And the Crockett County News

"Out In The West, Where The Air Is Pure, The Climate Agreeable, And The People Friendly --- The Best Place On Earth To Call Home."

Volume 77 Number 35 Wednesday, October 18, 1989 Ozona, Crockett County, Texas 76943 USPS 4168-2000 30¢ per copy

War on drugs emphasized

Ozona students will join schools across the state in Red Ribbon Campaign activities Oct. 22-29.

Community support is requested by wearing red on Wednesday, Oct. 25, and by participating in the march on the town square Saturday, Oct. 28 from 10-11:30 a.m.

The Red Ribbon Campaign provides the opportunity to not only promote the school's anti-drug programs, but to bond with every segment of the community in promoting non-tolerance of drug use.

Currently the Ozona Public Schools have a Just Say No program at the primary, junior high and high schools. The high school group's name is STAND.

During Red Ribbon week, Ozona Public Schools will be teaching prevention education activities and participating in programs.

Red ribbons will be handed out in Ozona churches Oct. 22. On Monday, junior high students will display contest posters.

Tuesday the primary school will have a drug skit. A skit will be performed at the intermediate school on Wednesday.

Red Ribbon Sports Day will be observed at Ozona Junior High Thursday and at the high school on Friday.

An assembly will be held at each school. Intermediate students will participate in a creative writing contest, and a guest speaker from Rivercrest Hospital will visit their school.

The anti-drug march Saturday concludes the week's activities.

Food show entries due Friday

Entries for the Crockett County 4-H Food Show are due in the county extension office at 4 p.m. on Friday, Oct. 20.

4-H members planning to be in the Food Show, which is scheduled on Sunday, Oct. 29, must turn in their menu, contest recipe and project record to be entered in the food show.

"If you need some assistance, please contact the extension office or your adult leader," said Tedra Ulmer, county extension agent-home economics. The extension office may be called at 392-2721.

The public is invited to attend the awards portion of the food show, which will begin at 4 p.m. on Sunday, Oct. 29. This year's food show will be held in the Junior High School Cafeteria.

Making the grade.....

Task force discusses problems facing youth

Sixty-three percent of Ozona's youngest secondary students have had at least one encounter with tobacco, alcohol or drugs, and 27 percent of the babies born to Crockett County mothers last year were out of wedlock.

These facts were part of a task force report given on "Making the Grade" Monday night at the civic center. Critical issues facing Ozona's youth today were summarized by leaders of groups which have been meeting since mid-September.

The task force groups studied and reported on the six major problems facing American youth today: substance abuse, teen pregnancy, functional illiteracy, school dropouts, juvenile crimes and unemployment.

Crockett County is one of more than 20 Texas counties participating in "Making the Grade", a project which includes developing a community report card. The project is sponsored by the 4-H and Youth Committee of the Texas Agricultural Extension Service and the Executive Board of the Extension Program Council.

As leader of the group focusing on substance abuse, Garland Davis, superintendent of Ozona schools, reported statistics from a 1988 survey of local sixth graders. Of the 59 students (17 girls and 42 boys) surveyed, 37 had used tobacco, alcohol or other drugs at least once. Five girls and 32 boys indicated some use. Twelve girls and 10 boys said they had never used these substances.

Substance categories listed on the survey included cigarettes, beer, wine coolers, hard liquor, marijuana, cocaine, uppers, downers, inhalants, hallucinogenics and others.

Users were 11-14 years of age at the time of the survey.

Dr. and Mrs. Gary Vannoy and Mr. and Mrs. Elliott Barrera applaud Dan Pullen during the Making the Grade report Monday at the Civic Center.

Before the age of 12, 57 percent of those surveyed had their first experience with cigarettes, 70 percent with beer, 38 percent with wine coolers and 19 percent with hard liquor. One student had experienced marijuana before age 12, but none after 12. Two had experienced cocaine, one before 12, one before 15.

The survey did witness a decrease in use of tobacco, alcohol or drugs among the group, but 20 percent are still using these items, Davis said.

Thirty-five percent believed getting the substances was difficult, 29 percent believed it was easy, and 35 percent didn't know. But no one said the substances were not available, Davis said.

Other questions on the survey focused on self-image, grades, parental strictness, getting in trouble, participation in school and non-school activities.

Sixty percent of those surveyed indicated they were pleased with themselves only sometimes or less. Fourteen percent were never pleased with themselves.

Parents were reported as not very strict by 59 percent of the students. Discussing their problems with parents less than often were 30 percent.

Good grades were made less than often by 51 percent; 38 percent were in trouble more than sometimes and 24 percent were in trouble often.

Participating in school activities

sometimes or less were 41 percent with 32 percent indicating they participated often or more. Only 16 percent (six students) said they participated often in activities outside of school.

Davis quoted a story in the San Antonio Light reporting that 76 percent of all Texas secondary school students have used alcohol and that 86 percent of last year's Texas seniors had used alcohol.

"If we had the ability to run the same kind of survey, we might find that the use of alcohol and other abusive substances would be alarming to us in our community," Davis said.

Gary Vannoy, leader of the task force on teenage pregnancy, cited statistics indicating that 19 percent of the babies born in Crockett County last year were to teenage mothers.

Crockett County tied as 17th in the state for babies born out of wedlock, 27 percent.

Beginning Nov. 1, any child born in Texas must have the social security numbers of both parents on the birth certificate, Vannoy said. The move to make fathers responsible for their children includes teenage fathers. An unwed teenage father whose child is being supported by welfare can have as much as 50 percent of his salary from an after-school job taken for support. If the teen has no job, he is building a debt with the welfare department, Vannoy said.

"We all have to become responsible for our children whether they're infants or whether they're teenagers," said Vannoy.

Defining functional illiteracy as the inability to communicate, read, write and get along in society, Elizabeth Upham said one in three Texans lack the ability to do these things. One in

five Texans never complete high school.

Crockett County statistics show that 25 percent of adults have 0-8 years of schooling compared to 15 percent in Sutton, Schleicher, Upton, Tom Green, Reagan and Irion Counties.

Mrs. Upham praised the local English as a Second Language and Laubach Literacy programs for adults.

The current freshman class at Ozona High School as seventh graders had 56 percent reading on or above level, 13 percent one grade level below, 12 percent three grade levels below, five percent four grade levels below and one percent five grade levels below, Mrs. Upham said.

Statewide, 33 percent drop out before completing high school. Locally, the figure is one percent.

Nationally, the cost of illiteracy is 17.12 billion according to Mrs. Upham. Lost tax revenue, unemployment insurance, adult training, increased cost of child welfare and incarceration figures account for the 17.12 billion figure.

A supervised activity that youth can be proud of was outlined by Pete Maldonado to put teens to work. The groundwork for a plan to form a company of students began last year, Maldonado said.

Lawn service and bookkeeping are the areas being considered. This summer a youth employment referral service will be operating to help teens find jobs. Location and utilities have been donated, and someone will be there to answer the telephone.

The proposed youth formed company is not designed to get into someone else's labor force or livelihood.

(Continued on pg. 11)

Far West Lean Lamb Symposium Oct. 19

A Lean Lamb Symposium will be held Thursday, Oct. 19 at the Ozona Civic Center with registration beginning at 9:00 a.m. The event is co-sponsored by the Texas Agricultural Extension Service, Texas Sheep and Goat Raisers Association and American Sheep Industry Association.

According to Billy Reagor, Crockett County Extension Agent, this symposium promises to be the most informative program in the sheep industry held in West Texas this year. The speakers are outstanding and are respected industry wide.

Moderator will be Pleas Childress, III of Ozona. Topics for the morning session will include red meat production trends by Dr. Gary Smith; lean lamb criteria by Dr. Dan Hale; looking at the live lamb by Dr. John Edwards; live lamb evaluation by symposium participants; evaluation of lambs with ultrasound by TAMU staff; and a discussion of live lambs by Dr. Carl Menzies and the symposium committee. A "lean lamb luncheon" will follow the morning session.

The afternoon session will be moderated by Ralph Mayer of Son-

ora. Topics will include lamb carcass fabrication by Dr. Davey Griffin and Curt Terry; a panel will discuss merchandising lean lamb; Bill Schneemann, president of ASI will discuss ASI promotions; West Texas ewe types by Dr. Frank Craddock; rams for lean lamb production by Dr. George Ahlschwede; feeding and sorting for lean lambs by Jamie Kothmann; and a symposium summary by Dr. Zerle Carpenter.

Registration will be \$10 per person which includes lunch.

Ruben Mendez, Jr. tied with H. O. Hoover with each having eleven correct picks, but picked the closest to the actual score on the tie breaker. Ruben picked Kansas City over the L. A. Raiders 14-21 compared to H. O.'s 20-24.

Hoover re-elected to SWCD Board

Donald P. "Bud" Hoover was re-elected to the Crockett Soil and Water Conservation District board of directors on Oct. 10. Hoover represents Zone 5 of the district.

The purpose of the Crockett SWCD is to promote sound soil and water conservation programs on ranch lands within the district and to serve as a voice for ranchers on conservation matters.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Hoover will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In Texas there are 210 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

Organized in 1950, the Crockett SWCD was instrumental in coordinating the Johnson Draw watershed

protection project after the flood of 1954. The district continually identifies resource concerns and promotes the wise use of these resources.

County receives state funds for roads

Crockett County will receive \$27,012.83 as its allocation of lateral road funds being sent out by State Treasurer Ann Richards. Checks amounting to \$7.3 million are being sent to Texas' 254 counties for lateral road construction and maintenance.

The treasurer each year disburses money appropriated by the Legislature for the Lateral Road Program. The grants may be used by counties for the purchase of right-of-way and for construction and maintenance of lateral roads, farm-to-market roads or state highways.

The money is allocated to each county under a formula based on the county's area, rural population and lateral road mileage, Richards said. Crockett County's lateral road mileage is 425.

Halloween Carnival booths available

Organizations which have not made their reservations for a booth at the Oct. 31 Halloween Carnival are asked to contact the chamber of commerce to arrange for space. A list of activities and booths and an event schedule will be printed next week.

Matt Goff of the Midland/Ozessa Symphony met with a committee last week to finalize plans for a concert here December 15. Sponsors for the performance at the high school auditorium are still needed. Anyone wishing to assist in bringing the group to Ozona is asked to contact David McCarterly, Mary Jo Mason or Genice Childress. Pictured with Mr. Goff are Mrs. Mason and Mrs. Childress.

NEWS REEL NOV. 3, 1960

29 years ago Bill Jacoby, Crockett County 4-H Club member, has been named winner of the J. T. Rutherford Achievement Trophy for 1960.

29 years ago V. I. Pierce, Ozona ranchman, paid top price of \$7,500 for a bull at the dispersal sale of the Gilroy, Calif., unit of the Lucky Hereford Ranch.

29 years ago Mrs. J. W. Henderson entertained the Friday Bridge Club in her home last Friday.

29 years ago The season's first cold front pushed into Crockett County over the last weekend triggering good rains over most of the county.

29 years ago Miss Janice Spencer, a student at Texas Tech in Lubbock, spent the weekend with her parents, Mr. and Mrs. C. O. Spencer of Ozona.

29 years ago Mr. and Mrs. T. J. Bailey attended the Eldorado-Sonora game in Eldorado last Friday night following dinner with Mr. Bailey's sister and brother who reside in Eldorado.

29 years ago Mr. and Mrs. Fred Hickman were in San Angelo over the weekend for a reunion of the Hickman family. Mr. and Mrs. Hickman also attended some of the activities at the San Angelo Jr.

College Homecoming where Mr. Hickman was formerly a student. crushed the Eldorado Eagles 25-7 here Saturday afternoon in the second meeting of the teams this season.

Rev. Bill Hufstetler, assistant minister of the San Antonio Church of Christ and a brother of Ross Hufstetler of Ozona, is critically ill in a San Antonio hospital.

The Ozona Woman's Club will meet Tuesday in the home of Mrs. George Bean with Mrs. W. E. Smith in charge of the program on "Texas Industries."

Business firms of Ozona are 100 percent behind the Ozona Lions. Business will suspend in Ozona next Saturday afternoon when the Lions play the Sonora Broncos. The game will mark the resumption of athletic relations with the neighboring town after a three-year interruption.

