DEDICATED TO THE PROGRESS AND DEVELOPMENT OF BAILEY COUNTY AND THE GREAT MULESHOE COUNTRY.

VOLUME 31, NUMBER 31

MULESHOE — County Seat of Bailey County — TEXAS

THURSDAY, JULY 23, 1953

JayCees Install City Stop Signs, Traffic Lights To Go On Main St.

Traffic controls are going up rapidly all over Muleshoe. With practically every member of the JayCees forming a work party, 31 stop signs have been placed where streets intersect with through streets. The JayCees will continue their work until a total of 53 are erected. There will be four stop signs at each intersection around the grade and junior high school grounds, intended surely to slow traffic and so prevent injury to children. Through streets will be Avenue D, West First, Main, and West Fifth. However traffic will

halt on West Fifth and Avenue D around the schools. Avenue G also is a through street and stop signs are to slow traffic around the high school. **Traffic Lights Planned** On Main, city is causing traffic lights to be installed at Avenue B intersection and Avenue C intersection with no U-turns permitted there. No U-turns will be permitted at the north end of Main Street, where it intersects with Highway 87. Blinker lights will be installed at the north end of Main Street and at the intersection of Main and Avenue D.

Exhibition Kid Baseball Game Sunday

Two of the best teams in the Portales Little League Baseball League will play an exhibition game here the coming Sunday afternoon. The kids are said to play a peppy brand of baseball that is sure to interest everybody. The game will be played on the softball playing field in the north part of town. There will be no admission charged and everyone is invited to attend. The exhibition is being sponsored here by the JayCees so that parents and others can see the value of the Little League, which will be formed here next year, with games to be played in the new city park.

Youth Camps Well Attended

Twelve intermediate boys and their sponsor and sixteen junior boys and their sponsors attended the Royal Ambassador Camp at the beautiful and spacious Plains Baptist Assembly Grounds near Floydada last week. Over 500 registered for the intermediate camp and over 1,100 for the junior camp. Rev. L. A. Sartain of Sundown served as Camp Pastor and Rev. Evans Holmes of Chili, South America, was the Missionary. According to the boys, there was never a dull moment. Junior G. A. camp began Monday at the same place and closed Wednesday. There were 32 attending from Muleshoe. Intermediate G. A. Camp began Wednesday and closed Friday. A good number of intermediate girls and their sponsors attended from Muleshoe.

In addition to religious services, these youth camps feature softball, swimming, hiking and other recreational activities.

Davis Lenderson Has Important Company Visitor

C. W. Ukkelberg, vice president and general manager of the John Deere branch in Kansas City visited Wednesday at Davis-Lenderson the John Deere dealer in Muleshoe. The visit was more or less a surprise as Mr. Ukkelberg was just passing through on a vacation trip.

First Services In New Church of Christ Here To Be Held Coming Sunday

First services in the new auditorium of the Muleshoe Church of Christ will be held the coming Sunday, July 26, according to announcement of Ebb Randol, church minister, who has on behalf of the church, invited the general public to worship with the congregation that day.

The regular open house for the new place of worship, however, will be held on Sunday, August 2. The church is located on West First at Avenue F.

A brief history of the Church in Muleshoe. A few members began meeting together in 1930, there was a membership of eight souls. They met in the Methodist church building for a time and

then met for awhile in the school building, later meeting in the county courtroom, then from house to house. In 1934 there was a small building erected, later on a small addition was made. In 1947 a new building with class rooms was constructed of brick and tile, in 1952 it was found to be crowded and more room was needed, both space in the auditorium and class room space. In February of this year construction was begun on a new auditorium and is now completed. The building which is a brick veneer is 54 by 100 feet in size. The auditorium will seat 514 people with a nice room for the ladies with small babies, dress-

ing rooms, and a nice study for the minister. The old building will be used for class rooms.

The following preachers have labored with the congregation here: Shelby Sanders, Biggestaff, John L. Norris, Richard Donley, T. M. Carney, S. A. Ribble, and the present minister, Ebb Randol, who has been here for the past six years. The present elders of the church are: S. C. Caldwell, C. L. Dyer, Sr., W. M. Harmon. The deacons are: W. B. Wagnon, Sr., Luther Hall, Harold Wilson, Treasurer, W. B. Wagnon, Jr.

Crop Prospects Best In History

Allison Bros. Have Fine Cotton

Sam McKinstry brought in a stalk of cotton from the Allison Bros. field northeast of Muleshoe that leads the editor to believe we have a great cotton crop coming up.

This stalk had 10 bolls on it in various stages of development and besides there were 27 squares. The stalk was pulled up at random from a field of 150 acres that looked about like the specimen stalk.

The cotton had been watered about two weeks before the fine rains of last week. It was blooming around July 1. Mr. McKinstry said there is such cotton on lots of farms in the Muleshoe area.

Another Gin North Of City

Another new gin for the immediate Muleshoe territory is to be ready for the cotton harvest this fall, it was learned this week.

Horace Barton, of Lamesa, announces that he will move his gin plant from there and has secured a location 10 miles north of Muleshoe on Friona highway. The Lamesa territory will grow very little cotton this year because of the drought. The location is near the "twin houses."

Guy Nickels last week announced he will erect a gin plant in the Pleasant Valley community in time for the harvest this fall. He returned from Louisiana Monday with all arrangements made, including the purchase of gin machinery.

"Grandma" Thomas Improved Today

Mrs. E. J. "Grandma" Thomas is reported to be somewhat improved after suffering a heart attack last Tuesday, when she fell and also had fall injuries. Her husband and children were hopeful this morning that the improvement noted in her condition will continue.

All the children were here at her bedside, with their families: Earl Thomas, Oklahoma City; E. A. Thomas, Oklahoma City; Albert Thomas, Norman, Okla.; Mrs. Ellen Caldwell, Norman; Tech Sgt. Lawson Thomas, Elmendorf Field, Anchorage, Alaska; Mrs. Letha West, J. L. Thomas and Ira Thomas, all of Muleshoe.

Sgt. Thomas was unable to bring his family. He gives credit to the Red Cross for his quick trip to his mother's bedside. In 30 minutes after Travis Reed, county Red Cross Chairman, sent the wire about his mother's attack, the Red Cross at Anchorage had received the message; in 45 more minutes, Sgt. Thomas was ready to go and caught the next plane leaving the field for the States.

Two sisters of Mrs. Thomas, Mrs. Bill Lewis, and Mrs. K. Carson, both of Norman, also have been here with her.

VISITED IN AMARILLO Johnny Ware and Virginia Lewis, visited some friends last Sunday at the Amarillo Air Force Base.

High School Band Members And All Hopefuls Asked To Meet Monday

Tom W. Shirley, newly elected director of the Muleshoe high school band, has called a meeting of members to be held in the band room of the high school building at 8 o'clock the coming Monday night, July 27.

He invites those who were members last year and those who want to begin their band participation to be on hand.

Purpose of this early meeting is to prepare the organization for its part in the annual Will Rogers Memorial Roundup parade and celebration here August 13, 14, and 15, Mr. Shirley said.

Anyone who has tooted a horn or banged a drum in the last two or three years is invited to come to the meeting and to get on the bandwagon and so help to swell the volume of music during the Roundup.

Mr. Shirley is anxious to meet the boys and girls he will instruct this year, and to get them acquainted with him, and figures this will be an excellent time to bring this about.

Rev. Doyle Winters To Be New Pastor

Rev. Doyle Winters of Portales, N. M., has accepted the Pastorate of the Progress Baptist Church and will assume his duties Sunday, July 26.

