'53 Will Rogers Roundup To Be Bigger, Better

Kirk Announces School Faculty Vacancies Are Nearly All Filled

Nearly all vacancies existing a short time ago in the Muleshoe school faculties have been filled, according to announcement of Jerry Kirk, superintendent.

Sports fans will be pleased to learn about the new high school football coach. He will be Leroy Scott, who will succeed Coach T. J. Bailey, who resigned at the end of last term. Scott has had three years of football coaching. His teams at Estelline the last two years have been outstanding, last year the team won their district.

Mr. Scott is a graduate of Howard Payne College. An assistant coach has not been appointed.

NEW BAND DIRECTOR

Tom W. Shirley has been employed as director of the Muleshoe high school band. Shirley is a graduate of Oklahoma A. & M. and has directed bands in El Reno, Goodwell, and Sulphur, Okla., high schools. He has served as assistant band instructor

at Oklahoma A. & M. and played with the Oklahoma City symphony orchestra and the Amarillo symphony orchestra.

HIGH SCHOOL PRINCIPAL

The high school principal will be James Ray Baker, whose teaching experience has been in Arkansas and Oklahoma. He has his MA from the University of Oklahoma. Mr. Baker has served as principal and superintendent at various times in the past two years and comes here from Kansas, Okla.

Other teachers recently employed to help fill 10 vacancies existing at the beginning of the school vacation:

Eddie Rae Glenn, chemistry & biology; Martha Thomas, a graduate of WTSC, home economics; Dorothy McCasland, home economics; Reuben McLeroy, general science; Charles Thomas, Voc. Ag.; Barbara Galtner, English & speech; and Ralph Earl Bratcher, who will teach in junior high school.

Demonstration To Be Conducted

Fred Johnson, of Johnson-Nix, International dealers at Muleshoe, has announced a free demonstration of International Home Freezers and Refrigerators will be held at their store the coming Tuesday, July 14, beginning at 2 p. m.

The demonstration will be conducted by Miss Evelyn Altman, who has held these demonstrations in cities and towns all over the country.

Primary purpose of the demonstration is to teach the ladies of this area how to prepare foods before and after freezing and how to get the most out of a home freezer. It will serve to acquaint Johnson-Nix friends and neighbors with the International Home Freezers and Refrigerators.

There will be five fine door prizes, and in addition one member of each family present will be awarded a free set of Forest Green iced tea glasses. Everyone is invited to attend this event, Mr. Johnson said.

County Moves To Tax Lubbock Water Rights

The City of Lubbock has been asked to render water rights they recently acquired in Bailey County for taxation by the county. The action was taken July 2, by the Commissioners court in special session here with all members present.

The order read:

Motion by W. W. Couch and seconded by R. P. McCall that the tax assessor of Bailey County send the governing body of the city of Lubbock tax rendition sheets for render the water rights owned by them under the lands of Bailey County.

The clerk, M. G. Bass, was instructed to send copies of the order to the tax assessor and to The Muleshoe Journal.

DESHAZO DISCHARGED FROM NAVY

Jack DeShazo, son of J. J. DeShazo, is now home after being honorably discharged from the Navy.

Jewell Mills Is Called By Death

Jewell Mills, a former resident of the Muleshoe community, died suddenly at Brady Tuesday. He and his family had moved there a year ago, and he operated a Motel. He traded his farm here for the Motel.

During his residence of several years here, Mr. Mills was active in the work of his church and of the Masonic Lodge and Eastern Star.

Funeral services were conducted at 4 p. m. Wednesday at Brady and interment was in Brady cemetery.

Bryant Double Services Held

Double funeral services for Mr. and Mrs. J. W. Bryant were held in the Muleshoe Methodist Church Tuesday afternoon at 3 o'clock. Their deaths occurred within a space of three hours.

Mr. Bryant passed away Sunday, July 5, in Clovis, N. M., in the home of a son. He had been in ill health for some time. Mrs. Bryant passed away three hours later in a Portales, N. M., hospital. She was 79, he had reached age 87.

Rev. H. W. Hanks, Methodist pastor, officiated, and was assisted by Rev. Dewitt Seago, Forest Heights Church, Lubbock, and Rev. J. E. Harrell, of Hale Center. Interment was in Muleshoe cemetery. Grandsons were pallbearers and granddaughters were flower bearers. One grandson, serving in Korea, was not present for funeral services.

They are survived by five sons, H. F. Bryant, Lubbock; J. A. Bryant, Hale Center; Joe Bryant, Farmington, N. M.; Gene Bryant, Anchorage, Alaska; and G. W. Bryant, Clovis; and two daughters, Mrs. E. F. Ward, Portales; and Mrs. E. H. Awtrey, of Muleshoe. All the children excepting the son living in Alaska were present for services.

Planners Shoot For Biggest Parade, Rodeo Performances on 3 Nights

There'll be more of everything in the 1953 Will Rogers Memorial Roundup, to be staged in Muleshoe Thursday, Friday, and Saturday, August 13, 14, and 15, according to a summary of plans for the event made today by Curtis Wellborn, chairman of the steering committee in charge of staging this year's celebration.

Parade

Lee Pool is chairman of the parade committee and vows it will be bigger, better, and quite a lot longer this year.

Pool believes the number of horses in the parade this year may well set a record for Panhandle celebrations. More than 700 horses were counted in last year's three mile long parade.

There will be prizes for two groups of floats, commercial and organization entries, as follows:

Organization floats, \$50 for first, \$25 for second, \$15 for third; commercial floats will compete for \$25 first prize, \$15 second, and \$10 third prize.

Santa Fe Train

The Santa Fe Railway is sending its famous train here to take part in this year's huge parade. The parade will move at 3:30 Thursday afternoon this year.

On Friday there will be a big parade for the kiddies. The youngsters will compete in three groups, wheel type entries, representations of nursery rhymes, and costumes. There will be prizes of \$10, \$5, and \$1 for first, second and third place winners in each of the three groups.

Invitations are out to mounted groups all over this area, and individuals by the score will be mounted on horseback and join in the parade.

And don't be surprised if you see a sister of the late Will Rogers, and the widow of Rogers' flying companion, Wiley Post, in the line of parade. It isn't for sure yet but the planners think it's likely.

During the Roundup, the C. C. will name its "lady of the nation." They know who it is but won't release the name.

And during the parade the Bailey County Farm Bureau will name their county queen, who will take part in the Texas Farm Bureau queen contest. The Curtis Air Force band will lead the parade.

Rodeo

The rodeo will be bigger and better too, with a full three nights program and with features that it never has had before. The roping club announces that the famed Lucas Group of acrobats, from Wichita Falls will be here to entertain the crowd each night.

Another rodeo feature will be a clown with his trick horse, and the trained bull net each night.

The roping club has been active in enlarging and improving the arena. The stoking area, bucking stalls, etc. have been moved back and rebuilt to permit a faster moving rodeo and promote convenience of those taking part.