NEWS REEL NOV. 5, 1931

Playing by far their snazziest game of the season, the Ozona Lions

News Briefs.....

BAND BOOSTERS TO MEET
Ozona Band Booster Association will meet tonight, Oct. 18, at 5:45 in the band hall. Parents of band students are urged to attend. Reports will be given on marching contest and pin and pennant sales. There will be discussion of a spring fund raiser.

FLEA MARKET, CHILI COOKOFF IN MCCAMEY
The McCamey Chamber of Commerce will sponsor a chili cookoff and flea market Saturday, Oct. 28, beginning at 9 a.m. in Santa Fe Park. Entry fee for chili or brisket cooks is \$15. A \$25 fee is charged if both are entered. C.A.S.I. rules will be followed. Horseshoe and washer pitching contests and a volleyball tournament are also part of the activity. Entry fee

for horse shoe and washer pitching teams is \$4. The volleyball tournament entry fee is \$60 per team. For more information, call 652-8202.

BIG LAKE CLUB PLANS FLEA MARKET
The annual flea market sponsored by the Twentieth Century Club will be held Tuesday, Nov. 14, at the Community Center in Big Lake. Hours are from 9 a.m. to 5 p.m. Local and out-of-town exhibitors will be showing their arts and crafts. Door prizes will be awarded. For further information about the market or booths, contact Harriet Berlin at 884-3462 or Sandra Kissko at 884-3181. Funds from booth rental go to a \$1,200 scholarship for a high school senior.

Crockett County Care Center News

by JoAnne Marshall

Santa Claus faces were made in Monday morning's craft class. The faces will be put on a wicker plate and trimmed with cotton, ribbon and holiday print material. Residents attending the class were: Juana Hernandez, Frances Davis, Moriama Perez and Consuelo Sarabia.

The residents' monthly birthday party was held Monday afternoon honoring Nellie Harp, Mattie Cooper, Manuela Perez, Virginia Hoover and Olive Berry. Honored guests were presented with lovely corsages, compliments of Ozona Flora. Hostesses for the party were Vivian Hughes and Joann Williamson. Janet Hill donated the delicious cake decorated with pink roses. We would like to thank Vivian, Joann, Ozona Floral and Janet for making this lovely party one to remember.

Volunteers for Tuesday's bingo were Sophie Kyle and Georgia Kirby. Thank you, ladies. We appreciate your help. Prize winners were: Juana Hernandez, Frances Davis, Hazel McDaniel, Manuela Perez, Moriama Perez, Minnie Karr, Elvira Pena and Bertha Miller.

Tuesday afternoon David McCarty of First Baptist Church led a song service. His wife, Jerry, played the piano. Thank you both for sharing your time with us.

Members of Levis and Lace Square Dance Club entertaining residents Tuesday evening were: Racey and James Fuller, Tasha and Billy Nowell, Elaine and Bob Bell, Tina and Joe Moran, Maria and Raul De La Rosa, Gaylia Underwood, Greg Underwood, Ten Rodriguez, Roddy Arnett, Carol Peek, Leroy Adcock and Kim Miller. As an added treat, Tee Jay Nowell and Heather and Stacy Fuller demonstrated their dancing abilities. Although the children didn't measure high in inches, they made up for it in talent. They were adorable.

Residents occupied their time Wednesday morning by attending a ceramic workshop. Volunteers Ruthie Doris and Ruth Hester were on hand

to give just the right advice for each piece. Residents attending the class were: Juana Hernandez, Moriama Perez, Srilda Senne, Frances Davis, Theo Burns, Hazel McDaniel and Consuelo Sarabia.

Rayford Harris of First Baptist Church delivered a short message Wednesday afternoon. He was accompanied by his wife, May. Residents enjoyed a short visitation afterward.

Joann Williamson, Tasha Nowell, Lola Rios, Audrey Smith, Yolanda Avila and Martha Tijerina were Thursday morning's beauty shop volunteers. As always, the residents look forward to their visits. Thank you, ladies.

Communion was offered during the Spanish Hour of Praise held Thursday afternoon. Alicia Perez played the guitar while Spanish speaking residents and visitors sang hymns. Residents enjoyed a short visitation afterward.

Winners in Friday morning's bingo games were: Juana Hernandez, Tomasa Ramos, Alice Ross, Monnie Boyd, Hazel McDaniel, Moriama Perez and Consuelo Sarabia. We would like to thank Doris Karr for assisting with the cards and seeing to it that no one went without popcorn.

Wheel of Fortune was played Friday afternoon, and Frances Davis was really on the ball. She won two of the games and walked away with the grand prize of a lovely beaded necklace to boot. Minnie Karr also solved one of the puzzles.

Sunday's worship service was presented by members of the First Baptist Church. Rayford Harris was the speaker, and Marlys Thurmond played the piano. Residents were delighted with the large number of visitors who attended.

Laken Villarreal wins Miss Glamour title in San Angelo

Laken Dawn Villarreal, 4-year-old daughter of Mr. and Mrs. Ismael Villarreal, was chosen Miss Glamour Oct. 14 in San Angelo's Our Diamond Miss Pageant.

A crown, banner and trophy were awarded to Laken with the title. She also received a trophy as first runner-up model.

The modeling competition consisted of personal interview and appraisal, casual wear and party dress.

Attending the event at San Angelo Country Club with Laken and her parents were brothers Charles and I. J., her aunt and cousins Olga Perez, Sandy and Stephen.

Friends of Library plan year

Friends of the Library held their fall planning meeting Oct. 11 at the library. At that time, plans were made to construct bookmarks for advertisement for the organization's business members. The bookmarks will be distributed from the library, and each business will be sponsored for a month.

The library is in need of a good used portable 19 inch color television to be used for showing video programs. A canister-type vacuum cleaner is also needed. If anyone wishes to donate either of these items, please call Louise Ledoux at the library, 392-3565.

Happy Birthday!

Oct. 18 - Maria Hernandez

Friends of the Library appreciate the memorials that have been received honoring friends and loved ones. Memorials can be made to The Friends of the Library at the Crockett County Library.

Members present at the meeting were: Marcille Long, Ginger Perner, Lou Deaton, Helen White and Louise Ledoux. The Friends welcome more Friends.

Where do I fit In?

Luke 15:1-10

Charles Huffman, Pastor
Faith Lutheran Church,
Ozona
Hope Lutheran Church,
Sonora

As with the rest of Jesus' parables, we try to identify ourselves with some of the characters involved in these two stories. That's because we try to answer the question: Where Do I Fit In? I'm sure many of us would say we are like the sheep or coin that was once lost but have now been found by our loving Savior. And there was rejoicing in heaven when that happened, as there always is when a sinner is brought to repentance. We continue to rejoice in what our Lord did to seek and find us in our lost condition; that He came and took the rugged, painful way of the Cross in order that we might be restored to the flock and household of our heavenly Father through the forgiveness of our sins.

But can we simply dismiss these 2 parables as describing something that happened to us 'Once Upon A Time, as if they have no present application in our lives. Notice that Jesus tells these stories to the Pharisees and Bible Scholars, 'church members' who argued that they didn't need to hear them. In fact, they grumbled against Jesus because He continued to seek and find the lost when they should

have been rejoicing and helping Him in His work of getting the lost found. Therefore, since our Lord has instructed His disciples to go and preach in His name to all people that they repent of their sins so that they can be forgiven (Luke 24:47-48), it seems our place in the parables ought to be with the shepherd and the housewife - taking part in the business of seeking the lost and getting them found.

And there are plenty of those around - lost sheep and lost coins. The difference between a lost sheep and a lost coin is that a sheep knows when it is lost. It has wandered off on its own until it suddenly realizes the spot it's in, and then is desperately longing to be found. We all probably know people like that - who seem to be looking for something, burdened with a load of guilt from which they cannot free themselves, who find themselves all alone in the world with a gnawing feeling of having lost their direction - people who are very aware that they are lost. On the other hand, a coin doesn't know when it is lost. It's satisfied to just lie there in the dirt, as happy as if it were in circulation and doing something. This seems to fit people who go through life blindly, assuming that everything's OK and that they've 'Got It Made'. Yet, like

the sheep that's wandered off, they are really lost - even if they don't realize it.

However, the important point in both parables is that somebody cares about what is lost. God cares! He loved the lost so much that He sent the Good Shepherd, who was willing to lay down His life for the sheep. God gave up His most priceless treasure in order to pay the price for the redemption of all who had ever been lost. And Jesus cared! Even while He was enduring the agony of crucifixion, where the crowd mocked Him and cried for His blood, Jesus prayed for their forgiveness (Luke 23:34). And His care and concern for the lost are still that great. So we who have been found by the grace of God should have the same attitude about those who are still lost. It may mean leaving behind the 99 other things that would claim our attention, like the shepherd. And like the housewife, it may mean letting our light shine in this darkened world, and sweeping away anything that would prevent us from getting down to the business of finding that which is lost.

This may be a difficult assignment, but our Savior says it is also a happy one. And He should know, for Scripture reminds us in Hebrews 12

that "for the joy that was sent before Him He endured the Cross, thinking nothing of its shame, and sat down at the right of God's throne". And in these parables, when the hard work had been done, both the shepherd and the housewife called their friends together and said: "Be happy with me, for I've found that which was lost". It was only because they cared enough to search for that which was lost that they were able to take part in that fellowship of joy. Something very blessed, very joyful happens when the lost is found. And heaven rejoices when a sinner is brought to repentance. So perhaps it is time to see our apathy, our neglect toward seeking and finding the lost for Christ - our grumbling, for what is really is: Sin. And that also means it is the right time to take another look at the seeking Shepherd, the sweeping Searcher - and recognize that His love is still great enough to find and forgive us; for the "blood of God's Son washes us clean from every sin" (1 John 1:7).

So if we can see ourselves in these parables as the Lost and Found, who still need repentance and forgiveness - if we can see the death and resurrection of Jesus Christ as the means by which God still seeks to restore us to His flock and household; then we will be able to take our place where we belong in this pair of stories - with the searching shepherd and the sweeping Housewife, finding the lost for Christ. And as there is "joy in heaven over one sinner who repents", may that joy begin today in each one of us.

Snips, Quips, & Lifts

By Lottie Lee Baker

When you feel dog-tired at night it might be because you growled and grumbled all day.

Why worry if your hair falls out? Suppose it ached and you had to have it pulled out like teeth.

Pursuing happiness would be a lot easier if everybody slowed down a little.

Hatred does a great deal more damage to the vessel in which it is stored than the object on which it is poured.

You will be happier if you will give people a bit of your heart rather than a piece of your mind.

Many a person's idea of heaven would be nothing to do and an eternity to do it in.

The frightening thing about heredity and environment is that parents provide both.

High-octane happiness is a blend of gratitude, service, friendship and contentment.

One nice thing about going home is that you don't have to make a reservation.

It takes a mighty honest man to tell the difference between when he is tired and when he is just plain lazy.

If folks had more patience, the hospitals wouldn't have so many patients.

The Gideons should send a Bible to those hotel authorities who determine the room rates.

Housework is something you do that nobody notices unless you don't do it.

There are two kinds of fishermen: those who fish for sport, and those who catch something.

By the time most people discover that good health is everything, they've lost it.

A henpecked husband washes the dishes - even when they use paper plates.

Never ask a hypochondriac how he feels unless you want to hear an "organ recital".

A LIFT FOR THE WEEK

Keep your ideals high enough to inspire you and low enough to encourage you.

League holds guest day

The Ozona Woman's League met for their annual Guest Day on Tuesday, Oct. 10, in the home of Cynthia Berry. Serving as co-hostess was Shane McKinney. President Nancy Vannoy announced that the Midland-Odesa Symphony and Chorale will hold a concert in Ozona on December 15, and Geniece Childress thanked league members for their support of the concert. Members were then treated to a program by Tommy Ridgeway, Jr., of Ridgeway Forist in San Angelo. He explained the arranging of fall flowers and offered various tips for keeping arrangements fresh. Several members and guests received the arrangements by correctly identifying various plants used during the program.

