After a glorious 14-12 upset over the Big Lake Lions busy removing Owl feathers from game uniforms

by Charles L. Wood
STOCKMAN SPORTS

After an intense struggle which was decided only in the final 27 seconds, the Ozona Lions triumphed over the Reagan County Owls on Friday night. Ozona is now in first place in district 6-2A, with a 4-0 district record and an 8-1 record overall.

In a Monday interview, Lions coach Don Payne credited the hard-won victory to a strong overall team effort with "a strong defense and great blocking by the offense."

Coach Payne also credited several key players who helped make the win possible. Mark Fierro led the defense with 14 tackles. Michael Ybarra and Cody Morris also made important defensive plays. On the offense, Coach Payne commended George Ybarra and Lalo Rodriguez for their key runs, and Ruben Borrego for his important pass reception.

Reagan County scored early in the game. An Ozona pass was intercepted and carried to the 22-yard line. The Owls followed up with a successful pass play which netted the first touchdown of the game. The extra point attempt was fumbled, however, because of a bad snap from the Owl center. With 4:39 left in the first quarter, the Owls led the Lions 6-0.

The second quarter was marked by numerous turnovers, with neither team able to overcome the defensive skill of the other. Ozona and Reagan County traded fumble recoveries early on in the quarter. The Owls then managed a drive from the Ozona 46 to the Ozona 3-yard line, only to lose another fumble to the Lions. Ozona also began a promising drive, but the ball was intercepted on the Reagan County 16-yard line.

In the third quarter, the Lions surged ahead on an 8-play, 41-yard drive with George Ybarra sprinting across from the 11-yard line for a touchdown. The kick by Borrego was good, and Ozona was in the lead 7-6, with 2:54 left in the third quarter. The two teams again traded possessions, and a pass interception left the Owls on the Ozona 39-yard line at the close of the third quarter.

Two plays into the fourth quarter, the Owls came within 11 yards of the goal line with a 21-yard run. However, Michael Ybarra intercepted a pass and returned the ball to the 31-yard line. A penalty improved the Lions' position still further, moving the line of scrimmage to the 46-yard line.

A remarkable 11-play drive gave the Lions their final score. Ozona quarterback Chris Denman completed a 13-yard, fourth-and-three pass to Ruben Borrego and put the Lions on the 3-yard line.

George Ybarra made the final 3 yards for the score. Borrego's kick was good, giving the Lions a 14-6 lead with 5:18 left in the game.

The Owls came back stubbornly with a 6-play, 60-yard drive. After a series of successful running plays, the Reagan County team scored its second touchdown. The two-point conversion attempt was unsuccessful.

The Owls showed they were still in the game after taking back possession with 1:45 left. They managed to carry the ball to the Ozona 6-yard line and it was fourth-and-five with only 27 seconds left.

Decisively, defensive lineman Cody Morris blocked the Owls' field goal attempt to clinch the victory for the Lions.

Ozona's victory over Reagan County was no small accomplishment. According to Coach Payne, this was the first win over Big Lake since 1982. "Big Lake has a great team," said Coach Payne on Monday. "That's what made this win so nice. Beating them at home is even better."

The Lions are now concentrating on their bid for the district championship against Wall. The Wall football team is second in district, and should prove to be quite a challenge for the Lions. The Ozona team will need support from the town this Friday. Coach Payne and the Ozona Lions would like to see a big crowd of town folks in Wall on Friday evening.

Sharp returned to county for yet another hearing

by Scotty Moore

Michael Eugene Sharp, convicted and sentenced as killer of Mrs. Brenda Kay Broadway of Kermit and her 8-year-old daughter, Christie Michelle Elms, was flown once again to Crockett County Monday morning, Nov. 6, to attend the a hearing granted by James H. Clack, 109th Judicial District Judge of Winkler, Andrews and Crane Counties and presiding judge of the 1982 Sharp trial held in Crockett County.

Sharp's lawyers, Steven C. James and Mitzi Turner of El Paso, filed several motions with Judge Clack only to have one granted, the motion to expand evidentiary hearing.

In this motion, Sharp's lawyers claimed that the State's use of secret, in-custodial interrogation testimony obtained by Jerry Smith, an Odessa police officer, from Sharp while he was in the Odessa jail, violated several of his rights.

District Attorney Michael Fostel was called to the stand and interrogated by Sharp's lawyers regarding alleged misconduct by the district attorney regarding his disclosing and handling of discovery evidence. The defense claimed that pertinent information was not made available to them for preparation of their client's defense and appeal.

During Smith's testimony he stated that Sharp had given the location of the grave and body position of Brenda Kay Broadway north of Odessa and that he gained permission from 109th District Attorney Michael Fostel to interrogate Sharp once again to see if any ties could be made to other murders in the county. The defense claimed that they were not notified of this interrogation, denying defendant's right to council.

