Local Men Ask State Patrolman Be Stationed Here In Muleshoe

Seventy local people have petitioned the State Department of Public Safety to place two patrolmen in Muleshoe, but apparently the chances that this will be done in the near future are slim.

W. M. Pool, Jr., forwarded the petition to Sam Aldridge, of Farwell, director of this area.

In a letter to Mr. Pool, Mr.

Aldridge said he is forwarding the petition to the Commission at Austin and that the matter will be presented to the entire Commission at its next regular meeting in October.

Mr. Aldridge wrote:

"Some of your officials have discussed this with me before and I presented it and was confronted with this situation: The proposal stationing of two patrolmen at Muleshoe would involve the re-arranging of the Amarillo and Lubbock districts as part of the proposed patroling from Muleshoe would be over in the Amarillo district, and this would involve changing the stations over the entire Plains area.

Judge Klump Is In Hospital Here

Judge Klump was reported improving and resting well by hospital attendants yesterday.

The Judge had a light stroke Sunday afternoon when he was out driving with Mrs. Klump, and Mr. and Mrs. Howard Carley. The two families were going to the Klump farm near Farwell, and had just reached the city limits of Muleshoe, when he was stricken. He was immediately taken to the Green Hospital and Clinic and is now under medical care there.

Lester Warren Ware Stricken With Polio

Lester Warren Ware, age 10, a Muleshoe lad is in the Plainview Hospital and Clinic suffering from an attack of Polio. At last report the boys was still in critical condition but is holding his own.

This is the first case of its type to be reported to the local polio chapter this year. However, there have been other cases but not of the same serious nature.

The polio situation for Bailey County has been light this year.

Conservation Tour Success

300 Foot Radio Tower Rears Over Muleshoe

The tall narrow structure towering over the city of Muleshoe is the new radio transmitter of the Bailey County Electric Cooperative Association. The tower is over 300 feet high and will serve as a communication system for the Muleshoe office, the Morton office for the two-way transmission while four others are in the process of being equipped.

D. B. Lancaster, manager of the Electric Coop said that in other areas where they have similar equipment, it has been used in case of public emergencies. He also pointed out that this is also available to the public in case of dire emergency.

Lions To Begin Ticket Sale For Magic Show

The Muleshoe Lions Club met at Gerald's Cafe Wednesday noon in their regular weekly session.

Ernest Kerr gave the club information on the International membership and attendance contest. He also told the club about his trip to California and the Lions Clubs he visited while there.

The ticket sale drive for the Arnold Furst Magic Show which will appear here Oct. 6, will get underway this week.

Free Chest X-Rays Slated For Oct. 2

Beginning at 8:30 a. m. Friday morning, October 2, portable chest x-ray units will be set up in the C & H Chevrolet show room, Muleshoe. In cooperation with the State Health Department, Tuberculosis Division, the Chamber of Commerce has been asked to sponsor this community wide program.

It is a community-wide project and every effort will be made to have everyone in our area avail themselves of this free chest x-ray.

All civic clubs and service organizations in Muleshoe and surrounding territory, along with the schools, will be contacted in an effort to have everyone possible register for this mass chest x-ray.

Lazbuddie Takes Sunray 34 to 6

The Lazbuddie Longhorns started their season with a bang Friday by downing the Sunray team 34 to 6.

The Longhorns starting lineup was: Jerry Gleason, David White, Sammy Cox, Frank Spitzer, Leonard Smith, and Jimmie Oliver.

There were no scores at the end of the first quarter. Then the Longhorns loosened up and ran over three touchdowns in the second quarter. White contributed two and Briggs one. Gleason kicked the extra goal. The score at half was 20 to 0.

The third quarter Gleason ran two more touchdowns and the extra point was made, making the score 34 to 0.

In the fourth quarter the opponents intercepted a pass and went for a touchdown, making the final score 34 to 6.

The defensive line-up was: Chunky Ivy, Sammy Cox, Jerry Gleason, Frank Spitzer, David White and Leonard Smith.

Lazbuddie defense did an outstanding job allowing Sunray only one touchdown during the entire game.

The Longhorns next game is with Smyer, tomorrow, Friday, September 18 at Lazbuddie. Kick off time is 2:30 p. m.

Paul Walsler Speaks At Program

The Soil Conservation Team sponsored by the Blackwater Valley Soil Conservation District, Muleshoe State Bank, and Muleshoe Chamber of Commerce proved to be one of the highlights of this year's agriculture activities.

In the morning a caravan of approximately 50 cars toured the West Camp area, stopping at farms. Commentaries by J. H. Adams, County Agent, Ben Chapman, work unit conservator, and each farmer provided a very interesting and educational program. Discussions on conservation practices extended from sheep and cattle on irrigated pastures to New Era Cowpeas in combine maize, castor beans, cotton with commercial fertilizer and a very interesting commentary on sesame by James Wright.

Following the tour, a barbecue was served by Muleshoe Rotary Club at Verney Towns farm.

After the barbecue "Cotton John" Smith of KGNC, Amarillo introduced officials and guests of the organizations participating in the program. The climax of this program was reached when Paul Walsler, state conservator, spoke to the assembly on soil conservation. Mr. Walsler stated that it is only a short way from farm to town and that the economy of not only the state of Texas but the entire nation is based on permanent agriculture which is in turn based on soil conservation practices, and that it is not only the task of the farmer, but it is our job "to keep good land good."

Barrow Show Sat., Oct. 10

Bailey Co. Will Have Exhibit At South Plains Fair

Bailey County will have a county agricultural exhibit at the 36th annual Panhandle South Plains Fair in Lubbock, Sept. 28 through Oct. 3, it was announced this week by J. K. Adams, county agent.

Adams has filed an official entry with the fair association for this effect.

"We wish to take this opportunity to thank Mr. Adams and Bailey County for their decision to exhibit at this year's fair," Charles L. Adams, Jr., fair association president, said.

"We are happy to report that much more interest is being evidenced in county agricultural exhibits this year, and we feel this is another sign of the growing popularity of our regional fair."

The fair will open with a special parade Monday, Sept. 28, at 2 p. m., in downtown Lubbock, where more than 60,000 are expected to be on hand to watch the many area bands and giant balloons.

Lions Club Hear Ebb Randol

The Lions Club of Muleshoe met in Gerald's Cafe Wednesday and were given a talk by Minister Ebb Randol. Mr. Randol spoke of the recent book of Dale Carnegie, "How to Stop Worrying and Begin Living". He pointed out that he felt that it would be worth anyone's effort to acquire the book and read it.

President Arch Fowler appointed a new committee on health and welfare, the members of the committee are Fred Johnson, Sam Fox and Randy Johnson.

Visiting guests were B. W. Brashear, James St. Clair, John Dempster, Ned Foster, Coy Fielder, and Bill Jim St. Clair. New members are Wilbur LeVeque and Lindal Murray.

Quarterback Club To Show Film On Baylor-Tech Game

The Muleshoe Quarterback Club met last Friday and were entertained by a film of the Lubbock and Odessa football game of last season.

Plans for the film this week are securing the Baylor and Texas Tech game of last year.

The club now has an enrollment of 19 members and the drive for new members is still going on.

The club has tentative plans for giving the football boys a light snack before each home game.

Freshman Team Ties Sudan 7-7

Tuesday night, September 15, the Freshman football squad traveled to Sudan for a game with the Sudan Freshmen.

The Sudan boys scored first in the first quarter. The Muleshoe boys were held scoreless until the second quarter when Jerry Blaylock uncocked a pass to Benny Splawn who went 75 yards for a touchdown.

After that, neither team was able to score again and the game ended 7-7. The Muleshoe boys played a better last half but were unable to reach pay dirt.

Tuesday night, September 22, the Muleshoe Freshman team will again engage the Sudan boys here at Benny Douglass Stadium at 8 o'clock. Let's all go out and watch the future Muleshoe Mule footballers play their game.

The 8th grade boys scrimmaged the Sudan 8th grade boys and came out on a long end of a 13-0 score.

Mules Meet Lobos Friday Night

Tomorrow night, Friday, Sept. 18, the Muleshoe Mules will travel down to Lobo territory to take on the Levelland Lobos.

Levelland, formerly in 7-AA with the Muleshoe Mules, is now in a separate district. Last year the Mules and Lobos had quite a tussle with Levelland finally ending up on top by a score of 13-7.

Last week the Lobos met the Sweetwater Mustangs and took a 34-0 licking.

Let's all show our appreciation to the boys by going down and rooting for them this Friday night.

Muleshoe and Hereford Battle to 20 - 20 Tie

An unexpected tie gave Coach Leroy Scott a warm, pleasant feeling last Friday night and from here on in, the Muleshoe Mules may surprise somebody.

A squad, small in number, but big in spirit, of 22 boys are trying out Coach Scott's T-formation attack this year after Scott took over from T.J. Bailey, who employed the spread offense.

The Mules of 1952 lost their first four games, then won three in a row, then lost their last three for a 3-7 record. This season, they are in District 2-AA instead of old 7-AA, but only one new team — New Deal for Crosbyton — appears on the schedule.

