Water district recommends contract trash

Health officials wait for landfill regulations

New federal regulations will affect all of about 750 municipal solid waste landfills in Texas within the next 24 months. However, state health officials said that details of how the new Environmental Protection Agency (EPA) standards will be applied locally are not yet defined.

T. A. Outlaw, chief of the Texas Department of Health's Bureau of Solid Waste Management, said that the regulations inevitably will increase the costs of landfill operation nationwide. "There is little doubt," he said, "that compliance with the new rules will mean higher costs to the taxpayers. Presently, we cannot estimate what those costs will be. But it is probable that operating costs of some municipal landfills, especially those in smaller towns, may force some cities to seek alternatives."

He said that some cities may choose to close smaller local landfills and consolidate their waste disposal in regional sites. "Until we (TDH) have studied the regulations and consulted with EPA, we can't predict the rules' full impact," Outlaw said.

Water district directors have recommended to Crockett County commissioners that disposal of solid waste be contracted through an outside firm. The recommendation was made as "being in the best interest of the citizens of Crockett County."

The water district is in negotiation with a waste hauling firm at this time, but no contracts have been finalized.

Costs of a new landfill, from beginning to closing, are estimated at \$300,000. The process of obtaining a landfill permit requires approximately two years, and the present landfill will have to be closed sooner than a permit could be acquired according to commissioners.

The wait for EPA regulations to be finalized has hampered planning for a new facility.

Even if Crockett County acquires property and constructs a new landfill, an alternate method of disposal will be necessary in the interim.

Outlaw said that EPA expects to publish the new regulations in the *Federal Register* "within two to three weeks".

In the meantime, Outlaw said, landfill operators and local officials, many of whom have waited since 1988 for the new standards to be set, have been calling his office for guidance. "At this point, there are many specific questions that none of the states can answer. Although EPA Administrator Williams Reilly signed the regulations Sept. 11, it may be several months before all their implications to Texas are clear."

He said that EPA now is scheduling meetings with their own regional personnel and state agency officials. His staff will not be versed in details of the standards until "mid-to-late October."

"Until then, we are referring inquiries about the regulations to the EPA Office of Solid Waste and Emergency Response at 202 260-4377," he

added. Outlaw said that the regulations (Subtitle D, Resource Conservation and Recovery Act) are meant to ensure uniform compliance among landfill operations nationwide. "The requirements affect the location, design, operation, closure and monitoring of all municipal landfills. They will stress protective measures against groundwater contamination, methane, hazardous wastes, and protection of surrounding property."

In general, the regulations apply to all municipal landfills that accept waste 24 months after the new rules appear in the *Federal Register*.

If a landfill stops accepting waste within 24 months of publication of the rules, its operator must comply with the new regulations for final closure of the site.

Ozona Lion Band to participate in UIL marching contest in Brady

On Saturday, Oct. 26, the Ozona Lion Marching Band will travel to Brady to perform in the U.I.L. Region VII Marching Band Contest. The Lion Band will perform at 1:45 p.m. and is one of twelve district AA bands competing in the contest.

Music to be performed by the Ozona band will be "Nice and Easy" followed by the percussion feature, "That's All Folks!" and the ballad "Heaven", featuring Aaron Carroll as soloist. The performance will conclude with the tune "Cheyenne".

Parking in Brady will be along Eleventh Street as long as space is available. There will be a shuttle service operating from the parking

area at G. Rollie White Downs to the main gate at the stadium for parents. A handicapped parking area located next to the stadium is also available for those who may need it.

Bands earning a Division I rating at the region contest on Saturday are eligible to compete in the area contest. This contest will be held Saturday, Nov. 2, at Shofwell Stadium in Abilene. The top two bands in the area class AA contest will then advance to the state marching contest.

Other bands competing at Brady are: Irion County, 9 a.m.; Eldorado, 2:30 p.m.; Reagan County, 3:45 p.m.; Sonora, 5:15 p.m. The Howard Payne University Marching Band will perform in exhibition at 6:15 p.m.

Perry re-elected to SWCD board

Gene Perry was re-elected to the Crockett Soil and Water Conservation District board of directors on Oct. 15.

The purpose of the Crockett SWCD is to promote sound soil and water conservation programs on agricultural lands within the district and to serve as a voice for farmers, ranchers and local community entities on con-

servation matters.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

As one of five individuals serving on the district board of directors, Perry will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

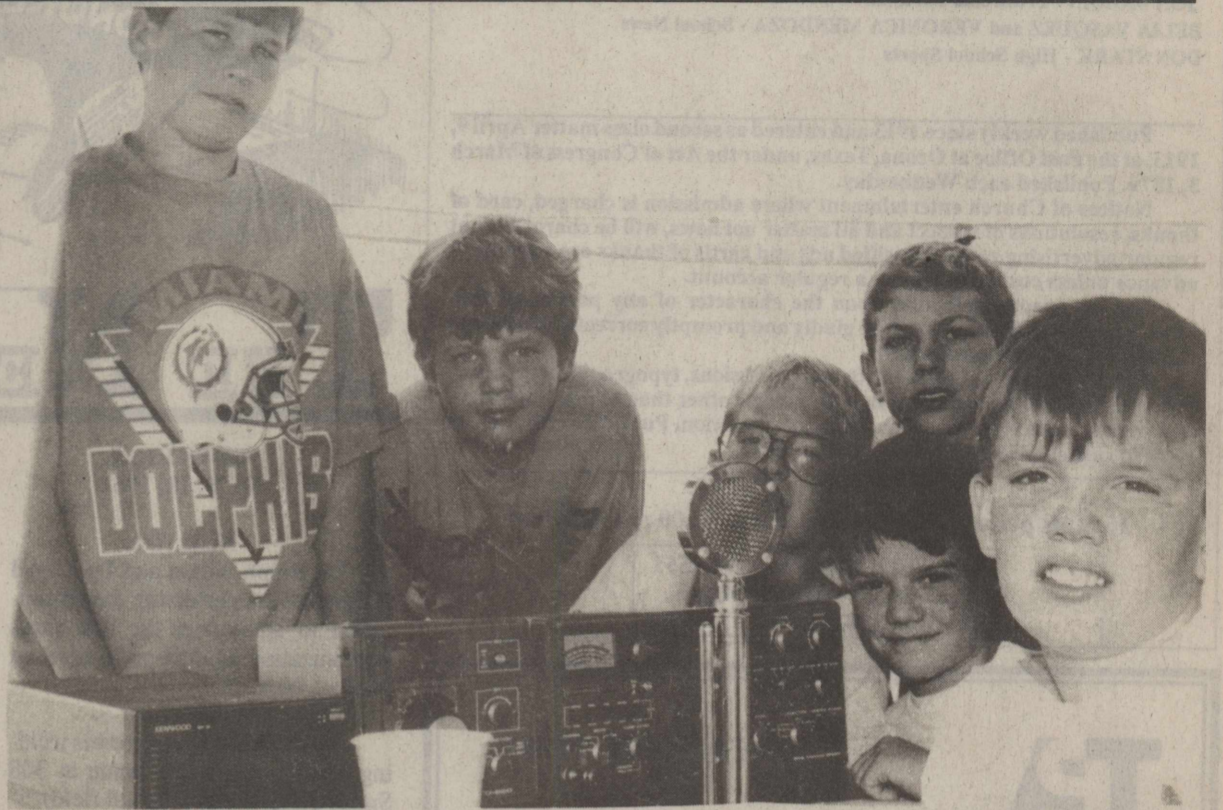

In Texas there are 211 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of voluntary nature to the landowner or operator or other potential users of the SWCD's programs.

Wilson appointed to advisory committee

Sheriff Jim Wilson has been appointed to the Regional Law Enforcement Academy Training Advisory Board for the Concho Valley Council of Governments. The Oct. 9 appointment was made by the executive committee of CVCOG.

The primary interest of the advisory committee is the police academy, said Sheriff Wilson. Sheriffs and police chiefs sit on the advisory board to determine training needs in the area.

Policies and rules for training at the academy are done through CVCOG said Judge Kathryn Mayfield who is a member of the executive committee.

SCOUTS PARTICIPATING IN THE JAMBOREE-ON-THE-AIR field day Saturday and Sunday on the Jack Baggett Ranch are from left to right: Byron Beasley, Charlie Branch, Ronnie Bennett, Matt Brewer, Chad Myers and Brent Morris. The group talked to other Scouts across the country via amateur radio.

