

Muleshoe Well Represented At State Track, Field Meet In Austin

Muleshoe is well represented at the Interscholastic League Track and Field Meet, which begins in Austin tomorrow. Coach Leroy Scott and Coach Elbert Johnson left early Wednesday for the capital city with their automobiles, carrying the following boys, who are eligible to compete in various state events:

- G. R. Howell, mile relay.
 - Robert Richards, mile relay and 880 yard run.
 - Gaylord Tate, mile relay.
 - Jimmy Clyde Holt, 440 yard dash and mile relay.
 - Sammy Donaldson pole vault.
 - Bill Willis, discus.
- Also in this group was Doyle Henry, a "spare". It was said that the mile relay team is entitled to carry along a spare in case for any reason one of the four mile relay boys is not able to compete. Also in this group was Roger Gorrell team manager.

The Muleshoe boys at the Regional meet in Lubbock came in second in the mile relay; Willis was second in the discus; Donaldson tied for first in pole vault; Holt first in the quarter mile; and Richards second in the 880 yard run.

Whalin In Race For Justice In Precinct No. 1

C. W. "Bill" Whalin authorizes The Journal to announce that he is a candidate for Justice of the Peace, Precinct 1, Bailey County. His candidacy is subject to the action of the Democratic Party primary July 24. Mr. Whalin made the following statement in connection with his announcement to his friends:

After serious consideration I am placing before you my candidacy for the office of Justice of the Peace Precinct 1, Bailey County. I believe I am qualified to properly fill this office. I have been a resident of Bailey County for 13 years. I am married and have three children two girls and one boy, and I am vitally interested in our county. I am 54 years of age and have never asked for an office before.

If elected as Justice of the Peace of Prec. 1, I promise you that I will at all times be ready to assist you in any way my office will permit. Thanking you for any consideration you will see fit to give me, I am,

Sincerely Yours,
C. W. "BILL" WHALIN

Goss Bros Purchase Barbour Service

Carroll and Jess Goss are this week announcing the purchase of the Phillips 66 Service Station known as the Barbour Service Station from Babe Barbour. The Goss Bros. are experienced service station men having owned and operated five stations at different times in Muleshoe. Their ad will be found on another page of this issue. Mr. Barbour's plans for the future have not yet been announced.

Stamps Quartet To Be Here May 15

The Stamps-Ozark Quartet, of Radio Station KWFT, Wichita Falls, will give a Concert Program of Gospel and secular songs, at the Assembly of God Church, May 15th at 8 o'clock p. m. This program is sponsored by the teen-agers Sunday School class, and proceeds will be used to buy new chairs for their Sunday School room. Tickets will be on sale at the Milk Jug by the young people of the Assembly of God church, who urge you to get your tickets in advance. Admission, adults, 75c; children under 12, 25c.

Muleshoe Firm Distributor Over Big Section For Wonder Buildings

Formation of Western Wonder Building Distributing Co., in Muleshoe to be wholesale dealers in a large section of the Plains of Texas and New Mexico was announced here this week by Robert (Bob) King, president of Western Fertilizer Co., Inc., of this city. Mr. King will be president of the new company. The company will begin at once the erection of office and warehouse buildings on lots belonging to the Western Fertilizer Co., just across the Plainview highway west of King Bros. Grain & Seed Co. elevator. Dimension of the office is to be 30 feet by 100 feet. A larger building, to house display material and stock for local dealers over the territory will extend from the back of the office building to the street which borders the property on the north. Both buildings will be "Wonder Buildings", but the office will have a modernistic "dolled up" front and the whole plant will be a distinctive addition to Muleshoe's business section.

Mr. King said the company has distributorship rights in these Texas counties: Parmer, Castro, Bailey, Lamb, Cochran, and Hockley. And in New Mexico, Chavez, Roosevelt, Curry, DeBaca, Lee, and Eddy. On another page will be seen an advertisement showing some of the features of the revolutionary Wonder Building expected to be in demand on the farm in this year when the Plains may turn to sorghum grains. Some of these features which are outstanding are: No trusses-self supporting; Heavy 18-gauge galvanized steel; fireproof; windproof. Wonder Buildings, it was said, go up mighty fast, they are very flexible, may be erected swiftly, and are ideal for grain storage since there is no place where grains may collect when it is desired to empty the building. Very soon the company will have samples of the Wonder Building on display and they invite everyone to inspect them.

Cooking School May 13

PATRICIA STEARNS

Reddy Kilowatt electric appliance dealers of Muleshoe and Southwestern Public Service Co., are staging a big cooking school here in the high school auditorium next Thursday, April 13. The school will be at 2 p. m.

It will be conducted by the Service Company home service advisors, Miss Patricia Stearns and Mrs. Clydie McReynolds. Capital prizes will be a fine Frigidaire electric range.

In addition there will be food door prizes. All food for the school is being furnished free by Piggly Wiggly and Cashway Groc. & Mkt., both of Muleshoe. Participating in the cooking school are: E. R. Hart Co., Harvey Bass Appliance, Dyer Hdw. & Furniture, and Johnson-Pool. They are inviting people through the paper and by letters and circulars throughout the Muleshoe trade territory. An announcement of the event will be found on pages 5 and 6 of the second section in this paper. The dealers sincerely want to play host on this occasion and they say all together: "You'll all Come!"

CASEYS MISS STORM

Mr. and Mrs. W. Q. Casey, returning home after a stay in Arkansas, reached Meeker, Okla., about a minute after the tornado last Saturday. Meeker was badly damaged, many were hurt, but none killed. It sort of unnerved the Muleshoe people. They had spent a few days in Hot Springs and visited some of Mrs. Casey's relatives in Garfield.

Al Griffin Announces For County Clerk

Al Griffin, resident of Muleshoe, has authorized The Journal to announce that he is a candidate for the office of County and District Clerk of Bailey County. His candidacy is subject to the action of the Democratic Party primary July 24. Mr. Griffin made the following statement in connection with his announcement:

In announcing my candidacy for County and District Clerk I would like to take this opportunity to explain to the citizens of the county my qualifications for executing the duties of that office. I am thirty-one years of age, married, and have two children. I am a taxpayer and home owner in Muleshoe. I have been engaged in many phases of office work, both in the Army in World War II and in civilian life. I sincerely feel that my fourteen years in the business world have been sufficient to teach me the proper mechanism of a well operated office.

Knowing my own capabilities, I will hereby promise to put forth the best effort in performing the duties of this office, always mindful of my obligation to the people, to the office, and to the best interests of all. Very sincerely,
AL GRIFFIN.

W. H. Eubanks For Commissioner In Precinct 3

W. H. Eubanks, a resident of Maple Community, has authorized The Journal to announce that he is a candidate for Commissioner, Prec. 3, Bailey County. His candidacy is subject to action of the Democratic Party primary July 24.

Mr. Eubanks has farmed in the community since moving to this county in 1931. He has never held public office. He feels that he is qualified by his experience and long acquaintance with the precinct to fulfill the duties of Commissioner and he said that if he is elected it will be his aim to carry on these duties to the best of his ability. He said that he would at all times keep in mind the best interests of his precinct and county.