Sharp's trial lawyer, Kermit attorney Glen Williamson, testified that information from these interrogations and other pertinent information in the possession of Jerry Smith was not presented to him for his inspection. Jerry Smith disputed Williamson's testimony, stating on the stand that his files were offered to Williamson at a local motel where they were staying and he refused to accept them. Smith stated that he was later ordered by the court to produce these records, which he did.

Judge Clack refused a ruling until a transcript was made available of the testimony during the hearing. He also refused setting a re-sentencing date within 120 days requested by D. A. Fostel until a ruling could be made on the hearing.

Sharp, in the custody of Sheriff Jim Wilson, was flown back to Huntsville and death row Monday.

Cross country team qualifies for state

The number two state rated Ozona boys' cross country team competed at the Region I cross country meet in Lubbock last weekend with a performance deserving of their rating.

Running in chilly weather, the boys' team made it a three team race with defending state champs Boys Ranch, Coleman and Ozona.

The team performance was led by Ozona's sophomore Mark Ramirez and senior Luis Rico. Mark finished 7th overall, qualifying him as an individual to the state cross country meet in Georgetown.

The Ozona team qualified as a team with their third place finish overall. Boys Ranch won with 15 points followed by Coleman with 78 and Ozona with 84.

Team member finishes were: 7 Mark Ramirez, 13 Luis Rico, 16 Martin Urbina, 23 Pep Talamantez, 25 Marcos Quiroz, 33 Ruben Borrego, and J. J. Coy 50th out of 72 places.

The boys' team will be running for top three team placings in the state meet. The meet will be held at Southwestern University Golf Course in Georgetown Saturday, Nov. 11. The boys will run at 12:10 p.m.

The girls were unable to run as a team due to conflicting schedules. In the individual standings, Claudia Avilla was one of the bright stars for the Ozona team. She finished fifth overall in a challenging race for the top ten places out of 96 runners. Claudia will be competing at the state meet

as an individual. She will run at 10 a.m. Saturday.

Other Ozona girls competing were Casi Montgomery, 84th, and Marisol Castillo, 86th.

The state meet brings an end to the 1989 cross country season which has been viewed as a successful one for the benefit of Ozona High School athletics and the Ozona cross country program.

"These individuals have sacrificed a lot of time and effort by participating in this program along with other programs that they are involved in throughout the fall," said Coach Pete Maldonado. "The Ozona program not only has the state cross country meet to look forward to, but also it has a future of more success in coming years because of the youth and number of runners in the program."

Prisoner escapes from Crockett County Jail

An escapee from Crockett County Jail was back in custody Monday night after two hours and 40 minutes of freedom.

Daniel Arenas Ibarra, a 21-year-old native of Mexico, slipped from the jail after going to wash fingerprint ink from his hands, said Sheriff Jim Wilson. Ibarra, the jailer and a DPS officer were in the jail booking area at the time.

The suspect ducked past officers and fled the jail at approximately 7:30 p.m., beginning a manhunt involving local and Sutton County officers.

Ibarra had been arrested on a charge of auto theft 11 miles west of Ozona at 5:40 p.m. after being stopped while driving a 1980 Volkswagen pickup reported stolen from Marfa Nov. 5.

He was arrested on a charge of

felony escape at Circle Bar Truck Corral at 9:50 p.m. and returned to the jail.

A number of citizens who heard the escape report believed the escapee to be death row inmate Michael Eugene Sharp who was in Ozona earlier in the day for a hearing, Wilson said.

Sheriff Wilson and Chief Deputy Alton Davis left the county to return Sharp to Huntsville at about the time of Ibarra's initial arrest.

Visiting

Former residents Cindy Simmons and children, now of Crane, visited with Sandra Gonzales and family last weekend. Cindy also visited with Jacque King, a former resident who was also here visiting. Jacque resides in La Vernia and was in the area to help daughter Suzy, a student at ASU, celebrate her birthday.

Don Morris will be a year wiser Nov. 7. Happy birthday, Don.

Robert Ogle Jr., son of Mr. and Mrs. Robert Ogle, relayed news that "He" was going to San Angelo Sunday. When asked if he was going to run around and spend money, he said "Yeah!"

Well, scratching down news on a piece of paper and relying on your memory is often not the way to report news as I found out last week. Stephen Montes was the birthday guy at his home last week. David Montes does not exist, at least not in Ozona. Sorry, Stephen! Visiting also with grandpar-

ents Mr. and Mrs. Joe Arredondo were Richard Rodriguez of Alpine and David Arredondo of Midland.

Sammy Ortiz will officially be "29 and holding" Nov. 7. Happy birthday, Sam.

Clay and Stephanie Chapman celebrate their anniversary on Nov. 7. Best wishes. Adding to the week was a visit from Stephanie's mother, Carol Monroe, from Fort Stockton.

