King Of Pantomime To Be Here

Larry Kelley, 14 year old "King of Pantomime", will be presented at the Muleshoe high school auditorium Saturday evening, February 27, at 8 o'clock under auspices of the Muleshoe JayCees.

Admission will be \$1.00 for adults and 50c for children. The show is being arranged and sponsored by the JayCees as a public service feature of the organization. Murrell Brown, president said, Brown personally vouches for the entertainment value of the show, since he has known Larry for many years and has seen him perform many times. The young pantomime artist is on a tour of towns of the entire section.

He is accompanied by four other performers. One in particular, Jonne Bower, a young colored boy artist, is meeting with a great reception from the audiences, especially being a favorite with the small fry.

The troop has appeared on many TV programs over KGNC, Amarillo, and are known for keeping their audience in a continual laugh.

"This Amarillo youngster is considered one of the top entertainers of the Panhandle and we are fortunate he can come here".

Viewing Tips On Television

COLLEGE STATION — Television is growing up in a hurry and is prompting marked changes in home living habits of Texans.

Several pointers on watching your set will help make the family's viewing even more enjoyable, says Bernice Claytor, extension home management specialist.

A TV set should be located neither in front of a source of light such as a window nor so direct light rays will fall upon the screen. Mrs. Claytor suggests set placement so that any light entering the room will be at right angles to the line of vision.

Never operate a set in a totally dark room, she emphasizes. Television screens are about 10 times brighter than movie screen and many times smaller. Viewing in complete darkness causes severe eye-strain, she points out.

Light should come from an indirect source in the room and not from an adjoining one. For your eyesight's sake, Mrs. Claytor says, use an indirect lighting fixture placed on the wall or on furniture on either side of the set. A floor lamp with a small wattage bulb will do the trick.

Most people agree the best viewing distance is nine to 15 feet, depending upon screen size. An occasional glance away from the screen will further help prevent tired eyes.

Many authorities, Mrs. Claytor concludes, believe that television viewed under proper lighting conditions will not strain the eyes any more than reading, sewing or watching the movies.

HOMER OVER WEEKEND

Herbert James, of the Air Force, was home over the weekend, visiting his parents and friends.

Herbert is stationed at Ardmore, Okla.

Texas Almanac, on sale at: The Journal. Phone 7220, we deliver.

Legal Notice

The Commissioners' Court, upon the recommendation of the Grand Jury of Bailey County, Texas, meeting in special session on February 16, 1954, have instituted the following practices in an effort to comply with all laws of the State:

1. A written application must be made to the Commissioners' Court of Bailey County, Texas by anyone desiring any type of soil conservation practice to be performed upon their farms by county machinery.

2. All soil conservation practices on farms may be performed only if the Commissioners' Court finds that said county machinery is not needed for the building and upkeep of county roads.

3. A written contract must be executed by the applicant with the Commissioners' Court, which must be approved by the Commissioners' Court, before any work may be performed on any farm.

4. All work performed on any farm with county machinery will be at an hourly rate of \$7.50 per hour.

COMMISSIONERS' COURT,
Bailey County, Texas

HAVE BEEN VISITING
Mr. and Mrs. J. D. McKinstry have been visiting in the Sam McKinstry home for the past

three weeks. Mr. McKinstry is looking after his farm interests here. They will return to their home at Hagerman, N. M., this week.

Brown said, "You never knew pantomime could be so funny, and this is strictly an entertainment that will amuse the entire family."

Kelley's entertainment schedule doesn't interfere with his school work. Since the beginning of the school term this year, he has appeared in 67 shows, traveling 7,000 miles and scholastically he remains in the upper quadrant of the class. One or both parents accompany him on these trips.

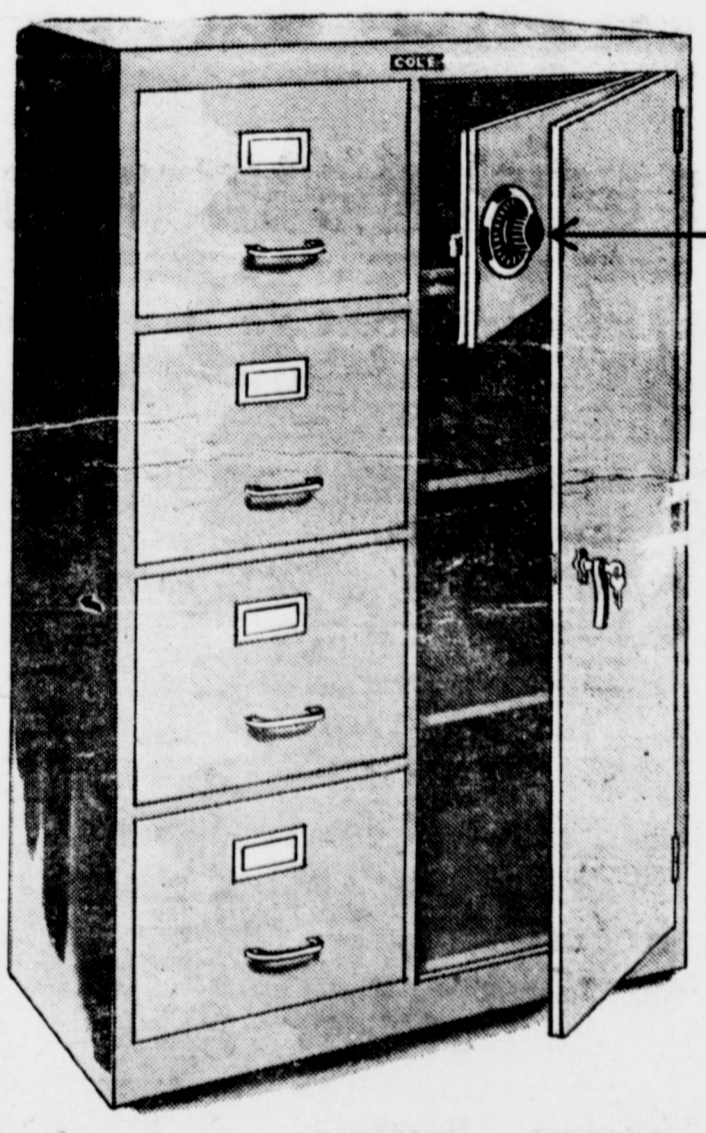

A recent newspaper article had this to say about Larry Kelley: "Larry delights in entertaining school children and can make them go 'clown-happy' when he goes rubber-faced like the whipping-cracking, half groggy cowboy of old Mule-train... He makes lumps like the ostrich eggs in one's throat when he emotes over 'Sonny-Boy'."

"Larry's present ambition is to pantomime a recorded life of Betty Hutton and to this end, he saw her star in 'The Greatest

Show on Earth' eight times and can now imitate la Hutton bomb-shell in squints, nose-wrinkles and ohhh... baby!"

"His favorite music is Paul Robeson doing Old Man River, and on this one he closes his eyes, rocks back and so feels the drama and treachery of the 'old Mississippi' he inevitably hurts the leader from waist to throat... 'For', says Mrs. Kelley, 'Larry's putting as much into that song he doesn't sing' as Robeson does."

The Muleshoe Journal

Ginner Attended Annual Convention

A. W. Copley, manager of the Muleshoe Cooperative Gin Company, and Mrs. Copley, were in Austin Monday and Tuesday of last week. They attended the annual meeting of the Texas Cooperative Ginners' Association, the Texas Federation of Cooperatives, and the Houston Bank for Cooperatives, which was held in the Stephen F. Austin Hotel.

Lancaster On Lubbock Program For Development

Manager D. B. Lancaster of Bailey County Electric Co-op, Muleshoe, will be an active participant in the Rural Development Conference set for February 18-19 in Lubbock.

Meeting on the campus of Texas Technological College, the conference is aimed at coordinating a power use program for agencies and business dealing with rural people. Some 300 participants are expected, representing local and state extension, vocational agriculture, and soil conservation services, farm home agents, electric equipment manufacturers, distributors, and dealers and twenty-six rural electric co-ops.

