VOLUME 31, NUMBER 43

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, OCTOBER 15, 1953

Copley Barrow Is Judged Grand Champ Of Big Bailey County Show Saturday

Don Copley paced the field at the Bailey County Barrow Show in Muleshoe Saturday. Fifty four barrows were shown and Stanley Anderson, head of the swine department and coach of livestock judging teams at Texas Tech, judged the show. Copley managed to take first in each of the three weight divisions of the Duroc division and his medium weight went on to win the Grand Champion barrow award over all four breeds shown. The Reserve Grand barrow was a trim Chester White shown by Kenneth Henry of Progress.

The largest number of entries in any one class was in the medium Poland China class and Mike O'Hair won this class and also champion of the breed. Both Mike O'Hair and Don Copley of Muleshoe 4-H and Kenneth Henry of Muleshoe FFA will take their best barrows to the Southwest barrow show in Clovis, N. M. The exhibit will total four excellent barrows that should do much to affirm the contention that Bailey County has some of the best barrows in the country when they show in regional competition in Clovis October 19.

Winners by classes follow: Light Chester Whites: 1, Kenneth Henry; 2, Doyle Henry; 3 and 4, Kenneth Henry and Doyle Henry. Medium Chesters (including Hampshire): 1, Hugh Ottwell; 2, Houston Bartlett; 3, Hugh Ottwell; 4, Hugh Ottwell.

Houston Bartlett took first and second in Heavy Chesters. Champion Chester was Kenneth Henry's lightweight. Heavy Durocs: 1 and 2, Don Copley; 3, LaVon Copley; 4, Kirk Holt; 5, Claudia O'Hair. Medium Durocs: 1 and 2, Don Copley; 3, LaVon Copley; 4, Howard Pollard; 5, LaVon Copley. Light Durocs: 1, Don Copley; 2, Claudia O'Hair. Champion Duroc was Don Copley's medium.

Poland Chinas, Lights: 1, Jerry Inman; 2, Mike O'Hair; 3, Tim Prather; 4, Lavon Copley; 5, Howard Pollard.

Medium Poland Chinas: 1, Mike O'Hair; 2, LaVon Copley; 3, Howard Pollard; 4, Jerry Inman; 5, Mike O'Hair.

Heavy Poland Chinas: 1, Mike O'Hair; 2, Doyce Turner; 3, Tim Prather.

Ten dollar showmanship award was won by Jerry Inman. Hugh Ottwell won the prize for neatness of exhibit at the show. The splendid cooperation shown by all exhibitors in building pens before the show and their efficiency in removing all pens and bedding immediately after the show is highly commendable and those responsible for the show wish to express their appreciation for this fine spirit and sportsmanship.

Ray Griffiths of Muleshoe and Bob Harvey of Armour & Co., Lubbock, purchased the barrows \$21.25 per hundred pounds.

Wagnon Grocery Will Celebrate 45th Anniversary

Wagnon Grocery and Market are celebrating their 45th year in business in Muleshoe this weekend by offering many bargains and a number of fine gifts. The prizes that will be awarded will be 10 baskets of groceries, 3 Proctor Electric Toasters, 5 Proctor Electric Hand Irons and 5 Proctor Steam Irons. A handy Cordminder will be given away with each iron.

Happy Wagnon is the owner of the firm and June Wagnon is the manager. The store has been completely remodeled and redecorated, and has added a self-service meat department. The Bell Dairies will bring their television artists to the store Saturday as part of the celebration.

LOCAL MARKETS table with prices for Cream, Eggs, Hens, Hogs, Wheat, Sorghum Grain.

Harvey Bass Recognized By National Ass'n.

Harvey Bass, owner of the Bass Appliance Store announced today that he has been made a member of the National Association of Independent Sewing Machine Dealers.

A sewing machine dealer to qualify for this recognition must maintain an adequate stock of parts and must be able to repair any make of sewing machine. Harvey was sent his approval plaque this week.

MANY ATTEND GAME

A good many Muleshoe people attended the Tech-A & M game Saturday. Among them were Mr. and Mrs. Delma McCarty, Mr. and Mrs. Jim Cox, Mr. and Mrs. Buford Butts and children, Mr. and Mrs. F. H. Davis, Elizabeth Harden, Mr. and Mrs. Pat Bobo, Mr. and Mrs. Lloyd Alsop, Cecil Osborn and John Maybean, and Mr. and Mrs. Arnold Morris.

TOOK BUSINESS TRIP

Mr. and Mrs. D. L. Morrison were in Oklahoma City, Okla., over the weekend on business.

Disaster Plans Are Formed Here

Lettuce Of Fine Quality Being Harvested In Muleshoe Country

Lettuce is pouring additional thousands into Muleshoe this week to add to the tremendous harvest of farm products now underway here. Lettuce appears to be about the highest money yield crop so far tried in the Muleshoe country. Fields are averaging around 200 crates of 4 dozen capacity to the acre. It costs the producer \$2.75 per crate to harvest the lettuce, grade and wash it, and crate it and sell it. That leaves

him \$2.25 profit per crate, and 200 crates per acre would mean \$450 return per acre.

The cost of planting and growing lettuce runs on the average to about \$80 per acre, which deducted from the return shown above would leave \$370 per acre. Not all fields are producing 200 crates, but on the other hand some fields are producing more. Growing this year in all fields has been under supervision of E. A. Buckalew, who has been in the business 25 years, part of the time in Arizona and part of the time around Hereford.

There are about 420 acres in lettuce around Muleshoe this year on farms of the following growers: H. M. Gable, R. C. Gaede, D. L. Morrison, Frank Brinkman, E. A. Buckalew, Bill Elrod, Bill Millen, Tom Watson, H. E. Schuster, Carroll Black, and Mervin Wilterding.

It is the first time for local farmers to try lettuce on such a large scale and Mrs. Buckalew said he thought all local growers are well pleased with their first crop. Mr. Buckalew said Muleshoe has a fine crop this year, and a fine product; the heads are mostly large and very firm. The taste is just right, with no bitterness, according to local cafe men who have been using the locally grown product.

Mr. Buckalew says we have the climate, the water, and the soil, and there seems to be no reason why lettuce growing should not increase in the area.

Some 75 persons are employed in the shed of the Barrett-Tankersley Produce Company, where the lettuce is washed, graded, and crated. Quite a few more persons are employed in the fields. Monday the shed was processing some fine lettuce from the field of Mr. Elrod.

While this writer was in the shed, a huge refrigerated truck was quickly being filled with crates, and the reporter learned that the lettuce was headed for Fort Worth, to be taken by the U. S. Army. So, in a few days perhaps, Armed Forces personnel will be regaled with some of that good old Muleshoe, Texas lettuce.

Cabbage, Too!

This year also has witnessed the first big experiment with cabbage. Frank Brinkman has a crop of 20 acres of cabbage on the Raymond Gaede farm northeast of Muleshoe. The Journal man saw two sample heads and they are of good size and plenty firm, and good looking cabbage. Harvest time is not quite here for cabbage, and we'll learn a little later on how this crop has

Last Rites Held For Mrs. Shelton

Mrs. Mattie P. Shelton, 86, a resident of Muleshoe for the last one and one half years, passed away at 4:30 p. m. Monday, October 6, at the home of a daughter, Mrs. Tom Smith, Route 2, Muleshoe. She had been ill for some time.

Memorial services were held at 10:30 a. m. Tuesday in the Progress Methodist Church with Rev. Carroll Jones, and Rev. Jess Rains officiating.

A second funeral service was held in Weatherford Wednesday. Officiating was the Rev. W. J. Shelton, of Olney. Burial was in Whitte cemetery with funeral arrangements under the direction of the Muleshoe Funeral Home, and White Funeral Home of Weatherford.

Surviving are two daughters, Mrs. Tom Smith, and Mrs. C. S. Otto, Muleshoe; two sons, Jess Shelton, Ft. Worth, and W. T. Cherry, Oklahoma City; her step mother, Mrs. Alice Sherrill, Mineral Wells; a sister, Mrs. V. E. Morelan, Monahan; four half brothers and three half sisters; twelve grandchildren; twenty-five great grandchildren, and a host of other relatives and friends.

479 Took Free Chest X-Rays

Four hundred seventy-nine persons of this area took advantage of the free chest x-ray service offered here by the State Health Department October 2 and 3. The service was free to anyone 15 years or over.

The X-ray unit was set up at the C & H Chevrolet Co. showroom. Twenty girls from the Typing classes of the high school assisted in the clerical work and arrangements were under direction of the Chamber of Commerce.

Annual Staff Plans Calendar For Community

The annual staff of Muleshoe high school met last Monday night in the home of Mrs. Horace Blackburn to discuss their plans for a "Community Calendar", which the staff has decided to work on this year.

If the community calendar works out this year, the staff will not canvass the town for advertisements, but instead a new calendar will be made each year.

The community calendar is a calendar which will list birthdays or anniversaries under the date on which these events occur. The price for these listings is 25 cents per name or anniversary.

ARE PARENTS

Mr. and Mrs. Aubrey B. Robinson, former residents of Muleshoe, but now of Norwalk, Calif., are the proud parents of a baby boy, born October 1, and weighing 8 lbs., 12 1/2 oz.

SPONSOR BAKE SALE

The mothers of Mrs. Sanders' first grade room are sponsoring a bake sale at the Piggly Wiggly grocery store October 17. Everyone is invited to go by and buy a cake or pie.

MIDDLEBROOK

Lions Vs. Mules Friday Night

The New Deal Lions and the Muleshoe Mules meet in Benny Douglass Stadium here Friday night in a non-conference tussle. The Lions are riding the victory trail, with no losses this year, and the only comparison to make is that both have defeated Amherst, the Mules by a larger margin. A comparison of starting line-ups indicates the visitors will have a weight edge of some 11 pounds to the man.

Coaches Scott and Johnson announced a slightly revised starting line-up, which is itself subject to change before Friday night. The probable starters listed are:

Left end, Lon Martin; left tackle, Lewis Blaylock; left guard, Ernest Martin; center, Sammy Donaldson; right guard, Don Moore; right tackle, D. L. Morrison; right end, Jackie Tidwell; quarterback, Jimmy Holt; fullback, Benny Bickel; halfback, Wayne Moore; halfback, Bill Willis.

Meanwhile fans will see the stadium and its surroundings in the best shape that it has ever been, clean as a pin from front to back. Walks inside and out have been leveled and caliche has been applied. Everything is spick and span for a renewal of the home season, for the Mules have played away from home the last two games.