He will move here with his wife and daughter, Kathie, next week.

Everyone is cordially invited to come out and hear Rev. Winters speak.

Consumers Will Cease To Operate

An advertisement in this issue of The Journal announces that the Consumers Fuel Association of Muleshoe will cease to operate their gasoline and oil service station here. They will close out all stocks on hand in a sale the coming Saturday.

Harry Engleking, president of the association, said the organization will not be terminated, but that they will not operate the station, and this property will be for rent.

Clay Beavers Is Back After 4-Year Absence

Mr. and Mrs. Clay Beavers are back in Muleshoe, "for good" after a four year exile in Fort Worth. The early day residents, they came here in 1920, expressed keen pleasure at being back among old friends. The Beavers have operated a grocery store in Fort Worth, then an automobile firm in the time they have been away.

Mr. Beavers has accepted a position as sales manager for Ladd Pontiac and Muleshoe Implement & Supply Co., which distributes Allis-Chalmers farm implements.

Mr. and Mrs. Beavers were active in the work of the Methodist church and in civic affairs in all the years of their residence here. A son, Spencer Beavers, remained in Muleshoe with his family and is connected with the Bovell Motor Supply.

Mr. Beavers at one time was connected with the Chevrolet agency here, later operated a grocery store for many years. After selling his grocery store, he established the motor supply which he later sold to Mr. Bovell.

Left For Dallas

Miss Gayle Denbow left for Dallas Saturday night, after spending four weeks in Muleshoe with her aunt and uncle, Mr. and Mrs. W. D. Niewarzes.

Bollworms Found In Bailey County

Bollworms have been discovered at work in the cotton fields of Bailey County, it was learned early this week.

How bad the infestation is it was hard to determine. County Agent J. K. Adams and Ag. teacher Carroll Wilson went to the fields north of Muleshoe where cotton plants have attained rank growth and essayed the situation as closely as they could.

They came to the conclusion that extreme watchfulness ought to be observed by all cotton farmers, because they found some bollworm damage. Earlier that day a local business man had learned of the infestation and asked the county agent to investigate.

If a farmer finds five worms in 100 terminals examined, and on the leaves he better do some poisoning, Adams said.

The county agent had an entomologist in the county Wednesday to look over the situation.

Gayle Bowen Is Music Director For First Baptist

Gayle Bowen of O'Donnel, Texas, has accepted the call of the First Baptist Church as Director of Music and Education and will assume his duties August 25.

Mr. Bowen is a graduate of Hardin-Simmons University of Abilene, where he had his musical training under Mr. Euell Porter, who is well known in Muleshoe.

Mr. Bowen comes to the First Baptist Church very highly recommended by both pastors and congregation with whom he has served. He is said to be exceptionally good with young people. He has served as Director of Music and Education in the First Baptist Church of O'Donnel for the past fourteen months.

Towns Place Is Mystery Farm

The Verney Towns place was the subject of last week's Mystery Farm. The Towns home is located on the Clovis highway northwest of Muleshoe in a fine farming section.

First to identify the farm were: Mrs. Ruth Malone, city. Mrs. Vernon Jamison, out of city.

These two have two tickets each to the Cox Drive-In awaiting them at the Western Fertilizer Co.

This week's Mystery Farm is sponsored by the Muleshoe Motor Co. Turn to their advertisement and see how quickly you can identify the place shown.

Louis And Horton Griffin Arrive In San Diego

Louis P. Griffin, CTM, of the USS Taussig, and Saul Horton Griffin of the USS Laws, sons of Mrs. Mattie Griffin of Progress, arrived in San Diego, Calif., July 20.

The USS Taussig and USS Laws, destroyers of the U. S. Navy, have been on duty in the Far East for the past eight months.

Heavy Rains Cover Country

Crops on thousands of acres of dry land in Bailey County were saved by the timely rains that fell over a wide area last week. Muleshoe's precipitations measured 3.09 inches at the end of several days of cloudy and partially cloudy weather that began last Thursday night.

That night 1.20 inches fell here, according to R. J. Kinney, weather recorder. On Friday night the government rain gauge showed 1.67 inches and the precipitation Sunday night was .22 inch.

Dry land farmers were not the only farmers made happy, for the irrigation farmers got to shut off their irrigation pump means after having run them incessantly, night and day for a long time. Many of the cotton and feed growers could rest from watering for a couple of weeks or more.

Time will tell whether crops on dry lands will really make with this fine rain, but observers say many cotton, feed and sudan crops will mature, though the yield may be cut.

Farmers on dry land most all over the county had been fortunate enough to get the crops up and they were in fair condition to receive the rain. Farmers in many counties of West Texas were not so fortunate and so have nothing growing at all.

However it is said that in many sections of West Texas grain sorghums are being planted following the rains and it is believed they have a fair chance of maturing and making a tolerable growing season if cut down by an early frost.

Some observers say that in Bailey County and the immediate Muleshoe country crop prospects as a whole have never seemed so good at this time of year as they do now.

MORE RAIN LAST NIGHT Muleshoe received another shower last night amounting to .28 of an inch. This brought the total received here in the last few days to 3.37 inches. No damage from high winds or from hail has been reported here during this spell.

Potato Week To Be Observed

Ray Franz, secretary of the Muleshoe Chamber of Commerce, announced today that July 27 to August 1 will be observed as Muleshoe Potato Week. This is the first time this event has taken place and is being done in order to acquaint the folks of this area with the quality and goodness of products being grown in our own trade territory.

The following firms have agreed to feature the potatoes during the week, Piggly Wiggly, Cashway Grocery, Tiny's Market, Wagon Grocery, Shady Rest Grocery, Blackburn Grocery, and Roark Food Store. These restaurants have agreed to serve Muleshoe potatoes during the week designated: West's Cafe, Pops Cafe, Muleshoe Cafe, Gerald's Cafe, and Cross Roads Cafe.

Martinez Family Fund Total \$1570

Bailey County people contributed \$970 to help the Lucas Martinez family, five of whose children were killed in an automobile accident here the afternoon of Sunday, July 5. This was reported today by Horace Blackburn and Cecil Tate, who were treasurers for the fund.

Four children were not seriously injured in the crash. The father and mother were treated for their injuries, and the mother is still in Amherst Hospital.

In addition to the \$970 contributed by private citizens, Bailey County gave \$300 and Terry County, where the family lived, gave \$300 toward the funeral and hospital expenses. The children were buried at Brownfield.

Muleshoe Lions Hear Rev. Guthrie

Reverend Guthrie of Sweetwater, Texas, spoke to the Lions Club here Wednesday noon. The minister spoke on the subject, "What Is Tomorrow" and outlined to the club what he thought tomorrow really was. Rev. Guthrie is presently conducting a revival at the Methodist Church here in Muleshoe.

Reports by various committees revealed that plans for the Will Rogers Rodeo and Round-Up were shaping up as far as the Lions Club was concerned.

A directors meeting held after the regular meeting decided that the Lions Club would enter a float in the parade. It was thought that the theme for the float would be about Boy Scouts and Scouting.

Visiting guests at the meeting were C. R. Stevens of Amherst, C. E. Roark and Rev. Hanks of Muleshoe.

Potato Week To Be Observed

Ray Franz, secretary of the Muleshoe Chamber of Commerce, announced today that July 27 to August 1 will be observed as Muleshoe Potato Week. This is the first time this event has taken place and is being done in order to acquaint the folks of this area with the quality and goodness of products being grown in our own trade territory.