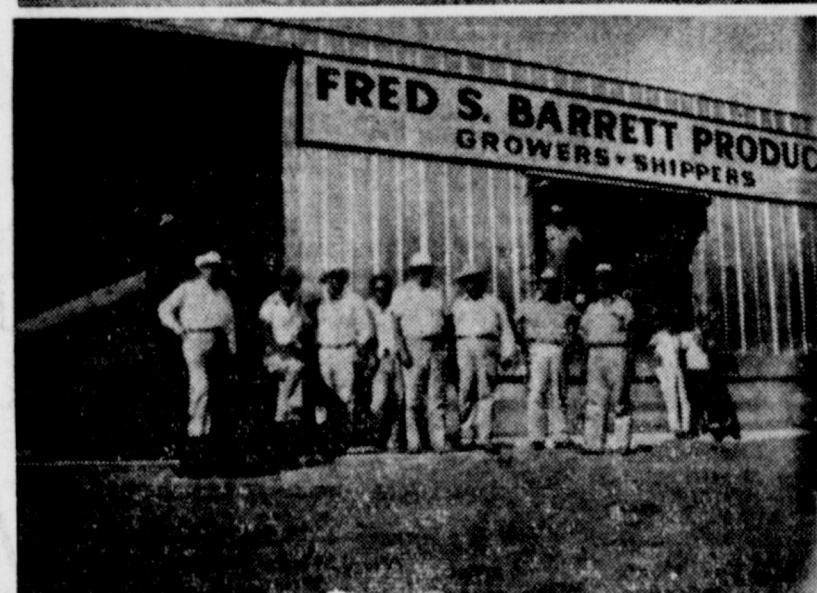

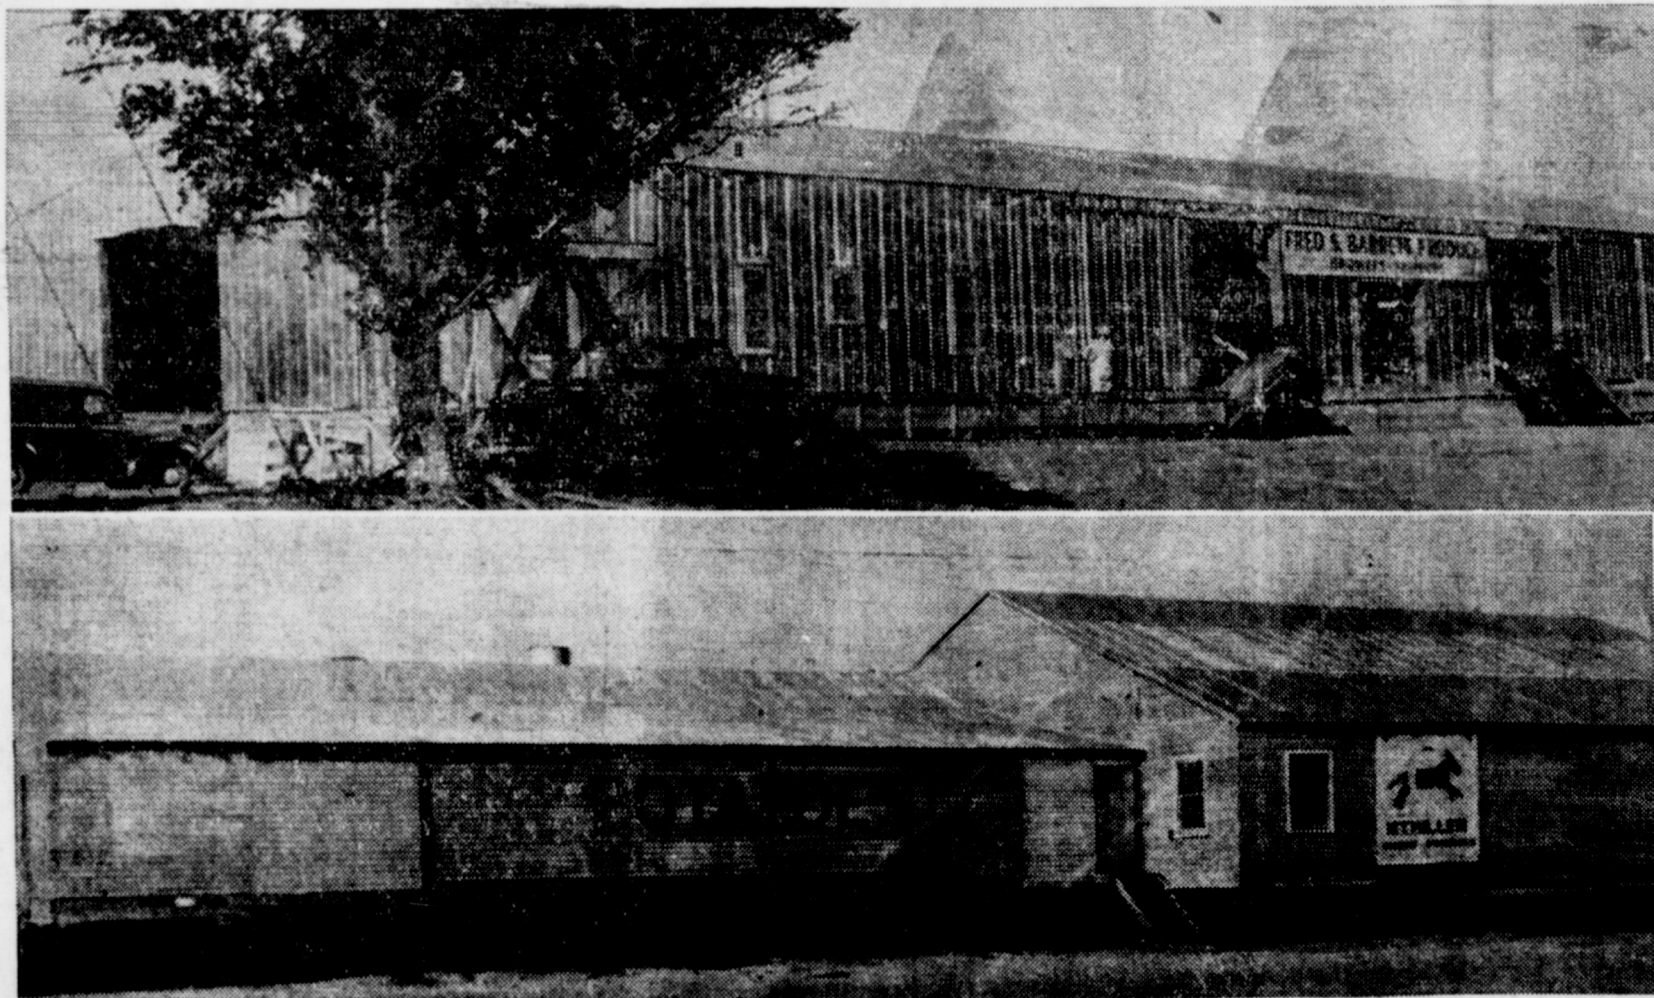

C. O. Jones and Ernest Kerr are in charge of special events, and will announce special features soon. One feature of this year's Roundup will be twenty-five Scout tents, pitched on the street on the north side of the courthouse. These tents will depict various Scout activities.

The usual goodwill tour will be staged a day or two ahead of the Roundup and will continue for two days, making nearly all communities in this section of the Plains.

The Muleshoe Journal will print a special edition, with many extra copies, to publicize the event.

There will be no night program this year other than the rodeo. The rodeo queen, picked by the Roping Club during the parade, will serve also as Roundup Queen.

Muleshoe Potatoes Roll To Market

Two big plants in Muleshoe are busy handling Irish potatoes from some 1,000 acres around this city. The Barrett Produce Co., plant is shown above, that of Bill Millen is pictured above in the lower panel.

At right at top is shown a group of workers range in front of the Barrett plant.

In the lower picture Clyde Bray snapped a field of potatoes just before harvest began.

The potatoes will bring in lots of money although neither price nor yield is too pleasing to the growers.

Cobb's Establish Buying Office

Hoyt Morgan, manager of Cobb's department store here, recently spent two weeks in New York, with a group of 17 Cobb store managers and officials on a merchandise buying trip. While there the stores established a New York buying office, which will purchase much merchandise for the stores in the future.

Mr. Morgan said the arrangement permits large scale group buying by the 14 Cobb stores at a saving in prices as well as time of store managers and staffs.

The managers were accompanied by Tom and Bob Cobb. They all stayed at the Gov. Clinton Hotel and made numerous sightseeing excursions in their spare time. The made the boat trip around Manhattan, saw the Statue of Liberty, the UN building, Rockefeller Center, Coney Island, Times Square, and other landmarks. Everything was quite wonderful for a country boy in Gotham, but Hoyt is not thinking of moving to New York to live.

excursions in their spare time. They made the boat trip around Manhattan, saw the Statue of Liberty, the U. N. Building, Rockefeller Center, Coney Island, Times Square and other landmarks. Everything was quite wonderful for a country boy in Gotham, but Hoyt is not thinking of moving to New York to live.

3-D Picture To Play At Valley Theatre Two Days

Three dimension movies are coming to Muleshoe this Thursday and Friday at the Valley Theatre. The movie "A Day In The Country" a twenty minute short will give the people of this area an idea of the scope of 3-D.

Hertha Walker, owner of the theatre, says this is only the beginning if the folks of this community enjoy this short film.

Hertha also says the show that starts Sunday at the Palace is exciting and wonderful entertainment.

Parmer County To Enforce Rigidly Regulations On Water Well Permits

Well permit regulations are going to be more rigidly enforced than they have been in the past, according to Raymond Euler, Chairman of the Parmer County Water Committee.

Wells that are drilled without prior issuance of a permit will be closed down and a permit for the use of such wells will not be available. It is, therefore, a responsibility of drillers and contractors to require a permit before beginning drilling operations in the interest of the farmers. It is also suggested that precinct commissioners see that the farmer holds an approved permit before digging a slush pit for him, in the interest of economy. A slush pit will in no instance alter established regulations for well spacing and location.

"This strict adherence to regulations is necessary for the protection of irrigation farmers", says Euler. Bordering states and interests within Texas still are seeking means of giving the state titles to underground water. One of their strongest arguments is based on alleged slush methods occasionally employed within the water district in issuing permits. Their contention is that irrigation farmers will not yield to local boards, but must be put under state compulsion, directly, before they will consistently comply.

"We believe farmers in this district want to keep controls in the hands of local citizens enough that they will lend complete cooperation," said Euler, "and we are now prepared to prove it."

Here are the simple rules for obtaining, in one day's time, if necessary, a permit for immediate drilling:

1. Be able to give the exact location of your well site.
2. Be able to give the exact location of the quarter in which it is to be drilled (i. e. 210 from West and 50 from North).
3. Be able to give the exact location of the quarter in which it is to be drilled (i. e. 210 from West and 50 from North).
4. Be able to give the exact location of the quarter in which it is to be drilled (i. e. 210 from West and 50 from North).

The legal description of the land on which you wish to drill.

This and other routine information will be enough to obtain a temporary permit. Upon the return of properly completed Log of Well and Regulation of Well, the applicant will receive the permanent permit, making the well a legal installation according to the law of the district and state.

Several who have secured temporary permits have not yet provided the log and registration forms. Consequently, there is no record of such wells having been drilled and the district could offer no protection to the owners in case of present or future litigation.

Committeemen of Parmer County besides Raymond Euler, Friona; are D. B. Ivy, south of Friona; Bruce Parr, east of Friona; C. V. Potts, northwest of Friona; and Tom Caldwell, south of Friona.

Mason Place Was Mystery Farm

The Clarence Mason farm was identified as the Mystery Farm in last week's paper. It is also known as the Mason Ranch, and is the former Dr. Saddle ranch, located west of Muleshoe.

Winners last week in the identification contest were:

Mrs. Ross Goodwin, out of city; Miss Effie Childress, city.

These two have two tickets each to the Cox Drive-In Theatre waiting for them at the Western Fertilizer Co. office. Western Fertilizer sponsored the showing of the Mystery Farm last week.

Johnson Offers Disaster Bill

Senator Lyndon B. Johnson, joined by 14 of his colleagues, including Senator Price Daniel, has introduced a bill to authorize immediate aid to farmers and ranchers stricken by drought in Texas and other Southwestern States.

The measure, entitled "The Drought Disaster Relief Act of 1953", would authorize emergency loans in the affected areas. It would grant the President clear authority to rush seed, stock feed, urgently required farm equipment and other items to the drought disaster areas. The bill would authorize the appropriation of "such sums as may be necessary" to carry out the purpose of the Act.

Senator Johnson said he introduced the legislation to clear up any doubt as to the powers of the President to meet the emergency existing in drought-stricken farm areas.

"Unless action can be taken quickly, a whole section of our country is threatened with economic extinction," Senator Johnson said. "The whole nation

Scenes At Pancake Breakfast

would feel the effects if the rich agricultural production of the Southwest were eliminated."

The Senator is pressing for quick action on the bill, which was referred to the Senate Committee on Agriculture and Forestry.

Muleshoe's city park got a start in life at the pancake breakfast held there on the morning of Friday, June 26.

In the scene below, the club ladies line up behind the hot griddles and get ready to exclaim "come and get it." One hundred and forty-eight people ate pancakes there that morning. At the right a group goes ahead with grass planting. Pete Freeman, one of the hardest workers for the park is shown doing his stint at the far right.

They will have a barbecue supper in the park the evening of next Thursday, July 16, when once more grass planting will be the order of the day.