Mr. Eubanks will make an active campaign and will attempt to see personally each of the voters. He invites the vote and influence of all the people of his precinct.

Girl Scouts In Program Tuesday For Rotary Club

Members of Troop 5, Muleshoe Girl Scouts, and their leaders, gave the program for the Rotary Club at its noon meeting Tuesday.

The girls first repeated their Scout oath in unison, then in individual recitals gave some of the aims and objectives of the Girl Scout movement. They represented Girl Scouting in Muleshoe, recently organized and now off to a flying start. Mrs. Pat Glasscock, their leader, monitored the program, which the girls wound up by group singing. Accompanying the group also were Mrs. Elmo Evans and Mrs. Allen Guinn, co-leaders; and Mrs. Rufus Gilbreath.

Myron Pool introduced the program, which had been arranged by Vance Wagoner, the latter being out of town because of an illness in the family.

At the conclusion of the program, the club presented the girls with a cold confection treat. Members of the troop and taking part on the program are: Donna Guinn, Norma Hennington, Rita Rucktschel, Carolyn Burge, Jana Goodwin, Jane Sanders, Joy Awtrey, Doris Ann Gilbreath, Zonia Millen, Darlene Norris, Patricia Bell, Sandra Broyles, Lenora Burkhardt, Goldilou Goucher.

Alana Evans, Pat Thompson, Lynda Gillis, Sharon West, Debora Braune, Patsy Marrow, Sandra Howard, Annamary Elrod, Bernice Clark, Kay Landers, Judy Kay Lambert and Dana Parks.

Alfalfa Cutting Underway Here

Alfalfa cutting is underway in the Muleshoe country, speeded to some extent when the mercury dipped below the freezing point early this week. Some alfalfa ripped by the frost, was through growing farmers felt so they went after it.

First to be dehydrated at the National Alfalfa Dehydrating & Milling Co. here was the crop of S. D. Anderson, local cotton buyer who doubles as a farmer. The mill started operating Monday.

Onard Upton mill manager, said that so far a one crew operation has been carried on but that probably by today or tomorrow a night crew will be added, for he expects to be plenty busy during the rest of the season.

Mrs. O. C. Thomson and son, John, spent the weekend in Mobeetie.

Box Supper At Needmore Tonight

First box supper and candidate speaking will be held tonight, Thursday, May 6, at Needmore, a community which lies in the center of the county, about 15 miles south of Muleshoe.

This event is sponsored by the Needmore Oddfellows and Rebekahs lodges and all candidates are invited to come out and get acquainted with a large number of voters. It is a community wide event, and the Needmore sponsors are expecting a large turnout of the people thereabouts, and a good time goes without saying. Many more such events will be staged over the county as the primary campaign goes on. Bailey County has more candidates for the district, county, and precinct offices than in any election year in county history.

Woody Goforth Announces For Co. Commissioner

W. E. "Woody" Goforth, a resident of Circleback community, has authorized The Journal to announce that he is a candidate for Commissioner for Precinct 4, Bailey County. His candidacy is subject to the action of the Democratic Party primary July 24. He made the following statement:

TO THE PEOPLE OF PRECINCT 4:
In submitting my candidacy for the office of Commissioner in Precinct 4 I would like to bring out a few brief facts about myself.

I have been a resident of this county for 23 years. For 7 years I was bookkeeper for the same company. For three years I was in public business for myself. At present I am farming in Circleback community.

I am deeply interested in the progress of Bailey County, as well as the progress of Precinct 4. The welfare and best interests of the people would be of first concern to me should I be elected to serve as your Commissioner. I sincerely solicit and will appreciate the vote and support in the coming election.

Cookie Sale Nets \$513 For Scouts

Muleshoe's Girl Scouts have just completed a very successful week's sale of official cookies. This was the annual means of raising funds for this organization.

Troop number seven, under the direction of Mrs. Jack Lenderson and Mrs. H. G. Burchett sold the most cookies. This troop is composed of thirty-one girls, and they sold 315 boxes of cookies. Troop number four, under the direction of Mrs. Charles Lenau and Miss Rita Peeler followed a close second with 302 boxes. There are twenty-nine girls in this troop.

Other troops, the number of girls in each troop, and the number of boxes each sold are as follows: Troop No. 1, sixteen members, 148 boxes; troop number 2, 18 members, 192 boxes; troop number 3, 19 members, 200 boxes; troop number 5, 27 members, 268 boxes; troop number 6, 23 members, 190 boxes; troop 8, 10 members, 42 boxes.

Through the local grocery stores on Saturday, the entire group sold 282 boxes of cookies, and store sales on Tuesday totaled 66 boxes. Leaders sold the remaining 35 boxes.

Total sales for the week were 2,240 boxes, amounting to \$1,040 in cash. Of this amount the girls have earmarked their net profit of \$513.50 for improvement of the property used jointly by the Girl and Boy Scouts of Muleshoe.

All the girls wish to thank each individual who made their cookie sale possible, and made it such a grand success.

Grain Sorghum Support Price For 1954 Set At \$2.21 In This County

Secretary of Agriculture, Ezra Taft Benson, has announced that price supports for grain sorghums produced in 1954 would be at 85% of parity. This is the same percentage of parity which was in effect for supports on grain sorghums in 1953. "Price supports on grain sorghums are being continued at the 85% parity level for another year in order to help maintain farm income and economic stability during this period of adjustment." Secretary Benson said in commenting on the announcement.

"This crop offers an opportunity to increase locally produced supplies of feed needed in drouth and other feed-deficit areas". At the same time, producers should guard carefully against over-expanding production for commercial markets on acreage diverted from crops under acreage control, in order to avoid surplus and further adjustment problems which would result from over-expansion.

L. T. McKillip Announces For Co. Commissioner

L. T. McKillip has authorized The Journal to announce that he is a candidate for Commissioner, Prec. 1, Bailey County, subject to the Democratic Party primary. He issued the following statement in connection with his announcement:

TO THE CITIZENS OF COMMISSIONERS' PREC. 1:
At the continued request of my friends and voters of this precinct, I am by this statement announcing that I will be a candidate for County Commissioner of Precinct Number One (1), Bailey County, Texas, in the forthcoming Democratic Primary to be held July 24, 1954.

Most of you know me personally, and it is not necessary that I give you a history of my experiences, but for those of you that do not know me personally, I want to state that I served you as County Commissioner of Precinct Number One (1) for six years, from 1946 to and including 1952. I believe that you can ask anyone in the precinct and they will tell you that L. T. McKillip served the citizens in a fair and impartial manner, and did not show special favors to anyone, took care of the business of the County, and left the finances of the precinct in good shape.

The business of Bailey County, is the largest business in Bailey County, involving a financial structure of between \$9,000,000 and \$10,000,000, and care should be taken by you the voters in turning over this business to the person who is to serve you for the next two years as your County Commissioner.