Visiting guests at the meeting were C. R. Stevens of Amherst, C. E. Roark and Rev. Hanks of Muleshoe.

High School PTA Appoints Officers

The Executive Committee of the High School P. T. A. met in a called session Friday, July 18, in the office of the National Alliance Mill, with the president, Mrs. Onard Upton, presiding.

The resignation of Mrs. Rufus Gilbreath as first vice-president, was accepted with regret. Mrs. M. H. Otwell, was elected as first vice-president, and Mrs. G. S. Dowell, as second vice-president.

Plans were made for participation in the Will Rogers Memorial Roundup. Mrs. Murrell Brown, and Mrs. D. B. Lancaster were appointed co-chairmen, to plan the High School P. T. A. float.

Committees were appointed to make plans for the concession stand at the rodeo. Hot dogs, home made pies, coffee, and coal-aid will be served in this booth. Everyone is invited to visit this booth sometime during the Round-up.

NO CONTRACT LET ON SCHOOL GYMNASIUM

Bids were received and opened Tuesday night by the Muleshoe school board, but no contract was let. Instead the trustees decided to take a little more time to study the bids.

A contract will be awarded soon. The board was to study the three lowest bids submitted and will announce a decision in the next day or two.

A bond issue approved by the voters provided \$80,000 for the construction of the building.

Parmer County Joins In Statewide Farm Bureau Queen Selection

Parmer County Farm Bureau is joining other Texas Counties in preparing for the State-Wide Farm Bureau Queen Contest, according to Aubrey Ellison, chairman of the county Queen Committee. Texas Farm Bureau will allow \$500 expenses for this year's Queen and her matron to attend the American Farm Bureau Convention in Chicago in December.

Mrs. Flossie Anderson, of Bovina is in charge of promotion and accepting entries for the county contest to be held August 21. Civic clubs, businesses or individuals are invited to sponsor candidates for the contest. The county winner will be taken to Lubbock September 3 to participate in the district contest. The winner there will go to Mineral Wells, as guest of Texas Farm Bureau in November to participate in the State Contest.

The purpose of the contest, according to Mr. Ellison and Mrs. Anderson, is to give proper recognition to the beauty, charm

and personality of farm and ranch girls and promote a better acquaintance with the principles of Farm Bureau. The contest will be an "honest-to-goodness" Queen Contest, not a bathing beauty affair. Girls entering will be judged by an out-of-county panel on three main points: Appearance, Poise, and personality.

Rules of the contest are: Candidate must be the daughter or sister of a Farm Bureau Member; single; sixteen years of age by Sept. 1, 1953 and not over 22 on that date. Daughters of directors, officers, employees of Farm Bureau are not eligible. A fee of \$5 will be charged for each entry. Clothing for the county contest will be informal cottons. The winner will go formal from there on. Farm Bureau will outfit the County Queen for district participation.

Groups or individuals desiring to sponsor candidates should contact Mrs. Flossie Anderson, or inquire at the Farm Bureau Office in Friona, or your community chairman.

Entertainment for this gala affair, to be held in the New Friona Auditorium, will be provided by some of the staff of KGNC Radio Station, including Cotton John and O. J., and Keith Lloyd and his Western Band.

Parmer Fair To Be Sept. 10-12

The date for Parmer County's Fair and Dairy Show was set Monday night for September 10, 11, and 12. Directors met for supper at Villa Cafe in Friona to complete plans for the show.

Some inquiry has been received concerning poultry division this year, and if the demand increases, it will be provided. Concessions and booths will be handled on the same basis as in the past, and contributions from businesses and individuals will be the principle basis for financing the show.

Rules to be more strictly emphasized this year include the requirement that products for exhibit must be this year's production and milking methods in the dairy test division will be uniform throughout the show.

Attending the meeting were: Prof. Morton, Farwell Agriculture teacher; J. T. Gee, General Superintendent; Floyd Schlenker, President; Walter Kaltwasser, and Eugene Boggess, directors; Harold Lillard, Supt. Community Agricultural Exhibits and Raymond Euler, Sec.-Treas.

Pvt. Billie Copley Receives Rating

Pvt. Billie J. Copley received a rating of Private E-2 last week. Bill is stationed at Camp Chaffee, Ark., where he has just completed eight weeks of basic training. He was recently assigned to the Equipment Pool, Headquarters Co., 5th Armored Division.

Buying Power Of County Given

With 33 per cent of Texas' population, West Texas retail sales in 1952 amounted to 34 per cent of the state's total, although the three largest metropolitan centers with more than one-seventh of the population are outside its borders.

This was disclosed by a survey study made by the West Texas Chamber of Commerce.

West Texas retail sales totaled \$3,032,069,000 (b) of Texas' \$8,925,203,000.

West Texas had 16.5 persons

per square mile, according to the 1950 census. The State average was 29.4.

West Texas' net effective buying income, as computed by the magazine Sales Management, totaled \$3,814,069,000 (b) in 1952. This was 20 percent of the state total of \$19,260,388,000.

Average income per capita and per family was presented by counties in the magazine's annual Survey of Buying Power.

The survey puts Bailey County's buying power for 1952 at \$9,776,000.

VISITED IN LITTLEFIELD

Mary K. Surratt and Bobbie Neil King stayed a few days last week with Mary's grandmother and uncle, Mrs. Katie Crouch and Billy, in Littlefield.

CHRISTIAN SCIENCE SERVICES

"Truth" is the subject of this week's Christian Science Lesson-Sermon, which will be read in all Christian Science churches. "Thou art the God of my strength. O send out thy light and thy truth: let them lead me" (Psalms 43:2-3), reads the Golden Text. According to the Lesson-Sermon, such prayer enlightens thought and lets into consciousness the healing, saving Christ-light.

The term "light" is often used to signify revelation or inspiration. With this viewpoint, Mary Baker Eddy discusses the passage from Genesis (1:5): "And God called the light Day, and the darkness He called Night. And the evening and the morning were the first day." She says, "All questions as to the

FORD SUNLINER

America's fastest selling convertible

Ford's Sunliner is the "top downers" delight! And its power-operated Breezeaway top converts it to a snug, closed car in a jiffy. And it's the only low-priced convertible with V-8 power plus a choice of three great drives.

3 Best Sellers!

FORD VICTORIA

America's most beautiful car of its type

Again for '53, Ford's Victoria is America's "best-dressed" car. Like all '53 Fords, its Crestmark body is hullight, its picture windows give Full-Circle Visibility. And you ride in style on foam-rubber cushions over non-sag springs. Front-end road shock (the kind you feel most) is reduced up to 80%.

FORD STATION WAGONS

COUNTRY SQUIRE, COUNTRY SEDAN, RANCH WAGON (Illustrated)

America's most popular Station Wagons

Ford's wood-trimmed Country Squire is a "double-duty" beauty that changes from eight-passenger sedan to hard-working cargo hauler in three minutes flat. Ford offers two other popular "quick change artists" . . . the 2-door, 6-passenger Ranch Wagon and the 4-door, 8-passenger, all-metal Country Sedan.

MRS. EUGENE R. MILLER
OF GUYMON, OKLAHOMA

describes her home freezer

"Time & Money Saver"

SYMBOL OF QUALITY

Ladies, when you can save both time and money, you have the kind of economy that homemakers really love. Listen, then, to what Mrs. Miller says.

"Our home freezer has proven to be very economical, and has saved about 10 hours a week in grocery shopping and food preparation."

Think of saving money—and 10 hours a week—and you'll think it's time for a freezer in your home now.