Shown at left is Mrs. P. E. Wilmon, head pancake cooker; Mrs. E. E. Holland, Mrs. John Seid, and Mrs. Dave Aylesworth. The two ladies who turned their backs are Mrs. Jerry Kirk and Mrs. A. S. Stovall, who were admiring the park, especially beautiful in the morning sunlight.

Mrs. John West Hosts P. V. S.

The Pleasant Valley Social Club met July 1, in the home of Mrs. John West.

The meeting was called to order, and roll call was answered. Each member was asked to go to the school house on Wednesday morning to help clean the building and get it ready for the Chamber of Commerce supper. Mrs. Harold Allison was un-

able to attend the club meeting as she is in the hospital with a new baby.

Twelve members and one visitor, Mrs. Shelby were present. Delicious refreshments were served to all by the hostess.

The next meeting will be held July 15, with Mrs. George Wuerlein as hostess.

Rebekah Lodge Makes Plans For Installation

The Muleshoe Rebekah Lodge met in regular session Tuesday

night with Noble Grand Argillee Millen presiding.

There were several matters of business discussed. Final plans were made for the joint installation of officers, to be held with the Earth Rebekah Lodge, at Earth. The Muleshoe Installing team will put on the installation service.

The service is to be formal, so everyone is asked to dress accordingly, and be at the Mule-

Now! Power Steering for as low as \$134⁴⁰

Ford brings you [the lowest priced power steering in its field ... and the finest in power steering at that!]

We all know the advantages of power steering. Most of us would like it. And now many more of us can afford it! By spending testing time and development money, Ford brings you Master-Guide power steering for nearly three quarters the price of any other system in its field. For the facts, read the captions on this page. For a thrill, Test Drive Master-Guide power steering in the Ford!

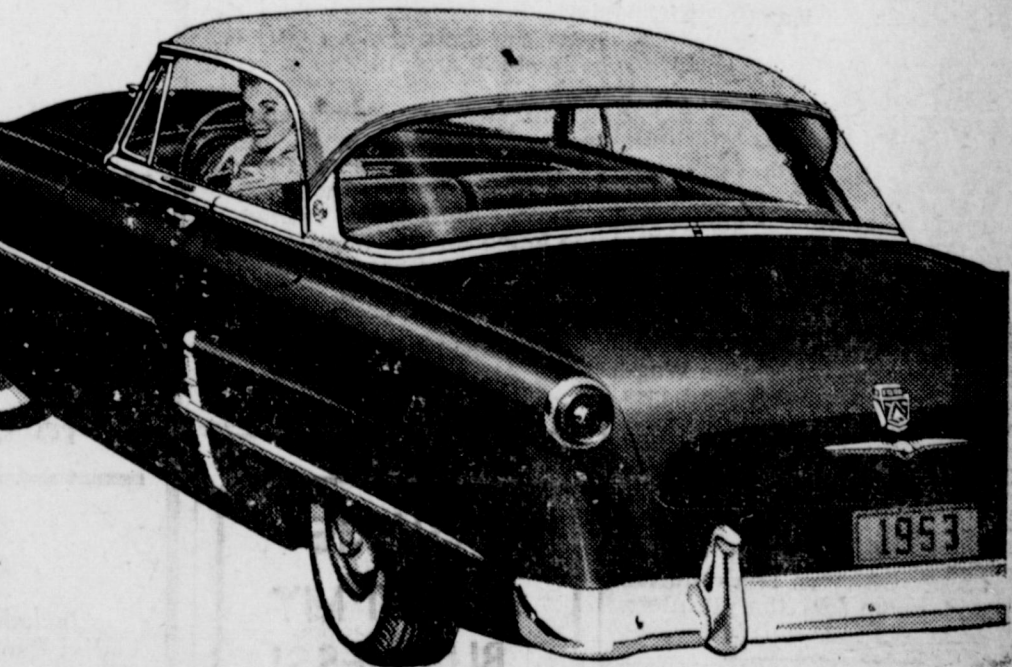

So simple ... So safe!

Blowouts become less risky with Ford Master-Guide power steering. It helps you steer to a safe straight-line stop. And power steering helps you park easier, too ... does up to 75% of the work for you!

No radical change in driving habits! Unlike many other systems, Ford's system gives you much the same "feel" of handling that you get without power steering. Then, too, you always turn the wheel the same amount as you would with regular steering.

*Suggested delivered price. †

And, because Ford's Master-Guide power steering has a more natural "feel" than many others, you don't have to change your driving habits radically. The steering gear ratio is the same as without power steering and the hydraulic system gives you the right assistance when you need it.

Worth more when you buy it ...
Worth more when you sell it!

Golf Club Sunday Concluded Its Most Successful City Tournament

Jim Green did it again and is for the second time the Muleshoe city champion golfer. He defeated Russell Haberer, the runner-up in the finals of the city tournament Sunday to defend successfully his city championship. Haberer was tournament medalist.

Ruby Hart won the ladies' championship.

In the men's championship flight, Lowell Irvin St. Clair beat John Gammons for the consolation honors.

First Flight

Elmo Evans won over A. S. Stovall, the runner-up on the

Women Golfers To Meet July 15

Members of the Muleshoe Women's Golf Association will meet next Wednesday, July 15, at 12 noon for their regular monthly luncheon and business session. They will meet in the Cross Roads Cafe.

Plans will be made for the coming tournament at Morton with members of the women's association there.

West Camp Squeezes Past REA In Tightly Contested Game With 6-5 Win

This week's schedule featured some tightly played games and scores, the closest games since the league play began.

On Monday the REA team and the West Camp club met in a very close game at the local softball field.

The West Camp club went out in front in the first inning by a score of 2 to nothing. That score remained the same until the

Printers Lose To Muleshoe Tuesday

Once again the Muleshoe team managed to slip another game in their win column, this time at the expense of the Printers.

Both teams played a good game and the pitchers were really pitching one of their nicest games, with the help of the fielders and infield backers.

Muleshoe scored in the first inning when Frank Cox walked and then stole second and wasn't satisfied with that and had to steal third and going home on an error. The Printers went hitless the first frame, not getting a run in until the fourth inning when they got one man across home plate.

Muleshoe scored again in the third inning and still holding the Printers off, they went ahead two to nothing. The Printers got their first run of the game in the fourth, holding Muleshoe scoreless. In the fifth, Muleshoe pushed across two more runs while holding the Printers to only two hits and no runs. The sixth found the Muleshoe team scoring two more times, making the score five to one. The seventh inning the Printers managed to get another run on Marion Waggoner's home run with the bases empty. The Muleshoe team failed to score. The final score found the Printers on the short end of a 6-2 count.

Lewallen, pitching for the Muleshoe team gave up eight hits and two runs. Shaw hurled a good game for the Printers, allowing six runs on twelve hits.

Muleshoe Bests REA By 7-6 Score

The league leading Muleshoe softball club added another feather to their cap by beating a stubborn REA team last Thursday afternoon 8-6.

The game was a very closely played affair, with each team displaying good ball and hustling a lot.

Both teams scored in the first inning and from there until the last frame it was nip and tuck game all the way. Muleshoe finally pushed across 3 runs in the third inning and led the rest of the way.

On the mound for Muleshoe was Lewallen while Arnold Gross pitched the game for the REA team.

The win put the Muleshoe team ahead with 5 wins against no losses. The REA team now has a record of 1 win and 4 losses.

18th hole. Houston Hart won consolation honors by defeating Billy Don Barbour.

Second Flight

In the second flight Morris Douglass was the winner, defeating runner-up Herb Griffiths in the Sunday finals. Clyde Holt defeated Connie Gupton for consolation honors.

Third Flight

Sikie Watkins won over Roald Johnson to take first place. Johnson was runner-up. Jerry Kirk beat Buck Wood for the consolation trophy.

Championship Flight

Ruby Hart was the champion, Melzine Elliott the runner-up. Elizabeth Woodley defeated Naomi St. Clair for consolation honors.

First Flight

Janet Wagnon won first, defeating Jo Wood, runner-up. Dorothy St. Clair defeated Mary Anna Bryant for consolation.

Second Flight

Hattie Ray Jones defeated Marlene St. Clair, the runner-up. For consolation honors, Nona Blake Douglass won over Edith Evans.

Troy Wilkerson, secretary and treasurer of the Golf Club, said he thought the two tournaments were the most successful yet held by the club.

West Camp Trips Printers For 7-6 Win

The Muleshoe Printers went down before the hustling West Camp team last Friday 6-7 in a tightly contested game.

The Printers went ahead in the second inning, running in 3 scores while West Camp managed to get only 1. In the fourth frame the West Camp club got 3 runs while the Printers got one man in, tying the score 4 and 4. In the fifth frame both teams sent two men across the plate sixth inning was scoreless for tying the score again 6 all. The both sides and in the seventh inning the Printers got one more run in but that wasn't enough as the West Camp team, not to be outdone, scored 2 runs to put them in the lead and win 7-6.

Buster Herrington twirled a fine game for the West Campers while Eugene Shaw did equally well for the Printers.

Pink And Blue Shower Honors Mrs. Joy Hall

The home of Mrs. Ferris Heathington, was the scene Thursday, June 25, of a Pink and Blue shower, honoring Mrs. Joy Hall.

The shower was a come and go affair, and lasted from 4:00 o'clock, p. m., until 6:00 p. m.

The honoree wore a corsage of pink gladiolus, and the table was covered with a white cloth and centered with a bouquet of pink gladiolus. Guests were served refreshments of punch and cookies.

Hostesses for the occasion were: Mmes. Clarence Mason, Joe Embry, M. H. Otwell, W. B. Wagnon, Aubrey Heathington, Ferris Heathington, and Morgan Locker.

Mrs. Damron Hosts Fidelis Class

Mrs. Joe Damron, was host to the Fidelis Sunday School Class, when they held their regular meeting, Thursday, July 2. Co-hostess was Mrs. O. D. Ray.

The devotional on "Faith", was given by Mrs. A. C. Bray. She took her lesson from the 11th Chapter of Hebrews.

The president, Mrs. Mable

Bristow, presided over the business session.