Amanda Bishop turned four years old Nov. 4. Amanda is the daughter of Mr. and Mrs. Bailey Bishop.

Mrs. Maurice "Tass" Black returned home after a visit with Mr. and Mrs. J. D. Glasscock and children Joe and Jana of San Angelo. Tass accompanied the children to the Halloween carnival held at Crockett School. After what seemed a million mile walk,

Tass remarked to Jana, "I'll never do that again!" Jana asked with a grin, "Wanna bet?"

Vicki White will celebrate her day on Nov. 7. Happy birthday, Vicki.

Anniversary wishes go out to Frank and Marisella Paradez on Nov. 10.

Happy birthday Nov. 11 to former Ozonan Tommy Kirby Sparks of Oklahoma.

Enjoying an early Thanksgiving last weekend at the home of their parents, Mr. and Mrs. Dean Phillips, were Katrina and Deena Beth Phillips.

Belated birthday wishes to Ernie Borrego who celebrated on Nov. 6.

Happy Birthday!

Babbitt, Love recite vows

Toi Raedawne Babbitt became the bride of Robert Ernest "Bobby" Love Jr. Saturday, Sept. 9, 1989, in Ozona. Rev. Jim Gray officiated the ceremony at First Baptist Church.

The bride is the daughter of R. B. and JoAnn Babbitt of Ozona. Parents of the bridegroom are Robert E. and Gwen Love of Mountain Home.

Given in marriage by her father, the bride looked lovely in her white satin gown. The fitted basque waist featured a scooped neckline trimmed with pearls. Four strands of pearls draped across the open back.

The bodice front and Bishop sleeves were hand-smocked and highlighted with pearls. Lace medallions formed V's at the wrists.

The apron effect skirt front was circled with crystal pleated ruffles. Scallops formed around the hemline of the full skirt and attached cathedral train.

Toi wore a headband of entwined pearls and crystal which had a flower

burst side spray. The attached double pouf and finger tip veil of silk illusion boasted a dainty rolled edge.

The bridegroom was attired in an off-black tuxedo.

Vows were spoken before an altar decorated with tapered candleabras flanked with red and white carnations, greenery and white bows. White satin bows marked the pews.

Brenda Newton played love songs on the piano as guests were seated. She also sang "Nobody Loves Me Like You Do".

R. B. Babbitt played the guitar and sang "Pledging My Love".

Attending the bride were matron of honor Ms. Bonnie Everett of Big Lake, and bridesmaids Diane Babbitt, sister-in-law of the bride of Dallas, and Stephanie Nall, cousin of the bride of College Station.

The attendants wore formal dresses of red taffeta. The fitted bodice featured a scalloped waistline, and red and white ruffles enhanced the sleeves and bodice back.

Tommy Hall of Kerrville was best man. Serving as groomsmen were Bobby Johnson of Hunt and Clifford J. Babbitt, brother of the bride of Dallas.

Brandon and Trevor Babbitt of Dallas were ringbearers for the ceremony.

Groomsmen and ringbearers wore off-black tuxedos identical to that of the bridegroom.

Ushers were: Billy Mills and Randy Hall of Ozona, C. Adam Morris III and Jeff Malsbury of Kerrville.

A reception was held immediately following the wedding at Ozona Inn of the West. The room was decorated in the bride's chosen colors of red and white.

A three-tiered cake, decorated with red flowers, fruit punch, champagne punch and coffee were served by Jean Taylor, Carol Yeager, Paula Westmoreland and Donna Morris. Jennifer Malsbury of Kerrville presided over the wedding book.

The rehearsal dinner was hosted by Robert and Gwen Love, parents of the bridegroom, Friday night at Ozona Inn of the West. The tables were covered with red and white cloths.

Following a wedding trip to New Mexico and Colorado, the couple will be at home in Mountain Home.

The bride is a 1980 graduate of Ozona High School. She is a graduate of Concho Valley Council of Governments Police Academy and is employed as secretary for an attorney.

The bridegroom is a graduate of Tivy High School in Kerrville. He

attended Angelo State University and is a graduate of Alamo Area Council of Governments Police Academy. He is an investigator and a rancher.

The bride was feted with a nuptial coffee in Coleman Aug. 19. Hostesses were Karen Densman of Abilene and Sandra Smith of La-Grange.

A coffee was hosted in Ozona Aug. 26 by Donna Hightower, Evelyn Thompson, Sandra Gonzales, Maxine Brown, Barbara Wallace, J. R. Kenley, Brenda Newton, Debra Vordick, Juanita Mills, Eddy Hall, Jean Taylor, Nell Wester, Carol Yeager, Jean Conner, Dorothy Montgomery and Alma Bednar.

The ladies of Ozona National Bank were hostesses for a rice bag party in the home of J. R. Kenley.