Members attending the meeting were Helen Bean, Tina Bean, Cathy Carson, Marilyn Chalmers, Becky Childress, Lou Deaton, Debbie Glasscock, Janis Graham, Karen Huffman, Carmen Sutton, Vicki Stokes, Benny Gail Hunnicutt, Jeanine Henderson, Camille Jones, Lisa Karnes, Shawn Mitchell, Susan McMullan, Barbara Malone, Luann Pierce, Susan Slaughter, Kay Stewart and Teri Williams. League guests were Geniece Childress, Marolyn Bean, Arlene Clayton, Lucy Humphreys, Shirley Kirby, Judy Probst and Beth Smith.

Singles club to hold forum

In these times of radical changes in relationships, a lot of men are saying, "I don't understand why she wanted a divorce. I thought we had a good marriage!" In order to try to present some insight into this problem, at 7:00 p.m. on Tuesday, Oct. 24, The Singles Club will have a forum entitled "Does anyone want to be a wife anymore?" at the chamber of commerce building. Pros and cons of being married will be discussed from the view points of both men and women. Some women want to try again - some don't!

We feel this discussion could help

promote a better understanding concerning the different expectations involved in a marriage. We would hope the men would contribute to the discussions by expressing their views and by asking the women discerning questions that would enable them to better understand marriage from the woman's viewpoint. The purpose for this discussion is to help ensure a more successful marriage the next time around - or the first time - whichever is the case.

The singles group invites all singles to come and contribute to what we feel will be a timely and meaningful discussion.

Covino to present program in Sonora

Internationally famous artist, author and master teacher Frank Covino will present a slide program and talk Saturday afternoon, Oct. 28, at 3 p.m. in Sonora at the Sutton County National Bank on Hwy. 277.

Mr. Covino's list of credentials and accomplishments includes earning a master's degree in art instruction from the Pratt Institute in New York, teaching in the Famous Artist School, and authoring seven books, three on art. He has his own art academy in Southport, Connecticut and has a series of video tapes on the market. He teaches like the old masters.

Anyone interested in fine art or anyone having any of these books,

The Fine Art of Portraiture, Discover Acrylics with Frank Covino and Controlled Painting, is invited to bring the books to be autographed and meet Mr. Covino.

Miss Hall, Mr. Walth marry in California

Lynette Rene Hall, daughter of Mr. and Mrs. Thomas E. Hall of Del Rio, and Michael J. Walth, son of Mr. and Mrs. John W. Walth of Simi Valley, CA, were united in matrimony Sept. 9, 1989, in Simi Valley.

Entering on the arm of her father, the bride wore a gown of white satin featuring a scoop neckline; the fitted bodice and long tapered sleeves were adorned with pearl-encrusted lace appliques. The gown had a dropped basque waist decorated with lace appliques that flowed into a gathered skirt with a sweeping cathedral-length train edged in lace appliques. The bride wore her grandmother's pearl necklace and her mother's pearl earrings.

A circlet of pearls accentuated with a spray of pearls and white iridescent flowers set off by a pouf formed her headpiece. The bride carried a cascading bouquet of white roses, baby's breath and fern greenery caught by a pink bow and ribbons.

Miss Barbara Walth, sister of the bridegroom, attended the bride. She wore a dress of pink satin set off by rows of ruffling around the dropped neckline and back. The fitted waist

was tied with a double-layered sash that accented the long full skirt. She carried a small cascade of pink roses and baby's breath caught by a white bow and ribbons.

Gary Merrifield of Simi Valley attended the bridegroom, and Juan Santa, also of Simi Valley, was the usher. They were dressed in tuxedos of pale grey as were the bridegroom and the bride's father.

Mrs. Hall, mother of the bride, wore a dress of pale pink satin with an overdress of pale pink lace. Mrs. Walth, mother of the bridegroom, wore a dress of pale lilac georgette and lace. Both mothers had pale pink orchid corsages.

A luncheon and reception followed at The Elephant Bar restaurant. Arrangements of fresh flowers decorated the tables. The cake was a three-tiered confection decorated with white whipped cream icing and pink roses and topped with white lace wedding bells.

A champagne toast to the couple was led by the best man.

The bride graduated from Del Rio High School in 1986 and attended Vogue College of Cosmetology; she is presently employed in that field.

The bridegroom is a 1981 graduate of Simi Valley High School; he is currently attending Embry Riddle Aeronautical University working toward a B.S. in professional aeronautics. He is an air traffic controller.

After a honeymoon trip to Lake Tahoe, the couple will reside in Simi Valley, CA.

Country Club Bridge news

Mrs. Rip Sewell was hostess for Country Club Bridge Oct. 12. Winning high score for the afternoon was Mrs. Tom Montgomery. Second high went to Mrs. Evart White, and Mrs. Oscar Kost won bingo.

Others playing were: Mmes. Clay Adams, George Bunger, Joe Friend, W. E. Friend, Bill Mason, Sherman Taylor, C. O. Walker, Charles Williams, Gene Williams, Joe Bean and John Hunnicutt.

Pandale Study Club meets

Maggie J. Banner, legislative assistant to State Senator Bill Sims, was the guest speaker for the Pandale Study Club Thursday, October 12, at the Pandale Community Center.

After presenting those present with copies of the booklet "Analyses of Proposed Constitutional Amendments" to be voted on November 7, Miss Banner gave a review of the last legislative session, an update on Texas River Legislation, and closed the program with a discussion on environmental issues. "Get involved", Miss Banner told her listeners, adding, "Your representatives need to hear from you".

Plywood cutouts of green saguaro cactus and lavender coyotes howling at the moon made a most unusual and attractive centerpiece for the serving table. More saguaro and lavender

jackrabbits were on the guest tables which were covered with lavender cloths. Punch, nuts, and cookies, some of which were saguaro (green) and howling coyotes (lavender), were served by hostesses Bonnie Womack and Ginger Perner, who also made the plywood decorations.

The business meeting was presided over by President Ginger Perner. Plans for the annual Thanksgiving program and dinner were finalized.

Members present were Sue Arledge, Lou Deaton, Opal Everett, Sara Hargraves, Myrtle Malone, Josephine Mills, Susan Mills, Ginger Perner, Louise Rowland, Bonnie Womack, and guests, Maggie Banner, of Austin, Sandy Banner of Sheffield, Sid Hoover of Ozona, and Henry Mills, Jr., Tom Everett and W. O. Mills, Jr., of Pandale.

Sue Arledge, Reporter

KayCee Ladies to meet at 7:30 this Monday

KayCee Ladies met Oct. 9 at the parish hall.

Refreshments were served to: Armenta Sanchez, Yolanda Tambunga, Janell Tambunga, Lynette Rodriguez, Chuckie Ybarra, Inez Ortiz, Elena Ybarra, Elma Buckner, Santiaga Borrego, Andreita Borrego, Patsy Gutierrez and Yolanda Martinez.

The next meeting will be held Oct. 23 at 7:30 p.m.

Visiting

Marlys and Carl Thurman have returned from an extended visit in Oregon. In July Marlys left for Oregon to be with her mother who was to have surgery. Carl joined her in August to help out. As Marlys' mother improved, the two were able to return home. En route home, they visited with daughters Donna Cahala and family of Mazula, Montana, and Kirsti Harnest of Tucson, Arizona.

Birthday lady at her home Oct. 15 was Donna Beth Davidson. Joining her with a relaxing and quiet celebration were daughters Barbara Walker and Anne Davidson.

Bessie Barron has returned home from a trip to Silverton, Colorado. Bessie described the country as beautiful though her trek on the "Million Dollar" highway was a bit leery. Before returning to Ozona, Bessie stopped to visit her mother, Mary West, of San Angelo. Although the trip was enjoyable, Bessie is glad to be home.

Former Ozonans Alex and Leticia Castenada were in town last weekend

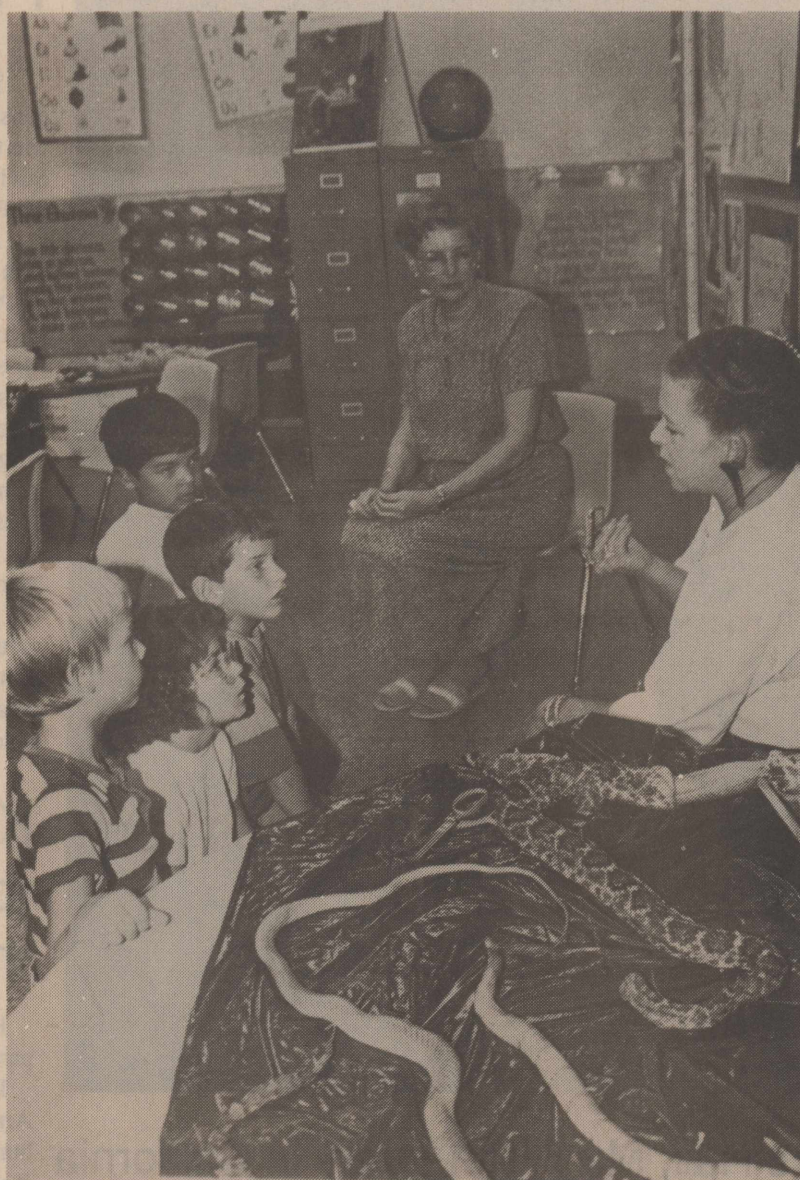

to visit with Gabriel and Alma Longoria. Grandmother Alma was searching for the grandchildren's special food requests - spaghetti and meatballs.

Shawna McCary of Fort Worth visited her father and brother, Johnny and Jimmy McCary, and grandmothers Jessie McCary and Katy Maney last weekend. Shawna is employed at a decorator frame shop in Fort Worth.

Elvira Martinez recently traveled to Menard to observe the Jim Bowie days' celebration. Making the event more enjoyable was T.V. coverage which included film footage with Elvira in it. That will be one day Elvira will recall for some time.

JoAnn Williamson celebrated her special day Oct. 16. Happy birthday, JoAnn.

Bob and Toi Love of Mountain Home were weekend visitors in the home of Toi's parents, Mr. and Mrs. R. B. Babbitt. Bob is a weekly reader of The Stockman and in a subtle manner remarked that he had never seen his visits in the paper. We're glad to know you two were home.

Mrs. Wallace's second grade class was captivated with Jan Lott's presentation on snakes last Thursday at the Ozona Primary School. She explained the different uses for snakes including medicine, belts, boots, belt buckles and the meat for eating. Students pictured with Mrs. Lott are (front to back): Coy James, Amanda Hignight, Clay Richardson and Robert Quiroz.

To the Editor
c/o The Ozona Stockman

Dear Editor,

Several years ago I lived here in Ozona and then moved away. Recently I moved back again.

There was a lady who ran a small day care center. Her name was Sharon Hartnett.

