## Bailey Co. Farm Bureau Sets An Important Meeting At Three Way

An important meeting of the Bailey County Farm Bureau for Thursday, June 18, at the Three Way school house is announced by Bill Millen, president.

Mr. Millen said the Bureau desires as big an attendance of people of that section of the county as is possible, and the meeting is for men, women and children.

Besides hearing a fine program, those who attend will have the opportunity to help select the Farm Bureau queen for this county. A county winner will be selected, who will have the chance to win a watch at the district meet and the trip to Mineral Wells for the state finals. Winner there will receive \$500 and a free trip to the national meet to be held in Chicago.

## Speed Resigns At Three Way

Mr. and Mrs. Charlie Speed have resigned as superintendent and teacher, respectively, in the Three Way School. Their resignations were presented to the board of education which met Monday night.

They have been with the Three Way school several years. They announced that they have accepted teaching positions in the Levelland school system.

## Lions Entertained By "Hut" Hutson

The Muleshoe Lions Club was entertained at their regular meeting Wednesday at Gerald's Cafe by "Hut" Hutson of Amarillo, a widely known caricaturist.

Bill Moore and Tye Young were appointed as a committee to act on playground equipment for the city park. Blondie Ray was also appointed to represent the Lions Club at the kick-off breakfast to be held Friday, June 26.

Plans were completed for the Berger convention to be held this week-end.

All Lions were reminded of the installation banquet to be held June 23 at the Fellowship Hall.

Visitors were Jesse Osborn, Joe Jones and R. P. McCall.

## Speaks At Lubbock

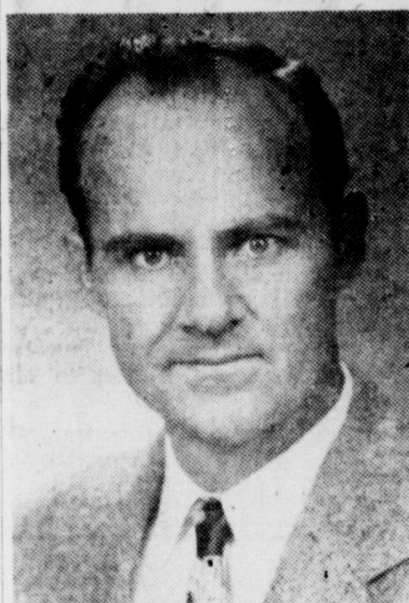

SEC. BENSON

Benson To Appear At Tech — Secretary of Agriculture Ezra Taft Benson will appear for a speaking engagement on the Texas Tech Campus June 27 as part of the American Cotton Congress in Lubbock, June 25-27. Secretary Benson will take part in the Congress Field Day on the campus where industrial exhibits will be on display.

## TO SUMMER SCHOOL

Some more local boys and girls who are attending summer school this year are: Dennis Roney, Texas A. & M.; Buddy Lane, Baylor; Allan Turner, Baylor; Mona Wilhite, Wayland; Janice Grimsley, Texas Tech; and Patricia Inman, Band School at Texas Tech.

## Doctor Smith

Dr. OTTO SMITH

It's DOCTOR Smith now. Otto Smith, a Muleshoe boy, pictured above, was given his Doctor of Medicine Degree at the Medical College of the University of Texas at Galveston in exercises June 5.

It was the end of a long trail for Otto, who is now 36. He plans to enter Denver General Hospital, Denver, Colo., in July for a one year internship, and his tentative plans are to enter the general practice of medicine after that.

Otto, son of Mr. and Mrs. W. W. Smith of Muleshoe, graduated from the high school here in 1934, entered the Army in 1941. He was stationed first in El Paso and San Francisco for a year, then in Hawaii for 31 months with the 204th General Hospital. After serving for a year on Guam and Saipan, he was honorably discharged from the Army in 1945.

Dr. Smith entered the University of Texas in 1946, graduated magna cum laude in 1949 with a B. A. degree in zoology. He entered the Medical School in 1949.

At the University and Medical College he was a member of Alpha Kappa Kappa, a social fraternity; Alpha Epsilon Delta, an honorary pre-med society; Mu Delta, an honorary service fraternity; pre-med Omega Alpha, an honorary scholastic fraternity. He attended ROTC and Medical Corps at school and did a summer tour of duty at Brooks General Hospital, San Antonio.

Because he is such a fine fellow, because he won his M. D. degree "the hard way", and because he persisted in getting his medical education under adverse circumstances and at an age in life when many young fellows would have become discouraged, Dr. Otto Smith is the pride of Bailey County people and people of the whole Muleshoe territory, thousands of whom know him personally. And everyone who has even heard about Dr. Otto will wish him the best as he starts out on his chosen career, a high calling indeed and one to which any boy may well aspire.

## Tipton's Place Mystery Farm

The Vanoy Tipton family were agreeably surprised when their farmstead was pictured in the "Mystery Farm" series. Mr. Tipton came in Friday for his tree picture of the place.

First to call in and identify the farm were:

Boyd Landers, City.

Mrs. Pat Glasscock, out of city.

The Journal had quite a few identification guesses on this farm, since it is one of the older places and is so well known. The two named above have two passes each to Cox Drive-In theatre awaiting them at the office of Western Fertilizer Co., which sponsored the showing of the farm picture last week.

Another "Mystery Farm" will be found in this week's paper. See how soon you will be able to identify the picture.

## VISITED IN GATESVILLE

Mrs. Jake Roberts is home after a three week vacation in Gatesville. She visited her father who recently had his leg broken in an auto accident.

### Pancake Breakfast & Park Planting On Everybody's Calendar June 26

A pancake breakfast to promote community fellowship and to provide additional funds for the city park, and a seeding and planting session following the breakfast are on the calendar for Muleshoe Friday morning, June 26. Buddy Blackman, of the JayCeers, was named chairman and he immediately requested each men's and women's clubs of the city to name one member to his committee.

The planting session afterwards will be overseen by Murrell Brown, JayCeers president. The JayCeers are taking the lead in clearing the park, getting it leveled, plowed and ready for planting.

Leaders of the various clubs who are joining to help build the park are hopeful that everybody will turn out for the breakfast, which will begin at 6:30 at the park, and will stay to plant sprigs or weed planting tools later.

They believe that every citizen who turns out for this communi-

ty event will gain a first hand knowledge of what has been done and what is planned in this, Muleshoe's first and only city park.

A committee consisting of Mrs. A. S. Stovall, George Hicks, Lee Pool, Mrs. A. W. Copley and Ray Franz was appointed by the steering committee to study ways and means of permanent maintenance for YOUR park. This committee was instructed to work out specific details for a concrete, logical program for maintenance.

