Band state bound

By Ann Trull

The Pride of Crockett County, the Ozona Lion Band, claimed yet another award to add to the success of the 1990 marching season. The band was chosen to compete at the 1990 state marching band contest in Austin on Monday, Nov. 12.

The band, under the leadership of Mr. Kelly Glaze and Mr. Norman Carroll, garnered the second place advancement slot at the Region A marching band competition Nov. 3 in Wichita Falls. The decision of the judges placed Ozona and Henrietta in competition for first. The end result was Henrietta first, Ozona second with Olney first alternate and Eldorado second alternate.

Weather for the competition proved to be a factor with a light rain and wind, but the Mighty Lion Band never faltered, leading themselves to yet another award.

The band will perform Monday at Nelson Field in North Austin at 10:48 a.m. Preliminaries for the competition begin at 8 a.m. for the AA class. Finals of the AA competition begin at 3 p.m. in Memorial Stadium on the

University of Texas campus with five of the 12 remaining bands competing for the state championship. There will be a \$3.00 entry fee to gain admittance to the competition.

Ozona has received a Division 1 rating seven out of the past eight years and was selected to serve as first alternate to the state competition three times.

"Mr. Glaze and Mr. Carroll helped us to work hard and never let us think about giving up," said freshman percussion player Joel Fuller.

Judges for the state competition are: Keith Bearden, Texas Tech University; Greg Brimm, Chicago Heights, Illinois, Marion Catholic High School; Pat Brumbaugh, Arkansas State University; Larry Campbell, Brenham, Blinn Junior College; Tom Caneva, Boulder, Colorado, University of Colorado; Jack Ferris, Pearland, Pearland High School; Bob Floyd, Richardson, Berkner High School; Steve Grugin, Nacogdoches, Stephen F. Austin University; Richard Lambrecht, El Paso, Coronado High School; Ed Lisk, Oswego, New York, Oswego City School District; Tim Salzman, Seattle, Washington,

University of Washington; and Larry Volman, Jonesboro, Georgia, Clayton Co. Schools.

"They did an exceptional show," said Mr. Carroll. "The community support was wonderful, and showed all the faith the community has in the band."

The Lion Band will leave Ozona at approximately 2 p.m. Sunday. Bandmen will pile onto the famed "yellow dogs" and make their tracks to Austin where they will spend the night at the Roadway Inn in North Austin. Sponsors for this trip will be members of the school faculty.

"All of our hard work finally paid off," said sophomore horn player Hollie Williams. "State is an exceptional honor given, and we hope to represent Crockett County as well at state as we have at the district and regional levels," said Hollie.

"I felt the band did an outstanding job," said Director Kelly Glaze. Through all their hard work and effort put forth, they earned their place at the state contest."

The 1990 Ozona Lion boys cross country team will be traveling to the state meet in Austin this week. They are: (l. to r.) Aaron Carroll, David De La Rosa, Cipriano Perez, Mark Ramirez, John Ramirez, Gilbert Rico and Coach Pete Maldonado. Good luck men, we're proud of you.

Cross country headed for state

Ozona High School's six-man cross country team qualified for state Nov. 3, placing third in the regional meet in Lubbock. Only the top three teams at regional advance to state competi-

tion. The Ozona team placed third with 116 points behind second place Cal Farley's Boy's Ranch with 46 and the

leader, Sundown, with 25 points. Ozona edged out Coahoma, 118 points, for the honor of competing in Georgetown Nov. 10. "They beat us at district; we beat them at regional," Coach Pete Maldonado said of Coahoma.

Mark Ramirez, Ozona's pace setter this season, ranked 11th, one place too low to qualify for state as an individual. Mark's time of 0:17:1.1 was bested by Matt Johnson of Amarillo who ran a 0:16:53.2 to capture 10th place. Larry Romero of Sundown ran a 0:16:18.9 for the first place individual slot.

Ramirez and Gilbert Rico are Ozona's only returning lettermen going to state. Rico finished 33rd with a time of 0:18:31.4.

Cipriano Perez placed 27th for Ozona in a time of 0:18:14.0. John Ramirez finished 35th in 0:18:35.8, and Aaron Carroll was 48th with a time of 0:19:26.4. David De La Rosa came in 64th with a time of 0:20:11.7.

Runners from Olton, Coleman, Hart, Albany, Post, Winters, White Deer and Stinnet completed the list of competitors in the 98-man regional meet. No time was recorded for two runners.

Local minister accepted into doctoral program

Ralph O. Moore, minister at Ozona Church of Christ, has been accepted for the Doctor of Ministry Program at Austin Presbyterian Theological Seminary.

Moore came to the Ozona church in October of 1985. He is a graduate of Sunset School of Preaching, earned a bachelor of arts degree from Lubbock Christian University and a master of education degree from Texas Tech University. He will begin his studies in Austin in January.

The Doctor of Ministry Program is designed for persons who already hold at least the first theological degree of Master of Divinity or the equivalent. The program provides ministers the opportunity to increase their competence in selected areas.

The Doctor of Ministry program is

composed of three phases which together fulfill the goals of the program.

Phase I includes two courses which are designed to review and enhance knowledge through biblical and theological reflection as these pertain to the work of ministry.

In Phase II each candidate selects a specific area of concentration for in-depth study through courses and related projects. The projects are carried out in the candidate's ministry setting and are designed to increase competence for ministry.

Phase III includes the design and completion of a project which builds upon the work previously done in the program and which integrates the candidate's self-understanding, practice of ministry and theological knowledge.

Four County Lamb & Goat Show Saturday, Nov. 10

Crockett County 4-H will host the annual 4-County Prospect Lamb and Goat Show, Saturday, November 10 at the County Show Barn. The show is open to 4-H and FFA members in Crockett, Reagan, Schleicher and Sutton Counties.

This unique prospect show is designed as a learning experience for these youths. A video of last year's showmanship clinic will be available to view at members and leaders' convenience.

The entry fee will be \$3.00 per

head on lambs and goats with a limit of 4 head of each.

The judging will begin at 9:30 a.m. with the Angora goats. Hamburgers will be provided at noon by the county adult leaders.

The lamb judging will begin at 1:00 p.m. Local youths interested in participating in the show should plan to get their lambs shorn on Friday, Nov. 9. A shearer will be at the 4-H feeding barn to shear lambs on that day. For more information, please call the Extension Office at 392-2721.

Hospital and care center annual style show Nov. 17

Blast off to the next century with the latest in styles for tots, teens and adults. With the Crockett County centennial only a few months away fashion will be shown from the past to the present and into the future. "Join us when the Crockett County Hospital and Care center holds its annual Style Show on Nov. 17 at the county Civic Center," said Jo Davidson.

Fashions will be presented by the Teacher's Store, Small Fashions and Tedford Jewelry with hair styles by Mikeal Davis of the Rage.

Refreshments will be served starting at 10:00 a.m. and the fashions will begin around 10:30 a.m.

Style show tickets are \$5.00 and can be purchased from auxiliary members or at the door. All proceeds will go to the Care Center Auxiliary for use at the hospital and care center.

No school Monday, Nov. 12

Due to the number of students and the number of employees with students in the band, The Crockett Co. Cons. CSD will not hold classes on Monday, Nov. 12, 1990. This day will be made up on Dec. 20, 1990, which was a scheduled school holiday.

The band will perform at Nelson Field in North Austin at 10:58 a.m. Monday. Finals of the AA competition begin at 3 p.m. at Memorial Stadium on the University of Texas campus.

Admission to the finals is \$3.00.

Tim Brewer is this week's money winner defeating Felipe Castro and Richard Sanchez on tie breaker

Tim Brewer was top picker this week with thirteen correct checks, tying with Felipe Castro and Richard Sanchez. Brewer takes the money home with a tie breaker total of 34.

Tim missed Rice-Arkansas, Colorado-Nebraska, Rams-Houston, Denver-Minnesota and Raiders-Kansas City games. Felipe with a tie breaker total of 44, missed Rice-Arkansas, Georgia Tech-Virginia, Cincinnati-New Orleans, Washington-Detroit and Sonora-Greenwood games. Richard Sanchez had a tie breaker score of 35 and missed the Rice-Arkansas, Cincinnati-New Orleans, Rams-Houston, Denver-Minnesota and Sonora-Greenwood games.

Iraan Braves scalp the Lions 18-0

by Scotty Moore and Justin Southern

The Iraan Braves destroyed any hope that the Lions may have had for achieving a slot in the district play offs by defeating them Friday night 18-0 on Brave turf.