Band Members Entertain Club Tuesday Noon

Several members of the Muleshoe high school band presented a musical program for the Rotary Club at its noon meeting Tuesday. They were accompanied by Tom W. Shirley, band director.

In the group were Phil Provence, Randall Craig, Jimmy Wilkerson, Pat Inman, LaVon Copley, Larry Hicks, and Gaylord Tate. They gave several instrumental solos and ensembles.

Mr. Shirley discussed the object of musical training, both from the student and the listener standpoint, reminding his listeners that practically every band instrument is also a solo instrument. He demonstrated various types of music himself, using the French horn. Rotarian Jim White had charge of the program.

Visitors included Sammy Donaldson, the Junior Rotarian for the month, who is an outstanding high school student.

The club was honored to have as guests Dr. Harry P. Stagg, district governor of Rotary District No. 170, which comprises New Mexico and extends over El Paso in Texas. He lives at Albuquerque and is the executive secretary and treasurer of the New Mexico Baptist Convention. He was making up his Rotary attendance. With him was Dr. S. F. DAVIS, secretary for cooperative missions, Southern Baptist Convention Home Mission Board.

Red Cross Will Be Ready For Any Emergency

Bailey County Red Cross Chapter officials and sub-committee chairmen, in a meeting last week, made the first steps toward setting up groups that would go into immediate action in case of disaster in this area. Cleo Middlebrook, county disaster chairman, announced that a training institute would be held in Muleshoe Oct. 16, 19, and 20, for the purpose of training sub-committee chairmen and committee members who would assume certain duties should disaster strike in this area.

Mr. Middlebrook named the following as sub-committee chairmen on the Disaster Committee for the county:

- Food — Mrs. Iris Butts. Shelter — Byron Griffiths and Glen Dunn. Clothing — Gerald Priboth. Transportation and Communication — Arnold Morris. Public Information and Fund Raising — John Johnson and Travis Reed. Survey — Marshall Milligan. Rescue — James Crow. Medical and Nursing — Mrs. Kay Sanders, Dr. M. F. Green, and Dr. L. T. Green. Registration and Information — Raymond Maynard.

Harvey Bass, County Chapter chairman, indicated that Miss Henrietta Brocksmith, Disaster Field Representative will conduct each of the courses, except Medical and Nursing, which Miss Hazel Heywood, Nursing Field Representative, will lead.

A schedule of organization sessions to be included in the three-day institute is as follows:

- October 16: 9:00-11:00 Disaster Chairman, Executive Secretary, Chapter Chairman and Disaster Field Representative. 1:00-3:00 Rescue. 3:00-5:00 Shelter. October 19: 9:00-11:00 Food. 11:00-12:00 Clothing. 1:00-4:00 Survey. 8:00-9:30 p. m. Night meeting with county and city officials. October 20: 9:00-11:00 Transportation and Communication. 11:00-12:00 Public Information and Fund Raising. 1:00-2:00 Purchase and Supply. 2:00-6:00 Registration and Information. 8:00-10:00 p. m. Medical and Nursing.

The October 19 meeting will be a night meeting at which city and county officials will have an opportunity to meet with the chapter officers, the Disaster Chairman, and his sub-committee chairmen and the Disaster Field Representative to discuss the role of each in the disaster preparedness plans.

Tomato Crop Yield Was Good

Tomatoes have added to the big list of farm and truck crops bringing money into Muleshoe community this year, a survey reveals. Although there were only about 42 acres this year, the crop produced well and created considerable revenue.

No tomato wrap shed operated here this season as in past years. Truckers came to the various fields and bought the tomatoes for the green wrap.

Growers included: S. L. Jackson, 10 acres; L. B. Peugh, 10 or 12 acres; Johnny West, 10 acres; J. J. Williams, 5 acres; J. C. Ellis, 2 acres.

ATTEND FOOTBALL GAME

Second Lt. Glenn E. Berry of Fort Hood, came up Saturday and met his father, Tom Berry and brother, Allen, at Lubbock and the three attended the Tech-A & M game Saturday night. Sunday they spent with the Albert Perkins family in Lubbock.

33,185 Cases Of Beans Canned

Crop Provides Much Employment During Season

Muleshoe Canning Co., has completed the year's green bean canning season, and Carl Case, owner, said today that the total processed, reduced to

Don Barbour Goes With KICA

Billy Don Barbour, presently employed as teller at the Muleshoe State Bank, has accepted a position with Radio Station KICA in Clovis. Billy Don will be in the sales and programming department at the broadcasting station.

Billy Don will maintain his home in Muleshoe until he finds suitable quarters in Clovis. His last day at the bank will be this Saturday.

No. 303 can quantities is 33,185 cases.

Muleshoe beans will go to the far corners of the country to further enhance the reputation this community has for producing quality farm field and vegetable crops. Some of the beans bear the label of the local company: "Heart of the Plains". The label indicates whether the can contains whole or cut beans.

Many cans were filled with the delicious small Muleshoe beans canned whole, and whoever has eaten some of these beans will testify as to their superiority. The company sometimes puts labels of wholesale distributors on cans purchased here by them if that is desired.

The Canning Company contracted the beans this year at 4 1/2 cents a pound. Growers this year included C. W. Ramage, Gordon Murrah, L. D. Taylor, Russell Bearden, Frank James, Leon Lewis, L. J. Helm, Carl Evans, Omer Kelton, Bill Millen, H. E. Schuster, Bill Jim St. Clair, and J. C. Ellis. The bean crop and the canning operation every year gives employment to lots of people.

in picking, handling, and processing.

'Mystery Farm' Is Identified

The home of Mr. and Mrs. Byron McCracken, about 8 miles west and north of Muleshoe was identified as the "Mystery Farm" shown in the paper last week.

First to identify the farmstead were: Emmette Green, City, Louise Green, Route 2. Two tickets to the Cox Drive-In Theatre here in Muleshoe are being awarded to each of these, being awarded to each of these at the Western Fertilizer Co. office, located at the King Bros. Grain & Seed Co. elevator.

VISITED HERE

Mr. Faye Bates of Dallas, Mrs. A. C. Melugin of Slaton, and Mr. and Mrs. Albert Davis of Midland visited in the home of Mr. and Mrs. C. C. Matthews of Lubbock last week. The ladies are sisters of Mrs. Matthews.

Boy Critically Injured In Accident Sunday

A five year-old Olton, Latin American lad, Richard De LeCerday, was critically injured about noon Sunday, October 11, when he dashed from behind a parked car in downtown Olton, and ran into the side of a pick-up. Driver of the pick-up, Cecil Wayne Johnson, is the son of Mr. and Mrs. O. S. Richards of Muleshoe.

The victim, son of Mr. and Mrs. Augusta De LeCerday, was taken to the Olton Memorial Hospital, where he received emergency treatment for severe facial lacerations, several broken teeth, a skull fracture, and a possible fracture of the left leg. He has since been moved to the Plainview Hospital, where at latest reports he was said to be somewhat improved.

Progress H. D. Club Elects New Officers For '54

Election of officers for 1954, highlighted the meeting of the Progress Home Demonstration Club, October 6, in the home of Mrs. Howard Roebuck. The ten members who were present answered roll call with "Ways to Improve Our Club."

Plans were made for the achievement day program, which will be held in the home of Mrs. Davis Gulley, October 20. At

this meeting all reports from committees are expected, and members will display those articles made the past year through home demonstration work.

Also on the program will be a report of the delegates trip to the state Texas Home Demonstration Association meeting, held recently in Galveston. It is hoped all members will be present by 1:00 p. m. or soon thereafter. While members are gathering, Mrs. Gordon Murrah will give a demonstration on basket weaving, and assist those who are working on baskets.

New officers elected for 1954 were: president, Mrs. Wilbur Thomas; vice-president, Mrs. Harold Mardis; secretary-treas-

urer, Mrs. Howard Roebuck; council delegate, Mrs. T. Haley; alternate council delegate, Mrs. Manuel Self; reporter, Mrs. Gordon Murrah; and parliamentarian, Mrs. Sherman Sweatmon.

Dainty homemade cookies and punch were served by the hostess to Mrs. Gordon Murrah, Albert Davis, Albert Patterson, Harold Mardis, Ray Quesenberry, Wilbur Thomas, T. Haley, Joe Simmacher, and G. T. Maltby.

Bailey Co. Ladies Report On Trip To Galveston

Three Home Demonstration women of Bailey County attended the State meeting of the Texas H. D. A. in Galveston September 30, through October 2. Women from twenty counties of District 2, began the trip at Lubbock September 28. Chartered busses were used for the trip, and by the time they left San Antonio, there were sixty women in the party.

Representatives from Bailey County were Mrs. J. H. Hanks of Muleshoe; Mrs. Jack Hough, West Camp; and Mrs. G. T. Maltby, Progress.

In San Antonio Tuesday morning the ladies visited the San Fernando Cathedral, Spanish Governor's palace, La Villita Restoratiore project, Mission San Jose, and the Alamo. After a chicken lunch in Breckenridge Park, they were on their way to Galveston.

The meeting held in the Pleasure Pier, had as keynote speaker, Mrs. Joseph M. Perkins of Eastland, who is vice president of the American Cancer Society and one time member of the state board of education. Also she is a past president of Texas Federation of woman's clubs.

Her theme topic at the convention was "The Home, Cornerstone of Freedom". Other speakers included Miss Iris Davenport, women's editor of Farm and Ranch, who based her talk on "Mental Grooming". A. C. Wimpee, narcotic prevention worker and member of the Texas Narcotic commission spoke on "The Danger of Narcotics." Mr. Wimpee, who is also a magician, demonstrated magic tricks.

Miss Neva Hogan, field representative for the southern region U. S. D. A. compared the daily life of Marie, a Bolivian farm woman, to Mary, a Texas home demonstration woman.

Boat rides, tours of the town, and a banquet which featured

Hogan Reunion Held Last Week

The reunion held in the Roy Hogan home Wednesday of last week proved a grand success, and was enjoyed by forty-one friends and relatives from various points in Texas and other states.

Those who came the greatest distance were the two brothers and a niece of Roy Hogan and Mrs. Vera Colson. They were R. O. Hogan and M. T. Hogan of Akron, Ohio.

Others attending were Mr. and Mrs. L. E. Daniel of Cooksville, Tenn., Mr. and Mrs. E. T. Calloway, Jr., and children of Goldthwaite. Everyone left Friday for Lugart Camp, Okla., where other relatives and old friends were met.

Farewell Party Is Given For Mitchell Family

Mr. and Mrs. George Mitchell and children were the honorees of a farewell party and picnic last Saturday, which was held on the lawn of the Progress Methodist Church.