There were nineteen members and two visitors present. Visitors were: Mrs. Mable Robinson, of Oklahoma City, Okla., and Donna Precure. Members present were: Mmes. W. B. McAdams, H. E. Schuster, F. H. Davis, Eddie Lane, A. C. Bray, L. H. Jones, G. C. Bristow, Horace Blackburn, L. T. Green, J. V. Peeler, M. F. Green, Roy Brashear, C. M. King, R. D. Precure, Burt Remund, R. I. McLeroy, R. L. Jones, O. D. Ray, and Joe Damron.

Philathea Circle Met Monday Eve.

Mrs. Gladys Black was host to the Philathea Circle, last Thursday night, July 2, as they held their regular meeting.

Mrs. Jerri Farrell opened the meeting with a prayer.

The program for the evening on "Christian Mothers, Wives, and Marriages" was given by Dorothy Wyer, Fern Antrey, and Charlene Bickel.

Delicious lemon and chocolate pie, and iced tea, were served to one visitor, Della Mitchell, and the following members: Mmes. Fern Antrey, Mildred McReynolds, Ruby Faubus, Jerri Farrell, Margaret Adams, Ida Mae Shofner, Mary Nell Chapman, Joy Whitt, Dorothy Wyer, Mrs. Hanks, Charlene Bickel, and the hostess, Gladys Black.

THE MULESHOE JOURNAL, Thursday, July 9, 1953

Mamie Freeman Rex Sanderson Vows Are Read

Mr. and Mrs. Rex Sanderson

Mr. and Mrs. Garland Freeman are announcing the marriage of their daughter, Mamie Freeman, to Rex C. Sanderson, of the U. S. Navy. Rex is formerly of Clovis, N. M. He is the son of Mr. and Mrs. C. K. Sanderson of Clovis.

The wedding took place June 24, 1953.

Rex and Mamie are making their home in San Diego now.

Frances Johnson And Robert Landers To Be Married

Miss Frances Johnson

Mr. and Mrs. Jack G. Johnson announce the engagement and approaching marriage of their daughter, Frances Ann, to Sgt. Robert Keith Landers, son of Mr. and Mrs. C. B. Landers, of Earth. The wedding will be solemnized, Saturday, August 8, at the Muleshoe First Baptist Church.

and cool-aid were served to the following: Mmes. George Chambless, N. W. Lee, L. C. Browder, W. W. Adkins, E. V. Bartlett, L. D. Tipton, Dave Coulter, one visitor, Linda Chambless, and the hostess, Mrs. C. W. Patterson.

ALL ABOUT TEXAS in the Texas Almanac, on sale at The Journal. Phone 7220, we deliver.

Hart And Jones Vows Exchanged

Mary Hart announces her marriage to Arnold Jones on June 30, 1953. The ceremony was read by Rev. E. J. Kinery at the First Baptist Church in Clayton, N. M. The couple is at home in Muleshoe.

Winsome Class Meets In Home Of Mrs. Perkins

The Winsome S. S. Class of the First Baptist Church held their

regular meeting Monday evening, July 6, in the home of Mrs. Troy Perkins.

Mrs. Lela Barron, teacher of the Winsome Class gave a very inspiring devotional.

Delicious refreshments of cake and punch were served to the following: Mmes. Len Bratcher, Hazel Wimberley, Lela Barron, Hoyt Morgan, Vernal King, Vernoy Towns, Jerry Kirk, and one visitor, Mrs. Carl Bratcher, whose husband is to be in the Muleshoe schools for the coming year.

LOCAL CHURCH HOSTS FELLOWSHIP MEETING

The Assembly of God Church will host the West Plains sectional fellowship meeting here the night of Tuesday, July 14.

This will be an all day event. Rev. E. E. Mason of Tulsa will be in charge of the services.

VISITORS IN COULTER HOME

Mr. and Mrs. Clarence Nelson of St. Clair, Michigan, visited her mother, Mrs. C. C. West, in the home of Mr. and Mrs. Dave Coulter, last week.

Other visitors in the Coulter home were Mr. and Mrs. Ed Nelson, and their sons, Don and Stan of Tucson, Ariz.

SUNDAY VISITORS

Mr. and Mrs. R. L. Roubinek and Jackie, were Sunday afternoon guests in the home of Mr. and Mrs. Leroy Hicks. Mrs. Hicks served them delicious homemade ice cream and cake in the afternoon.

VISITED SISTER

Mrs. Billy Free visited Wednesday afternoon in the home of her sister, Mrs. Melvin Block near Earth.

Phone 7220 — Muleshoe

Methodists To Hold Revival

Rev. T. M. Guthrie, D. D., pastor of the First Methodist church Sweetwater, will be the preacher for the revival meeting at the First Methodist church in Muleshoe, beginning July 19 and running through July 26. Services will be conducted twice daily. The morning service will be at seven. The evening service will be at eight.

Dr. Guthrie is one of the truly great and good preachers of Texas. He was one of three Methodist preachers, of Texas, who was selected three years ago as an exchange preacher with one of our pastors in London, England. These three months experience enriched his personal ministry. We feel fortunate indeed to be able to secure the services of this good man.

DR. GUTHRIE

We urge all our members to attend each service. We extend a hearty welcome to everyone of the community.

—Rev. H. W. Hanks, pastor

Formby Sets Up Plains Office

Marshall Formby has announced the opening of his Highway Commissioner Office at 416 Skaggs Building in Plainview. Formby was appointed to the Commission last February for a six-year term and it is customary for each of three Highway Commissioners to maintain an office in a town in the section of the state in which he lives.

FORMBY

Formby, an attorney, also will maintain his law office in connection with the Highway Commissioner Office.

Commissioner Formby was reared at McAdoo, in Dickens County and was county judge of that county for four years. In 1941, while a member of the Texas Senate, he moved to Plainview and bought the Plainview Tribune. He sold this paper in December, 1947 and in recent years has been engaged in the Radio station business. He owns KPAN at Hereford, and is co-

owner of KFLD in Floydada. He spent four years in the Army, serving with the Engineers. He spent 20 months in the European theatre.

Formby has degrees from Texas Tech and the University of Texas. He states that the duties of Highway Commissioners Office will require about 25% of his time and that he will be able to devote the other three-fourths in the practice of law. He and his wife moved back to Plainview last month.

Sudan Festival Pictures Shown To Rotary Club

A group of Sudan Rotarians brought the colored film made during Sudan's Fall Festival last year to Muleshoe Tuesday and showed it to the members of the Rotary club and their guests.

Sudan's Fall Festival had for its theme international good will and peace, and the theme was so cleverly developed that the event gained international notice and publicity. It was declared to be one of the most significant celebrations ever staged by a small town, or any town for that matter, because the world learned that the common man in America sincerely desires to be friendly with the rest of the world, respects people of all nations, and truthfully hopes for a peaceful world.

Great men everywhere sent messages. Congressman Mahon spoke and Charles Guy, Lubbock editor, was the emcee. A great parade featured the world peace idea, and Sudan people dressed in the native costumes of nearly

Pastors Exchange Posts Five Weeks

Rev. Carroll M. Jones, pastor of Progress Baptist Church, will have a working vacation in scenic Washington State during the next five weeks. He is exchanging pastorate for that length of time with Rev. Austin Ruggers, pastor of Raymond, Wash., Methodist Church.

Rev. Jones, Mrs. Jones, and their three children, Barbara, Linda, and Kirk, left Tuesday for Raymond, which is a town of about 800, located near the Columbia River in a beautiful part of the state.

Rev. Ruggers and family simultaneously will come here to take over the duties of Progress church pastor for five weeks, or through Sunday, August 9. Mrs. Ruggers' folks are the J. A. Ragle family of Olton, so the Ruggers will have a vacation near their home folks.

DAUGHTER VISITED

Visitors in the home of Mr. and Mrs. Jesse Osborn last weekend were their daughter and son-in-law, Mr. and Mrs. John Coleman, and daughter Susan, of Portales N. M., and Mr. and Mrs. G. W. Mayben, of Bovina.

WEEK END IN TRES RITOS

Mr. and Mrs. Lloyd Alsop and Mr. and Mrs. Charles Alsop, spent the 4th of July holidays in Tres Ritos, N. M., camping out and fishing. They said they didn't catch anything. Sunday they went to Taos, and ate lunch, then returned home.

Nickels & Sons To Build A New Gin In Pleasant Valley Community

Cotton Blooms On July Fourth

John Aduddel, farmer of the Y. L. community northeast of Muleshoe, found red blooms on his cotton on July 4th, and he thinks maybe it was about the earliest blooming cotton around hereabouts.

Since the bloom is first white then turns red in about three days, this means his cotton was blooming about July 1. It does sound mighty early.

Mr. Aduddel farms the W. S. Smith place and has 100 acres of pretty fair cotton, he says. The plants are fruiting nicely.

HARVEYS HAD VISITORS

Mr. and Mrs. "Bear" Ferguson and son Tommy, of Borger, visited Sunday with Mr. and Mrs. Cecil Harvey.

Pleasant Valley Community, northeast of Muleshoe, will have a gin plant this fall for the convenience of many good cotton growers in the neighborhood.

Guy Nickels & Sons, owners of the Lariat Gin at Lariat and the Nickels Gin here in Muleshoe, this week announced they will erect a "4-90" gin plant in time for this fall's ginning season. They said it will be one of the most modern gin plants in West Texas.

Exact location of the gin was not made known this week since definite agreement had not been reached with a land owner.

Guy Nickels is joined in the ginning business by his two sons, J. A. Nickels and Ed Nickels.

STOPPED FOR FEW HOURS

Mr. and Mrs. Charlie Jeffries, of Colorado City, stopped Sunday on their way to Eagle Nest, and stayed for a few hours in the home of their friends, Mr. and Mrs. Tom Smallwood.

J. M. FORBES Editor and Publisher

**BABSON Discusses —
 Has Some Good News**

Babson Park, Mass., July 9 — Readers have already seen in the newspapers that the Federal Reserve Board has reduced the reserve requirements which banks must carry. This, directly or indirectly, should help every reader of this column, I wish to explain what it means.

NEW FEDERAL RESERVE RULING

For the past few years every member bank has been required to keep on hand a reserve of various percentages, up to 24%. In other words, when you deposit \$100 the bank heretofore has been able to loan only about \$80 of this money. This amount varies with different banks and I merely use this figure as a variable illustration. The large city banks have one percentage for reserves; those of the smaller cities have another percentage; but every member of the Federal Reserve System has a required percentage.