Ozona High School boys bring home 1st from ACU Cross Country Meet

The Ozona High School boys' cross country team brought home the first place trophy from the Abilene Christian University Cross Country meet held this past weekend. The best performance of the year was given by the boys in that Ozona's top six runners placed in the top 11 places out of 85 runners.

The six places earned by the Ozona team were as follows: Mark Ramirez 3rd, Pablo Talamantez 4th, Cipriano Perez 5th, John Ramirez 6th, Rene Tambunga 10th and Aaron Carroll 14th.

Scoring 28 points to win, the boys had their lowest score for the year. Graford, the second place team, scored 86 points. The majority of the teams running in this meet were from Central Texas.

Coach Pete Maldonado stated that he was "really pleased with the performance considering the fact that most of his runners were involved in activities the night before and had to get up to leave at 6 a.m. This really was a test of their character and dedication to the program."

The majority of the boys and girls

teams have been working out twice a day, starting with an early morning run of seven to eight miles at 6 a.m., then an afternoon workout after school. These runners have re-dedicated themselves to accomplishing their goal of winning the district and regional cross country meets. Although rated third in the state in the last track and field poll by Texas Track and Field Magazine, the efforts from this past meet have produced the results which can be achieved by hard work and persistence.

Finishing fifth in the girls' division, in one of the largest fields of girls ever to run at A.C.U., were the Ozona girls. They captured the title by racing past 13 other teams. The Ozona girls scored 145 points while the first place team from Wall scored 85 points.

Placing for the girls were: Myra Sanchez 18th, Claudia Avila 20th, Heather Hall 37th, Veronica Mendoza 65th, Petra Rios 91st, Tonya Amaya 116th, and Carri Chandler 137th out of 183 runners.

All of the Ozona teams are "gear-

ing up" for the District 6-AA cross-country meet to be held at the Stanton golf course in Stanton on Monday, Oct. 28. The schedule will be: JV girls at 10 a.m., JV boys at 10:30 a.m., varsity girls at 11 a.m. and varsity boys at 11:30 a.m. The junior high girls will run at 4 p.m. and the junior high boys will run at 4:30 p.m.

Tuesday the Ozona High School cross-country team made its annual 37 mile bike ride to Sonora to the Pizza Hut for a pizza party.

Time change Sunday

Sunday, Oct. 27, is the date to change your clocks. Move your clock back one hour at 2 a.m. if you are a night owl. Otherwise, you might prefer to set clocks to the new time before you go to bed Saturday.

Ray Boyd wins pick 'ems

Ray Boyd marked 15 correct squares this week defeating Daniel Caldera, Delfina Vinton and A. D. Cox with 14.

Tomlinson receives meritorious service award for action in Storm

S/Sgt. Shane W. Tomlinson recently was awarded a medal for meritorious service by the commanding general of the 2nd Armored Division for action during Desert Storm.

Tomlinson was cited for his crew's superior action in the use and maintenance of an artillery piece valued at more than three million dollars.

S/Sgt. Tomlinson was also cited for the superior training and the discipline of his gun crew during combat.

In one incident his crew fired a copperhead round in less than 60 seconds after receiving firing orders. In another incident, Tomlinson's gun crew destroyed an entire company of entrenched Republican Guard infantry with a single air-burst of anti-personnel explosive.

The Tomlinsons are now residing in Lawton, OK, where he is a drill instructor at Fort Sill.

OZONA LION MATT MARSHALL eludes a McCamey Badger for good yardage Friday night in McCamey. The Badgers scratched their way to a victory over the Lions 27-14. The Lions meet the Wall Hawks this Friday in Wall for their 5th district bout. photo by Scotty Moore

On Monday, Oct. 21, a 1990 Peterbilt truck tractor-trailer was coming downhill 18 miles north of Ozona on Hwy. 137 when the cotton module maker it was hauling started to sway, then turned over. Driver Juan Rodriguez of Levelland held the truck steady as he crashed into cedar trees in the pasture. His wife Mary suffered from a cut on her foot and both received back injuries and were treated at Crockett County Hospital.

Houston service for Berta Mae Held

Mrs. Berta Mae Held, 84, died Oct. 19, 1991, in Houston.

Services were at 10 a.m. Tuesday, Oct. 22, at Geo. H. Lewis and Sons chapel in Houston with Dr. Kelly Williams officiating. Interment followed in the Weimer cemetery.

Mrs. Held was born in Corsicana July 9, 1907, to Mattie (Brinkley) and Charles Howard.

Survivors include her husband,

John A. Held Jr. of Houston; a son, John C. Held, and his wife, Martha, also of Houston; eight grandchildren and one great-grandchild.

Pallbearers were: James Craig Held, Jeffrey Held, Slay Schlemeyer, Shane Schlemeyer, John Held Jr. and James L. Rice III.

Memorials may be given to Schreiner's Hospital for Crippled Children in Houston or a charity of your choice.

Fall coloring contest begins

The time has arrived for the fall coloring contest sponsored by Ozona Chamber of Commerce. Entry sheets are available at the chamber.

All ages are welcome. "An adult division was requested, so adults, join in the fun," invites chamber manager Nancy Moore. "There is a special picture for you."

Cast your vote in decorating contest

Voting begins Oct. 24 in the fall decorating contest sponsored by Ozona Chamber of Commerce. To cast your ballot for the best decorated businesses and homes in town, drive by the locations listed, make your choices, and go to the chamber to vote.

The chamber office is open from 9 a.m. until 5 p.m. and voting ends Oct. 28.

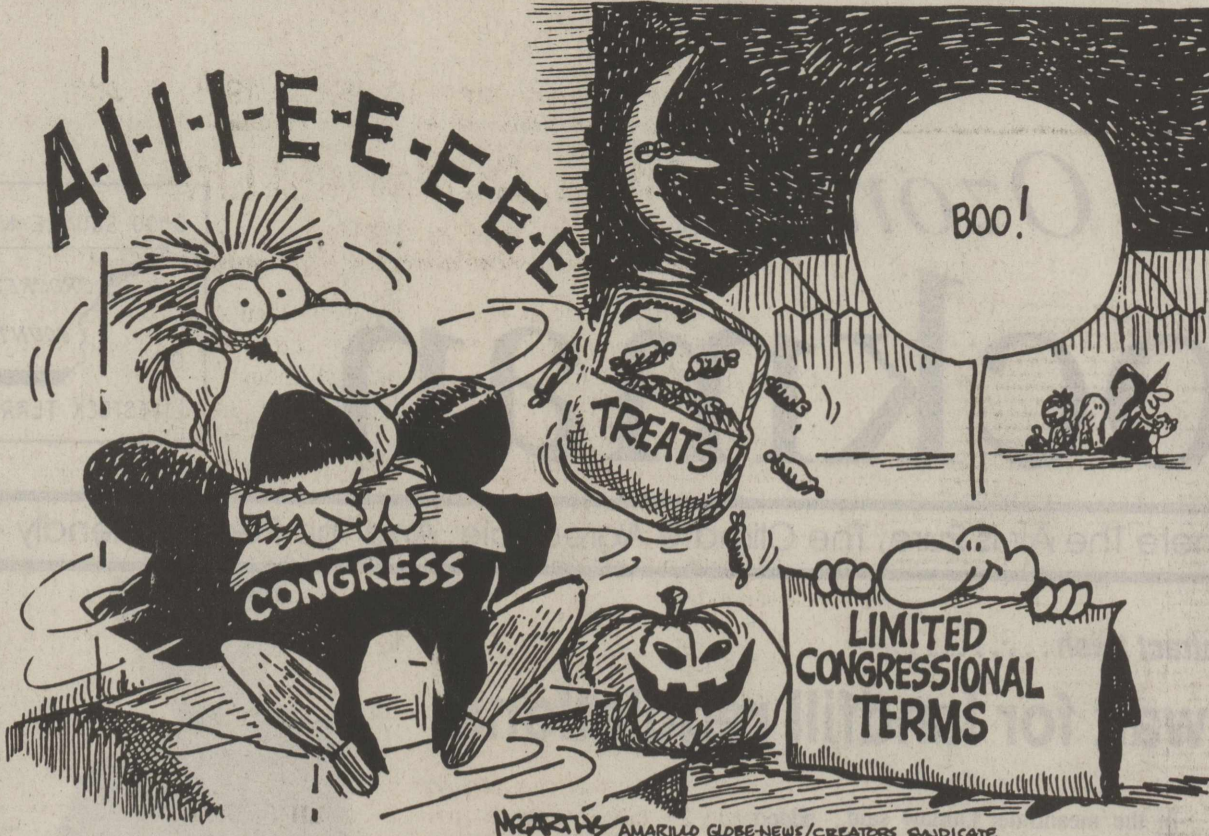

Business entries include: Small Fashions, Upham Insurance, The Teacher Store and Monica's.