Crockett County Public Library News
by Louise Ledoux

FRIENDS OF THE LIBRARY

The Friends are looking for donations. The library is in need of a good, used canister-type vacuum cleaner. The hose will make dusting the shelves and books so much easier. A good, used 19 inch color portable TV and a VCR player are needed to play video programs for group presentations. The TV will only be used to play videos. It does not have to be cable ready. The Big Country Library System is converting over from 16mm films to videos and the public will be able to borrow these educational videos. The library needs a TV and player to fully utilize this service from the BCLS. If you wish to donate any of these items, please call 392-3565 or come by the public library.

SPECIAL SERVICES

A very special service offered by CCPL is a collection of large print books from the Big Country Library System. Every other month, we re-

ceive a variety of titles including fiction, non-fiction, biographies and spiritual books. These have been popular at the Care Center. These books are available to anyone who would like the ease and convenience of large print.

The most popular special collection in the library is our books-on-tape. We are adding to this collection of best-sellers, sports, poetry, westerns and lots, lots more. We are also accepting donations. If you have tapes you have listened to and no longer want, please donate them to the library. These tapes are great for long car trips or just a change from radio around the house. Some new titles are - No Man's Man by L'Amour, The Green Hills of Earth by Heinlein, Noon Wine by Porter, Polar Star by Smith and a collection of Harlequin Romances on tape.

by Rev. Ken Harrison, Ozona United Methodist Church

One of the best known and most beautiful passages of scripture has come to be known as the Beatitudes. You will find the passage in the gospel according to Matthew, in chapter 5, verses 1 through 12. The Beatitudes is one of those pieces of scripture which offer encouragement to those of us who sometimes try to live life against the grain, as though we are not like other folk with problems, emotions, hopes and dreams, and loyalties.

Those who enjoy woodworking have discovered that every piece of timber has a distinctive grain. When you clamp it in a vise for planing, you need to recognize this. If you work against the grain, you will never get the wood smooth. If you work with the grain, nature will work with you. Oppose the grain and you are inviting trouble.

The Beatitudes are a set of principles that go with the grain of life. Jesus simply distilled the sum total of human wisdom and laid it down in

concise principles. He was stating that this is the way the grain runs in life and we are wise to work with it, not against it.

The Adventures of Robinson Crusoe is not only a classic adventure story, but it is also a classic story of how one's attitudes can make the difference between hope and despair. It illustrates what the Beatitudes convey.

Robinson Crusoe was the son of a middle class English family. Though his father wanted his son to go into the family business, Robinson wanted a life at sea. He ran away from home and joined the crew of a ship. After the ship was caught in a storm at sea, he was so frightened that he swore he would never leave land again.

But, his yearning for the sea was not satisfied, so he took several other voyages. The greatest adventure of his life began when a ship on which he was sailing broke apart off the coast

of Brazil. Robinson was the sole survivor of that wreck. When waves washed him ashore, the island on which he took refuge seemed to have no inhabitants. Since he had no idea how long it might be until he was rescued, he made a raft and brought from the broken ship food, water, ammunition, clothing, tools, sailcloth, and lumber.

He explored the island and found that he was truly alone except for some wild goats. Having found some ink, a pen and paper among the things he had salvaged from the shipwreck, he began to keep a journal. Each morning and evening, he had a devotional time in which he read from the Bible and thanked God that he had been delivered from the sea.

The central feature of this adventure story is the change which takes place in the attitude of Robinson Crusoe. When he first landed on the

island, he was in deep despair. He was "poor in spirit." He mourned his aloneness. He felt misfortunate, destitute and oppressed. As he read the Bible, he came to understand that he was not alone. He was converted to a new point of view, and this act of faith allowed him to rebuild his entire attitude toward life.

Essentially, this is what the Beatitudes can do. They offer to those of us trying to live against the grain a new set of attitudes. In spite of a person's circumstances in the world, depicted in Robinson Crusoe's life as a deserted island, one can surmount difficulties through the conversion of attitude. One's spirit can be transported above and away from the earthly circumstance. The poor in spirit can be transported to the kingdom of heaven. They that mourn shall be comforted. The meek shall inherit the earth. Robinson Crusoe was eventually rescued to live his last days back in England, but he was "rescued" much earlier when he was converted to a new attitude, enabling him to rise above even the bleakest of circumstances.

Spook parade fun for all

Judging costumes in the Halloween Carnival spook parade was no easy job this year. A large variety of scary creatures lined up to make the trek around the square and begin carnival activities.

Sponsored by Ozona Chamber of Commerce, the parade contestants were judged in categories of most original, cutest, and scariest.

Louise Ledoux received first place in the most original category for her

black widow spider costume. Elizabeth Gries was second as a tasty bunch of grapes.

Third place was awarded to Glenna Mae Ross and Megan Mitchell, gift wrapped boxes.

Cutest honors went to Adrienne Bendele as a baby bunny in a hat. She was accompanied by her mother, Monica, dressed as a magician.