Farmers have found it more difficult to borrow on crops; builders have found it harder to get mortgages; and every loan by local banks has been scrutinized more carefully. This is all a part of an honest attempt by the new Administration to prevent inflation. In most cases, it has not been due to any change of laws, but to a more careful handling of the Government funds.

EISENHOWER DOES NOT WANT A DEPRESSION

The above more businesslike program has caused Congressmen to get thousands of letters from readers complaining that applications for loans were being turned down. For fear that this, combined with the droughts from which some sections are suffering and the unsettled foreign situation, might bring about a depression, these Congressmen have been pestering the White House. Probably your Congressman was one of these. Ike in effect replies to them that he will not resort to former carelessness and will continue to handle the Government's money as if it were his own; but if they want to change the rules in a fair and

honest manner he will abide by them.

As a result, the Federal Reserve Board, by changing the Reserve requirements, has made it possible for banks to loan more money. Congress has also changed the law enabling veterans to buy more expensive homes with a down payment which could be as low as 5%. Congress is in the process of also loosening up restrictions along other lines. As a result, any farmer, builder or businessman who now has an honest need for funds can, with reasonable security, get a loan. There, however, must be no politics connected with the loan.

WHAT ABOUT MONEY RATES?

Some months ago, I forecast in this column that interest rates would be higher. All the large city banks have since then raised their rate of interest. So have banks of many smaller cities. Whether your own local bank has raised its interest rate since President Eisenhower was inaugurated, I do not know. If, however, it has not already done so, it should "count ten" before it does now. One thing is certain, when you now attempt to borrow money from your local bank and are refused, the bank can no longer blame it onto the new administration. I hear this is popular excuse for turning down loans or raising interest rates by banks in Democratic communities!

When the new Administration came into power you were obliged to put up a margin of 75% when you bought listed stocks, in case you did not pay in full. Soon this percentage was reduced to 50%, which should have made stocks go up in price, but they did not rise. This is a good illustration of how prices are really controlled by fundamental conditions and not by legislation. The old Law of Action and Reaction still continues. "You can lead a horse to water, but you can't make him drink." As to the general business outlook, I am still cautious; but if your local bank doesn't now loan money more freely to good citizens it cannot blame the Federal Reserve or Bureaucrats. The reason will be that businessmen have decided to depend more on honest work, intensive selling and more advertising rather than on borrowing money.

**SAND HILLS PHILOSOPHER
 Says Words Can't Bring On Depression
 Or End One If We Did Have One**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm seems to be dealing in words this week, of which he has an inexhaustible supply.

Dear editor:
 I do not like to talk about hard times, there is a school of thought in this country which says mention of the word depression should be banned from public discussion, that it's sort of like yellin fire in a crowded theatre, but I am not a member of that school.

In the first place, I do not consider times hard now, except where it's dry or two cattlemen are gathered together, and I figure it's pretty difficult to have a depression when things keep goin higher and higher, with the exception of course of cattle, and in the second place, I do not believe anybody can talk this country into a depression any more than he can talk it out of one in case one shows up. This country is not so shaky that a few idle words can move it in any direction and neither am I, and on top of that I know I have never had to consult anybody to find out for myself whether times were good or bad. A man who don't know whether times are good or bad, he's in pretty bad shape to start with.

Therefore, I was considerably amused the other day when I picked up a copy of a newspaper which somebody had used to lie on while he put a jack under his car to fix a flat, I was aimin to get down there and help him change it but when I woke up after a short nap under a shade tree he was gone, and read where a big city real estate man was hoppin mad because a farmer in East Texas and predicted a depression worse than the one we had before was on the way. "What does that farmer know

about such things?" he demanded, claimin the farmer ought to be silenced, and since nobody in his audience apparently answered him, I will.

That farmer doesn't know a thing about such matters. But I would like to hasten to add, I don't mind hastenin as long at it's just to add something and you can do it without leavin the shade, that that farmer however is not by himself. There's a lot of real estate men in the same boat, along with a lot of other people.

The way I see it, there ain't hardly anybody who knows what times are gonna be like next year or the year after. We got lots of experts who can tell pretty satisfactorily what happened last year or the year before or ten years ago, but when it comes to knowin how business is gonna be twelve months from now, most experts, when you corner em, are busy doin something else.

Personally, I'm in favor of free discussion. The man who goes around tellin himself times are gonna be good forever is about the same as the man in a depression who goes around sayin times are gonna be hard forever. Regardless of how it seems, some women ain't gonna talk forever, it ain't gonna rain forever or stay dry forever, but in some places and with some women it's gettin close to it.

Yours faithfully,
 J. A.

HAVE RETURNED HOME

Mr. and Mrs. Garland Freeman have returned home from San Diego, Calif. They were accompanied to San Diego by their daughter Mamie, Mr. and Mrs. Freeman, Rex, and Mamie visited Tijuana Mexico, while they were in Calif.

HERE at HOME
 by SCOOP FORBES

Read, in another column of this paper, about how our school faculties are now practically complete. Jerry Kirk, the super, has been a busy little bee since school turned out to have filled ten vacancies. Now he hopes to lean back in the rocky chair for a day or so and take it easy.

Grass planted in the city park is taking root and growing under the steady ministrations of J. J. Redwine, who has petted it pretty consistently. Next thing will be to plant the east quarter of the park. Don't think for a minute that anyone is slacking down on the park plans, these ladies of the ladies clubs won't let anybody do that. They were in earnest about having a park. They'll have a barbecue supper next Thursday night in the park, and after eating they'll all turn to and do some more planting.

The trustees have had plans prepared on the new education building and we'll know more about it later on. If a trustee got paid by the hour for what he does, he'd get paid a lot, for he puts in many hours that we know nothing about. They meet and study things until midnight so that you and I can have a good school system and in some way we ought to recognize that and appreciate their unselfish efforts.

Roaring Springs is one of the few natural watering places for

Plains and West Texas folks. They are using the water which gushes out of the caprock to fill a large swimming pool. The place belongs to the Matador Ranch, which leases it out to private individuals.

Except for the swimming pool itself the place is exactly like nature made it. The state has put up a marker which explains that folks have been coming to this spot since prehistoric times, and that is was a favorite spot for the Comanche Indians and their main camp at the time of the Cynthia Parker rescue near Quanah.

No telling how much water escapes out of the Plains underground water bearing sands at these springs. There is a large waterfall near the pool and the purest, clearest, coolest water dashes down in large quantities, I hear it has been weighed and the volume is known—whatever the amount, it would water many an acre of parched Plains farm lands, but what would the recreation seekers do if the spring stopped running? Some in the party I was in had first visited the springs about 60 years ago, still go there at every opportunity.

About People You Know

FRIENDS VISIT

Mr. and Mrs. C. M. Miller and sons, of Milwaukee, Wis., arrived here Monday, for a visit with their friends, Mr. and Mrs. Ray Franz.

WERE HERE OVER WEEKEND

Mr. and Mrs. George Vaughn and daughter, of Albuquerque, N. M., were here over the weekend and visited in the home of her mother, Mrs. Lela Barron.

WENT FISHING

Mr. and Mrs. E. T. Bates, Jack Buford Bates, and his son, Buford E. Bates, Jr., Mr. and Mrs. Arlen Libbs and son, Mr. and Mrs. Bobby Jordan, Mrs. Paul Jones and children, Shirley and Donald Jordan, and Miss Eliza-

beth Harden went to Lake Kemp over the weekend on a fishing trip. Miss Harden said they had a nice time and caught some fish.

HERE FOR MONTH

Mrs. N. T. Bruton of Bangs, is here for a months vacation with her daughter, Mrs. H. M. Shofner.

VISIT PARENTS

M. and Mrs. Bobby Pittman are here for a short visit with their parents, Dr. and Mrs. G. A. Barnett. Bobby is to report to a camp in New Jersey the 22nd of this month, and will be sent to Europe from there. Diana will remain here while he is away.

ENOCHS VISITOR

Anna Margaret Gunner of Enochs, spent the weekend with Margaret Bryant and Margarets, parents, Mr. and Mrs. L. J. Sanders.

VISITORS IN STOVALL HOME

Mr. and Mrs. Norman Durham, of Austin spent the last two weeks here in the home of her parents, Mr. and Mrs. A. S. Stovall.

QUANAH VISITORS

Mr. and Mrs. W. H. Gholson and family of Quanah, visited over the 4th of July weekend in the home of Mr. and Mrs. O. D. Holton.

SPENT WEEKEND IN RUIDOSO

Mr. and Mrs. C. E. Howard spent the holiday weekend in Ruidoso, N. M. Mrs. Howard said it had rained there and was nice and cool, but was really crowded up there.

WERE IN SLATON

Mr. and Mrs. Sherman Inman and Judy, visited over the weekend in Slaton, with his sister and brother-in-law, Mr. and Mrs. M. M. Shearer.

ON FISHING TRIP

Mr. and Mrs. W. M. Pool, Jr., are in New Mexico this week on a fishing trip.

VISIT FRIENDS

Mr. and Mrs. Henry Williamson and family, of Brownfield, and formerly of Muleshoe, visited their friends, Dr. and Mrs. Lewis, and Mr. and Mrs. Julian Lenau, over the weekend.

HAD VISITOR

Mrs. Grace Chepin of Wichita Falls was here for the 4th of July holiday, and visited in the home of Mrs. C. C. Mardis.

OKLAHOMA VISITORS

Mrs. Lowell Price and sons, of Pauls Valley, Okla., were here last week and visited with Mrs. Faye Smith, and Mr. and Mrs. Julian Lenau.

VISITED IN MANARDHOME

Mr. and Mrs. Hardie L. Mayes, Jr. and daughter, Carla Sue, have been here visiting in the home of Mr. and Mrs. E. R. Manard. Over the 4th of July weekend, Mr. and Mrs. Manard, and the Mayes family went to Carlsbad, N. M., and took a tour through the Carlsbad Caverns.

VISIT MOTHERS

Mr. and Mrs. J. V. Peeler visited Sunday in Littlefield with their mothers, Mrs. M. H. Glover, and Mrs. Lula Peeler.