I hear she is no longer in the day care business.

Sharon, if you read this, please consider coming back into the business. We need a responsible day care here in Ozona.

Maybe if all the people who need good day care will let her know she would reconsider and open a much needed day care center. Sharon, are you listening?

Thank you,
Debbie Allen

Dear Editor:

In response to the recent letters concerning the conduct of children at sports events, more than likely the parents of these kids will not come forth. These same parents will be the first ones trying to sue the school when their unsupervised child gets injured at a game.

Yes, we realize that kids will be kids and it is almost impossible to keep them motionless for long periods, but the parents should also be parents and make an attempt to teach kids to be considerate of others. The building of a playground at football stadiums is not the answer, as they would still need to be supervised. The commissioners or school board should take this matter serious, the same way they are now enforcing the no double parking and no alcohol at school events

rule.

One solution if it can be done legally would be to identify the kid's parents and send them a letter advising them of the child's conduct. After certain warnings maybe the child should be prohibited from attending sports events unless accompanied by a guardian/parent.

The fact is, something should be done before the thought of seeing a child tumble from the stands and get seriously injured becomes a reality.

From Concerned Citizen Who Does Not Enjoy Seeing Children in Hospitals

Dear Editor:

Concerning the article on Teams test scores in the 2nd section, 2nd page of the Ozona Stockman.

First, I was appalled that Ozona Schools ranked only 6.3 percent above schools rated problem campuses and lowest in our area.

Second, I was shocked that it didn't make front page headlines. Everyone needs to be made aware that the future leaders of Ozona are among the lowest knowledge wise in this area so something can be done about it.

Third, I hope our school board does some deep thinking and questioning of area schools about their teaching programs so that we may improve our children's education on the scholastic level.

Fourth, the last paragraph did nothing to improve our level, it only pointed out that one school we know was lower, to try to make us feel better.

Thank you,
Lou Deaton

WTU Christmas program Oct. 30

A sure sign of Christmas approaching is the annual West Texas Utilities Christmas program by Electric Living Consultant Darolyn Moore.

This year's program, sponsored by the Progressive Extension Homemakers Club, will be held Monday, Oct. 30 at the Crockett County Civic Center.

Times for the program are noon and 5:30 p.m., according to Beth Boyd, chairman of the Progressive Homemakers.

All Crockett County residents are invited to the program, which will feature unique holiday recipes and gift ideas. Each person who attends

the event will receive a WTU cookbook featuring the dishes displayed at the program.

4-H Foods & Nutrition project members are also preparing some of the recipes for tasting as part of their community service activities in their project.

There is no cost to attend the program, and it is open to everyone in the county, regardless of age, socio-economic level, race, color, sex, religion, national origin or handicap.

For more information contact the Crockett County Extension Office at 392-2721.

Amnesty classes offered at OHS

Ozona residents and other individuals who live in the vicinity of Ozona are reminded that the local school district is sponsoring a free English-as-a-Second Language (ESL)/amnesty class for adults who need help in learning to speak, read or understand English or who need to obtain their permanent residence through participation in the federal amnesty program.

The ESL/amnesty class is funded through the San Angelo Adult Basic Education Cooperative, of which the local school system is a member.

Registration for the class was held Wednesday, Oct. 11, with eight people in attendance; however, the class needs to have an average attendance of 10 individuals each evening in order to operate and be eligible for federal funding.

The class is taught by Mr. Thomas DeHoyos in Room 215 in the Ozona Heritage Building each Monday and Tuesday evening from 6 p.m. until 8:30 p.m. Interested individuals may still register for the class by calling Mr. DeHoyos at 392-2349.

Card of Thanks

May the Sacred Heart of Jesus be adorned, glorified, loved and preserved throughout the world. Sacred Heart of Jesus pray for us, St. Jude Worker of Miracles, pray for us, St. Jude Helper of the hopeless, pray for us.

Thank you St. Jude for answering my prayers.
Pete

Absentee voting by personal appearance begins Nov. 7

FOR MEMBERS & GUESTS

To all customers of Southwestern Bell Telephone Company:
Public Notice
Southwestern Bell Telephone Company hereby gives notice that on August 29, 1989 the Company filed an application with the Public Utility Commission (PUC) of Texas to revise its Texas intrastate Digital Link Service Tariff. This application proposes to restructure the rates for MICROLINK IISM - Packet Switching Digital Service to establish uniform rates for the service in each of the market areas where it is offered within the State and to expand the service to an additional nineteen (19) Primary Market Areas (PMAs).
MICROLINK IISM - Packet Switching Digital Service is for business customers with interactive data transport requirements who are located within the Abilene, Amarillo, Austin, Beaumont, Brownsville, Corpus Christi, Dallas, El Paso, Houston, Longview, Lubbock, Midland, San Antonio, Waco, or Wichita Falls Local Access and Transport Areas (LATAs). This service utilizes several existing network services in combination with packet switching capabilities. A MICROLINK II Primary Market Area is the service area from which subscribers may reach public dial access to the service by dialing a local seven digit number. The twenty-four (24) PMAs that will be affected by this filing are: Abilene, Amarillo, Austin, Beaumont, Brownsville, McAllen, Harlingen, Corpus Christi, Victoria, Dallas, Fort Worth, El Paso, Houston, Galveston, Laredo, Longview, Tyler, Lubbock, Midland, Odessa, San Antonio, Waco, Temple, and Wichita Falls.
The PUC has assigned this matter to Docket No. 9034. It is estimated that the proposed rate changes and the addition of the nineteen (19) Primary Market Areas will increase the Company's annual revenues during the first year the proposed changes are in effect approximately \$140,000. For additional information regarding MicroLink II Service or this filing, please contact Southwestern Bell Telephone Company's Marketing Organization on 512-222-5808.
Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. The Commission has established an intervention date of November 27, 1989. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. George Ybarra #22 carrying the ball for a Lion touchdown against the Forsan Buffaloes in their first district game. The Lions defeated the Buffaloes 15-10 and meet the Eldorado Eagles Friday night in Eldorado.
photo by Scotty Moore

Lions win district opener against Forsan Buffaloes

By Michael Vasquez

The Ozona Lions defeated Forsan Buffaloes in a 15 to 10 district victory in Lion Stadium Oct. 13.

The Lions soon gave the ball to George Ybarra who ran it in for the first score of the evening. Ruben Borrego kicked the extra point.

In the second quarter the Forsan Buffaloes made a field goal to make the score Ozona 7, Forsan 3.

Soon after, Forsan came back to score again.

The Lions made a drive which ended when they fumbled the ball at the 15 yardline.

Lion defense surprised fans when, in the very next play, they hit the Forsan quarterback behind the goal line to score a safety. This made the score Ozona 9, Forsan 3.

Ozona soon came back strong, giving the ball to Ybarra who ran it in for another touchdown.

The halftime score was Ozona 15, Forsan 10.

The Lions battled it out with the Buffaloes in a scoreless second half. The score remained Ozona 15, Forsan 10.

The Lions will be in Eldorado Friday night for their second district game.

Eldorado is 1-5 for the season and 0-1 in district play. Ozona has a 5-1 season record and is 1-0 in district play.

Other district teams and their standings are: Forsan 1-5, 0-1; Winters 3-3, 0-1; Reagan County, 4-1, 1-0; and Wall 5-1, 1-0.

Lonnie Martinez #33 catches this forward pass from quarterback Chris Denman for good yardage against the Stanton Buffaloes.

J.V. falls to McCamey 26-12

By Michael Vasquez

The Ozona Junior Varsity offense came up short Oct. 12 against the McCamey Badgers in a 26 to 12 defeat.

The Badgers scored early in the game. Ozona attempted to score, but failed.

McCamey scored twice more in the second quarter, making the halftime score Ozona 0, McCamey 20.

In the third quarter, quarterback

Adam Alba handed the ball to Marcus Quiroz who ran it in for a touchdown. This made the score Ozona 6, McCamey 20 with 8:20 remaining.

McCamey scored again in the third quarter.

Ozona came out with 2:30 in the fourth quarter to score on another carry by Quiroz.

The final score was Ozona 12, McCamey 20. The JV Lions will have an open week this next week. Their next game is Oct. 26 in Eldorado.

Cubs pound McCamey

by L.L. Tucker

The Ozona seventh grade Cubs stayed victorious by pounding the McCamey Badgers 26-6 last Thursday. The Cubs grounded out 179 yards rushing and returned a kickoff for a touchdown to bring their record to 4 wins and 0 losses.

It didn't take long for the seventh grade Cubs to score, but as for the Badgers it wasn't until late in the game.

Fay opened the second quarter with another touchdown run. The drive took 9 plays and 36 yards. Fay plunged for four yards and Gerald Ortiz picked up a first down at the Ozona's 25 yard line. Fay and Ortiz each added another first down after an incomplete pass. It took the Cub's four plays from the 2 yard line before scoring. The extra point attempt failed leaving the Cubs with a 12-0 lead.

The Cubs weren't able to score again, but the Badgers were. They scored 12 points in the fourth quarter to tie the game. The Badgers' last touchdown came late in the fourth quarter leaving little hope for the Cubs to score again.

All of the fourth quarter action started when McCamey recovered a fumble on their own 26 yard line with 6:08 left. Five plays later the Badgers narrowed the margin to 6-12. The extra point failed. With 2:16 remaining in the game, McCamey came up with another Cub fumble and marched 33 yards for the tying score.

Fay ran seven times for a total of 91 yards. Bart Grimes led the Cubs with 14 tackles. Daniel Caldera and Juan DeLuna added ten and eight stops respectively.

"The eighth grade just took them too lightly," said Coach Cooke. "Coahoma wanted to come down and play us. So they must be good to come all this way to play us."

The Ozona Cubs will host the Coahoma Bulldogs Thursday. The seventh grade will start about 5:30 and the eighth will get underway about 7:00.

second quarter. Anthony Sanchez scored with 4:58 left in the first quar-

ter on a nice 60 yard run. The two point conversion made the score 8-0.

The Badgers lost a fumble on their first possession, but came back to drive 70 yards in 11 plays for their only touchdown the second time they had the ball. The pass attempt for the extra point failed, leaving the Cubs with an 8-6 lead.

Julio Martinez received the kickoff from the Badgers and wasted little time getting the six points back for the Cubs. Martinez ran it back for a touchdown with 1:05 left in the second quarter. Sanchez scored the two extra points.

The score stayed at 16-6 until the end of the third quarter when McCamey found themselves forced to punt from their own three yard line. Instead of punting, the Badgers decided to give up a safety and two points making the score 18-6 in favor of the Cubs.

Martinez returned the kickoff to the Cubs' 45 yard line. Six plays later, with 5:10 left in the fourth quarter, J. J. Lazano scooted 17 yards for Ozona's last touchdown of the game. Lazano also scored the extra points.

"The seventh graders are getting better each week," said an enthused Coach Cooke. "If we don't lose too many with (academic) grades, we will continue to do well."

Doug Meador, Lazano, and Martinez each had four tackles. Sanchez rushed for 84 yards on 3 carries, while Lazano contributed 54 yards with 8 tries.

The eighth grade Cubs found the going not so easy as they struggled to a 12-12 tie with the Badgers. They had beaten the McCamey squad 21-0 last year. The Cubs remain undefeated with 2 wins, 0 losses and 2 ties.

Sammy Hinoztroza returned the opening kickoff to the Badgers' 33 yard line. Mike Fay picked up 17 yards on two carries, and Hinoztroza moved the ball to the Ozona's 44. Fay took the hand-off from Keith Miller and out-ran the defense for the Cub's first touchdown with 6:35 remaining in the first quarter. The attempt for the extra point failed.

Intermediate School news

by Shelly Sullivan - Sept. 25-29

The Ozona Intermediate School had a Book Fair in September. The school sold all different kinds of books as well as scissors, bookmarks and posters. The books were very good, some short, some long. We made a lot of money. With the money we are going to buy encyclopedias for our school.

Oct. 16-17

Mrs. Glasscock will be attending a Gifted and Talented training course Monday and Tuesday in Austin, Texas.

by Tonya Petty - Oct. 8-14

Last week was fire prevention week at Ozona Intermediate. Every-

one has made colorful posters about fire prevention. Third, fourth and fifth graders will have winners. Some of the winning posters will go to State. There, they will be judged again. Come and see the colorful display of posters at Ozona Intermediate.