Lancaster will serve as Chairman of the Conference's Service Committee.

After a half day opening session during which representatives of each type of organization will outline the work and objectives of his organization, the conference will break up into fourteen committees for work on specific subjects, such as rural industries, dairying, heating and air conditioning, and home appliances.

Sgt. Peterson To Be Here Feb. 23

T/Sgt. D. A. Peterson of Texas Aviation Cadet Selection Team No. 512 will be in Muleshoe at the Post Office on Tuesday, Feb-

ruary 23, for the purpose of interviewing and testing young men from Muleshoe and vicinity who are interested in the United States Air Force Aviation Cadet program.

Young men who are between the ages of 19 and 26½, single, have a high school education or more, in good physical condition and have the desire to fly, are urged to contact Sgt. Peterson while he is here.

Men who make application here and are found tentatively qualified for training will be sent to Lowry Air Force Base at Denver, Colo., for physical and final mental examinations. All expenses to Denver and return will be paid by the United States Air Force. Rooms and meals will also be furnished during his stay in Denver.

"Panorama Of The Plains" Will Be Shown Tuesday

"Panorama of the Plains", a film prepared under the supervision of the Canadian River Project will be shown here the coming Tuesday at noon. Muleshoe Rotary Club has transferred its regular meeting to the American Legion Home and is inviting everybody in the community to see this educational picture.

Joe Duke will serve a \$1 plate featuring his famous barbecue. No one is barred, everybody is wanted, and it is believed that every citizen will find this picture very interesting, particularly since some of the scenes were made in the irrigation district surrounding Muleshoe.

The Rotary Club hopes that at least 50 will come out to see the picture, which runs about 30 minutes. It will be shown as soon as the crowd has finished eating. A. A. Meredith, of Borger, secretary and treasurer of the Canadian River Municipal Water Authority will be here to show the film.

Girls Volley Ball Team Organized

Managers of the recently organized Volley Ball team of Muleshoe High School are Latain Garth, Julie James, and Mary Vinson, and the co-captains are Mary Lou Lambert and Velta Gillis.

The A team is composed of Mary Lou Lambert, Wanda Joyce Clements, Velta Gillis, Gladys Whalin, Linda Lancaster, and Margaret Stallings.

The following games have been scheduled: March 9, Littlefield here; March 11, Olton there; March 16, Olton here; March 18, 19, and 20, tournament at Spade; March 23, Littlefield there; and March 27, tournament at Olton.

More games will be scheduled later on.

Girls on the B team are LaVon Copley, Jerre Lee Hale, Evelyn Upton, Maxine Downing, LaVane Gregory, and Evane Myers, while Ann Turner, Mary Woodard, Norma Thompson, Jo Ellen King, Barbara Ellis, and Virginia Gillis serve on the C team.

The girls say everyone is cordially invited to come and watch all practice.

CUPID'S TOUCH

This trim cotton blouse bears Cupid's touch, for the fabric is printed with tiny red hearts. Perfect accent to the Springmid heart print are small red hearts embroidered on the snow white Peter Pan collar. Designed by Rhoda Lee, the crisp little cotton blouse has three-quarter push-up sleeves and minute pearl buttons.

Gaylord Tate Recognized As Eagle Scout Carnegie Course Demonstration Set For Tuesday

Gaylord Tate, above, son of Judge and Mrs. Cecil H. Tate, was recognized as an Eagle Scout, at the Boy Scout Court of Honor, last Thursday evening at the High School Auditorium.

Mr. Jerry Kirk, superintendent of Muleshoe High School, was the main speaker for the evening at the Boy Scout Court of Honor, which was held last Thursday evening, February 11, in the High School Auditorium here in Muleshoe. Mr. Kirk's very inspirational talk concerned the "Boy Scouts and Their Work".

Gaylord Tate, son of Judge and Mrs. Cecil Tate, was recognized as an Eagle Scout, and at the next Court of Honor, which will be held in May at Littlefield, he will be made an Eagle. This is the highest honor a scout can achieve.

Ralph Ware, who is an Eagle Scout, received a Bronze Palm at the Court of Honor, for his outstanding work in the scouts.

New scouts receiving their Tenderfoot badges were John Upton, Freddie Johnson, and Jimmy Kinser, while John Lee Thomas, Max King, and Clinton Murrab advanced to 1st class and James

Schoolcraft, Arthur C. Splawn, Jimmy Williams, and Charles Green, advanced to 2nd class.

Butch Lenau and Jimmy Wilkerson are working toward being Eagle Scouts, and will receive recognition at the next Court of Honor.

Gwyneth Cox and Crispin Green advanced to Life; Johnny Baker and Mike Morgan to Star; and Horace Richardson to 2nd Class Scouts, in the Explorer division.

In the Troop division, Bobby Roberson advanced to Life, and Joe King, Wink Thomas, and Marlan Wimberley, advanced to Star.

AT REA MEETING

D. E. Lancaster, manager of the Bailey County Electric Cooperative Ass'n., today attended the electric conference, held at Texas Tech in Lubbock, sponsored by Texas Electric Co-operatives, Inc.

Ralph Duncan Rotary Speaker

Ralph Duncan, of the West Texas Chamber of Commerce, here to help with Muleshoe's first Community Clinic, was the principal speaker at the Rotary Club Tuesday. At the conclusion of his address, members filled out cards giving their ideas as to what the community needs and what the Chamber of Commerce should work on.

It was in effect another in a series of group discussion meetings held throughout the day in the Community Clinic, which meetings were sponsored jointly by the Muleshoe CoC and the WTCC.

Mr. Duncan pointed out the four basic requirements for a successful Chamber of Commerce:

1. A program of work.
2. A budget that is adequate.
3. Leadership.
4. Capable management.

Guests included Rev. Clarence Stephens, pastor of the Methodist Church; Travis Reed of Muleshoe; Ken Kendrick, KICA, of Clovis; John Dean, Rotarian of

Sudan; Marvin Hall, Rotarian of Amarillo; and the junior Rotarian for the month, Charles Waggoner.

Mrs. Wampler Lions Speaker

Mrs. "Perry" Wampler, of Clovis, district representative for the Dale Carnegie course, was guest speaker at the meeting Wednesday of Muleshoe Lions Club. Red Johnson had charge of the program and the speaker was introduced by Blondy Ray.

She spoke on Americanism and what our country and its institutions mean to us as individuals. In the first place she said, do not criticize, condemn, or complain; if one follows these precepts he should be smiling all the time.

Mrs. Wampler has arranged for a demonstration of the Carnegie course here next Tuesday.

WORLD ALMANACS

The Journal has received a supply of the World Almanacs, the great argument settler. They sell for \$1.10.

Church of Christ Scene of Meeting

Some twenty congregations from the surrounding area were represented in a meeting conducted at the local Church of Christ last Monday, February 15.

Brother W. B. McKinney of Friona brought a very splendid message concerning "Woman, And Her Work In The Church". The ladies of the Church served a bounteous meal at the noon hour.

In the afternoon, Brother W. A. Kercheville of Portales, spoke for a few minutes about the Christian Children's Home at Portales, which when completed will care for many homeless children. The first unit of the home is completed, and ready for use. Forty-eight children can be cared for in this unit.

Brother Kercheville's talk was followed by a round table discussion of the part that women can do in the Church. Everyone present seemed to enjoy this day of fellowship and profited by it.

Hi-Lo Piano Club To Meet

The Hi-Lo Piano Club will have its first regular meeting, Thursday, February 25, at 7:30 p. m. The meeting will take place in one of the Allison homes, located on the Plainview highway.

Mrs. Sam McKinstry, who is club counselor, says they are looking forward to a very interesting program, as each piano student and the mothers will play in ensemble numbers.

Visitors are always welcome.

Thirteen Present At Half Century Club Meeting

Mrs. Anna Moeller hosted members of the Half Century Club in her home February 11, at their regular meeting.