### Twister Visited The Maddox Farm

Mr. and Mrs. Bill Maddox, who reside about 15 miles northeast of Muleshoe, watched a twister Saturday afternoon from too close a distance. It went through their yard while they stood at a window in their home.

The twister stripped the limbs from one tree and all the bark from another, but fortunately missed the house and outbuildings. Mr. Maddox said that he heard of no injuries of serious damage from the blow, but it struck at the Ray Lawhon farm nearby and stripped a tree of its branches.

A severe sandstorm was blowing at the time, so they didn't know the twister was with them until it reached their yard.

## Golf Tourney Rules Announced

Members of the Muleshoe Golf Club have received official announcement of the Third Annual City Golf Tournament, to be staged on the local course July 4 and 5. There will be tournaments for both men and women.

In connection with these tournaments, there will be a Calcutta pool and supper at the American Legion Home June 26. All players will be sold. Tickets to this event will be on sale at Wood Drug and should be bought by June 25.

All players are to turn in their qualifying score and pay their entrance fees at the Wood Drug not later than June 25, at 6 p. m. The championship flight will have 8 players each and there will be 16 players in the first and second flights. Championship flights must play one match prior to Saturday, July 4. Other flights must play two matches prior to Saturday, July 4. Semi-finals in all flights, and semi-final consolation matches will be played Saturday, July 4, and finals in all flights, including consolation, will be held on Sunday afternoon, July 5.

Those trying for medalist: Men will qualify Tuesday, June 23; women must qualify on Wednesday, June 24. There will be trophies for all flights for the winner, runner-up and consolation winner.

Members of the Women's Golf Ass'n. are to gather the coming Monday, June 15, for a luncheon session at the Cross Roads Cafe.

A full attendance of the membership is being urged so that arrangements for the women's golf tournament can be made.

## Men & Women Golfers Prepare For City Tournaments Here July 4

Men and women golfers are polishing up their drives, approaches and their putting technique as the time nears for the annual city tournament of the Muleshoe Golf Club, to be played July 4 weekend. There will come out of the tournaments city champions of both men's and women's divisions.

The annual Calcutta Pool will be held in the American Legion Home on Friday night, June 26. The club plans to furnish food for all at \$1 per person.

Those who wish to qualify for medalist honors in the men's division must do so on Tuesday, June 23. Ladies qualifying for medalist must play their round June 24.

Qualifying scores are to be reported at Wood Drug Co. by June 25. Entrance fees in the tourna-

ments for both men and women have been set at \$3.

Two matches will have to be played between June 26 and July 3, since the semi-finals will be reeled off Saturday, July 4 and the finals will be played Sunday, July 5. Men golfers will play 18-hole matches, women 9-hole matches.

By arranging for the preliminaries to be run through before July 4, there will be no necessity for anyone to have a 36-hole golfing day. The hot sun during the Memorial Day tournament convinced most golfers of the desirability of eliminating the need for 36-hole playing in any one day.

Jim Green is the defending city champion for the men. Naomi St. Clair is the defending city champion for the women.

## Rev. Sewell Will Preach June 21

REV. SEWELL

Rev. C. C. Sewell, vice-president of Wayland College, will fill the pulpit in the First Baptist Church here for both morning and evening services on Sunday, June 21.

Rev. Sewell has held various pastorates in Texas and in neighboring states, including the First Baptist church of Phillips, Texas, and the First Southern Baptist Church of Phoenix, Ariz.

## Wheat Harvest Is Underway

Wheat harvest is underway in the Muleshoe country and a light total yield is predicted.

First load of the season reported to The Journal came to the Ray Griffiths & Sons elevator last Friday, June 4. The wheat was grown by Charlie Taylor, who lives south of Enochs. Mr. Taylor thought the crop would average 10 bushels to the acre. It weighed 59 pounds to the bushel and had a moisture content of 12.5 per cent.

Ray Griffiths said it is the earliest beginning of harvest he has ever seen in this country, and he has been operating an elevator here 32 years.

## Mystery Farm Winners Told

Week before last The Journal Mystery Farm picture showed the W. F. Sowder farm. However The Journal forgot to announce who were the winners in the weekly contest. First to identify the farm definitely were:

Laura Whalin, city.

Leona Mason, out of city.

Two tickets are awarded for the winners in the contest every week by the sponsors and last week the sponsor was Muleshoe Motor Co.

## Bale Dock Is Being Studied

A Farm Bureau meeting held in Lubbock concerned itself with an investigation of the whys and wherefores of a "dock" on overweight bales of cotton.

Bill Millen, of Muleshoe, who attended said the group learned Texas is the only state where a dock is maintained for overweight bales, and that the dock for underweight bales is nearly twice what it is in other states.

The meeting sent a committee to Harlingen, where cotton already is coming in, to confer there with members of the ginners association.

A concentrated one day drive for more members and an increased budget will be made here tomorrow by means of the Muleshoe Chamber of Commerce. New members will be sought, any old members who have not renewed their appropriation for the Chamber will be invited to come back into the fold, and the way will be left open for those who desire to increase their contribution to the organization.

Directors decided upon a drive when they met at the Chamber office Wednesday afternoon. Their review of the situation revealed that the organization cannot function effectively on the amount of money it is now receiving; therefore, more funds will be obtained.

Sometime during the day Friday each business and professional man and woman in the city of Muleshoe will be interviewed by someone representing the Chamber of Commerce.

Attending the meeting Wednesday were Jim Cox, Travis Reed, Clyde Holt, E. O. Baker, D. L. Morrison, H. S. Sanders, Jr., Buford Butts, Earl Ladd, Ray Morrison, George Mayo, W. Q. Casey, Jeff Peeler, George Hicks, and W. M. Pool, Jr.

## Cotton Dying, Farmers Report

Several farmers report young cotton dying in this vicinity and say they haven't learned the cause.

Bill Maddox, northeast of town said he had lost a stand on 50 acres. He said three or four complete rows would die, then there would be two or three rows that hadn't been affected. He was at a loss to understand what was happening. Anyway, he began replanting the field Tuesday.

He said Raymond Green and possibly others of his neighbors are having the same trouble.

## Garrett Boys Receive New Navy Ratings

The Bureau of Naval Personnel has announced that it is an advancement in rating for Philip E. Garrett, machinist's mate third class, USN, and Robert E. Garrett, hospital corpsman third class, USN, sons of Mrs. Berda Garrett of Muleshoe. Both men received their rates while serving aboard the Pacific Fleet attack carrier USS Valley Forge.

The advancement came as a result of a world-wide competitive written test which consisted of questions testing military and professional skills.

To be eligible for the written quiz, Navy personnel had to exhibit proficiency in the on-the-job phases of their ratings.