SOUTHWESTERN

PUBLIC SERVICE

COMPANY

Have yourself
a HEART-LIFT!

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.

You feel happier just to be in a car with the lilt of larks to its styling—with the breeze-blessed airiness of all outdoors all around you.

It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.

But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.

You get it, too, from the sheer brilliance of its performance—

From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio—

From the new instant getaway of Twin-Turbine Dynaflo®—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness—

From the deep comfort of riding soft and ever-level on all-coil-spring cushioning—of sitting in sumptuous luxury on really wide seats—of handling over two balanced tons of fine

automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.*

We'll be happy to have you guest-drive one of these stunning new Buicks—and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?

*Standard on Roadmaster, optional at extra cost on other Series.

SPORTS

By H. B. Flanagan and Marion Waggoner

REA Edged By Printers 7-6

After a good start in the first inning, the Printers let the REA team catch them and then got out in front and nose them out for a 7-6 win.

The Printers scored in the first inning with two runs and held the REA team with no runs. In the second inning the REA team closed the gap with three runs and from there on out the game was a nip and tuck affair.

The Printers were leading REA by a score of 6-5 going into the bottom of the seventh when they got one man out. The next batter got on with an error. Then the next batter also managed to get on with the help of an error. With two men on and one out, Jasper Pruitt hit a clean single over second base which scored the tying run and bring in the needed winning run.

Shaw pitched the game for the Printers while Gross did the pitching for the REA team.

Lewallen. The Printers jumped on Lewallen and scored four runs off him, hitting almost all the way for the Printers and was given good backing by the rest of the team, both at bat and in the field.

Muleshoe Nips West Camp Team

The West Camp team was nosed out in a fast game with the Muleshoe team Tuesday evening.

The West Campers started off with a bang, running in six big runs in the first inning and holding Muleshoe to only two runs.

West Camp led the Muleshoe team until the fourth inning when Muleshoe went in the lead 7-6. Both teams scored one lone run each in the seventh inning closing the game with Muleshoe on top of an 8-7 count.

Buster Herrington pitched for West Camp and Lewallen did the pitching for Muleshoe.

Dr. Putman Wins Golf Title

B. R. Putman of Muleshoe won the annual golf championship of the South Plains Optometric Society Saturday at the Meadowbrook Golf Course, shooting an 80.

Glen Burke, Littlefield and defending champion, was second finishing with an 82. C. M. Neal of Lubbock was third with 84. Fifteen golfers entered the meet.

PUBLIC NOTICE

PUBLIC HEARING ON PROPOSED COUNTY BUDGET

I am hereby authorized, acting in my capacity as County Judge, of Bailey County, Texas, to give public notice to the Citizens of said Bailey County, Texas, as authorized by law, that a public hearing will be held in the Commissioner's Court Room, at the Bailey County Courthouse, on Tuesday, the 18th day of August A. D., 1953, at 9:00 o'clock AM, on the proposed County Budget for the year beginning January 1st, 1954; and the Commissioner's Court will consider said Budget, after the hearing had on said date. Any tax payer and the General Public are invited to attend and participate in said hearing at said place on said date and hour hereinabove stated. Witness my official hand and seal, this 20th day of July, 1953. CECIL H. TATE, County Judge, Bailey County, Texas 31-4tc.

THE STATE OF TEXAS COUNTY OF BAILEY

NOTICE OF EXECUTION SALE

By virtue of an execution issued out of the County Court of Bailey County, Texas, on a judgement rendered in said Court on the 23rd day of March, 1953, in favor of Lloyd Roberts, d-b-a- MULESHOE FUNERAL HOME and against LESTER TANDY, MRS. W. F. TANDY and PAUL TANDY, in the case of LLOYD ROBERTS, d-b-a- MULESHOE FUNERAL HOME vs. LESTER TANDY, MRS. W. F. TANDY and PAUL TANDY, No. 361 in such Court, I did on the 8th day of July, 1953, at 1:30 o'clock p. m., levy upon the following described lot, tract or parcel of land situated about one mile west and two miles north of the city of Muleshoe, Bailey County, Texas, and more particularly described as follows, to-wit:

All of the East Half (E-2) of the Northwest Quarter (NW-4) of Section Number Thirty-two (32), Block "Y", W. D. and F. W. Johnson Subdivision in Bailey County, Texas, SAVE and EXCEPT the West Half (W-2) of the Northeast Quarter (NE-4) of the Northwest Quarter (NW-4) of Section Number Thirty-two (32), Block "Y", W. D. and F. W. Johnson Subdivision in Bailey County, Texas, and on the 4th day of August, 1953, being the first Tuesday of said month, between the hours of 10 o'clock a. m. and 4 o'clock p. m., on said day, at the courthouse door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Mrs. W. F. Tandy in and to said property. Dated at Muleshoe, Texas this 8th day of July, 1953.

A. H. Freeman, Sheriff of Bailey County, Texas 29-3tc.

Sgt. White With Army In Germany

With The 28th Infantry Div. In Germany — Sgt. Loyd V. White, son of Coy White, Sudan, is serving in Germany with the 28th Infantry Division.

Sergeant White, a squad leader in Company G of the 112th Infantry Regiment, arrived overseas in August 1951. He holds the Combat Infantryman Badge, Korean and UN Service Ribbons and the Distinguished Unit Emblem.

Before entering the Army in April 1951 he was a farmer. The 28th Infantry Division is now training in southern Germany where it is receiving intensive training as a part of the North Atlantic Treaty Organization Army.

Surmise In Verse On Town's Name

After receiving a letter from Mr. and Mrs. Tom Shirley telling of the new move to Muleshoe, Texas, Mr. J. H. Shirley, 1525 East Tenth Street, Shawnee, Okla., (Father of Tom Shirley) wrote the following poem regarding the possible way the town received its name.

Some cities striving For fun and fame Give to their city A funny name.

We do not know, There's no way of knowing Who named the town To where you are going.

But one thing I know He was no fool, And had fond memories Of a Missouri mule.

That dear old mule Was sometimes slow, But when he kicked He made things go. We hope when you land In fair Muleshoe, There'll be no kicking Made on you.

Editor's Note: Tom Shirley, the new director of the Muleshoe high school band, is on the job here. He and Mrs. Shirley moved here last week. The elder Shirley's poetic efforts have been published in some of the national publications.

FISHED AT FT. SUMNER

Leroy Hicks, W. O. Chadwick and son Bobby, and Bob Angley, spent the weekend fishing at Ft. Sumner. They returned with a nice catch of fish.

Naomi St. Clair Arnold Alcorn Exchange Vows

Mrs. Naomi St. Clair and Mr. Arnold Alcorn exchanged vows Saturday evening, July 18, at 7:30 o'clock.

The single ring ceremony was performed by the Rev. Wm. D. Wyatt, and took place in the First Baptist Church in Albuquerque, N. M.

The bride was lovely in an ice blue, two piece, linen dress, with a matching hat, and white accessories.

Mr. and Mrs. Buck Ragsdale were the couple's only attendants.

Immediately following the ceremony, Mr. and Mrs. Alcorn left for Red River, N. M., and points of interest north and south. They expect to be gone about three weeks.

ATTENDED BARBEQUE

Those from Pleasant Valley attending the barbeque at the Park Thursday night were: Mrs. Leroy Hicks, Mrs. Bonnie Haberer, Mrs. Raymond Roubinek, and son Jack, Mr. and Mrs. E. K. Angley and Patsy, Mrs. Floyd Angley and children, Mrs. Gerald Allison and children, Harold Allison and Freddy, and Bill Free, and Mr. and Mrs. John West and children.