A delicious luncheon was served, and games of cards, and 42 were played.

Those attending were Mmes. Carles, Panter, Harden, Duke, Johnson, Kistler, Moore, Farrell, Gilbreath, Ingram, Julian, and Walker.

The next meeting will be in the home of Mrs. Sweetie Johnson, February 25.

Rebekahs Discuss Approaching Social

Several business matters were discussed as the Muleshoe Rebekah Lodge met in regular session Tuesday night, February 16.

The committee who attended the Chamber of Commerce Clinic, reported, and the ladies who attended Lodge with the Earth Rebekahs, reported having a very nice time.

Those having charges in the team practiced with them. There was some discussion on a social to be held soon.

Everyone is urged to be present at the meeting next Tuesday night, February 23, for team practice.

Refreshments of Hi-Lo Crackers, sandwiches, potato chips, and punch, was served to all who were present.

Co-Workers Class Met February 16

The meeting of the Co-Workers Sunday School Class of the First Baptist Church was called to order by the president, Mrs. C. E. Layne, as they met February 16, in the home of Mrs. Bert Remund.

Prayer was led by Miss Lillie Williams, and Mrs. Remund brought a very inspiring devotional.

A welfare project was discussed and accepted by the majority of votes.

After business was taken care of, the group was entertained by putting jumbled words together, which composed Bible verses.

Delicious angel food cake, ice cream squares, and coffee was served to Miss Lillie Williams, teacher; and Mmes. W. M. Pool, Jr., H. L. Flanagan, C. E. Layne, L. C. Roddam, Jack Johnson, George Hicks, L. C. Browder, and two visitors, Mrs. W. T. Wilson, and Mrs. Millie Wilson.

Three Clubs Are Represented At Council Meeting

Members from three clubs were present this week, as the Bailey County H. D. Council met.

Plans were discussed for the Commissioners Banquet, and it was decided to find out if the various clubs in the county wished to sponsor the District 2 scholarship again this year. Mrs. Maltby discussed the district meeting, which will be held at Post in May of this year.

Each club is to select one nominee for a delegate to the district meeting, and council will choose one delegate from the nominees to represent the county at the meeting. Also each club is asked to send a nominee to council for THDA Chairman.

Mrs. Maltby led the discussion on asking for the district meeting to be held here next year. Each club is asked to express their opinion of this to the next meeting.

Those present were Fern Davis, J. T. Maltby, Joy Jones, Haley, and S. C. Caldwell.

Eight Are Present For Delta Kappa Gamma Breakfast

Mmes. Lois Witherspoon and Radie Boone were hostesses at a breakfast honoring the local members of Delta Kappa Gamma, Friday morning, February 12, at the new Dinner Bell Drive-In.

Table decorations and plate favors were all in the Valentine motif. Members attending were Blanche Johnson, Juanita Kirk, Elizabeth Watson, Mable Dowell, and Owetha Finley, all of Muleshoe, Katherine Spivey of Sudan, and the hostesses.

The next chapter meeting of the Delta Kappa Gamma, will be a coffee at 8:40, in Plainview, February 20, at the Plainview High School Building. Mrs. Elise Stone, of Sudan, will present a pageant on the U. N., and World Peace.

High School PTA Had Interesting Program Feb. 15

The High School P. T. A. met Monday night, February 15, in the High School lunch room and enjoyed a Picnic Supper.

Mrs. D. L. Morrison had charge of the Founders Day Program. Mrs. Marion Harris gave the history of the High School P. T. A., and Mr. Bill Parker, Elementary Principal spoke on "Keeping Faith With America."

The Speech Department, under the direction of Miss Barbara Gaither, presented a one-act play "Three's A Crowd". The characters in the play were: Wayne Bristow, Sue Young, Bobby Nelms, Tommy Osborn, and Marion Harris.

The music department, under the direction of Mr. Tom Shirley, presented a very interesting program, "The Hungry Five", giving imitations of old German Bands, which play for their supper. The members were Jimmy Wilkerson, Ed Furgeson, Linda Lancaster, and LaVon Copley.

A saxophone quartet composed

Youth Meeting Held In Lockney

A Youth Fellowship meeting of the Plainview District was held in Lockney Sunday afternoon.

Those from the Muleshoe Methodist Youth Fellowship who attended the meeting were Doris Jean Copley, La Van Copley, Linda Lou Lancaster, Jean Montgomery, Velta Gillis, Virginia Gillis, Barbara Autry, Jimmy Wilkerson, and Don Copley.

Other attending were Mrs. Sam Fox, and Mr. and Mrs. A. W. Copley.

WSCS To Sponsor A Book Review

"God Does Love All People" was the theme of the devotional brought by Mrs. Finley Pierson, to members of the Woman's Society of Christian Service as they met February 15, in the Church.

Mrs. Roy Bayless led in prayer, after which the story by Manuel Gonzales, was related, on how he overcame the hardships of his school days, by reading the book, "Who's Who." The story was given by Mrs. S. C. Beavers, assisted by Mmes. O. N. Jennings and H. Jay Wyer.

The home of Mrs. O. N. Jennings will be the setting for a book review, at 7:30 p. m., February 22, for all three circles of the Church. Any of the Church ladies who wish to attend, are cordially invited to do so.

Those present for the meeting were Mmes. C. R. Farrell, L. M. Fowler, A. C. Gaede, O. C. Gregory, H. C. Holt, Clarence Stephens, Lola Layne, W. D. Moore, H. O. Barbour, Arnold Morris, S. C. Beavers, F. B. Pierson, H. Jay Wyer, Roy Bayless, I. F. Willman, O. N. Jennings, H. M. Shofner, H. B. Montgomery, and Tom P. Smallwood.

Woodleys Serve Pheasant Dinner

Mr. and Mrs. Noel Woodley entertained, in their home, the directors of the Western National Farm Loan Association and their wives, with a pheasant dinner, Tuesday evening, February 16.

The George Washington theme was carried out in decorations.

Those present were: Mr. and Mrs. Gordon Duncan, Mr. and Mrs. J. T. Eubanks, Mr. and Mrs. Lee J. Sanders, Mr. and Mrs. Robert Rundell, Mr. and Mrs. H. E. Schuster, Miss Mildred Davis, and Mr. and Mrs. Woodley.

Fish Fry Enjoyed By Willing Workers

The Willing Workers Sunday School Class of the Methodist Church enjoyed an informal social and fish fry last Tuesday night, at the Fellowship Hall.

The fish were given to the class by Mr. W. E. Stewart, who is a wholesale dealer for this area, and who sells to Cashway Grocery, and the Dinner Bell, among others.

The class, with some thirty-eight members and four guests present, spent a very delightful evening.

They wish to thank Mr. Stewart for his nice gesture in giving them the fish.

Dr. Hill Speaks At Pollyanna Club Meeting

Mrs. N. R. Harding hosted members of the West Camp Pollyanna Club at her home, Wednesday, February 10, as they met in regular session.

The meeting was called to order by the president, Mrs. James, and roll call was answered by "foot ailments and their remedies."

The recreation program, got underway as Mrs. Dollie Pare, gave a short talk on "Husbands". Each person was then given a pencil and paper and told to write a short essay on their "Ideal Man". These were exchanged and read aloud, and were greatly enjoyed by everyone.

Since the program of the day was on foot care, guest speaker for the day was Dr. Hill, a foot specialist from Clovis, N. M. Dr. Hill gave a very interesting talk on care of the feet, after which he conducted a question and answer discussion.

The next meeting of the club will be held in the home of Mrs. Hughes.

Study Club Has Art-Hobby Program

The Study Club met February 11, in the home of Mrs. Julian Lenau, with Mrs. Glen Dunn serving as co-hostess.

On display were several oil paintings by Mrs. Lonnie Arnold, who gave the club members a very interesting talk on oil painting as a hobby. She brought in many practical suggestions for those who might want to enter that field of art.