Most of you know that I have been sick, but I am fast recovering my health, and will be able to see each of you before election day. Mrs. McKillip and I appreciate our many friends, and especially do we appreciate you good people for placing me in the office of County Commissioner for the years previously served by me, and if you see your way clear to again intrust to me the responsibility of this important office, we will both be forever grateful to you, and I will continue to give you the service that I gave you in the past.

If I should fail to see you personally before election day, I want you to consider this as a personal solicitation of your vote and influence.

With best regards, I am
Your friend and servant,
L. T. MCKILLIP

Progress W. S. C. S. Studies Alcoholism

Ladies of the Women's Society of Christian Service of the Progress Methodist Church held their regular business and social meeting at the Church on April 26.

Mrs. Joyce Walker conducted the meeting in the absence of the president, Mrs. Carrol Jones.

It was decided to change the May meetings to the 6 and 20 of the month because of conflicts. The clothing collection is progressing satisfactorily. More used clothing is needed, as this is a continuous project.

Mrs. James Wedel, teacher, conducted the study on alcoholism. Mrs. O. S. Richards gave the devotional talk, "Master, Let Me Walk With Thee". Mrs. Troy Atkinson talked on "What's in a Drink"; "Does Alcohol Damage The Body", was the subject of

the talk given by Mrs. Troy Kramer. Mrs. Arthur Cooper spoke on "Identifying Characteristics of Alcoholism". "Facts of Alcoholics Anonymous", was the subject of the talk presented to the group by Mrs. James Wedel.

After a discussion of each of the talks, the meeting was dismissed with a prayer.

Those present were: Mmes. Lois Kramer, James Wedel, O. S. Richards, Troy Atkinson, Byron Griffiths, Arthur Cooper, and Joe Walker.

Noted Irrigation Pioneer Speaks At Lions Meeting

George Green president of the Green Machinery Co., of Plainview, who has pioneered development and methods on the Plains was the principal speaker for the meeting Wednesday noon of the Lions Club.

Mr. Green doubts that the underground water supply of the Plains irrigation belt is kept replenished by recharge from rainfall alone. He believes, instead, that this water comes from an underground river, whose waters originate in the mountains.

He said that the amount of water being used on the Plains could not, in his opinion, be kept

at present levels by recharge only. Mr. Green is an inventor and manufacturer of turbine irrigation pumps. He was introduced by Lion Owen Jones, who has known Mr. Green a long time. Jones was in charge of the program.

Jeff Peeler, acting for Fred Johnson, who was absent asked for volunteers to help entertain boys from Valley Ranch, who will be here on a tour in June. Johnson is chairman of a committee to host the group on their visit here; Jeff got 15 volunteers to take some of the boys out to dinner that evening. They will be guests of the committee for breakfast the following morning. Don Jackson, former physical director in the local schools, is in charge of Valley Ranch, and will be here with the boys.

Kindergarten To Hold Open-House

Mrs. Clinton Bristow will hold open-house at her Kindergarten, at 1305 W. 5th., Friday, May 7. Visiting hours are from 9:00 a. m. until 1:45 p. m. and children from four to six are especially invited.

Mrs. Bristow defines the word "Kindergarten" as a school for young children, conducted on the theory that education should be begun by gratifying and cultivating the normal aptitude for exercise, play, observation, imitation, and construction, and emphasizing the necessity of social training: — a name given by Friedrich Froebel, a German educator. The means employed are chiefly object lessons, games, songs, social exercises, etc.

Playground equipment at the kindergarten includes a slide, merry-go-round, see-saw, and a gym set with swings, monkey

COTTON HAS THE FLOOR—Luxurious tufted broadlooms like this one have won the hearts of interior decorators, the National Cotton Council reports. Cotton carpets provide a psychological lift by deadening household noises and by adding a warm note of color to the home. Production of cotton broadlooms has doubled in the past three years. Cotton carpets have proven themselves durable and easy to care for.

Copley Twins Are Presented In An Afternoon Recital

Don and LaVon Copley were presented in an afternoon musical in Lubbock Sunday at the O. L. Slaton Junior High School auditorium.

They, with other pupils of the Cecil Bolto Studio of Music, rendered piano solos, duo piano duets, and organ and piano duets.

Students of music from Slaton, Muleshoe, Levelland, Crosbyton, Ralls, Abernathy, and Lubbock, participated on the program.

Public Invited To Attend Book Review

Mrs. W. H. Willoughby, of Bovina, will review the book, "Barabbas", at the Fellowship Hall, May 14, at 8:00 in the evening. She is being presented by the Muleshoe Study Club.

"Barabbas" is the story of the man who was released before Christ was crucified.

Mrs. Willoughby recently reviewed "A Good Man" by Jefferson Young, for the club, and was so well received that it was decided to have her make a return appearance for the public.

Tickets for the review may be purchased from any member of the Study Club, for only \$1 for adults and 50c for student tickets. There will be no charge for children.

Students who need extra book reports may attend the review, according to High School English teachers.

Members of the club report that they are fortunate indeed, to have such an outstanding book reviewer. Space is limited, so those wishing to attend are advised to buy their tickets early, and plan to spend a thoroughly

19 People And Rufus Represented Muleshoe At JayCeas Convention

Nineteen Muleshoe representatives were in the JayCee Caravan leaving the city last Wednesday bound for El Paso and the big JayCee Convention. They were: Mr. and Mrs. Murel Brown, Mr. and Mrs. James Crow, Mr. and Mrs. Bill Wilson, Mr. and Mrs. Siskie Watkins, Mr. and Mrs. Myron Pool, Mr. and Mrs. John Smith, Tootie Middlebrook, James Mitchell, John Mock, Willie James, Buddie Blackman, Gerald Priboth and Beverley Gully.

The caravan left Muleshoe at 7:00 o'clock a. m. Wednesday, and arrived in Roswell, N. M., their first stop, at 10:00 a. m. They were taken to the center of the city by a police escort, and after about an hour's stay, during which time they balleed hooded Rufus, handed out ribbons, JayCee papers, swivel sticks, etc. they continued on their journey. Arriving in Carlsbad, N. M., a noon, they were again escorted by police to the Court House, where the Carlsbad JayCeas had

lunch. (a bale of Eddy County hay) prepared for Rufus on the lawn. The group left Carlsbad about 2:00 p. m., after going through the same procedure they had given at Roswell.

They arrived at El Paso about 6:30 p. m., and were met on the outskirts of town by the El Paso JayCeas and a police escort and were taken to the hotel on one of the wildest rides Mr. Brown said he ever hoped to take. He said sirens were blowing, everyone was yelling and blowing horns, and they went through the city about seventy miles per hour.

At the hotel they proceeded to unload Rufus, register, and get ready for the convention.

During the convention, the Muleshoe JayCeas made Francis MacGiniis, 2nd Secretary to the British Embassy, in Washington, D. C., an honorary member of their organization. Mr. MacGiniis is in charge of Far Eastern Affairs.

Mr. Brown reports that all the JayCeas from here really worked while they were there to get their candidates elected, and were very successful. On the convention floor, prior to the voting, Mr. Brown created quite an uproar when he stood up and withdrew Rufus, the Muleshoe Mule, in favor of the other candidates, Rocky Ford, of Midland for State President, and Rufus Rush of Lubbock for National Director.