Second and third place cuties were Kristen Bunker and Jenna Henderson.

The title of scariest contestant went to Lorie Crenwelge who was dressed as a fearsome monk.

Second place in the scariest cate-

gory went to a frightening Count Dracula who flew back to his castle before his name was learned.

Cade Clark, the green faced monster, won third place.

Lion Band competes at Regional

by Sarah Pullen
School reporter

The Ozona High School Lions Marching Band competed at regional contest in Waco at Baylor Stadium on Saturday, Nov. 4. Although the band did not reach the state level, it performed an excellent show.

"There's no way I could have been more pleased than that," said band director Kelly Glaze.

In Class 2A, the bands and the order in which they competed were as follows: Ozona, Lorena, Hallettsville, La Vernia, Clifton, Marion, Lexington and Eldorado. The bands advanc-

ing to the State Contest, which is to be held on Monday, Nov. 13 at Memorial Stadium in Austin are from District 7, Eldorado and from District 12, Marion.

"I feel that if we had marched later on in the contest we would have had a better chance on advancing to State," said Mr. Glaze.

One of the judges, Charlie Trailer from Dalhart ended his criticism sheet by saying, "Really fine band, shows lots of pride and I hope your school and community realizes what fine ambassadors you are."

The twirlers, Amy Graham and Misty Fowler will be competing at state twirling contest in Austin on the first weekend in June.

Seventh grade Cubs lose to Owls

by J. L. Tucker
STOCKMAN SPORTS

The seventh grade Cubs lost two fumbles and had a pass intercepted as Reagan County took an 8-0 win last Thursday. The Cubs' record now stands at four wins and two losses.

Jesse Garza returned the opening kickoff 14 yards to the Cubs' 39 yard line. Ozona drove to the Owls' 49 yard line before a bad handoff connection resulted in a lost fumble. Reagan County put together their only scoring drive of the game, a 10 play, 51 yard march. The extra point run made the score 8-0.

Ozona gained good field position when Anthony Sanchez returned the kickoff 25 yards to the Owls' 45 yard line. The Cubs drove down to the 17 yard line but failed to pick up a first down on a fourth and two situation.

The Owls took the second half kickoff and used up the entire third quarter with a 13 play, 59 yard drive that came up short of scoring, but put the Cubs in bad field position during the fourth quarter.

With 2:20 left in the game, the Cubs took over on their own six yard line and completed a fourth down halfback pass from J.J. Lozano to Anthony Sanchez, good for 15 yards and a first down. Three plays later Lozano broke over right tackle for a 13 yard gain to the Cubs 46 yard line. With

seven seconds left in the game, quarterback Travis Davidson hit Joe Esparza with a screen pass to the left and the hard running full back rambled to the Owls' 30 yard line as time ran out.

Lozano and Sanchez led the Cubs with 26 yards rushing each. Defensively, Tony Valencia led the Cubs with seven tackles while Sanchez added five. Garza, Chris Sanchez, Lozano, and Juan Trujillo added four stops each.

The Cubs will travel to Wall Thursday for their last game of the season. They will start about 5:00 P.M.

Group formed to oppose substance abuse

Officers were elected Monday night to head a yet to be named group opposing the use of drugs and alcohol. The organization is an outgrowth of the 4-H and Extension Service sponsored Making the Grade which identified problem areas within the community.

Chesta Stuart was elected president and conducted the meeting where ideas and goals were discussed.

Isabel Tambunga, vice-president, and Elliott Barrera, secretary, will also serve as officers. Volunteering their help as committee members were Stela Ramirez, Silvia Coy, Vicki Stokes and Cathy English.

Those attending agreed that community involvement will be necessary to make the support group work.

Before the next meeting Nov. 20, officers and committee members will meet to set goals and come up with a name for the organization. Until the support group becomes firmly established, meetings will be held on the first and third Mondays of each month at 6 p.m. in the high school cafeteria.

All interested junior high and high school students and adults are welcome to attend these meetings.

Owls defeat eighth grade Cubs 8-0

by J. L. Tucker
STOCKMAN SPORTS

The Big Lake Owls defeated the eighth grade Ozona Cubs 8-0 last Thursday in Big Lake. The Cub defense found themselves in a touch situation all night, as the offensive team found moving the ball extremely tough. The Cubs rushed for only three yards on 17 carries.

The Cubs took the opening kickoff and returned it to the 30 yard line. Sammy Hinostrza hit the middle to gain ten yards and a first down. This would be the only first down for the Cubs in the first half. The Cubs punted and the Owls took over on their own 36 yard line.

Big Lake drove to the Cubs' 22 yard line before stalling. The Cubs then took over on downs. Facing a fourth and 13 on the 16 yard line, Michael Fay lined up to punt, but faked the punt and tried to pass. The Owls put pressure on the Cubs and dropped Fay for an eight yard loss.