Riley Malone, 170 pound junior running back for Iraan, gained 216 yards on 34 carries and two touchdowns to put the Braves in a 12-0 lead at half time.

On third down of Ozona's first possession, a Danny DeHoyos pass was intercepted by Brave Sammy Galindo, setting up Iraan's first score by Malone on the Lions' 17 yard line with 7:38 remaining in the first quarter. The Braves' P.A.T. attempt was blocked by Lion Randel Wilson.

Iraan's second score came with 9:21 remaining in the second quarter from a Malone 19 yard rush through the middle, the attempt to achieve a two-point conversion failed.

Lion defenders Daun Williams, Albert Talamantez, Gilbert Rico, Michael Ybarra, Lee Galan, Adam Alba, Mike Kennison and Lonnie Martinez were successful in holding the Braves to short yardage with the exception of the first down gainer Riley Malone who averaged 6.3 yards per carry.

The Lions surprised the Braves and the fans late in the first quarter when Ruben Borrego faked a punt and drove his way 65 yards into Brave

territory for a Lion first down, only to be cancelled out on the next play by a DeHoyos pass interception by the Braves.

Iraan's last score of the ballgame came from Jason Hollifield's 3 yard rush through the middle with 15 second left in the game. Malone's two-point conversion try failed, leaving a finale of 18-0 on the scoreboard and a slot in the play offs for the Braves.

Lion quarterback Danny DeHoyos threw seven passes for 9 yards with three completions and two interceptions.

Ozona gained 190 yards rushing compared to Iraan's 293, and gained 8 first downs compared to Iraan's 20.

Ruben Borrego punted 3 times, averaging 30.5 yards and Iraan punted 4 times, averaging 37 yards.

The Lion coaching staff said that they were very satisfied with the effort displayed by the ball club.

Iraan butts heads with the Wall Hawks this Friday in a district showdown, and the Lions match up with Coahoma.

Roberta Cooper service Monday

Roberta Cooper, age 78, died Saturday, Nov. 3, 1990, in Crockett County Hospital.

Funeral service was held at 2 p.m. Monday at Ozona United Methodist Church with Dr. Tim Brewer officiating. Interment followed in Cedar Hill Cemetery under direction of Preddy Funeral Home.

Mrs. Cooper was born Sept. 24, 1912, in Floresville. She was the secretary for the Sunday School at Ozona United Methodist Church for

20 years, worked in the Missionary Society for several years, was the secretary/treasurer of Ozona Community Center and a member of the board of the Ozona Historical Society.

Survivors include her husband: W. D. (Bill) Cooper of Ozona; two nieces, two great-nieces and two great-nephews. She was preceded in death by a brother, Bill Lehmborg.

Pallbearers were: Al Fields, Jim Dudley, Pon Seahorn, Ted White, Oscar Kost, Dempster Jones, Dee Keilers and Perry Hubbard.

Powers service in San Angelo

Ted Powers, 83, of San Angelo died Wednesday, Oct. 31, of a sudden illness. He was a former Ozona resident; his daughter, Tedra Ulmer, resides in Ozona.

Services were held Friday, Nov. 2, at Johnson's Funeral Home Chapel, with graveside services in Burkett. The services were conducted by Bill Butts and Darryl Smith of the Businessmen's Bible Class in San Angelo. Pallbearers were: Mickey Powers and Jimmy Powers, both of Sonora, Zane Powers of Abilene, Lynn Ulmer of Granbury, Kerry Luttrell of Morgan Mill, Steve Langston of San Angelo, Houston Powers of Sonora, and O'Dell Powers of Lampasas.

At the age of 14, Powers began his career as a cowboy, working on the T Half Circle Ranch in Sutton County, then traveling to Ozona, where he worked for Walter Babb, Arthur Hoover, Joe Davidson and other prominent ranchers.

During his youth, he began roping, eventually holding card No. 114 in the Cowboys' Turtle Association, forerunner of today's Professional Rodeo Cowboys' Association.

As a roper, Powers was ranked third in the world at one time. He roped in such places as Madison Square Garden, Boston Garden and Cheyenne. He and his mare, Tina, who was foaled on the Davidson ranch, were well-known in roping circles.

Many West Texans will remember Powers for his match ropings against opponents such as Walton Poague and Vic Montgomery from the 1930's through the late '50's.

Powers married the former Leota Moore in Coleman on April 21, 1941. The couple continued to rodeo until the birth of their daughter, Tedra, when Powers began training horses.

In the 1960's he began training cutting horses, winning the world Appaloosa cutting horse title with Mackey's Pride.

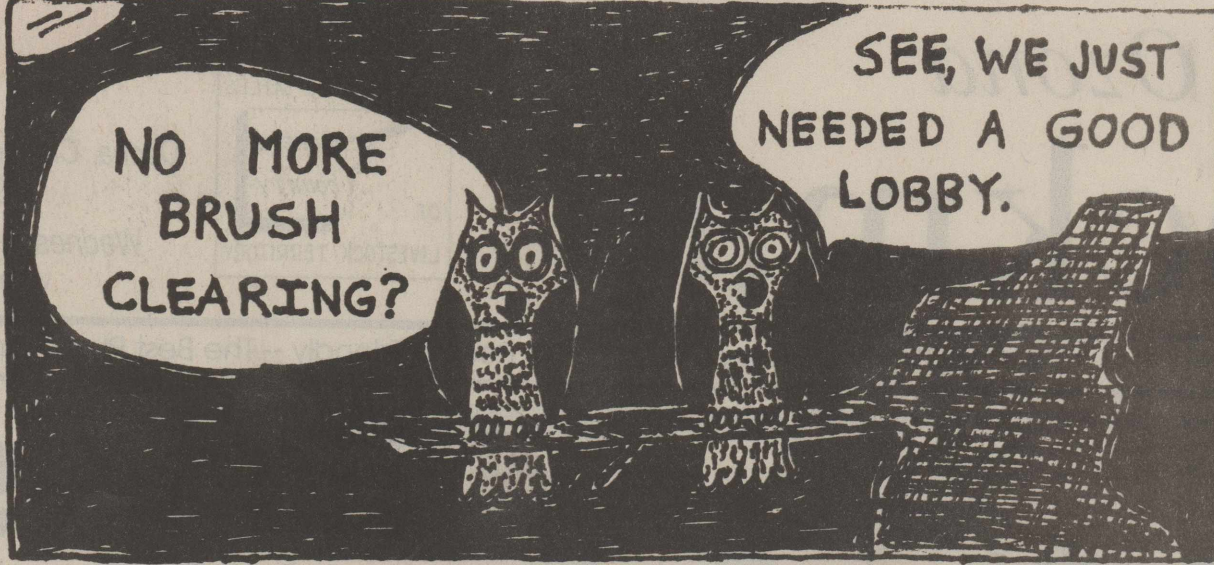

He and his family resided for many years in the Stephenville area, before and after his retirement. However, he continued to have many friends in Ozona and thought of it as his home. One of his greatest pleasures in the last few years was to visit his friends and relatives here.

He is survived by his wife, Leota; one daughter and son-in-law, Tedra and Neal Ulmer of Ozona; and one granddaughter, Katharine Durham, also of Ozona.

Of his 14 brothers and sisters, three survive. They are Gordon Powers of Florida, Nora Curry of Irving and Evanita Lindley of Montana. He is also survived by numerous nieces and nephews, and will be missed by many of the young men and women he helped learn to ride, rope and work with horses.