Mrs. Charles Lenau, who for a number of years, has been an avid collector of antiques spoke on "What My Hobby Means To Me".

The club voted to donate \$25 to the March of Dimes.

Refreshments carrying out the Valentine motif were served to Mrs. R. C. Panter, of Dorchester, Neb.; Mmes. Lonnie Arnold, Charles Lenau, H. L. Blackburn, Jim Cox, A. J. Gardner, M. F. Green, Mary Hart, H. D. King, Julian Lenau, Lee Pool, Buck Ragsdale, H. S. Sanders, Jr., Vance Wagnon, John Watson, Buck Wood, H. S. Sanders, Sr., and the hostesses.

Glasses For Two Children Bought By Epsilon Chi

Epsilon Chi had its regular meeting February 10. It was reported that two children needing glasses had been found, and the glasses were purchased by the sorority.

A group discussion on "My Favorite Task", was planned by Lois Witherspoon.

Members present were Mary Anna Bryant, Jeri Farrell, Joy Finley, Billye Jones, Betty Glaze, Ruby Gregory, Ellen Gupton, Jane Griffiths, Helen Harvey, Mary Moore, Marlene St. Clair, Lois Witherspoon, Flo Brown, and Jane Reese.

The next meeting will be a social on February 24.

LUXURY FOR SUMMER

The luxury look in the new summer cottons is illustrated by the lavishly tucked skirt of this fashionable cocktail dress designed by Adele Simpson in Bates-pale blue disciplined cotton. The strikingly simple bodice emphasizes the richness of the skirt design.

Mrs. Ed Nickels Is Honoree Of Stork Shower

The home of Mrs. J. P. Miller of Muleshoe was the setting recently of a stork shower, honoring Mrs. Ed Nickels.

After several games were played, Mrs. Nickels was presented with a crib filled with many

beautiful and useful gifts. Refreshments of individual white and chocolate cakes, hot chocolate and coffee, and favors of mints were served.

Serving at the guest book was Mrs. Bob Kimbrough.

Those attending were Mmes. J. P. Miller, W. A. Shafer, B. J. Obenhaus, Frank Matthews, G. L. Splawn, T. L. Glasscock, R. T. Atchison, R. L. Kimbrough, J. T. Eubanks, J. C. Shanks, Bob Kimbrough, Bill Gaede, Raymond Gaede, Charles King, Claude Riley, J. A. Nickels, Cecil Mardis,

Gerald Byrd, Jim Bickel, Charlie Prather, Chet Horsley, J. F. Prather, R. G. Horsley, Gail Hoover, Quint Whatley, Finis Kimbrough, Elmer Prather, and Misses Carolyn Atchison and Dorothy Williams.

Many who were unable to attend sent gifts.

WERE IN TEMPLE

Mr. and Mrs. A. W. Copley were in Temple February 10, 11, and 12. While there Mrs. Copley was a patient in the Scott and White Clinic.

Light Rain Fell Monday Night

A long dry spell in this section was broken momentarily Monday evening when a shower, measured at .39 inch in Muleshoe, fell over a local area. It was the first measureable precipitation for this year 1954. West and northwest of the city farmers reported a rather heavier fall, some receiving as much as a half inch. South of town little rainfall was reported.

BASS RETURNS FROM FORT WORTH

Mr. and Mrs. Harvey Bass returned Tuesday from attending a Frigidaire Products meeting held in Fort Worth the first of the week. Mr. Bass says the newest thing in kitchen appliances is in color to match my-ladie's complexion, be she blonde or brunette.

Political Announcements

The Journal is authorized to make the following announcements for public office, subject to action of the Democratic Party primary in July, 1954.

For Representative 96th Legislative District:

High School's Growing Band Poses For Picture

Engraving Courtesy Clovis Journal

On February 10, the Muleshoe High School Band enjoyed their first formal banquet. It is quite possible that this will become a traditional annual affair. The banquet was arranged and served by the Band Boosters Club. Leon Bayless, the band president, was master of ceremonies, and Gaylord Tate gave the devotional.

A very interesting speech was given by Jerry Kirk, Superintendent, entitled, "Music Hath Charms". The main address was given by James G. Blaine, Superintendent of Schools at Grady, N. M. Musical selections were given by the "Hungry Five" and the Saxophone quartet.

Guests included Mr. and Mrs. Kirk; Mr. and Mrs. Baker; Mr. and Mrs. Lloyd Alsop; Mr. and Mrs. T. C. Evans, (band director at Grady, N. M.); and Mr. and Mrs. J. G. Blaine.

Mr. Shirley was presented a gift as a token of appreciation from the band, and in response gave a talk on "The Will to Do".

Much progress has been made in the development of the music department in the schools this year, but "without the fine attitude of cooperation of the people and administration of this community, progress of this nature is not possible", says Mr. Shirley.

The band banquet was enjoyed by all and served as an inspiration to the band students. The Valentine motif was used in the decoration pattern under the direction of Mrs. Shirley.

Local Farmers Won Three Of Eight Prizes In Cotton Producing Test

The \$1,000 cotton production contest, sponsored by the Plains Cooperative Oil Mill of Lubbock, was climaxed by a tour of the plant and a banquet in the main office building Saturday, J. K. Adams, county agent reports.

Mr. Adams was bubbling over with pride because three of the eight contest winners lives in Bailey County or near Muleshoe. W. R. Herring, 4-H boy of Crosbyton, won first prize with his whopping yield of 1285 pounds of lint per acre.

Homer Richardson, of Bula, Bailey County 4-H Club boy placed fourth on the South Plains, producing 979 pounds of lint per acre.

D. A. Ivy, of Route 2, Muleshoe, placed fifth with a production of 324 pounds per acre on cotton grown in Hockley County.

Doyle Turner, of Star Route 1, Muleshoe, placed eighth with 766 pounds of lint per acre. Doyle is in the Pleasant Valley 4-H Club.

Mr. and Mrs. Adams and children accompanied by D. A. Ivy, attended the awards banquet and tour of the plant Saturday.

Joe Iley Mathews Died Wednesday

Joe Iley Mathews, 48, died Wednesday morning at 10 o'clock at the Green hospital, following a short illness. He moved here four months ago from Pritchett, Colo., where he had made his home for the past 30 years. He was born April 16, 1905 at Throckmorton, Texas.

His remains was taken overland today (Thursday) by the Singleton Funeral Home to Pritchett. Funeral services will be held there Friday in the High School Auditorium with interment in the Springfield Cemetery.

Mr. Mathews had been residing with relatives here. He is survived by his wife, Mrs. Olive R. Mathews, one sister, Mrs. Ira Robinson, Muleshoe; two brothers, B. A. Mathews, Pritchett, Colo., and R. B. Mathews, Rudissa, N. M.

JAYCEES ARE SELLING SCOTCHLITE TAPE

The Muleshoe JayCees are again selling Scotchlite Tape for the use on automobiles, bicycles, trucks, etc., as a safety measure.

Any one wishing to purchase a strip of this tape may see any member of the Muleshoe JayCees. It sells for \$1 a strip, and is a good thing to have on vehicles at night.

The tape is clearly visible at night for a great distance and is enough to cover the back bumper.

FOR SALE: 160 acres, irrigation well just completed. Over 800 gallons a minute. All can be irrigated. One half minerals. \$125 per acre cash. Write or phone Edna Johnson, Springfield, Colo. 8-8-2tp.

Third Annual Negro Minstrel Set For March 18-19

Practice will start next week for the third annual JayCee Negro Minstrel, which will take place March 18 and 19, in the High School auditorium.

Paul Gardner said this year's show is based around the "Showboat" theme. It is a complete new show, with a new cast, and new costumes.

End men are Gerald Priboth, James Mitchell, Bill Wilson, Irvin St. Clair, Tootie Middlebrook, Sikie Watkins, Murrell Brown, and Tye Young. The Captain is Frank Benitis.

Other than the above mentioned men, there will be some thirty to thirty-five others in the chorus.