The Mules Ahead

The Muleshoe Mules pulled out in front in the first quarter when, after receiving the kickoff they tried a pass play. Hereford intercepted on the Mules 35. On their very first play from scrimmage, they tried the same thing. Charles Waggoner, a sophomore halfback, intercepted the pass on the Mules 25 yard line and, with good blocking, outdistanced the Hereford men for a very nice 75 yard run for the Mules first tally. The try for extra point was no good. The Mules again scored in the first quarter after picking up good yardage through the line and around

for their first TD from the one. The try for extra point was no good, a bad pass from center preventing a try.

At the half, the Mules led the Whitefaces by a score of 13-6. Hereford again crossed the double marker in the third quarter when Short, on a reverse, traveled 29 yards for the 6 points. Boyd, right end for the Hereford team, kicked the extra point, tying the game up 13-13.

In the fourth quarter the Mules came to life and Charles Waggoner scored his second touchdown of the evening by gaining 5 yards through the line. Willis passed to Jimmy Holt for the extra point. With the game all over, Hereford rallied with Short leading the way. Short passed to Boyd for the remaining 10 yards and Boyd again kicked another extra point.

The Muleshoe Mules played a very good and hard game. The boys showed good form on both offense and defense, with D. L. Morrison showing some good defensive play, along with several other boys. Muleshoe should be proud of this small but hustling team and back them all the way.

The band, under the direction of Tom W. Shirley, received nearly as many compliments for their performance at last Friday night's football game as did the football team.

Bob Wills And Orchestra Will Play Here 24th

Muleshoe Jaycees are sponsoring the appearance here of Bob Wills and his Texas Playboys for a dance the evening of Thursday, September 24.

The dance will be held in the newly completed building of the Allen Guinn Body Shop.

The Wills orchestra has played all over the southwest and have drawn big crowds wherever they play. They also are MGM recording artists.

LEAVE FOR CALIFORNIA

Mr. and Mrs. Marion Harris are leaving Wednesday for San Francisco, Calif., where they will attend the convention of the Southwestern Life Insurance Co.

SABSON DISCUSSES—

Diets And Business

New Boston, N. M., Sept. 17 — Someone has said that we are what we eat. If this be true, some of the people I've seen during my lifetime must have had mighty peculiar diets! Did you know that the last dozen lush years have made the fat man America's No. 1 health problem? That's what many doctors say. What has this to do with business? More than you would guess. I predict that in the next ten years Americans will become universally educated to their dietary needs and that this knowledge will bring about a revolution in the food industry.

PEOPLE ARE WHAT THEY EAT

There is nothing new about the idea that people physically are what they eat; also that diet indirectly affects their mental and spiritual powers. Way back in the eighteenth century, Lord Anson kept a record of his voyage around the world. Not only did his men suffer beyond imagination, but they died from scurvy at the rate of four to six a day. Once they reached a port where they could get fresh

meat and vegetables, the disease subsided and all the sick recovered. Since Lord Anson's day we have learned a great deal about food and what it does to people. One investigation showed a group of Harvard students to be an average of one and one-third inches taller than their fathers. Why? Two main factors: better diet and the reduction of childhood diseases.

Studies have shown that children from prosperous neighborhoods, because of better diets, are both healthier and more intelligent than those who are poorly fed. But there is also plenty of evidence that people need to be educated about food and diet. For example, many persons prefer deficient white breads to rich whole wheat; or prefer polished rice to the un-milled product. Cows' milk, with its valuable properties, is viewed with prejudice by some people of the world, with much the same feeling we have about ex-creations. In short, food likes and dislikes are often irrationally formed, with little reference to food merits. We all would feel better and be more successful in

SAND HILLS PHILOSOPHER WORRIED Over Man Who Adds Faster Than An Adding Machine; Declines To Compete

Editor's note: The Sand Hills Philosopher on his Johnson grass farm is out of his territory again this week, talking about adding machines. He still adds on his fingers and writes with a pencil on tablet paper.

Dear editor: I was sittin out here on my farm the other afternoon enjoyin the September sunshine and toying with some ideas I've been goin over on push-button farm-

our business or other work if we ate fewer starches and sweets.

Some unscrupulous food and drug manufacturers have capitalized on our whims. One morning recently the pleasantness of my radio was shattered by a most urgent, high-pressure, unethical advertisement. It ballyhoosed a potion or ointment for those underweights; It appealed to skinny girls and guaranteed to make them alluring on the beach in a matter of days. My druggist tells me he couldn't move the stuff on his shelves until it was advertised on radio and TV. Now he can't get enough of it. I asked him what doctors thought of the "remedy". He shook his head in a very negative fashion.

DIETS AND SALES

The increasing interest in the effect of diet upon health is the result of a steady drive on the part of doctors, insurance companies, and progressive business managements. They have armed themselves with motion pictures, weight-control charts, sane radio and TV advertising. Company managements, anxious to keep their executives alive, gladly pass findings along. The result: progressive food distributors, seeing a heavy market in the more than thirty million dieters, (diabetics, those with hypertension, the overweight, the underweight, and those with allergies), have capitalized on the situation. Some food manufacturers are appealing to the fat boys and girls to buy only the low-count calorie foods, to the point where some high-count calorie foods are having to struggle to keep their markets.

The time is coming when a sales conscious management will have a physician or two on its team. Foods will be packaged according to dietary groups with calories, minerals, and vitamins printed conspicuously on the label. Already, in the struggle for your food dollar, some unscrupulous manufacturers have been called to account by the Federal Trade Commission for advertising such healthful contents when their foods did not contain them. The fight is bound to get hotter; and in the process some consumers will get burned. But when the smoke finally clears away, we shall all have safer, saner diets and find ourselves healthier and more efficient for the struggle and competition which are ahead of us.

in, we've already got push-button warfare, you know, some Generals in W a s h i n g - t o n push a button and 20,000 infantrymen go into action on a battlefield 3,000 miles away, nothin to it, and I pulled out a clippin which I'd torn out of a newspaper the night before and re-read it.

Accordin to this article, a man over in England has been bafflin scientists with his ability to do figurin in his head faster than an addin machine. A bunch of these British scientists asked him to multiply 854,736 by 395,627 and he got the correct answer in five seconds. It took scientists twenty seconds to get the same answer on a calculating machine, although of course them scientists may not have even known how to use an addin machine.

Now some people seem to get a delight out of this, arguin the machine will never replace the human brain. I don't look at it that way. There ain't no race, as far as I'm concerned.

I understand all right that if you figured up for example the amount of work it takes to get the money to buy an electric water pump for your well, plus the amount of work it took to make the pump, plus the amount of work it took to make the tools the pump is made from, plus the amount of work it took to make the tools that made the tools, etc., on back as far as you want to go, it might turn out that it takes as much total work to lift a barrel of water out of a well with an electric pump as it does with a rope and bucket, but the point that appeals to me is somebody else did most of that work, all that's left for the man with an electric pump to do is turn the switch on, and you don't even have to do that with most pumps, they turn themselves on and off.

Personally, I ain't exactly what you'd call a lightning calculator, but I've always been able to figure a little and I want it understood I'm not in any race to see if I can beat an addin machine, any more than I want to see if I can draw more water out of a well than an electric pump. It may be true it takes as much total work to plow an acre of land with a tractor as it does with a walkin plow, figurin all the work it took to make the tractor, but you won't catch me walkin when I can ride, or ridin

either when I can stretch out in the sun.

This bird that can add faster than an addin machine, he ain't no threat to the addin machine people. They can't make too many machines to suit me.

Yours faithfully,
J. A.

Today's Meditation

As a shepherd seeketh out his flock in the day that he is among his sheep that are scattered; so will I seek out my sheep, and will deliver them out of all places where they have been scattered in the cloudy and dark days. (Ezekiel 34:12.) Read Ezekiel 33:30 or Romans 13:1-6.

People are often troubled in spirit when they go to church. They are all the week round buffeted by the world. They are weary in body and sick in soul. They come to worship God, to find solace in health in His presence. It is good that by listening to the words of the preacher and joining in the hymns and prayers, the worshippers forget for one short hour the world with its bickerings and troubles.

And if sometimes the words of the sermon probe the deep wounds of their hearts, or the thunder of Sinai makes the sin-

ner tremble and be afraid, that also is good. The main thin is that the divine Voice be audible through and within the human voice or instrument. Then the preacher is a prophet, and the Church is doing its task of priesthood in bringing God near to men and men near to God.

PRAYER

Lord of life, Thou Shepherd of the sheep, Thou art faithful in Thy desire and tireless in Thy

efforts to bring us into the fold of Thy blessedness. Help us to hear Thy voice and cry out for deliverance from evil. Speak to our hearts through Thy Church. Keep us faithful in the Shepherd's name. Amen.

THOUGHT FOR THE DAY
The Church brings God near to us, and us near to God.
Y. S. Kassouny (Lebanon)

From where I sit... by Joe Marsh

Sheriff's "Push" Pulls a Vote

Was talking with our newly elected Sheriff Williams the other day. He told me about a fellow who stopped by his place late one night just before election.

"Heard a knock at the door," he said. "Fellow I never saw before. Told me his car went dead down the road and would I give him a shove. My boy, Flip, and I went out to his car with him. We're all set to push when he steps on the starter and the motor turns over.