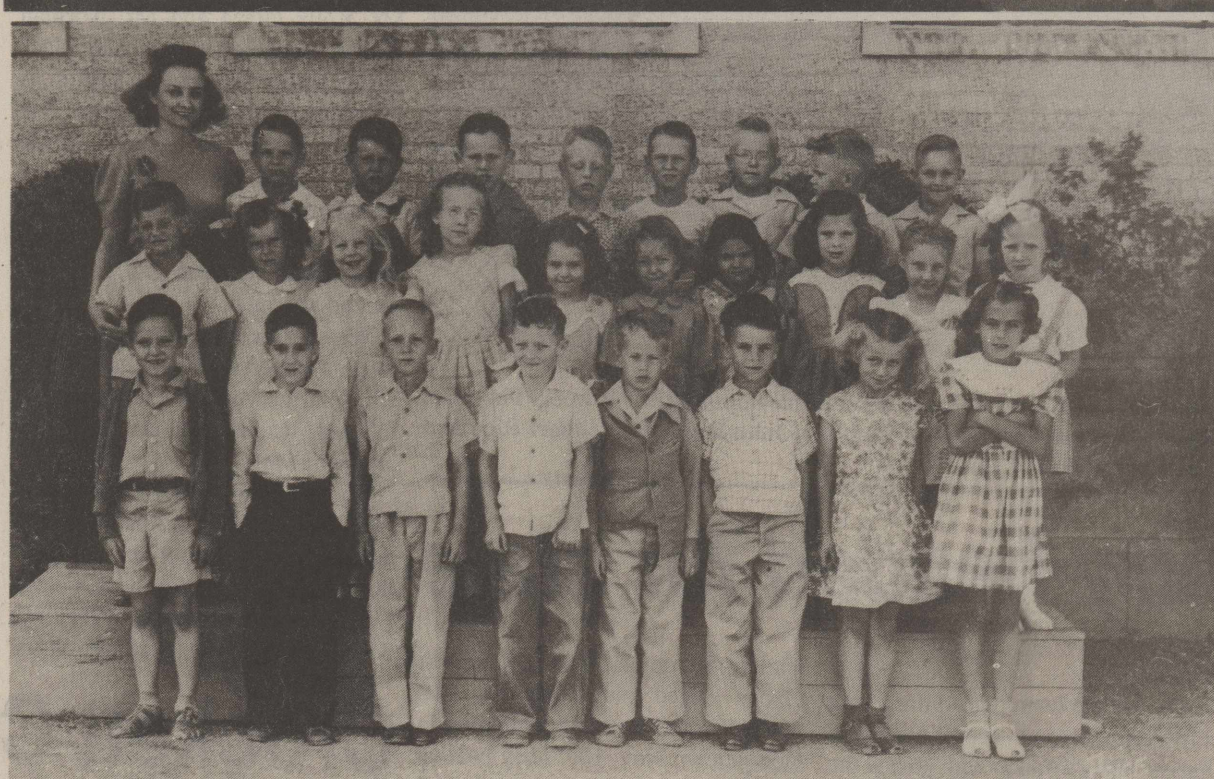

The family requests that any memorials be made to the West Texas Rehabilitation Center or the American Heart Association.

Letters to the Editor

Dear Editor:

In regards to our football players who get hurt, every parent should be concerned about the type of treatment being received when they get hurt. I am not just talking about bumps or bruises, but serious injuries, enough to affect them the rest of their lives. I am talking about the first-aid, just after the accident, to the length of time in getting them to the hospital for full medical attention.

I've noticed our varsity team always has an ambulance present, yet there is no ambulance when our junior varsity or junior high teams are playing. Don't they get hurt? Don't they deserve emergency attention as well? Why don't they have an ambulance and qualified personnel present at their games? Personnel that can render the first-aid needed and an ambulance to get them quick medical attention.

I think our school officials and parents ought to open their eyes and really take a good look at how things are run, and not just on winning the game.

To parents and school officials: remember just one thing, what happens to our children at school does affect them in their later years. How do coaches expect parents to let their kids play sports if they don't have the medical attention they need and deserve?

Milton L. Fowler

To Citizens of Ozona,

This letter is to inform you of the growing prejudice in this town. It has gone as far as affecting our Health Care. I have been a witness to this myself. I have been sitting in the lobby at Crockett County Hospital and there have been "Spanish speaking Americans" and Mexicans with very sick children or very sick themselves with appointments and are left sitting there while the white people are taken care of after walking in without an appointment. I do not think that is fair because I always thought that by making an appointment one would be seen at that time or a few minutes later but not be pushed to one side because of our race. The color of your skin or the amount of money you have does not make you better than anyone else. There are rich people here in Ozona

that look down on people that are not as fortunate but no matter what you are no better than we are. I have also been at the Hospital and I have heard the Doctor tell the Nurses that he needs an interpreter and that is when they look for a Spanish speaking person. Thank God that He gave most of us two languages. If English was not hard for us to learn Spanish should not be hard for you to learn either. Another thing I have seen is the Hospital needing Nurses and Lab & X-Ray help, for a fact I know there are several Nurses living in Ozona that could work and help Crockett County Hospital but for some reason they would rather have Nurses from out of town and pay money that does not stay in Ozona. Open your eyes Commissioners and Judge and use your in town help and treat them fairly.

Also I have read so many letters from people that have visited or passed through Ozona and comment on how nice the town is and how warm and friendly the people are but they don't live here and do not know how prejudiced some white people are. I say some because not all white people are like that. Unless the people who think Ozona is such a nice place to live are the same as some people who live here, I am sure they would not come back.

Sincerely,
M. E. Garcia

Prayer to St. Jude

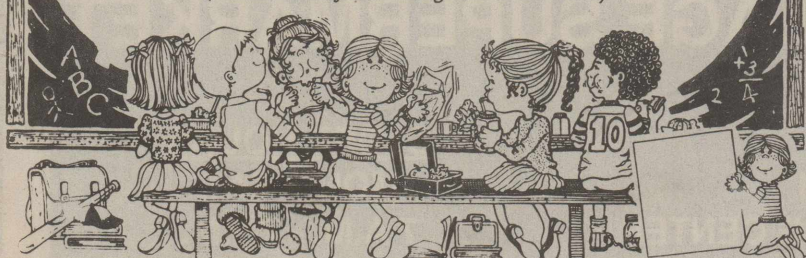

Most holy apostle, St. Jude, faithful servant and friend of Jesus, the Church honors and invokes you universally, as the patron of hopeless cases, of things almost despaired of, Pray for me, I am so helpless and alone. Make use I implore you, of that particular privilege given to you, to bring visible and speedy help where help is almost despaired of. Come to my assistance in this great need that I may receive the consolation and help of heaven in all my necessities, tribulations, and sufferings, and that I may praise God with you and all the elect forever. I promise, O blessed St. Jude, to be ever mindful of this great favor, to always honor you as my special and powerful patron, and to gratefully encourage devotion to you. Amen.
Thank You, I.G.

Martin's Department Store founder passes away

E. L. Martin died Oct. 31 in Weatherford. He was born in Angelina County, Texas, on April 26, 1899. Preceding him in death five months ago was his wife of 70 years, Ellie Mae.

Mr. Martin was founder of Martin's Department Stores in Ranger, Eastland, Fort Worth and Big Lake.

Survivors include: E. L. Martin Jr. of Hobbs, NM, Charles Martin of Albuquerque, NM, Jane Carver of Salida, CO, and Jimmy Martin of Big Lake, owner of Martin's in Ozona.

Ozona Little Miss, Mr. Pageant Saturday

The Ozona Little Miss and Mister Pageant will begin Saturday, Nov. 10, at 5:30 p.m. in the high school auditorium. Present for the event will be three state queens and one world queen, said director Bonnie Hartman.

Former Ozonan Bree Dillard, chosen Tri-County Universal Beauty in 1989, and among the top five at state competition, will also be at the pageant.

Contestants must pre-register with Mrs. Hartman by Thursday. For more information, contact her at 392-3989.

Saturday's schedule prior to the pageant will include registration at 2 p.m. at the high school auditorium and interviews with judges beginning at 3:30.

Jumping the Gun

Some time ago, I read an article about one of the turnpikes in the Northeast part of our country. The officials were lamenting the fact that they were having to replace the gates at the entry points every day. Motorists would come to the tollgate, toss their coins into the receptacle, then race off before the gate had time to raise. Many people couldn't wait the two or three seconds required for the gate to lift. I guess you could say they were "Jumping the Gun."

Every now and then at a track meet, you will see a runner "jump the gun." Waiting at the starting line and listening for the shot to start the race is too much, so the runner, filled with tension and anxiety, starts too soon. Of course he has to return to the line and start again.

"Jumping the Gun," whether at the toll-gate, starting line, or some other situation in life is costly. Time, energy, and money are often wasted, plus the fact that one has to go through the process again.

Patience is an admirable characteristic. It is an attribute that we often demand in others but excuse in ourselves. Since we live in a time of the "instant now" - we want things to happen quickly. You've heard about

the mother, standing in the kitchen with her three children, peanut butter and jelly everywhere, milk spilled, baby crying, kids fighting, phone ringing, saying, "Lord, give me patience. NOW!"

Emerson said, "Adopt the pace of nature; her secret is patience." You have seen it: the giant oak grows slowly; the seasons change in days, not seconds; animals take time from birth to market. Yes, nature helps us understand the value of waiting.

In the New Testament there are a couple of Greek words that are translated as "patience." One indicates forbearance, or long suffering; the other means endurance. Most of the places where "patiences" is found, the Greek word is hupomone, which means "to abide under." An Old Testament personality, Job, is extolled as a champion of patience, and is given as an example for us (read James 5:7-11).