Homes entered are: 509 Ave. J, 607 Ave. I, 504 Ave. E, Senior Apart-

ments, 122 Country Club Road, 304 11th Street, 1201 11th Street, 701 3rd Street, 1305 Ave. C, 609 Ave. I, 103 Yucca, 121 Country Club Road, 119 Country Club Road, 1106 Couch Street.

"These are the homes and stores that volunteered to participate in the fall decorating contest," said Nancy Moore, chamber manager. "We would encourage everyone to join in the fun even if you didn't want to be a part of the contest."

Winners will be announced in the Oct. 30 issue of The Stockman.

Arts & Crafts Guild to hold shirt painting class October 27

The Crockett County Arts and Crafts Guild will have a special shirt painting class on Sunday, Oct. 27, at 2 p.m. at Ozona United Methodist Church for anyone wanting to attend. Mrs. Owen Wagner, head counselor at Hood Junior High School in Odessa and the mother of two high school students, will teach the class. Mrs. Wagner, who is married to Owen Wagner, formerly of Ozona, has taught several classes on the art of T-shirt painting in the Midland/Odessa areas.

The Christmas motif shirt that will be taught is displayed at Perry's Variety Store in Ozona where all supplies may be purchased. Mrs. Wagner will also share ideas for other shirts and how to do them.

Money collected for the class will go towards the scholarship fund. Each year a senior of Ozona High School is the recipient of a scholarship award from the art group. For more information call Mary Layman at 392-2389 or Sara Hignight at 392-2471.

Members are appreciative to Mr. Randy Petty of Perry's for all his help in ordering supplies and displaying the shirt.

Cubs to meet for carnival

Cub Scout Pack 153 members are to meet at the town square with Tony Allen at 3:30 p.m. Oct. 31 to set up the maze for the Halloween Carnival.

Cleanup will follow after the carnival.

Coy-Galindo wedding told

Miss Kim Coy and Valdo F. Galindo of Ozona were united in marriage at Del Rio Friday, Oct. 11, 1991.

The bride is the daughter of Mr.

and Mrs. Juan Coy, Sr. Mr. Galindo is the son of Mr. and Mrs. Alonzo Galindo of Ozona.

The couple will make their home in Laughlin AFB in Del Rio.

Gardeners hold convention

The District VIII Garden Club Fall Convention will be held in Ozona Nov. 8 and 9. Mrs. Joe Bean and Mrs. John Hignight are co-chairmen. Mrs. Kenneth Blaschke, Texas State Gar-

den Club president, will be in attendance as an honored guest.

The pre-convention reception will be held at 4:30 p.m. in the Crockett Room of Ozona National Bank. A historical tour of the town square and the museum will follow the reception. The pre-convention dutch treat dinner will be held at the Loading Chute Restaurant.

Convention registration will be at the Ozona Civic Center Nov. 9 from 8:30 to 9:30 a.m. with breakfast served by the Reagan Garden Club. Following the 8:30 executive meeting, the business session will begin at 9:30. A luncheon will be served at noon with the program at 1 p.m.

"From the Chuck Box to Dining at the Ritz" is the title for the program to be given by Mrs. J. A. McGuire of Fort Stockton. She will demonstrate types one and two of exhibitional table designs. At the conclusion of the program, the convention will be adjourned.

It's a girl!

Mr. and Mrs. Benito Gutierrez are the parents of a daughter born Oct. 13, 1991. Angelic Celeste arrived at Angelo Community Hospital in San Angelo weighing six pounds, six ounces.

Joining her parents in making her welcome are a sister, Carmen, and brothers Benny and David, and grandparents Inez Ybarra and Mrs. Carmen Gutierrez of Ozona.

Sorority hears convention report

The Xi Sigma Omega chapter of Beta Sigma Phi met Oct. 14 at 7 p.m. in the home of Lisa Branch. Members and guests received an enthusiastic report from the ladies who had attended the West Texas Area Convention in Odessa on Oct. 11, 12 and 13. The four attending from Ozona Xi Sigma Omega were Roylan Sullivan, Glenda Crownover Lisa Branch and Maida Sims. The ladies learned better ways to serve the local community through Beta Sigma Phi as well as fun crafts and activities to do.

The business meeting was presided by Barbie Myers. Barbie presented a silver baby spoon to Connie Jennings along with congratulations on the birth of her son.

Lisa Branch's program, "Opal Winfred Interviews Xi Sigma Omega" spotlighted the 1991-1992 officers in both a humorous and an informative session. Questions were asked by guests relating to the responsibilities of each department.

Refreshments were served to nine members and three guests. The ladies present were: Lisa Branch, Kim Caddell, Glenda Crownover, Alice Couch, Mavis Dunlap, Rita Hensley, Connie Jennings, Jackie Johnson, Barbie Myers, Roylan Sullivan, Pam Tarr and Maida Sims.

Snips, Quips, and Lifts

by Lottie Lee Baker

You're getting old when you are on vacation and your energy runs out before your money does.

Truth is something which must be known with the mind, accepted with the heart and enacted in life.

Truth is stranger than fiction—cleaner too!

If you go to the beach just remember that the family that bakes together aches together.

The best rule in driving through five-o'clock traffic is to try to avoid being a part of the six-o'clock news.

Travel not only broadens the mind, it flattens the finances.

The straight and narrow path is the only one that has no traffic problems.

One of the nice things about smoking a pipe: you can't light the wrong end.

One argument in defense of chewing tobacco is that it never started a forest fire.

Counting time is not nearly as important as making time count.

Some folks never do anything on time but buy.

Tolerance is getting a lot of credit that belongs to tranquilizers.

To avoid old age keep taking on new thoughts and throwing off old habits.

Man can live without air for a few

minutes, without water for two weeks, without food for six weeks—and without a new thought for a lifetime.

Saving money these days is harder than playing a trumpet from the wrong end.

When the Lord gave us the Ten Commandments, He didn't mention amendments.

Temper is a funny thing. It spoils children, ruins men, and strengthens steel.

LIFT FOR THE WEEK

Do it now! Today will be yesterday tomorrow.

Happy Birthday!

Oct. 25 - Susan McMullan
Oct. 26 - Debra Vordick, Pedro Nieri, Steven Luis Martinez, Susana Machado
Oct. 29 - Anastasio De Hoyos Jr.

THRIFTWAY

The home of Mr. and Mrs. Louis Bunger at 304 11th Street has been selected by the Ozona Garden Club as Garden of the Month. The lovely manicured landscaping is highlighted with yellow chrysanthimums which also line the driveway entrance of the home.

Local dirt spread in San Antonio

Legendary Texas heroes will visit Crockett County Wednesday, Oct. 23, for "The Great Fiesta Texas Dirt Roundup", a statewide campaign to collect a shovelful of dirt from every county in Texas for use at the \$100-million Fiesta Texas musical theme park under construction in San Antonio.

With the help of County Judge Kathryn Mayfield and other local leaders, Fiesta Texas ambassadors "Davy Crockett" and "Gregorio Esparza" will collect a shovelful of dirt from the county courthouse lawn in a special ceremony at 4 p.m. In case of rain, the event will be held inside the courthouse.

"We want to make sure that every part of Texas is represented at the theme park since Fiesta Texas will celebrate the musical and cultural diversity of all of Texas," said Fiesta Texas general manager Bill Hoelscher. "By collecting dirt from every county in Texas, we are recognizing what ties us all together - our love of the land, the very soil we call 'Texas'."

The dirt will be brought back to Fiesta Texas and used in "The Texas State Square", a central square within the theme park that will feature brick pavers engraved with the names of all 5,000-plus towns, cities and counties in Texas.

The Fiesta Texas team is traveling all across the state - over 22,000 miles - to visit all 254 counties in Texas within a three-month time frame. The campaign is sponsored by Chevrolet/GEO, Coca-Cola and Diamond Shamrock.

Scheduled to open next spring, Fiesta Texas will feature the history, culture and music of the Lone Star

State in four themed villages - Los Festivales (Hispanic), Crackaxle Canyon (Western), Rockville (Nostalgic 1950's rock 'n' roll) and Spasburg (German).