"Well, Flip and I just stood there when the fellow leans out

the window and says, 'Just wanted to make sure you're the right man to vote for.'"

From where I sit, the fellow who's quick to lend a hand makes any community a better one. But you don't have to run for office to prove you're a good neighbor. One way I know is just to have a little regard for the other fellow. Whether your neighbor likes beer or buttermilk, don't try to push him to your choice. Just give him your "vote of confidence."

Joe Marsh

TIRE & APPLIANCE MULESHOE, TEXAS

This demonstration was worth many hundreds of dollars to me!

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide® models, you get the most powerful engine in

Chevrolet's field — the new 115-h.p. "Blue-Flame." Gear-shift models offer the advanced 108-h.p. "Thrifty-King" engine.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response

—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chev-

rolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide®

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide auto matic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Parmer County Farm Bureau News

By Ralph Smith

To you who weren't there at the public resolutions meeting in Bovina, Labor Day night, here is the gist of what farmers had to say on various subjects—Does the Farm Bureau Program Suggest (acreage instead of commodity allotments) include all products? — Supporting wheat went to 75% parity, and it was economically feasible to produce it at that price. — Who is going to count the eggs I sell?

Grain Sorghums — What advantage would there be to declaring grain sorghums basic commodities? When cotton and wheat allotments occur, increased grain sorghum acreage can hurt the regular producers of grain sorghums, 75 to 90% parity without allotments sounds good, but we can't expect that to last forever. I believe grain sorghum supports are maintained at the discretion of the Secretary of Agriculture at present. Wheat — General trend: Allotments not used should be turned in annually for transfer to someone desiring increased acreage. County Committee should be limited to 1% in exceeding Secretary of Agriculture's cut in allotments.

Cotton — Investigate procedures of cotton classing and buying in Lubbock.

Cattle — If feed is supported, cattle should be, but how in the world can you do it? I am opposed to supports on cattle, prime cattle are selling very near parity. (Very little comment heard on cattle at this meeting).

Obnoxious Weeds In Road Ditches — Commissioners should be petitioned to keep weeds out of bar ditches. Recommend that Farm Bureau provide a committee to work with commissioners on this project. Irrigation water should not persistently be allowed to run into bar ditches.

In October, at the annual convention, you will be asked to vote on resolutions drawn up from these and other discussions.

There is going to be lots of dissatisfaction when cotton allotments begin to be made for 1954. Please let Farm Bureau know if you have any suggestions for providing a more equitable method of arriving at these figures.

Consider this: Go not forth hastily to strive, lest thou know not what to do in the end thereof, when thy neighbor hath put thee to shame. Debate thy cause with thy neighbor himself; and discover not a secret to another: Lest he that heareth it put thee to shame, and thy infamy turn not away. Proverbs 25:8-10.

Longview News

* There was a fair attendance at the Longview Baptist Church Sunday morning. Sunday night messengers and alternates were elected to attend the association meeting at Littlefield this Friday. The annual W. M. U. report was given and it was a very good report. Brother Ray Douglass of Sudan, brought the message at the evening services.

* Billy Crouch, brother of Mrs. Buford Hunt, is improving, and hopes to be able to come home from the Veterans Hospital in Amarillo in a few days. He resides in Littlefield with his mother.

* Miss Bobby Nell Glenn spent the weekend with her parents in Muleshoe. She is attending college.

* Mr. and Mrs. W. D. Dement took their son, Willard, to Texas Tech Sunday. Miss Joyce Hunt went with them, and she and June Dement spent the day visiting relatives in Lubbock. The family visited in Sudan on the way home.

* Mr. and Mrs. C. E. Temmins, Jerlyn and Larry, spent the weekend with their daughter and family in Whitharal. They visited in the Hart Camp community Sunday.

* Mr. and Mrs. Elton Lauderdale and son of Hale Center, and Mr. and Mrs. Martin Voyles and children of Lubbock visited in the I. L. Kitchens home Sunday. Mrs. Lauderdale and Mrs. Vales are sisters of Mrs. Kitchens.

W. M. S. NEWS

At our regular W. M. S. meeting Thursday afternoon, September 10, it was decided to set the time to meet at 2:30 instead of 3:30, as it has been during the summer months. We are also sending a lunch ticket to Round Rock each month.

Our Mary Hill Davis program this week was of special interest to us. In the part "A Church on Wheels", the Carl and Mae Timmins of Lubbock mentioned the son and daughter-in-law of Mr. and Mrs. C. E. Timmins of this community. They were here at the Longview Baptist Church from the 1st of August through the 9th., to lead the singing during the revival. Carl and Mary have a baby daughter and they are still stationed at Cheyenne.

We will have a Royal Service at our next meeting Thursday, September 25. Everyone come. The RA's and GA's and Sunbeams meet on Wednesday night at 8:00 at the Church.

VISITING BROTHER

Mr. and Mrs. Joe March of Floydada are visiting here in the home of her brother and sister-in-law, Mr. and Mrs. A. J. Gardner.

F. F. A. and 4-H Project Fair To Be September 22

Arrangements are being perfected for the annual 4-H and F. F. A. Project Fair, to be held here in Muleshoe on Sept. 22. The fair is open to all club members affiliated through schools in Bailey County.

Livestock classes will be confined to breeding sheep, swine, dairy cattle and beef cattle.

SHEEP

Class 1: Mutton type ewes.
Class 2: Fine Wool ewes.
Class 3: Mutton type bucks.
Class 4: Fine wool bucks.

SWINE

Limited to swine born in 1953:
Class 5: Poland China Gilts.
Class 6: P. C. Males.
Class 7: Duroc gilts.
Class 8: Duroc males.
Class 9: Chester White Gilts.
Class 10: Chester White Males.
Class 11: Other breeds gilts.
Class 12: Other breeds males.

DAIRY CATTLE

Class 13: Mature Cows.
Class 14: Heifers (not fresh).
Class 15: Bulls over 2.
Class 16: Bulls under 2.

BEEF CATTLE

Class 17: Mature cows.
Class 18: Heifers.
Class 19: Bulls over 2.

Class 20: Bulls under 2.
FIELD CROPS
Exhibits may be gathered or grown by the club boy, 2 Stalks (best fruited and most mature cotton).

20 bolls open cotton.
Grain Sorghum heads, 10 heads combine type milo and red and white.

Other Milo.
Kaffir heads, hegarri heads.
Threshed grain, half gallons of wheat, milo, vetch, oats, kafir, alfalfa, barley, hegarri, clover, cane, rye.

Shelled beans and peas, half gallons: blackeye peas, butterbeans, pinto beans, cowpeas, soybeans, others.

Bundles: 3 to 5 inch diameter. Wheat, sudan, millet, oats, sweet sorghum, barley, alfalfa, sweet clover.

Marlin Hargrove, agriculture teacher-trainer of Texas Tech College plans to be on hand to judge the show.

This weekend will be the last chance for boys wishing to enter the show to gather corn and maize heads, cotton stalks, etc. All livestock should be brought in and be in place before dark September 21. Judging will commence at 9:30 a. m. the following morning.

GARNER FARM RECORD books on sale at The Journal.

LEFT FOR AUSTIN

Mr. and Mrs. A. S. Stovall and Helen left yesterday for Austin, where they will visit their daughter and son-in-law, Mr. and Mrs. Norman Durham and new grand daughter, Susan Lynn.

VISITING HERE

Mr. and Mrs. C. E. Dotson of Tucson, Ariz., are visiting here with Mr. and Mrs. B. E. Chaney and Mrs. Laura Tipton, and in Clovis, N. M. with Mr. and Mrs. Otis Thompson.

ATTENDED REUNION

Mrs. Beulah Carles and Elizabeth Harder attended reunions in Lubbock Sunday at the MacKenzie State Park. Mrs. Carles went to the Arkansas reunion, and Elizabeth visited the Electra group. They said Mrs. Carles didn't see very many people she knew, but Elizabeth saw quite a few old friends, some of whom she had not seen for about twenty years.

TO JUDGE SHOW

Mr. J. K. Adams will judge the Levelland swine show today. Mr. Adams has judged the show for several years.

Albert Davis Home Scene of Party

The Albert Davis home was the scene of a joint birthday party Friday afternoon, September 11, in honor of Trudy Davis, ten year old daughter of Mr. and Mrs. Albert Davis, and Sandra and Linda Cooper, twelve year old twin daughters of Mr. and Mrs. Arthur L. Cooper.

Games were played through the afternoon on the lawn, and were followed by refreshments

and the opening of gifts. Those attending other than the honorees, were: Mrs. Davis, Mrs. Cooper, Mrs. Howard Roebuck, and Steve, Doris, Frances, and Pat Cooper, Kay and Pat Thomson, Sandy and Pat Burkhardt, Jeanne and Kathy Gray, Lucille Davis, Nancy Donaldson, Freda Elders, Darlene Norris, Marilyn Mitchell, Judy Murrah, Mary Ellen Wedel, and La Wanda Lee, all of Muleshoe; and Mrs. Don F. Martin and Nancy, of Hereford.