Grand Jury Finds Six Bills Of Indictment

Six bills of indictment were returned by the Bailey County grand jury, which was in session Monday and Tuesday.

Two true bills were found against J. W. Gilbert, both on a charge of forgery and passing. He pled guilty on one count and was sentenced to two years in the Penitentiary.

A. W. Thomas was indicted on a worthless check charge and Wesley Bradshaw was indicted on a charge of forgery.

Indictments against two other men were returned but these men are not in custody of local officers. Arnold Morris is foreman of the grand jury.

Muleshoe Women's Golf Club Joins South Plains Women's Golf Association

Muleshoe Women's Golf Club will join the South Plains Women's Golf Association through the Littlefield Country Club, it was decided at a luncheon of the members held in the Dinner Bell Wednesday. Twelve local women signed for membership.

Guest speaker of the meeting was Mrs. Herman Barnett, of Littlefield, vice-president of the South Plains association.

Other members of the regional group are Brownfield, Plainview, Levelland, and Littlefield, country clubs, Lubbock Country Club, and Hillcrest Country Club, Lubbock.

The local club will elect new officers and directors at their next meeting which will be held March 16. Mrs. Pat Bobo was appointed chairman of the nominating committee, and Mrs. Noel Woodley and Mrs. Howard Elliott were named to serve with her by the president, Mrs. Clyde Holt, who presided at the meeting Wednesday.

Others present were Mmes. Sam Fox, Buck Wood, Vance Wagon, Julian Lenau, ETT Evans, Lowell Irvin St. Clair, Chief Jones, Elmo Evans, Bill Thompson, Houston Hart, Red Johnson, and Dudley Malone.

Dates for South Plains Golf Association meetings are Brownfield, April 7; Plainview, May 5; Hill Crest, Lubbock, June 2; Levelland, July 14; Lubbock Country Club, August 4; Littlefield, Sept. 1.

Annual Red Cross Drive Underway

After a tornado has left human suffering and physical wreckage in its wake, the long and less publicized job of restoring homes remains. A Red Cross worker here studies this family's needs—one of over 25,000 assisted last year.

Bailey County's annual Red Cross membership and finance drive got underway this week with a goal of 450 members, Harvey Bass, chairman announces.

Johnny Johnson has been appointed drive chairman, with Travis Reed the co-chairman. The organization's financial goal for the county is \$2,225.

Mexican Nationals Not Available Until New Agreement Is Reached

The Texas Employment Commission is anxious to help Bailey County and area farmers to find the help they need right now and in coming weeks, according to Wayne A. Grant, Amarillo, district director, who was here Monday to assess the labor situation. But he said before the TEC can certify to a shortage of labor here it will be necessary for local farmers to turn in their orders at the Littlefield office.

Right now, it is impossible for Mexican Nationals to be brought here to work. No contract between the U. S. and Mexico is in effect; the original contract expired Dec. 31, 1953. By mutual consent of the two Governments, it was extended to Jan. 15.

The Department of Labor and the TEC, however, contracted such laborers as came across the river and reported at contracting stations for a longer time on a unilateral basis. Now the Attorney General has ruled no Federal funds may be used in this way in the absence of a formal contract. Until a contract

is reached, or until Congress passes a law on the subject, nothing can be done, Mr. Grant said.

However, he pointed out that there is a shortage of domestic labor at many points in his district, especially where dry weather has prevailed the last two years. The TEC will recruit this domestic labor if the farmer desires and will place his order.

The last contracts were dated February 11, and since the farmer has 15 days of grace, all Mexican Nationals will have to return home by February 26, Mr. Grant said.

HERE ON BUSINESS

Mrs. R. C. Panter of Dorchester, Neb., has been in Muleshoe for the past two weeks, attending to business interests. Mrs. Panter said she had met so many nice people here and now when she read The Muleshoe Journal she would know who she was reading about.

VISITED MOTHER

Mr. and Mrs. Riehl Williams visited over the weekend in Lubbock with her mother.

HAD GUESTS

Guests Saturday in the home of Mr. and Mrs. Lewis Stewart were Mr. and Mrs. Joe Bennett of Lubbock.

Spelling Bee March 19 Here

Bailey County's annual Spelling Bee will be held in the junior high school building here in Muleshoe at 2:30 in the afternoon of Friday, March 19. Date was set after The Journal, which sponsors the Bee, had consulted with school men of the County. The public is invited to attend the Bee, which has lots of interest for the spectator.

The Journal annually gives \$15 to the county winner; \$7.50 for the runner-up; and \$2.50 for the third place winner. Three local people will be asked to judge the event.

Fred Johnson, who has always pronounced the words in the Bee since The Journal began sponsoring it four years ago, has agreed to serve in this capacity again this year.

The South Plains champion speller will be selected at the district Bee to be held in Lubbock April 10. Winners there get a free trip to Washington to the National Spelling Bee and other prizes.

Muleshoe Guernsey Cow Highest In U. S. In Production Of Butterfat

Peterborough, N. M., Feb 16—A new record placing 9th in milk and 1st in butterfat production among the ten highest of the Guernsey breed in her class has just been completed by Crescent H-A-Chum, a senior two-year old registered Guernsey cow, owned by Ralph Harbin, Pleasant Valley Farm, Muleshoe. This cow produced 11,856 pounds of milk and 696 pounds of butterfat in 365 days on two times daily milking. This cow was bred to meet calving requirements.

The milk produced by this good Guernsey cow in just one year has a gross value of about \$1379, on today's average market.

"H-A-Chum" also produced 3,887 pounds of milk and 530 pounds of butterfat, as a junior two year-old. She was sired by Cooper's H. Falstaff, that has one daughter in the Performance Register of The American Guernsey Cattle Club. The record of this cow was supervised during the test period by the A. & M. College of Texas.

HAD SUNDAY GUESTS

Sunday guests in the home of Mrs. Carrie Wilhite were Mr. and Mrs. Clarence Wilhite and Mona, Mr. and Mrs. J. E. Wilhite and family, Mr. and Mrs. Lonnie Wilhite and family and Mr. and Mrs. Troy Atkinson.

Several Rotary Members Plan To Be At Conference

A large delegation is in prospect from the Muleshoe Rotary Club to the annual district conference in Childress March 4, 5, and 6. Onard Upton and Myron Pool, appointed to work up a delegation, told the Club Tuesday there will be six or seven to go Thursday afternoon, spend the night and attend Friday's session. Another carload volunteered to attend Friday.

The club has voted to hold their meeting March 2 in the school cafeteria upon invitation of school authorities. It is a part of the observance of Public School Week.

Visitors included Travis Reed, Muleshoe; Bus Jones, Clovis; Charlie Duval, and John Strain, Littlefield.

Eddie Lane, program chairman for the month, announced that the club will take part in Community Clinic day in Muleshoe next Tuesday by making a clinic session serve as the program. Community development experts from the West Texas Chamber of Commerce will be here to conduct this group meeting and several others during the day.

The club voted to lend their piano to the high school for use in the band room. The club is meeting at Gerald's now and will use the Lions' piano.

GREAT NATIONAL LIFE INSURANCE CO.

PRESS REPORTS INCREASE IN INCOME PLANS

Newspaper readers last month learned how marked has been the American public's swing toward the use of income options in setting up their life insurance programs. Here are representative comments from a few of the newspapers carrying the story:

Canton (Ohio) Repository — "More than \$700 million of life insurance benefits will go under income plans rather than being paid out in lump sums this year. . . . This is about 70 per cent more than was so used 10 years ago and nine times the amount set up under income plans 25 years ago."

How much income will it take for your family if you die too soon — or for you if you live too long

Your Buying Guide

The "CP" trademark of the Gas Appliance Manufacturers Association is a "Buying Guide" and means that the gas range on which it appears meets all requirements of the American Gas Association Laboratories and, in addition, special high requirements for convenience, performance and economy. It is a trademark and not a "brand name."