## College Guys And Gals Are Home

There have been quite a few old familiar faces around our fair city, since the college guys and gals have come home for summer vacation.

Among those home for the summer are: David Taylor, A. and M.; Glenn Harlin, Hardem Simmons; Gay Sanders, Baylor;

Wanda Kimbrough, Texas Tech; Jim Sybert, Denton; Mary Martin, Baylor; Cliff Martin, Baylor; Walter Seals, Baylor;

Carter Taylor, New Mexico Military Institute; Bill Green, Texas Tech; and Jim Gaede, Texas Tech.

Among those who are going to stay with the old books this summer are: Irene Shanks, Jane Free, Max Gardner, Jeanette Kirby, Sammie Carol, Charles Lewis, and Pat Broyles, who will attend summer school at Texas Tech. Mona Smith and Jon Sam Thomson will attend West Texas State.

### Producers Can Profit By Study Of Market Trends

College Station, June 10 — Production and marketing are closely related and must be given consideration by farmers and ranchmen in the day to day operation of their businesses. In the recently announced 9-Point

Livestock and Poultry Improvement Program for Texas, two of the 9-points emphasize the importance and inter-dependence of production and marketing. C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, says efficient production practices involve the output of commodities desired by the trade and in volume large enough to justify their handling by buyers. Thus, growers should join with neighbors in producing livestock, livestock products or crops of high quality in order to command the attention of buyers. He cites the broiler industry which has grown in recent years to large proportions in areas east and north central Texas as an example of efficient production which was designed for volume marketing. Producers, explains the specialist, probably should devote more time to the study of market trends over a period of years. It could prove profitable. For example, if market hogs are at peak prices in September and October and again in April, it would certainly be profitable to plan breeding and feeding schedules to catch these markets. Market news information helps producers establish the true value of their products and also reflects consumer demand. It is worth noting, says Bates, that as livestock prices have declined during the past several months, the demand has lessened for the common or low-grade animals. Efficient production, he says, also means preparing for the channels of trade, the type and quality of product demanded by the consumers. The penalty for offering products of undesirable qualities is lower prices.

### Wheat Acreage Allotment For '54 Available

Farmers on land on which no wheat was seeded for any of the years 1951, 1952 and 1953 may apply for a 1954 wheat acreage allotment, according to H. E. Schuster, Chairman of the Bailey County Production and Marketing Administration Committee. To be considered for an allotment on a farm which had no wheat seeded for any of those years, the farmer must apply in writing to his county PMA committee by June 30, 1953. Blank application forms are available at the county PMA office for use in filing requests for allotments. Producers who had wheat seeded in any of the years 1951, 1952 and 1953 have already had an opportunity to report the acreage history for their individual farms.

### Arthur Rife Is Awarded Medal For Heroism In Korea

With The 3rd Infantry Div. in Korea — Army PFC Arthur M. Rife was recently awarded the Bronze Star Medal for his heroic work as a medical aidman during a skirmish on the Korean battlefield.

He is the son of Mrs. Ruth Rife, Friona, and John Rife, 1218 McKinley Ave., Avon, Ohio. Rife distinguished himself last November with Company L of the 3rd Infantry Division's 15th Regiment when the unit was relieving another company at an outpost.

Soon after Company L had taken over the outpost, the Communists opened up with small arms and mortar fire.

"As the ensuing fire progressed," the citation recounts, "Rife left the comparative safety of his position and moved about the fire-swept area administering first aid and encouraging the wounded.

"After treating the casualties, he again exposed himself as he carried supplies and ammunition to his platoon.

"Rife's outstanding heroism, initiative and devotion to duty

### SOME FICTION AND FACTS

One upon a time, in Chicago, there was a contrary cow with an aversion to being milked. One day, so the story goes, her distaste for the twice-daily milking ritual manifested itself in a vicious kick at a nearby lamp and the sad results cinderized Chicago in a matter of hours.

Now, 82 years later, the nation is paying tribute to that reluctant bovine's kind and kin by the observance of June as National Dairy Month. Not to be outdone, Texas, by an official governor's decree, is honoring the dairy cow whose products make up over one quarter of America's food supply and yearly add some \$400 million to Texas jeans.

One malicious milker shouldn't necessarily reflect upon the entire herd and by now, even Chicago probably has forgiven Mrs. O'Leary's cow. But if a doubt remains, then a glance at a few revealing facts should dispell it soon enough.

One bite out of every three on

our menu is a dairy product, the industry claims. Housewives spend more than 15% of their food budget for dairy products. In return, they get about 30% of the food consumed in Texas.

For a bonus, the housewife provides her family with three-fourths of its calcium, one-half of its riboflavin and substantial quantities of every other nutrient vital to human development.

These products come from 60,000 farm units and provide employment for half a million Texans. Exactly half the \$400 million earned by the industry last year was actual income for the farmers who sold milk, milk products and dairy animals for beef and veal—a nice supplement to his regular income from crops.

It is fitting, then, that the one who is responsible for milk, ice

That's the 2200-mile dash on the Santa Fe with 1,350,000,000 potatoes

Somebody east said, "Pass the potatoes!"

Out in California, the fertile San Joaquin Valley heard them. And look what happened.

Santa Fe started moving 14,000 to 15,000 carloads of potatoes to hungry markets all over the Midwest and East. 36,000 to 40,000 pounds to a carload. As high as 550 carloads per day at peak of harvest. That's more than 1,350,000,000 potatoes. And that's a lot of spuds.

Bag 'em. Load 'em. Roll 'em. And hustle. Somebody east said, "Pass the potatoes!"

From America's largest fleet of refrigerator cars owned by an individual railroad, these yellow

Santa Fe "reefers" are dispatched to the "Potato Capital of the West."

There the cars are cleaned, checked, loaded, switched. And iced fast (a car a minute, if you please). These potatoes can't wait!

In servicing the cars as they speed east, new icing docks at Bakersfield and Needles, Calif.; Belen, N. Mex.; Waynoka, Okla. and Kansas City work the clock around. Electronically-controlled "hump" yards speed the switching.

## SANTA FE PRECISION—SANTA FE SPEED

On-time delivery calls for full-time precision to keep these schedules "on the advertised."

After the potatoes come the wheat... citrus fruits... grapes... melons... and green vegetables all year long—flooding east from Santa Fe country to you. Everything from avocados to zucchini.

It costs Santa Fe millions of dollars to serve you so—and provide you with Super Chiefs, too! But we're proud to say they are earned dollars. Not one penny comes from the taxes you pay.