ALL ABOUT TEXAS in the Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

Sophomore Class Has First Meeting

The sophomore class of Muleshoe High School met in the High School Auditorium last week for their first meeting. Helen Stovall and Marion Harris served as chairmen. After his election as president, Stanley Fox took charge of the meeting.

Other newly elected officers include: Vice president, Bobby Nelms; secretary-treasurer, Pat Sinnacher; reporter, Pat Cooper; sergeant-at-arms, Steve Smith; Student Council representatives, Evelyn Upton, and Cheer Leader, Noretta Harrison.

Sponsors for the year are Mr. Bill Bickel and Mr. Charles Thomson.

Room mothers for the year include Mmes. Willman, Dutton, Upton, Freeman, Bickel, Holde- man, Harrison, Fox, and Jarman.

Roy V. Miller Graduates From Naval School

Newport, R. I. — Graduation ceremonies at the Navy's Officer Candidate School here September 11 marked the beginning of Naval careers for 600 Naval Reserve Ensigns who have completed the four months course of instruction.

Among the graduates was Roy V. Miller, Jr., son of Mr. and Mrs. Roy V. Miller of Route 2, Fri- ona.

Vice Admiral J. L. Holloway, Jr., Deputy Chief of Naval Operations for Personnel and Chief of Bureau of Naval Personnel, delivered the commencement address and presented diplomas to the group.

LEAVE FOR MEETING

Minister and Mrs. J. E. Randol leave today for Las Vegas, N. M. where they will be engaged in a meeting for two weeks at the Church of Christ there.

REPORTS TO FT. WORTH

A-1c J. C. Buchanan, son of Mr. and Mrs. J. C. Buchanan, Sr., of Morton, is home for a thirty eight day leave after spending twenty nine months in service in Japan. After his leave, J. C. will report to Ft. Worth.

YOU DON'T HAVE TO GUESS! Buy Postal Scales at The Journal. Phone 7220.

Mrs. Elliott Hosts Wesleyan Guild

The Wesleyan Sunday School Class of the Methodist Church met for the regular monthly business and social meeting Wednesday, September 9 in the home of Mrs. Howard Elliott.

The group opened the meeting singing, "We Have A Story To Tell The Nation", and "My Hope Is Built". They were accompanied at the piano by Mrs. A. J. Gardner.

The inspiring devotional for the day, taken from Luke 6:46-49, was brought by Mrs. Buford Butts, who used as her subject, "The Challenge of The Church".

Mrs. A. J. Gardner gave an interesting talk on "Does Our Group Help Persons Grow?" She closed her talk with a poem.

A short business session was conducted, and a nominating committee, made up of Mrs. J. K. Adams, and Mrs. Sam E. Fox, was appointed to select the officers of the class for the ensuing year.

The closing prayer was led by Mrs. W. D. Moore.

During the social hour, Mrs. Elliott showed a very interesting film of their fishing trip to Sugar Lake, near Monterey, Mexico.

Mrs. Elliott, Quineil, and Roberta, served delicious refreshments of pineapple box cake and coffee, to the following ladies: Mmes. D. Warner, J. K. Adams, A. J. Gardner, Morris Childers, Jim White, Bernard Phelps, Buford Butts, W. D. Moore, D. B. Lancaster, A. S. Stovall, and Arnold Morris.

You can call it your own for less than you think

WHY just look and sigh—and pass up so much real automobile?

Why—when this big and beautiful new Buick SPECIAL delivers for a figure you'd pay for a "six"?

Could be you're one of those folks who still don't believe that the price of a Buick really is just a few dollars more than that of the so-called "low-priced" cars. So we'll show you the price tag to prove it.

But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all four wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

Come in and ask us about the low delivered price on this

LEGAL NOTICE

THE STATE OF TEXAS
To any Sheriff or any Constable within the State of Texas —

GREETINGS:
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof in a newspaper printed in Bailey County, Texas, the accompanying citation, of which the herein below following is a true copy.

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: D. M. Miller, Defendant.

GREETING:
YOU ARE HEREBY COMMAND- ED to appear before the Honorable District Court of Bailey County at the Courthouse thereof, in Muleshoe, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 19th day of October A. D., 1953, to Plaintiff's Petition filed in said court, on the 31st day of August A. D. 1953, in this cause, numbered 1806 on the docket of said court and styled Birthia Miller, Plaintiff, vs. D. M. Miller, Defendant.
A brief statement of the nature of this suit is as follows, to-wit:
Suit for divorce for voluntary abandonment continuing for more than three years; partition of community property consisting of Lots Nos. Eight (8) and Nine (9); Block No. Two (2), Northwest Addition to the town of Muleshoe, Bailey County, Texas, as is more fully shown by

Plaintiff's Petition on file in this suit.
If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.
Issued and given under my hand and the seal of said court at Muleshoe, Texas this 1st day of September A. D. 1953.
Attest: M. G. Bass, Clerk, District Court, Bailey County, Texas
SEAL 36-4tc.

I wish to thank everyone for all the lovely cards and gifts and all other kind deeds shown me during my stay in the hospital.
Mrs. Bina Graves

THIS PHOTO snapped by a Journal photographer the morning of the Roundup, depicts three of the younger generation readying for the Roundup. It was snapped in front of the home of Mr. and Mrs. C. O. Jones and the young man in front with the cowboy regalia is the Jones heir. The other house in the picture is the home of Mr. and Mrs. Buddy Blackman, with Lt. Travis Barnett, a visitor in the home at the time, on the porch. The small fry? From left to right: Tommy Jones, son of Mr. and Mrs. C. O. Jones; Ronnie Larson, son of Mr. and Mrs. J. L. Blaylock; and Dick Duayne Goldston, son of Mr. and Mrs. Dick Goldston.

Bill Jim St. Clair Farm To Be Scene Of Plowing Demonstration Sept. 23

The Johnson-Nix International House will hold a plowing demonstration Sept. 23, at 2 p. m. on the Bill Jim St. Clair place. The demonstration will feature the new Farmall Super-C and the newly invented Fast Hitch.
Those farmers attending the event will be eligible to win a brand new 8.2 cu. ft. International Refrigerator.

HERE at HOME
By "SCOOP" FORBES

Been by the park lately? They have tables and benches out there for outdoor meals and gatherings, they have swings and other playground equipment for the kids, the grass is green all over the place, and it's a pretty spot. Pretty soon they'll have an auction sale and everything brought in will go to the development and maintenance of this, Muleshoe's first city park.

Cotton and feed will produce a tremendous income in the Muleshoe area unless something happens in the next few weeks. In the words of Raymond Green, farmer: We don't have the money from these crops in the bank yet.
He remembered that a hail at Levelland took most crops a year or two back, just before the farmer was ready to harvest them and put the money in the bank. We hope nothing like that occurs this year.

By their spirit and enterprise, the Mules are getting more notoriety this year than for a long time. Ain't no telling what these lads will do before the football season is gone. A fellow never knows what he can do.

Muleshoe School P. T. A. To Meet Monday Evening

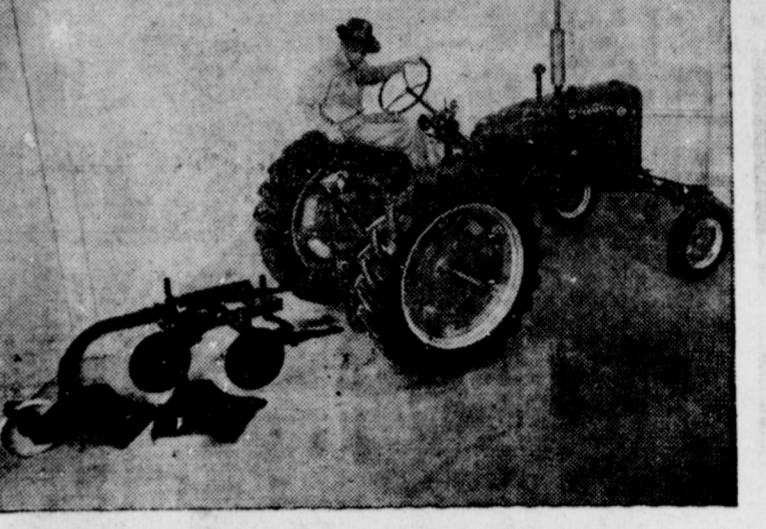

The Elementary and High School P. T. A. will meet Monday evening, September 21, at 8:00 in the High School Auditorium. This is a joint meeting of both organizations for the purpose of introducing the School Faculty to all parents, and for the purpose of getting off to a real start for the coming year. Refreshments will be served by the Refreshment committees of both organizations.

This is a cordial invitation to you to join the P. T. A. Its goals are better homes, better schools, and better communities. The P. T. A. needs YOU whether you are a mother, father, a teacher, or any other civic-minded adult. It needs your ideas, interest, inspiration, service, strength, and support.
America's children and youth are calling YOU. Don't fail to answer. They need the example of responsible adults working toward responsible ends. The P. T. A. offers you the best chance to give them this high human example.