The new, completely automatic Gas ranges are your best buys today. The modern gas ranges, built to "CP" standards, provide you with every modern cooking convenience. Whatever your cooking needs are there is an automatic gas range built to meet your requirements. More than 20 gas range manufacturers build beautiful, dependable ranges to "CP" standards. Buy a modern automatic gas range built to "CP" standards and enjoy cooking perfection. No range is more automatic.

Pioneer Natural Gas Company
FUEL FOR A GROWING EMPIRE

By John C. White, Commissioner

RANCHMEN STILL NEED HAY

The Texas drought hay program has had a curious result.

Out in West Texas, stockmen desperately in need of hay for their livestock have been shipping it in from as far as Idaho and California. Yet farmers in some parts of East Texas have a burdensome supply of hay in their barns.

Until recently, drought area ranchmen did not have to consider the shipping cost when they made hay purchases. They could buy grasses outside the state and have the shipping cost refunded to them through a cooperative agreement between the railroads, the Federal Government and the state of Texas. This was a desperately needed emergency measure to get hay to stricken livestock.

Now, funds for this program

are extremely low. The hay buyer must carry apart of the shipping expense. As a result, it is hoped he will buy the hay from Texas growers.

Most of the money used in the hay relief program was furnished by the Federal Government. Because of this fact, there was no legal way that hay purchases could be restricted to with-in state supplies. In many respects, this was an unfortunate situation.

Since the farmers with hungry cattle did not have to consider freight rates, he naturally looked for good hay at the lowest purchase price. Many of them found conditions more favorable outside of Texas. Others did not take the time to locate nearby supplies but took what was offered from other states.

In order to encourage the purchase of Texas hay, the State

Department of Agriculture has, at its own expense, endeavored to locate available state hay. This information, along with price quotations, has been forwarded constantly to county drought committees, to feed dealers and to individual farmers.

Any farmer with an over supply of hay or who knows of hay available for sale should send the information to the State Department of Agriculture in Austin. There is still a good market for this hay in the drought area.

Mark Grimsley Is Taking Basic

Private Thomas Mark Grimsley, husband of Corlene Wimberley Grimsley, Route 2, and son of Mr. and Mrs. F. A. Grimsley, all of Muleshoe, recently began eight weeks of basic training in the Antiaircraft Artillery Replacement Training Center at Ft. Bliss, Texas.

The first eight weeks of basic

training are spent on fundamental Infantry subjects like army drill, rifle, machine gun, and bazooka marksmanship and familiarization with army technical subjects. This first phase of training is climaxed with a one-week maneuver in the field.

Upon completion of the first eight week cycle, Pvt. Grimsley will either be assigned for further training at Ft. Bliss in the techniques of antiaircraft artillery, or he will be transferred to another Training Center for schooling in some other army skill.

Should he remain at Ft. Bliss, his second eight weeks will see him learn the uses of various electronic equipment employed by the AAA-RTC. He will also be expertly trained in the firing of light and medium antiaircraft artillery at low-flying and high altitude aerial targets on the one and one-half million acre Ft. Bliss ranges.

VISITED SUNDAY EVENING

Mr. and Mrs. Hulan Bass of Crosbyton, and Mr. and Mrs. Preston Cargile visited Sunday evening in the home of Mr. and Mrs. M. G. Bass. Mr. Cargile only recently received his discharge from the U. S. Armed Forces.

SPENT WEEKEND HERE

Gay Sanders of Midland, spent the weekend here with her parents, Mr. and Mrs. Claude Sanders. Visiting in the Sanders home this week is her brother-in-law, Pierce Goss, of Caruthers, Calif.

SPENT WEEKEND HERE

Mr. and Mrs. Jack Grant of Big Spring, spent last weekend here with his sister and brother-in-law, Mr. and Mrs. Ira Welch.

VISITED IN MIDLAND

Mr. and Mrs. H. O. Barbour visited friends in Midland and San Angelo, over the weekend.

The new 1954 Chevrolet Bel Air 4-door sedan. With three great series Chevrolet offers the most beautiful choice of models in its field.

New style... New power... New economy... and yet

lowest-priced line in its field!

That's why people are calling the new 1954 Chevrolet the outstanding motor car value of this new year!

Men and women everywhere are deciding that Chevrolet for 1954 gives more for the money than any other car in its price range.

Here are the reasons why . . .

New style—more beauty of line, contour and color—with stunning new Bodies by Fisher and luxurious new modern-mode interiors.

New power—more pickup, more passing ability, more smoothness and quietness of operation with either of Chevrolet's two ad-

vanced 1954 engines—the thoroughly proved "Blue-Flame 125" engine teamed with Powerglide (available on all models at extra cost) or the thoroughly proved "Blue-Flame 115" engine!

New economy—yes, even stronger gasoline savings—because both of these great high-compression engines are designed, engineered and built to wring more power from every charge of fuel.

Moreover, these new Chevrolets remain the lowest-priced line in their field, again this year.

Come in . . . see and drive the new 1954 Chevrolet . . . and place your order now!

New Chevrolet 1954

C. & H. CHEVROLET CO.

MULESHOE, TEXAS

THE THUNDERBIRD, a new kind of car combining high performance with the comfort, convenience and safety of a conventional model, has been added to the Ford line. The Thunderbird has a powerful 160 h.p. Y-block V-8 engine and its low, graceful body is of all-steel construction. Equipped with a convertible cloth top which folds completely out of sight behind the rear seat, the Thunderbird can be purchased with a special composition hardtop, making it a complete all-weather car. Its overall height is 51.5 inches—nearly a foot lower than the 1954 Ford sedan—yet it has only slightly less road clearance. Most of its major parts are interchangeable with Ford's regular line of cars. The Thunderbird is scheduled for production by Ford Division next fall.

ARE BACK HOME

Mr. and Mrs. Howard Cox returned home last week from Cincinnati, Ohio where they attended the National Drive-In Theatre Owner's Convention. They visited in Springfield, Ill., with Howard's sister, Mrs. R. L. Alt-house and family, and in Excelsior Springs, Mo., with Mrs. Laura B. S. Cox, a former Muleshoe resident. They were gone fifteen days, and reported a very nice trip, as the weather up in the eastern states was very beautiful.

IS STUDENT TEACHER

Miss Marquita Collins, of Muleshoe, has been named as one of the student teachers for an adult class in home nursing, recently organized by ENMU at the Portales high school.

deposits. Agricultural Experiment Stations and Extension Service in America make our agricultural situation different from that of most other countries. Through them, answers to production and conservation questions are provided which make for net profit increases. We'd like to see several of you cooperate in the "strip testing" when you fertilize this year as County Agent Joe Jones suggests. Find out if your application is what you needed. Maybe you need more or less of it, or something else.

Consider This: In the way of righteousness is life; and in the pathway thereof is no death. —Proverbs 12:28.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Parmer County Farm Bureau News

When directors met to plan for the membership drive which begins the first of March, all officers and directors were present except President Ellison and Secretary-Treasurer Bruce Parr, who were in Lubbock attending a district meeting that night.

Also present were Melvin Sachs, Ellis Tatum, A. D. Cump-ton, and Jack Patterson, who were assisting their directors in planning area maps for the drive. Joe Camp, ASC Manager,

was also present and presented official information received concerning cotton allotments and answered questions relative to the program.

Hugh Nelson, an ardent Farm Bureau member and former director in Swisher County was in the other day to familiarize himself with the local county Farm Bureau facilities. Nelson moved here from Tullia recently and will live and farm about four miles south of Friona. We extend a hearty welcome to all new farmers to come in to get acquainted with their county Farm Bureau servants.