When one is confronted by tensions, trials, or temptations, patience is needed. It is the ability to cope with things without coming unglued. Pa-

ience keeps one from falling apart, getting mad, or blasting someone or something.

Faith and patience have a strong connection in Scripture. We are admonished to "imitate those whose faith and patience inherit what has been promised" (Heb. 6:12). Really, all of us have a path set before us that we must travel in patience by keeping our eyes on Christ (Heb. 12:12).

The starting gate, a traffic light, the line at the grocery, a child, a bossy person, an aged parent, a cranky husband - all require patience. In these hurry-up times that we live in now, patience is almost a lost art. Maybe faith will help us restore it.

Think about it.

Happy birthday to Vangie Coy whose special day was Nov. 3.

How about that LION Band!!!! I am so proud of our young people and their leaders. We have one of the top twelve 2A high school bands in the whole state of Texas. After returning from their grueling trip last Saturday I overheard one student remark, "Can you imagine what practice will be like next week?" I asked, "But isn't it worth all the effort?" "Yeah, I guess it is," was the tired reply. Whether we come out the best on Monday, or not, we are proud of our band. We know they have done their very best, and that will always make them #1 to us. I know our football team had a disappointing season, but really they did much better than most people thought they would at the beginning of the season. They worked hard and never gave up, and that makes them winners to us.

Our students are learning one of life's most valuable lessons. Anything worth having will cost someone dearly. The better jobs go to those who pay the price in the classroom

and work hard for their education. Job advancements come to the employees who do their very best at work. Even inter-personal relationships are maintained best when two people work hard to make their relationship special.

Sometimes we adults forget the lesson our young people are learning so well. We grow tired and we stop trying to give our very best effort. Some of us might say, "It doesn't matter, nobody else really cares anyway." Let me remind you that God always cares. Listen to Him through the words of the Apostle Paul's letter to the early church in Galatia:

"Do not be deceived: God is not mocked. A man reaps what he sows. The one who sows to please his sinful nature will reap destruction; the one who sows to please the Spirit will reap eternal life. Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up. Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers." Galatians 6:7-10 (N.I.V.)

God does not call us all to be District Champs or Sweepstakes winners, but He does call us all to be faithful in doing good and giving our best to Him and His work. You may be thinking, "I know, but sometimes I get tired and it seems like I am the only one who is trying." Perhaps it is time for you to remember the words of Isaiah from the 40th chapter and verses 28-31:

"Do you not know? Have you not heard? The Lord is the everlasting God, The Creator of the earth. He will not grow tired or weary, and His understanding no one can fathom. He gives strength to the weary and increases the power to the weak. Even youths grow tired and weary, and the young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint."

God does not expect us to be Supermen and Superwomen. He only expects us to be who He created us to be and rely on His strength to do everything He commands us to do.

Lay, Gonzalez wed in afternoon ceremony

Stacy Denise Lay and Elias (Butch) Gonzalez of San Angelo were married Oct. 20, 1990, during an afternoon ceremony at First Baptist Church in Ozona. Rev. Bill Fuller officiated.

The bride is the daughter of Mae Lay of Ozona and Jerry Lay of San Angelo. The bridegroom is the son of Mari Vargas of Ozona.

The bride wore a gown of ivory satin as she entered the church on the arm of her father.

Pearl encrusted lace enhanced the V-neckline of the dress and formed a cummerbund. Puffed sleeves attached to bands just below the elbows. The tea-length gown featured a slightly gathered skirt. A waist-length veil flowed from her pearl headband.

The bridal bouquet was of wine-colored roses, stargazer lillies, baby's breath and fern caught with teal ribbon on ivory lace.

Maid of honor Amy Kotch of Eldorado wore an identically cut gown of teal taffeta. She carried a single rose surrounded with baby's breath.

Amanda Carson of Ozona was flower girl. The pattern of her rose and teal floral design dress was broken with a black inset at the waist. She carried a white basket filled with wine-colored rose petals.

The bridegroom and his attendant, Sonny DeLaGarza of San Angelo, were attired in black tuxedos with white ties. Their boutonnieres were rosebuds with baby's breath.

Serving as ushers were Richard Gray of San Angelo and Will Arthur of Christoval.

Vows were spoken before an altar decorated with candelabras holding ivory candles and decorated with English ivy.

Special music for the ceremony was performed by Rev. Bill Fuller, Janet Henry and Marilyn Chalmers. A guitar solo, "With This Ring", was played by the pastor. Janet Henry, accompanied by organist Marilyn Chalmers, sang "Wind Beneath My Wings" and "Theme From Ice

Castles".

The bride's mother chose a turquoise street-length suit for the wedding. The mother of the bridegroom wore a fitted dress in a floral teal and rose pattern. Both wore corsages of stargazer lillies.

The reception was held in the church parlor where Dottie Gonzalez of Alpine, sister of the bridegroom, registered guests. The registry table was covered in a white cloth with organdy overlay. Photos of the couple were placed near a vase holding two wine-colored roses. Ribbon in the bride's chosen colors of teal and wine edged the table.

The three-tiered wedding cake centered the bride's table, which was covered with ivory linen. A silver punch bowl was placed at one end of the table and a silver coffee service at the other.

A chocolate cake decorated with fresh strawberries was on the bridegroom's table.

Floral arrangements in teal blue and wine were placed at vantage points in the reception area.

A rehearsal dinner was hosted by the bridegroom's mother at the Hospitality Room of the Hillcrest Motel. Tables were decorated with ivy centerpieces accented with teal blue and wine rose ribbons. A meal of chicken spaghetti, salad and homemade rolls and peach cobbler was served.

Pre-nuptial parties included a rice bag party and buffet at the home of Carmen Sutton, kitchen shower at the home of Cathy Carson, and a household shower at the home of Jayne Curbo in San Angelo.

The bride is a 1989 graduate of Ozona High School. She currently attends Howard Junior College in San Angelo and is employed as a cashier at Zentner's Daughter.

The bridegroom is a 1987 graduate of Ozona High School and a senior at Angelo State University. He is employed at Southwest Spa and works in the employees' fitness center at Ethicon.

*** Visiting ***

First place Centennial theme winners chosen at the Crockett County Arts & Crafts Show and Fair last Saturday are Choyda Squires and Nikki Martin. Pictured are Chodya and Kim Squires and their sons and Nikki Martin.

Second place centennial theme winners are Sara Hignight and son Jason

Dana Cowen won third place with the centennial theme at her booth at the arts and crafts fair.

Birthday greetings go out to Vicki White on her day Nov. 7. Hope you have a great day, Vicki.

Anniversary wishes go to Cliff and JoAnn Williamson who celebrated on Nov. 4. Wishes go out for many more years together.

Visiting via AT&T with Hiroko Yamigawa, former student at Ozona High School, were Tommie, Marsha and Melanie Tomlinson and Joey Ybarra. Among the tears the talk provided some news. "Hero" is living about 30 miles from Seattle. She likes school and most of the people, but, she wishes they were more like Ozona. "Tell all my friends 'Hi'. I hope to see you in December."

Birthday wishes go out Nov. 8 to Dan Pullen. Hope you have a super

one, Dan.

Deer season brings about many out of towners. This year is no exception. Mr. and Mrs. Earl Castleberry of Duncanville arrived Friday for their first year. Saturday Earl took to the woods, and Marge headed to the craft fair. This was her first fair, and she had a "blast", but "I depleted my 'goodies' funds," she said. The two plan to return every other weekend until the season is over.

Also making the crafts fair were ex-resident Sarah Gillis and children Donny and Sondra of San Angelo. The girls enjoyed the expedition, but Donny was miffed. "There wasn't no guy stuff there. All I got was an old hot dog. I'm telling my dad, too." Donny's remarks caused a roar of laughter by those around him.

League members celebrate Halloween

Ozona Woman's League met Tuesday, Oct. 23, at the home of Shawn Mitchell for the annual Halloween party. Assisting as hostesses were Vicki Stokes, Helen Bean and Carmen Sutton.

Members came wearing hats or caps that were decorated to give clues to each person's personality. After dinner and a short meeting, members enjoyed an evening of Halloween festivities.

Members enjoying the evening were: Helen Bean, Tina Bean, Cynthia Berry, Tammy Bunger, Cathy Carson, Elizabeth Clark, Molly Criner, Lou Deaton, Debbie Glasscock, Janis Graham, Jeannine Henderson, Camille Jones, Lisa Karnes, Barbara Malone, Susan McMullan, Shawn

Mitchell, Jane Richardson, Maida Sims, Vicki Stokes, Carmen Sutton, Elizabeth Upham, Nancy Vannoy, Belinda Wilkins, Lori Williams, Teri Williams and Nancy Moore.