A. E. SCARBROUGH 1305 E. 2nd. 29-31c

REA Edged By Printers 7-6

After a good start in the first inning, the Printers let the REA team catch them and then got out in front and nose them out for a 7-6 win.

The Printers scored in the first inning with two runs and held the REA team with no runs. In the second inning the REA team closed the gap with three runs and from there on out the game was a nip and tuck affair.

The Printers were leading REA by a score of 6-5 going into the bottom of the seventh when they got one man out. The next batter got on with an error. Then the next batter also managed to get on with the help of an error. With two men on and one out, Jasper Pruitt hit a clean single over second base which scored the tying run and bring in the needed winning run.

Shaw pitched the game for the Printers while Gross did the pitching for the REA team.

Muleshoe Loses To Printers, 8-4

The league-leading Muleshoe team again found themselves on the short end of a 8-4 score rendered by the Printers.

The Printers went out in front in the first inning and led all the way, playing perhaps their best ball game of the year.

Harold Freeman started on the mound for Muleshoe and was relieved in the third inning by

WSCS Club Of Y. L. Met On July 1

The Y. L. Women's Society of Christian Service met July 1, 1953, in the Church with president, Oleta Burman, presiding.

Opening song was, "Place Your Hand In The Nail Scarred Hand". May Wilterding led in prayer. Minutes were read and approved, and roll call was answered with a verse of scripture.

Mrs. Wilterding reported on the dishes and silverware which were received. It was decided to send askings.

A letter received from Mrs. Coffee, stated that the American Latin Center was completed at Amarillo.

There was a discussion on having the colored lady report on her trip to Amarillo, and the school she visited there, and also a discussion on selling Christmas cards.

The lesson on how the New Testament was written, was brought to the group by Mrs. Moore. The lesson told of how the great men of the Bible read a poem, "The Saviour Of The World". The study ended with this, and the group sang "Beulah Land."

The next meeting will be held July 29, at the Church.

VISITED DAUGHTER

Mr. and Mrs. Mervin Wilterding were in Oklahoma City, Okla., last week visiting their daughter and son-in-law, Mr. and Mrs. Robert Hooten.

BABSON Discusses — PROFIT SHARING

Babson Park, Mass., July 23 — There is no panacea for the labor problem. It began when one man started to work for another. It will continue so long as there is an employer-employee relationship.

fail the next year
PROFITS ARE A MANAGERIAL PROBLEM
How a business enterprise is managed determines its success or failure.

PROFIT SHARING AND PROSPERITY
Profit Sharing Plans grow with prosperity and decline in periods of depression. Most Profit Sharing Plans are for wages only — are not dependent on the productivity of the workers, but dependent mainly on the ability and generosity of the management.

It, therefore, is seen that profit sharing rewards depend little upon the wage workers. Such plans are most successful in large business enterprises that are well established and managed, especially if producing a patented product having a continual demand in war or peace.

The recent large earnings of industry have stimulated Labor Union leaders to ask and re-ask for increased wages. Seven rounds have been granted and we are now facing a request for an eighth round.

SPEAKING OF EXPERIENCE
I gave away over one million dollars to my employees from 1913 to 1925. There is no doubt but what the money passed out did a lot of good to the recipients.

SAND HILLS PHILOSOPHER Willing To Take On Job Of Finding Out Why People Tire When They Work

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has been affected by the summer heat, his letter this week implies. Dear editor: With the world in the shape it is, with unsolved problems stretching out from here to Korea and back again, the drouth, inflation, Russia, etc., it's odd how some people find time to spend energy and money on some minor problems, but I was readin in a newspaper last night which I picked up in the bank in town that mornin and will sign a note for if required to where a group of scientists up in New York have been conductin lengthy studies into the problem of why people get tired while workin.

Usin highly scientific instruments and complicated charts and figures, they've been goin into factories and checkin on workers, tryin to find out why they get tired. At last report, they were still workin on the problem and ain't ready yet to come out with the answer.

I don't want to interfere with anybody else's racket, but I will be glad to conduct such a scientific survey out here on my Johnson grass farm for a much smaller fee than those scientists are chargin. Furthermore, it won't require any expensive layout for a laboratory, equipment, or scientific measurin devices.

I already got all the equipment necessary out here, consistin of a tractor and an unplowed field, not to mention a hoe, plenty of weeds in the garden, an axe, saggin fences, saggin gates, un-patched roof, stuck windows, rickety steps, etc.

All I ask to be furnished is somebody to examine while he works. I'll figure out a system where he can swing by me on the front porch in his rounds of work every hour, and will guarantee to come up with the correct answer. The reason I know I will come up with the right answer is that I already know it. I know why people get tired while they're

workin. I ain't gonna come right out and lay the facts bare yet, but after years of testin myself I believe I have figured out the answer. And after I get the facts established, I will then back off and let science figure out a deeper problem, which is why, once you get tired of workin, you stay that way. I don't want science to remedy this feelin, I've had it for years and find it agrees with me. All I want science to do is to establish a reasonably acceptable theory of why man is entitled to stay tired if he wants to. It'd be a handy thing to hand people on a written sheet of paper when they come up and kick you on the foot while you're restin under a shade tree in the summer time.

MRS. ENGLISH TO OPEN NEW FLOWER SHOP HERE

Mrs. Gene English announces that she will soon open a flower shop at her home, 1221 Avenue B. The shop will occupy a building in the yard of the home.

Mrs. English said that besides flowers, she expects to carry a line of cards for all occasions and possibly a gift line.

CARD OF THANKS

We wish to thank everyone for the lovely flowers, the food that was brought to our home, and the kindness shown us during our recent bereavement at the loss of our dear father and mother.

They visited in San Antonio, San Angelo, and Austin. In Kerr-

Today's Meditation

The wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord. (Romans 6:23.) Read Galatians 2:16-21.

While waiting for a streetcar, my curiosity was aroused by a bulge in the sidewalk. I discovered that in spite of the four inches of asphalt, a plant had rebelled and refused to be buried. It had broken through the surface and had become the master of its environment.

Then I recalled portions of Paul's letter to the Romans. He cried, "O wretched man that I am! who shall deliver me from the body of this death?" He found the answer in his faith, the greatest discovery of his life. In Christ he found himself possessed of a life which once for all raised him from despair and defeat into the region of everlasting victory! He wrote, "For the law of the Spirit of life in Christ Jesus hath made me free from the law of sin and death."

This faith translated him into the sphere above the things of time and sense.

PRAYER
Our heavenly Father, grant to us the experience of that life which makes us one with Thee. Lead us forth to the fulfillment in us of the promises Thou hast made and wilt fulfill in those who love Thee. In our Redeemer's name. Amen.