Mr. and Mrs. Mitchell are moving to the Y. L. community, and they will really be missed by their friends in the Progress community.

Approximately sixty-five guests attended the party, and enjoyed a supper of hamburgers, pie, and cold drinks.

After eating, the young people played games, while the oldesters visited.

Hostesses were Mrs. Eugene Black and Mrs. Carrol Jones.

A Galveston talent floor show, provided wonderful entertainment.

The three Bailey County ladies reported having a very enjoyable time, and said they learned many new things.

Muleshoe H. D. Installs Officers

The Muleshoe Home Demonstration Club met Tuesday, October 13, in the home of Mrs. R. Benham, with sixteen members and one visitor, Mrs. M. D. Cruse, present.

During the regular business session, a letter from Miss Dorothy Falytn was read by the secretary, Mrs. Dave St. Clair, thanking the club for financial aid in attending school at Texas Tech. She has a district scholarship, and the club donates \$5 per year to it.

Mrs. S. C. Caldwell, president, read a letter from Mrs. Ray Franz, thanking the club for their cooperation on the recent goodwill supper.

Election of officers for 1954 was held with the following slate of officers elected: Mrs. Roy Carney, president; Mrs. J. H. Hanks, vice-president; Mrs. S. L. Robinson, sec-treas.; Mrs. S. C. Caldwell, reporter; Mrs. A. W. Copley, assistant reporter; Mrs. Dave St. Clair, parliamentary; Mrs. J. E. Day, council delegate; and Mrs. R. F. Wright, alternate.

Mrs. J. H. Hanks gave a very interesting report on her trip to Galveston, where she attended the State convention of Home Demonstration Clubs. She brought back some very useful and helpful information to the club.

The next meeting will be in the home of Mrs. Ray Edwards, October 27, at 2:30 p. m. A demonstration on a Bernina Sewing machine will be given at this meeting, and the president urges all members to be present.

Refreshments were served by the hostess and a very interesting game was conducted by Mrs. S. L. Robinson.

Muleshoe Lions Hear Mr. Osborn

The Muleshoe Lions club met Wednesday noon at Gerald's Cafe, and heard Jesse Osborn, state representative to Austin from this district, outline the birth and passage of the bills that become the laws of the State of Texas. Osborn pointed out that all bills must originate either in the House or Senate, and that bills of a committee work go into the final decision on the passage of these bills. He also told the Lions that there are three important amendments coming up in the next legislature that the voters of the State of Texas should ponder very carefully before voting on them. The amendments are, Toll Roads to be operated by the State of Texas, Raising of the salaries of the legislators and the raising of the salary of the Governor of the state. Osborn stated that he violently opposed two of these bills.

The Lions Club and their wives will be guests of the Cox Drive-In Theatre, due to the fact that the club sold most tickets in the recent fund raising drive for the community park. The date for this occasion will be announced later.

The Boy Scouts of Muleshoe also invited the Lions to a B-B-Q supper next Tuesday night. Visiting the club during the noon meeting was R. P. McCall.

W. S. C. S. MET
The Progress Methodist Church was the scene of the regular meeting of the W. S. C. S. October 8. Mrs. Johnnie Westbrook was the leader, and presented the first lesson in the study book on "Jeremiah". Members are urged to attend the next meeting October 22, for important business.

WAS IN LAMESA
Bill Martin spent the weekend in Lamesa.

Longview News

There has been an average attendance at Church for the past two Sundays. October 4, Brother W. G. Killian filled in as pastor for morning and night services. He and Mrs. Killian spent the day with Mr. and Mrs. Glenn. They have been friends for many years.

October 11, Brother William Terrell of Portales, brought the lesson at both morning and evening services. Mr. Terrell is the brother of Mrs. J. U. Dawson. He and his family spent the day with Mr. and Mrs. Dawson.

Wednesday night services are always well attended. Young people turn out for Y. W. A., R. A. G. A., and Sunbeams. Royal Service was the program at the W. M. U. this week. Next week, October 22, will be Mission Study.

The first Sunday in November will be the beginning of Youth Week and the young people will have complete charge of the services from Sunday morning through Wednesday night.

- Tuesday afternoon, October 6, Mrs. Mary Seales Barnett was honored with a bridal shower. Hostesses were Mrs. Pete Ware and Mrs. Berta Kitchen. The honoree received many gifts.
- Melvin White returned to Lubbock this week for a check-up on his arm. It is giving him a lot of pain, and it will be some time before it heals.
- Jerolyn Lue Timmins celebrated her birthday October 4, with a party. Many of her friends were present and enjoyed the delicious refreshments of cake and ice cream which were served after she opened her presents.
- Billy Crouch is now at home with his mother in Littlefield. He visited with relatives in Muleshoe over the weekend.

BAPTIST NOTABLES IN VISIT TO MULESHOE

Two men who have responsible positions among Southern Baptists visited Muleshoe Tuesday. They were: Dr. S. F. Dowis, secretary for cooperative missions, Home Mission Board, Southern Baptist Convention, Atlanta, Ga.; and Dr. Harry P. Stagg, Albuquerque executive secretary and treasurer of the New Mexico Baptist Convention.

Dr. Dowis is making a stewardship tour of New Mexico churches and was to speak in Portales, Clovis, Lovington, and Carlsbad. They came to Muleshoe from Clovis because Dr. Stagg, who is district governor for New Mexico, wished to make up his attendance. They attended the Rotary meeting here at noon.

New Teachers Hold Get Acquainted Tea

The Muleshoe classroom teachers organization has begun the school year as an active organization.

A tea was held recently honoring all new teachers as a means of getting acquainted.

Last Monday the regular meeting was held. In the absence of the president, Mrs. John Watson was in charge of the session. A very interesting program was given, stressing the essentials of a good teacher.

Approximately thirty members were in attendance.

TOO LATE TO CLASSIFY

LOST AND FOUND: One two-bit slot machine in and around the sand hills—owner can claim at the office of Judge Tate, County Judge.

(Ed. Note: Two men, Bill Collins and Johnny Johnson, while hunting coyotes discovered the machine, and are puzzled as to what kind of reward the owner should give them.)

"Where Friends Meet And Prices Talk"

Working With God Is Lesson Studied By Chi Rio Group

"Working with God for Friendliness", was the lesson studied by the Chi Rio class of the First Christian Church at their last meeting.

After the group sang "What A Friend", Linda Landers gave the scripture reading, Matthew 22:37-39, and the group said "The Lord's Prayer" in unison.

Those giving readings were: John Aylesworth, Donna Kay Bruns, Judy Bell, and Bea Aylesworth. Rev. Vincel Larson, minister of the First Christian Church, led the discussion, "How we can work with God for Friendliness".

The meeting closed with all repeating the benediction.

Those present were Mrs. Henry Landers, Mickey Smith, Henry Creamer, Smitty Aylesworth, Freddie Smith, Vincel Larson, Donnie Smith, John Aylesworth, Jack Wright, Donna Kay Bruns, Jerry Wright, Travis Creamer, Judy Hanks, Linda Landers, Judy Bell, Bea Aylesworth, Ann Bell, Mrs. J. H. Hanks, and Rev. Vincel Larson.

Pat Bobo Guest Speaker For Los Planos Study Club

The Los Planos Study Club met in regular session, Tuesday, October 13, with Mrs. Barbara Blackman as hostess, and Cara Juan Schuster as co-hostess.

The program, led by Dorothy St. Clair, was "Women's Rights Under Texas Law".

Guest speaker for the day was Pat Bobo, who gave a very interesting talk on "Marriage and Divorce". A talk on "Parents and Children", was given by Betty Hopper, and Helen Gardner spoke on "Political Rights".

The round table discussion which followed was led by Pat Bobo.

Present were: Betty Hopper, Hattie Ray Jones, Lauranette Mason, Theresa Edwards, Helen Gardner, Fern Autrey, Arlene Phelps, Mary Nell Chapman, Dorothy St. Clair, Billie Joan Smith, Elaine Dameron, Evelyn Riley, Ruby Lee Kerr, Helen Schmitz, Lometa Smith, Wilma Grissom, Jerri Farrell, Barbara Blackman, Cara Juan Schuster, and Edith Evans.

Progress W. M. U. Met Monday

The Woman's Missionary Union met at 2:30 Monday, October 12, in the Progress Baptist Church.

The meeting was called to order by the president, Mrs. Sherman Sweatmon. The theme of the program, "A Sinful World—A Sufficient Saviour", was under the direction of Mrs. E. W. Locker. Topics discussed were: A Sinful World, Conditions in America, Conditions in Other Lands, A Sufficient Saviour, Spiritual Value Superior, Right Relationships, and From Sin to Son.

After a short meditation period, the group was dismissed with benediction. Those present were Mmes. Doyle Winters, C. A. Lishop, J. J. Redwine, Ray Quesenberry, Clyde Henry, M. L. Shipp, E. W. Locker, and three new members, Mmes. Tom Morgan, Bessie Davis, and Alton Gully.

All members are urged to be present at the next meeting, and visitors are always welcome.

Wesleyan Guild And W. S. C. S. To Have Joint Meet

The Wesleyan Service Guild of the Muleshoe Methodist Church met Monday night, October 12, in the home of Mrs. Ray Edwards.

The members answered roll call with a verse from Jeremiah, and continued their study of the Prophet Jeremiah. Mrs. Ray Edwards gave a talk on conditions in the time of Jeremiah.

"Social Evil Factors That Lead To Reform", was the topic of a very interesting talk brought to the group by Mrs. A. S. Stovall. After the talk by Mrs. Stovall, Mrs. Mable Dowell gave some of the prayers of Jeremiah.

Mrs. Delma McCarty, president, was in charge of the business meeting which followed. Plans were made for the joint meeting with the W. S. C. S., and parts were distributed for the day of prayer. A date has not yet been set for this meeting.

The next meeting will be with Elizabeth Harden, October 26. Delicious refreshments of hot cheese sandwiches, Texas cream pie and punch were served to all who were present.

Visitors for the day were Mmes. F. W. Watts, Mervin Wilterding, and Sam McKinstry. Members present were: Elizabeth Harden, Mmes. Mable Dowell, A. S. Stovall, H. S. Sanders, Sr., H. S. Sanders, Jr., Jim Burkhead, Fred Johnson, Lois Schoenberger, Delma McCarty, Buford Butts, Dee Warner, and Hazel Farrell.

Rebekahs Birthday Party Proves To Be Big Success

Muleshoe I. O. O. F. and Rebekahs held their annual birthday celebration Thursday night, October 8, at the American Legion Hall, with Dave Aylesworth as master of ceremonies.