Happy birthday to Frankie Paradez who will be three on Nov. 10.

Fr. Bill Du Buisson attended the Canon Law Society of America Convention in Cleveland, Ohio, Oct. 15-18. He then visited relatives in Chicago and Ottawa, Illinois, from Oct. 19-27. Before returning from vacation, he spent a few days in San Antonio.

'High-risk' persons need flu vaccine

With flu season near, officials at the Texas Department of Health (TDH) have urged anyone who may be at high risk of infection to seek immunization. People most at risk of the potentially deadly disease, are those 65 or older, persons with chronic respiration, or heart problems and children weakened by disease.

Influenza, which occurs most often from December through April, kills about 20,000 individuals in the United States each year—most of them in high-risk categories," said Robert D. Crider Jr., director of TDH's Immunization Division. Crider said that persons 65 and older constitute one of the risk groups hardest-hit by influenza and its complications.

"Fewer than 30 percent of Americans in high-risk groups receive the recommended annual injection of influenza vaccine," he added. "We believe that one reason older people fail to be vaccinated is their unfounded fear that the vaccine can actually cause influenza. The truth is that a vaccinated person may still contract some strain of flu, but not from the vaccine. If that happens, though, the vaccine usually helps lessen the severity of the case."

High-risk categories include the following people who are most likely to develop complications from influenza:

- *Persons 65 years old and older.
- *Residents and employees of nursing homes and other facilities treating chronically ill patients of any age.
- *Adults and children with chronic heart or lung disorders, including children with asthma.

*People under medical care of chronic metabolic diseases, kidney or blood problems or weakened immune systems.

*Children, 18 and younger, who are receiving long-term aspirin therapy, which can place them at risk of developing Reye syndrome after influenza.

"We strongly recommend influenza vaccinations for all people in these high-risk groups, especially if they are pregnant women or international travelers," Crider advised. "People infected with the human immunodeficiency virus (the virus which causes AIDS) also may be at increased risk for flu complications."

In addition, physicians, nurses and other health professionals should be immunized against influenza to avoid spreading the disease to their patients, according to recommendations from the Centers for Disease Control.

Reach for your thermostat

to help save on your winter energy bills.

- Set the thermostat at 68° and reach for a sweater instead of raising the thermostat.
- Caulk and weatherstrip around windows and doors to help prevent excessive heat loss.
- Check your attic for adequate insulation; R-30 is recommended.
- Tightly close the damper in the fireplace when not in use to keep your heated air from escaping up the chimney.
- Open drapes and blinds during the day to let in sunlight and close them at night to hold warm air in.
- Install gaskets behind cover plate outlets and switches to help keep warm air in and cold out.

GARDEN CLUB EXHIBIT

Ozona Garden Club is continuing its library exhibit program with a series of seasonal arrangements. Mrs. Joe Bean starts the program exhibiting a wonderful autumn design.

Mrs. Bean combines the stark beauty of a West Texas cactus stump with gourds, okra pods and glycerinated leaves on a wood base. The design gives a good feeling of the end of harvest and the last days of fall before winter comes.

It's a great exhibit. Thanks, Marolyn.

BOOK WEEK 1990

This week is American Education Week and National Children's Book Week. CCPL is celebrating with a display of popular and award-winning children's books. The purpose of this special week is to encourage children's love of books, reading and learning. Our theme this year is "Wonder Through The Pages", emphasizing the world of mystery and magic to be found between the pages of a book. Books give us wings to soar beyond the farthest stretch of the imagination. We encourage everyone to open their wings. Open a book and read!

Pandale Study Club holds annual Thanksgiving dinner

Members of Pandale Study Club, their spouses, neighbors and friends, met for the club's annual Thanksgiving dinner and program Nov. 1 at the home of Josephine and Henry Mills.

Thanks before the noon meal were offered by John Henry Cash, retired Baptist minister from Comstock and San Angelo.

Following the traditional turkey and all the fixin's, Carl Malone Jr. and Bill Fuller, minister of First Baptist Church in Ozona, provided guitar accompaniment for the group singing of several hymns.

Lou Deaton, on behalf of the Pandale Study Club, presented to Carl Rolfs, minister of First United Methodist Church in San Angelo, a certificate of Pandale Citizenship. Carl has been the unanimous favorite for the Thanksgiving program for five years. Previous programs included

Thanksgiving facts - and a test the next year! - hymns associated with Thanksgiving, and this year, the "coincidences" which led up to the coming of the Pilgrims to America and that first time of thanksgiving. The "coincidences" should more rightly be viewed as "the providential hand of God", Carl said. Relating events set in motion as far back as Henry VII of England in the late 15th and early 16th centuries, Carl presented a fascinating history of the times and circumstances which led to the arrival of the Pilgrims in Massachusetts instead of Virginia, as originally intended.

Bill Fuller dismissed the meeting with a prayer.

Fifty-five people from Pandale, Comstock, Juno, Del Rio, Ozona, Eldorado and San Angelo enjoyed the food and fellowship.

Library artist of the month Dickie Dell Ferro of San Angelo poses with three different pieces of art she created with handmade paper.

Crockett County library artist of the month

By Susan Sheppard

Crockett County Public Library has a new artist of the month exhibit featuring the work of Dickie Dell Ferro. The daughter of O. W. Parker and Meda Parker Johnston, she was reared in Iraan.

Ms. Ferro's background in the arts is extensive. She has a degree from the prestigious California College of Arts and Crafts in Oakland where she received training in all types of creative arts ranging from painting to sculpting.

She majored in jewelry design, but has been involved in all types of art over the years. Her avant-garde style of design, which is evident in her work displayed at the library, was developed at the California college.

Materials Ms. Ferro used for the exhibit are papers she made from a variety of native plants such as sotol, broomweed, beargrass, straw and cotton. The paper is made by a process learned in the renown art colony of San Miguel Allende, GTO, Mexico, where artists from all over the world come to learn different techniques.

The paper is made by gathering the

green leaves of a desired plant, then chopping them in small pieces. The pieces are boiled in lye for three hours to remove the chlorophyll, then the lye is rinsed out. This material is then ground in a blender. The remaining pulp is formed into sheets on waxed boards and allowed to dry overnight.

The pulp may be formed over glass bowls for a bowl shape. The pulp will adhere to other natural materials and can be placed on objects such as a hard back book for decoration. Wire baskets may be dredged through the pulp for an interesting look. The pulp may also be used for papier mache or other similar paper craft.

The brilliant colors in Ms. Ferro's work are achieved with Procion Fiber Reactive dye. This type of dye was invented in 1957. The natural materials Ms. Ferro uses are especially receptive to this type of dye which is added to the lye in the boiling process.

Ms. Ferro is a member of the Texas Art Council which often refers technical questions about this type of paper art to her as she is considered an expert in the field.

Don't miss this unusual exhibit at Crockett County Public Library.

Knights to have fajita supper November 7

The annual Knights of Columbus fajita supper to benefit the scholarship fund will be held Friday, Nov. 9. The meal will be served at the civic center beginning at 5:30 p.m. Serving will continue until 10:30.

Tickets are available at the door or from any Knight.

Helping Hands needs rummage items to sell

Helping Hands for the Elderly needs clothing and other useable items for its rummage sale on Nov. 17.

Donations will be accepted at Helping Hands or Western Auto through Nov. 16.

The sale will be held from 8 a.m. to 3 p.m. on Saturday, Nov. 17, at the Helping Hands Building.

4-H field and stream meeting, Nov. 14

On Wednesday, Nov. 14, Gerald Stewart, maker of Stewart Game Calls, will give a slide show and demonstration on game calling. This will be a 4-H Field & Stream meeting that is open to the public. The meeting will be held at the civic center from 7:00 - 8:30 p.m.

This program should be of particular interest to varmint hunters and wildlife photographers. Included in his program will be segments on fur bearing animals, deer and various songbirds.

Band Boosters meet

Ozona Band Boosters met Monday, Oct. 29, with 31 in attendance. Jeanie Thompson, president, presided over the meeting.

Locker favors for high school band students were finished and put on lockers by a group of the boosters. Musical note yard signs for freshmen and new band students were finished and up in yards. Jerry Perry loaned his personal workshop to make and paint the signs.

Plans were finalized for the Band Boosters' booth at the Halloween Carnival. Karen Morris was to make a poster/sign for the booth.