Taking over on downs, the Owls found themselves in favorable scoring position. At the eight yard line, Reagan County also found the Cubs' defense ready to get tough. Fay broke through on a safety blitz to drop the Big Lake quarterback for a three yard loss. The next play, Keith Miller stepped in front of an errant Reagan County pass and returned the interception out to the 17 yard line.

The Cub defense came up with big plays to stop the Owls until the fourth quarter. On a left end sweep, the Reagan County halfback was able to turn the corner and out race the Cubs across the goal line, scoring from forty-five yards out. Adding the extra two points, the Owls pulled off an 8-0 win.

"It was a really hard fought game," said Coach Porter. "We couldn't have asked for a better defensive game."

The Cub defense was led by Fay and Juan DeLuna with eight tackles each; Bart Grimes and Javier Perez added seven and six stops respectively.

Offensively, Hinostrza rushed

for 23 yards on five carries.

The Cubs will travel to Wall Thursday for their last game of the

season. The eighth grade will start about 6:30 P.M.

Ozona JV defeats Big Lake 33-28

By Michael Vasquez

The Ozona Junior Varsity football team improved their record to 5-2 after defeating Big Lake 28 to 3 last Thursday night.

"It's exciting when you beat an undefeated team...I don't know, but beating Big Lake always gives me a good feeling," exclaimed an excited J.V. quarterback Adam Alba.

When asked about his defense, Alba yelled "Ya!", and Ya was right.

Although the game was mostly an offensive game, Ozona's defense provided the ball 11 times for five touchdowns. Oscar Gutierrez led the Lions in unassisted tackles followed by Alba, Alonzo Hernandez and Marcos Quiroz in assisted tackles.

Also helping the defense were Andy Borrego, Diego Pena, Joe Hernandez, Pablo Talamantez, Edward Chipman, Mike Kenison and Mut Mecke.

When asked about the game, Anthony Vasquez replied by saying "It was the hardest game I have ever played, but I had confidence in my teammates, and we stuck together and won."

"Stuck together" they did as they came out early and scored after a 70 yard drive with 7:25 remaining.

Big Lake's offense came out strong, scoring two touchdowns in 23 seconds.

Yet Ozona's offense didn't seem affected as they came out and scored again in the second quarter, making

it Ozona 19, Big Lake 12.

Once again Ozona's defense stopped Big Lake's offense in a flash, giving the Lions' offense the ball on the 15-yard line. Soon after, quarterback Alba hit Joe Hernandez on an eight yard touchdown pass.

With 2:05 remaining in the half, Big Lake scored another touchdown, making the score Ozona 25, Big Lake 20.

At the start of the third quarter, the Lions received a fumble on the kickoff. Ozona moved the ball, but lost it in an interception. The third quarter

went scoreless.

In the fourth quarter, Alba ran in for a touchdown with 7:58. He then turned a mishap into a sensational PAT play. This made the score Ozona 33, Big Lake 20.

Big Lake soon scored another touchdown.

Ozona's defense kept the Owls from scoring again and got the ball back for Ozona to run out the clock.

Quarterback Alba threw 10 times for six completions and only one interception. Two of these passes were touchdowns.

OHS represented at Amarillo meeting

Ozona High School was represented at an Oct. 28-30 youth conference in Amarillo sponsored by Mothers Against Drunk Driving.

Norma Quiroz, Valerie Perez and David Cox joined the Ector County MADD group to travel to Amarillo where they attended several work-

shops.

The youths saw Broadway star Ben Vereen in Amarillo and also saw Johnny Cash while at the airport in Dallas.

Transportation to and from Odessa was provided by Cathy English.

Crockett County Care Center News

by JoAnne Marshall

Monsterous goulies, mummies and witches turned out in full force for our Halloween costume party Monday evening. Spiders found their way into our punch bowl. Residents were left spellbound after seeing children of all ages dressed in full Halloween attire, and the children who attended seemed delighted with the indoor carnival, spook house, and the witch who read palms and saw the future in her crystal ball.

Everyone had a great time, and we hope to see such a monsterous crowd again next year. We would like to thank the following volunteers who worked so hard to ensure a successful party: Vivian and Joe Hughes, Frances Davis, Howard, Angie, Merry, Terry, Jerry and Kathy Marshall.

Adelaida Smith didn't have to go out trick or treating Tuesday evening. She won lots of treats in Tuesday morning's bingo. She won three games and we were beginning to wonder if she was going to win them all. Lucia Rios didn't do bad either; she won two games. Treats were also won by Mattie Cooper, Juana Hernandez, Frances Davis, Srida Senne, Hazel McDaniel, Moriama Perez, Elvira Pena, Virginia

Homemakers learn to manage conflict

Is conflict a problem in your life? Maybe it's with a spouse, child, parent, co-worker or your boss. Conflict can cause stress levels to soar, cause dissatisfaction with our jobs or personal life, and cause us to suffer from poor self-esteem.