Regular Thursday meeting of the Muleshoe JayCeas was held in Juaraz, Mexico, at "Tommy's Place".

The city of Muleshoe and surrounding territory received more publicity at this convention than it ever had before, so report the JayCee leaders.

Mr. Brown told this reporter, and quote, "I have never been out with a finer group of young people than those who represented Muleshoe at the convention. The city can certainly be proud of them."

Tired but happy, the group arrived back in Muleshoe Sunday evening, and everyone reported having a swell time.

HAD GUESTS
Mr. and Mrs. Alvis Burge had as weekend guests, her sister and brother-in-law, Mr. and Mrs. J. D. Cox of Littlefield, her brother, Calvin McCoy and family, of Tucumcari, N. M., and her mother and father, Mr. and Mrs. H. C. McCoy of Steigler, Okla.

2 Business Firms Report Break Ins

Burglars last night broke in to two Muleshoe business houses, Muleshoe Liquefied Gas and Cayle Reed Buick Co., Sheriff Hugh Freeman told The Journal. He said the way they operated looked pretty professional to the officers.

At the Buick place a hole was knocked in the glass of a side door and the night latch turned to get entrance. The burglars picked up a drill and two hammers, but, having no use for them, left them at the Muleshoe Liquefied.

Some money was taken from the latter company's safe, which was opened, as said before in a professional manner. They got into this building by punching out a window light. Sheriff's officers and others were investigating this morning.

Gene Lowe Wins Matched Roping

Gene Lowe, of Muleshoe, was top roper in the matched roping held here Sunday, April 25. He won first place in the contest in which each entrant roped four calves.

In second place was Jake Bogard, of Bula; third place honors went to Bruce Pike, Clovis. Ten widely known ropers competed, and a fair crowd was on hand.

TO VALLEY

Mr. and Mrs. Myron Pool left Wednesday for the Valley where they will vacation for a few days.

Transfers Must Be Made In May

School authorities are calling attention to the fact that the new transfer law requires that all parent applications for transferring a child whose name is on the census roll to another district be filed not later than June 1, 1954, with the County Superintendent.

Transfers of children whose grades are taught in their home district and whose names are not on the census roll may be transferred for average daily attendance and transportation purposes until September 1, 1954, by action of the County Board.

Alfalfa Market Provided Here By Farm Bureau

Austin Crowover, Waco, head of Texas Farm Bureau Insurance discussed the Bureau's insurance program before a meeting of the Bailey County unit held in the courthouse Monday night.

Bill Millen, county president, led a discussion of the alfalfa marketing program just initiated by the Bailey County Farm Bureau. The Bureau is placing a bulletin board at the local office where farmers may list what alfalfa they have to sell and the trucker may gain information as to where he can get a truck load of hay. The purpose is to facilitate marketing of the product.

providing a service to the farmer and to the trucker.

Alfalfa growers of this area are invited to use this service. John Hubbard, of Bula, gave a report on the Farm Bureau Good Neighbor Cottonseed program. He said he has received 30 applications for cottonseed and is allotting 10 to 50 bushels to each applicant.

Under the program, those who last year grew a good crop would contribute seed to be allotted to those who had a failure because of the drought.

HAVE DAUGHTER

Mr. and Mrs. Olen D. Clements, of Albuquerque, N. M., but formerly of Muleshoe, are the proud parents of a daughter, Kathi Delane, born April 21, and weighing 7 lbs., 7 oz.

Grandparents are Mr. and Mrs. D. Clements of Muleshoe and Mr. and Mrs. J. A. Truelock.

Good Attendance For Revival Here

The Revival meeting being held at the First Christian Church, continues to grow in interest and attendance. The service last Sunday morning was climaxed when a young lady confessed her faith in Christ, and Sunday evening services were characterized by the largest attendance of the revival.

The services continue each night except Saturday nights, through Sunday, May 16. Following are the sermon subjects the Evangelist, H. M. Redford will use during this week: Tuesday, "Luke's Masterpiece"; Wednesday, "The Keys of The Kingdom"; Thursday "What Thou Readest"; Friday "A Certain Disciple"; Sunday morning,

"God's Hour"; and Sunday evening "Paul's Great Conviction." The public is cordially invited to attend all these services.

Vacation Bible School To Begin At Nazarine Church

Jess Rains, pastor of the Nazarine Church in Muleshoe is announcing that Vacation Bible School at the Church will begin May 24, and will last through May 28.

Mrs. Florence Pugh will be the teacher, and the school is for children from three through fourteen years of age.

A cordial invitation is extended to all to attend this school.

Stovall Has A New Cotton Office

A. S. Stovall, cotton buyer is proud of his new office, which he has fitted up in the building formerly occupied by Wood Drug. He has added new furniture, providing comfortable seats for those who come in, and a customer's counter facilitates the conduct of business.

The room has been redecorated in a pleasing color. Mr. Stovall came here in 1947 and has been buying cotton here ever since. He invites everyone to come in and see his new office at any time.

BABSON DISCUSSES—

WALL STREET

New York City, May 6, 1954—The newspapers are discussing Geneva, London, and Paris in relation to Indo-China. It is interesting to note what the leading columnists and the radio-television commentators have to say. But let me pass along the conclusions of a short, narrow alley in New York City—called "Wall Street". This little street goes haywire sometimes—but not often.

are used by the newspapers as the Dow-Jones stocks. What is said about these is true—they are very high. The rapidly growing Pension Funds are also causing Present high prices for these 65 popular Wall Street stocks, even though many other stocks are going down.

ANOTHER REASON FOR HIGH PRICES

There, however, is another reason for high prices. Prices are high because Wall Street thinks that we are to direct a "shooting war" against the Chinese and threaten to use Atomic bombs. Already we are supplying the Indo-China patriots and French with airplanes, guns, shells, etc., the same as the Chinese are supplying the Communists of Indo-China with war material without involving Russia. Our Defense Department argues that, as a last resort, we could also supply the Indo-China Army with Atomic bombs, without involving Russia or without starting World War III.

PRESENT WALL STREET PRICES

We cannot go by prices alone when the newspapers headline the financial news: "Highest Bond Prices of the Year"; or "Highest Stock Prices Since 1929" or, "Commodities Continue To Advance". For many investors have stocks and bonds which still show them a loss; while some farmers and manufacturers are selling their products below cost. Why this inconsistency?

As I have said before, the high stock prices are caused primarily by the thousands of Mutual Trust salesmen who are selling their Funds' shares all over the country. The money received for these Investment Trust stocks which you buy goes into securities selected by the Trusts' managers. Most of this money is placed in a few "blue-chip" nationally known stocks perhaps in only 65 stocks selected from about 1,500 listed on the New York Stock Exchange. These 65

Neither Eisenhower nor Wall Street wants a World War III or a long Indo-China war. Both dread the use of Atomic bombs by either the United States or Russia against the other. But no one wants our foot soldiers involved in another "Korea" fought with our troops. Hence, I believe that we will get the soldiers of Formosa, Korea, the Philippines, Australia, and other bordering

nations—directly interested—to do the fighting while we supply the arms.