Nancy Vannoy reported on a charter bus being secured for band fans going to the U.I.L. Region A Marching Band Contest in Wichita Falls Saturday, Nov. 3.

Carmen Sutton formed a committee to paint signs for the downtown area congratulating the band.

Laura DeHoyos made Lion pinnons for fans to wear at the Region Contest. Laura DeHoyos, Jeanie Thompson and Pat Glaze made badges for the band members to wear following their performance at the contest.

A video of the Ozona band's performance at the U.I.L. District VII Marching Contest in Brady was played for the group. It was noted that there were more than 100 Ozona fans at this contest. Mr. Glaze addressed the group and read the district judges' comments on the band's performance and passed out maps and information for the Region Contest.

The band performed at Regional Marching Band Contest in Wichita Falls on Saturday, and they advanced to the State Contest which will be held in Austin on Monday, Nov. 12.

"Congratulations to the band and the directors," comments Maggie Carroll, organization reporter.

Energas honors its Midland area employees

The employees of Midland, Big Spring and Odessa Districts of Energas Company were honored with a dinner held at the Greentree Country Club in Midland, Oct. 25.

Ozona employees receiving special recognition for years of service to the company were; Connie Farris, 20 years, and Larry Hensley, 10 years.

Area towns represented include: Midland, Odessa, Seagraves, Ozona, Big Spring and Seminole.

Energas Company, a division of Atmos Energy Corporation of Dallas, provides natural gas to some 310,000 customers in West Texas.

WTU honors local employees Nov. 1

Eight employees were honored Thursday, Nov. 1, for service to West Texas Utilities Co. and its customers during the company's annual service and safety awards dinner held at the McCamey Park Building.

This is one of eight dinners the electric utility will hold throughout its 52,000 square mile service area. Attending the event were employees and spouses from WTU's McCamey District and Rio Pecos Power Plant.

Local employees receiving service awards from Glen Churchill from Abilene, president and chief executive officer, were Randel Wilson with 15 year's service and Stephen Bueno with 5 year's service. Both employees received safety awards.

Tambunga recognized for 10 years of service

Jimmy Tambunga, Maintenance Technician II with the State Department of Highways and Public Transportation, was recently recognized for 10 years of service to the department.

Tambunga began his career with the department in April 1980. He is an equipment operator, and in April of this year, he received a 9-year safe

driving award.

Tambunga and his wife, Janell, have one daughter, Jasmine. In his spare time, Jimmy enjoys local sports, and is a Knight with the Knights of Columbus.

Maintenance Supervisor Winston Koerth presented Tambunga's award at a recent safety meeting.

Ozona Cubs scalp the Warriors

By J. L. Tucker

After last Thursday's massacre of the Iraan Warriors, only one obstacle stands in the path of an undefeated season for the mighty eighth grade Ozona Cubs - the Coahoma Bulldogs.

"We played very good against Iraan," commented Doug Meador. "We are looking forward to our 'Superbowl' against the Coahoma Bulldogs."

The Cubs ran their record to 7-0 in a 38-0 decision over Iraan by rushing for 153 yards, scoring six touchdowns, and playing solid, aggressive defense.

Anthony Sanchez opened the scoring for the Cubs with a 45 yard punt

return up the left sideline with 48 seconds remaining in the first quarter.

Two minutes later, Sanchez returned another Iraan punt 40 yards to the Warriors' 10 yard line, but the Cubs fumbled the ball back to Iraan. The mighty Cubs' defense, led by Elliott Barrera, Andreas DeLa Garza and Eddie DeLuna, forced the Warriors to punt from their end zone. This time the punt went out-of-bounds at the 19 yard line, setting up the Cubs' second touchdown when quarterback Travis Davidson scored from one yard out with 3:37 remaining in the half.

Chris Sanchez fell on a Warrior fumble, and Davidson hit Sanchez with a 2 yard scoring pass three plays later, giving Ozona an 18-0 lead with

only one minute remaining in the half.

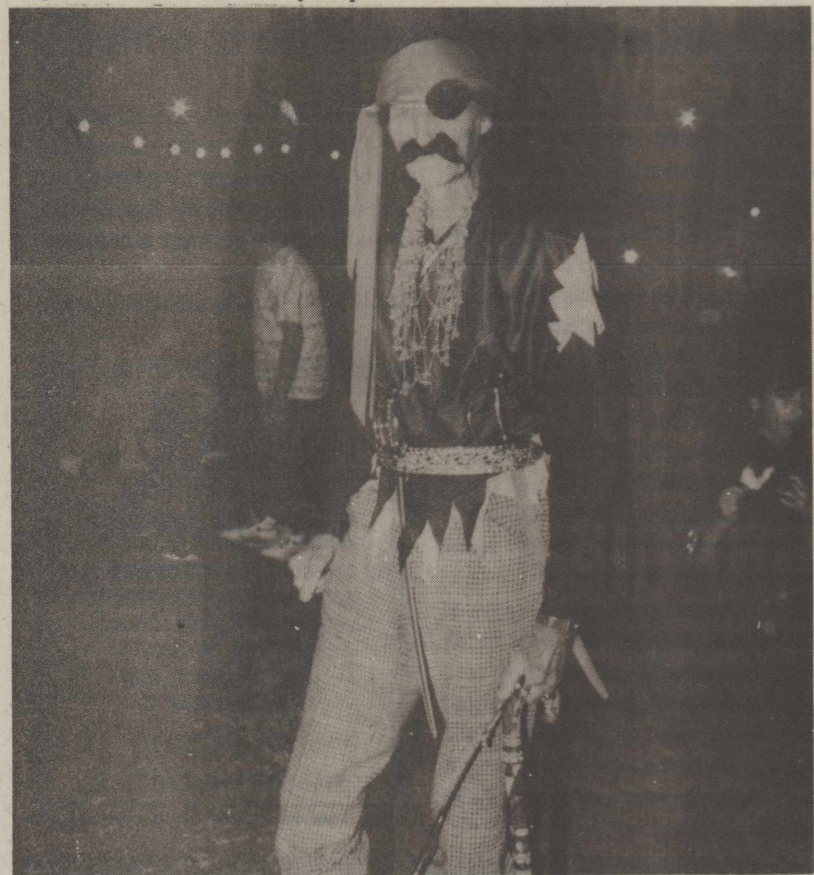

The Cubs struck lightning fast and scored again before intermission. DeLa Garza recovered his onside kick, and the Ozona Cubs' offense went to work. Tailback J. J. Lozano took the pitch and picked up 32 yards around left end behind solid blocking up front. Fullback DeLa Garza stormed up the middle for a three yard gain with 20 seconds remaining and the ball resting on Iraan's 12 yard line. The Cubs called time out and drew up a perfect pass play. Quarterback Davidson made a great play fake and rolled out to his right. Wingback Anthony Sanchez ran a perfect in and out pattern, getting behind the Warriors' secondary, and the young Lions led 24-0.

Big Julio Martinez provided the offensive punch for the undefeated Cubs in the second half. Gaining 48 yards in five carries, the powerful fullback scored both second half touchdowns.

J.J. Lozano led all the Cub ball carriers with 82 yards in seven tries. Barrera had a big game defensively with nine tackles, while DeLa Garza and DeLuna added eight and six stops respectively. The tenacious Cub defense forced the Warriors to punt six times and allowed only 30 yards rushing in 25 carries and two first downs.

"We played a very good first half against the Warriors," said Elliott Barrera.

This Thursday at Lion Stadium the Cubs will put their undefeated record on the line against the Coahoma Bulldogs. The "Cubs Superbowl" will start about 7 p.m.

Shiver me timbers! This one-eyed pirate, better known as Larry Albers was spotted at the Halloween Carnival last Wednesday.

Pictured are some of the winners in the Ozona Chamber of Commerce costume contest at the Halloween Carnival last Wednesday. A complete list of winners will be published in The Ozona Stockman next week.

Daystop Motel in Ozona to host traveling college football hall of fame

The Daystop in Ozona will host the USF&G College Football Hall of Fame, the nation's first-ever traveling sports hall of fame exhibit. The exhibit will be open to the public at the hotel Nov. 26th.

The mobile indoor and outdoor display, housed in a large, custom-built recreational vehicle, will feature exhibits, games, computers, videos, the Honors Court and a special Knute Rockne Locker Room where an actual lifelike figure of the legendary

coach will deliver his "Win One for the Gipper" pep talk.

"We're proud to host the exhibit," said J. R. Bhakta, owner of the Daystop in Ozona. "Our hotel chain ac-

tively supports many sports associations, college conferences and coaches groups. We hope to create a memorable experience for both the local community and our guests."