### Martha Tipton Truman Stroud Repeat Vows

An impressive and beautiful wedding ceremony was performed in the home of Mr. and Mrs. Ebb Randol at 5 o'clock Monday afternoon June 1, uniting in marriage, Miss Martha Faye Tipton, daughter of Mr. and Mrs. Joe Tipton and Mr. Truman Stroud, son of Mr. and Mrs. Ernest Stroud.

The double ring ceremony was performed by Minister Ebb Randol.

The bride was lovely, in a light blue nylon dress over taffeta. She wore a white hat, with white accessories, and her corsage was of pink carnations. She carried a white carnation corsage on a white bible. Miss Daleece Stroud, sister of the groom was maid of honor. She wore a light blue nylon dress with white accessories and a white carnation corsage.

Mr. Howard Roebuck served as best man.

Martha attended the Muleshoe

schools and was in the graduating class of 1953. Truman works for the Texas Highway Dept. here.

After a short trip the couple will be at home in the Goucher Apts. 710 A West 1st, Avenue G.

Those present for the wedding were: Mr. and Mrs. Joe Tipton, parents of the bride; Mr. and Mrs. Ernest Stroud, parents of the groom; Mrs. Edd Harp, Mrs. Lesslie Mills and son, Mr. and Mrs. Raymond Cooper and children, of Olton; Mrs. Emmett Green and Mrs. Dwight Green of Plainview, Mr. and Mrs. Howard Roebuck, Miss Daleece Stroud, and Minister and Mrs. Ebb Randol.

### Worthy Matron Honored By Lodge Members

The Muleshoe O. E. S. Chapter No. 792, held its regular meeting Tuesday evening, June 2, at 8 o'clock, in the Masonic Hall.

Mrs. Viola Layne, worthy matron, presided over the business. This was her last meeting as

worthy matron. New officers were installed in a public installation Saturday evening, June 6, in the Masonic Hall.

Mrs. Layne was paid special tribute by the marshal and star points with appropriate words spelling her name. The letters were gold and were placed on a cardboard covered with red paper carrying out her color scheme of the year.

Gifts were presented from officers and past matrons of the chapter by Mrs. Ruby Cox, for the officers and Mrs. Elizabeth Gardner presented the past matrons gift.

W. F. Creamer, presented the outgoing worthy patron, R. J. Klump with a gift from the officers.

Earl Ladd, District Deputy Grand Master of the Grand Lodge of Texas, and a member of Muleshoe O. E. S. Chapter was presented in the East, where he gave a short talk.

At the close of the meeting, the members retired to the dining room where another surprise awaited Mrs. Layne. The refreshment committee composed of Misses: Mary Farley, Allene Dyer, Inez Kennedy, and Ruth McCarty, had the table covered with a lace cloth and centered with arrangement of red and yellow snap dragons. The punch bowl filled with cherry punch, and there was a plate of cookies and a number of gifts. Mrs. Layne's birthday was some time ago but the chapter was unable to observe it at that time.

### Smith-Stancell Vows Are Read

Miss Joy Smith, daughter of Mr. and Mrs. Asa Smith, of Lariat, and Mr. Lemon Stancell, son of Mr. and Mrs. W. M. Stancell of West Camp, were married Monday night, June 1, in a double ring ceremony which took place in the home of the bride's parents.

Only relatives and close friends attended the ceremony, which was performed by the Rev. C. M. Fields.

Shirley Smith, sister of the bride, sang "Always." She was accompanied by Beverley Lovelace at the piano, who also played the traditional wedding marches.

Vows were read before a basket of pink and white flowers in a fan-shaped arrangement, flanked on either side by candelabra and palms. Candles were lighted by Shirley Atchley and Sue Atchley.

The bride was attired in a beautiful dress of white nylon

dotted swiss, with tiny rhinestone buttons. Her shoulder length veil fell from a tiny white hat. She carried a bouquet of white ruscus with pink streamers, on a white satin Bible.

For the traditional "something old", she wore a pair of earrings belonging to her mother. "Something new" was her wedding dress. "Something borrowed" was the white Bible, belonging to a close friend, Shirley Doshier. "Something blue" was a garter.

Shirley Smith, sister of the bride, was maid of honor, and Duane Herrington was best man.

Mrs. Smith chose for her daughters wedding a brown dress with a pink carnation corsage. Mrs. Stancell, mother of the groom, wore an aqua dress with a pink carnation corsage.

At a reception immediately following the ceremony, guests were served pink punch and pink and white cake. After the bride and groom cut the first slice of cake, it was served by Mrs. Willie Herrington, sister of the groom. Loretta Stancell, also a sister of the groom, served the punch. Mrs. Joe Young presided at the guest book.

Out-of-town guests included Mrs. Bryan Smith, and A. G. Smith, both of Plainview, and Mrs. Joe Young of Lubbock.

The bride chose for her going away costume a pink suit.

The couple left for a honeymoon in Colorado Springs, Colo.

### Muleshoe Rebekahs Progress Y A W To Visit Earth Lodge Is Huge Success

Nobel Grand Argilee Millen presided over the regular meeting of the Muleshoe Rebekah Lodge Tuesday night, June 9. The lodge had as visitors, the Needmore Rebekah Lodge. Thursday night a group of Rebekahs from the Muleshoe Lodge plan a visit with the Earth Lodge, and Monday night they will visit with the Littlefield Lodge. The business meeting consisted mainly of trying to form a circle with the surrounding lodges. Refreshments were served to approximately 25.

The Youth Activities Week program held last week at Progress Methodist Church was a huge success. Approximately 27 young people and adult leaders attended each meeting. The meeting began Monday night with a campfire supper. After recreation, the group went inside and heard devotionals by several young people. A study of the Bible was led by Mrs. Gwyn and then refreshments were served. Tuesday night the group attended a meeting at the Muleshoe Methodist Church and heard a very interesting talk given by Mr. Samejima, a Japanese teacher. On Wednesday and Thursday nights, the programs included recreation, devotionals, study, group singing led by Mrs. Joe

Walker and refreshments. A skit was given Thursday night by members of the M. Y. F., to show the progress made in the M. Y. F. The meeting closed Friday night. There was supper cooked over a campfire and recreation. The meeting was held outside and Brother Jones told some interesting things about the stars. Everyone is invited to attend the M. Y. F. meetings every Sunday night at 7:30 o'clock.

### Wesleyan Guild To Serve At Lions Banquet

The Wesleyan Service Guild held its regular meeting Monday evening, June 8, at 8 o'clock in the home of Mrs. A. S. Stovall. Mrs. Delma McCarty, president, presided over the meeting. The Guild voted to contribute \$25 to the fund for the City Park. Consideration is being given toward further contributions. Plans were made for Guild members to serve at the banquet for the Lions Club Ladies Night, which is to be held June 23, in Fellowship Hall. Assigned to the menu committee were Mmes. Ray Edwards, Jim Burkhead, and A. S. Stovall. A letter from Mrs. Francis Gilbreath who recently moved to Ontario, Calif., was read. Elizabeth Harden was re-appointed to be in charge of renting Fellowship Hall. Mrs. Delma McCarty led in a very impressive pledge service and the Guild song was sung by Mrs. Buford Butts. The next meeting will be held June 22, in Fellowship Hall.