The 200-acre musical theme park will highlight more than 60 live musical productions daily on seven theater stages - three totally enclosed and air-conditioned and four open-air and shaded - throughout the park. A wide variety of rides, children's attractions,

restaurants and retail shops will join the theaters in reflecting the theme for each of the park's main areas.

Fiesta Texas is a partnership between the La Cantera Group Ltd., a subsidiary of USAA, the nation's fifth-largest private auto and homeowner insurer; and Hospitality and Leisure Management Co. Inc., a subsidiary of Opryland USA Inc., whose best-known components include the Grand Ole Opry and the Opryland theme park.

Methodist Church to hold annual meeting

The First United Methodist Church of Ozona will hold its annual meeting following a dinner in the fellowship hall on Sunday, Oct. 27. District Superintendent Gordon Talk from San Angelo will be present.

According to pastor Tim Brewer, the annual meeting has several purposes. Activities of the church over the past year will be reviewed. Committees for the upcoming year will be selected, and goals will be set for 1992.

Brewer stated that one of the major goals of the church for 1992 will be the celebration of the 100th anniversary of the founding of the church. Toward this end, two books are planned for publication: a current pictorial directory and a history booklet.

The biggest undertaking for the centennial celebration will be the repair and renovation of the church building. Projects planned by the building committee are a new heating and air conditioning system, remodeling of the fellowship hall, repairs in the Sunday School wing, and various other repairs.

Crockett County included in raised pavement project

Flasher Equipment company of San Antonio is scheduled to begin a project to place raised pavement markings on 350 miles of highways in District 7. Various sections of highways in Val Verde, Kinney, Real, Edwards, Sutton, Crockett, Menard, Runnels, Coke, Tom Green, Irion, and Glasscock counties will receive the new markings, according to Joe W. Lane, P.E., of Sonora, the engineer in charge of the project for the Texas Department of Transportation.

The contractor will begin work Monday, Oct. 14, in Glasscock County, and will move east and south as they complete a section. They estimate it will take 80 working days, including some Saturdays.

In the area where the crew is working, adequate warning signs, barricades, flaggers and other warning devices will be utilized to direct the traveling public.

This \$203,895 project is one of many the department contracts with private firms to do state work.

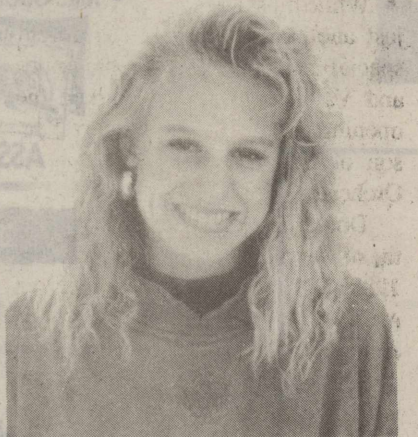

The following highways in Crockett County are included in the project: R.M. 1973 from SH 163 to 5.0 miles south; R.M. 2083 from R.M. 3298 to 12.8 miles south; and I.H. 10 Municipal Service Roads at S.H. 163.

Chalmers places 3rd in state media fair

Crista Chalmers placed third at the state level of the Texan's War on Drugs media fair. Each year the Texan's War on Drugs and Texas Association of Educational Technology sponsor the Substance Abuse Prevention Media Fair. This involves the use of a variety of media to express a substance abuse prevention message. The categories include audio, video, photographic print, multi-media (slides, audio tape presentation), graphics (posters, bumper stickers, buttons etc.), and computer program.

This year, Crista Chalmers' photograph "Once you get lined out, it's hard to get straight" placed first at the regional level and advanced to the state level to place third. Her photograph depicts three lines of cocaine with a razor blade next to it. In place of cocaine Crista used powdered artificial sweetener. Crista's interest in substance abuse prevention led her to use her artistic and technical talents to remind others of the addictive nature of cocaine.

The impact of the photograph makes one realize the consequence of experimenting with cocaine. Cocaine dependency has caused an immeasurable loss of careers, relationships, and lives. Once deemed the "rich man's drug," the abuse of cocaine has filtered through all socio-economic

levels. The Texan's War on Drugs is trying to get messages like Crista's to as many people as possible, and by sponsoring such a media fair, they hope more ideas and messages will be presented to the general public.

In addition to Crista's success, other high school students from Ozona also had success in this year's media fair. Placing second at the regional level of competition in video were Selena Galindo, Jennifer Lee, and Gary Thompson with their video depicting the importance of athletes not harming their bodies with substance abuse. In the graphics division, Amy Goshen, Tanya Amaya, Dwayne Davee, and Juan DeLuna won an honorable mention at region with the poster "Just Don't Do It."

1991-92 encore season special to Ozona couple

by Sandra Hancock Stark

While most of us viewed Oct. 5 as just another fall day, it was a very special one for two Ozonans, James and Valerie Queen. It marked the opening of the 1991-92 Encore Season of the San Angelo Symphony Orchestra and Chorale.

Doctor Queen has been the director of the San Angelo Chorale since 1985 and his wife, Valerie, has been a member of the alto section of the chorale for the past four years.

The couple came to the chorale with credentials that speak for themselves.

James Queen, who cannot remember when music was not a major part of his life, received both his bachelor of music degree and master of music degree from Baylor University. He has taught music in the Waco Public School District and was in charge of choral music for five years in the Lufkin School District. He also held the position of Director of Choral Music Activities at Angelo State University from 1985-87, which he resigned to pursue his doctoral studies.

On April 19, 1991, Queen "defended the papers" which substantiated his doctoral examination and qualified him to receive his doctor of musical arts in chorale music litera-

ture and conduction from the University of Iowa.

As the subject of his dissertation, Dr. Queen chose requiem masses of the 19th century since, with the exception of the Berlioz requiem and Verdi requiems, little had been written. He chose to focus on two requiem masses by Friedrich Kiel. Pursuing his subject matter was no easy task. Research which began with the University of Texas at Austin Fine Arts Library was concluded in Berlin where Kiel composed at the Hochschule für Musik from 1860-1885. Through a friend of a friend Queen was able to secure the piano and vocal parts of the Friedrich Kiel requiem masses on microfilm. Upon receipt of the film, Queen began an in-depth study of the requiems, "measure-by-measure, searching for characteristics that would obviously identify the masses as to 19th century compositions as opposed to 18th century masses." The result was a 226 page published dissertation titled "Requiem Masses of Friedrich Kiel: Structure and Style".

At present, Dr. Queen is the first salaried choirmaster for Emmanuel Episcopal Church in San Angelo.

Valerie Tedford Queen attended the University of Texas at Austin and Texas Christian University in Fort Worth. She received her bachelor of arts degree with a major in music from

Angelo State University and has completed all coursework for her master of arts degree, with the exception of her thesis, from Hardin-Simmons University in Abilene. Mrs. Queen plans to begin work on her thesis within the next two years.

Not only has Mrs. Queen arranged hymns for both College Hills Christian Church and Emmanuel Episcopal Church of San Angelo, but she was in charge of the production of the Rogers and Hammerstein musicals "The Sound of Music" and "The King and I", sponsored by the Sonora Community Arts and Theater group in 1985-86. Currently Mrs. Queen is organist/choir director for the College Hills Christian Church, a position which she has held for three years.

The next performance of the San Angelo Symphony and Chorale will be a concert titled Christmas Pops. The performance is scheduled for Saturday, Dec. 7, and Sunday, Dec. 8.

Martinez-Fierro wedding plans told

Jerri Lynn Martinez and Angel Fierro announce their engagement and coming marriage. The couple will wed Dec. 7, 1991, in Our Lady of Perpetual

Help Catholic Church. Miss Martinez is the daughter of Augustine and Yolanda Martinez. She is employed as a beautician at Young's

Village Barber and Beauty Shop. Mr. Fierro is the son of Antonio Fierro of Ozona and the late Sofia Fierro. He is an employee of Crockett County.

Club readies for convention

Ozona Garden Club members met Oct. 14 in the home of Mrs. Nolan Conner with Mrs. Lee Graves assisting as hostess.

Plans for the garden club convention to be held in Ozona Nov. 8 and 9 were discussed. State president, Mrs. Kenneth Blaschke of Smithville, will attend.

Mrs. Nancy Forehand gave an informative program on the making of a compost pile and mulching of flower beds.