VISITED IN HOBBS

Mr. and Mrs. Harold Cowan, and Mr. and Mrs. Jim Lane, visited over the holidays with Mrs. Cowan's mother, and Mr. Lane's sister, Mrs. Earl Lee, of Hobbs, N. M.

WENT ON PICNIC

Mr. and Mrs. Sylvan Robison, and sons, went to San Jon, and Tucumcari, N. M., Sunday on a picnic and sightseeing trip.

CONDUCTED FUNERAL

Minister and Mrs. J. E. Randol were in Merkel last week, where Bro. Randol conducted the funeral services for his cousin, Mr. W. I. Decker.

BULLOCHS HAD VISITORS

Visitors in the Pat Bulloch home over the weekend were her brother and family, Mr. and Mrs. A. L. Spell of Brownfield, her sister, Mrs. M. L. Hayes and family of the Y. L. Community, and Mrs. Webster of Dallas. Bill and Marlene St. Clair and baby, were dinner guests Sunday.

SISTER VISITED

Mr. and Mrs. D. O. Burelsmith had as visitors over the weekend, her sister and family, Mr. and Mrs. E. F. Cleveland, of Pampa.

VISITORS FROM CALIFORNIA

Mr. and Mrs. J. F. Meeks, of Bakersfield, Calif., are visiting in the home of Mr. and Mrs. Pat Bulloch this week.

VISITED IN FT. WORTH

Mr. and Mrs. L. H. Testerman visited relatives and friends in Ft. Worth last week. Returning with them were their niece, Corlene Jasman, and Mrs. Testerman's sister, Jessie Crouch, who spent the weekend here.

WAS IN ABILENE

C. E. (Happy) Dyer, was in Abilene over the weekend, where he visited his daughter and son-in-law, Mr. and Mrs. Leo Baker.

VISITING SON

Mr. and Mrs. J. O. Allison of Pottsboro, are visiting this week in the home of their son, Alvin Allison and family.

ALLISONS HAD VISITORS

Mr. and Mrs. Charles Mills, of Olton, visited Sunday in the home of Mr. and Mrs. Alvin Allison.

VISITED PARENTS

Mr. and Mrs. M. G. Bass visited her parents, Mr. and Mrs. J. C. Reynolds, of Lubbock, Sunday. They came back by Anton, where

they visited his parents, Mr. and Mrs. H. I. Bass. Staples always on tap at The Journal.

LUBBOCK VISITORS

Mr. and Mrs. Bill Borum and Kay, of Lubbock, were here last week visiting her parents, Mr. and Mrs. B. H. Bickel.

VISITED HERE

Mr. and Mrs. E. T. Clements, and family, and their married son, Bryan Clements and family, of Pampa, were Sunday visitors in the home of Mr. and Mrs. C. R. Black.

FATHER VISITS

Mr. J. M. O'Donnell of Houston, is here for a visit with his daughter and family, the W. E. Booths.

WERE IN LAS VEGAS

Mr. and Mrs. Clinton Bristow and boys, and Mr. R. L. Gabbert, spent the 4th of July weekend in New Mexico. Friday night they went as far as Las Vegas, where they spent the night. They spent Saturday and Saturday night in Red River and returned home Sunday by way of Santa Fe.

BACK HOME

Mr. and Mrs. J. K. Adams have returned from a vacation trip, which took them through parts of Oklahoma, Kansas, Colorado, and New Mexico.

In Colorado, they visited the "Garden of the Gods", "Seven Falls", Cave of the Winds", "Royal Gorge" and the state penitentiary at Canon City. They went as far north as the Rocky Mountain National Forest, above Denver. They returned home by way of Red River, N. M. They were accompanied on the trip by Mr. Adams' sister, Mrs. Adams said Bailey Co., was the best looking county they saw on their trip.

TO HAVE SUPPER

Mr. and Mrs. J. K. Adams will have a back yard supper Wednesday evening for relatives of Mr. Adams. Among the expected visitors will be Mr. Adams' sister, Mrs. Vernon Vesels, of Indianapolis, Ind.

ENSIGN
Butane-Propane
CARBURETION

...FOR LOW COST FARMING

With Butane-Propane you can cook and heat the home. You can also run the tractor, irrigate, generate electricity and fuel your trucks. Equip your various engines with ENSIGN Carburetion for Butane-Propane and make very substantial savings in fuel costs and engine maintenance. Engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

The carburetion you buy and its method of application is the key to successful engine operation. Ensign carburetor specialists for 36 years, pioneered Butane-Propane Carburetion and has perfected the finest equipment for easy starting, power, economy and safety. Consult your local ENSIGN Dealer. He is a specialist on Butane conversions and will gladly inspect your engines and advise on the feasibility and cost of the installation. Call or write him for free bulletin on the use of Butane-Propane in tractor, truck and pumping engines.

Our Terrible Thirst

If your town doesn't have to worry about its water supply, you're lucky. A lot of towns do.

Trouble is, some communities never dreamed that they might double and triple in size, that new industries would come to town, that citizens would use more water than ever before. We've reached the point where we use about 1100 gallons per person a day in the United States.

Yet why should water be short when 25 times our needs falls from the skies every year?

Unhappily, it doesn't always fall when and where we need it most. Many reservoirs were built with no idea that towns would grow so fast. And 75% of our communities rely on water from lakes and streams. Today many of these are polluted and require treatment before use.

When faced with a shortage, cities suddenly discover to their sorrow that new water sources take time to complete.

For years General Electric has contributed toward development of better and more efficient water-works equipment. This is not so unusual, since motors and other electric equipment are important in water systems, large or small.

Some of the things we've learned about water supply, and the related problem of water pollution, have been put together in motion pictures and booklets, prepared in cooperation with the U. S. Public Health Service. Any town fathers who are interested in what's available can write to General Electric, Room 123-2, Schenectady 5, N. Y.

You can put your confidence in

GENERAL ELECTRIC

Put your Ford in "Trip-top" shape

"Travelize" your Ford now!

You'll save time

and money.

A vacation trip is one time when you want your Ford in the pink.

Travel-wise owners make sure by having their Fords "Travelized." And not at the last minute, either!

A week or so before their trip, they get the all-round check-up which their Ford Dealer is so well equipped to perform.

Then they know they're driving away in a car which has been given a

real "travel-check" by Ford mechanics who have at their disposal the advantages of factory-approved methods and Genuine Ford Parts.

Try this "Travelizing" idea on your own Ford. Let your Ford Dealer go over it point by point, with special attention to the eight under-hood items displayed below. You'll say the peace of mind alone was worth the little time and money it cost you.

GENUINE Ford PARTS SERVICE

(SEAL)

old dutch oven, over an open camp fire. The group went on hiking trips into the mountains, and the cool mountain air made nights in the tents really enjoyable.

CARD OF THANKS
It will be some time before I will be able to write and thank my many friends individually for the beautiful flowers, the lovely gifts, and the many get well cards, and letters that were sent me since my eye operation. Thanks for the prayers that were said for me. Words cannot express my thanks to you for your remembrance of me in such a time.

Gwyneth Bigham

HAD GUEST SUNDAY
Mrs. Neat Holt Jr. of Lubbock was a guest of Mr. and Mrs. Walter Witte Sunday, and attended the Henry Clements funeral.

HAD VISITORS FROM VENEZUELA
Mr. and Mrs. J. B. McKee and children, of Caracas, Venezuela, and Mrs. Pearl Lowe of Frederick, Okla., visited in the home of Mrs. McKee's and Mrs. Leo's sisters and brother, Mr. and Mrs. J. E. Embry, Mr. and Mrs. Leon Lewis and Mr. and Mrs. J. B. Wright last week.

LOCAL GIRL ON TSCW HONOR ROLL
DENTON, July 7 -- The Texas State College for Women Special Honor Roll for the second semester of the 1952-53 session contains 260 names, 31 of which made all A's.

Each girl received a letter of congratulations for her scholastic achievements from Dr. Vernon L. Wharton, TSCW dean. On the Honor Roll from Muleshoe was Mary Irene Shanks, junior business major. Miss Shanks, who lives on Route 2, made all A's.

WEEDEND IN ARKANSAS
Mr. and Mrs. Bill Collins, and Betty, spent the weekend in Springdale, Ark., with their daughter and son-in-law, Mr. and Mrs. Bill Jeter.

Mrs. Collins said Bailey County never looked so good to them, said Arkansas was hot and dry, Oklahoma was even worse, and a lot of the cattlemen were loosing their stock.

THEY'RE GONE AGAIN
Mr. and Mrs. H. S. Sanders are off again on another of a series of long vacation trips, this time to Colorado. And this time their little grandson, "Muleshoe Mike", got to go with them. They'll headquarter at Gunnison, do lots of fishing and sightseeing from there for the next two months. Previous trips had taken them to the Pacific Coast, through a part of the old South, up into Missouri and back to south and east Texas.

MORAWS HAD VISITORS
Visitors in the home of Mr. and Mrs. Rudolph Moraw and family for the weekend, were M-Sgt. A. G. Moraw, and Wilfred Polzer, of Amarillo.

GIRLS ARE BACK HOME
Tommie and Connie, twin daughters of Mr. and Mrs. Tom Smallwood, have returned from a weeks vacation, which they spent in Lamesa, with their aunt, Mrs. J. J. Hanley.

ATTENDED BALL GAME
Mr. Owen Jones was in Plainview Saturday on business, and Saturday night attended the base ball game between the Plainview Ponies, and the Lubbock Hubbers. The two teams split a double header.

WERE HERE LAST WEEK
Mr. and Mrs. C. W. Burford of Lawn, visited their daughter and family last week, Mr. and Mrs. Joe Smallwood, and daughter Shirley. Granddaughter, Shirley, returned home with them.

HAD VISITORS IN HOME
Mr. and Mrs. C. D. Julian had as visitors last week, her sisters, Mrs. R. E. Jones, Mrs. Elix Richardson, and Mrs. Ross Brown, of Oklahoma City, Okla., and their daughter, Mrs. Robert Prather, of Sonora. Mr. Julian has been ill but is improving.