Refreshments of iced tea, cookies and ice cream were served to the following: Elizabeth Harden, Mmes. Arnold Morris, Ray Edwards, Delma McCarty, Jim Burkhead, Fred Johnson, Lois Schoenberger, H. W. Hanks, Dee Warner, Buford Butts, Elliott, Wilkins, and the hostess, Mrs. A. S. Stovall.

### Methodist Brotherhood Meeting Held

The regular meeting of the Muleshoe Methodist Brotherhood was observed June 8, at 7 a. m. in Fellowship Hall, with a father and son breakfast. Each man was to bring his son or another boy for the breakfast. There were approximately 25 men and 14 boys present. Rev. Hanks and Jim Allen prepared breakfast. A very inspiring talk was given on "The Life of King David."

### Mrs. Kirk Hosts Winsome Class

The Winsome Sunday School Class of the First Baptist Church met Monday, June 8, at 8 o'clock p. m., in the home of Mrs. Jerry Kirk. Mrs. Hazel Wimberley served as co-hostess. Mrs. Gid Howell gave an inspirational devotional. The president, Mrs. Hoyt Morgan, presided over the business session. After a period of games and fellowship, Mrs. Ed White was presented with a farewell gift by Mrs. Kirk and Mrs. Wimberley. Delicious frosted cakes were served to Mmes. Troy Perkins, Gid Howell, L. S. Barron, Melvin Lee, John Smith, Hoyt Morgan, Ed White, Verney Towns, Lela Barron, Donald Brown, and Coriene Wimberley. The next meeting will be held Monday, July 6, in the home of Mrs. Troy Perkins with Mrs. Jake Roberts as co-hostess.

### Miss Harvey, Gene Edwards Are Engaged

Mr. and Mrs. T. L. Harvey wish to announce the engagement and approaching marriage of their daughter, Barbara Jean Harvey to Gene William Edwards, better known as Bill Edwards. Wedding plans have not been completed as yet.

### Philathea Circle Elects Officers

The Philathea Circle met Thursday afternoon, June 4, in the home of Mrs. Mildred McRenolds. The meeting was called to order by the president, Ida Mae Shofner. Officers were elected for the new year. Old officers re-elected were Ida Mae Shofner, president; Thresa Edwards, vice-president; and Jo Ann Barbour, reporter. New officers elected were: Ruby Faubus, corresponding sec.; Helen Gardner, Sec. and Treasurer; and Charlene Bickel, assistant reporter. After the election officers were installed. Brother Hanks spoke on how the Philathea Circle money was used. The meeting closed with a prayer by Ida Mae Shofner. Refreshments were served to the following: Brother and Mrs. Hanks, Margaret Adams, Ruby Faubus, Gladys Black, Ida Mae Shofner, Dorothy Weyer, Waneen Ragsdale, and Charlene Bickel. Mrs. Bickel has announced that the club is selling occasional cards, and anyone wishing to buy them can see any member of the club.

BABSON Discusses —  
NEWSPAPERS

Babson Park, Mass., June 11—The future of the Free Nations of the world depends upon four foundation stones: (1) We Parents; (2) Our Churches; (3) Our Schools and Colleges; and (4) Our Newspapers. My appeal today is for greater support of all newspapers of the Free World. (I would like to include a fifth group, namely, the scientists and inventors, but they now appear to devote their time largely to the destruction of this Globe).

**Publishers and Writers**  
In view of the above, the Babsons have distributed their surplus savings for awakening the churches, through the great Open Church Movement; speeding college education, through Babson Institute, Webber College and Utopia College, and now dedicating this World's Greatest Revolving Globe to the newspapers of the Free World. I feel that newspaper publishers have not been appreciated when they are entitled to far greater respect and consideration. They certainly are more important to the future of America than are the bankers, the manufacturers, and the shopkeepers. Newspapers not only have the opportunity of guiding the nation's leaders, but they are a great factor in electing the right leaders. The advertising columns of these papers determine the employment conditions of the country; while the editorial writers determine largely what the preachers and teachers say.

When I mention newspapers I include everyone connected with them, including the woodsmen who cut the trees; the mill workers who turn the logs into pulp, and make the paper and ink; the publishers and their reporters, writers and printers; and, in fact, all employees, including the boys and girls who deliver the papers. Yes, and I must not forget the advertisers, without whom our whole industrial system might collapse. To all these I am dedicating this — "The World's Largest Globe".

**The Great Globe Described**  
This "Great Revolving Globe"

is being located on the 300 acre campus of the Babson Institute at Wellesley, Massachusetts. It is thirty feet in diameter and weighs with the shafts thirty-seven tons. The countries and cities are located on a scale of twenty-four miles to the inch, and the Globe will designate the home of the newspapers of 400 cities from which 95% of the population of the United States, Canada, Latin America, Great Britain, France, Italy, West Germany, and the other Free Nations are reading. Copies of these and others, including the Muleshoe Journal, are being deposited in a concrete vault under the cornerstone, upon which will be bolted a bronze plaque with the following inscription:

"This plaque is dedicated to the Newspaper Publishers of the Globe and all persons in their employ. May their work be appreciated, their freedom be protected and their great responsibilities be realized. Only they can bring the nations of this Globe into One United World."  
Roger W. Babson"

**Dedication Exercises**  
The Dedication was on Memorial Day. President Edward B. Hinckley of Babson Institute introduced U. S. Senator Saltonstall and Speaker of the House Martin, who made the leading addresses. They were followed by a welcome from Herbert R. Gleason, Chairman of the Wellesley Board of Selectmen, and by Major General George A. Horkan, one of the Institute's most distinguished graduates. The ground was broken by Roger Babson Webber, my grandson. The Chairman of the Committee selecting and gathering the newspapers is Lewis W. Mustard III.

I announced that surrounding the Globe will be seats for over a hundred persons and that a Monthly Vesper Service will be held with the Globe as a background for the minister. This is so that every student will remember all the different nations and races of the Globe. I want them to realize that the entire world is their responsibility and that America is safe only as the entire Globe is safe. I am depending on my newspaper friends to get other colleges to install their students with this same Global point of view.