Members attending were: Mrs. Joe Bean, Mrs. Glen Burns, Mrs. Bill Forehand, Mrs. Bill Mason, Mrs. Beecher Montgomery, Mrs. Katharine Russell, Mrs. Marge Smith, Mrs. Oscar Tumlinson, Mrs. Craig Williams and Mrs. Charles Williams.

Texas Garden Clubs to convene

Texas Garden Clubs' Sixty-Third Fall Convention will be hosted by the Tyler Area of Garden Clubs Inc., in Tyler. The convention is scheduled for Oct. 28-31, 1991, with Mrs. Kenneth Blaschke, state president from Smithville presiding. The theme of the convention is "Rosy Reflections". On Wednesday, Oct. 29, the breakfast program will be "Medicinal Herbs" by Shuah Stemer of Santa Fe, NM.

The official opening ceremony and general assembly will begin Oct. 30 at 9:30 A.M. with Mrs. Kenneth Blaschke directing. A noon luncheon and program will be behind the scene "Texas Rose Festival" and style show by Mrs. Bill Hughes.

A reception, open to all, will be held at 6:30 P.M. followed by a banquet and design program tables by Mrs. Norman Kirkwood of Little Rock, AR at 7:30 P.M.

Thursday, Oct. 31, will feature a 7:30 breakfast and program, "Trees of Texas", with Jim Chandler, TAMU Research Center, Overton presenting. A decorated mask contest for everyone will follow the program. There

will be a general assembly at 9:30 A.M. followed by a box lunch and adjournment. Special activities are being planned for husbands.

We are saving you a place!

You are invited to a birthday party and masquerade dance for Luis Robles, age 15 years, son of Hector and Adela DeHoyos of Sterling City

When: Saturday, Oct., 26, 1991

Where: Community Center, Sterling City

Time: Supper 5:30 - 7 p.m.

Dance: 8 - 12 p.m.

Music by Chispa Tropical

Wear costume • Everybody invited

Card of Thanks

Words cannot express our appreciation for all the food, flowers, cards, visits and prayers that you freely gave during our recent losses. The outpouring of love and support has been totally overwhelming. You all will remain in our hearts as cherished friends who were there when we needed you most. May God bless each one of you.

Rose Williams and children
Vonda and Stanley Flanagan and children
Helen and Bill Maness

Card of Thanks

We deeply appreciate all the love, concern and every kindness expressed to our family during the loss of our mother, Tila. For all the prayers, flowers, food and all the care and help given us, we thank each and everyone of you.

We especially want to thank Dr. Sims, the hospital staff, and ambulance crew, the Catholic Church Saturday and Sunday Choirs, Father Quirino Cornijo, Fr. Miquel Esquivel, Rev. Carlos Venegas, Rev. Bill Fuller for all their help and services. Also, all the different church organizations for their visits, flowers, and food, a special thank you to the ladies that did the Rosary Novena in her name and to the janitorial staff of the Ozona Public Schools and the Ozona Public Schools for writing and providing such a large quantity of prepared food. May the Lord bless all of you.

The Family of Tila Alvarez

Varsity Lions lose to McCamey 27-14

THE OZONA LIONS J.V. SQUAD skinned the McCamey Badgers 22-0 Thursday on Lion turf. Justin Castro rounds right end on a keeper play earning good yardage. photo by Neal Ulmer

ADRIAN VARGAS carries for good yardage around left end against the McCamey Badgers Friday night in McCamey. The Badgers defeated the Lions 27-14 in district play. The Lions travel to Wall this Friday for their 5th district game. photo by Scotty Moore

by Don Stark

The Ozona Lions were defeated 27-14 by the McCamey badgers in District 6-2A football action Friday night in McCamey.

The Badgers scored first on their second ball possession in the first quarter with 5:47 left. A successful point after kick made the score 7-0 in favor of McCamey.

The recovery of an Ozona fumble set up the Badger's second touchdown as they scored with 1:23 left in the first quarter. An unsuccessful point after attempt made the score 13-0 in favor of McCamey and this was the score at the end of the first quarter.

The Lions, unable to move the ball during their first three possessions, finally got their chance in the second quarter. After two good defensive plays by Michael Kenison and Julio Martinez, the Badgers were forced to kick. Ozona had possession of the ball on the Lion 48 yard line. Minutes later Jason Yeager went up the middle for 52 yards to put Ozona on the scoreboard with 7:45 left in the second quarter. Adrian Vargas' point after kick was good and Ozona trailed by a 13-7 score.

A good defensive play by Andy Borrego stopped the next McCamey drive. It was during this drive that Ozona lost Randel Wilson to a knee injury.

The Lions took over on their own 35 yard line and started an eleven play drive down the field. After runs by Chad Upham, Jason Yeager and Michael Fay, which netted four first downs, the Lions were threatening. However, an Upham pass was intercepted by the alert Badger defense and returned 70 yards for a McCamey score with 17 second left in the half. A two point conversion was good and the first half ended with McCamey leading by a 21-7 score.

The third quarter was dominated by both defenses as neither team could score. The Lions were forced to kick on all four possessions in the third quarter as were the Badgers on their three possessions.

The Lions' next chance to score came as a result of a McCamey fumble recovery by Ozona early in the fourth

quarter deep in Ozona's end of the field. Following runs by Upham and Fay the ball had been moved to the Ozona 33 yard line, Jason Yeager broke up the middle again for 67 yards to score his second touchdown for the night with 8:19 left in the ballgame. The kick was good and the Lions had pulled to within seven points of the Badgers.

Neither team could move the ball on their next two possessions. The Badgers put the game out of reach on their third possession of the 4th quarter as they scored on a 58 yard pass play with 1:32 left in the game. The point after was unsuccessful. The final Lion drive was stopped and the

game ended with McCamey on top by a 27-14 score.

The loss leaves the Lions with a 2-2 district record and 2-5 for the season. The Lions meet the district co-leader Wall Hawks next Friday in Wall.

Ozona JV skins the McCamey Badgers 22-0

by Don Stark

The Ozona JV Lions blanked the McCamey JV 22-0 in JV action last Thursday evening in Lion Stadium.

The Lions scored their first touchdown in the first quarter when J.J. Lozano scored on a 13 yard run. A pass from Justin Castro to Tony Valencia was good for a two-point conversion and the Lions led 8-0.

A Castro run of two yards and a

Victor Villa kick gave Ozona a 15-0 lead in the second quarter.

The Lions scored their final touchdown on a 59 yard pass from Jesse Garza to Joe Hernandez. This was followed by another successful point after kick making the score 22-0 in favor of Ozona.

"We are very proud of our defensive effort," commented Coach Rod Schneider. "The defensive line led by

Eddie DeLuna completely shut down the Badger offense. We cannot say enough about Justin Castro defensively. Every time the ball was thrown he was there to make the play. The young Lions are looking forward to next week against the Wall Hawks."

The Lions rushed for 185 yards and passed for 122 yards.

These students represented OHS at the 1991 Youth Leadership Conference held in San Angelo this summer. The are: (l. to r.) Jennifer Lee, Gary Thompson, Amy Goshen, J.J. Coy and Dwayne Davee (not pictured).

Five students attend leadership conference

This past summer five students from Ozona represented Ozona High School at the 1991 Youth Leadership Conference sponsored by the Education Service Center Region XV. J.J. Coy, Dwayne Davee, Amy Goshen, Jennifer Lee, and Gary Thompson attended the June 27 and 28 conference. Mr. Dan McClung, one of the high school drug liaisons, attended the conference with them.

The students and sponsor attended special sessions that were designed to inform and give coping skills concerning drug abuse and communication with their peers. The Thursday session ended with a dance for the occupants of the two high-rise dorms at Angelo State University. A one night stay in the student high-rise dormitory ended early Friday morning with breakfast and more special interest sessions. Upon leaving at 2:30 p.m. each student had met many more friends and all the dreaded good-byes ended with address and phone number exchanges. Each one enjoyed the opportunity to learn more about substance abuse and how to encourage others to enjoy a drug-free life. Just the chance to meet others with similar goals and ideals was as important as the information they received. Each student who attended the two day conference is looking forward to next summer with the hope that there will be more student summits of this type.

Cubs win one of two games

by Don Stark

The Ozona Junior High Cubs won one game and lost another in junior high football action last week against the McCamey Badgers.