Oct. 9-26

Kids have been going around knocking on doors to see if you would like to pledge for Super Spellers. Well, I'm going to tell you more about it. The American Lung Association will give all the students a hundred word spelling test. Students have been going around to see if you would like to pledge per word or a flat donation. All money earned will go to the American Lung Association. All students will take the test Oct. 23, 1989. The students will be taking pledge money Oct. 26, 1989.

STOCKMAN DEADLINE:

All news, classified and display ads must be in our office by 5 p.m. Monday for Wed. publication in the Ozona Stockman

Marching contest Oct. 28

By Sarah Pullen

On Saturday, Oct. 28, the Ozona High School Lion Band will be competing in district marching contest in Brady. Although the time at which the band will march is still undecided, it should be made public within the near future.

During the contest, the band will perform three tunes. The first song is a march entitled "Socorro". During this song, two freshmen, Stacy Grendahl and Hollie Williams, will be featured playing their french horns. "O Susannah" is a percussion feature that is next on the lineup of songs to be played.

The flag corps will be featured with

their umbrellas in the next tune called "Here's That Rainy Day". During this song, the band uses a glide step and forms an umbrella. Freshman Billy Trammel plays a solo in this piece. The final tune is "Mustang".

In order to help the band this year, the Band Boosters purchased video equipment. The Friday night halftime shows are recorded, and on Mondays, the band watches the videos in order to find their mistakes and correct them.

The twirlers are also going to enter the UIL twirling solo contest. Local spectators will be allowed in the gym only to watch Amy Graham and Misty Fowler, who are the OHS twirlers, perform their solos.

Fire Prevention Week Poster Contest Winners

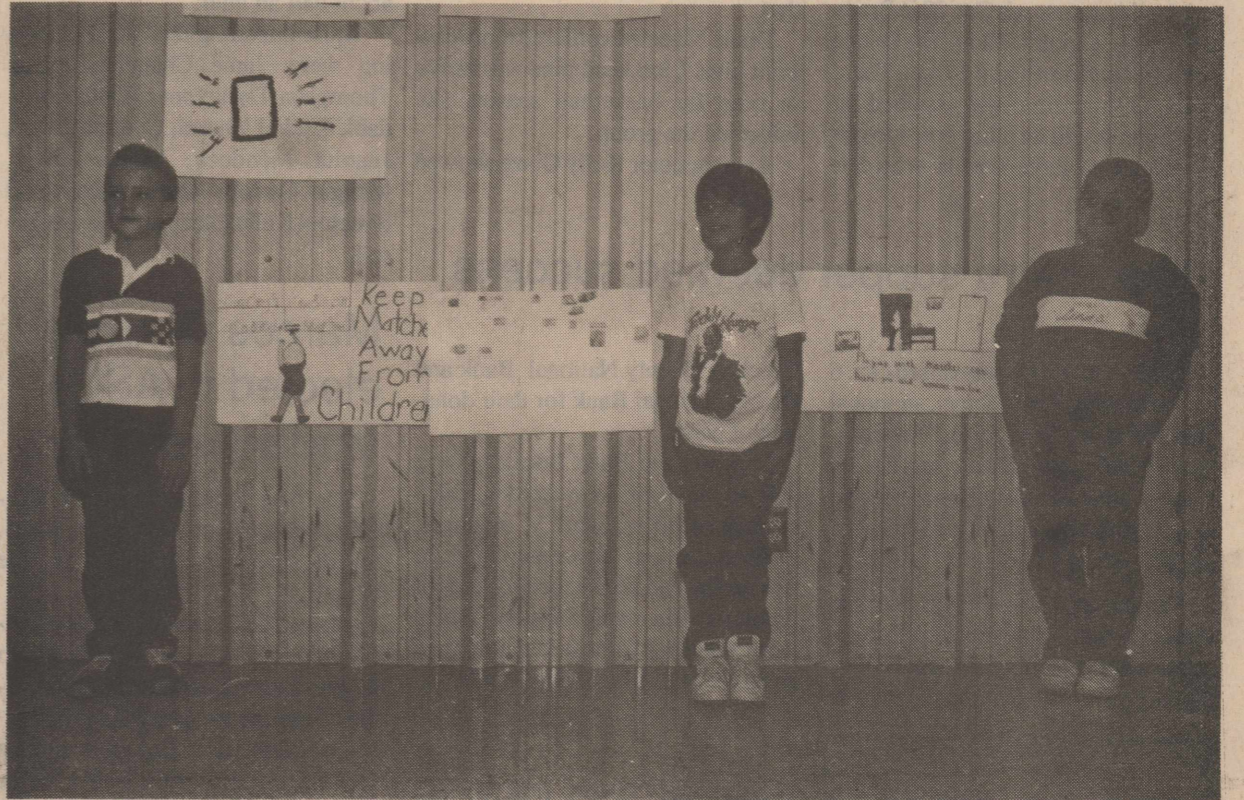

Fifth grade winners were (left to right) First place and Best of School to be sent to contest winner was Sara Harrison, second - Lando Pena-Alfaro and third - Gienna Mae Ross.

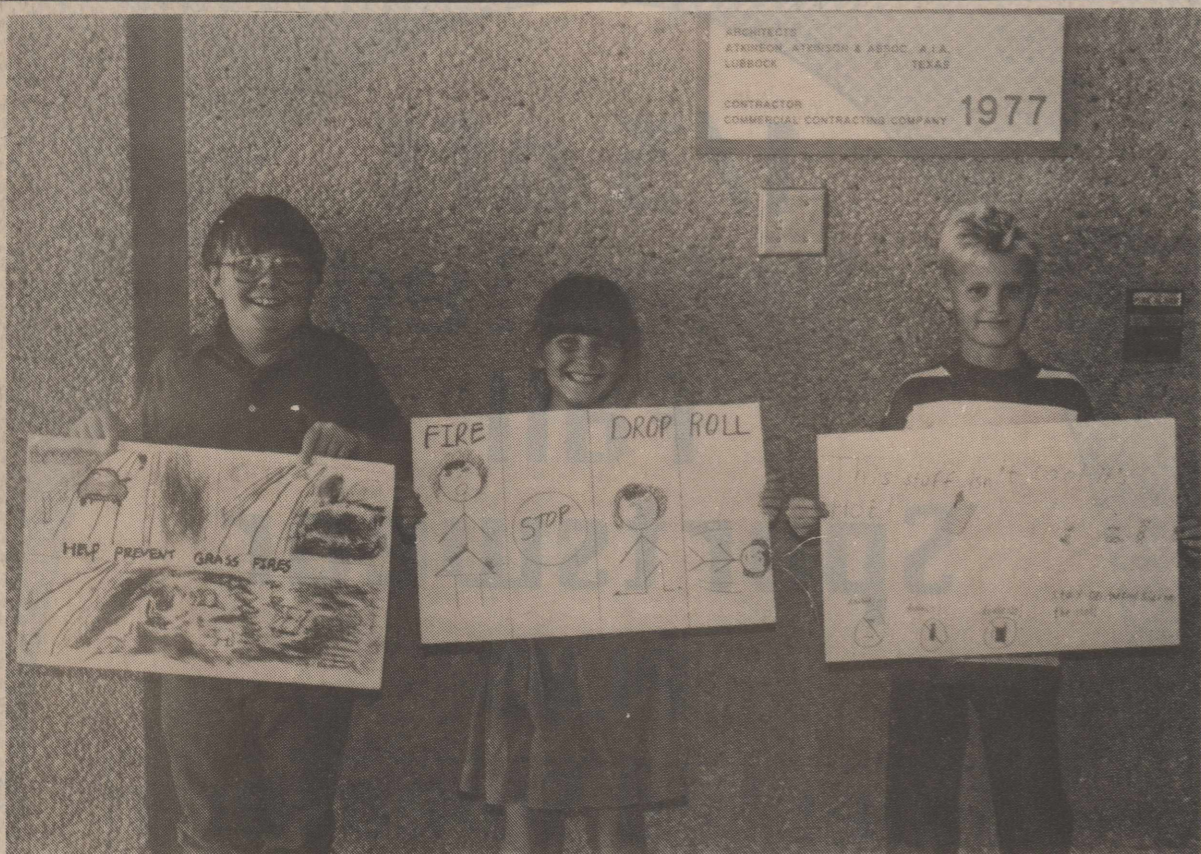

Special Education winners were (left to right) First place (not pictured) - Pablo Reyes, second place - Darrell Cladera, and third place - Crystal Smith.

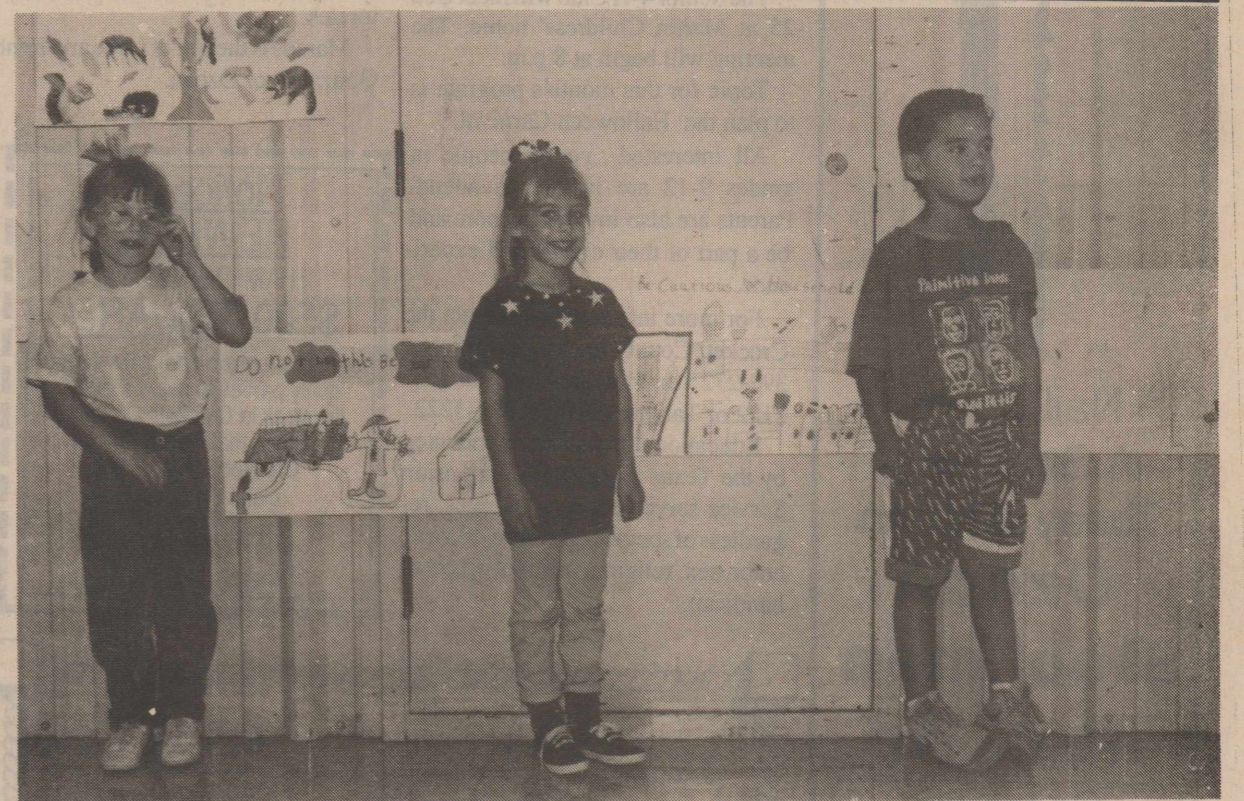

Intermediate School Special Education winners were (left to right) First - Sammie Rodriguez, second - Justin Weddle and third - Sheila Yates.

Second grade winners were (left to right) First place - Ty Porter, second place - Manuel Rodriguez, and third place - Mario Barrera.

Third grade winners were (left to right) First - Allan Graham, second - Sara Mayfield and third - Brad Sullivan.