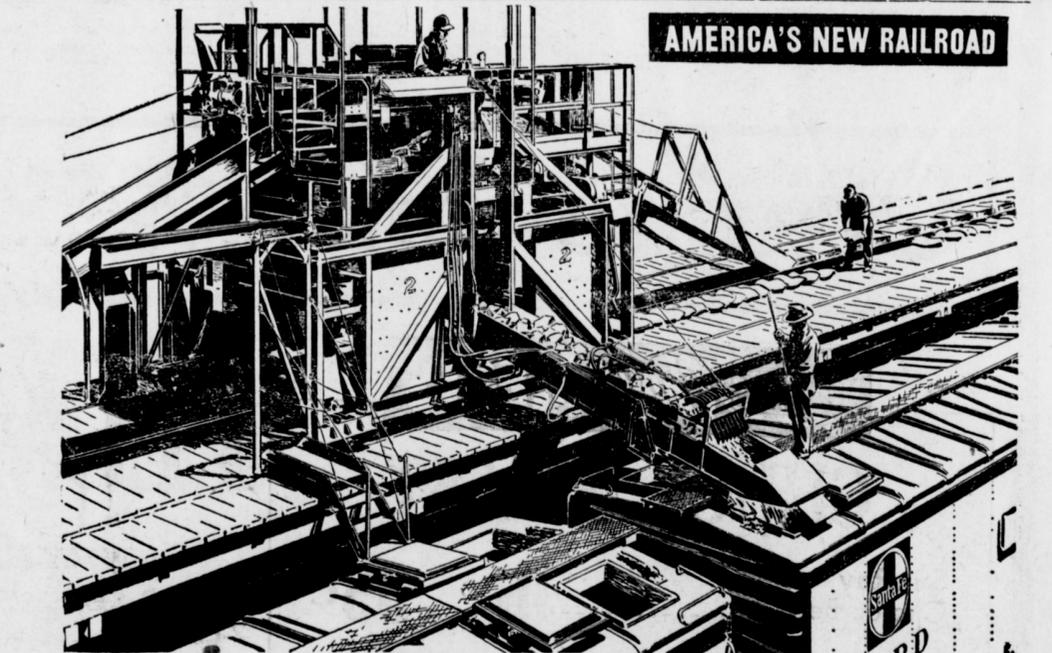

THOUGHT FOR THE DAY
"I live; yet not I, but Christ liveth in me."
Rudolph Smale (Calif.)

WAS IN NEW MEXICO

15 of these big icing machines are in operation at ice-servicing points along the Santa Fe.

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice! They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails. These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic); It can maintain sub-zero temperatures all the way from California to New York.

WHAT ABOUT TOMORROW?
We can't be sure, BUT—
Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

BENEFITS FELT ALL ALONG THE LINE
All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

Each of these new cars has its

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay,

PROGRESS THAT PAYS ITS OWN WAY

Surgin Power with a Single Purpose

Turning into traffic, you call on the surging reserve of acceleration that set new official AAA performance records for the Red Ram V-8.

SAFETY!

When you choose a car for your family, you call on your good judgment to obtain every measure of safety. One safety factor you should certainly consider is the magnificent reserve of power that Dodge provides in the 140-h.p. Red Ram V-8 engine. This power is there when you need it: For passing, for turning into highway traffic, for crossing intersections. The cost of safety is very low: Dodge prices start below many models in the "lowest-priced" field.

Passing a truck on the highway, a touch of your toe brings instant, eager response. Dodge power reserve is a great safety factor.

Powerful brakes, capable of developing more than 700-h.p. in stopping power, team up with the Red Ram V-8 engine to bring you new mastery of every driving situation.

Oklahoma City Ceremony Unites Miss Pat English, Mr. M. R. Anderson

MRS. PAT ANDERSON

Mr. and Mrs. W. E. English of San Diego, Calif., leaving for his new duties August 4.

The ceremony took place in Oklahoma City, Okla., at 2:30 p. m., Saturday, July 18, 1953.

Mr. Anderson is a geology student in the University of Oklahoma. He has entered the Navy, to be stationed for eleven weeks at the Naval Training Station, Highland Park, Ill.

Mrs. Henry Hosts Homemakers Club

The Progress Homemakers met Thursday afternoon, July 16, in the home of Mrs. Clyde Henry. There were six members and one visitor present for the meeting.

After the opening song, Mrs. LeHew led the group in prayer. The devotional on "Patients of Jesus" was taken from Mat. 5:1-12, and was brought to the group by Mrs. E. W. Locker. Shirley Henry and Mitzi Leonard furnished some special music.

In the social hour which followed, sunshine pals were revealed and the games were conducted by Mrs. Helen Redwine. The hostess served refreshments of sandwiches, cookies, and cold drinks.

WERE IN PLAINVIEW

Mrs. W. E. English and daughters, Eugena and Ellen Louise, were in Plainview Sunday and Monday, on business and visited relatives and friends.

VISITORS FROM OKLAHOMA

Guests in the home of Mrs. O. G. York this week are her sister, Mrs. W. O. Parker, of Indianola, Okla., and Mrs. Jack Templer and daughter, Letha, of Hartshore, Okla.

Rainbow Girls Hold Installation

A very beautiful and impressive initiation ceremony was held for Barbara Ann Sowder, by Muleshoe Assembly No. 161, Order of Rainbow for Girls, Thursday evening, July 16, in Masonic Hall.

Several Masons and Eastern Stars witnessed the initiation and the lovely drill that followed. The girls voted to enter a float in the Will Rogers Memorial Round-up parade this year. Last year they won a prize of \$10 with their theme, the rainbow and the Holy Bible.

At the close of the meeting, delicious refreshments of cherry punch and cookies were served.

LIBRARY HAS NEW BOOKS

The Library has three new books, announces Mrs. Wright, librarian, they are:

Caravan To Xanadu, by Edison Marshall.

The Singer Not The Song, by Audrey Erskine Lindop.

Captain Adam, by Donald Barr Chidsey.

FIRST BAPTIST PASTOR TO CONDUCT REVIVAL

The pastor of the First Baptist Church will conduct a ten-day Revival with the First Baptist Church of Amherst, beginning July 31 and continuing through August 9.

Rev. John Ranking, pastor of the First Baptist Church of Amherst will conduct Prayer Meeting next Wednesday evening and fill the pulpit of the First Baptist Church of Muleshoe August 2.

In all these important ways...

Chevrolet's farther ahead than ever!

The striking new Bel Air Sport Coupe. With 3 great new series, Chevrolet offers the widest choice of models in its field.

- ... IN POWER AND PERFORMANCE**

Chevrolet's entirely new 115-h.p. "Blue-Flame" engine (teamed with Powerglide*) is the most powerful in the low-price field! In gear-shift models, you get the advanced 108-h.p. "Thrill-King" engine. Both give brilliant new performance and greater economy.
- ... IN STYLE AND LUXURY**

The sleek, low-slung beauty of this fine new car provides one more reason for Chevrolet's truly amazing popularity. The new Fisher Body provides roomy luxuries interiors, modern appointments and colorful, fine-fabric upholstery that can be matched only in costlier cars.
- ... IN EASE OF DRIVING**

Entirely new Powerglide automatic transmission, with faster getaway and greater economy, eliminates the clutch pedal completely. And Chevrolet's new Power Steering* does 80% of the work... lets you squeeze in or out of tight spaces with wonderful new ease.
- ... IN ECONOMY AND VALUE**

Chevrolet now brings you the most important gain in its history! And, you save substantial amounts on overall upkeep, too. Yet with all its wonderful new things, Chevrolet remains the lowest priced line in the low-price field!
- ... IN FIRST PLACE POPULARITY**

Again this year—in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show Chevrolet over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

MORE PEOPLE BUY CHEVROLETS **CHEVROLET** THAN ANY OTHER CAR!

Agricultural Exports Expected To Be A Fourth Less Than Last Year

COLLEGE STATION, July 21—United States agricultural exports are continuing to decline and are expected to total at least one-fourth smaller in 1952-53 than in the preceding year. This

information, says C. H. Bates, farm management specialist for the Texas Agricultural Extension Service, comes from the U. S. Department of Agriculture. Exports for April, the most

recent month of tabulation, were 11 percent below those for March. The total exports in April, 1953 were \$223,535,000 compared to \$296,785,000 for the same month in 1952, says Bates. Among the commodities showing the greatest decrease last April were cotton, wheat and rice, all mighty important crops in Texas. Butter, pork, lard, dried eggs and apples were also listed.