The 8th Grade Cubs won their game by a score of 20-6. Adam Carroll scored the first Cub touchdown on a pass from David Brown. Lynn Haire recovered a Badger fumble in the McCamey end zone to score the second Ozona touchdown. Joby

Sanchez scored the final Cub touchdown on a running play.

Outstanding on defense for the Cubs were Jeffry Y'Barra, Patrick Sanchez, Dario Porras, and Ray Fierro.

The 7th Grade Cubs lost by a score of 29-6. Manuel Mendoza scored the lone Cub touchdown in the 4th quarter.

The Cubs play Wall in Ozona on Thursday, October 25.

4-H rifle match Saturday

The Crockett County 4-H Club will hold its annual rifle match Saturday, Oct. 26, at the 4-H Show Barn. There will be seven classes of shooters. Awards will be given to the high individual in each of three divisions, intermediate, junior high and high

school.

A concession stand will be open during the competition. The public is invited to attend the match to be held Saturday morning. No starting time was available at press time.

San Angelo Genealogical meet Nov. 5

The San Angelo Genealogical and Historical Society will meet on Tuesday, Nov. 5, at 7:30 p.m. in the fellowship hall of the Church of Christ, 901 North Main.

Lee Elder will bring the program

"My Brother's Keeper"—A Computer Program for Our Records.

The beginners genealogical class, taught by Billy Scattergood, will meet at 6:30 p.m. at the church.

Visitors are always welcome.

Texas 4-H enrollment up another 10%

By Sandra Avant

COLLEGE STATION - Membership in 4-H, Texas' largest youth organization, has surged to nearly half a million this year.

Enrollment in the 4-H Youth and Development program increased from more than 402,400 to over 446,000 - a 10 percent gain since Sept. 1990. This follows a 30 percent jump from the previous year.

"The 1990 census figures indicate that Texas has a little more than four million young people, ages 5 to 19, who are eligible for 4-H," said Dr. Nelson Jacob, 4-H and youth development specialist with the Texas Agricultural Extension Service.

"The recent increase means that 4-H is reaching 11 percent - one out of every 10 youth in the state."

"When you add the 60,000 plus 4-H adult volunteers to the total 446,000 youth enrollment, we are impacting half a million people a year," said Dr. Lynne Thibodeaux, assistant director of the Extension 4-H and Youth Development program.

Grants from various donors also have made it possible to initiate new programs. Counties are piloting youth-at-risk and literacy programs while others are being replicated to reach new audiences in the state.

"Also, we have started the Texas 4-H Clover Kids program designed for children in kindergarten through second grade," she said. "So much of our entire body of knowledge as adults actually is gained from infancy to about eight years of age. That's why this audience is so important."

Already 13 percent of 4-H youth are Clover Kids, Jacob said, although the program has only been started in about 50 counties.

Young people enroll in 4-H by joining a community or school-based 4-H club, by participating in a short-term, special-interest group or by enrolling in a 4-H school curriculum enrichment project.

"Many people perceive 4-H as being just agriculture or just home economics, but 4-H goes far beyond that," Thibodeaux said. "It focuses on blending current information in science and technology to help children develop life skills so that they can become productive, contributing members of this society."

Statistics show that 4-H membership appeals to a wide range of youth - 5-year-olds to teens, rural and urban and all ethnic groups, Jacob said. In Texas, minority enrollment has increased to almost 40 percent. More than half of the members live in cities and suburbs, a third live in towns, and 13 percent live in rural areas and on farms.

★ Sheriff's Report ★

Week Ending Oct. 21, 1991
ARRESTS:

10-17 Noe Alba Borrego, age 22, of Ozona was arrested on warrants issued from Val Verde County charging him with disorderly conduct and failure to appear. Borrego was booked into the Crockett County Jail and then transferred to Val Verde County.

10-21 Luis Robert Perez, age 20, of Del Rio was arrested after being sentenced in county court to serve five days in the county jail for criminal mischief.

INCIDENTS:

10-17 Sheriff's deputies investi-

gated a report from Tony Allen that someone had driven a vehicle off the road about eight miles west on Miller Lane and destroyed about 60 yards of fence.

As of 9 a.m. Tuesday, Oct. 22, Crockett County Jail is housing nine inmates. One is being held pending transfer to the Texas Department of Corrections. Six have cases pending on charges filed in district court, and two are serving sentences on county court charges. One female is being housed in Tom Green County Jail on charges pending in district court.

Care Center News

The residents' monthly birthday party was held Monday afternoon honoring the following: Elzy Bishop, Nellie Harp, Virginia Hoover, Manuela Perez, and Lillian Hubbard. Each of the ladies received a lovely corsage, compliments of Ozona Floral. Cake and punch were served by hostesses Virginia Bishop and her granddaughter, Michelle Necessary. We would like to thank Virginia, Michelle, and Ozona Floral for making this celebration special.

Monday evening residents were entertained by members of the Sheriff's Posse Band. Music makers performing were Jim Wilson, Bob Hartman, Bill Fuller, and Marsha Tomlinson. The music was great and we would like to thank them for sharing their talents with us.

Tuesday mornings bingo winners were Moriama Perez, Frances Davis, Bertha Miller, Jeff Owens, Hazel McDaniel, and Juana Hernandez. Moriama and Bertha won three games each and Frances was lucky enough to win twice. Much appreciated were volunteers Sophie Kyle and Georgia Kirby. Thank you ladies.

Tuesday afternoon residents attended a song service. Maxine Brown of First Baptist Church played the piano and kept everyone in tune. Thank you, Maxine.

Volunteers Ruthie Dorris, Ruth Hester and Pat Hester kept residents busy during Wednesday mornings ceramic work shop. Residents attending were Hazel McDaniel, Joe Connolly, Juana Hernandez, Frances Davis, Monnie Boyd, Chata Tambunga, and Moriama Perez.

Residents' council meeting was held Wednesday afternoon. Residents were supportive of the upcoming activities, and several of the residents volunteered their time and talents to ensure their success. We were delighted to have Ann Davidson as a guest during the meeting.

Thursday morning beauty shop volunteers were: Vivian Hughes, Joann Williamson, Lola Rios and Audrey Smith. Thank you, ladies. You really boosted our morale.

A short Bible study was conducted by Don Godeau of Calvary Baptist Church Thursday, Oct. 18. We enjoyed the lesson and would like to thank Don for sharing it with us.

Mass was conducted by Father Quirino Cornejo Thursday afternoon, Oct. 18, for our Spanish speaking residents. The following members of the Our Lady of Perpetual Help Catholic Church attended the mass with us: Alicia Perez, Paulita Leal, Anita Fierro, Germana Onofre, Isabel Ramirez, Beatrice Vasquez and Alejos Tambunga. We would like to thank them for sharing this special hour with us. We enjoyed their fellowship.

The Levis and Lace Square Dance Club ended activities with some fancy

SCOUTS AND LEADERS PARTICIPATING IN THE JAMBOREE-ON-THE-AIR FIELD DAY SATURDAY ARE (L-R): Charlie Branch, Assistant Scout Master Tim Brewer, Michael Nicks, Chad Myers, Scout Master Ray Don Myers, Brent Morris, Byron Beasley, Assistant Scout Master Weldon Nicks, Matt Brewer and Ronnie Bennett.

footwork Thursday evening. Club members performing were Carol Peek, Leroy Adecock, C.E. Light, Betty Allen, Gail Underwood, Otis Nester, Maria and Raul DeLa Rosa, Lillian and J.D. Brown, Forest Henderson, Mary and Lenard Hillman and Ozzie Kuydendall. We sure enjoyed their performance and would like to thank them for coming.

Jeff Owen was lucky enough to fill his piggy bank during Friday morning's bingo. Jeff will receive a \$15 grand prize check for his efforts. Other bingo winners were: Manuela Perez, Moriama Perez, Nina Flores, Bertha Miller, Joe Connolly, Hazel McDaniel and Myrtle Post.

The theme for Friday afternoon's activities was "It's a Small World". Alaska was the place featured. The dining room was decorated in cool colors such as blue, white and silver. A mystery box showing what the Northern light might look like was passed around and the residents were delighted with its beauty. Pictures of polar bears, dog sleds, walrus, and huskies were posted. Ice cream,

compliments of the Dairy Queen, was served. Our guest speaker was Jo Davidson who told about her fishing trip to Alaska. We learned a lot. We would like to thank Jo for her time and the Dairy Queen for their generous ice cream donation.

Sunday's worship service was presented by First Baptist Church.

We would like to thank Bill Fuller and the members of the congregation for sharing their time with us.