Muleshoe Study Club Entertains With Steak Supper

The Lazbuddie Booster Club met Tuesday, September 15, at 8:30 for the purpose of electing officers and discussing community and school affairs. We did have a good attendance for the second meeting and are looking forward for a better crowd next meeting which will be Tuesday, September 22, at 8:30 p. m. at the Lazbuddie school house.

The Club elected officers as follows: J. C. Scrugg, president; D. B. Ivy, vice-president; Ronald Davis, second vice-president; Denton Thompson, secretary and treasurer; Jack Smith, tail twister. Mr. Wilbanks, Mr. Davis, and Mr. Graef were selected as a committee to draw up a constitution and by-laws. Mr. Wilbanks is the chairman. John Gammon was elected publicity Gene White assistant. After the meeting, refreshments of coffee and donuts were served to the following: Jim Haynes, Clarence Mason, Ronald Davis, J. W. Gammon, D. B. Ivy, Wayne Clark, Jimmy Ivy, J. T. Mayfield, Chub Embry, James Welch, Gene White, Harlan Gilmore, Truman Gleason, Matt Jesko, Clarence Graef, Clarence Jack Smith, Glen Scott, J. C. Smruggs, Calvin Clark, Mr. Wilbanks, Rufus Lucy, Sam Lucy, Ben Foster, Denton Thompson, J. G. Ward, C. W. Dukes, and Melvin Howard.
This club has been organized for the betterment of our school and community, let's back it. Come on out men, its fun as well as business.

The Johnson-Nix International House will hold a plowing demonstration Sept. 23, at 2 p. m. on the Bill Jim St. Clair place. The demonstration will feature the new Farmall Super-C and the newly invented Fast Hitch.
Those farmers attending the event will be eligible to win a brand new 8.2 cu. ft. International Refrigerator.

Our Honor Roll

There were eight new subscribers to The Journal this week, they are:
Mrs. Willie V. Green, Fort Worth.
Texas Press Clipping Bureau, Dallas.
Mrs. G. R. Newman, Baileyboro.
W. L. Blackstone, Maple.
R. L. Crawford, Rt. 2.
Willie Strong, City.
R. B. Mitchell, City.
Ola B. Jones, City.

Old subscribers who renewed their subscriptions are the following:
A. P. Lambert, City.
Evelyn Autrey, City.
J. C. Willard, City.
Jerry Kirk, City.
B. A. Dalton, City.
Julian Lenau, City.
R. E. Luttrell, City.
N. H. Greer, City.
Cobbs, City.
Mrs. J. E. Perkins, City.
W. E. English, City.
F. H. Davis, City.
Edward C. Peterson, Indianapolis, Ind.
Tom L. Smith, Rt. 2.
J. E. Randol, City.
T. F. West, City.
Joe Shipman, City.

By their spirit and enterprise, the Mules are getting more notoriety this year than for a long time. Ain't no telling what these lads will do before the football season is gone. A fellow never knows what he can do.

Muleshoe Study Club Entertains With Steak Supper

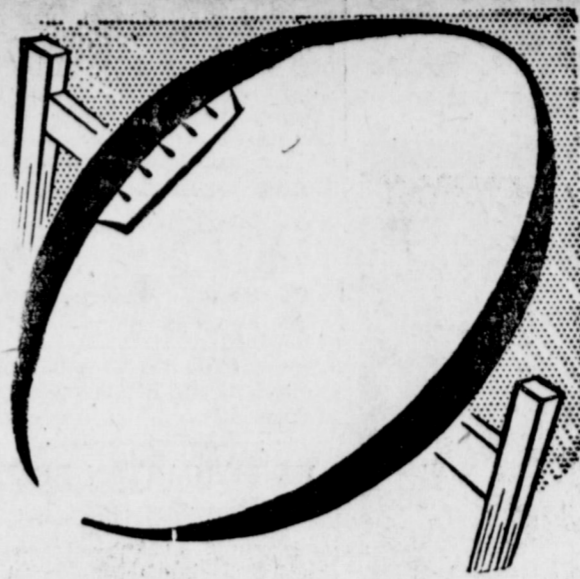

The Muleshoe Study Club held its initial meeting of the club year Thursday, September 10, in the lovely back yard of the Pat Bobo home. Husbands of Club members were special guests for an outdoor broiled steak supper.

Following the delicious meal, the president, Mrs. Buck Ragsdale, welcomed guests and gave an introduction to the new year's course of study. Year books were distributed, and Mrs. H. D. King, vice-president, gave a preview into the work of the coming year. Mrs. John Watson read the poem, "Are You A Member, Or Do You Just Belong?", inspiring each member to do her best.
Games and tricks provided much merriment around the camp fire.
Members and husbands present were: Messers. and Mmes. Julian Lenau, Arnold Alcorn, Jim Cox, John Watson, A. J. Gardner, Buck Wood, Lee Pool, Buck Ragsdale, Harold King, Pat Bobo, Charles Lenau, and Mrs. M. F. Green.
Other guests were Miss Myrtle Lenau, of Hobart, Okla., and Mrs. Faye Smith.
The next meeting will be September 24, in the home of Mrs. H. L. Blackburn.

Shetland Pony, Auto To Head List Of Articles For Park Auction Sale

A Shetland pony and an automobile head the list of things consigned by local people to the auction sale Saturday, Sept. 26 for benefit of the city park fund. Muleshoe Motor Co. gave the pony and Morrison Motor Co. is shining up a used automobile to be sold in the auction event, set for city park at 4 o'clock.

Tom Morgan and Ray Franz, working up a list of things to be auctioned, said not all of the business people have been seen, but that they have yet to experience anyone failing to give something.

And rural people around the city have come in on this deal, giving hay, feed, etc., to be auctioned. This indicated to the park committee that the people of the city and vicinity are indeed anxious to build a park here.

Some of the articles given for the auction and the givers are as follows, and watch the list grow:

- Muleshoe Motor Co., Shetland Pony.
- Muleshoe Jewelry, 17 jewel wrist watch.
- Morrison Motor, car.
- Jones Farm Store, Hog feeder.
- Fry & Cox, case Prestone.
- Furniture Mart, Clovis, Floor lamp.
- Cashway, \$25 certificate.
- Piggly Wiggly, case peaches.
- National Alfalfa, 6 sacks meal, \$2.50 per sack.
- Johnson-Pool, Kiddie Tractor.
- Harvey Bass, West Bend Perculator.
- Arnold Morris, Battery.
- Dyer Hardware, Table lamp.
- Wellborn Beauty Shop, \$10 permanent.
- Western Auto, Arvin Radio, (table model).
- Higginbotham-Bartlett, Gloss white paint (enough for 4 room house).
- Hart's, Power tool, 1/2 inch

- Blue grass drill.
- Cobb's Dept. Store, \$21 Ladies Wardrobe Case.
- Willson-Sanders Lumber, Two 9x12 Linoleum rugs.
- Remund-Wilson, Foot Locker.
- Cayle Reed, Tire.
- Woody Lambert, \$5 cleaning certificate.
- Johnson Furniture, Lamp Table, \$12.50.
- Muleshoe Journal, File cabinet, (1 drawer, steel).
- Mack's Barber Shop, Bottle of tonic.
- Russell Supply, Set socket wrenches.

The following have consigned hay and feed to the auction: H. E. Shafer, A. Z. Morris, Joe Metcalfe, Odell Logan, Sam Shelley, Ira Martin, Edgar Broyles, Dave Aylesworth, Prof. Shelby, Ed Morris, A. A. Young, Tye Young, Henry Druesedow, Herbert Peugh, Burl Black, H. D. Holley, Billy D. Bell, S. C. Caldwell, A. F. Robertson, and Harbin Bros.

CHRISTIAN SCIENCE SERVICES

According to the Lesson-Sermon entitled "Matter" to be read in Christian Science churches this Sunday the temptations of evil can always be successfully silenced by turning to God for guidance. When tempted by evil to believe that the worship of evil and matter would bring great personal gain, Jesus rebuked the devil and declared: "Thou shalt worship the Lord thy god, and him only shalt thou serve" (Matthew 4:10).

The Golden Text is from Hosea: "I will have mercy upon the house of Judah, and will save them by the Lord their God, and will not save them by bow, nor by sword, nor by battle, by horse, nor by horsemen" (1:7). Among the selections to be read from the Christian Science textbook by Mary Baker is this one: "Belief in a material basis, from which may be deduced all rationality, is slowly yielding to the idea of a metaphysical basis, looking away from matter to Mind as the cause of every effect" (Science and Health with Key to the Scriptures, p. 268).

ATTENDED FOOTBALL GAME

Mrs. Don T. Martin, Freddy, and Nancy, of Hereford, were visitors in the home of Mrs. Martin's sister, Mrs. Arthur L. Cooper, Friday afternoon. They attended the football game between Hereford and Muleshoe Friday night, after which they returned home.

ATTENDED STYLE SHOW

Mrs. Fred Johnson, Mrs. Lois Schoenberger, Mrs. M. F. Green, and Mrs. Myrtle Lenau of Hobart, Okla., attended a style show and brunch at the Lubbock Country Club last Tuesday. The show was sponsored by the Junior Welfare League.