The program was opened with everyone singing our National Anthem, accompanied at the piano by Mrs. Inez Kennedy. Jackie Henderson played and sang two numbers. Mrs. Kennedy played the piano solo, "At The Close of Day".

Dr. Floyd D. Golden, president of E. N. M. U. of Portales, gave a wonderful talk on "Love", which was enjoyed very much by everyone.

John Fried and his boys played music on the program and through the dinner, Tom Morgan auctioned off the quilt that the Rebekahs had quilted. It had the name and numbers of all the lodges in the district on the blocks. W. J. Hacker of Hereford purchased the quilt for \$35.

Mrs. Lillie Alexander of Lubbock gave the invocation after which a dinner consisting of chicken, dressing, barbecue, red beans, potato salad, cabbage slaw, cranberry sauce, pickles, onions, bread, tea, coffee and cobbler pie was served to 250 members and visitors from 15 towns.

HAD VISITORS
Mr. and Mrs. M. F. Roberts had as guests in their home recently Mr. and Mrs. Frank Jones, and Mr. and Mrs. T. J. Jones.

Mrs. Clay Beavers Speaks To WSCS

The W. S. C. S. of the Muleshoe Methodist Church met October 12, in the Church parlor, for a continuation of their study, "That the World May Know". The meeting opened with Mrs. H. Jay Wyer leading the group in the singing of "Where'er The Son".

Mrs. Clay Beavers made two very interesting talks on "The Fruit of Fidelity", and "A World Wide Church".

Mrs. Arnold Morris spoke on "Missions Through the Eyes of the G. I.'s", and the meeting was dismissed with a prayer by Mrs. Cecil Davis.

A short business session followed, with Mrs. Finley Pierson, president, presiding. A card of thanks was read from Bro. and Sister Hanks, for the gift given them by the W. S. C. S.

Mrs. Bayless made announcement of the week of prayer, which will begin with a joint meeting with the Wesleyan Guild, on the night of October 26. Everyone is invited to attend.

Friends Enjoy Chicken Supper At Schmitz Home

Mr. and Mrs. Earl Schmitz were host and hostess Friday night at their home, to a delicious fried chicken supper, which they served with all the trimmings to the following guests: Mr. and Mrs. Willy Moore and children, Mr. and Mrs. Wayne Garth and Mike, Mr. and Mrs. Jack Wilcox and children, Mr. and Mrs. Don Moore and children, Mr. and Mrs. Lonnie Arnold, Mr. and Mrs. C. L. Schmitz and Monroe of Seagraves; Mr. and Mrs. Rudolph Moraw

Mrs. Carroll Pool Given Bridal Shower

A bridal shower honoring Mrs. Carroll Pool, nee Wanda Cawthorn, was held Friday afternoon, October 9, from 2:00 to 4:30 in the home of Mrs. F. H. Davis.

Hostesses other than Mrs. Davis, were Misses E. R. Hale, F. A. Grimsley, Lela Barron, C. E. Lane, C. W. Wilhite, C. H. Tate, and George Hicks. Their gift was a white wool blanket and the bride's book.

Guests were greeted by Mrs. Davis, and presented to the honoree, her mother, Mrs. V. V. Cawthorn and the mother of the bridegroom, Mrs. W. M. Pool. Mrs. C. E. Lane registered the guests and Mrs. George Hicks ushered them in to view the lovely wedding gifts.

The serving table was laid with a pink Irish linen cutwork cloth, with a centerpiece of pink roses arranged with the bride and groom figurines. Lighted pink candles, pink napkins, and pink mints, further carried out the pink color scheme.

Mrs. Charles Bratcher and Mrs. Lela Barron poured the pink frosted punch and served the individual pink cakes.

Lovely pink roses and other

and children, Pat Wright, Beverly Arnold, Neil Arnold, and Kenneth Hall.

pink flower arrangements were used in the reception and living rooms, and the bride, her mother, and the groom's mother, wore pink corsages, which were presented to them by the hostesses.

UNDERWENT SURGERY
Mrs. W. F. Harrison spent the weekend in Amarillo at the bedside of her father, Joe Simpson, who underwent surgery at Northwest Texas Hospital. Mr. Simpson is doing fine.

BROTHER VISITED
Mr. and Mrs. L. M. Shockey of Friona, spent the weekend here with his sister and family, Mrs. Fred Horn.

VISITED SISTER
Fred Simpson, Jr., was a recent visitor in the home of his sister, Mrs. Arthur Cooper. He was en route from Midland to Belen, N. M., where he is employed.

NEW ARRIVAL
Mr. and Mrs. Robert Leslie Barber announce the arrival of a daughter, Gwendolyn Bernice, October 7. The young lady was born at the Friona hospital and weighed 6 lbs., and 9 oz. Mrs. Barber's mother is here for an extended visit with her daughter and family.

IS VISITOR HERE
Mrs. Eula O'Neil of Temple is visiting her daughter and son-in-law, Mr. and Mrs. D. B. Lancaster. Mr. and Mrs. Lancaster and children, Mr. and Mrs. O'Neil attended the Tech-A & M game Saturday.

VOLUME 31, NUMBER 43

MULESHOE - County Seat of Bailey County - TEXAS

THURSDAY, OCTOBER 15, 1953

Mayor Bovell Proclaims "L Day"

PROCLAMATION

Whereas, Tuesday, October 20 is the beginning of another fiscal year for the American Legion, the largest veteran's organization in the history of mankind and

Whereas, the Department of Texas through its executive committee and its state commander, L. E. Page, has set aside the above date for special emphasis upon the American Legion and its program and

Whereas the local post of the American Legion has over a long period of years contributed to the welfare of this community and area and has constantly fought for veterans' benefits and for the widows and orphans of veterans, I W. T. Bovell as mayor of Muleshoe, Texas do

Hereby proclaim, Tuesday, October 20 as the second annual "L Day" in honor of the American Legion and urge all citizens and veterans to give special consideration to this great patriotic organization upon this day as its members go forth to get members for 1954.

Given under my hand and seal this day, October 10, 1953.

ATTEST: City Clerk Billie Bayless.

VISITED PARENTS

Mr. and Mrs. Merel Brown and Kay spent the weekend in Amarillo with her parents, Mr. and Mrs. J. T. Wharton.

ATTENDED BALL GAME

Lt. and Mrs. Weldon McCarty and children of Hondo, and Mr. and Mrs. Don Crawford and children of Crain attended the Texas Tech. A & M game Saturday and then came on to Muleshoe and spent the weekend with Mrs. McCarty's parents, Mr. and Mrs. F. H. Davis.

ADAMS HAD GUESTS

Guests over the weekend in the home of Mr. and Mrs. J. K. Adams were his brother, W. O. Adams and family of Rankin, and his sister and brother-in-law, Mr. and Mrs. Virgil Rodden and children of Tulia. Mr. and Mrs. Adams attended the Tech. A & M game Saturday and were met there by his brother and family, who then accompanied them home.

Sudan Defeats Muleshoe 21 to 0

(From Lubbock Avalanche-Journal)

Sykes Singers Are Here Tonight

The Sykes Gospel Singers, radio recording and television artists of Los Angeles, Calif., will appear in the High School auditorium here at 8:15 p. m. Thursday, October 15.

Sykes Singers feature Professor Charles Hall, one of the World's greatest pianists; Mrs. Eula Faye Manners, dramatic soprano; and Sister Sykes, nationally known gospel singer.

You have heard them over the air, come and see and hear them in person. The public is invited. Admission is 50c.

HAD DINNER GUESTS

Dinner guests Sunday in the home of Mr. and Mrs. A. P. Lambert were their son, Les Lambert and family, her sister and brother-in-law, Mr. and Mrs. H. L. Bethel and children of Lazbuddie, and his brother, S. A. Lambert and family.

WAS HOME

Billy Wayne Wagoner spent the weekend with his parents, Mr. and Mrs. B. H. Wagoner.

The Sudan Hornets pounded the Muleshoe Mules Friday night for a 21-0 win in a non-conference game played at Masten Stadium in Sudan before a large crowd of people, mostly Muleshoe partisans.

Muleshoe threatened twice, but lost out on both chances when its backs fumbled. Once the Mules penetrated to the Sudan 11 and had four downs to go, but quarterback Bill Willis and the halfbacks couldn't hold on to the ball.

Carlos Garner, 165 pound fullback, punched over for two of the Sudan tallies and Laron Loe got the other. Garner, Loe, and Bill Peacock added the extra points.

Both teams fought it out on even terms the first period, although the Hornets recovered a fumble on the Mules 25. Three running plays netted exactly nothing, and a fourth down pass fell incomplete.

Charles Waggoner, Mules left halfback, raced 55 yards before he was pulled down from behind on the Sudan 25. Willis was thrown for an eight yard loss and Wayne Moore for two more, but Waggoner fought his way to the 16 on a fourth down try which was one yard short of a first down.

The Hornets took a short punt on the Muleshoe 46 and rammed the rest of the field for the first score. Garner carried seven of the 11 plays and went over from the one for the score. He also ran over the extra point to give Sudan a 7-0 halftime lead.

Sudan scored the first two times it had the ball in the third period. The Hornets took over on their own 46 after a fourth down

try by the Mules was one yard shy of a first down.

A 38 yard pass from Peacock to Lynn Shannon put the ball on the Mues seven yard line and Loe scored on the following play. Loe also ran over for the extra point.

Charles Perry fell on a Muleshoe fumble on the Mule 40 yard line to set up the final score. Loe and Garner alternated carrying the ball in seven plays, Garner going over from the five for the payoff. Peacock plunged over for the PAT.

Muleshoe then made its most serious threat to score. Waggoner returned to kickoff to the 42 and Moore carried the pigskin twice for 16 yards and a first down. Willis, Benny Bickel and Moore carried it to the 11, but Willis fumbled and Gaylon Graves recovered.

Sudan then marched to the Mules two yard line, but the Mules line held and took over.

Later in the fourth, the Hornets marched to the 38 but two passes fell short of their marks and the Mules took over. They marched to the Sudan 27, but Willis again fumbled and that was the last time they had the ball.

Willis, Lewis Blaylock, Kenneth Henry, Lon Martin, D. L. Morrison and Jimmy Holt stood

out on defense for the Mules.

For Sudan the big gun on offense was Carlos Garner, fullback, who ripped off yardage through the Mules line and scored two touchdowns.

Muleshoe High School Band is Improving

The Muleshoe High School Band, under the direction of Tom Shirley, won the admiration of both Muleshoe and Sudan fans for their performance at half time ceremonies at last Friday night's football game.