Bates points out that this continuing drop in agricultural exports presents an important problem to the economy of the country because this nation normally exports the products from about 50 million acres. Estimates now being made indicate that total exports during 1952-53 may fall short of \$3 billion, compared with approximately \$4.1 billion in 1951-52.

The export decline, according to the specialist, has been attributed primarily to scarcity of dollars abroad, increased agricultural output in foreign countries and restrictive trade barriers. Plans for checking the drop in farm exports and bolstering foreign outlets for agricultural products are receiving major Department of Agriculture attention. The solution of this situation, says Bates, would be a big step forward in solving the surplus problem which is bringing back into the agricultural picture control programs.

Beauty And Duty Are Discussed By Dr. Guthrie

"Beauty and Duty in Human Life" was the theme of an address delivered before the Rotary Club Tuesday noon by Dr. T. M. Guthrie. Dr. Guthrie, pastor of the First Methodist Church of Sweetwater, is here conducting a revival meeting at the local Methodist church.

There is much beauty in life, but there also is duty, he pointed out. A man has his duties to his family, and to his church, as well as to his community and nation. Some men enjoy living in the community but are not too anxious to accept any responsibility in any endeavor that would tend to improve their community.

Dr. Guthrie is a member of the Rotary Club of Sweetwater. He reminded his listeners that the farmers there have not raised a crop in three years. Yet his church is erecting a new building, and the men and women of the church continue to sacrifice for their new building and to give of their funds for its erection.

It is hard for us around Muleshoe to conceive of what a blessing we have in the fact that we have irrigation here, Dr. Guthrie pointed out. He was accompanied by Rev. H. W. Hanks, local pastor. Charles Alsop was program chairman.

Lovable bird-brain, Jerry Lewis teams with his partner, Dean Martin in Hal Wallis' hilarious Paramount comedy "The Stooge", slated to open Sunday, June 26, at the Cox Drive-In Theatre for a three night run.

Philathea Circle Has New Member

The Philathea Circle met Thursday, July 16 in the home of Mrs. H. W. Hanks.

The devotional was given by Mrs. Mildred McReynolds and Mrs. Margaret Adams read the minutes.

The Circle was very proud to welcome Mrs. W. Y. Mitchell, who is a new member.

The next meeting will be held in the home of Mrs. Margaret Adams, August 6.

Delicious refreshments of home made ice cream and cake were served to the twelve who were present.

Chitwoods Observe Anniversary

Mr. and Mrs. E. C. Chitwood will celebrate their 50th Wedding

BECAUSE—It SLOUGHS OFF the tainted outer skin to expose buried fungi and kills it on contact. Get this STRONG, keratolytic fungicide, T-4-L, at any drug store. If not pleased IN ONE HOUR, your 40c back. Now at Damron Drug.

Sudan, and Y. L. Attended, and the total attendance was well over one hundred.

Recreation and a picnic supper on the church lawn were first on the program, followed by a business meeting and program. Each church gave one report on what their M. Y. F. had done during the past month, and the Progress group gave a short devotional and a play.

Rev. Austin Rugger, exchange pastor from Raymond, Wash., gave an inspiring talk.

The meeting closed with the M. Y. F. benediction led by Mona Mitchell.

THE HORROR OF FAMINES

There is nothing new under the sun. History can be rightly called "a study of parallels" and particularly in regard to the present record-breaking drought.

Bad as the prolonged dry spell has been, we can take refuge in the fact that disasters, either local or national, bring out the humanitarian instincts of the more fortunate. As a result, tragedy is averted through gifts, loans, and other economic means.

But this was not always so. Recent studies show that man has sometimes had to resort to cannibalism in order to live through the famines following great droughts.

In a story released by the Associated Press recently, Arthur Edson reports on a study of age-old droughts made by Julius Allen of the Library of Congress. Edson quotes Allen as saying famines also have been the cause of wars, migrations, revolutions and Communists.

"India and China, near starvation level even when things are at their best, have been hardest hit", Edson writes. "The University of Nanking figures that China has had 1,829 famines in the past 2,000 years."

"Famines have been no respecter of geography. Some 650 famines have been recorded in Europe. In 936, in Scotland, 'people began to devour one another'. During that same time, the Irish sold their children for food."

There is this description of the Egyptian famine of 1064-1072, according to Edson.

The wretched resorted to cannibalism and organized bands kidnapped the unwary passenger in the desolate streets, principally by means of ropes furnished with hooks and let down from the latticed windows."

"Even the mere statistics are awesome: five million dead in the India famine of 1876-78, 9 1/2 million dead in North China in the same period, and 12 million dead of starvation during the Russian Revolution.

"The first written account of a drought remains one of the best. Two thousand years before the time of Abraham, a drought struck Egypt. The king, Toserthus, left his report on it, and any Texan or Oklahoma farmer will know how he felt.

"I am mourning on my high throne for the vast misfortune because the Nile flood has not come for seven years. Light is the grain; there is lack of crops and of all kinds of food.

"Each man has become a thief to this neighbor. They desire to hasten and cannot walk. The child cries, and the youth creeps along, and the old man; their souls are bowed down . . ."

Edson ends his story with Toserthus' note of almost desperation: "Torn open are the chests of provisions, but instead of contents there is air. Everything is exhausted."

projects, and a water conservation policy.

He suggested the possibility of a more lenient veterans' loan system, loans on livestock to sharecroppers, a voluntary price support system, loans from soil conservation districts, and a distribution system for surplus commodities.

Shepperd said a special session of the Legislature could bring about direct grants and loans to individuals and governmental agencies for relief purposes, long-term credit and low interest rates, extension of credit and a moratorium on debts subsequently contracted, and extension on tax payment deadlines.

A special session could also plan a water conservation program and finance a rain-making project.

Shepperd suggested a constitutional amendment by the next regular session to permit the Legislature to propose changes in the Constitution at a special session to meet future emergencies similar to the present one.

VISITED HALL FAMILY

Mr. and Mrs. Oliver Williams and Phillip, of Olympia, Wash., were guests in the S. A. Hall home last week.

Our Honor Roll

We had the following new subscribers to The Journal this week.

- W. B. Gammett, Rt. 1. Reu Jess Rains, City.

ATTEND ANNIVERSARY

Muleshoe residents attending the wedding anniversary for Mr. and Mrs. Iron Guthrie in Anton Sunday were: Mr. and Mrs. Morris Nolan, Mr. and Mrs. Morris Allen and family, Mr. and Mrs. B. L. Jackson, and Mr. and Mrs. Harvey Bass and family.

80% Of Workers In SS Program

Eighty percent of all workers in the United States are engaged in employment covered by social security and are building an insured status under the old-age and survivors insurance program, John G. Hutton, manager of the Lubbock social security office, announced today.

About twenty-five million workers have been in jobs under social security long enough to be assured of retirement benefits for themselves at 65 and survivors' benefits for their families. Four out of every five mothers and children are protected under the program in the event of the death of the family breadwinner.

For the workers over 65 who retire and for the survivors of workers who die at any age, the old-age and survivors insurance program provides substantial monthly benefits. In those cases where benefits may be based on the average earnings since 1950, the average monthly payment for a retired worker without dependents is about \$65; for an aged couple, somewhat more than \$100; and for a widow with two children, about \$150.