SAND HILLS PHILOSOPHER

Claims He Has Proof The South Won  
The Civil War And He's Satisfied

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has an odd idea this week, which we publish without comment. May be a few Yankees living around here

Dear editor:  
All my life I've heard it said the Yankees have more stamina than the Southerners, more drive, more get-up about em, if you want something done, give it to a hard-drivin' Northerner, don't turn it over to a drawlin', slow-movin' Southerner, and while this never has bothered me, in fact, it suits me fine, I recognize the wheels of industry and commerce and literature have got to keep turnin' and if the Yankees want the job I'm perfectly willin', never did see a wheel that had a place on it to fit my shoulder, but there are some Southerners who don't like it.

They resent it. They argue about it. They get up before daylight to prove they've got as much energy as anybody. Now while it never has affected me that way, I figure energy is something you don't have to prove, it's like money, you spend it recklessly to prove you got it and you wind up without any, personally I've always conserved my energy, feel that energy still inside me was better than energy used up goin' up one row and down another, but as I say, while this claim of Northern superiority in this field of endeavor never has bothered me, it has a lot of Southerners.

I believe though I have run on to some evidence that will win the argument for the South.

I noticed in an article in a magazine the other day which I borrowed from a barber shop in town where I was visitin' for social purposes, not professional, where there are now six survivors of the Civil War still livin'.

And here's the overwhelmin' fact that ought to end the argument from now on: Out of those six survivors, five of em are Confederates! The South had the

ability and that America is safe only as the entire Globe is safe. I am depending on my newspaper friends to get other colleges to install their students with this same Global point of view.

stamina to out-survive the North five to one. In fact, you might say, from sheer numerical strength, in the final analysis the South won the war.

This is such a satisfyin' conclusion, such devastatin' proof the South has more energy and staying-power than the North, that as far as I'm concerned that ends the argument and I intend to rest on my laurels from now on. The South can rise again if it wants to, but as for me, personally I'll continue sittin'.

Yours faithfully,  
J. A.

Today's Meditation

Prayer—Our Vital Breath  
In the Lord put I my trust.  
(Psalm 11:1.) Read Colossians 1:9-17.

The men who laid the foundations of our Republic had a vigorous all-encompassing belief in God. The great documents which they wrote are couched in prayerful terms, for the strength of the fledgling nation lay in its faith. The founders believed that, with God's help, the new concept of government, based on individual liberty, must succeed.

That great and vital concept of government is today threatened by the twin menaces of crime and subversion. Concern with material things and failure to discharge our spiritual duties are signs that we have been neglecting the keystone which supports the arch of liberty.

Prayer is the keystone. Prayer is the clarifying medium. Through communion with God, He enables us to disperse confusion and separate truth from falsehood. It is the means by which the soul gains release from sorrow and freedom from fear. Prayer is the bridge which unites man to God.

**PRAYER**  
Almighty God, in whom we live and move and have our being, give us the vision to preserve the liberty which is Thine alone to grant. Strengthen us. Give us courage for the future. We ask Thy guidance. We pray in the name of Him who exemplified the highest courage. Amen

**THOUGHT FOR THE DAY**  
"Those people who are not governed by God will be ruled by tyrants."

Bobby Kimbrough  
Soldier of Month

Sgt. Bobby Kimbrough, of Muleshoe, has for the second time been selected as "Soldier of the Month" at Camp Stewart, Ga. The announcement was made in a letter to the soldier's parents, Mr. and Mrs. R. L. Kimbrough, from Brig. Gen. Richard W. Mayo, Commanding officer of Camp Stewart.

Mrs. Bobby Kimbrough's parents are Mr. and Mrs. Dudley Malone, of Muleshoe. The letter from Gen. Mayo follows, in part: Dear Mr. and Mrs. Kimbrough: It is with distinct pleasure that I inform you that your son, Bobby,

lecting the keystone which supports the arch of liberty.

Prayer is the keystone. Prayer is the clarifying medium. Through communion with God, He enables us to disperse confusion and separate truth from falsehood. It is the means by which the soul gains release from sorrow and freedom from fear. Prayer is the bridge which unites man to God.

**PRAYER**

by, has for the second time been selected as "Soldier of the Month" to represent Camp Stewart, Georgia for the period of 23 May, 1953 to 30 June, 1953, inclusive.

You may take justifiable pride in the fact that Bobby's second selection as "Soldier of the Month" marks the first time that such a feat has been accomplished by a soldier of this command. Bobby's feat in achieving this second selection furnished a splendid demonstration of those

qualities so desirable in an American soldier and citizen.

Come in and ask us about  
the low delivered price on this  
1953  
Buick SPECIAL  
2-door 6-passenger Sedan

WE make that statement for a mighty good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for a lot less than you may think.

But there's more to this great

automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's wallowing big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air

### Eastern Star Holds Public Installation

Mrs. Ruby Cox was installed as Worthy Matron of Lodge No. 792 at a public installation service held Saturday evening at 8:30 o'clock in the Masonic Hall.

Installing officers were: Elizabeth Gardner, Worthy Matron; Winnie Dunn, Marshal; Elizabeth Harden, Secretary; R. J. Klump, Patron; Viola Layne, Chaplain; and Inez Kennedy, Organist.

Patricia Butts presented the Bible.

Before Mrs. Cox was installed as Worthy Matron, Mrs. Dunn, Marshal, presented her with a white Bible with her name on it in gold. It was given her by the installing officers.

Other officers installed were: W. F. Creamer, Worthy Patron; Billie Mathis, Associate Matron; J. W. Thomas, Associate Patron; Mary Farley, Secretary; Lola Bray, Conductress; Anna Lucy McAdams, Associate Conductress; Lorene Thomson, Chaplain; Callie Smith, Marshal; and Ruth McCarty, Organist. Star points were: Hattie Ray Jones, Adah; Mildred Wingo, Ruth; Jewell Strong, Esther; Bertha Johnson, Martha; Adah Thomson, Electra; Lou Green, Warden, and Mickey Bryant, Sentinel.

Mrs. Cox was escorted to the East by small son, Edwin Ray.

A short program followed the installation service. Several talks were made including one by the worthy patron, Mrs. Juanita Roberts sang "O Sweet Mystery of Life". Anna Lucy McAdams gave a reading "No Greater Love Than This", by R. C. Caudles. The installing officers thanked Mrs. Cox for their corsages.

Mrs. Cox introduced the members of her family. Her husband, Jim Cox; mother, Mrs. J. C. Wolard, and her sister and brother-in-law, Mr. and Mrs. Ben Porter and their daughter.

Mrs. Cox announced that her theme for the year will be "Friendship". Her chosen colors of blue and silver were carried out in dresses of the officers and the drill team.

Billie Mathis, associate matron, presented a past matron pin to Viola Layne, Jr. Matron.

