" in this case is the Hospital and Care Center Auxiliary. This group has proven the old saying that nothing is impossible if you want it bad enough and are willing to work hard enough to make it come to pass. It is, indeed, an exciting way to begin a week!

Now, back to what happened last week.

It was birthday party week. Auxiliary members Marie Pierson, Clara Byrd, and Vivian Hughes served the cake made by Polly Mayes and pinned flowers donated by Maxine's Flowers, on honorees Pauline Clinton, Rebekah West and Ventura Sanchez. Clara played the Happy Birthday song. All residents enjoyed the refreshments.

Dominoes were played this week by Ola Mills and Pauline Clinton.

Ceramic class was led by Janet Wilson and Marie Pierson. Residents Juana Hernandez, Tomasa Ramoz, Hilda Dysart, Nina Mayfield, Ola Mills, and Moriana Perez enjoyed this event. Donuts, Etc. treated our residents to donuts on Wednesday afternoon.

Thursday morning's beauty shop was manned by Clara Byrd, Vivian Hughes, and Alena Faye Hokit.

Nine members of the Faith Lutheran Church assisted Charles Huffman with Bible study on Thursday afternoon. Nine members of Our Lady of Perpetual Help Catholic Church, led by Rev. Richard Altenbaugh, brought our Sunday afternoon church services. Also in attendance on Sunday after-

noon were some twenty-five visitors helping Ventura Sanchez celebrate his birthday and welcoming newcomer Sam Martinez, who moved here Friday.

Another newcomer this week was Emma Taylor. She received her "official" welcome from her fellow residents at bingo on Friday. She moved here on Tuesday of last week.

Speaking of bingo, Hilda Dysart won the first place certificate from Clayton's Village Drug and the El Chato dinner for two certificate. Grace Cotter was second place winner. We welcomed back as a volunteer Kellye Robinson, as well as Dorothy Doll, Mattie Cooper, Amalia Lumberas, Elodia Zapata, Becky Bratton, Lelia Tambunga, Sophia Tijerina, Inez Gutierrez, Anna Bell Patrick, Virginia Bishop, along with our Minnie Karr and Alice Ross.

Friday afternoon residents Bertha Miller, Hilda Dysart, Ola Mills, Inez Biggs, Moriana Perez, Phil Schneemann, and Rebekah West mixed cookies to be enjoyed for supper. This was all directed by Dorothy Doll with some of our sitters assisting.

Flowers were shared recently by the families of Lonnie Galindo and Mary Simpson. Thanks goes to both families.

The August schedule of events is already in the making but, my what fun it will be, come about October when we should have our new van. Imagine the new activities we can enjoy!

Our next fundraiser will be the Bluegrass Festival at Emerald Park on August 16 and 17. Do mark your calendars and plan on joining us for that weekend.

## Social Security matters can be handled by telephone

A representative of the San Angelo Social Security Office will be in the towns and at the places shown below on the dates listed. However, you don't need to wait until the representative's visit to handle Social Security matters. Your Social Security matters can be handled just as quickly by telephone. For help when you first want to sign up for Social Security or Supplemental Security Income (SSI) benefits, call 949-3718. If you just need information or are already receiving benefits, call 949-4608. The office is open every weekday (Monday through Friday) except holidays from 9:00 a.m. to 4:30 p.m.

A Social Security representative will be in Ozona at the county courthouse from 2:00 to 3:30 on Wednesday July 17. The August visit will be on the 21st, also on a Wed. and he will again be in Ozona September 18.

A representative is available to meet with your club or group for a talk or to answer questions. If desired, write to the office at P.O. Box 3808, San Angelo, Texas, 76902 or telephone 949-4608.

When you hear or see an approaching emergency vehicle with a flashing red light or siren, you are required to move to the right, clear of any intersection and stop until the emergency vehicle has passed. If it is

Mr. and Mrs. Ned Reynolds and family of Dallas were here last week for a visit with his grandfather, Bascomb Cox.

### FAMILY SHELTER NEEDS VOLUNTEERS

The Family Shelter is looking for volunteers. If you are interested in helping victims of domestic violence, call 655-5774.