TOOK GIRLS TO CAMP
Mr. and Mrs. Howard Elliott and daughters, Roberta and Quineil, and Mr. and Mrs. Vance Wagon and daughter, Delores, left Sunday for Camp Mary White, where the girls will enter camp. Mr. and Mrs. Elliott, and Mr. and Mrs. Vance Wagon stopped over in Ruidoso. They returned home Tuesday.

FROM MILWAUKEE
Mr. and Mrs. Erich Franz of Milwaukee, are here for a visit of two weeks with the family of their son, Ray Franz, who is manager of the Muleshoe Chamber of Commerce.

WEEKEND GUESTS
Mr. and Mrs. Homer Richardson and family of Dumas, and Mrs. Pete Jenkins and children of Big Spring, were weekend guests of Mr. and Mrs. Walter Witte.

LOOK FOR EDUCATIONAL DIRECTOR

Mr. and Mrs. Byron Griffiths, Mrs. Arch Fowler, and Mr. B. A.

Dalton, were in O'Donnell, Sunday, looking for an educational director for the First Baptist Church.

CALIFORNIAN VISITS

Mrs. Alma Van Netta of California, is visiting her sister, Mrs. Roy Bayless.

W. S. C. S. Met In Methodist Church

The Woman's Society of Christian Service of the Muleshoe Methodist Church met Monday, July 6, in the Church for a regular meeting.

Opening song, "The Great Physician" was followed by a prayer by Mrs. H. C. Holt.

Chapter 5, the concluding chapter of the study "Toward Understanding the Bible", was given by Mrs. Arnold Morris, and was followed by "The Lord's Prayer" in unison.

Mrs. F. B. Pierson, president, preside during the short business session.

Mrs. Holt and Mrs. Farrell were asked to serve as a committee on placing the ministers in homes for the noon day meal during the meeting, and Mrs. D. B. Lancaster was appointed to have charge of the Woman's prayer service in the evenings during the revival from 7:30 p. m. until 8:00 p. m.

The president asked that all of the members of the Woman's Society call on as many "shut-ins" and make as many personal calls as possible.

The lesson at the next meeting which will be held on Monday, July 13, will be the summing up of the five chapters of the recent study. The lesson will be conducted by Mrs. Roy Bayless.

Mills Home Is Scene Of Shower

Mrs. Roy Stroud was honored with a pink and blue shower, Wednesday, June 24, at 2:30 in the afternoon, in the home of Mrs. L. J. Mills.

The refreshment table was laid with an ecru lace cloth and centered with a punch bowl. Mrs. Mills had two cakes, one decorated with pink icing, and the other with blue. Guests were served punch and cake.

Approximately twenty-four attended the affair, and many who were unable to attend sent gifts. Hostesses were: Mmes. W. D. Nicewarner, Lucille Harp, S. C. Caldwell, Glenn Stevenson, and L. J. Mills.

Johnson-Hardaway Vows Exchanged

Miss Wanda Carol Johnson, daughter of Mr. and Mrs. J. W. Johnson of Muleshoe, and Mr. Robert Ray Hardaway, Jr., son of Mr. and Mrs. Robert Ray Hardaway, Sr., were united in marriage, Sunday, July 5, at 2:45 p. m. in the home of the groom's parents.

Rev. C. E. King, uncle of the groom performed the ceremony. The bride chose a light blue taffeta, street length dress, which she wore with white accessories and a white mum corsage.

Mrs. J. D. Adams, of Big Spring, sister of the bride, was matron of honor.

Best man was Henry L. Hardaway, brother of the groom.

For her daughter's wedding, Mrs. Johnson chose a brown two-piece suit, and her corsage was of bronze mums. Mrs. Hardaway, mother of the groom wore a red nylon dress and a white carnation corsage.

Others present for the wedding besides the parents and at-

Rainbow Girls Return From Grand Assembly

Four girls from Muleshoe Assembly No. 161, Order of Rainbow for Girls returned Friday from Galveston, where they attended Grand Assembly under direction of Mrs. Martha Marie Whitfield, Supreme Inspector of Texas. Registering were 3,900 girls from assemblies throughout the state of Texas. This was the largest assembly ever held for Rainbow.

Elizabeth Farley, Darla Myers and Barbara Hinkson passed the examination and received their "A".

Betty Collins attended the assembly too.

The girls reported a fine time, despite the very hot weather. The beach party was a grand success and the girls experienced quite a thrill swimming in the Gulf.

BYNUMS VISIT HERE

Mr. and Mrs. Ed Bynum and family of Albuquerque, N. M., were here over the 4th, and visited Mr. and Mrs. Roy Bayless.

THE MULESHOE JOURNAL, Thursday, July 9, 1953

tendants were: Mr. and Mrs. M. M. Scott, grandparents of the bride, Mrs. C. E. King and Imogene, Mr. and Mrs. Lester Wolfenburger, and Mrs. Ray Griffin, sister of the groom, all of Muleshoe, and Mr. J. D. Adams of Big Spring.

NOTICE TO THE PEOPLE OF

PLEASANT VALLEY COMMUNITY

We Will Begin Work At Once On

A New Gin

We Expect To Have One Of The Most Modern Gin Plants In West Texas For Your Convenience This Fall. It Will Have 4 Stands, 90 Saws.

We Look Forward To Serving You

GUY NICKELS & SONS

(Muleshoe & Lariat Gins)

On all these points of comparison...
Chevrolet's farther ahead than ever!

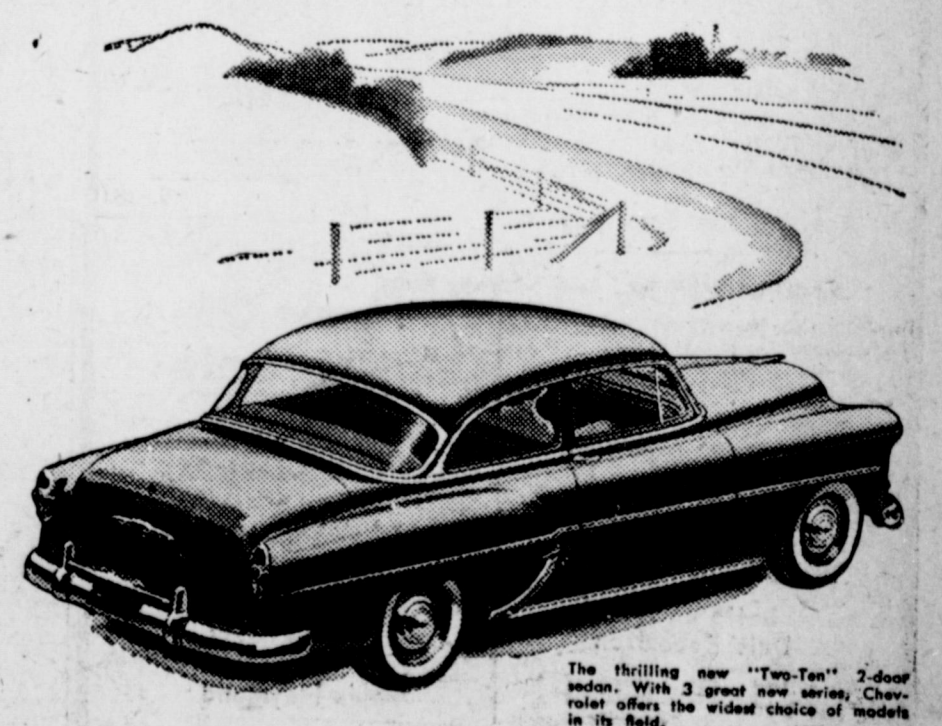

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrill-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

The thrilling new "Two-Ten" 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

C. & H. CHEVROLET CO.
MULESHOE, TEXAS

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

ONE STAR Agriculture

Released by
The Texas Department of Agriculture

By John C. White, Commissioner

THE DWINDLING RAINS

Texas' below-average rainfall has had this result: Feed crops and pastures are deteriorating over most of the state as moisture reserves run out. Dry conditions are now general over Texas.

Temperatures of 100 degrees and above have fired maturing wheat and wilted late crops. In the west and northwest, dryland wheat and cotton are barely holding on.

Early corn in the north and west has suffered. Late corn desperately needs rain.

Plains area sorghums have been burned by hot dry winds and much of the acreage has been lost to blowing sand. Continued drought has hurt commercial vegetable crops in all areas. Scattered showers have brought only temporary relief. Both surface and subsoil moisture is depleted in a great many areas.

What has been our rainfall this year which has caused such a dismal picture?

The state's average rainfall is 45.37 inches. The last good "year" was in 1950 when the average was 40.22 of rain evenly distributed.

In 1951, the first onset of the present drought, only 27.23 inches of rain fell. The following year, 31.66 inches were received but it was poorly placed, most of it soaked East Texas and left other

areas dry. The most recent 1953 report revealed that we had received some 10.21 inches of poorly distributed rain. At the same time last year an average of 10.32 had fallen. The normal for this period of the year is 12.03 inches.

With the exception of one month, the Upper South High Plains area has gone some 33 months without receiving the normal amount of moisture. Some South Texas and Western Plateau states have been below average for 24 months.

Weather experts estimate it would take two months of "very wet weather" to restore some of these counties to normal crop and pasture conditions.

There is little, if anything, that we can do to remedy the situation. The farmer and rancher can only keep his eye on weather developments and make his plans accordingly.

Top o' Texas Rodeo Aug. 5

The big Top o' Texas Rodeo Parade will be held in Pampa, Texas, on Wednesday afternoon, August 5, at 4 p. m., and Holly Gray, chairman of the Parade Committee, has issued a call for all types of frontier and cowboy

Farm Safety Week Designated

COLLEGE STATION, July 7 — During the ten years that National Farm Safety Week has been observed, farm accidents have been reduced 20 percent. This reduction is a real achievement, says the Texas Farm and Ranch Safety Committee, but adds that farming remains a hazardous occupation. Some 15,000 farm people will lose their lives as a result of accidents during 1953 unless they practice safety in their daily living.

President Eisenhower in the Safety Week Proclamation, July 19-25, points out that last year more than a million and a quarter farm residents to cooperate in an all-out effort to make 1953 an accident-free as possible. "Farm to Live and Live to Farm" is the way he puts it.

According to the State Committee the immediate objective of the week is to arouse interest and increase participation in the community approach to the problem of safe living. The long-time objective is to make rural residents so conscious of accidents and their cause that through their own efforts the agricultural industry can be made as safe as other industries of the nation.