First grade winners were (left to right) First place - Kandra McIntyre, second place and division winner which will be sent to state competition - Codi Richardson, and third place - Josh Tambunga. Note: the division winning poster must meet strict contest specifications.

Fourth grade winners were (left to right) First - Tara Pearl, second - Wesley Bean and third - Lauren Wilkins.

Kindergarten winners were (left to right) Third place - Jordan Webster, second place - Nat Hernandez, and first place - Leeann Ybarra.

Ozona Primary School kindergarten students studied the letter "N" before visiting The Ozona Stockman to lean about newspapers. Adults accompanying the group were Rita Hensley, Dena Porter, Kathy Reavis, Jane Richardson and Tommie Pena-Alfaro.

Band Boosters view halftime show

Twelve persons attended the Band Booster meeting held Oct. 11 in the band hall. President Nancy Moore presided over the meeting and gave a report on the Poor Man's Supper. Marching contest is Oct. 28 in Brady at the high school stadium. The Ozona band will perform about 11 a.m. There is no definite time slot assigned at this time. It will be a big boost to our students if a large Ozona crowd is

there supporting them. Musical note yard signs for the high school students are done and in yards. Two signs need to be redone, and Janie Chandler will take care of that. Diane Myers has ordered more paw print pins. Lion head pins will arrive in time for basketball season, she informed the group. Band director Kelly Glaze showed

a tape of the previous halftime show using the new equipment purchased by the Band Boosters' Association. The next meeting will be Nov. 8 at 5:45 in the band hall. Meetings last about half an hour. Those attending the Oct. 11 meeting were: Janie Chandler, Jeanie Thompson, Darla Jones, Kathy Grendahl, Rachel Ybarra, Cynthia Berry, Juanita Mendoza, Diane Myers, Maggie Carroll, Nancy Moore and directors Kelly Glaze and Norm Carroll.

Poor man's supper deemed success

More than \$1,000 was raised Oct. 6 from the Poor Man's Supper, an annual Band Booster fund raiser. Approximately 360 persons were served, reports booster president Nancy Moore. "We couldn't have done it without the support of the community," she said. Thanks are extended to the students for selling tickets and to band parents for donating and working at the supper. A special thanks goes to

Crockett County National Bank and Ozona National Bank for their donation of beans. Recently the Band Boosters were able to purchase a camcorder, video cassette recorder, two T.V. monitors, a tripod, camera lenses and accessories for the band from the proceeds of previous Poor Man Suppers. Funds were also used for musical note yard signs for high school band students.

Marcos Gonzales elected to ASU student senate

The Angelo State University Student Senate met on Monday, Sept. 15, to fill seven vacancies within the Senate. Marcos C. Gonzales, junior education major from Ozona, was elected to fill one electoral seat for Electorate B, the electorate for education majors. The Student Senate serves as a legislative branch of the student body. It is officially recognized as the primary forum of student opinion on campus. The Student Senate is composed of 25 senators elected in electorates. Marcos is the son of Lupe and Irene Gonzales of Ozona.

Senior 4-H club to meet Oct. 25

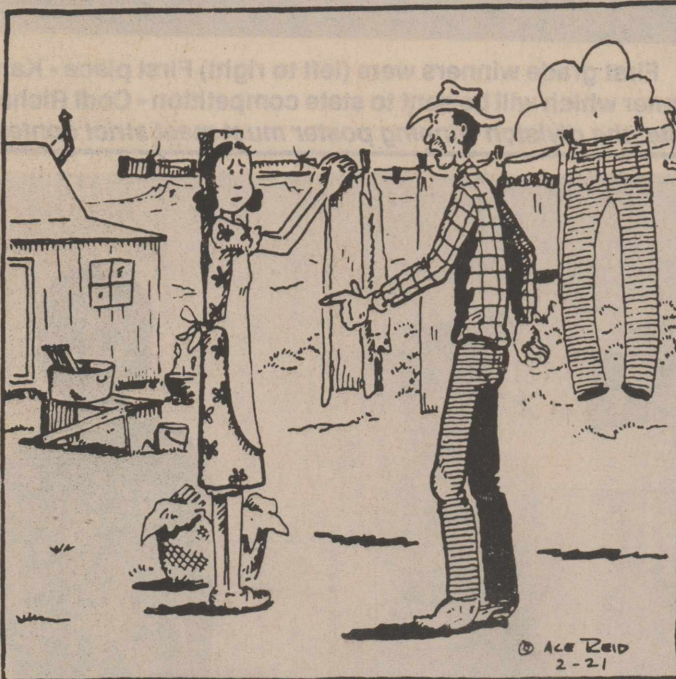

The Senior 4-H Club will meet Oct. 25 at Martin Childress' home. The meeting will begin at 8 p.m. Topic for this month's program is to plan the Halloween Carnival. All interested young people in grades 9-12 are invited to attend. Parents are also invited to come and be a part of their child's 4-H experience.

For more information, contact the Crockett County Extension Office at 392-2721 or Margaret Jones at 392-2122 or Tammy Arrott at 392-3222. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or handicap.

Notice of REWARD
I AM OFFERING

THE BAGGETT AGENCY

Trustees plan track repair

The Ozona School Board held its regular monthly meeting Tuesday, Oct. 10, and voted to issue a call for bids on refurbishing the all-weather running track at the school stadium.

The track, used not only by student athletes but also by many local residents who run or walk for exercise, will be cleaned of all dirt, grease, oil, stains and all other foreign materials. All cracks and low or worn spots will be repaired with compatible rubberized materials prior to primer being applied to its surface. Improvements to the track will require two coats of resaler, which will also be applied to the high jump pad, pole vault, and long jump runway.

Parent study skills workshop Oct. 24

Ozona Junior High will be conducting a parent study skills workshop to be held on Tuesday, Oct. 24, from 7 to 8 p.m. in the junior high cafeteria. All interested parents are invited and encouraged to attend.

Items for discussion are: improving study skills habits, teaching responsibility and dependability, encouragement of students, conferences with students and parents, and tutorials.

Sanchez accepted in Cadet Wing

Mark D. Sanchez has been officially accepted into the U.S. Air Force Academy's Cadet Wing as a member of the Class of 1993.

The acceptance followed six weeks of rigorous basic training at the academy in Colorado Springs, Colorado. Cadets learned and practiced military customs and courtesies, drill and physical conditioning, tactical exercises and the firing of weapons.

The academy is a four-year educational institution graduating men and women to serve as career Air Force officers. In addition to military training, the academy offers athletics, and an academic curriculum which includes engineering, basic, and social sciences and the humanities.

The cadet is the son of Mr. and Mrs. Ramon Sanchez of Ozona. He is a 1988 graduate of Ozona High School.

"The average life-expectancy of any track before rescaling is about five years, and we are at this point now," said Supt. Garland Davis during his explanation of the track's present condition. "Hopefully, we can award a bid at our November meeting and complete the refurbishing before winter begins."

The board issued a call for bids on the purchase of a new truck for the district's vocational agriculture program and the sale of a 1982 Chevrolet which has been used in the driver's education program, and they honored a request made by the Crockett County Historical Society for permission to use the high school auditorium for the purpose of bringing the Midland Symphony Orchestra to Ozona for a winter concert. A tentative date of Dec. 15 has been set for the program, and both an afternoon concert by a brass ensemble and an evening program for the community by the full orchestra is in the planning stage at

this time. The 1989-90 Ozona Textbook Committee was approved during the evening meeting. Members of this committee are: Garland Davis, Ted Cotton, Ellen Lipsey, Deborah Glasscock, Alicia Gonzales, Manuela Rodriguez, Lloyd Winkley, Renee Schulze, Bettye Hoover, Kelly Glaze, Rose Williams, Gene Hood, Frank Reavis and Rube Pena-Alfaro.

New textbooks up for adoption in the district this year include the following: band, grades 4-12; health, grades 4-8; life management skills, grades 7-8; home economics, grades 9-12; composition and language, grades 1-8; algebra I, trigonometry, algebra II, geometry and world history.

Trustees also voted to accept a 1982 Ford Escort which was recently donated by Mr. and Mrs. Neal Ulmer. The car will be repaired as a class project by the vocational automotive class.

College night program

On Tuesday, Oct. 31, the seniors of Ozona High School have been invited to attend the San Angelo Central High School's College Program. The program this year will be conducted from 4-6:30 p.m. on the Central High School campus.

This will be the second year that Jack Probst has taken a group of seniors to the San Angelo program. Last year a group of about 10 seniors made the trip.

"We have high hopes of more students taking advantage of this opportunity in 1989," Mr. Probst said. "We realize that many students have previous school engagements or activities, but still hope for a larger group this year."

Central has 70 different college, technical and military representatives committed to the program as of Oct. 1. Mrs. Fiveash, Central counselor, feels they will have 10-15 more by the time the program is finalized.

Mr. Probst will drive a bus to San Angelo for local students and return to Ozona shortly after the program is completed. Those seniors who are

interested and can work the trip into their schedule should go by the office and sign up for the trip.

•Making the grade..... (Continued from page 1)

Maldonado said. Students will be encouraged to invest in the company and buy shares as a means of helping fund their higher education.

Business ethics and development of leadership capabilities will be a part of the program. "We hope to eliminate problems by giving youth something to do," Maldonado said.

An increase in juvenile crime figures in Crockett County from two subjects who went through the court system with some prosecution involved in 1987 to three in 1988 and 10 to date in 1989 may be because of the current juvenile crime system, said Orlando DeHoyos, county attorney.

In 1988, the projected number of juveniles in Crockett County was 578, and 25 were reported to law enforcement agencies. This year there have been 33 such reports. Locally, the percentage is similar to that of Tom Green and Pecos Counties.

The consensus of DeHoyos' group was that the statistical data has shortcomings in that it only includes incidents reported; it has no way of including incidents not reported or not detected.

In order to avoid stigmatizing youngsters in trouble, teen crime is referred to as delinquent conduct or child in need of supervision, DeHoyos said.

At the conclusion of the reports, task force members and interested citizens divided into groups for further 30 minute discussions of topics. "We realize we're not going to solve

these problems tonight," said moderator Vannoy as he invited constructive comments from individuals not a part of the task force.

Other reports given during the evening by Pleas Childress, Kathryn Mayfield and Steve Wilkins outlined work done through the Crockett County Extension Program Council in the areas of water conservation, home economics and 4-H during the past year.

Council chairman Dan Pullen announced that Elliott Barrera and Pleas Childress would be chairman and vice-chairman for the coming year and thanked Beth Boyd for her many years of work with the council.

"Billy and I are thrilled at the response of the community," said Tedra Ulmer, County Agent, Home Economics, speaking for herself and Agent Billy Reagor.

"Although this is only the tiny first step to combating the problems teens face, we feel it is very positive. Obviously we can't solve such serious problems overnight-but we can make a start and give it our best.

"We're appreciative of the many hours our task force chairmen and members put into preparation for the meeting.

"We want to encourage anyone who has any suggestions or would like to help in any way to contact the Extension office. We hope to incorporate some of the suggestions into our long-range planning efforts for the 1991-1994 period."

TEAMS average down

Ozona schools' percentage of students passing all portions of the TEAMS test in the 1988-89 school year was down two points from the previous year according to a report from the Texas Education Agency.

Of the 315 students tested last year, 209, 66.3 percent passed all portions of the test. In the 1987-88 school year, 68.3 passed all portions.

In 1988-89, 70 of the 105 juniors and freshmen tested passed all tests. This amounts to 66.7 percent, an improvement of 8.9 percent over the 57.8 percentage passing in 1987-88.

A total of 50 junior high students passed all portions of the test last year. There were 69 tested. The 72.5 percent passing was a drop from 79.2 percent passing in 1987-88. The test is given to seventh and fifth graders.

At the intermediate level, 89 of 141 children tested, 63.1 percent, passed all portions of the test. This was down from the 70.8 percent passing all portions of the test in 1987-88.

The state average of students passing all portions of the test is 72 percent. The average percentage passing all portions of the test is 61.5 for all Texas schools with 50 percent

or more Hispanic.

Crockett County Schools for the current year are 61 percent Hispanic, 38 percent Anglo and one percent other.