Since these benefit payments provide such important income for the retired worker and his family and for his survivors in case of his death, each worker, says Mr. Hutton, owes it to himself and to his family to know just what is status is in this insurance program; to know what, if any, protection he is providing for himself and for his family through old-age and survivors insurance. He can best get this information by discussing his own personal case at the social security office, located at 1616 19th St., Lubbock.

To assist in all matters pertaining to Social Security, a representative of the Lubbock Field Office will be in Muleshoe at the Post Office on July 29, at 9:30 a. m.

WILL ARRIVE TODAY

Mr. and Mrs. J. D. McKinstry of Hagerman, N. M., and cousin Miss Jessie Patterson of Clinton, Okla., are due to arrive here today for a weeks visit in the home of Mr. and Mrs. Sam McKinstry.

Shepperd Has Two Plans For Drouth Relief

Austin. - Attorney General John Ben Shepperd Thursday outlined two plans for a state program of drouth relief.

In a 30 page memorandum written at the request of the Governor, Shepperd listed steps that can be taken without calling a special session of the Legislature and defined a program which a session could put into operation.

He said the state's Civil Protection Act of 1951 and the recently enacted Interagency Cooperative Laws allow the Governor to declare a disaster condition in drouth-stricken Texas and utilize facilities of various state agencies in the emergency.

Under the program possible without a special session, Shepperd included aid to be furnished by cities and counties, technical assistance to be provided by state agencies, relief on freight rates and transportation of feed and seed, rain-making

ENSIGN
Butane-Propane
CARBURETOR

...FOR LOW COST FARMING

With Butane-Propane you can cook and heat the home. You can also run the tractor, irrigate, generate electricity and fuel your trucks. Equip your various engines with ENSIGN Carburetor for Butane-Propane and make very substantial savings in fuel costs and engine maintenance. Engines burning Butane-Propane run three to four seasons without overhaul or valve grind.

The carburetor you buy and its method of application is the key to successful engine operation. Ensign carburetor specialists for 36 years, pioneered Butane-Propane Carburetor and has perfected the finest equipment for easy starting, power, economy and safety. Consult your local ENSIGN Dealer. He is a specialist on Butane conversions and will gladly inspect your engines and advise on the feasibility and cost of the installation. Call or write him for free bulletin on the use of Butane-Propane in tractor, truck and pumping engines.

Hospital News

Mrs. Augustine Lopez was in for medical care. She has gone home.

Mrs. Pauline Tunnell was a medical patient a couple of days. She has been discharged.

Mr. C. A. Horsley was in for medical care. He has gone home.

Mrs. Pershing Busbice is in for surgery. She is resting well.

Sam Hines is in for medical care.

A. F. Steinbock, a surgical patient, has gone home.

Mrs. R. B. Seaton is in for medical care and is resting some better.

RETURN FROM VACATION

Don Nicewarner, son of Mr. and Mrs. W. D. Nicewarner, got home Friday afternoon, after spending four weeks with his aunt and uncle, Mr. and Mrs. Bill Denbow, of Dallas. He reported a fine time, but was glad to be home again.

CORRECTION!

Our onion story in last week's paper smelled, in fact, it stank. We said Dick Willman was getting 90 cents to \$1.75 per hundred pounds when everybody except The Journal knew the story should have said per bag of 50 pounds. We gladly correct this error.

SPENT THURSDAY IN AMARILLO

Mrs. Ray Simmons and sons, and Mrs. Mike Simmons and daughter spent Thursday in Amarillo, with their sister, Miss Jean Simmons.

Congratulations To:
Mr. and Mrs. C. E. Batchelor on the birth of a son, July 21, 1953.

RED CROSS CAN AND WILL GET THINGS DONE

If you ever contributed to The American Red Cross and wondered at the time whether your money would help in disaster or in time of emergency, you might talk to Tech. Sgt. Lawson Thomas, of Muleshoe, who will testify to the fact that the Red Cross can and will get things attended to.

Ten minutes after Travis Reed, Bailey County Red Cross chairman wired about Sgt. Thomas' mother's critical illness, the Red Cross had the wire at Anchorage where the Air Force man is stationed. A few minutes later the Red Cross contacted Sgt. Thomas and forty minutes later he was aboard the first plane to leave the field for the States. He is one person who doesn't question whether your Red Cross contribution is well placed.

Sgt. Thomas is a career soldier. He's an artist with a degree from Oklahoma U., and, marvelously the Air Force has him drawing, that's his job. He and his folks like Anchorage, which, he says has a nice climate. Twenty-five below is the coldest it ever gets and it's not too hot in summer. In winter night closes down between 2 and 4 p. m.; day begins around 9 a. m.; in summer you sleep in daytime or not at all.

They don't have flies up there, but he says mosquitoes almost bear you away; they'd

Rebekahs Plan Parade Float

The Muleshoe Rebekah Lodge met in regular session Tuesday night, with Noble Grand Clara Lou Jones presiding. There were several matters of business discussed, and some plans were made for having a float in the parade during the Will Rogers Memorial Roundup.

After the meeting was closed, refreshments of cake and punch were served by Lola Goodnough and Hazel Nowell, and practice was held.

Everyone, especially members of the team are urged to be present for the meeting next Tuesday night, as there will be practice for the initiation night, which is Tuesday night, August 11.

Due to an error, Myrtle Freeman's name was left out of the list of officers in last week's paper. She was installed as flag bearer.

ATTENDED REUNION

Mr. and Mrs. V. V. Cawthorn and children, attended a family reunion of the Cawthorn's, in Abilene, over the weekend. Everyone had a very enjoyable weekend.

kill a man if he didn't have protection.

Things are high as a cat's back; rent for a real small house \$125 a month, utilities \$60 and more a month.

Hoshall Thomas, son of Elbert Thomas and a former employe of Cashway Grocery, is now at Ellmendorf AFB at Anchorage with the sergeant, who is his uncle.

Best Prospects Yet

Alex Steinbock, one of quite a few Steinbocks around Lazbuddy community, says prospects for crops, at least in his balliwick are as good as he has ever seen and Alex is not a newcomer. He and the others came here in 1925, from Tillman County, Okla. He says that about all a fellow had to do when they first moved here was to say "I wish it would rain a quarter inch", then look across the fields and here would come a shower.

It hasn't been that way lately, but they irrigate and now their crops are very promising.

Alex admits he lives in a good community. The people are good and the land is good, he says and means it. The people of Muleshoe have many, many friends around Lazbuddy and appreciate each and every one of them.

Things are shaping up rapidly for the annual Will Rogers Memorial Roundup, to be staged here August 13, 14, and 15 Anno Domini 1953. Anno Domini means "In the Year of Our Lord."

Well, and things here at The Journal are shaping up rapidly for the special edition that will "hit the streets" at 1 p. m. August 11.

We have been blessed with wonderful rains over nearly all of our territory. Only hail reported to us was at the Dolly Ann farm south of Stegall. The extent of damage was not reported. Damage was caused to the north of Muleshoe by heavy downpours, but mostly the rains have fallen slowly.

PAYS TO ADVERTISE

Murl Wilson, of Remund-Wilson Dry Goods Co., called a member of The Journal staff to his store this morning to witness the pulling power of a sales circular we printed for him this week. The sale began this morning and long before opening time a crowd had gathered. Sales efforts pay, and are appreciated by the people, as evidenced many times here in the past. Their advertisement will be found on another page of this paper.