Visiting Mr. and Mrs. Ivy Smith last week was their son, Ivy Smith Jr. of Paris.

Crockett County Public Library News

By Louise Ledoux

Crockett County Public Library is observing the Red Ribbon campaign this week and urging all library patrons to stay drug-free. Children's and adult books will be on exhibit to help educate and inform patrons of

Friends of Library to organize literary group

The Friends of the Library met Wednesday, Oct. 16, in a meeting called by President Marcille Long. Nine members were on hand to discuss ways to conduct the membership drive slated for January.

Many of the members felt that there is an interest in the community for an informal literary group to meet and discuss books. The members decided to begin such a group at the start of 1992. The literary group will meet at the library, but details such as time and leadership are still to be decided.

During 1991, the Friends have made two significant purchases for the library: a flag and flagpole as part of the centennial celebration, and a paper cutter that, in librarian Louise Ledoux's words, "will cut anything."

The members discussed needs for the library in the upcoming year also. A bike rack will be purchased for and the Friends will look into the purchase of benches for the front porch. The idea of a large sign for notices was also brought up, but the idea was tabled until the next meeting.

The meeting was adjourned after President Long briefed the members on the new tax laws for non-profit organizations.

Sober man walks across state

In order to realize his dream of building a non-alcoholic, health and entertainment club, 43 year old Sonny Melchor is willing to literally do the footwork necessary.

Melchor was in Ozona Friday, Oct. 18 en route from El Paso to Galveston. The 1966 Ball High Graduate is gathering donations and pledges for a new club that he hopes to open in Houston, and later, in Galveston.

The journey measures 850 miles, and Melchor likely will reflect on his tempestuous life with each step he takes. Sonny is a divorced, laid-off steelworker and Vietnam veteran recovering from alcohol and drug addiction. He has been involved in gangs when he was a youth and must now support himself and three children.

Turning his life around is no longer a dream, but a reality, through God's help, Melchor said. "(God) just doesn't give you the check, but he gives you the idea," he stated. "In a dream, he told me, 'Son, you can have your dream back.' In the spiritual realm, (the journey) has taken place. In the physical realm, it hasn't."

Walking 25 miles a day, Sonny Melchor expects to arrive in Galveston by mid-November.

Notice of REWARD
I AM OFFERING \$500 REWARD for apprehension and conviction of guilty parties to every theft of livestock in Crockett County - except that no officer of Crockett County may claim the reward.
Jim Wilson
SHERIFF, CROCKETT CO.

Amanda and Jason Hignight display the trophies and giant pumpkin won Oct. 19 in Klein.

Hignight bunnies a hare above the rest

The 1991 State 4-H Rabbit Show was held Oct. 19 in Klein. Sponsored by the Cypress 4-H Clubs, the show was the largest ever to be held. More than 2,000 rabbits were there with youth, leaders and parents from all over the state. Rabbits were in the barn at 6 a.m. Saturday. The Tri-County Rabbit Club of Houston also held a show in conjunction with the 4-H show, and a speciality Californian rabbit show was also held. The three

shows were over a little after 11 p.m., making a 16 hour show.

Amanda and Jason Hignight attended the show from the Crockett County 4-H Club. Amanda won a best of opposite sex trophy for her senior doe Jersey Wooley rabbit. This same rabbit won in the tri-county show.

Jason won a best of breed trophy for his junior doe Dwarf Hotot. Along with the trophy he received a rosette from the Texas Dwarf Hotot Club presented by the president of the club.

The children received four trophies from the 4-H and tri-county club for their American Chinchillas. Senior buck TRSP won best of breed in both shows and senior doe Lady won best of show in the 4-H show. Senior does ACZ won best of show in the tri-county show. This past year Jason and Amanda were fifth in points for wins nationally and received a plaque in recognition of the achievement through the American Chinchilla Club. Presently Jason and Amanda are number one in the state for open and youth shows for American Chinchillas.

A highlight of the day was when a 50 pound pumpkin was won in the raffle. Repacking the car was necessary to find room to bring it home with the 20 Hignight rabbits. Blue ribbons were won by most of the rabbits.

Accompanying Jason and Amanda was Sara Hignight.

Tax practitioner workshops offered

The Texas Agricultural Extension Service, in cooperation with the Internal Revenue Service, is once again offering the tax practitioner workshops across the state of Texas in the fall of 1991. These workshops are led by CPAs and attorneys who are experienced in the field of income tax reporting and planning. They provide valuable continuing education opportunities for tax professionals seeking CPE and MCLE credit.

This year 26 general tax workshops, designed for practitioners who work mostly with individuals and small businesses, are offered in major Texas cities. The nearest one will be in San Angelo on Nov. 14 and 15. Fifteen advanced tax workshops are also offered. They are directed at the practitioner with substantial experience with individual returns, who does some business work, and feels the need to develop more skills in business related work. One will be offered in Midland on Oct. 28 and 29.

In addition to the general and advanced workshops, there will be four each of the estate planning workshops and three each of the fiduciary income tax, S corporation and basic partnership workshops. The agricultural tax problems workshop, which was introduced in 1989, will be offered this year in two locations - Corpus Christi and Lubbock.

For a brochure with a complete listing of the 56 tax practitioner workshops offered in 1991, please contact County Extension Agent Billy H. Reagor at 392-2721. Or you may contact the Tax Practitioner Workshop Office, Department of Agricultural Economics, Texas A&M University, College Station, Texas 77843-2124 or call 409 845-5446.

Commission to plug 832 abandoned wells

The Railroad Commission has identified 832 abandoned oil and gas wells for plugging under a new oilfield pollution cleanup program authorized by the legislature this year. The wells are spread across the state, encompassing 58 counties. Six of the wells are in Crockett County. Neighboring counties with wells to be plugged under the program are Val Verde with one and Irion with nine.

"This will be one of the state's strongest environmental programs," said Commission Chairman Lena Guerrero. "We expect to collect up to \$10 million in fees paid by industry to our well plugging and pollution fund

which will be used to plug abandoned wells and clean up oilfield pollution sites."

Guerrero said Senate Bill 1103 which was signed by the governor following the regular legislative session expands the sources of funds available to the Commission to tackle oilfield pollution problems.

"For the first time we will have the financial resources we need to identify problem wells and sites and clean them up," Guerrero said. "The over 800 wells we have just approved for plugging is a good indication of how we've stepped up the pace. They will be added to the 1,100 wells we've

already approved for plugging."

The Commission chairman said that by working with large numbers of wells in a given area, the agency hopes to achieve some economies of scale which will result in plugging more wells for less money.

Commissioner James E. (Jim) Nugent noted the new anti-pollution program also makes it tougher for problem operators to stay in business. "Operators will have to have their house in order when they come to us for a permit to drill a new well," he said. "If they have any pollution problems or unpaid penalties, they'll have to take care of them before we approve

the drilling of any new well."

Commissioner Robert Krueger pointed out the industry worked hand in hand with the Commission and the legislature to bring the new law into being. "Oil and gas operators are more conscious of the environment than ever before," he said. "They are as anxious to take care of oilfield pollution and problem companies as we are."

The Commission estimates it will cost \$1.85 million to plug the 832 wells added to the plugging list. Fees collected in Fiscal Year 1990 allowed the Commission to plug 455 abandoned wells and clean up 124 oilfield pollution sites.

Bee quarantine extends to Val Verde

By Kathleen Davis
COLLEGE STATION - Val Verde County has been added to a quarantine restricting the movement of commercial bee operations following the recent detection of Africanized honey bees there.

The addition of Val Verde makes 17 Texas counties quarantined, according to Paul Jackson, chief of the Texas Apiary Inspection Service, a

unit of the Texas Agricultural Experiment Station.

The Africanized honey bees were found in a trap about 10 miles northwest of Del Rio near Devil's River in Val Verde County, according to Dr. Horace Van Cleave, who oversees the apiary inspection service.

The quarantine allows beekeepers to move bee hives within but not out of the zone in an effort to prevent the assisted spread of Africanized honey bees.

Africanized honey bees look just like regular domestic honey bees, but they are more defensive in protecting their hives.

The apiary inspection service, the regulatory agency that enforces state bee laws, imposes quarantines based on the Texas Africanized Honey Bee Management Plan.

Eight counties across the south tip of Texas - roughly a 100-mile radius from the U. S.-Mexico border - were quarantined after the first AHB swarm migrating into the United States was detected near Hidalgo on Oct. 15, 1990.