Your organizational workers appreciate the steady flow of membership renewals coming in in person and by mail. This substantially reduces the cost of membership acquisition and saves a few miles driving for the workers a little later. We also appreciate the fact that we no longer hear the question from merchants and bankers: "what good does it do me?" They all know what 20,000 plus acres of additional cotton will do for them next fall. It pays for clothing and food and fuel and houses and increases bank

Mrs. Casey Hosts Muleshoe HD Club

"Fertilize The Soil", was the program theme, as the Muleshoe H. D. Club met February 9, in the home of Mrs. W. Q. Casey. A very instructive discussion was brought on the theme by Mmes. R. F. Wright, H. G. Griffiths, and U. R. Bowers. Mrs. Hanks, vice-president, was in charge of the meeting in the absence of the president. Mrs. Casey led a very entertaining game, in which Mrs. Simons was the winner. Mrs. Boydston drew the hostess gift. Refreshments were served by the hostess to one visitor, Mrs. Ellington, and to the following members: Mmes. C. E. Briscoe, W. R. Bowers, John Boydston, Don Bruns, R. B. Benham, J. E. Bessie Fletcher, C. H. Gill-

is, J. H. Hanks, Jean Landers, S. L. Robison, M. E. Simmons, R. F. Wright, H. G. Griffiths, and F. L. Snyder. The club will meet in the home of Mrs. W. R. Bowers, February 23.

First Troop Of Girl Scouts Met

The first troop of Girl Scouts, had their first meeting yesterday, February 17, with approximately thirty-five enthusiastic girls present. Mrs. Burchett is leader of this troop of girl scouts, which is for the intermediate age group, most of whom are twelve years of age. Mrs. A. J. Lenderson is co-leader. Four interested mothers, Mmes. Alvin Allison, J. T. Shofner, Clarence Weeks, and Hanks, make up the other adult leaders.

Husbands Guests As Fidelis Class Met Thursday

On Friday evening, February 12, at 7:30 p. m., the Fidelis Class members, with their husbands as guests, enjoyed a delicious covered dish supper in the dining room of the First Baptist Church. After the supper, Mrs. Eddie Lane led the group in a number of entertaining games. Members were indeed sorry that Mrs. Dorothy Green was unable to stay for the party, due to the illness of her son Lawrence. The delicious food she prepared and brought, was enjoyed by all. Those present were: Mr. and Mrs. T. W. Berry, Mr. and Mrs. J. E. Hicks, Mr. and Mrs. D. L. Morrison, Mr. and Mrs. W. E. English, Mr. and Mrs. Roy Brasher, Mrs. Lou Green, Mrs. Edith Blaine and Barbara, Mr. and Mrs. Guy Killian, Mr. and Mrs. Byron Griffiths, Mrs. Marie White, Mrs. Frances Garrison, Mr. and Mrs. Eddie Lane, and Mr. and Mrs. R. I. McLeroy.

Elementary PTA Met February 8

The Elementary Parent-Teachers Association met for a Founder's Day Observance Program, Monday, February 8, in the Junior High School auditorium. Mrs. W. T. Millen, president, was in charge during the business session. The local unit voted to spend \$600 for the following teaching aids; an opaque projector, two daylight screens, a combination record player, and a library cart. Mrs. John Watson, program chairman, presented a review of the history of the Parent-Teachers Association on the national, state, and local levels. Miss Alva Lee Shofner furnished background music. Each local past president gave the achievement which had been the greatest source of pride during her administration. Mrs. I. W. Haney, the first president, noted the great change that had taken place since 1927, and said that she was glad she had a small part in the beginning of the P. T. A. here. The following past presidents attended: Mmes. I. W. Haney, W. B. McAdams, S. C. Beavers, Ray Griffiths, J. C. Taylor, J. L. Taylor, Henry Schuster, Cecil Tate, Eddie Lane, Jack Lenderson, and D. L. Morrison. The past presidents, and Mrs. Bill Millen, who is the president now, formed the receiving line. The birthday cake was served by the hospitality committee; Mmes. J. K. Adams, Ray Morrison, Deon Autrey, and F. L. Jones.

Chrysanthemums Was Subject As Garden Club Met

Mrs. L. S. Barron was hostess to members of the Garden Club, as they met February 9, at the home of Mrs. Lela Barron. Coffee and donuts were served to those who attended. The subject for the day was "Chrysanthemums". Mmes. Bill Moore, Joe Damron, and Charles Lenau, spoke to the group on the origin, care of the plants, when and how to plant, and the many varieties of chrysanthemums. Those present were Mmes. Bill Moore, H. S. Sanders, Sr., Morris Childers, Joe Damron, Clay Beavers, Charles Lenau, Cayle Reed, L. S. Barron, Lela Barron and Roy Jordan. The next meeting will be at 9:00 a. m., March 9, at the home of Mrs. Joe Damron.

Piano Teacher To Attend Clinic

Mrs. Sam McKinstry plans to attend the two piano clinic in Clovis, N. M., February 22 and 23. Dr. Leo Padolsky will conduct the clinic, with master classes for piano teachers each morning. This clinic is being sponsored by the Clovis Music Teachers Association.

Dr. and Mrs. Kenneth Osborn and Becky of Lovington, N. M., visited over the weekend with their parents, the Sam McKinstry, and sisters, the Allison families.

BABSON GIVES— Four Reasons For Confidence

Babson Park, Mass., Feb. 18 — While so many forecasts for 1954 are discouraging, I give four more reasons why I cannot be so fearful as are many economic writers. Take a look at them and have faith in your country and your future.

MORE MONEY AND MORE PEOPLE

In the first place, people have money to buy. I repeat what I have said before—"the top 50% of our families have readily convertible savings amounting to a staggering \$97 billions." 95% of all families probably have more money in savings accounts than ever before. It is true that installment debts on cars, refrigerators, and television sets have increased during the past twelve months; but these are now being reduced. Moreover, money invested in these durables cannot be written off as "gone". Homes are always a good investment. So long as one is employed, money invested in a home may as good a reserve as cash in a bank. In short, potential buying power never was greater.

Second, our swiftly rising population—with a record four million births in 1953—is creating a vast number of new wants that must be satisfied. Ten years from now we may have forty million more in our population than we did at the end of World War II.

Take all the wants and needs of one individual and multiply by forty million and you will get some idea of what a staggering impact the increase in population alone can have on our economy for some time to come, provided it is of good character. Population alone is not enough; people must have good habits, sound faith, and useful intelligence.

LIBERALIZED REPUBLICAN THINKING

Third, the liberalizing of the thinking of our present Administration should help hold our economy high. For example, it has reversed itself on its hard-money policy; credit has been eased. Tax relief for both the individual and business is already under way. This Administration is prepared to go further with higher minimum wages, reasonable aid to the farmer, useful public works projects, and broader social security benefits.

Fourth, the millions of warning words and the current skepticism of the future may furnish a considerable element of psychological strength. There is little question but what skepticism has kept many a businessman and consumer from overstepping with regard to future commitments. The pessimistic forecasts may themselves prevent real trouble.

SAND HILL PHILOSOPHER SAYS—

Teaching Pupils How To Figure Income Tax Is Fine, But Inadequate

Editor's note: The Sand Hills Philosopher on his Johnson grass farm must be worrying about his income tax, his letter this week reveals.

Dear editor:
I read the other day in a newspaper which my wife had covered up a pot plant with to keep it from freezing and which I will put back if it turns cold again where some high schools have started courses in how to figure your income tax.

This news pleased a lot of collectors, and I think it would save a lot of their time to have more people know how to figure their income tax. I think this is a fine subject to teach, but like a lot of things these days it doesn't go far enough.

COMPARING 1954 WITH 1929

During the past few weeks I have been reading the newspapers and magazine articles published in 1928-29, preceding the last depression. I find very few warnings. Herbert Hoover had just been elected President and he had chosen an able "businessman's" Cabinet. In fact, directly after his election the stock market shot up 20 points. Nearly all the business and financial prophets were then bullish.

Hence, people were not then on their guard. Yet, they should have been warned before it was too late. If warning had been given in 1929 as it has now been given, the great 1930-33 declines in building, textiles, clothing, leather, and automobiles would not have been so severe.

RECALL YOUR HISTORY

After every war, our country has had a letdown. This was true after World War I. Earlier, the same pattern had followed the Spanish-American War. An even more severe reaction set in after the Civil War. Yet, most economists say that it is now nearly ten years since World War III and we have had no readjustment of our continued prosperity.