SPENT WEEKEND HERE

Mr. and Mrs. Don Fudge and Ronnie, of Hereford, spent the weekend here visiting her parents, Mr. and Mrs. Roy Bryant, and other relatives and friends. They attended the football game Friday night between Hereford and Muleshoe.

KINDERGARTEN BELLE

The belle of kindergarten wears a feminine little cotton frock to set off her blonde curls. Her dress is a gay red, white, and black plaid cotton with an everglaze finish. Designed by Nanette, it has a wide yoke front and sleeve bands piped in red and white, with a knitted round collar in white.

ORGANIZATIONS STUDY U. S. FARM SURPLUSES

Surplus commodities still are an object of study by the Texas Farm Bureau Federation, according to a recent letter from J. Walter Hammonds, president, to Bill Millen, president of the Bailey County Bureau.

They have, said Mr. Hammonds followed through on every possible avenue that might improve and stabilize the livestock market. Many other organizations are

assisting in these studies, such as farm organizations, Retail Grocers, chain and other retail food industries, processors and distributors and the USDA.

LEAVE FOR CALIFORNIA

Mr. and Mrs. Pat Bobo left

Saturday for California, where they will spend two weeks with Mr. and Mrs. Hal Neif, former Muleshoe residents. Mr. and Mrs. Bobo, and Mr. and Mrs. Neif will tour points of interest in California together.

SUSAN LYNN DURHAM

Mr. and Mrs. Norman Durham, of Austin, are parents of a girl, born Thursday, September 10. She has been named Susan Lynn. Proud grandparents are Mr. and Mrs. A. S. Stovall, of Muleshoe.

DRIVE IT! PRICE IT! Then Compare The Deal!

GENERAL MOTORS LOWEST PRICED RIGHT

Even a picture tells you a great deal about Pontiac's beauty, its long lines and substantial feel. But the best way to appreciate what makes Pontiac such a great value is to get behind the wheel and drive it. Then you'll know you have a real performer in hand. Pontiac always responds with eager, ready-to-go high-compression power — more than any highway will ever require. For all normal driving, the engine can loaf — one reason why Pontiac

leads such a dependably long life.

There's a great deal more to the Pontiac story: ease of handling, beautiful Dual-Streak styling, roominess, comfort and luxury. And there is Pontiac's PRICE — actually just a few dollars above the very lowest-priced field!

So come in now and drive Pontiac, price Pontiac, compare Pontiac! We're confident that you'll quickly agree that Pontiac is your best deal!

Dollar for Dollar you can't beat a

Reversing The Soil Fertility Loss Trend

Our Texas soils are being built up and torn down at the same time. The use of crop residues, manure, fertilizers and other good management practices builds up our soil productivity. But leaching, erosion, crop removal and oxidation of organic material, in many cases, are depleting soil fertility faster than it is being built up. Reversing this trend will involve the development of soil management methods for all parts of the state.

The red or brown water of our Texas rivers, the increasing seriousness of flash floods, eroded hillsides and frequent dust storms are evidence of lost soil. While these situations are serious, the destruction of the productivity of our land is the real tragedy.

Productivity loss is not easy to see with the naked eye, and it

is not reflected in data on crop yields. New technology, such as high-yielding, disease-resistant crop varieties and new chem-

icals for insect control have temporarily prevented a downward trend in yield. And our crop yields have often been maintained by using up "capital reserves", depleting our basic soil resources.

Soils are produced by a vast number of combinations of climatic, geological and biological forces. Each of our thousands of soil types has its own possibilities and limitations. Some have been carefully explored, but many have not yet been described.

Better erosion control through contouring, mulching, terracing and grass waterways reduces soil loss. Good crop rotations and applications of lime and fertilizer compensate for part of the fertility loss. Research has been productive in overcoming these factors, but we have not yet stopped the downward trend on most soils. Only a start has been made in our understanding of the chemical, physical and biological forces involved in the building-up and tearing-down process.

Our biggest task will be in learning to understand the effect of alternative soil, crop, livestock and management systems upon gains and losses in fertility in each section of the state. The Texas Department of Agriculture and the Agricultural Experiment Station at College Station have been working on this project for a number of years.

But it is also the duty of every farmer to learn as much about the qualities of his own soil as he can. Only then can

he take advantage of the progress made in research projects.

VISITED HERE

Mr. and Mrs. M. F. Dill of Cross Plains, visited this week in the home of their niece, Mr. and Mrs. R. C. Giles and family.

BACK HOME

Mr. and Mrs. Ross Goodwin returned from Colorado last week, where they had been fishing.

VISITED IN ROSWELL

Mr. and Mrs. W. F. Creamer, Sue, Monnie, and Forrest, spent the weekend in Roswell, N. M., with a daughter and son-in-law, Sgt. and Mrs. Rush.

BACK FROM KOREA

Cpl. Jim Hawkins, recently returned from Korea after two years of service, visited Mr. and Mrs. Russell Buhrman and several old friends in Muleshoe over the weekend.

FFA Elects Officers In First Meeting

The first meeting of the Muleshoe Chapter of Future Farmers of America was held on Monday, September seventh at 8:00 p. m. The meeting was called to order by the new president, Neil Arnold.

Time in the first meeting was spent in organizing for the coming year. The Chapter elected Alan Mathis, David Allen, and Donald Nash as the representatives to the student council. The following committees were appointed: Program Committee, Kenneth Henry, Marlon Inman, Bill Willis; Refreshment Committee, Joe Roark, Doyle Gabbert, Dean Stallings;

Membership Committee, Alan Mathis, David Sanders, Travis Clements; Publicity Committee, Sammy Donaldson, Bill Willis, Melvin White, Travis Clements, Neil Arnold, and Beverley Mar- dis;

Rodeo Committee: Travis Clements, David Allen, Sonny Shafer; Initiation Committee, Travis Clements, David Allen, Marlon Inman.

Plans were made for the coming year's work in the Chapter. Plans are being completed for the Greenhand initiation. The Chapter wishes to invite any interested parents to be present on that night, October 5. A good program is being worked up.

One hundred and eleven students are enrolled in classes of Vocational Agriculture this year with the Freshman class furnishing by far the largest number. There are fifty-eight boys in V. A.; thirty-six in V. A. II; ten in V. A. III; and seven in Farm Engineering. The boys have been very busy organizing for the new year. They are looking forward to a full year of shows and contests. The Dallas Fair and the local Bailey County fair is uppermost in most of the boys' minds at this time. Advisors for this year are Charles Thomas and Bill Bickel.

LIBRARY NEWS

The Library has several new books, announces the Librarian, Mrs. Wright. They are:

Beyond This Place, by Cronin. Time and Time Again, by James Hilton.

The Laughing Stranger, by Vina Delmar.

Blue Skies, by Gay Rutherford. Badlands Ranch, by Lloyd Kevin.

Gambler's Guns, by Thomas.

Murder's No Picnic, by Louis Cushing.

And The Stars of Love, by Norma Newcomb.

PICKS COTTON

Jean Driver Kendrick of Osceola, Arkansas, picks a fluffy cotton costume to inspect the cottonfield at Blytheville, Arkansas, where this year's National Cotton Picking Contest will be held, October 2.

New Conoco Super Gasoline

The Greatest Gasoline Development in 31 Years

with TCP*

Boosts power as much as 15%! Increases spark-plug life up to 150%! Gives you extra gas mileage, too!

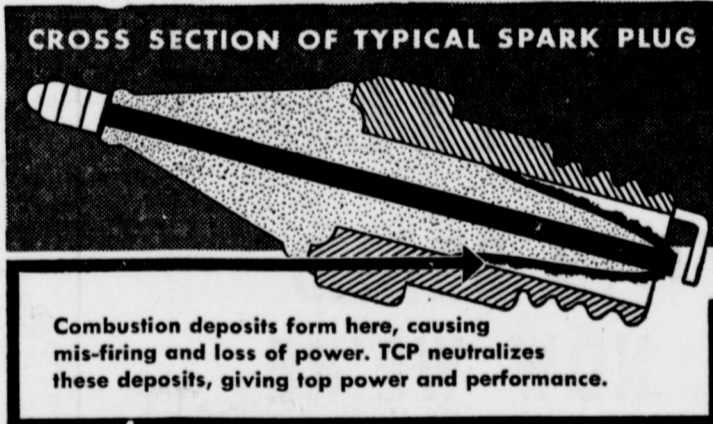

Here's the most revolutionary advance in motor fuels since the introduction of tetraethyl lead in 1922—new Conoco Super Gasoline with TCP, brought to you by special arrangement with Shell Oil Company. TCP is Shell's trademark for the remarkable additive originally developed for aviation fuels.

Now you can actually enjoy the benefits of an engine tune-up—just by changing to new Conoco Super Gasoline. Chances are, by the time you've finished your second tankful, you'll feel the increase in power. And you'll keep that extra power just as long as you use Conoco Super.

For Conoco Super with TCP is a new kind of gasoline. It overcomes the greatest single cause of power loss affecting most of the cars on the road today. Now, you can enjoy all the power that was built into your car.