WALL STREET BELIEVES THIS POSSIBLE

If so, it would cause commodity prices to strengthen; it would increase employment, and it should result in a Republican Congressional victory this coming November. Under such conditions, Eisenhower could not balance the budget, but does Wall Street really want it balanced? Hence, notwithstanding the very high prices at which the 65 Dow-Jones stocks are now selling Wall Street is bullish today.

I, therefore, make three forecasts:

(1) That Mr. Eisenhower will not ask Congress for permission to send foot soldiers into Indo-China, at least before the November election.

(2) That the talk of using Atomic bombs so buck up the French and so scare the Chinese that they all will quit.

(3) That, instead of such a negotiated Peace making the market go up, as Peace should, Wall Street may see its pet 30 Dow-Jones Industrials do down before 1954 ends!

NEWSPAPER AD MOST EFFECTIVE

The reason newspaper advertising is the least offensive and most effective of all forms of advertising is because it is present when and if you want to read it... at breakfast, noon or night, just when you feel that you want to sit back in your comfortable chair and read the paper, it is available. It is effective because the reader wants to read your ad... not because he is forced to stop and listen to it just when he gets interested in a story. Did you ever have a salesman try to "make" you listen to his sales story? Did you listen, if so, did you buy.

WE'RE A NEWSPAPER (Editorial)

We're a newspaper. Our business: The News. All we give you is the facts—about your home town, the people, the conditions of our time. That's all—just the news.

Some folks want to confuse our job with that of the chamber of commerce. Don't be fooled. Our first job is to tell you what's happening, who does it, and where. Your free press guards democracy by giving you the facts. The press is free so the people may know.

This is a screwy world. The poor eat butter; wage earners buy margarine. Some raise cars; others starve. Some grow cotton; others sow only debt. Some get an oil well. Others get hell. These are the facts.

We're a newspaper. That's our business: the facts of the news. We won't try to make you believe everything is wonderful. Facts cover prosperity and poverty, good and bad, the clear and hidden. Some want them left hidden.

Our job: Give the readers the facts. One person's problem today can be everybody's tomorrow.

**SAND HILLS PHILOSOPHER—
Comes Out With Plan To Settle Argument
Over Rigid-Flexible Farm Prices**

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has a novel idea this week which we offer for what it's worth.

Dear editor: I know that with so many important matters bothering Congress, such as the Indo-China matter, K. P. duty for Private Schine, how big the hydrogen bomb ought to be, and other things which require so much thought I'm ashamed to de-

vote any of mine to farmin'. It's sort of out of place to be talkin' about the farm problem at all, with world shaking problems on every hand, but since I figure the farm problem will be here after the others are settled, in fact, if the hydrogen bomb gets out of hand the farm problem may be the only one confrontin' mankind, or that portion of him still left, and I thought I would give you the benefit of my thinkin', to save Congress the trouble.

As I understand the problem, Congress is now worryin' over what to do about farm price supports. Should they be rigid or flexible?

Accordin' to Sec. Benson's ideas, price supports ought to be flexible, but there are a lot of people in favor of keepin' them rigid.

Under the flexible system opponents argue, a man might work all year on a crop, take it to town, and discover the market is so limber he's wound up in the hole. On the other hand, Sec. Benson argues that if we keep a rigid, guaranteed price, the surpluses will keep on mounting and it'll break the government.

Now when it comes to a choice between me or the government bein' busted, I hate to make a

row. That goes for joblessness and relief. Our presses want the facts that make you feel good, but "Good News" without facts is a lie. No one has the right to lie to the people, for the lies can ruin us all.

We'll level with you. Your newspaper aims to tell you about problems before they become panic. You may read about danger—to you, to your freedom, to your tax money. But you'll read facts about danger to your public purse before you will have to be told there is a disaster. Only natural disasters—act of God—happen to alert, informed citizens. Dangers include unexpected drains on tax money and even petty corruption.

Newspapers are our business. Facts—not fairy tales are the news. That's all we want: The Facts. And the reader has the right to expect them.

—Lamesa Daily Reporter

choice as I ain't in favor of either proposition.

I have thought the whole thing over though and I believe the trouble is that Sec. Benson has the right terms, flexible and rigid, but he's usin' them in the wrong place and I have worked out a compromise, which will take care of both the rigid camp and the flexible camp.

What the farm program ought to allow under my system, is rigid price supports but flexible workin' hours.

Rigid price supports with rigid workin' hours is no better than flexible prices with flexible hours. It's these extremists that keep the country in hot water all the time. A little give and take is what this country needs.

My proposal, rigid prices, flexible hours, ought to satisfy all sides in this controversy, and if you think it has any merit I wish you'd send it on to the Department of Agriculture and to Congress and let's settle this thing once and for all.

Yours faithfully,
J. A.

Ford's new 130-h.p. V-block V-8 is the most modern in the automobile industry... the only V-8 in the low-price field! And Ford's 115-h.p. I-block Six is the industry's newest Six. Both of these engines give you the smoothest, savingest performance you've ever experienced.

You'll see more Fords parked in front of the finest homes and country clubs than any other car in its field. One reason is that many people who have owned the costliest cars realize that Ford offers the same beauty, quality and distinction—and for a far more practical price.

Ford is unsurpassed in riding comfort or ease of handling. A big reason is Ford's new Ball-Joint Front Suspension... which allows more total up and down front wheel travel for a smoother ride... keeps front wheels in line longer... so handling stays easy longer.

Surveys show Ford cars return more of their original cost when they are sold than any competitive make. So a Ford car costs you less to own.

Over the latest seven-month period covered by available figures, Ford has been the nation's best seller. That's because Ford has proved that it offers the most... in engineering advancements—in trend-setting styling—in value! Ford is America's best buy... because it's America's best buy!

Necchi Sewing Club Is Organized Here

A Necchi Sewing Club was organized April 29, and election of officers was held. The following officers were elected: Janie Moraw, president; Ruby Willman, vice-president; Ruth Franz, secretary-treasurer; Margaret Upton, parliamentarian; and Billy Guinn, reporter. Members decided to meet once

each month, the date to be the fourth Thursday and the time to be 8:30 p. m. Each member is to bring a suggestion to each meeting to help with the future of the club.

Short talks were given by Ray Franz, manager of the CofC. Mrs. Marie Bass, Mrs. Joe Benham, Jeff Peeler, and Mr. R. C. Cline. A donation of \$10 was made by Mr. Harvey Bass, for the ladies to put in the treasury.

Necchi classes gave a surprise pink and blue shower in honor of the teacher, Mrs. Joe Benham. Refreshments of punch and cookies were served.