Learning to handle conflict successfully will be the topic at the Thursday, Nov. 9, meeting of the Progressive Extension Homemakers Club when County Extension Agent-Home Economics Teda Ulmer presents a program on "Managing Conflict".

"We hope participants in this program will learn to understand conflict and its patterns, and learn techniques for creatively managing conflict situations," said Ulmer.

"Conflict is part of life," she continued, "and even though women are faced with it daily, they often don't deal actively with conflict situations."

"In fact," the agent noted, "sociologists feel that the potential for conflict in community decision-making may be one of the reasons why most women don't participate fully in this area."

Learning to recognize which methods you use to manage conflict, and to choose the best method, is important in becoming more confident and more persuasive with others.

The meeting, which begins at noon and ends at 1 p.m. at the civic center, is open to all interested persons. If you're on your noon hour, feel free to bring a sack lunch. For more information, contact the Crockett County Extension Office at 392-2721.

I, Carmen Graciela Gutierrez, along with my family, request the honor of your presence at the celebration of my fifteenth birthday where I shall express my feelings before God on becoming a young lady on Saturday, the 11th of November, 1989 at 3:00 in the afternoon at Our Lady of Perpetual Help Church, Ozona Texas

David McCarley of First Baptist Church led singing Tuesday afternoon. Maxine Brown played the piano. We would like to thank David and Maxine for sharing their talents with us.

Residents were kept busy putting the finishing touches on ceramic pieces in Wednesday morning's ceramic workshop. They wanted to make sure several pieces were done in time for the arts and crafts fair. Volunteers were Ruth Hester, Ruthie Doris and Marlys Thurmond. Thank you, ladies. We got a lot accomplished thanks to you.

Thursday morning's beauty shop volunteers were Vivian Hughes, Audrey Smith and the OHS cosmetology morning class. Thank you, ladies. The hair styles were lovely.

Fr. Bill Du Buisson of Our Lady of Perpetual Help Catholic Church conducted Mass Thursday afternoon. A large number of visitors attended.

Friday morning's bingo winners were Adelaida Smith, Srida Senne, Hazel McDaniel, Theo Burns, Moriama Perez, Elvira Pena, Bertha Miller, and Consuelo Sarabia.

Sunday's worship service was presented by Ken Harrison of Ozona United Methodist Church. Communion was offered. A short visitation followed. We would like to thank the members of the congregation for their friendly fellowship.

To all customers of Southwestern Bell Telephone Company:

Public Notice

Southwestern Bell Telephone Company hereby gives notice that on August 29, 1989 the Company filed an application with the Public Utility Commission (PUC) of Texas to revise its Texas intrastate Digital Link Service Tariff. This application proposes to restructure the rates for MICROLINK IISM - Packet Switching Digital Service to establish uniform rates for the service in each of the market areas where it is offered within the State and to expand the service to an additional nineteen (19) Primary Market Areas (PMAs).

MICROLINK IISM - Packet Switching Digital Service is for business customers with interactive data transport requirements who are located within the Abilene, Amarillo, Austin, Beaumont, Brownsville, Corpus Christi, Dallas, El Paso, Houston, Longview, Lubbock, Midland, San Antonio, Waco, or Wichita Falls Local Access and Transport Areas (LATAs). This service utilizes several existing network services in combination with packet switching capabilities. A MICROLINK II Primary Market Area is the service area from which subscribers may reach public dial access to the service by dialing a local seven digit number. The twenty-four (24) PMAs that will be affected by this filing are: Abilene, Amarillo, Austin, Beaumont, Brownsville, McAllen, Harlingen, Corpus Christi, Victoria, Dallas, Fort Worth, El Paso, Houston, Galveston, Laredo, Longview, Tyler, Lubbock, Midland, Odessa, San Antonio, Waco, Temple, and Wichita Falls.

The PUC has assigned this matter to Docket No. 9034. It is estimated that the proposed rate changes and the addition of the nineteen (19) Primary Market Areas will increase the Company's annual revenues during the first year the proposed changes are in effect approximately \$222,000. For additional information regarding MicroLink II Service or this filing, please contact Southwestern Bell Telephone Company's Marketing Organization on 512-222-5808.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. The Commission has established an intervention date of November 27, 1989. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0223 or (512) 458-0227, or (512) 458-0221, teletypewriter for the deaf.

Extension Connection

By Tedra Ulmer, County Extension Agent
"Texas Agricultural Extension Service."

Are you an entrepreneur? Home based business may be answer

Are you a Donald Trump in disguise? Do you have hidden talents going to waste in your present occupation? You may be a candidate for a home-based business that utilizes your entrepreneurial talents.

Successful home-based businesses are the result of a good idea combined with lots of thought, planning, homework and certain personal skills and abilities.