Why you need Conoco Super Gasoline with TCP

In the average automobile, the by-products of true combustion constantly build up deposits on spark plugs and in combustion chambers. These deposits can "cheat" you of power in two ways. First, they actually short-circuit your spark plugs. This causes mis-firing. Second, deposits in the combustion chamber get red hot and cause the fuel to ignite before it should. This is called pre-ignition or "wild ping." The effect of fouled spark plugs and pre-ignition is a loss in power and a waste of gasoline.

Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

How TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. It will actually increase spark-plug

life up to 150%. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Yes, a great new era in motoring is here for you: Drive into your Conoco station today and fill your tank with new Conoco Super Gasoline with TCP: You'll feel the difference by the second tankful!

Questions and answers about New Conoco Super Gasoline with TCP

- Q. What is TCP?**
Answer. It is a cresyl compound, originally developed for aviation gasoline and used with great success in both military and commercial aircraft.
- Q. Has TCP been tested?**
Answer. Yes, for millions of miles, in all kinds of cars, under all kinds of driving conditions.
- Q. What does TCP do?**
Answer. It overcomes the power loss caused by deposits on spark plugs and in combustion chambers.
- Q. What does TCP do for new cars?**
Answer. It helps them keep their original power.
- Q. What does it do for older cars?**
Answer. It's like cleaning your spark plugs and getting a motor tune-up. You'll get back much of the power you're now missing.

Now at your Conoco dealer!

NEW CONOCO Super GASOLINE

Epsilon Chi Has First Meeting

The Epsilon Chi Sorority met at the R. E. A. building for the first meeting of the year. Mar-

lene St. Clair and Lois Witherspoon were hostesses.

The meeting was called to order by the reading of the opening ritual. Plans and business for the coming year were discussed. Lois Witherspoon gave an interesting talk on "Pattern to get the most out of Living"; the subject of study for the coming year.

A certificate of award was presented to Joy Finley as the Chapter's Golden Girl.

Delicious refreshments were served to Mmes. Lois Witherspoon, Marlene St. Clair, Joyce Alsop, Eva Mae Alsop, Marjorie Precure, Helen Harvey, Alta Mae Ellis, Mary Anna Bryant, Ellen Gupton, Jane Griffiths, Jerri-

Wesleyan Service Guild To Donate To Park Fund

Mrs. Jim Cox was hostess to the Wesleyan Service Guild, Monday evening, September 14, at 8 o'clock.

Mrs. Delma McCarty, president, presided over the business session. Devotional was given by Mrs. Fred Johnson, on "Getting and Giving". A poem, "The Old Lamp", brought out the true meaning of giving. She closed the devotional with a prayer.

Mrs. Mable Dowell, vice-president, was in charge of the program. Each officer was asked to give her duties of office and the president appointed Mrs. Dowell to be in charge of the program for the week of prayer.

The Guild voted to donate \$15 to the Park Fund, rather than try to sell tickets.

Two projects will be used to raise money for use as needed in the work of the Guild. Each member will contribute three cents per day, and this will be paid to the treasurer. This method will be used for the year instead of the usual serving of banquets to raise money. The other project will be to use one dollar and see how much can be made with it during the year.

The Guild will meet with Mrs. Mable Dowell, September 28, at 7:30 p. m. and start the new study on "The Prophet Jeremiah". Mrs. Ray Edwards gave out various assignments to be used in the study.

Mrs. McCarty closed the meeting with a prayer.

Refreshments were served to Elizabeth Harden, Mmes. Delma McCarty, Buford Butts, D. Warner, Fred Johnson, A. S. Stovall, Lois Schoenberger, Mable Dowell, Ray Edwards, and two visitors, Patricia Butts, and Edwin Ray Cox.

WERE IN OZARKS

Mr. and Mrs. Byron Griffiths returned recently from a trip to Dallas and points of interest in Arkansas and Missouri. Mrs. Griffiths said they spent most of their time in Springfield and Fayetteville. They went across the Ozarks, which they said were very beautiful.

Farrell, Joy Finley, Betty Glaze, Ruby Gregory, Elizabeth Woodley, and Miss Billye Jones.

The next meeting will be a social on September 23.

Mrs. Jimmy Hall Honored With Bridal Shower

Mrs. Jimmy Hall was honored with a bridal shower Thursday evening, September 10, in the home of Mrs. H. E. Schuster. The callers were greeted by the bride, her mother, Mrs. D. E. Beller, and the groom's mother, Mrs. L. S. Hall.

Mrs. Gerald Byrd registered the guests in the bride's wedding book.

The variety of beautiful and useful gifts were on display in the bedroom.

The chosen colors of green and white were used to decorate the home and serving table.

Lime punch and cakes were served from a lace covered table by Mrs. Cecil Mardis, and Mrs. Allen Guinn.

Hostesses for the occasion were: Mmes. Clifford Green, C. M. King, Allen Guinn, George Mayo, Ray Edwards, Gerald Byrd, Cecil Mardis, A. S. Stovall, A. W. Copley, and H. E. Schuster.

Neighbors And Friends Surprise Tiptons With Party

Neighbors and friends of Mr. and Mrs. L. D. Tipton surprised them Sunday with a delicious birthday dinner.

The afternoon was spent visiting, and several lovely and useful gifts were received by the honorees.

Those attending were: Mr. and Mrs. John A. Ladd, Mr. and Mrs. Carl Evans, Mr. and Mrs. George Chambliss, Mr. and Mrs. C. H. Odum, Mrs. Eva Murrah and Jerene, Mattie Chambliss, and Linda Hughes.

Ryan Home Is Scene Of Birthday Celebration Sunday

Friends and relatives gathered at the home of Mr. and Mrs. Art Ryan September 13, to help Mrs. Deibler celebrate her 87th birthday. Seventy-three were present, and four generations were represented.

Mrs. Deibler, her daughter, Mrs.

Art Ryan, granddaughter, Mrs. Kline Buhman, and great grandchildren, Marsha and Roger Buhman.

Others present were: Mr. and Mrs. Roland Matthiesen, Mrs. Mertie Priboth, Mrs. Hattie Jones, Mr. and Mrs. Guss Priboth, El-

mer Smith, Mr. and Mrs. Barney Smith, Mr. and Mrs. Raymond Roubinek and Jack, Mr. and Mrs. Harry Engleking, Mr. and Mrs. Kline Buhman and children, Mrs. D. J. Harris and Ms. Curtis of Amarillo.

All enjoyed the day and Mrs.

Deibler received lovely birthday gifts and cards.

PREACHED SUNDAY

Minister E. E. Degge of Plainview filled the pulpit at the Lariat Church of Christ Sunday, and will preach there again this Sunday.

Sykes Gospel Singers To Perform Here

The Sykes Gospel Singers, a mixed quartet of Radio recording and TV artists of Los Angeles, Calif., will stage a performance at the Muleshoe High School Auditorium Thursday evening, October 15, beginning at 8:15.

This program is being put on for the benefit of the colored school here. The school will receive half of the proceeds, and

will use this money to build up their school campus. They plan to purchase a merry-go-round, climbing bars, and see-saws.

The Sykes singers performed here last year to a full house, and put on a very enjoyable program.

Admission will be 50c per person, and tickets will go on sale soon at Western Drug.

BACK FROM COLORADO

Mr. and Mrs. Wiley Baker and children and her sister and brother-in-law, Mr. and Mrs. F. H. Griffin and children of Slaton, have returned from a trip to Red River, N. M., and Monte Vista, and other points of interest in Colorado.

Final Golf Tournament Sept. 20 To Include Men, Women Players

The final golf tournament of the year will be held on Muleshoe Golf Club's course Sunday afternoon, September 20, beginning at 1 p. m.

This last tournament is to be a 4-ball tournament, open to men and women, with Class A, B, C, and D players (1 of each) making up each foursome. Only the low ball on each hole will be counted, with the total low on the 18 holes being turned in.

Entrance fees will be \$1 per person and all monies thus received will be divided between the two lowest foursomes, in the

form of merchandise chits, to be redeemable anywhere in Muleshoe. The lowest foursome will receive 60 per cent of the pot and the second lowest foursome 40 per cent of the pot.

Noel Woodley, club member, who is tournament chairman, asked golfers to report at No. 1 tee box at 1:00 p. m. sharp, September 20, if they care to play. He said no entries will be received after 2 p. m. of that day.

More Students Will Leave Soon

Some of the Muleshoe Students who are leaving for college soon, and who were missed by The Journal last week are the following: Arlyn and Lloyd Kriegel, Tech; Irene Shanks, Denton; Bobby Ross Goodwin, N. M. M. I.; John Charles Gilbreath, N. M. M. I.; Carter Taylor, McMurry; Jack DeShazo, W. T. S. C., and Max Gardner, N. T. S. C.

Range Of Wage Survey To Begin Soon

J. D. Jordan, Local Office Manager for the Texas Employment Commission, said here today that Bailey County cotton farmers will soon receive letters requesting them to supply information and wage data for a "range of wage survey" being conducted by the Texas Employment Commission and the local Crop Wage Committee.

The letter, he said, will explain the wage survey plan in detail, and will include a questionnaire which will request information on the general characteristics of the farm, such as size, cotton acreage, anticipated cotton yield, whether the farm is irrigated or non-irrigated, and similar data necessary for analysis of the sample to assure that it is representative in every respect.