Those present were: Mmes. Bonnie Harrison, Eula Hennington, Margaret Upton, Lila Dutton, Frankie Black, Gladys Dorsey, Zida Mae Black, Jessie Kittrell, Billie Guinn, Barbara Blackman, Ruby Willman, Deon Broyles, Fern Warren, Wanda Lowery, Fern Autrey, Argilee Millen, Vernice Garth, Frances King, Veda Bartlett, Frances Brun, Ann Druedow, Lora Dale, Alice Gregory;

Myrtle Gregory, Dorothy Turner, Laverne Caldwell, Mae Pruitt, Florence Harvey, Oleda Beard, Larlene Tiller, Betty Jo Davis, Adora Scott, Fern Clark, Artis Ivy, Lilly Wuerlein, Barbara Mathis, Janie Moraw, Latain Berry, Eva Ashford, Susie Whately, Dexter Watkins, Laura Bass, and Ruth Franz.

Electric Range Capital Prize For May 13 Event

Reddy Kilowatt Dealers of Muleshoe are announcing a cooking school, to be held in the Muleshoe high school auditorium the afternoon of next Thursday, May 13.

A Frigidaire electric range is the capital prize. Many other prizes will be given.

Miss Patricia Stearns and Mrs. Clydie McReynolds, home service advisors for the Southwestern Public Service Company, will conduct the school, which is to begin at 2 p. m.

The four Reddy Kilowatt dealers who are sponsoring the school are:

E. R. Hart Company.
Johnson-Pool Tire & Appliance.

Dyer Hardware & Furniture. Harvey Bass Appliance. Food that will be used in the cooking school is being furnished free by Piggly Wiggly and Cashway Grocery & Market of Muleshoe. The two stores also will furnish food items that will be given as door prizes.

"Feature Attraction"

The school is a part of the Reddy Kilowatt dealers' "Feature Attraction" campaign they are waging in cooperation with Southwestern Public Service Co.

Six ranges are to be given in the campaign, one in each district of the Public Service Company. The readers of The Journal are advised to refer to the literature put out by the dealers and to their advertisements and that of the Service Company to learn how they may win one of these fine ranges.

The range campaign is another of a series projected this year by the Service Company and the

Reddy Kilowatt dealers. Those who wish to enter the contest will find cards for their use at the dealers stores.

Feature Attraction, the amazingly simple electric range campaign started on April 12 and runs to June 12.

Wide publicity is being given the cooking school here and it is expected that a record crowd will attend. They may expect to have an entertaining afternoon and gather useful information, besides being eligible to win the electric range.

The four dealers here drew lots to see whose electric range would be given away at the school, the Bass Appliance winning the nod and selling the dealers the Frigidaire Range at cost. The beautiful range, along with other ranges from the local dealers, is on view in the Public Service Company office here.

Mother-Daughter Banquet Tonight

A Mother-Daughter banquet, sponsored by the Philathea Circle, will be held tonight, (Thursday) at the Fellowship Hall.

Decorations will be in the May-day motif, and the theme will be Mother's Day.

Guest speaker will be Mrs. Noel Woodley and the evening's entertainment will be furnished by piano pupils of Mrs. Sam McKinstry.

Members of the club report that one hundred twenty-five tickets to the affair had already been sold Tuesday of this week.

Senior Class Will Observe Hobo Day

Members of the senior class of Muleshoe High School can be found doing just about anything during the last three weeks of school trying to raise money for the senior trip.

On Hobo Day, during senior week, they will wash store win-

dows, wash cars, mow lawns, and do other odd jobs.

Wednesday, May 12, the class will sponsor a luncheon the food to be prepared by the room mothers. Fried chicken, baked beans, potato salad, fresh onions and radishes, pie, and iced tea are on the menu. Plates are \$1 each.

Proceeds of all the work and the luncheon will go toward paying for the senior trip.

The writer was driving his automobile on a road toward his home when a rainstorm came up from behind. To avoid being caught in it I drove faster.

Another automobile was following at about the same speed, but it was in the rain. Not a great distance apart, I was continuously in the sunshine while the other driver was continuously in the storm.

Our relationship to God makes a great difference. As the relationship of the motorists to the rainfall made a great difference, so spiritual adjustment determines human happiness. Blessed is the man whose delight is in the law of the Lord.

Others who do not love God may seem happier. But no one is happier unless he is in harmony with God's laws unless he is a Christian.

Our joy is to live our lives so as to be ever in the light of God's countenance. "All things work together for good to them that love God."

Marshall Formby Visits All State Highway Offices

Marshall Formby, newest ap-
pointee on the State Highway
Commission, said this week that
he hoped to take it a little easier
in his traveling. Formby has
been on the Commission a little
more than 14 months and has
just completed visiting all of the
25 district highway engineer of-
fices in the state. His travels
took him to every area and most

of the counties in the state.

Formby, who is a Plainview
attorney, is also owner of Radio
Station KPAN at Hereford and
co-owner of KFLD at Floydada.
He is a former judge of Dickens
County and former state senator.
He is the son of Mr. and Mrs.
M. C. Formby of McAdoo, Texas.
"The best part about being on
the Highway Commission," the
Plainview attorney said, "is the
fact that you get to see Texas
and to meet the Texas people.
Everywhere I have gone I have
found that the people have con-
fidence in the Highway Depart-
ment and I find they are glad to
give us more financial support
to build more of the needed
roads over the entire state. The
people are especially interested
in Farm-to-Market roads, and
the large cities are striving to
find ways to build expressways
in order to take care of their
heavy traffic."

Besides visiting all areas in
Texas, Commissioner Formby
has traveled in many states in
the Union during the past 14
months in inspecting highways

and turnpikes. He estimates that
he has traveled by land air, and
sea during the past 14 months
between 55 and 60 thousand
miles. What was supposed to be
a part-time job has almost turned
into a full-time job for the
newest member of the Commis-
sion. He said however, that
now that he has visited in all
areas of the state that he hopes
to be able to spend more time
in the practice of law and look-
ing after his radio interests. He
is hopeful that the highway job
will not require more than one-
half of his time.

Formby said it was impossible
to ride over all of the 50,000
miles of Texas' paved roads, but
he has made a good start at it
during the first 14 months of his
six-year term.

Scouts. The Cubs acted out the
drilling of the oil wells, the re-
fining process, transportation
and finally the service station.
Their story began with the days
of the Cavemen and continued
through oil of today. Mrs. Claud-

THE STAR Agriculture

Released by
The Texas Department of Agriculture

ADDITIONAL DROUGHT AID REQUESTED

By John C. White, Commissioner

Despite recent rains, many more millions of relief dollars may have to be plowed into our agricultural economy before the disastrous effects of the drought are nullified.

The situation remains serious enough to warrant the direct attention of the president of the United States for the second straight year. The problem still remains unsolved.

Governors from five states, in-

cluding Texas, met in Washington recently to place their recommendations before the national administration. Their initial plan was for a grant of \$15 million to combat dust and wind problems in disaster areas. This amount would be in addition to the \$195 million already earmarked for the agricultural conservation subsidy program this year.

The \$15 million figure is not an unreasonable sum. It would go a long way in relieving the

strain imposed by the three year dry spell. However, the request was not accompanied by any concrete recommendations as to how the money should be used.

The governors frankly admitted they had made no attempt to find any long-range solution to the dust bowl threat and added that the requested sum would cover "emergency and immediate" problems for the next two months, only. It was not stipulated whether this would be by direct relief grants or on a loan basis.