The examination tests basic knowledge of math, reading and writing. The version of the test given to juniors must be passed before a student can receive a high school diploma.

Mr. and Mrs. Nat Hernandez and Ernie, Mr. and Mrs. Jon Moran and Dana were in Bracketville Sunday to attend the infant baptism of Anna Marie Hernandez. Anna Marie is the daughter of Mr. and Mrs. Victor Hernandez and granddaughter of Mr. and Mrs. Nat Hernandez.

Sheriff's Report

Week Ending 10-17-89

SPECIAL

On 10-15-89, Zachary Harrison (age 11) and Adam Carroll (age 11) brought a lady's wallet to the Sheriff's Office. The wallet contained \$45 and numerous credit cards belonging to Mrs. Laura Lynn Dixon of Houston. Mrs. Dixon later contacted the Sheriff's Office to report the missing wallet. She was amazed to find out that two boys had turned in her property and the money. She instructed the Sheriff's Office to use some of her money to pay the postage needed to mail her wallet to her, and to split the rest of the money between the boys as a reward.

The Crockett County Sheriff's Office wants to publicly commend Zachary Harrison and Adam Carroll for their honesty and good citizenship.

ARRESTS:

10-10 Juan Manuel Garcia, age 33, of Ozona was arrested by THP on charges of driving while intoxicated. He was released on 10-11 after posting bond.

10-11 Oscar Lopez-Sanchez, age 45, of Ozona surrendered to the Sheriff's Office to begin serving a 5-day sentence for driving while intoxicated after being found guilty in County Court.

10-13 Doyle West Easterwood, age 40, surrendered to the Sheriff's Office to begin serving a 3-day sentence for driving while intoxicated after being found guilty in County Court.

10-14 Armando Trevino, age 17, of Ozona was arrested by THP on charges of driving while intoxicated. He was released on 10-16 after posting bond.

10-14 Jimmy Hohertz, age 19, was arrested by Sheriff's Deputies on charges of criminal mischief. This

felony case will be referred to the Crockett County Grand Jury.

10-14 29-year-old Omero Flores of Ozona was arrested by sheriff's deputies on a warrant charging him with assault. The arrest resulted from an earlier domestic disturbance.

10-15 35-year-old Ejinio Longoria Martinez of Ozona was arrested by THP on charges of driving while intoxicated. He was released on 10-16 after posting bond.

10-16 35-year-old Terry Lee Manuel of Galveston was arrested by THP on warrants out of Galveston County. He was later released after posting bond.

INCIDENTS:

10-14 Sheriff's deputies investigated a disturbance in the 200 block of Ave. F. Jimmy Hohertz was found to be intoxicated and was tearing up the trailer at this location. He was placed in county jail on charges of criminal mischief.

10-16 Bill Crawford reported the theft of three car batteries and a radio scanner from his garage on 11th Street. Sheriff's deputies are investigating the theft.

Card of Thanks

Thanks to Almighty God for answering our prayer and Thanks to St. Jude for interceding for us in our need.
Sulema

Card of Thanks

We would like to thank you for the prayers, visits, cards, phone calls, flowers and our neighbors who mowed the lawn while I was in the hospital. Also, those friends who put up the flag pole in our yard. Thank you, may the good Lord repay all your kindnesses.

PARACHUTES TO GO AROUND! This Arizona skydiving team made an unscheduled stop in Ozona Sunday when the right engine of their DC-3 aircraft developed a bad oil leak and had to be feathered.
photo by Scotty Moore

Sky diving team makes unscheduled stop in Ozona

An old DC-3 twin engine plane carrying a twenty-person skydiving team from Coolidge, Arizona made an unscheduled stop in Ozona Sunday, Oct. 15, when its right engine developed a bad oil leak. The pilot stated, "we had to shut down the right engine when it began losing oil and

were unable to completely feather the prop due to low battery voltage." The skydivers, two women and 18 men, were in route back home to Coolidge near Phoenix after competing against 9 other teams at League City.

The Arizona divers and pilot all

commented that the Ozona Airport was extra nice and the hospitality of Mary Jo and Jim Hearne, airport managers, was just great.

Repairs were made and the group proceeded on their way back home, parachutes and all.

Crockett County juvenile statistics

The Crockett County Sheriff's Office and the Crockett County Juvenile Probation Office have released the statistics of juvenile cases and investigations for the first half of 1989. Due to Texas law, specific juveniles cannot be named and specific cases cannot be discussed. However, the following figures and offenses reflect the county's efforts in this important segment of law enforcement.

From Jan. 1, 1989, to June 30, 1989, the Crockett County Sheriff's Office investigated and handled the following juveniles: two runaways (children

from out of state); one assault with bodily injury; three unlawful use of motor vehicle (children from out of state); five criminal mischief; three shoplifting; and two thefts.

Several of these cases were handled by juvenile authorities in other states. And some of the cases were not referred to the juvenile courts due to the fact that the victims did not choose to prosecute, in which case, a detention report was made and the juveniles were released to a parent or legal guardian.

Kathy Shurley is the Juvenile Probation Officer for Crockett and Sut-

ton counties. It is her duty to counsel and supervise juvenile offenders at the direction of the Juvenile Court. During the first half of 1989, Mrs. Shurley had the following cases in Crockett County: one criminal mischief (dismissed by the court); three children in need of supervision that were counseled and released; one sexual assault (processed by the juvenile court); one assault (processed by juvenile court); and one motor vehicle theft (deferred to another state). Since July 1, 1989, Mrs. Shurley has had 13 more juvenile cases referred to her by the Crockett County Sheriff's Office, several of which are still pending in the court.

In an annual juvenile report for 1988, Crockett County was shown to have had 4.3 percent of its juveniles come in contact with the juvenile court system. This compares to Tom Green County with 4.6 percent, Pecos County with 4.5 percent and Sutton County with 3.5 percent.

Sheriff Jim Wilson said, "I believe that the slight increase in these figures is due to the fact that we now have a deputy who is a trained juvenile officer. Deputy Fred Fierro completed a week-long, state sponsored, juvenile officers' school in Austin. I am very proud of Fred and the work that he is doing. I know that he has a sincere appreciation and concern for our young people. He has gone out of his way to be a part of the team and work with Kathy Shurley and our court system."

Smith bill gives arrest authority

In an effort to better stop drug smugglers at the U.S./Mexico border, Congressman Lamar Smith introduced a bill Sept. 25 to give general arrest authority to officers of the Immigration and Naturalization Service (INS).

"The President's drug strategy includes granting INS officials general arrest authority," noted Smith. "My bill adds the arrest provision to current law and gets the drug strategy moving."

The bill will amend the Immigration and Nationality Act to include arrest authority and will grant INS officials the ability to "execute and serve any order, warrant, subpoena, summons, or other process issued under the authority of the United States."

"As the system works now, an INS official can make a border arrest for violations of immigration or legal entry laws," said Smith. "These same officials are powerless to make formal arrests for drug-related violations."

When a drug-related apprehension is made by the border patrol, the INS must hold the offenders until an arresting authority (usually a DEA or FBI agent) can get to the scene.

"Border patrol agents are ready, willing and able to do the job," Smith commented. Without arrest authority, these people on the front lines are really without ammunition."

Smith's amendment falls under the jurisdiction of the Judiciary Committee, of which he is a member.

1990 Texas Beef Cookoff

The 1990 Texas Beef Cook-off, featuring \$6,000 in prizes and an all-expenses paid trip to the national cook-off for winners, will be hosted this year by the Houston Livestock Show and Rodeo, the world's largest livestock event of its kind.

On Feb. 16 and 17, the state's top cattle producers and the state's top amateur beef chefs—the beginning and the end of the beef chain—will gather in Houston to show off their talents, Peggy Jobs of Houston, chairman of the cook-off, said. The combination of the two is a logical

step, Jobs said, because the persons who attend the show will be impacted by new ways to serve beef as well as seeing the world's finest specimens of beef on the hoof.

"The Houston show has an economic impact of more than \$250 million," Jobs said. "People come from all over the world to see the best cattle, horses, rodeos and entertainment that can be found in one place. It's the perfect place for the 1990 cook-off to be held."

The Texas Beef Cook-off is sponsored each year by Texas Cattle

Women, a service organization dedicated to supporting the beef industry. The contest is open to anyone 18 years of age or older who is a resident of Texas and is not a food professional. Recipes must fall into one of three categories—conventional indoor, outdoor barbecue and microwave. Contestants may enter recipes in any category.

A total of \$6,000 will be awarded to the top three Texas Beef Cook-Off winners at an awards luncheon immediately following the competition on Feb. 17. Each state winner will receive an expense-paid trip to the National Beef Cook-Off Sept. 20-22, 1990, near Seattle, Wash., sponsored by American National Cattle Women, Inc.

Jobs said many other events are scheduled around the cook-off during the Houston show. A food editors seminar will be held Feb. 16, coinciding with the world championship rodeo and livestock and horse shows.

On the day of the cook-off, the Houston show will feature several attractions including a cutting horse contest, a fiddlers contest and a world championship barbecue contest.

To enter the Texas Beef Cook-off and have a chance to enter the national event, contact Mrs. Peggy Jobs, chairman, Texas Cattle Women Beef Cook-off, 6423 Oil Field Road, Sugarland, TX 77479. Also available is a brochure that lists last year's winning entries in all three categories and an entry form for this year.

Don Long Ozona rep. for Boys Ranch

Don Long, director and member of the executive committee of Boys Ranch, has been appointed Ozona representative for the 3rd Annual Fall Extravaganza to benefit the West Texas Boys Ranch. Making the announcement was Roger Ellison, new chief executive officer of the ranch.

The 3rd Annual Fall Extravaganza will be held Friday, November 3, 1989, at the Knights of Columbus Hall, 3636 North Bryant Blvd. in San Angelo. The night will begin at 6:30 p.m. with cocktails. Dinner follows at 7:00 p.m. Preceding the country and western dance at 9:30 p.m. will be the highlight of the evening, a reverse drawing. Dozens of prizes will be given, climaxed by a Ford Bronco II going to the last name drawn.

West Texas Boys Ranch currently cares for nearly 60 homeless and neglected boys from all over West Texas. Over 1200 boys have been helped during the past 40 plus years.

The Fall Extravaganza is the largest fund raising event for the West Texas Boys Ranch, which is supported totally by voluntary contributions.

Tickets for the Extravaganza, which are \$100.00 per couple, can be purchased through Don Long at the Ozona National Bank - 392-5545. Only 400 tickets will be sold; you do not have to be present to win.

Extension Connection

By Tedra Ulmer, County Extension Agent
"Texas Agricultural Extension Service."

Is your family strong?

It takes a lot of hard work to build a strong family, just as it does to build anything worthwhile. However, even the best family needs to take a break now and again to see how they're doing—where they can improve and where they are really doing a good job.

There are some signs, according to researchers, that can tell us if our family is functioning well.

The first is that the adults in the family feel close to each other and share authority. They give each other support, confide in each other, share leadership and responsibilities.

In a strong family, the family members share their thoughts and feelings freely. They feel comfortable speaking honestly but affectionately, and can open up even when angry or sad.

Family members are also allowed to be different and enjoy their own unique activities and hobbies. Each person is respected for themselves. Individuals behave towards them, and they compliment others when they appreciate something that's been done or said.

They recognize that it's okay to disagree—that each person's opinion is valuable and should be respected.

Carmen Sutton has just returned from attending a board meeting in Lubbock where she was recognized for serving on the Dean's Council for Development in the College of Home Economics at Texas Tech University. She will be serving another three year term on the board.

Amie and Marie Gerlach from Buckley, Michigan are at home at 103 Ave. K.

Nell Davee was in Dallas last week to attend the Cowboy game.

One of the most visible signs of a strong family is that the parents set high standards and clear guidelines for their children. They explain the reasons for rules and enforce them consistently. However, they are still flexible when special situations arise.

The result is that children know what to expect and feel they are treated fairly and with respect.

When problems arise, the family faces them—and works to solve them—together. Every person has input, then the parents make a decision.

Family discussions don't mean that the parents don't have ultimate decision-making powers; it just means that everyone in the family has important ideas and feelings to contribute and that these are considered in the final decision.