Card of Thanks

I would like to say thank you to Pete, Mema, Che Rachel, Willie and Mary for being there when I needed them and for sticking with me through thick and thin. May God bless each one of you.

Cubs trail the Warriors

By J. L. Tucker

The Ozona seventh grade Cubs have one more opportunity to win a football game this season. The Coahoma Bulldogs will be invading Lion Stadium Thursday at 5:30 p.m.

Hopefully the young Lions can improve their 0-5-2 record. Hopefully they can improve their offensive attack and score a touchdown, and hopefully Coahoma doesn't have a big, fast quarterback and running back.

Last week at Iraan, the young Braves displayed a dominating offensive threat behind their big and talented quarterback and speedy running back. The Cubs were no match and came up on the short end of a 34-0 score.

Iraan scored on their first three possessions of the first half on runs of 40 and 13 yards and a 55 yard pass interception return.

The second half produced similar results as the Warriors scored from 56 yards out on a fullback trap play with 4:18 remaining in the third quarter.

The Cubs' offense never invaded the Warriors' end of the field. The best offensive showing resulted from their punting team.

Trailing 14-0, the Cubs were forced to punt from their own 39 yard line. A short punt was fielded by the Iraan ball carrier, and he was immediately knocked loose from the ball. Sam Fuentez covered for the Cubs.

After another Iraan score, the Cubs again found themselves facing a punting situation. This time a bad snap was picked up by punter Ray Fierro who eluded the oncoming rush and picked up enough yardage for Ozona's only first down of the half.

In the third quarter, Iraan was flagged for roughing the punter, and the Cubs were given their second first down of the evening.

Linebacker John Usener led the Cub defense with seven tackles while Patrick Sanchez and Bryan Mendez registered six stops each.

Joby Sanchez led all Ozona ball carriers with 21 yards in nine attempts, and Dario Porras tacked on 14 yards in six carries.

Hopefully the Cubs will match up with the Coahoma Bulldogs and find the offensive punch needed to take advantage of their last opportunity to win a game this season.

Game time will be about 5:30 p.m. Thursday.

OJHS students of the month

The Ozona Junior High school has chosen the Students of the Month for November. They are selected based on scholarship, citizenship, school spirit and community involvement.

Representing the sixth grade is Christi Vasquez. She is a member of the Just Say No Club and the Loud Crowd. Reading is her favorite pastime.

She is the daughter of Mr. and Mrs. David Tijerina.

John Elizondo was selected from the seventh grade as student of the month. He enjoys collecting baseball cards and sports in general.

He is the son of Mr. and Mrs. John Elizondo.

Chosen to be the eighth grade student of the month is Joe Esparza. Joe enjoys playing sports.

He is the son of Mr. and Mrs. Frank Esparza

Army deploys mailing addresses for Operation Desert Shield

The U.S. Army has deployed mailing addresses for Operation Desert Shield and officials say that using the proper Army Post Office number will reduce transit and sorting time at the military post office.

Addresses for the different divisions are:

-101st Airborne Division (Air Assault), APO NY 09309

-82nd Airborne Division, APO NY 09656

-24th Infantry Division (Mechanized), APO NY 09315

-1st Corps Support Command, Fort Bragg, APO NY 09657

-197th Infantry Brigade (Separate Mechanized), APO NY 09315

-11th Air Defense Artillery Brigade, APO NY 09656

-3rd Armored Cavalry Regiment, APO NY 09209

-1st Cavalry Division, APO NY 09306

-2nd Armored Division, APO NY 09371

Officials stress that personal mail should be addressed in this format:

Rank/Full name/Social Security number

Operation Desert Shield

Unit of Assignment or attachment (for deployment)

APO New York 19- - -

Mail set to a soldier's regular mailing address will be forwarded.

The military has placed a temporary restriction limiting first class mail to 12 ounces or less, including audio cassettes.

Currently, delivery time from the continental United States to Saudi Arabia is about 10 days.

Stains that cannot be removed

At one time or another, everyone has had a stain that defied removal. No matter what products were used or which methods were tried, the stain remained stubbornly in the fabric.

Because of today's easy-care fibers and chemically active cleaning products, consumers sometimes forget that there are still some things that cannot be done.

One of the stains that cannot be removed is benzol peroxide, an ingredient of acne medicine that causes rusty, yellowish stains. These are bleached spots in the fabric. Benzol peroxide is difficult to rinse off the body because it is very insoluble. To prevent visible damage when using products containing benzol peroxide, use white household textiles such as sheets and towels. White collars on garments prevent discoloration to necklines. Cover chair arms with clear plastic or small white towels for everyday use to prevent damage to upholstery. Protect carpets by keeping a small sheet or blanket on hand to lie on.

Brown age spots on fabrics are another stain that cannot be removed. These are often caused by caramelized sugar from food stains that were left in the fabric when it was stored. Sugar from soft drinks and some other foods are invisible when fresh, but turn brown as they age. The best way to prevent them is to be sure that all fabrics are clean before they are stored.

Often causes of age stains on fabrics are fumes from heating systems, usually found along fold lines, and discolorations caused by hair care products, perspiration or deodorants. These discolorations often do not show up for several weeks or months. Protect garments from sprays or drips of grooming products and launder them frequently to remove any accidental exposure. Refold textile products every four to six months if they will be stored for a long period of time.

A staining problem unique to carpets, even the new stain resistant ones, is hot food with a sauce. Almost every stain can be removed from stain resistant carpet except this kind.

The heat of the food melts the

sauce into the fibers and the color actually becomes a part of the carpet. Use extra care when carrying such dishes as spaghetti sauce across the carpet to avoid this type of stain.

The most common non-removable stain is bleached spots. Bleached spots can be white, yellow, a lighter shade of any color or even a completely different color from the original fabric. Bleach spots can come from many different products including laundry bleach, tile cleaner, mildew remover, hair preparations and rust remover, to name a few. To prevent these stains, read and follow labels carefully.

If a product contains peroxide, hypochlorite or oxalic acid, be careful not to spill or spray it on fabrics because it will remove the color if the solution is strong enough. Always dilute liquid bleaches when adding them to laundry unless the machine has a bleach dispenser.

With some care and a little knowledge of today's chemicals, spots that cannot be removed can be avoided. Remember that for these stains, prevention is the best remedy.

For more information on textiles and their care, contact the Crockett County Extension Office at 392-2721.

Word has been received from Seymour of the happy goings on of Tres and Sonny Jon Bailey, children of Paula and Jim Bob Bailey.

The children are involved in many activities, including junior band, 4-H and Horse Club. Tres made the A-B honor roll and is enjoying an interest in golf.

Sonny Jon won first place in the junior division fruits and vegetables category of the 4-H Food Show with her layered salad recipe. She also won over-all best of show and competed in the District 3 meet in Vernon Nov. 3.

Tres' grazing judging team won at the Haskell fair and will next compete in Wichita Falls Nov. 17.

Both children will take part in horse judging in Wichita Falls on Nov. 17.

Cecil Atkission donates auto to school

Jerry Kemp, general manager of Cecil Atkission Chevrolet, Olds, Buick and Pontiac in Sonora, is shown presenting the keys for a 1990 Buick LeSabre to Crockett County Consolidated School auto shop teacher Pete Maldonado. The car was donated to Ozona High School by Buick Motor Division and Cecil Atkission Motors after it was damaged by a hail storm in Sonora earlier in the year.

Buick repurchased a total of five damaged vehicles then appointed Mr. Kemp as coordinator for donating the vehicles to area schools having automotive shop programs.

"I think this speaks very highly of the folks at Buick in that they didn't want a fine quality automobile sold that was not perfect in every way and then be gracious enough to donate them to institutions responsible for training young men and women who will be working on them in the fu-

ture," said Mr. Kemp. "I'm very happy that Ozona is one of the schools that will benefit from Buick's generosity."

In addition to Ozona, Buicks were also donated to McCamey, San Angelo Central, San Angelo Lakeview and Southwest Texas College in Uvalde.

Gas. It's A Natural For Economy.

When it comes to heating your home or business, cooking your food or heating water, nothing does it better or more economically than natural gas.

Heating with gas costs less, by far, than electric heat. Gas also out-performs electric heat pumps. As it gets colder, heat pumps become less and less efficient. But, whatever the weather, the air flowing from gas heat is as much as 30 degrees warmer than heat pump air.

Water heaters using natural gas far out-perform electric water heaters. On average, a gas water heater can save hundreds of dollars in energy costs over five years. And, gas heats water much faster than electricity.