Led across the field by drum major Barbara Douglass, and majorettes, LaVon Copley, Billy Ann Pence, Ann Woodley and Beyy Collins, members of the band played and danced to "Put Your Little Foot", after which they played and danced to "The Missouri Maltz". They also furnished some very snappy football music all during the game.

The band seems to have quite a few more members than it had for some time, and their playing improves with every performance.

Walter Seales Finishes Basic

WALTER SEALES

Lackland Air Force Base, Texas — Walter L. Seales, 20, son of Mr. and Mrs. Bert Seales, Star Route 2, Muleshoe, is completing his AF basic airmen indoctrination course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the world's largest air force base, site of Air Force basic training, for men and women, headquarters of the Human Resource Research Center, and home of AF's Officer Candidate School.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

VISITED HERE

Mr. and Mrs. Dale Dudley spent the weekend with her parents, Mr. and Mrs. C. C. Anders and Bonnie.

King Grain Adds Seed Facilities

King Bros. Grain & Seed Co., in Muleshoe are building another leg and pit solely for the purpose of handling seed grains.

The leg and pit will be of a construction that will permit thorough cleaning after any sort of seeds are handled, and no foreign matter such as Johnson Grass seeds can cling to the sides. This will permit a better job of seed cleaning.

The elevator will store seed in steel bins, erecting some 30 of these, each of 100,000 pounds capacity, and this arrangement will further eliminate the danger from impurities in seeds.

Chas. Saylor On Seaplane Tender

PACIFIC FLEET (PHTNC) — Charles L. Saylor, electronics technician third class, USN, son of Mr. and Mrs. N. L. Saylor of Muleshoe, has reported to the small seaplane tender USS Orcutt, for a tour of duty in the Orient. Saylor was graduated from the Naval Electronics Technician Service School at Treasure Island, Calif.

Good Results In Defoliating Being Reported

R. C. Harnden, vice-president of the Chapman Chemical Co., of Memphis, Tenn., makers of Golden Harvest defoliant, has been a visitor at Muleshoe to observe at first hand the results of his chemical in defoliating work on the farms of this neighborhood.

Mr. Harnden pointed out that the Chapman company has two distributors on the Plains of Texas: Pop's Farm & Ranch Store, in Lubbock, and the Jones Farm Store, in Muleshoe. R. J. January represents the chemical firm here and at Lubbock.

"Chief" Jones of the local farm store said results have been notable in defoliating with Golden Harvest here, and he said equally good results have been obtained in spraying castor beans, of which there is a good sized acreage in this territory. Soybeans, rice, and other crops are sprayed with the chemical to defoliate it was said. Two defoliating companies have been operating in the Muleshoe country this fall.

Defoliation work kills leaves and allows the opening of cotton, and maturing of castor beans earlier. In the case of cotton growers, they like to get on the market earlier to lessen any likelihood of price worsening; and because pickers have been hard to find, they can defoliate and use their mechanical cotton harvesters with better success.

Ball Playing Moore Boys Back On Compress Job

The Moore boys, Don and Wilcy, are back on the job with Union Compress and Warehouse Co., here in Muleshoe after a summer in league baseball. The two Muleshoe boys made a good showing on their respective teams.

Don played all except two or three games for Clovis Pioneers of the West Texas-New Mexico League, batting around .300. Clovis wound up the regular season in second place in league standings then lost to Albuquerque in the final game of a seven game Shaughnessy play off series.

Wilcy was an outstanding centerfielder for the Dallas Eagles. He had one of the best fielding averages and batted .271 in the regular season. Dallas won the Texas League pennant, won the Shaughnessy play-offs, then won the Dixie Series from Nashville of the Southern League. Wilcy was a tower of strength to his team in these play-offs and in the Dixie Series.

Don is manager of the Compress while Wilcy is the foreman.

Bootblack's sign in Pine Bluff, Ark., reads: Pedal Habilitments Artistically Lubricated and Illuminated with an Ambidextrous Facility for the Infinitesimal Remuneration of 20 Cents. — In other words: Shoes Shined—20 cents. —Ex.

Sgt. Beardean Broyles Home On Thirty Day Leave

SGT. BEARDEAN BROYLES

Sgt. Beardean Broyles arrived home last week for a thirty day leave with his parents, Mr. and Mrs. Owen Broyles and other

Today's Meditation

The Lord thy God will hold thy right hand, saying unto thee, Fear not; I will help thee; (Isaiah 41:13). Read Psalm 121 or John 3:14-16.

When called to the United States Army and sent to a training camp, it seemed at first as if I were in a desert, away from the world and friends. Then I started to think of the past and realized that I was not alone; for the Lord who had been holding my hand since I was a little child, the One whose love and truth had been taught to me over the years, was still with me. When I left that camp, the Lord was still with me to guide me.

With Christ, we can face any test and have nothing to fear. Has not the Lord said, "Be not afraid of them that kill the body, but are not able to kill the soul; but rather fear him who is able

relatives and friends. Sgt. Broyles has been in the armed services for approximately three years, eighteen months of which he spent in Korea.

At the end of his leave he will report to Camp Chaffee, Ark., until further notice.

to destroy both soul and body in hell." By holding on to the Christ, who assures to those who believe in Him the blessing of redemption, we have nothing to fear.

PRAYER

O Lord, we would live this day close to Thee. May we hear Thy voice so full of comforting love. Guide us through this life, and bring us at last to be at home with Thee in the house of many mansions; through Christ our Lord. Amen.

THOUGHT FOR THE DAY
Redemption through Christ is God's greatest gift of love.
Eliezer Pastrana (Puerto Rico)

Doc Wilhite Home Is Scene Of Family Reunion

The Doc Wilhite home was the scene of the Hogan family reunion last Thursday night. Approximately forty-six relatives and friends attended the affair, which took place on the lawn. The group enjoyed a delicious dinner of chicken and dressing with all the trimmings, and afterward played games and sang spiritual songs.

Mrs. Jack Epps Wins Top Honors At Garden Show

Mrs. Jack Epps was sweepstakes winner in the horticulture division of the flower show sponsored by the Earth and Amherst Garden Clubs Saturday, October 4, at the Amherst Legion Hall. "Nature's Harmony" was the theme of the show, which was under the direction of Mrs. John Nix of Amherst. This is the third show for the Amherst Club, whose president is Mrs. Horace Woodward, and the first for the newly-formed Good Earth Garden Club of Earth, of which Mrs. Melton Welch is president. Judges for the show were Mrs. A. L. Manjoet and Mrs. Grinkerson of Hereford, and Mrs. I. B. Fant of Olton.

Philathea Circle Welcomes Two New Members

There were eleven members and one visitor present for the last meeting of the Philathea Circle, which was held October 1, at the home of Mrs. Charlene Bickel. Those present were: Mmes. Dorothy Wyer, Mildred McReynolds, Georgia Pena, Lindall Murrah, Thresa Edwards, Gladys Black, Della Mitchell, Helen Gardner, Sammie Allison, Margaret Adams, and the visitor, Mrs. Bill Bickel.

The meeting was called to order by Thresa Edwards, and during the short business session which followed, the members voted to sell Christmas cards. Two new members were welcomed into the club. They are Mrs. Lindall Murrah, and Mrs. Georgia Pena.

After a Bible quiz, refreshments were served to the group. The next meeting will be held with Thresa Edwards, October 15.

CARD OF THANKS

We cannot tell in words, our thanks and appreciation for the kindness and words of encouragement given us through the messages of comfort from Bro. Bains and Bro. Jones.

Also we wish to thank our many friends and neighbors for the beautiful flowers and our doctors and nurse, Mattie, and Mr. Reed for his services.

God bless each and every one is our prayer.

Betty Engelking And Floyd Embry Exchange Vows In Recent Ceremony

MRS. FLOYD EMBRY

Miss Betty Engelking and Mr. Floyd Embry recently exchanged vows in a single ring ceremony in Muleshoe.

The bride is the daughter of Mr. and Mrs. E. E. Engelking and the groom's parents are Mr. and Mrs. J. E. Embry.

The ceremony was read by the Rev. H. W. Hanks, and took place in the parsonage of the First Methodist Church.

Those attending the wedding were: Mr. and Mrs. J. E. Embry and daughter, Mr. and Mrs. E. E. Engelking and son, Jerry, Mr. and Mrs. Joe Embry and children, Mr. and Mrs. Calvin Embry and children, and Mr. and Mrs. Chester Embry and children.

The couple left immediately following the ceremony for a trip to Carlsbad, N. M.

The bride graduated from Lazbuddie High School, and for

Mrs. Richard E. Jackson OF 2510 37th, LUBBOCK, TEXAS, LIKES

ELECTRIC COOKING!

Mrs. Jackson finds electric top-of-range cooking cool and clean. All the heat goes into the food to be cooked—none spills over to heat up the kitchen.

She likes the even baking and economy of electric oven-baked cookies and other pastries, pies and meats. Meat shrinkage is at minimum with electric baking.

Too, she likes the easy method of preparing timely meals. Before going out, Mrs. Jackson sets oven controls—meals cook electrically while she's gone.