Rains over the state during April were an encouraging factor in the present optimism for good crop production this year. Row crop farmers have a good chance of recovery without much additional drought aid. But many areas are still far below normal in rainfall and much of our pastureland is in extremely poor shape. Here is where the money must be spent, if any becomes available.

Two supplemental recommendations were made to the Federal Government. They were:

1. That loan and credit facilities of the Federal Government be used to give "maximum benefits on a long-range basis" to farmers in the drought-stricken area.

2. That farmers and ranchers in the five states be "encouraged and helped" in the proper use of land.

It is in the second recommendation that the true solution to our problem lies — conservation and proper use of our land. To this we might also add the need to conserve our water.

The State of Texas, alone, is not prepared to assume the full burden of responsibility at this time. Help is needed from the Federal authorities. But in the long run, Texas must prepare to take care of its own in times of natural disasters.

CHRISTIAN SCIENCE SERVICES

Man's real spiritual status as the perfect image and likeness of God, not subject to sin or other weakness, will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Adam and Fallen Man" includes the following passages from the Bible: "And God said, Let us make man in our image after our likeness. So God created man in his own image in the image of God created he him: male and female created he them" (Genesis 1:26-27).

The following selection will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Spiritually to understand that

there is but one creator, God, unfolds all creation, confirms the Scriptures, brings the sweet assurance of no parting, no pain, and of man deathless and perfect and eternal" (69:13).

Half-ton beauty with a two-ton punch

GMC HYDRA-MATIC TRUCKS

THIS new '54 GMC light-duty wasn't born just to win beauty contests.

Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike.

There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-as-leather upholstery. Smart instrument panel, with dials clustered for instant reading.

But mister—take another look!

A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash.

That's more power than some makers pack into their two-ton models. That's

more usable power than in any other 6-cylinder engine in its class!

And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight.

Finally, it offers Truck Hydra-Matic Drive* that saves you, saves your cash, saves your time.

(Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!)

Come in and drive this great GMC. It will do all its own selling!

*Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

Sixteen Present As WSCS Meets

Three visitors and thirteen members were present at the Women's Society of Christian Service of the Methodist Church met in the Church on May 3. Visitors were Mmes. Stephens and Gills, mother of Rev. and Mrs. Clarence Stephens, and little Claudia Huber.

Mrs. Pearl Stephens had charge of the program on "Family Life". She gave a very interesting talk on "The Duties of Secretaries of Youth and Childrens Work".

Following the group singing of "Faith of Our Fathers", Mrs. Stephens led in prayer. She pointed out that as families do, live and think, so does the nation. She stressed the fact that families should put God first.

Mrs. Beavers read the poem, "The Stick To-Gether Family", by Edgar E. Guess, and Mrs. Shofner spoke on "Women and The Family". She told how the mother of John Wesley influenced him and all Methodism by her teaching.

Mrs. Arnold Morris gave a very interesting talk on how a family serves itself. This was followed by an inspiring devotional by Mrs. Clarence Stephens, who took her scripture reading from Luke 18:17. The group then sang "Living for Jesus".

Members were reminded of the family night supper, which will be held Wednesday, May 5. The film, "The Galents", will be shown.

It was decided that the recording secretary send a card of cheer to Jewel Anderson, who is in the hospital at Lubbock and also that the W. S. C. S. would

send a basket of gifts to Kay Johnson daughter of Mr. and Mrs. Johnny Johnson, who has been bed-fast for seventeen months.

All members are urged to attend the meeting at Hale Center May 10. It was decided to continue having the quarterly luncheons.

Mrs. Arnold Morris reported that the W. S. C. S. had presented Jack Stallings, son of Mr. and Mrs. Jack Stallings with an honorary junior membership certificate to the class.

Muleshoe Band Wins Third At Lubbock Contest

Members of the Muleshoe High School band journeyed to Lubbock last Saturday to participate in the Region I Interscholastic Music Contest, and come home with a good many second and third place ribbons.

Approximately forty bands took part in the contest, and Mr. Shirley, band director of Muleshoe Schools, reported that the competition was the toughest the band had run up against so far.

Six bands participated in the Class AA with the Muleshoe Band. Brownfield took first place, Littlefield 2nd, Slaton 3rd, and Muleshoe 4th.

Muleshoe won several second and third places in solos and ensembles.

The Clarinet Trio, composed of Peggy McCormick LaVon Copley and Holly Ann Cox, won second place which Mr. Shirley reported was an excellent rating. Jimmy Wilkerson, Jimmy Allison, Robert Berry, and David Mathis made up the French Horn quartet which won a second place.

The Sax quartet, composed of Gaylord Tate, Barbara Douglass, Paula Provence, and Pat Inman, won a second place. Rating had not been received at this writing on the Brass quartet of David Mathis Jim Wilkerson and Don Copley.

Jimmy Wilkerson, won second on a cornet solo; LaVon Copley, 2nd on twirling; David Mathis 2nd on French Horn; Don Copley 3rd on Trombone; and Gaylord Tate 2nd on the alto Sax.

The band placed fourth in concert playing and third in sight reading.

Junior-Senior Banquet Held Friday Evening

The American Legion Home was the scene of the annual Junior-Senior Banquet last Friday evening.

A large majority of both classes attended the affair along with the class sponsors. All who attended reported a very enjoyable time and said the banquet was one of the nicest ever held in Muleshoe.

The theme of the banquet was "Under The Big-Top", and decorations were beautiful.

The menu consisted of delicious baked ham, potato salad, English peas, strawberry short-cake, iced tea, and hot rolls.

Entertainment was furnished by Betty Collins, Gaylord Tate, Jimmy Wilkerson, and Leon Bayless, all high school students. A solo was furnished by Carol

4-H Boys Report Colorado Trip

Royce and Doyce Turner, and Frank Wuerlein, the three boys who won the 4-H Educational Tour to Denver Colo., have recently returned from the "Mile High City" and Frank gives an account of their trip as follows:

We left Littlefield, early Easter Sunday morning. We ate dinner in Lamar, Colo., and stayed in the Vad Hotel for the night.

We visited the F & I Steel Works where they make all different kinds and shapes of steel. They also make all kinds of wire and nails.

We went on to Denver and saw the governor, Dan Thornton. We went through the capital. The dome has a covering of 24 carat gold.

We visited the mint, and found out how they make money. We also saw the museum.

We left Denver Wednesday morning and arrived back in Littlefield the same night.

Mystery Farm Is Davenport Place

The Journal got quite a few guesses on the Mystery Farm in last week's paper. The farm is that of Lloyd Davenport, and is located in the Needmore community.

Royce Garth was the first person living in the city to call in and correctly identify the farm, and Mrs. Rudolph Moraw was the first person living in the country to correctly identify it.

Two tickets each to Cox Drive-In Theatre await each of the lucky winners at Charles Lenuu Lumber Company, sponsor of the contest.