The survey will be made, according to Jordan, in compliance with Public Law 78, which, in part says, that Mexican Nationals may be admitted to this Country for farm employment only if it is found that the wages and working conditions of domestic farm workers will not be adversely affected.

Jordan said, "Wages which the farmer agrees to pay Mexican Nationals are subject to change, depending on what other farmers pay their workers. Therefore, the survey is made for the convenience of the employers hiring Mexican Nationals.

"In fact," he said, "the Migrant Labor Agreement of 1951, as amended, reads in part as follows: 'The Mexican Consuls and the Representatives of the Secretary of Labor shall exercise vigilance to insure that the wage rate paid to the Mexican worker is not less than the prevailing wage rate for similar work in the area of employment and that wages are paid to the Mexican workers in accordance with such rate or with any increases in such rate which may become effective in the area during the period of employment, but not below the minimum rate specified in the Work Contract. Increases in prevailing wage rates shall be put into effect immediately by the employer and shall not be contingent upon a formal request to do so by the Mexican worker, the Consul of Mexico, or the Representative of the Secretary of Labor. Declines in prevailing wage rates shall be recognized and accepted by the Mexican worker, provided they do not fall below the rates specified in the Work Contract.'

The surveys are made only in areas where Mexican Nationals are to be employed in numbers to warrant a survey. The surveys will be made bi-weekly during the cotton harvest season, Jordan said.

He added that a folded perforated card will be mailed to each farmer included in the survey on Mondays of the survey week. Information requested should be related to Wednesday of the survey week and returned the same day for tabulation by the TEC and the local Crop Wage Committee. Farmers not included on the sample list for the survey, will be given an opportunity to voluntarily furnish information on cards that will be available at cotton gins in the survey area.

Disease Causes Cancellation Of Fair Swine Show

VE Swine Disease has caused the abandonment of the Fat Barrow Show, an annual feature of the Dallas State Fair. Hearing about this, J. K. Adams, county agent, invited the Fair to hold their barrow show here, but it appears this is not in the cards at this time. Anyhow, they wrote Mr. Adams the following letter about it:

Mr. J. K. Adams
County Agent
Muleshoe, Texas

Dear J. K.

We have discussed very carefully your proposal along with one from L. M. Hargrove in regard to the State Fair of Texas providing premium money for a district barrow show on the Plains. As much as we would like to support such a show it is the thinking of our officials that if we were to participate in a show on the Plains it would be very important that we do likewise in other sections of the State. After giving careful consideration to your proposal we have decided that it would not be possible for the State Fair of Texas to carry out a statewide support for the various sections of the State in holding a barrow show.

We want you to know that we did everything possible to hold

Gary Cooper Gives Up Big Game With Full Bag Of Trophies

Gary Cooper, who's hunted lions in Africa, shot tigers in India and wild boar in Samoa, and speared game fish underwater in the tropics, bagged a cougar in Mexico during the filming of "Blowing Wild", a United States Production for Warner Bros., which holds its special All-Southwestern Premiere on 27, 28, 29 and 30 of September at the Valley Theatre and 199 other theatres from the Panhandle to the Gulf.

That brings him pretty near a full bag, Cooper figures; so now he's ready to call hunting quits and never shoot any game that he can't eat.

"When I was a youngster," said Cooper, "I dreamed for years of going to Africa to shoot bag game. Eventually, I did go, not only to Africa but to India, and I stalked and shot elephants, lions, rhinos and tigers.

"I enjoyed it a lot. But now

a Junior Pig Show at this year's State Fair of Texas. Certainly, we are interested in the boys and their pig projects and regret very much that the VE Swine disease situation is such that we found it necessary to follow the advice of the Bureau of Animal Industry. As these officials have pointed out to us the risk was too great, to the boys and the Swine breeders to participate in a show as large as ours.

We know you appreciate our position and please understand our thinking in regard to participating in the financing of a district show on the Plains.

Sincerely yours,
Ray W. Wilson, Manager
Livestock Department

he'd even furnish the guns."

Gary paused, shoved a big black cigar into his mouth and struck a match. "Good for chest colds," he said, puffing away.

"Like I was saying", Cooper declared, "I figure if they're that easy to get, there can't be much sport in it anymore. Anyway, it's not the size of the game, but how much work it takes to get it that makes for fun. Same goes for fishing."

Cooper said that from here on he'll just draw a bead on small game, like duck, pheasant or partridge. They're a test of a hunter's skill, and besides make for good eating.

"I think I'll stick to birds from now on," said Cooper, "and just enough for the table."

A John Wayne thriller "Island In The Sky" will play this week-end at the Valley Theatre.

RETURN FROM VACATION

Mr. and Mrs. W. H. Autrey, Sr., returned Sunday from a two weeks vacation in Colorado and New Mexico. They were met at Logan, N. M., by a brother and wife, Mr. and Mrs. O. J. Autrey of Melrose, N. M. From there the two families went to Denver, Colo., where they visited Mr. and Mrs. Ed Hines, a brother-in-law. They spent one night at Bendemer Lodge, thirty miles west of Denver, and near Evergreen, Colo. They visited Buffalo Bill's grave on Lookout Mt., and visited the old museum where all his relics are kept.

They returned home by way of Santa Fe and Albuquerque, N.

I've got all that big game hunting behind me, I've about decided I'll never do it again."

(Editor's note: Wait until Ernest Hemingway, one of Coop's favorite hunting companions hears about this!)

"Big game hunting," the lanky actor went on, "isn't as difficult and risky as it used to be. You can hunt in Africa now with jeeps, airplanes and even radar to guide you. Not long ago, one white hunter in British East Africa wrote me that I could fly to Nairobi from Hollywood, bag an elephant and be back in California in two weeks. Said

IN any modern dairy no hand can touch the milk and every possible source of contamination is guarded against. But, the trip from the dairy to the store and the home is another story. The bottles *must* be handled, not once but several times, and the natural way to pick up a bottle of milk is by the top.

That's why you find tamper-proof sterilized Sealright hoods on our milk bottles. Sealed on the bottle top at 500° F. this hood of specially prepared, specially treated, paper, covers the entire pouring lip—prevents human contact until you break the seal.

Here's priceless protection . . . at no extra cost to you.

Bobby J. Smith Is Aboard The USS Southerland

Bobby J. Smith, fire control technician third class, USN, son of Mr. and Mrs. Joe Smith of Route 2, Muleshoe, is aboard the radar picket destroyer, USS Southerland.

This is the Southerland's third tour of duty in the Orient since the Korean action began in June, 1950.

The Southerland will be a part of Task Force 77 and 95, performing armistice policing and operational training duties off the coasts of Korea.

The ship and her crew are to remain in the Far East for a normal tour of duty as part of the UN's program of remaining alert to meet any future threat to the security in his area.

Lazbuddie F. H. A. Chapter Hold First Meeting Of Year

The Lazbuddie F. H. A. Chapter held their first meeting Monday night, September 14.

The meeting was called to order with the foreman opening ceremony by the president, Jimmie Carpenter. Charlene Graef and Jimmie, then explained the junior degree. Barbara Hinkson explained the chapter degree, and the sponsor, Mrs. Revel explained the state degree.

After business was taken care of, the meeting closed, and the program for the evening began. Charlene Graef, Thresa Jesko, Barbara Hinkson, Clara Jean Jesko, and Mrs. Revel gave a report on their trip to the National convention.

After the program, the F. H. A. girls and the F. F. A. boys enjoyed a joint watermelon feast.

Universal-International Brings McIlvaine Best-Seller To Screen

Loretta Young and John Forsythe are co-starred in Universal-International's new heartwarming comedy, "It Happens Every Thursday", adapted for the screen from the best-selling book by Jane McIlvaine. The new film highlights the problems met by a young couple while publishing a small-town weekly newspaper. Joseph Pevney directed and Anton Leader Produced. The picture will be shown at Cox Drive-In Theatre Thursday and Friday, September 24 and 25.

"It Happens Every Thursday" delightfully chronicles the happiness and the heartbreak of a young married couple who take over a defunct country weekly and build it into a successful journal.

The new film represents the first time that the small-town weekly newspaper has ever been made the subject of a feature-length film. And by that token "It Happens Every Thursday" is a far cry from the standard Hollywood film dealing with the newspaper business.

Loretta Young plays the movie counterpart of the book's author and John Forsythe, New York stage and television star, plays the role of Miss Young's husband.

Behind this refreshing insight of life in the Fourth Estate was five years of real-life experience shared by Jane and Bob McIlvaine, publishers of a small Pennsylvania weekly. It was May 1, 1946, when a Navy veteran, Robinson McIlvaine rejected the idea of resuming his career as a Washington, D. C., public relations man, and invested his life savings in the Downingtown, Pennsylvania, Archive.

Five years later the experiences of trying to breath new life into the almost defunct weekly was related graphically and with sparkling humor in Jane's book, "It Happens Every Thursday".

During the filming of "It Happens Every Thursday", the book's author, her husband and two children visited the film set and saw their movie counterparts at work bringing their own real-life experience to the screen. Frank McHugh, Edgar Buch-

Hospital News