She says -

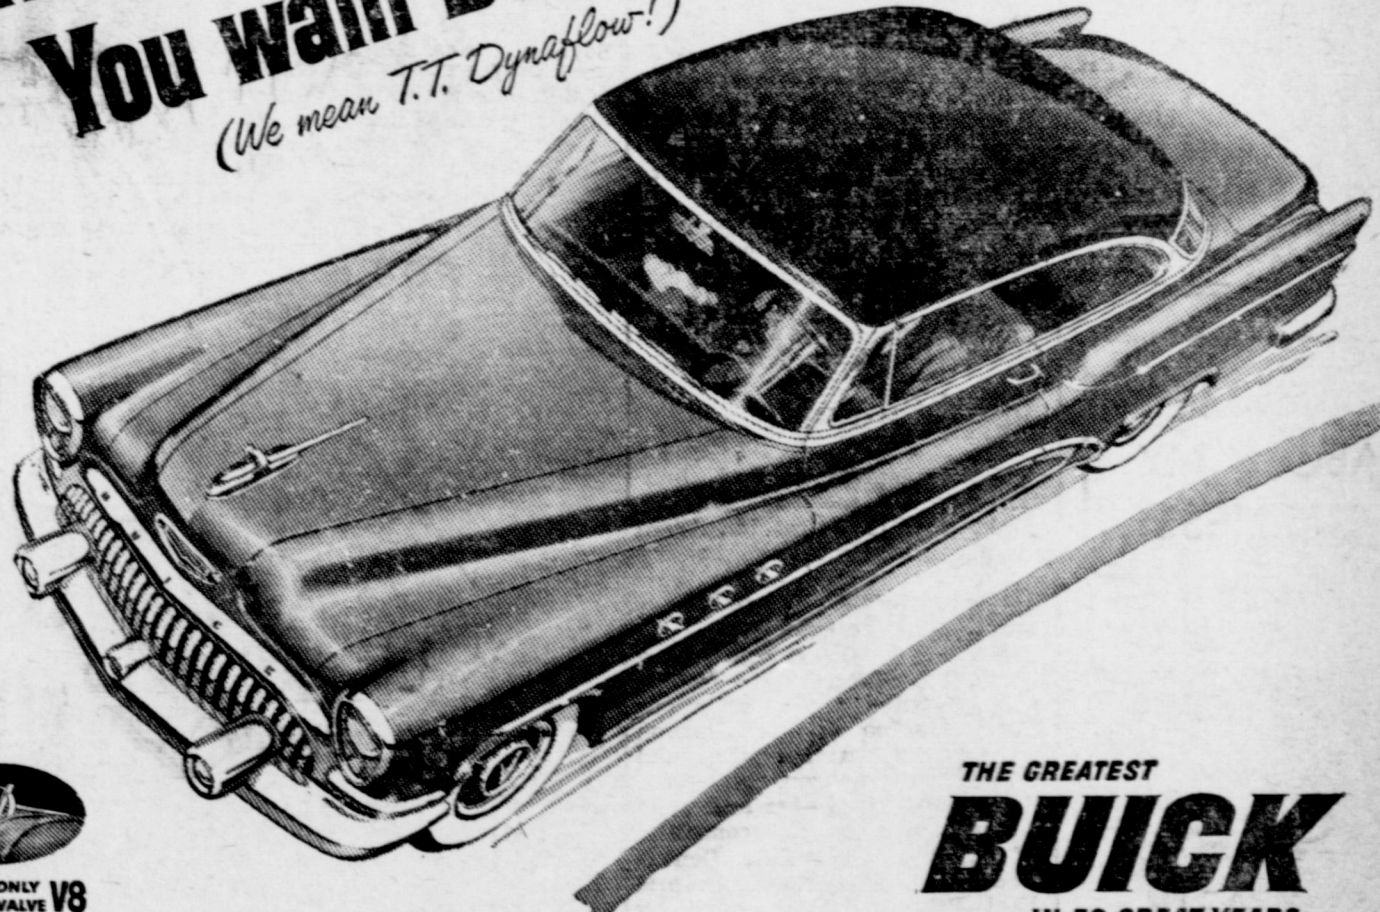

"Some of the outstanding features I like about electric cooking are the cleanliness and the coolness of my kitchen, the easy method of preparing timely meals, the even baking and economy. For my family of four, it costs only a few cents a day to prepare the meals."

SEE YOUR DEPENDABLE REDDY KILOWATT ELECTRIC APPLIANCE DEALER

When you want to GO You want DYNAFLOW* (We mean T.T. Dynaflo!)

THE GREATEST BUICK IN 50 GREAT YEARS

No doubt about it—as thousands of prideful owners will tell you.

When you press the pedal of a 1953 Buick with Dynaflo, you move.

You move with instantly responsive getaway, with great quiet, with truly infinite smoothness. You move in this special and spirited and soul-satisfying manner because you're bossing Twin-Turbine Dynaflo—where two turbines, instead of one, now turn out the magic.

We can put pictures before you to show how TT Dynaflo delivers its sensational performance and flowing-oil smoothness. And we will, if you ask.

But surely you ought to take the wheel of a 1953 Buick with this big-thrill wonder drive and let your own sensations tell you how wonderful it is. You ought to try it for getaway, for cruising, for

suave deceleration—for the sheer and restful comfort it gives you every step of the way.

And, very definitely, you ought to try it for the power that goes with it...

For the highest horsepower and compression ratios, Series for Series, ever placed in a Buick—including the power of the world's newest V8 engine in every SUPER and ROADMASTER.

Why not come in and try out this terrific performance team of Buick power and TT Dynaflo?

We're ready, willing and eager to show you what you've been missing—and how easy it is, price-wise, to have it. Can you drop in on us for a no-obligation sampling—this week?

MILTON BERLE stars for BUICK—in the BUICK-BERLE SHOW on TV Tuesday evenings. Also, every Saturday, tune in The TV Football Game of the Week—a "GM" Ray Event

*Standard on Roadmaster, optional at extra cost on other Series

Pink and Blue Shower Honors Two Thurs. Night

A pink and blue shower was given in honor of Mrs. Paul Hammett and Mrs. Bill Free Thursday night at 7:30 p. m. at the home of Mrs. Harold Allison.

Hostesses for the shower were Mes. Ethel Allison, Jean Allison, Sammy Allison, Mary Andreas, and Verona Grizzle.

For the entertainment of the group, Sherri and Nan Allison played a selection on the piano and Veda and Carolyn Allison sang and played "Buttons and Bows."

Many useful and worthwhile gifts were given to the two honorees.

Virginia And David Wyer Are Party Honorees

Sunday, October 11, Virginia and David Wyer, were honored with a birthday dinner party. Others included in the party were Dorothy, Kathy, Brenda, and Harold Wyer.

Host and hostess for the occasion were H. Jay and Ottice Wyer.

Mrs. Floyd Andreas Hosts P. V. S. Club

The Pleasant Valley Social Club met in the home of Mrs. Floyd Andreas Wednesday, October 7, for their regular meeting.

Club time has been changed back to the original time which is 2:30 p. m. on the first and third Wednesdays of each month. Ideas and plans were discussed for the forth coming year.

Delicious refreshments were served to the following members: Mes. G. Allison, L. Hicks, C. Prather, R. L. Roubinek, J. Shaw, G. Wuerflein, P. Hammett, H. Reeder, and the hostess.

Next meeting will be with Mrs. E. K. Angeley October 21.

Lazbuddie PTA Met Monday

The Lazbuddie P. T. A. held its regular meeting Monday night at 8:15 p. m. Mr. Ward gave announcements of coming school activities. Mr. Pete Mimms was then introduced as speaker for the evening.

Mr. Ward had charge of a musical program by the following students: piano selections by Katherine Smith, Sharron Thorn, Carolyn Hinkson, and Maryellen Thompson. Larry Trieder played his guitar and sang a number. A quartet composed of Mr. J. C. Scraggs, Denton Thompson, John Gammon, and Earl Peterson accompanied by Jean Gammon rendered a number. Carolyn Scott was announcer for the program.

There was a very good attendance this meeting, so let's everyone keep coming.

HAD GUESTS

Guests over the weekend in the home of Mr. and Mrs. Walter Witte, were Mr. and Mrs. Cecil Pendleton of Jonesboro, Mrs. Selma Patzig of Tullia, and Mrs. Ola Ragsdale.

Native Galilean Here Wed., Oct. 21

MR. HABOUSH

Stephen A. Haboush, a native of Galilee, his wife and assistants will present their Bible Land Musical Travelogue "On Sacred Soil" in the high school auditorium here next Wednesday night, October 21, the program to begin at 7:30 p. m. Earlier in the afternoon, they will present the Travelogue before the high school people at 1:30. The appearance here of the troupe is under auspices of the Elementary P. T. A. and the high school P. T. A.

Advance tickets are being sold by the P. T. A. groups at a price lower than the admission price at the door.

VISITED PARENTS

Mr. and Mrs. Ed Bynum of Amarillo visited over the weekend with her parents, Mr. and Mrs. Roy Bayless.

Bob Harvey Is Ford Salesman

Bob Harvey, a Muleshoe boy, has become associated with the Muleshoe Motor Company as new used car salesman, the management announced this week.

Muleshoe Motor is dealer here for Ford automobiles and trucks and also handle Lincoln and Mercury cars.

Mr. Harvey recently has been employed with the Wiedebush & Childers butane firm. He assumed his new duties this week.

SCHOOL OF MISSIONS HELD AT LAZBUDDIE

A Church School of Missions is being conducted this week at the Lazbuddie Baptist Church, Rev. C. K. Roberts, pastor, reports.

There is a different missionary speaker for each evening's program. The school is divided into five classes and they meet at 7:30 p. m.

WERE IN HEREFORD

Mr. and Mrs. R. E. Bryant spent a few days in Hereford this week with his sister and brother-in-law, Mr. and Mrs. Don Fudge.

Edmiston Learns About Fordomatic

A. R. "Ed" Edmiston, service manager for Muleshoe Motor Co., Ford dealers here, has completed a ten day course on the Fordomatic transmission, held at the Ford Motor Co. branch in Dallas.

He received a certificate indicating his completion of such subjects as fundamental principles, inspection, diagnosis, adjustment, quick service, repair and overhaul of the transmission system.

VISITED IN HEREFORD

Billy Ruth Redwine visited recently in Hereford with Mr. and Mrs. Bill Boatman. Mrs. Boatman and Billy Ruth are cousins.

Most-liked low-priced car

... among people who want more for their money when they buy ... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

... more and more people are considering Ford as the one fine car in the low-price field!

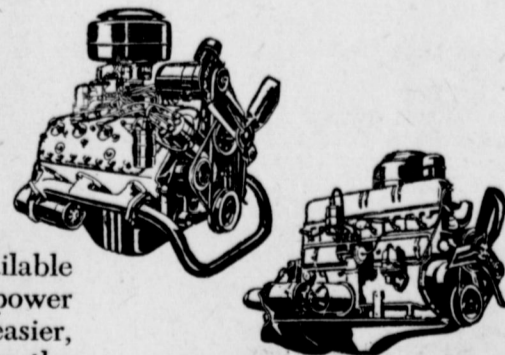

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hulltight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conventional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering ... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See ... Value Check ... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

FORD

Worth more when you buy it
Worth more when you sell it

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

From where I sit ... by Joe Marsh

One for the Books!

Noticed the Missus had a red ribbon tied around her finger at breakfast one morning last week. "What's that for?" I asked. "Your memory slipping?"

"It's not for me," she answers, "it's to remind you, and everybody else who asks what it's for, to contribute to the Woman's Club Library Fund. We need \$200 and we figured we'd get more help if we could get people to ask us about it."

Well, as it turned out, the red ribbon worked just fine. The ladies are having the library all

fixed up—and there's enough money for some new books, too.