You have to do lots of soul-searching and analysis to find out if you're the right person for a home-based business (and if the business you want to start is the right one for you and the community you're going to operate in).

How can you tell if you're the kind of person who can get a business started and keep it running successfully? One help may be a series of pamphlets produced by the Texas Agricultural Extension Service called "Starting a Home-Based Business in Texas".

The series includes one on "General Business Tips", which explains how to tell if you and your business are meant for each other and how to go through all the legal hurdles in setting up a business.

The others are on starting specific businesses - catering, starting a bed-and-breakfast operation, housecleaning, family day home child care, and the professional seamstress/needlework artisan. They include what facilities you might need, how to tell if there's a market for your services, how to organize your business, licenses and regulations, labor laws and tax tips.

While these publications can't

guarantee success, they can give you an overall view of what it may take to get started, and whether or not you should investigate the possibilities a little further.

They also provide lists of resources you can contact when you begin setting up your business.

The Crockett County Extension Office also has other business-related publications available for your use. We hope you'll take advantage of these free materials and the resources we can offer to you through the Extension system.

For more information or to order one of the pamphlets, contact the Extension Office at 392-2721, or come by our office, located on the second floor of the Courthouse Annex - and let us visit with you and see how we can help.

Educational programs and information provided by the Texas Agricultural Extension Service serve people of all ages, regardless of socioeconomic level, race, color, sex, religion, national origin or handicap.

It's a girl!

Derek and Ryan Ruthardt are proud to announce the arrival of their little sister, Amanda Diane. Amanda was born Tuesday, Oct. 24, 1989, at Community Hospital in San Angelo.

She arrived weighing seven pounds, 15 ounces and was 20 1/2 inches long.

The proud parents are Rod and Stephanie Ruthardt of Ozona. The proud grandparents are June and Denny Shank of Pearland and Zella and Beryl Ruthardt of Ozona.

Pandale Study Club celebrates Thanksgiving

The annual Pandale Study Club Thanksgiving Dinner and program was held at the ranch home of Josephine and Henry Mills on Thursday, Nov. 2. Club members prepared the traditional holiday meal which was shared with husbands, other family members and friends.

Early American and Southwest themes were used throughout the home with dried flower arrangements, wedding ring quilts, and a howling coyote made by Ginger Perner as a gift to the hostess.

Carl Rohlf, minister of the United Methodist Church of San Angelo, who is a beloved part of this yearly event, gave the program in the afternoon.

It is always with happy anticipation that we welcome Carl Rohlf to entertain and enlighten us, whether it be with a history lesson, a history quiz, or with music. This year, with poetry, anecdotes, and Biblical and historical references, Carl reminded his audience that Thanksgiving is a time to be thankful for our blessings, to remember that we ourselves need to be a blessing to others, and to remember where we came from.

The first Thanksgiving was in many respects like the Feast of Booths instituted by God, which the children of Israel celebrated as a reminder of their wilderness wanderings: it was held after the harvest; it was a joyful

time with families, servants, friends and any who were in the community, and it lasted for seven days. Mr. Rohlf got a hearty laugh from his listeners when he told them that Thanksgiving should last for several days!

In closing, Carl repeated the thought of Carl Sandburg for all to remember; "for those who go down and never come back have forgotten where they came from; they have lost sight of what brought them along."

Attending from Pandale were Mr. and Mrs. Larry Arledge, Mr. and Mrs. Buster Deaton, Mr. and Mrs. Tom Everett, Mr. and Mrs. Terry Gries, Mr. and Mrs. Carl Malone Sr., Mr. and Mrs. Carl Malone Jr., Mr. and

Mrs. Henry Mills Jr., Mr. and Mrs. W. O. Mills Jr., Elizabeth Gries, Sara Hargraves, Ginger Perner, Louise Rowland and Vonnie Womack.

Guests included Mr. and Mrs. J. O. Taylor, Mr. and Mrs. Bobby Cauthorn and Mr. and Mrs. Virgil Cauthorn of Juno, Mr. and Mrs. Douglas Smith, Mr. and Mrs. Bill Cauthorn, Mrs. Clyde Sellers, Mrs. Jimmy Sellers, Jewel Dean Reardon and Guy Cauthorn of Del Rio, Mr. and Mrs. John Royal, David Hirschfeld, Carl Rohlf and Dr. Marcus Young of San Angelo.

Two of Mankind's Greatest Inventions.

Thomas Edison had a bright idea. And his simple invention is so marvelous that the world has yet to come up with a better way to illuminate our lives.

Like all the great inventions, a gas furnace is simple, reliable, and has stood the test of time. It does its job so well that no one has invented a better way to keep your home snug and warm year after comfortable year.

Electricity is great for lights and other small appliances. But an electric heat pump just can't do the job your gas furnace was designed to do. Never has. Never will.

Enlightened folks know that for comfort and efficient home heating, the most effective invention ever made is a natural gas furnace. Period.