NOTICE

Day Camp Training will begin in Clovis, N. M., on May 11, and will last through the following day May 12. Classes will be held from 10:00 a. m., to 12:30 p. m., each day at The Little House. Teacher will be Mrs. Artman.

Mrs. Lenuu asks that all mothers and leaders who can possibly attend are asked to do so.

Buhrman, accompanied at the piano by Eugene Buhrman.

The senior class will and prophecy was read, followed by talks by guest speakers, Supt. Jerry Kirk, and Mr. Paul Gardner. Both delivered very interesting speeches.

TO CANYON

Mr. and Mrs. A. C. Gaede, Mr. and Mrs. Raymond Gaede, and Mr. and Mrs. Noel Woodley attended the operetta, "Singing Billy", at Canyon, Tuesday evening. Keith Gaede had the tenor lead in the presentation.

SLUMBER PARTIES

Following the Junior-Senior banquet Friday evening, the senior girls had a slumber party at the high school gym, and senior boys had a slumber party at the D. L. Morrison home.

HOME FOR WEEKEND

Joan Montgomery of Texas Tech, spent the weekend here with her mother and friends.

TO STRATFORD

Mr. and Mrs. Sam Fox, Mrs. Pat Bobo, Mr. and Mrs. Ray Edwards, and Rev. Clarence Stephens, building committee of the Methodist Church journeyed to Stratford Tuesday of this week to consult with an architect, about a new Methodist Church here.

FAMILY NIGHT

Family night and a covered dish supper will be held at the Fellowship Hall for members of the Methodist Church Wednesday evening.

LOOKALIKES—Bold colors of a Samoan print cotton by Gantner of California make a striking "sweetheart" beach ensemble. Joe Ann Ehle models a swim suit with sarong-draped skirt, gathered bra, and elasticized back. Larry Carr wears matching boxer trunks with a squared-off look. The National Cotton Council reports that cotton rates as No. 1 fashion fiber for beachwear.

Billy Ellis Elected President Of High School Student Council Friday

Billy Ellis was elected President of Muleshoe High School's Student Council for the school term of 1954-55 in the council's annual election Friday, April 30. Bill, who finished the unexpired term of Bill Willis this year, was

the heavy favorite over two opponents, Wayne Bristow and Ernest Martin.

In the race for Vice-president, Bobby Nelms was elected over his opponent, Stanley Fox.

Mrs. Parks Honoree Of Bridal Shower

Mrs. Clifford Parks, nee Audrey Hudson, was honored with a bridal shower April 28, in the home of Mrs. C. McMahan.

The afternoon was spent in visiting, and after the honoree opened her many lovely and useful gifts, refreshments of cake, punch, iced tea, and coffee were served to those present by the hostess and Mrs. George Raney.

Many who were unable to attend sent gifts.

Present for the occasion were the following: Meses, Clyde Henry, C. B. Kindred, M. L. Ship, J. J. Redwine, Forrest Williams, W. M. Cook, Harlon Maddox, Mattie Griffin, Mary Curd, D. L. Klepper, C. D. Heshew, Clarence James, George Raney, Bert Hudson, and Misses Carolyn Curd, and Evelene and Ruby McMahan.

In another three-way race, Jean Montgomery was the choice over Pat Wright and Wanda Cherry for the office of Secretary. Clinton Dillard defeated Barbara Douglass for the office of Reporter, and Ginger Gaede won a tight race for Historian over Jackie Tidwell and Bo Bryant.

The closest race of the day, however, was for the Parliamentarian post. The two Freshmen battling it out were Marcia Dale Redwine and Barbara Sue Darsey, with Barbara winning by a very slight margin.

This was the largest campaign

in the history of the Student Council, with every office being contested contrary to recent elections. Due to the great interest shown in the Student Council's work, the organization is looking forward to a very successful year next year.

Nursery Dept. Functioning At Baptist Church

Seventy-six children are already enrolled in a new nursery department at the First Baptist Church. The department will occupy its own building, a structure just finished at the north end of the church building proper for the purpose, the coming Sunday.

The following divisions have been established, with the names of the workers in each: Baby, Mrs. C. J. McKnight and Mrs. Della Seals; Toddlers, Mrs. I. M. Stinson, and Mrs. Johnny Inman; 2 year olds, Mrs. Edward Little and Mrs. Rush; 3 year olds, Mrs. Gerald Allison, Mrs. Cleon Davis, and Mrs. Robert Harrison.

ment is Mrs. Verney Towns; and secretary is Mrs. Rufus Gilbreath. The church invites parents to use this service while they are attending meetings and worship services in the church.

Building dimensions are 32 feet by 50 feet and was erected by Doc Wilhite, local builder. All children from birth through 3 years of age who are not enrolled elsewhere are welcome. All departments have several interest centers through which the children are taught.

ATTENDED PICNIC

Mr. and Mrs. Spencer Beavers and family, and Mr. and Mrs. Sherman Sweatmon and daughter, Laura Jean Pressley, were in Vernon over the weekend where they attended the 72nd annual Doan's picnic there, and the Santa Rosa Rodeo. They also attended the annual flower show at the W. T. Wagon Estate

Here is the new WONDER BUILDING everyone

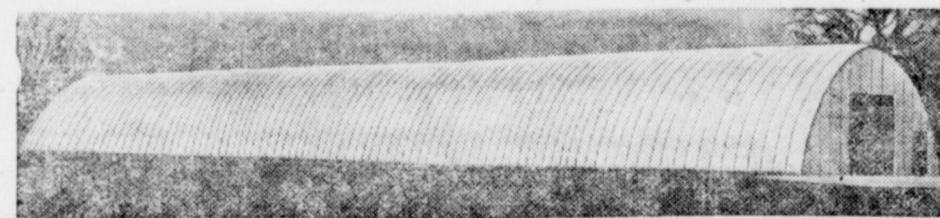

WE DARE THEM ALL TO SHOW POSITIVE PROOF LIKE THIS

Here is an actual picture of a Wonder Building being erected. It was completed in two working days. 40 feet wide, 70 feet long, 18 feet high.

YOU WANT A WONDER BUILDING BECAUSE OF ITS UTILITY AND QUALITY

A unique "packaged" all steel building. Completely prefabricated. We put up your "Wonder Building" the same way an erector set is assembled. The only fastening is a nut and bolt. "Wonder Buildings" are made of solid, heavy 18 gauge corrugated steel. No trusses to erect. Each arch is self supporting. Fireproof. Withstands heaviest winds and snow loads. May be insulated. Can have windows and overhead or sliding doors. Comes in 20', 40' and 50' widths. Lengths unlimited. "Wonder Buildings" are truly the most amazing development in the entire building industry.

This building is 50 feet wide, 200 feet long — 19 feet 6 inches high. Erected in one week by seven men.

Low Cost—Demountable

"Wonder Buildings" are priced to fit every pocketbook. They can be lengthened, shortened or dismantled at any time. Add two feet or a thousand feet in length whenever desired.

No Foundation Required

The exclusive patented "Wonder Building" is absolutely self-supporting. No foundation is required. Only a concrete slab. Many "Wonder Buildings" have been erected in one day!