From where I sit, it would be a fine thing if we had some sort of private reminder when we forget the rights of our neighbors. Like when we start telling them what we think is best. I may like a travel book and a temperate glass of beer while you prefer a cup of tea with your historical novel. Let's both remember not to "put the finger" on the other!

Joe Marsh

HOME FOR WEEKEND

Jim Green, Texas Tech student, spent the weekend here with his parents, Dr. and Mrs. M. F. Green, and other relatives and friends.

HERE VISITING

Mrs. C. H. Armstrong of Seagraves arrived here this week for a visit with her daughter and son-in-law, Mr. and Mrs. D. H. Sneed.

Crop Defoliation Research Carried Out In Texas

COLLEGE STATION, Oct. 14 — Oscar L. Grossman of Little River an ardent follower of agricultural research, offered some interesting facts on his 1953 cotton crop to approximately 1,500 farmers from over the cotton belt who recently convened at the Temple Experiment Station.

The growers met to observe the results of cotton defoliation research and see the performance of cotton harvesters in preparation of going all out in the mechanization of their cotton crops.

Grossman, who farms five miles from the Blackland station, has been a regular visitor to the station for many years. Since 1948, the first year of cotton defoliation and machine harvesting research at the station, Grossman has followed the work closely.

The Bell County farmer told the group he started spraying his 1953 cotton for defoliation on Tuesday of one week in accordance with recommendations. On the following Friday he re-sprayed with a plant desiccant to eliminate remaining green growth.

On the next Monday, Grossman began harvesting operations and mechanically picked 16 bales. The following day he harvested 20 bales and the third day he finished that particular field by sending three more bales to the gin. The total was 39 bales of cotton in a little less than 24 hours of actual operation. His total production was 46 bales from 55 acres.

Grossman's experience is cited as an example of the benefits Texas farmers gain when research information is followed closely and out to use in a well planned program of agricultural production.

PVT. COOK TRANSFERRED TO FORT BRAGG, N. C.

Pvt. and Mrs. Don Cook left Fort Bliss, El Paso, Oct. 9, for Fort Bragg, N. C., where Don is being transferred. Mrs. Cook spent last week with her parents, Mr. and Mrs. Olen Jennings, of Littlefield, before leaving for North Carolina. Don is serving as military police with the U. S. Army. The Jennings family formerly lived in Muleshoe, and Mrs. Cook is the former Miss Dixie Lee Jennings.

Wheat Underseeding In 1954 Not To Affect Future Crop Allotments

Secretary of Agriculture Ezra Benson has announced that farmers who seed between 90 per cent and 100 per cent of their 1954 farm wheat acreage allotment will not be penalized for such underseeding in the establishment of any future farm allotments which may be required under existing law.

"Past acreage of wheat is one of the major factors which local committees must consider in the distribution of the county allotment to farms," the Secretary said.

"and many farmers have felt that they should seed as closely to their current allotments as possible in order to protect their interests in any future allotment program. However, it is my purpose to relieve farmers of the inconveniences inherent in control programs whenever I reasonably and properly can do so."

"If a farmer can seed 90 per cent or more of his allotment in one field, there is no reason why he should have to split another field and seed part of it to wheat just to round out his allotment. Therefore, it will be the policy of the Department in any future

program required by present law to treat each farm on which the operator underseeds the 1954 wheat allotment by not more than 10 percent exactly as it would be treated if the wheat were fully seeded in 1954."

COULD-BE YOU ARE
I'd like to be a could-be
If I could not be an are
For a could-be is a may-be
With a chance of reaching far
I'd rather be a has-been
Than a might-have-been by far
For a might-have-been has never been
But a has-been was an are.

MULESHOE PILOT PROVIDES THRILL

(From Amarillo Daily-News)
SAN ANTONIO — Spectators at an air show got an unscheduled thrill late Sunday when Lt. Raymond Kinsey, 24, climbed out of his F-86 Sabrejet uninjured after it skidded several hundred yards down a runway after a landing accident.

Kinsey, of Muleshoe, Tex., was bringing the jet fighter in for a landing when the nose wheel collapsed.

ARTHRITIS

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set. Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

'54 Plymouth Belvedere Sport Coupe

The six-passenger Belvedere sport coupe typifies the new styling of 1954 Plymouth cars. It is longer than the previous model and has a completely restyled interior. All 1954 Plymouths are available with power steering and with Hy-Drive, a no-shift combination.

DETROIT — Plymouth will display its 1954 line of automobiles in dealer show rooms throughout the nation Thursday, October 15, President John P. Mansfield announced today.

The new models have optional power steering and three choices in power drives.

They are longer than last year's models. New body lines, a new front end design, new interiors, new advanced design seat cushions and engine improvements are among the 64 advancements in styling and engineering design.

"We are confident that people will like the new beauty of our 1954 cars," Mansfield said. "We are absolutely certain that they are the most durable, best riding, best performing and roomiest cars that Plymouth has ever built."

Plymouth is using the link type of power steering. The hydraulic "muscle" is in the steering linkage. Plymouth officials say it is the most effective, compact and serviceable installation produced for cars in the low price field. It reduces steering effort up to 80 per cent, permits fingertip control in tight parking situations and promotes safe driving through lessening of driver fatigue and absorption of

road shock.

In its 1954 line, Plymouth offers three options in power drives. Hy-Drive, a no-shift unit made up of a combination of torque converter and three-speed transmission, was introduced during the 1953 model last year. It will be in volume production for 1954 models. The two other options are Synchro-Silent three-speed transmission and Synchro-Silent with Overdrive, which provides a fourth forward speed for cruising, Mansfield said more than half the Plymouths now being produced have either Hy-Drive or Overdrive.

The new Plymouth line is made up of 11 body types in three series. Aristocrats of the line are the Belvederes consisting of a sport coupe of "hard-top" design, a four-door sedan, convertible and Surburban steel-bodied station wagon type car, all beautifully color-styled in two-tone combinations. In the Savoy series are a four-door sedan, club coupe and two-door sedan. In the lowest priced Plaza series are a four-door sedan, two-door sedan, business coupe, and Surburban.

All models have completely new interiors. Other changes include an increase of 3 5/8 inches in overall length, a new front end styling treatment, new chromium side moldings and modifications in virtually all exterior design features.

Interiors are designed with emphasis on color harmony and modern decor. Seat and back cushions and door side panels are upholstered in new types of fabrics which are exceptionally resistant to wear.

Plymouth is introducing a new type of seat cushions with Dual Flex springs. They are made up of a combination of coil springs and jack springs which, working in combination, provide a softer cushioning action in normal riding situations and resistance to "bottoming" when the car hits a bump.

To extend top engine performance over a long period of time, Plymouth is using new silicon chromium alloy intake valves in

1954 models. Exhaust valve inserts have been retained to maintain high compression engine performance in years of service.

Other mechanical improvements include a higher capacity oil pump, new improved clutch,

CHRISTIAN SCIENCE SERVICES

The Christian Science Lesson-Sermon for this week on the subject "Doctrine of Atonement" emphasize that the best way to express gratitude for Jesus' sacrifice is to follow him in the way he commanded, "to heal the sick, raise the dead, cleanse the lepers, cast out demons."

That Jesus' saving mission was supported by the knowledge of his at-one-ment with the father is made clear in this verse from I John which will be read (4:9): "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him."

The following correlative passage from the Christian Science textbook will be included in the Lesson-Sermon: "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and

and improved electric windshield wipers.

Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage. His mission was both individual and collective. He did life's work aright not only in justice to himself, but in mercy to mortals, to show them how to do theirs, but not to do it for them nor to relieve them of a single responsibility" (Science and Health with Key to the Scriptures, p. 18).

Cpl. Mills With IX Corps in Korea

Cpl. Truett A. Mills, 22, son of Mr. and Mrs. Morgan A. Mills, of Star Route 2, Muleshoe, recently received the Republic of Korea Presidential Unit Citation as a member of IX Corps.

In awarding the citation to the corps for the period Feb. 15, 1952 to July 27, 1953, President Dwight D. Eisenhower voiced pride in IX Corps for its "bold and valiant

defense" along the key central section of the peninsula.

Corporal Mills is a pole line-man in the 101st Signal Battalion. Overseas since July, 1952, he also holds the UN and Korean Service Ribbons.

ATTEND TECH GAME

for your valuables

MULESHOE STATE BANK

Member Federal Deposit Insurance Corporation

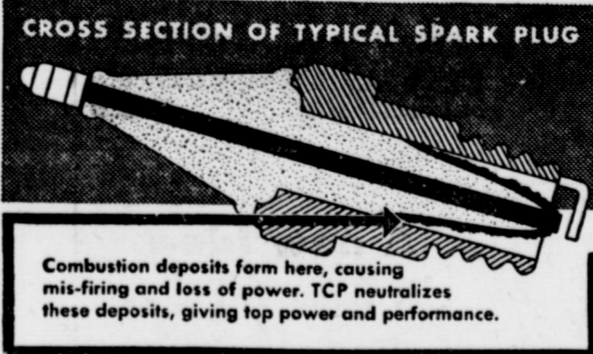

Conoco Super Gasoline with TCP has been rightfully called the greatest advance in motor fuels since the introduction of tetraethyl lead in 1922. For here, at last, is a gasoline so dramatically different that the average motorist can feel the improvement in his car after just two tankfuls. Yes, after your second tankful, chances are you will know why we say Conoco Super with TCP will:

- Boost power as much as 15%!
- Increase spark-plug life up to 150%!
- Give you extra gas mileage!

For Conoco Super is a new kind of gasoline — a gasoline especially developed to correct the greatest single cause of power loss affecting most of the cars on the road today.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined

Combustion deposits form here, causing mis-firing and loss of power. TCP neutralizes these deposits, giving top power and performance.

effect of mis-firing and pre-ignition is loss of power, lack of "pep" and wasted gas.

How Conoco Super with TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

*Trademark owned and patent applied for by Shell Oil Company

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Start your "TWO-TANK TEST" today

When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super. So make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work, that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

BABSON DISCUSSES—

Money-Making Opportunities

New Boston, N. H., Oct. 15—
When William L. Douglass of
Brockton, Mass., was the world's
largest shoe manufacturer, he
was a client of mine. Those were
the days when everyone wore
high shoes, and he was very
much disturbed about the hooks
which went on these shoes. At a
sales convention he offered a
prize of \$10,000 to any salesman
who would solve the problems
of these dangerous hooks. One
salesman answered: "Quit
making high shoes, and elimin-
ate the hooks altogether. If you
will make a line of attractive
low shoes, I will sell them or re-
sign." Mr. Douglass accepted this
radical wager and produced the
line of low shoes, which this
salesman quickly sold. Gradual-
ly, the whole industry turned to
low shoes.