A retiring drill was presented by the officers and drill team and W. F. Creamer gave the benediction.

Everyone then retired to the

dining hall where they were served refreshments by installing Marshal, Wynnie Dunn.

### New Study Begun By W. S. C. S.

The Womens Society of Christian Service of the Muleshoe Methodist church met Monday afternoon, June 8, at 2:30 o'clock in the church sanctuary.

Mrs. W. D. Moore opened the meeting and a song "Break Thou The Bread of Life", was led by Mrs. Cecil Davis, with Mrs. D. B. Lancaster at the piano.

Mrs. Roy Bayless introduced the Bible Study for the day by reading John's word, "The word was made flesh." Prayer was led by Mrs. Roy Bayless.

The first chapters of the new study "Toward Understanding The Bible" was discussed by the group. The purpose of this study is to learn to read the Bible and to understand that through it God speaks to us.

There was a short business meeting in which the lesson for June 23 was read and Mrs. Morris gave the treasurer's report.

Present were the following members: Mmes. Gross, H. C. Holt, Wollard, H. O. Barbour, Cecil Davis, D. B. Lancaster, H. W. Hanks, Gaede, O. N. Jennings, Gregory, Arnold Morris, W. D. Moore, Carles, and Roy Bayless.

### Pleasant Valley Social Club Met

The Pleasant Valley Social Club met at the Pleasant Valley School house Wednesday, June 3, for their regular meeting.

The meeting was called to order by the president and June Free gave a report on the "42" tournament. Mrs. Seaborn Moore won high score and a nice gift was presented to her.

The tournament was a great success, and the club members want to thank everyone who attended.

There were eight members and two visitors present. They were: Mmes. E. K. Angeley, Bill Free, Paul Hammett, Leroy Hicks, Gerald Allison, Harold Allison, George Wuerflein, Doyle Turner, Mrs. Shade and Mrs. Compton.

The next meeting will be held in the home of Mrs. Billy Free, June 17.

### Mrs. Casey Hosts Muleshoe HD Club

The Muleshoe Home Demonstration Club met in the home of Mrs. W. Q. Casey, Tuesday, June 9, at 3 o'clock in the afternoon.

The meeting was called to order by Mrs. S. C. Caldwell, the president. Mrs. Benham read "Before It Is Too Late", for the opening exercise.

Since the lesson for the after-

noon was on salads, each member answered roll call by giving their favorite salad recipe. Mrs. Caldwell demonstrated making a frozen salad.

It was decided to have the craft and bake sale on June 20, at the Bass Firestone Store. Each one who is making some kind of a craft for the sale should have it at the store on Wednesday, June 17, at 9 o'clock. Those who bake something should bring it Saturday morning, June 20. Each member is urged to participate. The proceeds will go to help the council and the park fund.

The hostess gift was won by Mrs. W. H. Autrey. Several members received gifts from their secret pals.

Mrs. Casey served delicious refreshments to the following: Mmes. Dave Aylesworth, J. E. Day, C. H. Gillis, W. H. Audrey, C. E. Briscoe, S. L. Robison, T. F. Maddox, Roy Carney, R. R. Benham, S. C. Caldwell, E. E. Holland, Don Bruns, Wright, Hanks, Bough, and Lawson.

The next meeting will be June 23, in the home of Mrs. Roy Carney. Mrs. E. E. Holland will give the demonstration on making a hassock.

### Progress W. S. C. S. Met Thursday

The Progress Women's Society of Christian Service met last Thursday afternoon at the Methodist Church.

Mrs. Byron Gwyn was leader of the program. The devotional services consisted of scripture about "Jesus Life", from prophecy to resurrection. It was read by Mrs. A. L. Cooper. A special duet "The Christ of the Cross" was done by Mrs. Gwyn and Mrs. O. S. Richards. A hymn-poem, "We Would See Jesus", was done by Pat Cooper, a visitor. Prayer and a talk by Mrs. Gwyn.

The group then studied the lesson.

During the business session which the president conducted, plans were made for an installation service for new officers, and quarterly reports were filled out.

The next meeting will be held the first part of the new conference year.

### Willing Workers Helping Needy

The Willing Workers Class of the First Baptist Church met in the home of Mrs. Carl Bamert

Monday evening, June 8.

There was a brief business meeting in which the members discussed the first aid kit which is being made up to send to the missionary in Nigeria. Also discussed were the boxes which are being sent to the needy people.

Refreshments of home made ice cream and cake were served to the following: Mmes. Eunich Ellis, Allen Kelton, Lucille Harp, Lida Wilhite, Lauranette Mason, Wilma Davis, and the co-hostess, Amalita Haley.

### Whites Feted With Farewell Party

Mr. and Mrs. Ed White were surprised with an informal farewell party Tuesday night in the home of Mr. and Mrs. D. L. Morrison.

Various games, including canasta, were played by the guests. Approximately forty were present.

Mr. and Mrs. White were presented with a beautiful blond coffee table and matching end tables. Delicious refreshments of ice cream and cake were served to the guests.

## John Reese Solemnizes Rites Uniting Couple

MR. AND MRS. LEROY PIERCE

Miss Estell Ramm, daughter of Mr. and Mrs. Walter Ramm of Muleshoe, and Mr. Leroy Pierce, son of Mr. and Mrs. Howard Pierce of Three Way, were united in marriage Friday, May 29, at 7 o'clock in the evening, in a single ring service at the home of the bride's sister, Mrs. Floyd King, in Clovis.

Only a few close friends and relatives, including the couple's parents were present for the ceremony.

John G. Reese, pastor of the Church of Christ of Clovis, solemnized the vows.

Attending the couple were Miss Betty Mooneyham and Calvin Milligan.

For her wedding, the bride chose a white street length

sleeveless nylon brocaded dress. Her bridal bouquet was of yellow roses, carried on a white Bible.

Carrying out the wedding tra-dition, something borrowed was the Bible and a blue linen hand-kerchief, both belonging to Mrs. King. Something new was her moss green nylon gloves and wedding ensemble.

Miss Mooneyham wore a pink nylon dress with a hat fashioned from flowers, and white gloves. Her corsage was of white car-nations.

Mrs. Ramm, mother of the bride, selected for her daughter's wedding, a green crepe dress. Mrs. Pierce chose a pink dress with beige accessories. Both mothers wore white accessories.

At a reception following the wedding, moss green hearts and roses decorated the three tiered wedding cake. Mrs. King served both cake and punch to the guests.

### BLAINE TO VACATION IN CALIFORNIA

Rev. and Mrs. A. W. Blaine and children left for California Mon-day where they will visit rela-tives including Rev. Blaine's mother, Mrs. Will Blaine of San Jose, Calif., and other relatives. The Blaine's expect to return to Muleshoe around June 26. Rev. Blaine will likely be guest speaker in some of the Southern Baptist Churches the two Sun-

days he will be in California. Between Sundays he expects to catch up on his fishing in both salt and fresh water.