## Ozonans attend state 4-H Congress and fashion show

State 4-H Congress was held July 9-12 in conjunction with the State 4-H Fashion Show at the Texas Tech University in Lubbock. Randi Thompson, daughter of Mr. and Mrs. Harold Thompson, Trebie West, daughter of Mr. and Mrs. Wesly West, Jerri Lynn Martinez, daughter of Mr. and

Mrs. Augustine Martinez and Rachel Hall, County Extension Agent, were among the 488 delegates, agents and fashion show participants.

Highlights of the three day conference included tours of Range and Heritage, Tech Campus, Cotton, Grain, Horse and Beef. The Range and Heritage Tour included a "picket and soto" home which was built by Mr. and Mrs. D. B. Kilpatrick of Crockett County in 1904. The cotton tour included Plains Coop Oil Mill, cotton gin, and denim manufacturing plant. The grain tour included a tamale factory and two seed companies. The horse tour involved Tech's horse facility, career opportunities, and the American Quarter Horse Association. Beef tours involved a beef production facility and West Texas Museum.

Other conference sessions included Jesse James art sculpturing, motivational speech, agriculture issues and debt busting techniques, and viewing of the State 4-H Fashion Show. The final event was a trip to Palo Duro Canyon and viewing the play, "Texas".

## Control white grubs in lawns now

White grub control in lawns is important during the summer season.

May or June beetles are emerging from the soil and starting to swarm in late evenings. Females are laying eggs and white grub worms that hatch will soon be feeding on roots of bermudagrass and St. Augustine-grass in home lawns. Once grubs begin feeding, control measures should be taken, says Billy Reager, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Treatment time varies with the particular area of the state and ranges from early July in South Texas to mid-August in the Panhandle. Homeowners in Crockett County will need to treat between July 15 - August 1. Timing of application is critical for adequate control.

White grubs in excessive numbers can heavily damage lawns, notes the agent. Check for white grubs by cutting a square foot section of sod with a shovel and examining the roots and soil to a depth of 4 inches. Examine at least one square foot of sod for 1,000 square feet of lawn area. Chemical treatment is needed if there are more than four grubs per square foot of sod.

Diazinon, Dursban or Dylox provide adequate control and should be used at recommended rates given on the chemical container label. The granular form is easier to apply and to wash into the soil than liquid or spray formulations. After using granules, drag the grass with a tow sack or water hose to knock them to the soil. Then apply enough water to soak the granules into the soil.

Apply diazinon sprays at the rate of 25 gallons of water, including the insecticide, per 1,000 square feet to wash the insecticide into the soil. Wetting the lawn before spraying also helps. Always keep children and pets off the treated lawn until the grass is dry.

The key to white grub control in home lawns is proper timing of chemical applications and getting the insecticide through the grass to the root zone where grubs are feeding, emphasizes the agent.

Further information is provided in the publication, "White Grubs in Texas Turfgrass," available at the county extension office.

impossible to move your vehicle to the right, you should stop and remain stopped until the emergency vehicle has passed.

## Katrina Burger makes dean's list at UT

Miss Katrina Burger, daughter of Mr. and Mrs. Dale Burger, has been named to the Dean's Honor List in the College of Natural Sciences at The University of Texas at Austin.

Miss Burger's status as *Ampla Cum Laude* places her among the top of the 5,668 students enrolled in the College of Natural Sciences for the Spring Semester. This is the upper 4.6 percentile of the students in the college.

Katrina's spring semester grade point average was 3.73. Her major is computer science.

**NOTICE OF INTENT TO IMPLEMENT RATES**

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch. These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$ .025	\$ .015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest. Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

Their education is too important...

to let money stand in the way.

The cost of a quality college education is rising. Sometimes the immediate cost of tuition, books, room and board and other necessities are overwhelming.

We can help you spread those college expenses over a more reasonable, affordable time period with an educational loan. The interest rate is low, but the value of education to your child is too great to calculate.

To learn more, stop in and see one of our loan specialists today. We can give you the financial key to opening your child's mind to a greater tomorrow!