Since then, counties have been added as the bee continues to migrate northward, primarily up the Rio Grande and the Gulf Coast.

The other 16 counties under quarantine are: Brooke, Cameron, Dimmit, Duval, Hidalgo, Jim Hogg, Jim Wells, Kenedy, Kleberg, Maverick, Nueces, Starr, Webb, Willacy, Zapata and Zavala.

Worker needed for health project

The Texas Department of Health has received a grant from Volunteers in Service to America. The VISTA grant will enable Region Three of the Texas Department of Health to hire a person in Crockett County to work on a county-wide health education project.

The purpose of the project is to organize several Neighborhood Health Watches. These Neighborhood Health Watches will provide health education on various topics to neighbors interested in building a healthier community. This program is similar to Crime Watchers but Neighborhood Health Watches look out for each other's health.

Training will be provided for the person with the VISTA Neighborhood Health Watch project.

VISTA is a national program of volunteer men and women of all ages and backgrounds who are committed to increasing the capacity of low-income people to improve the conditions of their lives. Serving in rural and urban settings for a minimum of one year, VISTA workers receive a monthly subsistence allowance and health insurance, which does not affect Social Security or welfare benefits, but is subject to taxes.

Interested individuals are encouraged to apply. Applications are available at the Public Health Clinic in Ozona located at 701 9th Street. The deadline for receipt of all applications is Tuesday, Oct. 29, 1991, by 5 p.m.

Long-lasting marriages

At a recent celebration of his parents' 50th wedding anniversary, a son was heard to say, "Mom, does it really feel like you and Dad have been married for 50 years?" To which the mother replied with a smile and a sigh, "I feel like I've been married to the man my whole life!"

Because divorce rates are so high these days, we tend to automatically admire older couples whose marriages have stood the test of time without any real thought given to what the marriage may mean to the marriage partners. Greeting cards, anniversary celebrations and newspaper announcements give added support to the stereotype that long-lasting marital relationships are "loving" and "satisfying". We've come to believe that there must be something very special about a marriage that has lasted many decades, even though most of us have no idea what those special qualities might be.

At the roots of this stereotyping are several common myths about long-lasting marriages. By exposing these myths, we can also shed some light on the realities of long-lasting marital relationships.

Myth #1 - "Couples who stay together over the long-term must really be in love." The harsh reality is that it is almost impossible to stay in a permanent state of love. Many happy, workable, and productive marriages do not require what most of us think of as romantic love. In fact, research suggests that couples in enduring relationships are doing really well to experience romantic love for 10 percent of the time they are married. "Over time, most couples find practical advantages and satisfactions with the marriage that may or may not have anything to do with love," says Dr. Michael Sporkowski, a family therapist on the faculty of Virginia Polytechnic Institute and State University. He adds, "the chances that a marriage will endure depends to a large degree on the benefits one associates with being married more than on the presence or absence of 'true love'."

Myth #2 - "They wouldn't stay married if they weren't happy." "Not

4-H fundraiser planned

Crockett County 4-H will sponsor several booths, including a pie-by-the-slice booth, at the annual community carnival on Thursday, Oct. 31. All 4-H families are asked to bring one pie to sell by the slice according to Janie Chandler, chairman for the booth.

Other booths are to include a petting zoo under the direction of Sara Hignight; a dart throw under the direction of Curtis Keith, and a dunking booth run by Wade Richardson. 4-H members and leaders are needed to help with all booths—call the Crockett County Extension office to sign up for a time and booth, first-come, first-serve basis.

Funds from the carnival booths will be used for 4-H activities and awards as well as leader training and other 4-H expenses.

County Extension Agent Tedra Ulmer said the phone book delivery on Sunday, Oct. 20 was successful, but that unfortunately, not enough phone books were sent this year to ensure that everyone has one. "Some stores will have several that you can pick-up, or check with the Extension Office and we'll try to find one for you."

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages, regardless of socio-economic level, race, color, sex, religion, national origin or handicap.

Rhea graduates from Coast Guard training center

Coast Guard Seaman Apprentice Devin L. Rhea, son of Danny and Sue Rhea of Ozona, recently graduated from the Coast Guard Recruit Training Center.

During the course at Cape May, NJ, Seaman Rhea was taught general military subjects designed to prepare him for further academic and on-the-job training which would lead toward qualification in one of the Coast Guard's 26 occupational fields.

Among the studies included were first aid, seamanship, Coast Guard history and regulations, close order drill and damage control.

The 1991 graduate of Ozona High School joined the Coast Guard in July, 1991.

Former Ozonan receives honors

Former Ozonan Tera Lynn Sanchez, now a 17 year old junior at Herndon High School in Herndon, VA, has been inducted into the National Honor Society. She has also been named to Who's Who Among American High School Students.

Tera's parents are Albino and Gloria Sanchez of Herndon, VA. Her brother and sister are Richard Sanchez of Ozona and Barbara Healy of Hanover MD.

Reserve craft booths now for Nov. 9 fair

Local persons wishing to exhibit at the annual show and sale sponsored by the Crockett County Arts and Crafts Guild are urged to get their booth applications in as soon as possible. Applications should go to the guild at Box 141 in Ozona.

The show and sale will be held at the 4-H Barn on Saturday, Nov. 9.

GIRL SCOUTS PARTICIPATING IN THE INVESTITURE CEREMONY ARE (l-r) front row: Chrissy Carson, Lakin Villarreal, Myda Fay, Kerry Marshall, Lindsey Wilson, Amanda Ramirez, Regan Shaw. Second row: Erin Castro, Megan Tambunga, Grace Galvan, Paige Tambunga, Melanie Bullard, Erica Fierro and Holly Sheppard. Third row: Marsha Maskill, Jessica Herring, Rani Davis, Victoria Castro, Rebekah Shaw, Amy Ybarra and Michelle Necessary.
Stockman photo

Scouts participate in investiture ceremony

Parents of Girl Scout Troop 103 gathered at the civic center Oct. 15 to spend a magical evening watching their daughters be invested as Brownies.

Scout leader Jackie Necessary read to the parents the Brownie story

Readers from around the state frequently share news bits about our part of the country. A reader of the Dallas Morning News recently sent an article from the sports' page mentioning the football prowess of Vic Montgomery. The game was the Cotton Bowl Classic on Jan. 1, 1937, when TCU defeated Marquette 16-6. Vic was credited with an 18 yard pass carried for a touchdown by L. D. Meyer.

Belated wishes for a happy birthday go to Mrs. Ivy Smith. Mrs. Smith celebrated her birthday on Oct. 20.

telling how Brownie Girl Scouts received their name. The group was asked to use their imaginations while the girls entered into the magical forest to become Brownies. Each child repeated a magical charm in order to receive their Brownie Pins. The Scouts recited the Girl Scout promise as a troop to finalize their investiture.

The Scout leaders informed the

girls that their pins were placed on their uniforms upside down. In order to have it turned, they were to do a good deed, without being told, before their evening was over. Afterwards, the Brownies sang the "Brownie Smile Song" to their parents.

Refreshments, provided by the parents, were served following the ceremony.

CALL 393-5443 FOR AN APPOINTMENT

Public Notice

On July 1, 1991, Southwestern Bell Telephone filed an application with the Public Utility Commission of Texas that proposes to delete Paragraph 3.4(G) from Section 3 of Southwestern Bell's intrastate Access Service Tariff, which concerns credits where a customer uses Switched Access Service to furnish a service which has been defined to be an exchange service. The application was assigned Docket No. 10463.

Because Southwestern Bell is not aware of any customers who presently use switched access service to furnish an exchange service, Southwestern Bell does not believe its revenues will be affected. However, certain interexchange carrier customers of switched access service have made claims under the aforementioned tariff. Such customers, but only to the extent they provide an exchange service using switched access, would be affected by this application. Based on claims made for credits (assuming such credits were allowable), Southwestern Bell's revenues would be affected by no more than \$1,168,962 annually, which is .037 percent of the Company's adjusted revenue for the 12-month period ending December 31, 1990. It is not possible to know how many interexchange carriers might believe themselves entitled to credits, but 189 carriers have registered with the Commission pursuant to PUC Substantive Rule 23.61.

The tariff, after suspension, is proposed to be effective May 1, 1992.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible, but no later than November 15, 1991. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Public Information Office at (512) 458-0256. The telecommunications device for the deaf (TDD) number is (512) 458-0221.