But, is World War II at an end? Or, may we now be in World War III? What is the economic difference between "hot war" and a "cold war"? I do not pretend to know all the answers, but I do ask these pertinent questions. After every period of inefficiency, waste, and unrighteousness, there must always be unemployment to punish us for our sins. But has this time come yet? Business and employment for the first half of 1954 could still be at a high level. So—take courage! The "boom" may not continue, but the future is still bright for families who will work hard and use any idle time to study and to build up physical and spiritual health.

The next best thing to know how to figure your income tax I guess is know how to pay it. Know how to figure a tax is one thing, but know how to make enough money to pay it is another.

Right now nearly everybody in Texas for example, will admit that a lot of school teachers need to make more money, but so far there hasn't been a single person, in the schools of ours, in the entire state who can come up with a satisfactory way of finding out where the money could come from. The schools just ain't offering in any subject in that department. As the matter stands now, the teachers point out they need a raise, and pass it on to the Legislature. The Legislature admits a raise may be due, it even voted one, but the members only scratch their heads when you ask em where the money is comin from. Some people have even argued that the United States Supreme Court has ruled the Texas teachers don't need any more money, but I don't think that's the proper interpretation to their decision at all.

But as I say, these half-way measures ain't enough. I know lots of schools who teach boys how to raise fat calves that win prizes at livestock shows, but very few are teachin em how to get the money to buy that kind of feed later on, day in and day out, in every-day practical ranching, when they're in not only the business of raisin fat calves but children too.

Teachin high school pupils how to figure their income tax is fine, but they're gonna find there's some additional information that's gonna come in mighty handy later on, and if there's any way to get into the curriculum, it ought to be done. My only regret is they didn't have such a course when I was in school.

Yours faithfully,
J. A.

VISITED SON

Mr. and Mrs. Ross Goodwin and Richard, and Marion Clark Harris, spent the weekend in Roswell, N. M., with the Goodwin's son Bobby, who is attending school at NMMI. They attended the finals of the State Golden Gloves Boxing tournament Saturday night.

Here At Home

Written especially for The Journal
By J. M. Forbes

The Netherlands people and government are now at work on plans for an engineering feat that will be probably the most stupendous thing ever attempted by man, not even excepting the Great Wall of China or Egypt's pyramids. This is the report made to this editor by Edward Schilpzand, of Sassenheim, Holland. Sunday morning, Mr. Schilpzand is on his periodic tour of the U. S. as a salesman for the Holland tulip industry.

The Hollanders are considering the erection of a seawall as a result of the disastrous floods of Jan. 29 to Feb. 1 of last year when several hundred persons lost their lives, fertile land was inundated by salt water; and an untold amount of property was destroyed. It was the worst storm to hit Holland in 500 years.

This seawall, it is expected, will tower 80 feet high; will be of concrete and steel, 200 feet thick at the base. It will run for scores of miles along the Holland North Sea coast. Right now dikes protect some 800 miles of coastline, but these dikes were quickly broken in vital places by the huge waves, stirred to unexpected strength by a violent storm on the sea and abetted by unusually high spring tides. Much of the coastal area is 10 or 12

feet below sea level.

The building of this seawall is expected to take 25 years, BILLIONS of dollars, and the constant work of thousands of workers. It would make the digging of the Panama Canal or Suez Canal seem like a moments idle doodling with a stick in sands of the beach. Can Holland's eleven million people carry such a load, afford to have thousands engaged in "unproductive" work for so long, and pay the terrific cost? Pretty much it is a question of whether they can afford not to do it.

At that, the seawall may go the way of all flesh in 500 years. Edward said near his home on the coast there is a huge Roman fortress, used by Julius Caesar and his Legions in 55 and 54 B. C. as a staging area for their invasion of Britain. Since the seas in our era gradually are filling up because the polar ice caps are melting, the fortress has been surrounded in these two thousand years by the sea and eventually will disappear. So might it be with the Hollanders' huge seawall; but they feel it must be built.

FIRST TIME IN TEXAS

Mr. and Mrs. W. R. Hatcher of Detroit, Mich., visited the past weekend in the home of his cousin, Mr. and Mrs. Roy Hogan. It was the first time the Hatchers had been in Texas.

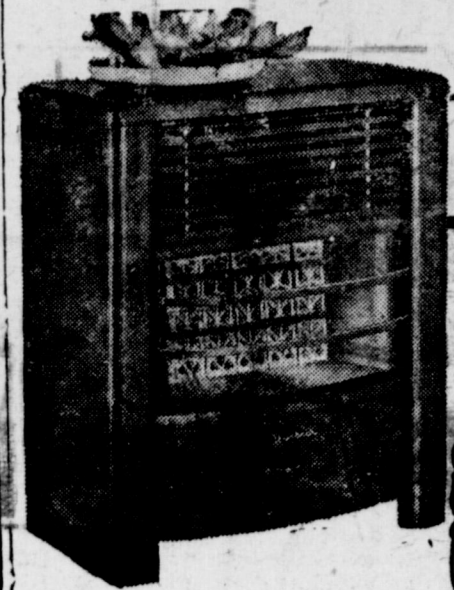

THE MULESHOE JOURNAL, Thursday

IS VISITING HERE

Mr. and Mrs. A. E. Jackson and children of Summerfield, spent the weekend here in the home of his sister, Mrs. J. C. Dalton and family.

VISITED IN MASO.

Mrs. Sam Damron and daughter Dana, visited her mother, Mrs. Eli Jordan, in Mason, over the weekend.

"I like my Dearborn"

stays touch-cool while it keeps us warm!"

And you'll like it, too... Dearborn's Cool Safety Cabinet that never gets hot on top, sides or bottom—won't scorch drapes, walls or furniture—won't burn careless fingers. Circulates bone-warming heat to the far corners!

You'll like these Dearborn features—

FAMOUS HIGH-CROWN BURNER—gives you all the heat you're paying for. GLO-BRITE RADIANTS—give abundant, floor-warming radiant heat in a jiffy. PILOT OPERATED—No more match hunting on cold winter mornings. COME IN—See our complete line of famous Dearborn gas heaters.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

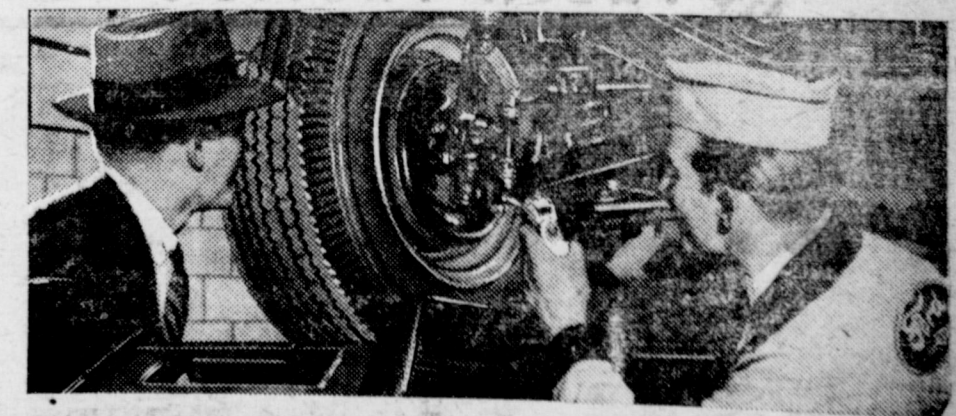

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber-and-metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

The "old" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too, not only on turns but on the straightaways as well. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal this modern ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford. Whether you choose Ford's new 130-h.p. Y-Block V-8 or 115-h.p. I-Block Six you get the quick response and smooth, quiet operation of a modern overhead valve, low-friction deep-block engine. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms not only reduce the number of wear points but also insulate chassis from road noises.

We cordially invite you to Test Drive a '54 Ford