Finally, family members in a strong family spend time together in the community. They make time to do things together as a family, just for fun. Some families set aside special time for the family—especially important in today's busy world.

Do you have a strong family? Why not sit down together this week and see what characteristics your family has? You may be pleasantly surprised.

For more information on strengthening families, contact the Crockett County Extension Office at 392-2721. Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or handicap.

Lindsey Wilson happily posed with Sheriff's Deputy Shane Fenton at the Ozona Community Center last week after a demonstration of the police car's siren and lights.

Deputy Fenton gave an informative program to each of the classes at the center about law enforcement and the protective role policemen play in our lives.

Former postal clerk pleads guilty

Former Ozona postal clerk Maryhelen G. Cantu pled guilty Oct. 16 to a charge of misappropriating postal funds.

U. S. District Court documents in San Angelo indicated that Mrs. Cantu admitted issuing \$2,500 in money orders during March and April and used the money for herself.

Court records showed that some of the money orders were issued out of

sequence so the clerk wasn't accountable for them until she cashed them.

Mrs. Cantu was indicted in July on a charge involving money orders and another charge accusing her of misappropriation of \$2,547.17 in postage stock.

Monday's plea indicated that Mrs. Cantu claimed no knowledge of a deficit in the postage stock fund.

Junction Stockyard Report

Junction Stockyards reports the sale of 525 head of cattle Oct. 6. The market was about steady on choice cattle with plainer cattle selling \$1-\$3 lower. Packer cows and bulls were \$2-\$4 lower. Stocker cows and stocker pairs were mostly \$10-\$20 lower.

Here's another necessity for your apartment.

If you are living in an apartment or duplex, this may be the first opportunity you've had to experience the terrific benefits of having natural gas in your home. You will find that for heating your home during cold weather, for hot water, or for cooking, nothing beats natural gas for convenience, economy, and efficiency.

With cooler temperatures just around the corner, here are a few reminders from your friends at Energas Company on the safe and responsible use of natural gas where you live.

Your furnace needs an annual check-up.

Your natural gas furnace has been sitting quietly all summer, waiting for the time it's really needed. And like anything that's been idle a while, your furnace needs a checkup before it starts back to work. You may want to check with your landlord or apartment manager about arranging for an annual inspection by a qualified professional heating contractor. Once it's been inspected, your furnace should require very little attention the rest of the winter.

A closet isn't always a closet.

Your water heater or furnace is probably in a closet all by itself. And that's the way it should stay. As tempting as it may be, don't use the space around a water heater or furnace for storage. Even

if these major appliances sit in the open, the space around them should be kept clear to insure adequate air circulation.

If you smell gas.

We hope that you will never have to deal with a gas leak. If you do smell gas, day or night, exit the building then call your local Energas office immediately. Do not flip light switches or use any other electrical equipment. Do not light a match or a candle. Do not try to find the leak yourself.

For more information.

Get a free folder from your landlord or apartment manager. Or call your local Energas office.

Natural gas is the best energy you can have in West Texas for any home heating job. Just set your thermostat, and have a great winter!

ENERGAS

We're proud to be your gas company

Public Notice

THE STATE OF TEXAS

WHEREAS, on the 5th day of June, 1989 HALIBURTON COMPANY and POOL COMPANY recovered in the 112th District Court of Crockett County, a judgment against MARITIMA PRODUCTION COMPANY for the sum of:

for HALIBURTON COMPANY	\$5,993.01	Principal
	508.38	Prejudgment Interest
	1,300.00	Attorney's Fees
	\$7,801.39	Total

for POOL COMPANY	\$7,081.51	Principal
	365.52	Prejudgment Interest
	1,000.00	Attorney's Fees
	\$8,447.03	Total

with interest thereon from the 5th day of June, 1989, at the rate of for Halliburton Co. 18% on Principal & Interest and 10% on Attorney's Fees and for Pool Co. 10% per cent per annum and costs of suit; and, whereas, the said judgment is a foreclosure of a Section 56.001 et seq Texas Property Code Mineral lien on the following described property, to-wit:

Being all of the right, title, and interest of Maritima Production Company in and to the following described oil, gas, or other mineral leasehold estate, including the material, machinery, wells, pipelines, supplies, equipment and other personal property located thereon and used for operations related to oil, gas, or other mineral activities, and situated in Crockett County, Texas, to-wit:

The South 40 acres of Section 23, Block Q, MK & Ry. Co. Survey, Abst. 3378, Cert. 98, Crockett County, Texas, above depth of minus 1,000' subsea being the same property described in that Partial Assignment dated June 22, 1984, of record in Vol. 391, Page 853, Deed Records of Crockett County, Texas, and further described in that certain Assignment dated March 24, 1988, of record in Vol. 431, Page 096, Deed Records of Crockett County, Texas.

as said mineral lien existed on the 15th day of June, 1988 for Halliburton Company and the 13th day of June, 1988, for Pool Company and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment.

THEREFORE, you are hereby commanded that you proceed to seize and sell the above described property as under execution, and that you apply the proceeds to the payment and satisfaction of said sum of Seven Thousand Eight Hundred One and 39/100 Dollars (\$7,801.39) for Halliburton Co. and Eight Thousand Four Hundred Forty-Seven and 03/100 Dollars (\$8,447.03) for Pool Company together with the interest due thereon, and all costs of suit. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess

NOTICE

The Crockett County Consolidated Common School District has a used piano available for "donation" to a non-profit, charitable organization or church in Ozona or Crockett County. The piano is difficult to tune because of a worn pin block, and is undesirable for the demands of a public school music program. It will be donated on a "first request" basis, and the recipient will be responsible for timely removal of the piano from the Primary School. If you qualify as a non-profit, charitable organization or church you may contact Garland Davis at 392-5501 to request donation of the piano.

NOTICE TO BIDDERS

THE COMMISSIONERS COURT OF CROCKETT COUNTY, TEXAS will receive sealed bids until 6:30 P.M. October 23, 1989, at which time bids will be opened and read for the purchase of County Insurance for a one year period starting November 14, 1989 and ending November 14, 1990. The insurance being purchased includes Airport Liability and Fire and Extended Coverage.

Any interested bidder may obtain specifications by contacting John Stokes, County Auditor, between the hours of 8:00 A.M. and 5:00 P.M., Monday through Friday before the bid opening.

Any bid received after stated opening time will not be considered and will be returned unopened.

The Commissioners Court reserves the right to reject any or all bids received.

John Stokes
Crockett County Auditor
Box 989
Ozona, Texas 76943

2c34

The Corckett Co. Cons. C.S. D. will be considering bids for refurbishing the running track at the school stadium on Wednesday, Nov. 15, 1989, at 4:00 P.M. Bid documents may be obtained at the school district administration building. Call (915) 392-5501 or write: Garland Davis, Ozona Public School, P.O. box 400, Ozona, Texas 76943.

NOTICE OF APPLICATION FOR A CLASS I HAZARDOUS WASTE STORAGE FACILITY PERMIT

U. S. AIR FORCE/LAUGHLIN AIR FORCE BASE, 47 ABG/CC, Laughlin AFB, Texas 78843-5000 has applied to the Texas Water Commission (TWC) for a permit (Proposed Permit No. HW-50258, EPA ID No. TX 2571524105) to operate a Class I hazardous industrial solid waste management facility at Laughlin Air Force Base. The permit would authorize operation of an existing all-weather container storage building having a total capacity of 18,000 gallons. The wastes managed at this facility are industrial hazardous wastes such as waste solvents, which are incidental to the maintenance and support of aircraft used to train U.S. Air Force pilots. The wastes managed are acutely hazardous, ignitable, toxic, corrosive, reactive, and EP toxic liquids, sludges and solids. Authorized wastes may be received from off-site federal facilities.

Laughlin Air Force Base occupies a 3,908-acre tract of land which is positioned along the southside of U.S. Highway 90, approximately 5.0 miles east of the Highway 90/San Felipe River Bridge in the City of Del Rio, Val Verde County, Texas. This location is in the drainage area of Segment 2304 of the Rio Grande Basin (north latitude 29°21'15", west longitude 100°47'30").

The Executive Director of the Texas Water Commission has prepared a draft permit which, if approved by the Commission, will authorize the continued operation of this facility under the terms described above.

The Executive Director has also prepared a summary of the applicant's compliance history at this facility, copies of which are available upon request.

Legal Authority: Section 26.028 of the Texas Water Code, as amended; Section 4(e) of the Solid Waste Disposal Act (Article 4477-7, Texas Revised Civil Statutes); 31 TAC Chapters 305 and 335 of the Rules of the Texas Water Commission.

This notice satisfies the requirements of the Resource Conservation and Recovery Act (RCRA), as amended, 42 U.S.C. §6901 et seq. and 40 CFR §124.10. The draft permit, if issued by the U. S. Environmental Protection Agency (EPA), will implement the requirements of the Hazardous and Solid Waste Amendments of 1984 (HSWA), amending the Federal Solid Waste Disposal Act, as amended. The TWC and the EPA have entered into a joint permitting agreement whereby permits may be issued in Texas in accordance with the Texas Solid Waste Disposal Act, Article 4477-7, V.A.C.S. and HSWA until the State hazardous waste program receives interim or final authorization under RCRA to administer the requirements of the HSWA. In order for the applicant to have a fully effective RCRA permit, both the TWC and the EPA must issue the permit. All permit provisions are fully enforceable under Texas law after issuance by the TWC. Permit requirements implemented under the HSWA will be enforceable by EPA.

The TWC will provide an informal hearing session if a written notice of opposition and request for hearing is received within 45 days of the date of publication of the notice of application. The written notice of opposition and request for such hearing must be accompanied by a statement that an aesthetic, conservation, recreational or economic interest of the requestor is or may be adversely affected by the granting of the application. It is presumed that residents, property owners or individuals doing business in the local area meet this test. Any person will be allowed to make oral or written statements at the informal public hearing session. The Executive Director of the TWC will consider any information submitted in making a final recommendation and will respond in its recommendation to the TWC, and subsequently in writing at the time the final decision is made, to any significant comments made at or in connection in the informal public hearing session. EPA may participate in the informal public session of the public hearing.

No evidentiary public hearing will be held on this application unless an affected person who has received notice of the application has requested an evidentiary public hearing. Any such request for an evidentiary public hearing shall be in writing and contain (1) the name, mailing address and phone number of the person making the request, and (2) a brief description of how the requester, or persons represented by the requester, would be adversely affected by the granting of the application. If the TWC determines that the request sets out an issue which is relevant to the permit decision, or that an evidentiary public hearing would serve the public interest, the TWC shall conduct an evidentiary public hearing, after issuance of proper and timely notice of the hearing. If no sufficient request for hearing is received within 45 days of the date of publication of the notice concerning the application, the permit

will be submitted to the TWC for final decision on the application.

The Texas Air Control Board (TACB) may appear at a public hearing and participate as a party to address air quality aspects of the application, pursuant to the Texas Solid Waste Disposal Act, (Article 4477-7, Texas Revised Civil Statutes). The TACB will regulate air emissions from the facility through special provisions in any permit which is issued.

Requests for a public hearing and/or requests for further information concerning any aspect of the application should be submitted in writing to Claire P. Arenson, Assistant Chief Hearings Examiner, Texas Water Commission, P. O. Box 13087, Capitol Station, Austin, Texas 78711, Telephone 512/463-7875. Written comments on the application should be submitted to the same address within 45 days of the date of publication of the notice of application.

Persons wishing to comment or request a hearing on a requirement under the Hazardous and Solid Waste Amendments of 1984 (HSWA) should ALSO notify, in writing, the Chief of the Hazardous Waste Permits Branch, EPA Region 6, 1445 Ross Avenue, Dallas, Texas 75202-2733. EPA will accept hearing requests submitted to the Texas Water Commission (TWC).

Information concerning participation in hearings may be obtained by contacting the Public Interest Advocate Cynthia Hayes at P.O. Box 13087, Capitol Station, Austin, Texas 78711-3087, Telephone 512/463-8030. Questions regarding any technical aspects of this application can be directed to Alan P. Church at the same address, or telephone 512/463-8559.

Issued this 7th day of September, 1989.

Brenda W. Foster, Chief Clerk
Texas Water Commission

(Seal)