History proves explains the state committeemen, that much good is derived from the observance of safety week but after the concerted effort begins to lose steam, the accident rate begins to climb. The committee hopes that community organizations will keep up the steam and even increase the pressure during every week in the year. They feel that when farmers, ranchers and their families, working individually and collectively, set their minds to solving the accident problems that further reductions can be made and eventually farm accidents can be made as scarce as the proverbial "hen's teeth."

parade entries, Gray stated that his committee was particularly interested in chuck wagons, covered wagons, buggies, surreys, oxcarts, and anything of a frontier nature. A beautiful trophy will be awarded to the best ranch or frontier type parade entry.

Invitations are also extended to all towns with riding clubs to participate in this year's parade. All riding club entries in full uniform will be admitted to the first performance on Wednesday at 8 p. m.

Phone Company Is Reorganizing

The Muleshoe Exchange will be in the Littlefield District under a reorganization of the General Telephone Company of the Southwest which is effective July 1, 1953.

The Littlefield District is a part of the newly-created Western Division with offices in Brownfield, R. E. (Bob) Blatz will be the Littlefield District Manager and J. L. (Dusty) Kemper is to be Western Division Manager.

Walter G. Wright, president of the Company, in announcing the reorganization, said, "Our primary objective is to improve the service to our customers and we expect to achieve this by placing more responsibility and authority in the field closer to our telephone users."

Under the new type of organization, the General Telephone Company of the Southwest will be divided into five geographical Divisions and these, in turn, will be composed of Districts varying in number from three to six.

The Company, which operates exchanges in Texas, New Mexico, Oklahoma, Arkansas, and Louisiana, has doubled the number of Company telephones in service since January, 1950. It is the largest of any independent (non-Bell) telephone company rendering service in the Southwest.

Farmers Asked To Recommend Needed Measures

WACO — Secretary of Agriculture Ezra Taft Benson has turned to the American Farm Bureau Federation and the two other general farm organizations to tell what kind of programs American farmers want, according to J. Walter Hammond, president of the Texas Farm Bureau.

Recognition of the major role of farm organizations in policy development was the keynote of a letter in which the Secretary requested the Farm Bureau to discuss five "paramount agricultural issues of today" and give his Department "the consensus of ideas and suggestions resulting from these discussions."

The five major problems which Benson asked to be discussed are:

1. Farm Income Stability and Improvement.
2. Production and Marketing Adjustments.
3. Conservation and Improve-

SOUTHWESTERN PUBLIC SERVICE COMPANY

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

Distinctive sports-car touch—wire wheel covers, as illustrated, optional at extra cost.

World's Only Vertical Valve V8

We'd like to spoil you a bit. We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here—and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflow—and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWERSTEERING. A car with the velvety control of

still finer braking—plus the added convenience of Power Brakes,* if you wish.

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon? *Optional at extra cost.

Louis Griffin Is Back In Combat

FAR EAST — Back in the combat area aboard the destroyer, USS Taussig is Louis P. Griffin, chief torpedoman's mate, USN, son of Mr. and Mrs. Richard P. Griffin of Route 2, Muleshoe, and husband of Mrs. Mabel A. Griffin of San Diego, Calif.

The crew of the Taussig recently enjoyed a three day rest and recreation period in Hong Kong.

They had an opportunity to visit the famed Tiger Baum Gardens, Repulse Bay, Lido Beach and many other places of interest.

James Smith, Jr. With USS Dixie

FAR EAST — Aboard the destroyer tender US Dixie with the UN Blockading and Escort Force is James S. Smith, Jr., instrumentman, seaman, USN, son of Mrs. James S. Smith of Route 2, Muleshoe.

Smith enlisted in the Navy in December 1950.

ATTENDED REUNION

Mr. and Mrs. Alvin Allison attended a family reunion Thursday night in the Littlefield park. There were approximately thirty-five persons who attended the reunion.

Bobby Smith On Far East Duty

OFF KOREA (FHTNC) — In the Far East with the Blockading and Escort Force aboard the radar picket destroyer USS Southernland, is Bobby J. Smith, fire control technician third class, USN, son of Mr. and Mrs. Joe Smith of Route 2, Muleshoe.

The Blockading and Escort Force patrols and blockades the North Korean Coast and conducts shore bombardments.

During this tour the Southernland will also serve with fast aircraft carrier Task Force 77. The ship may also cruise down to Formosa and Hong Kong.

Today's Meditation

OUR LIBERTY IN CHRIST

Cast all your anxieties on him, for he cares about you. (1 Peter 5:7, R. S. V.) Read 1 Peter 5:6-11.

The story is told of a recent immigrant to the United States. Carrying his worldly possessions on his back, he was seen one day walking down a railroad track.

Because fast trains often came thundering along, a station agent told the man he must get off the track. The immigrant, who could understand little English, kept protesting he had a right to walk there. Finally, he took from his pocket a first-class ticket. He thought it gave

him the privilege of walking the track.

How often we Christians, in our spiritual journey through life, make a similar mistake. We, too, have first-class tickets which we are not using.

The person who claims this promise, "Cast all your anxieties on him, for he cares about you," will find that life's journey will grow easier. He will also find greater joy and peace and true liberty along the way.

PRAYER

Our Father, help me to realize today that Thou art by my side. I thank Thee for the liberty Thou dost give to me and to all those who put their trust in Christ, our Redeemer. Daily grant me the strength and courage I need to walk the Christlike way of life. Through Jesus Christ our Lord. Amen.

THOUGHT FOR THE DAY
Today I will walk in the liberty wherewith Christ has set me free.
Mrs. W. M. Alexander, (Ten.)

Southwestern Life Is 50 Years Old

Southwestern Life Insurance Company on July 4 observes the 50th anniversary of its launching in Texas as a good business concern.

It was not until July 4, 1903, that the first Southwestern Life policy, for \$5,000, was purchased by Sam P. Cochran, well-known Dallas business man who helped to organize the Company, although its business charter had been granted by the State on March 10 of that year.

The Company's first newspaper advertisement appeared in Dallas on July 5. It announced that the Company was "ready for business" and that it had applications on file for \$30,000 of insurance. It also urged readers to "keep Texas money in Texas", a slogan which was to become familiar to Texas during the succeeding years up to World War I.

During the half century which followed, one policy became more than 300,000 policies and \$5,000 became more than one billion dollars of insurance on the lives of Southwestern Life policy owners.

CHRISTIAN SCIENCE SERVICES

According to the Christian Science Lesson-Sermon to be read this week in Christian Science churches on the subject of "Sacrament", reverence is a quality kindred to love and respect, and this reverence coupled with the sincere desire to do God's will has brought much good into men's lives. The Golden Text is from I Corinthians (5:8): "Let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness, but with the unleavened bread of sincerity and truth."

Selections from the Christian Science textbook, as well as from the Bible, will be read. These verses from II Timothy are included

(4:7-8): "I have fought a good fight, I have finished my course, I have kept the faith: henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing."

An important element of sacrament, according to this religion, is shown in Mary Baker Eddy's words from "Science and Health with Key to the Scriptures" (p. 1): "Prayer, watching, and working, combined with self-immolation, are God's gracious means for accomplishing whatever has been successfully done for the Christianization and health of mankind."

GADDYS HAVE VISITORS

Visitors in the M. D. Gaddy home this week were their son, Gerald and family of Cleveland, and Mrs. Gaddy's sister and husband, Mr. and Mrs. J. E. Lane, of Grove City, Calif. Mrs. J. A. Stinnett, mother of Mrs. Gaddy, who has been visiting in the Gaddy home for the past two months, returned to her home in Grove City, with Mr. and Mrs. Lane.

PB-10

spacious and in every case you have plenty of unbroken wall space for an attractive arrangement of the furniture. Any farm family will like the kitchen in this house. It should be especially attractive to the homemaker, since it has 21 lineal feet of counter top and an abundance of wall cabinets. Also there is ample space in this room for eating most of the family meals. Plenty of room is provided in the workroom for laundry equipment or storage as desired. There is also space for a lavatory where the field hands may clean up before going into other parts of the house; and room for a freezer chest and water heater. It has a closet for storage of raincoats, overshoes, etc., that are used outside and cannot be conveniently stored with other clothing.

Although the dining room has been made a conservative size in order to utilize valuable space, it will conveniently accommodate your dining room furniture, with a table that will seat about ten people very easily. The entrance hall is provided with a coat closet, and will prevent unnecessary traffic in the living room. You will notice that the entire house has been arranged so that it will not be necessary to go through any room in order to get to another. This arrangement will alleviate a lot of housework. You can obtain blueprints for this The Muleshoe Journal Farm & Ranch, Southern Agriculturist Plan No. 4811 and a handy list of materials by which you can figure your construction cost accurately. Send \$1 to Building Editor, Farm & Ranch, Southern Agriculturist, Dept. L-36, Nashville, Tenn. Order by number.

NOTICE PARENTS

All parents desiring to transfer their school children from one school district to another must do so in July. Forms are available at the county judge's office.

CECIL H. TATE,
Ex-officio County School Superintendent. 3tc.

DEPENDABILITY

is the other name for **DODGE!**

Dependable Economy In the 1953 Mobilgas Economy Run, the Dodge V-8 beat all other cars in its class... outperformed all 8's in every price class.

Dependable Power-for-Safety Ten days later, the same Dodge V-8 set 2 new official AAA performance records for standard American cars. Proof of reserve power-for-safety.

Dependable Comfort Dodge Modern Design does away with "meaningless metal" and waste space outside—provides more comfort space than ever inside.

Dependable Handling Ease Dodge for '53 brings you new mastery of the road, new maneuverability in traffic, new parking ease. It snugs down on curves like a true sports car.

Dependable Extra-Value Features Safeguard hydraulic brakes with two brake cylinders in each front wheel... Oriflow ride control... Safety-Rim wheels... electric windshield wipers... foam rubber seat cushions... and many others.

Here is our invitation! Come in for a "Road Test Ride." Find out all that Dodge Dependability means in terms of economical power, safety power, riding comfort and handling ease. There is no obligation. You will discover a new kind of car, a new kind of driving enjoyment... at prices that start below many models in the "lowest-priced" field.