### ATTEND COMMENCEMENT

Mr. and Mrs. Finis Jennings attended the Lubbock High School Commencement exercises last Thursday night May 28. Mrs. Jennings' nephew, John David Hughes was one of the 452 sen-iors who received their diplomas. The Jennings stayed overnight in the John Hughes home visit-ing with another sister and hus-band, Mr. and Mrs. Paul Pittman of El Paso who had come up for

the graduation. Mr. and Mrs. Jennings returned to their home Friday morning and later in the day Mr. and Mrs. Hughes and Mr. and Mrs. Pittman came and spent the weekend.

### REV. J. C. KOEN TO PREACH SUNDAY

Rev. J. C. Koen will fill the pul-pit both services at the First Baptist Church, Sunday, June 14. Rev. Koen, who is no stranger to the people of Muleshoe and sur-rounding territory, is a capable speaker. He will bring a message especially for young people on Sunday morning. You are cor-dially invited to hear Rev. Koen.

Chevrolet's

**farther ahead**

than ever!

... in Fisher Body Quality! It's the only Body by Fisher in the low-price field. And now it's even more outstanding in styling, in comfort and conveniences, in quality.

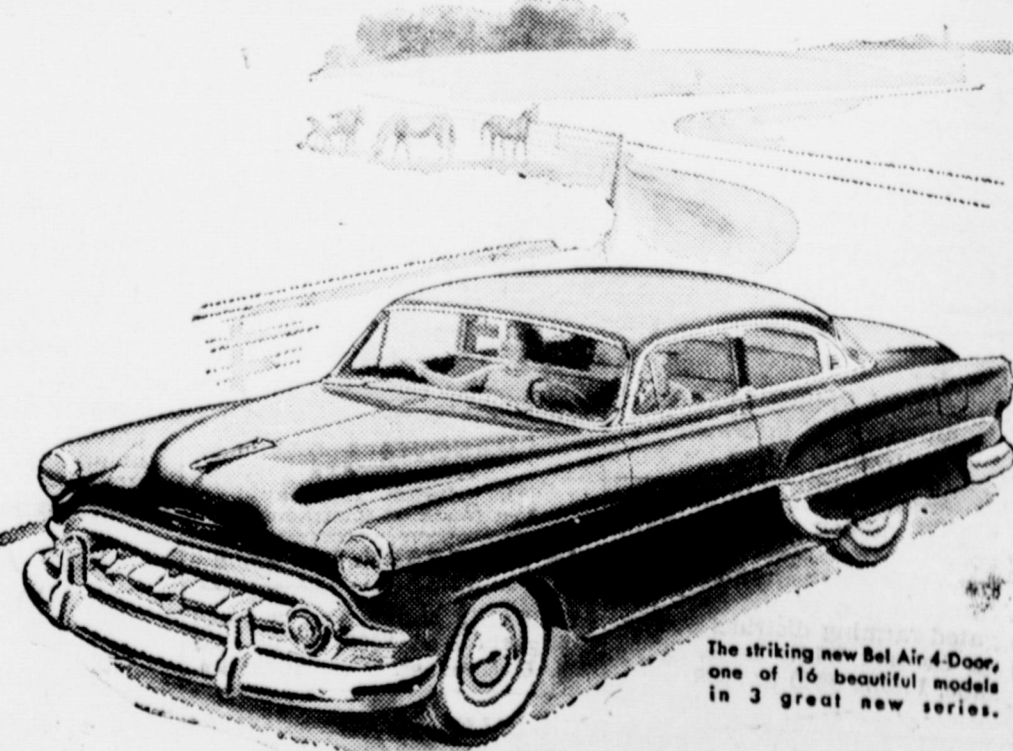

... in High-Compression Power! Most powerful engine in its field with 7.5 to 1 compression ratio—the new 115-h.p. "Blue-Flame" engine with Powerglide.\* Advanced 108-h.p. high-compression "Thrill-King" engine in gearshift models.

... in Powerglide and Power Steering!\* Powerglide is the newest, most advanced automatic transmission in its field. Power Steering—another Chevrolet exclusive in its field—lets you steer with finger-tip ease.

... in Economy and Value! You go much farther on every gallon of gas (regular gas, at that). You save on over-all costs of operation and upkeep. Chevrolet is again the lowest-priced line in its field!

... in Popularity Leadership! Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. For the first 3 months alone, Chevrolet is over 20% ahead of the second-choice car. Nearly 2 million more people now drive Chevrolets than any other make.

\*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

The striking new Bel Air 4-Door, one of 16 beautiful models in 3 great new series.

© H.H. HUTSON

H. H. "Hut" Hutson, a newspaper cartoonist for 25 years, working with the Amarillo News-Globe and other papers, is here to draw what he describes as caricatures of business and professional people and people on their staffs, to be run in a special Will Rogers Memorial Roundup edition of The Muleshoe Journal which will be printed August 13. "Hut" has appeared before the Muleshoe Rotary Club, Lions Club, and JayCees at their meetings this week to tell members of these clubs something about the work of a cartoonist. Hut says he can draw a caricature of a person that will look more like him than he does himself. Long an admirer of Will Rogers, in whose memory the Roundup here is staged each year, Hut has drawn thousands of cartoons of the great American humorist and sage.

The idea of caricaturing the people of the various Muleshoe business establishments has the full support of the C. C. Ray Franz, manager, has devoted considerable time to introducing Hut about town and telling him things about Muleshoe that he ought to know.

The whole program is based on friendliness and the "Your Neighbors at Work" theme. Hut draws a caricature of the person's face, always with a friendly grin on it, and the body is usually made of an object that represents what this person does. The Journal staff thinks the caricature idea will add greatly to the publicity for this big annual event in Muleshoe, and will help a whole lot to get all of us acquainted with each other.

**2 Underwriters In Round Table**

AUSTIN, June 10 — Two Muleshoe life underwriters have qualified for the Leaders Round Table of Texas for 1953, according to an announcement received today from George P. Montgomery, Houston, chairman of the group.

They are Marion F. Harris, Southwestern Life Ins. Co., and Robert M. Gregory, Great National Life Ins. Co.  
The Round Table is comprised of more than 450 career life underwriters in Texas, and membership is based on production qualification. It is the only honor group in the industry exclusively for life insurance agents.  
The Round Table is a part of the Texas Association of Life Underwriters and will hold its annual meeting in conjunction with the convention of the Texas Association at the Shamrock Hotel, June 25-27.