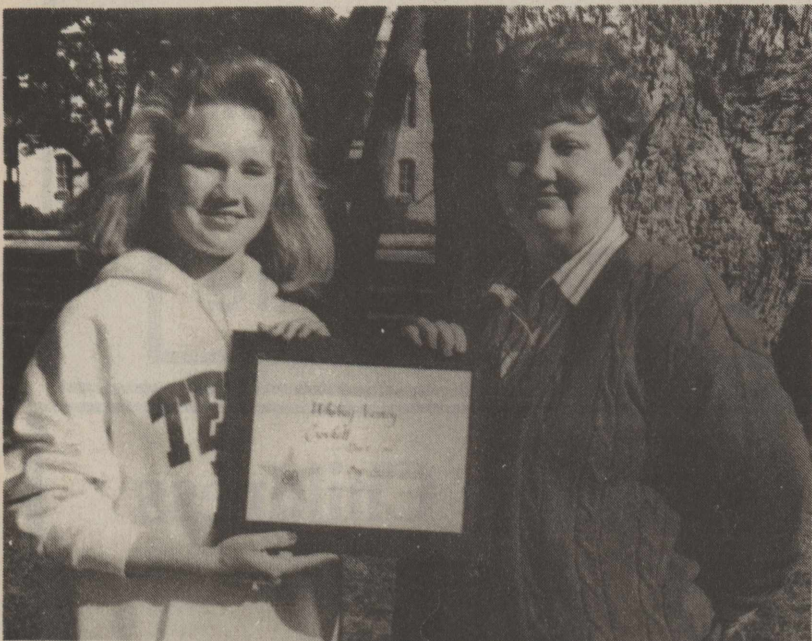

Looking to the future, gas may play a significant role in vehicular use. It is estimated that if only 10% of our vehicles were converted to natural gas in America, it could displace 700,000 barrels of foreign oil per day!

Whatever the energy job, go with gas. For economy, it's a natural.

Local 4-H'ers at district banquet

Whitney Vannoy, Crockett County Gold Star winner, accepts her certificate from Tedra Ulmer.

Katharine Elizabeth Durham and Whitney Leigh Vannoy were among the honorees at the 1990 District VI 4-H Gold Star Awards Banquet in Odessa on Saturday.

Having previously been named winners of the highest achievement award given statewide on the county level, these Crockett County 4-H'ers were among Gold Star winners from 22 other counties in the district.

Sponsored by TUElectric, Texas-New Mexico Power Company, West Texas Utilities Company and the Texas Agricultural Extension Service, the district program annually recognizes the outstanding 4-H Club members in each county. Recipients of the Gold Star Award must have demonstrated outstanding leadership development and successfully completed a project related to agriculture, home economics or personal development.

This year's recognition program was conducted by members of the District 4-H Council, and was held at the Odessa Country Club. State Representative Troy Fraser of the 69th District was guest speaker.

Although Miss Vannoy was unable to attend the banquet because of the regional band competition, Miss Durham was accompanied to the banquet by Crockett County Extension Agents Billy Reagor and Tedra Ulmer.

Durham is a sophomore at Ozona High School and is the daughter of Neal and Tedra Ulmer. She is a six-year 4-H member and has participated in foods, clothing, family life, sheep, recreation, citizenship and housing projects. She has competed on the state level in the fashion show and method demonstration contest, and is currently co-chairman of the state 4-H Teen Fashion Board. Her 4-H record book placed first in district and state competition for a trip to National 4-H Congress in Chicago this month.

Vannoy is the fifteen-year-old daughter of Dr. and Mrs. Gary Vannoy, and is also a sophomore at Ozona High School. A six-year 4-H member, she has been active in foods, clothing, sheep, Angora goat and horse projects. She is active as a teen leader and recently initiated the canned food drive which netted approximately 200 pounds of food for Helping Hands at the county 4-H banquet.

"We are extremely proud of these 4-H members for their hard work and achievements," said Reagor and Ulmer. "We are lucky to have many other 4-H members who are also dedicated and hard-working, and who are talented in their own right. We look forward to having strong Gold Star winners from Crockett County for years to come," the agents noted.

Crockett County Gold Star winner Katharine Durham accepts her certificate from Kit Horne, WTU Farm and Ranch Supervisor at Saturday's banquet in Odessa.

Weaning time is cow culling time

Weaning time is an excellent opportunity to identify and cull poor producing cows, says a livestock specialist with the Texas Agricultural Extension Service.

"With annual cow costs amounting to about \$350 per head, profitability is an elusive goal for many cow-calf producers," said Dr. Randall Grooms of the Texas A&M University Agricultural Research and Extension Center at Overton. "Inferior calves have inferior parents."

"Mothers of non-profitable calves are inferior because they calve late in the season or fail to give adequate milk for the calf's growth. In either case, it is highly probable that she will repeat her inferior production next year."

Generally, the bottom 5 to 20 per-

cent of the cows in a herd produce calves that are significantly below the herd average. Producers determine their culling level by the availability of replacements or the desire for profit.

Grooms says a simple procedure for culling cows is to separate the cows and calves at weaning time. Sort the smaller, inferior calves from the others. The following morning, put the inferior calves with the cows. Cows claiming these inferior calves can be identified and culled.

"After weaning calves, many producers prefer to keep cull cows until frost," Grooms said. "This allows the cow to regain body condition and weight. With current cow prices, now is an excellent time to shape up a cow herd and put it in a more profitable mode."

Crop, livestock surveys begin

The Texas Agricultural Statistics Service will begin contacting farmers and ranchers across the state in late November for 1990 acreage, yield and production totals and end-of-year livestock and poultry inventories.

"Extreme weather conditions have certainly had an impact on Texas agriculture this year. From the heavy rains and flooding in East Texas last spring to this summer's prolonged hot, dry conditions, weather has been a major factor in Texas production this year. These surveys should help us summarize where the industry stands at the end of 1990," state statistician Dennis Findley explained.

"Information from these confidential surveys conducted by mail, telephone or in person will also help producers make their plans for the coming year."

"Sound production and marketing decisions require good, reliable information and some advanced planning, and our reports provide producers with solid facts and figures they can incorporate into their plans," Findley added.

As always, the Texas service will be trying to keep survey costs at a minimum, so Findley is urging producers to return their mailed questionnaires as soon as possible to avoid follow-up contacts.

"Remember, these are sample surveys, so if you are contacted it is important to provide the requested information, since one producer represents several other operations of the same type and size. Our estimates can be no better than the numbers producers provide," Findley noted.

Results of the surveys will be published in early 1991. Anyone wanting a copy of the results can write Information Section, Texas Agricultural Statistics Service, Box 70, Austin, TX 78767.

Tax practitioner workshops offered again

The Texas Agricultural Extension Service, in cooperation with the Internal Revenue Service, is again offering the Tax Practitioner Workshops across the state of Texas in the Fall of 1990. These workshops are led by CPAs and attorneys who are experienced in the field of income tax reporting and planning. They provide valuable continuing education opportunities for tax professionals seeking CPE and MCLE credit.

This year twenty-six General Tax Workshops, designed for practitioners who work mostly with individuals and small businesses, are offered in major Texas cities. The nearest one will be in San Angelo, on Nov. 12-13. Fifteen Advanced Tax Workshops are also offered. They are directed at the practitioner with substantial experience with individual returns, who does some business work, and feels the need to develop more skills in business related work. One will be offered in Midland, on Nov. 28-29.

In addition to the General and Advanced Workshops, there will be four each of the Partnership Taxation and Estate Planning Workshops, and three each of the Income Taxation of Trusts & Estates and Problem Resolution Workshops. The Agricultural Tax Problems Workshop, which was introduced in 1989, will be offered this year in two locations - San Antonio and Amarillo.

We are also proud to announce a new S Corporation Workshop that is being introduced this year in response to numerous requests for a workshop on this topic. It will be offered in Austin, Dallas, and Houston.

For a brochure with a complete listing of the sixty Tax Practitioner Workshops offered in 1990, please contact your County Extension Agent, Billy Reagor, at 392-2721. Or you may contact the Tax Practitioner Workshop Office, Department of Agricultural Economics, Texas A&M University, College Station, Texas 77843-2124, or call (409) 845-5446.

DID YOU KNOW...

HOUSE OF BRICKS...
Built in Marshall in 1850, a southern plantation style
house called "Wyalucing" was one of the first brick
houses erected in Texas. It was the childhood home of
Lucy Holcombe Pickens, whose picture and that of
"Wyalucing" adorned the Confederate currency. The
house was purchased by former slaves in 1880 for the
all-black Bishop College.