MOST OF US ARE DUMB BELLS

I often visited Thomas A.
Edison at his home in New Jer-
sey. At that time his company
was manufacturing the only
phonograph "records", and these
were waxed cylinders. He would
say to me that some day flat
records would be used; but he
could not get any enthusiasm
amongst the trade to sell flat
records. He said: "Babson, I am
only an inventor, and not a
salesman. The salesman and ad-
vertising agencies will determine
the future of America, not we
inventors. There are enough in-
ventions in the Patent Office
now to make the United States,
and, in fact, the whole world,
prosperous for fifty years if
there were enough men with
'guts' and vision to get these
ideas working."

Edison reminded me that
steam was used for power a
hundred years before Watt de-
veloped a steam engine. It was
discussed by university profes-
sors; but no one before had the
persistence to sell the idea to
the public. This was true of
Whitney's invention of the cot-
ton gin, and Fulton's building
of the steamboat. I believe that
these men were salesmen who
saw opportunities, presented
them to the public and were
never discouraged by anyone
saying "no".

LONG-PLAYING RECORDS AND ZIPPER

My friend, Johnson, who found-
ed the Victor Phonograph Com-
pany, was not an inventor, but
a salesman. He believed the flat
record idea had a future, but he
was obliged to travel over the
whole country to raise enough
money to start the Victor Organi-
zation. He used to complain
about how "dumb" people were,
unwilling to risk even their time,
enthusiasm and stick-to-itiv-
ness. His wonderful success was
due to the fact that he was a
salesman who could not be dis-
couraged and would never take
"no" for an answer. He was much
like Henry Ford.

Yet even Johnson did not visu-
alize long-playing records. Vic-
tor's original records could have
been "long-playing". The fact
that Victor for years sold the
old-fashioned records also shows
how "dumb" we all are. Another
illustration is the zipper. When
I was at the Massachusetts In-
stitute of Technology fifty years
ago an instructor outlined to me
the ideas of the zipper; but we
continued to button up our trou-
sers in the old-fashioned way for
twenty-five years thereafter!

OPPORTUNITIES FOR SALESMEN

Sunday newspapers today
carry many HelpWanted adver-
tisements for "technicians, elec-
tronic engineers, mechanics." These
are needed today in connec-
tion with new government
orders. As a result, high school
graduates are crowding the col-
leges for technical education. To
train now for electronics is
much like buying stocks when
the market is at an all-time
high. It is another illustration
of our dumbness.

The real opportunities of the
next decade will be in connec-
tion with selling the new ideas

SAND HILLS PHILOSOPHER —

In Favor Of Getting Energy From The Sun If It Can Be Done Without A Meter

Editor's note: The Sand Hills
Philosopher on his Johnson
grass farm has a wild idea this
week, which he won't get any-
where with.

Dear editor:
I was out here yesterday after-
noon drainin the oil from my
tractor so I could use it in my
car for a trip to

town, some peo-
ple say this is a
big waste of
time but my
time is cheaper
than lubricatin
oil, and as I
was wipin my
hands off on a
newspaper after
I got the oil
swapped I no-
ticed an article
and while it was a little hard
to read on account of the smear
I sat down and leaned against
the car fender and read it.

This article said the world's
supply of oil may play out in
about 70 years and the supply
of atomic power in 75 years, and
we'd better get busy figurin out
a way to draw energy from the
sun.

Now I'm not disturbed over
this matter, I believe the suppl-
of oil, whatever it is, will last
longer than my car or my tractor
either, and even if it didn't I
can think of worse things than
not bein able to plow on account
of a dry crank case, and any-

which are now on drawing
boards and in test tubes. Hence,
were I a young man today, I
would take a course in Business
Administration. Successful sales-
manship, however, is a very dif-
ficult and tedious task. It re-
quires great courage and tre-
mendous persistency. There are
no opportunities in Business Ad-
ministration for the pencil push-
er of the clock watcher. Success
comes not from sitting in a
chair dictating letters to a
blonde secretary, but by ring-
ing door bells and wearing out
shoe leather. Salesmanship of-
fers the greatest opportunities
and richest rewards; but the
road is long and rocky.

way lack of oil ain't the only
thing that frequently keeps me
from drivin to town in my car,
the spark plugs, for example, or
the radiator, or a flat tire, or my
wife.

But I am interested in this plan
to draw energy from the sun,
that is, energy to run vehicles,
not me. I got all the energy I
want, which is enough to get by
on but not enough to be forcin
me to be splittin the breeze goin
up one row and down another.
In fact you might say me and
my energy are in perfect bal-
ance, and I intend to keep it
that way.

The phase of this new source
of energy though that interests
me is not whether or not scient-
ists can do it, I believe they can,
anybody who can invent an
automobile without a gear shift
and a strapless bathin suit you
can dive in can figure out a way
to draw energy out of the sun.

What I want scientists to be
spendin their time on is figurin
out a way to get this energy to
me without the use of a meter.

We got all the metered energy
we can handle, what this coun-
try needs is some meter-less
variety. If they have to go back
to puttin gear shifts in cars or
straps on women's bathin suits
in order to remove the meter
from this new source of energy,
I'm wilkin. I don't care what
makes a light bulb burn or a
pump work or a stove heat up,
provided scientists could figure
out some way to get the stuff to
me without runnin it through a
meter.

I look for this day to arrive
though about the same date they
eliminate taxes.

Yours faithfully,
J. A.

HAD GUESTS

Guests in the home of Mr. and
Mrs. Carroll Goss over the week-
end were Mr. and Mrs. Carroll
Goss, Jr., and children of Here-
ford, and Mr. and Mrs. Truitt
Goss and children of Artesia.
N. M. Truitt and family also
visited with her sister and bro-
ther-in-law, Mr. and Mrs. Ike
Bayless.

By John C. White, Commissioner

NEW TESTS FOR LIVESTOCK

There are so many cattle in-
noculations and immunizations
that old Bossie must feel like a
raw Army recruit taking medical
shots. Now the scientists have
come up with another develop-
ment with the needle, a test that
shows the degree of fatness.

The test was developed specifi-
cally for live cattle, sheep or
hogs. It should be very useful
for purebred breeders who want
to select their best young ani-
mals for breeding stock. The
breeder who finishes fat steers or
hogs, however, won't be affected.

The test calls for laboratory
equipment and technical skill
so it probably won't be gener-
ally made on the farm. It
employs a drug called antipyr-
ine which has been used by
the medical profession to re-
duce a fever.

When a measured dose of the
drug is injected into the blood
stream of an animal, it dissolves
immediately and then begins to
be eliminated. On cattle, after
2½ hours, blood samples are
taken every hour for four hours.
The rate of elimination of the
drug is recorded. The fatter the
animal, the greater is the con-
centration of the drug in the
blood samples.

Smaller animals such as hogs
and sheep, can be tested much
faster since the drug is distrib-
uted more rapidly through the
body. Blood samples can be

taken from hogs one hour after
injection of the drug and at in-
tervals of 30 minutes.

Preliminary tests have been
successful enough, the scient-
ists say, to open up the field
for critical breeding tests to
prove the heritability of the
high or low fat producing
characteristics of the animal.

When applied to a few of the
best bull calves, a cattelman
may be in a better position to
select a herd sire that has the
ability to transmit early market
finish to his calves. With this
method, the cattelman would not
have to wait to judge by the
first crop of calves for each pros-
pective sire.

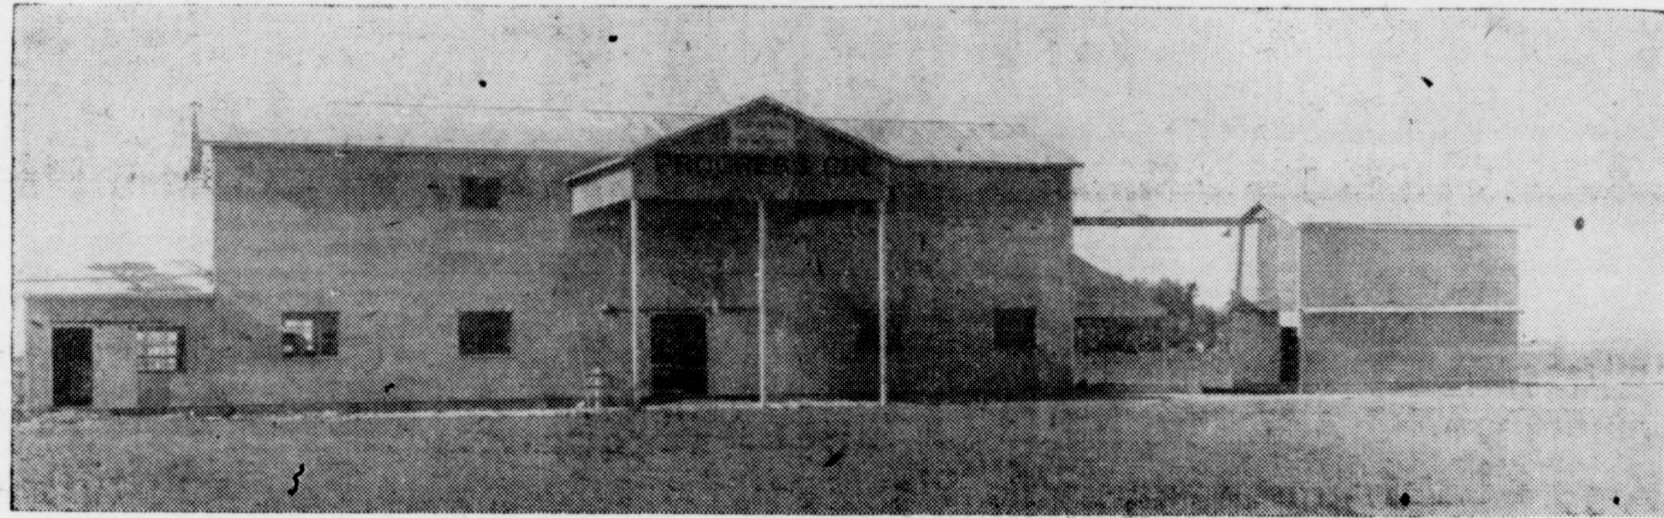

The hog breeder may be able
to select boars and gilts which
have small amounts of fat and
have the ability to make rapid
growth with minimum feed re-
quirements.

The antipyrine test has been
used by some medical research-
ers for several years. But only
recent months have the tests
been applied to cattle, hogs, and
sheep. It may cut out a lot of
uncertainty in good cattle breed-
ing.
